Subject: Announcing the Appointment of Marshall Eyerman as Budget Officer

I am happy to announce the appointment of Marshall Eyerman as Budget Officer in the Financial & Management Services Department. Marshall was selected after successfully completing an open and competitive recruitment. Marshall started with the City in March 2008 as Special Districts Program Manager and most recently he has been serving as Acting Budget Officer. He has significant experience in the municipal finance field dealing with complex budget and cost issues. As Program Manager in Special Districts, Marshall has been responsible for managing the budgets, revenues and expenses of a complex structure of funds providing services to the citizens of Moreno Valley, including administering parcel fee assessments and handling debt service related to Special Districts. As interim budget officer, Marshall has taken the lead role in preparing the upcoming two-year budget as we completed extensive review of each Department's budget submissions and have undertaken the challenge to balance the General Fund budget in FY 2013-14. His analytical and computer skills have been instrumental in guiding us through this process accurately and expediently.

Marshall is well prepared to assume the role of Budget Officer for the City. Please join me in congratulating Marshall on this appointment.

Rick Teichert
Chief Financial Officer
City of Moreno Valley

Subject: Announcing the Promotion of Dena Heald to Financial Operations Division Manager

It is my pleasure to announce the promotion of Dena Heald to the position of Financial Operations Division Manager. Dena was selected after successfully completing an open and competitive recruitment. Dena started with the City in August 2011 as the Principal Accountant and most recently has been serving as Acting Financial Operations Division Manager. Dena has extensive private and municipal accounting experience. Before coming to the City, she was Senior Accountant for the City of Lake Havasu.

Dena played a critical role in implementing the financial modules of the LOGOS enterprise resource system. Immediately after Go-Live of the financial system last July, Dena led the accounting staff through the successful annual audit process, completing the Comprehensive Annual Financial Report (CAFR) during a very challenging period. Dena has demonstrated that she not only has a solid understanding of internal controls, but has the experience and energy to lead a very capable accounting staff to provide excellent accounting services and customer support to the City's varied divisions and departments.

Please join me in congratulating Dena on this promotion.

Subject: Gang-related robbery and assault

Good afternoon,

On 4-19-13, about 5:40 PM, SET-Gang officers responded to Celebration Park in the 14900 block of Morgan Avenue reference a strong arm robbery. As officers arrived, they spotted and detained the suspect, 18-year-old Jakim Christopher, walking out of the park. Investigation revealed that the suspect approached the victim, a 19-year-old male, and asked him for marijuana. The victim was smoking marijuana at the time. Words were exchanged between the two and the suspect yelled "Sex Cash" and then punched the victim in the face repeatedly, breaking his jaw. The suspect then grabbed a silver necklace from the victim's neck and departed.

The suspect is a known member of the criminal street gang known as "Sex, Cash, Money." He was arrested and booked on charges of robbery and gang enhancements. The victim was transported to RCRMC for treatment of his injuries. The suspect confessed to both the assault and the robbery.

CONSENT CALENDAR

Item #	Comments
7B	Ridership Report – Another ridership record. All of the seven routes that serve Moreno Valley showed increased ridership comparing FY 2012 to FY 2013 (Moreno Valley residents continue to be served well).
7C	On Time Performance – Unchanged at 89% comparing Mar. 2012 to Mar. 2013. (Moreno Valley residents continue to be served well)
7D	Travel Training Report – good program to assist Moreno Valley residents (Seniors and persons with disabilities). System-wide, 4418 fixed trips in March, greatly empowering people to ride the bus and reduce dependency on Dial a Ride.
7G	Productivity Improvement Program - Hit all 8 PIP targets @ systems-wide level. (Moreno Valley residents continue to be served well)
7K	Authorization to award sole source Purchase Order to Oracle USA – Staff recommends to support. Support necessary for existing E-Business software. Meets FTA requirements for sole source procurement. Item was reviewed and recommended by Budget and Finance Committee. No impact to Moreno Valley.
7L	Authorization to award sole source Purchase Order to Trapeze Software Group – Staff recommends to support. Support necessary for existing Paratransit Scheduling software. Meets FTA requirements for sole source procurement. Item was reviewed and recommended by Budget and Finance Committee. Provides direct benefit to Moreno Valley residents through an uninterrupted Paratransit scheduling system.

Notes: _____

DISCUSSION CALENDAR

Item #	Comments
8	Authorization to renew Revenue Agreement with UCR for U-Pass Program – Staff recommends to support. Exceptional program to reduce single occupant vehicles / increase bus ridership for students. Provides direct benefit to Moreno Valley residents that attend UCR. Item was reviewed and recommended by Budget and Finance Committee.
9	Authorization to Amend Cooperative Agreement with OCTA - Staff recommends to support. Item was reviewed and recommended by Budget and Finance Committee. Provides for “last mile” connections for commuters. No impact to Moreno Valley.
10	Authorization to open a Public Hearing to Consider revising Dial-A-Ride Policy - Staff recommends to support. In conformance with FTA guidance and provides equity among all Dial-A-Ride users. Item was reviewed and recommended by the Administration and Operations Committee.

Resolution Information

Chief Ontiveros responded on 4/10/13.

Everything contained in this CRM and the letter that it is based on is rumor and innuendo. The anonymous author indicates he or she "has heard" or "has been told" or "it is rumored" or "a neighbor claims" that certain things have occurred. Anonymous allegations do not constitute actionable information. If the reporting party or another reporting party tells us they have been victimized in some way, or witnessed this citizen commit a crime, we will be happy to investigate that allegation. Owning guns (if he does), drinking in bars (if he does), and bragging about things he has allegedly done is not against the law. As for the allegation that this citizen is somehow protected or untouchable, I can only tell you that I know of no such person.

We will conduct a computer inquiry into the named subject to see if there is anything that warrants further investigation. Absent specific information indicating something criminal is afoot, we will need to await actionable information to take this inquiry any deeper.

I am available to discuss this if the Mayor so desires.

Case Information

Issue Category: Police Administration

City of Moreno Valley

Council Summary

Issue: Other

Council District: 3

Issue Description: Please investigate Citizen X's concerns on behalf of Mayor Tom Owings, and advise Mayor Owings of the outcome.

Citizen X sent a letter to Mayor Owings and Council Member Stewart stating Carol Neal Armour, 26675 Ironwood, has bragged he has several weapons. Citizen X stated he has bragged he pointed his guns at his son and shot him in the garage and almost shot his wife to show them he was boss. Citizen X stated Mr. Armour stated he is retired military and Reserves, and he is untouchable as some of the police officers and judges who drink with him are all in the Reserves. Citizen X stated he has been told Mr. Armour molested his teenage daughter, and Citizen X is concerned for his/her daughters having to walk by Mr. Armour's residence. Citizen X asked if anything can be done concerning this person. The entire letter is in the Notes section.

Subject: Kids with Guns Protocol activation - Ridgecrest Elementary School

Good morning,

This morning about 9:03 AM, officers responded to Ridgecrest Elementary School at 28500 John F. Kennedy reference a 9-year-old child with a starter pistol. The pistol was secured by school staff prior to arrival of the officers. School officials advised that no threats were made. Officers activated the Riverside County Kids with Guns Protocol and will contact the student's parent(s) to conduct a search of their residence for more firearms or other items of concern.

Subject: Directed traffic enforcement - Rancho Verde HS

Good morning,

Last week we received a traffic complaint that was originally directed to the Perris Sheriff's Station. The complaint indicated that parents are stopping in the number one (left) lane of Lasselle in front of the high school and allowing their kids to walk across two lanes of congested traffic to get to school. The complainant was concerned about the traffic congestion and the safety of the students. Today, traffic units from MVPD and the Perris Police Department conducted directed enforcement in the area specified. In all, officers issued 18 citations as follows: 8 cites for impeding (stopping to let kids get out of cars); 3 seatbelt cites; 2 speeding cites; 1 modified exhaust cite; 1 expired registration cite; and one cite for a miscellaneous traffic violation.

We will continue to address these issues and educate the motoring public about the dangers of this illegal behavior.

Resolution Information

On 04/11/2013, Mark Sambito, Engineering Division Manager, wrote the following:

Construction Inspector Gabe Gonzalez went out to the site at approximately 9:30 a.m. the morning of April 10. The first thing he indicated he noticed was the small pile of wood and construction debris in front of the residence. It was about two to three feet (2' – 3') tall and well-organized, partially blocked by the existing palm trees. The inspector walked along Willis Lane to investigate the pile of dirt. It turns out the resident might have added 12 to 18 inches of soil along the side of the house in preparation for construction of a small planter area. The amount of dirt is far less than the fifty yards that require a permit. Code Compliance Officer Patty Pose arrived and stated she would handle the debris complaint. I received a number of photos (see attached) from Inspector Gonzalez and noted nothing of concern with the residence or work area.

Case Information

Issue Category: Code & Neighborhood Services

Issue: Dust Control

Council District: 1

City of Moreno Valley

Council Summary

Issue Description: Please investigate Council Member Molina's concerns, and advise him of the outcome. Council Member Molina requested the issue with the dirt pile and dust be taken care of immediately. There will be two CRMs created.

Council Member Molina stated there is a pile of dirt from this property running into Willis Lane and blowing dust all around. He stated the neighbors have complained to him they have to drive around the dirt pile, and there are dirt tornados. He also stated there is construction debris on the property facing Indian Street.

Responsible for Follow-thru: Cathy Parada

Subject: Chino Hills Undergrounding Issue

Victoria,

I have attached a fact sheet that identifies the issue. In a nutshell, the city of Chino Hills wants us to underground in their city a 3.5 mile part of a 173 mile line that goes through 20 cities and three counties. This would be paid by all SCE ratepayers going forward.

I'm asking you to review the fact sheet, there are embedded links on the website. Chino Hills is in Segment 8A: www.sce.com/trtp

Tehachapi Renewable Transmission Project (TRTP)

Overview of TRTP Segments 4-11 and the CPUC Order to Analyze Underground Options in Chino Hills

Project Overview

- TRTP Segments 4-11 consist of new and upgraded electrical transmission facilities spanning approximately 173 miles and are being constructed to deliver up to 4,500 megawatts of renewable energy, **enough capacity to power three million homes** (TRTP Segments 1-3 were approved by the California Public Utilities Commission (CPUC) in March 2007 and construction is now complete).
- The project traverses over 20 communities and three counties.
- It is the first major transmission project in California being constructed specifically to access multiple renewable generators in a remote, renewable-rich resource area.
- TRTP 4-11 was approved in December 2009, after two years of review and analysis by the CPUC and its team of environmental consultants.

Project Timeline

Fall 2009	CPUC approves TRTP 4-11 after a two-year licensing phase
Spring 2010	Construction of TRTP 4-11 begins
Winter 2012-13	Segments 4, 5 and 10 completed
Fall 2013	Segment 6 expected to be completed
Winter 2015	Expected project completion

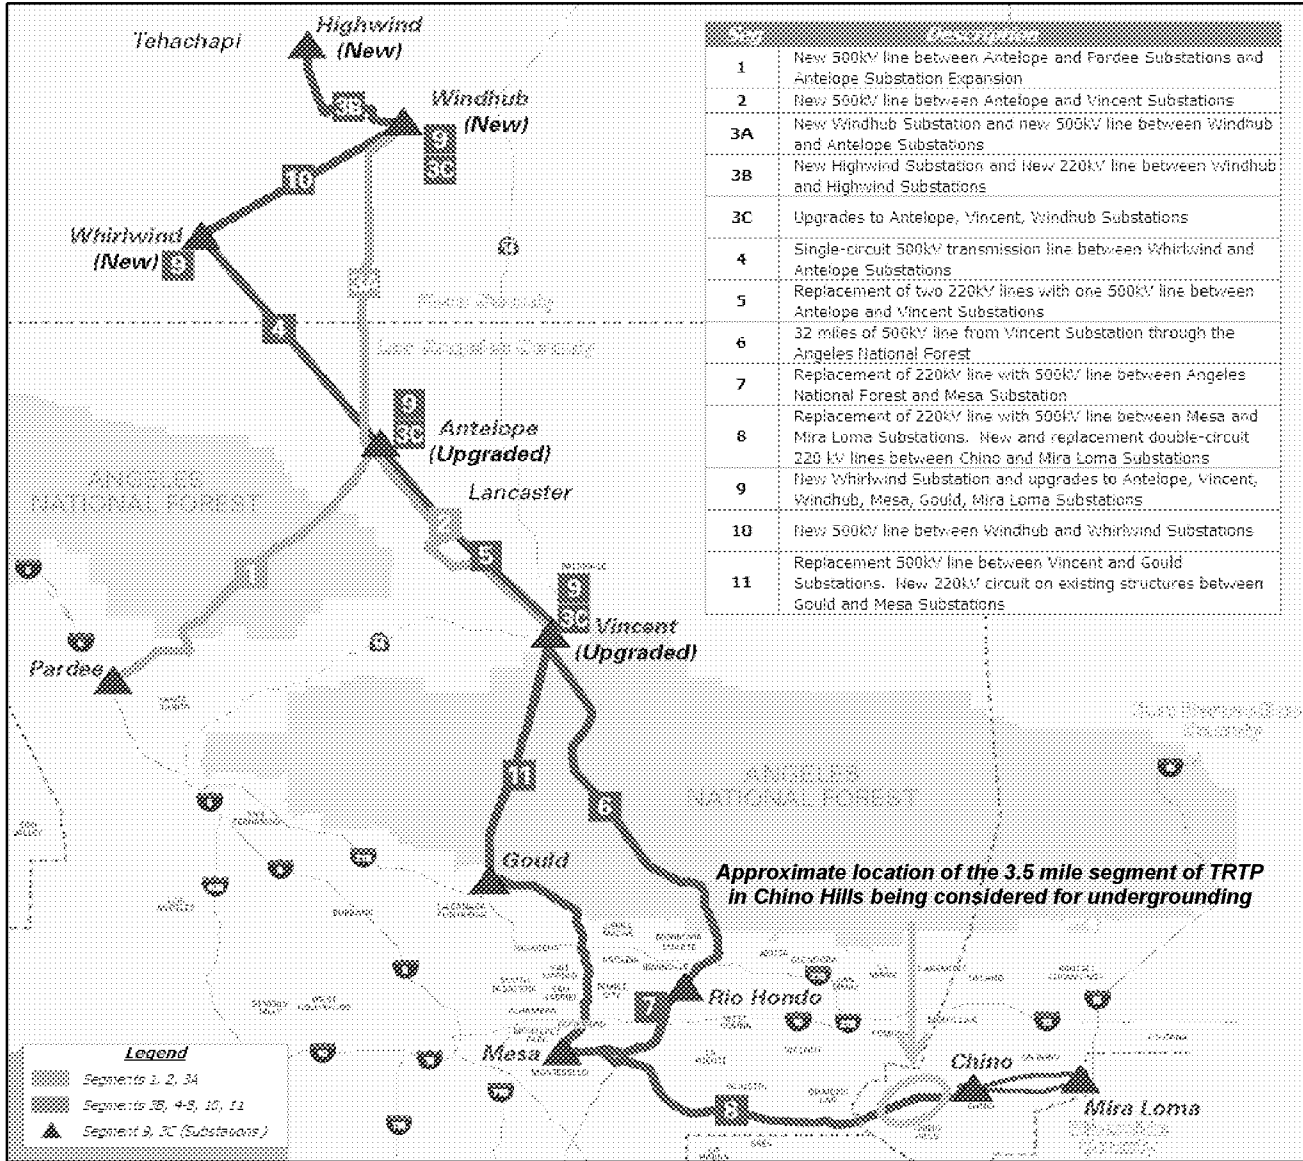

CPUC Order to Analyze Underground Options in Chino Hills

- Currently the CPUC is considering whether or not the portion of TRTP within Chino Hills should be placed underground instead of the already-approved overhead configuration.
- The underground options being considered would cost approximately **\$540-\$893 million*** for the 3.5 mile area in Chino Hills, which is up to **\$723 million more** than the approved overhead portion in Chino Hills. These additional costs would likely impact ratepayers throughout California.
- In the area considered for an underground option, 12 of 16 transmission structures have already been completed as part of the approved overhead position in the existing utility right-of-way corridor (the completed and partially-completed structures would need to be demolished and removed if the CPUC orders an underground option).
- SCE's cost and schedule estimates are based on optimistic scenarios. If SCE is ordered by the CPUC to underground TRTP in Chino Hills and delays are encountered, the operational date of TRTP could be pushed beyond the goal of 2015 and increase the total cost beyond estimates.
- The CPUC issued a decision allowing SCE to recover as much as \$33 million in pre-construction costs it would incur before the CPUC makes a final decision on whether to proceed with an underground option in Chino Hills.

*Based upon SCE underground testimony served on 12/3/2012

**Based upon SCE rate recovery testimony served on 1/17/2013

Re: In the Matter of the Application of Southern California Edison Company (U338-E) for a Certificate of Public Convenience and Necessity Concerning the Tehachapi Renewable Transmission Project (Segments 4 through 11), Application No. 07-06-031

Dear CPUC Public Advisors Office,

In 2009 the CPUC approved this project after two years of a licensing phase. This 175 mile project was completely reviewed by cities, counties, businesses, and residents. All public notification was followed; public hearings and open houses were held. Supporters and opponents all had their chance to be heard. Now, because of complaints from the residents, and the spending of more than \$3 million dollars by the city council of the fifth richest city in California, you have had the construction stopped on segment 8, the 3.5 mile stretch through Chino Hills.

Does this mean the public comment period is re-opened? If not, isn't this unfair to the other residents, businesses, cities and counties? How can you justify this?

Why should all SCE customers pay for the increased costs of roughly \$500 million dollars?

Please allow this project to move forward as designed and approved back in 2009.

Thank you,

Victoria Baca

Victoria:

Rather than meeting with you, Ms. Kindell requested you call her. She stated she doesn't get out much due to her limited eyesight.

Ms. Kindell stated she would like to discuss the maintenance of the streets in the Edgemont area. She mentioned Brill St. that is partially a dirt road. I advised her that the unpaved portion of Brill is a private street, not part of the city maintained road system. She stated she is aware of BSMWC and how it has limited the development of the area. She stated she is very pleased with the POP Team's assistance over the years that has reduced the gang activity in her neighborhood. Ms. Kindell stated the Edgemont residents are good family people, and the lack of attention by the city has caused the area to be perceived as a crime ridden and blighted.

Thanks,

Cindy

Subject: TownGate Facility

Hi Victoria,

Lisa Smethurst called this morning regarding your request for the TownGate facility on May 11 from 10:00 a.m. to 12:00 p.m. for 200 people. Lisa stated TownGate is too small to accommodate that large of a group. Is this regarding City business; and if it is, and can I help you with the accommodations? Please advise.

Thank you.

HONORING MILITARY PERSONNEL

The City's Military Appreciation Banner Program is designed to recognize active duty military servicemen and women who are currently serving in the United States Military (Army, Navy, Air Force, Marines, and Coast Guard), including those in the National Guard and Reserves for their respective Military Branch. To be eligible for a banner, the nominated person must be a City resident, graduated from a local high school in Moreno Valley, or have an immediate family member who currently resides in Moreno Valley.

The military banner program is partially sponsored by the Moreno Valley Chamber of Commerce, Military Affairs Committee. The total cost for a banner to be created and installed on a City street light is \$100.

Engraved pavers are also available to all qualified veterans.

If you would like to honor an active duty military serviceman or woman with a Military Appreciation Banner or paver, please contact Parks and Community Services at 413-3701. Applications are due by April 29 for a Memorial Day installation.

Firefighter of the Year

Moreno Valley's City Council, City staff, and Fire Chief Abdul Ahmad recognized Fire Captain David Rodriguez as Firefighter of the Year for the City of Moreno Valley at the March 11 City Council Meeting.

Among 68 Firefighters, the Chief Officers of the Moreno Valley Fire Department determined whom to recognize as the Firefighter of the Year. Captain Rodriguez was chosen due to his exceptional command and control on emergency incidents as well as his involvement in numerous special

Police Department Surveillance Meeting

April 25th, at 6pm

Moreno Valley Police Department
Multi-Purpose Room

Community Emergency Response Team Training

April 26 - 28, 2013

This is a 2 1/2 day course that trains you in an event of a disaster and how to work effectively with emergency

assignments. Captain Rodriguez is recognized as a leader amongst his peers and shows his dedication to this Fire Department on a daily basis. His participation as the coordinator for the Moreno Valley Reserve Firefighter program as well as his teaching skills during the Advanced Firefighter Cadre courses are just two of the many special assignments he has undertaken and excelled at over the last year.

Fire Captain Rodriguez began his career in 1998 at Riverside County Fire Station 13 in Home Gardens, where he worked for two years as a Volunteer Firefighter. During this time, he attended classes at Santa Ana College, where he completed the California State Fire Academy.

In 2000, Captain Rodriguez was hired as a seasonal Firefighter, and over the course of the next two years worked as a Firefighter I at Hemet Ryan Air Attack Base, Riverside County Fire Station 54 in Homeland, and Riverside County Fire Station 11 in Lake Elsinore. In 2002, Captain Rodriguez was promoted to a permanent Firefighter II at CAL FIRE / Riverside County Fire Department's Headquarters Station in the City of Perris, Station 1. Captain Rodriguez was assigned in the City of Perris for the next seven years, during which time he promoted to Fire Apparatus Engineer in 2005.

In October of 2009, David Rodriguez was promoted to the position of Fire Captain in City of Moreno Valley. Captain Rodriguez worked as a relief Captain in the City until May 2010, when he was assigned to TownGate Fire Station 6.

Captain Rodriguez has a passion for training new firefighters and teaches on CAL FIRE/Riverside County Fire Department's Advanced Firefighter Cadre. He is a coordinator for the Reserve Firefighter program within the Moreno Valley Division. He is also the coordinator for Moreno Valley Fire Department's annual Muscular Dystrophy Association "Fill the Boot" event. Additionally, Captain Rodriguez assists in training new Fire Captains assigned to the Moreno Valley Battalion who have never worked in the Riverside Unit.

Pet Adoption Event

The Moreno Valley Animal Shelter working cooperatively with the City's Parks and Community Services Department will be holding a "Pet in the Park" pet adoption event at Sunnymead Park on Saturday, March 23, 2013 from 9:30 a.m. to 1:00 p.m. This annual event matches homeless pets with life-long loving homes. Sunnymead Park is located at 12655 Perris Blvd.

responders.

Award-winning children's musician brings her brand of interactive pop-eclectic music that the whole family can enjoy. With some classic tunes and her own award winning selections, Melissa will have everyone up on their feet singing and dancing along!

Ballet Folklorico

May 3, 2013
6:30 pm- 9:00 pm

Moreno Valley Ballet Folklorico Scholarship Association

Special discounted adoption rates apply during this pet-friendly event. Dogs and puppies will be available for \$50 while cats and kittens will be available for \$25. These adoption prices include spay or neuter surgery, 5 in 1, bordetella and rabies vaccinations, along with a HomeAgain microchip. In addition, all dogs and cats adopted will receive a new collar and ID tag made available by a grant from the ASPCA.

Pets available for adoption at Sunnymead Park on March 23rd will be altered and ready to go home immediately with their new families. Can't find that special pet at the "Pet in the Park" pet adoption event? Visit the Moreno Valley Animal Shelter on March 23rd and take advantage of the same special discounted adoption rates! Pets available for adoption that have not already been altered will be available for their new owners to pick up in only 48 hours.

"This pet promotion event gives us another opportunity to provide a loving, caring home for shelter pets that need someone to care for them," said Dorathy Haun, Lead Animal Care Technician. "Shelter pets have proven to be the best companions and a great addition for families and individuals...providing years of unconditional love and happiness. We have many pets to choose from, and one to match every home!"

For more information about this pet adoption promotion, contact the Moreno Valley Animal Shelter at 951.413.3790 or visit the City's web site at www.moval.org and click on "Animal Shelter".

Cinco De Mayo Saturday, May 4 10:00a.m. - 3:00p.m.

At the Moreno Valley Mall (in the parking lot near Hometown Buffet entrance), the MV Hispanic Chamber of Commerce will be holding a free event which will include live entertainment (a DJ, a local Folklorico Dancers, and a Band), information booths, and vendors with a variety of food.

The Easter Chef's Workshop was held on Thursday March 28 at 6:00 p.m. to 8:00 p.m. at the TownGate Community Center. Children ages 4 to 12 years made delicious holiday goodies to take home and enjoy.

The final seasonal activity provided by the Moreno Valley Parks and Community Services Department was the Hop Down the Craft Trail, at the TownGate Community Center located at 13100 Arbor Park Lane from 6:00 p.m. to 8:00 p.m. Children 4 to 12 years of age made several creative spring crafts.

Memorial Day: The Celebration Expands

The City of Moreno Valley has some exciting news about the upcoming Memorial Day, Monday, May 27, 2013 celebration. In addition to the annual sunset Memorial Day Ceremony at the Veterans Memorial Circle, this year, the City has an additional opportunity for residents and businesses to celebrate our honored military veterans.

The City of Moreno Valley proudly announces that the annual West Coast Thunder Memorial Day Bike Run/ Parade will include Moreno Valley's Sunnymead Boulevard on Monday, May 27, 2013. Mayor Tom Owings is thrilled that Moreno Valley is being incorporated into this honorable event. "Considering Moreno Valley's military heritage and affinity, having the City of Moreno Valley as part of this parade route will significantly enhance the events of the day for Moreno Valley residents. Moreno Valley is proud to join West Coast Thunder and the City of Riverside in honoring our true American heroes."

Come out on May 27, 2013 to share in a day of honor for all servicemen and women as hearts are stirred by the roar of patriots riding by with large unfurled flags waving in the wind and as Riverside County Sheriff, Stan Sniff addresses Moreno Valley with words of thanks and

Earthquake Preparedness

Earthquake Preparedness April has been designated "Earthquake Preparedness Month", in which the California Emergency Management Agency (Cal

EMA) urges everyone to learn more about earthquake risks in their communities and to take steps to prepare and protect themselves for when an earthquake may occur.

Thousands of earthquakes occur in California each year, but most are too small to be felt. Seismologists believe that one or more major earthquakes of magnitude 7 or larger is likely to occur somewhere in California anytime within the next 30 years. If these major earthquakes are in populated areas, the losses will be substantial.

Because the San Andreas Fault is the longest fault in the region, it produces the largest earthquakes. The Northridge earthquake in 1997 caused 57 deaths, more than 9,000 injuries, and \$40-\$42 billion in losses. Scientists estimate that more than 200 faults in the area are capable of causing an earthquake of Magnitude 6 or greater, large enough to cause significant damage. Most everyone in Southern California lives within 30 miles of one of these faults. No one knows when or where such a quake will occur, but everyone can reduce the risk of injury, property loss and even death in an earthquake by following the following safety steps:

Step 1: Fix potential hazards in your home

- Strap water heaters correctly to the wall
- Install latches on kitchen cabinets
- Secure TVs, stereos, computers, etc. with Velcro straps.
- Secure top-heavy furniture and appliances to walls
- Install flexible connectors on gas appliances
- Store flammable or hazardous materials on lower shelves, or on the floor

Step 2: Create a disaster plan

- Select a safe place outside of your home to meet your family or housemates after the earthquake
- Practice "drop, cover, and hold on"

campus (enter from Slawson), Palm Middle School
11900 Slawson Avenue, Moreno Valley
(Approximately 3.6 miles round trip)

City Hall & Satellite Offices

will be

CLOSED

Monday, May 27, 2013

in observance of

Memorial Day

- Take an American Red Cross First Aid and CPR course
- Keep shoes and a flashlight next to each bed
- Know how and when to shut off utilities
- Learn how to properly use a fire extinguisher
- Designate an out-of-state contact person who can be called to relay information

Step 3: Disaster supply kits

- Keep a personal disaster supplies kit in your home, in your car, and at work, with at least the following:
 - Medications and important medical information, First aid kit and handbook
 - Spare eyeglasses or contact lenses
 - Bottled water and snack foods
 - Whistle (to alert rescuers to your location)
 - Emergency cash, in small bills
 - List of out-of-state contact phone numbers
 - Working flashlight with extra batteries and bulbs
 - Copies of personal identification
- In addition to your personal disaster supplies kits, store a household disaster supplies kit with a three-day to one-week supply of items needed to live without normal services (water, electricity, etc.) and to begin recovery.

Step 4: During earthquakes and aftershocks:

- Drop, Cover, and Hold On.

During earthquakes, drop to the floor; take cover under a sturdy desk or table, and hold on to it firmly.

- If you are in bed, hold on and stay there, protecting your head with a pillow.
- The area near outer walls is very dangerous. Do not try to go outside during shaking.
- If outside, move to a clear area if you can safely do so; avoid power lines, trees, and other hazards.
- If driving, pull over to the side of the road, stop, and stay in your car until shaking stops.

Step 5: After the earthquake, check for injuries and damage.

Check for injuries:

- If a person is bleeding, put direct pressure on the

wound. Use clean gauze or cloth, if available.

Administer rescue breathing, if necessary.

- Carefully check children or others needing special assistance.
- Do not move seriously injured persons, unless they are in immediate danger of further injury.
- Get medical help for serious injuries.

Check for damage:

- If possible, put out small fires immediately.
- Shut off the main gas valve, only if you suspect a leak. Wait for the gas company to turn it back on.
- Shut off power at the main breaker switch if there is any damage to your house wiring. Unplug broken lights or appliances, as they could start fires.
- Stay away from chimneys or brick walls with visible cracks. Do not use a fireplace with a damaged chimney.
- Stay away from downed power lines and objects in contact with them.

Step 6: When safe, continue to follow your disaster plan. The first days after the earthquake:

- Until you are sure there are no gas leaks, do not use open flames or operate any electrical or mechanical device that can create a spark. Never use the following indoors: camp stoves, gas lanterns or heaters, gas or charcoal grills, or gas generators. These can release deadly carbon monoxide or be a fire hazard in aftershocks.
- Turn on your portable or car radio for information and safety advisories.
- Check on the condition of your neighbors.
- If power is off, plan meals to use up refrigerated and frozen foods first.
- If your water is off or unsafe, you can drink from water heaters, melted ice cubes, or canned vegetables.
- Report damage to your local building department and to your local office of emergency services.

To learn more about how to be prepared for an emergency disaster or earthquake, visit:

California Emergency Management Agency -
www.calema.org

Federal Emergency Management Agency - www.fema.org

7	Up to \$69,860
8	Up to \$77,780
Each Additional Person	\$7,920

For additional information, please contact our 24-hour Customer Service Center at (877) 811-8700.

Charter Sub Committee Store

Moreno Valley was incorporated in 1984 as a general law city. General law cities operate according to the State's Government Code. Alternatively, many cities incorporate by charter. Currently, of the 468 cities in California, 83 are charter cities.

A charter is a unique document that, in many ways, acts like a constitution for a City and it allows greater authority for a city's governance, independent of the State Legislature. Cities adopt charters that take into account the unique local conditions and needs of the community. When drafted, a charter must be approved by a majority vote of the represented population.

On February 26, 2013, the City Council established a

Council Subcommittee and charged the members with drafting a charter that is responsive to the needs of Moreno Valley's residents. The City Council Charter Exploratory Subcommittee meets at 1:30 p.m. on Wednesday afternoons at City Hall. To maximize participation by our residents, meetings are videotaped and draft documents are published on the City's website, which also includes a link for residents to submit comments on the drafts.

[Click here](#) to review and comment upon documents that the Subcommittee is working on as they draft a charter.

Subject: Indecent Exposure arrest

Good afternoon,

Today about 9:55 AM, officers received a report of an indecent exposure occurring in the area of SR 60 and Frederick Street. The victims, several high school aged girls, were all members of a girls soccer team from Orangewood High School in the City of Redlands. They were riding in a school bus when they noticed an adult male driving in a black pick-up truck next to them. The suspect made eye contact with a 16 year-old female student, exposed himself, and began performing a sex act. Two additional female students witnessed this activity and screamed. This alerted a teacher who immediately called 911. The suspect was last seen exiting the freeway at Sunnymead X Frederick.

A description of the suspect and his vehicle was broadcast and officers began searching the area. A Sheriff's Court Services Deputy found the unoccupied vehicle parked on Sunnymead Blvd in front of Harbor Freight Tools. Plain clothes officers from the Burglary Suppression Team and the Sheriff's helicopter, Star 90, set up surveillance of the vehicle. A short time later, the suspect entered the vehicle and began to leave the parking lot. A marked unit pulled the suspect over in front of the Comfort Inn and detained him without incident. The suspect and his vehicle were identified by the victims.

The suspect is identified as Nicolas Nunez (33) of Riverside. Suspect Nunez was booked into RPDC on multiple counts of indecent exposure. This was an excellent example of citizens working with the police department to solve crime.

*BIOGRAPHICAL PROFILE
OF
Council Member VICTORIA BACA*

Council Member Victoria Baca was elected to the Moreno Valley City Council in 2012 to represent Council District 5.

Council Member Baca's goal is to stimulate economic activity and to provide good quality jobs for Moreno Valley residents.

Education is a priority for Council Member Baca, and she is an education consultant. Council Member Baca earned a Bachelor of Arts degree from California State University, San Bernardino; a Master of Arts degree from Chapman University; and a Masters in Governance, California School Board Association.

Council Member Baca served on the Moreno Valley School Board for four years.

Council Member Baca has been married to her husband for 15 years, and she has one daughter and three grandchildren.

Council Member Baca currently serves on the Arts Commission, Environmental and Historical Preservation Board, Library Commission, and Parks and Recreation Commission.

About Moreno Valley: *Incorporated on December 3, 1984, the City of Moreno Valley is 50 square miles, located in western Riverside County. Its current population is 193,365, representing a rich diversity of cultures and generations. The City has a Council/City Manager form of government. The Council appoints the City Manager, who oversees the daily operations of the City. The policy-making City Council consists of five members, elected by district.*

Subject: Special Enforcement Team - Search warrant

Good morning,

On 4-23-13, the MVPD SET Team served a narcotics search warrant at a residence in the 13600 block of Stockbrook Drive. Officers detained 4 adult males and 3 adult females for a variety of drug-related offenses. These included possession of methamphetamine for sale, under the influence of meth, child endangerment, and parole violation. All 7 adults were booked into RPDC. The Sheriff's Drug Endangered Children Unit responded, as did Child Protective Services. A two-year-old child was removed from the home and taken into protective custody. In all, more than 1/3 of an ounce of methamphetamine was seized.

Subject: Window smash burglaries

Good morning,

Last night we experienced a series of six window smash burglaries at various businesses throughout the city. Victims include The Bridal Boutique, two "Mr. You's" Chinese restaurants, Marcello's Pizza, Supercuts, and a restaurant named "Taco La Bufadora." It appears the suspects simply smashed business windows or doors with rocks, entered, and went straight to the cash registers. The investigations will be followed up by the Burglary Suppression Team.

Subject: Reported robbery - Update

Good morning,

On 4-08-13, officers responded to the Towngate shopping center reference a reported robbery in the parking lot. The victim, an employee of Daniel Jewelers, claimed she had been robbed of the business's bank deposit by a White male juvenile with spiked hair and facial piercings. On 4-09-13, the MVPD Robbery Suppression Team (RST) assumed the investigation. Over the next 15 days, the RST conducted an extensive investigation into the alleged crime. This included the review of footage from various surveillance cameras in the complex. On April 24, 2013, the alleged victim submitted to an interview and ultimately confessed to filing a false police report about the robbery. In fact, no robbery ever occurred. The employee, 28 year-old Jacqueline Mora, stole the cash deposit and made the false report claiming she had been robbed. Suspect Mora was later booked into RPDC on charges of embezzlement and filing a false police report. The stolen money has not been recovered at this time. RST members will continue to follow-up on that.

Subject: MotiVate Wellness: Elder Care Lunch & Learn - May 8th

City of Moreno Valley

RIVERSIDE COUNTY
OFFICE ON AGING

May 8th Lunch & Learn Seminar Elder Care: Financial Issues

Complimentary Lunch Provided. Please RSVP right away!

Are you facing, or preparing for, the challenges associated with caring for aging parents or older adults? It's not uncommon to feel overwhelmed while attempting to balance the many issues associated with meeting the needs of aging adults. Your **MotiVate Wellness** program has teamed with the Riverside County Office on Aging to provide the *second* in a series of Lunch & Learn Seminars to assist you with parent care issues or the care of a spouse or another older adult.

Key Topics for this Seminar will include:

- Medical Directives
- Powers of Attorney
- Insurance (Life/Health)
- Trust Documents
- Income & Asset Information

Date: Thursday, May 2nd
Time: 12-1 p.m.
Place: City Council Chamber
RSVP: lilianaa@moval.org or [REDACTED] (so we can plan for lunch)

Don't feel like you're alone in facing the complex challenges of Elder Care. The previous session on "Resources for Family Caregivers" was well attended and provided very helpful information. The next session in this series will address Legal issues, and will feature a presentation by an attorney who can address related topics.

Join us at this important Lunch & Learn seminar for information and support resources.

Subject: Huge Safety Issues at Creekside Elementary School

Mrs. Victoria Baca and Mr. Joel Ontiveros, I am emailing you to ask for your help. My son attends Creekside Elementary School on the corner of Cottonwood and Heacock in Moreno Valley. The parking lot is a huge hazard area. Every day, parents park in fire lanes, travel against the flow of other traffic at speeds exceeding 15 mph, and park where ever they feel like blocking other cars in and walking away from their vehicles. I know that this is probably an issue for Dr. Judy White, the Superintendent of Schools for MVUSD (She is receiving a copy of this email as well), but it goes beyond this. The principal stands outside, surveying the potential disaster that is her parking lot and does nothing. My biggest fear is that there will be some minor emergency that will escalate into a major disaster as the mess of vehicles in this lot will not be able to get out to allow emergency vehicles in. From 1:30p to 2:25p this parking lot is a disaster waiting to happen. On Thursdays, it's even worse because of the flex schedule and there are even more parents picking up kids. Come down unannounced and see for yourself. I'm begging you to take care of this before something happens, and everyone is standing around trying to figure out what happened. Please serve your community and protect our children.

Sincerely,
James Frees

Hi Victoria:

I'm sorry, but we weren't provided any information on parking. Juliene tried to contact the event coordinator, but hasn't rec'd a response yet.... and I'm thinking she may not as he is probably busy doing last minute set-up for the event. I don't know if you've been to the new KP medical building yet, but I don't think it will be difficult to secure parking or to find the event site.

I don't show any Chamber events/meetings for tomorrow morning. Do you have any other info that I can follow-up with? Which Chamber?

Thanks,

Cindy

Subject: Section 8 search warrant

Good afternoon,

On 4-23-13, MVPD SET officers served a search warrant at a residence in the 10700 block of Breezy Meadow reference Section 8 fraud. Officers detained the suspect, 41 year-old Mecca Mazen, without incident. The search of the residence resulted in the seizure of marijuana and prescription medication. The Riverside County Drug Endangered Children Team and Child Protective Services responded to the scene and took three children into protective custody. The investigation determined the suspect lied on her applications for Section 8 assistance and allowed a career criminal to live in the home for the past year. Mazen was booked into RPDC on charges of defrauding a government entity, perjury, obtaining aid by fraud, and child endangerment.

In addition to pursuing criminal charges, we will seek restitution for the more than \$5,000 the suspect fraudulently obtained from Section 8. Housing Authority will revoke all services.

Having trouble viewing this email? [Click here](#)

HONORING MILITARY PERSONNEL

The City's Military Appreciation Banner Program is designed to recognize active duty military servicemen and women who are currently serving in the United States Military (Army, Navy, Air Force, Marines, and Coast Guard), including those in the National Guard and Reserves for their respective Military Branch. To be eligible for a banner, the nominated person must be a City resident, graduated from a local high school in Moreno Valley, or have an immediate family member who currently resides in Moreno Valley.

The military banner program is partially sponsored by the Moreno Valley Chamber of Commerce, Military Affairs Committee. The total cost for a banner to be created and installed on a City street light is \$100.

Engraved pavers are also available to all qualified veterans.

If you would like to honor an active duty military serviceman or woman with a Military Appreciation Banner or paver, please contact Parks and Community Services at 413-3701. Applications are due by April 29 for a Memorial Day installation.

Subject: Huge Safety Issues at Creekside Elementary School

Mrs. Victoria Baca and Mr. Joel Ontiveros, I am emailing you to ask for your help. My son attends Creekside Elementary School on the corner of Cottonwood and Heacock in Moreno Valley. The parking lot is a huge hazard area. Every day, parents park in fire lanes, travel against the flow of other traffic at speeds exceeding 15 mph, and park where ever they feel like blocking other cars in and walking away from their vehicles. I know that this is probably an issue for Dr. Judy White, the Superintendent of Schools for MVUSD (She is receiving a copy of this email as well), but it goes beyond this. The principal stands outside, surveying the potential disaster that is her parking lot and does nothing. My biggest fear is that there will be some minor emergency that will escalate into a major disaster as the mess of vehicles in this lot will not be able to get out to allow emergency vehicles in. From 1:30p to 2:25p this parking lot is a disaster waiting to happen. On Thursdays, it's even worse because of the flex schedule and there are even more parents picking up kids. Come down unannounced and see for yourself. I'm begging you to take care of this before something happens, and everyone is standing around trying to figure out what happened. Please serve your community and protect our children.

Sincerely,
James Frees

Good Evening,

I hope this email finds you well!

MV00256442

I am reaching out to you because I was involved in a traffic accident on February 7, 2013 and have yet to receive a police report.

At the scene I was unable to be interviewed because I sustained severe and life threatening injuries, but was told at the hospital that the report (MV130380326) could be obtained in approximately four weeks.

As May quickly approaches, I have yet to receive the report and as my surgeries continue I desperately need it.

As leaders in the department, I am hoping you can assist me in getting the report before the week is out. I understand that someone may need to talk to me as well, as I was never interviewed.

Can you assist me in moving forward in this process or point me in the correct direction to do so?

I appreciate your time.

Thanks for all you do,

Micheal Penn

Subject: Fatal traffic collision with significant road closures

Good evening,

We are working a fatal traffic collision involving three vehicles on Moreno Beach and Bay Avenue. About 9:10 PM, an SUV, a Mercedes, and a motorcycle collided. The 24-year-old male motorcyclist from Moreno Valley sustained major injuries and was transported to RCRMC. A short time later, he succumbed to his injuries. The driver of the Mercedes had a complaint of pain and was also transported to the hospital. It is unknown at this time if any of the drivers was under the influence of alcohol or any other substance.

All lanes of Moreno Beach are closed between Alessandro and Cottonwood while the Traffic Accident Reconstruction Team conducts its investigation. Also, a 200 foot section of Bay Avenue is closed to traffic for the same purpose. The roadway will remain closed for the duration of the investigation. Traffic Recon officers are sensitive to the need to restore traffic flow and will do so as soon as possible. I will update you tomorrow if any new information becomes available.

Subject: Suspicious Death investigation on Bay X Perris

Good evening,

I spoke to each Council Member tonight about what we believe will be a homicide. At this time, the Sheriff's Central Homicide Unit and several MVPD Investigators are on scene and conducting an exhaustive investigation into the circumstances surrounding the death of a woman who we believe to be the 79-year-old occupant of the residence. There are many twists and turns in this case that are not appropriate to discuss at this time. I can say that we are also looking for another adult female who was reported missing several days ago. We believe the missing woman also lives at the residence on Bay Avenue. There is a person of interest identified and he is currently in an undisclosed hospital being treated for a serious illness/injury after allegedly committing a serious crime in Orange County. We do not believe there is any danger to the public from the perpetrator of this crime. Everything is very preliminary at this point and, as is often the case, information may change drastically over the next several hours. I can say with confidence that the crime scene will remain closed for an extended period of time. More than likely, investigators will be on scene well into tomorrow.

I will update you when I can.

Joel

Subject: FW: Fatal traffic collision with significant road closures - UPDATE

Good morning,

The road closures at Moreno Beach and Bay were lifted this morning about 3:30 AM. It took about 6 hours to process the scene. Alcohol was not a factor in this crash. At this preliminary stage, it appears the driver of the Mercedes did not see the motorcyclist and turned left in front of him, causing the collision.

Issue Category: Police Administration

Issue: Homeless

Council District: 3

City of Moreno Valley

Council Summary

Issue Description: Please investigate Mr. Goltry's concerns on behalf of Mayor Tom Owings, and advise Mr. Goltry of the outcome.

Mr. Goltry stated there are nine parolees living in tents with no facilities at Moreno Beach and Cottonwood. He stated he called the police and was informed by Deputy Rose they are in the process of relocating them. He stated he lives in a rural area and he is looking at the parolees and their tents out his front window. Mr. Goltry stated his concern is will the Parole Department continue to place parolees out there.

Subject: will you support my swimming, please?

Dear Councilwoman Baca--

My name is Ching Sergeant. I am in 5th grade and I live here in Moreno Valley. My brother, Jia, is in 3rd grade. My sister, Mae, is in 1st grade. Nearly every weekday, we go to the Riverside Aquatics Association (RAA) swim team.

I am writing to you today to ask for your support of RAA. This non-profit organization gives hours and hours of exercise, fun, and training for the children of our area. Our coaches are great and train us in physical fitness, endurance, and swimming techniques. We have a blast at each practice.

But now we need to raise money. RAA will be holding the 7th *Annual Lap-a-thon* on April 19th at 5:00pm at the Bobby Bonds Sports Complex. This is our one major fundraiser of the year. The money we raise will help provide badly needed equipment for our swim team. But this year we are doing more. I am very excited to

tell you that RAA will give part of the money raised during the Lap-a thon to the *Southern California Special Olympics Aquatics Program*. Special Olympics offers year-round sports training and athletic competition in Olympic-type sports to children and adults with intellectual disabilities. The money you give will also go to *RAA's scholarship program*, so that families that don't have much money can still send their kids to this great program.

My goal is to raise \$600 for RAA this year. If you help with a \$100 donation, RAA will say "thank you" by displaying your name and position as a Moreno Valley Councilwoman on the Lap-thon T-shirts that are given to the swimmers and on the very large banner that is prominently displayed year-round outside of our practice pool. Parents of the swimmers (many of them live in Moreno Valley) would see your name all year long as a supporter of RAA. My dad says that this name recognition couldn't hurt when the next election comes. And you will be helping two great causes: the Special Olympics and my swim team.

So, will you help me reach my goal of \$600? If you cannot give \$100 then any amount would be helpful. Please help me reach my goal! If you will donate just go to www.raa-swim.org and click on the link called "2013 Lap-a-thon." Then click the "Find Participants" button and type in my name, Ching Sergeant. Be sure you spell it right. Then you can view my profile and donate to me. It will ask you if you want to donate just to me or to every swimmer in my family. Click the button to just donate to me. Every member in my family will get credit for it anyway. Thank you so much for considering helping me. If you have any questions, you can ask my dad at writetoderrick@hotmail.com or ask RAA at info@raa-swim.org.

Thanks again,

Ching Sergeant

Cindy, I received a call about and I visited Gina Street - a cul-de-sac in Edgemont.

Mr. Zamora inquired about the fence at the end of the street. The fence is dilapidated and no longer serves its purpose of keeping people, especially children from a busy street. He also claims that a high level of drug sales take place in and around this area.

Secondly, Mr. Zamora claims that the street cleaner leaves the trash from the street at the end and does not sweep on a regular basis, yet cars are ticketed.

Subject: URGENT RE: Case MV130380326 moval PD

Good Evening,

I hope this email finds you well!

I am reaching out to you because I was involved in a traffic accident on February 7, 2013 and have yet to receive a police report.

At the scene I was unable to be interviewed because I sustained severe and life threatening injuries, but was told at the hospital that the report (MV130380326) could be obtained in approximately four weeks.

As May quickly approaches, I have yet to receive the report and as my surgeries continue I desperately need it.

As leaders in the department, I am hoping you can assist me in getting the report before the week is out. I understand that someone may need to talk to me as well, as I was never interviewed.

Can you assist me in moving forward in this process or point me in the correct direction to do so?

I appreciate your time.

Thanks for all you do,

Micheal Penn

Subject: School lockdown

Good afternoon,

Today about 11:46 Am, officers responded to a report of a man carrying a handgun in the area of Oliver north of John F. Kennedy. The suspect was allegedly seen by a 4th grade student near La Jolla Elementary School and Landmark Middle School. As a precaution, both schools were placed into lockdown while officers, a K-9 unit, and the Sheriff's helicopter searched the area for the suspect. The schools remained in lockdown from 11:49 AM until 12:41 PM. The suspect was not located and the schools were released from lockdown. An SRO will remain in the area of the schools for the remainder of the school day as a precaution.

Subject: Important information regarding your SIRE Agenda to Go iPad App
Importance: High

Good Afternoon iPad Users.

Hyland Software, our vendor for our SIRE applications notified us an upgrade to the SIRE Agenda to Go app will appear on your iPad May 1st, 2013.

PLEASE DO NOT APPLY UPDATE. Our current version of the software is not compatible with the new iPad app. A compatible version is expected to be completed with the Council Chambers upgrade.

For additional information regarding the update please see Hyland's email below.

If you have any questions, please feel free to contact me at [REDACTED]

Thank you and have a wonderful day.

To: Kim Krueger
Subject: SIRE Agenda To Go Update

Hello Valued Customer,

As a SIRE Agenda To Go user, I wanted to take the time to let you know about the first of several updates coming throughout the remainder of 2013 for your SIRE product – along with the preparations you need to make for it.

The first update is a new version of SIRE Agenda To Go for the iPad, which will hit the Apple store around Wednesday, May 1. If you do not want to upgrade in the coming weeks, you *must* tell your iPad Agenda To Go users not to download the newest version from the Apple Store as this new version will *not* be compatible with your servers.

The table below will help you identify if your organization is affected by this update and details your options to prepare for the update accordingly.

Question:	Yes	No
Are you presently using SIRE Agenda To Go?	If you are currently using the product, please proceed to the next question.	If you are not actively using Agenda To Go, then you have nothing to do! Just know that updates are happening and it's even more compelling to use it.
Are you using the Mobile version on your iPads and have the Agenda To Go Server installed?	<p>In this case, you have 2 options:</p> <p>1. Prepare for the new update!</p> <p>If you are currently on SIRE version 6.2 or lower, you will need to update your SIRE Application server and clients to 6.3 or higher before you can get the updated Agenda To Go Server. SIRE version 6.6 is scheduled for release in a few weeks, so it is a great time to upgrade. This will enable you to upgrade to the new Mobile Agenda To Go app on the Apple Store and update your Agenda To Go Server too.</p> <p>If you already are on version 6.3 or higher, you only need to upgrade the Agenda To Go Server. The server upgrade will be available before May 1 and updates very easily. It should not impact your users or require testing for any other parts of your SIRE installation. Once the server upgrade is completed, you can let your users know to download the new version from the Apple Store.</p> <p>If you anticipate needing help with your upgrade, please schedule time with support before you download the new version from the Apple Store. You can reach support at support@siretechnologies.com or by calling 801.415.0626.</p> <p>2. Don't upgrade - but you still need to prepare!</p> <p>The new version will hit the iPad store around Wednesday, May 1. If you do not want to upgrade in the coming weeks, you must tell your iPad Agenda To Go users not to download the newest version from the Apple Store. This version will not be compatible with your servers, and Apple does not allow us to have multiple versions in their store.</p>	If you are just using the Windows version then you do not need to do anything.

If you are unsure how to proceed or have any questions, please email support@siretechnologies.com to set up a meeting with one of our experts. To stay informed about this and other product updates, please also register for our [SIRE Community Page](#).

Subject: Homicide on Bay Avenue - Update

Good afternoon,

The suspect in the double homicide on Bay Avenue is out of the induced coma and has been interviewed by Sheriff's homicide investigators. The autopsies are being completed today and we hope to have confirmation of the victim's identities soon. The suspect will be transported back to Riverside County today and will ultimately be booked into RPDC on two counts of murder, home invasion robbery (in Garden Grove) and various other felony counts. The Riverside District Attorney's Office will prosecute all charges, including those that took place in Orange County. This decision was based on the fact that the most serious crimes occurred in our jurisdiction. Based on various factors, including multiple murders, the suspect will likely face the death penalty if convicted. A press release will be generated by the Sheriff's Central Homicide Unit once next of kin for the decedents have been notified.

Forwarding the following on behalf of the City Council and City Manager:

To All City Employees:

As is being reported on several news websites, we understand that officials from the Internal Revenue Service and Federal Bureau of Investigation have served search warrants at a number of locations within the City of Moreno Valley.

Anticipating that employees may have questions on this topic, I'm writing to inform you that agencies serving warrants have neither contacted nor visited City Hall or any City Offices. In the event that any such contact is made, the City would obviously cooperate fully with any official requests.

Public services continue uninterrupted, as members of the City's workforce continue to carry out their duties in an outstanding manner.

Henry Garcia
City Manager

Subject: Section 8 search warrant

Good morning,

On 4-30-13, the MVPD Section 8 team, assisted by members of the POP Team, served a search warrant at a residence in the 12600 block of Foxdale Dr. reference Section 8 fraud. A Housing Authority Program Integrity Officer accompanied the team during the warrant. Evidence was located that confirms the suspect has fraudulently obtained more than \$28,000 in state and/or county aid under Section 8 since 2010. The suspect, Terina Briggs (37) was not at the residence at the time the warrant was served, but will be charged out of custody. Charges include defrauding a government entity, perjury, and theft by false written statement. HUD will cancel all future benefits and restitution for the taxpayer funds fraudulently obtained thus far will be sought.

Subject: Robbery arrests

Good morning,

On 4-30-13, about 6:09 PM, a robbery was reported at the Happy Times Book Store on Old 215. A suspect entered the store, brandished a handgun, and demanded the money from the register. The clerk complied and the suspect fled the area in a black BMW with white wheels. SET Team members began searching the area for the rather distinctive looking vehicle and soon found it parked at the Motel 7 on Alessandro Blvd. They established surveillance of the vehicle and ultimately arrested four adult males. The robbery suspect, Jonathan Santoyo (25) was positively identified by the victim as the suspect who robbed him earlier in the evening. Santoyo was also identified as the suspect who robbed the same book store on 4-05-13. Santoyo was found in possession of a backpack containing a realistic looking pellet gun and \$200 in cash. This was almost exactly the amount taken in the robbery earlier in the evening. A second suspect, Donovan Waddell (43) was identified as the suspect who drove Santoyo to the bookstore to commit the robbery. Santoyo and Waddell were booked into RPDC on charges of armed robbery and conspiracy.

A third suspect, Ruben Montes (39) was arrested for a felony warrant and a fourth suspect, Randy Lockette (32) was cite released on two misdemeanor arrest warrants.

Subject: School lockdown

Good afternoon,

At 12:02 PM, Seneca Elementary School was placed on lock down due to a man with a gun call in the area. The subjects were reported to have rifles and were seen walking toward the hills. The school district has been notified.

I will update you when more information becomes available.

Subject: School lock down - update

Good afternoon,

I need to correct one detail. The men contacted were not teens as I originally reported. They were all active duty service members assigned to March Air Reserve Base and they were involved in some impromptu training. They were encouraged to find areas further away from schools and residential neighborhoods to conduct their training in the future.

Subject: Burglary arrest

Good afternoon,

Today about 9:25 AM, officers were dispatched to a residence in the 11500 block of Triumph Lane reference a burglary just occurred. The homeowner discovered the suspect inside and the suspect immediately fled, dropping a bloody knife in the backyard. Officers searched the area but were unable to locate the suspect. Officers alerted local hospitals to the possibility of a suspect seeking treatment for an injury from an edged weapon. As short time later, the suspect was located at RCRMC seeking treatment for a deep cut to his hand. Suspect DeJohn Miller (18) of Moreno Valley was treated for his injury and later booked into RPDC after admitting to the crime.

Cindy, I received a call about and I visited Gina Street - a cul-de-sac in Edgemont.

Mr. Zamora inquired about the fence at the end of the street. The fence is dilapidated and no longer serves its purpose of keeping people, especially children from a busy street. He also claims that a high level of drug sales take place in and around this area.

Secondly, Mr. Zamora claims that the street cleaner leaves the trash from the street at the end and does not sweep on a regular basis, yet cars are ticketed.

Government Code (Refs & Annos)

Title 5. Local Agencies (Refs & Annos)

Division 2. Cities, Counties, and Other Agencies (Refs & Annos)

Part 1. Powers and Duties Common to Cities, Counties, and Other Agencies (Refs & Annos)

Chapter 9. Meetings (Refs & Annos)

→→ § 54954.3. Opportunity for public to address legislative body; adoption of regulations; public criticism of policies

(a) Every agenda for regular meetings shall provide an opportunity for members of the public to directly address the legislative body on any item of interest to the public, before or during the legislative body's consideration of the item, that is within the subject matter jurisdiction of the legislative body, provided that no action shall be taken on any item not appearing on the agenda unless the action is otherwise authorized by subdivision (b) of Section 54954.2. However, the agenda need not provide an opportunity for members of the public to address the legislative body on any item that has already been considered by a committee, composed exclusively of members of the legislative body, at a public meeting wherein all interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the legislative body. Every notice for a special meeting shall provide an opportunity for members of the public to directly address the legislative body concerning any item that has been described in the notice for the meeting before or during consideration of that item.

(b) The legislative body of a local agency may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker.

(c) The legislative body of a local agency shall not prohibit public criticism of the policies, procedures, programs, or services of the agency, or of the acts or omissions of the legislative body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.

Subject: Elmer Marshall - [REDACTED]

Victoria,

Mr. Marshall resides at 13693 Rena Court. Mr. Marshall stated the SCE grate at the end of his driveway is loose, not being monitored, and it's not being cleaned out. As a little background information, I am attaching a CRM regarding this grate. I am sending this issue to Ray Hicks at SCE to address.

Resolution Information

City of Moreno Valley

Council Summary

On 10/2/08, Raymond Hicks, Region Manager, Southern California Edison, advised that staff visited Mr. Marshall and informed him that the plastic grid plate over the Buried Residential Underground Distribution (BURD) service transformer will not be able to handle the weight of the concrete or support a car driving over it. He stated he informed Mr. Marshall that the concrete for his extended driveway would have to be removed and the area restored to its original state. Mr. Hicks stated he informed Mr. Marshall that if he wanted the transformer moved to another location, SCE would do it at Mr. Marshall's expense, as the BURD service transformer was at the location before the housing tracks.

Staff's Response:

As suggested by the CRM, staff has investigated the issue and met with the resident, Elmer N. Marshall, Jr.

On September 10, 2008, 10AM, MVU Senior Electrical Engineer Gerald McAllister contacted Mr. Elmer N. Marshall Jr. to discuss his electric infrastructure concerns. Mr. Marshall explained his situation that he extended his concrete driveway and now there is an underground structure that is in the way of his extended driveway. Mr. Marshall stated he is a 15+ plus year resident of 13693 Rena Court and is looking for assistance identifying the structure and contacting the local utility to coordinate a maintenance and possible relocation of the underground structure.

At 10:30AM on September 10, 2008, MVU Senior Electrical Engineer Gerald McAllister met with Mr. Elmer N. Marshall Jr. in front of his house to field survey and discuss his electric infrastructure concerns. The underground structure in question was identified as a Southern California Edison (SCE) Buried Residential Underground Distribution (BURD) service transformer (SCE structure # 5342754).

Mr. Marshall was advised that the SCE BURD structure provided electric service to Mr. Marshall's house and if he wanted it relocated, he would most likely have to pay for the relocation fee. Mr. Marshall stated SCE should at least perform maintenance on the structure and level the grade ring on the top of the structure to the driveway. Mr. Marshall stated that he extended the driveway concrete approximately three (3) years ago.

At the conclusion of the field meeting with Mr. Marshall, MVU Senior Electrical Engineer Gerald McAllister stated that he would contact SCE management in writing regarding the said BURD structure.

Case Information

Issue Category: Electric Utility

Issue: Other

Council District: 5

City of Moreno Valley

Council Summary

Issue Description: Please investigate Mr. Marshall's complaint on behalf of Mayor William Batey and advise the outcome. Detailed information as well as photographs are attached.

Mr. Marshall stated the SCE transformer station located on Rena Court is not being maintained and that the area is overgrown with weeds. He stated he has contacted SCE and the City and neither claims responsibility for the area. He also stated there is a plaque on the transformer indicating that it belongs to SCE.

Subject: Assault with a deadly weapon on a peace officer - arrest

Good evening,

Today about 10:49 AM, undercover SET officers witnessed an illegal drug transaction taking place in the parking lot located at 13373 Perris Blvd. The undercover officers called for a uniformed SET officer to respond and contact the suspects. SET K-9 Officer Schmidt responded to the location and approached the vehicle the suspects were sitting in. The officer saw that the suspects were in the act of using suspected heroin and attempted to detain them. The driver, later identified as Robert Gaspari (31) of Moreno Valley, accelerated rapidly dragging Officer Schmidt for about 15 feet. The officer fell away and the vehicle sped from the area. The officer called for emergency assistance and other officers responded to assist. The officer was transported to the hospital where he was treated and released with minor injuries.

Officers located the suspect vehicle on Alessandro Blvd and attempted an enforcement stop. The suspect refused to yield to officers and a pursuit was initiated. The pursuit left the city and entered the westbound 60 Freeway. Once the pursuit reached the 60/91 interchange, it was handed off to officers from the Riverside Police Department. RPD pursued the suspect to the area of Magnolia and Beatty in the City of Riverside. Suspect Gaspari intentionally drove his vehicle into an occupied Riverside PD vehicle, then attempted to flee on foot. RPD officers captured Gaspari and turned him over to MVPD officers. A search of the suspect vehicle revealed heroin and syringes used to ingest heroin. Gaspari admitted to dragging Officer Schmidt with his vehicle but denied that he intended to injure him or the RPD officer in the car he collided with. Gaspari was booked into RPDC on charges of ADW on a peace officer (3 counts), felony evading, violation of probation, and drug possession. The second suspect in the vehicle has been identified and is currently being sought by MVPD.

Subject: Shooting near Home Depot with road closure

Good evening,

Today about 2:55 PM, officers responded to the Home Depot store on Pigeon Pass just north of SR 60 reference a shooting and traffic collision. On arrival officers learned that a Chevy truck occupied by two adult males was exiting the northernmost exit of the Home Depot parking lot when an unknown male suspect walked up behind their vehicle and began shooting at them with a handgun. The victims sped away southbound Pigeon Pass, but quickly collided with a southbound Chevy Suburban. The victim in the passenger seat fled the crashed truck on foot because he feared the suspect would continue shooting. The passenger was located a short distance away and was found to have a non-life-threatening gunshot wound to his upper back.

The driver of the victim vehicle sustained minor injuries during the crash. Both victims were transported to RCRMC for treatment. The driver of the Suburban was not injured. Northbound Pigeon Pass was closed for about two hours while the incident was investigated. An extensive search was conducted for the suspect by both ground units and the Sheriff's helicopter. The suspect was not located. Video footage is being sought from all surrounding businesses.

The suspect was described as a White male adult, 20-30 years old with tattoos on both arms. He was last seen wearing a black shirt and black pants. The motive for this shooting is unknown at this time. The investigation is continuing.

When one of the reporting parties called about this incident, he informed Dispatch that Congressman Mark Takano was inside the Home Depot speaking with a group of Home Depot employees at the time of incident. We verified this information and attempted to locate Mr. Takano, but he had left the area by the time we became aware of his presence.

Subject: FW: Accessibility Appeals Board

The Board was created by Ordinance 459 adopted on 4/25/95, and it shall consist of five members. It has all general power and duty to conduct hearings on written appeals made under subdivision of CA Health and Safety Code Section 19957.5 and may approve or disapprove interpretations and enforcement actions taken by the building division.

Right now, we have three members and two vacant positions.

Staff: Gary Kyle, Community & Economic Development

Nina Hiers Physically Challenged Representative	Term expires 6/30/13
Lawrence Baird Physically Challenged Representative	Term expires 6/30/13
Jeffrey M. Barners Construction Representative	Term expires 6/30/14
VACANT (6/30/11) Construction Representative	Term expires 6/30/14
VACANT (6/26/12) Public Representative	Term expires 6/30/15

Meeting Schedule: Hearings shall be held within 30 days of receipt of an appeal

Subject: RE: Accessibility Appeals Board

Jane,

I talked to Sue, and according to Gary Kyle, the Board had only one meeting in the past, and no appeals. By law, we don't need Accessibility Appeals Board.

We don't have ADA advisory commission – Mel Alonzo (Parks & Community Services) was appointed as the ADA coordinator.

Thank you,
Ewa Lopez, CMC

Subject: Library Support

I just wanted to thank you for your support of our library staff at the council meeting last week. I really appreciate that you encouraged Tom DiSantis to seek stronger language as relates to keeping existing staff.

Quite a few of us on staff have been here over 10 years. The idea that we face re-interviews, demotion, hour reduction, pay reduction, loss of current health benefits and PERS is stressfull enough, nevermind that in the proposed agreement the only expectation from the city's end of the contract is that "existing employees would have top priority as new hires".

I have a Bachelor's Degree in American Studies, a Library Tech Certificate and AS in Early Childhood Development. I have 13 years experience at this library plus internships in others in addition to 5 years as a pre-school teacher. I am heart broken that all of this could be dismissed so easily by the city and my job be left to the whims of LSSI without much expectation or defense from my employer.

I appreciate your time and your support and hope that with your influence you can persist in getting some stronger guarantees and wording in the contract to maintain our staff.

Most sincerely,
AnnaLynda Henderson

P.S. Please do not disclose my name to city officials as we are under intense scrutiny.

News Release

Contact: Mayor Tom Owings
951.413.3003

Release date: Immediately

Moreno Valley Mayor to Hold Media Availability on May 8th *Mayor to address media on steps of the Federal Court Building (Riverside) at 9 a.m.*

I campaigned for City Council as a reformer, as indicated by the literature I distributed and the public statements I made. After just 140 days in office, and 125 days into my work as Mayor to reform Moreno Valley city government, a search warrant was served at my home as part of a wide ranging investigation by federal enforcement agencies. I welcome this probe, and pledge my full support.

It is my understanding that the Grand Jury will convene on Wednesday, May 8th to begin accepting testimony on this investigation. Although I find it unusual that the Grand Jury has not yet asked for my testimony as Mayor, it is my intent to appear on Wednesday morning to request that they immediately commence their interview with me. I will appear voluntarily, because I am anxious to respond to any and all questions, and to assist the Grand Jury in its important work.

I have not retained a criminal attorney, and do not foresee a time when I'll need one.

Following my testimony, I will promptly make public all information at my disposal, to the full extent permitted by the Grand Jury.

Prompt, thorough disclosure of all information is the only way to move swiftly forward and dedicate my full energies toward addressing the needs of the community...including resolution of critical fiscal challenges, reducing crime and increasing high school graduation rates.

I welcome this opportunity to fight for my City's reputation, and to restore our residents' trust in their City government.

Seattle_Solid_Waste_Case.pdf

Dear Maria,

It was nice meeting with you this morning and I look forward to participating in such a dynamic project. Per your request, I have attached a copy of the Seattle Solid Waste article for your review. In addition to the article, there are several attachments showing the public response cards, newspaper articles and even an editorial cartoon depicting the community response to the recycling program. I hope you find the information useful.

Regards,

Mark W. Sambito, P.E.

"Please Be Patient": The Seattle Solid Waste Utility Meets the Press

Between 1988 and 1991, the city of Seattle changed radically one of the most basic services a city provides: the way it collects the trash. With the twin goals of minimizing its cost of disposal and maximizing the amount of refuse the environmentally-conscious city would recycle, Seattle asked its residents to make a host of changes in their garbage habits. Some changes were big—asking that different types of trash (such as recyclables and grass clippings) be put in different containers, for instance; others were the kind of small changes in habitual behavior that could be bothersome—such as the requirement that garbage bins be placed no more nor less than three feet from the curb. In addition, the city redesigned the way it asked its residents to pay for garbage collection service. Residents who had been accustomed to garbage collectors picking up the trash from their backyards without thinking too much about the cost suddenly faced a menu of garbage rate choices. They could pay an extra fee for "yard waste," an extra fee for backyard service, even varying fees for different-sized cans.

The process of implementing these many and varied changes was by no means smooth. At one point, public confusion about the new garbage collection system was so great that the city was deluged with some 30,000 phone calls in a single day—overloading trunk lines and effectively shutting down the city government's phone system. Ultimately, however, Seattle residents, for the most part, grew accustomed to the new system and proud of their efforts to increase recycling and minimize garbage, efforts which would win a variety of national awards. In the long march from planning to the time when the new trash system took hold, the Seattle Solid Waste Utility, the fee-supported city agency responsible for all aspects of garbage pickup and disposal, paid special attention to its public promotion and relations with the press. Utility officials believed that the style, as well as the substance, of its interactions with reporters, would influence the degree to which the public would accept the long list of changes which were to touch every household in a city of half a million.

Background: The Seattle Garbage Crisis

The dramatic changes in Seattle's trash collection system were, in large part, the result of a garbage crisis which struck the city in the early to mid-1980s. Two landfill sites on which the city had long relied were filled and closed. Although the city was never entirely without a place to dump its trash (it negotiated the temporary use of a disposal site owned by surrounding King County), the landfill closings created a palpable public sense of crisis—most notably when the Midway landfill, closed in 1983, was found in November 1985 to be leaking methane gas. Eleven nearby families were evacuated from their homes on Thanksgiving Day. The image of families carrying half-baked turkeys to motel rooms dominated television news. Pressure mounted for a permanent solution to the Seattle

This case was written by Howard Husock, director of the Case Program, Kennedy School of Government, Harvard University, for the Ford Foundation/University of Washington Conference "Public Innovation and the Media: Stimulus or Barrier?" Funding was provided by the Ford Foundation. (0891)

disposing of garbage at the more expensive county-owned landfill site, pushed up the rates charged by the Solid Waste Utility, making the heretofore low-profile agency better known but far from popular.

Over the next four years, Seattle officials painstakingly crafted a plan for how to handle their city's 2000 tons of trash a day. Throughout much of this process, it was widely expected that the key to Seattle's trash disposal would be construction of a city-owned "waste to energy plant," an incinerator. Instead, a much different solution emerged from both study and political jockeying. Elements of the final plan—which represented a carefully-wrought compromise between the interests of environmentalists, eager to reduce trash and increase recycling, and elected officials, eager to keep garbage rates down and find a reliable disposal site—took hold in two main stages. Curbside recycling—the pickup of glass, cans and papers from special bins put out at the curb by residents of one to four-family homes—took effect in February 1988. A much larger set of changes took effect in January 1989, following a study which analyzed the city's "waste stream" and found that, with the right set of programs and financial incentives, Seattle could recycle up to 60 percent of its trash and send the rest, not to an incinerator, but, via rail, to a "distant landfill" site, ultimately located in arid eastern Oregon.

It would be up to one city agency—the Seattle Solid Waste Utility, a division of Seattle's Engineering Department, to implement all aspects of the plan; everything from contracting for garbage pickup and landfill disposal to making sure that no individual households were missed by collectors. It was the utility which would explain the plan to the public, send out bills for the new trash and recycling services—and take the complaints.

About the Solid Waste Utility

In many ways, Seattle's Solid Waste Utility is distinct from both other city agencies and its counterpart departments across the US. In a city in which public ownership of utilities is a tradition—the city operates Seattle City Light, its own electric utility—the Solid Waste Utility, since its founding in 1962, has operated very much like more traditional utilities, not government agencies. It charges for its services—which includes the costs of hiring economists to estimate what the demand for that service will be in the future—to be sure it will have sufficient disposal capacity to meet that demand. It is almost wholly supported by the bills sent to its "ratepayers," the Seattle citizenry. Although in some ways it is an arm of the executive branch of city government (the director is named by the head of the Engineering Department with the approval of the mayor), its rates are set by its regulatory authority, the Seattle City Council.

For the 25 years of its existence that preceded the garbage crisis of the mid-1980s, the Solid Waste Utility was anything but a high-profile public agency. It was staffed generally by engineers who saw their task primarily as a technical one. It was a time of both stable garbage rates and little thought about the ultimate destination of trash. All that began to change with the methane gas leak from the Midway landfill in November 1985. But change came directly to the Solid Waste Utility with the appointment, in January 1987, of Diana Gale as the utility's director. The former director of the highly-regarded central staff of analysts which serves the city council, Gale was the first woman

director of the utility, the first without a technical engineering background. She well understood, however, the process of policy analysis (her background included her doctorate in urban planning) and the vagaries of the political process.

Gale faced a series of major tasks as the new utility director. These included finding a way to get the city to accept an unpopular garbage disposal option (probably an incinerator which many in government viewed as an unfortunate necessity) and—especially after the announcement by Mayor Charles Royer in August 1987, that the city would begin curbside recycling just six months hence—to expand recycling (largely done privately until that point) in a big way.

Press and Promotion: The Director's View and First Steps

As she looked ahead to the tasks of introducing new recycling and disposal systems to Seattle, Gale believed she needed both "a press strategy for talking about the disposal issue to the public" and, more broadly, a means "to be credible generally when we went out to the public." Gale was not a little bit concerned about the scope of that task.

"When you're a bureaucrat," she observes, "you're incredibly vulnerable because you stand to absorb public disdain for government. There's basically a negative attitude toward government in the press. There's a tendency for the press to jump on small mistakes you make. You're easy to criticize. It's easy to trigger negative feelings about the bureaucracy, no matter how high-minded and public-spirited a job you think you're doing."

Based, then, on the twin views that she would need the press to help explain a retinue of important policy changes, but that a sympathetic press was by no means inevitable, Gale began to reshape the public relations of an agency which, to that point, had little in the way of an active effort to get its messages out. Doing so would mean the establishment of both an active marketing effort by the utility and steps to train its staff in responding to the press.

Within two months of taking her job, she decided to retain a consulting firm (O'Neill and Associates) to conduct market research on recycling, based on interviews with representative groups of citizens ("focus groups"). These interviews included questions about the utility's general public image. She also hired a public relations firm (Elgin Syferd) to help develop a strategy for considering public opinion about "disposal options"—such as the incinerator. Both firms were clearly told the utility needed to improve its press strategy and thereby its public image.

"They were getting feedback from the public that we needed to have a better press image, that we needed more consistency in our image and logo," says Gale. The consultants, she recalls, believed that, to sell any new program, the utility had to "get a logo, get colors, get an image, have a personality." Toward that end, Gale, four months after taking the director's job and after negotiating with the mayor and council, hired a full-time public relations person for the agency. In hiring Virginia "Ginny" Stevenson, Gale would now have someone who would deal with the press not as a sidelight but as the central aspect of her job. It was Stevenson's task, recalls Gale, "to get on a friendly, first-name basis with reporters."

Director Gale did not believe, however, that it was practical for all the utility's statements to the press and public to come from Ginny Stevenson. In her view, key policy-making officials at the utility must generally be "open and knowledgeable." To help her top lieutenants become accustomed to dealing with the press, they, along with Gale, spent two days under the tutelage of two former television anchorwomen, whose exposed the group to what Gale calls "aggressive video and radio taping" toward the goal of "helping us deal with difficult, controversial questions." To aid in this task, the Elgin-Syferd public relations firm, which would ultimately direct the strategy of selling the recycling and garbage plan, came up with hard questions, exposure to which was designed to help officials learn not to be defensive in their dealings with the press, no matter the ostensible provocation. The overall message to her staff, says Gale: "Don't let the press become an adversary. You want it to be a friend. You're not a victim. You, too, can handle the press."

The Recycling Campaign

By the fall of 1987, having laid the groundwork for what she believed would be good press relations, Gale faced the task of preparing for the February 1988 introduction of voluntary curbside recycling in Seattle. Gale saw the introduction of recycling both as an important end in itself and as a strategic way of helping the utility achieve public acceptance of its other long-term goals.

"We weren't so naive as to think the public would easily buy an incinerator or anything else from us," says Gale, who was cognizant of incinerator opposition both from environmentalists (concerned about smokestack emissions and the prospect that it would tend to discourage recycling) and community activists concerned about living near any disposal facility. As it became increasingly clear, however, that dramatic changes in garbage pickup and disposal were looming, Gale, working with Elgin-Syferd, came to the view that a successful curbside recycling program could go a long way to establish an essentially positive image for the utility, one which would give it greater policy latitude in the future.

We knew we had to have a win in order to make the kind of massive service delivery changes we'd be proposing, and the win was going to be recycling. We knew [from market research] that recycling was a popular idea, because of its associations with environmentalism, and that if we could show how aggressively we were doing it we would gain some credibility for doing things that might be less popular. In a sense, you could say we wanted to put money in the bank of public opinion.

Armed with the knowledge of recycling's inherent popularity, the Solid Waste Utility set out to make the advent and growth of curbside recycling a long-playing, long-building part of the news and civic culture of Seattle. Months before announcing the particulars of the recycling program, the utility convened a series of small, roundtable discussions to which it invited 150 "key decision-makers"—business people, community activists and representatives of the press (both editorial writers and reporters), who were invited to come as participants in shaping overall solid waste policy. Observes Ginny Stevenson: "We wanted to reach out and have an open process. We didn't even think it mattered

if everyone came so long as they knew about it." Once the curbside program was ready for unveiling, the utility took the offensive in explaining it, holding a "background briefing" for reporters to answer detailed questions about logistics—when would households get their new recycling bins; which materials were acceptable and which were not. Apart from the general level of civic interest in recycling, officials had another advantage to emphasize. Because Seattle residents had, since early 1981, paid "by the can" to dispose of trash, and because recyclables were to be collected without extra charge, those who signed up to recycle stood to minimize the bill they received from the Solid Waste Utility, a self-supporting "enterprise fund" responsible for balancing its books. The press briefing was accompanied by briefing books for participants, as well as coffee and donuts. In search of key decision-makers not at such sessions, Diana Gale and other top utility officials also visited editorial boards of the city's two newspapers. "You always want to appear to be in control when you deal with the press," says Gale. "So we went to the editorial boards at the moment of our highest control—and that was before we started." Gale and Stevenson also worked hard to book the director for appearances on Seattle radio talk shows, where Gale tried to present a self-deprecating public image, not objecting when hosts would give her such sobriquets as the "garbage goddess," admitting that neighbors sometimes gave her a hard time for not recycling more herself. For Gale, one measure of the quickly-attained popularity of the recycling program was the fact that three utility officials were profiled as personalities in Seattle newspapers. She recalls positively a profile of herself which ran in the *Seattle Post-Intelligencer*. "There I was, not a faceless bureaucrat but a real live person with children."

To serve their larger strategic purposes, however—to make sure they "got a win" that would earn them some "slack"—Gale and Stevenson wanted to keep the recycling story alive. "We wanted to keep the story going," says Stevenson, "not only because it was a good story but because every story got us more recycling sign-ups." She provided information such that "the news on recycling began to be constant." There were updates as to how many people didn't have recycling bins. There was a "media event" to announce the advent of plastics recycling. The utility began to produce an array of visually witty explanatory materials about recycling, noteworthy for the logo of the "Recyclettes," munchkin-esque likenesses of bottles, cans, newspapers and such, skating or walking along a green brick road, presumably to the recycling bin.

More than anything else, though, the utility hit on the idea of doing a kind of recycling watch keyed to what percentage of Seattle households had asked to participate in the voluntary program. Like televised charity fundraisers pushing toward a goal, the percentage of recycling participation became news in Seattle. Mayor Royer personally delivered a recycling bin to the "50th percentile" household. The press did more than cover the event. The city's two newspapers, the *Seattle Times* and *Seattle Post-Intelligencer*, donated display advertising to mark the occasion. Such events, like talk show appearances, tended to prompt an increase in sign-ups, inspiring the utility to continue its events and appearances, sending recycling contractors and utility officials to an array of street fairs, parades and other community events. By January 1989, 11 months after the curbside program began, its high degree of community acceptance prompted a story on NBC Nightly News, which as much as crowned Seattle the nation's recycling capital. It was a fortuitous deposit for Diana Gale's bank of public

goodwill—and came at a time when the Solid Waste most needed it. Two months before, it had begun to make withdrawals in a big way.

New Garbage Rates and Service

During the last three months of 1987 and the first half of 1988, the Solid Waste Utility, at the direction of the Seattle City Council, had conducted a major analysis of the city's recycling and trash disposal options. In the wake of the study, the city had decided to strive to recycle some 60 percent of its trash by 1998 and to give up the idea of an incinerator for that which could not be recycled. The remainder would be shipped to "distant landfill"—which would turn out to mean an arid site in eastern Oregon. Achieving such an extraordinarily high recycling rate would mean a whole new trash pick-up system, one designed to combine powerful economic incentives for recycling with ways of putting out the garbage that would minimize the cost of pick-up and separation.

Even small changes in the ways cities pick up garbage are bound to attract attention. Seattle instituted a large group of changes all at once, many of them big. Solid Waste Utility customers would have to choose, in advance, a level of service: how many cans of what size would they put out each week? In making that decision, residents had to estimate how much they could recycle, because recyclables could be thrown out at no charge while garbage had to be put in the cans for whose pickup there was a monthly charge. The official barrels, moreover, couldn't be bought at Sears or K-Mart; instead, the private contractors who were to pick up the trash would supply them. Residents long accustomed to backyard trash pickup would have to take their garbage to the curbside or pay 40 percent more for backyard pickup. Leaves, grass clippings and other yard wastes would have to be put out separately—and paid for separately. The list goes on: on weeks that residents had extra trash that wouldn't fit in their barrels, they could buy a "trash tag"—a sticker for sale at area convenience stores—to affix to a plastic trash bag.

There had been, notes Ginny Stevenson, a great deal of press coverage of the struggle to decide on the shape of the recycling and disposal plan as a matter of public policy. But implementation of the plan was a different matter. The new plan did start with certain advantages. Recalls Stevenson: "There was a sense of relief that there was not going to be an incinerator. That was a help to us." But even persons with but the most casual interest in the news, who may never have noted the incinerator controversy, were about to have their lives changed by the new city trash policies. In approaching the January 1, 1989 implementation date for what were called, with some understatement, the "new garbage rates and service," the Solid Waste Utility, in dealing with the press and public, used some of the same techniques it had used in introducing recycling. In October 1988, officials again staged a major background briefing, complete with poster-sized versions of the sign-up card, with various trash service options to be checked, which all Seattle households would receive. All Seattle households, reporters were told, would receive explanatory mailings; there would be display advertisements about the new system in daily and weekly newspapers.

"Please Be Patient"

In addition to providing such details, however, the utility sounded a theme. The new system, Diana Gale told the press, was going to help further the city's recycling goals but was going to be difficult to implement. She urged the press, and Seattle generally (in television public service announcements) to "please be patient." (The phrase would become a tagline, used time and again.) It was most unlikely, Gale told reporters at the briefing, that the system could be fully functional in anything less than six months. "We had the key press people there," recalls Gale, "and we told them that, without a doubt, complaints were going to be coming. We expected them. Getting complaints would not mean there was something wrong with the plan. We asked them for their support and understanding, for their help in explaining things to people." In addition to briefing reporters, the utility also prepared a wide variety of people whom they called "need to know" city officials—everyone from key utility officials to the people answering the phones at the mayor's office and the City Council. They would be briefed as to how to answer basic questions about the new system. Recalls Stevenson: "People would not necessarily call the utility to find out information. We tried to anticipate who might get questions."

There would be more than a few moments, however, when it seemed that, no matter the extent of preparation, disaster was imminent. From the start of the new program, there were problems. The sign-up card for the new varieties of trash service went out late (because of political disagreement over the rate structure). Customers had less than a week to make their choices and send the card back. Worse, the new yard waste charge was hard to understand. If customers did not specifically ask to be excluded from the new service, they would be billed an extra \$2.00 a month for yard waste. In the wake of the card mailing, confusion reigned. On November 15, 1988, some 30,000 phone calls jammed the utility's lines. Unaccustomed bad press began to be directed at the utility. *Seattle Times* columnist Don Hannula, who would become a special thorn in the utility's side, wrote a sarcastic column based on the fact that trash service choices, once made, could, in theory, not be changed for a year. "Locked for a year in garbage rate prison," fumed Hannula. The *Times* editorial page was critical, as well. "[The] City's garbage deadline shows a mini-can mentality," wrote the *Times*. "Some free advice to the utility. Don't recycle the thinking that went into the sign-up plan." From the start, the utility adopted a policy which Diana Gale characterizes as "the best defense is no defense. If there's a negative article, just do a better job. Don't try to explain because you can never win with the press." Thus, the utility, for instance, took the editorial page suggestion that it not hold customers to a hard and fast sign-up deadline. Moreover, the utility, if concerned about criticism from columnists and editorial writers, was not at all displeased about the front-page news stories which the sign-up deadline engendered. Although a page one story in the *Seattle Post-Intelligencer* was headlined "People are really confused," the bulk of the story provided information about the new system in the form of a detailed question-and-answer format aimed at answering the variety of questions which were swamping the utility.

The program sign-up difficulties paled, however, before the problems that emerged when the new rates and service actually took effect, January 1, 1989. Just as utility officials had hoped, major explanatory articles about the new plan appeared in the city's daily newspapers. And, as they had

hoped as well, the coverage was linked to the recycling "win." Wrote the *Seattle Times*, in a prominently-displayed story headlined, "Garbage rates, collection rules, changing in '89": "Seattle is ringing out the old year as a national leader in garbage recycling and ringing in the new year with a revamped rate structure and new list of collection services." Despite detailed explanations, however, the problems were legion. Because the garbage contractors were slow in delivering the garbage bins, large numbers of customers had not received their standard-issue bins on time—and thus had to use their own cans, despite not being sure whether they were allowed to do so. Some customers were missed, it turned out, because a significant number of trash collectors had difficulty reading English and could not read the route lists. Because many trash pick-up days had been changed, thousands of Seattle residents weren't sure when they should put out their garbage. Because recycling was voluntary—but suddenly more desirable because of the increased savings it offered customers—legions of customers wanted to start recycling. As a result, deliveries of recycling bins fell behind (in part because of a shortage of plastic resin needed in the manufacturing process.) Thousands of calls continued to flood the utility. Seattle Mayor Royer himself, on the list of "need to know" officials, surprised some callers by taking calls himself.

Once underway, the new program sputtered. Two months after it started, pent-up confusion reached a breaking point. There had been snowstorms in February and March that shut down the city and stopped deliveries of cans and recycling bins. With the onset of spring, yard waste began to be put out in unexpectedly large volumes. Confusion reached yet another peak. Gale and others at the utility sensed that political support for the overall plan was ebbing. They responded by scheduling an emergency private visit to the home office of one of their two private garbage pick-up contractors, telling the firm it had to stop lagging in getting garbage barrels to its part of the city. The utility also made a public request that the city council provide emergency funds to hire more people to staff the phone system. The request for funds, ultimately approved, became a story in its own right, in ways that could seem both favorable and unfavorable to the utility. Two stories about the same hiring of employees to deal with complaints had two different emphases: "City Acts to reduce complaints about garbage pickup"; "\$198,000 bill to field garbage complaints." At the same time, the utility continued to send out something called the "New Garbage Service Weekly News Bulletin," a newsletter with detailed facts about incremental progress in implementing the new plan. For instance, the newsletter sent for the first week of March 1989 reported: "US Disposal, the contractor [for that part of Seattle] South of Yessler Way, reports that all of its 60,000 carts will be delivered by March 3rd. General Disposal (contractor for the North section of the city) reports that it has delivered 50 percent of its 90,000 carts. All cart deliveries are anticipated to be complete by the end of April." The weekly newsletter would go to all city employees with a potential "need to know," as well as to reporters known to be covering the garbage story. Recalls Stevenson, "If something caught their eye, they could call me and get more in-depth information." Stevenson also made coming up with stories a specialty of hers. "If reporters call and tell me they really need a story, I try to come up with something and call them right back." Observes Diana Gale: "It's one of Ginny's responsibilities to come up with something good for reporters. You can never assure yourself of good press or cover up messes, but if you can give

them stories on a continuing basis, you will get a little slack. And they'll be willing to come to your press briefings."

But the need for stories, coupled with the prominence of the garbage plan, combined to make for stories that the utility dreaded, as well. Feature stories about individuals, often elderly or handicapped, whose garbage was not being picked up despite their best efforts to get through to the utility, became a continuing feature of newspapers and newscasts. Recalls Gale: "There were the reporters who recognized that if they could find a disgruntled citizen they could have a story for page one." In reviewing such complaints, the utility came to believe that there was a hard core of some 300 customers who, for a variety of reasons, were being missed regularly. In response, Gale devised what she called the "account executive program." Officials at the utility were personally assigned to look after 20 or so of these problem cases. In some instances, officials discovered that those customers who were paying a premium to have their garbage picked up from their backyards were being missed because of the trash collectors who couldn't read. In response, the utility developed color-coded route lists. "We decided that we had to get very good at responding to individual complaints," recalls Gale. "That was our way of taking the story off the front page."

The strategy was far from entirely effective. In the first week of July 1989, for instance, a page one *Seattle Times* story entitled "Raising a Stink: Household battles city over garbage pickup" told the tale of one woman in the city's Queen Anne Hill neighborhood whose garbage had not been picked up for seven weeks. The woman claimed to have called the utility some 20 times. The story was followed, however, by a front-page story the next day which reported that the problem had been caused by the woman's lack of a regulation-issued garbage can. Diana Gale, however, did not emphasize that lack in her response to the *Seattle Times*: In a follow-up story the next day, also on the front page, Gale said, "As soon as I saw it [the article], I immediately asked for a complete report. For me, it was a real shock. I regret that this has happened to her." The same story reported that the trash had been picked up—and that the customer had been promised a rate refund. The complainant was quoted as saying, "I want to jump up and down for joy." Diana Gale—who recalls that her goal was "to keep further stories off the front page"—said further that the utility had a record of only two calls from the irate customer but would investigate why the utility had no record of the 20 or so other calls that the customer said she made. Noted the article: "Gale said stronger documentation is usually necessary before the utility is willing to refund money but [in this case] Gale said she'll take [the customer's] word for it." Less than two weeks later, an article about the new trash service appeared in the angry customer's neighborhood newspaper, the *Queen Anne News*. No mention was made of the incident in the story which began, "Despite early problems in its implementation caused by a flood of early sign-ups, the city of Seattle's new garbage and recycling program is picking up support from Queen Anne and Magnolia residents." Later that same month (July 1989), the utility, with great fanfare at a National League of Cities recycling conference in Seattle, announced the sign-up of the city's 100,000th recycling customer.

There is no one point at which it became clear that the new trash plan had been accepted. But some in the utility point to a time in early May of 1989, when a sharply critical newspaper column was parried by a surprising source. The utility had continued to get thousands of phone calls a day, mainly

requests for information rather than complaints, however. In response, it installed an automated system for recording complaints and dispensing basic information, as well as a system, like those of airline reservations desks, for cueing incoming calls. These steps attracted their own negative coverage, however. Another column by *Seattle Times* columnist Don Hannula found fault with the likelihood that a call to the utility would lead most customers either to a recorded message or to a recorder on which to leave a message.

Hello, Solid Waste, may I talk to a humanoid? ... Tricky devils. Know what they did? They got rid of all the humans in the office. Nobody down there now but computerized tape recorders. ... Since the system went into effect, it has been handling between 1500 and 4000 calls a day for everything under the sun. On one day there were 500 missed collection complaints. That's how many people had the patience to wait and leave their complaint on a tape recorder. ... How are people describing the "streamlined" system to me? They're portraying it in terms befitting the utility. It's garbage.

Shortly thereafter, a letter to the editor appeared in response to the Hannula column, not from the utility but from a customer.

The *Times* continues to print stories about people having difficulty with [trash] service changes. It is inevitable, with these sweeping changes over the past year, that there will be some problems. I think that under the circumstances, the service has done a pretty good job. ... If people want to have a meaningful conversation with a human, I hope they can find someone else to call besides the Solid Waste Utility. In the meantime, if they forget to pick up the trash, I am more than willing to talk to their tape recorder.

Study Questions

- 1) What do you infer to be Diana Gale's assumptions about the press? Do her assumptions about how the press make her a better public official?
- 2) Is it appropriate for the Solid Waste Utility, as a public agency, to hire consultants to advise it on press and public relations?
- 3) What do you imagine to be columnist Don Hannula's view of his job? Does he help or hinder public officials undertaking a new policy?
- 4) Is it the job of the press to assist public agencies implementing new programs?

RETURN RESPONSE CARD -- MUST BE RECEIVED BY NOVEMBER 18, 1988

POSTAGE PAID

Rate and Service Selection

Let us know the options you want

- No, I don't want Yard Waste Pick-up for \$2.00 per month.
- Yes, I do want to sign up for curb/alley recycling and haven't already done so.
- Yes, I want to charge stickers for extra garbage to my utility bill. Please send me an authorization card.
- Yes, I am physically unable to take my garbage container to the curb/alley and do not have anyone to help me. Please contact me about an inspector appointment.

Your current service level is indicated at the bottom of this card on the right side of the printed label.

If you don't return this card, you will receive curb/alley collection at your present service level, and you will be billed \$2.00 per month for yard waste collection.

Printed On Recycled Paper.

Check The Service Level You Want

Container Size	Curb/Alley Service	Backyard Service
Mini-Can	<input type="checkbox"/> \$21.40	not available
32 gallon (1 can)	<input type="checkbox"/> \$27.50	<input type="checkbox"/> \$38.50
60 gallon (2 cans)	<input type="checkbox"/> \$45.50	<input type="checkbox"/> \$63.70
90 gallon (3 cans)	<input type="checkbox"/> \$63.50	<input type="checkbox"/> \$88.90

More than 90 gallons
(give # of gallons) _____

For each additional 32 gallons above the 90 gallon size add \$18.00 for curb/alley service, and \$25.20 for backyard service.

Locked for a year in garbage-rate prison

Don Hannula/Times editorial columnist

OK, Seattle garbage fans, are you ready for the giddy new variable-rate version of "The Dating Game"?

There's only a week left to pick a garbage-service-level partner for next year. Make the right choice. You may have more woes than you deserve in dumping your new garbage-cart companion.

As the city moves to offering a choice of curbside or backyard service and differing sizes of garbage carts in a freewheeling game of rate roulette, there are some tricky disposal dicta out there.

For instance, you can change your mind only once — free — after you send in your choice of curbside-cart size. That has to be done within 60 days after your new cart is delivered. A second change costs \$15.

After that, you'll be locked in a garbage-service-level prison for one year — with certain till-fuzzy parole conditions. That's a longer sentence than some criminals get.

What are the exceptions?

For instance, if you've been put into the garbage-rate slammer for a year, and a fire hits part of your house and you've got a lot of harried stuff to get rid of, they'll let you raise your service level. (If your house burns to the ground, you can discontinue paying for service altogether. If it's still livable, you can't.)

Or if there's a death in the family, they'll let you reduce your level of service.

See? The Seattle Solid Waste Utility does have a heart.

Change of household size, fire, and remodeling are written into the contracts as grounds for getting out of the one-year service-level prison.

The fuzzy part is a contract reference to any other extraordinary event that affects garbage disposal.

Such as? One heck of a party?

"We don't have all the exception answers yet," City Engineering Director Gary Zarker says. "It'll depend on how many exception requests we get and the impact on the contractors."

There is a logical reason for making it difficult for garbage customers to switch cart sizes. Ever-changing demand would require contractors to keep a costlier inventory of carts.

While the city's new garbage-pickup rates don't go into effect until the first of the year, residents are asked to send their service-level choices to the city by next Friday.

If customers don't sign up for more expensive backyard service, they'll get curbside pickup.

And, with mandatory yard-waste separation going into effect the first of the year, customers who think they can get by with

George Peck

composting must "opt out" of that service or be charged \$2 a month extra.

Remember when putting out the garbage seemed so simple?

The move to curbside service — as well as the city's recycling efforts — makes economic sense. Offering the easier pickup for contractors is aimed at holding down costs to homeowners.

City officials expect 90 percent of households to opt for collection at the curbside or alley. Residents who continue backyard pickup will pay about 40 percent more than curbside customers for one can and 72 percent more for two cans.

The new rates as of Jan. 1: \$10.70 a month for a 19-gallon mini-can, available only for curbside service; \$13.75 for one 32-gallon can for curbside or alley pickup and \$19.25 for backyard pickup; \$22.75 for two cans for curb or alley collection and \$31.85 for backyard pickup; plus \$2 a month for putting out five boxes, bundles, bags or (32 gallon) cans of yard waste weekly.

There is some good news in all this — particularly in the North End of the city.

While residents who sign up for curbside service get that lower rate from Jan. 1, they'll continue to get backyard service until contractors deliver the new garbage cans on wheels. Delivery will be faster in the south, but some North End residents probably won't get their new contractor-provided carts until March.

Most residents have received their service-level sign-up cards, but the last batch wasn't mailed out until today.

Don't toss them out with the junk mail. Unless you send them back, you'll be stuck with your present number of cans.

If you happen to be out of the country between now and next Friday and don't get your service-level request back to the city, you won't be alone.

Diana Gale, director of the city's Solid Waste Utility, is vacationing in China. Engineering Director Zarker wryly observed:

"When she gets back, she'll have to exercise her one switch carefully."

NEW GARBAGE SERVICE
Weekly News Bulletin

December 8, 1988

Contact: Ginny Stevenson, Solid Waste Utility, 684-7688
Marybeth Turner, Community Affairs, 684-5351

The Solid Waste Utility has processed half of the responses received from more than 100,000 residents on new garbage collection service choices, meeting deadlines. This information goes to the City's contractors for service requests as well as to the Water Department for the Combined Utility Bills. Staff members logged 700 hours of work between November 15 and December 1, processing the cards.

Garbage Service Level Requests

- o 105,000 response cards have been received by the Solid Waste Utility.
- o 69% of the responses request either a 32-gallon garbage cart or 19-gallon mini-can.
- o 95% ask for curb/alley garbage pick-up service.
- o Less than 5% request backyard garbage pick-up service.
- o 50% request curb/alley yard waste collection.

Implementation Status

- o Garbage cart delivery began December 7.
- o Cart delivery began in part of Ballard and in the north part of West Seattle.
- o Delivery of garbage carts will vary throughout the city. General Disposal, the contractor north of Yesler Way, will deliver one cart size at a time to each neighborhood. U.S. Disposal, the contractor south of Yesler Way, will deliver all cart sizes at one time to each neighborhood.
- o General Disposal has additional mini-cans on order. Because of the popularity of this size, more requests were received than anticipated.
- o Eight crew people will deliver carts south of Yesler Way; ten to twenty crew people will deliver carts north of Yesler Way.
- o Contractors will distribute flyers door-to-door to residents in December notifying them of changes in garbage collection days and the schedule for yard waste collection.
- o Yard waste will be picked up on the same day of the week as garbage, but by a different truck.
- o Yard waste collection begins in January, 1989:
 - North of Yesler Way, yard waste will be picked up the week of January 23, the week of February 20, and the second and fourth weeks of March. After that, the contractor will pick up yard waste every week.
 - South of Yesler Way, the contractor will pick up yard waste once a month in January and February and twice a month from March to October.

Exhibit 4 (cont.)

Customer Service Information

- o Customer Service phone lines are open from 9:00 a.m. to 5:00 p.m., Monday to Friday. Call 684-8877 for quick information using recorded messages if you have a touch-tone, push-button phone. Call 684-7600 to speak with a Customer Service Representative.
- o To schedule a presentation to groups or organizations, call Marybeth Turner, Community Affairs, 684-5351.
- o Community Service Centers where utility bills are paid also help customers with questions on garbage and yard waste services.

Subject: Celebrity Arrest

Good evening,

I just learned of an arrest that is generating some news media interest. On May 5, 2013 officers from MVPD arrested a suspect named Titus Young (23) for driving under the influence of drugs. He was booked into RPDC and later cite released. After his release, Mr. Young responded to the tow yard in the 17000 block of Kitching to retrieve his vehicle. Unfortunately, Mr. Young did not attempt to retrieve his vehicle legally, instead jumping the fence in an attempt to take back his car. This action constituted a burglary. Mr. Young was arrested and booked back into RPDC on the new charge. Mr. Young was drafted by the Detroit Lions (NFL) and was later claimed by the St. Louis Rams. According to Internet news reports, he was released by the Rams 10 days later and is currently a free agent looking for an NFL job.

Subject: Assault with a stun gun/robbery - Arrest

Good morning,

On 5-06-13, about 2:00 PM, the SRO at Canyon Springs High School responded to the front office after receiving a report that a student had been assaulted with an electronic stun gun. Investigation revealed that a 17 year-old male student used a small stun gun to assault four Canyon Springs HS students throughout the day. In one of those assaults, the suspect took the victim's hat while he used the stun gun on the victim. The suspect student was found in possession of the stun gun and confessed to 3 of the 4 assaults. He was booked into Juvenile Hall. The victims all complained of pain in the area the stun gun was applied, but none sustained any serious injuries. MVUSD was notified.

Please advise if you are interested in attending

Community Health and Wellness Fair
Centro Cristiano Sinai
10 a.m. – 4 p.m., Saturday, July 20
12880 Heacock St. (x Myers) (District 1)

Centro Cristiano Sinai invites you to become a partner for our annual Community Health and Wellness Fair (Feria de la Salud y Bien Estar), to benefit Moreno Valley and surrounding areas.

Centro Cristiano Sinai has been part of the Community for over 24 years. It is centrally located in the heart of Moreno Valley on Heacock Street. Centro Cristiano Sinai provides community services, some of the services include, G.E.D. courses, citizenship classes, family services and resources, senior citizens activities, English classes and children developmental activities.

Our objective is to unite the Community of Moreno Valley to help on health and wellness through awareness, education and empowering for a more fulfilling and healthy lifestyle. The target market includes a diversified population with everyone welcome, Spanish speaking personnel will be available. We are anticipating 1,500 – 2,000 people to attend the event. Media coverage; includes local radio, press releases, public service announcements, Press Enterprise coverage and distribution of flyers throughout the Moreno Valley Unified School District and other locations.

This exciting event will be held on Saturday, July 20, 2013, from 10 a.m. to 4 p.m. It is a free family community event that will provide blood pressure and diabetes screenings, dental/optical information, bicycle safety, fitness, self-defense and nutritional presentations with hands on children activities. The local fire department, law enforcement, military recruitment and local businesses will also participate. to include fitness and nutritional demonstrations. The Moreno Valley city officials have been invited to attend. The event will also include fun for all ages with face painting, jumpers and games for the children. Food, music and special guests will be on-site.

Case Location Information

Property Owner Name:

Address: 11635 Indian St

Cross Street Info: Willis Ln

Parcel # (if available): 475200052

Resolution Information

Christine Barajas, Sr. Administrative Assistant, responded on April 24, 2013.

Officer Patty Posey conducted an inspection on 4/10/13 at 11635 Indian street. Upon her inspection she observed a large pile of construction debris at the front of the property in the driveway and a planter area at the side of the house. Officer Posey consulted Vince Giron of Land Development, and the planter area or dirt area is not in violation of any grading issues and is not blocking the traffic lane along Willis Lane. Officer Posey has opened Code case C13-00953 for the construction debris in the driveway and dust control. Officer Posey will work with the owner to have the planter finished and provide ground cover to control the dust and erosion of the area.

Case Information

Issue Category: Code & Neighborhood Services

Issue: Trash or Debris Removal

Council District: 1

City of Moreno Valley

Council Summary

Issue Description: Please investigate Council Member Molina's concerns, and advise him of the outcome. Council Member Molina requested the issue with the dirt pile and dust be taken care of immediately. There will be two CRMs created.

Council Member Molina stated there is a pile of dirt from this property running into Willis Lane and blowing dust all around. He stated the neighbors have complained to him they have to drive around the dirt pile, and there are dirt tornados. He also stated there is construction debris on the property facing Indian Street.

	Resolution Information
	Christine Barajas, Sr. Administrative Assistant, responded on April 24, 2013. I attempted to contact Ms. Carrie Talataina by the email address provided in the CRM. My email came back undeliverable/bad address. No phone number was included in the CRM so I was unable to call Ms. Talataina to discuss this matter. RESEARCH: Parking citation MV3120418022 was issued on 4/18/12. Vehicle owner Carrie Talataina contested the parking citation online on 4/30/12. The contest was reviewed by the City's contracting agency. On 8/22/12, a response was mailed to Ms. Talataina to the address she provided advising her parking citation was upheld, and she had until 9/12/12 to pay the citation at the original bail amount and request a 2nd level hearing or a penalty would apply. Our records reflect that Ms. Talataina placed a call to our contracting agency requesting a waiver of late fees, which she was denied. Ms. Talataina paid for parking citation MV3120418022 in full with Check #153 on 11/13/12.

Council Summary

Issue Description: Please investigate Ms. Talataina's concerns and advise her of the outcome.

I was toilet training my young son and pulled up to my friend's house running in my son to go to the bathroom. When I returned less than three minutes later, an officer was writing a street sweeping ticket. He said there was nothing he could do, but I could appeal it. We wrote a letter; and, of course, our appeal was denied. During the time we received the denial letter, my husband's father was dying in Samoa. We had to quickly arrange for him to go to Samoa to help care for his father, and my husband misplaced the denial letter. He was gone for six weeks attending to his father and then burying him.

I tried in vain to look up the information on your website to pay this ticket; however, I was unable to find any information on how to pay it. I googled many different combinations trying to find the information. Now, I receive a letter almost tripling the fine from a collection agency. I was willing to pay the fine or have a hearing after the denial, but I was unable to contact you. I am willing to not have a hearing and just pay the original fine, but tripling the fine is ridiculous.

Subject: Cubicle for Council Members Use

There is now a vacant cubicle, with a computer and printer, near my desk available for the council members' use. The cubicle can also be used to schedule "non-sensitive" meetings.

Thanks,

Cindy

Hi Victoria,

Lisa Smethurst called this morning regarding your request for the TownGate facility on May 11 from 10:00 a.m. to 12:00 p.m. for 200 people. Lisa stated TownGate is too small to accommodate that large of a group. Is this regarding City business; and if it is, and can I help you with the accommodations? Please advise.

Thank you.

Subject: Invitation - "I Love My City" Peace March 3
Attachments: image.jpeg; I Love My City Peace March 3 LTR.pdf

Dear Pastors:

It is with anticipation that we send this letter to invite you and your congregation to participate in the city-wide *I Love My City Peace March 3* on Saturday, June 8, 2013, that will commence at 12 p.m., on Sunnymead Boulevard at Heacock Street, and will end at Sunnymead Park located on Perris Boulevard and Fir Avenue.

We are asking you to join us in this collaborative effort to promote peace, hope, and unity in our city. Faith-based leaders, such as you, make Moreno Valley a better place for our children and families. *I Love My City Peace March 3* is an occasion to show mutual concern for our city, and it is of utmost importance to have the participation of our churches in this unified effort.

As the plans are underway to make *I Love My City Peace March 3* a memorable event, we encourage you to make every effort to support this worthy cause that will benefit our residents and community. Clearly this is a win-win opportunity to network and present your church to the various organizations, businesses, and people that will be in attendance.

For additional information, please contact Pastor Mark Orellana, Victory Outreach Church of Moreno Valley, at [REDACTED]

Sincerely,

Tom Owings

Hi,

I spoke with Ray Fisher and Robin and they confirmed they will attend the 5/21 meeting at City Hall. Ron Marks is out of the country and I don't have Robert Perez' email address so Robin promised to share the invitation with him when he comes in the office (she didn't have his email address either).

On the staff side, all have confirmed attendance at the 5/14 pre-meeting and all but the Fire Chief have confirmed the 5/21 meeting as well.

Subject: Kids with Guns protocol

Good afternoon,

On 5-08-13, officers were called by staff members at Rainbow Ridge Elementary School reference a 10 year-old male student in possession of a small knife. Different versions of events were obtained by the officers and it is unclear at this time if the knife was brandished or simply shown to another student. The Riverside County Kids with Guns Protocol was initiated and the student's home was searched with the consent of the student's uncle. No other weapons or items of concern were located. A report will be forwarded to the DA and Juvenile Probation for review. The knife involved was determined to be a small multifunction tool with nail clippers and a small blade about 1.5 inches in length.

Council District Budget Meetings – Council Talking Points

- Welcome to the Neighborhood Budget Discussion for District No. __
- The City Council continues to work with staff to identify and provide for future opportunities in Moreno Valley.
- We are looking to the future of the City while dealing with the current realities of a difficult fiscal crisis that is threatening core service levels.
- Last February the City Council had a special workshop where we identified a list of action items and initiatives for staff to focus on in the next 18-24 months. (This information is posted on the City's web site)
- There are three main categories that encompass the action items from the Council Workshop:
 - Current Fiscal Crisis;
 - Quality of Life Initiatives;
 - Future Development and Revenue Diversification
- Since this meeting is focusing on the budget, I want to share with you what the consensus was among the Council Members at the February Workshop related to the current Fiscal Crisis; we are in agreement that we need to focus on the following:
 - Balance the General Fund budget in FY 2013/14
 - Identify and discuss unfunded liabilities as they affect the budget and present longer term financial challenges for the City; we have been discussing these long-term financial challenges at our study sessions meetings and those discussions are available for viewing on the City's web site and the presentation information is posted there as well
 - Review the need for surplus City owned property
 - Augment street maintenance budgets within 1-2 years
 - Conduct neighborhood budget meetings in each City Council district
 - Study the benefits and potential for a revenue ballot measure to fund reduced services, such as public safety

Moreno Valley Mayor to Resume Testimony on Wednesday

On Wednesday, May 8th, I appeared voluntarily at the Grand Jury and they graciously accepted my request to be interviewed. My desire to appear was the result of a search warrant which was served at my home as part of a wide ranging investigation by federal enforcement agencies. As I have previously stated, I welcome this probe, and pledge my full support.

I will resume my testimony before the Grand Jury on Wednesday, May 15th at 9:00 A.M. and, as always, stand ready to respond to any and all questions, and to assist the Grand Jury in its important work.

Attachments: Neighborhood Budget Meetings 050813.doc

Good morning Council Member. We had 10-12 residents attend last night's budget meeting in Council District 1. This is not unexpected as we had a similar number attend the Town Hall meetings we held in each Council District a couple of years ago. We distributed the attached press release and have had the information posted on MVTV-3 and the front page of the City's web site as well. The P-E did not pick up the press release information so we are buying a P-E Online ad to help promote the meetings as well. Additionally, we are videotaping the meetings and will edit together the presentations / Q&As for posting on MVTV-3 and our YouTube channel. That way any residents who were unable to attend a meeting will still be able to access the budget information.

Neighborhood Budget Meetings

The City of Moreno Valley is taking a proactive approach to communicating with its residents and businesses by hosting Neighborhood Budget Meetings.

The City adopts two-year operating budgets to fund services to Moreno Valley citizens and businesses. The next two-year cycle begins July 1, 2013.

This year's proposed budget for the General Fund is significant because of the deficit that has persisted for several budget cycles. The extended economic recession continues to produce shortfalls in revenues, plus the cost of providing services continues to rise, leading to the erosion of City services available to the public. This trend continues and worsens in the proposed two-year cycle. As a result, the ongoing deficit represents a fiscal crisis that must be dealt with by significantly reducing expenditures.

At the direction of the City Council, a series of Neighborhood Budget Meetings have been scheduled to provide additional opportunities for Moreno Valley residents to join the discussion related to the City's long term financial challenges and the Proposed Operating Budget.

Resolution Information

City of Moreno Valley

Council Summary

Jeannette Olko, Electric Utility Division Manager responded on 5/2/2013:

Mr. Black opened an account in September 2009, and was required to pay a deposit of \$235.00 at the time the account was established. Mr. Black has been late 7 times in the last 12 months, and has had a 24 hour notice 13 times since the account was opened.

The bill for electric service used from 2/1/13 - 3/1/13 was mailed to Mr. Black on 3/6/13, in the amount of \$60.80. Payment was due on 3/22/13. A new bill was mailed to Mr. Black on 4/10/13 for electric service used from 3/1/13 to 4/3/13 in the amount of \$66.60 plus arrears of \$60.80. The bill mailed on 4/10/13 included an urgent notice advising the customer that the amount of \$60.80 must be paid by 4/22/13 to avoid disconnection. An overdue letter was mailed to Mr. Black on 4/12/13 advising that payment of \$60.80 must be paid by 5 pm on 4/22/13, the final payment date. The letter also advises "Payments must be received no later than 5:00 pm on the final payment date. Payments after 5:00 pm may not prevent disconnection or the assessment of additional deposit or notification/reconnection charges." Payment was not received by 4/22/13. On 4/23/13 a 24 hour notice was left at the residence advising electric service would be disconnected if payment was not received by 5:00 pm on 4/24/13. Mr. Black called at 7:20 pm on 4/24/13 to make a payment. He was advised he would have to pay the full amount plus an additional deposit. He paid the arrears of \$60.80, plus current bill of \$66.60, plus a disconnection charge of \$30.00, reconnection charge of \$30.00, \$10.00 for the cost of leaving the 24 hour notice, and an additional deposit of \$50.00 for a total of \$247.40.

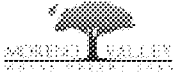

Mr. Black was contacted on 5/2/13, and advised the disconnection and reconnection fees that total \$60.00 were waived. He requested an email be sent to him to remind him to pay his bill. He was advised an email notification program is currently being developed. He agreed to create reminders on his calendars around the 15th of each month to pay his bill. He was asked if he would be interested in the 20% discount program that is based on household income. He indicated he would not qualify for the program.

Case Information

Issue Category: Electric Utility

Issue: Utility Bill

Council District: 3

City of Moreno Valley

Council Summary

Issue Description: Please investigate on behalf of Mayor Owings, contact Mr. Black, and advise the outcome.

4/24/13 Mr. Black emailed Mayor Owings:

I am Nicholas Black, my address is 12931 Cobblestone lane, Moreno Valley 92555. I am writing you in hopes that you may be able to answer my questions in good faith and honesty. Unfortunately I am under duress due to the Moreno Valley Utility Company. I came to Moreno Valley in hopes it would be a promising place to raise my children, all in all I do not have much complaints about the area i live in, that being said the Moreno Valley Utility Company are horrendous to deal with, to the point I have been considering putting my house up for a "short sale" to get away from it all. I have 4 children and I am the only support my family has, the Moreno Valley Utility Company took a 235.00 deposit from me to begin business.

The problem I have is their latest increase in penalties. If you were late on your bill, the customer would get a \$10.00 fine for a door knocker and a \$50.00 reconnect fee if not paid in a timely matter. My problem is now the add a \$50.00 dollar deposit and raised the door knocker fee to \$30.00 dollars and on top of that added another \$50.00 reconnect fee for a total of \$130.00 added to bill if late. I hope you see where this is going. If a family has a hard time paying the bill how is adding an additional \$130.00 to the total going to help? Customer service for the Utility Company says, "it is to defend the cost of service if you are to up and leave",

I have a mortgage for 24 more years and should not be a risk of flight, i can understand if I was renting. I bring this up to you in hopes you may be able to rectify the practices of the Moreno Valley utility company. I do not have a perfect record of paying my bills on time unfortunately, I recently have been in the hospital, due to the fact my wife was having complications with her pregnancy, when I returned home I noticed the dreaded door knocker and meant to pay it before 5:00 p.m. their DEADline. I ended up having to pay \$247.40 of which \$130.00 was fines. I hope you understand why I see this as piracy! I asked for them to drop the deposit and the reconnect fee, since my service was never disconnected to begin with, which fell upon deaf ears.

I do not have issues with any other utility company and pay my property taxes on time every year. If you are powerless to change the additional fee hikes, i ask if at all possible to have the Moreno Valley Utility Company to issue courtesy calls to there patrons if they are late before the hang the door knockers to avoid punishment. After all if i save some money i spend it in my community which is beneficial for business and Moreno Valley. Please do not make me regret moving to this city, and help make the lives of Moreno Valley citizens more prosperous thank you for your time and I look forward to your response,

Subject: City Manager Update
Attachments: CMgr Announces Retirement 051413.pdf

City Team Members: Tonight in closed session the City Council accepted Henry Garcia's notice of retirement. As you will see in the attached press release, the Mayor and Council were complimentary in thanking Henry for his leadership and contributions to our community. As of today he is on vacation for a couple of weeks, followed by administrative leave through December 1 when he will officially retire.

Tonight the Council also took action appointing me as your City Manager. I am humbled and extremely excited to accept the position and appreciate any thoughts and prayers you may care to send my way. Appointing a City Manager without the benefit of a full outside recruitment really is a vote of confidence from the Council to the entire City team. I consider it to be acknowledgement of our collective hard work and continued dedication to the City of Moreno Valley.

I believe most of us know each other. I have been working for Moreno Valley for a total of 13 years including 7 years in Public Works in the 1990s and the past 6 years in the City Manager's Office. Ron, my husband of 23 years, and I live in Riverside with our sons Ronnie (21, a student at Cal State San Bernardino) and Danny (19, a student at Cal Baptist) and our Clumber Spaniel Molly (5, not too bright but a sweet dog) . I am blessed with wonderful families at home and at the City and I look forward to continuing our good work together. Please don't hesitate to stop in and say "Hello" the next time you are in the vicinity of the City Manager's Office.

--Michelle

City Manager Announces Retirement

The Moreno Valley City Council tonight accepted notice of City Manager Henry Garcia's retirement, effective December 1, 2013. Following an upcoming vacation, he will be on Administrative Leave and available to provide consulting assistance to the City pending retirement.

Mr. Garcia joined the City in February 2011, after having served as a City Manager in several communities in Los Angeles County as well as Inland Southern California. He has served as a City Manager/Administrator for 22 years.

"Henry has made lasting contributions to the City of Moreno Valley," said Mayor Tom Owings on behalf of the City Council. "We appreciate his leadership of the staff and wish him all the best."

"We have accomplished much in this community over the past several years," said Garcia. "The level of collaboration between elected officials, community stakeholders and staff leaves the City extremely well positioned for the future. I have found it professionally and personally rewarding to be part of such a successful, community-driven team."

The City Council has appointed Assistant City Manager Michelle Dawson as City Manager, effective immediately.

Watching city council and it is almost a joke. Citizens of Moreno Valley get up there to voice their concerns and Richard Stewart lays back in his chair as if he is ready to take a nap. Tom Owings acts like he rules the nest and even chuckles and makes comments to put a speaker down. When one lady got up there to voice her thoughts about keeping certain things off the list to talk, such as grandkids, dog and etc.. When the man Frank gets up there to speak Owings makes the comment hello friend, not to mention his grandkids or dog. That was a jab at the previous speaker. Wonder what favor Frank gets out of for giving his little pat on the back speech.

I think she was right on when she said he is drunk on power, thing is I think he suffers from little man complex. When he first was walking around introducing himself with his dog Shiloh I actually thought he was someone that might do us good. He stood at my door and talked for a great length of time discussing concerns I had and I had made the comment I think we have another Bell council on our hands. I also told him how when I met Jesse Molina at Brandons he had just come into office he assured me changes were coming for the good. He said he would make things happen, which of course never did. He to jumped on the band wagon of thinking like they do.

So when Tom Owings and Shiloh were at the door and Owings and myself were discussing my concerns he acted as if he totally understood what I was saying. Besides telling him that I think the city council was another Bell I also told him that I think Richard Stewart was a crook and was in cahoots with whoever benefited him. To my surprise he agreed with me and said that one of his goals was to get him out of office and to put the city back on track. He sits up there being rude, speaking down to people, making smirks on comments he doesn't like and showing the citizens of Moreno Valley that he is just a little twirp with a chip on his shoulder. He gets fired up when someone says something he doesn't like and you can see it on his face. My worry would be just how much has to be said before he blows his top.

MV00256680

Truth be, Moreno Valley residents have a right to voice their opinions, it is called a freedom of speech. I have never bothered to go to the city council meetings because I know I have no respect of them and think of them as nothing more than want to be thugs.

I have heard nothing but negative things from anyone I talk to about Baca , I really don't know her so have been asking people , I have yet to hear anything positive about her , but when I listen to at the council meetings she at least sounds like she has respect for those who come to talk and thinks their comments are important to know where the people stand.

I have for a fact emailed each and every one of them and heard once from Jesse Molina which he re-affirmed what he had told me at Brandons, He emailed Changes are coming. What a joke to hear that

Even though Richard Stewart may not like what I have to say at least he was decent enough to email me back and he was pleasant in his email. To me that was saying that he did respect citizens having the right to speak even if he lounges back in his chair looking like he would rather nap then give the speaker his attention.

I am emailing this to the two emails I have which is Molina and Stewart, I would appreciate it if you would forward it to Baca, Coe and Owings. For some reason when I clicked on there picture to email it would not open for me.

Could you please email me , Co, Owings and Baca email addresses.

Thank You

Mae

Subject: Assistant City Manager Appointment

CONGRATULATIONS TOM DESANTIS

I am so pleased to announce that Tom DeSantis has been appointed as Assistant City Manager. As you know Tom is our Administrative Services Director currently overseeing Human Resources, Animal Services, Library Services, Purchasing and Facilities.

Tom's local government career began at the County of Riverside, where he served as a Public Information Officer and Deputy County Executive Officer over a ten-year period. He then joined the County of San Bernardino as a Deputy Administrative Officer overseeing criminal justice and health programs, before serving as Chief of Staff to the 4th District County Supervisor. Prior to joining the Moreno Valley team, he served as Assistant City Manager for the City of Riverside.

Tom's community activities have included service as a member of the Hemet Unified School District's Governing Board. Prior to entering local government, Tom served on active duty in the U.S. and overseas as a Captain in the United States Air Force.

He enjoys movies, home projects and tinkering with a bright red '59 Ford pickup.

Tom and his wife, Carely, have been married for twenty-eight years and live in Temecula. They are the blessed parents of three children (ages of 25, 21 and 14).

Tom brings a wealth of knowledge and experience that has been invaluable to the City. On a personal note, I truly appreciate Tom's positive "can do" attitude, his sense of humor, and infectious laugh.

Please join me in congratulating Tom on his promotion.

FYI: You can now LIKE us at [facebook.com/SaveMoVal](https://www.facebook.com/SaveMoVal) and stay connected to the events here in Moreno Valley.

Chapter Three of the Real 41,600,000 sq ft World Logistic Center (WLC) Warehouse Story

Moreno Valley residents who are members of Residents for a Livable Moreno Valley and The Center for Community Action and Environmental Justice (CCA EJ) will host a **Community Awareness Meeting at Mountain View Middle School (Multi-Purpose Room) this Saturday, May 18, 2013 from 10:00 a.m. – noon.** They will provide facts and literature about this proposed 41,600,000 square foot warehouse project being slated for the east end of Moreno Valley, which will impact all of the City and much of the region. Among the Guest speakers will be: Dr. Jakpor, a physician and volunteer with the American Lung Society, discussing “Air pollution, Warehouses, and your Health” and presenting a video entitled “The Right To Breathe” and Adrian Martinez, an Environmental Attorney with the Natural Resources Defense Council, addressing challenging environmental concerns relevant to this project. Information will also be presented about the World Logistics Center DEIR.

We invite all concerned residents to attend.

**Location: Mountain View Middle School Multi-Purpose Room (accessed from the north parking lot)
13130 Morrison St. (behind Valley View High School) west of Nason St. and s/o SR 60, Moreno Valley,
CA 92555**

Date & Time: Saturday, May 18, 2013 from 10:00 a.m. – noon

Please Help Fight the World Logistic Center with a Donation by Making a Check out to “Residents for a Livable Moreno Valley” and mail it to P.O. Box 6195, Moreno Valley, CA 92554. The Center for Community Action and Environmental Justice (CCA EJ) at cca ej.org and 951.360.8451 is helping all of us tell the untold truth about the WLC -- please let them know that you will help on the WLC efforts.

Good morning,

I previously notified you about a fist fight between two transients that resulted in major injuries to the victim. The victim, a 54-year-old Hispanic male, was ultimately declared brain dead due to head injuries sustained in the altercation with the suspect. On Sunday May 12, 2013, the victim's organs were harvested and his remains were taken by the Coroner's office. Further investigation is being done and it is likely we will arrest the suspect and charge him with murder. I will keep you updated as the investigation progresses.

Subject: Artists' Reception May 25

Cindy -

I would like to extend an invitation to everyone at the City regarding our Artists' Reception at the Vanguard Community Art Gallery (upper level, Moreno Valley Mall next to Mrs. Field's Cookies) on Saturday, May 25 from 4:00 pm - 8:00 pm. Music, refreshments and an opportunity to meet Charles Bibbs, Maurice Howard, and other artists represented at the Vanguard. Mr. Bibbs and Howard are part of our show/exhibition entitled "Colors" and runs through June 15th. I hope to see you there!

- Rick

City Council Members:

Is Ms. Dawson's position permanent as the article below indicates or is she an interim until a recruitment process can take place. The public should be included in the process of filling the city manager position. It seems unethical to do otherwise. Also, isn't it imprudent to offer the position to someone who worked under Mr. Garcia until the full spectrum of the current investigation has been completed?

City Manager Announces Retirement

The Moreno Valley City Council tonight accepted notice of City Manager Henry Garcia's retirement, effective December 1, 2013. Following an upcoming vacation, he will be on Administrative Leave and available to provide consulting assistance to the City pending retirement.

Mr. Garcia joined the City in February 2011, after having served as a City Manager in several communities in Los Angeles County as well as Inland Southern California. He has served as a City Manager/Administrator for 22 years.

"Henry has made lasting contributions to the City of Moreno Valley," said Mayor Tom Owings on behalf of the City Council. "We appreciate his leadership of the staff and wish him all the best."

"We have accomplished much in this community over the past several years," said Garcia. "The level of collaboration between elected officials, community stakeholders and staff leaves the City extremely well positioned for the future. I have found it professionally and personally rewarding to be part of such a successful, community-driven team."

Mayor Tom Owings and
City Manager Henry Garcia

The City Council has appointed Assistant City Manager Michelle Dawson as City Manager, effective immediately.

Resolution Information

City of Moreno Valley

Council Summary

Randall Metz, Fire Marshal, 5/15/13 Mr. Rahmon's parcel has been in the Fire Departments Hazard Reduction Program since 2009. In 2009, the parcel received an invoice for \$574.00 (\$183 contractor fees & \$391 city fees). Fees for all parcels were recinded by Council in 2009 on the advice of City Attorney. Due to an address change of the owner, we received one returned mail item.

In 2010, notices were sent to Mr. Rahmon with no reponse and no returned mail. Owner received Statement of Cost letter for 2010 abatement in February of 2011 for \$1379.50. He contacted fire prevention to appeal fees associated with tree trimming. An inspector met with him in March 2011 on site and they surveyed the property lines and determined that three trees he was billed for were on the property line of the adjacent parcel. Fees for these trees were removed from his invoice as well as diking throught the appeals process. Total fee reduced by \$379 to \$1000.50 (\$596.50 contractor fees & \$404.00 city fees). Inspector went over with Mr. Rahmon what needed to be done for the upcoming year to remain in compliance.

In 2011, Mr Rahmon abated his own parcel without city abatement and no returned mail.

In 2012, Mr. Rahmon did not abate his parcel and was billed for \$921.04 (\$510.24 contractor fees & \$410.80 city fees). There was no returned mail. Mr. Rahmon contacted Fire Marshal in May 2013 to contest fees that had already been placed on the parcel through Public Hearing at April 23, 2013 Council Meeting. He was informed that his case was reviewed and fees were appropriate. Infomred him that the appeals process was stated on the Statement of Cost letter had passed.

He stated that he has never gotten any of the notices of violation. He does seem to get all of the statement of cost letters as it is then the he contacts us to complain about our process being unnecessary and feels that his parcel and the trees do not pose a risk to adjacent parcels. He has stated that fire needs to stick to putting out fires and not harrassing parcel owners of small parcels.

In 2013, after having phone discussions with Mr. Rahmon, Fire Marshal directed staff to send notices of violation for this parcel through Certified Mail. Mr. Rahmon acknowledged at May 14, 2013 Council meeting that he has recieved the letter and he will perform abatement. Awaiting followup inspection to confirm owner abated.

Case Information

Issue Category: Fire Prevention

Issue: Weed Abatement, Lot

Council District:

City of Moreno Valley

Council Summary

Issue Description: Please investigate Mr. Rahmon's issues on behalf of Mayor Owings, and advise Mr. Rahmon of the outcome.

Mr. Rahmon stated he has property on Wilmot, and the APN is 478171010. He stated every year he gets a bill for \$1,000 for weed abatement, but he doesn't receive the letters stating he has to abate. In addition, he stated he gets charged for not trimming a tree, but it is actually his neighbor's tree.

Subject: Meeting Request

Dear Councilmember Baca,

My name is Ted Gover and I am Director of Public Affairs of Pacific Research & Strategies, Inc., a Long Beach-based public relations and government affairs firm. I read the articles (below this e-mail) and heard about the recent controversy. My colleagues and I would be grateful for the opportunity to meet you (at a time and venue of your convenience) to discuss ways in which we can be of assistance to the City of Moreno Valley with communications strategies to the community, constituent groups, the media as well as the wider public. We have many

years of experience with these issues and we would be delighted for the opportunity to meet you to discuss how we can help.

FYI: Some years back, we did quite a bit of work with the City Council on the Moreno Highlands project. We were based in Claremont for a number of years and we know Moreno Valley and the Inland Empire well.

You may find information about our company at: www.pacificresearch.net

I would be most grateful for your kind reply.

Thank you, Councilmember Baca.

Respectfully Yours,

Ted Gover

The Press-Enterprise

by Mark Muckenfuss, Staff Writer

Shock. Surprise. Embarrassment. Relief.

These were among the reactions Moreno Valley residents said they had when they discovered their city council members' homes had been searched as part of a corruption investigation.

No charges have been filed, but the searches carried out at homes and businesses on Tuesday morning, April 30, left the city under a cloud.

"If it does come out to be true," said Aaron Sims, 45, "it's just another slap in the face for Moreno Valley."

On Tuesday, agents from the FBI, IRS and the Riverside County district attorney's office served search warrants at the homes of all five Moreno Valley City Council members, including Mayor Tom Owings. They also searched the offices of Skechers warehouse developer Highland Fairview — a company headed by Iddo Benzeevi — and the home of real estate broker Jerome Paul Stephens II.

Highland Fairview has been promoting a controversial massive warehouse project on the east side of Moreno Valley and appears to have the backing of all the council members. The city has produced a video promoting the benefits of the project.

Sims was having lunch at Burgertown on Sunnymead Boulevard on Wednesday with two friends. He, like most in town, had heard about the investigation..

"It really doesn't amaze me," said the Navy veteran, who was stationed at March Air Reserve Base.

Sims said he hasn't been happy with the way the city is going.

"If it happened in Bell (a city whose council members ended up being tried for corruption) it was going to happen in Moreno Valley next. It had to happen. I knew it was going to happen."

Mary Wheat, 85, has lived in Moreno Valley all her life.

"We all said they're all crooks one way or another," Wheat said in a phone interview. "I'd like to have a nice clean-living town."

Others were not ready to jump conclusions, saying it was important to let the legal process play out.

Cleve "C.J." Johnson, who said he is about 70, is president of the Moreno Valley School Board, which recently had its own legal problems. One of its board members, Mike Rios, was sentenced to 14 years in prison last month for felony pimping, pandering and insurance fraud charges. Rios had refused to step down from the school board and was removed after his convictions.

Johnson said he has spoken to quite a number of people since the raids Tuesday morning.

"I would like to think the majority of the folks I talked to want to wait and see what happens," Johnson said. "I hope there's nothing going on. If there is, we can't allow this type of action in our city government."

He said people had been contacting him from well beyond the city's boundaries.

"I received an email from a guy who lives in Orange County," Johnson said. "He's a friend. He said, 'What the heck are you guys doing?'"

That kind of reaction, he said, is playing on the mood of people who live in the city.

"If I had to put it into one word, it would be embarrassment," he said. "First it was the Mike Rios case, and now this."

Tom Ketcham, 40, president of the Moreno Valley Hispanic Chamber of Commerce, also was worried that news of the investigation will hurt the city's reputation and, in turn, its businesses.

"It's hard to say, 'Come out to Moreno Valley and shop,' when people say, 'Why should I come out there? You're corrupt, you have high crime,'" Ketcham said.

He's hoping the investigation will at least serve as a wakeup call to the city leaders and that the business environment will improve in the long run. Ketcham said many business owners are frustrated by what they've seen as a double standard in Moreno Valley, where regulations are streamlined for large companies while smaller businesses have to struggle.

For smaller businesses, he said, "there's more red tape, more hurdles for them to start a new business or a new restaurant. We were hoping this new election would (improve the disparity) and we're still hoping."

Ketcham said many of the members of his chamber have expressed a sense of relief at the investigation, particularly those, like himself, who are opposed to Benzeevi's plans for the World Logistics Center, a proposed complex of warehouses that would cover an area equal to 700 football fields.

The investigation, he said, is "really going to be a shot in the arm for the businesses who are against the project."

Rod Ballance is the chairman-elect of the Moreno Valley Chamber of Commerce. He said he doesn't foresee the investigation affecting the World Logistics Center development.

"If Mr. Benzeevi, who owns the property, gets through the EIR (environmental impact report), it will go through," Ballance said of the project.

He said he has spent a substantial amount of time in recent weeks with Owings and Barry Foster, the city's community and economic development director, and also has met with Councilwoman Victoria Baca. There was never any hint that an investigation was underway, he said

"All through this," he said, "I didn't hear anything."

When he picked up the newspaper Wednesday morning and saw the story about Tuesday's raids, he said, he reacted with "curiosity."

Ballance, 70, said it is important not to judge those being investigated. No one has been charged yet with a crime. But he also thinks law enforcement isn't on a wild chase.

"I'm sure the people in place that conducted everything didn't do it from a knee-jerk reaction," Ballance said. "Generally the feds and those types of agencies don't go on witch hunts. They did it because there was probable cause."

Alejandra Chavoya, 31, is a secretary at the Moreno Valley School District. She is against the warehouse development. The Skechers project had promised to bring in local jobs that failed to materialize, she said.

"You look at (the searches), and something's not right," Chavoya said. "Something fishy is going on."

Tracy Hodge, 42, who has advocated against the Benzeevi development, said she hoped this would be the start of a positive chapter for the city.

"I have felt for over a year now that our community is not being protected by our city council," Hodge said.

"To feel as though we don't have a voice has been very frustrating. They're trying to stick this elephant in a canary cage. They are not doing a service to our community."

Of the people she has spoken with, she said, "the overwhelming comment I have received is, 'Finally. Finally somebody is paying attention to what's' going on in our city.'"

Federal agents search homes of Moreno Valley City Council members

The homes of Mayor Tom Owings and the four other council members are targeted, as well as the corporate offices of a firm that has proposed a warehouse center.

April 30, 2013 | By Phil Willon, Los Angeles Times

Federal agents searched the homes of Moreno Valley's mayor and City Council members and the offices of a major warehouse developer Tuesday as part of a broad public corruption investigation in a Riverside County town already singed by scandal.

Agents with the FBI, Internal Revenue Service and local prosecutors served search warrants at the homes of Mayor Tom Owings and the four other council members and at the corporate offices of Highland Fairview, the company that has proposed a 41-million-square-foot warehouse center on the city's eastside.

"Today, the FBI along with the Riverside district attorney's office and the IRS criminal investigative division executed several search warrants in and around Moreno Valley," said Colin Schmitt, supervisory special agent with the FBI's public corruption division. "At this time we're not able to comment further on the details of the warrants because they are sealed."

The mayor — a former car dealership owner and Planning Commission member — denied any wrongdoing. Owings was first elected to the council in November and voted in as mayor by his fellow council members in January.

"On the advice of my attorney, I'm not going to speak about this at this time," Owings said. "I'm confident that I've done nothing wrong."

Highland Fairview's proposed warehouse center, known as the World Logistics Center, has been embroiled in controversy and faces opposition from nearby residents who fear that it will cause traffic jams and harm air quality.

Iddo Benzeevi, chief executive of Highland Fairview, could not be reached for comment Tuesday.

The Moreno Valley investigation is being conducted by a joint corruption task force established in 2010 amid widespread allegations of government corruption in Riverside and San Bernardino counties.

In March, Moreno Valley school board member Mike Rios was sentenced to 14 years in prison for pimping and running a prostitution ring.

Subject: Officer involved shooting

Good morning,

As you know, we experienced an officer involved shooting late Saturday night. All officers present are safe and uninjured. The suspect is injured, but doctors do not believe his injuries are life-threatening. He is currently in surgery.

Fir Avenue is closed for about 150 yards, from Bell east to the middle of the block. It will remain closed for several hours as the investigation is conducted.

I am on scene and will send a more detailed update sometime on Sunday as more information becomes available.

Subject: Re: Officer involved shooting

Not much more to tell than was included in the press release. The suspect charged an officer while holding a knife over his head. Since the suspect had already injured himself with the knife, it is possible he was attempting to commit suicide by cop.

No officers were injured and the suspect survived his injuries. We will charge him with either attempted murder of a peace officer or assault with a deadly weapon on a peace officer.

Thanks for asking!

Joel

Victoria,

June 6 at 2:00 p.m. will work for Dr. Sandoval. Brei is ordering a parking permit for you. Coming from Moreno Valley take University Avenue and go left. Take the first right onto West Campus Drive. There will be a parking kiosk there, and someone will print out a parking permit for you telling you which parking lot to use. Dr. Sandoval is located at 2108 Hinderaker Hall which is the building right across from the parking lot you will be in.

I will place this on your calendar.

CONSENT CALENDAR

Item #	Comments
8B	Ridership Report – Another ridership record. All of the seven routes that serve Moreno Valley showed increased ridership. Moreno Valley residents continue to be served well).
8C	On Time Performance – Unchanged at 90% comparing Apr. 2012 to Apr. 2013. (Moreno Valley residents continue to be served well)
8D	Travel Training Report – good program to assist Moreno Valley residents (Seniors and persons with disabilities). System-wide, 4823 fixed trips in April, greatly empowering people to ride the bus and reduce dependency on Dial a Ride.
8G	Productivity Improvement Program - Hit all 8 PIP targets @ systems-wide level. (Moreno Valley residents continue to be served well)
8J	Authorization to award agreement to Fleming Environmental – Staff recommends to support. Lowest responsive and responsible bid. Item was reviewed and recommended by Budget and Finance Committee. No impact to Moreno Valley.
8K	Authorization to obtain a Voyager Fleet Credit Card – Staff recommends to support. Provides back-up for refueling in case of system issues allowing service to continue without interruption. Item was reviewed and recommended by Budget and Finance Committee.
8L	Authorization to renew Revenue Agreement with City of Temecula – Staff recommends to support. No impact to Moreno Valley. Item was reviewed and recommended by Administration and Operations Committee.

Notes: _____

DISCUSSION CALENDAR

Item #	Comments
9	Authorization to Not Exercise Option-Year Periods of Agreement with Southland Transit Inc. - Staff recommends to support. Provides for non-interruption of DAR/ADA Call Center Services. Item was reviewed and recommended by Board Executive Committee.
10	Authorization to award agreement to GHI Energy for Purchase of Natural Gas - Staff recommends to support. Highest ranked proposal by review committee. Item was reviewed and recommended by the Budget and Finance Committee.
11	Authorization to open a Public Hearing to Consider Proposed New Title VI of the Civil Rights Act of 1964 - Staff recommends to support. In conformance with FTA Circular 4702.1B and provides good review process for major System or Fare changes. Item was reviewed and recommended by the Administration and Operations Committee.
12	Request to Open Public Hearing on the Fiscal Year 2013/2014 Operating/Capital Budgets, and SRTP- Staff recommends to support. Includes provisions for COA (underway), Travel Training Program, and DAR service (at slightly reduced funding level). Will continue to meet the needs of Moreno Valley residents. Items were reviewed and recommended by both the Administration and Operations and Budget and Finance Committees.

Subject: RE: TownGate Facility

Hi Victoria,

I checked on the cost of the Conference and Recreation Center Ball Room and the Council Chamber. These are the two largest rooms that will hold 200 people.

The Ball Room will easily hold 200 plus people. The cost is between \$900 to \$1,000 which includes the price of the rental, staff time, security, etc. If food is served, the cost for the Ball Room will be more.

The Council Chamber holds 193, and 40 to 45 chairs can be set up in the Chamber lobby. The cost for the Council Chamber is \$15.34 per hour for security.

I have been asked if this would be a Saturday or a weekday. Do you have a day/date in mind? Will food be served?

Please let me know if you would like me to book a room, so I can check dates for whichever room you are looking at.

MORENO VALLEY: City manager's job on the line

BY DENISE COFFMAN
STAFF WRITER
May 16, 2013, 10:58 PM

As investigators sift through select documents and witness statements in a political corruption probe of Moreno Valley, the job has become

City Manager Henry Garcia's job is on the line.

The city council agenda for Tuesday, May 14, calls for Garcia's job performance to be discussed in closed session.

The agenda may run quickly. Two items on the agenda include the possible discipline, dismissal or release, and, finally, the appointment of a city manager.

Garcia came to Moreno Valley in January 2011 from a top administrative post in Brea for a salary and benefits package worth more than \$400,000 per year. He could not be reached for comment Friday, May 10.

Moreno Valley City Hall is closed Friday. Mayor Tom Civiings also could not be reached. The recording on his phone said the mailbox was full and could not take messages.

Councilman Rodrigo Pineda said he expects Garcia will Thursday, May 9, and reported that Garcia's office has closed. Garcia always had not closed session based on the agenda to review, dismiss and reappoint Garcia.

Garcia's performance review had been delayed since February. Stewart said

Pineda said Garcia sent the agenda items after spending six hours Wednesday at his residence, but the agenda agenda items address corruption in the city.

MORENO VALLEY: Kiss (of death) for city manager

Friday, May 11, 2012
The distressed Treasurer's position at the Mojave Hotel Casino, Playoffs, adds the local impact in "October 6" in which Mayor Steven Gage was the last to see the "Fido" in the city.

More than 200 people are expected to attend the funeral for the city manager, who died of a heart attack on Monday, May 7, 2012. The funeral will be held at the St. Vincent de Paul Church, 1000 N. Main St., at 10 a.m. on Tuesday, May 8. The funeral will be broadcast on the radio on KVCB 100.5 FM.

The funeral will be held at the St. Vincent de Paul Church, 1000 N. Main St., at 10 a.m. on Tuesday, May 8. The funeral will be broadcast on the radio on KVCB 100.5 FM.

Wed., May 8: Gage's funeral will be held at 10 a.m. at St. Vincent de Paul Church, 1000 N. Main St., at 10 a.m. on Tuesday, May 8. The funeral will be broadcast on the radio on KVCB 100.5 FM.

Thurs., May 9: Gage's funeral will be held at 10 a.m. at St. Vincent de Paul Church, 1000 N. Main St., at 10 a.m. on Tuesday, May 8. The funeral will be broadcast on the radio on KVCB 100.5 FM.

Fri., May 10: Gage's funeral will be held at 10 a.m. at St. Vincent de Paul Church, 1000 N. Main St., at 10 a.m. on Tuesday, May 8. The funeral will be broadcast on the radio on KVCB 100.5 FM.

Sat., May 11: Gage's funeral will be held at 10 a.m. at St. Vincent de Paul Church, 1000 N. Main St., at 10 a.m. on Tuesday, May 8. The funeral will be broadcast on the radio on KVCB 100.5 FM.

Richard Stewart 460 Analysis

01/01/2000-06/30/2008

Shows loan balance interest of 617.64. These loans have no restrictions, also shows corresponding entry on the bank balance.

07/01/2008-07/31/2008

Had a Misc. increase in favor of 1380 put in the credit column for interest of the increased in cash row. States no schedule, unknown error associated with 1 year rate. The only way this could happen is either intentionally wrote to get a justification or, someone before to look at the bank statement when filling out the forms. Other way, it is a relatively large amount of money to be suddenly discovered after a year. His bank statements must have been showing 11007.64 if the statement is accurate. It is hard to think that kind of error, where there is no ability for 6 months.

04/16/2010-06/30/10

Account "suddenly discovered" error of \$1,163.33. For all of 2009 he shows a cash balance of 323.23 again, did he fail to actually look at bank statements or what? For me to believe that is a lot of "errors".

07/01/2009-09/30/2010

Stewart A. Had 94 of unlicensed industry connections or less than \$200. That is a huge amount, but a good idea to investigate for a company and a work relationship of the type of company Stewart was running there would be no cash.

08/09/10 Ronald Howard \$250 checked OTH. How is this an "Other"?

08/26/10 Steve Harrison is not an "Other" \$250

09/17/10 Rick Jones, Shows Cashier MTD of \$220.00

Page 4 shows Rick Jones for 2200; Page 5 shows Rick Jones for \$250 and Page 7 shows Rick Jones for 2200.00.

09/20/2010 Cash on hand \$220.02

10/14/2010-01/01/2010

5344 on hand 2085.00

Outstanding check 33055.78

10/27/2010-12/31/2010

No reconciliation of what because of the \$7087.70 loan balance but it was probably listed in the payments section where he paid off 7559.56 although this is not clear.

Subject: Bikes Belong Coalition Community Partnership Grants Partnership

Dear Mr. Ansari,

With this letter, <Business Name> joins the City of Moreno Valley as a Partner for the proposed Sunnymead Boulevard Bicycle Friendly Business District Project. We understand that our commitment to improve the environment for bicycling in the community will be supported by the resources and tools offered through the City of Moreno Valley Public Works Department and Bikes Belong Coalition. As a Partner with the City of Moreno Valley, we will:

- Contribute time to serve on an advisory committee to improve the environment for bicycling;
- Provide discounts or incentives for customers who ride their bicycles to our business;
- Be an active advocate to promote bicycling as a safe and accessible mode of transportation;
- Be an active supporter of the City of Moreno Valley-Public Works Department efforts to secure grant funding, such as the Bikes Belong Coalition Community Partnership Grants, for improvement of bicycle facilities in Moreno Valley.

We believe that improving the environment for bicycling in the community will produce health, environmental and economic benefits for many residents of Moreno Valley. <Business name> looks forward to our partnership with the City of Moreno Valley.

Sincerely,

<Name of Business's Owner/Chief Executive>

Subject: Employee(s) of the Quarter - 1st Quarter 2013

Please join us in congratulating the Logos HR/Payroll implementation team for the selection as Employee(s) of the Quarter.

Team Members:

- Dori Lienhard, TS
- Kim Krueger, TS
- Gordon MacDonald, TS
- Maggie DeMauro, Payroll
- Sandra Contreras, FMS
- Celeste Wiggins, Payroll
- Ednamay Stull, Payroll
- Bridgette Montgomery, HR

This team worked together to implement a critical process in the operation of the City. The implementation of the City's new HR and Payroll system in Logos and the online eSuite solution for timesheets, paycheck stubs and employee information was successfully launched at the end of the 1st Quarter. The team worked extensively to design efficient and best practice processes during this implementation. The team displayed an unyielding commitment to accuracy, by the go-live date, completing the conversion of payroll information for each and every employee. On top of this project, the team continued to maintain accurate payroll processing and personnel changes throughout the 9 month implementation process. Their dedication to making sure that each employee's electronic data was accurate and that all leave balances, benefits, deductions and taxation structure in Logos were exactly the same as they had been in OneWorld has been unwavering. This often meant they worked extra days, not hours, to individually check each employee's information from several perspectives to ensure accuracy and completeness.

Congratulations to the Logos HR/Payroll Implementation Team...Employee(s) of the Quarter!

Denise

CALIFORNIA DEMOCRATIC PARTY AFRICAN AMERICAN CAUCUS

Region 19 Family Reunion Project

The purpose of the "Family Reunion" event is to bring the African American community together for educational purposes surrounding GOTV, voter registration, community outreach, community resources, establish a political database, and increase membership of each organization represented by the coalition. We are anticipating 100-200 guests. We want a fun experience.

The event is scheduled for August 31, 2013 at Celebration Park from 10:00 a.m. to 2:00 p.m. There will be a stage area available in the park for entertainment and focus purposes. The entertainment will be informational speakers:

- Local Politicians
- Local Pastors
- Local Dignitaries
- Social Services
- African American Caucus
- Business Owners
- National Congress Negro Women
- National Council Black Women
- National Association for the Advancement of Colored People
- Cops and Clergy Representatives
- Area Fraternities/Sororities
- Young Black Contractors Association
- Local DJ

Free food and drinks will be offered, however, we are encouraging families to bring their own food and park recreational items. No vendors are allowed.

For more information or to co-sponsor please contact Black Caucus Regional Director 13, Denise Fleming at [REDACTED] or Director over RDs, Renea Wickman at [REDACTED].

Subject: Road closure

Good evening,

We are investigating a single vehicle crash on southbound Perris Blvd between Brodiaea and Cactus. A driver apparently took his eyes off the road and struck an Edison power pole. He does not appear to be seriously injured, but was transported to the hospital as a precaution.

Edison estimates repairs will take about 12 hours. The number 2 lane (nearest the roadway edge) of southbound Perris Blvd between Brodiaea and Cactus will remain closed while repairs are made.

TOWNGATE MEMORIAL PARK
PLAYGROUND EQUIPMENT GRAND OPENING
Talking Points for Council Member Victoria Baca
May 28, 2013

THANK YOU MIKE.

HELLO EVERYONE. I AM VERY EXCITED TO BE HERE. THIS IS A SPECIAL DAY FOR MORENO VALLEY CITIZENS, ESPECIALLY IN AND AROUND THE TOWNGATE NEIGHBORHOOD.

I AM SO PLEASED TO BE PART OF THE GRAND OPENING FOR THIS AMAZING NEW PLAYGROUND EQUIPMENT! AS A CITY COUNCIL, WE TAKE THIS TIME TO RECOGNIZE THAT WELL-ROUNDED DEVELOPMENT OF OUR CHILDREN IS ESSENTIAL TO MORENO VALLEY'S FUTURE.

AS A COMMUNITY, WE ALL PLAY A SIGNIFICANT ROLE IN OUR CHILDRENS' DEVELOPMENT. HAVING CLEAN, SAFE, AND ENGAGING PARKS AND PLAYGROUNDS IS A KEY INGREDIENT TO OUR KIDS' GROWTH AND IT IS A COMMITMENT THAT THE CITY OF MORENO VALLEY TAKES VERY SERIOUSLY.

I BELIEVE THAT WHEN CHILDREN PLAY, THEY ARE DEVELOPING - NOT JUST GOOD PHYSICAL FITNESS HABITS THAT CAN HELP REDUCE THE CHANCES FOR OBESITY, BUT PLAYING ALSO DEVELOPS OTHER NECESSARY AREAS IN A CHILD'S LIFE. IT IS WIDELY RECOGNIZED THAT PLAYING STIMULATES CREATIVITY AND HELPS KIDS MASTER SOCIAL SKILLS. IT ALSO SUPPORTS ACADEMIC AND CHARACTER GROWTH.

CHILDREN NEED A SAFE PLACE TO PLAY AND TRY NEW THINGS. THIS NEW PLAYGROUND EQUIPMENT DEMONSTRATES MORENO VALLEY'S ONGOING DEDICATION TO QUALITY OF LIFE AND PROVIDING A SAFE ENVIRONMENT. MORENO VALLEY'S INSTALLATION OF THE NEW MIRACLE MEGA PHYSICS SYSTEM CONTRIBUTES TO SAFETY WITH THE WOOD FIBER SAND AND RUBBER SURFACING.

I WANT TO EXPRESS MY SINCERE THANKS TO THE PARKS & COMMUNITY SERVICES DEPARTMENT. THIS PROJECT SERVES AS AN EXAMPLE OF THEIR CREATIVITY TO MAXIMIZE FUNDS AND ENHANCE CITY FACILITIES SUCH AS PARKS. STAFF WAS ABLE TO SAVE \$40,000 BY PURCHASING THE DISPLAY MODEL!

FINALLY, I WANT TO THANK MY FELLOW CITY COUNCIL MEMBERS FOR YOUR DEDICATION TO CHILDREN AND TO QUALITY OF LIFE EVEN DURING THESE TOUGH ECONOMIC TIMES. MANY THANKS TO EACH OF YOU AND CONGRATULATIONS TO THE COMMUNITY AS WE CELEBRATE THE GRAND OPENING FOR USE OF THIS AMAZING NEW PLAYGROUND EQUIPMENT!

On Monday, June 10th, Michelle/Rick/I are scheduled to tour the Temecula Library (which is operated by LSSI). We plan to leave at approx. 11:30 and have lunch then tour the facility immediately thereafter. Would you please extend an invitation to Victoria to join us? Please let me know what you hear back.

Subject: Congratulations to John Terell

CONGRATULATIONS JOHN TERELL

Congratulations are in order for Planning Official John Terell as he assumes the position of Interim Community and Economic Development Director effective immediately.

John has worked for the City for 23 years and has been the Planning Official since 1995. During his tenure with Moreno Valley John has also worked in Economic Development, Redevelopment, and Neighborhood Preservation.

He has a degree in City & Regional Planning from Cal Poly San Luis Obispo and is the President of the Riverside Chapter of Habitat for Humanity. We know John to be an extremely capable leader who is personable and cares deeply about the City, our customers, and staff. John is well respected by the City Council and Planning Commissioners and his wealth of knowledge about our community and the City organization will serve him well in this new endeavor. John and his wife Kim live in Redlands and he has one stepson, Basil.

Subject: Community Partnership Grants

Dear Members of the Bikes Belong Grant Committee,

With this letter, <Business Name> joins the City of Moreno Valley as a Partner for the proposed Sunnymead Boulevard Bicycle Friendly Business District Project. We understand that our commitment to improve the environment for bicycling in the community will be supported by the resources and tools offered through the City of Moreno Valley Public Works Department and Bikes Belong Coalition. As a Partner with the City of Moreno Valley, we will:

- Contribute time to serve on an advisory committee to improve the environment for bicycling;
- Provide discounts or incentives for customers who ride their bicycles to our business;
- Be an active advocate to promote bicycling as a safe and accessible mode of transportation;
- Be an active supporter of the City of Moreno Valley-Public Works Department efforts to secure grant funding, such as the Bikes Belong Coalition Community Partnership Grants, for improvement of bicycle facilities in Moreno Valley.

We believe that improving the environment for bicycling in the community will produce health, environmental and economic benefits for many residents of Moreno Valley. <Business name> looks forward to our partnership with the City of Moreno Valley.

Sincerely,

<Name of Business's Owner/Chief Executive>

Subject: RE: Meeting with Mayor Owings and Jose Chavez

Tom and Victoria,

I talked to Mr. Chavez, and he stated it is regarding the Police Department and Yucaipa Towing. He stated he is bringing one other person who is a victim of the situation.

Mr. Chavez has met with Chief Ontiveros and past Council Members regarding these same issues. Mr. Chavez has stated the police have tried to kill him three times. Mr. Chavez' vehicle was towed and impounded, and he stated his lift gate was stolen by Yucaipa Towing.

Chief Ontiveros stated Mr. Chavez is rarely satisfied with his answers, but he would be happy to attend the meeting if you would like him to.

Subject: West Coast Thunder - - Memorial Day Ride

Victoria/Marcelo:

WCT dropped off VIP Credentials yesterday afternoon. Sharon Bridges told me you wouldn't need them as they will have your name on a list, but I would suggest you take them with you. The credentials have been placed in your mail folder. It's a large event that is manned by volunteers, who don't know you.

Directions: Skip Fordyce, 7688 Indiana Ave - exit the freeway off Madison and come through the gates at Winstrom Street- park at the Auto Complex, Inc.

The program begins at 8:15 a.m. Due to the size of the event, please allow yourself extra time to arrive. Area is going to be blocked at 7 a.m. for parachutists, so please plan to arrive either before or after 7 a.m. Bill Chamberlain [REDACTED] is your designated host.

Marcelo, you have been provided your talking points for the program.

WCT has secured your parade vehicles.

Parade departs at 9:11 a.m.; ride to Riverside National Cemetery; travel to City of Moreno Valley; get off at Frederick to travel down Sunnymead Blvd; the parade will split at Heacock and return you to Skip Fordyce to retrieve your personal vehicle.

Have fun!!! --- look for us near Big Lots when you're coming down the Boulevard

Thanks,

Cindy

Subject: Brush Fire & Road Closure in Reche Canyon

Good afternoon,

The MVPD is currently assisting Fire with a 20 acre brush fire in Reche Canyon. Fire asked us to shut down Reche Canyon in both directions while they fight the fire. No evacuations have been requested. The fire is not threatening any structures and the road closure is expected to be required for the next one to two hours.

I will provide you with updates as they are available.

Regards,

Brandon

Subject: Smiley Incident

Mayor and Council,

The Fire Department is currently battling a 100 acre wildland fire in Reche Canyon at Smiley Heights, north of the city limits. Our personnel are being assisted by Redlands Fire, Riverside County Fire, Cal Fire, Riverside Area Mutual Aid and Moreno Valley PD. Air resources of an Air Attack Supervisor, three air tankers and two helicopters have aided the ground units in stopping the fire's advance. Ground resources of numerous fire engines, two fire dozers and 4 hand crews are at scene and continue making progress to contain this fire.

There have been no injuries to the public or firefighters. Initially, some structures located in the unincorporated area were briefly threatened by fire but that threat has now been mitigated. 100 percent containment of the fire is expected by 10:00 pm with full control tomorrow at 2:00 pm.

Battalion Chief Lanzas is serving as the Incident Operations Chief. Please contact either of us should you have any questions or concerns.

Respectfully,

Subject: Re: Smiley Incident

Good evening,

The Smiley fire's forward rate of spread has been stopped. All of the structures threatened have been abated. The Fire is 124 acres.

Moreno Valley Fire department units are being released back to the City.

Today's firefight was a great example integrated regional cooperative fire protection.

Please call with questions.

Silvio Lanzas
Battalion Chief

Please advise if you will be participating in the 4th of July Parade.

=====

The City of Moreno Valley's Annual Independence Day Parade will take place on Thursday, July 4, 2013, and this year's theme is *A Tribute to Stars and Stripes*. A VIP continental breakfast will be provided at 8:30 a.m. The Honor Guard, which will lead the parade procession, will step off promptly at 9:30 a.m.

In order to ensure there is appropriate signage for your vehicle, please RSVP as soon as possible. When you respond, please provide information regarding the vehicle and the name of your driver for the parade. Final details and a parade route map will be provided to you if you are able to join us.

Thanks,

Cindy

Subject: Attempted murder

Good morning,

This morning about 2:10 AM, officers responded to the 13500 block of Pattilynn reference a victim suffering from gunshot wounds.

Investigation revealed the victim, a 25 year-old black male, was struck by one or more close range shotgun blasts. He was transported to RCRMC where he underwent emergency surgery. At this time, it appears he will survive.

MVPD detectives are handling the investigation. There were several other subjects at the residence, but they could not or would not provide officers with any information. An independent witness provided information about a suspect who walked away from the residence after the shooting. That information led to the recovery of a firearm believed to be the weapon used in this shooting.

The investigation is continuing and I'll keep you updated.

Joel

To say that we were not a little concerned about the crowd along the streets the first year in Moreno Valley would be untrue, Shana, but as it turns out, we were thrilled. The MoVal reception was as good as the cooperation from your offices.

You all did a sensational job sending out information and preparing your community. I hope you received as positive feedback as we did. Thank you for all you did to make this another landmark year for West Coast Thunder. If we are invited back to Moreno Valley next year, we can go over a few things just to make it a little better, that's always the process we do and for the first time, we think it was amazing.

As we go through with closing out things and gathering feedback, I will let you know numbers and facts to relate to your people. Thank you again, so much.

Subject: Mildred Hudspeth [REDACTED]

Ms. Hudspeth resides at 16259 Parkside Lane (District 4). Ms. Hudspeth stated Moreno Valley doesn't have anything to offer its residents. She stated there isn't a courthouse in Moreno Valley, and citizens have to go to Riverside to go to court (she is aware of the courthouse on Heacock). She stated Jurupa gives away free dog food at the dog shelter and there are no free clinics. She stated she works helping people find jobs, and she doesn't see why a person with a non-violent felony can't work at a recycling center. I explained to Ms. Hudspeth many of the things she referred to do not fall under the realm of the city. I explained there are free clinics held throughout the year where they provide blood pressure and diabetes screenings, dental/optical information, fitness, etc. Ms. Hudspeth stated she wasn't aware of any. I also explained the financial issues the city is facing, and she still stated Moreno Valley doesn't offer enough free things to citizens.

Subject: Grant awarded

Good evening,

It is my pleasure to announce that the Moreno Valley Police Department has been approved to receive a Sobriety Checkpoint Grant from the California Office of Traffic Safety. The grant period runs from October 01, 2013 through September 30, 2014. The total amount of this grant is \$156,410.00 and will allow for the operation of 18 checkpoints in Moreno Valley during the grant period. The Moreno Valley Police Department will use this important grant to safeguard individuals and families who live, work, visit and shop in the City of Moreno Valley.

Subject: Section 8 search warrant

Good morning,

On 5-29-13, the MVPD SET Team served a search warrant in the 24700 block of Shadybend Dr. reference Section 8 housing fraud. Evidence was located that indicates the suspects have defrauded the Housing Authority of more than \$19,500. Suspects Perry Weldon (38) and Angela Weldon (38) were arrested for perjury, providing false documents, and defrauding a government agency. They were booked into RPDC.

Working closely with HUD officials, the District Attorney's Office, and now officials from Welfare Fraud, MVPD has identified approximately \$800,000 in fraud committed against taxpayer-funded government entities. Criminal prosecutions, restitution, and permanent removal from housing assistance eligibility are pursued wherever appropriate.

Resolution Information

4/23/13 - Response from Brian Durfee, Street Maintenance Supervisor:

We received a claim for damages in December of 2012. A request for service was previously received in our office on October 3, 2012. John Baioa, M&O Tree Trimmer, responded the same day to the location and determined that this portion of Kalmia is a public street and the tree is within the right-of-way. John informed Ms. Cuevas that the branch would be removed the following day. The work was completed on October 4, 2012. It should be noted that the damage was caused when a tree branch broke due to wind damage; the damage did not occur during the removal of the branch by M&O. No prior request for service was found in the records.

It appears Southern California Edison had previously topped the tree due to its close proximity to the power lines. This practice has a tendency to make the trees grow outward instead of upward creating heavy growth of the branches.

Since we believe that Southern California Edison (not Verizon) trimmed the tree, we contacted Ms. Cuevas on May 7, 2013, and provided her with telephone number to the claims department for Southern California Edison. Ms. Cuevas was appreciative of the help received in this matter.

4/17/13: Ms. Cuevas emailed Mayor Owings:

I am writing to you in hopes of some clarification as to a policy of the City of Moreno Valley. A few months ago a branch from a tree (outside of my property line) come down on my fence. I called the City of Moreno Valley and a crew was sent out. When the gentlemen removed the branch from on top of the fence it had caused some damage. They told me that we would have to file a claim with the city of Moreno Valley to have it repaired. I contacted the City of Moreno Valley (after my claim was denied) and their response was that, the tree was last trimmed by Verizon. I was told that I had to go after Verizon in order to get my fence repaired. I have had the hardest time trying to communicate with this company whose Claims Office is in Florida.

I need someone to help me with this matter. I do not feel that what is happening to me is fair. Why do I have to be the one has to chase down Verizon in order to have this matter resolved? If the tree had been on my property and I had allowed Verizon to come in and trim it that would be understandable however, the tree sits on city property and the City of Moreno Valley allowed Verizon to do the trimming. I would really appreciate any help with resolving this matter.

Respectfully,

Gloria Cuevas

Subject: Residential burglary arrests

Good afternoon,

Today about 9:14 AM, officers responded to the 25700 block of Brodiaea reference a suspicious vehicle. Officers arrived and contacted a 15 year-old girl sitting alone in a black Ford Mustang. As the officers were talking with the juvenile, 3 subjects approached carrying several pieces of household electronic equipment. One of the subjects bolted and fled the area on foot. The other two were detained without incident. A perimeter was established and a helicopter responded to assist, but the suspect could not be located.

A check of the area revealed that a nearby residence had just been burglarized. The victim was contacted by phone and responded to the scene. She identified several pieces of jewelry and household electronics that were in the possession of the suspects. The victim did not know the suspects and did not give them permission to enter her home and/or take her belongings. The suspects, both members of the local criminal street gang known as "Dorner Block" were transported to the MVPD for interviews. Both were later booked into RPDC.

Suspect #1 – Roosevelt Williams (18) of Moreno Valley – booked for burglary, conspiracy, possession of stolen property, and gang enhancements.

Suspect #2 – Aaron Scott (19) of Moreno Valley – booked for burglary, conspiracy, possession of stolen property, gang enhancements, and committing a crime while on bail for a previous arrest.

Suspect #3 – has not yet been identified. BST will continue to investigate.

The 15 year-old female was in the system as being a missing person. She was detained and CPS was notified. They will help return the child to her family or caregivers.

Subject: Methamphetamine lab dump

Good afternoon,

Today about 1:37 PM, officers responded to the area of Reche Canyon and Locust Avenue reference a possible hazardous waste dump. Officers arrived and located what they believed to be the remnants of a methamphetamine laboratory. The Sheriff's Special Investigation Bureau (SIB) was notified and responded to investigate. SIB will notify the Riverside County Hazmat Team and Environmental Health reference clean-up of the site. The investigation is continuing.

Subject: Attempted murder - arrest

Good afternoon,

Today about 11:58 AM, officers responded to the 22800 block of Allies Place reference a black male shooting at another black male. On arrival, officers learned that suspect, Andre Hughes (39) of Moreno Valley, fired a handgun at the victim, a 34 year-old male resident of Moreno Valley. The victim was not injured and the suspect fled back to his apartment. Officers established a perimeter and, with the assistance of the Riverside Police Department helicopter "Air 1", conducted a surround and callout. The suspect surrendered without incident. He was determined to be a member of the criminal street gang known as the "East Coast Crips." A search warrant was obtained later in the day and is being served on the suspect's apartment now in hopes of recovering the handgun. The suspect will be booked into RPDC on charges of attempted murder with gang enhancements.

Subject: Meth lab - update

Good evening,

I just learned that the suspected meth lab found in the area of Reche Canyon and Locust was actually determined to be the remnants of a hashish laboratory. Nothing at the scene was considered to be hazardous.

It was also determined to be outside the city limits in the unincorporated area of Reche Canyon. The investigation is continuing.

Budget Proposal

This year's proposed City General Fund budget is significant because of the deficit that has persisted for several budget cycles. The extended economic recession continues to produce shortfalls in revenues, plus the cost of providing services continues to rise, leading to the erosion of City services available to the public. The ongoing deficit represents a fiscal crisis that must be dealt with by significantly reducing expenditures.

The City Council recently hosted Neighborhood Budget Meetings

[Click here to view our online schedule of classes and events](#)

**Park of the Month:
Celebration Park**

in each Council District, where the General Fund and proposed Capital Improvements were discussed. These meetings were videotaped and posted to the City's website: www.moval.org. One more Neighborhood Budget Meeting is being scheduled for residents who missed the earlier meetings. Please join us:

Date/Time: Monday, June 3, 2013 at 7:00 p.m.
Location: Box Springs Mutual Water Company headquarters
21740 Dracaea Ave
Moreno Valley, CA 92553

The City Council will consider the proposed budget at their June 11 Council meeting. Please join us at City Hall at 6:00 p.m.

Snake Awareness: Family

Spring is here! The days are getting longer, the temperatures are getting warmer, and many different animals are coming out of winter hibernation. One in particular, is the rattlesnake.

After a long winter in the den or burrow, snakes are active and in search of food as the temperatures rise. Now is the time to raise awareness levels and pay close attention when outdoors during this spring season.

What do I do if I see a snake?

Walk! Do not run away from the snake. Take two steps backward and watch where the snake goes, then calmly turn around and leave the snake alone. Contact a professional to remove the snake. Do not kill the snake. take a picture so that a professional can provide you with positive identification.

What should I do if bitten by a snake?

- Call 911 and seek medical attention immediately.
- If you know the snake is venomous, remove any constricting jewelry, watches, clothing, etc.
- Keep the injured limb still as you would a strain or break.
- Clean bite area thoroughly (however, do not suck the venom from bite)
- Do not apply ice; do not use a tourniquet, and never cut

Opened on April 29th
Only closes during bad weather
or for repairs

on the fang marks.

Spring and summer is the best time to be outdoors enjoying the season, which is also the best time to be aware of the possible presence of wildlife animals, especially snakes. There have been a recent number of positive snake sightings in Moreno Valley, so the more you know and are aware, the better prepared you will be to deal with an encounter.

West Coast Thunder

The City of Moreno Valley proudly welcomed the annual West Coast Thunder Memorial Day Bike Run/ Parade during it's ride on Moreno Valley's Sunnymead Boulevard on Monday, May 27th.

Moreno Valley residents honored the fallen heroes of the U.S. Armed Services by enjoying the morning West Coast Thunder Bike Run/ Parade and at the annual Memorial Day Ceremony at sunset. Residents came out early Memorial Day Monday, May 27th to line up along the south side of Sunnymead Blvd. from approximately 9:30 a.m. to 11:00 a.m. to become a part of this new tradition.

Then, at sunset, residents attended a special ceremony held at Moreno Valley's Veterans Memorial in the Civic Center (14177 Frederick St., Moreno Valley 92552).

For information about West Coast Thunder, please visit www.westcoastthunder.com.

June 21, 2013 -

Movies in the Park

Wildfire is coming... Are you ready?

Take personal responsibility and prepare long before the threat of a wild land fire so your home is ready in case of a fire.

Defensible space is the buffer or area you create between a building on your property and the grass, trees, shrubs or any wildland area that surrounds it. This space is needed to slow or stop the spread of wildfire, while it also protects your home from catching fire from either direct flame contact or radiant heat. Defensible space also protects the firefighters that are defending your home.

For more information about Wildfire Readiness, check out this [website](#).

Energy Audit and Direct Installation Program for Small Commercial Customers

Moreno Valley Utility (MVU) is offering a new energy efficiency program for their small commercial customers to help them lower electricity costs.

This summer, MVU will be conducting energy audits and installing energy efficient products such as lighting, programmable thermostats, and weatherization seals at no charge to commercial customers. This program is being offered through a partnership with Richard Heath and Associates (RHA), who assists utilities across the state in providing energy efficiency programs for customers.

RCRMC Garden Tour

Moreno Valley's own Riverside County Regional Medical Center was the beneficiary of the RCRMC Foundation's Spring Garden Tour. Hosted on Saturday May 4th, the Garden Tour featured five beautiful and unique private gardens. This tour has become an event favorite for local gardening enthusiasts. The tour included a delicious lunch served in one of the featured gardens.

The goal of the RCRMC Foundation's Spring Garden Tour is to benefit the Child Abuse and Neglect (CAN) Unit at RCRMC. This unit provides a much needed service to the children of Moreno Valley and Riverside County. The CAN Unit's dedicated team members and staff show extraordinary care, concern and positive nurturing while providing help to these innocent victims.

There are many ways to partner with the RCRMC Foundation and make a difference. For more information or if you would like to make a donation, and/or volunteer to help, please contact the RCRMC Foundation office at 951.486.4213.

Father's Day Pet Adoption Event

surgery and be available to
go home the following Monday
after being spayed or neutered.

MORENO VALLEY SPCA

SPCA
SUPPORTS THE
CITY OF MORENO VALLEY
COMMUNITY HOSPITAL

Kaiser New Medical Building

On Thursday April 25, Kaiser officials hosted a grand opening reception to show off the new Kaiser Permanente medical office building, located at 27200 Iris Avenue-right next door to the Kaiser's Moreno Valley Community Hospital. The City congratulates Kaiser Permanente for implementing green building technologies and welcomes the following services:

- Internal Medicine
- Obstetrics-Gynecology
- Outpatient Pharmacy
- Additional Office Space for Kaiser Physicians

City staff is also reviewing plans for a 12,000 sq. ft. dialysis center, coming soon adjacent to the Community Hospital.

Holiday Closure

Citywide Camera Surveillance System

The Citywide Camera Surveillance System project has made significant progress. Below are some of the highlights of the project thus far and the upcoming milestone.

1. 247 cameras have been installed throughout the City either in buildings, at intersections, or in parks.
2. 67 cameras have Pan-Tilt-Zoom capabilities.
3. 180 cameras have fixed lenses, 48 of these cameras existed previously and are being incorporated into the new system
4. 51 intersections have cameras installed on a traffic signal pole.
5. Eight parks have cameras installed.
6. Agreements with private businesses expand camera surveillance capabilities.
7. MVPD has established ten Radio Relay Locations
8. Upcoming Milestone: Complete integration with Sheriff's Dispatch Center via County network.

please be aware

Barbecues are welcome! (propane only)

No pets, alcohol or fireworks. There will
be a mandatory search of ALL bags, purses
and coolers. Limited entry to festival site.

Charter City

Moreno Valley was incorporated in 1984 as a general law city. General law cities operate according to the State's Government Code. Alternatively, many cities incorporate by charter. Currently, of the 468 cities in California, 83 are charter cities.

A charter is a unique document that, in many ways, acts like a constitution for a City and it allows greater authority for a city's governance, independent of the State Legislature. Cities adopt charters that take into account the unique local conditions and needs of the community. When drafted, a charter must be approved by a majority vote of the represented population.

Moreno Valley's City Council is drafting a charter for our voters' consideration. To maximize participation by our residents, the drafts are published on the City's website.

[Click here](#) to review and comment on the drafts.

after 6 p.m.

Come out early to the Family FunFest and enjoy the bands, food, arts and crafts booths, jumpers, petting zoo and pony rides.

Visit www.moval.org for more information on Moreno Valley's 4th of July event.

List Your Community Event

Subject: MotiVate Wellness: Lunch & Learn Seminar - Elder Care: Financial & Legal Issues Part 2

RIVERSIDE COUNTY
OFFICE ON AGING

June 5th Lunch & Learn Seminar Elder Care: Financial & Legal Issues Part 2

Presentation by: Maureen A. Lyons, Attorney at Law

Complimentary Lunch Provided. Please RSVP right away!

Are you facing, or preparing for, the challenges associated with caring for aging parents or older adults? It's not uncommon to feel overwhelmed while attempting to balance the many issues associated with meeting the needs of aging adults. Your **MotiVate Wellness** program has teamed with the Riverside County Office on Aging to provide a Lunch & Learn Seminar to assist you with parent care issues or the care of a spouse or another older adult.

Key Topics for this Seminar will include:

- Medi-Cal Planning for Long Term Care
 - Eligibility
 - Share of Costs
 - Recovery – How to protect personal assets

Date: Wednesday, June 5, 2013
Time: 12-1 p.m.
Place: City Council Chamber
RSVP: lilianaa@moval.org or [REDACTED] (so we can plan for lunch)

**Web-based resources for caregivers can be accessed through: www.rcaging-caregiverslibrary.org and www.riverside.networkofcare.org

Don't feel like you're alone in facing the complex challenges of Elder Care. Join us at this important Lunch & Learn seminar for information and support resources.

Moreno Valley Black Chamber of Commerce, Small Business Mixer & GO Initiative Pre-Launch Event

Remember to bring a gift for the raffle!
(\$30 and under)

- Live Music
- Delicious food and drinks provided.
- Prize Raffle
- New Membership Plaques
- Sponsorship Awards

Join the Moreno Valley Black Chamber of Commerce as we celebrate the pre-launch of the Get Online Initiative at our monthly mixer, hosted by LinkU Web Design of Corona.

There will be introductions, awards and a brief introduction on the new GO Initiative program and new benefits soon to be available to MVBOC members. New members are encouraged to attend and receive their plaques along with renewing members to receive their labels.

About the GO Initiative

The Get Online (GO) Initiative was designed to help educate and inform small business owners about the importance of getting their business online. Through a series of free seminars and one-on-one informational sessions, the GO Initiative works with the local community to promote awareness of internet marketing solutions, and pilot small business through an ever evolving technological world.

Subject: Silence Aloud - Search Light Group Home Ribbon Cutting

Hi Cindy,

We would like to invite the Mayor and/or another City Council representative to attend and say a couple of word at the ribbon cutting for our new program (see description below). The event will be held as follows:

Location: Search Light Group Home
14579 Lynn Lee Lane
Moreno Valley, CA 92555
(cross street is Nason & Cactus)

Date: Tuesday, 6/18/13
Time: 12:00pm

We will be doing a more formal invitation along with the Chamber but I wanted to see if we could get one of the Council members scheduled to attend this event. Please let me know how things look for Council. Thanks.

Description

"Silence Aloud is a 501c3 non-profit organization dedicated to providing housing, foster care, advocacy and support in all forms necessary for children, adolescents and young adults who are victims of abuse, whether physical, emotional, sexual or substance related. The organization's newest program in Moreno Valley, is Search Light Group Home, a state licensed residential treatment facility for young males ages 13-17 with substance abuse related issues and histories of abuse and/neglect. The program provides therapeutic mental health treatment, substance abuse prevention, and life skills training in a compassionate and nurturing home environment."

City Manager Dawson, thank you and your professional staff for presenting the city's budget tonight! The folks from Edgemont that were in attendance were appreciative and impressed with the city's willingness to come to their community.

Please thank your staff again, including Mr. Lorch (MVTV-3) for tonight's successful meeting!

Regards,
Victoria Baca, M.Ed.

Councilmember Baca,

Thank you for your kind words. I very much appreciate the proactive role that you have taken in the Edgemont area, including working with the Box Springs Mutual Water Company.

Anything that we can do to support you in this effort, just ask. It is a large and complex problem to solve and I appreciate you keeping energy focused on looking for solutions.

A very successful meeting it was! Thanks for your help and support.

Rick Teichert
Chief Financial Officer
City of Moreno Valley

Subject: Thelma Dunn [REDACTED]

Ms. Dunn resides at 13237 Alexis Dr., located on the NW corner of Dracaea, between Frederick and Graham. Ms. Dunn is concerned about the traffic and parking from the nearby school and Community Park. She stated 1) often she is not able to get in and out of her drive-way due to parents parking to pick-up their children, school events, and the soccer games at the park; 2) is it not safe for pedestrians to cross at Alexis and Dracaea; and 3) speeding traffic on Alexis.

Ms. Dunn suggested:

- some type of parking enforcement
- consider no parking during specified hours on the west side of Alexis
- crosswalk at Alexis/Dracaea
- speed humps on Alexis

I have forwarded Ms. Dunn's request to Public Works through the CRM.

Thanks,

Cindy

Subject: K. B. Brown [REDACTED]

Victoria,

Mr. Brown came in today with Mitchell Kapesi, a student at Valley View High School. Mr. Brown stated he has been mentoring Mitchell and helping him to complete his courses so he can graduate tomorrow and walk with his class. He stated his counselor and administration told him he could graduate tomorrow. However, when he talked to the Assistant Principal, she stated there was a miscalculation with his grades, and he won't be graduating tomorrow. He stated the Assistant Principal appears to have a personal issue with Mitchell. Mr. Brown stated Mitchell has not been a model student, but since he has been mentoring him and teaching him life skills, he has come a long way in the last semester. Mr. Brown asked if you would be an advocate for Mitchell and help him so he can graduate tomorrow.

Subject: MotiVate Wellness: Lunch & Learn Seminar - Elder Care: Financial & Legal Issues Part 2

RIVERSIDE COUNTY
OFFICE ON AGING

June 5th Lunch & Learn Seminar
Elder Care: Financial & Legal Issues Part 2

Presentation by: Maureen A. Lyons, Attorney at Law

Complimentary Lunch Provided. Please RSVP right away!

Are you facing, or preparing for, the challenges associated with caring for aging parents or older adults? It's not uncommon to feel overwhelmed while attempting to balance the many issues associated with meeting the needs of aging adults. Your **Motivate Wellness** program has teamed with the Riverside County Office on Aging to provide a Lunch & Learn Seminar to assist you with parent care issues or the care of a spouse or another older adult.

Key Topics for this Seminar will include:

- Medi-Cal Planning for Long Term Care
 - Eligibility
 - Share of Costs
 - Recovery – How to protect personal assets

Date: Wednesday, June 5, 2013

Time: 12-1 p.m.

Place: City Council Chamber

RSVP: liliana@moval.org or [REDACTED] (so we can plan for lunch)

Hi Cindy,

I just spoke with Councilwoman Baca to set up a meeting this week. She checked her calendar thought she had Thursday at 5:30 open. Can you confirm this and if open, please book me with her at that time at City Hall?

Thanks,

Jim

Subject: CM Baca's residence 500 foot radius & Hemlock Ave. project

Hi Jane-

Hope your day is going well.

Jane, u asked me Tuesday night re the subject. I have verified that the limits of the project are comfortably outside of the 500 foot radius from CM Baca's residence. Therefore she need not abstain, and can vote for any upcoming action re this project.

Thx,

Ahmad R. Ansari, P.E.

Good Morning Victoria/Jane,

I apologize for the inconvenience, your account has not been compromised. I'm in the process of setting up the Council's new iPads, at no time do I access to your personal information such as emails.

When setting up each iPad, I complete the following:

- Assign iPad to city assigned iTunes account.
- Download already purchased apps linked to that iTunes account.
- Activate iCloud and turn-on Find-my-iPad.

When we meet for training on the new iPad and upgraded Agenda-to-Go app, I will be setting up your City email connection.

If you have any questions, please let me know.

Thank you,

We anticipate having all systems back online at 10:30am this morning. We found the culprit and it was not the UPS but a wire feeding the UPS; see the attached picture.

On Jun 5, 2013, at 8:40 AM, "Leonard, Janis" <Leonard@wrcog.cog.ca.us> wrote:

Good morning WRCOG elected officials,

There seems to be a little confusion with regard to the requested attendance of WRCOG elected officials at this year's **General Assembly Business Session** scheduled for **1:00 p.m. on Thursday, June 13, 2013**, at the Morongo Casino Resort & Spa on the 2nd Floor Ballroom, prior to the General Assembly and Leadership Address scheduled to begin at 4:00 p.m.

For clarification, the purpose of the **General Assembly Business Session** is to approve the Agency's budget, appoint Executive Committee leadership positions for FY 2013/2014, and approve Agency Bylaws Amendments. **This General Assembly Business Session requires a quorum, which consists of 50% plus 1 of every elected official within the WRCOG subregion, as well as 50% plus 1 of every member jurisdiction.** So for example, WRCOG has a total of 105 elected officials within its subregion, and 20 member jurisdictions (each City, the County, and the 2 Water Districts – the Superintendent of Schools is still an ex-officio member and does not count towards quorum). So a quorum would consist of at least 53 elected officials, of which, would have to represent at least 11 of the member jurisdictions.

I hope this helps to clarify any confusion.

In order to ensure quorum, I kindly ask that you RSVP by noon tomorrow, Thursday, June 6, with your intent to either attend the meeting in person, or call in via teleconference call. If you are planning to not

MV00256942

attend in person, but are available to call in, I do require the phone number and address of the location you will be calling in from. Please keep in mind that it must be a location accessible by the public, on a device accessible by the public (such as a speaker phone), and you must post an agenda at that location.

Please feel free to contact me should you have any questions.

Respectfully,

Subject: Fatal traffic collision

Good afternoon,

Officers are investigating an off-road traffic collision in the area of Locust and Walter just inside the city limits. It appears two people were ejected from a pick-up truck while doing some 4-wheel off-road driving. One person died at the scene, the second was transported to RCRMC and is in critical condition. I do not have any additional details at this time. I will send an update once more information becomes available.

Subject: Section 8 search warrant

Good afternoon,

The MVPD SET Team served a search warrant in the 13200 block of Kyle Drive today about 1:20 PM. The warrant was issued reference suspected Section 8 housing assistance fraud. Evidence indicating the suspect defrauded the Housing Authority of more than \$20,000 was located. The suspect, Latonya Parker (39) was arrested and booked into RPDC for perjury, providing a false written document to gain funds, and defrauding a government entity.

Subject: Section 8 search warrant (#2 today)

Good afternoon,

The MVPD SET Team served a search warrant in the 13700 block of Pattilynn Drive reference Section 8 housing assistance fraud. This warrant was the result of a complaint received from other citizens in the area. Officers found evidence indicating the suspect falsified applications and fraudulently received more than \$70,000 in Section 8 housing assistance. Officers also located two loaded handguns, more than one pound of marijuana, and items related to the sale of marijuana. The weapons and drugs were accessible to a minor child who regularly visits the residence and was present today.

Suspects Carmen Cabuloy (52) and Xycarlo Sistrunk (26) were arrested and booked into RPDC on the following charges:

Defrauding a government entity; Perjury; Obtaining aid by fraud; providing a false written document to gain funds; possession of marijuana for sales; armed with a firearm while committing a felony; and child endangerment. The child was released to her mother who does not reside at the residence and had no connection to the criminal activity taking place there.

Subject: Fatal traffic collision- update

Good evening,

This is a brief update on the fatal crash I reported earlier. The investigation is still in the early stages, but it appears the victims were not actually off road driving. It looks like they were traveling southbound on Pettit when the driver lost control and the pick-up overturned several times, landing in a field.

The deceased is a 20-year old male from Mira Loma. The passenger is the same age and also from Mira Loma. The passenger's injuries are not considered to be life-threatening.

Alcohol may be a factor in this crash. The investigation is continuing.

Subject: Notice of Intention to Circulate Recall

Mayor Owings & Council Members:

The Notice of Intention to Circulate Recall was served on June 4, 2013 to Mayor Owings, Mayor Pro Tem Co and Council Member Baca. Recall proceedings are governed by the Elections Code. The following are steps giving you a general idea of what to expect.

After the Notice has been filed with the City Clerk, the targeted officer has 7 days (Tuesday, June 9, 2013) to file and serve a written response. The response cannot be more than 200 words in length. It must be signed and be accompanied by the printed name and business or residence address of the targeted officer. It must be served on a least one of the proponents (and filed with the City Clerk) named in the Notice of Intent by personal delivery or by certified mail.

Within 10 days after filing the answer, the proponents would have to file two copies of the blank form of the petition with the City Clerk and proof of publication of the Notice of Intention. The Clerk would have 10 days to review the petition and proof of publication for compliance with the law and notify the proponents in writing of her findings. The proponents would have 10 days to correct the deficiencies and the Clerk would get another 10 days to re-review. The process is repeated until the petition is correct. Once the petition form is approved, the Clerk would notify the proponents and the 120 to circulate the petition and file with the Clerk. The proponents would need to gather 20% of signatures as reported by the Secretary of State. I've been given these figures by the Registrar of Voters office.

District #3 – 17,717
District # 4 – 16,219
District #5 – 14,390

Once the signed petitions are submitted to the City Clerk, the Registrar of Voters office will verify the signatures.

Let me know if you have any questions.

Subject: Fatal traffic collision

Good morning,

I was just advised that we are working what appears to be a fatal vehicle vs. Pedestrian traffic collision in the area of southbound Perris Blvd. and San Michel.

All southbound lanes of Perris are closed in the area of San Michel while the investigation is conducted. It appears a male pedestrian was hit by one or more vehicles. The victim sustained fatal injuries.

I will update you on Sunday when more info is known.

Subject: Fatal Traffic Collision - update

Good morning,

The southbound lanes of Perris at San Michel were reopened at 10:30 AM. It appears the deceased pedestrian was struck by a car that did not stop. He was then struck by a second car that did stop.

His identity and age will be determined by the Coroner's office.

Subject: Drowning - update

Good evening,

The drowning I reported to you earlier occurred at a residence in the 24600 block of Huntley Dr. The victim was a 2-year-old boy who lived at the residence with several other family members.

The victim was playing with siblings, but was not being supervised by an adult at the time of the incident. The victim was found at the bottom of a partially drained swimming pool that contained green and murky water.

The District Attorney is aware and may consider charges for the adults responsible for the child.

Subject: Announcing the City's New GIS Intranet Website

CITY'S NEW GIS INTRANET WEBSITE AVAILABLE NOW!

The City's Geographic Information Systems' newly designed Intranet website is ready to be unveiled. The project required over a year of detailed work and we are very proud of the result. The Intranet and Internet sites will provide staff and citizens with an intuitive, easy-to-use portal to the City's GIS. Frequently used features from the old site are simpler to use and generating exhibits couldn't be easier. Combine this with a complete redesign and an improved toolset and you have a GIS that is a great reflection of the city it represents.

Beginning today, the Intranet site is available to staff for a two week introductory period.

[CLICK HERE - CHECK OUT THE INTRANET NEWS SECTION!](#)

This "test drive" will be followed by one hour training sessions to be held during the week of June 24th.

Why not train before the roll-out? Well, we believe that transitioning from the old site to the new will be easy. We're touting this new website as "intuitive" and we believe you'll agree. The old Intranet site will remain available for a while, but we encourage you make a clean break. If you're a regular user of the Intranet GIS, we will be in touch periodically throughout the two week period to make sure the transition is going smoothly.

If you are a "GIS User", you will receive a meeting request to attend a training session. Training sessions will start with a roundtable discussion where you'll be encouraged to provide your input. *Is it really as intuitive as we believe it is? What do you like about the new site? What can be improved?* By making the site available for your use prior to training, we can focus on your experiences and provide you with training that covers more advanced functionality. Once vetted, your suggestions will be added to the GIS website roadmap.

We are proud to design and deliver GIS applications that help you do your job. Your engagement is crucial to our efforts and we greatly appreciate your input.

The schedule:

- MONDAY, JUNE 10TH – MORENO VALLEY INTRANET GIS WEBSITE GOES "LIVE"
- WEEK OF JUNE 24TH – SYSTEM CRITIQUE AND ADVANCED FUNCTIONALITY TRAINING
- MONDAY, JULY 15TH – MORENO VALLEY INTERNET GIS WEBSITE GOES "LIVE"

We are very excited to complete this project and we believe the final product is every bit as good as we hoped it would be. Let us know if you agree!

Subject: Fire Department Budget Reduction Options
Attachments: Fire Savings Summary.xlsx

Honorable Mayor and Council Members:

At last week's Public Safety Sub-Committee Meeting, the Fire Chief presented several alternatives to reconcile Fire Department spending with the level recommended in the City's FY 2013/14 Final Budget. We're sending this memo to advise you of the options, and to share our plans with regard to addressing this issue in the Final Budget as presented for your consideration on tomorrow's Agenda.

Options (as presented by the Fire Chief):

Option 1: Close Morrison Park Fire Station 99; defunds Fire Engine 99

Option 2: Defund College Park Fire Engine 91; Fire Station 99 remains open; tiller Truck 91 converts to medic quint Truck 91

Option 3 (RECOMMENDED BY FIRE CHIEF): Defund College Park Truck 91; Fire Station 99 remains open; Engine 91 remains in service. As discussed by Chief Ahmad and Chief Curley during the Sub-Committee meeting, viability of this option hinges upon an Agreement between Riverside County Fire and the City of Perris which would allow Truck 91 to remain in service as a Regional asset.

Enclosed, FYI, is the Fire Department's summary of the savings associated with each option.

Because County Fire needs some additional time to secure an agreement with the City of Perris (for Regional Fire Protection), our Final Budget will include a general figure for projected savings; the Option ultimately implemented will be the one recommended by the Fire Department following conclusion of their negotiations with the City of Perris. Should they be unable to secure the terms they desire, we will rely upon the Chief to inform us regarding which Option they will recommend to best safeguard residents of Moreno Valley.

City staff, to include the Fire Chief, will be prepared to address any questions the Council may have during tomorrow evening's meeting.

June 10, 2013

André Birotte Jr., U.S. Attorney
United States Attorney's Office
Central District of California
312 North Sprung Street, Suite 1200
Los Angeles, California 90012

Dear Sir:

The purpose of this letter is to respectfully request that the U.S. Attorney's Office conduct and complete a thorough investigation including all members of the City Council and City staff since 2005 and reveal the results of the investigation pertaining to Moreno Valley as expeditiously as possible.

Despite being faced with many challenges on many fronts, the City of Moreno Valley has been making great strides to bring our budget into balance, streamline City services and attracting new employers to our community. Unfortunately, the spoiler of the current investigation being conducted by your Office places our city's progress severely at risk.

It is our understanding that the U.S. Attorney's Office is conducting a sweeping review in western Riverside County, and perhaps beyond. Until your Office concludes its review of matters pertaining specifically to Moreno Valley, however, this City's progress is severely obstructed...at a crucial point when key stakeholders are relying on our ability to chart a course for our community's future.

Until the U.S. Attorney's Office announces its findings pertaining to the City of Moreno Valley:

- * Our residents are left with significant questions about the integrity of their elected leaders. And, really, who could blame them? Homes of the neighbors they elected to represent them were raided by armed agents, and nearly every newspaper article regarding the City reslates that investigators seized items and documents from each of us...back in April. The absence of updated, specific information regarding your Office's findings continues to undermine residents' confidence in their local government and its credibility in making decisions on their behalf. In fact, recall petitions inspired by the April 30, 2013 raids on three City Council members are being circulated as we speak.

- Development interests, whose investment in our community is essential to our long-term sustainability, are actively considering other locations over their concern that Moreno Valley is under a cloud related to your Office's pending investigation. We have balanced our budget, we are addressing key public safety and infrastructure needs, and we are partnering with educational leaders to create a positive future for generations to come. Creating jobs and broadening Moreno Valley's economic base, however, require private sector investment. Since announcement of your Office's investigation, our Mayor, Council and City staff have spent countless hours attempting to reassure private investors that this City and its residents remain worthy of their confidence. Delays in announcing your Office's findings will cause irreparable harm to the future of our community, possibly for decades.
- City employees, who have firsthand knowledge regarding the sound, ethical daily operations of our public service organization, are unjustly seeing their own actions questioned by those who would inaccurately characterize the City of Moreno Valley as "corrupt." This is not the City of Bell, yet continued delays in your Office's announcement of its findings related to our City subject us to continued comparisons to a community whose leaders violated their community's trust by engaging in criminal acts.

I understand the complexity of the regional investigation your Office has undertaken. Your staff must sort through facts associated with numerous agencies, public officials and private citizens and we are committed to assist in any way. However, I am compelled to write in order to ensure that your Office grasps the profound impact that delayed announcement of findings will continue to have upon our City and its nearly 200,000 residents.

Our community's future hangs in the balance.

Respectfully,

Tom Owings, Mayor

CONSENT CALENDAR

Item #	Comments
9A	Agreement Amendment with BBK for Legal Services – staff recommends supporting this action. Allows for continuity of legal services for ongoing projects / programs.
9C	Appropriations Limit for FY 13/14 – staff recommends supporting this action. No impact to Moreno Valley and action is in accordance with Article XIII B of Calif. Constitution.
9E	Quarterly Sales Tax Analysis – receive and file. Noteworthy that out of 25 top sales tax producers, at least 15 of stores / companies listed have representation in Moreno Valley. Additionally, Auto Sales posted the largest gain.
9F	Recurring Contracts for FY 13/14 - staff recommends supporting these actions. There will be no impact to Moreno Valley and actions will provide continuity of service in many important programs.
9G	Agreement with Nossaman, LLP for On-Call Strategic Partnership Advisor Services - staff recommends supporting this action. Firm provides support for improvements to SR91 / I-15 providing a regional benefit for Riverside County including Moreno Valley residents that commute / travel through the area.
9I	2009 Measure A Western Riverside County Regional Arterial Funds – City of Perris Programming Request - staff recommends supporting this action. Action will provide direct benefit for Moreno Valley residents traveling to I-215 from Indian Street, Perris Boulevard, Lasselle Street, and Heacock Avenue.
9J	2013 Multi-Funding Call for Projects - staff recommends supporting this action. Action will provide opportunities for grant funding for several CIP projects within Moreno Valley.
9K	Federal Surface Transportation Program 2013 Call for Rehabilitation Projects – Additional Project Programming - staff recommends supporting this action. Action has no impact to Moreno Valley and will provide funding for road rehabilitation projects within the cities of Calimesa, Coachella, Eastvale, Lake Elsinore, Norco, and Palm Desert.
9M	Fiscal Year 2013/14 Short Range Transit Plans - staff recommends supporting this action. Action has direct benefit to Moreno Valley in terms of enhanced Transit / Train services provided by RTA / Metrolink respectively.

9N	Federal FY 2013 FTA Section 5310 Capital Grant Applications - staff recommends supporting this action. Action provides for medium bus for Moreno Valley Senior Center resulting in a direct benefit for Moreno Valley elderly residents.
----	---

Notes: _____

DISCUSSION CALENDAR

Item #	Comments
6	Public Hearing – Proposed Budget for FY 13/14 - staff recommends supporting this action. Highlights include the widening of SR-91 and I-215, construction of the Perris Valley Line and completion of the East Junction (SR60 / I-215) project. Additionally, traffic management programs (Freeway Service Patrol and IE511) are being continued and / or enhanced. These elements will greatly benefit all of Riverside County including Moreno Valley residents commuting through the area.
7	Public Hearing – Adoption of Four Resolutions of Necessity – staff recommends supporting these actions. The actions support the widening of the SR91 corridor in Corona which will provide a regional benefit for Riverside County including Moreno Valley residents that commute / travel through the area.
10	Proposed Metrolink Budget for FY 2013/14 – staff recommends supporting this action. Budget includes expansion of SR91 line service with 2 more peak hour trips and implementation of Positive Train Control (PTC). City of Moreno Valley residents will receive direct benefits of continued and enhanced train services.

Subject: Assault with a Deadly Weapon - Sunnymead Blvd

Good morning,

This morning about 12:30 AM, officers responded to the area of Sunnymead and Heacock reference a subject laying in the roadway. Officers arrived and found a local transient, Milton Scribner (43), suffering from numerous cuts and shallow stab wounds. The victim was transported to RCRMC and treated for his injuries. Although he sustained a number of injuries, they do not appear to be life-threatening. Another transient has been identified as a possible suspect and is currently being sought in connection with this crime. Officers learned the attack began near the Jack-in-the-box restaurant and continued out into the roadway on Sunnymead Blvd. The weapon used was some sort of small knife or other edged weapon. The investigation is continuing.

Subject: Robbery - A Postal Express

Good morning,

Today about 8:50 AM, officers were flagged down in the parking lot of the Sundance Center at Sunnymead Blvd and Indian. Officers learned that a robbery just occurred and the suspect just fled the area, leaving behind a stolen Plymouth van. According to the victim, the suspect stole a \$50,000 bank deposit. Officers are actively working the case and the citywide camera system may play an important role in this investigation. The recovered stolen van is being processed for evidence. The victim was not injured during the robbery. I will keep you updated.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (this “**Memorandum**”), effective as of June ____, 2013 (the “**Effective Date**”), is entered into by and between the CITY OF MORENO VALLEY, a California municipal corporation (“**City**”), and AI California LLC, a Delaware limited liability company (“**Aldi**”).

A. Aldi is considering constructing an approximately 835,000 square foot regional headquarters and distribution center (the “**Project**”) in the City, which will require an initial investment by Aldi estimated at approximately \$55,000,000.00, create an estimated 200 new jobs and provide other significant economic benefits to the City and its residents.

B. In consideration for Aldi’s proposed construction of the Project within the City and the economic investment and expected job creation anticipated in connection therewith, the City has agreed to consider providing various incentives to Aldi, subject to the City’s review and possible approval of certain modifications and amendment to the current entitlements for the property on which the Project is to be constructed.

NOW, THEREFORE, for valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto agree as follows:

1. **Conditional Memorandum**. All discretionary terms of this Memorandum (collectively, the “**Preliminary Terms**”) are expressly conditioned upon full compliance with and review of the Project under the California Environmental Quality Act (“**CEQA**”). Aldi understands that the Preliminary Terms are subject to the City’s discretion in the exercise of its police powers and assumes the risk of not obtaining the Preliminary Terms. It is anticipated that the City Council and/or Planning Commission will be required to review and hold hearings upon the Project and the Preliminary Terms. The parties understand that the City is reserving the right to exercise its discretion as to all matters that the City is, by law, entitled or required to exercise, in its discretion. Nothing in this Memorandum shall be construed as having the effect of waiving or limiting the City’s police powers and exercise of discretion. To this end:

(a) The parties understand that the City has the complete and unfettered discretion to reject the Project, the Preliminary Terms, and other documents related to the development of the Project site affected by the Preliminary Terms without explanation or cause. The risk of loss of all processing, design and developmental costs incurred by Aldi prior to final approval of the Project shall be absorbed entirely by Aldi, unless expressly assumed by the City pursuant to the terms of this Memorandum.

(b) The ability of the City to approve the Project and the Preliminary Terms shall be conditioned upon the successful review and approval of all necessary findings and conclusions which the City Council is required to make, including all necessary findings and determinations required under CEQA, state and local land use provisions. Nothing herein shall obligate the City to exercise its discretion in any particular manner, and any exercise of discretion reserved hereunder or required by law shall not be deemed to constitute a breach of the City’s duties under this Memorandum.

(c) By its execution of this Memorandum, the City is not committing itself or agreeing to undertake any activity requiring the subsequent exercise of discretion by the City, or any department thereof including, but not limited to, the approval of the Preliminary Terms, the approval of any development proposal or land use regulation governing the Preliminary Terms, the provision of financial assistance for the Project as may be affected by the Preliminary Terms, or any other such act or approval.

(d) This Memorandum does not constitute an approval of the Preliminary Terms and does not require a public hearing. The City's execution of this Memorandum is merely an agreement limited as set forth herein, reserving final discretion and approval by the City as to the Project and the Preliminary Terms and all proceedings and decisions in connection therewith.

(e) Notwithstanding the foregoing, the City will assist Aldi to the fullest extent possible in preparing any environmental documentation and processing any environmental review that may be necessary for the Project. Aldi will pay the City for any costs associated with the preparation and consideration of the environmental documentation, subject to the limits set forth in Section 2(d) below.

2. **Administrative Plot Plan Amendment.** Subject to Section 1, above:

(a) The City's Planning Division shall expedite the processing of an administrative plot plan amendment ("**Plot Plan Amendment**") at the staff level to accomplish all CEQA-compliant site plan revisions and building changes necessary for the proposed Project, including without limitation, assigning a project ombudsperson (the "**Ombudsperson**"). The City's Office of Community and Economic Development Director and the assigned Ombudsperson will provide development services coordination and assist Aldi with the Plot Plan Amendment application through all City review and approval processes. All submissions from Aldi or its design team will be made through the Ombudsperson.

(b) Upon the City's receipt of a complete and satisfactory environmental addendum and other information and submittal requirements as required in Aldi's Plot Plan Amendment application and as required by City policies, the City's Planning Division staff shall review and approve or disapprove the Plot Plan Amendment application within fifteen (15) business days. If the City disapproves the Plot Plan Amendment application, the City will provide a written explanation to Aldi of its basis for such disapproval and will review and approve or disapprove any resubmittals of the Plot Plan Amendment application within five (5) business days after submission thereof by Aldi.

(c) Provided that the Project receives final approval, cumulative fees charged by the City for review of the Plot Plan Amendment application and all other related activities will be capped at Five Thousand and 00/100 Dollars (\$5,000).

(d) Aldi shall have non-exclusive rights to Project truck and automobile ingress and egress through A Street without restriction.

3. **Site Plan and Building Changes.** Subject to Section 1, above, the City's Planning Division staff will consider proposed changes to the conditionally approved plot plan as

required to accommodate the Conceptual Site Plan and Elevations attached hereto as Exhibit “A”. Specifically, the City shall acknowledge and support the following changes proposed to the conditionally approved plot plan, provided such changes comply with CEQA and comply with all applicable building codes and fire codes:

- (i) The building’s size, configuration and automobile and truck circulation as shown on the Conceptual Site Plan and Elevations.
- (ii) Removal of the center drive into the facility and rearrangement of storm water basins on the south of the facility.
- (iii) The removal of automobile parking in the southwest corner of the building and enlarging the automobile parking in the southeast to accommodate occupancy needs.
- (iv) The mechanical area on the north loading dock with rooftop equipment.
- (v) The use of refrigeration penthouses.
- (vi) The phased construction of the Project and the use of metal panel on expansion walls.
- (vii) The location and access to the guardhouse (via “A” Street), security gate and emergency access as shown.
- (viii) Modifications to the building elevations, including revising the color scheme and architectural focal points of the building.
- (ix) The modification of the building configuration in the southwest corner to facilitate truck circulation.

4. **Amended Conditions of Approval.** Subject to Section 1, above, the City may issue Amended Conditions of Approval (“**Amended COA**”) that reflect the proposed Project by removing conditions promulgated for plot plan PA08-0097 that are irrelevant or no longer applicable to the proposed Project, or conditions that need modification as a result of the proposed Project.

5. **City Development Impact Fees (DIF).**

(a) **DIF Credits.** Subject to final approval of the Project and the final size of the building that will comprise the Project, the City agrees that Aldi will be entitled to an estimated credit against its DIF obligations of approximately One Hundred Forty-Two Thousand Eight Hundred Fifty and 00/100 Dollars (\$142,850.00) for arterial streets and approximately Ninety-Six Thousand Nine Hundred Four and 00/100 Dollars (\$96,904.00) for traffic signals, and that such credits to be deducted from the total DIF obligation to be paid prior to receiving a certificate of occupancy for the completed Project. Further, the City acknowledges that Ridge Moreno Valley, LLC and its affiliates (“Ridge”) has accrued unused DIF credits arising from their developments within the City pursuant to a separate Improvement Reimbursements and/or Credit Agreement with the City dated January 26, 2012, and that the City will allow Ridge to assign these credits to Aldi, thereby reducing Aldi’s total DIF obligation by the equivalent amount. All DIF as so adjusted shall be due and payable upon issuance of a certificate of occupancy for the completed Project. The City shall provide Aldi with a definitive statement on whether DIF and/or TUMF credits are conditioned on payment of prevailing wages for construction of any offsite improvements.

(b) DIF Credit and Reimbursement Agreement. Subject to final approval of the Project, the City's Land Development Division will promptly process a DIF credit and reimbursement agreement for Aldi that memorializes the foregoing subsection (a), including clearly identifying the total DIF payable by Aldi in connection with the Project and related improvements, any DIF credits available to Aldi, and any potential future DIF reimbursement opportunities available to Aldi in conformance with the City's established DIF policy.

6. Transportation Uniform Mitigation Fees. Aldi acknowledges that TUMF credits are not available unless a TUMF-funded project is completed in its entirety. Aldi acknowledges that it has been informed by the City that there are no such TUMF-funded improvements specified in the current conditions of approval that are credit-eligible. The City shall review all TUMF-funded improvements set forth in the Amended COA, provide a definitive list of said improvements and confirm whether they will be completed as part of the Project. Aldi believes there may be TUMF-funded improvements that will be completed in connection with the Project for which TUMF credits should be available, such as Mitigation Measure 4.2.15.

7. Site Permits, Building Construction Permits and Occupancy Permits.

(a) The City's Office of Community and Economic Development Director and assigned Ombudsperson for the Project will provide development services coordination and assist Aldi with all site, building and occupancy permit applications through all City review and approval processes. All submissions from Aldi or its design/construction team will be made through the Ombudsperson.

(b) Subject to Section 1, above, upon receipt of a complete site, building or occupancy permit application, the City will process, review, and approve, disapprove or provide exceptions within fifteen (15) business days for the first submittal and five (5) business days for any subsequent resubmittals that may be required.

(c) Subject to Section 1, above, phased building permit approvals will be allowed for offsite work, grading and building construction if in compliance with all applicable laws.

(d) Subject to Section 1, above, the City will issue grading and partial building permits allowing construction of foundations, slabs, walls and erection of concrete walls, even if the offsite water lines and fire hydrants along Eucalyptus adjacent to the Project site have not been constructed if in compliance with all applicable laws. Aldi agrees that roof construction will not begin until the waterlines and hydrants for which Aldi is responsible are operational.

(e) Subject to Section 1, above, provided that it meets the requirements therefor, the Project will be designated as eligible for the City's "Time and Materials Fee Program", which is designed to save large-scale projects, such as the Project, significant savings in Project permitting fees for planning, building and safety, and fire prevention.

(f) Subject to Section 1, above, the City will allow phased and/or temporary occupancy of the Project, under mutually agreeable conditions and a mutually agreeable schedule if in compliance with all applicable laws.

8. **Utilities**. Subject to Section 1, above:

(a) **New Economic Development Rate Schedule**. The City plans to create a new Economic Development Rate Schedule for which the City expects Aldi to qualify. The new schedule will price electricity for qualifying customers at a twenty percent (20%) discount off the current Time of Use rate schedule (Schedule TOU-LGS) for large industrial users. The discount will be taken off the totalized monthly bill before sales or any other taxes are calculated, and Utility Users' Tax will be calculated on the discounted bill. The Public Purpose Charge and the State Energy Resources Surcharge are calculated based on kWh usage by law. The discount will apply to all energy charges, demand charges, facilities charges, fuel cost adjustments, and any other relevant rate rider or tariff. The discount will be available for a term of eighteen (18) years from the date on which the onsite Project transformers are fully energized.

(b) **Construction of Redundant Power Circuits**. Subject to final approval of the Project, at Aldi's option and expense, Moreno Valley Utilities will construct redundant power circuits from the electrical substation serving the area to the Project site at point(s) to be determined jointly with Aldi. The circuits will loop the building as shown on the attached conceptual plan, with one circuit connecting to two-2500 kVA transformers adjacent to the Aldi mechanical room, and one circuit serving one 1,000 kVA transformer adjacent to the office/battery charging area. Moreno Valley Utilities will own and maintain both the offsite infrastructure and any transformers located on the Project site.

9. **Workforce Development**. At Aldi's election, the City will work closely with Aldi and the Riverside County Workforce Development staff in coordinating workforce recruitment efforts for the Project and Aldi's planned business operations at the Project.

10. **Confirmation of Existing Entitlements**. The City acknowledges and agrees that (i) the type of Project planned and the intended use of the Project by Aldi is permitted under the light industrial district zoning for the Project site, and (ii) the Project site has been entitled by the current owner, Ridge Rancho Belago, LLC, for industrial warehouse/distribution use pursuant to approved Westridge Commerce Center Final Environmental Impact Report, City No. P08-133, dated April 2011 (SCH No. 2009101008), and nothing in this MOU, including Section 1, above, shall be construed as changing, limiting or otherwise diminishing those approved rights for the Project site.

11. **Aldi Ownership and Operation**. The proposed Project will be owned and operated by Aldi or an Aldi affiliate for distribution of product to local stores. The proposed Project will have refrigerated storage areas with associated equipment and support functions. The planned distribution facility in the proposed Project will operate during all hours of the day with warehousing-related activities. The proposed Project will have a corporate office component that will serve as Aldi's west coast headquarters.

12. **Miscellaneous.** This Memorandum shall be governed by the laws of the State of California, and the exclusive venue of any legal action instituted with regard to this Memorandum shall be Riverside County, California. This Memorandum may be executed in any number of counterparts, each of which when so executed shall be deemed an original, but such counterparts shall together constitute one and the same Memorandum. If any action at law, suit in equity, arbitration or other legal proceeding of any type is brought by either party in connection with this Memorandum against the other party hereto, the prevailing party shall be entitled to be reimbursed by the losing party for all reasonable costs, expenses and attorneys' fees incurred by the prevailing party in connection therewith.

Agreed as of the Effective Date.

Tom/Victoria:

Ms. Carrillo stated when she met you at the Peace March, you indicated interest in attending the fundraiser. Please advise if you would like to attend – she suggested around 1 p.m., when lunch is served.

St. Christopher Catholic Church – Soccer Team
Goodwill Fundraiser
10 a.m. – 4 p.m., Saturday, June 15 [1 p.m. for lunch]
25075 Cottonwood Ave.

Thanks,

Cindy

Subject: St.Christopher Catholic Church

Hello Cindy,

My name is Anilu Carrillo and I am from St. Christopher Catholic Church. Our ministry is the Sports Committee and we bring teens closer to God through sports. This Saturday June 15, 2013 I will be hosting a Goodwill Fundraiser and I will be honored to see our Mayor Tom Owings and Council member Victoria Baca attend to this event. We will provide food and drinks around lunch time. St. Christopher Church is very excited for this event and we would love to see the support of everyone. We will take pictures and show our community who came out to support! Hope to see you all soon and thanks for your time! God Bless

Sincerely,
Anilu Carrillo

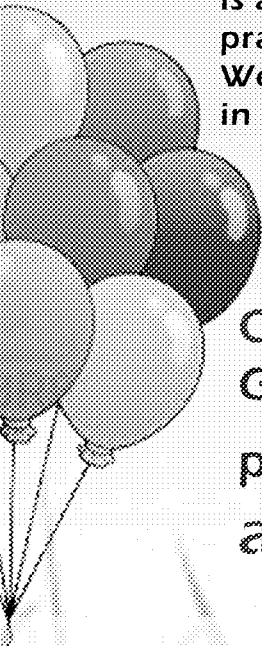

St. Christopher Soccer Team

Dear St. Christopher Community,

The St. Christopher Soccer Team is a group of teens and young adults that has been participating in the Sports Tournament of the Diocese and we represent our Parish at this event. This team helps teens and young adults to stay within church events and in the community. We have grown together a lot, not only with our sport skills but with our spiritual lives and it has kept us as a Catholic family for the past year. This group is also here to help one another and learn about sportsmanship. We pray together and we enjoy and use the talents God has blessed us with. We invite YOU to HELP US keep this group so that we continue growing in the family of this community and in the hands of God.

Sincerely,
St. Christopher Soccer Team

On **JUNE 15, 2013** we will be hosting a Goodwill fundraiser. The trucks will be picking up the items from **10am to 4pm** at **St. Christopher Catholic Church.**

25075 Cottonwood Ave. Moreno Valley CA 92553

RESOLUTION NUMBER 11-13

**RESOLUTION OF THE GENERAL ASSEMBLY OF THE
WESTERN RIVERSIDE COUNCIL OF GOVERNMENTS
TO ADOPT THE FISCAL YEAR 2013/2014 AGENCY BUDGET FOR THE
WESTERN RIVERSIDE COUNCIL OF GOVERNMENTS**

WHEREAS, the Western Riverside Council of Governments ("WRCOG") operates on a fiscal year basis, beginning on July 1 of each year and continuing until June 30 of the succeeding year; and

WHEREAS, Article III, Section 3.3 of the WRCOG Joint Powers of Agreement states that prior to July 1 of each year, the General Assembly of WRCOG shall adopt a final budget for the expenditures of WRCOG during the following year; and

WHEREAS, Article III, Section 6, Subdivision (A) of the WRCOG ByLaws states that the Executive Committee of WRCOG shall prepare and recommend to the General Assembly a yearly budget for funds and distribution and to determine the estimated share of contributions from each member agency; and

WHEREAS, on June 3, 2013, the Executive Director presented a proposed budget for Fiscal Year 2013/2014 to the Executive Committee, and the Executive Committee recommended the proposed budget for Fiscal Year 2013/2014 to the General Assembly; and

WHEREAS, WRCOG provided the public with proper notice that the proposed budget for Fiscal Year 2013/2014 is to be held on June 13, 2013 at the General Assembly meeting; and

WHEREAS, on June 13, 2013, the proposed budget for Fiscal Year 2013/2014 was presented to the General Assembly and the General Assembly held a public hearing on the proposed budget.

NOW, THEREFORE, THE GENERAL ASSEMBLY OF THE WESTERN RIVERSIDE COUNCIL OF GOVERNMENTS RESOLVES AS FOLLOWS:

Section 1. RECITALS

The above recitals are incorporated herein by this reference.

Section 2. FINAL BUDGET

The General Assembly hereby approves and adopts the WRCOG Fiscal Year 2013/2014 budget.

Section 3. AMENDING THE FINAL BUDGET

In accordance with Sections 4.1 and 1.2.2, Subdivision (f) of the WRCOG Joint Powers of Agreement and Government Code section 29092, the General Assembly hereby delegates its powers to amend the WRCOG Fiscal Year 2013/2014 budget and approve budget transfers throughout the fiscal year to the Executive Director and/or the Executive Committee.

PASSED AND ADOPTED at a Meeting of the General Assembly of the Western Riverside Council of Governments held this 13th day of June 2013.

Jim Hyatt, Chair
WRCOG General Assembly

Rick Bishop, Secretary
WRCOG General Assembly

APPROVED AS TO FORM:

Steven DeBaun
WRCOG Legal Counsel

Western Riverside Council of Governments General Assembly

Staff Report

Subject: Ratification of WRCOG Bylaws Amendments

Contact: Steven C. DeBaun, General Counsel (Steven.DeBaun@bbklaw.com), (951) 826-8201

Date: June 13, 2013

Requested Action:

1. Accept WRCOG Resolutions which affect WRCOG's Bylaws.

The WRCOG Executive Committee has approved several resolutions which have amended WRCOG's Bylaws. This action provides formal notice of the Executive Committee's approval the changes to the Bylaws listed below.

List of Bylaws Amendments:

- December 3, 2012: The WRCOG Executive Committee adopted WRCOG Resolution Number 17-12; A Resolution of the Executive Committee of the Western Riverside Council of Governments Amending its Bylaws to Provide a Procedure to Remove Members from the Administration & Finance Committee.
- December 3, 2012: The WRCOG Executive Committee adopted WRCOG Resolution Number 12-12; A Resolution of the Executive Committee of the Western Riverside Council of Governments Amending its Bylaws to Implements Section 54956.96 of the Government Code Regarding Disclosure of Confidential Information.
- August 3, 2009: The WRCOG Executive Committee adopted WRCOG Resolution Number 01-10: A Resolution of the Western Riverside Council of Governments Amending its Bylaws to Recognize Water Districts as Voting Members.
- June 9, 2008: The WRCOG Executive Committee adopted WRCOG Resolution Number 07-08; A Resolution of the Western Riverside Council of Governments Amending its Bylaws to Create the Position of Second Vice-Chairperson.
- August 6, 2007: The WRCOG Executive Committee adopted WRCOG Resolution Number 22-07; A Resolution of the Executive Committee of the Western Riverside Council of Governments Amending Subsection C of Section 2 of Article IV of the ByLaws for the Purpose of Increasing the size of the Administration and Finance Committee.
- October 3, 2005: The WRCOG Executive Committee adopted WRCOG Resolution Number 05-06; A Resolution of the Executive Committee of the Western Riverside Council of Governments Amending its Bylaws to increase the membership number of the Administration & Finance Committee.

WRCOG Fiscal Impact:

Budgeted. Addition of Water Districts results in additional dues to WRCOG of \$34,000 annually. Expansion of Administration & Finance Committee results in an increase in stipends not to exceed \$3,600 annually.

RESOLUTION NUMBER 17-12

A RESOLUTION OF THE EXECUTIVE COMMITTEE OF THE WESTERN RIVERSIDE COUNCIL OF GOVERNMENTS AMENDING ITS BYLAWS TO PROVIDE A PROCEDURE TO REMOVE MEMBERS FROM THE ADMINISTRATION & FINANCE COMMITTEE

WHEREAS, the Western Riverside Council of Governments (“WRCOG”) is a joint powers authority consisting of the County of Riverside and seventeen (17) cities situated in Western Riverside County; and

WHEREAS, pursuant to Article IV, Section 2 of the WRCOG Bylaws, the WRCOG Chair is authorized to appoint members to seven (7) open seats on the Administration & Finance Committee; and

WHEREAS, pursuant to Section 2.4.2 of the Joint Powers Agreement of WRCOG (“Agreement”) and Article III.6.C of WRCOG’s Bylaws (“Bylaws”), the WRCOG Executive Committee (“Committee”) is authorized to exercise the powers of the Agreement between sessions of the General Assembly; and

WHEREAS, Section 2.4.1 of the Agreement includes the power to amend the Bylaws; and

WHEREAS, this Resolution shall amend the WRCOG Bylaws to provide a process for the Chair to remove a committee member from one of the seven (7) open seats on the committee during the committee member’s one-year term on the Administration & Finance Committee;

NOW, THEREFORE, BE IT RESOLVED that the Executive Committee of the Western Riverside Council of Governments does hereby amend its Bylaws as follows:

Section 1: Article IV, Section 2, of the WRCOG Bylaws is hereby amended to read as follows:

SECTION 2. ADMINISTRATION & FINANCE COMMITTEE

A. Duties. The Administration & Finance Committee shall provide budget and finance overview for WRCOG in the conduct of its business and personnel issues and forward its recommendations to the Executive Committee for consideration. The Administration & Finance Committee shall have the authority: (i) to increase the WRCOG budget in any category up to fifteen percent (15%); and (ii) to authorize contracts up to \$100,000 when the contract requires execution prior to the next regularly scheduled Executive Committee meeting.

B. Meetings. The Administration & Finance Committee may meet once a month or as it is deemed necessary.

C. Membership. The Administration & Finance Committee shall be composed of the Executive Committee Chairperson; the Executive Committee Vice-Chairperson, the Executive Committee 2nd Vice-Chairperson, the Past Executive Committee Chairperson; and seven (7)

other members of the Executive Committee selected by the Executive Committee Chairperson. When selecting members of the Administration & Finance Committee, the Executive Committee Chairperson is encouraged to consider geographic balance. At least two members of the Board of Supervisors shall be members of the Committee. At least one member shall be a water district representative.

D. Quorum. The Administration & Finance Committee shall act only upon a majority of a quorum. A quorum shall consist of a majority of the members of the committee.

E. Term and Removal. Appointments to the Administration & Finance Committee shall be for a one year term ending on June 30 of the fiscal year (July to June) in which the appointments are made. The process set forth below applies should the Chair wish to remove a Board member ("Appointee") appointed during the one-year term of the appointment. The process does not apply to the Chair's decision not to reappoint an Appointee at the end of the Appointee's one year term.

1. The Chair shall provide Appointee with written notice of the Chair's decision to remove the Appointee from the appointment.
2. The notice shall be provided in writing to Appointee through WRCOG's Clerk of the Board and shall include a brief statement of why removal is sought, which reason may include, without limitation, 3 or more consecutive absences of committee meetings. The notice shall be delivered to the email address, if any, provided by Appointee as well as by first class mail to the Clerk of the City/County appointing Appointee to the WRCOG Executive Committee and Appointee's mailing address.
3. The removal shall be effective on the 15th day after WRCOG's Clerk sends notice to Appointee unless Appointee provides notice to the WRCOG Clerk of the Board, prior to the expiration of such 15 day period, of his or her desire to contest the removal.
4. In the event that the removal is contested, the removal shall be stayed and the Executive Director shall schedule an Administration & Finance Committee meeting at which both the Chair and Appointee may present their arguments for and against removal. Based thereon, the Administration & Finance Committee shall either uphold or reject the removal. The decision of the Administration & Finance Committee shall be final.
5. If the removal is not contested or is approved by the Administration & Finance Committee, the Chair may appoint an WRCOG Executive Committee member to fill the remainder of the Appointee's term. The appointment of the new member shall comply with the membership

requirements set forth in Section C, above. The term of the newly appointed member shall expire on June 30 of the fiscal year in which the appointment is made.

This section 2E shall only apply to appointments made by the Chair to the to the seven open seats on the Administration & Finance Committee and not to the four ex-officio members of the committee.

Section 2: This Resolution shall be effective immediately after its adoption by the Executive Committee.

PASSED AND ADOPTED at a Meeting of the Executive Committee of the Western Riverside Council of Governments held this 3rd day of December 2012.

RESOLUTION NUMBER 12-12

A RESOLUTION OF THE EXECUTIVE COMMITTEE OF THE WESTERN RIVERSIDE COUNCIL OF GOVERNMENTS AMENDING ITS BYLAWS TO IMPLEMENT SECTION 54956.96 OF THE GOVERNMENT CODE REGARDING DISCLOSURE OF CONFIDENTIAL INFORMATION

WHEREAS, the Western Riverside Council of Governments ("WRCOG") has been created pursuant to a certain Joint Exercise of Powers Agreement, as amended, ("JPA") in accordance with California Government Code section 6500, *et seq.*; and

WHEREAS, WRCOG is comprised of the County of Riverside and seventeen cities situated in Western Riverside County (the "Member Entities"); and

WHEREAS, from time to time, pursuant to the Ralph M. Brown Act (currently codified at Government Code section 54950 *et seq.*), WRCOG's Executive Committee (the "Executive Committee") conducts closed sessions; and

WHEREAS, under the JPA, the Member Entities may designate alternates to attend Executive Committee meetings, including closed sessions; and

WHEREAS, Government Code Section 54956.96 allows WRCOG to adopt a policy authorizing the disclosure of closed session information that has direct financial or liability implications for the member local agency at a local member closed session; and

WHEREAS, pursuant to Section 2.4.2 of the JPA, the Executive Committee is authorized to exercise the powers of the JPA between sessions of the General Assembly; and

WHEREAS, Section 2.4.1 of the Agreement includes the power to amend WRCOG's Bylaws ("Bylaws"); and

WHEREAS, the Executive Committee desires to amend the Bylaws to implement Section 54956.96 of the Government Code.

NOW, THEREFORE, BE IT RESOLVED the Executive Committee of the Western Riverside Council of Governments does hereby amend its Bylaws as follows:

Section 1: Article III, Section 7 shall be added to the Bylaws and shall read as follows:

SECTION 7. POLICY REGARDING CONFIDENTIAL INFORMATION DISCLOSED DURING CLOSED SESSIONS

The Executive Committee recognizes that, from time to time, it is vital that members of the Executive Committee divulge certain privileged information obtained in closed sessions at WRCOG to their own governing bodies meeting in closed sessions. Thus, WRCOG adopts the policy set forth in Government Code section 54956.96 which authorizes the disclosure of closed session information that has direct financial or liability

1. All information received by the legislative body of the member agency in a closed session related to the information presented to WRCOG in closed session shall be confidential. However, a member of the legislative body of a member agency, or his/her duly appointed alternate under the JPA, may disclose information obtained in a closed session that has direct financial or liability implications for that member agency to the following individuals:

(A) Legal counsel of that member agency for purposes of obtaining advice on whether the matter has direct financial or liability implications for that member agency.

(B) Other members of the legislative body of the member agency present in a closed session of that member agency, as well as other persons that may be invited to attend the closed session by the member agency's legislative body.

2. The legislative body of the local agency member, upon the advice of its legal counsel, may conduct a closed session in order to receive, discuss, and take action concerning information obtained in a closed session of WRCOG pursuant to this Policy.

Section 2: This Resolution shall be effective immediately after its adoption by the Executive Committee.

PASSED AND ADOPTED at a Meeting of the Executive Committee of the Western Riverside Council of Governments held this 3rd day of December 2012.

RESOLUTION NUMBER 01-10

A RESOLUTION OF THE WESTERN RIVERSIDE COUNCIL OF GOVERNMENTS AMENDING ITS BYLAWS TO RECOGNIZE WATER DISTRICTS AS VOTING MEMBERS

WHEREAS, the Western Riverside Council of Governments ("WRCOG") is a joint powers authority consisting of the County of Riverside and sixteen cities situated in Western Riverside County; and

WHEREAS, pursuant to Section 2.4.2 of the Joint Powers Agreement of WRCOG ("Agreement"), the WRCOG Executive Committee ("Committee") is authorized to exercise the powers of the Agreement between session of the General Assembly; and

WHEREAS, Section 2.4.1 of the Agreement includes the power to amend WRCOG's Bylaws ("Bylaws"); and

WHEREAS, the Committee desires to amend the Bylaws to recognize water districts as voting members; and

NOW, THEREFORE, BE IT RESOLVED the Executive Committee of the Western Riverside Council of Governments does hereby amend its Bylaws as follows:

Section 1: Article III, Section 1 of the Bylaws is hereby amended to read as follows (new language double-underlined):

The Executive Committee will be composed of the Mayor from each of the member cities, four members of the Riverside County Board of Supervisors and the President of each water district, the remaining member of the Board of Supervisors shall serve as an alternate, except any City Council, at its discretion, can appoint a Mayor Pro Tem or other city council member in place of the Mayor and each water district board, at its discretion, can appoint another board member in place of the President

Section 2: Article III, Section 5 of the By-Laws is hereby amended to read as follows (new language double-underlined):

Each member city present shall have one vote in the Executive Committee, each County Supervisor present shall have one vote, and each member water district present shall have one vote. Only authorized members present or designated alternates acting when the regular member is absent may vote.

Section 3: Article IV, Section 1, Subsection C of the By-Laws is hereby amended to read as follows (new language double-underlined):

C. Membership. The TAC is comprised of an executive from the County of Riverside, the City manager from each of WRCOG's member cities, and the General Manager from each of WRCOG's

member water districts. A City Manager may appoint an alternate who is a department head of the City.

Section 4: Article IV, Section 2, Subsection C of the By-Laws is hereby amended to read as follows (new language double-underlined):

C. Membership. The Administration & Finance Committee shall be composed of the Executive Committee Chairperson; the Executive Committee Vice-Chairperson, the Executive Committee Second Vice-Chairperson, the Past Executive Committee Chairperson; and six other members of the Executive Committee selected by the Executive Committee Chairperson. When selecting members of the Administration & Finance Committee, the Executive Committee Chairperson is encouraged to consider geographic balance. At least two members of the Board of Supervisors shall be members of the Committee. At least one member shall be a water district representative.

Section 5: This Amendment shall become effective upon the effective date of the JPA Amendment dated May 11, 2009.

PASSED AND ADOPTED at a Meeting of the Executive Committee of the Western Riverside Council of Governments held this 3rd day of August, 2009.

**BY-LAWS
FOR THE
WESTERN RIVERSIDE COUNCIL OF GOVERNMENTS**

ARTICLE I

SECTION 1.

These By-Laws are provided for the organization and administration of the Western Riverside Council of Governments which has been established under a Joint Powers Agreement. These By-Laws supplement the Agreement.

**ARTICLE II
GENERAL ASSEMBLY**

SECTION 1. MEETINGS

- A. Annual Meeting. The annual General Assembly shall meet in June. In addition, an annual local Government Conference may be held sometime during each fiscal year and a General Assembly social event may be held anytime as provided for in Article II, Section I.B. The locations and times of these meetings shall be determined by the Executive Committee.
- B. Special Meetings. Special meetings of the General Assembly may be called by the Chairperson, or in his or her absence by the Vice Chairperson or in the absence of the Chairperson and the Vice Chairperson by the Second Vice Chairperson, or a majority of the member agencies.

SECTION 2. OFFICERS

- A. Nomination and Election. The General Assembly shall elect, by a majority vote, the Chairperson, Vice-Chairperson and Second Vice-Chairperson from members of the Executive Committee, provided he or she is first nominated by either the General Assembly or Executive Committee. The election of the Chairperson, Vice-Chairperson and Second Vice-Chairperson shall be conducted once each year and no later than July.
- B. Prohibition. The General Assembly shall not elect the Chairperson, Vice-Chairperson and Second Vice-Chairperson from representatives of the same member agency.
- C. Term. The elected Chairperson, Vice-Chairperson and Second Vice-Chairperson shall assume office at the close of the meeting of their election and

each officer shall hold office for one year, or until his or her successor shall be elected.

- D. Vacancy. Notwithstanding Article II, Section 2.C., if the office of the Chairperson, Vice-Chairperson or Second Vice-Chairperson becomes vacant, the Executive Committee shall appoint, by a majority vote, one of its members to fill the unexpired term of the vacated office.
- E. Removal. Notwithstanding Article II, Section 2.D., the Executive Committee may remove the Chairperson, Vice-Chairperson or Second Vice-Chairperson by majority vote. The removal of either the Chairperson, Vice-Chairperson or Second Vice-Chairperson creates a vacancy which shall be filled in accordance with Article II, Section 2.D.
- F. Duties of the Chairperson, Vice-Chairperson and Second Vice-Chairperson. The Chairperson shall, if present, preside at all meetings of the General Assembly and Executive Committee and exercise such other powers and duties as may from time to time be assigned to the Chairperson. In the absence of the Chairperson, the Vice-Chairperson shall perform all the duties of the Chairperson. When so acting, Vice-Chairperson shall have all the powers of, and be subject to all the restrictions upon, Chairperson. In the absence of both the Chairperson and Vice-Chairperson, the Second Vice-Chairperson shall perform all the duties of the Chairperson. When so acting, Vice-Chairperson shall have all the powers of, and be subject to all the restrictions upon, Chairperson. In the absence of the Chairperson, Vice-Chairperson, and Second Vice-Chairperson, the General Assembly Chairperson of the Previous Year (the "Past Chairperson") shall perform the duties of the Chairperson for that meeting only. When so action, Past Chairperson shall have all the powers of, and be subject to all the restrictions upon, Chairperson. In the absence of the Chairperson, Vice-Chairperson, Second Vice-Chairperson and the Past Chairperson, the General Assembly or Executive Committee shall choose one of its voting members to chair the meeting for that day only.

SECTION 3. VOTING

- A. In General. Each member of the General Assembly shall have one vote.
- B. Eligibility. The Chairperson, Vice-Chairperson and Second Vice-Chairperson are eligible to vote.
- C. Quorum. The General Assembly shall act only upon a majority of a quorum. A quorum shall be the majority of the total authorized representatives of each member agency, provided that the members representing a majority of the member agencies are present.

ARTICLE III
EXECUTIVE COMMITTEE

SECTION 1. MEMBERSHIP

The Executive Committee will be composed of the Mayor from each of the member cities, four members of the Riverside County Board of Supervisors and the President of each water district, the remaining member of the Board of Supervisors shall serve as an alternate, except any City Council, at its discretion, can appoint a Mayor Pro Tem or other city council member in place of the Mayor and each water district board, at its discretion, can appoint another board member in place of the President.

SECTION 2. OFFICERS

- A. Officers and Duties. The officers of the Executive Committee shall be the Chairperson, Vice-Chairperson and Second Vice-Chairperson of the General Assembly. The Chairperson, Vice-Chairperson and Second Vice-Chairperson shall perform the same duties set forth in Article II.

- B. Absence. If a jurisdiction misses three consecutive meetings, said jurisdiction shall be notified of these occurrences.

SECTION 3. MEETINGS

The Executive Committee shall meet in accordance with the meeting schedule adopted by the Executive Committee, as may be revised from time to time.

SECTION 4. QUORUM

The Executive Committee shall act only upon a majority of a quorum. A quorum shall consist of a majority of the voting members of the Executive Committee.

SECTION 5. VOTING

Each member city present shall have one vote in the Executive Committee, each County Supervisor present shall have one vote, and each member water district present shall have one vote. Only authorized members present or designated alternates acting when the regular member is absent may vote.

SECTION 6. POWERS AND FUNCTIONS

- A. To prepare and recommend to the General Assembly a yearly budget for funds and distribution and to determine the estimated share of contributions from each member agency.
- B. To administer, manage, contract for, and handle the financing of the studies, projects and programs.
- C. To exercise the powers of the Joint Powers Agreement between sessions of the General Assembly.
- D. To select and employ an Executive Director who shall be the Chief Administrative Officer of WRCOG and who shall have administrative supervision over all WRCOG employees. The Executive Committee shall establish personnel rules and regulations.
- E. To appoint regular and special committees within the Executive Committee.
- F. To establish and operate a permanent office for WRCOG.
- G. To appoint advisory committees on such projects as it determines advisable.
- H. To provide for additional ex-officio, non-voting members, as deemed appropriate for the effective conduct of the business of the organization.

ARTICLE IV

OTHER COMMITTEES

SECTION 1. TECHNICAL ADVISORY COMMITTEE

- A. Duties. The Technical Advisory Committee (the "TAC") shall interface with WRCOG staff, review staff reports, consider staff recommendations, provide recommendations to the Executive Committee and perform such other duties as may be delegated to it.
- B. Meetings. The TAC may meet once a month or as it is deemed necessary.
- C. Membership. The TAC is comprised of an executive from the County of Riverside, the City manager from each of WRCOG's member cities, and the General Manager from each of WRCOG's member water districts. A City Manager may appoint an alternate who is a department head of the City.
- D. Quorum. The TAC shall act only upon a majority of a quorum. A quorum shall consist of a majority of the members of the TAC.

SECTION 2. ADMINISTRATION AND FINANCE COMMITTEE

- A. **Duties.** The Administration & Finance Committee shall provide budget and finance overview for WRCOG in the conduct of its business and personnel issues and forward its recommendations to the Executive Committee for consideration. The Administration & Finance Committee shall have the authority: (i) to increase the WRCOG budget in any category up to fifteen percent (15%); and (ii) to authorize contracts up to \$100,000 when the contract requires execution prior to the next regularly scheduled Executive Committee meeting.
- B. **Meetings.** The Administration & Finance Committee may meet once a month or as it is deemed necessary.
- C. **Membership.** The Administration & Finance Committee shall be composed of the Executive Committee Chairperson; the Executive Committee Vice-Chairperson, the Executive Committee Second Vice-Chairperson, the Past Executive Committee Chairperson; and six other members of the Executive Committee selected by the Executive Committee Chairperson. When selecting members of the Administration & Finance Committee, the Executive Committee Chairperson is encouraged to consider geographic balance. At least two members of the Board of Supervisors shall be members of the Committee. At least one member shall be a water district representative.
- D. **Quorum.** The Administration & Finance Committee shall act only upon a majority of a quorum. A quorum shall consist of a majority of the members of the committee.

ARTICLE V **EXECUTIVE DIRECTOR**

SECTION 1.

- A. **Duties.** In addition to those duties enumerated in the Joint Powers Agreement, the duties of the Executive Director are:
1. To administer all contracts.
 2. To have full charge of the administration of the business affairs of WRCOG.
 3. To exercise general supervision over all property belonging to WRCOG.
 4. To accept, on behalf of WRCOG, easements and other property rights and interests.

5. To be responsible for the purchase of all supplies and equipment of the WRCOG.
- B. Contract. The Executive Director is authorized to contract and execute on behalf of WRCOG, contracts for supplies, equipment and materials, and consultants not to exceed \$50,000.00, provided the contract relates to purposes previously approved and budgeted by the General Assembly or Executive Committee. The Executive Director may execute contracts up to \$100,000, if approved by the Administration & Finance Committee.

ARTICLE VI
DEFINITION OF WESTERN RIVERSIDE AREA

The boundaries of WRCOG shall be defined according to the legal description attached hereto as Exhibit "A".

ARTICLE VII
AMENDMENTS

These By-Laws and any amendments thereto may be amended by the General Assembly, by majority vote. Proposed amendments shall be submitted, in writing, to members of the General Assembly not less than thirty days prior to the General Assembly meeting.

RESOLUTION NUMBER 07-08

A RESOLUTION OF THE WESTERN RIVERSIDE COUNCIL OF GOVERNMENTS AMENDING ITS BYLAWS TO CREATE THE POSITION OF SECOND VICE- CHAIRPERSON

WHEREAS, the Western Riverside Council of Governments ("WRCOG") is a joint powers authority consisting of the County of Riverside and fourteen cities situated in Western Riverside County; and

WHEREAS, pursuant to Section 2.4.2 of the Joint Powers Agreement of WRCOG ("Agreement"), the WRCOG Executive Committee ("Committee") is authorized to exercise the powers of the Agreement between session of the General Assembly; and

WHEREAS, Section 2.4.1 of the Agreement includes the power to amend WRCOG's Bylaws ("Bylaws"); and

WHEREAS, the Committee desires to amend the Bylaws to include a Second Vice-Chairperson; and

NOW, THEREFORE, BE IT RESOLVED the Executive Committee of the Western Riverside Council of Governments does hereby amend its Bylaws as follows:

Section 1: Article II, Section 1, Subsection B of the Bylaws is hereby amended to read as follows:

Special meetings of the General Assembly may be called by the Chairperson, or in his or her absence by the Vice Chairperson or in the absence of the Chairperson and the Vice Chairperson by the Second Vice Chairperson, or a majority of the member agencies.

Section 2: Article II, Section 2 of the By-Laws is hereby amended to read as follows:

A. Nomination and Election. The General Assembly shall elect, by a majority vote, the Chairperson, Vice-Chairperson and Second Vice-Chairperson from members of the Executive Committee, provided he or she is first nominated by either the General Assembly or Executive Committee. The election of the Chairperson, Vice-Chairperson and Second Vice-Chairperson shall be conducted once each year and no later than July.

B. Prohibition. The General Assembly shall not elect the Chairperson, Vice-Chairperson and Second Vice-Chairperson from representatives of the same member agency.

C. Term. The elected Chairperson, Vice-Chairperson and Second Vice-Chairperson shall assume office at the close of the meeting of their election and each officer shall hold office for one year, or until his or her successor shall be elected.

D. Vacancy. Notwithstanding Article II, Section 2.C., if the office of the Chairperson, Vice-Chairperson or Second Vice-Chairperson becomes vacant, the Executive Committee shall appoint, by a majority vote, one of its members to fill the unexpired term of the vacated office.

E. Removal. Notwithstanding Article II, Section 2.D., the Executive Committee may remove the Chairperson, Vice-Chairperson or Second Vice-Chairperson by majority vote. The removal of either the Chairperson, Vice-Chairperson or Second Vice-Chairperson creates a vacancy which shall be filled in accordance with Article II, Section 2.D.

F. Duties of the Chairperson, Vice-Chairperson and Second Vice-Chairperson. The Chairperson shall, if present, preside at all meetings of the General Assembly and Executive Committee and exercise such other powers and duties as may from time to time be assigned to the Chairperson. In the absence of the Chairperson, the Vice-Chairperson shall perform all the duties of the Chairperson. When so acting, Vice-Chairperson shall have all the powers of, and be subject to all the restrictions upon, the Chairperson. In the absence of both the Chairperson and Vice-Chairperson, the Second Vice-Chairperson shall perform all the duties of the Chairperson. In the absence of the Chairperson, Vice-Chairperson, and Second Vice-Chairperson, the General Assembly Chairperson of the Previous Year (the "Past Chairperson") shall perform the duties of the Chairperson for that meeting only. When so acting, Past Chairperson shall have all the powers of, and be subject to all the restrictions upon, Chairperson. In the absence of the Chairperson, Vice-Chairperson, Second Vice-Chairperson and the Past Chairperson, the General Assembly or Executive Committee shall choose one of its voting members to chair the meeting for that day only.

Section 3: Article II, Section 3, Subsection B of the By-Laws is hereby amended to read as follows:

The Chairperson, Vice-Chairperson and Second Vice-Chairperson are eligible to vote.

Section 4: Article III, Section 2, Subsection A of the By-Laws is hereby amended to read as follows:

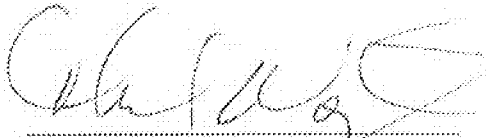

The officers of the Executive Committee shall be the Chairperson, and Vice-Chairperson and Second Vice-Chairperson of the General Assembly. The Chairperson, Vice-Chairperson and Second Vice-Chairperson shall perform the same duties set forth in Article II.

Section 5: Article IV, Section 2, Subsection C of the By-Laws is hereby amended to read as follows:

The Administration & Finance Committee shall be composed of the Executive Committee Chairperson; the Executive Committee Vice-Chairperson, the Executive Committee Second Vice-Chairperson, the Past Executive Committee Chairperson; and five other members of the Executive Committee selected by the Executive Committee Chairperson. When selecting members of the Administration & Finance Committee, the Executive Committee Chairperson is encouraged to consider geographic balance. At least two members of the Board of Supervisors shall be members of the Committee.

Section 6: This Resolution shall be effective immediately after its adoption by the Executive Committee.

PASSED, APPROVED, AND ADOPTED by the Executive Committee of the Western Riverside Council of Governments this 9th day of June, 2008.

RESOLUTION NO.: 22-07

A RESOLUTION OF THE EXECUTIVE COMMITTEE OF THE WESTERN RIVERSIDE COUNCIL OF GOVERNMENTS AMENDING SUBSECTION C OF SECTION 2 OF ARTICLE IV OF THE BY-LAWS FOR THE PURPOSE OF INCREASING THE SIZE OF THE ADMINISTRATION AND FINANCE COMMITTEE

WHEREAS, the Western Riverside Council of Governments (“WRCOG”) is a joint powers authority consisting of the County of Riverside and fourteen other cities situated in Western Riverside County; and

WHEREAS, pursuant to Section 2.4.2 of the Joint Powers Agreement of WRCOG (“Agreement”), the WRCOG Executive Committee (“Committee”) is authorized to exercise the powers of the Agreement between session of the General Assembly; and

WHEREAS, Section 2.4.1 of the Agreement includes the power to amend WRCOG’s By-Laws (“By-Laws”); and

WHEREAS, the Committee desires to amend the By-Laws so as to expand the number of board members serving the Administration & Finance Committee; and

WHEREAS, the General Assembly will ratify the amendments adopted by this Resolution at its next session.

NOW, THEREFORE, the Executive Committee of the Western Riverside Council of Governments does hereby **RESOLVE** as follows:

Section 1: Subsection C of Section 2 of Article IV is hereby amended to read as follows:

C. Membership. The Administration & Finance Committee shall be composed of the Executive Committee Chairperson, the Executive Committee Vice-Chairperson, the Past Executive Committee Chairperson, and six other members of the Executive Committee selected by the Executive Committee Chairperson. When selecting members of the Administration & Finance Committee, the Executive Committee Chairperson is encouraged to consider geographic balance. At least two members of the Board of Supervisors shall be members of the Committee.

Section 2: As amended, the By-Laws shall read as set forth in Attachment “A.”

Section 3: This Resolution shall be effective immediately after its adoption by the Committee.

PASSED AND ADOPTED at a Meeting of the Executive Committee of the Western Riverside Council of Governments held this 6th day of August, 2007.

**BY-LAWS
FOR THE
WESTERN RIVERSIDE COUNCIL OF GOVERNMENTS**

ARTICLE I

SECTION 1.

These By-Laws are provided for the organization and administration of the Western Riverside Council of Governments which has been established under a Joint Powers Agreement. These By-Laws supplement the Agreement.

**ARTICLE II
GENERAL ASSEMBLY**

SECTION 1. MEETINGS

- A. Annual Meeting. The annual General Assembly shall meet in June. In addition, an annual local Government Conference may be held sometime during each fiscal year and a General Assembly social event may be held anytime as provided for in Article II, Section I.B. The locations and times of these meetings shall be determined by the Executive Committee.
- B. Special Meetings. Special meetings of the General Assembly may be called by the Chairperson or a majority of the member agencies.

SECTION 2. OFFICERS

- A. Nomination and Election. The General Assembly shall elect, by a majority vote, the Chairperson and Vice-Chairperson from members of the Executive Committee, provided he or she is first nominated by either the General Assembly or Executive Committee. The election of the Chairperson and Vice-Chairperson shall be conducted once each year and no later than July.
- B. Prohibition. The General Assembly shall not elect the Chairperson and Vice-Chairperson from representatives of the same member agency.
- C. Term. The elected Chairperson and Vice-Chairperson shall assume office at the close of the meeting of their election and each officer shall hold office for one year, or until his or her successor shall be elected.
- D. Vacancy. Notwithstanding Article II, Section 2.C., if the office of the Chairperson or Vice-Chairperson becomes vacant, the Executive Committee shall appoint, by a majority vote, one of its members to fill the unexpired term of the vacated office.

- E. Removal. Notwithstanding Article II, Section 2.D., the Executive Committee may remove the Chairperson or Vice-Chairperson by majority vote. The removal of either the Chairperson or Vice-Chairperson creates a vacancy which shall be filled in accordance with Article II, Section 2.D.
- F. Duties of the Chairperson and Vice-Chairperson. The Chairperson shall, if present, preside at all meetings of the General Assembly and Executive Committee and exercise such other powers and duties as may from time to time be assigned to the Chairperson. In the absence of the Chairperson, the Vice-Chairperson shall perform all the duties of the Chairperson. In the absence of both the Chairperson and Vice-Chairperson, the General Assembly Chairperson of the Previous Year (the "Past Chairperson") shall perform the duties of the Chairperson for that meeting only. In the absence of the Chairperson, Vice-Chairperson, and the Past Chairperson, the General Assembly or Executive Committee shall choose one of its voting members to chair the meeting for that day only.

SECTION 3. VOTING

- A. In General. Each member of the General Assembly shall have one vote.
- B. Eligibility. The Chairperson and Vice-Chairperson are eligible to vote.
- C. Quorum. The General Assembly shall act only upon a majority of a quorum. A quorum shall be the majority of the total authorized representatives of each member agency, provided that the members representing a majority of the member agencies are present.

ARTICLE III **EXECUTIVE COMMITTEE**

SECTION 1. MEMBERSHIP

The Executive Committee will be composed of the Mayor from each of the member cities and four members of the Riverside County Board of Supervisors, the remaining member of the Board of Supervisors shall serve as an alternate, except any City Council, at its discretion, can appoint a Mayor Pro Tem or other city council member in place of the Mayor.

SECTION 2. OFFICERS

- A. Officers and Duties. The officers of the Executive Committee shall be the Chairperson and Vice-Chairperson of the General Assembly. The Chairperson and Vice-Chairperson shall perform the same duties set forth in Article II.

- B. Absence. If a jurisdiction misses three consecutive meetings, said jurisdiction shall be notified of these occurrences.

SECTION 3. MEETINGS

The Executive Committee shall meet in accordance with the meeting schedule adopted by the Executive Committee, as may be revised from time to time.

SECTION 4. QUORUM

The Executive Committee shall act only upon a majority of a quorum. A quorum shall consist of a majority of the voting members of the Executive Committee.

SECTION 5. VOTING

Each member city present shall have one vote in the Executive Committee, and each County Supervisor present shall have one vote. Only authorized members present or designated alternates acting when the regular member is absent may vote.

SECTION 6. POWERS AND FUNCTIONS

- A. To prepare and recommend to the General Assembly a yearly budget for funds and distribution and to determine the estimated share of contributions from each member agency.
- B. To administer, manage, contract for, and handle the financing of the studies, projects and programs.
- C. To exercise the powers of the Joint Powers Agreement between sessions of the General Assembly.
- D. To select and employ an Executive Director who shall be the Chief Administrative Officer of WRCOG and who shall have administrative supervision over all WRCOG employees. The Executive Committee shall establish personnel rules and regulations.
- E. To appoint regular and special committees within the Executive Committee.
- F. To establish and operate a permanent office for WRCOG.
- G. To appoint advisory committees on such projects as it determines advisable.
- H. To provide for additional ex-officio, non-voting members, as deemed appropriate for the effective conduct of the business of the organization.

ARTICLE IV
OTHER COMMITTEES

SECTION 1. TECHNICAL ADVISORY COMMITTEE

- A. Duties. The Technical Advisory Committee (the "TAC") shall interface with WRCOG staff, review staff reports, consider staff recommendations, provide recommendations to the Executive Committee and perform such other duties as may be delegated to it.
- B. Meetings. The TAC may meet once a month or as it is deemed necessary.
- C. Membership. The TAC is comprised of an executive from the County of Riverside and the City manager from each of WRCOG's member agencies. A City Manager may appoint an alternate who is a department head of the City.
- D. Quorum. The TAC shall act only upon a majority of a quorum. A quorum shall consist of a majority of the members of the TAC.

SECTION 2. ADMINISTRATION AND FINANCE COMMITTEE

- A. Duties. The Administration & Finance Committee shall provide budget and finance overview for WRCOG in the conduct of its business and personnel issues and forward its recommendations to the Executive Committee for consideration. The Administration & Finance Committee shall have the authority: (i) to increase the WRCOG budget in any category up to fifteen percent (15%); and (ii) to authorize contracts up to \$100,000 when the contract requires execution prior to the next regularly scheduled Executive Committee meeting.
- B. Meetings. The Administration & Finance Committee may meet once a month or as it is deemed necessary.
- C. Membership. The Administration & Finance Committee shall be composed of the Executive Committee Chairperson; the Executive Committee Vice-Chairperson, the Past Executive Committee Chairperson; and six other members of the Executive Committee selected by the Executive Committee Chairperson. When selecting members of the Administration & Finance Committee, the Executive Committee Chairperson is encouraged to consider geographic balance. At least two members of the Board of Supervisors shall be members of the Committee.
- D. Quorum. The Administration & Finance Committee shall act only upon a majority of a quorum. A quorum shall consist of a majority of the members of the committee.

ARTICLE V
EXECUTIVE DIRECTOR

SECTION 1.

- A. **Duties.** In addition to those duties enumerated in the Joint Powers Agreement, the duties of the Executive Director are:
1. To administer all contracts.
 2. To have full charge of the administration of the business affairs of WRCOG.
 3. To exercise general supervision over all property belonging to WRCOG.
 4. To accept, on behalf of WRCOG, easements and other property rights and interests.
 5. To be responsible for the purchase of all supplies and equipment of the WRCOG.
- B. **Contract.** The Executive Director is authorized to contract and execute on behalf of WRCOG, contracts for supplies, equipment and materials, and consultants not to exceed \$50,000.00, provided the contract relates to purposes previously approved and budgeted by the General Assembly or Executive Committee. The Executive Director may execute contracts up to \$100,000, if approved by the Administration & Finance Committee.

ARTICLE VI
DEFINITION OF WESTERN RIVERSIDE AREA

The boundaries of WRCOG shall be defined according to the legal description attached hereto as Exhibit "A".

ARTICLE VII
AMENDMENTS

These By-Laws and any amendments thereto may be amended by the General Assembly, by majority vote. Proposed amendments shall be submitted, in writing, to members of the General Assembly not less than thirty days prior to the General Assembly meeting.

RESOLUTION NO.05-06

A RESOLUTION OF THE EXECUTIVE COMMITTEE OF THE WESTERN RIVERSIDE COUNCIL OF GOVERNMENTS AMENDING THE BY-LAWS OF THE WESTERN RIVERSIDE COUNCIL OF GOVERNMENT

WHEREAS, the Western Riverside Council of Governments (“WRCOG”) is a joint powers authority consisting of the County of Riverside and fourteen cities situated in Western Riverside County; and

WHEREAS, pursuant to Section 2.4.2 of the Joint Powers Agreement of WRCOG (“Agreement”), the WRCOG Executive Committee (“Committee”) is authorized to exercise the powers of the Agreement between session of the General Assembly; and

WHEREAS, Section 2.4.1 of the Agreement includes the power to amend WRCOG’s By-Laws (“By-Laws”); and

WHEREAS, the Committee desires to amend the By-Laws regarding the membership of the Administration and Finance Committee; and

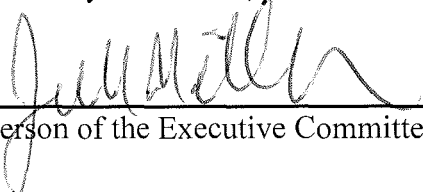

WHEREAS, the General Assembly will ratify the amendments adopted by this Resolution at its next session.

NOW, THEREFORE, the Executive Committee of the Western Riverside Council of Governments does hereby **RESOLVE** as follows:

Section 1: The By-Laws attached hereto are adopted in their entirety. All prior by-laws, amendments, and resolutions inconsistent with the By-Laws approved in this Resolution are hereby rescinded.

Section 2: This Resolution shall be effective immediately after its adoption by the Committee.

PASSED AND ADOPTED at a Meeting of the Executive Committee of the Western Riverside Council of Governments held this 3rd day of October, 2005.

**BY-LAWS
FOR
THE WESTERN RIVERSIDE COUNCIL OF GOVERNMENTS**

ARTICLE I

SECTION 1.

These By-Laws are provided for the organization and administration of the Western Riverside Council of Governments which has been established under a Joint Powers Agreement. These By-Laws supplement the Agreement.

**ARTICLE II
GENERAL ASSEMBLY**

SECTION 1. MEETINGS

- A. Annual Meeting. The annual General Assembly shall meet in June. In addition, an annual local Government Conference may be held sometime during each fiscal year and a General Assembly social event may be held anytime as provided for in Article II, Section I.B. The locations and times of these meetings shall be determined by the Executive Committee.
- B. Special Meetings. Special meetings of the General Assembly may be called by the Chairperson or a majority of the member agencies.

SECTION 2. OFFICERS

- A. Nomination and Election. The General Assembly shall elect, by a majority vote, the Chairperson and Vice-Chairperson from members of the Executive Committee, provided he or she is first nominated by either the General Assembly or Executive Committee. The election of the Chairperson and Vice-Chairperson shall be conducted once each year and no later than July.
- B. Prohibition. The General Assembly shall not elect the Chairperson and Vice-Chairperson from representatives of the same member agency.
- C. Term. The elected Chairperson and Vice-Chairperson shall assume office at the close of the meeting of their election and each officer shall hold office for one year, or until his or her successor shall be elected.
- D. Vacancy. Notwithstanding Article II, Section 2.C., if the office of the Chairperson or Vice-Chairperson becomes vacant, the Executive Committee shall appoint, by a majority vote, one of its members to fill the unexpired term of the vacated office.

- E. Removal. Notwithstanding Article II, Section 2.D., the Executive Committee may remove the Chairperson or Vice-Chairperson by majority vote. The removal of either the Chairperson or Vice-Chairperson creates a vacancy which shall be filled in accordance with Article II, Section 2.D.
- F. Duties of the Chairperson and Vice-Chairperson. The Chairperson shall, if present, preside at all meetings of the General Assembly and Executive Committee and exercise such other powers and duties as may from time to time be assigned to the Chairperson. In the absence of the Chairperson, the Vice-Chairperson shall perform all the duties of the Chairperson. In the absence of both the Chairperson and Vice-Chairperson, the General Assembly Chairperson of the Previous Year (the "Past Chairperson") shall perform the duties of the Chairperson for that only. In the absence of the Chairperson, Vice-Chairperson, and the Past Chairperson, the General Assembly or Executive Committee shall choose one of its voting members to chair the meeting for that day only.

SECTION 3. VOTING

- A. In General. Each member of the General Assembly shall have one vote.
- B. Eligibility. The Chairperson and Vice-Chairperson are eligible to vote.
- C. Quorum. The General Assembly shall act only upon a majority of a quorum. A quorum shall be the majority of the total authorized representatives of each member agency, provided that the members representing a majority of the member agencies are present.

ARTICLE III
EXECUTIVE COMMITTEE

SECTION 1. MEMBERSHIP

The Executive Committee will be composed of the Mayor from each of the member cities and four members of the Riverside County Board of Supervisors, the remaining member of the Board of Supervisors shall serve as an alternate, except any City Council, at its discretion, can appoint a Mayor Pro Tem or other city council member in place of the Mayor.

SECTION 2. OFFICERS

- A. Officers and Duties. The officers of the Executive Committee shall be the Chairperson and Vice-Chairperson of the General Assembly. The Chairperson and Vice-Chairperson shall perform the same duties set forth in Article II.
- B. Absence. If a jurisdiction misses three consecutive meetings, said jurisdiction shall be notified of these occurrences.

SECTION 3. MEETINGS

The Executive Committee shall meet in accordance with the meeting schedule adopted by the Executive Committee, as may be revised from time to time.

SECTION 4. QUORUM

The Executive Committee shall act only upon a majority of a quorum. A quorum shall consist of a majority of the voting members of the Executive Committee.

SECTION 5. VOTING

Each member city present shall have one vote in the Executive Committee, and each County Supervisor present shall have one vote. Only authorized members present or designated alternates acting when the regular member is absent may vote.

SECTION 6. POWERS AND FUNCTIONS

Subject: Important Details for June 13 WRCOG General Assembly & Leadership Address
Importance: High

Hi Cathy!

Here are some important details, please forward this information to all the Moreno Valley guests attending our upcoming General Assembly & Leadership Address on June 13 at the Morongo Casino, Resort & Spa.

- The Reception for all guests begins at 4pm outside the ballroom, remember to **bring a photo ID** to check in for the event.
- The Photo Opportunity begins at 4pm in 360 Lounge (26th Floor). Councilmembers Stewart and Baca will each receive separate photo tickets in their name badges at check in which must be presented in the photo line in order to take their 1 photo together with the Speaker.
- Doors close for dinner in the ballroom at 5:30 pm.
- If anyone would still like to book a room for June 13, call the Morongo Hotel and ask for the "WRCOG discount rate" rooms start at \$89!

Only those on the guest list you have previously provided to me can attend, so no one is able to show up on June 13 in the place of someone else, sorry ☹.

Please let me know if there are any further questions about the event and we hope everyone enjoys themselves!!!

Thank you,

Jennifer Ward

Subject: FW: Mayor/Council Meetings with LSSI

Importance: High

Hi Victoria:

Would either of these dates work with your schedule to meet with LSSI:

4 p.m., Monday, June 17 (following the Temecula library tour)

9 a.m., Tuesday, June 18 (following your meeting with Michelle)

Thanks,

Cindy

Importance: High

Cindy,

As the City Manager is recommending that the Council contract with LSSI to provide library services in Moreno Valley, we would appreciate your assistance in scheduling meetings between LSSI and our Mayor and Council members.

LSSI VP Bob Windrow is your point of contact for scheduling. Bob and his team will be here next week.

If it would make scheduling easier for the Mayor and Council, it would be fine to schedule any of the sessions with two members.

Thank you so very much.

Tom

Resolution Information

Christine Barajas, Sr. Administrative Assistant, responded on June 11, 2013.

A Code inspection was conducted on 4/25/13, and the property has had all weeds removed. Notice to Abate was posted by Code last week, and the property owner has complied with the removal of weeds, trash and debris on the vacant property. Code will continue to follow up on the maintenance of the property. Photos are attached.

Case Information

Issue Category: Code & Neighborhood Services

Issue: Weed Abatement, Residence

Council District: 1

Issue Description: Please investigate Council Member Molina's request to contact Lee & Associates at 951.684.4400 about weeds located at 24800 Sunnymead Blvd. and advise him of the outcome. Please see the attached picture.

Hello Cindy,

My name is Anilu Carrillo and I am from St. Christopher Catholic Church. Our

MV00257081

ministry is the Sports Committee and we bring teens closer to God through sports. This Saturday June 15, 2013 I will be hosting a Goodwill Fundraiser and I will be honored to see our Mayor Tom Owings and Council member Victoria Baca attend to this event. We will provide food and drinks around lunch time. St. Christopher Church is very excited for this event and we would love to see the support of everyone. We will take pictures and show our community who came out to support! Hope to see you all soon and thanks for your time! God Bless

Sincerely,
Anilu Carrillo

Subject: Anonymous Caller

An anonymous caller stated it appears the Mayor cherry picks who he will allow to speak at the Council meetings, and he picks speakers that are favorable to him. He stated when staff was presenting the budget with the PowerPoint presentation, the Mayor interrupted the presenter and started talking about the Logistics Center and solar panels. He stated the Mayor interrupts women more than men when they are speaking with the exception of the women who agree with him. He stated this is extremely unprofessional, and it tarnishes the Mayor's image as well as the Mayor's office. He stated having the #1 Mayor sign displayed is unprofessional. He stated watching Council meetings and Study Sessions is like watching a reality TV show. He stated he feels sorry for staff.

Subject: Pastor Earnestine Poole Anderson - I Am My Sister's Keeper Fundraiser

Pastor Anderson is inviting you to the I Am My Sister's Keeper Fundraiser event. I Am My Sister's Keeper is a mentoring program for 8 – 18 year old girls. Southern California Edison will be presenting a donation check to them at the event. Their church is located in District 4. Next year, May 2014, I Am My Sister's Keeper is hosting the Convoy of Hope, which is a city wide food program give away, and she stated they are expecting about 5,000 people. She stated she is looking for a venue to hold the event. I gave her the phone number for the MVUSD PIO. I also gave her the phone number for Parks in case she would like to hold the event in a park, and I transferred her to Michele Patterson to see about promoting the event.

Please advise if you would like to attend the following:

I Am My Sister's Keeper Fundraiser
Saturday, August 3
11:00 a.m.
Universal Strike Bowling
23750 Alessandro Blvd.
\$15 – Includes 2 games of bowling, shoes, hotdog, drink and entrance to talent show

July 10th works for the project consultant. Grace is now checking with the Planning Commission. Can we check with the City Council to confirm that they are available on that date? Also, would there be an issue with starting at 5:30 rather than 6? This would allow more time for the consultant who is covering a second meeting later that evening.

Thanks!

John

CITY OF MORENO VALLEY NOTICE OF OPENINGS UTILITIES COMMISSION

NOTICE IS HEREBY GIVEN that the City of Moreno Valley is now accepting applications for the newly established Utilities Commission.

The Commission shall consist of three city council-appointed members serving without compensation, and appointed in the manner and for the terms prescribed in Sections 2.04.060 and 2.06.010, respectively, of this code, except that the terms of the members first appointed to the utilities commission shall be set by lot, with one member serving for one year after the effective date of their appointment, one other member serving for two years after the effective date of their appointment, and the one remaining member serving for three years after the effective date of their appointment. Thereafter, all terms shall be for three years and shall expire three years after the effective date of the appointment; provided, however, that the term of an appointment made to fill an unexpired term shall be for the unexpired balance of such term.

At least two members of the Commission must be Moreno Valley Utility (MVU) customers. Of the two members that are Moreno Valley Utility customers, one member must be a business customer of Moreno Valley Utility. It is not required that the utilities commission members be a resident of the City of Moreno Valley. All members shall each have the ability to evaluate utility issues.

The commission shall have the general power and duty to act in an advisory capacity to the city council and staff in all matters pertaining to Moreno Valley Utility, pertaining to other utility services such as water, sewer, gas, and the investor-owned electric utility serving parts of the city, and in addition, the commission shall have the following particular powers and duties: review the budget for the Moreno Valley Utility during the process of its preparation and make recommendations with respect thereto to the City Council, review and make recommendations on all MVU capital improvements which require City Council approval, review and make recommendations to the City Council regarding rates for Moreno Valley Utility, and respond to requests and concerns of the public relating to utility issues.

The Utilities Commission shall hold, at least, one regular meeting per month and designate the times, dates and places therefor. Meetings schedule to be announced.

The City Council encourages all residents to apply for these positions. Applications are available at the City Clerk's Department, located at 14177 Frederick St., Moreno Valley, California, during regular business hours (7:30 a.m. to 5:30 p.m., Monday through Thursday). For further information, please call 951.413.3001.

Applications must be received in the City Clerk's Department no later than 5:30 p.m., Thursday, July 11, 2013.

Jane Halstead, CMC, City Clerk

Incident Description

On Thursday, June 13, 2013 at 5:48 AM a fire was reported at Ironwood c/o Helga by a passerby. The engine company arrived at the scene to (26603 Ironwood) a single, story single family dwelling with heavy fire in the interior and beginning to ventilate thru the roof. The fire threatened the dry grass and vegetation on the west side of the structure. The fire was contained to the residence but the structure has heavy damage and required extensive overhaul due a large amount of contents inside the residence. The residence was not occupied at the time of the fire. Two dogs were on the property and were transferred over to animal control. One firefighters sustained a minor injury to the small toes on one foot from a roof tile falling onto his structure boot.

Subject: Section 8 search warrant

Good afternoon,

The MVPD SET Team served a search warrant at a residence in the 23300 block of Seafarer Way reference Section 8 fraud. Representatives from Housing Authority were on scene for the warrant. Officers located evidence indicating that the suspect, Latoya McClain (35) fraudulently obtained more than \$16,000 in assistance over the past year. They also located information indicating the residence was being used as a hangout for a local criminal street gang known as the "Savage Life Gang", an offshoot of the "Sex, Cash, Money" criminal street gang. The suspect was arrested and booked into RPDC on charges of defrauding a government entity; perjury; obtaining aid by fraud; and providing a false written statement to gain funds.

Subject: Section 8 search warrant #2

Good afternoon,

On 6-12-13, the MVPD SET Team served a search warrant in the 23300 block of Seafarer Way reference Section 8 fraud. Officers located evidence indicating the suspect, Amy Gasaway (34), fraudulently obtained over \$46,000 in aid over the past two years and possibly more than \$200,000 in aid over the past 11 years. Representatives from Housing Authority were present during the search warrant. The suspect was booked into RPDC on charges of defrauding a government entity; perjury; obtaining aid by fraud; and providing false written documents to gain funds. The suspect's four children, ages 7 months, 9, 13, and 14 were taken into protective custody by Child Protective Services.

Subject: Multiple search warrants served by BST

Good afternoon,

In late May 2013, the MVPD Burglary Suppression Team developed information concerning a possible burglary ring operating in the City of Moreno Valley. Officers conducted an extensive investigation and ultimately obtained search warrants for three residences. One in the 12200 block of Orchid Lane, one in the 12200 block of Lamos Place, and one in the 25200 block of Turquoise Lane.

On June 12, 2013, Burglary/Robbery Suppression Team members, assisted by members of the MVPD SET and POP Teams, served search warrants at all three locations. Items recovered included a stolen/loaded .22 caliber handgun, prescription narcotics, ecstasy pills, gang indicia, and numerous items believed to be stolen during several residential burglaries.

Four suspects were arrested:

1. Cedric Thesus (28) was booked on a charge of possessing ecstasy
2. Karla Henderson (48) was booked on charges of possessing prescription narcotics and endangering her disabled adult son.
3. Juvenile Male (17) was booked into Juvenile Hall on charges of burglary, probation violation, and for being a minor in possession of a handgun
4. Juvenile Male (15) was released to his parents at the request of his probation officer. Charges will be handled out of custody.

The investigation is continuing. Recovered stolen property will be returned to the victims. Total value of the recovered stolen property was estimated at \$2,000.

Subject: Section 8 Search warrant

Good afternoon,

On June 12, 2013, the MVPD Investigations Unit served a search warrant at a residence in the 14700 block of Alba Way reference Section 8 fraud. Investigators found evidence indicating suspect Annette Raymond (44) fraudulently obtained Section 8 housing assistance. They also located the illegal drug known as "Ecstasy" during the search.

Suspect Raymond Derrick (41) was booked into RPDC on a charge of possessing ecstasy. Suspect Annette Raymond will be charged out of custody for Section 8 fraud. Representatives from Housing Authority are assisting with this case as well.

Subject: Checkpoint Statistics - 2013

Good morning,

During the first 5 ½ months of 2013, the MVPD Traffic Team has conducted nine DUI/Driver's License checkpoints around the city. A total of 8,892 vehicles have passed through those nine checkpoints, an average of 988 vehicles per checkpoint. These nine checkpoints have resulted in the following:

- 61 DUI arrests (34 for alcohol, 27 for drugs) This is an average of 6.7 DUI drivers per checkpoint.
- 171 drivers cited for either being unlicensed (112) or for driving on a suspended or revoked license (59).
- 119 vehicles towed, an average of 13 per checkpoint.
- 01 felony arrest for drug possession.
- 01 misdemeanor arrest for assault on a peace officer.
- 01 DUI driver was arrested and found to have two outstanding arrest warrants for DUI.

These statistics indicate the following ratios:

- One DUI arrest for every 145 drivers who pass through the checkpoint.
- One citation issued for an unlicensed driver for every 52 drivers who pass through the checkpoint.
- One DUI or unlicensed driver for every 38 drivers who pass through the checkpoint.

CITY OF MORENO VALLEY
TRAFFIC SAFETY COMMISSION

TRAFFIC INVESTIGATION REPORT

DATE:

March 6, 2013

REQUESTED BY:

Sergio San Martin, MVUSD

LOCATION:

Ironwood Avenue and Graham Street

GRAHAM ST

REQUEST:

The MVUSD has requested a crossing guard at the intersection of Ironwood Avenue and Graham Street.

BACKGROUND:

Ironwood Avenue is a 64-foot wide east/west arterial that has four lanes in each direction. Graham Street at the subject location is a north/south residential collector and has two lanes of traffic in each direction. The intersection has a traffic signal and has crosswalks installed at all legs of the intersection.

DISCUSSION:

Staff evaluated the existing traffic conditions at the subject intersection during the peak school hours when children are going to and from school. Staff observed the number of vehicles and pedestrians entering the intersection of Ironwood Avenue and Graham Street. During the morning hours of 7:30 AM – 8:30 AM, **147** vehicular turning movements occurred and a total of **23** pedestrians crossed at the subject intersection. During the afternoon hours of 3:00 PM – 4:00 PM, **167** vehicular turning movements occurred and a total of **66** pedestrians crossed the subject intersection.

Based on the recent data that was collected, staff evaluated the warrants for placement of a permanent crossing guard at the subject intersection. Under MUTCD Chapter 7E Crossing Supervision and certain City criteria the following criteria must be met:

Crossing Guard Warrants	Satisfied
PART A On-Suggested Route to School	Yes
PART B Crossing Guard Warrants (Pedestrian & Vehicular volumes)	No
PART C Nearest controlled crossing more than 600 feet	Yes
PART D Special Conditions	No
Warrants A, B and C or A, B, and D must be satisfied to warrant assignment of Crossing Guards	No

RECOMMENDATION:

Based upon all the above, staff does not recommend placement of a crossing guard at the intersection of Ironwood Avenue and Graham Street at this time.

Subject: A Postal Express robbery - Update

Good evening,

I am happy to report that the Robbery Suppression Team has made an arrest in the recent robbery that occurred in the parking lot of the Sundance Center. As you may recall, this robbery involved a suspect approaching the owner of the "A Postal Express" business as she was on her way to the bank to make a large deposit. The suspect grabbed the deposit and fled. Officers spotted the suspect as he dumped a stolen vehicle and gave chase on foot. The suspect was able to evade the officer, but he was not able to avoid the Citywide Camera System.

Through the outstanding efforts of the Robbery Suppression Team, the suspect presented himself for an interview at MVPD today. He was positively identified by the officer who chased him on foot via a photo line-up. The getaway vehicle was located at his residence and was impounded as evidence. Video footage from the camera system was critical in leading officers to the suspect. Additional investigation is being conducted and, unfortunately, none of the stolen money has been recovered as of yet.

The suspect, Jonathan Dimitri Smith (39) of Riverside, was booked into RPDC on charges of robbery and possession of a stolen vehicle. He is an ex-felon with an extensive criminal history including robbery, burglary, cocaine sales, and weapons violations.

The victim has been notified of the arrest and a press release will be issued soon.

Subject: Sr. Electrical Engineer in MVU

Good afternoon all-

With a slight delay, I would like to announce recently hired Sr. Electrical Engineer, Dan Pinsonneau to our Public Works team at MVU.

Dan received a Bachelor of Electrical Engineering Degree from the University of Western Ontario in 1990. His experience includes power generation assignments that took him all over the world, providing metering support to the California Independent System Operator, management of transmission line and substation upgrade projects for the Western Area Power Administration, and assisting PG&E to fully automate their network of distribution substations. Dan has worked alongside the dynamic solar energy movement as well as helped to develop utility scale advanced energy storage systems. He now looks forward to helping to grow Moreno Valley Utility to the next level, while meeting or exceeding its enviable record of uninterrupted service.

Please join me in welcoming Dan Pinsonneau to the City of Moreno Valley.

CITY OF MORENO VALLEY
Library Services Division

Memorandum

June 18, 2013

TO: Library Commissioners
Victoria Baca, City Council
Paula Smus, Library Services Division Manager

FROM: Evelyn Bell, Executive Assistant

SUBJECT: Minutes of Regular Library Commission Meeting of
April 18, 2013

1. Call to Order

Chairperson Sharon Clements called the meeting to order at 7:13 p.m.

- a) Chairperson Clements led the Pledge of Allegiance.

2. Roll Call

Present: Sharon Clements, Beverly Crockett, Kristina Dixon, and Cathy Merkt.

Absent: Peggy Hadaway (excused).

3. Approval of the Order of the Agenda

Commissioner Dixon made a motion, seconded by Vice-Chairperson Merkt, to approve the order of the agenda. Motion approved 4-0-1.

4. Introductions

Michelle Dawson, Assistant City Manager; Tom DeSantis, Administrative Services Director; Rick Teichert, Chief Financial Officer/City Treasurer; Laura D'Arciprete, prospective Library Commissioner; AnnaLynda Henderson, Library staff; Alvin Horn, resident.

5. Public Comments for Items Not on the Agenda

None.

6. Approval of Minutes from March 21, 2013

Vice-Chairperson Merkt made a motion, seconded by Commissioner Crockett, to approve the minutes as submitted. Motion carried 4-0-1.

7. New Business

- a) *Discussion and possible action on potential outsourcing of library services*
Library Services Division Manager Paula Smus introduced Administrative Services Director Tom DeSantis, who provided a summary for the commission regarding the exploration of outsourcing Library Services.

DeSantis acknowledged that the issue had been addressed at the March 21 commission meeting and praised Library Services Division Manager Paula Smus for doing a masterful job at explaining at that meeting the context of the issue.

DeSantis stated that the new City Council had directed City management staff to completely close the budget deficit by the beginning of the 13/14 fiscal year, and to do so without using reserves. Rick Teichert is leading the effort to balance the budget. DeSantis also said that he had never seen this effort before, where discussions included reducing police officers by 25 positions. This shows how serious the situation is.

The library is subsidized by the General Fund by more than \$500,000, so they are looking to reduce this subsidy.

The City determined two years ago that outsourcing was not needed.

DeSantis reported that he met with library staff earlier that day, including Paula Smus, to inform them of the City's Administrative Policy 2.25 (Privatization), adopted in 1997. This policy requires a feasibility review to be submitted to the City Council, explaining the reasons for proposing the outsourcing of a city service. DeSantis stated that he will submit this feasibility review at the April 30 City Council Study Session. The report will be a public document. Library staff were also informed that the policy provides that an affected work unit, faced with losing their jobs due to outsourcing, is allowed the option of submitting an alternative proposal to that of the private company or companies. He gave staff a deadline of May 30, 2013 to submit an alternative proposal, which he said would also be the submission deadline for the proposed contractor, Library Systems & Services, Inc. (LSSI).

DeSantis defined a desired savings of \$200,000 to the General Fund subsidy. He said that he has asked LSSI to identify \$200,000-\$250,000 in savings, along with expanding service hours and dollars spent on materials. He further stated that if library staff did not wish to submit an alternative proposal, LSSI's deadline could be moved up.

DeSantis said that he had not yet seen the proposal from LSSI.

DeSantis explained that LSSI currently operates the Riverside County Library System, and that he was the person who negotiated that contract. He said he was confident that he could negotiate the best terms with the contractor. He said that he wanted to hear from the commission to help city management through the process.

Michelle Dawson stated that the proposed outsourcing was not a reflection on the excellent job staff has done. When it was previously discussed, they didn't take it to Council because they knew the impact to staff. The situation has

changed. It is a huge dilemma to resolve the budget deficit in one year. The city has previously contracted out the after-school program.

Rick Teichert stated that there were significant reductions in the prior three-year deficit elimination plan. General Fund staff were cut by 40%. Revenues are growing, but not fast enough. Costs for police, fire and retirements are growing faster than the 2% revenue growth. They are also proposing closing a fire station, and further layoffs will be coming.

Commissioner Merkt asked whether we could get out of the contract, and stated that it felt like we were selling our library. DeSantis replied that there would be a termination provision in the contract. Commissioner Merkt said that these were difficult cuts; she is glad that he has dealt with them before; and she wished it didn't have to happen.

Rick Teichert stated that he has been Deputy Director of the Sacramento Library System, and that he didn't look fondly on LSSI, but it is now a drastic situation.

Commissioner Crockett asked what options we would have if LSSI doesn't come up with a proposal. DeSantis said that there are certain constraints as a public agency; and cutting service hours is not in anyone's interests.

Commissioner Merkt asked about the possibility of volunteer services. DeSantis replied that the only way to do it would be to replace staff with volunteers, which is not recommended. Volunteers are a good augmentation, but not a good replacement.

Rick Teichert stated that in the long term, they are looking for a new revenue stream, such as a ballot measure for a parcel fee or sales tax. Michelle Dawson added that a parcel fee was previously tried but was defeated. Teichert clarified that the previous measure was a special tax, which required a super majority for passage. The next measure proposed would be one requiring only a simple majority. They will be asking the Library Commission to help support that future measure.

Commissioner Dixon asked how we could protect the staff and asked how the cost savings are achieved. DeSantis stated that almost all the savings are achieved through retirement costs, and there are also centralized operations that pick up savings. Our staff know and serve the community, so he wants our staff to have first consideration for hiring by LSSI. He said that LSSI doesn't maintain a body of staff to just plop into a newly contracted library, and that LSSI is run by librarians who know the value of library staff. He added that, in the case of Riverside County, there were people who left City of Riverside employment to go to the county, even when they didn't need to.

Teichert said that the city had more in reserves at the time of the first proposal. They need to maintain \$12-\$14 million in reserves for cash flow. We don't want to be like San Bernardino and declare bankruptcy. We can't continue to operate this way. DeSantis added that it is a different context now, and that he didn't envy the Council.

Michelle Dawson said that two years ago, when facing the budget deficit, 70 different budget-saving ideas were discussed for implementing over three years, ideas that didn't need to be used. The commission might think that \$200,000 isn't much, but they need to look at every dollar. She gave the example of an employee at City Hall who had recently been laid off for an annual savings of only \$60,000, but that they are looking at every dollar.

Teichert mentioned that other cities are in similar situations. Some cities, such as Temecula and Rancho Cucamonga, have major shopping that we don't; we bleed to the city of Riverside west of Day Street.

Commissioner Merkt said that the city wants to draw more shoppers, so shouldn't charge more sales tax. She added that people know what their sales tax is now, and we don't want them to go to Cabazon. Dawson said her point was taken.

DeSantis stated that the feasibility review would be available the Thursday prior to the April 30 Study Session. The commission secretary will email the study to the commissioners as soon as it is available.

Commissioner Merkt asked if anything were needed from the Library Commission. DeSantis said that we need to provide service to the public, even if the method is not our favorite option. We want to give them more, not less.

Commissioner Crockett asked what expansion is being asked from LSSI. DeSantis replied that they are requesting more hours and more money spent on materials.

DeSantis also asked the commissioners to let the staff know how valued they are. It's hardest on them. He added that if they had any questions, they could call Paula, Rick, Michelle, or him; they want to be accessible.

(Dawson, Teichert, and DeSantis left the meeting.)

8. Library Director's Report

The Cover-to-Cover Reading Program had more than 500 participants, a 66% increase over last year.

The Library has been a regular collector of food items for the Community Assistance Program (CAP). We collected 1,337 pounds of food in 2012 alone.

This food collection will be incorporated into the Summer Reading Program this year, since the theme is “Reading Is So Delicious!”

Gale Cengage recently gave the library 15 free reference e-books, which can be used simultaneously by multiple users.

9. Board Comments

Commissioner Merkt said she came into the meeting with one opinion about outsourcing, but feels differently now. She didn't think the discussion was adversarial. She didn't think the city was making arbitrary decisions, and she didn't feel sold out. She appreciated the input.

Commissioner Crockett said that she was impressed with Policy 2.25 and that she liked it. She is concerned that there has been no proposal yet from LSSI. Paula Smus clarified that Tom DeSantis asked LSSI to hold off until the May 30 deadline. Commissioner Crockett asked how the staff felt. Ms. Smus replied that they just found out today. Commissioner Crockett liked that some Riverside employees left the city and went to LSSI. She asked if there was a big difference in the income. Commissioner Clements replied that she didn't know, but her three friends who work for LSSI seem to be happy. It will take a while to become accustomed to it. There were a lot of concerns at first with the county, but they have built a pretty good reputation. Some libraries have some of the same staff as at the transition.

Commissioner Dixon stated that she appreciated city staff coming to talk to them. She thinks the Council is overly ambitious to cut \$8 million in one year. She is concerned for staff. She wants the city to make every effort to keep everyone on staff. We need to educate the community about what's going on. She's against more taxes, but if people know why they're needed, there might be more support; it's the only way to increase revenue. Commissioner Crockett asked who would do that education. She added that during election time, her mailbox gets flooded; she tells people when it's something important to her.

Commissioner Merkt asked if there were anything the staff needed from the commission. Ms. Smus replied that there was nothing at this time.

10. Upcoming Agenda Items

None.

11. Adjournment

Commissioner Crockett moved that the meeting be adjourned. The meeting was adjourned at 8:00 p.m.

AGENDA

**CITY OF MORENO VALLEY
LIBRARY COMMISSION**

June 20, 2013

7:00 p.m.

Subject: Joint powers meeting

I heard from some unhappy folks that NO one from Moreno Valley attended the March JPC meeting so they lacked a quorum so had to continue the meeting, any reason no one attended? This is not fair to the other member cities and the county, people come in from a lot further away than our members do.
Please pass on to all of council

Subject: Sunnymead Blvd enforcement action

Good evening,

On June 18th and 19th, between 5:00 PM and 10:00 PM, the MVPD POP and SET Teams conducted an operation on Sunnymead Blvd to address the problem of loitering for the purpose of criminal activity. This targeted enforcement action was taken in direct response to complaints from business owners and others who frequent the Sunnymead corridor.

During the ten hours of this operation, officers contacted 48 pedestrians and 5 motorists. Of those, 16 were arrested and/or cited for violations ranging from loitering to probation violation. All persons contacted were advised that loitering for the purpose of criminal activity will not be tolerated in Moreno Valley.

We will continue to conduct similar programs as resources allow.

Joel

MVTV-3 RECEIVES EMMY NOMINATION

At 12:01 a.m. this morning the Academy of Television Arts and Sciences released their nominations for the 65th Annual Los Angeles Area Emmy Awards.

We are very proud to announce that the City of Moreno Valley (MVTV-3) is one of the three nominees competing in the Outstanding Public Service Announcement Category for the "Val's Oil" public service announcement.

This P.S.A. stars the very young and talented Val Pazola, daughter of City of Moreno Valley employee Liz Pazola. Val's Oil was created in conjunction with MVTV-3 and the City's Solid Waste and Recycling program overseen by Ariana Ayala. "Val's Oil" was produced and directed by Tim Carroll, produced and edited by Rob Roseen and co-produced by Bob Lorch. MVTV-3 Interns Steven Morel, Trent Terrell and Mike Jimenez played vital roles during the production of this video.

The 65th Annual Los Angeles Area Emmy Awards presentation will be held on Saturday evening, August 3, 2013 at the Leonard H. Goldenson Theatre in North Hollywood.

Cc: Richard Teichert; Joel Ontiveros
Subject: Explanation of my letter to the Sheriff requesting a 2-year contract
Attachments: Letter to Sheriff re Request for 2-Year contract.pdf

Mayor, Mayor Pro Tem, and Members of the City Council: The City's existing contract with the Sheriff for law enforcement services expires this June 30th. The County is currently preparing a new contract with the updated levels of service as indicated in the adopted 2-year budget. All of our previous contracts for this service have had 5-year terms, which is the norm for the Sheriff's Dept.

As noted in the attached letter, I made the request of Sheriff Sniff to have a 2-year term on the new contract. I felt a 2-year term would be consistent with the funding levels included in the 2-year adopted budget and, as stated in the letter, provides "the opportunity to explore options to address public service needs in a manner which also reflects our mutual fiscal constraints."

We've seen that we have little to no leverage with the Sheriff re: contract rates and I see no benefit of continuing to commit to 5-year contracts when the annual contract rate increases beyond the City Council's control. We hope to meet with the Sheriff or Chief Deputy Anderson to discuss our request.

We anticipate bringing a contract (2-year or 5-year) to the Council for your policy direction in July or August.

--Michelle

June 6, 2013

Sheriff Stan Sniff
Riverside County Sheriff
4095 Lemon Street
Riverside, CA 92501

Subject: Request for Two-Year Law Enforcement Services Agreement

Dear Sheriff Sniff:

The current agreement between Riverside County and the City of Moreno Valley for the provision of law enforcement services is effective through June 30, 2013. As you know, the City's proposed budget for FY 2013/14 includes significant cuts to these services due to our ongoing financial issues caused by the recession and a recovery that has proven to be slower than anticipated.

The City continues to be satisfied with the quality public safety services provided to our community by the Riverside County Sheriff's Department. Unfortunately, the contract cost increases are outpacing the very limited revenue growth that the City is realizing and we are unable to continue to afford the existing levels of services for which we contract. To illustrate this further, we provide the following information:

- We have been advised to expect 5% contract cost increases in upcoming years. For FY 2014/15 this would result in nearly \$1.7M in increased contract costs; we are projecting General Fund revenue growth of 2.5% which equates to \$846,974. If we dedicated EVERY additional dollar to the police contract it still wouldn't cover the contract increase.
- In Fiscal Year 2007/08 Moreno Valley's total police costs represented 38% of ALL our General Fund revenue and taxes; in the FY 2013/14 budget police costs represent 49% of ALL our revenue and taxes.
- Over the past 5 Fiscal Years, the City's non-public safety General Fund expenditures have decreased 44%; during that time our General Fund expenditures for police services have increased by 16%.

I understand that the Sheriff's standard term for law enforcement agreements with contract cities is five years. Given the uncertainty of Moreno Valley's ability to fund law enforcement services in the near future at levels acceptable to both the City and your Department, we

CITY MANAGER'S OFFICE

respectfully request a two-year agreement for law enforcement services through June 30, 2015. This term will provide the City as well as the Sheriff's Department the opportunity to explore options to address public service needs in a manner which also reflects our mutual fiscal constraints

Again, we are most appreciative of the dedication and expertise demonstrated by the men and women of the Moreno Valley Police Department. Our desire for a two-year agreement is based upon financial considerations and not related to any concerns with the service provided by Chief Ontiveros and his dedicated team.

I look forward to discussing this request with you at your earliest convenience.

Sincerely,

Michelle Dawson
City Manager

Subject: Kids safety

Hello all,

I received a call from a Fourth of July Community Stage 2013 PARENT, she was concerned about her children's safety. Her children were selected for this years Fourth of July Community Stage. They were also on the Fourth of July Youth stage 2012. I think it is important that someone gets to the bottom of ALL this, before someone gets hurt or another lawsuit against our city.

Safety for the youth, need to be a huge part of anything the city does.

Maurice Sears had called Georgette child's cell phone and said, "the Moreno Valley Fourth of July Community Stage youth will be rehearsing in his home (garage)."

I do have a concern with anyone calling the child, and so does this parent. This mom is active with her children and Maurice has her number. So, why not call the parent?

Maurice stated that the Fourth of July rehearsals will be at his home and he said "the City has this set up."

This parent did NOT feel that the city would do this, especially after last year a few of the parents (herself) and Anthony Acosta felt so strongly that Maurice may be a child pedophile.

Anthony Acosta said to me that he "ran a FBI background check on Maurice" under Maurice Sears, in late August/September 2012. Anthony Acosta and Maurice Sears continued working with the 4th of July youth after the event, I did not know this.

My concern is Maurice has two last names. Sears and another that starts with a Boudoor, not sure of the spelling, sounds French. No one knows how to spell it and therefore no one ran a background check on that last name. Nor am I sure if Anthony Acosta ran a qualified background check.

With six people saying, in August/September, that Maurice may be a pedophile, it was and still is a concern to me. I did at the time forward the information to MVPD. Not sure what they did?

I only worked with Maurice and the selected youth for the Youth Stage 2012; 5 or 6 days. So I only know a little bit about him. We only met Fridays and Saturdays. He is an armed guard, so I felt safe to have him work the few days with the youth and I was always with the kids during rehearsals.

MV00257174

Outside of Maurice not being able to communicate or show up on time, I only had a few issues with him as he volunteered to help prior to the 4th of July, for those few days.

1) Maurice did feel that it was okay to keep the kids out late, I did post up a paper stating, "if you are with the Fourth of July group, we must end at 10PM." However, some parents and youth wanted to stay later and did so, saying they were working with Maurice on their own.

2) Maurice told a parent that the City was paying \$50.00 to a man's daughter and that the daughter would get one hour on the stage. I had to correct the father that she was not getting an hour, nor paid.

3) I did notice that Maurice's neighbors did NOT want their children involved with Maurice. Maurice stated it was due to a bad divorce.

4) Maurice is guilty of being a awful parent, as he left his 6 yr old child with this mother (Georgette) to watch, as he went to work and they did not know each other at all.

5) On the Fourth of July, Maurice was missing most of the time.

Anything other than that is Maurice and Anthony's doing, not City or my involvement.

At this point, I think it is wise for either City or MVPD to check into Maurice for the safety of the youth. I get that volunteers are not perfect, but, my point is trust only Law Enforcement when doing a background check.

And after six parents thought the same thing.. maybe it would be wise just to double check.

Plus, I want Park and Rec to know what is being said, so they can correct anything that may not be true.

This is my third call/text from parents, not knowing anything. I did tell them all to call Park and Rec and ask for Sarah. I hope that was correct?

Good Luck!

Subject: SUPPORT THE TROOPS AFTERPARTY

Hi,

My name is Jessica. My company & I ***iStorage*** are going to be hosting a charity event on July 7th, 2013 known as the Support the Troops AFTER PARTY. We are working directly with Soldiers Angels to help provide donations / items to our troops overseas & their families. We are going to be having a fairly large event including Family Fun Activities. Moon Jumps, Face Painting, Balloon Artists, Car Shows etc. I would greatly appreciate it if you could make it out to show your support for the cause.

The event will be held on our company property located at 14150 Grant Street Moreno Valley, CA 92553.

For further details feel free to contact me on my cell at 760.402.5485

Again my name is Jessica, I'm the property manager at this site.

Look forward to seeing you here!

Thank You for your time – Jess 😊

Subject: FW: Explanation of my letter to the Sheriff requesting a 2-year contract
Attachments: Letter to Sheriff re Request for 2-Year contract.pdf

From: Michelle Dawson
Sent: Thursday, June 20, 2013 1:42 PM
To: Council
Cc: Richard Teichert; Joel Ontiveros
Subject: Explanation of my letter to the Sheriff requesting a 2-year contract

Mayor, Mayor Pro Tem, and Members of the City Council: The City's existing contract with the Sheriff for law enforcement services expires this June 30th. The County is currently preparing a new contract with the updated levels of service as indicated in the adopted 2-year budget. All of our previous contracts for this service have had 5-year terms, which is the norm for the Sheriff's Dept.

As noted in the attached letter, I made the request of Sheriff Sniff to have a 2-year term on the new contract. I felt a 2-year term would be consistent with the funding levels included in the 2-year adopted budget and, as stated in the letter, provides "the opportunity to explore options to address public service needs in a manner which also reflects our mutual fiscal constraints."

We've seen that we have little to no leverage with the Sheriff re: contract rates and I see no benefit of continuing to commit to 5-year contracts when the annual contract rate increases beyond the City Council's control. We hope to meet with the Sheriff or Chief Deputy Anderson to discuss our request.

We anticipate bringing a contract (2-year or 5-year) to the Council for your policy direction in July or August.

--Michelle

June 6, 2013

Sheriff Stan Sniff
Riverside County Sheriff
4095 Lemon Street
Riverside, CA 92501

Subject: Request for Two-Year Law Enforcement Services Agreement

Dear Sheriff Sniff:

The current agreement between Riverside County and the City of Moreno Valley for the provision of law enforcement services is effective through June 30, 2013. As you know, the City's proposed budget for FY 2013/14 includes significant cuts to these services due to our ongoing financial issues caused by the recession and a recovery that has proven to be slower than anticipated.

The City continues to be satisfied with the quality public safety services provided to our community by the Riverside County Sheriff's Department. Unfortunately, the contract cost increases are outpacing the very limited revenue growth that the City is realizing and we are unable to continue to afford the existing levels of services for which we contract. To illustrate this further, we provide the following information:

- We have been advised to expect 5% contract cost increases in upcoming years. For FY 2014/15 this would result in nearly \$1.7M in increased contract costs; we are projecting General Fund revenue growth of 2.5% which equates to \$846,974. If we dedicated EVERY additional dollar to the police contract it still wouldn't cover the contract increase.
- In Fiscal Year 2007/08 Moreno Valley's total police costs represented 38% of ALL our General Fund revenue and taxes; in the FY 2013/14 budget police costs represent 49% of ALL our revenue and taxes.
- Over the past 5 Fiscal Years, the City's non-public safety General Fund expenditures have decreased 44%; during that time our General Fund expenditures for police services have increased by 16%.

I understand that the Sheriff's standard term for law enforcement agreements with contract cities is five years. Given the uncertainty of Moreno Valley's ability to fund law enforcement services in the near future at levels acceptable to both the City and your Department, we

CITY MANAGER'S OFFICE

respectfully request a two-year agreement for law enforcement services through June 30, 2015. This term will provide the City as well as the Sheriff's Department the opportunity to explore options to address public service needs in a manner which also reflects our mutual fiscal constraints

Again, we are most appreciative of the dedication and expertise demonstrated by the men and women of the Moreno Valley Police Department. Our desire for a two-year agreement is based upon financial considerations and not related to any concerns with the service provided by Chief Ontiveros and his dedicated team.

I look forward to discussing this request with you at your earliest convenience.

Sincerely,

Michelle Dawson

MVTV-3 RECEIVES EMMY NOMINATION

At 12:01 a.m. this morning, the Academy of Television Arts and Sciences released their nominations for the 65th Annual Los Angeles Area Emmy Awards. We are very proud to announce that the City of Moreno Valley's MVTV-3 is one of the three nominees competing in the Outstanding Public Service Announcement Category for the "Val's Oil" public service announcement (PSA).

This PSA stars the very young and talented Val Plazola, daughter of City of Moreno Valley employee Liz Plazola. Val's Oil was created in conjunction with MVTV-3 and the City's Solid Waste and Recycling program overseen by management analyst Ariana Ayala. "Val's Oil" was produced and directed by Tim Carroll, produced and edited by Rob Roseen, and co-produced by Bob Lorch. In addition, MVTV-3 Interns Steven Morel, Trent Terrell, and Mike Jimenez played vital roles during the production of this video.

"Val's Oil" is available to view on the City's YouTube channel by using the following link: <http://youtu.be/1gIgUFgQ93k>. The 65th Annual Los Angeles Area Emmy Awards presentation will be held on Saturday evening, August 3, 2013 at the Leonard H. Goldenson Theatre in North Hollywood.

For more information, please feel free to contact Tim Carroll, Media and Production Coordinator, at 951.413-3056 or visit the [Emmys Website](#).

Subject: 21905 Bay Ave.

Victoria:

Raul reported 3' high stacks of palm fronds in front of 21905 Bay Ave. He stated a renter of the property advised that the landlord had placed the fronds in the right of way. Maintenance/Operations went out to look at the property this afternoon and advised it's going to take a backhoe and dump truck to clear the fronds.

Raul also reported the renter of 21905 Bay Ave. advised that there has been no trash service at the property for up to six weeks. He stated there are nine rental units at the location; he has seen rats and is concerned about the health of the residents at these properties. Waste Management and Public Works have been contacted regarding the issue.

CRMs have been prepared for both of these issues.

Thanks,

Cindy

Subject: RE: Kids safety

Good Afternoon JulieAnn,

Thank you for your concern regarding children's safety and the 4th of July Community Stage. Children's, as well as for all community residents, safety is our department's top priority.

Maurice Sears is not associated with any aspect of this year's 4th of July Community Stage. The City of Moreno Valley and the Parks and Community Department has not supported or encouraged any of the youth or adult performers to rehearse with Mr. Sears. To further emphasize the matter, our department has not released any of the performers' names to anyone other than the performers themselves in relation to the Community Stage performance schedule. If Mr. Sears is contacting individuals that have performed in the past or he believes are performing this year, than he is doing so on his own accord and without any information or consent from our department.

In regards to any issues that occurred before, during, or after last year's 4th of July Youth Stage between you, Anthony Acosta, or Maurice Sears; our department did not have any knowledge of the issues you described, nor did we encourage the rehearsals. So we cannot address these issues 11 months after the 4th of July, 2012. As Mr. Sears is not currently a volunteer or involved in any of our department's events or programs, then we will not administer a background check on Mr. Sears. Any illegal allegations would need to be addressed through our local police department.

If any community member contacts you in regards to any of our events, programs, or the 4th of July Community Stage; please continue to refer them to myself or a supervisor in the Parks and Community Services Department. We will continue to maintain our "open door" policy and will address any of our resident's concerns as quickly and effectively as possible. Neither our department nor I have been contacted by any of the 4th of July Community Stage performers or parents in relation to Mr. Sears. We will certainly be more than happy to address any concerns performers or parents may have.

Thank you,

Sarah Martinez

Subject: Kids safety

Hello all,

I received a call from a Fourth of July Community Stage 2013 PARENT, she was concerned about her children's safety. Her children were selected for this years Fourth of July Community Stage. They

MV00257184

were also on the Fourth of July Youth stage 2012. I think it is important that someone gets to the bottom of ALL this, before someone gets hurt or another lawsuit against our city.

Safety for the youth, need to be a huge part of anything the city does.

Maurice Sears had called Georgette child's cell phone and said, "the Moreno Valley Fourth of July Community Stage youth will be rehearsing in his home (garage)."

I do have a concern with anyone calling the child, and so does this parent. This mom is active with her children and Maurice has her number. So, why not call the parent?

Maurice stated that the Fourth of July rehearsals will be at his home and he said "the City has this set up."

This parent did NOT feel that the city would do this, especially after last year a few of the parents (herself) and Anthony Acosta felt so strongly that Maurice may be a child pedophile.

Anthony Acosta said to me that he "ran a FBI background check on Maurice" under Maurice Sears, in late August/September 2012. Anthony Acosta and Maurice Sears continued working with the 4th of July youth after the event, I did not know this.

My concern is Maurice has two last names. Sears and another that starts with a Boudoor, not sure of the spelling, sounds French. No one knows how to spell it and therefore no one ran a background check on that last name. Nor am I sure if Anthony Acosta ran a qualified background check.

With six people saying, in August/September, that Maurice may be a pedophile, it was and still is a concern to me. I did at the time forward the information to MVPD. Not sure what they did?

I only worked with Maurice and the selected youth for the Youth Stage 2012; 5 or 6 days. So I only know a little bit about him. We only met Fridays and Saturdays. He is an armed guard, so I felt safe to have him work the few days with the youth and I was always with the kids during rehearsals.

Outside of Maurice not being able to communicate or show up on time, I only had a few issues with him as he volunteered to help prior to the 4th of July, for those few days.

1) Maurice did feel that it was okay to keep the kids out late, I did post up a paper stating, "if you are with the Fourth of July group, we must end at 10PM." However, some parents and youth wanted to stay later and did so, saying they were working with Maurice on their own.

2) Maurice told a parent that the City was paying \$50.00 to a man's daughter and that the daughter would get one hour on the stage. I had to correct the father that she was not getting an hour, nor paid.

3) I did notice that Maurice's neighbors did NOT want their children involved with Maurice. Maurice stated it was due to a bad divorce.

4) Maurice is guilty of being a awful parent, as he left his 6 yr old child with this mother (Georgette) to watch, as he went to work and they did not know each other at all.

5) On the Fourth of July, Maurice was missing most of the time.

Anything other than that is Maurice and Anthony's doing, not City or my involvement.

At this point, I think it is wise for either City or MVPD to check into Maurice for the safety of the youth. I get that volunteers are not perfect, but, my point is trust only Law Enforcement when doing a background check.

And after six parents thought the same thing.. maybe it would be wise just to double check.

Plus, I want Park and Rec to know what is being said, so they can correct anything that may not be true.

This is my third call/text from parents, not knowing anything. I did tell them all to call Park and Rec and ask for Sarah. I hope that was correct?

Good Luck!

Subject: Follow up on agenda review

Council Member: following up on the questions you had during our review of the Council mtg. agenda, the following information is in response to your questions:

- Item A4 MVU rate adjustment: how much is the increase and why do we automatically adjust according to SCE rates? **(I've asked Ahmad for this info and will forward to you on Monday)**
- Item A12 Award Contract for Maintenance and landscaping for the water quality control basins. What is a water quality control basin? **(I've asked Ahmad and Rick for this info and will forward to you on Monday)**
- Item A18 Bicycle Master Plan consultant. How is this funded? **The project is funded through a Caltrans grant. There is no impact to the General Fund.**
- Item A20 Justice Assistance Grant (JAG). How many code officers are funded through the \$60,000 grant? **Funds five part-time code officers on weekends.**
- Item A22 Second Amendment to Agreement for Design Consultant: storm drain project on Alessandro. Where is this? **Storm Drain and Miscellaneous Street Improvements at Redlands Boulevard south of Alessandro Boulevard to mitigate flooding within the Moreno Townsite Area.**
- Explanations from Rick re: DIF Loan Agreements:
 - **Agenda Item A23 addresses three Development Impact Fee Funds that have negative fund balances, that is, in years past, more was spent than the total revenues collected. This means the money spent must be funded from an alternative source, or borrowed, until new DIF Fees are collected to "catch-up" and repay the borrowed money that was already spent. The DIF funds negative are Police Facilities, Animal Shelter and Recreation Center Impact Fee Funds. This "borrowing" of funds is now being documented in the form of a loan, since it is taking longer for development to recover and for the funds to be repaid than previously anticipated. It was originally expected to be a very short term position. The Police Facilities Fund will actually continue to borrow and get larger until significant development occurs to offset the \$680,000 in annual debt service structured to be repaid from these funds.**
 - **Agenda items A24 and A25 address the Library DIF and the City Yard DIF loans. The funds were specifically loaned to Capital Projects to provide short term funding to complete the Nason Street extension project south to Iris. The loans are expected to be repaid quickly from Gas Tax, Measure A, Arterial Street DIF funds, or the General Fund. These are annual agreements, and since the funds have not yet been repaid, the two loan agreements will be considered for extension by City Council. The City Yard DIF is expected to be repaid in total in FY 2013-14. The Library DIF is expected to be repaid from Measure A funds beginning in Fy 2013-14 and extending over several years, based on available cash flow.**
- Item G1 Library Outsourcing. What are the "pros" of outsourcing? **We will presenting a pretty extensive PowerPoint on this item analyzing the proposal and our recommendation to contract; the significant positive points include the following:**
 - **Expand library service for our residents:**
 - **The Library is currently closed every Friday & Sunday; LSSI will INCREASE public service hours by being open 7 days per week (25% increase in public hours)**
 - **The annual books/materials budget is \$64,350; LSSI will increase this by 200% to \$193,000 annually**
 - **Costs for City staff will have increased by nearly 10% (\$131,000) over TWO years; LSSI will cap annual operating cost increase at 2.5% (a total of \$112,000 over FIVE years)**
 - **Reduce ONGOING annual costs by \$250,000.**
 - **The City still retains control over the facility, fees, fines, Library Commission, etc.**

- Also, you and I didn't discuss the city employee MOUs (Item G3). If you have questions regarding this item please call me or Tom D.

Subject: Attempted murder - update

Good evening,

On June 11, 2013 officers investigated an attempted murder near the Jack in the Box restaurant on Sunnymead X Heacock. They determined one transient became upset with another transient and began stabbing him with an unknown sharp object.

The victim survived and identified his attacker. Investigators continued the investigation and determined the suspect had apparently left the area after the attack. They obtained a warrant and put out a "Be on the look out" flier for the suspect.

Today, a patrol officer spotted the suspect walking in the area of Frederick and Dracaea. The suspect was taken into custody without incident. After making some incriminating statements, suspect Gordon Bullock was booked into RPDC on a charge of attempted murder. He is currently on PRCS (probation) for a previous assault with a deadly weapon conviction.

Portable solar powered receptacle!

HOW TO USE

<p>You can use it anywhere available to be charged with solar energy, such as on an indoor window in a plane, a car, and a ship, outdoors, etc.</p>	<p>The solar energy supplied for charging is converted into electric energy through a converter.</p>	<p>When charging is complete, you can use it anywhere electricity is needed.</p>

This product is intended to enable you to use electricity freely and conveniently in a space restricted in the use of electricity, such as in a plane, a car, and outdoors. Thus, this product was meant to draw out a socket used indoors outward. We tried to design a portable socket, so that users can use it intuitively without special training.

DETAIL

The product appearance is made of plastic materials and the lower of the transparent absorption unit consists of solar energy panels as a material.

The solar energy panels are used to be charged with solar energy.

The solar energy supplied for charging is converted into electric energy through a converter.

Cut off mode

If you unplug or turn it, while you aren't use electricity, it is cut off.

The charging capacity reaches 1000mAh and it takes 5-8 hours to be charged completely. It lasts 10 hours after completely charged.

Subject: CM Victoria Baca's questions

- Item A4 MVU rate adjustment: How much is the increase and why do we automatically adjust according to SCE rates?
The rate change is actually a decrease in rates for most customers – the average household will see a very small decrease over the summer (only about 1 cent per month), and a decrease of about \$3.85 per month over the winter. The average small business customer will see a decrease of \$126.42 per month over the summer, and a \$14.91 per month decrease in the winter. Only the largest business customers will see an increase. We follow SCE's rate adjustments because it has been the policy of the council to prevent one part of the community from having an advantage (or disadvantage) over another. In addition, the City's agreement with ENCO stipulates that payments for their services be based on SCE rate schedules. The rate study performed last year (2012) showed that our current rates do align to costs by customer class, so it was recommended that we continue this policy. (See the attached rate comparison including the calc's for the street light component)
- Item A12 Award Contract for Maintenance and landscaping for the water quality control basins. What is a water quality control basin?

A water quality basin (WQB) is a depression in the ground generally the size of a single-family residential lot (7,200 sq. ft.). A WQB temporarily stores a certain amount of runoff (between 48 and 72 hours) from single-family residential subdivisions within the City. WQBs are designed to provide water quality enhancements by trapping and treating target pollutants associated with the particular subdivision in which it is located before the runoff is released and makes its way to Canyon Lake, Lake Elsinore and finally the Pacific Ocean. The City maintains 25 water quality basins within single-family residential subdivisions constructed after 2003. A location map of the water quality basins the City maintains is attached.

Subject: Your questions on Items A.4 and A.12
Attachments: MVU Rate comparison 6242013.pdf; WaterQualityBasins08_14_12_.pdf; 2013-06-24 Basin Photo.jpg

Dear CM Baca-

Below and attached, please find responses to your questions. Please feel free to contact me w/ any additional questions or comments. Thanks.

- Item A.4 MVU rate adjustment: ***How much is the increase and why do we automatically adjust according to SCE rates?***
The rate change is actually a decrease in rates for most customers – the average household will see a very small decrease over the summer (only about 1 cent per month), and a decrease of about \$3.85 per month over the winter. The average small business customer will see a decrease of \$126.42 per month over the summer, and a \$14.91 per month decrease in the winter. Only the largest business customers will see an increase.
We follow SCE’s rate adjustments because it has been the policy of the council to prevent one part of the community from having an advantage (or disadvantage) over another. In addition, the City’s agreement with ENCO stipulates that payments for their services be based on SCE rate schedules. The rate study performed last year (2012) showed that our current rates do align to costs by customer class, so it was recommended that we continue this policy. (See the attached rate comparison including the calc’s for the street light component)
- Item A.12 Award Contract for Maintenance and landscaping for the water quality control basins. ***What is a water quality control basin?***
A water quality basin (WQB) is a depression in the ground generally the size of a single-family residential lot (7,200 sq. ft.). A WQB temporarily stores a certain amount of runoff (between 48 and 72 hours) from single-family residential subdivisions within the City. WQBs are designed to provide water quality enhancements by trapping and treating target pollutants associated with the particular subdivision in which it is located before the runoff is released and makes its way to Canyon Lake, Lake Elsinore and finally the Pacific Ocean. The City maintains 25 water quality basins within single-family residential subdivisions constructed after 2003. A location map of the water quality basins the City maintains is attached.

Victoria,

Yes, it includes the proof of service and a copy of E.C. 12023. It has been sent to the County for signature verification.

Subject: Your questions on Items A.4 and A.12

Dear CM Baca-

Below and attached, please find responses to your questions. Please feel free to contact me w/ any additional questions or comments. Thanks.

- Item A.4 MVU rate adjustment: ***How much is the increase and why do we automatically adjust according to SCE rates?***
The rate change is actually a decrease in rates for most customers – the average household will see a very small decrease over the summer (only about 1 cent per month), and a decrease of about \$3.85 per month over the winter. The average small business customer will see a decrease of \$126.42 per month over the summer, and a \$14.91 per month decrease in the winter. Only the largest business customers will see an increase.
We follow SCE's rate adjustments because it has been the policy of the council to prevent one part of the community from having an advantage (or disadvantage) over another. In addition, the City's agreement with ENCO stipulates that payments for their services be based on SCE rate schedules. The rate study performed last year (2012) showed that our current rates do align to costs by customer class, so it was recommended that we continue this policy. (See the attached rate comparison including the calc's for the street light component)
- Item A.12 Award Contract for Maintenance and landscaping for the water quality control basins. ***What is a water quality control basin?***
A water quality basin (WQB) is a depression in the ground generally the size of a single-family residential lot (7,200 sq. ft.). A WQB temporarily stores a certain amount of runoff (between 48 and 72 hours) from single-family residential subdivisions within the City. WQBs are designed to provide water quality enhancements by trapping and treating target pollutants associated with the particular subdivision in which it is located before the runoff is released and makes its way to Canyon Lake, Lake Elsinore and finally the Pacific Ocean. The City maintains 25 water quality basins within single-family residential subdivisions constructed after 2003. A location map of the water quality basins the City maintains is attached.

Subject: WakeUp 062613.doc

GOOD MORNING! I AM VICTORIA BACA, COUNCIL MEMBER FOR DISTRICT 5, HERE TO GIVE YOU A QUICK UPDATE ON THE LATEST HAPPENINGS AT CITY HALL.

NEW CITY HALL HOURS

I AM PLEASED TO ANNOUNCE THAT AFTER FOUR YEARS OF HAVING A CITY HALL THAT IS CLOSED ON FRIDAYS, DEVELOPMENT SERVICES WILL NOW BE AVAILABLE ON THE 2ND AND 4TH FRIDAYS. PLUS, CITY HALL HOURS HAVE BEEN EXTENDED TO 6:00 P.M. MONDAY THROUGH THURSDAY. THE EXPANDED HOURS ARE SET TO BEGIN MONDAY, JULY 8. FRIDAY HOURS WILL BE FROM 7:30 A.M. TO 1:30 P.M. THE FRIDAY SCHEDULE AND NEW EXTENDED HOURS ARE POSTED ONLINE AT WWW.MOVAL.ORG.

CITY HALL OFFICE HOURS WERE REDUCED IN 2009 TO HELP ALLEVIATE A SIGNIFICANT BUDGET DEFICIT. WHILE THE IMPACTS OF THE GREAT RECESSION CAN STILL BE FELT IN MORENO VALLEY, SIGNS OF ECONOMIC RECOVERY HAVE BEEN SLOWLY EMERGING. A BALANCED BUDGET, EXCELLENT CUSTOMER CARE, AND A PROACTIVE BUSINESS AND DEVELOPMENT ENVIRONMENT IS HOW MORENO VALLEY IS MOVING FORWARD AT CITY HALL.

FRIDAY SERVICES INCLUDE RESIDENTIAL AND COMMERCIAL DEVELOPMENT SUPPORT, LIMITED BUSINESS LICENSE, CODE COMPLIANCE AND CASHIER. COME ON IN AND LET'S DO BUSINESS!

4TH OF JULY PARADE ENTRIES

THIS YEAR'S 4TH OF JULY CELEBRATION WILL KICK OFF WITH A PARADE FROM 9:30 A.M. TO NOON. THE PARADE ROUTE BEGINS AT ALESSANDRO, HEADS NORTH ON FREDERICK, GOES WEST ON TOWNGATE AND ENDS AT THE TOWNGATE PLAZA AROUND NOON.

THE FUNFEST CONTINUES AT MORRISON PARK AND MOUNTAIN VIEW MIDDLE SCHOOL. GATES OPEN AT 1:00 AND THE FESTIVAL BEGINS AT 2:00 WITH FOOD, ARTS AND CRAFTS, GAME BOOTHS, CLOWNS AND ENTERTAINMENT. THIS YEAR WE WILL AGAIN HAVE A BEER AND WINE GARDEN. DEPENDING ON WHAT TIME YOU GET THERE, AN ENTRY FEE MAY BE CHARGED TO GET INTO THE FESTIVAL AND THERE MAY BE A MINIMAL FEE FOR THE VARIOUS ACTIVITIES, SUCH AS THE BOUNCERS AND GAME BOOTHS.

THIS IS GOING TO BE THE BEST FOURTH OF JULY SHOW EVER. WE ARE PROVIDING TWO STAGES WITH EXCELLENT ENTERTAINMENT:

- AT 2:00 P.M., THE EXCITEMENT BEGINS WITH LOCAL PERFORMERS.
- AT 3:00 P.M., A PERFORMANCE BY PACIFIC CREST BAND
- AT 4:00 P.M., A PERFORMANCE BY "MRS. JONES REVENGE" WITH A TRIBUTE TO CLASSIC ROCK
- AT 5:45 P.M., A PERFORMANCE FROM "GHOST IN THE MACHINE" WITH A TRIBUTE TO POLICE AND STING, AND
- AT 7:30 P.M., A PERFORMANCE BY THE "HOLLYWOOD STONES," WHICH IS A TRIBUTE TO THE ROLLING STONES.

- AT 9:00 P.M., THE GRAND FINALE, THE FUN FEST CONCLUDES WITH A FIREWORKS EXTRAVAGANZA SIMULCAST WITH PATRIOTIC MUSIC BY KOLA (99.9 FM).

PRESALE TICKETS ARE AVAILABLE AT THE CONFERENCE AND RECREATION CENTER NOW THROUGH JULY 3. THE COST IS \$2 PER PERSON OR \$10 FOR A FAMILY OF UP TO 6 PEOPLE. ON JULY 4, ENTRY IS FREE FROM 1:00 TO 4:00. AFTER 4:00 P.M., THE ENTRY FEE IS \$3 PER PERSON. MILITARY SERVICE MEMBERS AND CHILDREN UNDER 5 ARE FREE.

PROPANE BARBEQUES ARE WELCOMED THIS YEAR AS ARE CANOPIES, WE JUST ASK THAT YOU TAKE THEM DOWN BEFORE 4:30. REMEMBER, THERE WILL BE A MANDATORY SEARCH OF ALL BAGS AT THE ENTRANCE AND FESTIVAL GATES ARE SUBJECT TO CLOSE AFTER 6:00.

NEW BUSINESSES

FINALLY, CITY DEVELOPMENT SERVICES STAFF ARE ASSISTING TWO NEW BUSINESSES THAT WILL REOCCUPY THE FORMER STAPLES IN THE TOWNGATE SHOPPING CENTER:

- ULTA BEAUTY IS WORKING ON TENANT IMPROVEMENTS FOR THEIR HALF OF THE BUILDING. LOOK FOR ULTA TO OPEN THIS SUMMER.
- BEVMO IS IN PLAN CHECK FOR THE TENANT IMPROVEMENT'S FOR THE OTHER HALF OF THE BUILDING. THEY ARE TARGETING AN EARLY FALL OPENING.

WE HAVE SEVERAL ADDITIONAL EXCITING ANNOUNCEMENTS COMING SOON – WE’LL BE SHARING AS SOON AS WE’RE CLEARED BY THE BUSINESSES TO SHARE THEIR DETAILS. BE SURE YOU GET THE LATEST NEWS – SUBSCRIBE TO OUR PRESS RELEASES ON THE CITY’S WEBSITE... WWW.MOVAL.ORG.

DISCUSSION CALENDAR

Item #	Comments
7	Request to Open a Public Hearing to Consider Policy Changes for Veterans, Active Military, Police and Fire Personnel - Staff recommends to support. Provides direct benefit to veterans and safety personnel living / traveling in Moreno Valley. Item was reviewed and recommended by Budget and Finance Committee.
8	Request to Close Public Hearing and Authorize Staff to Revise the Agency's DAR Policy - Staff recommends to support. Policy applies fair and consistent practice to address no shows / cancellations.
9	Request to Close a Public Hearing and Approve New Title VI of the Civil Rights Act of 1964, New Public Involvement Plan, and LEP Policy - Staff recommends to support. In conformance with FTA Circular 4702.1B and provides good review process for major System or Fare changes. No public comments were received either for or against the new policies. Item was reviewed and recommended by Administration and Operations Committee.
10	Request to Close Public Hearing on the Fiscal Year 2013/2014 Operating/Capital Budgets, and SRTP. Adopt FY14 Operating / Capital Budgets - Staff recommends to support. Includes provisions for COA (underway), Travel Training Program, and DAR service (at slightly reduced funding level). Will continue to meet the needs of Moreno Valley residents. Items were reviewed and recommended by both the Administration and Operations and Budget and Finance Committees.

No for public release

Good morning,

I'm sorry to report that the 2 year-old victim will not survive this tragic incident. Technically, she is already considered deceased. We have been informed that she is on life support pending organ donation. Thank you all for keeping this little girl and her family in your thoughts.

Subject: HS E-2 Contract

Hi Candace,

We have some concerns about this contract. Please contact Steven if he did not forward you his e-mail. You left us very little time to review prior to a meeting. Even I get the feeling this is being "shoved down our ... ". I have been reviewing this past weekend and I too have a collection of concerns for the vague nature. Didn't we specifically suggest the need for "specifics" and details for maintenance. We need some clarity, to relieve some anxiety, so we need to talk before the meeting. We could use some clarification. Tuesday is coming quickly and I don't think you have a clear consensus for approval. I don't like doing things this way. I am free Monday.

Ohh, why was the parkway landscape across from the elementary school cut to the dirt. Were we not clear that this is what ruined our landscape before. Also, comments about loss of plants do to reduced service was not quite true but in fact the plant cut backs NOT properly monitored by the CSD as pointed out by Jan Bower was a big factor in our die back up here.

We want this new contract to truly benefit the residents of HS and the City of Moreno Valley. A good working relationship does much to repair the trust issues developed over the past months by many.

So here are some of my preliminary observations: I still have a lot to read.

1. General Provisions - Scope of Work

C. What criteria is being used to reject or approve of work, BY whom is the designated "Director", methods & materials ect. As I went through this document so far, there are very little clear specifics by which to judge this criteria. This was a concern expressed in many of our meetings. I for one would like to know who that "Inspector" will be as well.

2. General Provision - Schedule of Work

G. Why are they not working a full week. M-Friday. I realize the city has been on a temporary no Friday work day but a contractor should be working a normal work week and not enjoying a short week specific to our city requirements. They do not need your inspector on site Friday to do work. If the city goes back to a 5 day week, they don't.

3. 17 Technical Provisions

A. Turf Care

6 & 7 - are these in reverse? In my practice, you keep the turf longer in the summer and shorter in the cooler weather.

4. B. Tree Care (pg 41)

You mentioned that we can not cut down any tress until August. According to section 4, "Trees can be pruned at ANY TIME in order to" - Remove dead, diseased or damaged tress (8-12 minimum) like the 47 tree photos I sent you. If this contract is approved, will the removal process start ASAP?

5. C Shrub Care (Pg 43)

Remember our discussion about very specific criteria for holding the contractor to very specific measurement criteria so we can truly hold them to a criteria. I don't see that here, just "remove unwanted encroachment..." with NO specific criteria to measure this encroachment. **e.g 18" from sidewalks and held straight when applied a vertical plumb line and not to exceed 60" in height.** Without this type of inspection criteria we get what we have been getting which generally looks,let us say, less than professional.

6. D Ground Cover (Pg 44)

3 & 4 - I see a reference to Frequency and " accepted practices" (what are these and do we have that information to refer to?) but I do not see where we hold them accountable to OUR practice or in other words a specific criteria so we do not have happen what happened before and what has appeared to have happened in from of the elementary school (**unless you are doing something specific we were not aware of like a drip system or new planting**). Our collective suggestions made it very clear even when Mr Stewart was there that there must be "controls" built into the contract. Criteria we can hold them to when INSPECTED.

Also,I do not see information about the types of replants, plant pallet, etc. Where is our input in this document? e.g. refer to HSRC plant pallet selections, etc. This is suppose to be a partnership?

I'm sorry Candace,this contract seems to leave a lot of open decision making. In the past, that leads to concerns and trust issues. Steven had some honest concerns that I left for him to respond to. I am not done digging into this but unless you can help me feel better about Steven's concerns and the few things I expressed, I will not feel comfortable supporting this contract. In the past,we have had the opportunity to review a new contract

in a timely fashion and discuss among residents giving the CSD thoughtful feedback. We are not getting that opportunity this time.

Just a few thoughts for you and Mr. Teichert to consider.

Best Regards,

Jeff Giba

Subject: Item B.5 AWARD OF AN INDEPENDENT CONTRACTOR AGREEMENT FOR PROJECT NO. E-2 (HIDDEN SPRINGS) MAINTENANCE OF PARKWAY, MEDIAN AND OPEN SPACE LANDSCAPING AND IRRIGATION

From: Steven Sopher [mailto:readisaiah53@icloud.com]
Sent: Sunday, June 23, 2013 3:46 PM
To: jgiba@reagan.com
Cc: Sopher Steven; Candace Cassel; Richard Stewart; Tom Owings; Victoria Baca; Jesse Molina; Marcelo Co; Richard Teichert; Hernandez Art
Subject: Item B.5 AWARD OF AN INDEPENDENT CONTRACTOR AGREEMENT FOR PROJECT NO. E-2 (HIDDEN SPRINGS) MAINTENANCE OF PARKWAY, MEDIAN AND OPEN SPACE LANDSCAPING AND IRRIGATION

Honorable Mayor, Members of our City Council, and Special Districts Staff:

Below are my comments related to the new landscaping contract for Special Districts Zone E-2, that you will be considering on June 25, 2013.

You will find several of my comments directed to Mr. Teichert.

Please be advised my comments are not intended to be a personal confrontation of Mr. Teichert.

These comments are directed to the position and responsibilities associated with the Chief Fiscal Officer and not to the individual person.

I respectfully request the City Council table approval of this agreement pending resolution of the following concerns.

These issues have been discussed with City Staff, and our Council Representative, and remain unresolved.

City staff can perform the necessary maintenance activities, using Zone E-2 funds, during the interim; the contract award may be adjusted accordingly.

Observations and/or Questions about the New Contract:

1. The proposed contract represents a 47% reduction in the purchase of landscape maintenance services. The current award is \$85,422 base, with an additional \$18,800 for "additional services" for a max amount of \$104,282.

Using the city's own audited budget, in FY 10/11, we dedicated \$188,400 to these same services.

Using the total amount earmarked for this award, the new contract represents a reduction of 47% or \$84,118

In his Report to the City Council, dated June 25, 2013, Robert Teichert, Chief Financial Officer states, page 3:

" As a result, the base services were reduced for the landscape maintenance of the paseo area (maintenance of the parkways was retained at a standard service level) and additional work services were reduced (e.g. reduction in the number of replants) in order to balance the budget."

Teichert confirms Hidden Springs Residents Committee's previous analysis shared with City Staff, and our Council Representative, several months ago.

The "die back" problem was actually caused by a reduction of service, for budget reasons, which resulted in a reduction of replanting.

Teichert's statement is misleading as the replants needed were mainly in the parkways, so in fact, maintenance of the parkways was NOT sustained at a standard service level.

HSRC has clearly communicated to Mr. Stewart **Mr. Teichert's management of our district has been a failure.**

The City Council should be aware of this.

2. The consensus of the Hidden Springs Residents Committee opposes the reduction of funds dedicated to landscape maintenance.

There exists sufficient revenue to purchase needed services, including replants.

The problem with cash flow is a result of Mr. Teichert's fiscal requirement to divert a significant portion of our revenue to Undesignated Reserves along with high overhead costs associated with city staff.

Special Districts staff have been directed to preserve 108% of our Total Revenues for Undesignated Reserves.

City staff personnel costs (General Fund & Special Districts Admin) currently represent 31% of our Total Revenue.

3. The structure of the new contract does not enhance services rendered to our landscape district, the structure of the contract is purely for fiscal management purposes.

Quoting Mr. Teichert, page 3:

"This strategy provides the CSD flexibility in adjusting service levels based on available funding without incurring additional costs of issuing another RFP."

Mr. Teichert statement obscures a significant fact, he should make it explicit clear to the City Council, the new contract DOES allow for a substantial reduction in services for all areas, parkways and paseos, without the advice, consent, or input of the affected residents, or their elected representatives.

A significant feature of the new contract, not appearing in the previous contracts, is the designation of 3 service levels both for the parkways and the paseos, each succeeding service level representing a substantial reduction in service from the previous service level.

There has been no discussion with Hidden Springs residents as to how, and under what circumstances, the Chief Financial Officer will decide to lower the level of services, or when and how services will be restored.

3. Mr. Teichert's comments regarding the city's failed attempt to increase the parcel charge does not tell the complete story.

On page 3, Mr. Teichert states, "In May 2011, the property owners within Zone E-2 did not support an increase in their parcel charge to support increasing costs to continue providing landscape maintenance at a standard service level."

What Mr. Teichert does not mention, any increase in revenues (as the result of a parcel tax increase) would have been diverted to Undesignated Reserves, per his directive as Chief Financial Officer, **therefore an increase in the parcel tax would not result in an increase in services but absorbed in reserves.**

4. On the record, who specifically will be personally responsible for managing the performance of this contract?

Page 30, Exhibit A, Item 1C "All work shall be performed in accordance with usual and customary horticultural practices to achieve, and maintain healthy, viable landscapes. The Chief Financial Officer/City Treasurer of the City of Moreno Valley, or his/her delegated representative(s), hereinafter designated as "Director" will periodically inspect all the operations and approve or reject the work performed, and methods or materials used, and make changes in work scheduling."

5. The stipulation below appeared in our previous contract, the City failed to perform it, what assurances do we have they won't fail again?

On the record, when will this particular inspection of our landscape district be completed, when can we be informed of the results? Who specifically will represent the interests of the Hidden Springs residents in the development and finalization of this assessment? How will this assessment be used to guide the priorities of our service district?

Page 32, Exhibit A, Item 2A: *The Director and Contractor shall conduct an inspection of all sites covered under this Contract as soon as practicable after its execution, and prior to commencement of Contractor's operations. Following said inspection, the Contractor shall submit to the Director a written affidavit certifying the actual condition of the site(s) relative to District Specifications, including but not limited to the nature and extent of any deficiencies noted by the Contractor, and acknowledged by the Director. The Contractor is hereby advised that this affidavit shall serve as the benchmark for the Director's evaluation of Contractor's performance under this Contract. Failure to maintain site(s) up to this established standard may result in the District deducting payment of all or part of the Contractor's compensation, as further described in Exhibit C., Section 3.*

6. The spending priorities of this contract remain unclear. What specifically constitutes "Additional Work" and what is the basis and protocol for the contractor to submit billing for "Additional Work" ?

I cannot find a description or a billing protocol. I reviewed Page 61, Section 2, Paragraph C and do not see this information, perhaps it can be found elsewhere.

Without knowing what specifically constitutes "Additional Work" the Chief Financial Officer, or their designate, has no accountability as to how they use our funding, or what priorities to address. This is a significant concern as \$18,800 of the total award, or 18%, is dedicated solely to "Additional Work."

Please note, there is no mandate to authorize any Additional Work, these funds could conceivably revert back to Undesignated Reserves without any service being rendered.

7. Did Special Districts encumber the \$3,200 dedicated for replanting from FY12/13 to the FY 13/14 budget?

We were given assurances these funds would be available for use in FY 13/14 and not absorbed into Undesignated Reserves.

Respectfully submitted,

Steve Sopher, Participant
Hidden Springs Residents Committee

4. B. Tree Care (pg 41)

You mentioned that we can not cut down any tress until August. According to section 4, "Trees can be pruned at ANY TIME in order to" - Remove dead, diseased or damaged tress (8-12 minimum) like the 47 tree photos I sent you. If this contract is approved, will the removal process start ASAP?

5. C Shrub Care (Pg 43)

Remember our discussion about very specific criteria for holding the contractor to very specific measurement criteria so we can truly hold them to a criteria. I don't see that here, just "remove unwanted encroachment..." with NO specific criteria to measure this encroachment. **e.g 18" from sidewalks and held straight when applied a vertical plumb line and not to exceed 60" in height.** Without this type of inspection criteria we get what we have been getting which generally looks,let us say, less than professional.

6. D Ground Cover (Pg 44)

3 & 4 - I see a reference to Frequency and " accepted practices" (what are these and do we have that information to refer to?) but I do not see where we hold them accountable to OUR practice or in other words a specific criteria so we do not have happen what happened before and what has appeared to have happened in from of the elementary school (**unless you are doing something specific we were not aware of like a drip system or new planting**). Our collective suggestions made it very clear even when Mr Stewart was there that there must be "controls" built into the contract. Criteria we can hold them to when INSPECTED.

Also,I do not see information about the types of replants, plant pallet, etc. Where is our input in this document? e.g. refer to HSRC plant pallet selections, etc. This is suppose to be a partnership?

I'm sorry Candace, this contract seems to leave a lot of open decision making. In the past, that leads to concerns and trust issues. Steven had some honest concerns that I left for him to respond to. I am not done digging into this but unless you can help me feel better about Steven's concerns and the few things I expressed, I will not feel comfortable supporting this contract. In the past, we have had the opportunity to review a new contract in a timely fashion and discuss among residents giving the CSD thoughtful feedback. We are not getting that opportunity this time.

Just a few thoughts for you and Mr. Teichert to consider.

Best Regards,

Jeff Giba
HSRC

Subject: Council Approval of MOUs with Employee Associations

We are pleased to announce that the City Council tonight approved recommended MOU updates with our employee associations. These important agreements restore much needed public services, address employees' highest priorities and provide fiscal stability to the City organization.

In approving these Agreements, the Council expressed their appreciation for the services provided on a daily basis by each member of our employee team.

The City's management team is extremely grateful for the Associations' continued partnership in providing high quality, responsive and accountable services to residents and businesses in Moreno Valley.

Please stand by for additional information regarding implementation of the expanded public service provided through these Agreements.

Respectfully,

Tom

Subject: Attempted Murder

Good evening,

We are investigating an attempted murder in the 21800 block of Bay Avenue. Officers responded to a shooting with one victim wounded and found an adult male suffering from gunshot wounds. The victim was transported to RCRMC and is expected to survive.

The suspect and firearm used are both outstanding. MVPD Investigators, Forensic Techs, and Citizen Volunteers are on scene.

This does not appear to be a random event and Investigators are following leads in the case. I will keep you updated.

Subject: Attempted Murder- update

Good evening,

I'm happy to report that we have the suspect, his weapon, and his vehicle in custody. He has made some incriminating statements and will be booked for attempted murder.

The victim is in critical but stable condition. The press has already contacted us, so you should expect to see a story in the PE tomorrow.

I will provide a more detailed update tomorrow.

Subject: Prostitution operation - Comfort Inn

Good morning,

The POP and SET Teams conducted a prostitution operation on Sunnymead Blvd on 6-26-13. They received cooperation from the Comfort Inn for this event. Several suspects were from Moreno Valley, but others were from cities throughout the Inland Empire.

In all, 18 suspects were arrested for solicitation of prostitution. One suspect was found to be on parole and was booked on a parole hold. A press release was issued.

Service Levels
for the Moreno ..

Cathy Parada | Executive Assistant II
City Manager's Office | City of Moreno Valley
[REDACTED] | E: cathyp@moval.org

June 26, 2013

John Hawkins, Riverside County Fire Chief
California Department of Forestry and Fire Protection
210 W. San Jacinto Avenue
Perris, CA 92570

Subject: Service Levels for the Moreno Valley Fire Department

Dear Chief Hawkins,

In a letter dated May 1, 2013 the City of Moreno Valley notified the Riverside County Fire Department that our City is proposing significant cuts to City services in order to balance our budget, which included the closure of Fire Station 99 (Morrison Park) effective September 1, 2013. Based upon the recommendation of the Fire Department, I would like to modify that request to defund the personnel currently staffing College Park Truck 91 effective October 24, 2013. Also, as part of the budget adoption, City Council elected to enhance the services provided by the remaining aerial ladder truck company by upgrading the truck company from providing basic life support services to advance life support services effective January 1, 2014.

We understand that the above action will result in the defunding of eight (8) personnel associated with Truck 91 which includes two (2) Fire Captains, two (2) Fire Apparatus Engineers, and four (4) Firefighter II's. Please consider this as our 120-day notice.

Please modify Exhibit "A" of the Cooperative Fire Protection Services Agreement to reflect these service level changes. Should you have any questions, please contact Abdul Ahmad at 951-486-6783.

Sincerely,

A handwritten signature in cursive script that reads "Michelle Dawson".

City of Moreno Valley

Council Summary

Reference # MV-14954-M0C2

Incident Date/Time: 3/28/2013 9:30:00 AM

Resolution Date/Time: 6/27/2013 8:30:00 AM

Taken By: Juliene Clay

Reporting Party Information

Name: Lori Nickel

Address:

City/ST/Zip: Moreno Valley CA

Hm Phone: [REDACTED]

Wk Phone:

Cell Phone:

Email: lonick9@aol.com

Case Location Information

Property Owner Name:

Address:

Cross Street Info: South of SR-60 Theodore St

Parcel # (if available):

Resolution Information

Response from Eric Lewis, City Traffic Engineer - Staff reviewed the existing sign inventory for the portion of Theodore Street cited and did not find any record of an existing Juan Bautista De Anza Trail sign. Additionally, plans for the recent area improvements indicated no existing sign to be replaced or relocated. Staff attempted to contact Ms. Nickel through several voicemails but never received a response. With no available records indicating the existence of the sign at the cited location and no response from the resident, no further action can be taken at this time.

Case Information

Issue Category: Transportation Engineering

Issue: Signs & Striping

Council District:

City of Moreno Valley

Council Summary

Issue Description: Please investigate Ms. Nickel's concerns and contact her with the results of your investigation.

Ms. Nickel called extremely concerned about a missing National Historic Trail marker sign for the Juan Bautista de Anza Trail (see attached image). She stated it was originally located along the south side of SR-60 almost at Theodore, but it was removed during the grading for the Skechers building. She stated the sign was to be replaced. Ms. Nickel stated she talked to someone verbally about the missing sign a year ago, but she hasn't heard a response, and the sign has not been replaced.

League of California Cities Latino Caucus

FYI: Our national League of Cities Latino Caucus, HELO, will be conducting a Leadership Retreat scheduled for Las Vegas, Nevada, August 15-17. Details below. We encourage you to attend this important event.

- President Diane Martinez

Save the Date for HELO's August Leadership Retreat

A Message from the HELO President Karen Avilla, City Treasurer, Carson, California

"As President of HELO, I invite you to participate in this year's HELO Leadership Retreat scheduled for Las Vegas, Nevada, August 15-17. I welcome your participation in this very important meeting designed to help HELO grow and strengthen its strategic planning with topics to explore such as: policy/advocacy development; water conservation issues; broadband communications; financial literacy programs; the importance of ethical practices for local officials (learning the do's and don'ts of ethics) and membership and leadership development, among others."

Hotel Reservation Information

Accommodations are provided at the New Tropicana Las Vegas, a DoubleTree by Hilton Hotel. Located in the heart of the Las Vegas strip, the New Tropicana is just three miles from McCarran International Airport and equipped with a 60,000 ft. conference center and other amenities. It also has a variety of award-winning dining options. Guest room space is limited, so make your reservations as soon as possible.

You may make your reservations in a variety of ways. Please call the hotel directly at 800-634-4000 and ask to be connected with reservations stating you are with the NLC HELO Board of Directors Leadership Retreat room block or mention the special code SNLC14. The guest rooms are \$80.00 with a 12% tax and \$9.99 resort fee per room, per night. The hotel reservation deadline is July 25, 2013.

Group rates will be honored three (3) days prior to the official start of the conference and three (3) days after the conference ends, based on hotel availability. Rates listed above exclude state and local taxes. Check-in is at 3:00 pm and check-out is at 11:00 a.m. All reservations must be guaranteed for arrival with a major credit card. Hotel information: The New Tropicana Las Vegas, 3801 Las Vegas Boulevard South, Las Vegas, NV 89109; phone: 1.800.GO2.TROP | 702.739.2222; <http://www.troplv.com>.

Subject: Press Release - Pedestrian Decoy Program

RIVERSIDE COUNTY SHERIFF'S DEPARTMENT
Sheriff Stanley Sniff
Moreno Valley Police Department

Press Release:

Type of Incident: Pedestrian Decoy Program
Date/Time Written: June 28, 2013 / 11:30 AM
Date/Time of Incident: June 28, 2013 / 08:45 AM
Location of Incident: John F. Kennedy Dr. X Pepper St., Moreno Valley
Reporting Officer: Sgt. Lee Tainter
File Number: Various

Pedestrian Decoy Program

MV00257318

Moreno Valley, CA -- In response to complaints from the public, the Moreno Valley Traffic Team conducted a Pedestrian Decoy Program today. The Department has received numerous complaints regarding motorists not stopping for pedestrians in various crosswalks and intersections throughout the City. The California Vehicle Code requires motorists to yield to all pedestrians in a crosswalk.

Today's operation was conducted at John F. Kennedy Dr. X Pepper St. This operation is just one aspect of the Department's Directed Enforcement Program. This program utilized an undercover police officer walking in the crosswalk. In previous operations many of the motorists stopped for these violations said they never saw the pedestrian in the crosswalk. In an effort to make our pedestrian more visible, he was dressed today in a large "Traffic Cone" outfit. Many motorists who were stopped today said they never saw the "Traffic Cone" in the crosswalk. Our goal is to make motorists more aware of their surroundings and to be vigilant while driving, especially near schools and crosswalks.

During today's one hour decoy program, 14 motorists received citations for "failing to yield to a pedestrian in a crosswalk" and 1 motorist received a citation for using their cell phone.

This program is scheduled to run throughout the year at various locations throughout the city. For additional information the Moreno Valley Police Department Traffic Division may be reached at [REDACTED]

The Riverside County Sheriff's Department is seeking applicants for Deputy Sheriff, Deputy Sheriff Trainee, Correctional Deputy, Sheriff's 911 Communications Officer, and other employment opportunities such as clerical and support positions. If you are interested in a career with us, please apply at www.joinrsd.org or call 1-888-Join-RSD

Subject: DUI crash and power outage

Good morning,

Today about 3:11 AM, officers responded to Wintergreen and John F. Kennedy reference a vehicle crashed into a power pole. The driver was arrested for DUI.

Edison responded to handle the power outage and determined approximately 20 homes northeast of the intersection are without power. Edison estimates power will be out for another 18 hours (as of 11:56 AM).

We will keep you updated.

Michelle,

When a hydrant has been covered in thus manner, it is to indicate to Fire Department personnel that the hydrant is out of service. I will have FP perform an inspection, confirm the status of the hydrant and identify the responsible party for restore.

In reviewing the photo, it is difficult to identify whether the hydrant is within the public right away or on private property.

Thank you,

Subject: Public safety

Michelle, as we're aware Box Springs Mutual Water District provides the residents of Edgemont with water.

However, The City of Moreno Valley remains responsible for the health and safety of all its residents.

Today I was in Edgemont and came across a fire hydrant that was covered with a burlap sack. I'm sending a picture for your purview (separately). It was taken on north side of Bay Street, east of Day Street.

What action can the city take?
There was a leak from this hydrant. Is it inoperable?

MV00257328

Please research this further and we can discuss soon.
Thanks!!

MORENO VALLEY FIRE DEPARTMENT
Announces

A NEW HIRE!

Who:

Alia Rodriguez

Position:

Emergency Management Program Manager
Office of Emergency Management

Effective Date:

Monday, July 1, 2013

The Fire Department congratulates Alia Rodriguez on her appointment to the position of Emergency Management Program Manager. Alia competed in an open and very competitive recruitment for this position.

Alia resides in the City of Riverside with her husband Dave and their family. Dave currently serves as a Fire Captain at Moreno Valley Fire Station 6 in Towngate. Alia comes to us from the Riverside County Fire Department's Office of Emergency Services, where she served as an Emergency Services Coordinator for the past two years in the Northwest Division cities of Jurupa Valley, Eastvale, Norco, Rubidoux, Moreno Valley, & Perris. Prior to that, she served for seven years as a Senior Public Safety Communications Officer within Riverside County Fire Department's Emergency Command Center. In her time with Riverside County, she has been instrumental in developing many programs related to emergency management and has delivered many CERT Classes as a CERT Program Manager for her area.

Alia holds numerous emergency management certifications through Cal EMA and FEMA. She has also earned two Bachelor's Degrees in Psychology and Human Development from Cal State San Bernardino, as well as a Master of Public Administration Degree from California Baptist University. Having a deep desire for learning and education, she has plans to pursue her Doctorate Degree in the future.

Alia looks forward to leading the City's Office of Emergency Management and getting both our residents and staff ready for any disasters that may affect our city...

Please join us in congratulating Alia on her appointment!

Mayor, Mayor Pro Tem, and Members of the City Council: We are so excited to share the news that Stater Bros. Markets is purchasing the vacant Albertsons located at Ironwood Avenue and Pigeon Pass Road. After discussions that appeared to have stalled, this actually came together very quickly and recently. John Terell, Tom DeSantis and I met with Mike Staton of Stater Bros. on May 26th and he indicated that they were resuming discussions for the store at that time. John has been providing information and other assistance during the process. Needless to say this is great news for the City and our residents. We will be posting this announcement on the City's web site as well as participating in other public relations activities.

**Stater Bros. Announces
New Blue Ribbon Moreno Valley Supermarket**

San Bernardino, California (July 1, 2013) – Stater Bros. has announced that the company has entered into an agreement to purchase the recently closed Moreno Valley Albertsons, located at the northwest corner of Ironwood Avenue and Pigeon Pass Road.

The NEW “Blue Ribbon” Stater Bros. Moreno Valley Supermarket will bring back a much needed full-service supermarket for the many residents north of Highway 60 and a revitalization for the neighborhood shopping center where it’s located.

This new Stater Bros. Moreno Valley Supermarket will be the fourth location for Stater Bros. in Moreno Valley and demonstrates Stater Bros.’ commitment to the Moreno Valley community it has served for over 34 years (since 1979). The three current Stater Bros. Supermarkets in Moreno Valley are located at 24931 Sunnymead Blvd, 25900 Iris Avenue, and 14425 Moreno Beach Drive.

Stater Bros. expects to take possession of the location from Albertsons in September. The Supermarket will subsequently undergo a major remodel and reopen as a state-of-the-art "Blue Ribbon" Stater Bros. Supermarket. A Grand Opening Celebration for the new Stater Bros. Moreno Valley Supermarket is planned before the end of the year.

The new 43,670 sq. ft. Stater Bros. Moreno Valley Supermarket will feature:

- Full Service Fresh Meat Department with famous Stater Bros. Butchers to serve you
- Full Service Fresh Seafood Department with experts to help with selection plus capability to season and fry on the spot
- Full Service Deli including fried and baked chicken, specialty sandwiches, wraps, taco plates, olive bar and much more
- Self Service Beverage Bar with New Coca-Cola "Freestyle" Fountain Drink Station featuring over 150 flavors of soda, ICEE Drinks, Ice Teas, Espresso, Specialty Coffees, Vanilla Latte and Hot Cocoa
- Full Service Hot Bakery with a full selection of Artisan breads and rolls, plus Ice Cream Cakes, special occasion cakes and cupcakes
- Full Service Floral Department for that special gift of fresh flowers, plants or floral arrangements
- Garden Fresh Produce Department featuring more than 800 items with expanded organic selections

The new Stater Bros. Moreno Valley Supermarket will also include many environmentally friendly practices:

- Addition of LED lighting in building signage and refrigerated display cases plus use of glass doors and curtains in refrigerated cases that reduce energy usage by 60%
- New lighting system that uses dimming ballasts, energy efficient lamps and occupancy sensors
- Energy Management System that controls refrigeration, HVAC, Demand Response, and lighting
- Recycling Center located inside for customers to recycle paper and plastic grocery bags
- Earth-conscious alternatives such as Large Grocery Bags made with 100% recycled paper and Reusable Bags for purchase

"Since 1979, Stater Bros. has proudly served the community of Moreno Valley, and the Stater Bros. Supermarket Family is especially proud to offer this modern and environmentally friendly Stater Bros. Supermarket to better serve our long-time and 'valued' Moreno Valley Customers," stated Jack H. Brown, Chairman and Chief Executive Officer of Stater Bros.

Stater Bros. is the largest privately owned Supermarket Chain in Southern California and the largest private employer in both San Bernardino County and Riverside County, with annual sales in 2012 of \$3.9 billion. The Company currently operates 166 Supermarkets, and there are over 18,000 members of the Stater Bros. Supermarket Family.

STATER BROS ... PROUDLY SERVING SOUTHERN CALIFORNIA FAMILIES FOR 77 YEARS

Subject: Gang shooting - conviction

Good morning,

I am happy to report that the MVPD SET Gang Team has struck another significant legal blow against a local criminal street gang. On February 09, 2012, officers responded to the Racquet Club Apartments reference a shooting involving members of the local criminal street gang known as "Sex, Cash, Money." Two victims were identified and interviewed. One sustained gunshot wounds to the back and leg, the other was not injured. The wounded victim was treated at RCRMC and survived his injuries. SET Gang officers quickly identified four suspects involved in the attempted murder. Officers obtained search warrants for two different locations and recovered the handgun used in the shooting. Three of the four suspects were taken into custody and booked into jail on two counts of attempted murder and gang enhancements. A fourth suspect, a female, was later arrested and booked for her part in the crime. Gang officers interviewed the suspects and obtained a confession from the shooter.

Jury trial in this case began on June 17, 2013 and concluded on June 28, 2013. All three male suspects were convicted of attempted murder with gang enhancements. The female suspect pled guilty to being an accessory to the crime and gang enhancements and did not stand trial. Suspects convicted are as follows:

Jeremy Walker (18) – Facing a sentence of up to 80 years to life in prison
Daquan Branch (19) – Facing a sentence of up to 60 years to life in prison
Caleb Henderson (20) – Facing a sentence of up to 60 years to life in prison

Lareka Davis (33) – Pled guilty, testified against the others and received a sentence of 4 years in prison

Actual sentencing will occur later this month and I will update you with the sentences handed down. I believe it is safe to say these violent criminals will be held behind bars for the next several decades and that Moreno Valley residents will be safer as a result.

Joel

Hi,

Sending revised comments for Council Member Baca – that include the Stater Bros. announcement!

Michele

GOOD MORNING! I AM VICTORIA BACA, COUNCIL MEMBER FOR DISTRICT 5, HERE TO GIVE YOU A QUICK UPDATE ON THE LATEST HAPPENINGS AT CITY HALL.

NEW CITY HALL HOURS

I AM PLEASED TO ANNOUNCE THAT AFTER FOUR YEARS OF HAVING A CITY HALL THAT IS CLOSED ON FRIDAYS, DEVELOPMENT SERVICES WILL NOW BE AVAILABLE ON THE 2ND AND 4TH FRIDAYS. PLUS, CITY HALL HOURS HAVE BEEN EXTENDED TO 6:00 P.M. MONDAY THROUGH THURSDAY. THE EXPANDED HOURS ARE SET TO BEGIN MONDAY, JULY 8. FRIDAY HOURS WILL BE FROM 7:30 A.M. TO 1:30 P.M. THE FRIDAY SCHEDULE AND NEW EXTENDED HOURS ARE POSTED ONLINE AT WWW.MOVAL.ORG.

CITY HALL OFFICE HOURS WERE REDUCED IN 2009 TO HELP BALANCE OUR BUDGET DEFICIT. WHILE WE STILL FEEL THE IMPACTS OF THE GREAT RECESSION, ECONOMIC RECOVERY HAS BEEN EMERGING. A BALANCED BUDGET, EXCELLENT CUSTOMER CARE, AND A PROACTIVE BUSINESS AND DEVELOPMENT ENVIRONMENT IS HOW MORENO VALLEY IS MOVING FORWARD AT CITY HALL.

FRIDAY SERVICES INCLUDE RESIDENTIAL AND COMMERCIAL DEVELOPMENT SUPPORT, LIMITED BUSINESS LICENSE, CODE COMPLIANCE AND CASHIER. COME ON IN AND LET'S DO BUSINESS!

4TH OF JULY

THIS YEAR'S 4TH OF JULY CELEBRATION WILL KICK OFF WITH A PARADE FROM 9:30 A.M. TO NOON. THE PARADE ROUTE BEGINS AT ALESSANDRO, HEADS NORTH ON FREDERICK, GOES WEST ON TOWNGATE AND ENDS AT THE TOWNGATE PLAZA AROUND NOON.

THE FUNFEST CONTINUES AT MORRISON PARK AND MOUNTAIN VIEW MIDDLE SCHOOL. GATES OPEN AT 1:00 AND THE FESTIVAL BEGINS AT 2:00 WITH FOOD, ARTS AND CRAFTS, GAME BOOTHS, CLOWNS AND ENTERTAINMENT. THIS YEAR WE WILL AGAIN HAVE A BEER AND WINE GARDEN. DEPENDING ON WHAT TIME YOU GET THERE, AN ENTRY FEE MAY BE CHARGED TO GET INTO THE FESTIVAL AND THERE MAY BE A MINIMAL FEE FOR THE VARIOUS ACTIVITIES, SUCH AS THE BOUNCERS AND GAME BOOTHS.

THIS IS GOING TO BE THE BEST 4TH OF JULY SHOW EVER. WE ARE PROVIDING TWO STAGES WITH EXCELLENT ENTERTAINMENT:

- AT 2:00 P.M., THE EXCITEMENT BEGINS WITH LOCAL PERFORMERS.
- AT 3:00 P.M., A PERFORMANCE BY PACIFIC CREST BAND
- AT 4:00 P.M., A PERFORMANCE BY "MRS. JONES REVENGE" WITH A TRIBUTE TO CLASSIC ROCK
- AT 5:45 P.M., A PERFORMANCE FROM "GHOST IN THE MACHINE" WITH A TRIBUTE TO POLICE AND STING, AND
- AT 7:30 P.M., A PERFORMANCE BY THE "HOLLYWOOD STONES," WHICH IS A TRIBUTE TO THE ROLLING STONES.

- AT 9:00 P.M., THE GRAND FINALE, THE FUN FEST CONCLUDES WITH A FIREWORKS EXTRAVAGANZA SIMULCAST WITH PATRIOTIC MUSIC BY KOLA (99.9 FM).

PRESALE TICKETS ARE AVAILABLE AT THE CONFERENCE AND RECREATION CENTER NOW THROUGH JULY 3. THE COST IS \$2 PER PERSON OR \$10 FOR A FAMILY OF UP TO 6 PEOPLE. ON JULY 4, ENTRY IS FREE FROM 1:00 TO 4:00. AFTER 4:00 P.M., THE ENTRY FEE IS \$3 PER PERSON. MILITARY SERVICE MEMBERS AND CHILDREN UNDER 5 ARE FREE.

PROPANE BARBEQUES ARE WELCOMED THIS YEAR AS ARE CANOPIES, WE JUST ASK THAT YOU TAKE THEM DOWN BEFORE 4:30. REMEMBER, THERE WILL BE A MANDATORY SEARCH OF ALL BAGS AT THE ENTRANCE AND FESTIVAL GATES ARE SUBJECT TO CLOSE AFTER 6:00.

ANIMAL SHELTER OPEN ON WEEKENDS

STARTING THIS SATURDAY, THE MORENO VALLEY ANIMAL SHELTER WILL BE OPEN EVERY DAY ALL WEEKENDS (FRIDAY, SATURDAY & SUNDAY) TO MAKE IT EASIER TO ADOPT AND RECLAIM PETS.

THE ANIMAL SHELTER'S NEW OPERATING HOURS WILL 9:30 TO 6:00 WEEKDAYS AND OPEN UNTIL 5:00 ON WEEKENDS. WE WILL BE CLOSED ON TUESDAYS AND THURSDAYS.

TO HIGHLIGHT THE NEW HOURS, WE'LL BE HOSTING A SPECIAL PET ADOPTION EVENT ON SUNDAY, JULY 7TH FROM 10:00 A.M. TO 5:00 P.M. AND WE WILL BE OFFERING DISCOUNTED ADOPTION

FEEES FOR ALL ADOPTABLE DOGS AND CATS. ANYONE VISITING THE MORENO VALLEY ANIMAL SHELTER ON SUNDAY, JULY 7TH WILL HAVE THE OPPORTUNITY TO ADOPT A CAT OR KITTEN FOR ONLY \$15.00 AND A DOG OR PUPPY FOR ONLY \$40.00!

NEW BUSINESSES

FINALLY, CITY DEVELOPMENT SERVICES STAFF ARE ASSISTING TWO NEW BUSINESSES THAT WILL REOCCUPY THE FORMER STAPLES IN THE TOWNGATE SHOPPING CENTER:

- **ULTA BEAUTY IS WORKING ON TENANT IMPROVEMENTS FOR THEIR HALF OF THE BUILDING. LOOK FOR ULTA TO OPEN THIS SUMMER.**
- **BEVMO IS IN PLAN CHECK FOR THE TENANT IMPROVEMENT'S FOR THE OTHER HALF OF THE BUILDING. THEY ARE TARGETING AN EARLY FALL OPENING.**
- **STATER BROS. ANNOUNCEMENT**

THE CITY OF MORENO VALLEY WELCOMES STATER BROS. TO THE NORTHWEST CORNER OF IRONWOOD AVENUE AND PIGEON PASS ROAD. THE NEW STATER BROS. WILL BRING BACK A FULL-SERVICE SUPERMARKET FOR THE RESIDENTS NORTH OF HIGHWAY 60.

THE STATER BROS. WILL FEATURE:

- FULL-SERVICE MEAT, SEAFOOD, AND FLORAL DEPARTMENTS,
- A DELI AND HOT BAKERY
- A SELF-SERVICE BEVERAGE BAR AND
- A GARDEN FRESH PRODUCE DEPARTMENT

THE GRAND OPENING FOR THE NEW STATER BROS. IS
PLANNED BEFORE THE END OF THE YEAR.

Subject: Notice of Intention to Circulate Recall Petition

Mayor Owings & Council Members:

Please be advised that the Notices of Intention to Circulate Recall Petitions for Mayor Pro Tem Marcelo Co, Council Members Richard A. Stewart and Jesse Molina are valid. A second NOI for Council Member Stewart was filed in my office on June 26, 2013 and is also valid. Signature verification by the County has identified the proponents as registered voters in the City. The **original** NOI, Proof of Service and a copy of E.C. 11023 were filed. The NOI complies with E.C. 11020.

The incumbents may file an Answer/response to the recall notice. Answers/responses to the recall notices need to be served by personal delivery or certified mail to the proponent.
The deadlines to file/serve answers are as follows:

For Mayor Pro Tem Co – by July 2

For Council Member Stewart – to the first recall notice by July 2; to second notice by July 3 – (received both responses today, 7/1/13)

For Council Member Molina – by July 3

Let me know if you have any questions.

Thank you.

Resolution Information

Police Chief Joel Ontiveros responded on June 27, 2013.

We have contacted this person on numerous occasions and offered her assistance. She is not interested in assistance, does not have any warrants out for her arrest, and is not committing any crimes. Sgt. Mooney and the POP Team have coordinated with the C.A.R.E. program and Riverside County Mental Health Department, and those organizations are in the process of trying to find alternative living arrangements for her.

Case Information

Issue Category: Police Administration

Issue: Homeless

Council District: 2

City of Moreno Valley

Council Summary

Issue Description: Please investigate Mr. Glover's concerns on behalf of Council Member Stewart and advise him of the outcome.

Mr. Glover stated there is a vagrant woman who sits on the sidewalk on Sunnymead Blvd. across from Burger Town, and she refuses to move. He stated the POP team told him there is nothing they can do to move her.

Subject: Notification: Fire

Honorable Mayor and City Council,

The Fire Chief has informed us of a significant firefighting activity at a storage complex on Perris Blvd, between Red Maple and Krameria.

Approximately 26 storage units are currently engulfed, and the fire has reached 3rd Alarm status.

Chief Ahmad anticipates that firefighters will be on scene for an extended period, perhaps as long as 6 hours. In the meantime, CalFire has dispatched equipment and crews to staff stations in our City while assigned crews are responding to this event.

Councilman Co has been briefed on this situation; we're sending this notification to the Mayor and Council due to the size and anticipated duration of this event.

Respectfully,

Tom

Subject: 2012 California Law Enforcement Challenge

Good morning,

I am happy to report that the Moreno Valley Police Department's Traffic Team has once again won the California Law Enforcement Challenge (2012). The MVPD Traffic Team competes against all other agencies in the state staffed with between 176 and 225 sworn peace officers.

As you can see below, the Traffic Team has won the challenge 7 times during the past 9 years. The Traffic Team also won a special award for bicycle and pedestrian safety in 2012. We eagerly await the results of the 2012 National Law Enforcement Challenge and will report back once they are known.

The Moreno Valley Police Department and the MVPD Traffic Team are dedicated to making Moreno Valley one of the safest communities in the state and in the nation. Please join me in congratulating the MVPD Traffic Team for another year of outstanding service and dedication to duty!

California Law Enforcement Challenge:

2003 – 1st place
2004 – 1st place
2005 – 1st place
2006 – 2nd place
2007 – 1st place
2008 – 2nd place
2010 – 1st place
2011 – 1st place
2012 – 1st place

Special Award:

2004 – Occupant Protection
2005 – Occupant Protection
2006 – Occupant Protection
2007 – Occupant Protection
2010 – Speed Awareness
2011 – Speed Awareness
2012 – Bicycle/ Pedestrian Safety

National Law Enforcement Challenge:

Subject: Fraud arrest

Good afternoon,

On June 03, 2013, the MVPD Detective Unit conducted an investigation into allegations that a married couple living in the 26000 block of Oshua Drive were involved in Section 8 housing assistance fraud. Further investigation was conducted by HUD and it was determined the couple had fraudulently received more than \$16,000 in government assistance during the past 7 years. On 7-02-13, Investigators contacted the suspects at their residence and took them into custody without incident.

Suspects Larry McNair (40) and Porchia McNair (39) were arrested and booked into RPDC for defrauding a government entity, perjury, and theft by a false written statement. The HUD Program Integrity Officer was notified and will conduct a separate investigation to determine if future benefits should be denied. Restitution for the fraudulently obtained funds will be requested by the DA and/or HUD.

Incident Description

At 0949 hours units of the Moreno Valley Fire Department, Perris Fire Department and the Riverside County Fire Department responded to a reported commercial structure fire at Extra Space Storage on Perris Boulevard near Red Maple Drive. The first arriving units found what appeared to be 5, 10' x 15' storage units with heavy, black smoke issuing from their front roll-up doors. As firefighters began to attack the fire, it was discovered that approximately 10 smaller units connected to the rear of the affected structure were also involved. The fire appeared to be travelling laterally across the ceiling of the large concrete block and metal structure and rapidly involving additional units. The fire was fed by ceiling-mounted insulation and an extremely heavy load of stored material in each of the units. Firefighters struggled in 96 degree temperatures

Subject: RE: TownGate Facility

Hi Victoria,

I checked on the cost of the Conference and Recreation Center Ball Room and the Council Chamber. These are the two largest rooms that will hold 200 people.

The Ball Room will easily hold 200 plus people. The cost is between \$900 to \$1,000 which includes the price of the rental, staff time, security, etc. If food is served, the cost for the Ball Room will be more.

The Council Chamber holds 193, and 40 to 45 chairs can be set up in the Chamber lobby. The cost for the Council Chamber is \$15.34 per hour for security.

I have been asked if this would be a Saturday or a weekday. Do you have a day/date in mind? Will food be served?

Please let me know if you would like me to book a room, so I can check dates for whichever room you are looking at.

Juliene

Subject: City Manager's Update on Several Items Affecting the Organization

The following are a number of items that affect the City organization that I want to share with you:

2-Year Balanced Budget Adopted: On June 11th, the City Council adopted a two-year budget that, *for the first time since 2008, is balanced without the use of reserves*. Doing so required significant expenditure cuts, including reductions in our law enforcement contract with the Sheriff that equate to the loss of 25 police officers and the removal of a fire truck from service which represents the loss of 8 firefighter positions. We appreciate the cooperation of Fire Chief Abdul Ahmad and Police Chief Joel Ontiveros as they worked with City staff to help us balance the budget. Special thanks to Budget Officer Marshall Eyerma for his hard work and expertise in preparing the budgets for FYs 2013/14 and 2014/15.

New MOUs: Restored Work Hours and Pay: Last week, the City Council approved new memoranda of understanding with the employee associations that *eliminate half of the furlough in place since 2009 and restore 5% of employee pay*. Employee schedules will change beginning July 6th; the corresponding 5% increase in earnings will appear in paychecks issued on July 25th. Among the other items that are included in the MOUs:

- Administrative Leave (MVCEA Only): the City Manager (or Department Head as delegate) may grant limited administrative leave to recognize extraordinary service;
- Employees enrolled in family coverage will receive an additional monthly contribution by the City of \$150 to help defray increased health insurance costs;
- Public Service Recognition annual payment of \$500 per employee, prorated (\$250) for career part-time employees, to be distributed the first payday in December.

The full MOU documents are available for review on the Human Resources web page on the intranet.

Extended Service Hours: An announcement with the new work schedules and hours has already been distributed for your information. While we anticipate that Fridays will be quiet initially, we believe that these extended hours will enhance our development partners' ability to get business done in Moreno Valley and result in additional revenue for the City and jobs for our residents. Thank you to our team members in Planning, Building & Safety, Land Development, Fire Prevention, Treasury Operations (cashier), Transportation/Traffic Engineering and Technology Services.

Casual Dress Day Changed to Friday: With the addition of Friday public service hours, I am extending special accommodations to those employees who will be working on Fridays. To do so, I am modifying the Workplace Image Policy *to designate Fridays as casual dress days rather than Thursdays*. What this also means is that standard professional business attire is to be worn Monday-Thursday of each week (with the exception of employees who wear uniforms or other clothing unique to their specific assignments). This change takes effect on Monday, July 8th. Additional guidance will be forthcoming regarding the Summer Dress Policy.

Library Outsourcing: Last week, the City Council approved my recommendation to outsource the operation of the Moreno Valley Public Library to a private contractor (LSSI). We initially explored this option when

developing the Deficit Elimination Plan two years ago, but decided at that time not to pursue contracting this service. Based on our ongoing structural deficit and Council's direction to present a balanced budget without the use of reserves, this year I contacted LSSI again and asked them for a specific proposal which was reviewed along with a proposal prepared by the Library staff. To summarize, my recommendation to outsource is based upon the fact that ***LSSI can save the City at least \$250,000 annually and provide enhanced services to the public by keeping the Library open 7 days per week (it is currently open 5 days) while tripling the annual budget for books and materials.*** Unfortunately the result of this action is that current City Library employees, whose dedication and loyalty to our Library is without question, will be laid off. LSSI has committed to interviewing all current Library employees and giving them priority for employment opportunities within the LSSI-operated library system (they currently operate 35 library branches in Riverside County). The City will maintain control over library services, the facility, etc. The target date for the transition is September 9.

Crossing Guard Outsourcing Recommendation: The July 9th Council meeting agenda includes a recommendation to outsource the City's crossing guard program. The recommended action would achieve a budget savings of just over \$100,000 annually and would result in the layoff of the City's current crossing guard employees (33 regular / 10 alternate guards -- all of whom are part-time employees -- one part-time Assistant Supervisor, and one full-time Supervisor). However, as a condition of the proposed agreement, the contracting agency, All City Management Services, will offer employment to all qualified employees of the City's crossing guard program at their current hourly rate.

As always, thank you for all of your hard work and dedication to the City of Moreno Valley. I hope you and your families have a safe and fun holiday weekend!

Subject: Recall Process

Mayor Owings & Council Members:

I want to keep you informed of the recall process from this point.

The proponents for the recall of Council Members have 10 days from the date the Response/Answer is filed in the Clerk's office to submit their Petition Forms. From that point the Clerk has 10 days to approve/reject the Petition Form. The proponent would have 10 days to correct any deficiencies. Once the Petition Form is approved and the proponent is notified, the signature gathering process can begin. Proponents will have 120 days to gather signatures of 20% registered voters in the district to qualify for an election. Please see the number of registered voters and number of signatures required below.

These are estimates and the numbers are based on last County report to the Secretary of State. The numbers could change slightly when the petition is approved.

District #1 – 15,148 - 20% is 3,030
District #2 – 19,622 - 20% is 3,924
District #3 – 17,717 – 20% is 3,543
District #4 – 16,219 – 20% is 3,244
District #5 – 14,390 – 20% is 2,878

If the proponents are successful in obtaining the required signatures, the Council has 14 days from the Council meeting date at which the petition is certified as sufficient to call the election to be held not less than 88, nor more than 125, days after the issuance of the order. The election will consist of (1) the question to recall the officer and (2) (a) the names of the candidates nominated to succeed the officer sought to be recalled and (b) write-in spaces. If the proponents take the full 120 days and with the 30 day County signature verification, it will be close to January 2014 when the item would go to a Council Meeting. Then with the legal mandate of not less than 88 days and not more than 125 days, an election could be held between April 26 – June 1, 2014 time period.

I am waiting on the County for a cost estimate and elections dates in the Spring and will forward the info to you.

Let me know if you have any questions.

Thank you.

Victoria,

There is no set date in the Election Code for the publication, but it has to be early on in the process because they are bound per Election Code to submit a copy with the Petition Form for approval by the City Clerk and if approved they can start their signature gathering.

**Financial and Management Services
Special Districts Division**

MEMORANDUM

To: Honorable Mayor and City Council Members
From: Candace E. Cassel, Special Districts Division Manager 
Approval: Richard Teichert, Chief Financial Officer
Copy: Michelle Dawson, City Manager
Date: July 3, 2013
Subject: Hidden Springs Residents Committee – Zone E-2 Award of Contract

Staff met with two representatives of the Hidden Springs Residents Committee (HSRC) to discuss concerns expressed in emails received regarding the June 25th agenda item to award a Landscape Maintenance Services contract for CSD Zone E-2, Hidden Springs. At the conclusion of the meeting, the residents advised that they are comfortable with award of the contract as outlined in the staff report.

As a result of the RFP process, the 2013/14 Zone E-2 budget is under budget by \$10,000 for this service. Preliminary numbers suggest that Zone E-2 will also have its reserves fully funded by the end of Fiscal Year 2013/14, leaving a surplus in funds to reinvest into the landscaping. This is, however, subject to the audit which is expected to be completed before the end of the calendar year.

Over the next several months, staff will work with the residents to identify priorities on how best to reinvest the \$10,000 savings into the landscaping, as well as utilizing \$3,000 of unused funds which were designated for replants from the 2012/13 fiscal year and the \$3,000 budget for replants within the 2013/14 fiscal year (total \$16,000). The 2012/13 replants were unable to occur due to backflow thefts during the ideal planting season.

Staff will be working with the HSRC to identify specific projects and prioritize them. The priority list will provide the starting point for reinvestment of Zone E-2 funds confirmed as surplus upon completion of the audit. Provided we have the financial resources

during the 2013/14 fiscal year, any necessary budget adjustments will be presented for Council consideration during the City's mid-year budget review process which is tentatively scheduled for February 2014.

In addition to the three regularly scheduled Hidden Springs Residents Committee meetings each year, staff will also meet with HSRC representatives every other month to discuss specific areas of concern. Staff will also attend a special meeting of the HRSC's (either August or September), prior to its next regularly scheduled meeting in October, to receive concurrence and/or direction on the initial \$16,000 landscape reinvestment from property owners who attend the HSRC meetings.

Subject: Announcing our new Principal Accountant - Debbie Rosales

The Financial Operations Division of Financial & Management Services would like to congratulate and welcome Debbie Rosales on her appointment to Principal Accountant. Debbie competed in an open and competitive recruitment for this position and joined the City in late June.

Debbie is happy to be back in Southern California where she lived for more than 30 years before relocating to Arizona. She earned her Bachelor's Degree from Webster University in 2002. The knowledge she gained while working for Northrop Grumman for more than 15 years, plus extensive experience in local government, has given her a broad depth of knowledge in accounting for capital projects, capital assets, cash management, fund financials, and grants. Coming to Moreno Valley also allow Debbie a personal opportunity to be closer to her son, who is currently serving in the Marine Corps and is stationed at 29 Palms.

Debbie looks forward to leading the Accounting and Accounts Payable staff, and providing City management with financial reporting and support as we enter our new Fiscal Year.

Please join me in congratulating Debbie on her appointment.

Rick Teichert
Chief Financial Officer
City of Moreno Valley

Special Districts Division**

MEMORANDUM

To: Honorable Mayor and City Council Members
From: Candace E. Cassel, Special Districts Division Manager 
Approval: Richard Teichert, Chief Financial Officer
Copy: Michelle Dawson, City Manager
Date: July 3, 2013
Subject: Hidden Springs Residents Committee – Zone E-2 Award of Contract

Staff met with two representatives of the Hidden Springs Residents Committee (HSRC) to discuss concerns expressed in emails received regarding the June 25th agenda item to award a Landscape Maintenance Services contract for CSD Zone E-2, Hidden Springs. At the conclusion of the meeting, the residents advised that they are comfortable with award of the contract as outlined in the staff report.

As a result of the RFP process, the 2013/14 Zone E-2 budget is under budget by \$10,000 for this service. Preliminary numbers suggest that Zone E-2 will also have its reserves fully funded by the end of Fiscal Year 2013/14, leaving a surplus in funds to reinvest into the landscaping. This is, however, subject to the audit which is expected to be completed before the end of the calendar year.

Over the next several months, staff will work with the residents to identify priorities on how best to reinvest the \$10,000 savings into the landscaping, as well as utilizing \$3,000 of unused funds which were designated for replants from the 2012/13 fiscal year and the \$3,000 budget for replants within the 2013/14 fiscal year (total \$16,000). The 2012/13 replants were unable to occur due to backflow thefts during the ideal planting season.

Staff will be working with the HSRC to identify specific projects and prioritize them. The priority list will provide the starting point for reinvestment of Zone E-2 funds confirmed as surplus upon completion of the audit. Provided we have the financial resources

during the 2013/14 fiscal year, any necessary budget adjustments will be presented for Council consideration during the City's mid-year budget review process which is tentatively scheduled for February 2014.

In addition to the three regularly scheduled Hidden Springs Residents Committee meetings each year, staff will also meet with HSRC representatives every other month to discuss specific areas of concern. Staff will also attend a special meeting of the HRSC's (either August or September), prior to its next regularly scheduled meeting in October, to receive concurrence and/or direction on the initial \$16,000 landscape reinvestment from property owners who attend the HSRC meetings.

Subject: RE: interchange

Council Member Stewart – here is the latest construction schedule:

The intersection of Box Springs Road and Morton Road is scheduled to be completed by mid - August. This will include paving on Box Springs Road between Box Springs/RT60 ramps and Morton Road and the modification of the traffic signal on Box Springs Road at Morton Road (no more red flash).

For the freeway elements:

Completion of the RT 60 W/B HOV lane – by November 2013
Completion of 215 N/B HOV lane – by November 2013

The RT 60/E/B HOV lane is completed and is in use by RT 60 W/B traffic at this time.

The entire East Junction project should be completed by November of this year, approximately four months ahead of the schedule.

If you need anything further, please let me know.

Thank you.

Councilwoman: the following includes some of the information you requested; I will forward answers to the outstanding items as soon as I receive it.

--Michelle

From: Michelle Dawson
To: Patty Posey; Ahmad Ansari; Joel Ontiveros; Eric Lewis; Richard Teichert
Cc: John Terell; Tom DeSantis
Subject: Baca questions re: Code, PD, Traffic Engineering and Finance

Please see the following items for Council Member Baca and provide follow up responses:

Finance:

- How much is the City receiving in revenues from the Skechers facility? (Rick) **Skechers contributes approximately \$400,000 annually to the General Fund through property tax, sales tax, utility tax (electric), franchise fees (electric), and business license fees. They pay \$33,000 per year for CSD Zone M (median landscaping) and \$52,000 for CSD Zone A (Parks and Community Services). These figures do not include their utility bill to MVU, employee spending while in town, etc.**

Code/PD:

- Can we conduct a "sweep" of Edgemont specifically focused on cars parking on lawns? (Patty) . **Code will set up a sweep on parking on the unimproved surface this week or next.**
- There is a motorhome and tow truck parked at the end of Gina Street; why aren't they being ticketed for street sweeping parking violations and/or inoperable vehicle (re: the RV)? (Patty) . **PD has looked for the RV several times and it appears to have moved on. Code will have the parking control patrol the area of Gina and provide enforcement.**
- The end of Gina is boarded up; who is responsible for this (apparently the neighbors have gotten together and replaced or repaired the boards in the past but the Council Member would like to know whose responsibility this is)? (Patty) **The fence at the dead end is in good condition and secure, the wooden fences on the properties at the end of Gina will be the property owner's responsibility to maintain and repair.**
- The RV referenced above is surrounded by trash which the street sweeper doesn't collect, concerned there is something illicit going on in the RV. Can you please check and confirm that the RV is still there and refer to PD? (Patty/Joel) **see above**
- Please review length of Dracaea for illegal dumping (Patty) **Code will conduct an inspection on Dracaea and open cases accordingly for illegal dumping/ trash and debris.**
- Why is Arvonna at Dracaea closed off? (photos forwarded under separate e-mail) (Patty) . **Arvonna is a privately owned parcel and the owner has fenced off the parcel to prevent illegal dumping in the area. I can see in the photos that the property is in need of some maintenance and a case will be opened.**

PD/Transportation Engineering:

- Day Street appears to be a "speed trap" as the speed limit reduces quickly for southbound traffic as you approach the recently improved section. What information can we provide re: this? (Ahmad/Joel)

Transportation Engineering:

- At the building at the NW corner of Dracaea and Gina they conduct AA mtgs or something similar and when that occurs it is a parking nightmare for the residents and a site distance hazard for drivers trying to turn west off Gina onto Dracaea. Is there anything we can do? (Ahmad)
- The tract at Brentwood north of Dracaea gets a lot of traffic, can you please provide the Council Member with the process and application for speed humps for this neighborhood? (Ahmad)

Thanks for your help!

--Michelle

Subject: Search warrant - Section 8 fraud and gang activity

Good evening,

Today about 2:30 PM, MVPD SET Team officers served two simultaneous search warrants in the 11000 block of Rocky Ridge. This enforcement action was taken in response to numerous complaints of gang activity and multiple calls for service at the targeted residences over the past 12 months. Calls for service ranged from misdemeanor disturbances of the peace to felony assaults with a deadly weapon. With the help of HUD, officers learned that one of the residents involved was receiving Section 8 housing assistance. Much of the activity at the residence was in direct conflict with the requirements of HUD and constituted potential fraud against HUD.

At one residence, officers discovered a small amount of marijuana and documentation confirming the suspect lied on her application to HUD for Section 8 assistance. The false statements allowed the suspect to fraudulently collect more than \$36,000 in aid. The suspect, Kimby Smith (35) was arrested and booked into RPDC for defrauding a government entity, perjury, obtaining aid by fraud, and providing a false written document to gain funds. A second suspect, Audrey Jones (55) was arrested at the residence for an active felony warrant unrelated to the fraud. She was also booked into RPDC.

According to several neighbors, this residence was a hotbed of criminal activity that created a very unpleasant atmosphere for other residents in the area. We are confident this case will end in a conviction and that HUD will permanently discontinue Section 8 assistance to this suspect. Of course, we will seek restitution for the \$36,000+ she fraudulently obtained. It is very likely this enforcement action will improve the quality of life for many citizens living in the area.

I will report on the second warrant in a separate notification.

hours open for business

WE'RE BACK ON FRIDAYS TO SERVE YOU. After four years with city hall closed on Friday's. Moreno Valley city hall will now have development services staff available on the 2nd and 4th Fridays from 7:30 a.m. to 1:30 p.m., plus Monday through Thursday hours have been extended to 6:00 p.m.

The office hours were reduced in 2009 in response to a significant budget deficit. While the impacts of the Great Recession can still be felt in Moreno Valley, signs of economic recovery are continuing to emerge. A balanced budget, excellent customer care, and a proactive business and development environment is how Moreno Valley is moving forward at City Hall.

Come on in and let's do business!

New Year / New Budget

The City has adopted two-year operating budgets to plan for services available to Moreno Valley citizens and businesses. The two-year cycle began on July 1, 2013.

This General Fund budget is significant because of the deficit that has persisted for several budget cycles. The extended economic recession continues to produce shortfalls in revenues, plus, the cost of providing services continues to rise. Combined, this situation is leading to the erosion of City services. The resulting budget preserves core levels of service while absorbing reductions, including some in the public safety services. This is necessary because Police and Fire represent approximately 72% of the General Fund. With cuts in personnel and operations that already occurred over the last several years, there are few alternatives left.

In the case of Police, there will be reductions to the special team forces that address issues such as traffic, gangs, narcotics and specialized detective activities.

In the case of Fire, the major impact will be the anticipated closing of the Morrison Park Station 99 or the discontinued use of a fire truck.

Library Services under the provisions of the Library Services and Technology Act, a federal grant program administered in California by the State Librarian.

4th of July Safety

The 4th of July is one of the biggest holidays of the year. People enjoy barbeques, picnics and huge fireworks displays. Unfortunately, in the pursuit of fun, safety often gets overlooked. This is when accidents happen. However, many accidents are preventable by taking very simple precautions and by making safety a top priority.

The Moreno Valley Fire Department would like to remind all residents and visitors that personal use of fireworks is illegal in Riverside County; meaning that you may not sell, purchase, transport, store or use fireworks in the County.

The cities of Blythe, Coachella, Cathedral City, Desert Hot Springs and Indio are the only cities that allow the sale and use of State Fire Marshal approved "Safe and Sane" fireworks. Fireworks purchased in these cities must not be transported, used or possessed outside of the cities in which they were purchased.

To report the use of illegal fireworks in non-emergency situations: 951-776-1099 or 1-800-950-2444. During the first week in July, please visit our website at www.rvcfire.org and follow the link to view a list of approved public fireworks shows for the 2013 July 4th holiday.

4th of July Responsible Drinking

Here are a few safety tips to help keep your 4th of July holiday fun, safe and enjoyable.

- You and your guests must make sure you are drinking responsibly. If you let someone leave your home after they've had one too many of your cocktails, you could be at fault if something happens to them or someone else.
- If you will be serving alcohol at your 4th of July party make sure to have designated drivers to drive those who will be drinking home.
- For everyone's safety, do not let people who are drinking cook foods on the grill or light fireworks. This can cause serious injury or fire.

CHOC Children's Drowning Prevention Program

Do you want to escape the heat?
Visit a Cool Center!

Beat the Summer Heat!

Many simple measures can be taken to significantly reduce the chance of getting heat exhaustion and heat stroke.

Everyone is at risk when temperatures rise above 90 degrees, but the elderly and the very young are most susceptible.

Signs of heat-related illnesses include nausea, dizziness, flushed or pale skin, heavy sweating and headaches.

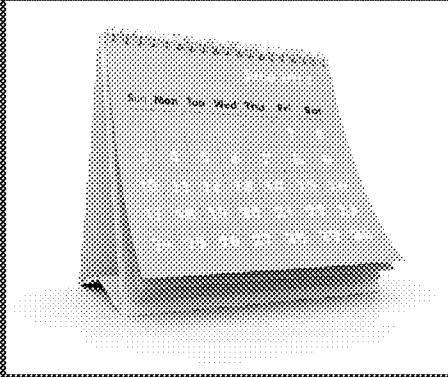

Victims of heat-related illness should be moved to a cool place, given cool water to drink and ice packs or wet cloths should be applied to the skin. If a victim refuses water, vomits or loses consciousness, call 9-1-1 or your local emergency number immediately.

Tips to Prevent Heat-Related Illness:

- Never leave infants, children or the frail elderly unattended in a parked car.

our Community Calendar.

- Drink plenty of fluids. Don't wait until you're thirsty.
- Dress in lightweight, loose-fitting clothing. Use a hat and sunscreen as needed.
- Drink fruit juice or a sports beverage to replace salts and minerals lost during heavy sweating.
- During the hottest parts of the day, minimize hysical activities nd stay indoors in air-conditioning / out of the sun.
- Use fans as needed.
- Use cool compresses, misting, showers and baths.
- Avoid hot foods and heavy meals-they add heat to the body.
- Avoid alcohol and caffeine, which dehydrate the body.

Visit a Cool-Center

Community Action Partnership of Riverside County is coordinating Cool Centers to provide drop-in sites for individuals, such as seniors, the disabled and others in need of temporary relief from the heat.

Cool Centers are open to the public when the Riverside County Department of Public Health issues a "Heat Warning" on television, the radio and the local newspaper.

The Centers located in Moreno Valley are:

Moreno Valley Senior Center

25075 Fir Ave.

Moreno Valley, CA 92553

951.413.3430

Monday - Thursday 8:00 a.m. - 4:00 p.m.

*During active Heat Warnings, the Center will stay open until 5:00pm

Moreno Valley Conference and Recreation Center

14075 Frederick St.

Moreno Valley, CA 92553

951.413.3280

Monday - Thursday 7:30 a.m. - 8:30 p.m.

Moreno Valley Library

25480 Alessandro Blvd.

Moreno Valley, CA 92553

951.413.3880

Monday - Thursday 9:00 a.m. - 6:00 p.m.

Saturday 9:00 a.m. - 6:00 p.m.

For more Cool Center locations in Riverside County, please visit www.capriverside.org.

Subject: FW: Box Springs Bylaws TRANSLATION

Hi again,

I dredged up the email below regarding the timing of the BSMWC Bylaws translation... I was mistaken – seems like the document should be available by Monday!

Michele

Hello Michele,

Good to hear from you. Yes, I do have the original file. I will get started on this for you ASAP. We will be out of the office both 7/4 & 7/5 and will return on 7/8 and will have the completed document completed by then. Let me know if you have any questions.

I wanted to share the following information and attached photos provided by Fire Chief Ahmad from last week's fire at a storage facility in Moreno Valley. It was 99 degrees in Moreno Valley that day and several of our firefighters were injured.

Thank you to Chief Ahmad and our fire team for their efforts in keeping our community safe.
--Michelle

On July 2 at 9:49 a.m., units from the Moreno Valley Fire Department, Moreno Valley Police Department, Perris Fire Department, Riverside City Fire Department, Riverside County/CAL Fire and the City's Emergency Response Force Team responded to a reported structure fire at Extra Space Storage on Perris Blvd. Numerous storage units were fully involved with fire when firefighters arrived on scene. Resources equating to a 5 alarm fire were utilized to confine control, and extinguish the fast moving fire. These resources included three aerial ladder truck companies to provide ventilation of the hot smoke and toxic gases, which aided in the firefighting efforts as it decreased the heat inside the storage units and increased visibility. Ultimately, 60 storage units and their contents were damaged or destroyed by the fire. Firefighters were able to protect and save the contents of 180 other attached units in the 758 unit complex.

A total of 24 fire engines, 3 aerial ladder truck companies, 1 breathing support, 5 Chief Officers, 1 PIO, 2 Safety Officers, 6 ground ambulances, 5 overhead personnel, and 3 fire crews for a total of 80 firefighters were committed to this 10 hour fire-fight. Six firefighters were injured and transported to local area hospitals with three returning to duty that same day. The other three firefighters were either held for further observation or released from duty. All are expected to fully recover. The cause of the fire is still under investigation.

Subject: Attempted murder

Good afternoon,

This morning about 3:00 AM, officers were dispatched to the 25000 block of Dracaea Avenue reference an unknown trouble with gunshots heard in the area. As they were responding, two victims arrived at RCRMC suffering from gunshot wounds.

Investigators responded to assist with the investigation. The victims, a 29 year-old male and a 27 year-old male, are believed to be members or associates of the criminal street gang known as "Sex, Cash, Money". It appears both victims will survive their injuries. As is often the case with gang-related crimes, investigators are receiving very little cooperation from potential witnesses.

I will update you if additional information becomes available.

Joel

Subject: Suicidal person rescued

Good afternoon,

On 7-04-13, about 11:00 PM, officers were dispatched to a residence in the 24000 block of Conley Court reference a suicidal teenager. On arrival, they found a 19 year-old male victim standing on a 3-foot high stool in his backyard. The teen had a noose tied around his neck with the other end secured to a tree branch above him.

The victim was armed with a knife and appeared intent on ending his life. Numerous family members were present and were adding to the chaos with their nearly out of control behavior.

Officers had to stabilize the family while trying to negotiate with the suicidal teen. The initial Officer talked with the teen and coordinated the response of a supervisor and several other officers en route to assist.

Officers were able to calm the family and the teen and in a coordinated effort, they swiftly disarmed him, cut the rope, and lowered him safely from the stool. The victim was transported to Emergency Treatment Services for a mental health evaluation.

Neither the victim nor the officers were injured during this tense stand-off and rescue. We will be submitting one or more officers for a Sheriff's Life Saving Award for this incident.

Subject: Adopted FY 2013/14 - 2014/15 Budget

Thank you everyone for your efforts on the budget this year.

Following the City Council's adoption of the FY 2013/14 – 2014/15 Budget, the adopted budget is now active in Logos. Subsequent budget amendments (e.g. Employee MOUs) are also currently being processed. When viewing any reports or inquiries in Logos, the system will now default to the new FY 13/14.

If you have not already submitted your Personnel Action Forms (PAF) to adjust staffing distribution to match the adopted budget, this information must be submitted to Human Resources by Monday July 8 with an effective date of July 6.

The final Adopted Budget Book will be made available for distribution (PDF and hard copy) by August 15.

If you have any questions, please feel free to contact me.

-Marshall

Subject: July 13 COMMUNITY AWARENESS MEETING

COMMUNITY AWARENESS MEETING

Sat., July 13, 2013, 10 a.m. to Noon

Moreno Valley High School at 23300 Cottonwood Ave

Once again we will be hosting a community information meeting about the impacts of the 41,600,000 sq ft World Logistic Center (WLC) warehouse project. The meeting will be held in the Lecture Hall of Moreno Valley High School at 23300 Cottonwood Ave (between Graham St and Frederick St) this Saturday, July 13, from 10 a.m. to noon.

We hope you can join us or keep up with information and news articles about activities affecting our community. You can find us on facebook/SaveMorenValley for follow us by liking facebook/SaveMoVal. You do not need a facebook account to view these pages.

The link below will take you to The Press Enterprise article of July 6 regarding the Beaumont City Council's vote to stop a major warehouse proposal in their city. The citizens stood up and were heard. Let fight for the same in our City.

<http://www.pe.com/local-news/riverside-county/the-pass/the-pass-headlinesindex/20130703-beaumont-public-support-helped-reject-warehouse-project.ece>

Thanks for your involvement. Together we will make a difference.

Cc: John Terell; Tom DeSantis
Subject: Baca questions re: Code, PD, Traffic Engineering and Finance

Please see the following items for Council Member Baca and provide follow up responses:

Finance:

- How much is the City receiving in revenues from the Skechers facility? (Rick) **Skechers contributes approximately \$400,000 annually to the General Fund through property tax, sales tax, utility tax (electric), franchise fees (electric), and business license fees. They pay \$33,000 per year for CSD Zone M (median landscaping) and \$52,000 for CSD Zone A (Parks and Community Services).**

These figures do not include their utility bill to MVU, employee spending while in town, etc.

Code/PD:

- Can we conduct a “sweep” of Edgemont specifically focused on cars parking on lawns? (Patty) . **Code will set up a sweep on parking on the unimproved surface this week or next.**
- There is a motorhome and tow truck parked at the end of Gina Street; why aren't they being ticketed for street sweeping parking violations and/or inoperable vehicle (re: the RV)? (Patty) . **PD has looked for the RV several times and it appears to have moved on. Code will have the parking control patrol the area of Gina and provide enforcement.**
- The end of Gina is boarded up; who is responsible for this (apparently the neighbors have gotten together and replaced or repaired the boards in the past but the Council Member would like to know whose responsibility this is)? (Patty) **The fence at the dead end is in good condition and secure, the wooden fences on the properties at the end of Gina will be the property owner's responsibility to maintain and repair.**
- The RV referenced above is surrounded by trash which the street sweeper doesn't collect, concerned there is something illicit going on in the RV. Can you please check and confirm that the RV is still there and refer to PD? (Patty/Joel) **see above**
- Please review length of Dracaea for illegal dumping (Patty) **Code will conduct an inspection on Dracaea and open cases accordingly for illegal dumping/ trash and debris.**
- Why is Arvonna at Dracaea closed off? (photos forwarded under separate e-mail) (Patty) . **Arvonna is a privately owned parcel and the owner has fenced off the parcel to prevent illegal dumping in the area. I can see in the photos that the property is in need of some maintenance and a case will be opened.**

PD/Transportation Engineering:

- Day Street appears to be a “speed trap” as the speed limit reduces quickly for southbound traffic as you approach the recently improved section. What information can we provide re: this? (Ahmad/Joel)

Transportation Engineering:

- At the building at the NW corner of Dracaea and Gina they conduct AA mtgs or something similar and when that occurs it is a parking nightmare for the residents and a site distance hazard for drivers trying to turn west off Gina onto Dracaea. Is there anything we can do? (Ahmad)
- The tract at Brentwood north of Dracaea gets a lot of traffic, can you please provide the Council Member with the process and application for speed humps for this neighborhood? (Ahmad)

Thanks for your help!

Subject: Update on TRIP Financing challenged by resident RADene Heirs

Mayor, Mayor Pro Tem, and Members of the City Council: In January the City Council approved the sale of not more than \$20 million in Certificates of Participation (COPs). The COPs, issued through California Communities Total Road Improvement Program (TRIP) Gas Tax Revenue financing, are the funding mechanism for the Nason Street widening project between Fir and Cactus. You may recall that the Council initially approved the City's participation in the TRIP financing program in July, 2012. However, based upon the threat of a legal challenge from resident Radene Heirs and the probability that Moreno Valley's participation in the TRIP process would hold up funding for other cities in the program, we withdrew from that action and have been defending and responding to Ms. Heirs' attempts to stop the TRIP financing program since that time.

The State Appellate Court has finalized the decision in the City's favor regarding resident Radene Heirs' challenge to the validation action as a step in the process to completing the Total Road Improvement Program (TRIP) financing. The opportunity to appeal to the State Supreme Court has passed and no appeal was made. The challenge has delayed the completion of the financing which is the funding mechanism for the widening of Nason Street between Cactus and Fir Streets. The widening project has continued, and the City will be reimbursed from the proceeds from the sale of Certificates of Participation for funds that the City advanced to keep this project moving forward.

The cost of defending the legal challenge to the validation action was about \$60,000, not including staff time to prepare for and appear at several court hearings. This cost will be paid to legal counsel from the proceeds of the financing.

The financing team is now active. The TRIP financing will be based on Measure A revenues for lease payments on the COPs. Documents previously approved by City Council are sufficient to proceed with and complete the financing, there will be no further action planned by the City Council. Staff anticipates that the financing will be complete by the end of August 2013.

Please contact me if you have any questions regarding this issue.

Resolution Date/Time: 7/8/2013 12:00:00 AM

Taken By: Juliene Clay

Reporting Party Information

Name: Dennis LaMont

Address: 34850 Gilman Springs Rd

City/ST/Zip: Moreno Valley CA 92555

Hm Phone: [REDACTED]

Wk Phone:

Cell Phone:

Email:

Case Location Information

Property Owner Name: LaMont

Address: 34850 Gilman Springs Rd

Cross Street Info:

Parcel # (if available):

Resolution Information

Response from Eric Lewis, City Traffic Engineer - Staff discussed the Gilman Springs reconstruction project with Mr. LaMont in detail. The project will address his concerns for improved roadway safety through the addition of a left turn pocket at Alessandro Boulevard, centerline and shoulder rumble strips, increased paved shoulder width, and realignment of three existing curves. Mr. LaMont was satisfied that the project is moving forward to construction and was appreciative of staff's effort to respond to his concerns. Mr. LaMont also voiced concern about the current roadway condition and what will be done prior to the start of the project. Staff confirmed with maintenance staff from both the County and City that they are actively monitoring the roadway for potholes / debris and providing temporary repairs as needed. This effort will continue until the start of the project and the closure of the roadway. Staff left a voicemail with the update on the maintenance activities.

Case Information

Issue Category: Capital Projects

Issue: Street Improvement Program (SIP)

Council District:

City of Moreno Valley

Council Summary

Issue Description: Please investigate Mr. Gilman's concerns on behalf of Mayor Owings, and advise Mr. LaMont of the outcome.

Mr. LaMont stated on Gilman Springs Road there are potholes, pieces of pavement missing, debris, and no shoulder. He stated there are many accidents on this road including where there is no left hand turn lane to proceed to Alessandro. He stated he talked to Public Works, and he was told by Capital Projects there was a contract to fix the street, but the contract was cancelled. He stated there is a new contract, and work is scheduled to begin September 1, 2013, but he was given no end date. Mr. LaMont stated he was given the name of Cesar Tolentino (951.955.1520) to contact as his crew will be doing the road work. Mr. LaMont stated he wants to know what the City is going to do in the meantime prior to the work being started to protect cars, people and to avoid accidents. Mr. LaMont stated he is concerned about everyone's safety.

Subject: FW: Item E-1(Fees)

Good morning Councilwoman. There is a time constraint related to some fee adjustments. Please see Rick Teichert's response below. My recommendation is to proceed with the staff report tonight so that you and the rest of the Council can review the information provided, ask any questions and provide direction.

--Michelle

To: Michelle Dawson
Subject: RE: Item E-1(Fees)

I recommend that we proceed with the fee adoption as proposed. There will be a presentation on the new and increasing fees that was also presented to the Finance Subcommittee. It may be appropriate for City Council, upon discussion of the fees tonight, direct staff to return with a study session on development fees. This is supported by the Finance Sub Committee review of the fees where they have requested follow-up on certain development fees. Adopting the proposed fee resolution does not preclude City Council from studying certain fees further and making changes as deemed necessary in the near future. In addition, staff is proceeding with the completion of the City-wide cost allocation study, that will be immediately followed by a comprehensive update of the City's fees based on the new data. This comprehensive fee update will come before City Council in early Spring 2014. This will provide two opportunities for City Council to become familiar with the fee structure and make policy determinations to pursue full cost recovery or to subsidize development fees.

It is important to approve the fee resolution presented tonight because it includes important routine fee adjustments that have been planned in the current budgeted revenue assumptions. Since the fees that the Council is most interested in appear to be development fees, it would be appropriate to proceed with tonight's fee resolution and continue to study the fees of interest in the near future.

CALTRANS COMMUTER ALERT

13-176

Date: Tuesday, July 9, 2013

District: 8 – San Bernardino

Contact: Terri Kasinga

Phone: [REDACTED]
[REDACTED]

WHAT: BRIDGE HIT BY BIG RIG

WHEN: TUESDAY, JULY 9, 2013 (1000)

WHERE: SOUTHBOUND INTERSTATE 215 AT PERRIS BLVD.

Caltrans District 8 is alerting motorists that at approximately 7:30 a.m. today, July 9, a big rig hit the false work at the Perris Blvd. overpass on southbound Interstate 215 (I-215). The bridge is currently under construction with Riverside County Transportation Commission (RCTC), however Caltrans is the oversight agency for the project.

As a result all southbound lanes will remain closed for at least 24 hours due to damage to the false work, which will have to be removed and rebuilt.

Once more information is available it will be released.

At this time motorists are advised to avoid southbound I-215 and plan an alternate route. State Route 74 (Ramona Expressway) is available from I-15 in Corona and will bypass the closure. Using Van Buren or Central to Alessandro detours from SR 91 will not bypass the closure limits.

Police activity has closed State Routes 18 (front and backside), 30, 38 until further notice. SR-138 has reopened east of I-15 toward Silverwood after being closed earlier this afternoon.

Follow updates on this incident at:

Importance: High

Hello All,

This is a quick note to advise City staff that a big rig hit the bridge false work under construction at Interstate 215 / Perris Blvd this morning. As a result, all southbound lanes have been closed for at least 24 hours. Caltrans is advising motorists to avoid southbound I-215 and plan an alternate route. State Route 74 (Ramona Expressway) is available and will bypass the closure.

Please see the attached press released for details.

Thanks!

Michele

Subject: FW: Recycling center on Dracaea

Hi, Victoria.

Just wanted you to know about this code case which was opened at the request of our Office. Potentially hazardous conditions were observed during a field visit to better understand the concerns you raised with us regarding parking along Gina St.

Subject: Recycling center on Dracaea

John,

I received a complaint regarding the recycling facility at 21524 Dracaea, conducting business outside of their condition of approval. Case # C13-01878 has been opened for COA violation, trash and debris, recycling items not within the scope of COA (scrap metal etc.) Fencing requirements and limited land usage (500sq ft. is allowed) Case has been forwarded to the area officer for follow up and compliance. Owner was sent copy of COA with initial contact letter.

Subject: Land Development Moving to Public Works

The Land Development Division will now be under the direction of the Public Works Department. The Division was placed under the direction of the Community & Economic Development Department in 2011 so that projects would move through the development process (from economic development through the permit and approval process) within one department. We are making the change because the engineering services provided by the Land Development team are appropriately supervised by the Public Works Director/City Engineer. Additionally, the level of cooperation and coordination among our current staff is such that I'm confident that reporting to different managers won't negatively impact our level of customer care. The move is effective immediately.

ESTATUTOS PARA LA REGULACIÓN, EXCEPTO SEGÚN SE DISPONGA DE OTRO MODO
MEDIANTE REGLAMENTO DE SUS ARTÍCULOS DE INCORPORACIÓN,
DE BOX SPRINGS MUTUAL WATER COMPANY

Artículo I.

OFICINAS

Sección 1. OFICINA PRINCIPAL. La oficina principal para la realización de operaciones de la corporación por este medio se establece y ubica en Edgemont, Condado de Riverside, California. Por este medio se otorga al Directorio plenos poderes y autoridad para cambiar su oficina principal de una ubicación a otra en Edgemont, California.

Artículo II.

REUNIONES DE LOS ACCIONISTAS

Sección 1. LUGAR DE LAS REUNIONES. Todas las reuniones Anuales y Especiales de los accionistas se llevarán a cabo en la oficina principal de la corporación, o en cualquier otro lugar dentro del Condado de Riverside, el cual será designado mediante el consentimiento por escrito de todos los accionistas con derecho a votar en las mismas, emitido ya sea antes o después de la reunión y presentado al Secretario de la corporación.

Sección 2. La reunión anual de accionistas se llevará a cabo el cuarto miércoles de enero de cada año a las 7:30pm de dicho día. En dicha reunión se declararán los resultados de la elección anual de directores, se analizarán los informes de los asuntos de la corporación y se podrá tratar cualquier otro asunto que esté dentro del poder de los accionistas.

Se entregará aviso por escrito de dicha reunión anual a cada accionista con derecho a voto, ya sea personalmente o por correo, u otro medio de comunicación escrita, con cargos pre pagados, dirigido a dichos accionistas, a la dirección que figura en los libros de la corporación, o a la proporcionada por ellos a la corporación para fines de notificación. Si un accionista no proporciona dirección, el aviso se considerará como entregado si ha sido enviado por correo o por otro medio de comunicación escrita, dirigido al lugar donde está ubicada la oficina principal de la corporación. Todos esos avisos deben ser enviados a cada accionista con derecho a lo mencionado, no menos de diez (10) días antes de cada reunión anual y deberá especificar el lugar, el día y la hora de dicha reunión; y deberá mencionar los otros temas, si los hubiere, según sea expresamente exigido por el reglamento.

Sección 3. REUNIONES ESPECIALES. Las reuniones especiales de accionistas, para cualquier fin, o para cualesquiera propósitos podrán ser convocadas en cualquier momento por el Presidente o por el Directorio, o por uno o más de los accionistas que posean no menos de un quinto (1/5) del poder de voto de la corporación. Con la excepción de casos especiales en que otra disposición expresa es efectuada mediante reglamento, el aviso de tales reuniones especiales será dado en la misma forma que para la reunión anual de accionistas. El aviso para cualquier reunión especial especificará, además del día, lugar y hora de la reunión, la naturaleza general del tema que será tratado.

Sección 4. REUNIONES APLAZADAS Y AVISO DE LAS MISMAS. Cualquier reunión de accionistas, anual o especial, sea que esté presente el quórum o no, podrá ser aplazada cada cierto tiempo mediante el voto de la mayoría de acciones, sea que los titulares estén presentes en persona o representados mediante apoderado, pero ante la falta de quórum, ningún otro tema podrá ser tratado en dichas reuniones.

Cuando alguna reunión de accionistas, ya sea anual o especial, es aplazada por treinta (30) días o más, el aviso de la reunión aplazada se dará como en el caso de una reunión original. Con la salvedad de lo mencionado anteriormente, no será necesario dar aviso alguno del aplazamiento o del tema a tratarse en una reunión aplazada con excepción del anuncio en la reunión de que dicho aplazamiento fue efectuado.

Sección 5. VOTACIÓN. A menos que una fecha registrada se establezca para fines de votación, según lo dispuesto en la Sección 1 del Artículo VII de estos Estatutos, solamente las personas a cuyo nombre las acciones les conceden derecho a voto y figuran en el registro de acciones de la corporación 30 días antes de cualquier reunión de accionistas o de la elección anual de Directorio, tendrán derecho a votar en dicha reunión o elección. Cada una de esas personas tiene derecho a un voto por cada acción. Las acciones a nombre de cualquier persona como designados, ejecutores u otros fideicomisarios podrán ser votados y todos los derechos inherentes al respecto podrán ser ejercidos solamente por los designados, ejecutores u otros fideicomisarios en persona o mediante apoderado y sin prueba de autoridad. La presente sección también está sujeta a las Secciones 2218, 2219, 2220, 2221, 2223 y 2224 del Código de Corporaciones del Estado de California. Las acciones que pudieran haber perdido su derecho a la corporación no podrán ser votadas por la corporación. De aquí en adelante se establecen disposiciones especiales en el Artículo III para la elección anual del Directorio.

Sección 6. QUÓRUM. En cualquier reunión de miembros o para la elección del Directorio, tal como se dispone de aquí en adelante, el quórum consistirá de un tercio (1/3) de las acciones, cuyos titulares están, ya sea presentes en persona o mediante apoderado. Los accionistas presentes en una reunión debidamente convocada o realizada para la elección de directores en la cual existe quórum, podrán continuar realizando operaciones hasta la suspensión, no obstante el retiro de un número suficiente de accionistas como para dejar menos del quórum.

Sección 7. CONSENTIMIENTO DE AUSENTES. Con sujeción a las disposiciones de las Secciones 2218 a 2223 inclusive, del código de corporaciones, los consentimientos por escrito con respecto a cualesquiera acciones podrán ser otorgados y serán aceptados de las personas a cuyo nombre las acciones están registradas en los libros de la corporación en el momento en que los respectivos consentimientos son dados, o de sus apoderados. Cualquier accionista que otorga un consentimiento por escrito, o su apoderado, o la persona a quien se transfiere, o el representante personal, o su respectivo apoderado, podrán revocar el consentimiento antes del momento en que los consentimientos por escrito del número de acciones requeridas para autorizar la acción propuesta hayan sido presentados al Secretario de la corporación, pero no se lo podrá hacer después. Las deliberaciones de cualesquiera reuniones de accionistas, ya sean anuales o especiales o para la elección del Directorio, como quiera que sean convocadas y avisadas, serán válidas como efectuadas en una reunión debidamente llevada a cabo luego de una convocatoria y notificación regular, si hubiera quórum ya sea en persona o mediante apoderado, y si, ya sea antes o después de la reunión, cada accionista con derecho a voto no presente en persona o mediante apoderado, firma un aviso de renuncia por escrito, o un consentimiento al proponente

de dicha reunión una aprobación de las actas sobre las mismas. Todas esas exenciones, consentimientos o aprobaciones deberán ser presentados ante los registros de la corporación o formar parte de las actas de la reunión.

Sección 8. ACCIÓN SIN REUNIÓN. Cualquier acción que, según cualquier disposición de la Ley de Corporaciones de California pueda ser tomada en una reunión de accionistas, excepto la aprobación de un acuerdo para la fusión o consolidación de la corporación con otras corporaciones, podrá ser tomada sin una reunión si es autorizada por escrito y firmada por todas las personas que tendrían derecho a voto sobre tal acción en una reunión y presentada al Secretario de la Corporación.

Sección 9. APODERADOS. Toda persona con derecho a voto o a otorgar consentimientos tendrá derecho a hacerlo ya sea en persona o por medio de uno o más agentes autorizados mediante poder escrito, otorgado por dicha persona o por su agente debidamente autorizado y presentado ante el Secretario de la corporación, siempre y cuando que ninguno de tales poderes sea válido a la conclusión de once (11) meses a partir de la fecha de su otorgamiento a menos que la persona que lo otorga especifique en el mismo el período de tiempo en que dicho poder continúa en vigencia, el cual en ningún caso excederá de siete (7) años a partir de la fecha de su otorgamiento.

ARTÍCULO III

DIRECTORES

Sección 1. PODERES. Sujeto a las limitaciones de los Acta Constitutiva, de los Estatutos y de la Ley General de Corporaciones de California, respecto a las acciones que serán autorizadas o aprobadas por los accionistas, y sujeto a las obligaciones de los directores, según está establecido en los Estatutos, todos los poderes de la corporación serán ejercidos por o bajo la autoridad del Directorio, y los asuntos sobre operaciones de la corporación serán controlados por el Directorio. Sin perjuicio de dichos poderes generales, pero sujeto a las mismas limitaciones, por medio de los presentes se declara expresamente que los directores tendrán los siguientes poderes, a saber:

Primero—Seleccionar y retirar a todos los demás funcionarios, agentes y empleados de la corporación, recomendar los poderes y obligaciones para ellos, en la medida que no sean contrarias a las leyes, con el Acta Constitutiva o los Estatutos, fijar su remuneración y exigir de ellos garantías por la lealtad de sus servicios.

Segundo – Dirigir, administrar y controlar los asuntos y operaciones de la corporación y a tal efecto hacer que las reglas y regulaciones no sean contrarias a la ley o con el Acta Constitutiva o los Estatutos, como pudieran considerarlo mejor.

Tercero – Cambiar la oficina principal para la realización de operaciones, de una ubicación a otra, dentro de los confines de Edgemont, California; designar cualquier lugar dentro de dichos límites de Edgemont, California para llevar a cabo cualesquiera reuniones de accionistas o reuniones, incluyendo la reunión anual y la elección de los directores y aprobar, elaborar y utilizar el sello corporativo y recomendar los formularios de los certificados de acciones cada cierto tiempo, según lo que en su criterio consideren mejor, siempre y cuando dichos sellos y certificados cumplan con las disposiciones de la ley.

Cuarto – Autorizar la emisión de acciones de capital de la corporación cada cierto tiempo, en los plazos que sean legales, en consideración al dinero pagado, trabajo realizado o servicios efectivamente prestados, deudas o valores cancelados o propiedad tangible o intangible efectivamente recibida, sujeta, sin embargo, a las disposiciones del Artículo V de los presentes estatutos.

Quinto – Pedir prestado dinero e incurrir en endeudamiento para los fines de la corporación y hacer que se ejecuten y entreguen luego, a nombre de la corporación, pagarés, bonos, obligaciones, escrituras de fideicomiso, hipotecas, valores, garantías prendarias u otras evidencias de deudas y garantías de lo mencionado.

Sexto – Nombrar y emplear al gerente general y/o superintendente si así lo desean, en los términos y condiciones que consideren mejor y delegarle cualesquiera de los poderes y autoridad que el Directorio pudiera tener para la administración de las operaciones y asuntos de la corporación, incluyendo la contratación y despido de empleados, con excepción del poder de imponer valoraciones, y convocar a reuniones de accionistas, y delegar al gerente general tales poderes en la administración de las operaciones y asuntos de la corporación como lo consideren aconsejable, siempre y cuando dicha delegación no sea contraria a ley alguna.

Séptimo – Convocar a reuniones especiales de los accionistas, cuando lo consideren necesario.

Octavo – Elaborar y hacer cumplir todas las reglas y regulaciones convenientes relacionadas con la distribución del agua, el cuidado, protección y uso del agua, tubos y tuberías y otras propiedades de la corporación y establecer multas y penalidades por las infracciones a dichas reglas y regulaciones y ningún accionista tendrá derecho a recibir agua de la corporación, luego de una infracción, hasta que la multa o penalidad establecidas hayan sido pagadas o satisfechas.

Noveno–Imponer valoraciones uniformemente a todos los accionistas. Cada valoración será impuesta mediante resolución que establezca el monto de las mismas y requiere que esta valoración sea pagada al Secretario, en su oficina, en el lugar principal de operaciones de la corporación. Dicha resolución dispondrá que la valoración entrará en mora al trigésimo día de la aprobación de tal resolución. Que en el décimo quinto día después del inicio de la mora, todos los certificados en morosidad serán vendidos al mejor postor en dinero en efectivo en una subasta que se llevará a cabo en el lugar principal de operaciones de la corporación, a las dos de la tarde por medio del Secretario; que si ningún postor ofrece al menos el monto de la valoración en mora por la acción sobre la cual se la ha impuesto, tal acción será declarada como retenida por la corporación en satisfacción de la valoración; que si se ofrece un monto mayor al de la valoración, una parte del valor será aplicado al pago de la valoración y el saldo, menos cualquier otro endeudamiento en favor de la corporación, será pagado a la persona cuya acción fue vendida. Cada valoración será un gravamen sobre toda acción desde el momento de la aprobación de la resolución que imponela misma. El Directorio, dentro de los cinco (5) días luego de la aprobación de cualquier resolución que impone una valoración, deberá hacer que se entregue oficialmente un aviso a cada accionista, ya sea personalmente o por correo a su últimadirección conocida. Una copia de dicho aviso deberá ser

publicada en el tablero de anuncios de la sede principal de la corporación y dicha notificación se publicará una vez en el Riverside Enterprise, Riverside, California o en un periódico de circulación general publicado en Edgemont, California. Dicho aviso deberá seguir íntegramente el siguiente formato:

AVISO DE VALORACIÓN

Por medio del presente se informa que en una reunión del Directorio llevada a cabo el día ____ de _____ de 19 __, se impuso una valoración de \$ ____ por acción sobre las acciones de la corporación en Edgemont, California. Cualesquiera acciones sobre las cuales la presente valoración permanezca impaga en el día ____ de _____ de 19 __, estarán en mora y, a menos que el pago se realice con anterioridad a la mora, dichas acciones o tantas de ellas como sea necesario, serán vendidas en la oficina principal de la corporación en Edgemont, California el día ____ de _____ de 19 __, a las ____ m., de dicho día, a fin de pagar la valoración en mora, junto con la penalidad del cinco por ciento (5%) del monto de la valoración sobre dichas acciones, o serán retenidas por la corporación.

Secretario

Dirección de la oficina.

Sección 2. CANTIDAD Y CALIFICACIONES DE LOS DIRECTORES. El número autorizado de directores de la corporación es cinco (5) hasta que sea cambiado mediante modificación del Acta Constitutiva.

Sección 3. ELECCIÓN Y PERÍODO DE LOS FUNCIONARIOS

Primero – La elección anual de directores se realizará en la oficina principal de la corporación el cuarto miércoles de enero de cada año (el mismo día de la reunión anual de accionistas) mediante boleta de votación de los poseedores de acciones de capital presentes, ya sea en persona o mediante apoderado. Otras disposiciones relativas a la votación y el quórum que regulan la elección anual del Directorio están establecidas en las Secciones 5 y 6 del Artículo III de los presentes Estatutos.

Segundo 6 Todos los accionistas de esta corporación serán elegibles para su nominación como directores de dicha corporación. La nominación puede ser realizada por los asistentes a dicha elección anual por medio de un accionista calificado.

Tercero – Al inicio de dicha elección anual el Directorio designará tres (3) jueces para elección entre los accionistas de la corporación presentes para supervisar la elección, contar los votos y elaborar un informe escrito para el Presidente mencionando el número de votos emitidos para cada candidato y designar a aquellos elegidos. El voto mayoritario elegirá a los directores. El presidente luego, en dicha reunión anual, declarará los resultados de la elección.

Cuarto – En caso que dos (2) o más candidatos recibieran igual número de votos y todos no pudieran ser elegidos, se tomará una votación en dicha reunión anual solamente para los candidatos con igual votación y los candidatos que reciban el mayor número de votos serán elegidos.

Quinto – En la reunión anual de enero de 1957, se elegirán cinco (5) miembros al Directorio. Los tres (3) directores que reciban la mayor cantidad de votos en esa elección serán elegidos por un período de dos (2) años; y los restantes dos (2) directores serán elegidos por un periodo de un (1) año. A partir de ese momento, el período del cargo será de dos (2) años; dos (2) directores a ser elegidos en años pares y tres (3) directores a ser elegidos en los años impares. Un director puede prestar servicios en años consecutivos.

Sección 4. VACANTES. Las vacantes en el Directorio podrán ser cubiertas por una mayoría de los directores restantes, aunque menor al quórum, o por un solo director restante y cada director elegido de esa manera mantendrá su cargo hasta que su sucesor sea elegido debidamente en la siguiente elección del Directorio.

La vacante o vacantes en el Directorio serán consideradas como existentes en caso de fallecimiento, renuncia o remoción de cualquier director y si el número de directores fuera incrementado, o si en la elección anual de directores los accionistas incumplieran con elegir al número total de directores autorizados a ser votados en esa elección.

Sección 5. LUGAR DE REUNIÓN. Las reuniones regulares del Directorio se llevarán a cabo en cualquier lugar dentro del Condado de Riverside que haya sido designado cada cierto tiempo mediante resolución del Directorio, o mediante el consentimiento por escrito de todos los miembros del Directorio. En ausencia de dicha designación, las reuniones regulares serán realizadas en la oficina principal de la corporación. Las reuniones especiales del directorio podrán realizarse en cualquier lugar así designado o en la oficina principal.

Sección 6. REUNIÓN DE ORGANIZACIÓN. Inmediatamente a continuación de la elección anual de los directores cada año, el Directorio sostendrá una reunión regular con fines de organización, elección de funcionarios y deliberación sobre otros asuntos. Mediante la presente se dispensa del aviso para tal reunión.

Sección 7. REUNIONES REGULARES. Las sesiones regulares del Directorio se llevarán a cabo una vez al mes en la oficina de la Corporación en Edgemont, California, en la hora que será establecida por dicho Directorio y dentro de la primera semana de cada mes y a la misma hora en todos y cada uno de los meses a partir de entonces. Mediante la presente se dispensa del aviso para tales reuniones.

Sección 8. Reuniones Especiales. Las reuniones especiales del Directorio, para cualquier fin o fines serán convocadas en cualquier momento por el Presidente y si estuviera ausente, imposibilitado o se rehúsa a intervenir, por el Vicepresidente, o por cualquiera de dos (2) Directores.

Avisos por escrito acerca de la hora y lugar para las reuniones especiales serán entregados personalmente a cada director o enviados por correo a cada director o por otra forma de comunicación escrita, con cargos prepagados, dirigidos a ellos, a la dirección que se muestra en los registros de la corporación. En caso que tal aviso sea enviado por correo o telegrafado, será depositado en el correo de los Estados Unidos o se entregará a la empresa de telégrafos en el lugar en que está ubicada la oficina principal de la corporación, al menos veinticuatro (24) horas antes de la hora de realización de la reunión. Dicho envío por correo, telégrafo o entrega según lo dispuesto anteriormente será un aviso legal y personal a dicho director y se registrará en las actas de la reunión así convocada.

Sección 9. AVISO DE APLAZAMIENTO. El aviso de la hora y lugar para la realización de una reunión aplazada no necesita ser enviado a los directores ausentes si la hora y lugar son determinados en la reunión aplazada.

Sección 10. RENUNCIA AL AVISO. Las deliberaciones de cualquier reunión del Directorio, como quiera que sea convocada y avisada y realizada en cualquier lugar, serán válidas como si fueran de una reunión debidamente realizada luego de una convocatoria y aviso regulares, si hubiera quórum y si, ya sea antes o después de la reunión, cada director no presente firma una renuncia escrita al aviso, o un consentimiento para la realización de dicha reunión o una aprobación de las actas de las mismas. Todas esas renunciaciones, consentimientos o aprobaciones serán archivadas en los registros de la corporación o formarán parte de las actas de la reunión.

Sección 11. QUÓRUM. Una mayoría del número autorizado de directores será necesaria para constituir el quórum para la deliberación de asuntos, excepto para la suspensión, tal como se dispone de aquí en adelante. Todo acto realizado o decisión tomada por la mayoría de los directores presentes en una reunión debidamente realizada, en la cual se cuenta con quórum, se considerarán como actos del directorio, a menos que un número mayor sea requerido por ley o por el Acta Constitutiva.

Sección 12. APLAZAMIENTO. El quórum de los directores puede aplazar cualquier reunión de los directores para reunirse nuevamente en un día y hora establecidos, a condición de que, en ausencia de quórum, la mayoría de los directores presentes en cualquier reunión de los directores, ya sea regular o especial, puedan suspenderla cada cierto tiempo hasta el momento fijado para la siguiente reunión regular del Directorio.

Sección 13. HONORARIOS Y REMUNERACIÓN. Los directores no recibirán sueldo alguno establecido por sus servicios como directores, pero, mediante resolución del Directorio, un honorario fijo, con o sin gastos o asistencia, podrá ser asignado por la asistencia a cada reunión. Nada de lo contenido en los presentes será interpretado como impedimento a cualquier director para prestar servicios a la corporación en cualquier otra capacidad como funcionario, agente, empleado, o cualquier otra y de recibir una remuneración por los mismos.

Sección 14. IDENTIFICACIÓN A LOS DIRECTORES Y FUNCIONARIOS. Cada director y funcionario, sea que esté o no en funciones, será indemnizado por la corporación ante toda responsabilidad, costos y gastos en los que haya razonablemente incurrido o se le hayan impuesto en relación o como resultado de cualquier acción, juicio o proceso

en que pudiera involucrarse o del cual pudiera ser hecho parte por ser director o funcionario de la corporación, tales gastos que incluyan el costo de acuerdos razonables (diferentes a los montos pagados a la corporación misma, efectuados con miras a la reducción de los costos judiciales). Sin embargo, la corporación no indemnizará a dicho funcionario o director con respecto a asuntos por los cuales será finalmente declarado, en cualquier acción, juicio o proceso, de haber sido negligente en el desempeño de sus funciones como director o funcionario, ni con respecto a cualquier asunto en el cual cualquier arreglo o concesión sea afectado si el total de gastos, incluyendo el costo de dicho arreglo, excede sustancialmente los gastos en que razonablemente habría incurrido dicho director o funcionario en llevar dicho juicio a una conclusión final; y en ningún caso nada de lo contenido en los presentes se interpretará en sentido de autorizar a la corporación a indemnizar a cualquier director o funcionario ante cualquier responsabilidad o gasto por motivos de cualquier acto conocido como ilegal por dicho director o funcionario al momento de realizarlo o ante cualquier responsabilidad o gasto por motivo de abuso intencional de autoridad, mala fe, negligencia grave o una indiferencia imprudente de las obligaciones inherentes al desempeño de su cargo. El precedente derecho a indemnización no es excluyente de otros derechos a los cuales cualquier director o funcionario puede tener derecho como cuestión de derecho.

ARTÍCULO IV.

FUNCIONARIOS

Sección 1. FUNCIONARIOS. Los funcionarios de la corporación serán el Presidente, Vicepresidente, Secretario y Tesorero. La corporación también podrá tener, a criterio del Directorio, uno o más Vice Presidentes, uno o más Asistentes del Secretario y uno o más Asistentes del Tesorero. El Directorio también podrá elegir o emplear a un gerente general y/o superintendente quien mantendrá el cargo según la conveniencia del Directorio, todos según se dispone de aquí en adelante. Una persona podrá desempeñar dos o más cargos, excepto los de Presidente y Secretario.

Sección 2. ELECCIÓN. Los funcionarios de la corporación, excepto los funcionarios que podrán ser empleados según las disposiciones anteriores, serán seleccionados anualmente por el Directorio y cada uno mantendrá su cargo hasta que renuncie o sea removido o sea descalificado de otro modo para prestar servicios o que su sucesor sea elegido y cumpla los requisitos.

Sección 3. REMOCIÓN Y RENUNCIA. Cualquier funcionario puede ser removido, sea con o sin motivo, por la mayoría de los directores en funciones en ese momento, en cualquier reunión regular o especial del Directorio o, salvo en el caso de algún funcionario nombrado o empleado por el Directorio, por cualquier funcionario a quien el Directorio confirió el poder suficiente para remoción.

Cualquier funcionario puede renunciar en cualquier momento mediante aviso por escrito al Directorio, o al Presidente o al Secretario de la Corporación. Cualquiera de dichas renunciaciones tendrá efecto en la fecha de recepción de dicho aviso o en cualquier fecha posterior especificada en el mismo y, a menos que se especifique de otro modo, la aceptación de dicha renuncia no es necesaria para hacerla efectiva.

Sección 4. PRESIDENTE. El Presidente será el funcionario jefe ejecutivo de la corporación y, sujeto al control del Directorio, tendrá la supervisión general, dirección, y control de las operaciones y de los funcionarios de la corporación. Presidirá todas las reuniones de accionistas y todas las reuniones del Directorio, tendrá los poderes generales y obligaciones de administración usualmente otorgados al cargo de Presidente de una corporación y tendrá otros poderes y obligaciones según sea determinado por el Directorio y los Estatutos.

Sección 5. VICEPRESIDENTE. En ausencia o incapacidad del presidente, el Vicepresidente desempeñará todas las funciones del Presidente y cuando actúe de ese modo tendrá todos los poderes y estará sujeto a todas las restricciones del Presidente. El Vicepresidente tendrá otros poderes y desempeñará otras funciones según sean determinadas cada cierto tiempo para este cargo por el Directorio o los Estatutos.

Sección 6. GERENTE GENERAL Y/O SUPERINTENDENTE. El Gerente General y/o Superintendente desempeñará las funciones que puedan ser delegadas y requeridas por el Directorio. El Directorio podrá requerirle que presente un bono de satisfacción y la remuneración a pagarle será establecida por el Directorio.

Sección 7. SECRETARIO. El Secretario llevará o dispondrá que se lleve, un libro de actas en la oficina principal de la corporación, de todas las reuniones de directores y de accionistas, la hora y el lugar de realización, sean regulares o especiales y de la elección anual de directores y si es especial, cómo fue autorizada, el aviso dado de la misma, los nombres de aquellos presentes en las reuniones de directores, el número de acciones presentes o representadas en todas las reuniones de accionistas, incluyendo la elección anual de directores y los registros de las mismas.

El Secretario llevará o dispondrá que se lleve, en la oficina principal de la corporación, un registro de acciones o un duplicado del registro de acciones que muestre los nombres de los accionistas y sus direcciones; la cantidad de acciones poseídas por cada una, el número y la fecha de los certificados emitidos por las mismas y el número y la fecha de cancelación de toda acción entregada para cancelación.

El Secretario entregará o dispondrá que se entregue, avisos de todas las reuniones de accionistas incluyendo la elección anual de directores, y del Directorio exigidos que se entreguen por los Estatutos y por ley y mantendrá el sello de la corporación bajo custodia segura y tendrá los demás poderes y desempeñará las demás funciones según sea dispuesto por el Directorio o por los Estatutos.

Sección 8. TESORERO. El Tesorero llevará y mantendrá o dispondrá que se lleve y mantenga, cuentas adecuadas y correctas de las propiedades y transacciones comerciales de la corporación, incluyendo cuentas de sus activos, obligaciones, recibos, desembolsos, ganancias, pérdidas, capital y acciones. Los libros de contabilidad en todo momento razonable estarán disponibles para inspección por parte de cualquier director.

El Tesorero depositará cualquier dinero y otros objetos de valor a nombre y a favor de la corporación en aquellas entidades de depósito que sean designadas por el Directorio. Desembolsará los fondos de la corporación según sea ordenado por el Directorio, rendirá al Presidente y a los Directores, cuando lo soliciten, cuentas de todas sus transacciones como tesorero y de la situación financiera de la corporación y tendrá los demás poderes y desempeñará las demás funciones según lo determine el Directorio o los Estatutos.

ARTÍCULO V.

CERTIFICADOS DE ACCIONES

Sección 1. CERTIFICADOS DE ACCIONES. Los certificados de acciones serán en la forma que establezca el Directorio y cada certificado será firmado por el Presidente o Vicepresidente y refrendado por el Secretario o Asistente del Secretario y mostrará en su anverso su número, fecha de emisión, el número de acciones para la persona a la cual se lo emite y el hecho de que las acciones representadas en el mismo son susceptibles de valoración y pueden ser vendidas o retenidas por la falta de pago de una valoración, en la forma dispuesta en el reverso de dicho certificado y según está dispuesto en los Artículos y Estatutos de esta corporación. La descripción específica del terreno en el cual las acciones están respectivamente ubicadas y al cual las acciones son accesorias, figurarán en el anverso de dicho certificado. El libro de certificados contendrá un margen o talón en el cual se registrará el número, la fecha, la cantidad de acciones y el nombre de la persona anotada en el certificado correspondiente y una descripción específica del terreno en el cual la acción o acciones están respectivamente ubicadas y para el cual son accesorias.

Sección 2. Esta corporación solamente suministrará, venderá y entregará y transportará agua a los poseedores de acciones de capital y todo el capital accionario de esta empresa será accesorio a cierto terreno y propiedad inmueble ubicada en el Condado de Riverside, Estado de California, y descrita con mayor detalle como sigue:

Toda esa cierta propiedad inmueble ubicada en el Condado de Riverside, Estado de California, descrita como sigue:

- 1) El Cuarto del Sudoeste del Cuarto Sudoeste del Cuarto Sudoeste de la Sección 2, Asentamiento 3 Sur, Rango 4 Oeste, S.B.B. & M.
- 2) Aquella parte de la Sección 2, Asentamiento 3, Sur, Rango 4 Oeste, S.B.B. & M., descrita como sigue:
Comenzando en la esquina Sudoeste de dicha Sección 2;
Hacia el Norte a lo largo de la línea Occidental de dicha Sección 2, 660 pies hacia el punto de inicio;
Hacia el Este y paralelo a la línea Sur de dicha Sección 2, 330 pies a un punto;
Hacia el Norte y paralelo a la línea Occidental de dicha Sección 2, 1,320 pies hacia un punto;
Hacia el Oeste y paralelo a la línea Sur de dicha Sección 2, 330 pies hacia la línea occidental de dicha Sección 2;
Hacia el Sur a lo largo de la línea occidental de dicha Sección 2, 1320 pies hacia dicho punto de inicio.

ARTÍCULO VI

TRANSFERENCIA DE ACCIONES

Sección 1 – Transferencia de Acciones Ninguna acción o acciones de esta corporación, después de haber sido emitida por esta corporación, será vendida, transferida, cedida, dada en garantía, hipotecada o prendada excepto en relación con una venta, transferencia, cesión, traspaso, hipoteca o prenda del lote específico o porción de lotes a cuya acción o acciones son respectivamente accesorias, siempre y cuando sin embargo, que nada en los presentes se interpretará en sentido de impedir a la Corporación vender algunas de las acciones en venta de acciones en mora con relación o como consecuencia de cualquier valoración impuesta o valoraciones sobre dichas acciones.

Sección 2 – Transferencia de Acciones Retenidas

Ninguna transferencia de acciones será válida y vinculante para esta Corporación hasta que la retención del certificado antiguo que representa dicha acción a ser transferida a esta Corporación lleve el endoso del cedente, su administrador, ejecutor, fideicomisario o representante legal y el reconocimiento de dicha transferencia en los libros de la Corporación y hasta que haya sido pagado a opción de esta Corporación en cada caso, el costo de cualesquiera Sellos del Servicio de la Renta Interna de los Estados Unidos, requeridos por ley que sean adheridos a los certificados, talones, u otros instrumentos, en relación con dicha transferencia y el Secretario conservará todos los certificados y comprobantes cancelados, siempre y cuando que también esta Corporación no esté obligada a emitir certificado alguno cubriendo cualesquiera acciones así transferidas hasta que una copia certificada de la escritura, hipoteca o documento de transferencia o traspaso o evidencia de dicha transferencia o traspaso o sucesión sobre dicha propiedad haya sido también entregada al Secretario de la Corporación. Prueba de la validez de cualquier endoso, cesión, hipoteca, entrega en garantía, prenda, transferencia o sucesión se entregará, si la pide el Presidente o Secretario, antes que la Corporación sea obligada a reconocer o a registrar tal transferencia en sus libros o a emitir un nuevo certificado.

Sección 3. Pérdida de Certificados. En caso que un certificado se pierda o destruya, el Directorio podrá ordenar que se emita un nuevo certificado en lugar del anterior, contra la indemnización o garantía que se entregue según el Directorio considere suficiente.

ARTÍCULO VII.

ASUNTOS VARIOS.

Sección 1. FECHA DE REGISTRO Y CIERRE DE LOS LIBROS DE ACCIONES. El Directorio podrá establecer un momento en el futuro como fecha de registro para la determinación de los accionistas con derecho a aviso y a voto en cualquier reunión de accionistas o con derecho a recibir cualesquiera dividendos o distribución, o cualquier asignación de derechos, o ejercer derechos con respecto a cualquier cambio, conversión o intercambio de acciones. La fecha de registro así establecida no será mayor a treinta (30) días anteriores a la fecha de la reunión o del evento para los fines que es establecida. Cuando una fecha de registro es establecida de esta manera, solamente los accionistas de registro de esa fecha tienen derecho a recibir aviso y votar en la reunión o a recibir dividendos, distribución o asignación de derechos, según sea el caso, no obstante cualquier transferencia de cualesquiera acciones en los libros de la corporación después de la fecha de registro.

El Directorio podrá cerrar los libros de la corporación ante transferencia de acciones durante la totalidad o cualquier parte de un período no mayor a treinta (30) días antes de la fecha de una reunión de accionistas, la fecha en que el derecho a cualesquiera dividendos, distribución o asignación de derechos concedidos, o la fecha de vigencia de cualquier cambio, conversión o intercambio de acciones.

Sección 2. INSPECCIÓN DE LOS REGISTROS DE LA CORPORACIÓN. El registro de acciones o el duplicado del registro de acciones, los libros de contabilidad y de las actas de resultados de los accionistas y del directorio estarán abiertos a inspección mediante la solicitud escrita de cualquier accionista, en cualquier momento que sea razonable y para fines razonablemente relacionados con sus intereses como accionista. Tal inspección podrá ser efectuada en persona o por medio de un agente o abogado e incluirá el derecho a obtener extractos. La solicitud de inspección diferente a una reunión de accionistas deberá ser realizada por escrito ante el Presidente, Secretario, Asistente del Secretario o gerente general, si lo hubiere, de la corporación.

Sección 3. CHEQUES, GIROS, ETC. Todos los cheques, giros u otras órdenes de pago de dinero, costos u otras evidencias de endeudamiento emitidas a nombre o pagaderas a la corporación, serán firmadas o avaladas por la persona o personas y en la manera que, cada cierto tiempo, será determinada mediante resolución del Directorio.

Sección 4. INFORME ANUAL. El informe anual para los accionistas dispensará expresamente, pero el Directorio de la corporación podrá disponer que sea enviado a los accionistas a más tardar ciento veinte (120) días después del cierre del año fiscal o calendario, un informe anual en la forma que el Directorio considere apropiada.

Sección 5. CONTRATO ETC. CÓMO SE CELEBRA. El Directorio, excepto según se disponga de otro modo en los Estatutos, podrá autorizar a un funcionario o funcionarios, a un agente o agentes, a celebrar un contrato o a ejecutar un instrumento en nombre y por cuenta de la corporación y dicha autorización podrá ser general o

limitada a casos específicos; y a menos que sea autorizada de esta manera por el Directorio, ningún funcionario, agente o empleado tendrá poder o autoridad alguna para comprometer a la corporación mediante contrato o compromiso o para comprometer su crédito para hacerla responsable de cualquier propósito o de cualquier monto.

Sección 6. INSPECCIÓN DE LOS ESTATUTOS. La corporación mantendrá actualizado en su oficina principal para la realización de operaciones, el original o una copia de los Estatutos, según sean modificados o cambiados de otra manera, con la certificación del Secretario, que estará abierto para inspección por parte de los accionistas en todo momento que sea razonable, durante el horario de oficina.

ARTÍCULO VIII.

NO SE RQUIERE LA PUBLICACIÓN PERIODÍSTICA DE AVISO

Con la salvedad expresamente requerida que se menciona anteriormente, en el caso de una venta y retención de acciones por incumplimiento en el pago de valoraciones, la entrega oficial del aviso de cualquier reunión de accionistas o del Directorio mediante la publicación de dicho aviso en cualquier periódico, por medio de la presente es expresamente dispensada.

ARTÍCULO IX.

MODIFICACIONES.

Sección 1. PODER DEL DIRECTORIO. El Directorio tendrá el poder de cancelar o modificar cualquiera de estos Estatutos y aprobar nuevos Estatutos, siempre y cuando, sin embargo, que los accionistas de la corporación, en cualquier reunión anual o en cualquier reunión especial convocada para dicho fin, puedan, por mayoría de aquellos presentes en persona o mediante apoderado, modificar o cancelar los Estatutos o aprobar nuevos.

Los presentes Estatutos son aprobados por el Directorio con efectividad al 1 de mayo de 1956

Councilwoman Baca:

The project was submitted to Planning last Tuesday (July 2nd), and has been assigned to a case planner. The first step will be transmittal to outside agencies and internal staff for technical review.

The project proposes a 373,000 square foot warehouse building. Due to the size of the building, a Zone Change is required, which will require both Planning Commission and City Council review.

Please let me know what other information you may need on the project.

Thank you,

John

Tom,

Please see the email below from Director Pimlott which provides information for the memorial services to be held for CAL Fire FAE/P Chis Douglas and Chris MacKenzie, a member of the Prescott Hotshot Crew whom tragically lost his life during the Yanell Hill Fire. I would like to have Cindy Miller share this information with Mayor and Council as well as city staff that may be interested in attending.

Thanks,

Abdul

Subject: Message from the Chief

With the tragic loss of firefighters both here and in Arizona, it has been a long, difficult week for the Riverside Unit, CAL FIRE, CDF Firefighters, and the entire fire service community. The CAL FIRE Director's Office and Riverside Unit Executive Staff are committed to keeping you all informed of what is happening and on how you can support the Douglas and MacKenzie families.

MV00257546

CAL FIRE and CDF Firefighters are dedicated to assisting our firefighters and their families. Currently, a Type I team is in place to facilitate and coordinate the memorial services. The team is hard at work to make sure that the families receive the care and support they need during their time of grief.

Memorial plans are currently underway for CAL FIRE Fire Apparatus Engineer/Paramedic Christopher Douglas, who passed away last Friday, July 5th in Riverside County. The Douglas family will celebrate Christopher's life with full fire department honors on Friday, July 12, 2013 at 3:00 pm at The Bridge Church in Murrieta (38801 Calistoga Drive). As additional details become finalized, I will send you the latest information regarding services.

CAL FIRE is also assisting the family of Christopher MacKenzie who was one of the 19 firefighters killed in the Yarnell Hill Fire in Arizona. Christopher is the son of retired CAL FIRE Captain Mike MacKenzie. Christopher was previously a firefighter for the San Bernardino National Forest and Bureau of Land Management in Southern California. Preparations are underway for his memorial service that will take place on Saturday, July 13th at 6 p.m. at the Ramona Bowl Amphitheater (27400 Ramona Bowl Road) in Hemet. Prior to Saturday's service, Christopher MacKenzie will be flown home aboard a California National Guard C-130 from Prescott, Arizona to the Joint Forces Training Base in Los Alamitos on Wednesday, July 10th at 1 p.m. (11200 Lexington Drive – Main Gate). CAL FIRE, CDF Firefighters and the USFS will participate in a ramp ceremony at 1:00 pm in Los Alamitos. Following that ceremony, there will be a procession and escort of the family and Christopher MacKenzie from Los Alamitos to the mortuary in Hemet.

Our Employee Support Services staff (ESS) continues to work with the families and our employees during this difficult time. I remain committed to providing you the latest information as plans are confirmed. We are still reeling from these tragic line of duty deaths and we are moving forward to make sure that CAL FIRE FAE/Paramedic Christopher Douglas and Firefighter Christopher MacKenzie are memorialized and remembered by all for their courageous acts and for their dedication to their profession

Flags at all CAL FIRE facilities shall be returned to full staff and shrouds shall be removed at sunset on Saturday, July 13, 2013.

Memorial Services Planned for CAL FIRE Line of Duty Death

Riverside – Firefighters from Southern California will gather together to pay their respects to CAL FIRE Firefighter Christopher Douglas, who paid the ultimate sacrifice with his life while responding to an emergency incident last week. A celebration of Christopher's life with full Line of Duty Death fire service honors, will take place this Friday, July 12 at 3 p.m.:

The Bridge Church
38801 Calistoga Drive, Murrieta, 92563

Firefighter Christopher Douglas, a Fire Apparatus Engineer/Paramedic for CAL FIRE, was fatally injured on July 5th after being struck by a vehicle while responding to an emergency incident in Riverside County. Douglas, who has been with CAL FIRE for nearly a decade, worked out of Fire Station 35 in Thousand Palms. Christopher Douglas, 41-years-of-age, leaves behind his wife Amy, who is expecting their second child, and two-year-old son Samuel.

Cards can be sent to the family in care of:
The Douglas Family
c/o CDF Firefighters Local 2881
21160 Box Springs Rd Suite #105
Moreno Valley, CA 92557

Due to the overwhelming response of the public and partnering public safety agencies, CDF Firefighters Local 2881 has established a site dedicated to those who wish to make a donation to benefit the Douglas family. Please [click here](#) for more information.

Media representatives that plan to attend the memorial service should RSVP [here](#). You will be contacted by the CAL FIRE/Riverside County Fire Department Public Affairs Bureau via return email with arrival and staging instructions.

Public safety agencies that wish to send apparatus for the memorial static display, please [click here](#).

Photographs of Christopher and his family are attached.

CITY OF MORENO VALLEY NOTICE OF BOARD AND COMMISSION OPENINGS

NOTICE IS HEREBY GIVEN that the City of Moreno Valley is now accepting applications for various City Council advisory boards and commissions. The appointees shall be bona fide residents of the City of Moreno Valley at the time of appointment and throughout their incumbencies and will serve without compensation for designated terms. In addition, the appointees shall attend at least one meeting prior to the appointment (This requirement does not apply to the Accessibility Appeals Board).

ACCESSIBILITY APPEALS BOARD

2 terms – June 30, 2016

Physically Challenged Representative

ARTS COMMISSION

1 term – June 30, 2016

The appointment to the Arts Commission will be made by the City Council
Interviews may be conducted with selected applicants.

ENVIRONMENTAL AND HISTORICAL PRESERVATION BOARD

3 terms – June 30, 2016

LIBRARY COMMISSION

2 terms – June 30, 2016

The appointments to the Library Commission will be made by the City Council
Interviews may be conducted with selected applicants.

PARKS AND RECREATION COMMISSION

3 terms – June 30, 2016

RECREATIONAL TRAILS BOARD

3 terms – June 30, 2016

SENIOR CITIZENS' BOARD

3 terms – June 30, 2016

TRAFFIC SAFETY COMMISSION

2 terms – June 30, 2016

The Accessibility Appeals Board shall conduct hearings on written appeals regarding Title 24 accessibility issues brought by any person aggrieved by enforcement action taken by the Building Division of the Community Development Department of the City of Moreno Valley, and render decisions regarding accessibility "hardship"

cases as prescribed by the State's Title 24 Accessibility Regulations. Hearings shall be held within 30 days of receipt of an appeal.

The Arts Commission considers matters pertaining to the planning for the arts in the City; facilitating interaction among artists; promoting arts activities and education; researching grants for arts and culture and making recommendations for the City Council; encouraging service organizations and/or other governmental agencies to propose, finance, and give public arts projects to the City. Meetings are scheduled on the fourth Thursday of each month at 6:00 p.m., Conference and Recreation Center, 14075 Frederick Street.

The Environmental and Historical Preservation Board considers matters pertaining to the preservation of the City's heritage and cultures, including the designation of landmarks and review of all restoration, rehabilitation, alteration and demolition projects in preservation areas; and matters of environmental concern, including matters pertaining to hazardous materials and waste within or affecting the City. Meetings are scheduled on the second Monday of each odd-numbered month at 7 p.m., City Hall - Council Chamber, 14177 Frederick St.

The Library Commission considers all matters pertaining to the administration, operation, development, improvement and maintenance of library services within the City of Moreno Valley. Meetings are scheduled on the third Thursday of each month at 7:00 p.m. Meeting location: Moreno Valley Public Library, 25480 Alessandro Blvd.

The Parks and Recreation Commission considers matters pertaining to the administration, operation, development, improvement and maintenance of parks, recreation facilities, and parks and recreation programs within the City. Meetings are scheduled on the second Thursday of each odd-numbered month at 6:00 p.m., Conference and Recreation Center, 14075 Frederick Street.

The Recreational Trails Board considers matters pertaining to single-use and multi-use recreational trails, including bicycle, jogging and equestrian trails within or affecting the City. Meetings are scheduled on the fourth Wednesday of each odd-numbered month at 5 p.m., Senior Community Center, 25075 Fir Avenue.

The Senior Citizens' Board considers matters pertaining to senior citizens, senior citizens programs, including policies for the Moreno Valley Senior Community Center. Meetings are scheduled on the third Monday of each month at 3 p.m., Senior Community Center, 25075 Fir Ave.

The Traffic Safety Commission considers matters pertaining to traffic safety within the City; evaluates proposals for traffic control devices; and evaluates the need for striping, signing or other measures not of a regulatory nature. The Commission educates the public on traffic issues and responds to public concerns regarding traffic and pedestrian safety. Meetings are scheduled on the first Wednesday of each month at 6:00 p.m., City Hall - Council Chamber, 14177 Frederick St.

The City Council encourages residents to apply for these positions. Applications are available at the City Clerk's Department, located at 14177 Frederick St., Moreno Valley, California, during regular business hours (7:30 a.m. to 5:30 p.m., Monday through Thursday). For further information, please call 951.413.3001.

Applications must be received in the City Clerk's Department no later than 5:30 p.m., Thursday, August 1, 2013.

Jane Halstead, CMC, City Clerk

Subject: National Night Out - August 6

Please advise if you are interested in attending any of the National Night Out events being held in our local neighborhoods. The following locations have been confirmed:

National Night Out

6-9:30 p.m., Tuesday, August 6

El Sorrento Park
23820 Ironwood Ave. (District 2)

Honey Hollow School
Swan X Honey Hollow
(Along the northeast fence line) (District 2)

16359 Abedul St., Moreno Valley (District 4)

24707 Conley Court, Moreno Valley (District 1)

Services Unit (MVPD-CSU) announcing the City of Moreno Valley's 30th Annual National Night Out on August 6, 2013. The Moreno Valley Police Department will be visiting a number of neighborhoods from 6:00 p.m. to 9:30 p.m. The event, sponsored locally by the Moreno Valley Police Department and nationwide by the National Association of Town Watch, will involve more than 15,000 communities from 50 states. The event is designed to generate support for anti-crime programs such as Neighborhood Watch, while heightening gang and drug prevention awareness.

Thanks,

Cindy

Please advise if you are interested in attending the grand opening

The Hole In Wall: Recovery Center Grand Opening
Noon-2 p.m., Thursday, August 8
24187 Postal Ave. (District 1)

The Hole In Wall Inc. (THIW), a not-for-profit organization of men and women joining forces for a common purpose, first open up its doors allowing for a drug-free, clean and safe 12-Step meeting facility in our community. We are proud to announce our official grand opening celebration event which will take place August 8th 2013 from 12:00pm to 2:00pm at 24187 Postal Avenue, Moreno Valley, CA 92553.

The Hole In Wall Inc. is opening as an expansion for two new meeting places, which previously included the Moreno Valley Alano club. This new location will provide a place where families and members of the community can participate in social events in a drug free and safe environment, seven days a week.

The Hole in Wall Inc. is looking to partner with the City of Moreno Valley in the next phase of development, including to add a drop-in center and day care facility for the homeless, those afflicted by drug abuse and formerly incarcerated individuals, by providing counseling and case management to help them overcome obstacles that prevent them from accessing resources.

Ramona Habitat Chapter's Lap-a-thon for the State Farm Matching Grant

The **Ramona Campus Chapter** students organized a Lap-a-Thon on March 23rd to raise funds for their **State Farm Matching Grant**. Over 60 students registered for the event. On early Saturday morning on March 23rd students arrived with high spirits and ready to run, jog, and walk for their pledges. Friends and family sat in the stands to cheer the students on as they ran around Ramona's football field. Volunteers recorded on students badges to keep track of laps ran alongside them and gave high five's for an extra boost of motivation. During the hour long event it was amazing to see some of the students running non-stop and others continue to their trek long after their pledges were met. When the event ended the students congratulated each other over mini muffins and orange slices while proudly announcing their number of laps and how they met their personal goal.

The **Ramona Habitat for Humanity Campus Chapter** received a \$2,000 **State Farm Matching Grant** with an additional \$1,000 bonus once the chapter raised its share to bring the total funding to \$5,000. The Ramona Chapter donated the funds to Habitat for Humanity Riverside's A Brush with Kindness Program to help revitalize homes in the Ramona community. With Habitat Riverside's guidance, Ramona students are responsible for selecting the family and will spend Saturdays volunteering with Habitat in revitalizing their selected homes.

The goal was to raise \$2,000 in Lap-a-Thon pledges, but these Ramona High School students far exceeded our expectations. The **Ramona Habitat for Humanity Campus Chapter** not only met their goal in pledges but showed their dedication, spirit, pride and civic responsibility to their community. It was a great joy to see these students accomplish their goals in creating a beautiful community.

1. Ramona High School's Habitat Chapter took a group picture after exceeding their goal in raising \$5,000!

2. Ramona High School student's never gave up as they ran along the track.

3. These students were determined in keeping their pledges as they jogged over and over again!

4. Former Ramona Habitat member, Britney New, comes back to film the event!

Subject: Appointment of Celeste Wiggins as Acting Payroll Supervisor

It is my pleasure to announce the appointment of Celeste Wiggins to the position of Acting Payroll Supervisor in the Financial & Management Services Department. Celeste has been with the City since December 2012 and has been an invaluable asset with our Logos payroll implementation. Most recently, she has been leading the Payroll Team through the changes as a result of the new MOUs and communicating the impact of those changes to employees as questions have risen.

Celeste has extensive experience working in municipal accounting and finance, specializing in the payroll functions of an organization. You can all look forward to working with Celeste as she will continue to conduct future eSuite training classes and is eager to maintain the successful distribution of timely and accurate paychecks for all of her Moreno Valley family members.

Please join me in congratulating Celeste.

Rick Teichert
Chief Financial Officer
City of Moreno Valley

Subject: Death investigation

Good morning,

An adult male was found dead this morning on a small grassy knoll on Heacock just north of Alessandro. Investigators are on scene and at this point, foul play is not suspected. I will keep you updated.

Subject: FW: Recent Positive Mosquito Pools Received from the CDPH today

Dear Council:

The City contracts with the Riverside County Vector Control program, which provides routine surveillance for West Nile Virus as part of their contract. Mosquitos collected at a location in Hidden Springs tested positive for West Nile Virus. The County plans to treat the location to reduce the number of mosquitos on Thursday morning. The County will post signs around the area explaining their actions. Related to this finding, the City's Code Compliance staff will implement an enhanced protocol when dealing with violations in the area for stagnant pools and other similar standing water complaints.

Should you have any questions or concerns, please contact me.

Sincerely,

John

Subject: Another death investigation

Good morning,

I'm sorry to report that we are conducting another, unrelated death investigation. This one appears to be related to an elderly missing person call from about 1:00 AM this morning. The information we received indicated she was in poor health and possibly suicidal. All efforts to find her this morning (searches by officers, K-9, helicopter, cell phone pinging, etc..) met with negative results. Officers are now with a deceased female who fits the description of the missing person. I will update you when more details become available.

Subject: Thank you to the MoVal July 4th Celebration Team

I'd like to send out a huge THANK YOU to all of the City team members responsible for planning and executing the City's July 4th festivities. From the parade up Frederick Street in the morning to the afternoon and evening activities at the Family FunFest, it was an excellent event for our community. The amount of work that it takes to coordinate this annual celebration is monumental and requires staff assistance from sun up to well past sunset. Thank you to the following Departments and Divisions for their effort, participation, and for sacrificing time with their families and friends so that our residents could enjoy this holiday: Parks and Community Services, Fire, Police Traffic Division, Public Works, City Council Office, Technology Services, Media and Communications, and Animal Services.

Subject: FW: Assembly Outside City Hall

Mayor and City Council:

The assembly was from St. Christopher's Church. They asked to speak with the mayor to request that the City prepare documentation supporting immigration reform to be sent to elected officials - Congressman Takano.

Council Member Stewart, with the concurrence of the Mayor, spoke with the assembly. Council Member Stewart suggested, and asked for a second, to place on the next study session agenda (August 20) discussion of a resolution or letter to be signed by the mayor supporting immigration reform. The document would not be specific, but would be of a general commitment that all five council members could agree upon.

Council Member Molina stated he originally requested an immigration ordinance be presented to the City Council, and seconded placing the immigration reform item on the agenda.

The spokesperson for the assembly was Nicolas Gomez - [REDACTED]

CITY CLERK
MORENO VALL
RECEIVED

13 JUL 10 PM 3: 22

13 JUL 10 PM 3:

Answer to Grounds for Recall by City Councilmember Victoria Baca:

JUST SAY NO WHEN ASKED TO SIGN THE RECALL PETITION.

It has only been six months since the election and I'm being threatened by a Recall inspired by the very people who brought our city to the brink of bankruptcy.

DON'T LET THEM STOP ME

I have lead the efforts to **CREATE NEW JOBS**, balance the budget, increase graduation rates, create our own police department and install new management and vision at City Hall.

I **HAVE BEEN SMEARED** with shameful and untrue allegations made by the proponents of this Recall. Now they are employing paid outsiders to circulate recall petitions.

The supporters of this recall are **HEADED BY FAILED CANDIDATES AND ENVIRONMENTAL ZEALOTS THAT WILL STOP AT NOTHING TO REGAIN POWER.** They don't care that it will cost taxpayers hundreds of thousands of dollars which could be used for police and fire protection!

I ran for office because I love Moreno Valley and I want it to grow and prosper and **NOW THE GOOD OL' BOYS WANT A DO-OVER!** It is a blatant attempt to disqualify the voters who cast their votes and elected me to the city council last November.

DON'T LET THEM STOP ME – DON'T SIGN!

Re: Semi-annual Campaign Statement
Period: January 1, 2013 through June 30, 2013
Due: Wednesday, July 31, 2013

Pursuant to the regulations of the Fair Political Practices Commission, all officeholders, candidates and committees are required to file semi-annual campaign statements.

As indicated above, the filing period covered for this report is January 1, 2013 through June 30, 2013. Your semi-annual campaign statement must be filed in the City Clerk's Office no later than 6:00 p.m., Wednesday, July 31, 2013.

An interactive Form 460, Recipient Committee Campaign Statement, may now be found and utilized at www.fppc.ca.gov, "Campaign Forms"; however, you will still need to print the form and submit it to this office. Also available online is Manual 2, which should be helpful to you in completing your statement.

You should be aware that failure to file by the prescribed deadline can lead to late filing penalties of \$10.00 per each day the statement is late.

If we can be of any assistance, or should you have any questions regarding your reporting obligations, please do not hesitate to contact our office at [REDACTED] or the Fair Political Practices Commission at [REDACTED] (toll free number).

Thank you,
Ewa Lopez, CMC
Deputy City Clerk
City Clerk's Office
City of Moreno Valley
P.O. Box 88005
14177 Frederick Street
Moreno Valley, CA 92552

MV00257586

The Form 460 is for use by ALL recipient committees, including:

Candidates, Officeholders and Their Controlled Committees

- A candidate or officeholder who has a controlled committee, or who has raised or spent or will raise or spend \$1,000 or more during a calendar year in connection with election to office or holding office. The Form 460 is also required if \$1,000 or more will be raised or spent during the calendar year at the behest of the officeholder or candidate.

Primarily Formed Ballot Measure Committees

- A person, entity, or organization that receives contributions totaling \$1,000 or more during a calendar year for the primary purpose of supporting or opposing the qualification, passage, or defeat of a single ballot measure or two or more measures being voted on in the same city, county, multi-county or state election.

Primarily Formed Candidate/Officeholder Committees

- A person, entity, or organization that receives contributions totaling \$1,000 or more during a calendar year to support or oppose a single candidate or officeholder, or two or more candidates or officeholders who are being voted upon in the same city, county, or multi-county election. This type of committee is not controlled by the candidate(s) or officeholder(s).

General Purpose Committees

- A person, entity, or organization that receives contributions totaling \$1,000 or more during a calendar year to support or oppose various candidates and measures (e.g., political parties, political action committees).

Non-controlled committees that do not receive contributions, loans, or miscellaneous receipts totaling \$100 or more from a single source during a calendar year may use Form 450 – Recipient Committee Campaign Statement – Short Form.

Note: Refer to the Statement of Organization, Form 410, for guidance to determine the type of committee.

Use the Form 460 to file any of the following:

- Preelection Statement
- Semi-annual Statement
- Quarterly Statement
- Special Odd-Year Report
- Supplemental Preelection Statement
- Termination Statement
- Amendment to a previously filed statement

Note: Mark the preelection statement box if a committee files a monthly report in connection with a LAFCO proposal.

See reverse for general guidance on where to file this form.

Contribution Limits: Candidates for elective state office are subject to state contribution limits. Contributions received by committees for the purpose of making contributions to candidates for elective state office are also subject to limits. A chart identifying the limits is located at www.fppc.ca.gov. In addition, local candidates may be subject to contribution limits imposed by local ordinance. Questions concerning local limits should be addressed to election officials in the local jurisdiction.

This form was prepared by the Fair Political Practices Commission (FPPC). For detailed information on campaign reporting requirements and the Information Practices Act of 1977, see the FPPC [Campaign Disclosure Manual](#) for your type of committee (available from your filing officer or the FPPC). Campaign filing deadlines, forms, and other informational materials are available on the FPPC website (www.fppc.ca.gov).

Instructions for Recipient Committee Campaign Statement

Where to File:

In general, state committees file with the Secretary of State and local committees file with the filing officer of the local jurisdiction.

State Committees:

State committees include candidates and officeholders, all judicial candidates and judges, committees that support or oppose state candidates and ballot measures (e.g., PACs, political parties), committees that support or oppose candidates and ballot measures in more than one county, and candidates and committees formed for CalPERS or CalSTRS elections.

Secretary of State

Political Reform Division
1500 11th Street, Room 495
Sacramento, CA 95814
Phone (916) 653-6224
Fax (916) 653-5045
www.sos.ca.gov

Additional Copies:

- A copy of this form must also be filed with a state candidate's county of domicile's filing officer, if the state candidate committee does not file Form 460 electronically with the Secretary of State.
- A copy of this form must also be filed with a local filing officer if the committee is controlled by a candidate for state elective office and the committee is formed for a local election.
- A copy of this form must also be filed with the relevant CalPERS or CalSTRS office if the committee is a candidate controlled or a primarily formed committee for a CalPERS

or CalSTRS election. A candidate seeking a CalPERS or CalSTRS election is not required to file a copy of the statement with the candidate's county of domicile.

Local Committees:

- Elected officers and candidates for local agencies that have jurisdiction in two or more counties and committees that support or oppose candidates or local measures being voted on in one of these jurisdictions, file an original and one copy with the election official for the county with the largest number of registered voters in the district and one copy with their county of domicile.
- Elected county officeholders and candidates for county offices, and committees that support or oppose candidates or ballot measures being voted on within a single county, file an original and one copy with the election official for that county.
- Elected city officeholders and candidates for city offices, and committees that support or oppose candidates and ballot measures in a single city, file an original and one copy with the city clerk.

Fast Facts:

Paper Copies: All committees must file the original and one copy in paper format with the designated filing officer. Most state committees must also file an electronic version. Some local jurisdictions also require electronic submissions.

Electronic Filing: State committees must file electronic reports with the Secretary of State if

the committee receives contributions or makes expenditures totaling \$25,000 or more.

General Purpose Committees: FPPC Regulation 18227.5 sets out the procedures for determining whether a committee should file with the state, county, or city elections office. In general, such committees file with the Secretary of State unless the committee is making more than 70% of its contributions and expenditures in connection with a city or county election. The regulation sets out review time lines and exceptions. A committee shall not knowingly file in an incorrect jurisdiction with the intention of avoiding the appropriate legal disclosure to the public. Committees that change jurisdictions file in both jurisdictions until the end of the calendar year.

LAFCO Proposals: Committees primarily formed to support or oppose a LAFCO proposal file this form with the county elections office in the county where the proposal may be voted upon. Once a proposal is listed on a ballot, a committee will file as a multi-county, county or city committee.

Statement of Organization: Committees must make certain that the committee's information on its Statement of Organization, Form 410, is current and correct. This form includes information such as a candidate's year of election and the name of the committee's principal officers as well as other important information on the committee's formation. Information listed on a Form 460 must be the same as that disclosed on the Form 410.

**Instructions for
Recipient Committee
Campaign Statement – Cover Page**

Period Covered by a Statement:

The “period covered” by a campaign statement begins the day after the closing date of the last campaign statement you filed. For example, if the closing date of the last statement was September 30, the beginning date of the next statement will be October 1.

If this is the committee's first campaign statement, begin with January 1 of the current calendar year.

The closing date of the statement depends on the type of statement you are filing.

Date of Election:

If you are filing this statement as a preelection statement in connection with an election, enter the date of the election.

Type of Recipient Committee:

Check one box to indicate the type of committee filing the statement. General descriptions are provided on the cover sheet to this form, or contact your filing officer or the FPPC for assistance. Following are some additional guidelines:

Controlled Committee

- A controlled committee is one that is controlled by a candidate, officeholder or, in the case of a state ballot measure committee, by the proponent of the measure. A committee is “controlled” if the candidate, officeholder, or proponent, his or her agent, or any other committee he or she controls, has a significant influence on the actions or decisions of the committee.

Sponsored Committees

- A sponsored committee is one that has a sponsor—a business entity, organization, union, or other entity—that meets certain criteria. Sponsored ballot measure committees and general purpose committees must include the name of the sponsor in the name of the committee.

Small Contributor Committees

- This term is significant only if the committee makes contributions to candidates running for elective state office.

Type of Statement:

Check the appropriate box(es) to indicate the type of statement you are filing (or amending).

Amendments: If you are filing an amendment to a previously filed statement, give a brief explanation of the amendment and list the schedules being amended. Include an amended summary page, if applicable. Be sure to enter the period covered of the statement you are amending.

Termination: A committee must continue filing campaign statements each year until it is eligible to terminate and files a Form 410 Termination. Most officeholders must continue filing campaign statements until they have terminated all controlled committees and have left office.

Committee I.D. Number:

If the committee has not yet received an identification number from the Secretary of State, enter “Not Yet Received.” File Form 410 to obtain an I.D. Number.

Verification:

The statement must be signed by the committee treasurer or the assistant treasurer named on the committee's Statement of Organization (Form 410). An officeholder, candidate, or state measure proponent who controls the committee must also sign the statement. If two or three officeholders, candidates, or proponents control the committee, each must sign the statement. If more than three control the committee, one may sign on behalf of the others.

Under certain circumstances, the responsible officer of a sponsoring organization must sign the statement.

Additional Important Information:

Refer to the FPPC Campaign Disclosure Manual for your type of committee for information about:

- When, where, and what type of statements the committee is required to file.
- Closing date of campaign statements.
- Sponsored committee criteria.
- Termination criteria.
- Recordkeeping requirements and prohibitions.

**Instructions for
Recipient Committee
Campaign Statement – Cover Page**

**CALIFORNIA
FORM 460**

**Officeholder or Candidate Controlled
Committee:**

Candidates must have a separate bank account and committee to run for different elective offices. A candidate who is required to file campaign statements in connection with more than one elective office but is only receiving contributions and making expenditures for one of the offices, may include both offices on one Form 460. In Part 5 of the cover page, enter the candidate's name and under "Office Sought or Held," identify each office, and state whether the candidate is seeking or holding the office. The Form 460 must be filed with the appropriate filing officer(s) for each office.

For example, a city councilmember is raising funds to run for the county board of supervisors. She has no committee and is not raising or spending funds in connection with the city office, and has formed a controlled committee for the county office. To comply with the requirements to file campaign statements for both her city office and her county candidacy, she may complete one Form 460 each campaign reporting period, which she will file with the city clerk and the county elections department. In Part 5 of the Form 460 Cover Page, under "Office Sought or Held," she will state that she is holding the office of city councilmember (including the name of the city) and that she is seeking a seat on the board of supervisors (including the name of the county).

Ballot Measure Committee:

Part 6 of the Form 460 Cover Page must be completed by committees that are primarily formed to support or oppose the qualification or passage of a single ballot measure or two or more measures being voted on in the same city, county, multicounty, or state election. A "general purpose" ballot measure committee (one that supports or opposes a variety of state and/or local ballot measures) is not required to complete Part 6.

Instructions for Summary Page Campaign Disclosure Statement

The Summary Page provides an overview of the committee's financial activities and is completed for each filing.

Column A reflects activities during the current reporting period as reported on Schedules A through H. It is not necessary to attach a blank schedule if there has been no reportable activity during the period, but it is necessary to enter a zero or the word "none" on the appropriate line in Column A of the Summary Page.

Column B figures should reflect the cumulative total since January 1 of the current calendar year.* Add the totals from Column B of the committee's last campaign statement (if any) to the corresponding amounts in Column A. If this is the first report being filed for a calendar year, only carry forward the amounts reported on Lines 2, 7, and 9 of Column B (if any) from the committee's last statement. (Note: The amounts reported on Lines 2, 7, and 9 of Column B should be the same as the total outstanding amounts disclosed in column (d) of Schedules B, F, and H, respectively, of the current report.)

When loans (Schedules B and H) and accrued expenses (Schedule F) are paid, the figures to be carried from the schedules to Lines 2, 7, and 9 of Column A may be negative numbers. In this case, be sure to show them as negative figures on the Summary Page (e.g., with a minus sign (-) or in parentheses), and subtract them when totaling Columns A and B.

*There are exceptions to the calendar year "cumulation period" for candidate elections and ballot measure elections held in January and early February, and for ballot measure qualification

activities. Consult the FPPC [Campaign Disclosure Manual](#) for your type of committee for additional information.

Current Cash Statement:

Lines 12-16 of the Summary Page should accurately reflect your current cash position. Beginning and ending cash balances should include the total amount of funds in your campaign checking and savings accounts, plus any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks and bonds, etc. (Officeholders and candidates are subject to bank account restrictions, and all committees should read the [FPPC Campaign Disclosure Manual](#) regarding appropriate uses of campaign funds.)

Line 12 (Beginning Cash Balance) must be the same as the ending cash balance reported on Line 16 of your previous statement's Summary Page. If this is your first campaign statement, enter zero on Line 12.

Line 16 (Ending Cash Balance) is the total of Lines 12, 13, and 14, **minus** Line 15.

If you are filing a termination statement, Line 16 must be zero.

Cash Equivalents:

"Cash equivalents" include investments that cannot be readily converted to cash, as well as the balance due on all outstanding loans the committee has made to others (from Line 7 of Column B of the Summary Page). Investments that can be readily converted to cash, such as certificates of deposit or money market funds, should be included in the cash

on hand figures on Lines 12 and 16 of the Summary Page.

Summary for Primary and General Elections (Lines 20 and 21):

This section is only for committees that are:

- Controlled by a candidate who is being voted on in both the state primary and general elections (does not apply to controlled ballot measure committees); or
- Primarily formed to support or oppose candidates being voted on in both the state primary and general elections.

Complete this summary on the preelection and semi-annual statements for the general election, covering periods during the last six months of the year (July 1-December 31).

Expenditure Ceiling Summary for State Candidates (Line 22):

Candidates for elective state office who have accepted the voluntary expenditure ceiling for a particular election must disclose the total amount of expenditures made through the end of the reporting period that are subject to the expenditure ceiling for the election. Report the date of the election and total amount expended for that election. Report totals for the primary and general elections separately. This information is no longer required if the expenditure ceiling has been lifted. (See [FPPC Campaign Disclosure Manual 1](#).)

MV00257596

**Instructions for
Schedule A
Monetary Contributions Received**

Report monetary contributions (except loans) received during the reporting period on Schedule A. Also report on Schedule A if a contributor forgives a loan for you or a third party pays a loan for you. Loans received during the period are reported on Schedule B. Certain transfers between a state candidate's controlled committees are also disclosed on Schedule A. (See FPPC Campaign Disclosure Manual 1.)

If a total of \$100 or more is received from a single contributor during a calendar year, report the name, street address, city, state and zip code of the contributor, the amount contributed this period, and the cumulative amount received from the contributor since January 1 of the current calendar year.* Include monetary and nonmonetary contributions and loans when reporting the cumulative amount.

Contributions totaling less than \$100 received from a single contributor during a calendar year are reported as a lump sum on Line 2 of the Schedule A Summary.

*There are exceptions to the calendar year "cumulation period" for candidate elections and ballot measure elections held in January and early February, and for ballot measure qualification activities. (See the FPPC Campaign Disclosure Manuals for candidates and ballot measure committees.)

Date Received:

A monetary contribution has been received when the candidate or committee, or an agent of the candidate or committee, receives or obtains control of the check or other negotiable instrument. There are special rules for reporting the date contributions are received by a committee that collects

contributions through employee payroll deductions or membership dues and contributions received electronically (e.g., credit card, text).

Contributor Codes:

For each itemized contributor, check the applicable contributor code:

IND--contributions from any individual's personal funds.

COM--contributions from other committees that receive contributions. These committees will have an identification number assigned by the Secretary of State. Examples: political action committees, other candidates' committees. (State committees should use PTY or SCC when appropriate.)

OTH--business entities and other contributors.

PTY--contributions from political parties (including state and county central committees).

SCC--contributions from small contributor committees (applicable only to state candidates and committees).

Contributions from Individuals:

When itemizing a contribution from an individual, also disclose the contributor's occupation and the name of his or her employer. If the contributor is self-employed, provide the name of his or her business. If the contributor is not employed, enter "none."

It is not necessary to enter occupation and employer information for other types of contributors (such as business entities).

Missing Contributor Information: A contribution of \$100 or more must be returned to the contributor

within 60 days if the recipient does not obtain the contributor's address, occupation and employer.

Contributions from Committees:

When itemizing a contribution from another recipient committee, disclose the identification number assigned to that committee by the Secretary of State in addition to its name and address. If no ID number has been assigned, provide the name and address of that committee's treasurer.

Intermediaries:

If you receive a contribution through an intermediary (i.e., you have received a contribution check from a person other than the true source of the funds), disclose all of the required information for both the intermediary and the actual contributor.

Per Election to Date:

Candidates subject to state contribution limits (or if required by local ordinance) must disclose the cumulative amount received from each contributor during the limitation cycle in addition to the calendar year cumulative amount. (Candidates for elective state office should refer to FPPC Campaign Disclosure Manual 1.)

Additional Important Information:

Refer to the FPPC Campaign Disclosure Manual for your type of committee for important information about aggregating monetary and nonmonetary contributions, recordkeeping, prohibitions on cash contributions, returning contributions, and more.

 PTY – Political Party
 SCC – Small Contributor Committee

*Amounts forgiven or paid by another party also must be reported on Schedule A.
 ** If required.

MV00257599

**Instructions for
Schedule B – Part 1
Loans Received**

All loans received or outstanding are reported on Schedule B. Loans include monetary loans and amounts drawn on lines of credit.

Report loan guarantors on Schedule B – Part 2. A “guarantor” is a third party that co-signs, endorses, or provides security for a loan, or establishes or provides security for a line of credit. A guarantor is also making a contribution.

When a state candidate guarantees a loan from a commercial lending institution in connection with his or her election, both the lending institution and the candidate are required to be disclosed as the lender.

For each loan of \$100 or more that was received or was outstanding during the reporting period, disclose the lender’s name and address. Report the original source of all loans received. E.g., for a loan from a commercial lending institution for which a candidate is personally liable, report the lending institution as the lender.

Column (a) – Enter the outstanding loan balance at the beginning of this period (Column (d) of last report). If the loan was received this period, this column will be blank.

Column (b) – Enter the amount received from the lender during this reporting period. If this loan was received in a previous reporting period, leave blank.

Column (c) – Enter the amount of any reduction of the loan during this reporting period. Check whether the loan was paid or forgiven. When the lender forgives a loan or a third party makes a payment on a loan, also report the lender or third party on Schedule A.

Column (d) – Enter the outstanding balance of the loan at the close of this reporting period. Enter the due date, if any.

Column (e) – Enter the interest rate and the amount of interest paid on the loan(s) during this reporting period. Interest paid is reported separately from payments made on the loan principal. Interest payments are also transferred to the Schedule E Summary.

Column (f) – Enter the original amount of the loan and date received. If this is the first time you are reporting the loan, this will be the same amount reported in Column (b).

Column (g) – Enter the cumulative amount of contributions (loans, monetary and nonmonetary contributions) received from the lender during the calendar year covered by this statement. Candidates subject to state contribution limits (or if required by local ordinance) must disclose the cumulative amount received from each contributor during the limitation cycle in addition to the calendar year cumulative amount. (Candidates for elective state office should refer to [FPPC Campaign Disclosure Manual 1](#).)

Schedule B Summary:

The Schedule B Summary reflects the “net change” in your loan activity. That is, loan payments made during the period are subtracted from new loans received. When the loan payments number is larger than the amount of new loans received, Line 3 will be a negative figure. For example, if \$200 is paid during the period and only \$100 is received in new loans, report the net change on Line 3 as

“-\$100” or “(\$100).” Be sure to carry this figure to the Summary Page as a negative figure to be subtracted from Summary Page totals.

Additional Important Information:

Refer to the Instructions for Schedule A for important information about:

- Contributor Codes
- Contributions from Individuals
- Contributions from Committees
- Intermediaries

A loan received from a commercial lending institution in the normal course of business is reportable on Schedule B but is not considered a contribution. Contributor codes and cumulative amounts (Column (g)) are required only for loans that are contributions.

Refer to the [FPPC Campaign Disclosure Manual](#) for your type of committee for important information about recordkeeping, prohibitions on cash contributions, returning contributions, and more.

Instructions for
Schedule B – Part 2
Loan Guarantors

Guarantors of loans received or outstanding during the reporting period are reported on Schedule B – Part 2. A “guarantor” is a third party that co-signs, endorses, or provides security for a loan, or establishes or provides security for a line of credit. A guarantor is also making a contribution.

For each guarantor of \$100 or more, enter the name and address of the guarantor and, if the guarantor is an individual, his/her occupation and employer or, if self employed, the name of his/her business.

Enter the name of the lender or the entity at which a line of credit was established and the date of the loan or the date the line of credit was established.

Enter the amount guaranteed this period, if applicable. For lines of credit, enter the full amount established or secured by the guarantor during the period. (Report amounts **drawn** on a line of credit on Schedule B – Part 1.)

Enter the cumulative amount guaranteed during the calendar year covered by the statement. Candidates subject to state contribution limits (or if required by local ordinance) must disclose the cumulative amount received from each contributor during the limitation cycle in addition to the calendar year cumulative amount. (Candidates for elective state office should refer to FPPC Campaign Disclosure Manual 1.)

Report the outstanding balance for which the guarantor is liable at the close of this reporting period.

Loan guarantees are not included in the Schedule B Summary, but are carried forward in a lump sum to Line 17 of the Summary Page.

MV00257603

**Instructions for
Schedule C
Nonmonetary Contributions Received**

Report the receipt of nonmonetary contributions on Schedule C.

Nonmonetary contributions include:

- Goods and services for which you have not paid the fair market value, including items donated for auctions or garage sales, such as artwork or furniture.
- A discount that is not available to the public generally.
- Salary payments made by an employer for an employee who spends 10% or more of his or her compensated time in a calendar month working for your committee.

Volunteer personal services and payments voluntarily made by a person for his or her own campaign-related travel expenses are not reportable. The occupant of a home or office can host a fundraiser without making a nonmonetary contribution as long as the total cost of the fundraiser is \$500 or less.

If a total of \$100 or more is received from a single contributor during a calendar year, report the name, street address, city, state and zip code of the contributor, the amount contributed this period, and the cumulative amount received from the contributor since January 1 of the current calendar year. Include monetary and nonmonetary contributions and loans when reporting the cumulative amount.

Contributions totaling less than \$100 received from a single contributor during a calendar year are reported as a lump sum on Line 2 of the Schedule C Summary.

Date Received:

A nonmonetary contribution has been received on the earlier of the following: 1) the date the contributor made an expenditure for goods or services at your behest (in consultation or coordination with you, or at your request or suggestion); or 2) the date you or your agent obtained possession or control of the goods or services.

Per Election to Date:

Candidates subject to state contribution limits (or if required by local ordinance) must disclose the cumulative amount received from each contributor during the limitation cycle in addition to the calendar year cumulative amount. (Candidates for elective state office should refer to [FPPC Campaign Disclosure Manual 1.](#))

Fair Market Value:

The fair market value of a nonmonetary contribution is the amount it would cost to purchase the goods or services on the open market. The fair market value can be more than the amount it cost the contributor to provide the goods or services to you.

If you do not know the value of a nonmonetary contribution, you may request the contributor to provide you with a written statement of the value. If you make a request in writing and the value of the contribution is \$100 or more, the contributor is required by law to provide the information.

Administrative Services:

Administrative overhead and start-up expenses paid by a sponsoring organization for its sponsored committee are not contributions to the committee but must be reported on Schedule C. Report the value of the services in the "Description of Goods or Services" column and a zero in the "Amount" and "Cumulative to Date" columns.

Nonmonetary Contributions as Expenditures:

The total of nonmonetary contributions is reported on the Summary Page as both contributions received and expenditures made. Enter the total on Line 3 of the Schedule C Summary on both Lines 4 and 10 of the Summary Page. (State Candidates: Most nonmonetary contributions also count for purposes of the voluntary expenditure limits.)

Additional Important Information:

Refer to the Instructions for Schedule A for important information about:

- Contributor Codes
- Contributions from Individuals
- Contributions from Committees
- Intermediaries

Refer to the FPPC [Campaign Disclosure Manual](#) for your type of committee for important information about aggregating monetary and nonmonetary contributions, recordkeeping, and more.

MV000257605

**Instructions for
Schedule D
Summary of Expenditures Supporting/Opposing Other
Candidates, Measures, and Committees**

Schedule D is a summary of payments reported on Schedules E, F, and H that are contributions or independent expenditures to support or oppose candidates and committees. These include:

- A direct monetary contribution or loan made to another candidate or committee.
- A payment made to a vendor for goods or services for a candidate or committee (a nonmonetary contribution).
- A donation to a candidate or committee of goods on hand, or the payment of salary or expenses for a campaign employee who spends 10% or more of his or her compensated time working for another candidate or committee.
- A payment made for a communication (e.g., a mailing, billboard, radio ad) that expressly advocates the election, passage or defeat of a clearly identified candidate or ballot measure, but the payment is not made to—or at the behest of—the candidate or a ballot measure committee. These payments are “independent expenditures” and may trigger additional reports for your committee.

Note:
Campaign funds of a candidate or officeholder may not be used to make independent expenditures to support or oppose other candidates.

If a total of \$100 or more is contributed or expended during a calendar year to support or oppose a single candidate, ballot measure, or a general purpose committee (e.g., a political party), disclose the name of the candidate and the office sought or held and the candidate’s district, if any, the number or letter and jurisdiction of the ballot

measure, or the name of the general purpose committee. For each candidate or measure listed, indicate whether the payment was made to support or oppose the candidate or measure. For example, if you made a contribution to the Committee Against Measure A, check the “Oppose” box.

Disclose the date(s) and amount(s) of contributions or independent expenditures made this period relative to each candidate, measure, or committee, and the cumulative amount contributed or paid to date relative to the candidate, measure, or committee since January 1 of the current calendar year. Cumulate contributions and independent expenditures separately.

Contributions and expenditures of less than \$100 to support or oppose a single candidate or measure during a calendar year are totaled and reported as a lump sum on Line 2 of the Schedule D Summary.

Per Election to Date:

If a contribution is made to a candidate that is subject to state contribution limits (or if required by local ordinance), disclose the total amount contributed to the committee in connection with each limitation cycle and identify the election year. The primary and general elections are separate elections. For example, a \$3,900 contribution to a

candidate for the primary election in 2012 would be disclosed as “\$3,900 P-12.”

Description:

If you contributed goods on hand to another candidate or committee (e.g., office supplies), describe the goods or services in the “Description” column and disclose the fair market value of the contribution. The fair market value is the amount it would cost the recipient to purchase the goods or services. Because payments must be described when they are reported on Schedules E and F, you need not provide a description on Schedule D for payments reported on Schedules E or F that are nonmonetary contributions or independent expenditures.

Date of Contribution or Expenditure:

A monetary contribution is made on the date it is mailed, delivered, or otherwise transmitted it to the candidate or committee. A nonmonetary contribution is made on the earlier of the following: 1) the date you made an expenditure for goods or services at the behest of the candidate or committee; or 2) the date the candidate or committee obtained possession or control of the goods or services.

Additional Important Information:

Refer to the FPPC Campaign Disclosure Manual for your type of committee for important information about recordkeeping, prohibitions on cash payments, restrictions on the use of campaign funds, and more.

SUBTOTAL \$ _____

Schedule E Summary

- Itemized payments made this period. (Include all Schedule E subtotals.) \$ _____
- Unitemized payments made this period of under \$100 \$ _____
- Total interest paid this period on loans. (Enter amount from Schedule B, Part 1, Column (e).) \$ _____
- Total payments made this period. (Add Lines 1, 2, and 3. Enter here and on the Summary Page, Column A, Line 6.) **TOTAL \$** _____

**Instructions for
Schedule E
Payments Made**

Report payments on Schedule E (other than loans).

For each payment of \$100 or more made during the period, report the name and street address, city, state, and zip code of the payee or creditor, and the amount paid during the period. Payments of less than \$100 during the period are reported as a lump sum on Line 2 of the Schedule E Summary. However, if two or more payments under \$100 were made for a single product or service and the total paid during the period was \$100 or more, itemize the total amount paid during the period.

Report payments made on accrued expenses. Also report the required information on Schedule F.

Code or Description of Payment:

If one of the codes listed on Schedule E fully describes the payment, enter the code. A full description of each code is provided on the back of the Schedule E-Continuation Sheet. If none of the codes fully explains the payment, leave the "Code" column blank and enter a brief description of the goods or services purchased in the "Description of Payment" column.

Credit Card Payments:

Disclose the name, address, and amount paid to the credit card company during the period. Also disclose the name, address, amount paid, and code or description of payment for each vendor paid \$100 or more. You may disclose the vendor payments on Schedule E or Schedule G.

Payments by Agents and Independent Contractors:

When an agent or independent contractor (e.g., campaign worker, advertising agency, campaign management firm) makes payments on your behalf ("subvendor payments"), disclose the name, address, amount paid, and code or description of payment for each vendor paid \$500 or more. Disclose payments to the agent or independent contractor on Schedule E. You may disclose the subvendor payments on Schedule E or Schedule G.

Loans:

Report interest paid on loans received on Line 3 of the Schedule E Summary (from Schedule B, Part 1, Column (e)).

Report payments made on loans received on Schedule B and loans made to others on Schedule H. Do not report on Schedule E.

Savings Accounts/Certificates of Deposit/Money Market Accounts:

Do not report transfers of campaign funds into savings accounts, certificates of deposit, money market accounts, or the purchase of any other asset that can readily be converted to cash on Schedule E. Continue reporting these amounts as part of your cash on hand on the Summary Page.

Candidates:

- Candidates must briefly describe the political, legislative, or governmental purpose of an itemized expenditure for gifts, meals, and travel payments. FPPC Regulation 18421.7 sets out the requirements.
- Candidate controlled ballot measure committee funds may only be used to make payments related to a state or local measure or potential measure (including qualification activities) anticipated by the committee. See FPPC Regulation 18521.5.

Ballot Measure Committees

A ballot measure committee that makes a payment to any business entity (1) which is owned 50 percent or more by any of the individuals listed below, or (2) in which any of the individuals listed below is an officer, partner, consultant or employee, must report that individual's name, relationship to the committee, and a description of the ownership interest or position with the business entity.

Individuals covered by (1) and (2) above include:

- A candidate or person controlling the committee; or
- An officer or employee of the committee; or
- The spouse of any of the above.

Instructions for
Schedule E (Continued)
Payments Made

Codes:

CMP: Campaign paraphernalia/misc. Lawn signs, buttons, bumper stickers, T-shirts, potholders, etc. Includes costs of election night event.

CNS: Campaign consultants. Fees and commissions paid to professional campaign management or consulting firms.

CTB: Contributions. Contributions made to other candidates and committees. Use "CTB" for direct monetary contributions. For nonmonetary (in-kind) contributions, use "CTB" and, if one of the other codes accurately describes the expenditure, you may enter that code also. Otherwise, describe the payment. Also provide the name of the candidate or committee that received the nonmonetary contribution in the "Description of Payment" column.*

CVC: Civic donations. Donations to civic, nonprofit or education organizations; payments for community events.

FIL: Candidate Filing/Ballot Fees. Payments to election officials for candidate filing fees and fees charged for publication of a ballot statement.

FND: Fundraising events. Expenditures associated with holding a fundraising event, including payments for event space to hotels or halls, payments for food and beverages to restaurants, caterers and other vendors, and payments for speakers, entertainment, and decorations. Includes costs of house parties. (Use "LIT" for costs of invitations, brochures, and solicitations associated with fundraising events.)

IND: Independent expenditures. Payments for communications that support/oppose other candidates or measures that are not made in consultation or coordination with the candidates or a ballot measure committee. Use "IND" and, if one of the other codes accurately describes

the independent expenditure, you may enter that code also. Otherwise, describe the payment. Also provide the name of the candidate or ballot measure supported or opposed by the expenditure.*

LEG: Legal Defense. Attorney or other fees paid for legal defense.

LIT: Campaign literature and mailings. Preparation, production, and distribution of campaign literature, direct mail pieces, fundraising solicitations, and door hangers. Includes costs of mailing lists, design/graphics, copy and layout, printing and photocopying. Includes payments to be on a slate mailer, and for absentee ballot mailers.

MBR: Member Communications. Payments for communications to members, employees, or shareholders of an organization, or their family members, for the purpose of supporting or opposing a candidate or ballot measure.

MTG: Meetings and appearances. Costs associated with meetings, press conferences, town halls, constituent meetings, etc.

OFC: Office expenses. Expenditures for office rent; utilities (including cellular phone service); purchase or rental of office equipment (computer, fax, photocopier, etc.) and furniture; office supplies, etc.

PET: Petition circulating. Includes payments for printing petitions and payments to signature gathering firms for ballot measure qualification drives.

PHO: Phone banks. Costs of phone banks.

POL: Polling and survey research. Costs of designing and conducting polls, reports on election trends, voter surveys, etc.

POS: Postage, delivery and messenger services. Includes U.S. Postal Service, Federal Express, United Parcel Service, and other delivery and courier services.

PRO: Professional services. Includes legal, accounting, and bookkeeping services.

PRT: Print space and production costs. Includes advertising space in newspapers, magazines and other publications, and billboard ads.

RAD: Radio airtime and production costs.

RFD: Returned contributions.

SAL: Campaign workers salaries. Includes state and federal payroll taxes.

TEL: Television or cable airtime and video production costs.

TRC: Candidate travel. Payments or reimbursements for travel, lodging, and meals of a candidate.

TRS: Staff/spouse travel. Payments or reimbursements for travel, lodging, and meals of a candidate's representative (staff), or member of the candidate's household.

TSF: Transfers. Only use this code to report the transfer of funds to another authorized committee of the same candidate or sponsoring organization. Report funds this committee gives to other committees on Schedule E, as contributions ("CTB") to those committees, not as transfers.

VOT: Voter registration costs.

WEB: Information technology costs. Includes payments for website design, e-mail, internet access, production of website and e-mail advertising.

***Payments that are contributions or independent expenditures to support or oppose other candidates, measures, and committees must also be summarized on Schedule D.**

MV00257612

**Instructions for
Schedule F
Accrued Expenses (Unpaid Bills)**

Report unpaid bills for goods or services on Schedule F.

If the amount owed to a single vendor is \$100 or more at the end of the reporting period, you must disclose the name and street address, city, state, and zip code of the payee or creditor and the amount incurred during the period that is outstanding at the end of the period (Column (b)). Continue reporting the accrued expense on each subsequent campaign statement until it is paid.

You are not required to report on Schedule F regular administrative overhead expenses, such as rent, utilities, phones, or employee salaries if you have not received a bill in the normal course of business or if the due date for the payment is after the closing date of the statement.

If you do not know the exact amount of a debt or obligation, provide an estimate. Once the exact amount is known, amend the estimated amount or note the correct amount on the next campaign statement.

Unpaid bills of less than \$100 at the end of the reporting period are added together and included in the total reported on Line 1 of the Schedule F Summary.

When accrued expenses are paid, the payments are reported on Schedule E. Also report the payment on Schedule F, Column (c).

Code or Description of Payment:

If one of the expenditure codes listed on Schedule F fully describes the payment, enter the code. A full description of each code is provided on the

back of the Schedule E Continuation Sheet. If none of the codes fully explains the expenditure, enter a brief description of the goods or services instead.

There are special instructions on the back of the Schedule E Continuation Sheet for coding and describing nonmonetary contributions and independent expenditures to support/oppose other candidates, committees, and ballot measures.

Accrued expenses that are nonmonetary contributions and independent expenditures must also be summarized on Schedule D when incurred.

Credit Card Payments:

Disclose the name, address, and amount owed or paid to the credit card company during the period. Also disclose the name, address, amount paid, and code or description of payment for each vendor paid \$100 or more. You may disclose the vendor payments on Schedule F or Schedule G.

Payments by Agents and Independent Contractors:

When an agent or independent contractor (e.g., campaign worker, advertising agency, campaign management firm) makes payments on your behalf ("subvendor payments"), disclose the name, address, amount paid, and code or description of payment for each vendor paid \$500 or more. Disclose amounts owed to the agent or independent contractor on Schedule F. You may disclose the subvendor payments on Schedule F or Schedule G.

Note: It is not necessary to reitemize credit card vendors or agent subvendors on Schedule F or G when payments are made on accrued expenses, or if an accrued expense is itemized on more than one statement.

Forgiveness or Third Party Payment of an Accrued Expense:

If a creditor forgives or reduces an outstanding debt, or a third party pays a debt for you, report the transaction as follows:

- In the "Description of Payment" column, state that the debt was forgiven, reduced, or paid by a third party.
- Report the amount forgiven, reduced, or paid by a third party as a negative figure in the "Amount Incurred This Period" column (Column (b)).
- Report a nonmonetary contribution from the creditor or third party on Schedule C.

Do not report the forgiveness, reduction, or third party payment on Schedule E.

Refer to the FPPC [Campaign Disclosure Manual](#) for your type of committee for important information about recordkeeping, cash expenditures, permissible uses of campaign funds, and more.

* Do not transfer to any other schedule or to the Summary Page. This total may not equal the amount paid to the agent or independent contractor as reported on Schedule E.

MV00257615

**Instructions for
Schedule G
Payments Made by an Agent or
Independent Contractor**

Report payments made on your behalf during the reporting period by an agent or independent contractor (such as a campaign management firm or an advertising agency) on Schedule G.

Schedule G may be completed by the agent or independent contractor and provided to you or Schedule G may be completed by you from information provided by the agent or independent contractor.

Report expenditures of \$500 or more (other than expenditures for the agent's or independent contractor's overhead and normal operating expenses) made on your behalf during the reporting period.

Once a subvendor payment has been itemized on Schedule E, F, or G, it does not need to be itemized again. For example, if a subvendor payment is reported on Schedule F or G as part of an accrued expense, the subvendor information does not need to be reported again on subsequent reports.

Code or Description of Payment:

If one of the expenditure codes listed on Schedule G fully describes the payment, enter the code. A full description of each code is provided on the back of the Schedule E Continuation Sheet. If none of the codes fully explains the expenditure, enter a brief description of the payment instead.

Important: Officeholders and candidates may reimburse an agent or independent contractor for expenditures made on their behalf only if all of the following criteria are met:

- There is a written contract between the officeholder or candidate and the agent or independent contractor that provides for the reimbursement;
- The treasurer is provided with a dated receipt and written description of each expenditure prior to reimbursement; and
- Reimbursement is paid within 45 calendar days after the agent or independent contractor makes the expenditures.

Generally, if reimbursement is not paid within 45 calendar days, report the expenditure as a nonmonetary contribution on Schedule C.

Refer to the FPPC [Campaign Disclosure Manual](#) for your type of committee for additional instructions.

1. Loans made this period \$ _____
 (Total Column (b) plus unitemized loans of less than \$100.)
2. Payments received on loans \$ _____
 (Total Column (c) plus unitemized payments of less than \$100.)
3. Net change this period. (**Subtract** Line 2 from Line 1.) **NET \$** _____
 (Enter the net here and on the Summary Page, Column A, Line 7.)

**If Required

MV00257617

**Instructions for
Schedule H
Loans Made to Others**

All loans made or outstanding are reported on Schedule H.

Generally, campaign funds may be used to make loans to other candidates, officeholders, or committees (unless otherwise prohibited) and to bona fide charitable, educational, civic, religious, or similar tax-exempt nonprofit organizations. There are restrictions on loans to any other person, including a candidate who controls the committee, or to a nonprofit organization that is affiliated with a candidate, the treasurer, or other committee officials.

For each loan of \$100 or more that was made or was outstanding during the reporting period, disclose the recipient's name and address and, if an individual, his/her occupation and employer or, if self employed, the name of the business.

Column (a) – Enter the outstanding loan balance at the beginning of this period (column (d) of last report.) If the loan was made this period, this column will be blank.

Column (b) – Enter the amount loaned to the recipient during this reporting period. If this loan was made in a previous reporting period, leave blank.

Column (c) – Enter the amount of any reduction of the loan during this reporting period. Check whether the loan was paid or forgiven. If the committee forgives a loan, also report the transaction on Schedule E.

Column (d) – Enter the outstanding balance of the loan(s) at the close of this reporting period. Enter the due date, if any.

Column (e) – Enter the interest rate and amount of interest received on the loan(s) during this reporting period. Interest received is reported separately from payments received on the loan principal. Interest payments are also transferred to the Schedule I Summary.

Column (f) – Enter the original amount of the loan and date made. If this is the first time you are reporting the loan, this will be the same amount reported in Column (b).

Column (g) – For each loan made during this reporting period that is a contribution,* enter the cumulative amount of contributions (loans, monetary and nonmonetary contributions) made to the recipient during the calendar year covered by the statement. If the recipient is a candidate subject to state contribution limits, or the information is required by local ordinance, also enter the total amount contributed to the candidate in connection with each limitation cycle and identify the election year. (For contributions to state candidates, see the Schedule D instructions.)

Schedule H Summary:

The Schedule H Summary reflects the “net change” in the committee’s loan activity. That is, repayments received are subtracted from new loans made. When the repayment number is larger than the amount of the new loans made, Line 3 will be a negative figure. For example, if \$200 is received by the committee during the period and only \$100 is made in new loans, report the net change on Line 3 as “-\$100” or “(\$100).” Be sure to carry this figure to the Summary Page as a negative figure to be subtracted from Summary Page totals.

Refer to the FPPC [Campaign Disclosure Manual](#) for your type of committee for important information about recordkeeping, prohibitions on cash contributions, loan restrictions, and more.

*Loans that are contributions to candidates or other committees must also be reported on Schedule D.

MV00257619

**Instructions for
Schedule I
Miscellaneous Increases to Cash**

Report any transaction that increases the cash position of the officeholder, candidate, or committee, but is not a monetary contribution, loan, or loan repayment, on Schedule I.

Itemize the sources of \$100 or more received during the reporting period.

Examples include:

- Interest received or credited to checking or savings accounts or other time deposits.
- Proceeds from the sale of property, such as paintings, furniture, or other items sold at garage sales or auctions, etc., when the amount received is the "fair market value" of the item. Amounts received over the fair market value are reported on Schedule A. (Report donated items as nonmonetary contributions on Schedule C.)
- Proceeds from the sale of campaign property, such as office furniture or equipment.
- Refunds received on deposits, such as telephone deposits.
- Refunds received from overpayment of bills.

- Transfers received from another authorized committee of the same candidate. (Candidates for elective state office should refer to FPPC Campaign Disclosure Manual 1 for information about reporting transferred funds that must be attributed to specific contributors of the committee making the transfer.)

Report on Line 3 of the Schedule I Summary the lump sum of interest payments received on loans made to others. Do not itemize. This amount is transferred from Schedule H, Column (g).

Subject: RE: Checking in Re: Baca and Cost of Recall

Hi Suzanne,

Yes, she filed. I've sent you the response by previous email.

Estimated cost for a recall election (five Council seats) if the proponents are successful could be \$50,000 if it is consolidated with another election. Otherwise it could be \$175,000 for a stand-alone election.

Yes, the incumbent's Response is included in the Petition Form.

Council Member Baca's Notice of Intention to Circulate Recall Petition is under review.

Thank you.

Subject: Checking in Re: Baca and Cost of Recall

Hi Jane,

Wanted to check back because Councilwoman Baca said just two or three hours ago she was still going to file the response today.

Also, is the cost of a recall election \$30,000, or do you have another figure?

Are responses included with the petitions that voters will be asked to sign to put items on ballot?

Finally, Councilwoman Baca disputed the number of signatures that were turned in on her recall notice. What is the exact number?

Sincerely,

Answer to Grounds for Recall by City Councilmember Victoria Baca:

JUST SAY NO WHEN ASKED TO SIGN THE RECALL PETITION.

It has only been six months since the election and I'm being threatened by a Recall inspired by the very people who brought our city to the brink of bankruptcy.

DON'T LET THEM STOP ME

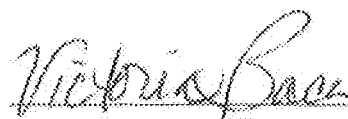

I have lead the efforts to **CREATE NEW JOBS**, balance the budget, increase graduation rates, create our own police department and install new management and vision at City Hall.

I **HAVE BEEN SMEARED** with shameful and untrue allegations made by the proponents of this Recall. Now they are employing paid outsiders to circulate recall petitions.

The supporters of this recall are **HEADED BY FAILED CANDIDATES AND ENVIRONMENTAL ZEALOTS THAT WILL STOP AT NOTHING TO REGAIN POWER.** They don't care that it will cost taxpayers hundreds of thousands of dollars which could be used for police and fire protection!

I ran for office because I love Moreno Valley and I want it to grow and prosper and **NOW THE GOOD OL' BOYS WANT A DO-OVER!** It is a blatant attempt to disqualify the voters who cast their votes and elected me to the city council last November.

DON'T LET THEM STOP ME – DON'T SIGN!

July 10, 2013

Victoria Baca, Council Member, District 5
City of Moreno Valley

CITY CLERK
MORENO VALLEY
RECEIVED

13 JUL -1 PM 1:08

Answer to Grounds for Recall by City Councilmember Richard Stewart:

For 32 years I served our nation as an officer in the U.S. Air Force. For 20 years I served Moreno Valley as a reserve Deputy Sheriff, and have served 22 years as your city councilmember.

I have never been accused of or charged with any crime.

In recent months I have been cooperating with the FBI and District Attorney in a corruption investigation of Moreno Valley City Hall.

After search warrants were served on my fellow council members and developer Iddo Benzeevi, I was targeted for recall.

I believe this recall effort is a blatant attempt to harm my reputation and my credibility as a witness for the prosecution in any criminal case that may arise from this investigation.

I have always fought hard for public safety, more fire stations, a new police station, Fire paramedics, more POLICE officers, speed bumps, a successful ANTI GRAFFITTI program, and anti-burglary and anti-gang teams.

I always listen to YOU, we've accomplished: Widening of Pigeon Pass, new traffic signals, new retail stores and restaurants, including Outback restaurant, BJ Brewhouse, Mimi's, Applebee's and the new TJ Maxx store, etc.

I will work hard for YOU in my final year in office!

RICHARD A. STEWART,

City Councilmember District Two

Cc: Exec. Team & Secretaries
Subject: FW: Summary Actions - July 9, 2013
Attachments: 07 09 13 Action Summary.doc

Honorable Mayor, MPT and Members of City Council-

Regarding the action taken on Item G.2 yesterday evening, and as a point of clarification to “maintaining the current level of crossing guard service”, as you are aware, effective, Val Verde Unified School District had previously made an independent decision to manage their crossing guard program at their four Moreno Valley school locations by their internal staff. This will be effective the beginning of new school year in latter part of August. As such, the four guards we currently have assigned to these locations may be transferred to the pool of alternate guards we have for MVUSD locations. Alternate guards perform work only when they are needed at a location due to absence of regular guards. VVUSD indicated that the four guards may apply for crossing guard positions with the district should they choose so.

If you have any questions, please feel free to contact me.

Thank you,

Ahmad R. Ansari, P.E.

Subject: Fallen Firefighter Services

Please confirm if you plan to attend the memorial services of CAL FIRE Firefighters Christopher Douglas and Christopher MacKenzie who recently lost their lives in the line of duty. I'd like to encourage the Council Members' attendance to represent the City at the memorials to support our local communities, the families, and the firefighters who are dealing with this tragedy.

CAL FIRE Apparatus Engineer/Paramedic Christopher Douglas
3 p.m. Friday, July 12
The Bridge Church
38801 Calistoga Drive
Murrieta, CA

CAL FIRE Firefighter Christopher MacKenzie
6 p.m., Saturday, July 13
Ramona Bowl Amphitheater
27400 Ramona Bowl Road
Hemet, CA

Tom,

Please see the email below from Director Pimlott which provides information for the memorial services to be held for CAL Fire FAE/P Chis Douglas and Chris MacKenzie, a member of the Prescott Hotshot Crew whom tragically lost his life during the Yanell Hill Fire. I would like to have Cindy Miller share this information with Mayor and Council as well as city staff that may be interested in attending.

Thanks,

To: CALFIRE Mailboxes
Subject: Message from the Chief

With the tragic loss of firefighters both here and in Arizona, it has been a long, difficult week for the Riverside Unit, CAL FIRE, CDF Firefighters, and the entire fire service community. The CAL FIRE Director's Office and Riverside Unit Executive Staff are committed to keeping you all informed of what is happening and on how you can support the Douglas and MacKenzie families.

CAL FIRE and CDF Firefighters are dedicated to assisting our firefighters and their families. Currently, a Type I team is in place to facilitate and coordinate the memorial services. The team is hard at work to make sure that the families receive the care and support they need during their time of grief.

Memorial plans are currently underway for CAL FIRE Fire Apparatus Engineer/Paramedic Christopher Douglas, who passed away last Friday, July 5th in Riverside County. The Douglas family will celebrate Christopher's life with full fire department honors on Friday, July 12, 2013 at 3:00 pm at The Bridge Church in Murrieta (38801 Calistoga Drive). As additional details become finalized, I will send you the latest information regarding services.

CAL FIRE is also assisting the family of Christopher MacKenzie who was one of the 19 firefighters killed in the Yarnell Hill Fire in Arizona. Christopher is the son of retired CAL FIRE Captain Mike MacKenzie. Christopher was previously a firefighter for the San Bernardino National Forest and Bureau of Land Management in Southern California. Preparations are underway for his memorial service that will take place on Saturday, July 13th at 6 p.m. at the Ramona Bowl Amphitheater (27400 Ramona Bowl Road) in Hemet. Prior to Saturday's service, Christopher MacKenzie will be flown home aboard a California National Guard C-130 from Prescott, Arizona to the Joint Forces Training Base in Los Alamitos on Wednesday, July 10th at 1 p.m. (11200 Lexington Drive – Main Gate). CAL FIRE, CDF Firefighters and the USFS will participate in a ramp ceremony at 1:00 pm in Los Alamitos. Following that ceremony, there will be a procession and escort of the family and Christopher MacKenzie from Los Alamitos to the mortuary in Hemet.

Our Employee Support Services staff (ESS) continues to work with the families and our employees during this difficult time. I remain committed to providing you the latest information as plans are confirmed. We are still reeling from these tragic line of duty deaths and we are moving forward to make sure that CAL FIRE FAE/Paramedic Christopher Douglas and Firefighter Christopher MacKenzie are memorialized and remembered by all for their courageous acts and for their dedication to their profession

Flags at all CAL FIRE facilities shall be returned to full staff and shrouds shall be removed at sunset on Saturday, July 13, 2013.

Please visit www.fire.ca.gov and www.rvcfire.org for updated information.

Memorial Services Information Line: (951) 334-8508
Release Date:
July 9, 2013

Memorial Services Planned for CAL FIRE Line of Duty Death

Riverside – Firefighters from Southern California will gather together to pay their respects to CAL FIRE Firefighter Christopher Douglas, who paid the ultimate sacrifice with his life while responding to an emergency incident last week. A celebration of Christopher's life with full Line of Duty Death fire service honors, will take place this Friday, July 12 at 3 p.m.:

The Bridge Church
38801 Calistoga Drive, Murrieta, 92563

Firefighter Christopher Douglas, a Fire Apparatus Engineer/Paramedic for CAL FIRE, was fatally injured on July 5th after being struck by a vehicle while responding to an emergency incident in Riverside County. Douglas, who has been with CAL FIRE for nearly a decade, worked out of Fire Station 35 in Thousand Palms. Christopher Douglas, 41-years-of-age, leaves behind his wife Amy, who is expecting their second child, and two-year-old son Samuel.

Cards can be sent to the family in care of:
The Douglas Family
c/o CDF Firefighters Local 2881
21160 Box Springs Rd Suite #105
Moreno Valley, CA 92557

Due to the overwhelming response of the public and partnering public safety agencies, CDF Firefighters Local 2881 has established a site dedicated to those who wish to make a donation to benefit the Douglas family. Please [click here](#) for more information.

Media representatives that plan to attend the memorial service should RSVP [here](#). You will be contacted by the CAL FIRE/Riverside County Fire Department Public Affairs Bureau via return email with arrival and staging instructions.

Public safety agencies that wish to send apparatus for the memorial static display, please [click here](#).

Photographs of Christopher and his family are attached.

Honorable Mayor, MPT and Members of City Council-

Regarding the action taken on Item G.2 yesterday evening, and as a point of clarification to "maintaining the current level of crossing guard service", as you are aware, effective, Val Verde Unified School District had previously made an independent decision to manage their crossing guard program at their four Moreno Valley school locations by their internal staff. This will be effective the beginning of new school year in latter part of August. As such, the four guards we currently have assigned to these locations may be transferred to the pool of alternate guards we have for MVUSD locations. Alternate guards perform work only when they are needed at a location due to absence of regular guards. VVUSD indicated that the four guards may apply for crossing guard positions with the district should they choose so.

If you have any questions, please feel free to contact me.

CITY CLERK
MORENO VALLEY
RECEIVED

13 JUL 11 AM 11:05

PETITION FOR RECALL

TO THE HONORABLE COUNCIL, of the CITY of MORENO VALLEY

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the Fourth Council District, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Marcelo Co, holding the office of Councilmember for the Fourth Council District, of the City Moreno Valley, in the County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the Twenty Fifth Day of June, 2013 to Marcelo Co.

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE Marcelo Co: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Four, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Four, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents are as follows: Aja Smith, Debra Smith, Deanna Reeder, Samantha Carbajal, Adam Carbajal, Kenneth Bell, Radene Ramos Hiers, Carri Ann Arrieta, John Arrieta, Nina Ramos Hiers.

The answer of the officer sought to be recalled is as follows:

DON'T SIGN THE RECALL PETITION. This unethical lynch mob mentality has to stop. Recalls should not be used as a political tactic and are only appropriate for official misconduct. Although I've made tough and sometimes unpopular decisions that's not a reason to remove me from office.

Don't let the backers of this hate-driven bigoted assault on me get away with saying anything and do anything without any facts. They don't care that it will cost taxpayers hundreds of thousands!

Now that we finally have a working majority on the council things are getting done and I've been able to keep my promises to create new jobs, balance the budget, and bring common sense back to City Hall.

DON'T LET THESE GADFLY'S HIJACK MORENO VALLEY. I stood up for you against the old boys club who ran our City into the ground. Now they are out of power and want back in and are being helped by a group of ANTIJOB environmental zealots that will stop at nothing to stop job creation.

THIS CHAOS MUST STOP. If asked to sign the costly and dishonest recall petition - REFUSE TO SIGN!

Marcelo Co
City Councilmember District Four

Each of the undersigned states for himself/herself that he or she is a registered and qualified elector of the Fourth Council District of the City of Moreno Valley, County of Riverside, California.

SIGNED: _____

PETITION FOR RECALL

13 JUL 11 AM 11:36

TO THE HONORABLE COUNCIL, of the CITY OF MORENO VALLEY.

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the Fourth Council District, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Marcelo Co, holding the office of Councilmember for the Fourth Council District, of the City Moreno Valley, in the County of Riverside, California

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the Twenty Fifth Day of June, 2011 to Marcelo Co.

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE Marcelo Co Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Four, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Four, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City

The printed names of the proponents are as follows: Aja Smith, Debra Smith, Teanna Reeder, Samantha Carbajal, Adam Carbajal, Kenneth Bell, Radene Ramos Hiers, Cari Ann Arrieta, John Arrieta, Nina Ramos Hiers.

The answer of the officer sought to be recalled is as follows:

DON'T SIGN THE RECALL PETITION. This unethical lynch mob mentality has to stop. Recalls should not be used as a political tactic and are only appropriate for official misconduct. Although I've made tough and sometimes unpopular decisions that's not a reason to remove me from office.

Don't let the factors of this hate-driven bigoted assault on me get away with saying anything and do anything without any facts. They don't care that it will cost taxpayers hundreds of thousands!

Now that we finally have a working majority on the council things are getting done and I've been able to keep my promises to create new jobs, balance the budget, and bring common sense back to City Hall.

DON'T LET THESE GADFLY'S RUIN OUR MORNING VALLEY. I stood up for you against the old boys club who ran our City into the ground. Now they are out of power and want back in and are being helped by a group of AFL/CIO environmental zealots that will stop at nothing to stop job creation.

THIS CHAOS MUST STOP. If asked to sign the costly and dishonest recall petition -- REFUSE TO SIGN!

Marcelo Co
 City Councilmember District Four

Each of the undersigned states for himself/herself that he or she is a registered and qualified elector of the Fourth Council District of the City of Moreno Valley, County of Riverside, California.

PETITION FOR RECALL

13 JUL 11 PM 5:15

TO THE HONORABLE COUNCIL, of the CITY of MORENO VALLEY.

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the First Council District, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Jesse Molina, holding the office of Councilmember for the First Council District, of the City of Moreno Valley, in the County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the Twenty Fifth of June, 2011 to Jesse Molina.

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE Jesse Molina: Pursuant to Section 11028, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District One, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District One, for the City of Moreno Valley, California, and to demand election of a successor to that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents are as follows: Felicia Gardner, Nina Gardner, Penny L. Gardner, Curtis Gardner, Carolyn Gardner, Gregoria L. Yanez, Pauline Rojas, Angel Urvea, Eva Aparicio, Jayson Guerrero

The answer of the officer sought to be recalled is as follows:

DONT SIGN THIS PETITION. There are NO valid reasons for this recall. I was elected in November with over 56% of the vote in a three-way race. Nothing has happened since the November election to justify my recall

The ANTI-JOB recall supporters' unfounded allegations are shameful and will harm our City's progress.

We've never been in a situation like this before where you can say anything, do anything, have NO facts, No research, NO nothing, and you can launch a hate-driven bigoted assault on a duly elected City Councilmember.

I humbly ask that members of every community say "NO MORE" together. I love this city with every part of my being and I will continue to stay focused on building a better Moreno Valley.

JUST SAY NO TO SMEAR TACTICS!! No city council member should ever be afraid of making unpopular decisions due to threats of being recalled.

STAND BESIDE ME AND REFUSE TO SIGN this recall petition and demand it's crazy supporters to STOP THIS INSANE RECALL because it is the only fair thing to do.

Jesse L. Molina

PETITION FOR RECALL

TO THE HONORABLE COUNCIL, of the CITY of MORENO VALLEY

Pursuant to the California Constitution and California Election Laws, we the undersigned registered and qualified electors of the Second Council District, of Moreno Valley, California respectfully state that we seek the recall and removal of Richard A. Stewart, holding the office of Councilmember for the Second District, of the City Moreno Valley, in the County of Riverside, California. We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the Twenty Fifth Day of June, 2013 to Richard A. Stewart.

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE RICHARD A. STEWART: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Two, in the State of California, hereby give notice that we are the proponents of a recall petition and that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Two, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The answer of the officer sought to be called is as follows:

For 32 years I served our nation as an officer in the U.S. Air Force. For 20 years I served Moreno Valley as a reserve Deputy Sheriff, and have served 22 years as your city councilmember.

I have never been accused of or charged with any crime.

In recent months I have been cooperating with the FBI and District Attorney in a corruption investigation of Moreno Valley City Hall.

After search warrants were served on my fellow council members and developer Iddo Benzeevi, I was targeted for recall.

I believe this recall effort is a blatant attempt to harm my reputation and my credibility as a witness for the prosecution in any criminal case that may arise from this investigation.

I have always fought hard for public safety, more fire stations, a new police station, fire paramedics, more POLICE officers, speed bumps, a successful ANTI-GRAFFITI program, and anti-burglary and anti-gang teams.

I always listen to YOU, we've accomplished: Widening of Pigeon Pas, new traffic signals, new retail stores and restaurants, including Outback restaurant, B1 Brewhouse, Mimi's, Applebee's and the new TJ Maxx store, etc.

I will work hard for YOU in my final year in Office!

Richard A. Stewart
City Councilmember District Two

The names of the proponents business or residence addresses are on file with the elections official are as follows:

PETITION FOR RECALL

TO THE HONORABLE COUNCIL, of the CITY of MORENO VALLEY

Pursuant to the California Constitution and California Election Laws, we the undersigned registered and qualified electors of the Second Council District, of Moreno Valley, California respectfully state that we seek the recall and removal of Richard A. Stewart, holding the office of Councilmember for the Second District, of the City Moreno Valley, in the County of Riverside, California.
We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the Twenty Fifth Day of June, 2013 to Richard A. Stewart.

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE RICHARD A. STEWART: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Two, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Two, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The answer of the officer sought to be called is as follows:

For 32 years I served our nation as an officer in the U.S. Air Force. For 20 years I served Moreno Valley as a reserve Deputy Sheriff, and have served 22 years as your city councilmember.

I have never been accused of or charged with any crime.

In recent months I have been cooperating with the FBI and District Attorney in a corruption investigation of Moreno Valley City Hall.

After search warrants were served on my fellow council members and developer iddo Benzeevi, I was targeted for recall.

I believe this recall effort is a blatant attempt to harm my reputation and my credibility as a witness for the prosecution in any criminal case that may arise from this investigation.

I have always fought hard for public safety, more fire stations, a new police station, fire paramedics, more POLICE officers, speed bumps, a successful ANTI GRAFFITI program, and anti-burglary and anti-gang teams.

I always listen to YOU, we've accomplished: Widening of Pigeon Pass, new traffic signals, new retail stores and restaurants, including Outback restaurant, El Brewhouse, Mimi's, Applebee's and the new TI Maxx store, etc.

I will work hard for YOU in my final year in Office!

Richard A. Stewart
City Councilmember District Two

Subject: City Manager's Op-Ed Regarding MVPD Budget & Staffing
Attachments: P-E Views Moreno Valley Proud of Our PD.pdf

Honorable Mayor and City Council,

Michelle Dawson has submitted the enclosed Op-Ed piece to the Press-Enterprise, in response to a recent statement issued by the Riverside County Sheriff's Department regarding Police staffing levels in our City.

The P-E has scheduled this piece to appear in Sunday's newspaper.

Respectfully,

Tom

Moreno Valley: Proud of our Police Department

By Michelle Dawson

As the largest city served by the Riverside County Sheriff's Department, Moreno Valley is proud to be a public safety partner with Sheriff Stan Sniff, Deputy Chief John Anderson, Police Chief Joel Ontiveros and all of the dedicated men and women who serve as the Moreno Valley Police Department. We appreciate the positive attitude expressed by the department in keeping residents safe (June 29th P-E article "*Police Department to be Cut by 19 Percent*") despite ongoing fiscal challenges including a slower-than-anticipated recovery from the recession, slow (2% per year) growth in General Fund revenues, and rising (5% per year) contract costs for law enforcement services provided by the County.

Chief Ontiveros, and Chief Anderson before him, have been budget conscious team members who keep a watchful eye on Police Department expenditures and identify savings whenever possible. Both the City and the Sheriff's Department are between the proverbial rock and a hard place: costs for law enforcement services are controlled by the Board of Supervisors and not the Sheriff or the City.

Given that reality, Moreno Valley determined that we cannot afford the latest rate increases, and had no choice but to adjust the levels of law enforcement service to meet available funds. Our preference, and certainly that of our residents, would be to reduce costs elsewhere in the City budget. The fact is that we have done so: over the past 5 Fiscal Years, the City's *non-public safety General Fund expenditures have decreased 44%*; during that same period, our General Fund expenditures for *police services have increased by 16%*.

In Fiscal Year 2007/08 Moreno Valley spent 38% of our General Fund budget for Police services; this year, police costs consume over 49% of our General Fund. We have been advised to expect 5% annual cost increases in upcoming years. By next July, costs for Police services would increase by nearly \$1.7 million. *If the City Council dedicates every dollar of next year's projected revenue growth to the police contract, the amount still would not cover half of increased law enforcement costs.*

These are the economic realities that affected this year's City budget. A positive result is that, for the first time since 2008, the City's General Fund budget *is fully balanced without the use of reserves*. Some might prefer that the City used reserves to cover the \$8.3 million structural deficit budget rather than reduce public safety services. But doing so would have exhausted the City's financial reserves...and only postponed these unavoidable reductions to law enforcement spending. The City's General Fund reserves have been reduced from a high of almost \$40 million in 2007 to just over \$20 million currently. If we used reserves to cover the \$8.3 million deficit, at this rate we will have exhausted our savings in less than two years.

We are also fortunate to have law enforcement partners who value the operational efficiencies available through technology and innovation. Last year the Moreno Valley City Council approved the police department's request for a citywide camera program to deter crime on our streets and in our community parks, while giving our police an important tool to prosecute those who commit criminal acts. This \$2 million investment is already proving its worth in helping to solve several recent high profile crimes - - and it isn't yet fully operational.

We thank the Sheriff's Department's leaders for their commitment to ensure the safety of Moreno Valley residents. The City is confident that our Police will continue to find innovative ways to provide the best law enforcement services in the County. Our residents deserve nothing less.

Dawson is the City Manager of Moreno Valley

Subject: Home Invasion Robbery - Arrests made

Good evening,

This afternoon, about 2:00 PM, officers responded to the Stonegate Apartments on Memorial and Towngate reference a home invasion robbery just occurred. Several officers arrived within three minutes of the initial call and immediately detained one suspect fleeing the area. About two minutes later, suspect #2 was captured a short distance away, still in possession of the firearm used in the robbery and all the stolen property. In-field line-ups were conducted with each suspect and both were positively identified by the victims. A third suspect, a female, was not located.

Investigating officers learned that the unknown female first knocked on the victim's apartment door and asked for a person who does not live at the residence. When the victims told the female that person did not live there, suspect #1 (see below) asked the victims if they were sure. The victims closed and locked the door. The victims looked outside through the peephole and saw two males standing in front of the apartment. Both male victims exited the apartment to talk to the two male suspects.

Once outside, suspect #1 brandished a handgun and attempted to force the victims into the apartment. The victims fled and the suspects entered the apartment. Inside, they gathered up jewelry and small electronics valued at about \$4,000. While the suspects were collecting the stolen property, the victims were calling 911. The suspects fled the area on foot and were quickly captured by responding officers.

Suspect #1 – Derrick Butler (20) of Apple Valley (formerly of Moreno Valley) has past criminal contacts for burglary. SET Gang officers are attempting to determine if he has any gang affiliation. This suspect initially brandished the firearm at the victims. He was not armed when he was detained by responding officers.

Suspect #2 – Edmond Conrad (21) of Moreno Valley is on probation for burglary. When contacted by officers, he dropped a bag that was found to contain a fully loaded revolver and all the property stolen from the victims. SET Gang officers are attempting to determine if he has any gang affiliation.

Suspect #3 – Unknown Black female adult, about 21 years old. Officers will continue the investigation in hopes of identifying and arresting this suspect as well. If the suspects are found to be gang affiliated, additional charges may be added.

Suspect #1 and #2 were booked into RPDC on charges including home invasion robbery, conspiracy to commit robbery, and ex-felon in possession of a firearm. Suspect #2 was also booked on a probation violation. All the stolen property will be documented and returned to the victims.

Subject: Suspicious death - update

Good evening,

An autopsy was performed today on the deceased male found on Heacock north of Alessandro. There were no signs of foul play detected. Cause of death will not be determined until toxicology results are received.

Items found on and with the victim indicate drugs and alcohol may have been involved in his death. I will provide an update once the Coroner determines cause of death.

COMMUNITY AWARENESS MEETING Sat., July 13, 2013, 10 a.m. to Noon

Please attend Saturday, July 13th, 10 a.m. to noon, at a NEW LOCATION: Moreno Valley High School Lecture Hall, 23300 Cottonwood Ave, for Chapter four of the Real 41,600,000 sq ft World Logistic Center (WLC) Warehouse Story. Learn from very knowledgeable speakers Jesse Marquez and Hans Wolterbeek new information about the impacts this massive warehouse project will have on Moreno Valley and our Region. You can follow us at facebook.com/SaveMoVal or email us at savemorenovalley@hotmail.com to volunteer or offer a donation to help stop this project. Email city planner Mark Gross (markg@moval.org) and ask to be notified of all future documents and meetings related to the WLC. The Center for Community Action and Environmental Justice (CCA EJ) at ccaaj.org and [951.360.8451](tel:951.360.8451) is helping all of us tell the untold truth & consequences about the WLC -- please let them know that you will help in these efforts.

Please Help Fight the World Logistic Center with a Donation by Making a Check payable to "Residents for a Livable Moreno Valley" and mail to P.O. Box 6195, Moreno Valley, CA 92554
THANK YOU!

MORENO VALLEY: Environmental justice topic of World Logistics meeting

BY SUZANNE HURT
STAFF WRITER
July 09, 2013; 07:08 PM
Comments (1)

An environmental justice advocate will discuss the challenges Moreno Valley residents may face with the proposed mega-warehouse project, the World Logistics Center, at a community meeting set for Saturday, July 13.

Jesse Marquez, executive director of the Coalition for a Safe Environment, will share how his organization challenged the impacts that goods movement from the ports of Los Angeles and Long Beach had on nearby harbor communities.

Marquez will also talk about how Moreno Valley inhabitants may face similar issues if the World Logistics Center is approved, according to organizer Dawn Newkirk.

Residents for a Livable Moreno Valley are holding the meeting from 10 a.m. to noon Saturday at the lecture hall at Moreno Valley High School, 23300 Cottonwood Ave.

Other speakers will discuss research on transportation, air quality, quality of life, employment and salaries.

Subject: FW: Business site inspections

Victoria:

The notices you provided to Michelle related to the City's Storm Water Business Inspection Program. The Program was established in 2004 with extensive outreach at the time, including mailings to and workshops for affected businesses.

The Program is required by the regional National Pollutant Discharge Elimination System (NPDES) Permit which includes the City of Moreno Valley, and affects a variety of specified types of businesses, including restaurants and auto repair. Both restaurants and auto repair are considered high priority businesses by the Permit and require annual inspections. Fees are charged to the affected businesses to recover the cost of the mandated inspections.

Annual business inspections have been performed since 2004. To improve the efficiency of the Program, billing was contracted out last year to an outside contractor Data Ticket, which has performed similar services effectively for the Code Compliance and Parking programs for several years. Otherwise, the Program is unchanged since 2004.

Please let me know if you need any additional information to address your inquiry. Also, please accept my apologies on the delay in providing a response. My staff had provided information prior to my recent vacation and I wanted to thoroughly review that information prior to responding.

Sincerely,

John

Subject: Re: Business site inspections

John, thank you for responding. I hope that these (3) accounts do not go into delinquency.

My questions are:

1.) the business owners are complaining that the fee is too high and they cannot afford to pay. How are the fees determined?

Is there another option, such as a payment plan?

2.) what are the business owners actually paying for? Is there a protocol for the inspection?

Thank you for your attention to this matter!

Victoria Baca, M.Ed.

On Jul 12, 2013, at 12:10 PM, "John Terell" <JohnT@moval.org> wrote:

Victoria:

The notices you provided to Michelle related to the City's Storm Water Business Inspection Program. The Program was established in 2004 with extensive outreach at the time, including mailings to and workshops for affected businesses.

The Program is required by the regional National Pollutant Discharge Elimination System (NPDES) Permit which includes the City of Moreno Valley, and affects a variety of specified types of businesses, including restaurants and auto repair. Both restaurants and auto repair are considered high priority businesses by

the Permit and require annual inspections. Fees are charged to the affected businesses to recover the cost of the mandated inspections.

Annual business inspections have been performed since 2004. To improve the efficiency of the Program, billing was contracted out last year to an outside contractor Data Ticket, which has performed similar services effectively for the Code Compliance and Parking programs for several years. Otherwise, the Program is unchanged since 2004.

Please let me know if you need any additional information to address your inquiry. Also, please accept my apologies on the delay in providing a response. My staff had provided information prior to my recent vacation and I wanted to thoroughly review that information prior to responding.

Sincerely,

John

B O X S P R I N G S M U T U A L W A T E R C O M P A N Y

ACTA CONSTITUTIVA.

POR LA PRESENTE DEJAMOS CONSTANCIA, Que nosotros, los suscritos, nos hemos voluntariamente, en este día, asociado con el propósito de formar una sociedad anónima bajo las Leyes del Estado de California.

Y por la presente Certificamos:-

PRIMERO, Que el nombre de dicha Sociedad Anónima es

BOX SPRINGS MUTUAL WATER COMPANY;

SEGUNDO, Que los propósitos por el cual se está formando son:

Artículo I. - General.

Para adquirir, poseer, controlar, usar, manejar y operar:

Bienes Raíces, Agua, derechos de agua, tierras acuíferas, derechos de desarrollar, tomar y usar agua; servidumbres y derechos de paso; Plantas y propiedades para procurar, entregar, almacenar y distribuir agua, y plantas de energía y aparatos para uso en conexión con ellos; Capital Social de la sociedad anónima organizada para el propósito de, o realmente en el negocio de, procurar y distribuir agua; Edificios, oficinas, herramientas, equipo, y aparatos para llevar a cabo este negocio.

Artículo II, - Distribución del Agua.

Para distribuir sus aguas entre sus accionistas que figuren como tales en sus libros para cualquier uso legal, en el territorio descrito en el Artículo III del presente documento. Dicha distribución de tales aguas deberá ser bajo tales reglas y reglamentos, y bajo dichos términos como y en las condiciones que, para pago de los mismos, y de tal manera, que sean establecidos por los estatutos de la Sociedad Anónima, o por su Junta Directiva.

Dichas aguas deberán ser distribuidas en la siguiente manera denominada, a saber:

PRIMERO: A cada accionista que pueda demandarlo por escrito, la misma proporción de dichas aguas como las acciones propiedad de dicho accionista propiedad de dicho accionista deberá soportar la totalidad del capital social en circulación de esta sociedad anónima.

SEGUNDO: A sus accionistas, según sus solicitudes razonables y hasta donde la capacidad razonable de la sociedad anónima esté en posición de hacerlo.

Artículo III.

Límite Territorial para la distribución de Aguas.

Para distribuir sus aguas a las personas que tengan derecho a ellas, como lo dispone el Artículo II, indicado aquí, y solamente dentro de él, y sólo para uso dentro de él, y no para uso fuera de él, y no para llevarla fuera de los límites exteriores de las parcelas de tierra o territorio dentro del Condado de Riverside, California, que se describen de la siguiente manera:

Sección 2, Este ½ Sección 10 y Sudoeste¼
Sección 11, Asentamiento 3 Sur, Rango 4 Oeste,
S. B. M.

Artículo IV.

Para adquirir su propiedad por medio de obsequio, componente, compra, arrendamiento, expropiación, apropiación, construcción, uso, intercambio, desarrollo, excavación, o por cualquier otro método legal.

Artículo V.

Para dar en garantía, vender, alquilar, arrendar, hipotecar, y en cualquier manera legal, disponer de cualesquiera de sus propiedades.

TERCERO, Que el lugar donde su actividad principal será operada debe ser en Riverside, en tal Condado de Riverside, Estado de California.

CUARTO, Que el término por el cual deba existir es de Cincuenta (50) años a partir de y después de la fecha de su constitución.

QUINTO, Que el número de sus directores deberá ser tres (3) y los nombres y residencias de éstos que son nombrados para el primer año son:

NOMBRES	RESIDENCIAS
J. B. Coulston	Pasadena, California, Condado de Los Ángeles
George S. Coulston	Glendora, California, Condado de Los Ángeles
L. E. Collins	Pasadena, California, Condado de Los Ángeles

SEXTO, Que la cantidad de Capital Social de esta sociedad anónima deberá ser de Cincuenta Mil (\$50,000.00) Dólares divididos en Cinco Mil (5000) acciones de valor nominal de Diez Dólares (\$10.00) cada una.

SÉPTIMO, Que la cantidad de dicho Capital Social que ha sido realmente suscrito es de Treinta (\$30.00) Dólares y a continuación están los nombres de las personas de quienes los mismos han sido suscritos, a saber:

NOMBRES	ACCIONES	CANTIDADES
J. B. Coulston	1	\$10.00
George S. Coulston	1	10.00
L. E. Collins	1	10.00

EN FE DE LO CUAL, hemos colocado nuestras firmas de puño y letra y los sellos este día 28 de mayo de 1920.

Subject: Home Invasion Robbery - Update

Good morning,

This update is in reference to the recent home invasion robbery that ended with two suspects in custody near the Towngate apartments.

MVPD SET Gang officers have determined that suspect #1, Derrick Butler, is a known member of the criminal street gang known as the "Edgemont Criminals." SET Gang officers are preparing a gang enhancement for this suspect. Suspect #2, Edmond Conrad, is on probation for burglary. SET Gang officers are working to determine if he is an active member of a criminal street gang. SET officers requested and received bail enhancements on both suspects. Bail is now set at \$500,000 for each suspect. The investigation is continuing.

Subject: POP operation "Shoulder Tap" program

Good morning,

Between June 21, 2013 and July 09, 2013, the MVPD Problem Oriented Policing Team (POP) conducted an undercover operation directed at preventing adults from furnishing alcoholic beverages to minors. Protocols and training for this type of operation were established by the California Department of Alcohol Beverage Control (ABC). In all, eleven adults were cited for furnishing alcohol to a minor. A press release was issued.

Subject: (((Storm Water Business Inspections & Fees)))

Hi Victoria-

Hope all is well, and you had a great weekend.

Victoria, I learned from John Terell that you had some questions asked by business owners re the subject. NPDES/Storm Water unit of Land Development has prepared the following responses for your info and review. As you may be aware, the Land Development Division is now in Public Works Department.

Your **questions** and staff responses are noted below...

1. How are the Storm Water Business Inspection fees determined?

What are the business owners actually paying for?

Is there a protocol for the inspection?

The fees assessed are solely for the purpose of cost recovery of services rendered. The amounts of the fees were determined prior to the initialization of the program in 2003/04. The City performed a fee study at that time, which included research and assistance from a consultant who specialized in municipal stormwater program matters. Some of the key factors considered when assessing the fee for each inspection were as follows:

- Staff time spent preparing for each facility's inspection. This would include review of each site's basic information to include type of business activity performed, site location and drainage patterns. Also researched is any history concerning past illicit discharges/connections and any record of past violations.
- The cost typically associated with the transportation to and from City Hall to each facility. This would include staff time and the typical cost of operation of a city vehicle (staff time, fuel, routine maintenance, insurance, etc.).
- The actual Inspection itself (please see the attached pages taken from the City's NPDES Business Compliance Inspection Guidance Document concerning protocol and required aspects of each inspection).
- Post-inspection administrative follow-up to include writing of applicable reports and the input of inspection results/findings into the City's database for tracking and records retention purposes, as well as the administrative effort related to payment tracking.

The Business Inspection fees have been included in the Council-approved User Fee Schedule every year since the program inception. Attached is page 24 of 70 of the FY2013/2014 adopted fee table for your reference.

With regards to what the business owners are actually paying for and the typical inspection protocols, in addition to responses noted above, please see the selected pages attached from the City's NPDES Business Compliance Inspection Guidance Document.

2. Is there another option, such as a payment plan?

No payment plan or other options are currently available. Should the desire of Council be to implement one, staff will be happy to look into it further.

Guidance Doc 2013-07-15
Inspection Proceed:13-14 Insp. Fees

Hope this info was helpful. Please feel free to contact me with any further questions, comments or direction you may have.

Thanks,

Ahmad R. Ansari, P.E.
Public Works Director/City Engineer
CITY OF MORENO VALLEY
14177 Frederick Street
P.O. Box 88005
Moreno Valley, CA 92552-0805
[REDACTED]
ahmada@moval.org

INSPECTION ENTRY PROCEDURES

- Present your credentials to a responsible facility owner/operator, whether or not identification is requested.
- Explain the purpose of the inspection and appropriate laws and regulations that mandate the inspection requirement.
- The facility owner/operator must consent to the inspection. If the inspector is allowed to enter, entry is considered voluntary and consequential. The absence of an expressed denial can be considered authorization to continue the inspection.
- Do not sign any type of "waiver", "visitor release" or document with restrictive conditions that would relieve the facility owner/operator of responsibility for injury or limit your rights to use information obtained during the inspection. Explain that you cannot sign the form and request a blank sign-in sheet.
- If the owner/operator denies entry, ask why. Tactfully probe the reason(s) for denial. In some cases, diplomacy and discussion may be sufficient to overcome the owner/operator's reluctance. Be careful to avoid saying something that can be misconstrued as a threat such as discussing potential penalties. Avoid inflammatory discussions and/or deepening of misunderstandings. Document all conditions and circumstances surrounding the denial for entry such as: facility name and exact address, name and title of who refused entry
- If the consent is withdrawn during an inspection, follow the same procedure as above. Information obtained prior to the withdrawal of consent is valid.
- If access is denied to some parts of the facility, document the portion of the inspection that could not be performed, the reason for the denial of access, and proceed with the inspection of other areas.

PREPARING FOR THE INSPECTION

Review existing information and the regulatory history for each site. This would include the review of:

- ~~Riverside County Compliance Assistance Program (CAP) inspections/surveys~~
- State Water Resources Control Board (SWRCB) Notice of Intent (NOI) database of existing permitted facilities under the GIASP
- Records of spills and/or illicit discharges/illegal connections
- Records of violations such as Notices to Comply and Notice of Violations

RESEARCH, REVIEW AND INVESTIGATION

Industrial/Commercial Facilities inspectors need a basic understanding of the background and requirements of the industrial/commercial site inspection program to conduct an effective facility inspection. Inspector should have knowledge of reviewing Industrial SWPPPs and have an understanding of the Standard Industrial Classification (SIC) Codes. Facility owners/operators will question the need for the inspection and will ask about the specific requirements of the site inspection program. It is essential that the inspector be prepared to clearly communicate this information, to help develop a rapport with the owner/operator and help the facility come into compliance. The inspector will likely be the first person to inform the facility owner/operator about the industrial/commercial facilities control program; therefore, they play an essential role in promoting the credibility of the program. Common general questions an inspector should be prepared to answer:

- What is "stormwater" and "non-stormwater"?

Stormwater is any runoff from urban, open space, and agricultural space consisting only of discharges originating from precipitation events

Non-stormwater is all discharges to and from a storm water conveyance system that does not originate from precipitation events.

- What is "point source" and "non-point source"?

Point-Source is any discernible, confined, and discrete conveyance, including but not limited to, any pipe, ditch, channel, tunnel, conduit, well, discrete fissure, container, rolling stock, concentrated animal feeding operations, landfill leachate collection systems, vessel, or other floating craft form which pollutants are or may be discharged.

Non-Point Source refers to widespread sources of pollution. Include but are not limited to urban, agricultural or industrial area, roads, highways, construction sites, communities served by septic systems, recreational boating activities, timber harvesting, mining, livestock grazing, as well as physical changes to stream channels, and habitat degradation.

- What is illicit connection?

Illicit Connection is any connection to the storm drain system that is prohibited under local, state, or federal statutes, ordinances, codes, or regulations; including all non-storm discharges and connections except discharges pursuant to an NPDES permit.

- What are Industrial/ Commercial BMPs?

Schedules of activities, prohibitions of practices, maintenance procedures, and other management practices to prevent or reduce the pollution of Waters of the U.S.

- What is the City of Moreno Valleys Ordinance Number 498?

The City's establishment of stormwater/urban runoff management and discharge controls, adopted on June 25th 1996

- What is Illegal discharge?

Illegal Discharge is any disposal either intentionally or unintentionally, of material or waste to land or MS4s that can pollute storm water or create a nuisance.

- What is the difference between storm drains and sanitary sewers?

Storm drains are systems of conveyances including roads with drainage systems, municipal streets, catch basins, curbs, gutters, ditches, channels and natural drainage features that flow to water bodies untreated. Sanitary sewers are systems of conveyances which are connected to a sanitary treatment facility and are treated prior to the discharge.

- What are NPDES reports?

NPDES permits are issued under Section 402(p) of the Clean Water Act for regulating discharge of pollutants to waters of the United States. The permits require development and submittal of reports. Examples include Industrial SWPPPs and waste discharge requirements WDRs.

3

The inspector will have a copy of the NPDES permits (No CAS618033 and CAS000001) that pertains to the industrial/commercial facilities control program. The inspector will refer to Attachment A of the permit for guidance on which industrial facilities are covered under the requirements. Further guidance from the permit fact sheet will be used to determine whether light industry requires coverage under the permit.

CONDUCT FACILITY COMPLIANCE INSPECTIONS

1. Inspect the facility layout to locate the storm drain system and/or storm water drainage path, storage areas, process, areas, and heavy equipment wash and maintenance areas, and storm water sampling locations, if applicable.
2. Initial facility inspections will be conducted for like categories such as automobile repair and will be completed for the category before moving on to the next category.
3. Inspect prioritized facilities in the City's Database into high, medium and low based on threat to water quality.
4. Determine the facility's impact on storm water quality. The inspector should answer the following:
 - a. What is the facility's potential to impact storm water quality from pollutant exposure and non-storm water discharges?
 - b. Are BMPs effectively applied so that pollutant exposure is minimized and non-storm water discharges are eliminated?
 - c. What type(s) of impact does or could the facility have on storm water quality.

These questions can be answered by observing outdoor and indoor areas of activity as detailed below:

a. Outdoor activities:

- Wash and rinsing areas for vehicle and equipment washing
- Outdoor process wash areas
- Processing and manufacturing areas
- Parking areas and access roads
- Maintenance and heavy equipment storage areas
- Waste storage and disposal areas
- Loading and unloading areas
- Material storage areas
- Outdoor drainage from inside areas
- Vehicle and equipment fueling areas
- Stormwater conveyance system including inlets, open channels, ditches, and roof leaders, where safe.
- Rooftop equipment areas

b. Indoor activities

- Inspect indoor activities and areas to ensure that pollutants are not spilled, dumped, or allowed to flow outdoors.
- Review the facility's indoor housekeeping procedures
- Inspect the material handling areas to determine if there is a direct path to stormdrains
- Inquire about a spill prevention plan and the facility's cleanup procedure for a spill

5. Verify SIC to ensure proper classification
6. Fill out the Inspection Form
7. Determine what follow up actions are required of the facility owner/operator and set a follow up inspection date.
8. Identify and inform the facility contact about problems and violation(s), if applicable. Set a follow up inspection date with the facility to verify that necessary BMPs had been implemented to correct the identified problems.
9. Discuss and distribute appropriate BMP information, public education material. See Section on BMP Implementation.

10. The inspectors would determine if the facility is in compliance with the City Stormwater Ordinance (i.e. there are no unpermitted non-stormwater discharges and pollutant exposure to rain is minimized).
11. Document the inspection.
12. Inform the facility owner/operator of expectations/requirements.
13. Submit completed Business Compliance Inspection form(s) to City on a weekly basis.

COMMUNICATION

The inspector will be available to the City Storm Water Program Coordinator by cell phone during the project. The inspector will also be in contact with the AEI-CASC project manager. The City staff will be able to communicate with the project manager or inspector during the inspections.

1. Meet bi-weekly with Storm Water Program Coordinator or as requested regarding status of inspections.
2. Review the updated City's database provided at the bi-weekly meetings. New facilities subject to inspections will be added to the database and prioritized same as the other facilities.

Mrs. Alicia Espinoza
15326 La Palma Way
Moreno Valley, CA 92555

Dear Mrs. Espinoza:

This is to inform you that the petition format submitted to recall Tom Owings as Council Member of the City of Moreno Valley does not meet the requirements of the Elections Code as to form and wording.

Following is a list containing the necessary corrections:

NECESSARY CORRECTIONS

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION:

1. The Notice of Intention to Circulate Recall Petition must be re-published with proponents' addresses and proof submitted to the City Clerk's office. Also, there are following spelling errors on the published Notice:

Lauretta Phillips – delete "Jean" as middle name
Craig R. Givens – initial "R." is missing
Tracey Mandelbaum – "e" is missing in "Tracey"
Marsha S. Locke – "r" is missing in Marsha

PETITION FOR RECALL FORMAT:

HEADING:

1. Heading: TO THE HONORABLE "CITY" COUNCIL OF THE CITY OF MORENO VALLEY, - insert "CITY"; delete comma before "of the CITY" and finish sentence with a comma instead of period

CITY CLERK

MV00257700

2. First paragraph, first line – Pursuant to the California Constitutionand qualified electors of *the City Council District 3 of the City of Moreno Valley, County of Riverside, California*, instead of “the Third Council District, of the City of Moreno Valley.”
3. First paragraph, second line holding the office of “*City Council Member in District 3 of the City of Moreno Valley, County of Riverside, California,*” instead of “Councilmember for the Third Council District, of the City of Moreno Valley.”
4. Third paragraph – The following Notice of Intention to Circulate..... to Thomas Owings: colon at the end of this sentence, instead of period.

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION:

1. Printed names: Craig Givens' name is listed twice; his name is missing initial “R.” E.C. requirement that at least 10 proponents need to be listed.

FOLLOWING INCUMBENT'S ANSWER:

1. The incumbent's address must be included in the Petition Form.
2. Fifteenth paragraph – Each of the undersigned states qualified elector of the “*City Council District 3*” of the City of Moreno Valley, County of Riverside, California, instead of “Third Council District ...”

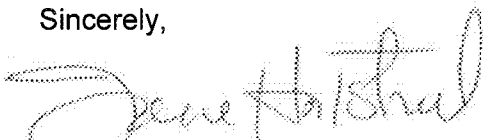

DECLARATION OF CIRCULATOR:

1. Declaration of Circulator – longer line after “My residence address is.....”to allow space for street address and the city’s name; Type “City” underneath the line.
2. Semicolon (instead of period) after Paragraph 1 in Declaration of Circulator
3. Paragraph 4 – type “Starting Date” and “Ending Date”; Delete colon after “the dates of”

Elections Code 11042 provides that the proponents must submit corrected petition formats to this office within ten days of receiving notification.

Please call the Office of the City Clerk at [REDACTED] if you have any questions.

Sincerely,

Jane Halstead
City Clerk
Enc.

Please advise if you are interested in attending the grand opening

The Hole In Wall: Recovery Center Grand Opening
Noon-2 p.m., Thursday, August 8
24187 Postal Ave. (District 1)

The Hole In Wall Inc. (THIW), a not-for-profit organization of men and women joining forces for a common purpose, first open up its doors allowing for a drug-free, clean and safe 12-Step meeting facility in our community. We are proud to announce our official grand opening celebration event which will take place August 8th 2013 from 12:00pm to 2:00pm at 24187 Postal Avenue, Moreno Valley, CA 92553.

The Hole In Wall Inc. is opening as an expansion for two new meeting places, which previously included the Moreno Valley Alano club. This new location will provide a place where families and members of the community can participate in social events in a drug free and safe environment, seven days a week.

The Hole in Wall Inc. is looking to partner with the City of Moreno Valley in the next phase of development, including to add a drop-in center and day care facility for the homeless, those afflicted by drug abuse and formerly incarcerated individuals, by providing counseling and case management to help them overcome obstacles that prevent them from accessing resources.

Ramona Habitat Chapter's Lap-a-thon for the State Farm Matching Grant

The **Ramona Campus Chapter** students organized a Lap-a-Thon on March 23rd to raise funds for their **State Farm Matching Grant**. Over 60 students registered for the event. On early Saturday morning on March 23rd students arrived with high spirits and ready to run, jog, and walk for their pledges. Friends and family sat in the stands to cheer the students on as they ran around Ramona's football field. Volunteers recorded on students badges to keep track of laps ran alongside them and gave high five's for an extra boost of motivation. During the hour long event it was amazing to see some of the students running non-stop and others continue to their trek long after their pledges were met. When the event ended the students congratulated each other over mini muffins and orange slices while proudly announcing their number of laps and how they met their personal goal.

The **Ramona Habitat for Humanity Campus Chapter** received a \$2,000 **State Farm Matching Grant** with an additional \$1,000 bonus once the chapter raised its share to bring the total funding to \$5,000. The Ramona Chapter donated the funds to Habitat for Humanity Riverside's A Brush with Kindness Program to help revitalize homes in the Ramona community. With Habitat Riverside's guidance, Ramona students are responsible for selecting the family and will spend Saturdays volunteering with Habitat in revitalizing their selected homes.

The goal was to raise \$2,000 in Lap-a-Thon pledges, but these Ramona High School students far exceeded our expectations. The **Ramona Habitat for Humanity Campus Chapter** not only met their goal in pledges but showed their dedication, spirit, pride and civic responsibility to their community. It was a great joy to see these students accomplish their goals in creating a beautiful community.

1. Ramona High School's Habitat Chapter took a group picture after exceeding their goal in raising \$5,000!

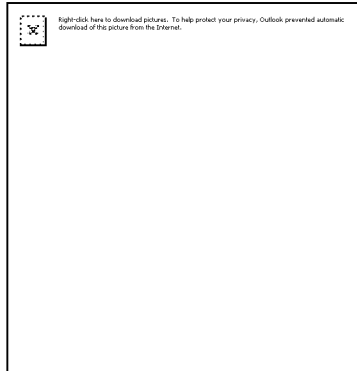

2. Ramona High School student's never gave up as they ran along the track.

3. These students were determined in keeping their pledges as they jogged over and over again!

4. Former Ramona Habitat member, Britney New, comes back to film the event!

Subject: Notice of Intention to Circulate Recall Petition - Council Member Victoria Baca

Mayor Owings & Council Members:

Please be advised that the Notice of Intention to Circulate Recall Petition for Council Member Victoria Baca is valid. Signature verification by the County has identified the proponents as 21 registered voters in the City. The **original** NOI, Proof of Service and a copy of E.C. 11023 were filed with my office on July 3, 2013. The NOI complies with E.C. 11020.

Council Member Baca's Response/Answer to the NOI was filed in my office on July 10, 2013. The proponent's deadline to file the Petition Form and Proof of Publication is 10 days after the Response/Answer is filed which will be July 22, 2013.

Let me know if you have any questions.

Thank you.

Thank you.

Subject: Meeting

Good morning Cindy:

Councilwoman Baca asked me to set up a meeting with herself, Michelle Dawson and me to update her on Edgemont. Can you arrange this please? Thanks so much!

Subject: Council Member Co lawsuit

City Team: The City Attorney has been notified that Council Member Co has filed a personal civil lawsuit against some former employees. The P-E on-line has indicated that Council Member Co has also included current employees in that action as well. I have spoken with the Council Member this afternoon and want staff to know that he indicated that he has not named any current City employees in this private, civil matter. I don't have any further information to share with you at this time.

Have a good weekend.

Importance: High

Hi Cindy,

We are submitting RSVPs for attending the Emmys in support of the MVTV-3 nomination. Could you extend the invitation?

MV00257733

So far, the RSVPs look like this:

1. Tim Carroll
2. Tim's guest
3. Rob Roseen
4. Rob's guest
5. Bob Lorch
6. Bob's guest
7. Liz Plazola
8. Val Plazola (the talent)
9. Ariana Ayala
10. Me, if I have to and I'm volunteering to pass!!!

Michele

Subject: Capitol???? --- State of the City Videos

Hi Victoria:

Please advise your preference for a filming location to reflect the “capitol” of Moreno Valley

City Hall: frequently used as a backdrop and photos - may be boring, but is appropriate

Sunnymead Blvd. Archway: great backdrop for videotaping (Tim indicated he likes the archway), denotes historic significance, coincides with the Sunnymead Blvd cleanup initiative – but not a building

Any other suggestions?

Thanks,

Cindy

CITY CLERK
MORENO VALLEY
RECEIVED

PETITION FOR RECALL

13 JUL 18 PM 2:37

TO THE HONORABLE CITY COUNCIL, of the CITY of MORENO VALLEY,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 5, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Victoria Baca, holding the office of Council Member for the City Council District 5, of the City of Moreno Valley, in the County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the Day of July, 2013 to Victoria E. Baca.

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE VICTORIA BACA: Pursuant to Section 11620, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Five, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Five, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents are as follows: Scott J. Heveran, Denise Heveran, Anita De Guzman, Ernest Nicolas, Donald Fleming, Lori De La Torre, Patricia N. Lloyd, Stephanie Rubio, Alex Rubio, Norman L. Kowallis.

The answer of the officer sought to be recalled is as follows:

JUST SAY NO WHEN ASKED TO SIGN THE RECALL PETITION. It has only been six months since the election and I'm being threatened by a Recall inspired by the very people who brought our city to the brink of bankruptcy.

DON'T LET THEM STOP ME. I have lead the efforts to CREATE NEW JOBS, balance the budget, increase graduation rates, create our own police department, and install new management and vision at City Hall.

I HAVE BEEN SHAMED with shameful and untrue allegations made by the proponents of this Recall. Now they are employing paid outsiders to circulate recall petitions.

The supporters of this recall are HEADED BY FAILED CANDIDATES AND ENVIRONMENTAL ZEALOTS THAT WILL STOP AT NOTHING TO REGAIN POWER. They don't care that it will cost taxpayers hundreds of thousands which could be used for police and fire protection!

I ran for office because I love Moreno Valley and I want it to grow and prosper and NOW THE GOOD OL' BOYS WANT A "EO-OVER"! It is a blatant attempt to disqualify the voters who cast their votes last November.

DON'T LET THEM STOP ME - DON'T SIGN

Subject: Fraud search warrant

Good afternoon,

The MVPD SET Team served a fraud/drug search warrant at a residence in the 11300 block of Red Hill Road. Gang officers received information from several people in the neighborhood that drug sales were being made from the residence.

The search warrant was served today and officers located evidence indicating the suspects lied on their Section 8 application. They have fraudulently received more than \$50,000 in government aid over the past 4 years.

Officers also located more than 7 pounds of marijuana, a small quantity of hashish, a small quantity of methamphetamine, drug packaging, scales, and other indicia of drug sales. Officers also located ammunition in the residence.

Suspects arrested are as follows:

Korey Gray (40)

Michael Adkins (41) an ex-felon

Both suspects confessed to drug sales and fraud and were booked into RPDC on numerous drug and fraud charges.

Subject: Re: August 20 -- City Council Meeting Schedule

Please remove item (immigration reform) from the study session for August 20, since we do not have any legislative powers. Therefore there is nothing to study. Since when do we study proclamations? The group from Saint Christopher's church asked for a proclamation supporting immigration reform, either we do or we don't it's that simple.

Subject: Council Notification Vegetation Fire, City of Moreno Valley
Attachments: heacock 2.jpg; 48 SIRF 73306.pdf; heacock 1.jpg

Good evening -

Please see the attached notification and attached pictures of a 40 acre vegetation fire in the City of Moreno Valley this evening.

Below is a brief narrative from the notification for ease of reading on mobile devices.

On July 19th, 2013 at 16:22 hours, Moreno Valley Firefighters were called to the scene of a vegetation located to the rear of 10953 Breezy Meadow Drive in the City of Moreno Valley. Upon arrival firefighters found a 1-2 acre vegetation fire in "Poor man's reservoir". The fire was moving at a moderate rate of spread and was threatening homes on both the north and south sides of the reservoir. Firefighters quickly engaged the fires flanks in an effort to keep the fire away from the homes. This attack was assisted by a CALFIRE helicopter as well as augmented CALFIRE engines and hand crews. The fire was quickly contained to 40 acres with no structure damage.

Please call or email with questions,

Incident Description

Moreno Valley Firefighters were called to the scene of a vegetation to the rear of 10953 Breezy Meadow Drive in the City of Moreno Valley. Upon arrival firefighters found a 1-2 acre vegetation fire in "Poor man's reservoir". The fire was moving at a moderate rate of spread and was threatening homes on both the north and south sides of the reservoir. Firefighters quickly engaged the fires flanks in an effort to keep the fire away from any homes. This attack was assisted by a CALFIRE helicopter as well as augmented CALFIRE engines and hand crews. The fire was quickly contained to 40 acres with no structure damage. Firefighters will remain on scene for several hours mopping up.

Subject: House fire with road closure

Good evening,

Officers and Fire Department investigators are working a suspected arson at a residence on Kalmia x Lombardy. Kalmia is closed for a short distance and will remain closed for about 2 hours.

One resident sustained non-life threatening cuts when he broke through a window to escape the burning residence. The residence sustained major damage as a result of the fire.

Officers have a possible suspect identified and are attempting to locate him now.

I will update you when more becomes available.

Good evening -

Please see the attached notification and associated picture of a residential structure fire in the City of Moreno Valley.

Below is a brief narrative from the report for ease of viewing on mobile devices.

This evening at 18:26 hours Moreno Valley Firefighters were called to 25272 Kalmia Ave for a residential structure fire. Upon arrival firefighters found a single family residence with heavy fire issuing from several bedroom windows. Firefighters quickly initiated an interior attack with a simultaneous roof-top ventilation operation. While engaged in the initial firefight a civilian occupant walked up to the Incident Commander with obvious lacerations to his hands. The injured occupant had broken a window to exit the dwelling prior to our arrival. He was treated by firefighter paramedics and transported to Riverside County Regional Medical Center via a ground ambulance. Firefighters encountered "pack rat" conditions throughout the home with multiple room additions and compartments. This made the initial firefight and the overhaul operation very labor intensive and extremely dangerous. Firefighters worked through the difficult conditions and were able to save the entire right side of the home including the garage and several rooms.

Please call with questions or concerns,

Silvio Lanzas

Subject: Officer involved traffic collision

Good morning,

This morning about 12:17 AM, an MVPD officer was driving eastbound on Cottonwood when a westbound vehicle suddenly turned left in front of him. The two vehicles collided near the intersection of Cottonwood and Persimmon. The officer and both passengers in the other vehicle sustained minor injuries.

The driver of the other vehicle, Diego Matias (26), was found to be heavily intoxicated. The California Highway Patrol was requested and responded to handle the crash since an MVPD officer was involved.

Matias was tested and his preliminary blood alcohol level was in excess of 0.19 percent, more than double the 0.08 percent that indicates impairment by state standards.

The passenger was also intoxicated and was arrested for being drunk in public. He was later released to a family member.

The officer was treated for pain in his neck, hands, knees, and back and was placed off work for several days. Both vehicles were badly damaged and had to be towed from the scene.

The suspect was booked into RPDC for felony DUI.

Subject: Indian X Webster Street homicide - update

Good morning,

The Riverside County District Attorney's Office reviewed the criminal case against murder suspect Christopher Arredondo (22) of Moreno Valley. As you may recall, Arredondo allegedly stabbed a 46 year-old male to death on July 17, 2013. MVPD officers tracked Arredondo down later that evening and took him into custody without incident. The DA's office elected to file the following charges:

Murder with special circumstances (use of a knife)
Gang enhancements

Arredondo remains in custody at RPDC. I will update you at some point in the future as the case moves through the criminal justice system.

Subject: WESTPAC Probation Sweep

Good morning,

On July 13, 2013 the WESTPAC AB-109 compliance task force conducted a probation sweep in the City of Moreno Valley. The team visited several AB-109 probationers and made the following arrests:

Andrew Berghoefer (28) arrested for an active no bail arrest warrant in the 25000 block of Gentian Avenue.

Lisa Nunn (41) cited and released for two misdemeanor warrants in the 25000 block of Gentian Avenue.

Geovanny Zendejas (20) was not home at the time of the probation compliance check, but a loaded handgun was seized from his room. Charges will be filed out of custody and an arrest warrant will be requested. (16000 block of Emma Lane)

We look forward to the increased supervision of probationers living in Moreno Valley the WESTPAC task force will provide.

Subject: Robbery arrest

Good afternoon,

A suspect wanted in a string of armed robberies was arrested by the Riverside Police Department early this morning after he robbed a Kohl's Department store in the City of Riverside. This particular suspect wore clothing normally worn by construction workers (Helmet, orange vest, gloves, boots, and jeans) when he committed his robberies. As a result, he was dubbed "The Construction Bandit." Riverside PD officers arrested the suspect and a female get-away driver after a short pursuit. The suspect is currently on parole for robbery. He is suspected in one completed commercial robbery in Moreno Valley and one attempted robbery as well. He is also suspected in numerous commercial robberies in San Bernardino County.

As of 5:30 PM today, members of the MVPD Robbery Suppression Team are assisting the Riverside Police Department at a residence in the 28000 block of Stonegate Court, Moreno Valley. Riverside PD has identified this location as being related to the robbery suspect. The residence has been secured and a search warrant will be served there shortly.

The Robbery Suppression Team will ensure that all possible charges stemming from crimes committed in Moreno Valley will be added to the suspect's booking package. They will also coordinate with other involved agencies to ensure this dangerous criminal is prosecuted to the fullest extent of the law.

Joel

Attachments: stewart_20130722181427.pdf

FYI – The proponent has been notified of the deficiencies for Council Member Stewart’s Petition Form.

Let me know if you have any questions.

Jane Halstead, City Clerk

From: Jane Halstead
Sent: Monday, July 22, 2013 6:13 PM
To: debracraig@hotmail.com
Subject: Council Member Richard Stewart's Petition Form Rejected

Debra:

Please be advised Council Member Richard Stewart’s Petition Form has been rejected. I’ve attached the letter notifying of the deficiencies.

Elections Code 11042 states the proponents must submit a corrected petition form to the office within 10 days of receiving notification.

Thank you.

Jane Halstead, CMC
City Clerk
City of Moreno Valley

MORENO VALLEY, CA 92552-0805

July 22, 2013

Mrs. Debra Craig
24811 Freedom Ct.
Moreno Valley, CA 92557

Dear Mrs. Craig:

This is to inform you that the petition format submitted to recall Richard Stewart as Council Member of the City of Moreno Valley is hereby rejected for the following deficiencies:

1. Proponents' addresses must be included in the publication of the Notice of Intention. The name of Judy Carlson is missing initial "J." The Notice of Intention must be re-published with proponents' addresses and proof submitted to the City Clerk's office. E.C. 11022.
2. On the Petition Form, the following corrections must be made:
 - a) the address of council member sought to be recalled must be included. E.C. 11023(c)
 - b) signature spaces must be consecutively numbered commencing with the number one for each petition section consistent with the Secretary of State guidelines. E.C. 100(c)
 - c) a blank column at the right margin of the page shall be at least 1" wide. E.C. 11043 (c)
 - d) Declaration of Circulator, Paragraph 4 – "Starting Date" and "Ending Date" shall be typed. EC 104(a3 & c), 11046, 11042(d)

Pursuant to EC 11041, the proponents shall use the recall petition format provided by the Secretary of State. According to Procedure for Recalling State and Local Officials prepared by the Office of the Secretary of State, "the submitted blank copies of the petition will be carefully reviewed for uniformity and correctness and will be compared to the Notice of Intention and publication to assure accuracy in text, punctuation,

CITY CLERK

capitalization, spelling, format, etc. If the comparison discloses discrepancies, the petition may be rejected.”

Other corrections that are inconsistent throughout the document are being brought to your attention in each section of the petition form to provide you with a clear understanding of corrections that need to be made.

HEADING:

1. Heading: TO THE HONORABLE “CITY” COUNCIL OF THE CITY OF MORENO VALLEY - insert “CITY”; delete comma before “of the CITY” and finish sentence with a comma instead of period.
2. First paragraph, first line – “Pursuant to the California Constitutionand qualified electors of *the City Council District 2 of the City of Moreno Valley, County of Riverside, California,*” instead of “the First Council District, of the City of Moreno Valley.”
3. First paragraph, second line “.... holding the office of “*City Council Member in District 2 of the City of Moreno Valley, County of Riverside, California,*” instead of “Councilmember for the First Council District, of the City of Moreno Valley.”
4. First paragraph, first sentence – “Election Laws” should be in lowercase letters.
5. Indent paragraphs as shown on the blank Secretary of State Petition Form.
6. Delete double space after the second paragraph “We demand an election of a successor...”

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION:

1. Proponents’ addresses must be included in the publication. The Notice of Intention must be re-published with proponents’ addresses and proof submitted to the City Clerk’s office. E.C. 11022.
2. Center the title: NOTICE OF INTENTION TO CIRCULATE RECALL PETITION.
3. Text of the Grounds for the Recall – delete “and that we are the proponents of a recall petition” as this wording is listed twice.
4. Remove underline and bold from “The grounds for the recall” and “The answer of the officer sought” to keep the petition form in uniform size, darkness and spacing.
5. Add “The printed names of the proponents are as follows:” after the grounds for the recall and before the incumbent’s Answer.

6. Correct misspelled names of proponents:
 - a) Debra D. Craig – D is missing
 - b) Ernest Lagrimas without “r” before “g”
 - c) Michael R. Palmer – initial R is missing
7. Change “called” to “recalled” in the sentence: “The answer of the officer sought to be recalled is as follows:”

INCUMBENT’S ANSWER:

1. Text of Answer to Grounds for Recall (it must appear exactly as written on the original Notice):
 - a) Paragraph 6 of Answer to Recall, first line: “fire paramedics”- word “Fire” should be capitalized, as it is capitalized on the Answer to Recall
 - b) Paragraph 7, first line: Pigeon Pass – word “Pass” is misspelled, as “s” is missing
 - c) Paragraph 8: word “office” should be lowercase.
2. Address of the council member sought to be recalled must be included on the petition. (E.C. 11043)

FOLLOWING INCUMBENT’S ANSWER

1. Last paragraph before signature table – it should read “City Council District 2,” instead Second Council District.
2. Signature table:
 - a) a blank column at the right margin of the page shall be at least 1 inch wide E.C. 11043 (c)
 - b) signature spaces must be consecutively numbered commencing with the number one for each petition section. E.C. 100(c)The recall petition format provided by the Secretary of State must be used – please see the boxes – it should have one blank box for each signature; “Print Your Name,” etc. in the signature table should be capitalized.

DECLARATION OF CIRCULATOR (please see the Secretary of State Form)

1. Declaration of Person Circulating Section of Recall Petition – title is different as listed on the Secretary of State Petition Form.

2. First sentence should read: "I _____ declare:" followed by "1. My residence address" - Please follow the format as listed on the Secretary of State Petition Form.
3. After "I am registered to vote" – City Council District 2 should be listed before City of Moreno Valley (circulator must be a registered voter in the District).
4. Longer line after "My residence address is..... " to allow space for street address and the city's name; Type "City" underneath the line.
5. Paragraph 4 – type "Starting Date" and "Ending Date." EC 103(a3 & c), 11046, 11042(d)
6. The space for the date and the place of execution should be placed immediately above circulator's signature.

Elections Code 11042 provides that the proponents must submit corrected petition formats to this office within ten days of receiving notification.

Please call the Office of the City Clerk at [REDACTED], if you have any questions.

Sincerely,

Jane Halstead, CMC
City Clerk

Subject: Marcelo Co's Petition Form Rejected

Deanna,

Please be advised Mayor Pro Tem Marcelo Co's Petition Form has been rejected. I've attached the letter notifying of the deficiencies.

Elections Code 11042 states the proponents must submit a corrected petition form to the office within 10 days of receiving notification.

Please forward this email to Aja Smith as she also is one of the proponents, and I do not have her email address. I will mail her a copy of the letter.

Let me know if you have any questions.

Thank you.

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE "CITY" COUNCIL of the CITY of MORENO VALLEY.

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 3 of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Tom Owings, holding the office of Councilmember in District 3 of the City Moreno Valley, in the County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the Twentieth Day of June, 2013 to Tom Owings:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE TOM OWINGS: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Three, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Three, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents business or residence addresses are on file with the elections official are as follows:

Craig R. Givens, Joan Givens, Alicia Espinoza, Jose Luis Espinoza, Jesus Ramos, Lisa Encinas, Roberto A. Velasco, Lindsay J. Robinson, Byron R. Johnson, and Terri Hall

The answer of the officer sought to be recalled is as follows:

DON'T SIGN THIS PETITION. There are NO valid reasons for this Recall. Nothing has happened since the November Election to justify the recall of Mayor Owings – a mere six months ago. It is ANTI-JOB recall supporters' unfounded allegations which are embarrassing and shameful.

DON'T LET THEM STOP OR MAYOR. The Mayor was candid with voters and did what he said he would do. He has delivered on his promises to create new jobs, balance the budget, increase graduation rates, and appoint new management with new vision at City Hall. The Mayor may be to blunt or too passionate for some but that's not a reason to remove him from office.

VOTERS NEED TO STOP THIS INSANITY! No elected official should ever be fearful of taking a firm stance or making an unpopular decision for fear of being removed from office by a frivolous and costly Recall.

VOTERS SHOULD REFUSE TO SIGN this Recall Petition and demand supporters stop this dishonest recall.

This is something we should all be able to agree on – because it is the right thing to do and because it is the fair thing to do!

PETITION FOR RECALL

13 JUL 22 PM 5: 52

TO THE HONORABLE COUNCIL, of the CITY of MORENO VALLEY.

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the Second Council District, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Richard Stewart, holding the office of Councilmember for the Second Council District, of the City Moreno Valley, in the County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the Twentieth Day of June, 2013 to Tom Owings:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE TOM OWINGS: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Three, in the State of California, hereby give notice that we are the proponents of a recall petition and that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Two, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The answer of the officer sought to be recalled is as follows:

The printed names of the proponents business or residence addresses are on file with the elections official are as follows:

Craig R. Givens, Joan Givens, Alicia Espinoza, Jose Luis Espinoza, Jesus Ramos, Lisa Encinas, Roberto A. Velasco, Lindsay J. Robinson, Byron R. Johnson, and Terri Hall

NOTICE OF INTENT TO CIRCULATE

RECALL PETITION

TO THE HONORABLE THOMAS OWINGS: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Three, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Three, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows: You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names, signatures, and residence addresses of the proponents are as follows: 1. Craig R. Givens, 26961 Cimarron Canyon Drive, Moreno Valley, CA 92555; 2. Joan Givens, 26961 Cimarron Canyon Drive, Moreno Valley, CA 92555; 3. Alicia Espinoza, 15326 La Palma Way, Moreno Valley, CA 92555; 4. Jose Luis Espinoza, 15326 La Palma Way, Moreno Valley, CA 92555; 5. Jesus Ramos, 15347 La Casa Dr., Moreno Valley, CA 92555; 6. Lisa Encinas, 15469 Adobe Way, Moreno Valley, CA 92555; 7. Roberto A. Velasco, 15347 La Casa Dr., Moreno Valley, CA 92555; 8. Lindsay J. Robinson, 28399 Black Oak St., Moreno Valley, CA 92555; 9. Byron R. Johnson, 14707 Grandview Dr., Moreno Valley, CA 92555; 10. Barbara Jean Johnson, 14707 Grandview Dr., Moreno Valley, CA 92555; 11. Laurreta Phillips, 14703 Grandview Dr., Moreno Valley, CA 92555; 12. Mary Kimberlin, 14704 Grandview Dr., Moreno Valley, CA 92555; 13. Darrin Hammond, 15510 Arbles Ct., Moreno Valley, CA 92555; 14. Joe Brobowski, 14716 Grandview Dr., Moreno Valley, CA 92555; 15. Roberto Benavidez, 14712 Grandview Dr., Moreno Valley, CA 92555; 16. Linda Gilbert-Williams, 15299 La Palma Way, Moreno Valley, CA 92555; 17. Marsha S. Locke, 29133 Campbell Ave., Moreno Valley, CA 92555; 18. Kyle Kollar, 14859 Catalina Court, Moreno Valley, CA 92555; 19. Janice Balbier, 28581 Kalmia Ave., Moreno Valley, CA 92555; 20. Teri Hall, 29177 Stevens Ave., Moreno Valley, CA 92555; 21. Tracey Mandelbaum, 11470 Carrie Ln, Moreno Valley, CA 92555

A copy of this notice and proof of service will be filed with the City Clerk for the city of Moreno Valley.

Elections Code section 11023. (a) Within seven days after the filing of the notice of intention, the officer sought to be recalled may file with the elections official, or in the case of a state officer, the Secretary of State, an answer, in not more than 200 words, to the statement of the proponents. (b) If an answer is filed, the officer shall, within seven days after the filing of the notice of intention, also serve a copy of it, by personal delivery or by certified mail, on one of the proponents named in the notice of intention. (c) The answer shall be signed and shall be accompanied by the printed name and business or residence address of the officer sought to be recalled.

Dorathy,

What did the Vet say about the health of the Chihuahua that Councilmember Baca is fostering? You mentioned that the pup may have a hip issue characteristic of the breed; I'm told that the pup's movement is somewhat limited.

- Is the dog in pain?
- Is any further treatment required? If so, will you advise Councilmember Baca?

I've copied her on this e-mail so she'll be able to see your response without delay.

Thanks very much, Dorathy!

Tom,
I have a copy of the vet notes for you below. The dog will always have problems walking. There is no pain. The dog needs to have X rays to determine any treatment needed.

07/22/13

DH brought dog over to evaluate left rear limb. The dog is BAR. H/L wnl. The dog is ambulating abnormally. Brief ortho exam: No pain on palpation of the left stifle or swelling. The dog is reluctant to extend or flex the left stifle. Rec pelvic x-rays. R/O high grade patella luxation or old injury. Adopt with medical waiver....jdd

Subject: Application for a new WalMart Supercenter

Dear Councilmembers:

Please be advised that the City has received an application for a new WalMart Supercenter at the southwest corner of Perris Boulevard and Gentian Avenue. A brief description of the project is provided below. The project will be forwarded to the Planning Commission for review and action once the review of the site plan and environmental impact report (EIR) is completed. Since an EIR is involved, it is likely that the project would be appealed to the City Council for review and action.

The project includes a Plot Plan with a hearing (PA13-0032) for commercial retail shopping center on 22.28 acres. The site would be divided into three parcels through a proposed parcel map. (PA13-0033) The largest parcel, totaling 19.13, is proposed to be improved with a WalMart store (185,761 square foot) with a pharmacy with a drive-through. In addition, an Option A and Option B are also proposed for the other two parcels. Option A would include a gasoline fueling station with a convenience store and drive-through car wash. Option B would include an approximately 3,500 square foot fast food restaurant with drive-through, and 3,200 square feet of retail space. A Conditional Use Permit application has been submitted for the conditionally permitted uses proposed in Options A and B. (PA13-0034) A deposit application for review for of an Environmental Impact Report has also been submitted.

Please let me know if you have any questions.

Thanks,

John

Subject: RE: Sheriff Department Meeting

Hello, Mr. Ketchum,

Thank you for your e-mail.

We believe that Moreno Valley residents are well served through our contract with the Sheriff's Department. Continuing rate increases, however, have prompted the City to explore a wide range of options to help ensure that law enforcement resources and services are targeted for maximum efficiency in our community. The City has enlisted some preliminary assistance from the Strategic Policy Partnership in this effort.

We have also invited the Sheriff's Department and other Cities to partner with us in this study.

With regard to your inquiry regarding July 16th, please be advised that no meeting was held. Aside from preliminary interaction with the consultant, no meetings have been held since an initial conceptual discussion took place in early April.

This effort is still in the exploratory stages, and the Sheriff's Department is fully informed of our interest (Chief Ontiveros has participated in these preliminary discussions). These types of discussions and studies are common in local government, and we have looked at best practices, outsourcing opportunities, etc. for several departments in the past and will continue to do so in the future. You may be aware that the City Council recently decided to outsource the operation of our library services, resulting in an annual savings of \$250,000, enhanced services and extended hours of operation; conversely, in previous years the City Council commissioned feasibility studies to determine the cost to bring the our Police services in-house instead of contracting. Studying and implementing opportunities to enhance efficiencies is a responsible practice at all times and certainly critically important during these times of reduced budgets. Should the City consider any changes to the current Policing model, the Council's consideration of any recommendations would certainly involve public discussions at Sub-Committee and/or City Council meetings.

I have asked the Sheriff to consider two-year renewal of the law enforcement contract (rather than the standard 5-year period) to allow the City to work with the Sheriff's Department and others to continue the exploratory effort described above. This period also coincides with the two-year budget which was adopted by the Council in June. I haven't yet received a reply to this request. The contract renewal, regardless of the term, requires Council approval and will be agendized for their consideration and for public review/comment.

I hope that this information is helpful. Thank you again for giving me the opportunity to speak at the July Adelante meeting, I thoroughly enjoyed interacting with the MVHCC membership.

Re: Joint Police Authority Meeting

Ms. Michelle Dawson,

Recently I was made aware that a meeting had been called by Councilmember Tom Owings of which invitations to attend had been sent out to a host of local city officials from local cities, as well as the outside consultants tasked with the formation of the Authority led by Bill Bratton. The purpose of the letter was to begin conversations about "pulling" away from the Riverside County Sheriff Department and forming it's own Joint Police Authority (JPA) with these other cities.

Being as the meeting was scheduled for July 16th 2013 which has now passed I'd like to inquire as to what was the outcome of this meeting and obtain any records, such as agendas, minutes, sign in sheets etc to show who attended and what was discussed.

Not quite sure why this was kept from the public, but at a time when the City of Moreno Valley is facing severe cutbacks in police, and rising crime one would think this would be a hot topic for the residents and business owners of the city to weigh in on.

I am also led to believe that the City of Moreno Valley is looking into a two (2) year agreement with the Riverside County Sheriff's Department instead of the standard five (5) year agreement as well, if the abovementioned meeting did not go well. Could you please explain to me why the change in term(s)?

Should there be any future meetings regarding this proposed JPA I'd ask that you please keep the residents, the business owners, and most importantly the local chambers of commerce in the loop, so when confronted we as leaders in the business community can speak to what is actually taking place and not have to assume actions based on false information.

Thank you Michelle for your time and I look forward to your response.

Subject: Major traffic collision with possible fatalities

Good morning,

MVPD officers are working a major traffic collision in the area of Cactus and Joy. All information is very preliminary and subject to change.

Initial reports indicate at least two vehicles were involved in a collision. Alcohol and/or drugs may be involved. It appears one person was killed in the collision and at least one other sustained life-threatening injuries.

The Traffic Reconstruction Team is investigating. I will update you later with specific details as they become available. At minimum, a partial closure of Cactus is expected.

Joel

Subject: Fatal traffic collision - update

Good morning,

The collision at Cactus and Joy did involve a Drunk driver. Preliminary tests indicate his blood alcohol level was more than twice the legal limit.

Three members of the same Moreno Valley family were in the victim vehicle when it was struck by the suspect's vehicle at a high rate of speed. All three sustained injuries and were transported to RCRMC. The 20 year-old driver sustained minor injuries, but the 45 year-old front passenger, a female, sustained major injuries that ultimately resulted in her death. The 17 year-old male rear passenger sustained major injuries and is currently in critical condition.

The DUI driver, 26 year-old Luis Navarro of Moreno Valley, was not injured. He failed field sobriety tests and was arrested for felony DUI and vehicular homicide. He was later booked into RPDC.

Eastbound lanes of Cactus between Frederick and Graham will remain closed for the investigation until about 6:00 AM today.

5. Termination Requirements

By signing the verification, the treasurer, assistant treasurer and/or candidate, officeholder, or proponent certify that all of the following conditions have been met:

- This committee has ceased to receive contributions and make expenditures;
- This committee does not anticipate receiving contributions or making expenditures in the future;
- This committee has eliminated or has no intention or ability to discharge all debts, loans received, and other obligations;
- This committee has no surplus funds; and
- This committee has filed all campaign statements required by the Political Reform Act disclosing all reportable transactions.
 - There are restrictions on the disposition of surplus campaign funds held by elected officers who are leaving office and by defeated candidates. Refer to Government Code Section 89519.
 - Leftover funds of ballot measure committees may be used for political, legislative or governmental purposes under Government Code Sections 89511 - 89518, and are subject to Elections Code Section 18680 and FPPC Regulation 18521.5.

Subject: From Irma Flores RE: Request for Meeting from Maria Urena

Good Morning Ms. Juliene,
I spoke with Maria Urena this morning regarding a meeting being scheduled with Councilwoman Victoria Baca. I understand it is tentatively scheduled for tomorrow at 3pm?

I will be attending the meeting with Ms. Urena for several reasons:
She is a board member of the Greater Riverside Hispanic Chamber (a strategic partner of our organization) and she is a minority business who has requested our assistance. We work to assist MBE's with access to capital, to market, entry into global markets and business consulting. We are assisting her business consulting.

I am also interested in sharing with Councilwoman Baca about our interest in making a brief presentation before the City Council about our services. Our office is interested in reaching out to Moreno Valley minority owned businesses to share information about our program and services.

mbda.gov/businesscenters/riverside our website on our services and criteria.

Would you be so kind as to please confirm the appointment. Yours in Service, Irma

Subject: Major injury traffic collision - Pigeon Pass x Climbing Rose

Good afternoon,

Officers are investigating a major injury vehicle vs. pedestrian traffic collision on Pigeon Pass near Climbing Rose. A vehicle struck a 15 year-old skateboarder and he appears to have major trauma as a result. The victim has been transported to RCRMC for treatment. All northbound and southbound lanes of Pigeon Pass between Ironwood and Pigeon Pass are closed and will remain closed as the investigation is conducted. I will update you as more information becomes available.

Subject: Armed robberies with arrests - update

Good afternoon,

Last night at 9:04 PM, an armed robbery was reported at Red Maple Pizza located at 25045 Red Maple, Moreno Valley. The suspect failed to complete the robbery after an employee struggled with him. The suspect fled the area, leaving a shoe behind. The suspect was last seen entering a white van with a spare tire and ladder on the rear doors. Officers searched the area but were unable to locate the suspects.

At 10:58 PM, an armed robbery was reported at Pizza Hut located at 15980 Perris Blvd., Moreno Valley. The modus operandi for this robbery was similar to the earlier robbery, so officers immediately began checking the area for a white van as described above. Nine minutes after the second robbery was reported, officers spotted a vehicle matching the suspect vehicle description in the area of Perris and Iris.

An enforcement stop was conducted and two suspects were detained. Evidence found in the van, including a handgun, tied the suspects to both armed robberies. The Robbery Suppression Team (RST) responded to assist with the investigation. Ultimately, both suspects admitted their involvement in the two robberies. A third suspect has been partially identified and is being sought by the RST. Both suspects were arrested and booked into RPDC on two counts of armed robbery. A press release will be issued.

Subject: Home invasion robbery - update

Good evening,

The Robbery Suppression Team and the SET Gang Team conducted follow-up investigation into the suspects arrested in the recent home invasion that occurred in the 12600 block of Memorial Way. Search warrants were served at residences in Moreno Valley and Apple Valley in search of evidence supporting gang enhancements. Sufficient evidence was located and both suspects will be charged with gang enhancements which should significantly increase their prison sentences if convicted.

Subject: Attempted Murder - update

Good evening,

On May 29, 2013 officers responded to a residence on Pattilynn Drive reference an attempted murder just occurred. On arrival, they located a victim suffering from several very serious gunshot wounds. The Citywide Camera System was checked and the suspect was spotted leaving the area in a stolen U-Haul truck. This information assisted in the identification of the suspect and the recovery of the stolen vehicle. The suspect was not located and further investigation revealed he fled the state before investigators could find and detain him.

An extraditable arrest warrant was obtained by MVPD and a request for assistance was made to the Inland Region Apprehension Team (IRAT), an FBI operated task force. IRAT agreed to pursue the suspect and attempt to serve the arrest warrant. Today, we were advised that an associated task force in Oklahoma located our suspect and attempted to serve the arrest warrant. The suspect did not comply with officers and an officer involved shooting occurred. We are told neither the suspect nor any law enforcement personnel were injured in the shooting. The suspect was taken into custody.

We believe the FBI will likely seek to prosecute the suspect for the new criminal case in Oklahoma before they return him to California, but that remains to be seen. In any event, a dangerous and violent criminal is off the street and will soon face two serious criminal prosecutions. I will keep you updated.

Subject: Vehicle vs. pedestrian collision - update

Good evening,

I just received a report from RCRM indicating that the 15 year-old skateboarder involved in the accident on Pigeon Pass is expected to survive. Initial reports indicate he was skateboarding across Pigeon Pass south of Climbing Rose and that he was not using a cross walk. The southbound driver who hit him stopped and waited at the scene. She consented to a voluntary blood draw and we do not currently suspect that alcohol or drugs are involved. Further investigation will need to be done to confirm that. At this time, the victim has not been identified. Officers are working to determine his identity and make the appropriate parental notifications.

The full extent of his injuries is unknown at this time. I will update you with any significant changes that arise. Pigeon Pass is expected to remain closed until approximately 9:00 PM as the Traffic Accident Reconstruction Team investigates.

Subject: Third arrest in Pizza Store robberies

Good evening,

The Robbery Suppression Team continued their investigation into the two Pizza restaurant robberies from last night. They located the third suspect involved and took him into custody without incident.

The suspect confessed to his role in both robberies. A consent search was conducted at his residence and officers located the matching shoe to the one left behind during the first robbery. Additional evidence linking the suspect to the crimes was also located.

He was booked into RPDC and will be charged, along with the other two suspects, with two armed robberies.

MPA – Strategic Innovation Customized On-Site Degree Program Informational Session Today

The City of Riverside's Human Resources Department is very excited to announce a brand new and customized degree program that will be offered in partnership with California Baptist University (CBU). The **Master in Public Administration Degree with an emphasis in Strategic Innovation** will provide program graduates with the relevant knowledge and skills that are necessary to succeed in today's cutting edge municipalities.

Please join us **today** or at one of the upcoming informational sessions where representatives from CBU will discuss this one of a kind Master in Public Administration degree, including all admission requirements, costs, financial aid, the application process and other pertinent program details.

The upcoming informational sessions for this highly customized degree program will be held in the Council Chambers from 12:00 pm – 1:00 pm on the following dates:

Today, Thursday, July 25, 2013

Wednesday, August 7, 2013

Wednesday, August 21, 2013

Wednesday, September 4, 2013

This exciting, customized and fast-tracked educational program will start in early September and classes will be held in a City facility (to be determined based on number of enrollments). If you are interested, it's important that you attend one of these informational sessions.

Cc: Executive Team
Subject: Meetings with P-E Editorial Board and Riv. County Undersheriff Walker

Mayor, Mayor Pro Tem, and Members of the City Council: I wanted to let you know about a couple of meetings some members of the executive management team and I have participated in this week:

- This morning Tom DeSantis, Rick Teichert, John Terell and I met with the Press-Enterprise Editorial Board. The invitation for this meeting was extended to me when I submitted my Op-Ed article regarding the budget and police services to them a couple of weeks ago.

We met with the following P-E reps:
Gale Hammons, Editorial Page Editor
Nels Jensen, Editor
Kevin Chaffee, Editorial Writer
John Bender, Metro Editor
Suzanne Hurt, Staff Writer

The topics of discussion during the 90-minute meeting included economic development, post-RDA options for development incentives, terms of the recently approved MOUs, the City budget, cuts to public safety, transportation planning, PERS costs and the World Logistics Center. We took the opportunity to share our recent economic development successes and the use of the Moreno Valley Utility as a tool for those efforts. Also, Tom offered them the special "journalist discount" rate for adoptions at the Animal Shelter. The meeting was cordial and we appreciated the opportunity to answer their questions and provide information regarding the positive actions and initiatives happening in Moreno Valley.

- Yesterday Tom DeSantis and I met with Undersheriff Colleen Walker and Assistant Sheriff Lee Wagner. The purpose of this was really just to meet and establish a working relationship at the executive team level within the Sheriff's Department. We appreciated their time. We did briefly discuss the term of the new contract and suggested a two-year contract with 3 one-year options. The Undersheriff indicated she would discuss this with the Sheriff and get back to us.

July 25, 2013

Mr. Scott J. Heveran
12109 Swegles Lane
Moreno Valley, CA 92553

Dear Mr. Heveran:

This is to inform you that the petition format submitted to recall Victoria Baca as Council Member of the City of Moreno Valley is hereby rejected for the following deficiencies:

1. Proponents' addresses must be included in the publication of the Notice of Intention. The Notice of Intention must be re-published with proponents' addresses and proof submitted to the City Clerk's office. E.C. 11022
2. Declaration of Circulator in the Petition Form - Paragraph 4 – type "Starting Date" and "Ending Date" EC 104(a3 & c), 11046, 11042(d)
3. Text of the Answer to Grounds for Recall (it must appear exactly as written on the Original Notice):

- a. The fourth paragraph, second sentence: "They don't care that it will cost taxpayers hundreds of thousands "of dollars" which could be used for police and fire protection! The words "*of dollars*" must be included.

- b. The fifth paragraph, first sentence: delete quotation marks around the words "DO-OVER!"

The last sentence of the fifth paragraph: "It is a blatant attempt to disqualify the voters who cast their votes "and elected me to the city council" last November." The words "*and elected me to the city council*" must be included.

- c. The last paragraph has an exclamation point at the end of the sentence in the Answer submitted by the incumbent that must be included: "DON'T LET THEM STOP ME - DON'T SIGN!"

CITY CLERK

MV00257854

- d. The incumbent's address portion "Council Member" instead of "councilmember."

Pursuant to EC 11041, the proponents shall use the recall petition format provided by the Secretary of State. According to Procedure for Recalling State and Local Officials prepared by the Office of the Secretary of State, "the submitted blank copies of the petition will be carefully reviewed for uniformity and correctness and will be compared to the Notice of Intention and publication to assure accuracy in text, punctuation, capitalization, spelling, format, etc. If the comparison discloses discrepancies, the petition may be rejected."

1. HEADING:

- a. The third paragraph – The following Notice of Intention to Circulate Recall Petition was served on the "3rd" day of July, 2013 to Victoria E. Baca. Please include "3rd" before the word "day" and colon at the end of the sentence, instead of period.

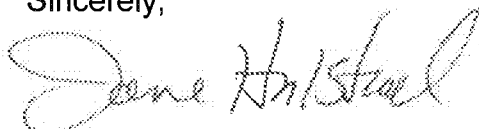

2. DECLARATION OF CIRCULATOR

- a. Paragraph 4 – Delete colon after "the dates of" and type "Starting Date" and "Ending Date." EC 104(a3 & c), 11046, 11042(d)

Elections Code 11042 provides that the proponents must submit corrected petition formats to this office within ten days of receiving notification.

Please call the Office of the City Clerk at [REDACTED] if you have any questions.

Sincerely,

Jane Halstead, CMC
City Clerk

Subject: Gang-related attempted murder - conviction

Good morning,

On March 20, 2013 the Gang Team responded to the area of Heacock and Dracaea reference a gang-related shooting. Investigation revealed that members of the local criminal street gang known as "Edgemont Criminals" fired gunshots at members of a rival criminal street gang known as "East Side Lavish." Through extensive investigation, the Gang Team identified both suspects. Over the next several days, Gang officers prepared and served search warrants, obtained phone records, and coordinated with the US Marshal's Fugitive Apprehension Team in an attempt to capture the suspects.

On March 28, 2013, US Marshals located suspect Craisean Evans in the City of Colton and took him into custody without incident. Suspect #2, Jemarr Sessions, is still outstanding.

On July 22, 2013 jury trial began for Craisean Evans. MVPD Gang officers assisted the Deputy District Attorney prosecuting the case, serving as the Investigating Officer and the court recognized Gang Expert during the trial. On July 25, 2013 the jury returned the following verdicts:

Two counts of attempted murder – Guilty
One count of firing at an occupied vehicle – Guilty
One county – Gang Enhancement – Guilty

Evans remains in custody and will be sentenced on September 20, 2013. He faces 40 years to life in prison. This criminal gang member will likely never victimize the residents of Moreno Valley again. We will continue to pursue suspect Jemarr Sessions and prosecute him to the fullest extent of the law when captured.

Subject: DUI traffic collisions

Good morning,

Between 8:00 AM and 10:00 AM today, we have investigated two unrelated DUI traffic collisions with injuries and property damage. It appears the only people injured were the DUI drivers themselves.

The first collision occurred on Lasselle south of Moreno Valley College. This collision destroyed a concrete street light pole and damaged landscaping. The number 2 southbound lane of Lasselle was closed briefly while the investigation was conducted.

The second collision occurred at Eucalyptus and Frederick. The suspect vehicle hit a concrete block wall, but did not damage it. No significant road closure was necessary.

Victoria,

You can bring her in anytime. The animal clinic is open today until 5:00 p.m. and tomorrow from 8:00 a.m. to 4:00 p.m. (Clinic is closed Sunday).

I spoke with Dr. Sara and she said they will look at her and will be able to prescribe her the necessary medication. Just remind the girls at the clinic's front counter she is a foster pet from the shelter.

Glad to hear otherwise she is doing great.

Thanks!

Steve

Dorathy,

What did the Vet say about the health of the Chihuahua that Councilmember Baca is fostering? You mentioned that the pup may have a hip issue characteristic of the breed; I'm told that the pup's movement is somewhat limited.

- Is the dog in pain?
- Is any further treatment required? If so, will you advise Councilmember Baca?

I've copied her on this e-mail so she'll be able to see your response without delay.

Thanks very much, Dorathy!

Subject: Meetings with City Managers today re: public safety options

Mayor, Mayor Pro Tem, and Members of the City Council: Following up on the effort to explore any possible options for cost sharing, etc. for public safety services, I have meetings scheduled with several City Managers today and tomorrow to discuss this effort. Tom DeSantis and I are meeting with the managers from several surrounding cities per the schedule noted below. From the Strategic Policy Partnership we will have with us Bernard Melekian, the former Chief of Police in Pasadena and most recently the Director of the U. S. Department of Justice's Office of Community-Oriented Policing. The purpose of these meetings will be to discuss each city's current and future budget status as it relates to public safety, request data for Strategic Policy Partnership's use, and identify the level of interest in reviewing any options.

Monday July 29th

City of Temecula
City of Wildomar
City of Hemet
City of Menifee

Tuesday July 30th

City of Murrieta
City of Lake Elsinore
City of Canyon Lake
City of Banning
City of Calimesa

The City Managers from Perris and San Jacinto were unable to meet this week but I have had conversations with them and they are forwarding the requested data from their cities. The City of Beaumont declined to meet.

Incident Description

At 15:39 hrs. units from the Moreno Valley Fire Department responded to 23418 Shady Glen Court for a reported residential structure fire. The first arriving engine company found smoke and fire issuing from the windows on the second floor of the two-story home. An aggressive attack of the fire was initiated accompanied by a search for trapped occupants. The fire was extinguished in approximately ten minutes and no victims were located inside. However, minor burns were suffered from a teenage resident who was found outside and accompanied by a relative. The teenage boy was treated on-scene by paramedic firefighters and transported to RCRMC. On-scene companies immediately transitioned to salvage and overhaul operations and were able to drastically limit both primary and secondary damage. The second floor of the structure was

Subject: Grand Opening Invitation

Good Morning Cindy,

Thank you for returning my phone call. We are working with a Chamber Member, Lilies Senior Care Home, on their Grand Opening and on their behalf we would like to extend an invitation to the Mayor and City Councilmembers to attend the event. Here are the details and attached is the event flyer:

Wednesday, August 7
Ribbon Cutting at 4:30 PM
Lilies Senior Home Care
24870 Sun Stream Circle [District 2]
Moreno Valley, CA

Is it possible to request a certificate of recognition to be presented? If the Mayor and/or City Councilmembers are unable to attend, we would be happy to present it on their behalf.

Thank you for your assistance,
Kelly

CITY CLERK
MORENO VALLEY
RECEIVED

13 JUL 29 AM 9:43

PETITION FOR RECALL

TO THE HONORABLE CITY COUNCIL, of the CITY of MORENO VALLEY,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 5, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Victoria Baca, holding the office of Council Member for the City Council District 5, of the City Moreno Valley, in the County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the 3rd Day of July, 2013 to Victoria E. Baca:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE VICTORIA BACA: Pursuant to Section 11029, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Five, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Five, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents are as follows: Scott J. Hovetan, Denise Hovetan, Anita De Guzman, Ernest Nicolas, Donald Fleming, Lori De La Torre, Patricia N. Lloyd, Stephanie Rubio, Alex Rubio, Norman L. Kowallis

The answer of the officer sought to be recalled is as follows:

JUST SAY NO WHEN ASKED TO SIGN THE RECALL PETITION. It has only been six months since the election and I'm being threatened by a Recall inspired by the very people who brought our city to the brink of bankruptcy.

DON'T LET THEM STOP ME I have lead the efforts to CREATE NEW JOBS, balance the budget, increase graduation rates, create our own police department and install new management and vision at City Hall

I HAVE BEEN SMEARED with shameful and untrue allegations made by the proponents of this Recall. Now they are employing paid outsiders to circulate recall petitions.

The supporters of this recall are HEADED BY FAILED CANDIDATES AND ENVIRONMENTAL ZEALOTS THAT WILL STOP AT NOTHING TO REGAIN POWER. They don't care that it will cost taxpayers hundreds of thousands of dollars which could be used for police and fire protection!

I ran for office because I love Moreno Valley and I want it to grow and prosper and NOW THE GOOD GU' BOYS WANT A DO-OVER! It is a blatant attempt to disqualify the voters who cast their votes and elected me to the city council last November.

DON'T LET THEM STOP ME - DON'T SIGN!

Gerard Clark Conroy, 13082 Popillon Ct., Moreno Valley, CA 92553; 21. Sherri Baley, 12551 Penske St., Moreno Valley, CA 92553.

A copy of this notice and proof of service, will be filed with the City Clerk for the City of Moreno Valley.

Elections Code section 13023. (a) Within seven days after the filing of the notice of intention, the officer sought to be recalled may file with the elections official, or in the case of a state officer, the Secretary of State, an answer, in not more than 200 words, to the statement of the proponents. (b) If an answer is filed, the officer shall, within seven days after the filing of the notice of intention, also send a copy of it, by personal delivery or by certified mail, on one of the proponents named in the notice of intention. (c) The answer shall be signed and shall be accompanied by the printed name and business or residence address of the officer sought to be recalled. 7/19

Hi Cindy,

Forwarding the agendas for this week's Sunnymead Blvd Initiative meetings...

Council Member Molina's is tomorrow, 8 – 10 am, at Holiday Inn Express
Council Member Baca's is Wednesday, 8 – 10 am, at Miller Jones Mortuary

Would you please forward the agendas to the Mayor and Council Members Molina and Baca?

Thank you so much Cindy!

Michele

**CITY CLERK
MORENO VALLEY
RECEIVED**

PETITION FOR RECALL

13 JUL 30 AM 11:04

TO THE HONORABLE CITY COUNCIL of the CITY of MORENO VALLEY,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 4, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Marcelo Co, holding the office of Council Member for the City Council District 4, of the City Moreno Valley, in the County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the 9th Day of July, 2013 to Marcelo Co:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE Marcelo Co: Pursuant to Section 11026, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Four, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Four, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents are as follows: Aja Smith, Debra Smith, Deanna Reeder, Samantha Carbajal, Adam Cartajal, Kenneth Ebell, Kadene Ramos Hiers, Carrie Ann Arrieta, John Arrieta, Nina Ramos Hiers.

The answer of the officer sought to be recalled is as follows:

DON'T SIGN THE RECALL PETITION. This unethical lynch mob mentality has to stop. Recalls should not be used as a political tactic and are only appropriate for official misconduct. Although I've made tough and sometimes unpopular decisions, that's not a reason to remove me from office.

Don't let the backers of this hate-driven bigoted assault on me get away with saying anything and do anything without any facts. They don't care that it will cost taxpayers hundreds of thousands!

Now that we finally have a working majority on the council things are getting done and I've been able to keep my promises to create new jobs, balance the budget, and bring common sense back to City Hall.

DON'T LET THESE GADELYS HIJACK MORENO VALLEY. I stood up for you against the old boys club who ran our City into the ground. Now they are out of power and went back to and are being helped by a group of ANTI-JOB environmental zealots that will stop at nothing to stop job creation.

THIS CHAOS MUST STOP. If asked to sign the costly and dishonest recall petition -- REFUSE TO SIGN!

PETITION FOR RECALL

APPROVED BY THE
CITY CLERK OF MORENO
VALLEY
DATE: 07/10/13

TO THE HONORABLE CITY COUNCIL of the CITY of MORENO VALLEY,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 4, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Marcelo Co, holding the office of Council Member for the City Council District 4, of the City Moreno Valley, in the County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the 9th Day of July, 2013 to Marcelo Co.

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE Marcelo Co. Pursuant to Section 11025, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Four, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Four, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents are as follows: Aja Smith, Debra Smith, Deanna Rooder, Samantha Carbajal, Adam Carbajal, Kenneth Bell, Radene Ramos Hiers, Carri Ann Arrieta, John Arrieta, Nisa Ramos Hiers.

The answer of the officer sought to be recalled is as follows:

DON'T SIGN THE RECALL PETITION This unethical lunch mob mentality has to stop. Recalls should not be used as a political tactic and are only appropriate for official misconduct. Although I've made tough and sometimes unpopular decisions that's not a reason to remove me from office.

Don't let the backers of this hate-driven bigoted assault on me get away with saying anything and do anything without my facts. They don't care that it will cost taxpayers hundreds of thousands!

Now that we finally have a working majority on the council things are getting done and I've been able to keep my promises to create new jobs, balance the budget, and bring common sense back to City Hall.

DON'T LET THESE GADFLYS BHAACK MORENO VALLEY I stood up for you against the old boys club who ran our City into the ground. Now they are out of power and want back in and are being helped by a group of ANTI-JOB environmental zealots that will stop at nothing to stop job creation.

THIS CHAOS MUST STOP. If asked to sign the costly and dishonest recall petition - REFUSE TO SIGN!

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE MARCELO CO: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Four, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Four, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:
You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City. The failed resumes of the proponents are as follows: Ajo Smith, 15205 Giuseppe Rd., Moreno Valley, CA, 92553; Delta Smith, 18705 Guejuna Rd., Moreno Valley, CA, 92553; Darlene Escobar, 17351 River Ridge Dr., Moreno Valley, CA, 92553; Samantha Corbain, 17345 River Ridge Dr., Moreno Valley, CA, 92553; Adam Cortesal, 17345 River Ridge Dr., Moreno Valley, CA, 92553; Kenneth Bell, 17351 River Ridge Dr., Moreno Valley, CA, 92553; Estere Ramos Hiers, 24860 Electra Court, Moreno Valley, CA, 92553; Nina Gunnis, 24460 Electra Court, Moreno Valley, CA, 92553; Mary Richard, 24452 Electra Ct., Moreno Valley, CA, 92553; Nina Romo Hiers, 24460 Electra Court, Moreno Valley, CA, 92553; Yusef A. McColl, 17309 River Ridge Dr., Moreno Valley, CA, 92553; William Tyeika, 17359 River Ridge Dr., Moreno Valley, CA, 92553; Andres Gonzalez, 17303 River Ridge Dr., Moreno Valley, CA, 92553; Daisy Gonzalez, 17331 River Ridge Dr., Moreno Valley, CA, 92553; Carl Ann Arieta, 25243 El Greco Dr., Moreno Valley, CA, 92553; Bonnie Flickinger, 14951 Rembrandt Dr., Moreno Valley, CA, 92553; John Arieta, 25243 El Greco Dr., Moreno Valley, CA, 92553; Maria V. Saucedo, 14895 Rembrandt Dr., Moreno Valley, CA, 92553; Rosalinda Sautera, 14895 Rembrandt Dr., Moreno Valley, CA, 92553; Antonio Smith, 18306 Saddlebrook Ln., Moreno Valley, CA, 92553.

A copy of this notice and proof of service will be filed with the City Clerk for the City of Moreno Valley. Elections Code section 11020 (b) Within seven days after the filing of the notice of intention, the officer sought to be recalled may file with the elections official, or in the case of a state officer, the Secretary of State, an answer, in not more than 200 words, to the statement of the proponents. If an answer is filed, the officer shall, within seven days after the filing of the notice of intention, also serve a copy of it, by personal delivery or by certified mail, on one of the proponents named in the notice of intention. (c) The answer shall be signed and shall be accompanied by the printed name and business or residence address of the officer sought to be recalled.

PETITION FOR RECALL

TO THE HONORABLE CITY COUNCIL, OF THE CITY OF MORENO VALLEY,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 2, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Richard Stewart, holding the office of Council Member in District 2 of the City Moreno Valley, County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the 25th day of June, 2013 to Richard Stewart:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE RICHARD A. STEWART: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Two, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Two, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents business or residence addresses are on file with the elections official are as follows:
 Debra Craig, Matthew Craig, April Helms, Mike Box, Rosemary Hall, Scott Hall, Ernest Lagrimas, Michael Palmer, Laura Stalling, and Craig E. Wilson

The answer of the officer sought to be recalled is as follows:

Answer to grounds for Recall: by City Councilman Richard Stewart

For 32 years I served our nation as an officer in the U.S. Air Force. For 20 years I served Moreno Valley as a reserve Deputy Sheriff, and have served 22 years as your city councilmember.

I have never been accused of or charged with any crime.

In recent months I have been cooperating with the FBI and District Attorney in a corruption investigation of Moreno Valley City Hall.

After search warrants were served on my fellow council members and developer Iddo Benzeevi, I was targeted for recall.

I believe this recall effort is a blatant attempt to harm my reputation and my credibility as a witness for the prosecution in any criminal case that may arise from this investigation.

I have always fought hard for public safety, more fire stations, a new police station, Fire paramedics, more POLICE officers, speed bumps, a successful ANTI GRAFFITI program, and anti-burglary and anti-gang teams.

I always listen to YOU, we've accomplished: Widening of Pigeon Pass, new traffic signals, new retail stores and restaurants, including Outback restaurant, BJ Brewhouse, Mimi's, Applebee's and the new TJ Maxx store, etc.

I will work hard for YOU in my final year in Office!

RICHARD A. STEWART
 City Council Member, District Two

PETITION FOR RECALL

TO THE HONORABLE CITY COUNCIL, OF THE CITY OF MORENO VALLEY,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 1, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Jesse Molina, holding the office of Council Member in District 1 of the City of Moreno Valley, County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the 25th day of June, 2013 to Jesse L. Molina:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE JESSE MOLINA: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District One, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District One, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents business or residence addresses are on file with the elections official are as follows:

Curtis L. Gardner, Carolyn Gardner, Kenneth W. Sabel, Michelle Sabel, Pauline Rojas, Mattie Mc Henry, Angel Lopez, Richard Hsu, Gregorio L. Yanez, Charles E. Johnson.

The answer of the officer sought to be recalled is as follows:

Answer to grounds for Recall: by City Councilman Jesse Molina

DON'T SIGN THIS PETITION. There are NO valid reasons for this recall. I was elected in November with over 56% of the vote in a three-way race. Nothing has happened since the November election to justify my recall.

The ANTI-JOB recall supporters' unfounded allegations are shameful and will harm our City's progress.

We've never been in a situation like this before where you can say anything do anything, have NO facts, NO research, NO nothing, and you can launch a hate-driven bigoted assault on a duly elected City Councilmember.

I humbly ask that members of every community say "NO MORE" together. I love this city with every part of my being and I will continue to stay focused on building a better Moreno Valley.

JUST SAY NO TO SMEAR TACTICS!! No city council member should ever be afraid of making unpopular decisions due to threats of being recalled.

STAND BESIDE ME AND REFUSE TO SIGN this recall petition and demand it's crazy supporters to STOP THIS INSANE RECALL because it is the only fair thing to do.

Jesse L. Molina, Council Member, District One

The following Notice of Intention to Circulate Recall Petition was served on the 25th day of June, 2013 to Jesse L. Molina:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE JESSE MOLINA: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District One, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District One, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents business or residence addresses are on file with the elections official are as follows:

Curtis L. Gardner, Carolyn Gardner, Kenneth W. Sabel, Michelle Sabel, Pauline Rojas, Mattie Mc Henry, Angel Utrea, Richard Haro, Gregorio L. Yanez, Charles E. Johnson.

The answer of the officer sought to be recalled is as follows:

Answer to grounds for Recall: by City Councilman Jesse Molina

DON'T SIGN THIS PETITION. There are NO valid reasons for this recall. I was elected in November with over 56% of the vote in a three-way race. Nothing has happened since the November election to justify my recall.

The ANTI-JOB recall supporters' unfounded allegations are shameful and will harm our City's progress.

We've never been in a situation like this before where you can say anything do anything, have NO facts, No research, NO nothing, and you can launch a hate-driven bigoted assault on a duly elected City Councilmember.

I humbly ask that members of every community say "NO MORE" together. I love this city with every part of my being and I will continue to stay focused on building a better Moreno Valley.

JUST SAY NO TO SMEAR TACTICS!! No city council member should ever be afraid of making unpopular decisions due to threats of being recalled.

STAND BESIDE ME AND REFUSE TO SIGN this recall petition and demand it's crazy supporters to STOP THIS INSANE RECALL because it is the only fair thing to do.

Jesse L. Molina, Council Member, District One
24429 Groven Ln
Moreno Valley, CA 92557

Each of the undersigned states for himself/herself that he or she is a registered and qualified elector of the City Council District 1 of the City of Moreno Valley, County of Riverside, California.

PETITION FOR RECALL

TO THE HONORABLE CITY COUNCIL, OF THE CITY OF MORENO VALLEY,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 1, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Jesse Molina, holding the office of Council Member in District 1 of the City of Moreno Valley, County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the 25th day of June, 2013 to Jesse L. Molina:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE JESSE MOLINA: Pursuant to Section 11026, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District One, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District One, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents business or residence addresses are on file with the elections official are as follows:

Curtis L. Gardner, Carolyn Gardner, Kenneth W. Sabel, Michelle Sabel, Pauline Rojas, Mattie Mc Henry, Angel Urena, Richard Haro, Gregorio L. Yanez, Charles E. Johnson.

The answer of the officer sought to be recalled is as follows:

Answer to grounds for Recall: by City Councilman Jesse Molina

DON'T SIGN THIS PETITION. There are NO valid reasons for this recall. I was elected in November with over 56% of the vote in a three-way race. Nothing has happened since the November election to justify my recall.

Subject: Appointment of Ken Hinton to the position of Management Analyst

On behalf of Public Works Director, Ahmad Ansari, we are pleased to welcome Ken Hinton to the Department of Public Works, Land Development Division.

Congratulations

KEN HINTON

It is my pleasure to announce the appointment of Ken Hinton to the position of Management Analyst for the Land Development Division within the Public Works Department. Ken has been with the City since July 8th and has already started to make an impact in organizing our division's finances. Most recently, she has been learning the Logos system and is developing databases to better track our development documents and agreements.

Ken has over seven years of public sector experience as a Budget Analyst specializing in budgetary functions where she provided software training for employees for fiscal related functions. In her spare time, she provides training and tutoring services for Microsoft Office products and is eager to use those skills to help streamline the division processes. Ken will be responsible for oversight of all the division finances and processing of the Public Improvement securities reductions and exonerations.

Sunnymead Boulevard Clean-Up Initiative AGENDA

Tuesday, April 23, 2013, 8:00 a.m. - 10:00 a.m.

Miller Jones Mortuary
24618 Sunnymead Blvd.

- Welcome and Introductions Council Member Baca
- Clean Up Sunnymead Boulevard Initiative Mayor Owings
- Police Department Update Chief Joel Ontiveros,
Police Department
 - ✓ City and area crime stats
 - ✓ Special Enforcement Teams
 - ✓ Camera Program Update
- Code Enforcement Barry Foster, CEDD Director
 - ✓ Signs
 - ✓ Landscaping
- Homeless Issue Liz Calanche,
Riverside County DPSS
- Q & A
- Adjournment

**NOTES FROM THE SUNNYMEAD BLVD INITIATIVE WORKSHOP
April 23, 2013**

Vision

- Vibrant downtown business area –
- Amend the City's sign ordinance (Sundance Center can't allow enough signs for the tenants)
- Sunnymead could be like Colorado in Pasadena...parade route, television coverage

Actions

- Prayer March in June
- Organize the nonprofits
 - Eliminate duplication
 - Learn inventory of services
 - Identify community needs

Homeless

- Homeless daycare idea
 - A regional center: showers, laundry, email / computer access, charge phones, services (help with paperwork, mental health providers).
 - Indicated successful programs in the desert and County Supervisorial District # 2. Provided handouts.
- Not illegal to be homeless. Many don't want help and they may not go to a shelter / get services.
 - Homeless are here, discussed where they can go vs. drawing more of them here
 - Some expressed the need to discourage the businesses who are "helping" the homeless – causing more loitering.
 - Some businesses attract trouble: liquor stores, pawn shop, panama night club - parking, loud music, drinking in the parking lot, gas stations selling alcohol, recycling centers, food banks, church.
- Homeless Response Recommendations:
 - If yours is not that type of business, let those other organizations help.
 - Develop a process / permit to organize businesses that draw homeless - church was shut down from providing food...eliminate duplication,
 - Liz and Robin of DPSS/ Continuum of Care – discussed that the homeless use EBT cards to get food. They give stuff away, provide services in the field.

Code Compliance

- Equal enforcement on the street: Mayor visited 45 businesses in door to door support and heard that the city does not enforce fairly...wait for a complaint to respond, not proactive.
- Apply in a broad, fair, across the board manner. Fix the sign ordinance to allow more legal signage
- Signage is not a concern
- Enforcement without exceptions: graffiti, signs, code enforcement, crime

Crime

- Drug pushers at Sunnymead & Indian at bridge - police activity s/b parking in front of pawn shops, liquor stores
- gang problems
- panhandling
- Day laborers - undocumented. Ticketing is not going to help. In LA, home depot created a day laborer site with water and portapotty.

MV Police (Chief Joel Ontiveros)

- 200,000 pop & 181 officers (and reducing)
- Crime Rate: Uniform Crime Reporting:
 - 60% down in 20 years, but 20% increase in last two years.
 - AB 109 impact, decriminalized issues... Drinking, marijuana, panhandling = misdemeanors with \$100 tickets
- Discussion about pawn shops - MVPD partners with pawn shops to recover stolen property
- Discussion of crime priorities - too many cops respond to all with same, short response times. San Jacinto roc program?

Follow-Ups

- Back to the group in a month for a follow up meeting at Miller Jones at 8 to 10 am. Discuss what have we accomplished.
- Create a Nextdoor social media neighborhood for Sunnymead Blvd businesses & / or a neighborhood watch. Meeting with Chief O.
- Prepare an agenda for next meeting:
 - Homeless:
 - Meet with Robin (?) of DPSS
 - Submit to MVPD: trespass letters
 - Install signs: no trespassing, no loitering
 - Code Compliance:
 - Cover info about signage
 - Crime
 - Hear the Info from MVPD.
 - MVPD plan, goals to study session
- Hotels:
 - Coordinate a network.
 - US Air Force maintain relationship / placement on list, network
- Publicize Enforcement activities:
 - In the paper - Press releases...
 - Handouts with message on one side?
 - City News publication

Subject: FW: Meetings with City Managers today re: public safety options

Mayor, Mayor Pro Tem, and Members of the City Council: I wanted to follow up with you following our visit to the cities noted below to discuss the public safety study. We met with each of the city managers and in some cases the police chiefs or other public safety staff. Our meetings were extremely cordial and helpful and all of the cities have agreed to provide us with some data related to service levels, budget, etc. which Strategic Policy Partnership (SPP) will analyze. The general refrain we heard from staff at other contract cities was that they were not unhappy with the service provided through the contracts but were concerned about how to continue to fund the services given anticipated rate increases and slow economic recovery. Once the cities have followed up and provided the requested information to SPP we should receive a draft report in 4 – 6 weeks.

We will of course keep you updated regarding our progress on this effort.

Subject: Meetings with City Managers today re: public safety options

Mayor, Mayor Pro Tem, and Members of the City Council: Following up on the effort to explore any possible options for cost sharing, etc. for public safety services, I have meetings scheduled with several City Managers today and tomorrow to discuss this effort. Tom DeSantis and I are meeting with the managers from several surrounding cities per the schedule noted below. From the Strategic Policy Partnership we will have with us Bernard Melekian, the former Chief of Police in Pasadena and most recently the Director of the U. S. Department of Justice's Office of Community-Oriented Policing. The purpose of these meetings will be to discuss each city's current and future budget status as it relates to public safety, request data for Strategic Policy Partnership's use, and identify the level of interest in reviewing any options.

Monday July 29th

Subject: Altura Credit Union robbery - Update

Good morning,

As you may recall, the Altura Credit Union branch located at 12125 Day Street was robbed by three armed suspects on December 21, 2012. That crime sparked an investigation that included the use of GPS tracking devices to locate the stolen money. Ultimately, three suspects were arrested on the 110 Freeway after the California Highway Patrol and the Los Angeles County Sheriff's Department assisted us by completely shutting down that freeway and searching car to car for the suspects. Further investigation determined the suspects were all members of the Los Angeles criminal street gang known as the "Black P-Stones." More than \$60,000 in US currency was recovered from the suspects and the suspect vehicle.

Investigation also revealed a local connection to the robbery suspects. After the robbery, the suspects fled to an apartment complex on the southeast corner of Ironwood and Pigeon Pass. Surveillance cameras from the complex caught images of the suspect vehicles as they left the complex and returned after the robbery. This information ultimately led the MVPD Robbery Suppression Team to the identify and arrest a fourth suspect, also a member of the "Black P-Stones" gang.

The suspects arrested in Los Angeles were identified as:

Eric Hooker
Justin Joseph
Merrit Myles

The suspect arrested in Moreno Valley was identified as:

Andrew Pearson, a resident of the Monarch Terrace Apartments

On July 30, 2013, all four suspects pled guilty to their part in the crime and admitted membership in the previously identified criminal street gang. Suspect Merrit Myles accepted a plea agreement for 19 years in prison. Justin Joseph accepted a plea agreement for 14 years in prison. Eric Hooker accepted a plea agreement for 5 years in prison. And Andrew Pearson accepted a plea agreement for 5 years in prison. These convicted criminal gang members are suffering significant consequences thanks to the concerted efforts of the Altura Credit Union, the Moreno Valley Police Department, the California Highway Patrol, and the Los Angeles County Sheriff's Department. Technology played an obvious and significant role in the resolution of this investigation. The investigation is ongoing and the Robbery Suppression Team is looking for at least one additional suspect.

Subject: Altura Credit Union robbery - Update

Good morning,

As you may recall, the Altura Credit Union branch located at 12125 Day Street was robbed by three armed suspects on December 21, 2012. That crime sparked an investigation that included the use of GPS tracking devices to locate the stolen money. Ultimately, three suspects were arrested on the 110 Freeway after the California Highway Patrol and the Los Angeles County Sheriff's Department assisted us by completely shutting down that freeway and searching car to car for the suspects. Further investigation determined the suspects were all members of the Los Angeles criminal street gang known as the "Black P-Stones." More than \$60,000 in US currency was recovered from the suspects and the suspect vehicle.

Investigation also revealed a local connection to the robbery suspects. After the robbery, the suspects fled to an apartment complex on the southeast corner of Ironwood and Pigeon Pass. Surveillance cameras from the complex caught images of the suspect vehicles as they left the complex and returned after the robbery. This information ultimately led the MVPD Robbery Suppression Team to the identify and arrest a fourth suspect, also a member of the "Black P-Stones" gang.

The suspects arrested in Los Angeles were identified as:

Eric Hooker
Justin Joseph
Merrit Myles

The suspect arrested in Moreno Valley was identified as:

Andrew Pearson, a resident of the Monarch Terrace Apartments

On July 30, 2013, all four suspects pled guilty to their part in the crime and admitted membership in the previously identified criminal street gang. Suspect Merrit Myles accepted a plea agreement for 19 years in prison. Justin Joseph accepted a plea agreement for 14 years in prison. Eric Hooker accepted a plea agreement for 5 years in prison. And Andrew Pearson accepted a plea agreement for 5 years in prison. These convicted criminal gang members are suffering significant consequences thanks to the concerted efforts of the Altura Credit Union, the Moreno Valley Police Department, the California Highway Patrol, and the Los Angeles County Sheriff's Department. Technology played an

obvious and significant role in the resolution of this investigation. The investigation is ongoing and the Robbery Suppression Team is looking for at least one additional suspect.

Subject: Phillip M. Chavez [REDACTED]

Phillip M. Chavez resides at 13431 Oak Dell Street and has been a resident of Moreno Valley since 1987. He is requesting to speak with Council Member Baca regarding the location of street sweeping signs, specifically at Dracaea and Oak Dell. He stated there is one (1) sign on Oak Dell at Dracaea, and there isn't another sign until a mile or so after. Mr. Chavez also stated there is always a truck blocking the one sign, and if there were visitors (3 residents on hospice located in the neighborhood), they would not know not to park on the street. He also stated that in other areas of the City the signs are located approximately every 25 yards.

Mr. Chavez did state that he has received a ticket, but did not state that was the issue. He stated he supported Victoria during her campaign and would like assistance in resolving the issue with the location of these signs.

Mr. Chavez stated there has been a pothole located in front of Fire Station No. 2 on Hemlock with a white circle around it. He stated nothing is being done, and drivers are having to go around to prevent damage to their vehicles.

Thanks,

Kathy Gross

Subject: Pedestrian Decoy Program

Good afternoon,

On July 30, 2013 the MVPD Traffic Unit conducted a pedestrian decoy program at Eucalyptus and Running Deer after receiving numerous complaints from residents in the area. The goal of such programs is to make motorists more aware of their surroundings and to ensure they yield to pedestrians in crosswalks as the law requires. In an effort to make our pedestrian more visible to motorists, she was dressed in a costume designed to look like a large orange traffic cone. During this one hour program, 12 motorists were cited for failing to yield to a pedestrian in a crosswalk and 8 motorists were cited for other traffic violations. Many of the motorists stopped during this operation said they never noticed the 6-foot+ high orange traffic cone in the crosswalk.

We will continue to conduct similar programs to improve safety throughout the city.

Subject: Serial Burglar - Arrest

Good afternoon,

On 7-05-13, the SecureCare Safe Storage facility at 25065 Globe Street was burglarized by an unknown suspect. The suspect forced entry into the closed business and left with nearly \$2,000 in US currency. A similar burglary occurred on 7-07-13 at a second SecureCare Safe Storage facility located at 13870 Indian Street. Based on the similarity between these two crimes, the Burglary Suppression Team (BST) was assigned to investigate.

BST soon learned that a third, almost identical burglary was reported to authorities in the City of San Bernardino at yet another SecureCare Safe Storage business. BST gathered all relevant evidence and interviewed company representatives. It soon became apparent that a former employee of the company might be responsible for all three crimes. On 7-31-13, BST officers contacted the suspect and conducted an interview with him. Several items of evidence were located that clearly implicated him in the crimes. The suspect, 24 year-old Bryann Watts from the City of Carson, was arrested and booked into RPDC on two counts of burglary. BST is working with San Bernardino PD and we expect that agency will pursue prosecution against this suspect for the crime committed in their jurisdiction.

Once again, surveillance cameras at the victim businesses were important in solving these crimes.

Hello Mr. Owens, just writing you to let you know we need to work together on getting information to the community that normally does not get involved in politics but will sign that petition to recall the City Council of ignorance!

Most of the people I talk to don't know the facts and are going on propaganda that they heard. As one gentleman said at the last City Council meeting this will set Moreno Valley back 25 years! My 2 year old granddaughter won't be able

to get a job that pays over 50 thousand dollars a year if that happens!

Please

contact me, I have a plan!

Mrs. Alicia Espinoza
15326 La Palma Way
Moreno Valley, CA 92555

Dear Mrs. Espinoza:

This is to inform you that the petition format submitted to recall Tom Owings as Council Member of the City of Moreno Valley is hereby rejected for the following deficiencies:

1. The Petition Form is misleading, as it is referring to Council Member Stewart on Page 2, instead of Mayor Owings.

Incorrect wording below: Refers to Council Member Richard Stewart

Page 2, first paragraph, first sentence: "Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the Second Council District, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of *Richard Stewart*, holding the office of Councilmember for the Second Council District of the City Moreno Valley, in the County of Riverside, California.

Correct wording below: Refers to Mayor Tom Owings

Page 2, first paragraph, first sentence: "*Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 3 of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Tom Owings, holding the office of City Council Member in District 3 of the City of Moreno Valley, in the County of Riverside, California.*"

2. Page 2, numbering in the voters' signature table should be consecutive..... "7, 8, 9, 10, etc." E.C. 100(c) (The numbering was correct on the previously filed Petition Form.)

CITY CLERK

MV00257940

HEADING:

1. Page 1, "Notice of Intention to Circulate Recall Petition" is the incorrect title of the form. The correct title is "*Petition for Recall.*" (The wording was correct on the previously filed Petition Form.)
2. Page 1, first paragraph, first sentence, quotation marks need to be removed: TO THE HONORABLE "*CITY*" COUNCIL, of the CITY of MORENO VALLEY. Page 2 (in the same paragraph) should have "*CITY*" inserted before Council and a comma after "MORENO VALLEY,"

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION:

1. Page 2, first paragraph, first sentence of Petition Form has double wording: "*hereby give notice that we are the proponents of a recall petition*" and ~~that we are the proponents of a recall petition.~~ (The wording must be the same as the original Notice of Intention and was correct on the previously filed Petition Form.)
2. Page 2, first paragraph, last sentence....City Council Member Council District Two,....The correct number of the city council district is "*Three*" not "~~Two~~." (The wording must be the same as the original Notice of Intention and was correct on the previously filed Petition Form.)
3. Page 2, the wording: "*The answer of the officer sought to be recalled is as follows.*" is listed twice. It should be listed once before the text of the Answer.

INCUMBENT'S ANSWER:

1. Pages 1 and 2, first paragraph, second sentence: The word "*the*" needs to be inserted "It is "*the*" ANTI-JOB recall supporters' unfounded allegations which are embarrassing and shameful." (It was correct in previously filed Petition Form.)
2. Pages 1 and 2, second paragraph, second sentence: The word "*OUR*" needs to replace "*OR,*" as submitted by the incumbent's Answer. "*DON'T LET THEM STOP OUR MAYOR.*" (It was correct in previously filed Petition Form.)

"Pursuant to EC 11041, the proponents shall use the recall petition format provided by the Secretary of State. According to Procedure for Recalling State and Local Officials prepared by the Office of the Secretary of State, "the submitted blank copies of the petition will be carefully reviewed for uniformity and correctness and will be compared to the Notice of Intention and publication to assure accuracy in text,

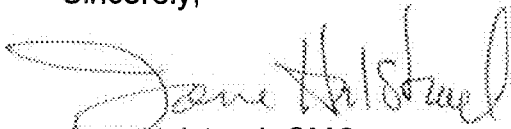

Page Three

punctuation, capitalization, spelling, format, etc. If the comparison discloses discrepancies, the petition may be rejected.”

Elections Code 11042 provides that the proponents must submit corrected petition formats to this office within ten days of receiving notification.

Please call the Office of the City Clerk at [REDACTED] if you have any questions.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jane Halstead".

Jane Halstead, CMC
City Clerk

Subject: WCNTF activity in Moreno Valley

Good morning,

As you may recall, MVPD recently reestablished a presence on the West County Narcotics Task Force (WCNTF) by assigning SET Narcotics Officer Leone to the team. On 7-31-13, the WCNTF served a narcotics search warrant in the 24000 block of Atwood. The team located and seized a sawed-off shotgun inside the residence and arrested three suspects. Suspects and charges are as follows:

Krystol Paredes (30) booked for possession of a sawed-off shotgun
Cynthia Hernandez (33) booked for a felony arrest warrant
Ernest Garza (42) booked for a felony violation of probation

The West County Narcotics Task Force is a multi-agency task force consisting of officers from the Riverside Police Department, the Riverside County Sheriff's Department, the Moreno Valley Police Department, and the Riverside County Probation Department. They serve the western portion of Riverside County as a street level and mid-level narcotics task force. You can expect to see additional proactive enforcement in our city in the months to come.

Subject: Multiple gang members convicted

Good afternoon,

1. On 02-09-12, MVPD responded to the Racquet Club Apartments on Hemlock reference a shooting. Initial officers soon determined the shooting was gang-related and requested the assistance of the MVPD SET-Gang team. Gang officers assumed the investigation and ultimately arrested three members of the local criminal street gang known as "Sex, Cash, Money." During the month of June 2013, MVPD Gang officers provided expert testimony in the attempted murder trial of these three suspects. On June 28, 2013, all three defendants were found guilty of the charges against them. On July 26, 2013, the following prison sentences were handed down by the judge:

Jeremy Walker – 80 years to life
Caleb Henderson – 77 years to life
Daquan Branch – 59 years to life

2. On July 29, 2012, the MVPD Gang team responded to the Oakwood Apartments, located in the area of Perris and JFK, reference a gang related shooting. Through the course of the investigation, officers learned the suspects identified themselves as "Sex, Cash, Money" gang members. Later that night, the Gang team responded to the area of 11883 Wild Flax regarding a gang related shooting. Officers learned the suspects in this incident also identified themselves as "Sex, Cash, Money" (SCM) gang members.

On July 31, 2012, SCM gang member Dominic Walls was arrested on an unrelated incident and brought to the police station. A Gang officer interviewed Walls regarding several shootings that occurred a few nights earlier and asked if he had any information regarding the shootings. Walls admitted to participating in the shootings. Walls was later booked into RPDC for attempted murder and gang enhancements.

On March 14, 2013, Walls pled guilty to both charges. On April 19, 2013, he was sentenced to 93 years in prison.

Subject: Armed robbery - arrest

Good afternoon,

On July 24, 2013 MVPD officers responded to Sally Beauty Supply at 25030 Alessandro Blvd reference an armed robbery just occurred. The suspect entered the business, displayed a handgun, and took several hundred dollars in US currency from the till. A search of the area for the suspect met with negative results. The MVPD Robbery Suppression Team (RST) assumed the investigation. On July 31, 2013, BST received information from San Jacinto PD investigators about a Subway restaurant robbery in their city involving a suspect with a similar description and modus operandi.

San Jacinto investigators were contacted by a parole agent based on a wanted flyer they issued. The agent advised the investigators that he recently arrested one of his parolees who was possibly the suspect in the Subway robbery. Working together, the San Jacinto investigators and the MVPD RST officers conducted follow-up investigation at the parolee's residence in the 13000 block of Dahl Dr., Moreno Valley. Ultimately, parolee Zachary Glenn (37) was identified as the suspect in both the Subway robbery and the Sally Beauty Supply robbery. Glenn eventually confessed to committing both robberies. The weapon and clothing used in both robberies was recovered. In addition to the parole violation he was already in custody for, Glenn will be charged with two counts of armed robbery. Glenn is identified as a "career criminal" and will likely qualify for a life sentence under California's "Three Strikes" law.

Subject: Marijuana cultivation - arrest

Good afternoon,

The MVPD SET Team received "We-Tip" information regarding an illegal marijuana cultivation at a residence in the 24000 block of Atwood Avenue. SET narcotics offices conducted an investigation and ultimately contacted the suspect, Pablo Espinoza (55) at the residence. Espinoza admitted to growing marijuana for medicinal purposes and produced a medical marijuana recommendation. Espinoza consented to a search of his residence and officers located 5 pounds of dried marijuana inside. In the back yard, officers found 171 mature marijuana plants growing, each about 6 feet tall and 3 feet wide. Based on a recent court decision and information provided by the California Campaign Against Marijuana Planting (CAMP), officers determined that the amount of marijuana present far exceeded that which would be reasonable for a single person. The marijuana was seized and Espinoza was arrested for cultivation of marijuana.

The generally accepted standards indicate that one-half gram of marijuana can produce two hours of intoxication. Each pound of dried marijuana contains 454 grams, or 908 individual dosage units capable of generating a total of 1,816 hours of intoxication. 1,816 hours is equivalent to 75.66 days. Officers estimated that each of the mature plants would have generated between one and two pounds of dried marijuana. On the conservative side, that would be 171 pounds of marijuana, or 155,268 individual dosage units capable of producing 310,536 hours of intoxication. That's roughly 35.44 years of continuous intoxication. Interestingly, the psychoactive ingredient in marijuana, Tetrahydrocannabinol, or THC for short, diminishes from the finished product by 50% after one year and by 100% after two years. This fact makes it useless to attempt to store a large supply of marijuana for personal use and clearly confirms this suspect could not possibly have used all the marijuana he was growing for himself.

Subject: Homicide

Good morning,

Officers just responded to a residence in the 24000 block of Atwood Avenue reference a shooting. On arrival, they found a 31 year-old male suffering from a gunshot wound. The victim did not survive his injuries.

Witnesses indicate the victim and the suspect were both at a small gathering at the residence when an argument erupted. The suspect produced a handgun, shot the victim, and fled the area.

Atwood is closed in both directions adjacent to the residence. MVPD detectives and Volunteers are en route, as are several members of the Sheriff's Central Homicide Unit (CHU). CHU will assume the investigation.

The suspect has not yet been identified and is still outstanding at this time. I will keep you updated as the investigation progresses.

Subject: Homicide - update

Good morning,

Last night, the Riverside Police Department received a tip about the alleged shooter from the homicide on Atwood Avenue. They located and detained the suspect at a motel in their city. MVPD detectives and Sheriff's Central Homicide detectives responded to assist.

In addition to the suspect, investigators also recovered the handgun used in the homicide, as well as the suspect's vehicle.

31 year-old Christopher Abarca was interviewed and was later booked into RPDC on a charge of murder.

At this time, I don't know the suspect's city of residence. A press release will be issued. I will keep you updated.
