

FIRE DEPARTMENT GRADING PERMIT SCREENING FORM

This questionnaire will assist the Fire Dept. to determine the appropriate action based on this submittal's scope of work. To determine which regulations your grading plan is subject to and if the Fire Dept. requires a review of your submittal, please read, complete and sign this document. **This does NOT negate the requirement to submit any other fire department requirements (fuel modification plans, access widths, access loads, ect.) if required.**

Engineering Firm	Applicant Name	Applicant Company	()	Applicant Phone #
		Moreno Valley	CA	
Site Address of Proposed Grading		City	State	Zip
Description of Project	Scope of work on plans being submitted			

Yes	No	<i>Please complete the questions below based on the plan's scope of work</i>	
<input type="checkbox"/>	<input type="checkbox"/>	1	Is the location of grading within a High or Very High Fire Hazard Severity Zone?
<input type="checkbox"/>	<input type="checkbox"/>	2	Does this project include a new or extended access road to a single family residence?
<input type="checkbox"/>	<input type="checkbox"/>	3	Will the new access road exceed a 10% grade at any point?

This is intended to assist applicants in the efficient review of their grading plan. There may be unique situations that may not fall into these categories that require fire department review. If you believe that a fire department review is necessary, please feel free to contact us so that we may further assist you at (951) 413-3370.

I understand that a "No" answer to any of the above questions may subject this project to on-site verification by the Moreno Valley Fire Department. Failure to properly disclose accurate information may result in significant delay or revisions to this project. I certify under penalty of perjury, under the laws of the State of California, that the foregoing is true and correct.
