Tom,

Ms. Ramos called today to see if you can make a phone call to the Senate or fax a letter to the Senate regarding AB327. I explained to Ms. Ramos I would send this on to you, and in the future she needs to make requests such as this further in advance.

Subject: URGENT Please write a letter to oppose AB327 unless amended

Dear Honorable Mayor Tom Owings,

I am writing to request that you write a letter to the Office of the Governor, and the State Senate, to oppose Assembly Bill 327 (AB327) unless amended to protect the investments that have been made in solar energy. The bill will allow the utilities to unfairly target solar producers. The proposed bill is going in front of the Senate this Friday, and time is of the essence. If passed as currently written, AB327 will flip the economics that solar generators signed up for, and change the rules of the game for all 150,000 California homeowners, schools, businesses, and municipalities that have invested in solar. If passed as currently written, this bill will forever create uncertainty in solar power and will kill the industry. I have attached a template letter that you can easily put onto your personal letterhead which addresses the issues of AB327, and request that existing protections for solar generators are to remain intact. Please protect the interests of all your constituents and local businesses by writing a letter to the Governor and Senate to oppose this bill unless amended to protect the investments that have been made in solar energy in the State of California. Thank you for your time and consideration, I look forward to hearing from you soon. Have a beautiful day!

For more information on the impacts of AB327, visit www.SaveOurSolar.com

Subject: Injury collision with road closure

Good afternoon,

About 1220 hours, officers responded to the intersection of Cactus and Heacock reference an injury accident involving two vehicles. The driver of the first vehicle, a 63 year-old male, suffered minor injuries and declined medical attention at the scene. The occupants of the second vehicle had to be extricated from their vehicle by the Fire Department. A 40 year-old female suffered unspecified injuries to her lower extremities and a 3 year-old male passenger appeared to be uninjured. Both were transported to Kaiser hospital for examination and treatment. The intersection was closed until about 1:45 PM while the accident was investigated and the roadway was cleaned up. It does not appear that alcohol or drugs were a factor in this collision.

Subject: MoVal Letter of Support for MCSA

Dear Council Woman Baca and Mayor PT Molina,

I have been trying for several months, unsuccessfully, to meet with the council and Mayor on the topic of support or even sponsorship of the New Charter I have been working on with Coach Don Markham, Leland Daniels, Jeffrey Clayton & Chuck Moore. This Charter application and Grant must be in Sacramento and presented to MVUSD by NLT Sept. 16th. I do understand the challenges that have perhaps hindered this contact but unfortunately, we have a deadline.

It has been my intention on several occasions to speak directly with the Mayor and in particular, Ms Baca to share the application, our vision and how we believe the city support and even exploration of a sponsorship could be approached. Thank you Ms Baca for taking the time to meet with some of the members previously. I have personally been to the city and asked for an appointment but for some reason that has not been responded to. We are running out of time.

The parks department, Mr Mel Alonzo, has met with us and is very supportive of some land use issues and the city also has a potential school site we might be able to use. He has sent the lease for our people to review. They have been very supportive, and have taken time to discuss and review our vision and goals for an Online, high bred, Collegiate

Sports Academy and eventually fully equipped school site at the North end of MV on Coach Don Markham's property. Mr Alonzo has a copy of the abstract and has made some approaches on our behalf.

If it is possible for any of you to make some time to meet with us and perhaps consider a letter of support for this unique opportunity to improve the educational opportunities of our Moreno Valley students, please contact me by cell at [REDACTED] or by e-mail to any of the other Executive Council Members in the CC for this e-mail.

I hope to hear from you soon.

Best Regards,

Jeffrey Giba

Subject: RE: MoVal Letter of Support for MCSA

Councilwoman Baca:

This week, the Parks & Community Services Director informed my office of a request for a letter of support for the Markham Collegiate Sports Academy, a proposed charter school that would operate in the City of Moreno Valley. We were also provided with a brief document which summarized what the Academy would offer to students.

In light of the extremely short deadline (Sept. 14) and limited information, I didn't believe it would be appropriate for staff to take a position on this policy matter without Council deliberation. The Council may wish to consider establishing a City position on this educational alternative as additional information is provided for formal consideration.

I understand that Mr. Giba met with Mayor Owings today and that the Mayor is sending a letter of support under his name.

As to Mr. Giba's concern that he has been trying to meet with Council Members for months, Council Office staff was unaware of that effort other than meeting requests with Mayor Pro Tem Molina and Mayor Owings which they handled.

Subject: Major injury and fatal accident updates

Good afternoon,

As you are aware, we experienced two separate major injury accidents yesterday. The victim in the first collision, a 63 year-old man, is still in critical condition at a local hospital. His prognosis is unclear. The second victim, a man believed to be in his 40's or 50's, did not survive his injuries. Both drivers involved in these collisions were found to be driving on suspended or revoked driver's licenses. Although alcohol and/or illegal drugs are not believed to be a factor in either case, prescription medications may have played a role in one or both collisions. The drivers will be charged with the appropriate criminal violations based on toxicology results. Neither driver should have been operating a motor vehicle because their driving privileges were suspended/revoked. Both drivers will minimally be charged with that vehicle code violation.

RE: City Council Appointment of Yxstian Gutierrez on September 24, 2013 in violation of the Brown Act

Greetings:

This letter is to call your attention to what I believe was a substantial violation of several central provisions of the Ralph M. Brown Act which jeopardize the finality of the action taken by the Moreno Valley City Council on September 24, 2013. I hereby submit this letter on behalf of concerned area residents and Residents for a Livable Moreno Valley.

At that meeting, the agenda item read: "G.1 Consider the Procedural Option to Fill the Vacancy on the Council in District 4 and Take Possible Action to Fill the Vacancy (Report of: City Attorney Department)." The agenda recommendations stated the same. The Staff Report for this item cited the options of the City Council to fill the council vacancy: 1) appoint a successor for the unexpired term; or 2) call a special election to fill the vacancy. Gov. Code § 36512. There was zero discussion of potential candidates to fill the vacancy.

Yet, when this agenda item came up, it became apparent that an individual, Mr. Gutierrez, had already been considered and selected to fill this vacancy. Mayor Owings called for someone to make a motion to fill the City Council vacancy caused by the resignation of Councilman Co. Councilwoman Baca nominated Gutierrez, and Mayor Owings immediately called for a vote. Mayor Owings, Councilman Molina, and Councilwoman Baca voted to appoint Gutierrez, who was in the audience and who was immediately sworn in. Gutierrez was also there with a typed speech regarding the appointment.

MV00237278

Councilman Stewart rightly questioned how Gutierrez was selected, appointed, and came prepared with a typed speech given the allegedly impromptu nomination. It is clear that the nomination and appointment of Gutierrez was coordinated in private by the Mayor and two council members, without notice to or the knowledge of the public.

The action taken was not in compliance with the Brown Act for several reasons. First, there was no notice to the public on the posted agenda for the meeting that Gutierrez in particular would be discussed for appointment and/or appointed. Additionally, it appears that the action taken to appoint Gutierrez occurred prior to the September 24th hearing via secret meeting by a majority of the council including Mayor Owings, Councilman Molina, and Councilwoman Baca. There was no notice of this meeting and it quite obviously occurred outside of the public hearing, contrary to the Brown Act's presumption in favor of public access.

As you are aware, the Brown Act creates specific agenda obligations for notifying the public with a "brief description" of each item to be discussed or acted upon, and also creates a legal remedy for illegally taken actions—namely, the judicial invalidation of them upon proper findings of fact and conclusions of law.

Government Code Section 54952.2 defines a "meeting" as any congregation of a majority of members of a legislative body, and prohibits such a meeting from occurring outside of a public hearing where the matter discussed is within the subject matter jurisdiction of the legislative body. Such a wrongful meeting may occur through communications of any kind to discuss, deliberate or take action on any item of business that is within the subject matter jurisdiction of the legislative body. It appears that a meeting by Mayor Owings, Councilman Molina, and Councilwoman Baca occurred outside of a public meeting authorized by the Brown Act in which the Council discussed appointing Gutierrez to the vacant Council seat.

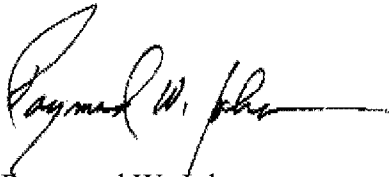

Government Code Section 54952.6, also defines "action taken" as "a collective decision made by a majority of the members of a legislative body, a collective commitment or promise by a majority of the members of a legislative body to make a positive or negative decision, or an actual vote by a majority of the members of a legislative body when sitting as a body or entity, upon a motion, proposal, resolution, order or ordinance." Again, it appears there was "action taken" here by a majority of the Council, Councilman Stewart excluded, in violation of the Brown Act.

Pursuant to Government Code Section 54960.1, I demand that the City Council of Moreno Valley cure and correct the illegal appointment of Yxstian Gutierrez.

Corrective action should include the formal and explicit overturning of any appointment made. The public should then be provided a full opportunity for a vote to fill the vacant council position. At a minimum, notice and a full opportunity for public comment regarding any such appoint to fill Co's vacant council seat must be provided. Moreover, any and all documents in possession of the City of Moreno Valley, the Mayor, and council members concerning any appointment must be made available to the public prior to any meeting concerning such appointment.

As provided by Gov. Code Section 54960.1, you have 30 days from the receipt of this demand to either cure or correct the challenged action or inform our office of your decision not to do so. If you fail to cure or correct as demanded, such inaction may leave no recourse but to seek a judicial invalidation of the challenged action pursuant to Section 54960.1, in which case I would seek court costs and reasonable attorney fees in this matter, pursuant to Section 54960.5.

Sincerely,

Raymond W. Johnson

Subject: Dollar Tree robberies- arrests

Good morning,

During the past two weeks, we have investigated at least three robberies or attempted robberies involving the Dollar Tree store at Perris x Cottonwood. On Saturday 10-05-13, about 5:15 PM, an officer made a vehicle stop in the area of Perris X Cottonwood.

The officer soon learned the occupants of the vehicle were brothers involved in a local criminal street gang. The driver did not have a valid driver's license. Both subjects were detained and the vehicle was searched. A loaded handgun was found inside the vehicle.

Ultimately, the suspects confessed to committing three armed robberies involving the Dollar Tree store, including the robbery early Saturday morning. Both suspects were booked into RPDC on multiple counts of armed robbery and gang enhancements. Multiple search warrants will be served to further this investigation.

Subject: Prostitution Operation - Sunnymead Blvd.

Good afternoon,

The MVPD POP Team, supported by the other units in the Special Teams Division, conducted a prostitution operation on 10-10-13 between the hours of 12:00 noon and 10:00 PM. Using hotel rooms donated by the Comfort Inn (23330 Sunnymead Blvd) undercover officers arrested 19 men who solicited an undercover female officer for prostitution. Two women were also arrested when they solicited an undercover male officer. Of the 21 people arrested, four attempted to barter using marijuana instead of cash as payment. They each were charged with possession with intent to furnish marijuana, a felony. A total of 5 ounces of high quality marijuana was seized. Suspects arrested reside in communities throughout Southern California, including Menifee, Perris, Riverside, Moreno Valley, Eastvale, Lake Elsinore, Tustin, Ontario, Burbank, Victorville, and Alta Loma.

The four suspects arrested for furnishing marijuana were booked into RPDC. The remaining suspects were released with a citation for solicitation of prostitution.

Filling a City Council Vacancy: Representation for Everyone Now
By Victoria Baca

The editors of the Press-Enterprise have opined that voters, and not council members, should have selected the individual to fill the vacant 4th District seat on the Moreno Valley City Council (*“Let City Voters Fill Vacant Council Seat”*, Aug. 26). But that course of action would have required far too much sacrifice by residents, and would have hindered the City’s ability to tackle pressing issues facing the 4th District.

To fill this Council vacancy, the City had the following 4 options:

- 1) Appoint someone to serve out the remainder of the unexpired term, until December 9, 2014. The Council’s decision to do so provided immediate and consistent representation for the residents of District 4 for the next 15 months.
- 2) Call a special election to fill the vacancy, leaving the seat open for 8 months. The earliest date to hold a special election would have been April 8, 2014. The individual elected would serve only the remaining 7 months of the unexpired term, while subjecting voters to two Council elections within a period of just 6 months and an additional cost of \$50,000.
- 3) A hybrid of the above options: appoint someone to fill the vacancy for the 7 months until a special election next April, with the individual elected serving only 7 months of the unexpired term. This could result in District 4 being represented by as many as 4 different Council Members in less than a year and a half, with added election costs.
- 4) Take no action. In this case, the vacancy would be filled by election on April 8, 2014 and the individual elected to office would serve the remaining 7 months of the term. Like option 2, this would have cost taxpayers \$50,000 while leaving District 4 residents without representation for a total of 8 months.

I am a fierce advocate for voters’ rights. As noted by the P-E, I supported the recent successful campaign to have the school district board vacancy filled by election and not appointment.

So why would I vote to fill a Council vacancy by appointment in lieu of an election?

The answer is representation. The residents of City Council District 4 deserve consistent representation now and should not have to wait until April of 2014.

How is a decision to appoint to fill a City Council vacancy different than doing so for a school board seat?

Council Members represent Districts; more than 39,000 of our residents had no Council representative during the vacancy. School board members are elected at-large, serving all residents. A vacancy on the school board does not leave anyone unrepresented.

District 4 has interests and issues that are different than other areas, including the recent siting of large, job-producing businesses within the area. These residents deserve to have a Council representative now...someone who lives in their neighborhood and is familiar with the qualities that make the southern part of our City unique.

Lastly, while I applaud the P-E advocating for “a credible unbiased selection process,” the paper doesn’t have a strong track record for understanding our voters. The paper consistently endorses candidates who are subsequently rejected by Moreno Valley residents....in the last two elections alone the P-E’s endorsed candidates were 0 for 5. They couldn’t be more out of touch with our community.

It’s time to get on with business in MoVal, and I stand by my vote to fill the vacant 4th District seat.

Subject: Media Inquiry: 10/22 Agenda Report

Honorable Mayor and Council Members,

PE Reporter Suzanne Hurt contacted our Office just before 5 p.m. this afternoon regarding Item A-10 on the Council's 10-22 meeting agenda. While the item is a routine update to the City's Records Retention Policy (agendized by the City Clerk), Ms. Hurt's line of questioning implied that the City was intentionally destroying records in an attempt to conceal them or preclude release.

Specifically, Ms. Hurt referred by name to the attorney representing several laid-off employees (Paul Early, Anne Schneider and Albert Brady) and asked if records were being destroyed in association with pending litigation...so they would not be available. I responded clearly and directly that this had nothing to do with litigation and would not affect records associated with matters of litigation. I also stated that such an allegation is "preposterous."

Although this is the first time I've seen a newspaper reporter inquire about a routine update to an organization's Records Retention schedule, we wanted to make you aware of the pointed line of questions being directed toward this item. Ms. Hurt indicated that she will contact Jane on Monday to discuss in greater detail.

Respectfully,

Tom

Subject: Cassie McDuff/Press Enterprise

Mayor Owings, Mayor Pro Tem Molina & Council:

I spoke to Cassie McDuff this afternoon and covered the items below. I made it clear that Council meeting videos would not be destroyed, "videos are too valuable to our public as well as staff." I also discussed the Code Compliance Case retention, reiterating that if there is an investigation or involved in litigation it would be placed on hold. Records destruction was also discussed and I informed her how the process works. Employees do not shred documents without authorization.

Topics covered:

- Retention on: emails, code violations, videos, (videos will not be destroyed), audios (gave her an example of recordings for Closed Session before and after meeting)
- Code Compliance Case Files retention – 5 year retention, but if there is an investigation or involved in litigation it would be placed on hold
 - o Who advises? City Attorney
- Emails may be destroyed right away if they are transitory; emails with informational content are printed for future reference
- Investigations – only FBI
- Active Records Requests – City Clerk's Department estimated 11 active at this time
- Revisions of Retention Schedule
 - o She asked why now, I informed her this was in the works for over 1 year
- Process on shredding documents, process and approval from Dept. Head, CA, & Clerk
 - o Sometimes departments will shred their own documents, other times more cost effective for off-site storage to perform this function
- Will send her copy of Email policy
- Attorney General Opinion Consultant references
- Media Options Legend (these are on the retention schedule under Media Options)

Let me know if you have any questions.

Thank you.

Subject: Update on investigation, subpoenas, etc.

City staff: I want to continue updating you on what little I do know about the investigation that began last May with the search warrants served at the residences of our Council Members (the ones in office at that time) and others. Subpoenas were delivered to the Clerk's Office today for documents related to the items listed below (most of which, the Clerk indicates, have already been provided to them). In addition, I was served with a subpoena to appear before a grand jury next Wednesday, as was Tom DeSantis. Our testimony is being requested just as witnesses.

Also, some in the media have tried to make an issue of an item on tonight's Council agenda; it is a routine update by the City Clerk of the City's record retention policy. This is done every few years to keep current with technological advancements and to comply with State law. Other cities do this as a routine update as well. Prior year updates were approved by the Council in 2003 and again in 2007. An outside consultant has been working on this update for over one year, obviously well before any investigation began. Tonight's item is on the consent calendar, as was the previous update. The City Clerk will be pulling this item from the agenda and preparing a comprehensive report to present to the City Council at a later date when the consultant can attend and provide information regarding this routine update. I don't know if the record retention update prompted today's influx of subpoenas, but as always the Clerk's Office and City staff will comply fully in providing copies of these items.

I apologize for any distraction and thank you for your continued hard work serving the City of Moreno Valley.
--Michelle

Items subpoenaed today included the following:

1. All documents relating to the following development projects in Moreno Valley: Any development by Ridge Property; Project Numbers P08-133; PA08-0098; PA10-0017, PA08-0097; and PA09-0022.

Subject: FW: Heroes with Heart nomination - Dep. Richard Dixon
Attachments: Dixon- TIP Heroes with Heart Nomination Form 2013.doc

Good afternoon,

Attached you will find the award nomination for MVPD Deputy Richard Dixon. The annual Trauma Intervention Program "Heroes with Heart, Top Cop" award was created in memory of fallen Riverside County Deputy Sheriff Kent Hintergardt. Deputy Hintergardt was murdered in the line of duty while handling a domestic dispute in May 1993. The award is given to a law enforcement officer who has gone beyond the call of duty and shown extraordinary care and compassion for citizens in crisis. I am extremely proud to inform you that Moreno Valley SET Gang Deputy Richard Dixon has been selected as the 11th annual recipient of this prestigious award. I will work with Kandace to get this on the special presentation calendar for an upcoming council meeting.

MVPD has the honor of displaying the perpetual trophy for the next year. Please take a moment to read the compelling award nomination attached.

Thanks,

Joel

Hi Cindy,

There has been one cancelation for the upcoming Traffic Commissioners Workshop and I wanted to extend the opportunity to City Council. The workshop is on 10/26/13 (Saturday) from 8:00 am – 4:00 pm in Buena Park. Please see the attachments for additional information. If one of the council members would like to attend, please, if possible let me know by 4:00 pm today.

Thank you,

LaSonja

Subject: 2013 Traffic Commissioners Workshop Registration

Hi CTE Members,

I am excited to announce CTE's upcoming **Traffic Commissioners Workshop**. The purpose of the Workshop is to provide participants with information relevant to traffic issues in their communities. One or two professionals with traffic engineering, public service, or enforcement experience will present each session. It will be interactive, fast-paced, and loaded with practical knowledge.

The workshop is scheduled for **Saturday, October 26th** from **8:00 am to 3:30 pm**. The City of Buena Park has graciously offered to host the workshop in Heritage Hall at the Ehlers Community Recreation Center (8150 Knott Avenue, Buena Park, CA 90620).

The registration fee for the workshop is \$80 which includes a continental breakfast, lunch, refreshments, and a reference binder (\$40 for students). The deadline to register is October 17th.

A registration form and instructions for payment are attached to this e-mail. Should you have any questions about the workshop, you can reply to Scott (sma@hartzog-crabill.com) or me (edunlap@dpw.lacounty.gov).

Please pass on my e-mail including attachments to anyone you feel might be interested in the workshop.

Subject: Update

Good afternoon,

Here is a recap/update of all the cases we have in progress related to the recall effort:

- MV132040186 – Allegation that an adult male vandalized a car belonging to an adult female. The case has been submitted to the DA. As of 10-23-13, the case is still under review and charges have not yet been filed.
- MV132040209 – Allegation that an adult female was involved in the theft of anti-recall signs – same incident that spawned the alleged vandalism listed above. Elements of the alleged crime do not exist, DDA agrees the allegation is unfounded and no charges will be filed.
- MV132490077- Allegation that unknown suspect(s) stole or vandalized more than 100 signs around the city. Citywide camera system did capture footage of 3 incidents, but the video was not sufficient to make an identification of the suspect. This case is currently suspended for lack of suspect information.
- MV132490171 – Allegation that an adult male and an adult female stole three anti-recall signs. Photos were taken of the suspects and their vehicle by witnesses. Case submitted to the DA who filed 3 counts of theft against the suspects; arraignment is scheduled for 11-08-13.
- MV132850106 – Allegation that an adult male battered an adult female and stole her purse during a public meeting at a local school site. This investigation is continuing. There were numerous people present and interviews are still being conducted to obtain all available witness statements.

Subject: SWAT search warrant

Good afternoon,

On September 5, 2013, MVPD Patrol and SET deputies investigated a gang-related attempted murder in the area of Gentian and Lasselle. This shooting was later determined to be one of the catalysts that ultimately led to the murder of 6 year-old Tiana Ricks. SET deputies continued the investigation into this case and ultimately identified two suspects. Through extensive investigation, they tracked one of the suspects to an apartment in the city of Riverside. The SET Team conducted extensive surveillance on the apartment to determine if the second suspect was also hiding out in the apartment. Eventually, they confirmed that both suspects in the attempted murder were holed up in the apartment. Because of their obvious propensity for violence and the belief that they were armed, the decision was made to have the Sheriff's SWAT Team serve a search warrant on the apartment.

This morning about 4:30 AM, the Special Enforcement Bureau- SWAT Team served the warrant on the apartment in the 6500 block of Doolittle Avenue in Riverside. After a brief standoff and the use of two flash-bang devices, the suspects surrendered to deputies and were taken into custody without incident. A search of the apartment by SET Team members revealed several grams of methamphetamine and more than 100 prescription pain pills.

The suspects are identified as follows:

Monte Walker (20) - Booked for attempted murder, possession of methamphetamine for sales, and gang enhancements

Jeron Hall (18) - Booked for conspiracy/attempted murder, possession of methamphetamine for sales, and gang enhancements

Leonard Harbor – (19) Booked for possession of prescription pain meds without a prescription, conspiracy, and gang enhancements

The investigation is ongoing, but today's events help bring the case much closer to conclusion.

Subject: WEST PACT (AB 109) Task Force activity

Good morning,

During the month of September 2013, the AB 109 WEST PACT Task Force conducted operations in Moreno Valley on six separate occasions. During those operations, task force members conducted 27 checks on parolees/probationers living in Moreno Valley and one pedestrian check for a total of 28 contacts in September.

- On September 6th, they arrested/booked a probationer on Dream Street for being under the influence of a controlled substance and for possessing ammunition.
- On September 12th, they arrested/booked a probationer/gang member for interfering with their probation search at his residence on Running Deer Rd.
- On September 17th, they discovered evidence of drug possession and probation violation at a residence on Bello Way. The suspect was not present, but an arrest warrant has been requested.
- On September 19th, they conducted a pedestrian check at Atwood x Perris and arrested/booked the subject for 5 felony arrest warrants.
- On September 27th, they arrested/booked a probationer for possession of ammunition at a residence on Hawthorne.
- On September 27th, they arrested a parolee wanted by MVPD for identity theft at a residence on Victor.

August 29

Well, this does explain why Tom Owings is so intent on keeping Richard Stewart out of the loop. Seems fishy to me. Isn't this how Law Enforcement works? Take somebody you have something on and get them to turn on the others in exchange for immunity. I don't know, but I'm just saying.....

Error! Filename not specified.

MORENO VALLEY: Investigation spreads to City Hall documents; Stewart says he is 'not a target'

www.pe.com

Councilman Richard Stewart says he is no longer a target of the federal corruption investigation, while agents have subpoenaed some

<http://www.pe.com/opinion/editorials-headlines/20130925-editorial-explain-hubristic-appointment-to-moreno-valley-council.ece>

Meli Van Natta · Top Commenter · Owner/Broker at Rancho Belago Realty

I have been taking a "wait and see" position regarding the actions of this Council, urging restraint until the investigations were completed, but this action really strains my resolve. To deny one Council Member's right to participate in the process is unconscionable, and will do more to further the recall effort than anything the petitioners could have done themselves.

October 7

Having written on this subject before, I remain convinced that there MUST have been some prior discussion or agreement on the appointment of Mr. Gutierrez. It would strain credibility for it to have happened any other way. Mayor Owings is not the type of person to blindly agree with Mrs. Baca's choice of a candidate absent any prior knowledge. However, it is very likely that, knowing the rules of the Brown Act, those were the only two people who discussed the appointment of Mr. Gutierrez in advance of the meeting, feeling that it was not likely that Mr. Molina would vote against them. As I have said before, the APPEARANCE of impropriety is to be avoided when one's integrity is already being questioned.

<https://www.facebook.com/askmeli>

Meli Van Natta @askmeli 10 Oct

@SuzanneHurt I hope Jesse Molina starts using his own mind instead of going along with Owings and Baca on everything.

<https://twitter.com/askmeli>

Meli Van Natta But if only Baca and Owings are recalled? Molina and Gutierrez were both supported by Baca, would they choose another of her friends? And two against one, would they outvote Stewart? Or would they, out of an abundance of caution, choose someone less controversial? Tune in next week for the next installment of "As the Council Churns."

Subject: State Controller's Office Audit of RDA/Successor Agency

Mayor, Mayor Pro Tem and Members of the City Council:

Last week, the City was notified by the State Controller's Office that their auditors will begin a comprehensive Asset Transfer Review of the former RDA and the Successor Agency on Monday November 4th. This is a routine review of all RDAs throughout the state that City staff has been expecting. The review will take about two weeks to complete. The purpose of the audit is to determine whether the disposition of the former redevelopment agency's assets were in compliance with Assembly Bill X1 26. Based on news reports of reviews of other Cities/former RDAs, the review will be thorough and in-depth to ensure all assets transferred, accounting and payments have been performed within the context of the law and subsequent interpretations of the law. Please know that the outcome of these audits at other cities has oftentimes resulted in the State Controller's Office issuing information to the media regarding RDA/CITY fund transfers, etc. As an example, the P-E printed the following story based upon information from the audit done at the City of Riverside:

<http://www.pe.com/local-news/politics/jim-miller-headlines/20130516-redevelopment-state-audit-faults-riverside-on-asset-transfers.ece>

Rick Teichert will update you on the progress of the review and any significant issues that may occur during the course of the audit work.

Subject: Town Hall Meeting

Greetings Mayor & City Council Members,

As part of the City of Moreno Valley, Rising Stars Business Academy YouthBuild Charter School wants to thank you for serving as our Mayor and Councilmembers. Rising Stars Business Academy (RSBA) is a 501(c)3 non-profit organization in the city of Moreno Valley, CA. In order for the students to get their WASC accredited High School Diploma, RSBA partnered with YouthBuild Charter School of California (YCSC).

Since the beginning of the year, September 3rd, the students projects all revolved around the essential question which is "What are the needs of our community?" At the end of every trimester the students are required to participate in the culminating project in order to receive full credit. This trimester the students want to coordinate a Town Hall Meeting.

We are scheduled to have a Town Hall Meeting at our school on Thursday, November 14th at 11:00AM. It is essential to have our City, County, District & State officials present. We would love to have you present at the meeting. The students have been studying the importance of the Mayor and Councilmembers. All next week the students will formulate questions that will be directed toward the symposium guests.

We understand that you must be really busy, but it would be of great honor to have you present at the meeting. We want this to be a great educational experience for our students and allow you to hear from firsthand what the youth in your city feel is a concern and need more attention. In appreciation, there will be a catered lunch for all of our honorary guests.

Thank you for taking the time out to read this message and if you can please notify me by November 6th if you or a representative can attend to address the youth.

Respectfully,
Benedito Orduno

Subject: Sheriff's Academy Graduation - Invitation

Good afternoon,

The graduation ceremony for the Sheriff's Basic Academy Class 191 will be held on November 21, 2013 at 6:00 PM. The ceremony will be held at The Grove Community Church located at 19900 Grove Community Dr., Riverside, CA 92508.

I'd like to invite you to attend this special event and watch as newly minted peace officers are sworn in. The ceremonies are impressive and reflective of the sacrifices made by both the academy recruits and their families during six months of arduous training. Recruits from several agencies will receive their badge of office during the ceremony. Hundreds of family members and supporters will be present, but don't worry, there is plenty of seating available. I look forward to seeing you there!

Subject: MVCEA Ratification Vote

Honorable Mayor and Council Members,

Following recent approval of a Tentative Agreement by the Moreno Valley City Employees Association Board and the City Council, a ratification vote for all MVCEA members has been scheduled for Thursday.

At this point, some controversy has been generated by employees who appear to oppose the re-opening of the Public Service Counter on alternating Fridays. MVCEA will inform us of the vote tally on Thursday; we will keep you fully informed.

Respectfully,

Tom

Subject: RE: Checking in Re: Baca and Cost of Recall

Hi Suzanne,

Yes, she filed. I've sent you the response by previous email.

Estimated cost for a recall election (five Council seats) if the proponents are successful could be \$50,000 if it is consolidated with another election. Otherwise it could be \$175,000 for a stand-alone election.

Yes, the incumbent's Response is included in the Petition Form.

Council Member Baca's Notice of Intention to Circulate Recall Petition is under review.

Thank you.

Subject: Checking in Re: Baca and Cost of Recall

Hi Jane,

Wanted to check back because Councilwoman Baca said just two or three hours ago she was still going to file the response today.

Also, is the cost of a recall election \$30,000, or do you have another figure?

Are responses included with the petitions that voters will be asked to sign to put items on ballot?

Finally, Councilwoman Baca disputed the number of signatures that were turned in on her recall notice. What is the exact number?

Sincerely,

--

CITY CLERK
MORENO VALL
RECEIVED

13 JUL 10 PM 3: 22

13 JUL 10 PM 3:

Answer to Grounds for Recall by City Councilmember Victoria Baca:

JUST SAY NO WHEN ASKED TO SIGN THE RECALL PETITION.

It has only been six months since the election and I'm being threatened by a Recall inspired by the very people who brought our city to the brink of bankruptcy.

DON'T LET THEM STOP ME

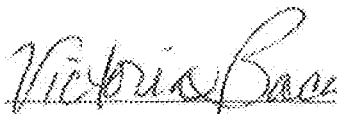

I have lead the efforts to **CREATE NEW JOBS**, balance the budget, increase graduation rates, create our own police department and install new management and vision at City Hall.

I **HAVE BEEN SMEARED** with shameful and untrue allegations made by the proponents of this Recall. Now they are employing paid outsiders to circulate recall petitions.

The supporters of this recall are **HEADED BY FAILED CANDIDATES AND ENVIRONMENTAL ZEALOTS THAT WILL STOP AT NOTHING TO REGAIN POWER.** They don't care that it will cost taxpayers hundreds of thousands of dollars which could be used for police and fire protection!

I ran for office because I love Moreno Valley and I want it to grow and prosper and **NOW THE GOOD OL' BOYS WANT A DO-OVER!** It is a blatant attempt to disqualify the voters who cast their votes and elected me to the city council last November.

DON'T LET THEM STOP ME – DON'T SIGN!

Subject: Meetings with City Managers today re: public safety options

Mayor, Mayor Pro Tem, and Members of the City Council: Following up on the effort to explore any possible options for cost sharing, etc. for public safety services, I have meetings scheduled with several City Managers today and tomorrow to discuss this effort. Tom DeSantis and I are meeting with the managers from several surrounding cities per the schedule noted below. From the Strategic Policy Partnership we will have with us Bernard Melekian, the former Chief of Police in Pasadena and most recently the Director of the U. S. Department of Justice's Office of Community-Oriented Policing. The purpose of these meetings will be to discuss each city's current and future budget status as it relates to public safety, request data for Strategic Policy Partnership's use, and identify the level of interest in reviewing any options.

Monday July 29th

City of Temecula
City of Wildomar
City of Hemet
City of Menifee

Tuesday July 30th

City of Murrieta
City of Lake Elsinore
City of Canyon Lake
City of Banning
City of Calimesa

The City Managers from Perris and San Jacinto were unable to meet this week but I have had conversations with them and they are forwarding the requested data from their cities. The City of Beaumont declined to meet.

Subject: Robbery arrest - again

Good morning,

On Tuesday 9-10-13, officers responded to the CVS pharmacy at 25070 Alessandro Blvd reference a strong arm robbery just occurred. Witnesses provided an excellent description of the suspect and MVPD SET Team officers were in the area. Officers spotted the suspect, later identified as Traytwion Fuery (20) of Moreno Valley, and gave chase on foot. After a short foot pursuit, Fuery was taken into custody without incident. Officers discovered that Fuery was out of custody on bail for a robbery at a Moreno Valley Rite-Aid pharmacy. Officers requested and were granted a bail enhancement to keep Fuery in custody. He was booked into RPDC on the new charge of robbery and for committing a felony while on bail. He is being held in lieu of \$250,000 bail.

Subject: Street Maintenance

Cindy Miller,

I want to take this opportunity to thank Mayor Stewart, the Street Maintenance Department, and you in resolving my street issue in a timely manner. Over the course of five years, dirt and debris had accumulated at the end of my street, and Street Maintenance couldn't clean it up because my street was never "Accepted" by the City. After speaking with the Public Works Director Ahmad Ansari, and Mayor Stewart I was able to get the ball rolling and your office became

MV00243455

involved in finding a solution. In fact Mayor Stewart called me directly and insured me that he cares about my concerns and would look into the matter. I want to personally thank the Mayor for taking time to speak with me. I'm sure he's a busy man and for him to take time to speak with me, surely impressed me. I also want to thank you for keeping me informed during this process, and as of recent my street has been cleaned and now properly represents the homes that are on the street. My neighbors are also ecstatic from the city's immediate response.

Sincerely:

Melvin Lucas

Subject: Robbery on Sunnymead Blvd- arrest

Good evening,

Tonight about 7:30 PM, Officers responded to an armed robbery on Sunnymead Blvd near the Comfort Inn. A 55 year-old long-haul truck driver from Michigan was walking on Sunnymead Blvd when a hispanic male adult walked up behind him and poked something in his back, simulating a knife. The suspect ordered the victim not to move and reached into his pocket, taking property from the victim.

The suspect fled and the victim called police. The victim provided a detailed description of the suspect to two POP officers. They recognized the suspect as a man they spoke to earlier in the evening.

The officers located the possible suspect and conducted an in-field line-up. The victim positively identified the suspect as the person who robbed him.

Suspect Genaro Trejo Jr., 20, is a transient known to live in Moreno Valley. The suspect was booked into RPDC on a charge of armed robbery.

Subject: Medical Aid call at Vista Heights Middle School

Good morning,

As you know, we experienced the tragic death of a student yesterday at Vista Heights Middle School. The victim has been identified as 11 year-old Elijah Allen. Although life-saving efforts were attempted by both first responders, and later hospital staff, the young man succumbed to unknown injuries or illness. An autopsy was completed today, but no immediate cause of death was determined. Several additional tests, including toxicology, will be conducted and a determination as to cause and manner of death will be made by the Coroner's Office at a later date.

MVPD detectives are investigating this incident. At the moment, foul play is not suspected or alleged.

Hi Cindy,

There has been one cancelation for the upcoming Traffic Commissioners Workshop and I wanted to extend the opportunity to City Council. The workshop is on 10/26/13 (Saturday) from 8:00 am – 4:00 pm in Buena Park. Please see the attachments for additional information. If one of the council members would like to attend, please, if possible let me know by 4:00 pm today.

Thank you,

LaSonja

Subject: 2013 Traffic Commissioners Workshop Registration

Hi CTE Members,

I am excited to announce CTE's upcoming **Traffic Commissioners Workshop**. The purpose of the Workshop is to provide participants with information relevant to traffic issues in their communities. One or two professionals with traffic engineering, public service, or enforcement experience will present each session. It will be interactive, fast-paced, and loaded with practical knowledge.

The workshop is scheduled for **Saturday, October 26th** from **8:00 am to 3:30 pm**. The City of Buena Park has graciously offered to host the workshop in Heritage Hall at the Ehlers Community Recreation Center (8150 Knott Avenue, Buena Park, CA 90620).

The registration fee for the workshop is \$80 which includes a continental breakfast, lunch, refreshments, and a reference binder (\$40 for students). The deadline to register is October 17th.

A registration form and instructions for payment are attached to this e-mail. Should you have any questions about the workshop, you can reply to Scott (sma@hartzog-crabill.com) or me (edunlap@dpw.lacounty.gov).

Please pass on my e-mail including attachments to anyone you feel might be interested in the workshop.

Eric Dunlap
2013 CTE Secretary/Treasurer

Subject: WCNTF activity

Good afternoon,

On 10-23-13, the West County Narcotics Task Force (WCNTF) served a search warrant at a residence in the 23000 block of Hemlock reference the sale of methamphetamine. During service of the warrant, officers seized several grams of methamphetamine and evidence indicating that sales of meth were occurring from the residence. The suspect, probationer Eddie Thompson (37) was arrested and booked into RPDC on charges of possessing methamphetamine for sale and probation violation.

Subject: Gang related shooting

Good evening,

Officers are working on a gang-related shooting in the 28000 block of Calle Agua. Information is very preliminary at this time and subject to change. I will send an update in the morning when more details are available.

At this time, we have one 20 year-old male victim suffering from serious but non-life threatening gunshot wounds. Two teenage girls were in the line of fire, but thankfully were not injured. The victims were inside the open garage of a single family residence when a car stopped in the street in front of the house. Suspects inside the vehicle fired several shots into the open garage, striking the victim.

The victim is being treated at a local hospital and is expected to survive. Gang officers are processing the scene and will coordinate with the MVPD Investigations Bureau as the investigation progresses.

Filling a City Council Vacancy: Representation for Everyone Now
By Victoria Baca

The editors of the Press-Enterprise have opined that voters, and not council members, should have selected the individual to fill the vacant 4th District seat on the Moreno Valley City Council (*“Let City Voters Fill Vacant Council Seat”*, Aug. 26). But that course of action would have required far too much sacrifice by residents, and would have hindered the City’s ability to tackle pressing issues facing the 4th District.

To fill this Council vacancy, the City had the following 4 options:

- 1) Appoint someone to serve out the remainder of the unexpired term, until December 9, 2014. The Council’s decision to do so provided immediate and consistent representation for the residents of District 4 for the next 15 months.
- 2) Call a special election to fill the vacancy, leaving the seat open for 8 months. The earliest date to hold a special election would have been April 8, 2014. The individual elected would serve only the remaining 7 months of the unexpired term, while subjecting voters to two Council elections within a period of just 6 months and an additional cost of \$50,000.
- 3) A hybrid of the above options: appoint someone to fill the vacancy for the 7 months until a special election next April, with the individual elected serving only 7 months of the unexpired term. This could result in District 4 being represented by as many as 4 different Council Members in less than a year and a half, with added election costs.
- 4) Take no action. In this case, the vacancy would be filled by election on April 8, 2014 and the individual elected to office would serve the remaining 7 months of the term. Like option 2, this would have cost taxpayers \$50,000 while leaving District 4 residents without representation for a total of 8 months.

I am a fierce advocate for voters’ rights. As noted by the P-E, I supported the recent successful campaign to have the school district board vacancy filled by election and not appointment.

So why would I vote to fill a Council vacancy by appointment in lieu of an election?

The answer is representation. The residents of City Council District 4 deserve consistent representation now and should not have to wait until April of 2014.

How is a decision to appoint to fill a City Council vacancy different than doing so for a school board seat?

Council Members represent Districts; more than 39,000 of our residents had no Council representative during the vacancy. School board members are elected at-large, serving all residents. A vacancy on the school board does not leave anyone unrepresented.

District 4 has interests and issues that are different than other areas, including the recent siting of large, job-producing businesses within the area. These residents deserve to have a Council representative now...someone who lives in their neighborhood and is familiar with the qualities that make the southern part of our City unique.

Lastly, while I applaud the P-E advocating for “a credible unbiased selection process,” the paper doesn’t have a strong track record for understanding our voters. The paper consistently endorses candidates who are subsequently rejected by Moreno Valley residents....in the last two elections alone the P-E’s endorsed candidates were 0 for 5. They couldn’t be more out of touch with our community.

It’s time to get on with business in MoVal, and I stand by my vote to fill the vacant 4th District seat.

Subject: SWAT search warrant

Good afternoon,

On September 5, 2013, MVPD Patrol and SET deputies investigated a gang-related attempted murder in the area of Gentian and Lasselle. This shooting was later determined to be one of the catalysts that ultimately led to the murder of 6 year-old Tiana Ricks. SET deputies continued the investigation into this case and ultimately identified two suspects. Through extensive investigation, they tracked one of the suspects to an apartment in the city of Riverside. The SET Team conducted extensive surveillance on the apartment to determine if the second suspect was also hiding out in the apartment. Eventually, they confirmed that both suspects in the attempted murder were holed up in the apartment. Because of their obvious propensity for violence and the belief that they were armed, the decision was made to have the Sheriff's SWAT Team serve a search warrant on the apartment.

This morning about 4:30 AM, the Special Enforcement Bureau- SWAT Team served the warrant on the apartment in the 6500 block of Doolittle Avenue in Riverside. After a brief standoff and the use of two flash-bang devices, the suspects surrendered to deputies and were taken into custody without incident. A search of the apartment by SET Team members revealed several grams of methamphetamine and more than 100 prescription pain pills.

The suspects are identified as follows:

Monte Walker (20) - Booked for attempted murder, possession of methamphetamine for sales, and gang enhancements

Jeron Hall (18) - Booked for conspiracy/attempted murder, possession of methamphetamine for sales, and gang enhancements

Leonard Harbor – (19) Booked for possession of prescription pain meds without a prescription, conspiracy, and gang enhancements

The investigation is ongoing, but today's events help bring the case much closer to conclusion.

Subject: Residential burglary - arrest

Good afternoon,

Today about 10:10 AM, officers responded to the report of a residential burglary in progress in the 24000 block of Wild Calla Drive. The victim reported that someone rang her doorbell. She looked through the peep hole and saw a person she did not know wearing a backpack and pacing nervously on her front door step. She elected not to answer the door. A few minutes later, the suspect broke into the residence through a back door. Officers arrived on scene just as the suspect fled from the residence on foot. Officers established a perimeter and called in the Sheriff's helicopter and an MVPD K-9 unit. A Motor officer assisting with the perimeter found the suspect's backpack and secured it as evidence. The backpack was later found to contain identification belonging to the suspect. Another Motor officer spotted the suspect in the greenbelt area near Hyacinth and Sunnymead Ranch Pkwy and detained him without incident. An in-field show-up was conducted and the suspect was positively identified by the victim and a witness who lives next door to the victim.

The suspect, a 17 year-old male resident of Moreno Valley, was found to be in possession of burglary tools. He is currently being interviewed by the Burglary Suppression Team and so far has admitted to committing three residential burglaries in Moreno Valley. By interesting coincidence, the suspect's father came to the police department yesterday with several pieces of property he found in his son's room. He advised officers he had no idea where the items came from and turned them over to police. BST is following up on that and will make every effort to return all stolen property to its rightful owners.

Subject: Sheriff's Academy Graduation - Invitation

Good afternoon,

The graduation ceremony for the Sheriff's Basic Academy Class 191 will be held on November 21, 2013 at 6:00 PM. The ceremony will be held at The Grove Community Church located at 19900 Grove Community Dr., Riverside, CA 92508.

I'd like to invite you to attend this special event and watch as newly minted peace officers are sworn in. The ceremonies are impressive and reflective of the sacrifices made by both the academy recruits and their families during six months of arduous training. Recruits from several agencies will receive their badge of office during the ceremony. Hundreds of family members and supporters will be present, but don't worry, there is plenty of seating available. I look forward to seeing you there!

Subject: Holiday Harvest Event 2013
Attachments: 2013 Holiday Harvest Flyer.pdf

Chairman Busch, Vice Chairman Ashley, Commission Members,

It's that time of year again! We are starting to fund raise for our 9th annual Holiday Harvest. The way this year is flying by it will be here before you know it. Last year we served 259 residents from our shelters here at March!

Please help us raise the funds for this event that is so appreciated by our shelter residents. Also, please mark your calendars for **Sunday, November 24th** to help serve the food. We always appreciate the tremendous turn out we get from most of you on this very special day.

Thank you!

Lori

P.S. We need \$\$\$\$\$\$\$\$\$\$!!!!!!!

Subject: FW: Fatal traffic collision with significant road closures - UPDATE

Good morning,

The road closures at Moreno Beach and Bay were lifted this morning about 3:30 AM. It took about 6 hours to process the scene. Alcohol was not a factor in this crash. At this preliminary stage, it appears the driver of the Mercedes did not see the motorcyclist and turned left in front of him, causing the collision.

Subject: Fatal traffic collision with significant road closures

Good evening,

We are working a fatal traffic collision involving three vehicles on Moreno Beach and Bay Avenue. About 9:10 PM, an SUV, a Mercedes, and a motorcycle collided. The 24-year-old male motorcyclist from Moreno Valley sustained major injuries and was transported to RCRM. A short time later, he succumbed to his injuries. The driver of the Mercedes had a complaint of pain and was also transported to the hospital. It is unknown at this time if any of the drivers was under the influence of alcohol or any other substance.

All lanes of Moreno Beach are closed between Alessandro and Cottonwood while the Traffic Accident Reconstruction Team conducts its investigation. Also, a 200 foot section of Bay Avenue is closed to traffic for the same purpose. The roadway will remain closed for the duration of the investigation. Traffic Recon officers are sensitive to the need to restore traffic flow and will do so as soon as possible. I will update you tomorrow if any new information becomes available.

Subject: Notice of Intention to Circulate Recall

Mayor Owings & Council Members:

The Notice of Intention to Circulate Recall was served on June 4, 2013 to Mayor Owings, Mayor Pro Tem Co and Council Member Baca. Recall proceedings are governed by the Elections Code. The following are steps giving you a general idea of what to expect.

After the Notice has been filed with the City Clerk, the targeted officer has 7 days (Tuesday, June 9, 2013) to file and serve a written response. The response cannot be more than 200 words in length. It must be signed and be accompanied by the printed name and business or residence address of the targeted officer. It must be served on at least one of the proponents (and filed with the City Clerk) named in the Notice of Intent by personal delivery or by certified mail.

Within 10 days after filing the answer, the proponents would have to file two copies of the blank form of the petition with the City Clerk and proof of publication of the Notice of Intention. The Clerk would have 10 days to review the petition and proof of publication for compliance with the law and notify the proponents in writing of her findings. The proponents would have 10 days to correct the deficiencies and the Clerk would get another 10 days to re-review. The process is repeated until the petition is correct. Once the petition form is approved, the Clerk would notify the proponents and the 120 to circulate the petition and file with the Clerk. The proponents would need to gather 20% of signatures as reported by the Secretary of State. I've been given these figures by the Registrar of Voters office.

District #3 – 17,717
District # 4 – 16,219
District #5 – 14,390

Once the signed petitions are submitted to the City Clerk, the Registrar of Voters office will verify the signatures.

Let me know if you have any questions.

Subject: Notice of Intention to Circulate Recall

Mayor Owings & Council Members:

The Notice of Intention to Circulate Recall was served on June 4, 2013 to Mayor Owings, Mayor Pro Tem Co and Council Member Baca. Recall proceedings are governed by the Elections Code. The following are steps giving you a general idea of what to expect.

After the Notice has been filed with the City Clerk, the targeted officer has 7 days (Tuesday, June 9, 2013) to file and serve a written response. The response cannot be more than 200 words in length. It must be signed and be accompanied by the printed name and business or residence address of the targeted officer. It must be served on a least one of the proponents (and filed with the City Clerk) named in the Notice of Intent by personal delivery or by certified mail.

Within 10 days after filing the answer, the proponents would have to file two copies of the blank form of the petition with the City Clerk and proof of publication of the Notice of Intention. The Clerk would have 10 days to review the petition and proof of publication for compliance with the law and notify the proponents in writing of her findings. The proponents would have 10 days to correct the deficiencies and the Clerk would get another 10 days to re-review. The process is repeated until the petition is correct. Once the petition form is approved, the Clerk would notify the proponents and the 120 to circulate the petition and file with the Clerk. The proponents would need to gather 20% of signatures as reported by the Secretary of State. I've been given these figures by the Registrar of Voters office.

District #3 – 17,717
District #4 – 16,219
District #5 – 14,390

Once the signed petitions are submitted to the City Clerk, the Registrar of Voters office will verify the signatures.

Subject: Pastor Earnestine Poole Anderson - I Am My Sister's Keeper Fundraiser

Pastor Anderson is inviting you to the I Am My Sister's Keeper Fundraiser event. I Am My Sister's Keeper is a mentoring program for 8 – 18 year old girls. Southern California Edison will be presenting a donation check to them at the event. Their church is located in District 4. Next year, May 2014, I Am My Sister's Keeper is hosting the Convoy of Hope, which is a city wide food program give away, and she stated they are expecting about 5,000 people. She stated she is looking for a venue to hold the event. I gave her the phone number for the MVUSD PIO. I also gave her the phone number for Parks in case she would like to hold the event in a park, and I transferred her to Michele Patterson to see about promoting the event.

Please advise if you would like to attend the following:

I Am My Sister's Keeper Fundraiser
Saturday, August 3
11:00 a.m.
Universal Strike Bowling
23750 Alessandro Blvd.
\$15 – Includes 2 games of bowling, shoes, hotdog, drink and entrance to talent show

Subject: Kids safety

Hello all,

I received a call from a Fourth of July Community Stage 2013 PARENT, she was concerned about her children's safety. Her children were selected for this years Fourth of July Community Stage. They were also on the Fourth of July Youth stage 2012. I think it is important that someone gets to the bottom of ALL this, before someone gets hurt or another lawsuit against our city.

Safety for the youth, need to be a huge part of anything the city does.

Maurice Sears had called Georgette child's cell phone and said, "the Moreno Valley Fourth of July Community Stage youth will be rehearsing in his home (garage)."

I do have a concern with anyone calling the child, and so does this parent. This mom is active with her children and Maurice has her number. So, why not call the parent?

Maurice stated that the Fourth of July rehearsals will be at his home and he said "the City has this set up."

This parent did NOT feel that the city would do this, especially after last year a few of the parents (herself) and Anthony Acosta felt so strongly that Maurice may be a child pedophile.

Anthony Acosta said to me that he "ran a FBI background check on Maurice" under Maurice Sears, in late August/September 2012. Anthony Acosta and Maurice Sears continued working with the 4th of July youth after the event, I did not know this.

My concern is Maurice has two last names. Sears and another that starts with a Boudoor, not sure of the spelling, sounds French. No one knows how to spell it and therefore no one ran a background check on that last name. Nor am I sure if Anthony Acosta ran a qualified background check.

With six people saying, in August/September, that Maurice may be a pedophile, it was and still is a concern to me. I did at the time forward the information to MVPD. Not sure what they did?

I only worked with Maurice and the selected youth for the Youth Stage 2012; 5 or 6 days. So I only know a little bit about him. We only met Fridays and Saturdays. He is an armed guard, so I felt safe to have him work the few days with the youth and I was always with the kids during rehearsals.

MV00251689

Outside of Maurice not being able to communicate or show up on time, I only had a few issues with him as he volunteered to help prior to the 4th of July, for those few days.

1) Maurice did feel that it was okay to keep the kids out late, I did post up a paper stating, "if you are with the Fourth of July group, we must end at 10PM." However, some parents and youth wanted to stay later and did so, saying they were working with Maurice on their own.

2) Maurice told a parent that the City was paying \$50.00 to a man's daughter and that the daughter would get one hour on the stage. I had to correct the father that she was not getting an hour, nor paid.

3) I did notice that Maurice's neighbors did NOT want their children involved with Maurice. Maurice stated it was due to a bad divorce.

4) Maurice is guilty of being a awful parent, as he left his 6 yr old child with this mother (Georgette) to watch, as he went to work and they did not know each other at all.

5) On the Fourth of July, Maurice was missing most of the time.

Anything other than that is Maurice and Anthony's doing, not City or my involvement.

At this point, I think it is wise for either City or MVPD to check into Maurice for the safety of the youth. I get that volunteers are not perfect, but, my point is trust only Law Enforcement when doing a background check.

And after six parents thought the same thing.. maybe it would be wise just to double check.

Plus, I want Park and Rec to know what is being said, so they can correct anything that may not be true.

This is my third call/text from parents, not knowing anything. I did tell them all to call Park and Rec and ask for Sarah. I hope that was correct?

Good Luck!

Mayor Owings & Council Members:

I want to keep you informed of the recall process from this point.

The proponents for the recall of Council Members have 10 days from the date the Response/Answer is filed in the Clerk's office to submit their Petition Forms. From that point the Clerk has 10 days to approve/reject the Petition Form. The proponent would have 10 days to correct any deficiencies. Once the Petition Form is approved and the proponent is notified, the signature gathering process can begin. Proponents will have 120 days to gather signatures of 20% registered voters in the district to qualify for an election. Please see the number of registered voters and number of signatures required below.

These are estimates and the numbers are based on last County report to the Secretary of State. The numbers could change slightly when the petition is approved.

District #1 – 15,148 - 20% is 3,030
District #2 – 19,622 - 20% is 3,924
District #3 – 17,717 – 20% is 3,543
District #4 – 16,219 – 20% is 3,244
District #5 – 14,390 – 20% is 2,878

If the proponents are successful in obtaining the required signatures, the Council has 14 days from the Council meeting date at which the petition is certified as sufficient to call the election to be held not less than 88, nor more than 125, days after the issuance of the order. The election will consist of (1) the question to recall the officer and (2) (a) the names of the candidates nominated to succeed the officer sought to be recalled and (b) write-in spaces. If the proponents take the full 120 days and with the 30 day County signature verification, it will

be close to January 2014 when the item would go to a Council Meeting. Then with the legal mandate of not less than 88 days and not more than 125 days, an election could be held between April 26 – June 1, 2014 time period.

I am waiting on the County for a cost estimate and elections dates in the Spring and will forward the info to you.

Let me know if you have any questions.

Thank you.

Victoria,

There is no set date in the Election Code for the publication, but it has to be early on in the process because they are bound per Election Code to submit a copy with the Petition Form for approval by the City Clerk and if approved they can start their signature gathering.

Subject: Update on TRIP Financing challenged by resident RADene Heirs

Mayor, Mayor Pro Tem, and Members of the City Council: In January the City Council approved the sale of not more than \$20 million in Certificates of Participation (COPs). The COPs, issued through California Communities Total Road Improvement Program (TRIP) Gas Tax Revenue financing, are the funding mechanism for the Nason Street widening project between Fir and Cactus. You may recall that the Council initially approved the City's participation in the TRIP financing program in July, 2012. However, based upon the threat of a legal challenge from resident Radene Heirs and the probability that Moreno Valley's participation in the TRIP process would hold up funding for other cities in the program, we withdrew from that action and have been defending and responding to Ms. Heirs' attempts to stop the TRIP financing program since that time.

The State Appellate Court has finalized the decision in the City's favor regarding resident Radene Heirs' challenge to the validation action as a step in the process to completing the Total Road Improvement Program (TRIP) financing. The opportunity to appeal to the State Supreme Court has passed and no appeal was made. The challenge has delayed the completion of the financing which is the funding mechanism for the widening of Nason Street between Cactus and Fir Streets. The widening project has continued, and the City will be reimbursed from the proceeds from the sale of Certificates of Participation for funds that the City advanced to keep this project moving forward.

The cost of defending the legal challenge to the validation action was about \$60,000, not including staff time to prepare for and appear at several court hearings. This cost will be paid to legal counsel from the proceeds of the financing.

The financing team is now active. The TRIP financing will be based on Measure A revenues for lease payments on the COPs. Documents previously approved by City Council are sufficient to proceed with and complete the financing, there will be no further action planned by the City Council. Staff anticipates that the financing will be complete by the end of August 2013.

Please contact me if you have any questions regarding this issue.

The widening project has continued, and the City will be reimbursed from the proceeds from the sale of Certificates of Participation for funds that the City advanced to keep this project moving forward.

The cost of defending the legal challenge to the validation action was about \$60,000, not including staff time to prepare for and appear at several court hearings. This cost will be paid to legal counsel from the proceeds of the financing.

The financing team is now active. The TRIP financing will be based on Measure A revenues for lease payments on the COPs. Documents previously approved by City Council are sufficient to proceed with and complete the financing, there will be no

further action planned by the City Council. Staff anticipates that the financing will be complete by the end of August 2013.

Please contact me if you have any questions regarding this issue.

Subject: Notice of Intention to Circulate Recall Petition - Council Member Victoria Baca

Mayor Owings & Council Members:

Please be advised that the Notice of Intention to Circulate Recall Petition for Council Member Victoria Baca is valid. Signature verification by the County has identified the proponents as 21 registered voters in the City. The **original** NOI, Proof of Service and a copy of E.C. 11023 were filed with my office on July 3, 2013. The NOI complies with E.C. 11020.

Council Member Baca's Response/Answer to the NOI was filed in my office on July 10, 2013. The proponent's deadline to file the Petition Form and Proof of Publication is 10 days after the Response/Answer is filed which will be July 22, 2013.

Let me know if you have any questions.

Thank you.

Thank you.

Subject: Re: August 20 -- City Council Meeting Schedule

Please remove item (immigration reform) from the study session for August 20, since we do not have any legislative powers. Therefore there is nothing to study. Since when do we study proclamations? The group from Saint Christopher's church asked for a proclamation supporting immigration reform, either we do or we don't it's that simple.

Mr. Scott J. Heveran
12109 Swegles Lane
Moreno Valley, CA 92553

Dear Mr. Heveran:

This is to inform you that the petition format submitted to recall Victoria Baca as Council Member of the City of Moreno Valley is hereby rejected for the following deficiencies:

1. Proponents' addresses must be included in the publication of the Notice of Intention. The Notice of Intention must be re-published with proponents' addresses and proof submitted to the City Clerk's office. E.C. 11022
2. Declaration of Circulator in the Petition Form - Paragraph 4 – type "Starting Date" and "Ending Date" EC 104(a3 & c), 11046, 11042(d)
3. Text of the Answer to Grounds for Recall (it must appear exactly as written on the Original Notice):
 - a. The fourth paragraph, second sentence: "They don't care that it will cost taxpayers hundreds of thousands "of dollars" which could be used for police and fire protection! The words "*of dollars*" must be included.
 - b. The fifth paragraph, first sentence: delete quotation marks around the words "DO-OVER!"

The last sentence of the fifth paragraph: "It is a blatant attempt to disqualify the voters who cast their votes "and elected me to the city council" last November." The words "*and elected me to the city council*" must be included.

- c. The last paragraph has an exclamation point at the end of the sentence in the Answer submitted by the incumbent that must be included: "DON'T LET THEM STOP ME - DON'T SIGN!"

CITY CLERK

MV00252009

- d. The incumbent's address portion "Council Member" instead of "councilmember."

Pursuant to EC 11041, the proponents shall use the recall petition format provided by the Secretary of State. According to Procedure for Recalling State and Local Officials prepared by the Office of the Secretary of State, "the submitted blank copies of the petition will be carefully reviewed for uniformity and correctness and will be compared to the Notice of Intention and publication to assure accuracy in text, punctuation, capitalization, spelling, format, etc. If the comparison discloses discrepancies, the petition may be rejected."

1. HEADING:

- a. The third paragraph – The following Notice of Intention to Circulate Recall Petition was served on the "3rd" day of July, 2013 to Victoria E. Baca. Please include "3rd" before the word "day" and colon at the end of the sentence, instead of period.

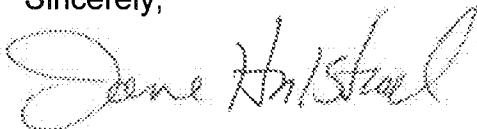

2. DECLARATION OF CIRCULATOR

- a. Paragraph 4 – Delete colon after "the dates of" and type "Starting Date" and "Ending Date." EC 104(a3 & c), 11046, 11042(d)

Elections Code 11042 provides that the proponents must submit corrected petition formats to this office within ten days of receiving notification.

Please call the Office of the City Clerk at [REDACTED], if you have any questions.

Sincerely,

Jane Halstead, CMC
City Clerk

Subject: Meetings with City Managers today re: public safety options

Mayor, Mayor Pro Tem, and Members of the City Council: Following up on the effort to explore any possible options for cost sharing, etc. for public safety services, I have meetings scheduled with several City Managers today and tomorrow to discuss this effort. Tom DeSantis and I are meeting with the managers from several surrounding cities per the schedule noted below. From the Strategic Policy Partnership we will have with us Bernard Melekian, the former Chief of Police in Pasadena and most recently the Director of the U. S. Department of Justice's Office of Community-Oriented Policing. The purpose of these meetings will be to discuss each city's current and future budget status as it relates to public safety, request data for Strategic Policy Partnership's use, and identify the level of interest in reviewing any options.

Monday July 29th

City of Temecula
City of Wildomar
City of Hemet
City of Meniffee

Tuesday July 30th

City of Murrieta
City of Lake Elsinore
City of Canyon Lake
City of Banning
City of Calimesa

The City Managers from Perris and San Jacinto were unable to meet this week but I have had conversations with them and they are forwarding the requested data from their cities. The City of Beaumont declined to meet.

CITY CLERK
MORENO VALLEY
RECEIVED

13 JUL 29 AM 9:43

PETITION FOR RECALL

TO THE HONORABLE CITY COUNCIL, of the CITY of MORENO VALLEY,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 5, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Victoria Baca, holding the office of Council Member for the City Council District 5, of the City Moreno Valley, in the County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the 3rd Day of July, 2013 to Victoria E. Baca:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE VICTORIA BACA: Pursuant to Section 11029, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Five, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Five, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents are as follows: Scott J. Heveran, Denise Heveran, Anita De Guzman, Ernest Nicolas, Donald Fleming, Lori De La Torre, Patricia N. Lloyd, Stephanie Rubio, Alex Rubio, Norman L. Kowallis

The answer of the officer sought to be recalled is as follows:

JUST SAY NO WHEN ASKED TO SIGN THE RECALL PETITION. It has only been six months since the election and I'm being threatened by a Recall inspired by the very people who brought our city to the brink of bankruptcy.

DON'T LET THEM STOP ME I have lead the efforts to CREATE NEW JOBS, balance the budget, increase graduation rates, create our own police department and install new management and vision at City Hall

I HAVE BEEN SMEARED with shameful and untrue allegations made by the proponents of this Recall. Now they are employing paid outsiders to circulate recall petitions.

The supporters of this recall are HEADED BY FAILED CANDIDATES AND ENVIRONMENTAL ZEALOTS THAT WILL STOP AT NOTHING TO REGAIN POWER. They don't care that it will cost taxpayers hundreds of thousands of dollars which could be used for police and fire protection!

I ran for office because I love Moreno Valley and I want it to grow and prosper and NOW THE GOOD GU' BOYS WANT A DO-OVER! It is a blatant attempt to disqualify the voters who cast their votes and elected me to the city council last November.

DON'T LET THEM STOP ME - DON'T SIGN!

NOTICE OF INTENT TO CIRCULATE RECALL PETITION

TO THE HONORABLE VICTORIA BACA: Pursuant to Section 13020, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Five, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Five, for the City of Moreno Valley, California, and to demand election of a successor in that office. The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names, signatures, and residence addresses of the proponents are as follows: 1. Scott J. Heveron, 12109 Sweeties Ln., Moreno Valley, CA 92557; 2. Denise Heveron, 12109 Sweeties Lane, Moreno Valley, CA 92557; 3. Anita DeGuzman, 13099 Palmside Pl., Moreno Valley, CA 92553; 4. Ernest Nicolas, 13185 Brentwood Ln., Moreno Valley, CA 92553; 5. Donald Fleming, 22662 Westlake Dr., Moreno Valley, CA 92553; 6. Lori De La Torre, 12691 Penske St., Moreno Valley, CA 92553; 7. Patricia M. Lloyd, 12691 Penske St., Moreno Valley, CA 92553; 8. William M. Bailey II, 12551 Penske St., Moreno Valley, CA 92553; 9. Stephanie Rubio, 12681 Penske St., Moreno Valley, CA 92553; 10. Alex Rubio, 12681 Penske St., Moreno Valley, CA 92553; 11. Laurie Crouse, 12644 Andretti St., Moreno Valley, CA 92553; 12. Thomas E. Albertazzi, 12614 Penske St., Moreno Valley, CA 92553; 13. Julie Albertazzi, 12516 Penske St., Moreno Valley, CA 92553; 14. Norman L. Kowallig, 13094 Sunlit Ct., Moreno Valley, CA 92553; 15. Linda S. Kowallig, 13094 Sunlit Ct., Moreno Valley, CA 92553; 16. Scott Anderson, 13226 Hubbard Dr., Moreno Valley, CA 92553; 17. Stephen Anderson, 13225 Sumbird Dr., Moreno Valley, CA 92553; 18. Tommy L. Anderson, 13225 Sumbird Drive, Moreno Valley, CA 92553; 19. Cynthia Cooley, 13082 Popillon Ct., Moreno Valley, CA 92553; 20. Gerard Clark Conroy, 13082 Popillon Ct., Moreno Valley, CA 92553; 21. Sherri Baley, 12551 Penske St., Moreno Valley, CA 92553.

A copy of this notice and proof of service, will be filed with the City Clerk for the City of Moreno Valley.

Elections Code section 13023. (a) Within seven days after the filing of the notice of intention, the officer sought to be recalled may file with the elections official, or in the case of a state officer, the Secretary of State, an answer, in not more than 200 words, to the statement of the proponents. (b) If an answer is filed, the officer shall, within seven days after the filing of the notice of intention, also send a copy of it, by personal delivery or by certified mail, to one of the proponents named in the notice of intention. (c) The answer shall be signed and shall be accompanied by the printed name and business or residence address of the officer sought to be recalled. 7/19

Mayor Owings & Council Members:

The Petition Form to Recall Council Member Victoria Baca is valid. I'll be sending a letter to the proponent advising the final number of registered voters required and timeline.

Currently under review are Petition Forms for Mayor Pro Tem Co, Council Members Stewart and Molina. The proponents have been advised of required corrections for Mayor Owings Petition Form.

Let me know if you have any questions.

Thank you.

August 5, 2013

Mr. Scott J. Heveran
12109 Swegles Lane
Moreno Valley, 92557

Dear Mr. Heveran:

This is to inform you that the (corrected) petition format submitted on July 29, 2013 to recall *Victoria Baca as City Council Member in District 5* of the City of Moreno Valley meets the requirements of the Elections Code as to form and wording.

Pursuant to Elections Code Section 11220, the petition shall be filed with the City Clerk's office not later than 120 days from August 5, 2013.

Therefore, the petition shall be filed no later than the close of normal office hours on December 3, 2013.

Pursuant to Elections Code Section 11221, the petition shall be signed by not less than 20% of the registered voters in City Council District 5 of the City of Moreno Valley. The number of registered voters in City Council District 5 is 14,390, as of the last report of registration to the Secretary of State, which was submitted by the Riverside County elections official on February 10, 2013.

The number of required signatures for City Council District 5 is 2,878.

Please be advised Elections Code 104, 11046 and 18650 are attached for your review. The circulator must be a registered voter in the jurisdiction of the officer sought to be recalled.

Please contact the office of the City Clerk at [REDACTED], if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Jane Halstead".

Jane Halstead, CMC
City Clerk

Enclosures: E.C. 104, 11046 & 18650

CITY CLERK

MV00252067

103.

the petition is filed. A written request made under this section shall not constitute a petition or paper for purposes of Section 104.

(Amended by Stats. 2009, c. 510, §1.)

104. Declaration of circulator attached to petition; form.

(a) Wherever any petition or paper is submitted to the elections official, each section of the petition or paper shall have attached to it a declaration signed by the circulator of the petition or paper, setting forth, in the circulator's own hand, the following:

(1) The printed name of the circulator.

(2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.

(3) The dates between which all the signatures to the petition or paper were obtained.

(b) Each declaration submitted pursuant to this section shall also set forth the following:

(1) That the circulator circulated that section and witnessed the appended signatures being written.

(2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.

(c) The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of his or her name. The circulator shall state the date and the place of execution on the declaration immediately preceding his or her signature.

(Amended by Stats. 2012, c. 132, §1.)

105. Examination of petitions; residence address verification.

For purposes of verifying signatures on any initiative, referendum, recall, nomination, or other election petition or paper, the elections official shall determine that the residence address on the petition or paper is the same as the residence address on the affidavit of registration. If the addresses are different, or if the petition or paper does not specify the residence address, or, in the case of an initiative or referendum petition, if the information specified in Section 9020 is not contained in the petition, the affected signature shall not be counted as valid.

Any signature invalidated pursuant to this section shall not affect the validity of other valid signatures on the particular petition or paper.

(Added by Stats. 1994, c. 920, §2.)

106. Nomination papers' signatures.

Notwithstanding any other provision of law:

(a) Any registered voter who is a candidate for any office may obtain signatures to and sign his or her own nomination papers. The candidate's signature shall be given the same effect as that of any other qualified signer.

(b) Any person engaged in obtaining signatures to the nomination papers of a candidate for any office or to any recall, initiative or referendum petition, may, if otherwise qualified to sign the papers or petition, sign the papers or petition. The signature of the person shall be given the same effect as that of any other qualified signer.

(Added by Stats. 1994, c. 920, §2.)

11043.5. Secretary of state to provide recall petition format.

(a) The Secretary of State shall provide to county elections officials a recall petition format for distribution to proponents of a recall. The recall petition format shall be made available upon request by the county elections official and by the Secretary of State.

(b) The recall petition format made available pursuant to this section shall be utilized by proponents of a recall election.

(Added by Stats. 1996, c. 714, §5.)

11044. Separate petitions necessary.

Separate petitions are necessary to propose the recall of each officer.

(Added by Stats. 1994, c. 920, §2.)

11045. Only registered voters of jurisdiction qualified.

Only registered voters of the electoral jurisdiction of the officer sought to be recalled are qualified to circulate or sign a recall petition for that officer.

(Added by Stats. 1994, c. 920, §2.)

11046. Circulator's declaration.

To each section of a petition shall be attached a declaration, signed by the circulator thereof, that complies with Section 1044. The declaration shall include a statement that the circulator is a registered voter in the jurisdiction of the officer sought to be recalled.

(Added by Stats. 1996, c. 714, §7.)

11047. Petition circulated in more than one county.

When a petition is circulated in more than one county for the recall of an officer, each section of the petition shall bear the name of the county for which it is circulated, and only registered voters of that county may sign that section.

(Amended by Stats. 2004, c. 156, §1.)

Chapter 2. Recall of State Officers: Intermediate Steps in the Recall**11100. Application of chapter.**

(a) This chapter applies only to the recall of state officers.

(b) In addition to this chapter, Sections 13 to 18, inclusive, of Article II of the California Constitution and the applicable provisions of Chapter 1 (commencing with Section 11000) and Chapter 4 (commencing with Section 11300) shall govern the recall of state officers.

(Amended by Stats. 2010, c. 328, §62.)

11101. Presumption that the petition contains the required signatures.

Unless and until it is otherwise proven upon official investigation, it shall be presumed that the petition presented contains the signatures of the requisite number of registered voters.

(Amended by Stats. 1996, c. 714, §8.)

11102. Filing of petition sections.

Each section of a recall petition shall be filed with the elections official of the county for which it was circulated.

(Amended by Stats. 2004, c. 156, §2.)

11103. Filing of petition section; written authorization.

Each section of the petition shall be filed by the proponents or by any person or persons authorized, in writing, by a proponent. Each time an autho-

Subject: Vehicle into building

Good afternoon,

The incident at the Loma Linda medical clinic resulted in very minor injuries with no treatment needed. The elderly female driver apparently confused the brake and accelerator pedals causing the vehicle to strike the building.

The building sustained significant damage and will likely be closed by Building and Safety until repairs are made. Traffic officers will seek a reevaluation of her driving privilege via DMV. There is no indication that drugs or alcohol played any role in this incident.

PRESENT BY – MOTHER CANDACE Q. BUTLER, FOR JAIDA BAILEY

Final comments for the City of Moreno Valley-

- 1) The city won't grow correct until what's old is out, until what's out is brought current to the new age.
- 2) There enough of everything to go around
- 3) There are enough righteous people to make a change, people of all backgrounds who could stretch the close minds beyond where one may wonder.
- 4) It's about principle.
- 5) The city lacks balance, open mind officials and leaders with souls, and vibrant energy.
- 6) What has occurred is criminal, and a form of slavery to keep
- 7) The city has not operated within its abilities.
- 8) It's time to apply greater like today
- 9) It's time for the City of Moreno Valley to move from nothing to more than something.
- 10) Why should anyone settle for being in the wilderness, when they could be in the land of milk and honey?
- 11) Information brings trans-formation.
- 12) What you feel determines what you pursue.
- 13) Someone died to get us where we are, and where we're to go.
- 14) Evil robs, steals, kills and destroy
- 15) Citizens of Moreno Valley have been robbed and left for dead until the wrong doing was exposed.

QUESTIONS FOR CITY OF MORENO VALLEY COUNCIL OFFICE / MAYOR'S OFFICE

MEETING WITH MR. MARCELO CO.
TUESDAY AUGUST 20, 2013

FROM THE VOICE OF STUDENT JAIDA BAILEY
(A CONCERNED FOUR YEAR HIGH SCHOOL STUDENT OF MORENO VALLEY)

MORENO VALLEY CAN'T GROW IF THERE'S NO CHANGES. "AN OLD THING WON'T WORK IF YOU WON'T AND DON'T CHANGE IT WITH THE PRESENT TIMES.

TAKE INTO CONSIDERATION, THE NEW GENERATIONS WANT TO MAKE A SUCCESS OUT OF THERE PARENTS LABOR.

PRESENT BY – MOTHER CANDACE Q. BUTLER, FOR JAIDA BAILEY

- 16) THE NEW GENERATIONS DO NOT WANT THEIR PARENTS AND GRANDPARENTS LABOR TO BEIN VAIN.
- 17) Too many families and lives have been destroyed by this epidemic of corruption and **wrong done by a group of selfish not caring "community leaders"**.
- 18) The City owes it citizens who are victims and in a crisis as a result of its poor political practices. Prevention is better than cure.

Respectfully Submitted,

Jaida C. Bailey

Ms. Dawson resides at 24133 Badger Spring Trail in District 2. Ms. Dawson asked if you are attending the Public Forum on Air Pollution Health Affects tomorrow evening at 7:00 p.m. at Central Middle School located at 4795 Magnolia in Riverside. She stated if you are going to vote on the World Logistics Center, you need all the information you can get before you vote. Ms. Dawson stated it's shameful if the City of Moreno Valley doesn't show up for the forum.

Richard, Ms. Dawson requested you call her.

Hello All,

Following up on the Mayor's request in preparation for the meeting with Lori Stone on Monday... I've located the:

- MJPA adoption of bylaws forming the JPA
- MJPA CAFRs for 2012

Also, Mayor Owings requested information about the square feet developed at the Meridian project at Monday's Public Safety Subcommittee. We received that info as part of a job creation update this recent May... the developments along Meridian Pkwy total 3,255,521 sq. ft. – see the attached spreadsheet.

Have a nice weekend!

Michele

Subject: Homicide

Good morning,

I was just advised that officers were dispatched to a shooting in the 26000 block of Le Mans Drive. On arrival, they found a deceased male adult. Witnesses indicated two men got into an argument; one produced a gun and shot the other man, fatally wounding him. The suspect fled before officers arrived.

MVPD detectives, Volunteers, the Sheriff's Central Homicide Bureau, the Coroner's Bureau, and the DA's office are all en route to the scene. Le Mans Drive is located south of Fir Avenue and east of Lasselle Street.

Because details are limited and the lateness of the hour, I elected to notify you by e-mail rather than by phone. I will send an update later this morning.

Joel

Development Services Team:

Thanks for all your hard work and commitment to providing great customer service.

Jake LeBlanc, project manager for the 1.5 million square foot Panattoni logistics project at the SWC of Indian Street and Iris Avenue, is providing a pizza lunch this Friday to thank everyone involved in processing his project which pulled building permits this week.

From project submittal to issuance of a certificate of occupancy, I suspect that all of you will have touched this project in some way.

Congratulations! Keep up the good work.

Sincerely,

John

Subject: Residential Marijuana Cultivation - arrest

Good afternoon,

On 10-10-13 about 10:21 AM, officers responded to a residence in the 14000 block of Galvin reference a subject brandishing a firearm. On arrival, officers learned the resident was operating an illegal marijuana dispensary from his home. Officers prepared and served a search warrant on the residence, recovering over two pounds of marijuana ready for sales, 14 marijuana plants, packaging materials, and other items indicating that sales were taking place from the residence. The suspect, Shane Rott (36) admitted to selling marijuana, but claimed he did not sell for profit. City Code Enforcement responded and determined the indoor marijuana grow room needs to be corrected within 30 days or the house will be condemned. The suspect was booked into RPDC for cultivation and sales of marijuana.

Subject: Backflow Theft case - Results

Good afternoon,

As you may recall, the Burglary and Robbery Suppression Teams handled a series of backflow device thefts earlier in the year. Their investigation led to numerous arrests and the recovery of several stolen backflow devices, including four stolen from RCRMC valued at \$40,000. On 10-15-13, the preliminary hearing in this matter was held in Superior Court. The following pleas/convictions/penalties have been handed down so far:

Javier Ramirez, 43 (primary suspect)

- 6 years state prison
- One felony strike
- Full restitution ordered

Jesse Andrew Diaz, 28

- 4 years prison
- Full restitution

Ernest V. Diaz, 47

- 180 days jail
- 4 years formal probation
- Partial restitution (\$1,500)

Joe Ramirez, 38

- 180 days jail
- Gun recovered to be destroyed
- Prohibited from possessing firearms for term of probation
- 3 years summary probation with search terms
- Partial restitution (\$1,500)

Humberto I. Martinez, 64

- 180 days jail
- 3 years summary probation with search terms
- Partial restitution (\$1,500)

Two other suspects are still awaiting final disposition. Both will likely accept plea agreements soon. Overall, a very successful investigation and prosecution.

Address to U.S. Attorney

Dear _____:

The purpose of this letter is to respectfully request that the U.S. Attorney's Office conduct, complete, and reveal the results of the current investigation pertaining to Moreno Valley as expeditiously as possible.

While faced with many challenges, the City of Moreno Valley is making great strides to right our fiscal ship and even enhance some City programs and services that are critical to our community. The specter of your Office's investigation places our forward progress severely at risk.

It is our understanding that the U.S. Attorney's Office is conducting a sweeping review in western Riverside County, and perhaps beyond. Until your Office concludes its review of matters pertaining specifically to Moreno Valley, however, this City's progress is severely obstructed...at a crucial point when key stakeholders are relying on our ability to chart a course for our community's future.

Until the U.S. Attorney's Office announces its findings pertaining to the City of Moreno Valley:

- Our residents are left with significant questions about the integrity of their elected leaders. And, really, who could blame them? Homes of the neighbors they elected to represent them were raided by armed agents, and nearly every newspaper article regarding the City restates that investigators seized items and documents from each of us...back in April. The absence of updated, specific information regarding your Office's findings continues to undermine residents' confidence in their local government and its credibility in making decisions on their behalf.
- Development interests, whose investment in our community is essential to our long-term sustainability, are actively considering other locations over their concern that Moreno Valley is under a cloud related to your Office's pending investigation. We have balanced our budget, we are addressing

key public safety and infrastructure needs, and we are partnering with educational leaders to create a positive future for future generations. Creating jobs and broadening Moreno Valley's economic base, however, require private sector investment. Since announcement of your Office's investigation, our Mayor, Council and City staff have spent countless hours attempting to reassure private investors that this City and its residents remain worthy of their confidence. Delays in announcing your Office's findings will cause irreparable harm to the future of our community, possibly for decades to come.

- City employees, who have firsthand knowledge regarding the sound, ethical daily operations of our public service organization, are unjustly seeing their own actions questioned by those who would inaccurately characterize the City of Moreno Valley as "corrupt." This is not the City of Bell, yet continued delays in your Office's announcement of its findings related to our City subject us to continued comparisons to a community whose leaders violated their community's trust by engaging in criminal acts.

We understand the complexity of the regional investigation your Office has undertaken. Your staff must sort through facts associated with numerous agencies, public officials and private citizens. But we collectively send this letter to ensure that your Office grasps *the profound impact that delayed announcement of findings will continue to have upon our City and its nearly 200,000 residents.*

Our community's future hangs in the balance. United, this City Council calls upon the U.S. Attorney's Office to announce its findings related to the City of Moreno Valley without further delay.

Respectfully,

Tom Owings, Mayor

Marcelo Co, Mayor Pro Tem

Jesse Molina, Councilmember

Richard Stewart, Councilmember

Victoria Baca, Councilmember

Filling a City Council Vacancy: Representation for Everyone Now
By Victoria Baca

The editors of the Press-Enterprise have opined that voters, and not council members, should have selected the individual to fill the vacant 4th District seat on the Moreno Valley City Council (*“Let City Voters Fill Vacant Council Seat”*, Aug. 26). But that course of action would have required far too much sacrifice by residents, and would have hindered the City’s ability to tackle pressing issues facing the 4th District.

To fill this Council vacancy, the City had the following 4 options:

- 1) Appoint someone to serve out the remainder of the unexpired term, until December 9, 2014. The Council’s decision to do so provided immediate and consistent representation for the residents of District 4 for the next 15 months.
- 2) Call a special election to fill the vacancy, leaving the seat open for 8 months. The earliest date to hold a special election would have been April 8, 2014. The individual elected would serve only the remaining 7 months of the unexpired term, while subjecting voters to two Council elections within a period of just 6 months and an additional cost of \$50,000.
- 3) A hybrid of the above options: appoint someone to fill the vacancy for the 7 months until a special election next April, with the individual elected serving only 7 months of the unexpired term. This could result in District 4 being represented by as many as 4 different Council Members in less than a year and a half, with added election costs.
- 4) Take no action. In this case, the vacancy would be filled by election on April 8, 2014 and the individual elected to office would serve the remaining 7 months of the term. Like option 2, this would have cost taxpayers \$50,000 while leaving District 4 residents without representation for a total of 8 months.

I am a fierce advocate for voters’ rights. As noted by the P-E, I supported the recent successful campaign to have the school district board vacancy filled by election and not appointment.

So why would I vote to fill a Council vacancy by appointment in lieu of an election?

The answer is representation. The residents of City Council District 4 deserve consistent representation now and should not have to wait until April of 2014.

How is a decision to appoint to fill a City Council vacancy different than doing so for a school board seat?

Council Members represent Districts; more than 39,000 of our residents had no Council representative during the vacancy. School board members are elected at-large, serving all residents. A vacancy on the school board does not leave anyone unrepresented.

District 4 has interests and issues that are different than other areas, including the recent siting of large, job-producing businesses within the area. These residents deserve to have a Council representative now...someone who lives in their neighborhood and is familiar with the qualities that make the southern part of our City unique.

Lastly, while I applaud the P-E advocating for “a credible unbiased selection process,” the paper doesn’t have a strong track record for understanding our voters. The paper consistently endorses candidates who are subsequently rejected by Moreno Valley residents....in the last two elections alone the P-E’s endorsed candidates were 0 for 5. They couldn’t be more out of touch with our community.

It’s time to get on with business in MoVal, and I stand by my vote to fill the vacant 4th District seat.

Good afternoon,

Attached you will find the award nomination for MVPD Deputy Richard Dixon. The annual Trauma Intervention Program "Heroes with Heart, Top Cop" award was created in memory of fallen Riverside County Deputy Sheriff Kent Hintergardt. Deputy Hintergardt was murdered in the line of duty while handling a domestic dispute in May 1993. The award is given to a law enforcement officer who has gone beyond the call of duty and shown extraordinary care and compassion for citizens in crisis. I am extremely proud to inform you that Moreno Valley SET Gang Deputy Richard Dixon has been selected as the 11th annual recipient of this prestigious award. I will work with Kandace to get this on the special presentation calendar for an upcoming council meeting.

MVPD has the honor of displaying the perpetual trophy for the next year. Please take a moment to read the compelling award nomination attached.

Thanks,

Joel

RECEIVED

OCT 24 2013

CITY OF MORENO VALLEY
Planning Division

To : City of Moreno Valley , Planning Commission

Date 10-23-2013

From: Roy Bleckert

Subject: PA 13-0002 PM 36522

P12-051 Master Plan

Dear Planning Commissioners

I would appreciate your consideration of my concerns of the above titled project

Background

I own the property directly east of the Church @ 25183 Cottonwood Ave Moreno Valley Ca. & have been on the property since 1979 & this Property has been used since the 40's to present as a Material, Construction , Research & Development & other Commercial /Industrial uses

Concerns

I have many concerns with the above project including but not limited to Parking issues , Flooding Problems , Environmental Impact , Land Merger , Easterly Block Wall ,Stock piling of dirt, Community Safety, Good & Sensible Planning

Parking

For the past 20 years as The Church Parish has grown the parking issue on Sundays has been increasing at a great amount every year, to the point of almost doubling the parking that was required when the latest sanctuary building was built 30 years ago

321 parking spaces were adequate when the sanctuary was built with a capacity of 964 assembly as was used for the specs for determining parking spaces using the old standard as submitted in the plans

This is very inadequate for what is being used today (pics A-F)

It would appear the sanctuary has been modified from when it was built because my observation on site @ 10-20-13 (att AA) that there were approx. 2,045 parishioners @ the 12 p.m. service 1845 in sanctuary with all the pews filled salon 13 & 15 plus people standing in the halls & doorways (pics G) 150 parishioners in the parish hall pics G, H (which is not to be in use when the sanctuary is in use per City Planner Julia)

Using good planning per www.frugalmom.com you should average 3 weeks' worth of cars to determine parking spaces required , doing this the last 3 weeks I came up with 679 cars average & this squares

MV00254591

with the 2,045 people in attendance if you use the city standard of 1 parking spot for every 3 in attendance per current City Standard .

It is my understanding that if you modify, expand, alter the Sanctuary Building it will be required to the new code, it would appear that the Sanctuary building was modified as the old specs were 964 capacity to holding 1,845 parishioners now , also the existing Sanctuary is 18,577 s.f (att CC) In Phase 1 the Sanctuary is expanding to 18,920 s.f , these are two potential actions that would cause the Sanctuary building to be required to meet the new code

If you use Moreno Valley Municipal Code based just off of current usage of the Sanctuary @ 1,845 parishioners (att AA) 614 Parking spaces would be required just for the Sanctuary building which would still be short of the average Sunday usage & considering they are using the parking from 6 a.m to 7p.m. with 6 services a day there is a high demand for parking

This does not factor in the parish building which is being used currently by closed circuit T.V. broadcasting the Sanctuary Building services to handle the over flow crowd.

Per current usage the Parish building is not to be used currently but is and they are going to build a new parish building twice as big and not use it per special condition p.10 ? (att EE)

In my view this does not pass the logic or common sense test

Parking Impact

Per this plan there is a Big potential adverse impact per development plans submitted, as soon as phase 1 is started to completion of the project, it throws approx. 200 cars to offsite parking as shown in (attFF)

Per Resolution 2012-95 St Christopher parking permit vandalism, trash among other things were caused by offsite parking of approx 40 cars , this plan would put approx. 200 cars to offsite parking would this not cause a 5 times greater problem?

Also not withstanding the legality of parking (to my understanding is illegal) in the dirt lot across the street it raises safety concerns people crossing in the middle of Cottonwood Ave all day (pic I)

Environmental Impact

How the removal of the tanks is at issue especially since this is a proposed school site & schools nearby (pic J,K,L)

Holes shown in the grading plan and what might have been dumped in them could pose a hazard

Easterly Block Wall

The 400 feet of Required Block wall to be built in phase 4 . should be moved to phase 1

The Church from about the time they bought the most easterly property in 2008 until about 4 months ago used that property as a Construction/Contractor yard (pics M,N) that provided a screening off church usage which is not compatible with Current usage of my property , plus it will shift cars further eastward more likely to cause conflict's

My reading of the plans the retention basin design with the way it is @ free board line water could flow into my property which per JMS existing drainage pattern it does not do presently (att HH)

To minimize conflicts and keep established drainage it would be in the best interest to put all of the required block wall in phase 1

Lot Merger

Since the easterly church parcel was used up until approx 4 months ago as a construction/contractor yard merging the parcels as a church use does not make sense as being a church usage

My reading of MV , Municipal code 9.14.080 b talks about divisions & phasing & how this qualifies for phasing as this is a merger per M.C. 9.14.170 & Ca subdivision act 66423, 66424 defines subdivision & subdivider as division of lots not merger as I read it

Stock Piling of Dirt

If the project is done in phases a substantial portion of the approximately 7,000 c,y of dirt in the retention will have to be stock piled or hauled offsite , a special condition needs to be put in that only allows stock piling of dirt for 30 days

Conclusion

This project fails on all the above accounts in my view to the Letter or Intent of the Law, Good planning practices, being good neighbors & having a cohesive community & if we do not correct things such as parking issues etc, at this time & allow expansion on top that , are we not compounding the adverse impact on the community ?

Respectfully submitted
Roy Bleckert

- P4. The developer, or the developer's successor-in-interest, shall be responsible for maintaining any undeveloped portion of the site in a manner that provides for the control of weeds, erosion and dust. (MC 9.02.030)
- P5. All landscaped areas shall be maintained in a healthy and thriving condition, free from weeds, trash and debris. (MC 9.02.030)
- P6. Any signs indicated on the submitted plans are not included with this approval. Any signs, whether permanent (e.g. wall, monument) or temporary (e.g. banner, flag), proposed for this development shall be designed in conformance with the sign provisions of the Development Code or approved sign program, if applicable, and shall require separate application and approval by the Planning Division. **No signs are permitted in the public right of way.** (MC 9.12)
- P7. (GP) All site plans, grading plans, landscape and irrigation plans, fence/wall plans, lighting plans and street improvement plans shall be coordinated for consistency with this approval.

Special Conditions

- P8. The site has been approved for a Master Site Plan for the existing and future uses of the church site and a Tentative Parcel Map 36522 to combine all five parcels into one parcel for the existing church facility. A change or modification shall require separate approval.
- P9. The church will be utilizing the existing buildings as offices, meeting rooms and classrooms. This use is in conjunction with the church and does not to include regular elementary, middle, high or college school activities. (A separate conditional use permit is required for private schools).
- P10. Church services and assembly meetings may be held in only one building at a time to ensure adequate parking.
- P11. The existing building on the south east portion of the site shall be used for storage purposes only. Any assembly use is prohibited.

Report to City Council

TO: Mayor and City Council

FROM: Ahmad R. Ansari, Public Works Director/City Engineer

AGENDA DATE: November 27, 2012

TITLE: ADOPT RESOLUTION NO. 2012-95 IMPLEMENTING PERMIT PARKING FOR THE RESIDENTS OF ST. CHRISTOPHER LANE ON SATURDAYS AND SUNDAYS.

RECOMMENDED ACTION

Approve and adopt Resolution No. 2012-95 direct staff to implement permit parking on St. Christopher Lane.

ADVISORY BOARD/COMMISSION RECOMMENDATION

A public hearing was conducted at the Traffic Safety Commission (TSC) meeting on November 7, 2012. The Commissioners unanimously approved staff's recommendation to implement permit parking on St. Christopher Lane (6-0-0 approval).

BACKGROUND

The City's permit parking program was established by ordinance in 2007. Typically, permit parking requests come from residents that are impacted by high schools, colleges, parks, and other uses that generate a large amount of off-site parking. The residents along St. Christopher Lane are being impacted by St. Christopher Church parishioners.

Residents have complained about their driveways being blocked, mailboxes being damaged, and trash being left behind. In response to this, the residents submitted a petition to the Public Works Department requesting implementation of permit parking in front of their residences. Implementing permit parking will allow residents to maintain parking for guests, have uninterrupted access to their homes, and have parking space available for contractors/maintenance vehicles when service is needed.

[Title 9 PLANNING AND ZONING](#)
[Chapter 9.14 LAND DIVISIONS](#)

9.14.080 General regulations.**A. Revised Tentative Maps.**

1. Any revised tentative map shall comply with all of the provisions of the Subdivision Map Act and this chapter in effect at the time the revised map is approved.

2. Proceedings on a revised tentative map shall be conducted in the same manner as for the original approval of a tentative map, except those procedures that are not applicable. The approval or conditional approval of a revised tentative map shall annul approval of the previous tentative map, but the approval thereof shall not extend the time within which the final map may be filed.

B. Division into Phases.

1. Multiple final maps relating to an approved or conditionally approved tentative map may be filed prior to the expiration of the tentative map provided:

- a. The subdivider, at the time the tentative map is filed, informs the city of his intent to file multiple final maps on such tentative map; or
- b. After filing of the tentative map, the city and subdivider concur in the filing of multiple final maps.

2. No phased map shall be approved unless it is complete and in compliance with all of the provisions of this title, including fire protection, flood control, traffic circulation, access and environmental considerations, and with all conditions of approval of the tentative tract, and specifically approved by the planning commission.

3. The phase will be identified by the approved tentative map number with a dash number designating such unit. The unit number shall be obtained from the city engineer upon payment of the fee specified by the city council. Units shall be recorded in the order as indicated by the unit number. The last unit within a tentative map to be recorded will not bear a unit number.

4. No more than three unrecorded phase numbers may be issued or be effective on a tentative map at any time, unless otherwise approved by the planning commission during a public hearing.

5. The right of the subdivider to file multiple final maps shall not limit the authority of the city to impose reasonable conditions relating to the filing of multiple final maps.

C. Expiration of Approved Tentative Maps and Vesting Tentative Maps: Extension of Time.

1. **Tentative Subdivision Maps.** An approved or conditionally approved tentative subdivision map shall expire thirty-six (36) months after such approval unless within that period of time a completed final map meeting all applicable conditions of approval shall have been filed with the city engineer for completion of processing, approving and recording. Prior to the expiration date, the land divider may apply in writing for an extension of time. Each application shall be made to the community development director no more than sixty (60) days prior to the expiration date of the tentative map and shall be accompanied by the fee set by the city council.

2. **Tentative Parcel Maps.** Expiration of approved or conditionally approved tentative parcel maps shall be subject to the same provisions specified for tentative subdivision maps under subsection (C)(1) of this section.

3. An extension of time shall not be granted unless: all incurred city fees have been paid; the land division conforms to the general plan; the land division is consistent with existing zoning and with applicable improvement standards; and the land division will not be detrimental to the public health, safety and welfare.

This provision shall not necessarily be construed to prohibit approval of an extension of time for a land division that is nonconforming with respect to the design of lots or cul-de-sac streets.

4. Vesting Tentative Maps. A vesting tentative map shall be subject to the same expiration and extension of time provisions as a tentative map; provided, however, that on recordation of a final map, the rights conferred on a vesting tentative map shall be as specified under Section 9.14.060(B)(6)(a) of this chapter.

5. If the subdivider is required to construct, improve or finance the construction or improvement of public improvements outside the boundaries of the tentative map, and the cost of improvements is equal to or exceeds the dollar amount, as specified in the current edition of the state Subdivision Map Act, each filing of a final map, as specified in Section 9.14.090 of this chapter, shall extend the expiration of the approved or conditionally approved tentative map by thirty-six (36) months from the date of its expiration or the date of the previously filed final map, whichever is later. The extension shall not extend the tentative map more than ten (10) years from its approval or conditional approval. For the purposes of this section, the number of phased final maps which may be filed shall be determined by the advisory agency at the time of the approval or conditional approval of the tentative map.

6. Extensions of Time for Maps Affected by Moratoriums and Lawsuits. The period of time specified in subsections (C)(4) and (C)(5) of this section shall not include any period of time during which a development moratorium, imposed after approval of the tentative map, is in existence; provided, however, that the length of the moratorium does not exceed five years. Once a moratorium is terminated, the map shall be valid for the same period of time as was left to run on the map at the time that the moratorium was imposed. However, if the remaining time is less than one hundred twenty (120) days, the map shall be valid for one hundred twenty (120) days following the termination of such moratorium. A development moratorium shall include a water and/or sewer moratorium as well as other actions of public agencies which regulate land use, development, or the provisions of services to the land, other than the city which thereafter prevents, prohibits or delays the approval of a final or a parcel map. A development moratorium shall also be deemed to exist for those reasons set forth in the Subdivision Map Act.

7. a. The period of time specified in subsections (C)(1) and (C)(2) of this section shall not include the period of time during which a lawsuit involving the approval or conditional approval of the tentative map is or was pending in a court of competent jurisdiction if the stay of the time period is approved by the planning commission pursuant to this subsection. After service of the initial petition or complaint in the lawsuit upon the city, the subdivider may apply to the community development department for a stay pursuant to this section.

b. Applications for a stay shall be made to the community development director on the forms provided by the community development department and shall be accompanied by the filing fee set by the city council and shall include such information and documents as may be required by the community development director.

c. The community development director shall forward to the planning commission a recommendation for approval or denial of the request for a stay. The planning commission shall act on the requested stay within forty (40) days after the application is received by the community development director. The decision of the planning commission shall be forwarded to the city clerk. The decision of the planning commission shall be final unless the decision is appealed to the city council or the city council or any councilmember elects to hear the matter after the notice of decision appears on the agenda. Any appeal must be filed with the city clerk accompanied by the fee set by the city council within ten (10) days of the date the notice of decision appears on the city council agenda. (Ord. 694 § 1.1 (part), 2005; Ord. 488 § 1.3, 1996; Ord. 475 § 1.4 (part), 1995; Ord. 402 § 1.7, 1993; Ord. 386 § 1.30, 1993; Ord. 359, 1992)

66419.

- (a) "Improvement" refers to any street work and utilities to be installed, or agreed to be installed, by the subdivider on the land to be used for public or private streets, highways, ways, and easements, as are necessary for the general use of the lot owners in the subdivision and local neighborhood traffic and drainage needs as a condition precedent to the approval and acceptance of the final map thereof.
- (b) "Improvement" also refers to any other specific improvements or types of improvements, the installation of which, either by the subdivider, by public agencies, by private utilities, by any other entity approved by the local agency, or by a combination thereof, is necessary to ensure consistency with, or implementation of, the general plan or any applicable specific plan.

66420. "Local agency" means a city, county or city and county.

66421. "Local ordinance" refers to a local ordinance regulating the design and improvement of subdivisions, enacted by the legislative body of any local agency under the provisions of this division or any prior statute, regulating the design and improvements of subdivisions, insofar as the provisions of the ordinance are consistent with and not in conflict with the provisions of this division.

66422. "Certificate of exception" means a valid authorization to subdivide land, issued by the County of Los Angeles pursuant to an ordinance thereof, adopted between September 22, 1967, and March 4, 1972, and which at the time of issuance did not conflict with this division or any statutory predecessor thereof.

66423. "Subdivider" means a person, firm, corporation, partnership or association who proposes to divide, divides or causes to be divided real property into a subdivision for himself or for others except that employees and consultants of such persons or entities, acting in such capacity, are not "subdividers."

66424. "Subdivision" means the division, by any subdivider, of any unit or units of improved or unimproved land, or any portion thereof, shown on the latest equalized county assessment roll as a unit or as contiguous units, for the purpose of sale, lease or financing, whether immediate or future. Property shall be considered as contiguous units, even if it is separated by roads, streets, utility easement or railroad rights-of-way. "Subdivision" includes a condominium project, as defined in subdivision (f) of Section 1351 of the Civil Code, a community apartment project, as defined in subdivision (d) of Section 1351 of the Civil Code, or the conversion of five or more existing dwelling units to a stock cooperative, as defined in subdivision (m) of Section 1351 of the Civil Code.

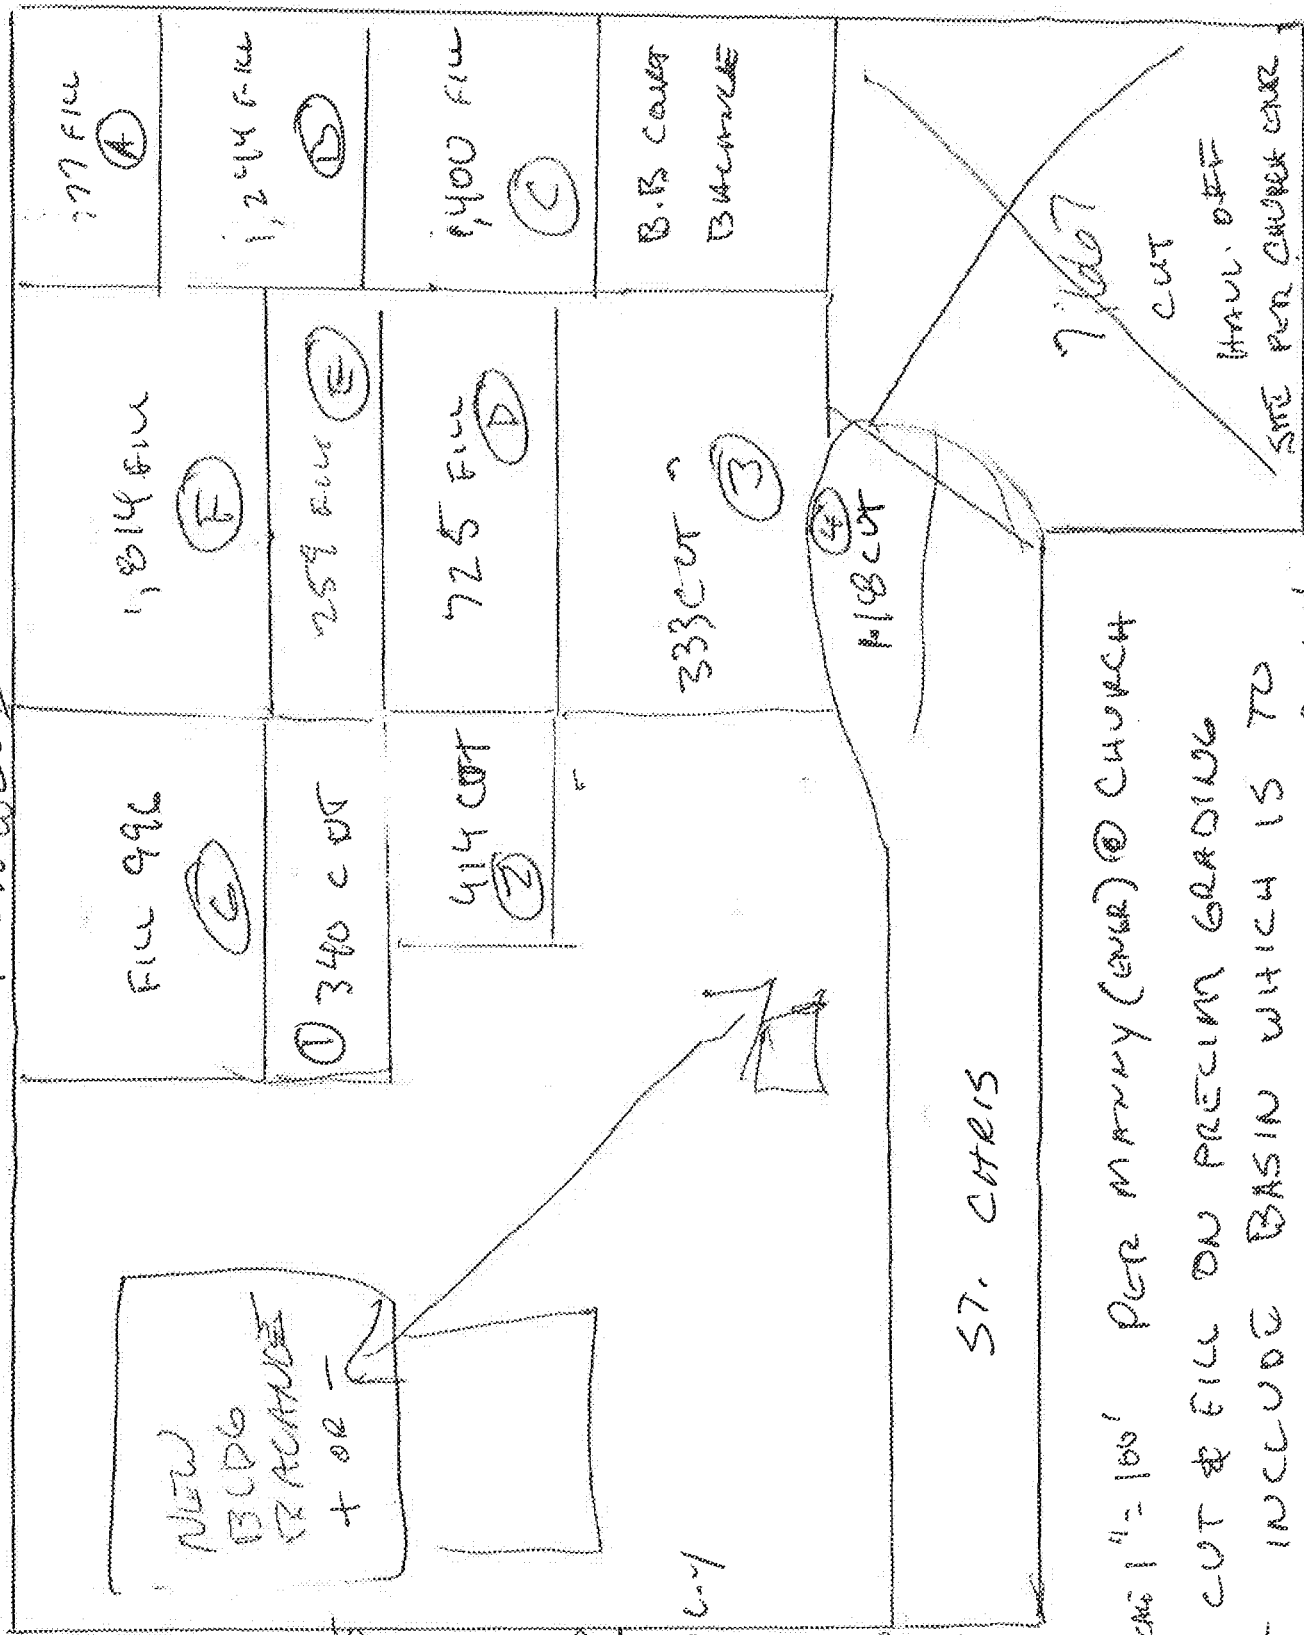

APARTMENTS
CONDOS

66424.1. Nothing in Section 66424 shall prevent a purchaser of a unit of land created under the provisions of this division or a local ordinance enacted pursuant thereto, from subdividing the land one or more times, pursuant to the provisions of this division prior to the time that an equalized county assessment roll has been completed reflecting the creation of the unit proposed to be subdivided. Nothing contained in this chapter shall prevent the same subdivider of a unit of land created under the provisions of this division, or a local ordinance enacted pursuant thereto, from making consecutive subdivisions of the same parcel or any portion thereof. Further, local agencies shall not, by ordinance or policy, prohibit consecutive subdivision of the

Moreno Valley, CA 92553

RE: Case Number: C13-02887

The Code and Neighborhood Services Division is concerned for the health, safety, and general welfare of the residents, businesses and properties in the city. Recently, this office received information that the condition of your property located at 25141 COTTONWOOD AVE may constitute a violation of the Moreno Valley Municipal Code regarding property containing ENCROACHMENT OF PUBLIC RIGHT-OF-WAY .

If the alleged condition does exist, we ask that you take corrective action as quickly as possible to remove or eliminate the above referenced violation(s). Please note that according to Moreno Valley Municipal Code Section 6.04, every property owner within the City is required to maintain their property in a safe and nuisance free manner. Please contact this office when appropriate corrective measures have been taken so that we may close our case on this matter.

Please notify this office if you feel this complaint has been filed in error, or if the alleged conditions do not exist. Kindly refer to the case number listed above for proper handling. ***If we do not receive a response from you within 14 days, a site inspection will be scheduled to determine if further enforcement action may be necessary.***

Thank you for your prompt attention to this matter. Your anticipated cooperation and community spirit is appreciated to help protect property values and to preserve neighborhood integrity. If you have any questions regarding this letter, please contact our office at (951) 413-3340.

Sincerely,

Code and Neighborhood Services

Code and Neighborhood Services Division Mission Statement

The Code and Neighborhood Services Division is responsible for the enforcement of Code, related to neighborhood nuisances, health and safety, sub-standard housing, vehicle abatement, zoning/land use, illegal signs, parking control, weed abatement, business licenses and graffiti restitution.

AGENDA DATE: November 27, 2012

TITLE: ADOPT RESOLUTION NO. 2012-95 IMPLEMENTING PERMIT PARKING FOR THE RESIDENTS OF ST. CHRISTOPHER LANE ON SATURDAYS AND SUNDAYS.

RECOMMENDED ACTION

Approve and adopt Resolution No. 2012-95 direct staff to implement permit parking on St. Christopher Lane.

ADVISORY BOARD/COMMISSION RECOMMENDATION

A public hearing was conducted at the Traffic Safety Commission (TSC) meeting on November 7, 2012. The Commissioners unanimously approved staff's recommendation to implement permit parking on St. Christopher Lane (6-0-0 approval).

BACKGROUND

The City's permit parking program was established by ordinance in 2007. Typically, permit parking requests come from residents that are impacted by high schools, colleges, parks, and other uses that generate a large amount of off-site parking. The residents along St. Christopher Lane are being impacted by St. Christopher Church parishioners.

Residents have complained about their driveways being blocked, mailboxes being damaged, and trash being left behind. In response to this, the residents submitted a petition to the Public Works Department requesting implementation of permit parking in front of their residences. Implementing permit parking will allow residents to maintain parking for guests, have uninterrupted access to their homes, and have parking space available for contractors/maintenance vehicles when service is needed.

Subject: Update

Good afternoon,

Here is a recap/update of all the cases we have in progress related to the recall effort:

- MV132040186 – Allegation that an adult male vandalized a car belonging to an adult female. The case has been submitted to the DA. As of 10-23-13, the case is still under review and charges have not yet been filed.
- MV132040209 – Allegation that an adult female was involved in the theft of anti-recall signs – same incident that spawned the alleged vandalism listed above. Elements of the alleged crime do not exist, DDA agrees the allegation is unfounded and no charges will be filed.
- MV132490077- Allegation that unknown suspect(s) stole or vandalized more than 100 signs around the city. Citywide camera system did capture footage of 3 incidents, but the video was not sufficient to make an identification of the suspect. This case is currently suspended for lack of suspect information.
- MV132490171 – Allegation that an adult male and an adult female stole three anti-recall signs. Photos were taken of the suspects and their vehicle by witnesses. Case submitted to the DA who filed 3 counts of theft against the suspects; arraignment is scheduled for 11-08-13.
- MV132850106 – Allegation that an adult male battered an adult female and stole her purse during a public meeting at a local school site. This investigation is continuing. There were numerous people present and interviews are still being conducted to obtain all available witness statements.

Subject: WCNTF activity

Good afternoon,

On 10-23-13, the West County Narcotics Task Force (WCNTF) served a search warrant at a residence in the 23000 block of Hemlock reference the sale of methamphetamine. During service of the warrant, officers seized several grams of methamphetamine and evidence indicating that sales of meth were occurring from the residence. The suspect, probationer Eddie Thompson (37) was arrested and booked into RPDC on charges of possessing methamphetamine for sale and probation violation.

Subject: SWAT search warrant

Good afternoon,

On September 5, 2013, MVPD Patrol and SET deputies investigated a gang-related attempted murder in the area of Gentian and Lasselle. This shooting was later determined to be one of the catalysts that ultimately led to the murder of 6 year-old Tiana Ricks. SET deputies continued the investigation into this case and ultimately identified two suspects. Through extensive investigation, they tracked one of the suspects to an apartment in the city of Riverside. The SET Team conducted extensive surveillance on the apartment to determine if the second suspect was also hiding out in the apartment. Eventually, they confirmed that both suspects in the attempted murder were holed up in the apartment. Because of their obvious propensity for violence and the belief that they were armed, the decision was made to have the Sheriff's SWAT Team serve a search warrant on the apartment.

This morning about 4:30 AM, the Special Enforcement Bureau- SWAT Team served the warrant on the apartment in the 6500 block of Doolittle Avenue in Riverside. After a brief standoff and the use of two flash-bang devices, the suspects surrendered to deputies and were taken into custody without incident. A search of the apartment by SET Team members revealed several grams of methamphetamine and more than 100 prescription pain pills.

The suspects are identified as follows:

Monte Walker (20) - Booked for attempted murder, possession of methamphetamine for sales, and gang enhancements

Jeron Hall (18) - Booked for conspiracy/attempted murder, possession of methamphetamine for sales, and gang enhancements

Leonard Harbor – (19) Booked for possession of prescription pain meds without a prescription, conspiracy, and gang enhancements

The investigation is ongoing, but today's events help bring the case much closer to conclusion.

Subject: FW: Town Hall meeting

Mayor, Mayor Pro Tem, and Members of the City Council: Please see the following information from Chief Ontiveros regarding a Town Hall meeting he and Chief Knutson will be participating in on Monday evening. Joel indicated that the scheduling of this comes as an outcome of a meeting that Sheriffs Administration had requested with the parties mentioned below. He also indicated that the subject of the community meeting will be Sheriffs' policies and practices and not specific to any particular incident; the goal is to focus on police-community relations. Joel said that the Council is welcome to attend and, if this format works well, they will do more of these in the community (perhaps we can schedule one in each Council District, for example). I plan to attend on Monday.

(Note that Joel said the P-E posted something re: this event online and got it wrong by calling it a press conference; that has since been corrected.)

Subject: Town Hall meeting

Good morning Michelle,

During our meeting with Dr. Fleming and Woodie Rucker-Hughes, the idea of conducting a town hall meeting was discussed. The concept is to give concerned community members the opportunity to pose questions about Sheriff's Department policies, responses to calls for service, etc... in the wake of the recent in-custody death on Hemlock. Chief Knudson and I readily agreed to participate in such a town hall meeting if Dr. Fleming would be willing to set one or more up. Dr. Fleming is directly involved with the Johnson family and agreed to serve as a go-between for us.

In light of the press release by the family's attorney yesterday and the pending litigation, the idea of a town hall meeting was in question. After discussions with our legal advisors, we decided to go forward with the planned meeting if Dr. Fleming could arrange it. Dr. Fleming called this morning and advised the meeting is set for Monday October 28, 2013 at 6:00 PM. It will be held at Cross Word Christian Church with the assistance of Bishop Lacy Sykes.

Woodie Rucker-Hughes, president of the Riverside chapter of the NAACP, Dr. Fleming, and Pastor Ted Collins of the Cops and Clergy Network will also be present for the meeting. Woodie is adamant that this meeting will not devolve into chaos. The current plan is to have a professor from UCR moderate the meeting. Dr. Fleming could not provide her full name, but indicated her first name is Carol and she is affiliated with UC Riverside.

Attendees will be given 3 x 5 cards on which they will write questions that will be posed to us. Dr. Fleming indicated that the questions will likely center around department policies, how we respond to calls for service, and DUI driving. Chief Knudson and I will respond to all the questions we can answer, but we will not be providing any information directly related to the in-custody death beyond what has already been released to the news media.

As I mentioned on Monday, Chief Knudson and I also offered to meet with the Johnson family if they were interested in speaking to us privately. As of this morning, Dr. Fleming indicated the family does not appear to be interested in such a meeting, but she will check again. I will keep you updated on the progress of that proposed meeting as well.

MV00254657

See you at E-Team!

Subject: Robbery - update/arrest

Good evening,

On December 17, 2012 a lone suspect entered the Moreno Valley Mall wearing a ski mask and carrying an axe. He entered Kay Jewelers and used the axe to smash a display case. He grabbed more than \$12,000 worth of jewelry and fled on foot to a vehicle waiting on the 60 freeway. The suspect escaped, but left the axe and ski mask behind.

On October 17, 2013 the Robbery Suppression Team (RST) received DNA results from evidence gathered at the scene of the crime. Those results identified a suspect who lives in Moreno Valley.

RST set up surveillance on the suspect's residence in the 13000 block of Persimmon Road. Today, RST officers saw the suspect, Kevin Williams (25), leave his residence with an adult female. A vehicle stop was conducted and the suspect was detained. The female, the suspect's girlfriend, was found to be wearing one of the three rings stolen during the Kay Jeweler's robbery.

Investigation revealed the female was not involved in the robbery and she was later released. Search warrants were served on the suspect's car and residence.

The suspect was booked into RPDC on a charge of robbery and a bail enhancement was requested, raising his bail to \$100,000. We are very encouraged by this rapid turnaround on DNA evidence.

Well, this does explain why Tom Owings is so intent on keeping Richard Stewart out of the loop. Seems fishy to me. Isn't this how Law Enforcement works? Take somebody you have something on and get them to turn on the others in exchange for immunity. I don't know, but I'm just saying.....

Error! Filename not specified.

MORENO VALLEY: Investigation spreads to City Hall documents; Stewart says he is 'not a target'

www.pe.com

Councilman Richard Stewart says he is no longer a target of the federal corruption investigation, while agents have subpoenaed some

<http://www.pe.com/opinion/editorials-headlines/20130925-editorial-explain-hubristic-appointment-to-moreno-valley-council.ece>

Meli Van Natta · Top Commenter · Owner/Broker at Rancho Belago Realty

I have been taking a "wait and see" position regarding the actions of this Council, urging restraint until the investigations were completed, but this action really strains my resolve. To deny one Council Member's right to participate in the process is unconscionable, and will do more to further the recall effort than anything the petitioners could have done themselves.

October 7

Having written on this subject before, I remain convinced that there MUST have been some prior discussion or agreement on the appointment of Mr. Gutierrez. It would strain credibility for it to have happened any other way. Mayor Owings is not the type of person to blindly agree with Mrs. Baca's choice of a candidate absent any prior knowledge. However, it is very likely that, knowing the rules of the Brown Act, those were the only two people who discussed the appointment of Mr. Gutierrez in advance of the meeting, feeling that it was not likely that Mr. Molina would vote against them. As I have said before, the APPEARANCE of impropriety is to be avoided when one's integrity is already being questioned.

<https://www.facebook.com/askmeli>

Meli Van Natta @askmeli 10 Oct

@SuzanneHurt I hope Jesse Molina starts using his own mind instead of going along with Owings and Baca on everything.

<https://twitter.com/askmeli>

Meli Van Natta But if only Baca and Owings are recalled? Molina and Gutierrez were both supported by Baca, would they choose another of her friends? And two against one, would they outvote Stewart? Or would they, out of an abundance of caution, choose someone less controversial? Tune in next week for the next installment of "As the Council Churns."

Subject: Pit Bull attack with injuries

Good morning,

Today about 7:34 AM, officers were flagged down in the area of Kitching and Cottonwood reference a Pit Bull attack on a child. An 8 year-old girl was walking alone to Moreno Elementary School at 24700 Cottonwood when she was attacked by 4 loose pit bull dogs. She suffered multiple injuries that do not appear to be life-threatening. She was transported to RCRMC for treatment. Moreno Valley Animal Control responded to a call from officials at Moreno Elementary School concerning 4 loose pit bulls on campus. The Animal Control officer was able to capture 3 of the 4 dogs. Investigation revealed the dogs are owned by a family who lives in the 27000 block of Cottonwood. ACO and the investigating officer will attempt to locate/detain the 4th dog and contact the owner. The dogs will be quarantined. The investigation is ongoing and I will keep you updated.

Subject: Sheriff's Academy Graduation - Invitation

Good afternoon,

The graduation ceremony for the Sheriff's Basic Academy Class 191 will be held on November 21, 2013 at 6:00 PM. The ceremony will be held at The Grove Community Church located at 19900 Grove Community Dr., Riverside, CA 92508.

I'd like to invite you to attend this special event and watch as newly minted peace officers are sworn in. The ceremonies are impressive and reflective of the sacrifices made by both the academy recruits and their families during six months of arduous training. Recruits from several agencies will receive their badge of office during the ceremony. Hundreds of family members and supporters will be present, but don't worry, there is plenty of seating available. I look forward to seeing you there!

Subject: Non-injury collision with road closure

Good morning,

About 4:45 AM, Officers responded to a single vehicle collision on Heacock X Myers. The driver of a 1992 BMW fell asleep at the wheel while driving southbound on Heacock. The vehicle drifted across northbound lanes and onto the sidewalk where it struck a concrete street light pole. The light pole basically disintegrated, spraying concrete chunks all over the northbound lanes of Heacock. The vehicle also sheared off a street marker sign.

The vehicle was badly damaged, but the driver was very lucky and was not injured. The northbound lanes were covered with concrete and had to be closed to traffic until City Roads cleaned up the debris.

Edison is responding to replace the street light pole. The northbound lanes from Eucalyptus were closed until about 7:00 AM. Neither alcohol nor drugs appear to be a factor in this collision.

Subject: DUI collision with injuries - road closure

Good morning,

Officers just responded to an injury collision on eastbound Cactus between Elsworth and Veterans Way. On arrival, they located two badly damaged vehicles occupied by a total of three people. The victim vehicle was occupied by two females. The suspect vehicle was occupied by one 21 year-old male adult.

Preliminary investigation reveals the male driver was driving eastbound on Cactus when he collided into the rear end of the victim vehicle. The victim vehicle apparently was forced into the center median and may have rolled over one or more times. The victims sustained what appears to be non-life threatening injuries and were transported to RCRMC for treatment. The suspect was not significantly injured, but his preliminary blood alcohol content appears to be in excess of 0.15%, or almost twice the limit of 0.08%.

The eastbound lanes of Cactus are closed from Elsworth to Veterans and will remain closed for about another 60 to 90 minutes while the scene is processed. The suspect was purportedly celebrating his 21st birthday prior to the collision. He will be booked into RPDC on felony DUI charges as soon as he is medically cleared for booking.

Greetings Ms. Cindy Miller!

The Alta Vista Public Charter Awards Program schedule for October 17,2013 has been canceled/postponed. We are not prepared to have the Awards program at this time. Our site will be moving soon to a new location in January of 2014, I will contact you when we have settled in at our new location to see if Mayor Owings and Council Member Baca, are available to come speak to our students and parents. Thank you for your time and consideration.

Respectfully,

Shellie Dansby

Subject: Prostitution Operation - Sunnymead Blvd.

Good afternoon,

The MVPD POP Team, supported by the other units in the Special Teams Division, conducted a prostitution operation on 10-10-13 between the hours of 12:00 noon and 10:00 PM. Using hotel rooms donated by the Comfort Inn (23330 Sunnymead Blvd) undercover officers arrested 19 men who solicited an undercover female officer for prostitution. Two women were also arrested when they solicited an undercover male officer. Of the 21 people arrested, four attempted to barter using marijuana instead of cash as payment. They each were charged with possession with intent to furnish marijuana, a felony. A total of 5 ounces of high quality marijuana was seized. Suspects arrested reside in communities throughout Southern California, including Menifee, Perris, Riverside, Moreno Valley, Eastvale, Lake Elsinore, Tustin, Ontario, Burbank, Victorville, and Alta Loma.

The four suspects arrested for furnishing marijuana were booked into RPDC. The remaining suspects were released with a citation for solicitation of prostitution.

Subject: Residential Marijuana Cultivation - arrest

Good afternoon,

On 10-10-13 about 10:21 AM, officers responded to a residence in the 14000 block of Galvin reference a subject brandishing a firearm. On arrival, officers learned the resident was operating an illegal marijuana dispensary from his home. Officers prepared and served a search warrant on the residence, recovering over two pounds of marijuana ready for sales, 14 marijuana plants, packaging materials, and other items indicating that sales were taking place from the residence. The suspect, Shane Rott (36) admitted to selling marijuana, but claimed he did not sell for profit. City Code Enforcement responded and determined the indoor marijuana grow room needs to be corrected within 30 days or the house will be condemned. The suspect was booked into RPDC for cultivation and sales of marijuana.

> Victoria,
>
> Mr. Martin is with Black Ridge Real Estate Group. Mr. Martin stated he would like to meet with you next Monday, Tuesday or Wednesday regarding the New Hope Business Center in your district. He stated it is 16 acres, and it borders New Hope, to the west is Elsworth, and to the east is Veterans Way. Please advise if you would like me to schedule a meeting for you; and if so what dates work for you. I explained to Mr. Martin your work schedule might not work for next Monday through Wednesday.

Alicia Hornyak, MGR Commercial Real Estate [REDACTED]

Ms. Hornyak stated she has a client interested in purchasing the Cottonwood Golf Course. She previously met with former Council Member Batey, Mike McCarty, and others to discuss the golf course. I contacted Mike who advised the Cottonwood Golf Course isn't for sale; and if the golf course was sold, the Park Preservation Act would require it be replaced by a fully developed 16-acre park, which could cost millions. Mike stated Ms. Hornyak believes her client has a way to work around the Park Preservation Act.

Councilwomen Baca,

John Terell in the Planning Department gave me your contact information. Our development company is under contract to acquire a 16.1 acre parcel of land at Elsworth Street and Business Center Drive, which I am told is in your counsel district.

Our acquisition of the land and development of the property is contingent upon our being granted a zone change from "BP" to "Light Industrial" so that we can build a single (yet divisible) 370,000 square foot (approx.) distribution/warehouse building. I would like to speak with you directly to get your general opinion and advise about the proposed zone change and development of the property. As I am sure you know, we will be spending a great deal of time and money in the application process and we are just looking for a comfort level of your support and any insight you can offer to make the proposed project a success for us and the City of Moreno Valley. Please call me any time, or if you prefer, let me know the best time and phone number to reach you. I look forward to meeting you very soon.

Russell

Subject: Leadership MV - Tour Natural Gas Compressor Station
Importance: High

All,
With the support of the Chamber's Leadership Moreno Valley, Denise Bagley & Dick Heil I have been able to host many tours of our Natural Gas Compressor Station located at the east end of the Valley.

We appreciate the opportunity to educate Moreno Valley & Riverside County elected officials, business leaders, law enforcement and others on our natural gas operations infrastructure.

The Moreno Valley Compressor Station supplies natural gas to Riverside County & 94% of all of San Diego County's supply.

Our next tour is set for **Thursday, April 11 at 9:30 – 10:45 am at 14601 Virginia Street.**

We consider this particular tour even more significant with public hearings scheduled in the near future on the "World Logistics Center" land use zoning on the property surrounding our facility.

If any of you have not been to our facility or have Staff members interested in joining us please feel free to contact me or Denise Bagley, Cindy Miller.

Southern California Gas Co & San Diego Gas & Electric have been delivering clean, safe and reliable natural gas to customers for more than 140 years. They as the nation's largest natural gas distribution utility, providing service to 23.9 million consumers in more than 500 communities. The company's service territory encompasses central and Southern California, from Visalia to the Mexican border. SoCalGas & San Diego Gas & Electric are regulated subsidiaries of Sempra Energy

I look forward to seeing you on April 11 and if you have any questions please feel free to contact me.

Subject: Request

Dear Ms. Bacca:

My wife and I recently had a chance to review the DEIR for the WLC in detail. As a way of introduction, we are both long time residents of Moreno Valley and are now retired. We were both trained as physicists and have spent our careers in industry. We feel that our background allowed us to make an objective and unbiased review of the document.

To our way of thinking, the DEIR is a good document, very well organized and written. The traffic analysis was very detailed. We were especially impressed by the fact that the trip generation rate was peer reviewed in appendix T.

However, we felt that the various discussions in the DEIR make some very big conclusions on very small data samples, and that sometimes contradictory data or even a wrong data source seems to have been used. For example, the trip generation rate of 1.68 was used in the DEIR. This number is based on the recent 2012 ITE study. However, I believe that the 2011 NAIOP study made a good case for the use of the smaller number 0.99 for traffic analysis. The use of the 0.99 number would greatly reduce the estimate of truck trips which would help reduce the estimate for the impact of the WLC on traffic density. A reduced estimate for the number of truck trips should also help with the estimate of probable WLC truck trips. However, the WLC uses heavy trucks. So, which trip number should be used for air quality analysis?

We also reviewed the fiscal and economic analysis in the DEIR. We had some problems with the source data used to calculate the sales tax information. (the sourced document was a study of the behavior of office employees, not warehouse personnel). The major problem we had with this section pertained to the estimate of the number of WLC employees and the estimate of the average wage of the WLC employees. I believe that our findings in some of these areas are of definite interest to you.

We would appreciate the chance to meet with you to discuss some of these findings. I have a couple of suggestions that I feel you may be interested in.

Thank you for considering my request.

Sincerely , Hans and Barbara Wolterbeek

Good afternoon WRCOG elected officials,

Once a year, WRCOG hosts a General Assembly meeting of all its elected officials within the WRCOG subregion. This year's Business Session will be held at 1:00 p.m. on Thursday, June 13, 2013, at the Morongo Casino Resort & Spa on the 2nd Floor Ballroom, prior to the General Assembly and Leadership Address scheduled to begin at 4:00 p.m.

We are requesting your attendance at the 1:00 p.m. Business Session, even if you are not planning to stay for the evening event, in order to approve the agency's budget, appoint Executive Committee leadership positions, and approve agency Bylaws amendments. This portion of the event requires a quorum, so we kindly ask that you RSVP at your earliest convenience by simply responding to this email.

Please feel free to contact us should you have any questions.

Respectfully,

Dear Victoria :

It's with great excitement that the time has finally come for the Grand Openings for Moss Bros. Volkswagen, Moss Bros. Buick GMC and Moss Bros. Chevrolet. I would like to invite you join us for these celebrations.

We are kicking it off with the official Grand Opening ceremonies on Wednesday, July 3rd. In attendance will be the Chambers of Commerce, corporate management from Chevrolet, Buick, GMC, and Volkswagen and employees. The ribbon cutting ceremonies will begin at Moss Bros. Volkswagen at 11:15am, followed by Moss Bros. Buick GMC and Moss Bros. Chevrolet. In celebration of the openings, we will be having a catered BBQ for all those attending.

We will continue the celebration throughout the 4th of July weekend with a carnival themed atmosphere including DJ, catered BBQ, appreciation gifts for current and previous customers, activities for the kids including a bounce house and face painting- a great time for everyone in attendance.

I know how busy your schedule is and I'm hoping that you will be able to attend this great event. I have attached some fun videos of the construction process for your viewing.

MV00255024

Please let me know if you will be attending. Hope to see you there.

Sincerely,

Glenn

Subject: From Irma Flores RE: Request for Meeting from Maria Urena

Good Morning Ms. Juliene,
I spoke with Maria Urena this morning regarding a meeting being scheduled with Councilwoman Victora Baca. I understand it is tentatively scheduled for tomorrow at 3pm?

I will be attending the meeting with Ms. Urena for several reasons:
She is a board member of the Greater Riverside Hispanic Chamber (a strategic partner of our organization) and she is a minority business who has requested our assistance. We work to assist MBE's with access to capital, to market, entry into global markets and business consulting. We are assisting her business consulting.

I am also interested in sharing with Councilwoman Baca about our interest in making a brief presentation before the City Council about our services. Our office is interested in reaching out to Moreno Valley minority owned businesses to share information about our program and services.

mbda.gov/businesscenters/riverside our website on our services and criteria.

Would you be so kind as to please confirm the appointment. Yours in Service, Irma

Dear City Councilmember Baca:

My name is Micki Poole Clowney. I am the Director for the Moreno Valley College Upward Bound Math and Science (UBMS) Program. UBMS is funded through US Department of Education to work with low income, first generation high school students to strengthen students' skills in science, technology, engineering, and math (STEM).

On June 17, 2013, the Moreno Valley College Upward Bound Math and Science (UBMS) Program launched its inaugural Summer Institute. Over the past few weeks, approximately sixty students from Vista Del Lago High School have participated in this interactive summer program designed to engage students in a variety of interactive hands-on STEM activities. The Summer Institute ends on July 31, 2013.

During the summer experience, UBMS Scholars have the opportunity to work closely with faculty, industry professionals, and other community partners to learn about common core principles in math, science, and literature. Scholars also participate in student development workshops on topics such as financial literacy, college preparation, career planning, and test preparation. Each Friday, scholars participate in unique field experiences visiting the Ocean Institute, the Columbia Memorial Space Museum, and more. So far, we have taken trips to the Palm Springs Aerial Tramway and Mount San Jacinto State Park where students learned about botany, life sciences, plant pathology, and ecosystems. We also visited Lake Perris State Recreation area where students raced boats they designed and made out of cardboard.

On July 31, 2013, we are hosting a dinner and symposium to honor the UBMS Scholars and to allow them to showcase their work to families, local educators, community members, and elected officials. As one of our area's esteemed public service officials, given your passion for educating the next generation and understanding the critical need for preparing students for careers in science, technology, engineering, and math (STEM), we would be honored to have you join us that evening during the awards ceremony. The theme of the program is: ENGAGE AND EMPOWER...STEM "U" LATE YOUR MIND. The UBMS Summer Institute Symposium and Awards Program is scheduled from 6:30pm to 8:30pm in the Theater at Vista Del Lago High School.

Dinner will be served in the Commons/Multipurpose Room from 5:30pm to 6:30pm.

Dear Ms. Victoria Baca,

Hope you're enjoying a lovely summer!

I'm reaching out to extend a personal invitation to the Grand Opening of BevMo!'s newest California store in Moreno Valley at 12625 Frederick St. Suite G-2 on Friday, September 6 at 9 a.m. BevMo!'s Grand Opening celebrations are wonderful community events and usually have more than 500 people waiting in line for the doors to open. Festivities continue throughout opening day and weekend, and we're really excited for what's in store!

We would be honored if you would consider attending the grand opening the morning of 9/6 for BevMo!'s traditional ribbon cutting ceremony to kick-off opening weekend. Please let us know if you are able to join us, or if you have any questions about the event or company.

Hope to hear from you soon.

Kind regards,
Christina

Hello Mr. Owens, just writing you to let you know we need to work together on getting information to the community that normally does not get involved in politics but will sign that petition to recall the City Council of ignorance! Most of the people I talk to don't know the facts and are going on propaganda that they heard. As one gentleman said at the last City Council meeting this will set Moreno Valley back 25 years! My 2 year old granddaughter won't be able to get a job that pays over 50 thousand dollars a year if that happens! Please contact me, I have a plan!

Hello Councilmember Baca:

My name is Andrea Mitchel and I am a staff member of the California State University San Bernardino Reentry Initiative. Under contract from the California Department of Corrections and Rehabilitation (CDCR), California State University San Bernardino, and partnering agencies have been providing comprehensive programming to parolees returning to the Inland Empire from California prisons thus reducing recidivism, increasing community safety and breaking the cycle of generational incarceration.

We opened our doors in San Bernardino approximately thirty months ago and have had outstanding results. Approximately 750 parolees returning to San Bernardino have received comprehensive, evidence-based, research-driven service resulting in eighty four percent of them staying out of prison and jail. Our recidivism rate is approximately sixteen percent as compared to California's rate of sixty five percent.

Understanding that Riverside County has over 2,500 parolees, and approximately forty one percent of the county's parolees reside in Moreno Valley, we would like to meet with you to discuss how our program can benefit your community. I understand that the Moreno Valley Parole Office is in your district. We would like to help you to keep your community safe and help the parolees living in Moreno Valley to become contributing members of your community.

I have attached a document which describes our program. Might we be able to schedule a time to chat?

Thank you so much for all you do for Moreno Valley.

Cc: Jane Halstead; Juliene Clay; Ewa Lopez
Subject: Frank Contreras - [REDACTED] Rick Martinez - [REDACTED]

Frank Contreras and Rick Martinez stopped by to see if they could speak to Council Member Baca to discuss their VFW Post 547, currently located at 22616 Alessandro, and the possible relocation of their Post to the old PH Woods on Alessandro.

The two gentlemen would like to sit down and discuss the options of how to receive assistance financially from the City or organize a way to receive donations to help with the costs associated with the relocation of the Post.

They stated they are a 501(c)(9) and have many programs like the Children's Essay and the Voice of Democracy to mention a couple. For your information the two gentlemen were advised by Neighborhood Services staff that the assistance programs are no longer being funded by the State or Grants.

Mr. Contreras resides at 23306 Dewdrop Circle in District 5; Mr. Martinez resides at 11361 Mar El Street in District 3.

Chairman Busch, Vice Chairman Ashley, Commission Members,

It's that time of year again! We are starting to fund raise for our 9th annual Holiday Harvest. The way this year is flying by it will be here before you know it. Last year we served 259 residents from our shelters here at March!

Please help us raise the funds for this event that is so appreciated by our shelter residents. Also, please mark your calendars for **Sunday, November 24th** to help serve the food. We always appreciate the tremendous turn out we get from most of you on this very special day.

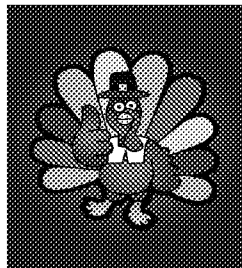

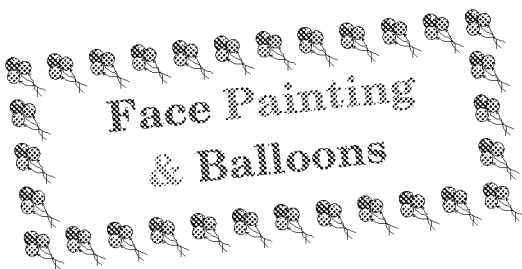

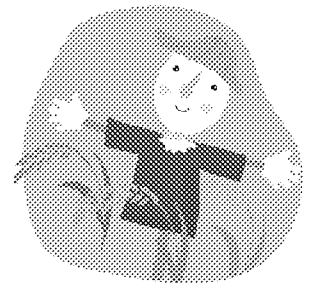

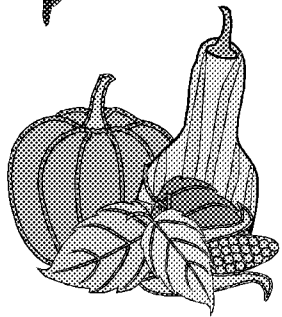

Thank you!

Lori

P.S. We need \$\$\$\$\$\$\$\$\$\$!!!!!!!

Subject: RE: Events

Yesterday afternoon, Cindy Miller and I worked on dates for the remaining council district Business & City Connecting Luncheons. The locations are not confirmed. Each date and location will be presented to each council member for their confirmation and restaurant preference. They are as follows:

District 1 - Wed. February 20th - 11:30 a.m. -- Coco's Restaurant back room or Sizzler Restaurant - eastern end of restaurant -

District 3 - Wed., March 27th - 11:30 a.m. -- Roundtable Pizza has a meeting room or Chili's using the west end of the restaurant.

District 5 - Wed., April 10, 2013 - 11:30 a.m. -- River Quai Restaurant meeting room or Joe's Italian upper area on east side of the restaurant.

I realize the locations are not ideal in all cases but we were trying to not repeat the same restaurant if possible.

Denise

Subject: Adelante and Wake-UP

Victoria:

I'm in the process of calendaring the Chambers of Commerce Adelante and Wake-Up for 2013. The council members alternate attending the meetings to present the City Update. Please advise if your work schedule will accommodate you attending the meetings. If yes, you would be calendared to attend 2-3 of each of the Chambers meetings. The schedule isn't set in stone, and if a council member cannot attend on the date they are assigned, I'll ask another council member to attend in their place.

MVHCC Adelante
1st Tuesday of each month
7 – 8:30 a.m.
Margarita's Grill
12630 Perris Blvd.

MVCC Wake-UP
4th Wednesday of each month
6:30 a.m. - breakfast
7 a.m. - 8:30 a.m. - program
Ayers Hotel, 12631 Memorial Way

Thanks,

Cindy

Unofficially, I am being told two groups of students were facing off. One group was primarily African-American, one was primarily Hispanic. One arrest so far, students dispersed back to class. No major injuries or crimes that I am aware of at this time. This is VERY preliminary information, so please do not quote me on it. I will have more accurate details later today. My understanding is that the problem occurred during first lunch period.

Incident Date/Time: 1/19/2013 9:13:00 AM

Resolution Date/Time: 1/30/2013 2:30:00 PM

Taken By: Cindy Miller

Reporting Party Information

Name: Ralph Alworth

Address: 24707 Talbot Ct

City/ST/Zip: Moreno Valley CA 92551

Hm Phone: [REDACTED]

Wk Phone:

Cell Phone:

Email: ralworth@roadrunner.com

Case Location Information

Property Owner Name:

Address: 12069 Aaron Dr #Dr

Cross Street Info:

Parcel # (if available): 481292008

Resolution Information

Code & Neighborhood Services Official Al Brady responded on January 23, 2013, at 1:30 PM.

Code Compliance staff reviewed the supporting evidence provided by Mr. Alworth regarding the parking citation issued to him on September, 19, 2013. Personnel determined that street sweeping sign was obscured by a tree. Therefore, the citation will be dismissed, and Mr. Alworth's citation payment will be refunded to him. A code case has been generated for the overgrown tree, and the property owner will be required to trim the tree to prevent further occurrences.

Staff has contacted Mr. Alworth to provide him with the results of our investigation. In addition, a record of the dismissal was sent to him via email at the address provided in this CRM (ralworth@roadrunner.com).

Case Information

Issue Category: Code & Neighborhood Services

Issue: Street Sweeping Citation

Council District: 1

City of Moreno Valley

Council Summary

Issue Description: Please investigate on behalf of Mayor Pro Tem Co, contact Mr. Alworth, and advise the outcome.

Mr. Alworth submitted a copy of a letter (attached) to Mayor Pro Tem Marcelo Co requesting street sweeping citation MV2120919023 he received on September 19, 2012, at 12069 Aaron Ct., be rescinded.

Subject: Citywide Camera System update

Good afternoon,

At the last Council meeting there was a question posed about the current status of the Citywide Camera System. As of today, 63 cameras have been installed at the following locations:

1. Ironwood and Pigeon Pass
2. Ironwood and Graham
3. Hemlock and Pigeon Pass
4. Sunnymead and Graham
5. Sunnymead and Perris
6. Frederick and Dracaea
7. Frederick and Allessandro
8. JFK and Perris
9. Old Hwy. 215 and Allessandro
10. Old Hwy. 215 and Cactus
11. Perris and Hemlock
12. Heacock and JFK
13. Perris and Nandina
14. Allessandro and Indian
15. Lassalle and Rancho Verde High School
16. Perris and Eucalyptus
17. Allessandro and Heacock
18. Heacock and Fir
19. Indian and Bay
20. Kitching and Allessandro
21. Hwy. 60 E. Perris off ramp and Sunnymead

Some of these locations still require power for the new devices, but that issue is being addressed. We hope to take delivery of the monitoring computers in the near future. The vendor indicates that installation of all cameras should be completed by early March 2013. We hope to have the system up and running by early April 2013. As soon as the system is functional, we will begin training our personnel on the use and care of the system.

Subject: Disturbance at Canyon Springs High School

Good afternoon,

Today about 12:09 PM, the School Resource Officer at Canyon Springs High School (CSHS) noticed two groups of students congregating. One group was predominantly African-American, the other was predominantly Hispanic. Based on the behavior and demeanor of these two groups, the SRO was concerned a fight was about to erupt. He called for several units to begin responding to CSHS in an effort to prevent an incident from occurring. As one back-up officer arrived, he observed a Honda Civic driving at a high rate of speed in the parking lot. The officer conducted an enforcement stop on the Honda and attempted to contact the driver. The driver, a 17 year-old male, exited the vehicle and attempted to walk away from the officer, ignoring his commands to stop. The officer caught up to the driver and attempted to detain him. The suspect resisted, but was taken into custody and placed into a patrol car.

While this arrest was taking place, a large group of students began to approach and challenge the officers. Several more officers were called to the scene and order was restored without the use of force or any additional arrests. Students returned to their classrooms and several officers were stationed on campus to make sure there were no incidents during second lunch and the remainder of the day. Classes continued and school released at the normal time with no further disturbances.

In the end analysis, it appears there were two groups of students who were already spoiling for some sort of action. When the officer made the vehicle stop and then the arrest, the students turned their attention to the officers and away from each other.

Hi Victoria:

As a start, below are the dates I was looking to calendar you to present the City Update, if you are available

Please advise

Thanks

Cindy

Subject: Adelante and Wake-UP

Victoria:

I'm in the process of calendaring the Chambers of Commerce Adelante and Wake-Up for 2013. The council members alternate attending the meetings to present the City Update. Please advise if your work schedule will accommodate you attending the meetings. If yes, you would be calendared to attend 2-3 of each of the Chambers meetings. The schedule isn't set in stone, and if a council member cannot attend on the date they are assigned, I'll ask another council member to attend in their place.

MVHCC Adelante – March 5, July 2, November 5
1st Tuesday of each month
7 – 8:30 a.m.
Margarita's Grill
12630 Perris Blvd.

MVCC Wake-UP – May 22, September 25, December 18
4th Wednesday of each month
6:30 a.m. - breakfast
7 a.m. - 8:30 a.m. - program
Ayers Hotel, 12631 Memorial Way

Thanks,

Cindy

Subject: Police Activity on Calle San Juan de los Lagos

Good afternoon,

As you may have noticed, we have a large commitment of police resources on Calle San Juan de los Lagos immediately adjacent to the Public Safety Building. This large police presence is in response to a report that a man planned to commit suicide with a firearm in the front lobby of the Bureau of Land Management office. The situation is currently unfolding and I will update you when I have further information.

Subject: incident at BLM Office

Good afternoon,

The incident involving an alleged suicidal subject at the BLM office on Calle San Juan de los Lagos has been resolved. The building was temporarily evacuated for the safety of the employees and patrons, but all have been allowed to return or leave the area as they choose. One male subject was detained and is being interviewed in connection with the alleged suicide threat. No injuries were sustained by anyone involved in the incident and BLM employees were grateful for our rapid response.

Subject: Residential evacuations - Hazardous Device Team callout

Good evening,

Today about 2:00 PM, officers were called to a residence in the 14100 block of Galvin Court reference a found explosive device. The item was described as a "missile head" about 11 inches long. Several residences surrounding the home were evacuated as a precaution. The Sheriff's Hazardous Device Team responded to the scene, determined the item was inert, and took it for disposal. All residents were allowed to return to their homes as soon as the investigation was completed.

Subject: Attempted murder

Good evening,

I was just given very preliminary information on an attempted murder we are actively investigating. This incident occurred in Reche Canyon, but I do not have the specific location yet.

Initial information indicates a 77 year-old woman was attacked by her 25 year-old grandson. During the attack, the victim sustained blunt force trauma and burns. She was transported via LifeFlight helicopter to a San Bernardino hospital specializing in burns.

The MVPD Investigations Unit is currently handling, but the Sheriff's Central Homicide Unit has been notified due to the age of the victim and extent of her injuries.

I will keep you updated.

Subject: Sunnymead Hotel operation

Good morning,

The MVPD Special Enforcement Team conducted a surveillance and proactive enforcement operation on Sunnymead Blvd hotels last night.

Suspected drug activity was detected during surveillance at the Travel Inn. In two separate actions, four suspects were arrested for possessing and/or being under the influence of methamphetamine.

More than 7 grams of meth, two meth pipes, and a knife were seized. One of the suspects arrested was on the street thanks to AB 109. He was on "Post Release Community Supervision" or PRCS status. I encourage you all to remember the terms AB109 and PRCS as they will be used frequently in the months and years to come.

Only one of those arrested was from Moreno Valley. The others were from Bloomington, San Jacinto, and Sun City.

All 4 were booked into RPDC.

Subject: Assault with a deadly weapon- Moreno Valley High School

Good morning,

This morning officers were called to MVHS to investigate a stabbing on campus.

A 16 year-old girl stabbed and slightly injured a 16 year-old boy because he broke up with her. Campus staff detained her and recovered the knife.

The victim sustained a minor injury and the suspect was taken into custody. She will be booked into Juvenile Hall. The victim was released to his parents and the suspect's parents were notified of her arrest.

Council/Staff Workshop
Council Chamber, February 2, 2013

BREAKFAST 8:00

1. General Law v. Charter City (8:30 – 9:30)
 - Presentation of information by City Attorney
 - Discussion

2. Directly Elected Mayor (9:30 – 10:30)
 - Presentation of background information by City Attorney
 - Discussion

3. Term Limits and Campaign Finance Reform (10:30 – 11:30)
 - Presentation of information by Assistant City Manager/City Attorney
 - Discussion

BREAK 11:30—11:45

LUNCH SERVED DURING THE FOLLOWING DISCUSSION ITEMS:

4. 3-Year Economic Development Action Plan (11:45 –12:15)
 - Update provided by Henry Garcia and Barry Foster

5. Livability/Quality of Life Programming (12:15 – 12:45)
 - Presentation of concept by Henry Garcia
 - Discussion

BREAK 12:45—1:00

6. 3-Year Budget (1:00 – 2:00)
 - Presentation on Process by Rick Teichert
 - Council review and discussion of budget priorities

7. Feasibility of Revenue Measure (2:00 – 3:00)
 - Presentation of background information by Rick Teichert
 - Past successes & failures
 - Feasibility of measures: TOT/Street Lights/Public Safety
 - Next steps

8. Council Campaign Promises (3:00 – 3:30)
 - Discussion led by Mayor Owings

Council/Staff Workshop
Council Chamber, February 2, 2013

Topic: **General Law v. Charter City**

Background:

- The California Constitution authorizes the adoption of a city charter and provides that such a charter has the force and effect of state law.
- Charter cities may have plenary control over "municipal affairs."
- A charter can only be adopted, amended or repealed by a majority vote of a city's voters.
- The primary advantage of a charter is that it allows greater authority for a city's governance than that provided by state law.
- A charter city is still subject to the state's general laws on affairs that are not municipal in nature and are of statewide concern.
- For a city to reserve for itself the greatest amount of power it can when it adopts a charter, the charter must include a declaration that it is the intention of the city to avail itself of the full power provided by the state constitution to charter cities.
- See attached memorandum and chart.
- Potential Process¹:
 - Prepare a draft;
 - Input regarding the draft;
 - Conduct study on redistricting (if applicable);
 - Must hold at least two public hearings with at least 21 calendar days' notice. The second public hearing must be at least 30 days after the first hearing. At least 21 days must pass after the second public hearing before the Council can vote as to whether to place it on the ballot;
 - To place it on a ballot, Council must decide at least 95 days before the election;
 - Election;
 - Has to be filed and accepted by the Secretary of State;
 - Would go into effect on the date specified in the Charter (if the form of government were to change by the Charter, follow the new processes and election cycle specified in the Charter).

Discussion:

- Desire to pursue changing the form of government to charter city?
- Subjects to be included in charter(which may include but are not limited to):
 - At-large or district elections?
 - Term limits?
 - Number of districts?
- Start the charter process by preparing a draft?

¹ This is not intended to be all-encompassing as to the procedure necessary to enact a charter.

What is the Constitutional Framework for Charter Cities?

Article XI, section 3(a) of the California Constitution authorizes the adoption of a city charter and provides that a charter has the force and effect of state law.

Article XI, section 5(a), the "home rule" provision, affirmatively grants to charter cities supremacy over "municipal affairs." However, the California Constitution does not define the term "municipal affair."

What is a Charter?

A city charter is a unique document that, in many ways, acts like a constitution for the city adopting it. It can only be adopted, amended or repealed by a majority vote of a city's voters. The primary advantage of a charter is that it allows greater authority for a city's governance than that provided by state law. A city may tailor its organization and elective offices, taking into account the unique local conditions and needs of the community.

A charter transfers the power to adopt legislation affecting municipal affairs from the state legislature to the city adopting it. A city operating under a charter can acquire full control over its municipal affairs. These affairs are unaffected by the general laws passed by the state legislature on the same subject matters. This, in effect, gives the local voters more control over their local government and the affairs of the city. However, a city operating under a charter is still subject to the general laws, as passed by the state legislature, on affairs that are not municipal in nature, and are of statewide concern (e.g., California Vehicle Code).

What are "Municipal Affairs?"

It is the scope of the term "municipal affairs" that provides the opportunity for uncertainty. No easy analytical test exists. The threshold issue is whether there is a conflict between state law and a charter city enactment. The next issue is whether the state regulation addressed an issue of "state wide concern." Courts analyze these conflicts on a case-by-case basis.

What Activities Have the Courts Classified As Municipal Affairs?

There are some areas that the courts have consistently classified as municipal affairs. Examples include the following:

- Municipal Election Matters;
- Procedures for Initiative, Referendum and Recall;

- Procedures for Adopting Ordinances;
- Compensation of City Officers and Employees (labor relations is not a municipal affair; charter cities are subject to the Meyers-Milias Brown Act. Cal. Gov't Code § 3500);
- Term Limits for Council Members. *See Cawdrey v. City of Redondo Beach*, 15 Cal. App. 4th 1212 (1993); *but see* Cal. Gov't Code § 36502(b) (regulating term limits);
- Land Use and Zoning Decisions (with a few exceptions).

What Activities Have the Courts Classified as Statewide Concerns?

The following have consistently been classified by the courts as matters of statewide concern:

- Traffic and Vehicle Regulation;
- Licensing of Members of a Trade or Profession;
- Tort Claims against a Governmental Entity;
- Open and Public Meetings;
- Exercise of the Power of Eminent Domain.

What is in a Charter?

While a city charter is not required to have any particular provisions in it, a city will often reserve for itself the greatest amount of power it can when it adopts a charter. To accomplish this goal, the charter must include a declaration that it is the intention of the city to avail itself of the full power provided by the state constitution to charter cities. However, the city is not required to extend the breadth of its charter any further than it wishes.

Some of the common areas that are explicitly regulated in a charter are:

- The date and conduct of city elections;
- Form of government;
- Sub-government procedures in all or part of the city.

What is the (General) Procedure to Adopt a Charter?

There are two ways to adopt a charter. One way is to elect a charter commission. The commission then has the responsibility of debating over the provisions and the drafting of the charter. The other alternative allows the governing board of the city, on its own motion, to draft the charter. In either case, the charter is not

adopted by the city until it is ratified by a majority vote of the city's voters. Prior to approving the submission to the voters of a proposal to adopt a charter, the Council would have to hold at least two public hearings on the matter of the proposed charter. Notice of the public hearings shall be given by publication in a newspaper at least 21 calendar days prior to the date of each public hearing. The second hearing shall be held at least 30 days after the first public hearing. The Council shall not conduct a vote on whether to approve the submission to the voters of the proposal to adopt a charter until 21 days after the second public hearing.

If the Charter measure passes, it would not go into effect until it has been filed and accepted by the Secretary of State. If there were a change in the form of government included in the Charter, the Charter provisions about those topics would control.

General Law City v. Charter City

Characteristic	General Law City	Charter City
Ability to Govern Municipal Affairs	Bound by the state's general law, regardless of whether the subject concerns a municipal affair.	Has supreme authority over "municipal affairs." Cal. Const. art. XI, § 5(b).
Form of Government	State law describes the city's form of government For example, Government Code section 36501 authorizes general law cities be governed by a city council of five members, a city clerk, a city treasurer, a police chief, a fire chief and any subordinate officers or employees as required by law.	Charter can provide for any form of government including the "strong mayor," and "city manager" forms. See Cal. Const. art. XI, § 5(b); Cal. Gov't Code § 34450 <i>et seq.</i>
Elections Generally	Municipal elections conducted in accordance with the California Elections Code. Cal. Elec. Code §§ 10101 <i>et seq.</i>	Not bound by the California Elections Code. May establish own election dates, rules, and procedures. See Cal. Const. art. XI, § 5(b); Cal. Elec. Code §§ 10101 <i>et seq.</i>
Methods of Elections	Generally holds at-large elections whereby voters vote for any candidate on the ballot. Cities may also choose to elect the city council "by" or "from" districts, so long as the election system has been established by ordinance and approved by the voters. Cal. Gov't Code § 34871. Mayor may be elected by the city council or by vote of the people. Cal. Gov't Code §§ 34902.	May establish procedures for selecting officers. May hold at-large or district elections. See Cal. Const. art. XI, § 5(b).
City Council Member Qualifications	Minimum qualifications are: <ol style="list-style-type: none"> 1. United States citizen 2. At least 18 years old 3. Registered voter 4. Resident of the city at least 15 days prior to the election and throughout his or her term 5. If elected by or from a district, be a resident of the geographical area comprising the district from which he or she is elected. <p>Cal. Elec. Code § 321; Cal. Gov't Code §§ 34882, 36502; 87 Cal. Op. Att'y Gen. 30 (2004).</p>	Can establish own criteria for city office provided it does not violate the U.S. Constitution. Cal. Const. art. XI, § 5(b), 82 Cal. Op. Att'y Gen. 6, 8 (1999).

Characteristic	General Law City	Charter City
Public Funds for Candidate in Municipal Elections	No public officer shall expend and no candidate shall accept public money for the purpose of seeking elected office. Cal. Gov't Code § 85300.	Public financing of election campaigns is lawful. <i>Johnson v. Bradley</i> , 4 Cal. 4th 389 (1992).
Term Limits	May provide for term limits. Cal. Gov't Code § 36502(b).	May provide for term limits. Cal. Const. art. XI, § 5(b); Cal Gov't Code Section 36502 (b).
Vacancies and Termination of Office	An office becomes vacant in several instances including death, resignation, removal for failure to perform official duties, electorate irregularities, absence from meetings without permission, and upon non-residency. Cal. Gov't Code §§ 1770, 36502, 36513.	May establish criteria for vacating and terminating city offices so long as it does not violate the state and federal constitutions. Cal. Const. art. XI, § 5(b).
Council Member Compensation and Expense Reimbursement	Salary-ceiling is set by city population and salary increases set by state law except for compensation established by city electors. See Cal. Gov't Code § 36516.	May establish council members' salaries. See Cal. Const. art. XI, § 5(b).
Legislative Authority	Ordinances may not be passed within five days of introduction unless they are urgency ordinances. Cal. Gov't Code § 36934. Ordinances may only be passed at a regular meeting, and must be read in full at time of introduction and passage except when, after reading the title, further reading is waived. Cal. Gov't Code § 36934.	May establish procedures for enacting local ordinances. <i>Brougher v. Bd. of Public Works</i> , 205 Cal. 426 (1928).
Resolutions	May establish rules regarding the procedures for adopting, amending or repealing resolutions.	May establish procedures for adopting, amending or repealing resolutions. <i>Brougher v. Bd. of Public Works</i> , 205 Cal. 426 (1928).
Quorum and Voting Requirements	A majority of the city council constitutes a quorum for transaction of business. Cal. Gov't Code § 36810. All ordinances, resolutions, and orders for the payment of money require a recorded majority vote of the total membership of the city council. Cal. Gov't Code § 36936. Specific legislation requires supermajority votes for certain actions.	May establish own procedures and quorum requirements. However, certain legislation requiring supermajority votes is applicable to charter cities. For example, see California Code of Civil Procedure section 1245.240 requiring a vote of two-thirds of all the members of the governing body unless a greater vote is required by charter.

Characteristic	General Law City	Charter City
Rules Governing Procedure and Decorum	Ralph Brown Act is applicable. Cal. Gov't Code §§ 54951, 54953(a). Conflict of interest laws are applicable. See Cal. Gov't Code § 87300 <i>et seq.</i>	Ralph Brown Act is applicable. Cal. Gov't Code §§ 54951, 54953(a). Conflict of interest laws are applicable. See Cal. Gov't Code § 87300 <i>et seq.</i> May provide provisions related to ethics, conflicts, campaign financing and incompatibility of office.
Personnel Matters	May establish standards, requirements and procedures for hiring personnel consistent with Government Code requirements. May have "civil service" system, which includes comprehensive procedures for recruitment, hiring, testing and promotion. See Cal. Gov't Code § 45000 <i>et seq.</i> Meyers-Milias-Brown Act applies. Cal. Gov't Code § 3500.	May establish standards, requirements, and procedures, including compensation, terms and conditions of employment for personnel. See Cal. Const. art. XI, § 5(b). Procedures set forth in Meyers-Milias-Brown Act (Cal. Gov't Code § 3500) apply, but note, "[T]here is a clear distinction between the <i>substance</i> of a public employee labor issue and the <i>procedure</i> by which it is resolved. Thus there is no question that 'salaries of local employees of a charter city constitute municipal affairs and are not subject to general laws.'" <i>Voters for Responsible Retirement v. Board of Supervisors</i> , 8 Cal.4th 765, 781 (1994).

Characteristic	General Law City	Charter City
Public Contracts	<p>Competitive bidding required for public works contracts over \$5,000. Cal. Pub. Cont. Code § 20162. Such contracts must be awarded to the lowest responsible bidder. Pub. Cont. Code § 20162. If city elects subject itself to uniform construction accounting procedures, less formal procedures may be available for contracts less than \$100,000. See Cal. Pub. Cont. Code §§ 22000, 22032.</p> <p>Contracts for professional services such as private architectural, landscape architectural, engineering, environmental, land surveying, or construction management firms need not be competitively bid, but must be awarded on basis of demonstrated competence and professional qualifications necessary for the satisfactory performance of services. Cal. Gov't Code § 4526.</p>	<p>Not required to comply with bidding statutes provided the city charter or a city ordinance exempts the city from such statutes, and the subject matter of the bid constitutes a municipal affair. Pub. Cont. Code § 1100.7; see <i>R & A Vending Services, Inc. v. City of Los Angeles</i>, 172 Cal. App. 3d 1188 (1985); <i>Howard Contracting, Inc. v. G.A. MacDonald Constr. Co.</i>, 71 Cal. App. 4th 38 (1998).</p>
Payment of Prevailing Wages	<p>In general, prevailing wages must be paid on public works projects over \$1,000. Cal. Lab. Code § 1771.</p>	<p>Historically, charter cities have not been bound by state law prevailing-wage requirements so long as the project is a municipal affair, and not one funded by state or federal grants. The California Supreme Court decided that Vista, a charter city, could avoid paying prevailing wages on public works projects not built with state or federal monies.</p>

Characteristic	General Law City	Charter City
Finance and Taxing Power	<p>May impose the same kinds of taxes and assessment as charter cities. See Cal. Gov't Code § 37100.5.</p> <p>Imposition of taxes and assessments subject to Proposition 218. Cal. Const. art.XIIC.</p>	<p>Have the power to tax.</p> <p>Imposition of taxes and assessments subject to Proposition 218, Cal. Const. art. XIIC, § 2, and own charter limitations.</p> <p>May proceed under a general assessment law, or enact local assessment laws and then elect to proceed under the local law.</p> <p><i>See J.W. Jones Companies v. City of San Diego</i>, 157 Cal. App. 3d 745 (1984).</p> <p>May impose real property transfer tax; does not violate either Cal. Const art. XIII A or California Government Code section 53725.</p> <p><i>See Cohn v. City of Oakland</i>, 223 Cal. App. 3d 261 (1990); <i>Fielder v. City of Los Angeles</i>, 14 Cal. App. 4th 137 (1993).</p>
Streets & Sidewalks	<p>State has preempted entire field of traffic control. Cal. Veh. Code § 21.</p>	<p>State has preempted entire field of traffic control. Cal. Veh. Code § 21.</p>

Characteristic	General Law City	Charter City
Public Utilities/Franchises	<p>May establish, purchase, and operate public works to furnish its inhabitants with electric power. See Cal. Const. art. XI, § 9(a); Cal. Gov't Code § 39732; Cal. Pub. Util. Code § 10002.</p> <p>May grant franchises to persons or corporations seeking to furnish light, water, power, heat, transportation or communication services in the city to allow use of city streets for such purposes. The grant of franchises can be done through a bidding process, under the Broughton Act, Cal. Pub. Util. Code §§ 6001-6092, or without a bidding process under the Franchise Act of 1937, Cal. Pub. Util. Code §§ 6201-6302.</p>	<p>May establish, purchase, and operate public works to furnish its inhabitants with electric power. See Cal. Const. art. XI, § 9(a); <i>Cal. Apartment Ass'n v. City of Stockton</i>, 80 Cal. App. 4th 699 (2000).</p> <p>May establish conditions and regulations on the granting of franchises to use city streets to persons or corporations seeking to furnish light, water, power, heat, transportation or communication services in the city.</p> <p>Franchise Act of 1937 is not applicable if charter provides. Cal. Pub. Util. Code § 6205.</p>
Zoning	<p>Zoning ordinances must be consistent with general plan. Cal. Gov't Code § 65860.</p>	<p>Zoning ordinances are not required to be consistent with general plan unless the city has adopted a consistency requirement by charter or ordinance. Cal. Gov't. Code § 65803.</p>

Thanks to the California League of Cities for providing information.

Council/Staff Workshop
Council Chamber, February 2, 2013

Topic: **Directly Elected Mayor**

Background:

- The Office of Mayor in a general law city has the powers granted and conferred by state law (signing official documents, administering oaths, ceremonial functions, presiding over meetings of the agency, and appointments of members of boards and commissions) plus all other powers and duties of a council member.
- To change from the current method of the City Council selecting a Mayor to election of the Mayor by the voters, certain ballot questions and an ordinance must be submitted to the voters for their approval.
- At a general or special election, the electors of the City may determine whether to have a directly elected Mayor and may also determine the length of the term of office of such elected Mayor.
- A general law city proposing to have an elected Mayor must also choose whether to have four, six, or eight City Council districts.
- At the same election, the City Council must also submit an ordinance to the voters for approval. That ordinance “shall state the number of legislative districts, describe the boundaries of each, number them, and state whether members of the legislative body shall be elected ... by or from districts except for an elective mayor”, who shall be elected at large.
- See attached memorandum.

Discussion:

- Should the City move towards preparing a ballot measure to create the office of a directly elected mayor?
- If so, should the City be divided into four, six, or eight City Council Districts to submit to the voters if the City remains a general law city?
- Or should the issue of directly elected Mayor be presented as part of a Charter adoption?

(These discussion points are not intended to be all-encompassing as to the procedure necessary to effectuate placing the measure(s) on the ballot).

History

In 1984 the Riverside County Board of Supervisors submitted Measures F and G to the voters for the incorporation of Moreno Valley with a five member City Council, and for the formation of the Moreno Valley Community Services District. That ballot asked voters in Measure G to decide whether future members of the City Council would be elected *by* or *from* districts. Election "*by districts*" means that Council Members must reside in that district and are elected by voters who only reside within that district. Election "*from districts*" means that Council Members must reside in that district, but they are elected by all voters in the City. Measure G passed with a majority of voters deciding that all future City Council Members would be elected *by* districts.

Pursuant to Government Code section 36801, all Moreno Valley City Councils have selected the Mayor from amongst themselves.

In 2010, the City Council placed two advisory ballot measures before the voters. The first advisory ballot measure asked "Do you support changing to an elected Mayor rather than one appointed by the City Council?" The second advisory ballot measure asked "Whether or not you support changing to an elected Mayor, should the City Council call a binding election for voters to decide the issue?" Both measures received a majority "yes" vote.

What Power Does A Mayor Have?

The Office of Mayor in a general law city has only those powers granted and conferred by state law. The powers of the Office of Mayor in a general law city are signing official documents, administering oaths, ceremonial functions, presiding over meetings of the agency, and appointments of members of boards and commissions. In addition, the Office of Mayor has all other powers and duties of a council member. Therefore, in general law cities, an elected Mayor has no greater power than an appointed Mayor.

Charter cities, on the other hand, can expand or contract the powers and duties of the Office of Mayor in the charter. A few large cities, such as Los Angeles and Oakland, have expanded the powers and duties of the Office of Mayor. That form of government is the Mayor-Council form of government and is commonly referred to as a "strong mayor." Only charter cities could adopt the Mayor-

Council form of government and expand the powers and duties of the Office of Mayor.

What is the Procedure to Change to a Directly Elected Mayor in a General Law City?

To change from the current method of the City Council selecting a Mayor to election of the Mayor by the voters, certain ballot questions and an ordinance must be submitted to the voters for their approval. Govt. Code §34871, §34900. At a general or special election, the electors of the City may determine whether to have a directly elected Mayor and may also determine the length of the term of office of such elected Mayor. Govt. Code §34900. General law cities proposing to have an elected Mayor must also choose whether to have four, six, or eight City Council districts. Govt. Code §34871. The ballot measures for the election on the issue would be in substantially the following form:

Shall the electors elect a Mayor and ____ City Council Members? Yes or No

Shall the term of office of Mayor be two years? Yes or No

Shall the term of office of Mayor be four years? Yes or No

At the same election, the City Council must also submit an ordinance to the voters for approval. That ordinance "shall state the number of legislative districts, describe the boundaries of each, number them, and state whether members of the legislative body shall be elected ... by or from districts except for an elective mayor", who shall be elected at large. Govt. Code §§34871-34872. Pursuant to Government Code section 34877, the ballot measure for the ordinance must be in substantially the following form:

Shall members of the legislative body of the City of Moreno Valley be elected by (or from) districts described in Ordinance No. _____, and the Mayor of the City of Moreno Valley be elected on a citywide basis by the voters of the entire city? Yes or No

Before being submitted to the voters for approval, the proposed ordinance must first be submitted to the Planning Commission to make findings. Following the action by the Planning Commission, the proposed ordinance would be brought to the City Council, along with proposed ballot measures, for direction to submit the measures to the Riverside County Registrar of Voters to be included in the next

municipal general election, or special election held for that purpose at least no later than 88 days prior to the date of the election. Govt. Code §34871; §34901.

If the City is going to elect a Mayor and the election of the remaining Council Members for four-year terms are not evenly staggered in the election cycle, the City Council may, on a one time basis only and prior to the first day for circulating nomination papers for the municipal general election, designate one of the Council Member seats appearing on the municipal general election, other than the office of Mayor, to serve a two-year term until the next municipal general election. At all subsequent elections, that Council District seat shall serve a four-year term. For example, if the City Council directs that the City should have eight City Council districts, then one of the City Council districts (probably a newly created City Council district) will have to be designated as a two-year term by the City Council prior to the first day for the circulation of nomination papers for the next municipal general election for that City Council district. At the next succeeding municipal general election and thereafter, the Council Member from the City Council district so designated shall serve a four-year term.

What Compensation Would An Elected Mayor Receive?

An elected Mayor is a member of the City Council and would receive the same compensation as any other member of the City Council. An elected Mayor may, but is not required to, receive compensation in addition to the compensation established for Council Members. Govt. Code §36516.1. Such additional compensation may be provided by an ordinance adopted by the City Council or by a majority vote of the electors voting on the proposition at a municipal election. Additional compensation established by ordinance of the City Council may be increased or decreased by ordinance of the City Council. Additional compensation established by a vote of the electors can only be changed by a vote of the electors.

Council/Staff Workshop
Council Chamber, February 2, 2013

Topic: **Term Limits and Campaign Finance Reform**

Term Limits

Background:

- CA Govt. Code section 36502(b) states that voters can establish term limits for the city council or an elected mayor.
- A term limit measure may be placed on a ballot as a City Council proposed measure or as an initiative measure.
- Term limits can only be applied prospectively (may only apply to terms served after the effective date of the measure).
- A 2011 City of Lompoc survey indicates that, of the 481 California cities that existed at that time, 98 had term limits (survey attached).
- The majority of the term limits established for California Mayors and/or Council Members is 2 consecutive 4-Year Terms with a minimum 2-year break before they can seek reelection again. Some impose lifetime bans once the terms have been served.

Discussion

- Timing: If approved by voters in 2014 would apply to Council Members elected in 2016
- How many consecutive terms?
- Should a “break” or lifetime ban be imposed once terms are served?

Campaign Finance Reform

Background:

- The Political Reform Act imposes contribution limits for state candidates and requires all candidates and committees to disclose campaign contributions and expenditures.
- The Act leaves contribution limits for local candidates up to local governments. Numerous cities have passed ordinances creating contribution limits and other requirements (list attached). Limitations may also be enacted via ballot measure.

Discussion

- Expenditure limits
 - Involuntary expenditure limits are never allowed
 - Voluntary expenditure limits cannot be coercive
- Contribution limits
 - Cannot be too low (candidates must be able to conduct an effective campaign)
 - Should have a cost of living adjustment

Council/Staff Workshop
Council Chamber, February 2, 2013

- Contribution limits (continued)
 - Must be supported by a factual record demonstrating the need to prevent corruption or the appearance of corruption (for example, be prepared if challenged to cite specific instances of campaign violations, demonstrate voter approval of limits, etc.)
 - Differing contribution limits for the same office are highly suspect (for example, a city shouldn't allow candidates who accept voluntary expenditure limits to receive higher contributions than candidates who do not voluntarily limit their spending)
 - Cannot limit contributions to independent expenditure committees
- Sample ordinance attached: City of Murrieta Campaign Contributions and Voluntary Expenditure Limits

Topic: **Municipal Regulation of Local Campaigns**

Background:

- Contribution limits (restricting contributions to city council candidates to \$100-\$500 appears to be defensible).
- Expenditures by non-candidates (there is a long and growing line of Supreme Court cases concluding that limitations on independent expenditures are unconstitutional).
- Restrictions on Corporate Contributions (cities might be able prohibit all non-political party, corporate contributions to candidates when the restrictiveness of the regulatory scheme as a whole is considered).
- Contributions to Independent Expenditure Committees (Restrictions on contributions to independent expenditure committees that are not closely linked to a candidate, such as through a political party, have recently been deemed unconstitutional absent special findings on corrupting influence of such contributions).
- Timing of Contributions
- Reporting & Disclosure Requirements
- Ethics Commissions
- See attached memorandum.

Discussion:

- Contribution limits.
- Expenditures by non-candidates.
- Restrictions on Corporate Contributions.

Council/Staff Workshop
Council Chamber, February 2, 2013

- Contributions to Independent Expenditure Committees.
- Timing of Contributions.
- Reporting & Disclosure Requirements.
- Ethics Commission.

Chapter 2.05

CAMPAIGN CONTRIBUTION AND VOLUNTARY EXPENDITURE LIMITS

Sections:

- 2.05.010 Purpose and intent.**
- 2.05.020 Relation to Political Reform Act of 1974.**
- 2.05.030 Definitions.**
- 2.05.040 Limitations on campaign contributions.**
- 2.05.050 Voluntary expenditure ceiling.**
- 2.05.060 Violation and penalty.**

2.05.010 Purpose and intent.

High costs and large campaign contributions associated with campaigns for local elective office can undermine the public's trust and confidence in the electoral process and lead to unfair competition between candidates. It is the intent of this chapter to promote the small town atmosphere of local elections consistent with community values and to end the fundraising "race" by lowering campaign costs and slowing the increase in campaign spending by implementing comprehensive campaign finance reforms including a voluntary expenditure ceiling, mandatory contribution limits and an effective enforcement mechanism.

In furtherance of those goals, a reasonable campaign contribution limitation and a voluntary campaign expenditure limitation are hereby enacted that are similar to those enacted by other communities. In those communities, such limitations have not inhibited city council candidates' ability to conduct meaningful and effective campaigns, but they have limited the appearance and incidents of corruption that have been experienced.

The council finds that the city may enact an ordinance limiting campaign contributions in municipal elections as provided by Section 10202 of the Elections Code of the state. Further, pursuant to Section 81013 of the Government Code of the state, it is determined that the additional requirements imposed by this chapter do not preclude any person from complying with the Political Reform Act of 1974, being California Government Code Sections 81000 - 81016.

(Ord. 231 § 1 (part), 2001)

2.05.020 Relation to Political Reform Act of 1974.

This chapter is intended to be a supplement to and in no way to conflict with the Political Reform Act of 1974, being California Government Code Sections 81000 - 81016, which is codified in Title 9 of the California Government Code and its implementing regulations. Unless otherwise defined in this chapter, words and phrases have the same meanings here as those given to them by Title 9 of the California Government Code, and

as the same may be amended from time to time, and its implementing regulations, and with the interpretations of these provisions by the California Fair Political Practices Commission.

(Ord. 231 § 1 (part), 2001)

2.05.030 Definitions.

As used in this chapter:

"City council candidate" means an individual who is listed on the ballot or who has qualified to have write-in votes on his or her behalf counted by election officials, for nomination for or election to the Murrieta city council, or who receives a contribution or makes an expenditure or gives his or her consent for any other person to receive a contribution or make an expenditure with a view to bringing about his or her nomination or election to the Murrieta city council, whether or not he or she has announced his or her candidacy or filed a declaration of candidacy at such time. "Candidate" also includes any city council member who is the subject of a recall election. An individual who becomes a candidate for the Murrieta city council shall retain his or her status as a candidate until such time as that status is terminated pursuant to Section 84214 of the Government Code.

"Contribution" means any payment made for political purposes for which full and adequate consideration is not made to the donor.

1. A "contribution" includes:

a. Any goods or services received by or requested by a city council candidate at no charge or at a discount from the fair market value, unless the discount is given in the regular course of business to members of the public;

b. Cash;

c. A loan or an extension of credit for more than thirty (30) days, other than loans from financial institutions given in the normal course of business.

2. A "payment made for political purposes" is a payment made:

a. For the purpose of influencing or attempting to influence the action of the voters for or against the nomination or election of a city council candidate; or

b. Received by or made at the request of a city council candidate.

(Ord. 231 § 1 (part), 2001)

2.05.040 Limitations on campaign contributions.

A. Declaration of Candidacy. No person may make, and no candidate for city of Murrieta elective office and the controlled committee of that candidate may solicit, accept or receive, any campaign contribution until a FPPC Form 501, Candidate Intention Statement, has been filed. However, Form 501 is not required if no contributions are received and the only expenditure is from personal funds for the candidates statement in the sample ballot.

B. Contribution Limits.

1. Candidates or controlled committees who agree to limit their campaign expenditures pursuant to Section 2.05.050 may accept contributions of up to one thousand dollars (\$1,000.00) from any single source in any single election. This contribution will be adjusted annually following the November, 2006 election in accordance with Section 2.05.040B.3.

2. Candidates or controlled committees who do not agree to limit their campaign expenditures pursuant to Section 2.05.050 may accept contributions of up to five hundred dollars (\$500.00) from any single source in any single election. This contribution will be adjusted annually following the November, 2006 election in accordance with Section 2.05.040B.3.

3. The contribution limits established in this subsection shall be automatically adjusted annually, following the November, 2001 election, based on the Consumer Price Index for "all urban consumers" from April to April among U.S. West and/or Los Angeles, Long Beach, Anaheim metropolitan area. Such adjustments shall be rounded to the nearest ten and no/100ths dollar (\$10.00) amount.

C. Return of Contributions. A contribution will not be considered to be received or accepted if it is not cashed, negotiated, or deposited, and is returned to the donor before the closing date of the campaign statement on which the contribution would otherwise be reported.

D. Family Contributions. Contributions by a husband and wife shall be treated as contributions by separate persons and shall not be aggregated. Contributions by children under eighteen (18) years of age are presumed to be a contribution from the parent or guardian of the child.

E. Personal Funds. The limitations of this subsection shall not apply to contributions of a candidate's personal funds to his or her controlled campaign committee on behalf of his or her own candidacy, but shall apply to contributions from the candidate's spouse.

(Ord. 301 § 1-3, 2004; Ord. 231 § 1 (part), 2001)

2.05.050 Voluntary expenditure ceiling.

A. Amount Per Registered Voter. No candidate or controlled committee who voluntarily accepts expenditure ceilings shall make campaign expenditures in excess of an amount equal to one dollar and fifty cents (\$1.50) per registered voter of the city of Murrieta. The number of registered voters for such calculation shall be determined by the city clerk from the last available certification of registered voters to the California Secretary of State on the first day of the nomination campaign period.

B. Statement of Acceptance or Rejection. Each candidate for city elective office must file with the city clerk a statement of acceptance or rejection of the voluntary expenditure ceiling prior to accepting any contributions.

C. Relationship to Contribution Limits. Any candidate for city elective office who accepts the voluntary expenditure ceiling or any controlled campaign committee of that candidate may not make campaign expenditures cumulatively in excess of the voluntary expenditure ceiling.

1. If a candidate accepts such campaign expenditure limits, the candidate shall be subject to the campaign contribution limit set forth in Section 2.05.040(B)(1).

2. If a candidate rejects such campaign expenditure limits, the candidate shall be subject to the campaign contribution limits set forth in Section 2.05.040(B)(2).

D. Committee Expenditures. Expenditures by a candidate's controlled committee shall be deemed

expenditures by the candidate for the purposes of this chapter.

(Ord. 301 § 4, 2004; Ord. 231 § 1 (part), 2001)

2.05.060 Violation and penalty.

In accordance with the provisions of Section 1.32.010 et seq. of the Murrieta Municipal Code, violations of this chapter shall be prosecuted as misdemeanors.

(Ord. 231 § 1 (part), 2001)

Council/Staff Workshop
Council Chamber, February 2, 2013

Topic: Municipal Regulation of Local Campaigns

Background:

- Contribution limits (restricting contributions to city council candidates to \$100-\$500 appears to be defensible).
- Expenditures by non-candidates (there is a long and growing line of Supreme Court cases concluding that limitations on independent expenditures are unconstitutional).
- Restrictions on Corporate Contributions (cities might be able prohibit all non-political party, corporate contributions to candidates when the restrictiveness of the regulatory scheme as a whole is considered).
- Contributions to Independent Expenditure Committees (Restrictions on contributions to independent expenditure committees that are not closely linked to a candidate, such as through a political party, have recently been deemed unconstitutional absent special findings on corrupting influence of such contributions).
- Timing of Contributions
- Reporting & Disclosure Requirements
- Ethics Commissions
- See attached memorandum.

Discussion:

- Contribution limits.
- Expenditures by non-candidates.
- Restrictions on Corporate Contributions.
- Contributions to Independent Expenditure Committees.
- Timing of Contributions.
- Reporting & Disclosure Requirements.
- Ethics Commission.

Establishment of Term Limits

Under current law, a city council may not unilaterally alter term limits. In both a general law and charter city, any proposed term limit “shall apply prospectively only and shall not become operative unless it is submitted to the electors of the city at a regularly scheduled election and a majority of the votes cast on the question favor the adoption of the proposal.” Gov. Code § 36502(b).

Municipal Regulation of Local Campaigns

Under California law, both general law and charter cities have broad and near-equivalent authority to regulate campaigns and campaign contributions for local elective office if they do not impair compliance with the Political Reform Act (“the Act”). Govt. Code § 82008; 35 Ops. Cal. Atty. Gen. 230 (1960). The Act establishes disclosure requirements but does not limit contributions to candidates for local office. This area is left to local jurisdictions. But any such regulations must not impinge on the free speech and associative rights of the First Amendment.

Under the United States Supreme Court case *Buckley v. Valeo*, and its progeny, cities may restrict contributions to candidates, their controlled committees and expenditures coordinated with candidates in order to protect against corruption or the perception of corruption by “means closely drawn to avoid unnecessary abridgement of associational freedoms.” (1976) 424 U.S. 1, 25, 45.

“[P]reventing corruption or the appearance of corruption are the only legitimate and compelling government interests thus far identified for restricting campaign finances.” *Long Beach Area Chamber of Commerce v. City of Long Beach* (9th Cir. 2010) 603 F.3d 684, 694;¹ see also *Thalheimer v. City of San Diego* (9th Cir. 2011) 645 F.3d 1109, 1119 (internal quotation omitted); *Club's Freedom Club PAC v. Bennett* (2011) 131 S. Ct. 2806 (no compelling state interest in leveling the playing field by providing matching funds to candidates who accept campaign restrictions

¹ While the courts are willing to accept a wide range of sources of evidence—*Nixon v. Shrink Missouri Government PAC* (2000) 528 U.S. 377, 393-94 (newspaper articles on kickbacks); *Buckley v. Valeo* (D.C. Cir. 1975) 519 F.2d 821, 837-40 (testimony by politicians regarding pressure to seek large donations)—a merely hypothetical risk of corruption is not sufficient. *Citizens for Clean Govt. v. City of San Diego* (9th Cir. 2007) 474 F.3d 647.

against candidates who do not). More recently in *Citizens United v. Federal Election Commission* (2010) 558 U.S. 310, the Supreme Court has “narrowed the scope of the anti-corruption rationale to cover quid pro quo corruption only, as opposed to money spent to obtain influence over or access to elected officials.”

Contribution Limits

The Supreme Court has upheld a contribution limit of \$275 for state-level candidates representing fewer than 100,000 people, explaining that it “rejected the contention that \$1,000, or any other amount, was a constitutional minimum below which legislatures could not regulate[]” and instead considered whether “the contribution limitation is so radical in effect as to render political association ineffective, drive the sound of a candidate's voice below the level of notice, and render contributions pointless.” *Nixon v. Shrink Missouri Govt. PAC* (2000) 528 U.S. 377, 397.

In a 2005 opinion, however, the Court struck down Vermont’s candidate contribution limits of \$400 per two-year election cycle, which included both a primary and general election, for the office of governor and lower limits for other statewide offices. *Randall v. Sorrell* (2005) 548 U.S. 230, 254. The Court applied a five-factor test (lack of distinction between political parties and individuals, extremely low dollar figures, inclusion of volunteer expenses as contributions, lack of inflation adjustment and no special justification for low figures based on the funds necessary to adequately compete) to determine that the contribution limit was not “closely drawn.”

Based on *Nixon* and *Randall*, restricting contributions to city council candidates to \$100-\$500 appears to be defensible. The court in *Major v. Silna* (2005) 134 Cal. App. 4th 1485, 1502-03, accepted that the general law city of Malibu could prohibit contributions over \$100. See City of Malibu Municipal Code, Chapter 2.20; Govt. Code § 84300 (prohibiting \$100 cash contributions).

Expenditures by Non-Candidates

Limits on contributions by voters or corporations pertaining to ballot initiatives are subject to strict scrutiny and generally unconstitutional. *Citizens Against Rent Control v. City of Berkeley* (1981) 454 U.S. 290, 297-299. Additionally, a “[c]ity may not impose financial limits on [a] PACs' independent expenditures. This conclusion is compelled by the long and growing line of Supreme Court cases

concluding that limitations on independent expenditures are unconstitutional.” *Long Beach Area Chamber of Commerce v. City of Long Beach* (9th Cir. 2010) 603 F.3d 684, 695.

Restrictions on Corporate Contributions

Despite the court’s holding in *Long Beach Area Chamber of Commerce*, and the Supreme Court’s recent expansion of First Amendment rights to corporations in *Citizens United v. Federal Election Commission* (2010) 558 U.S. 310, 330, if an anti-corruption justification is provided, cities may prohibit all non-political party, corporate contributions (including from PACs) to candidates. *Thalheimer v. City of San Diego* (9th Cir. 2011) 645 F.3d 1109, 1126. The Ninth Circuit accepted prohibiting corporate contributions as a valid means of preventing illegal circumventing of campaign restrictions. *Id.* at 1124. However, the court predicated its acceptance of this ban on other avenues of expression, such as direct expenditures and unlimited individual contributions. *Id.* at 1125. While the implication is that bans on corporate contributions will be upheld even if individual contributions are limited, courts will also consider the restrictiveness of the regulatory scheme as a whole.

Contributions to Independent Expenditure Committees

Restrictions on contributions to independent expenditure committees (i.e. committees that advocate or oppose the election of a candidate without any coordination with the candidate) that are not closely linked to a candidate, such as through a political party, have recently been deemed unconstitutional absent special findings on corrupting influence of such contributions. *Long Beach Area Chamber of Commerce*, 603 F.3d at 697-98 (“We are not told whether the candidate ever had any contact with the IEC, whether the money received or spent by the IEC had any corrupting influence on City politics, whether the voters suspected the IEC of corrupting the political process, or even whether the candidate won the race.”)(This calls into question traditional restrictions: see e.g. Govt. Code § 85303 (yearly \$5,000 cap for independent expenditure committees making contributions to candidates)).

Timing of Contributions

In *Thalheimer v. City of San Diego*, the Ninth Circuit upheld the City of San Diego’s ban on contributions outside of the twelve-month pre-election window on the basis of the City’s argument that the temporal ban “reduces actual and perceived

corruption because those contributions made near an election are clearer expressions of political speech, whereas off-year contributions are more likely linked to business the donor has before the city, thus creating the appearance of quid pro quo 'corruption by the sale of influence.'" 645 F.3d at 1121. The City of San Jose restricts contributions to 180 days before the election.

Reporting & Disclosure Requirements

Cities have discretion to impose disclosure and reporting requirements beyond those provided in Government Code section 84300 *et seq.* Cities that establish local disclosure standards must file their rules with the Fair Political Practices Commission. Govt. Code § 81009.5(a).

Ethics Commissions

Los Angeles, San Jose, San Diego, San Francisco and Oakland have ethics commission to administratively enforce campaign laws which arguably ensure a higher rate of oversight than under state law alone. However, city staff might have to referee candidate disputes.

Council/Staff Workshop

Council Chamber February 2, 2013

Topic: 3-Year Economic Development Action Plan

Background:

- In April 2011, Moreno Valley approved a 2-Year Economic Development (ED) Action Plan to capitalize on economic development opportunities in the short-term.
- The 2-Year ED Action Plan identified goal and objectives to advance economic development efforts in five geographic areas of the City including 1) TownGate, 2) Centerpointe Business Park, 3) South Moreno Valley Industrial Area, 4) City Center and 5) Eastern Moreno Valley-Rancho Belago.
- The 2-Year ED Action Plan also embraced the idea of strategically focusing the funding of projects within the Capital Improvement Program (CIP) to areas that can leverage economic development efforts.
- The advancement of a number of projects identified in the ED Action has been accomplished during the initial 15 months of the 2-Year ED Action Plan.

Discussion:

- A new 3-Year ED Action Plan has been drafted that would expand the focus of the ED Action Plan to eight geographic areas including 1) Edgemont, 2) TownGate, 3) Festival, 4) Centerpointe Business Park, 5) South Moreno Valley Industrial Area, 6) City Center & Medical/Healthcare Corridor, 7) World Logistics Center at Rancho Belago and 8) SR 60 East Corridor.
- The ED Action Plan is also recommended to include ten objectives aimed at increasing overall economic development efforts with 1) Business Attraction, 2) Business Retention and 3) Business Expansion.
- The preliminary schedule for the consideration and approval of the 3-Year ED Action Plan includes:
 1. Economic Development Subcommittee will review and evaluate the ED Action Plan on March 14
 2. ED Action Plan will be discussed at the April 2 City Council Study Session
 3. ED Action Plan will be considered for approval by the City Council on April 23

ECONOMIC DEVELOPMENT ACTION PLAN

2011-2013

SUMMARY OF INITIAL 15 MONTHS

JOBS CREATED IN 5 EDAP AREAS

- Distribution/Manufacturing 1,522
- Office/Healthcare 395
- Automobile Dealerships 77
- Retail/Restaurant 567

Total 2,560

CONSTRUCTION JOBS CREATED

- 5,736

Harbor Freight Tools

- Opened new 779,016 S.F. Distribution Center
- Opened 2nd DC-691,960 S.F
- Employ 430
- 507,720 S.F. expansion approved

Ceterpointe & South MV Industrial & Logistics Development

- 3.23 million S.F. of Industrial Buildings started construction
- 3 million S.F. planned to start construction
- 10 million S.F. in planning process

Eastern Moreno Valley Development

- Skechers USA Opens
- WestRidge approved/Negotiations Underway for 850,000 S.F. User
- World Logistics Center Planning Underway (EIR & SP)

City Center Development

- \$75 million in CIP Projects
- Planning and Marketing for expansion of Medical/Healthcare Corridor
- RCRMC & Kaiser expansions
- Moreno Valley College Expansion
- Moreno Valley Auto Mall Expansion & Upgrade
- LA Fitness Coming to Moreno Beach Plaza

TownGate

- Opening of New Retail Stores—TJ Maxx, HomeGoods, Rue 21
- Opening of New Restaurants—Buffalo Wild Wings, Five Guys Burgers, Chipotle
- Opening of Round 1

ECONOMIC DEVELOPMENT ACTION PLAN 2013-2016

An updated Economic Development Action Plan has been formulated to capitalize on near-term opportunities in eight geographic areas during a 3-year time frame. The focus of the updated Economic Development Action Plan includes the following goals and objectives in the eight recommended geographic areas:

Edgemont

Pursue the revitalization of the Edgemont area through the adoption of a multi-faceted redevelopment strategy.

- Work towards the upgrading the water system to ensure sufficient water pressure to allow for new development projects in this area.
- Use Neighborhood Stabilization program funding to acquire and land bank foreclosed properties- both single-family and multi-family residential.
- Conduct quarterly Neighborhood Clean-up programs.
- Retain a planning consultant to evaluate land uses to establish the highest and best land use designations for redevelopment efforts.
- Pursue a master developer to assist with the planning for redevelopment in the Edgemont area.

TownGate

Collaborate with the Fritz Duda Company and CW Capital towards stabilizing, upgrading and expanding retail and restaurant development opportunities in the TownGate area including the Moreno Valley Mall and the five shopping centers surrounding the regional mall including TownGate Center, TownGate Plaza, TownGate Crossing, TownGate Promenade and TownGate Square

- Continue to work with CW Capital-the owner of the Moreno Valley Mall in upgrading and attracting new users to the regional mall.
- Facilitate the planning and marketing for a 30,000 S.F. expansion project at the Moreno Valley Mall to include a new restaurant, retail and plaza area next to Harkins Theatres.
- Work with the Fritz Duda Company in the re-occupancy of vacant retail spaces and the overall stabilization of TownGate Center including new uses such as ULTA Beauty, BevMo and Planet Fitness.
- Assist in the processing of development plans for new projects in TownGate shopping centers including 24 Hour Fitness Sport, Miguels Jr. Mexican Restaurant and Richie's Real American Diner.
- Cooperate with the Fritz Duda Company in pursuing the continued development of a 'Restaurant Row' area in TownGate Promenade.

Festival

Cooperate with the Kodash Company and Miller Family Trust-the ownership of the Festival Center, to explore ways to redevelop or enhance the viability of the Festival Center including rehabilitation efforts and incorporating new appropriate land uses.

- Help facilitate attracting new users and the upgrade of the Festival Center.
- Explore developing a new residential component at the Festival Center.
- Explore possibilities with Moreno Valley Unified School District of developing new education facilities at Festival.
- Evaluate developing sports or recreation facilities at Festival for use by the community to create a mixed-use development concept.

Centerpointe Business Park

Work with Ridge Property Trust and USAA Real Estate to expand development and business opportunities aimed at completing the Centerpointe Business Park.

- Assist Ridge Property Trust and Harbor Freight Tools (HFT) in the 507,720 S.F. expansion of HFT's Distribution Center at the NW corner of Cactus and Graham.
- Facilitate efforts for a user to occupy USAA's new 522,774 S.F. Centerpointe Logistics Center at the NW corner of Cactus and Frederick.
- Help advance the development of Ridge Property Trust's approved 607,960 S.F. industrial building at the NW corner of Brodiaea and Graham.
- Facilitate expansion plans for the Serta Mattress facility.
- Work with the owner of the Plaza Del Sol Center in stabilizing the center to provide needed shopping and restaurant opportunities in the Centerpointe Business Park area.

South Moreno Valley Industrial Area

Work with seven developers (Alere Property Group, First Industrial Realty Trust, IDS Real Estate Group, Panattoni Development Co., Sare-REGIS Group, Trammell Crow Company & Western RealCo) on new business attraction and development projects in the South Moreno Valley Industrial Area.

- Work with IDS Real Estate Group in securing a business user for the new 769,320 S.F. Nandina Distribution Center.
- Facilitate the completion of Trammell Crow Company's 1,250,000 S.F. I-215 Logistics Center project, including securing a user.
- Cooperate with First Industrial Realty Trust and Panattoni Development Co. in pursuing the speculative development of two industrial buildings with a total of nearly 2 million S.F.
- Assist Sares-REGIS Group and Western RealCo in build-to-suit opportunities for two approved industrial building projects with a total of more than 3.6 million S.F.
- Work with Alere Property Group, First Industrial Realty Trust and Trammell Crow Co. in the planning and entitlements for several new industrial projects with a proposed 4 million S.F.

City Center Medical/Healthcare Corridor

Cooperate with Riverside County Regional Medical Center (RCRMC), Kaiser Permanente, Moreno Valley College and Highland Fairview to help facilitate the further expansion of the City of Moreno Valley's Medical/Healthcare Corridor on Nason Street & Iris Avenue.

- Assist Riverside County with the implementation of the Master Plan for expanding the Riverside County Regional Medical Center including a new Trauma & Urgent Care, relocated & upgraded Operations Support building and facilities for the new UCR School of Medicine.
- Facilitate plans by Kaiser Permanente to expand the Moreno Valley Community Hospital with an expansion and upgrade of the Emergency Room facilities and development of a planned second tower.
- Cooperate with Moreno Valley College and Riverside Community College District in the development of a proposed 30,000 S.F. allied health sciences facility in the medical-healthcare corridor.
- Support the planning and marketing efforts of Highland Fairview to pursue the creation of a master planned 200-acre healthcare campus to be situated within the medical corridor and between the two existing hospitals-RCRMC and Kaiser's Community Hospital.
- Continue the planning and funding of capital improvement projects that will widen and construct the ultimate improvements on Nason Street from SR 60 to Iris Avenue to provide critical access to the two hospitals and the medical/healthcare corridor.

World Logistics Center at Rancho Belago

Collaborate with Highland Fairview in the development of the World Logistics Center—a 41.6 million S.F. master planned corporate park proposed to be developed on 2,700 acres in the Rancho Belago area of eastern Moreno Valley.

- Process an Environmental Impact Report and preliminary development plans for the World Logistics Center in eastern Moreno Valley—south of SR 60 and east of Redlands Boulevard to Gilman Springs Road.
- Assist in the drafting of a Specific Plan that will guide the orderly development for of World Logistics Center.
- Cooperate with Highland Fairview in the formulation of a Development Agreement to create a public-private partnership to help facilitate the development of new public infrastructure in eastern Moreno Valley associated with the World Logistics Center including roads, trails, utilities, storm water protection and fire protection facilities.
- Work with Highland Fairview in branding the World Logistics Center as one of the largest e-commerce focused development projects in the U.S.

SR 60 East Corridor

Pursue new development opportunities along the SR 60 East corridor—from Nason Street to the easterly City limits.

- Prepare an Overlay Study to determine the 'highest and best' land uses along the SR 60 East Corridor.
- Assist property owners and developers in marketing development opportunities along the SR 60 East Corridor.
- Work on opportunities to expand the Moreno Valley Auto Mall.
- Facilitate the stabilization and further development of Stoneridge Towne Centre and Moreno Beach Plaza.

In addition to activities in the eight geographic areas, a series of objectives are being recommended to assist with overall economic development efforts to assist with Business Attraction, Business Retention and Business Expansion including the following:

- Continue to coordinate the Capital Program (CIP) with economic development efforts
- Expand the Development Ombudsman Program to provide a comprehensive range of business support services for developers and businesses
- Restart the Business Visitation Program, including the participation of the Mayor in 1 on 1 visits annually with the Top 50 with the major employers in the community
- Implement new software that will enable business owners, developers, contractors and residents to electronically submit and manage their plans with the City of Moreno Valley
- Utilize the Chambers of Commerce to expand participation in the Small Business Counseling Services provided by the Small Business Development Center (SBDC)
- Work with the Community Investment Corporation and the Chambers of Commerce in a business incubator and micro-business loan program
- Pursue the reuse of vacant anchor retail spaces, including the use of the new ED-Retail Anchor Reuse Incentive Program
- Explore revising the scopes of work with the Agreements the Chamber of Commerce to better focus on business retention and expansion activities, including expansion of Shop MoVal, as well as establishing a program to promote more business to business transactions in Moreno Valley
- Utilize the Chambers of Commerce to undertake a survey of the small business community on ways to improve the business climate in Moreno Valley
- Pursue the creation of a Business Support Advisory Council comprised of major employers in Moreno Valley

Council/Staff Workshop
Council Chamber, February 2, 2013

Topic: **Livability/Quality of Life Programming**

Background:

- Improving the quality of life for residents is a basic objective for local government officials.
- The long-standing "City Council Goals" generally speak to this focus:
 - Advocacy
 - Revenue Diversification and Preservation
 - Public Safety
 - Public Facilities and Capital Projects
 - Positive Environment
 - Community Image, Neighborhood Pride and Cleanliness
- In 1990 the Council established a "Blue Ribbon Committee for Moreno Valley Future Horizons"; applications were accepted but the Committee was never formed.
- Community Satisfaction Surveys
 - Performed annually; last one done in 2007:
 - 66% believed Moreno Valley was an "excellent" or "good place to live"
 - 40% believed the quality of life had improved over the previous few years
 - 59% gave positive ratings to the City for providing municipal services
 - The most important City services were "Fire and paramedic services," "police protection," "pick-up of garbage, yard waste, and recyclables," and "removal of graffiti."

Discussion

- How to define "Livability" and "Quality of Life"
 - Forbes measures the following factors:
 - Income growth
 - Current unemployment rate
 - Cost of living
 - Crime rate
 - Arts and culture
- Basic expectations (discuss City's efforts to date and planned initiatives for these):
 - Feel safe from crime
 - Crime stats
 - Live in affordable, well-maintained neighborhoods
 - Foreclosure strike team, squatter strike team
 - Access to quality education
 - Logistics training initiative
 - Mayor's Advisory Committee on Education: Goal of increasing grad rates

Council/Staff Workshop
Council Chamber, February 2, 2013

- Access to quality employment
 - Economic Development Action Plan
- Further define “Livability” and “Quality of Life” beyond the basic expectations
 - Arts and Culture
 - Recreation
 - Library

"Riverside County Sheriff's Department and its contract agency (Moreno Valley) implemented a records management system mid-year 1999 and experienced technical problems with the system. Totals reported for 1999 were not valid and should not be used to make comparisons. Therefore, to maintain comparability of 2000 data with 1999 data, counts are shown but not included in the subtotals or total selected jurisdiction counts."

Note * 2: Shown above is the approximate % change for 1999 using 1998 v 2000 comparison. Per Lt. Hill at Riverside County Sheriff's Technical Services Bureau (TSB): "The Riverside County Sheriff's Department implemented a new records management system in 1999 and experienced technical problems with the system. Totals reported for 1999 were not valid and should not be used to make comparisons." What is shown is an average decrease in crime for 1999 by percentages using 1998 as base year and 2000 as the comparison year and then divide the year 2000 percentages by 2 to show an average for each year, 1999 & 2000.

Council/Staff Workshop
Council Chamber, February 2, 2013

Topic: **3-Year Budget**

3-Year Budget Process:

- Walk through major steps ...
 - General Schedule ...
 - Level of City Council Review ... one-on-one briefings, Study Session Review of major funds; regular session presentation and review prior to adoption

Council Review and Discussion of Budget Priorities

- Key Policy Direction for Budget Development
 - Balance the Budget in FY 2013-14 or
 - Maintain key service levels and GF positions, balance over a two-year period
 - Extent of Community Involvement ...

- Challenges to balancing in FY 2013-14
 - Streetlight subsidy of \$1 million per year continues
 - Morrison Park Fire Station operating costs need to be funded - \$1.5 million
 - DEP left about \$800,000 of deficit unresolved at June 30, 2013
 - Loss of RDA has caused a cost shift to the GF
 - Solving the deficit will result in additional service and staff reductions to achieve the necessary expense reductions
 - Public Safety Contracts may exceed revenue growth of 2%

- General Fund Revenue/Tax Base continues to grow slowly overall
 - Current Year Revenue Budget is \$74.5
 - Projected to grow to about \$76.0 million, 2.0% growth is \$1.5 million annually

- Review Expenditure Challenges in FY 2014-15 and FY 2015-16
 - What are major expenditures needs as revenues grow
 - Public Safety Contract growth - 3% growth in PD and Fire is \$1.5 million annually
 - Public Safety Service Levels – Adding back one Sworn Officer is about \$250,000 annually
 - Employee Compensation issues – 1% increase is \$130,000 annually for GF
 - Animal Services – Service levels are proposed to be reduced to balance the budget, recent Council discussion of service levels indicates a desire to increase service levels
 - Resolve Street Light Subsidy -- \$1 million annually

Council/Staff Workshop
Council Chamber, February 2, 2013

Topic: **Feasibility of a Revenue Measure**

Background/Process/Timing:

- Review the steps involved in a successful revenue measure ...
 - Develop transparency and trust in City financial data/financial management actions
 - Survey voters through telephone surveys/focus groups to determine the key issues for voters in the community, assess what type of tax measure they may be willing to support
 - Write a clear ballot measure that garners support for the measure
 - Provide a clear informational message for the community, actively provide this information to community groups and ballot measure support groups
- Present timing of issues
 - Hold during a general election with Council Candidates running, or must declare a fiscal emergency
 - Next City General Election is November 2014
 - provides time to establish community support for a measure
- Issue of General (majority vote) and Special (super-majority vote) Taxes

Discussion:

- Past Successes and Failures
 - City of Moreno Valley's history (handout)
 - See Michael Coleman's recent statewide information (handout)
- Possible Ballot Measures to Consider
 - Hotel Tax Increase (Transient Occupancy Tax)
 - Currently at 8%, neighboring cities are 11-12%
 - Street Lights Tax – Special Tax (sales tax or parcel tax)
 - Public Safety Tax – Special Tax (sales tax or parcel tax)
 - General Sales Tax – simple majority
 - Property Transfer Tax – simple majority
- Next Steps
 - Direct staff to proceed to plan and implement a strategy for a ballot measure(s)
 - Determine the date/timing of a potential ballot measure
 - Proceed to finalize voter survey/focus group study with Lew Edwards Group
 - Complete a plan with milestones and timeline for a Ballot Measure targeted toward an election date directed by City Council

Council/Staff Workshop
Council Chamber, February 2, 2013

- Return to Council in Study Session to discuss the results of the survey/focus groups and determine a ballot measure structure based on this information
- Conduct all City Business transparently, improve communication to the community to gain community trust and support in all actions of the City in support of a Ballot Measure

City of Moreno Valley History of Revenue Measures

June 1996	Utility User's Tax (UUT)	Failed
	Retain the existing 6% UUT	
	Measure P - Business License	Failed
November 1996	Utility User's Tax (UUT)	Passed
	Retain the existing 6% UUT	
	Measure BB - Business License (reenacted the existing business license tax, which was subject to repeal as of December 31, 1996	Passed
November 1998	Measure U - Increase in the Annual Zone A Parcel Fee by \$8 (10,241 yes; 14,524 no)	Failed
July 2001	Measure A – Library Services	Failed
	Annual Parcel Fee not to Exceed \$20 for Zone L (Library Services) to construct and operate a library on Civic Center campus – failed (2027 yes; 2541 no)	
November 2008	Utility User's Tax (UUT)	Passed
	Modernization and rate reduction (from 6% to 5.75%)	
November 2010	Hotel Tax (TOT)	Failed
	Increase in TOT rate from 8% to 11%	
November 2010p	Increase in Streetlight Parcel Fee	Failed
	Increase from \$22.00 to \$24.00 per parcel	

Type of Tax	Approval Required
General Tax	Simple Majority
Sales Tax	
Hotel Tax (TOT)	
Documentary Transfer Tax	
Utility User's Tax	
Business Tax	
Special Tax	2/3 Supermajority
Sales Tax	
Parcel Tax	
Utility User's Tax	

Local Revenue Measures in California November 2012 Results

The November 6, 2012 presidential election featured 368 local measures in California on questions including land use development, government organization, bond authorizations and tax increases. Among these were 240 measures seeking approval for taxes, bonds or fees, including three by initiative. Three other measures sought by initiative to reduce previously approved taxes.

This volume of local measures is quite comparable to the number of local measures on each of the last two presidential election ballots in California. In November 2008, there were 233 revenue measures including 116 school bonds and taxes. In November 2004, there were 249 revenue measures including 86 school bonds or taxes.

K-12 schools districts and community colleges requested total of \$14.5 billion in 106 separate bond measure authorizations for school bonds to construct facilities, acquire equipment and make repairs and upgrades. There were 25 measures to increase or extend school parcel taxes.

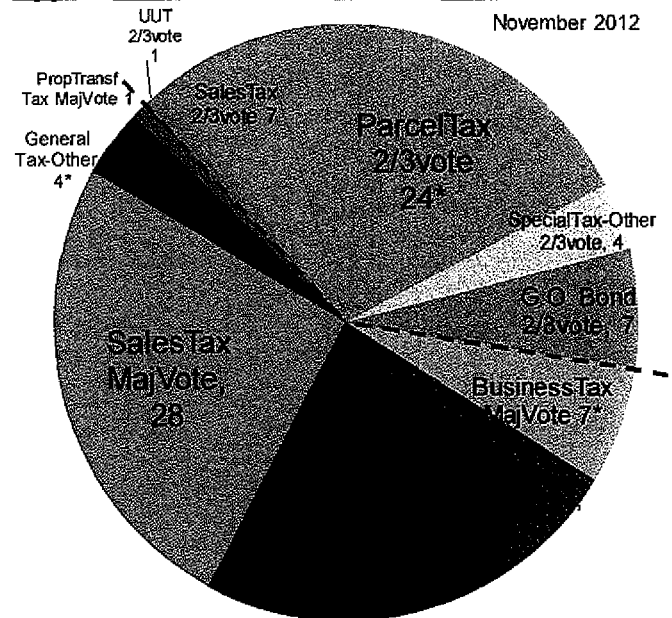

Among the 109 non-school local revenue measures were seven general obligation bond measures and 36 special taxes and parcel taxes requiring two-thirds voter approval. There were 35 proposals to extend or increase transactions and use taxes (so-called add-on sales taxes) and 24 proposals to increase or extend non-school parcel taxes.

Proposed Local Revenue Measures November 2012

© 2012 Michael Coleman

Types of Non-School Local Tax Measures

*Vacaville's Measure M combined a business license tax, parcel tax and hotel tax. It is counted here as a "General Tax - other"

© 2012 Michael Coleman

Overall Passage Rates

Following canvas updates by most county elections offices, the results of nearly all measures appear final. Since election night, the updated counts have four additional 55% school bond measures and one additional two-thirds vote school parcel tax passing. In addition, in Tuolumne County the Summerville Union High School District bond measure is undergoing a recount after falling just two votes short of 55% yes vote passage out of 4731 votes tabulated. This brings the total number of passing measures to 176 of the 240 tax/revenue measures proposed.

Local Revenue Measures November 2012

	Total	Pass	Passing'
City General Tax (Majority Vote)	60	48	80%
County General Tax (Majority Vote)	6	4	67%
City Special Tax or G.O. bond (2/3 Vote)	15	5	33%
County (Special Tax) 2/3 Vote	12	7	58%
Special District (2/3)	16	7	44%
School Parcel Tax 2/3	25	16	64%
School Bond 2/3 or 55%	106	89	84%
Total	240	176	73%
Redux by initiative	3	0	0%

The rate of passage of school measures slightly exceeded historic passage rates. Near final results indicate 89 of the 106 school bonds and 16 of the 25 school parcel taxes passed.

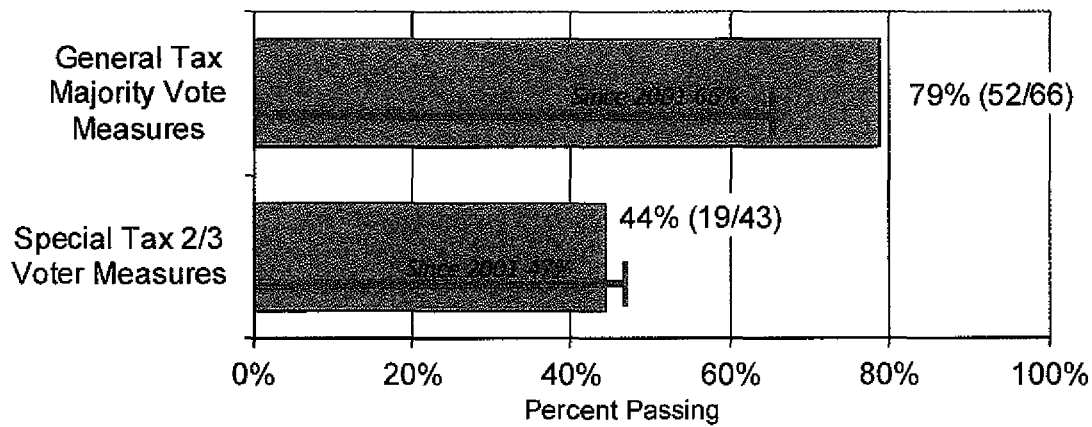

School Tax & Bond Measures November 2012

Local non-school majority vote tax measures did somewhat better this election than in prior years with 52 of 66 passing. Among the failing measures were three taxes proposed in San Diego County cities as a part of marijuana dispensary initiatives. These taxes on the sale of marijuana probably could not have been implemented had they passed.

Among the 43 non-school special taxes, parcel taxes and bonds requiring two-thirds voter approval, 19 passed, a very similar passage rate compared to past elections.

City / County / Special District Tax & Bond Measures November 2012

General purpose tax measures fared especially well, especially add-on sales taxes (local transactions and use taxes). Parcel taxes and G.O. bonds had a much more difficult time, mostly, it appears, due to the two-thirds supermajority vote thresholds. Five of the 25 non-school parcel taxes failed to even garner 50% yes votes.

Passing and Failing City / County / Special District Measures by Type November 2012

Local Add-On Sales Taxes (Transaction and Use Taxes)

Twenty five cities and three counties proposed general purpose majority vote add-on sales tax rates ranging from 1/8 percent in Santa Clara County to one percent in several cities. Voters approved all but three of these measures.

Transactions and Use Tax (Add-on Sales Tax) - General Tax - Majority Approval

Agency Name	County	Rate	Sunset	YES%	NO%

Maricopa (224 voters)	Kern	Measure R 1cent	10yrs	32.6%	67.4%	FAIL

There were seven add-on sales tax measures earmarked for specific purposes. Five of these were county-wide measures. All seven received over 60% yes votes, but four fell short of the two-thirds approval needed including transportation measures in Alameda and Los Angeles and two measures related to roads and water quality in Lake County.

Transactions and Use Tax (Add-on Sales Tax) - Special Tax - Two-Thirds Approval

Agency Name	County	Rate	Purpose	Sunset	YES%	NO%	
County of Napa	Napa	Measure T 1/2cent	streets (was flood) extend 25yrs after 2018		74.4%	25.6%	PASS

County of Lake	Lake	Measure E 1/2cent	water quality		62.2%	37.8%	FAIL
Clearlake	Lake	Measure G 1cent	streets/roads		61.1%	38.9%	FAIL

Transient Occupancy (Hotel) Taxes

There were eighteen measures to increase or expand Transient Occupancy (Hotel) Taxes. All but three passed. Plymouth voters also approved a companion advisory measure that expresses the preference that "the additional revenues be used primarily for the purpose of repairing and maintaining the city's roadways."

*measure is an "excise tax" also includes BLT, etc.

Utility User Taxes

Voters in ten cities considered measures to increase or expand utility user taxes. Several of the proposals were to modernize existing taxes on telecommunications and among these, five proposed a reduction in the tax rate as a part of effectively expanding the tax base to wireless communications. Chico is one of very few cities to have rejected this approach at the polls.

Among the ten measures, only Citrus Heights earmarked the tax for specific purposes. But voters rejected the proposed increase.

Voters in Arcata approved a novel UUT, a 45% tax on excessive electricity use aimed at home grow houses.

Utility User Taxes

<u>Agency Name</u>	<u>County</u>	<u>Measure</u>	<u>Rate</u>		<u>%Needed</u>	<u>YES%</u>	<u>NO%</u>

Business License Taxes

There were eight business license tax measures, including two proposals to tax sugared beverages, a new idea among local measures in California. A proposal to increase local taxes on “businesses engaged in the manufacture, piping, refining, storage and wholesale distribution of petroleum products” failed in Rialto. The sugared beverage taxes were resoundingly rejected. Companion measures in both cities that expressed the preferred use of the funds for particular programs did not help. Six other measures passed easily.

Business License Tax Measures: Majority Vote General

<u>Agency Name</u>	<u>County</u>	<u>Measure</u>	<u>Rate</u>	<u>YES%</u>	<u>NO%</u>	
Vacaville*	Solano	Measure L		80.1%	19.9%	PASS

El Monte	Los Angeles	Measure H	23.2%	76.8%	FAIL

Property Transfer Tax

A proposal to increase the property transfer tax in Pomona failed. Pomona pursued the ill-advised approach of placing multiple tax measures on the ballot at once: a hotel tax, a parcel tax (2/3 vote), and this property transfer tax. All failed.

Property Transfer Taxes

<u>Agency Name</u>	<u>County</u>	<u>Measure Na</u>	<u>Rate</u>	<u>YES%</u>	<u>NO%</u>	
Pomona	Los Angeles	Measure W	from \$1.10 to \$2.20	24.6%	75.4%	FAIL

Parcel Taxes and Special Taxes (non-school)

There were 25 parcel taxes including 13 in special districts, ten in cities, and two in counties. Under a state constitutional provision included in Proposition 13 (1978), parcel taxes require two-thirds supermajority approval. Ten of 25 measures passed. Among these ten, six extended -- but did not increase -- existing parcel taxes.

An initiative measure to revise and reduce a fire parcel tax in Newcastle was rejected by voters in that community. The measure received 61% approval but required two-thirds approval.

City, County and Special District Parcel Taxes (2/3 vote)

Abandoned Vehicle Abatement Taxes

Four counties had measures to extend \$1 per motor vehicle charges to fund abandoned vehicle abatement programs. These charges were once imposed by the County Boards of Supervisors as fees without a vote of the people. The passage of Proposition 26 in 2010 requires voter approval as taxes of any extension of these charges. All four measures passed.

Abandoned Vehicle Abatement Tax						
(Fees prior to Prop26 of 2010) - 2/3 voter approval required						
County of Mendocino	Measure G	\$1/veh	78.8%	21.2%	PASS	extend
County of Butte	Measure H	\$1/veh	73.4%	26.6%	PASS	extend
County of Calaveras	Measure B	\$1/veh	70.9%	29.1%	PASS	extend
County of Amador	Measure U	\$1/veh	68.8%	31.2%	PASS	extend

General Obligation Bonds

There were seven local general obligation bond measures in three cities and three special districts. The three passing measures are all in the San Francisco Bay Area. Voters in Berkeley approved a bond for critical drainage and water quality improvements but turned failed to garner the two-thirds approval needed for a parks improvement bond. A hospital bond in Fremont and a parks and environmental clean-up bond in San Francisco also passed.

City, County and Special District Bond Measures (2/3 vote)

<u>Agency Name</u>	<u>County</u>	<u>Amount</u>	<u>YES%</u>	<u>NO%</u>

School Parcel Taxes

School parcel taxes fared better than non-school parcel taxes. The ballot included 25 local school parcel taxes. Sixteen passed. San Leandro USD's tax passed by 24 votes after training in the election night tally. Historically, around four out of five school parcel tax measures are approved.

Huntington Beach	Measure AA	retain taxes on annexed Sunset Beach area	84.0%	16.0%	PASS

School Bonds

There were 106 school bond measures on the ballot for a total of over \$14.5 billion in bonds. Most required 55% approval. Near final tabulations show 89 of the measures passing for bonds totaling \$13.267 billion, among these a \$2.8 billion bond in San Diego. In Tuolumne County the Summerville Union High School District bond measure is just two votes short of passage out of 4731 votes tabulated and is in recount.

Observations

At the local government level, voters can usually connect the direct consequences of the passage or failure of a tax measure to specific public services or facilities – rather than just dollar values. This confidence and understanding in what the money will do is essential to passing a measure. By contrast, a source of the failure of many statewide tax measures has been voter uncertainty about what the funds will truly be used for, that the government has done reasonably the best it can with the revenues it already receives, and what the consequences are of passage or failure in terms of specific important public services and facilities.

The success of most city majority vote general purpose tax proposals in this election demonstrates this. Most of the successful city or county measures were majority vote general purpose taxes in cities where a majority of the voters were apparently confident that the money is necessary and trusted their local elected leaders to use it well. They had seen enough of the city's efforts to balance their budgets with existing resources and believed those efforts were sincere and that the additional tax revenue is necessary and worth paying.

On the other hand, very few non-school super-majority taxes are passing these days except for extensions of existing taxes.

But supermajority vote parcel taxes for schools continue to pass – about two out of three succeed – consistent with what we have seen historically. As for school bonds, 89 of 106 bond measures passed, slightly exceeding historic passage rates.

Council/Staff Workshop
Council Chamber, February 2, 2013
MAYOR OWINGS' INTRODUCTORY COMMENTS:

Discussion will be at the 30,000 FT level

We need a new vision!

Strategy plan for MV

Our vision for our City

Performance

Trust the people to make the right decisions

Credibility Know your job

Think how to get it done, not why we can't

Let's agree on what we can agree on and act

Council/Staff Workshop

Council Chamber, February 2, 2013

ITEMS UPON WHICH THE CITY COUNCIL REACHED CONSENSUS DURING THEIR
WORKSHOP DISCUSSIONS:

If the City were to draft a Charter, would like to see it include the following:

- Council election runoffs
- Council member qualifications
- Term limits
- Zoning: same as in Gen. Law
- City determine rules for vacancies/terminations
- City determine quorum/ voting requirements
- Legislative authority: same as in Gen. Law
- Fin/Tax (review charter options)
- Street, sidewalk: same as in Gen. Law
- Public contracts: charter w/competitive bid
- Outsourcing
- Prevailing wage addressed in Charter for cost saving purposes
- More open/sunshine rules
- No change in relationship w/city employees

Council item on future agenda to take action on Charter Subcommittee, with a Citizens Review Committee, 2014 election

Directly-elected Mayor

Efforts of city to focus on medical corridor

Highest/best use study for 60 acres on Nason owned by the City

Seek innovative measures to enhance Economic Development efforts

Business incubators – higher priority

Emphasize incentives for ecommerce fulfillment centers

Continue to emphasize residential development

Performing arts overlay

Mayor's council on education a priority

Augment street maintenance budget in 1-2 yrs.

More aggressive flood control enforcement

Develop neighborhood program

Balance General Fund budget in FY 13/14 (but also present a 2-yr option)

Discuss unfunded liabilities w/3 yr budget

Study session: surplus properties

Conduct Neighborhood budget meetings

Support Nov. 2014 revenue ballot measure(s)

Include Sunnymead Blvd on Economic Development list

Council/Staff Workshop
 Council Chamber, February 2, 2013
CAMPAIGN PROMISES:

CITY OF MORENO VALLEY
Community & Economic Development Department
Building & Safety Division

MEMORANDUM

To: Barry Foster, Community and Economic Development Director
From: Anne Schneider, PE, Building Official
Date: January 24, 2013
Subject: Response of the Building and Safety Division to CRM

This is the partial text of the CRM we received Tuesday January 22, 2013.

Please investigate on behalf of Mayor Owings and advise the outcome.

Mr. Fisher submitted a letter (attached) regarding a dispute with Building and Safety regarding the building permits for a "guest house" located at 13850 Belia Ct.

Text of letter is attached separately.

Here is the proposed response.

Anne Schneider, PE, Building Division Manager/Building Official on 01/24/13: Building & Safety received a complaint of substandard conditions at 13850 Belia Ct. An inspection was conducted on November 26, 2012 and substandard living conditions were found to exist at the property.

A review was conducted of the permit history for the property with the following items noted. See attached map for identification of each structure on property.

Structure 1

Structure 1 is a 2812 square foot home with a detached 800 square foot garage and 592 square feet of patios & porches.

The property owner obtained a custom home approval from Planning, Plot Plan PP1946 and a Building permit, #9411845 from Building & Safety. (See attached copy). The home received final approval for occupancy on September 9, 1994.

Structure 2

Structure 2 is a 1000 square foot addition to Structure 1 that was permitted for a workshop and storage room, with plumbing and electrical installations but no mechanical (heating or air-conditioning) equipment under Building permit #9412845. (See attached copy). This area was specifically noted on the permit, which is signed by Mrs. Beverly Fisher, as "No second unit permit'd".

Structure 3

Structure 3 is a 2400 square foot home with an attached 500 square foot garage. The property owner obtained a custom home approval for a second unit on the property from Planning, Plot Plan PP2003 and a Building permit, #9414588 from Building & Safety. The "second unit" home received final approval for occupancy on April 28, 1995.

Per the Planning Division requirements, a maximum of two dwelling units are permitted at the property. A third unit is not permitted. The property owner was informed of this in writing at the time the permit for the "workshop and storage room" was issued and the room was in compliance with that requirement at the time of the final inspection in April of 1995.

The tenant renting the "workshop" provided access to the rental unit for inspection on November 26, 2012. The photographs taken during the inspection clearly show the use of the "workshop & storage room" as a separate dwelling unit. (See attached photos.) The photographs document construction done after the final inspection was completed. There have been no permits for this construction obtained.

On December 19, 2012, the property owner provided eviction paper work for the workshop unit to Building & Safety. The landlord initiated eviction proceedings against the tenant on November 28, 2012. The property owner provided a rental agreement showing that the space is being rented as a separate unit. Based on receipt of the eviction notice, further enforcement action against the property owner has been suspended until the hearing date of February 8, 2013 as shown in the eviction papers. As long as the property owner diligently continues with the eviction proceedings, further punitive action against the property owner is suspended. If the property owner fails to complete the eviction and allows the tenant to remain, the enforcement action will immediately resume.

The property owner must remove all illegal construction, including the entire kitchen, separate water heater system, new heating system and interior partitions constructed without permits.

No documentation that is contrary to these stated facts had been provided by the property owner. If he wishes to submit the information he believes clarifies the situation at the property, he is welcome to do so. He will be contacted and a request made to

submit any information that he feels is relevant to this issue. All information provided herein is from public records available to the property owner.

CRM MV-14669-P356

Sir

My wife and I are writing you to solicit your help in solving a dispute we are having with the Building and Safety Dept. We have spoken to a number of people both in the Building and Safety and Planning Departments with no resolution to the problem.

In 1994 my father had built the house we are living in now. In addition to this house he had built a small house attached to the rear of this house. The purpose of the rear house was for him to live there during the last years of his life and we could take care of him. He was the sole owner of the property and house. In 1996 he added my wife and I to the deed to make an easier transfer of title after his death. When he died in 1998 we became sole owners of the house.

After his passing I found a copy of the building permits and inspection records for both the main house and the rear unit. Both the building permit and inspection record labels the rear house a "Guest House" After his passing my wife and I rented out the rear house. We did not receive criteria concerning what a guest house can and cannot be used for.

Last month we gave the couple that were renting notice that we no longer wanted to rent to them. They became very vindictive and they did everything they could think of to get even with us. In fact it became so bad that we had to get a court ordered restraining order against the man. One thing this man did was call the building and safety department to complain about a number of things. The inspector came out and spoke to him. While he was there I tried to speak to him but he refused to talk to me. So my wife and I went down to the office and spoke to the person at the counter. We explained to her what we had and what was going on. She then told us that we cannot rent out a "guest house". We told her that we did not know and we are in the process of evicting the tenant now. We also told her once he is out we will not rent it out in the future. She said that was good. It shows we are trying to comply with the code.

Since that time we managed to speak to the inspector who came out for this person's complaint. During the conversation he told us that we converted a "workshop" into a livable house. I tried to tell him and show him written proof that this house was built as a guest house and we did not convert anything. We inherited it from my father just the way it is today. He refused to listen to me and look at the written proof I had. He also told me that I was the owner and I built the house as a licensed contractor without a business license. I tried to tell him I did not build the house as a licensed contractor. I helped my father build it as his son. He did not hire me to do the work. But again he refused to listen to me.

MV00255269

Now here is the problem. I asked the inspector what does he want me to do. He said I have to basically gut the inside so it will no longer be livable. We tried to tell him that is an unreasonable request since everything in it was inspected and approved. We were fined \$100 dollars for the, quote, illegal conversion and given until Jan 2, 2013 to comply with his request. My wife and I told him that we cannot do that because the people we are evicting will not move out and in all likelihood they will not move until they are ushered out by the police. We told him we need more time. We also told him we did not convert the house, we inherited it the way it is today. He said he will not give it to us and the fine will continue to increase. I asked to speak to his supervisor but he ignored me. We than went up to your office and asked to see you. The woman we spoke to asked what was it concerning. We told her and she said she would be right back. In a few minutes she returned and told us that the head of the Building and Safety department said for us to bring in the eviction papers and we would be given more time. As soon as we received the papers from our attorney we brought them into the office.

While we were there we spoke to someone in the planning department and asked if Guest houses were permitted in the city. She said they were as long as we meet the criteria. She told us what they were and we do meet them. So I than asked her what do we need to do in order to keep this rear unit as a guest house, not to rent in out, but to use for family and friends who visit us from time to time. We than went to the Building department and asked them the same thing. Basically we were told that we just have to start from scratch. We have to pay all the fees and have it inspected again. We just don't understand why we have to pay all the fees again and have it inspected when the fees were paid and it was inspected and approved when it was first built. They gave us an estimate of what the fees would be and they could amount to almost \$5000. I am retired and my wife does not work. We cannot afford that amount.

Why is it when a vindictive person calls to complain we suddenly have to either have to tear down what has been approved or pay more money to keep it as it is. This house has been in existence for nearly 20 years. Our only mistake was renting it out after my father's death. We did that not knowing any better. Now that we know we will comply with the code. It is not fair nor right for us to repay all the fees again.

Any help and clarification on this matter will be greatly appreciated

Yours Truly

Norman Fisher

CERTIFICATE OF EXEMPTION FROM WORKERS' COMPENSATION INSURANCE: This section need not be completed if the work to be performed under this permit is valued at one hundred (\$100) or less. I certify that in the performance of the work for which this permit is issued, I shall not employ any person in any manner so as to become subject to Workers' Compensation Laws of California.

Date _____

Applicant _____

NOTICE TO APPLICANT: If, after making this Certificate of Exemption, you should become subject to the Workers' Compensation provisions of the Labor Code, you must be following comply with such provisions or this permit shall be deemed revoked.

WORKERS' COMPENSATION DECLARATION: I hereby affirm that I have a certificate of contract to self-insure, or a certificate of Workers' Compensation insurance, or a certified copy thereof (Sec. 3400 Lab. Code).

Certified copy is hereby furnished.

Certified copy is already filed with the Community Development Department of the City of Moreno Valley.

DIVISION OF INDUSTRIAL SAFETY PERMIT CERTIFICATION: I hereby certify that no excavation five (5) or more feet in depth into which a person is required to descend, will be made in connection with work authorized by this permit, and that no building structure, scaffolding, falsework, or installation of dismantling thereof, will be more than thirty-six (36) feet high. (Chap. 9.2, Div. 2, Art. 2, Sec. 341, Title 8, California Administrative Code).

As Direct Employer, I will not employ anyone to do work which would require a permit from the Division of Industrial Safety, as stated above, unless such person has a permit to do such work from the Division.

Division of Industrial Safety Permit No. _____

HAZARDOUS MATERIALS AND EMISSIONS CERTIFICATION (These requirements do not apply to residential construction)

Permit Number: _____

Date: _____

1. Will the applicant or present or future building occupant need to file and certify a Business Plan for emergency response to a release or threatened release of a hazardous material?

Yes No

(Section 25503 of the California Health and Safety Code requires, with some exceptions, that a Business Plan be filed with the County of Riverside by every business which has at any one time during a reporting year a quantity of hazardous materials equal to or greater than a weight of 500 pounds, or a volume of 55 gallons, or 200 cubic feet of compressed gas at standard temperature and pressure).

2. Does or will the applicant or present or future building occupant need to file a registration form for acutely hazardous material?

Yes No

(Section 25533 of the California Health and Safety Code, with some exceptions, requires registration with the County of Riverside by each business which at any one time has on hand a quantity of acutely hazardous materials equal to or greater than a weight of 500 pounds, or a volume of 55 gallons, or 200 cubic feet of compressed gas at standard temperature and pressure).

3. Does or will the applicant or present or future building occupant need to prepare an RMPP (Risk Management and Prevention Program) for acutely hazardous materials?

Yes No

(Section 25534 of the California Health and Safety Code provides that the County of Riverside may require the preparation, certification and filing with the County of an RMPP by businesses which are required to register acutely hazardous materials with the County).

4. If an RMPP is presently required, has Section 25534 of the California Health and Safety Code been fully complied with?

Yes No

5. Does or will the applicant or present or future building occupant require for the work which is the subject of this application a permit for such construction or modification from the South Coast Air Quality Management District or from any other air pollution control district or agency?

Yes No

(Section 65850.2 of the California Government Code requires that the requested information be furnished on applications for non-residential building permits).

6. Will any part of the facility to be constructed under this permit be within 1000 feet from the outer boundaries of a school?

Yes No

(If "yes", the facility must meet the requirements of Sections 25534 and 42303 of the California Health and Safety Code).

7. If a permit from the South Coast Air Quality Management District or other air pollution control district or agency is required for the work which is the subject of this application, have all of the disclosures prescribed by California Health and Safety Code Section 42303 been made?

Yes No

(If "yes", such disclosures be compliant with the appropriate air pollution control district).

If all of the above is correct, I certify that under penalty of perjury the information given above is correct. I agree to comply with all state laws and city ordinances regarding Hazardous Materials and Emissions.

LICENSED CONTRACTORS DECLARATION - I am a contractor licensed under the provisions of Chapter 9 commencing with Section 70001 of Division 9 of the Business and Professions Code, and my license is in full force and effect.

CERTIFICATE OF EXEMPTION FROM WORKERS' COMPENSATION INSURANCE - This section need not be completed if the work to be performed under this permit is valued at one thousand dollars or less. I certify that in the performance of the work for which this permit is issued, I will not employ any person in any manner so as to become subject to Workers' Compensation Laws of California.

WORKERS' COMPENSATION DECLARATION - I hereby affirm that I am a contractor or consultant to self-insure, or a certificate of Workers' Compensation Insurance, or a certified copy thereof (See 38001, 38002, 38003).

Certified copy is hereby furnished.

Certified copy is already filed with the Community Development Department of the City of Moreno Valley.

DIVISION OF INDUSTRIAL SAFETY PERMIT CERTIFICATION - I hereby certify that any excavation ten (10) or more feet in depth into which a person is required to descend, will be made in accordance with work authorized by this permit and in accordance with the following: (1) Work on excavation or retaining shoring, will be more than thirty six (36) feet high.

DATE _____

APPLICANT _____

NOTICE TO APPLICANTS - If you are requesting an exemption, you should become subject to the Workers' Compensation provisions of the Labor Code, you must comply with such provisions or this permit shall be deemed voided.

As a contractor, I will not employ anyone who is not authorized to work on excavation from the Division of Industrial Safety as noted above, unless said person has a permit issued by said Division.

Division of Industrial Safety Permit # _____

HAZARDOUS MATERIALS AND EMISSIONS CERTIFICATION
(These requirements do not apply to residential construction)

Permit Number _____

Date _____

1. Will the applicant or present or future building occupant be required to file and certify a Business Plan for emergency response to a collection or uncontrolled release of a hazardous material?

Yes No

2. Does or will the applicant or present or future building occupant require for the work which is the subject of this application or permit for such construction or modification from the South Coast Air Quality Management District or other air pollution control district or agency?

Yes No

Section 25502 of the California Health and Safety Code requires, with some exceptions, that a Business Plan be filed with the County of Riverside for any business which has at any one time during a calendar year a quantity of hazardous materials in solid or liquid form, or a quantity of compressed gas at standard temperature and pressure:

Section 42202.2 of the California Government Code requires that the requested information be furnished on applications for non-residential building permits.

2. Does or will the applicant or present or future building occupant need to file a registration form for existing hazardous materials?

Yes No

3. Will any part of the facility to be constructed under this permit be within 1000 feet from the water basin of a school?

Yes No

Section 25513 of the California Health and Safety Code, with some exceptions, requires registration with the County of Riverside for any business which at any one time has on hand a quantity of acutely hazardous materials equal to or greater than a weight of 300 pounds, or a volume of 75 gallons, or 200 cubic feet of compressed gas at standard temperature and pressure.

If "yes", the facility must meet the requirement of Sections 25331 and 42203 of the California Health and Safety Code.

3. Does or will the applicant or present or future building occupant need to prepare an RMP (Risk Management Plan) for existing hazardous materials?

Yes No

4. If the permit from the South Coast Air Quality Management District or other air pollution control district or agency is required for the work which is the subject of this application, have all of the measures mandated by California Health and Safety Code Section 42203 been made?

Yes No

Section 25514 of the California Health and Safety Code provides that the County of Riverside may require the preparation, certification and filing with the County of an RMP by businesses which are required to register acutely hazardous materials with the County.

If the applicant certifies compliance from the responsible air pollution control district.

4. If an RMP is presently required, is Section 25514 of the California Health and Safety Code being fully complied with?

Yes No

Under penalty of perjury, I certify that under penalty of perjury the information given above is correct. I agree to comply with all state laws and city ordinances regarding Hazardous Materials and Emissions.

OWNER-BUILDER DECLARATION

I hereby affirm that I am exempt from the Contractors License Law for the following reasons: (a) I am a resident and presently residing in this county who intend to perform the construction, alteration, or repair of a building, structure, or improvement for such owner to be a private dwelling unit, or (b) I am not licensed under the provisions of the Contractors License Law, and I am not contracting with Section 70001-70003 of the Business and Professions Code for the construction and the repair of the building, structure, or improvement. See Section 70003.3 by any applicant for a permit subject to the approval of a local authority of jurisdiction. See Subchapter 100000.

SIGNATURE *[Signature]* _____

I, as owner or agent or my employees, with wages in excess of one thousand dollars, will do the work, and the contractor is licensed or bonded in accordance with the Business and Professions Code. The Contractor's License Law does not apply to construction of property who builds or improves the work, and who does such work himself or herself, or who hires the contractor and does not supervise or control the work; however, the building or improvement cannot be used until the contractor has the building or improvement bonded or insured for the purpose of the law.

PROXIMATE _____

I, as owner of the property, am not contracting with licensed contractors in violation of Section 70001-70003 of the Business and Professions Code. The Contractor's License Law does not apply to the owner of property who builds or improves the work, and who controls the work projects with a contractor licensed pursuant to the Contractor's License Law.

CITY OF MORENO VALLEY
Community & Economic Development Department
Building & Safety Division

MEMORANDUM

To: Barry Foster, Community and Economic Development Director
From: Anne Schneider, PE, Building Official
Date: January 24, 2013
Subject: Response of the Building and Safety Division to CRM

This is the partial text of the CRM we received Tuesday January 22, 2013.

Please investigate on behalf of Mayor Owings and advise the outcome.

Mr. Fisher submitted a letter (attached) regarding a dispute with Building and Safety regarding the building permits for a "guest house" located at 13850 Belia Ct.

Text of letter is attached separately.

Here is the proposed response.

Anne Schneider, PE, Building Division Manager/Building Official on 01/24/13: Building & Safety received a complaint of substandard conditions at 13850 Belia Ct. An inspection was conducted on November 26, 2012 and substandard living conditions were found to exist at the property.

A review was conducted of the permit history for the property with the following items noted. See attached map for identification of each structure on property.

Structure 1

Structure 1 is a 2812 square foot home with a detached 800 square foot garage and 592 square feet of patios & porches.

The property owner obtained a custom home approval from Planning, Plot Plan PP1946 and a Building permit, #9411845 from Building & Safety. (See attached copy). The home received final approval for occupancy on September 9, 1994.

Structure 2

Structure 2 is a 1000 square foot addition to Structure 1 that was permitted for a workshop and storage room, with plumbing and electrical installations but no mechanical (heating or air-conditioning) equipment under Building permit #9412845. (See attached copy). This area was specifically noted on the permit, which is signed by Mrs. Beverly Fisher, as "No second unit permit'd".

Structure 3

Structure 3 is a 2400 square foot home with an attached 500 square foot garage. The property owner obtained a custom home approval for a second unit on the property from Planning, Plot Plan PP2003 and a Building permit, #9414588 from Building & Safety. The "second unit" home received final approval for occupancy on April 28, 1995.

Per the Planning Division requirements, a maximum of two dwelling units are permitted at the property. A third unit is not permitted. The property owner was informed of this in writing at the time the permit for the "workshop and storage room" was issued and the room was in compliance with that requirement at the time of the final inspection in April of 1995.

The tenant renting the "workshop" provided access to the rental unit for inspection on November 26, 2012. The photographs taken during the inspection clearly show the use of the "workshop & storage room" as a separate dwelling unit. (See attached photos.) The photographs document construction done after the final inspection was completed. There have been no permits for this construction obtained.

On December 19, 2012, the property owner provided eviction paper work for the workshop unit to Building & Safety. The landlord initiated eviction proceedings against the tenant on November 28, 2012. The property owner provided a rental agreement showing that the space is being rented as a separate unit. Based on receipt of the eviction notice, further enforcement action against the property owner has been suspended until the hearing date of February 8, 2013 as shown in the eviction papers. As long as the property owner diligently continues with the eviction proceedings, further punitive action against the property owner is suspended. If the property owner fails to complete the eviction and allows the tenant to remain, the enforcement action will immediately resume.

The property owner must remove all illegal construction, including the entire kitchen, separate water heater system, new heating system and interior partitions constructed without permits.

No documentation that is contrary to these stated facts had been provided by the property owner. If he wishes to submit the information he believes clarifies the situation at the property, he is welcome to do so. He will be contacted and a request made to

submit any information that he feels is relevant to this issue. All information provided herein is from public records available to the property owner.

CRM MV-14669-P356

Sir

My wife and I are writing you to solicit your help in solving a dispute we are having with the Building and Safety Dept. We have spoken to a number of people both in the Building and Safety and Planning Departments with no resolution to the problem.

In 1994 my father had built the house we are living in now. In addition to this house he had built a small house attached to the rear of this house. The purpose of the rear house was for him to live there during the last years of his life and we could take care of him. He was the sole owner of the property and house. In 1996 he added my wife and I to the deed to make an easier transfer of title after his death. When he died in 1998 we became sole owners of the house.

After his passing I found a copy of the building permits and inspection records for both the main house and the rear unit. Both the building permit and inspection record labels the rear house a "Guest House" After his passing my wife and I rented out the rear house. We did not receive criteria concerning what a guest house can and cannot be used for.

Last month we gave the couple that were renting notice that we no longer wanted to rent to them. They became very vindictive and they did everything they could think of to get even with us. In fact it became so bad that we had to get a court ordered restraining order against the man. One thing this man did was call the building and safety department to complain about a number of things. The inspector came out and spoke to him. While he was there I tried to speak to him but he refused to talk to me. So my wife and I went down to the office and spoke to the person at the counter. We explained to her what we had and what was going on. She then told us that we cannot rent out a "guest house". We told her that we did not know and we are in the process of evicting the tenant now. We also told her once he is out we will not rent it out in the future. She said that was good. It shows we are trying to comply with the code.

Since that time we managed to speak to the inspector who came out for this person's complaint. During the conversation he told us that we converted a "workshop" into a livable house. I tried to tell him and show him written proof that this house was built as a guest house and we did not convert anything. We inherited it from my father just the way it is today. He refused to listen to me and look at the written proof I had. He also told me that I was the owner and I built the house as a licensed contractor without a business license. I tried to tell him I did not build the house as a licensed contractor. I helped my father build it as his son. He did not hire me to do the work. But again he refused to listen to me.

MV00255282

Now here is the problem. I asked the inspector what does he want me to do. He said I have to basically gut the inside so it will no longer be livable. We tried to tell him that is an unreasonable request since everything in it was inspected and approved. We were fined \$100 dollars for the, quote, illegal conversion and given until Jan 2, 2013 to comply with his request. My wife and I told him that we cannot do that because the people we are evicting will not move out and in all likelihood they will not move until they are ushered out by the police. We told him we need more time. We also told him we did not convert the house, we inherited it the way it is today. He said he will not give it to us and the fine will continue to increase. I asked to speak to his supervisor but he ignored me. We than went up to your office and asked to see you. The woman we spoke to asked what was it concerning. We told her and she said she would be right back. In a few minutes she returned and told us that the head of the Building and Safety department said for us to bring in the eviction papers and we would be given more time. As soon as we received the papers from our attorney we brought them into the office.

While we were there we spoke to someone in the planning department and asked if Guest houses were permitted in the city. She said they were as long as we meet the criteria. She told us what they were and we do meet them. So I than asked her what do we need to do in order to keep this rear unit as a guest house, not to rent in out, but to use for family and friends who visit us from time to time. We than went to the Building department and asked them the same thing. Basically we were told that we just have to start from scratch. We have to pay all the fees and have it inspected again. We just don't understand why we have to pay all the fees again and have it inspected when the fees were paid and it was inspected and approved when it was first built. They gave us an estimate of what the fees would be and they could amount to almost \$5000. I am retired and my wife does not work. We cannot afford that amount.

Why is it when a vindictive person calls to complain we suddenly have to either have to tear down what has been approved or pay more money to keep it as it is. This house has been in existence for nearly 20 years. Our only mistake was renting it out after my father's death. We did that not knowing any better. Now that we know we will comply with the code. It is not fair nor right for us to repay all the fees again.

Any help and clarification on this matter will be greatly appreciated

Yours Truly

Norman Fisher

LICENSED CONTRACTORS DECLARATION: I hereby affirm that I am licensed under provisions of Chapter 9 commencing with Section 7000 of Division 3 of the Business and Professions Code, and my license is in full force and effect.

CERTIFICATE OF EXEMPTION FROM WORKERS' COMPENSATION INSURANCE: This section need not be completed if the work to be performed under this permit is valued at one hundred (\$100) or less. I certify that in the performance of the work for which this permit is issued, I shall not employ any person in any manner so as to become subject to Workers' Compensation Laws of California.

Date _____

Applicant _____

NOTICE TO APPLICANT: If, after making this Certificate of Exemption, you should become subject to the Workers' Compensation provisions of the Labor Code, you must comply with such provisions or this permit shall be deemed revoked.

WORKERS' COMPENSATION DECLARATION: I hereby affirm that I have a certificate of contract to self-insure, or a certificate of Workers' Compensation insurance, or a certified copy thereof (Sec. 3400 Lab. Code).

Certified copy is hereby furnished.

Certified copy is already filed with the Community Development Department of the City of Moreno Valley.

DIVISION OF INDUSTRIAL SAFETY PERMIT CERTIFICATION: I hereby certify that no excavation five (5) or more feet in depth into which a person is required to descend, will be made in connection with work authorized by this permit, and that no building structure, scaffolding, falsework, or installation of dismantling thereof, will be more than thirty-six (36) feet high. (Chap. 9.2, Div. 2, Art. 2, Sec. 341, Title 8, California Administrative Code).

As Direct Employer, I will not employ anyone to do work which would require a permit from the Division of Industrial Safety, as stated above, unless such person has a permit to do such work from the Division.

Division of Industrial Safety Permit No. _____

HAZARDOUS MATERIALS AND EMISSIONS CERTIFICATION (These requirements do not apply to residential construction)

Permit Number: _____

Date: _____

1. Will the applicant or present or future building occupant need to file and certify a Business Plan for emergency response to a release or threatened release of a hazardous material?

Yes No

(Section 25503 of the California Health and Safety Code requires, with some exceptions, that a Business Plan be filed with the County of Riverside by every business which has at any one time during a reporting year a quantity of hazardous materials equal to or greater than a weight of 500 pounds, or a volume of 55 gallons, or 200 cubic feet of compressed gas at standard temperature and pressure).

2. Does or will the applicant or present or future building occupant need to file a registration form for acutely hazardous material?

Yes No

(Section 25533 of the California Health and Safety Code, with some exceptions, requires registration with the County of Riverside by each business which at any one time has on hand a quantity of acutely hazardous materials equal to or greater than a weight of 500 pounds, or a volume of 55 gallons, or 200 cubic feet of compressed gas at standard temperature and pressure).

3. Does or will the applicant or present or future building occupant need to prepare an RMPP (Risk Management and Prevention Program) for acutely hazardous materials?

Yes No

(Section 25534 of the California Health and Safety Code provides that the County of Riverside may require the preparation, certification and filing with the County of an RMPP by businesses which are required to register acutely hazardous materials with the County).

4. If an RMPP is presently required, has Section 25534 of the California Health and Safety Code been fully complied with?

Yes No

5. Does or will the applicant or present or future building occupant require for the work which is the subject of this application a permit for such construction or modification from the South Coast Air Quality Management District or from any other air pollution control district or agency?

Yes No

(Section 65850.2 of the California Government Code requires that the requested information be furnished on applications for non-residential building permits).

6. Will any part of the facility to be constructed under this permit be within 1000 feet from the outer boundaries of a school?

Yes No

(If "yes" the facility must meet the requirements of Sections 25534 and 42303 of the California Health and Safety Code).

7. If a permit from the South Coast Air Quality Management District or other air pollution control district or agency is required for the work which is the subject of this application, have all of the disclosures prescribed by California Health and Safety Code Section 42303 been made?

Yes No

(If "yes" such disclosures be compliant with the appropriate air pollution control district).

If all of the above is correct, I certify that under penalty of perjury the information given above is correct. I agree to comply with all state laws and city ordinances regarding Hazardous Materials and Emissions.

Subject: MotiVate Wellness Lunch & Learn REMINDER: Are you facing the challenges associated with caring for aging parents or older adults?

City of Moreno Valley

RIVERSIDE COUNTY
OFFICE ON AGING

REMINDER

February 7th Lunch & Learn Seminar Elder Care: Resources for Family Caregivers

Complimentary Lunch Provided. Please RSVP right away!

Are you facing, or preparing for, the challenges associated with caring for aging parents or older adults? It's not uncommon to feel overwhelmed while attempting to balance the many issues associated with meeting the needs of aging adults. Your **MotiVate Wellness** program has teamed with the Riverside County Office on Aging to provide a Lunch & Learn Seminar to assist you with parent care issues or the care of a spouse or another older adult.

Key Topics for this Seminar will include:

- Broad overview of benefit programs available to seniors (and their caregivers)
- Information required to initiate conversations with parents or other older adults about long-term care options
- How to navigate the maze of options
- Resources for family caregivers, both web-based and local
- Definitions for terms commonly used in the care economy

Date: Thursday, February 7th

Time: 12-1 p.m.

Place: City Council Chamber

RSVP: lilianaa@moval.org or [REDACTED] (so we can plan for lunch)

Depending upon the level of interest in this seminar, additional sessions can be scheduled to address other important aspects of Elder Care such as Legal and Financial issues.

Don't feel like you're alone in facing the complex challenges of Elder Care. Join us at this important Lunch & Learn seminar for information and support resources.

Subject: Kidnapping and arrest

Good afternoon,

Today about 12:17 PM. Officers responded to the Childtime Preschool at 14740 Perris Blvd reference a kidnapping just occurred. A witness saw suspect Randy Bourbonnais (45) push the 43 year-old female victim into his car and drive away. The witness provided the license plate number for the suspect vehicle and we soon learned the vehicle was reported stolen to the Jurupa Sheriff's Station. Officers immediately initiated emergency procedures in an attempt to prevent the suspect from leaving the city with the victim. All surrounding agencies were notified and air support was requested.

A Sheriff's Court Services Deputy saw the suspect vehicle crashed into a fence at Las Brisas and Delphinium. The suspect and victim were still in the vehicle arguing. When the victim saw the deputy, she jumped out of the car and ran to him. The suspect fled on foot. After a brief foot pursuit, the suspect was taken into custody by MVPD K-9 officer Santistevan and his police K-9 "Ozzy." The suspect sustained minor dog bite injuries.

This is the second time in two weeks the MVPD has arrested this suspect. Most recently, he was arrested for domestic battery on the same victim. The DA declined to file charges in that case and the suspect was released from custody. The suspect was transported to the hospital for treatment of his injuries and will be booked into RPDC on charges of kidnapping, domestic battery, making terrorist threats, auto theft, and possession of stolen property. I suspect the DA will take a dim view of this case and may review the earlier domestic battery case in light of this one. Kidnapping in California can result in a life sentence. We will seek the most severe sentence available for this very dangerous series of acts by the suspect.

Subject: Section 8 fraud investigation

Good evening,

The MVPD Special Enforcement Team served another search warrant today related to Section 8 housing assistance fraud. The residence in question is located in the 25700 block of Coriander, Moreno Valley. Investigation revealed that the primary resident, Julie Telles (49 years old) perjured herself on the Section 8 forms and fraudulently received over \$73,000 in Section 8 housing assistance. Officers also discovered that she was involved in the illegal sale of prescription medications. Telles was booked into RPDC on charges of perjury, Fraud, Defrauding a government entity, and drug sales. Two additional adult male suspects are being sought for various weapons related offenses.

This case is the fourth Section 8 fraud case investigated in recent weeks. In each case, HUD has canceled the fraudulently obtained government assistance and sought restitution, forcing the criminals living in our community to pack up and leave. An added benefit of these investigations is that once convicted, the offenders can never legally receive Section 8 assistance again.

The MVPD SET Team has been very successful addressing criminals in our community using this approach. As a result, we have established a team of two Detectives who will spearhead the effort to pursue all criminals who seek to defraud the system by illegally obtaining Section 8 housing assistance. I will keep you updated on our efforts.

Mayor Owings and Honorable City Council Members,

My family usually goes to Ontario to do our major "mall" shopping, but we needed to head to Sears so we stopped by the Moreno Valley Mall for our first time. In addition to some great prices, I wanted to thank you for whatever you have done to make us feel safe! I saw three deputies walking the mall back in early January who were not only so professional as they walked the mall, but were so friendly. I saw them hand out little badges to kids and greet people. I just had to thank them personally and Deputy Walls was so sweet to give both my children little stickers. She is just an absolute delight - such a positive and upbeat person along with Deputy Allen who was with her. My two kids were not happy and were crying and Deputy Walls reached down and actually made them stop crying and got them to smile. Deputy Prescott answered a few questions my husband had and it was only then we realized these were volunteer deputies who took time during their weekends to volunteer for the city - amazing! Deputy Prescott noticed my husband's Iraq Veteran hat and we realized that Prescott was also active duty military. My husband said he was very professional. How amazing that your volunteers are also from the nearby Air Force Base. What a great partnership you have established with the base!

Please share my gratitude to the council and the department for all they do and for the kind-hearted volunteers of Deputy Allen, Walls and Prescott. Outstanding prices, but also having a mall that makes me feel safe that I can take my family there are reasons why I am not going to be driving to Ontario any more. Deputy Walls said she and Deputy Allen are usually there every Saturday and I am going to try and make a trip to the mall each Saturday to get what I need! As we were leaving, we saw Deputy Prescott driving around the parking lot and Deputy Walls recognized us and waved. What a great service and great people! Your Sheriff Department does your city proud! Thank you Mr. Mayor and Happy New Year!

Resolution Information

Alan Kashefi, Senior Engineer, responded on 2/4/2013

Staff completed a field review and analysis on the intersection of Bay Avenue and Ramsdell Drive. A work order will be issued to replace and add additional traffic control devices to enhance the safety of this intersection. The work order should be completed during the week of February 11.

Case Information

Issue Category: Traffic Engineering

Issue: Signs & Striping

Council District: 1

City of Moreno Valley

Council Summary

Issue Description: Please investigate Ms. Velzy's concerns on behalf of Council Member Molina, and advise Ms. Velzy of the outcome.

Last night (1/26/13) a sixth police report was made due to a drunk driver running a stop sign at Bay Avenue where it ends at Ramsdell Dr. My house is located at the end of Bay Avenue on Ramsdell Dr. I have had a car hit the side of my house, another totaled my car, and the other four plowed through my fence into my backyard. There is nothing stopping these cars. The painting on the road that says "STOP" is fading, the STOP sign itself is hard to see. And the warning sign that is in front of my house is more of a "by the time you see it, it is too late" sign. It consists of a small yellow/orange diamond and a small sign that shows arrows going both ways.

I am so terrified the next car will be in my house!!! I can't even relax in my living room without being afraid of getting killed by some car that "missed the stop sign". The last three drivers were arrested for drunk driving. The previous three were speeding. There have been several others, but they drove away, even with broken axles. I fear for any pedestrian or driver who is at the wrong place at the wrong time when someone plows through the stop again. I have submitted online forms in the past requesting more signs or speed bumps on Bay Ave. I would feel MUCH safer if the city could put up a guardrail or K-rail. No one has ever responded to my submissions. If I cannot get the city to protect my home, my family, and any other innocent who happens to be at this location when another speeder/drunk flies through this intersection, I will take it to the media to bring awareness to this problem. We have installed flashing lights, Christmas lights year round and signs on our fence. We have invested a lot of money in repairs, labor, and electric bills to protect our home, to no avail.

You are more than welcome to call me or come to my house to see for yourself. All I am asking for is help in stopping a tragedy from happening BEFORE it is too late. I would be glad to provide you with several more pictures and the six police reports. Even the police are familiar with our home.

I am attaching a few pictures for you to review. (I have plenty more pictures and videos)

Subject: FW: Youth Sports Budget Concerns

Please forward to the City Council

As a follow up to the last City Council meeting I wanted to provide the Council with an update as to where Parks and Community Services is in regards to working with our local youth athletic organizations in trying to help them meet any and all budgetary issues. Currently all youth groups (football, soccer and baseball) are current in paying their field rental and lighting fees except Moreno Valley Little League. As indicated in my staff report, collaborating with MVLL as well as Diamond Girls Softball and Canyon Springs Little League has allowed us to offer significant revenue generating possibilities to MVLL for this year's season. Staff is anxious to review the outcome of these new revenue possibilities and evaluate their success with the organization. Staff will also be reviewing the fee structure as part of this fiscal year's budget process in conjunction with assessing the City's current fee structure. If I can provide any further information please let me know.

Thank you.

Mike

Council Summary

This response is provided by Henry Ngo, Senior Engineer with Capital Projects Division.

Henry Ngo made three attempts to meet with Mr. David Petta, the resident at 14620 Unity Court, to discuss his concerns which were brought forward by Ms. LaDonna Jempson to the attention of Councilmember Baca's Office. Henry was able to connect with Mr. Petta on the evening of 1/24/13. Specifically, Mr. Petta wanted to know about the status of the landscaping project within the City's Aqueduct Bike Trail Linear Park site in front of his house across Unity Court. Henry explained that this Aqueduct Bike Trail Linear Park project located within the Department of Water Resources Aqueduct Easement was planned as a two phase project. Phase 1 has been completed with concrete walkway/bike trail, site grading for drainage and fencing. Phase 2 is planned and designed as a drought tolerant landscaping project and is known as the "Water Conservation Demonstration Garden". The project is on hold until funds are available. The City has aggressively pursued funding grants through various sources. Currently the State does not have any applicable grant opportunities. The City's Parks Department is responsibly maintaining the existing Bike Trail Linear Park site and keeping it free of weeds and debris.

Mr. Petta expressed gratitude to know about the project status, and stated that as long as the area is clean and maintained, he has no issues. Mr. Petta was appreciative that the City came to his house for an explanation. Henry also called Ms. Jempson to inform her of his conversation with Mr. Petta. Ms. Jempson thanked the City for the update.

Case Information

Issue Category: Capital Projects

Issue: Construction Related

Council District: 5

City of Moreno Valley

Council Summary

Issue Description: Please investigate on behalf of Council Member Baca, contact Ms. Jempson and Unity Ct. property owner, and advise the outcome. Photo attached.

Ms. Jempson emailed: During my campaign efforts of walking door to door in District 5, I spoke with a gentleman at [14620] Unity Court 92553. He has been a long term resident of Moreno Valley so he does have a vested interest in his neighborhood.

Of what he explained, both he and his neighbor used to plant trees and maintain the lawn across the street prior to everything being torn down by the City and left in it's current state. The City put in a sidewalk connecting from one side to the other but that is all they did. They said they were going to plant grass and trees but to date, it is just a barron piece of City property. Quite an eyesore, just down the street from the Elementary School. It has been this way for over a year.

He was hoping to get an update. Could you take care of this? Once you have an answer and you reply (he was OK with a mailed notification) could you get back with me? I would like to know he received an answer.

LaDonna Jempson

Juliene, please provide me with an accounting for this fund, including a beginning balance.

In addition, let me know what other accounts I have available, (travel, etc.).
Thank you!

Subject: Collision, road closure, and power outage

Good morning,

This morning about 9:51 AM, officers responded to the area of Lasselle and Iris reference a traffic collision with road blockage. Officers arrived and found a vehicle had crashed into an electrical box. Numerous power outages were reported in the area. The Public Safety Building also experienced a temporary outage. Based on the distance from the crash to the PSB, I would suspect you may receive inquiries from constituents in several districts.

The Fire Department expressed concern that the vehicle and damaged electrical box could cause an explosion. All lanes of Lasselle were closed as a precaution. As soon as Edison arrived and shut down power to the damaged box, traffic lanes were reopened. The driver of the involved vehicle, RN Carol Coleman (62 years old), had just completed an extended shift and fell asleep while driving. Her vehicle sustained moderate damage and she suffered minor injuries.

Employees	Tuesday 2/26	4-5pm
Employees	Wednesday 2/27	8-9am
Employees	Wednesday 2/27	9:30-10:30am
Employees	Wednesday 2/27	11am-noon
Employees	Wednesday 2/27	1-2pm
Employees	Wednesday 2/27	2:30-3:30pm
Employees	Wednesday 2/27	4-5pm
Reviewers & Approvers	Thursday 2/28	8-10am
Reviewers & Approvers	Thursday 2/28	1-3pm
Reviewers & Approvers	Thursday 2/28	3-5pm

The new Logos & eSuite systems will include:

- Online timesheet entry & approval accessible from any Internet connection
- Online access to past paycheck stubs
- Online requests to change personal information
- Timesheet for a pay period must be entered online by Tuesday prior to the PPE (pay period end) date

The first online timesheet may be submitted via eSuite starting Monday, March 18 and must be completed by Tuesday, March 26. Employees without a PC should use the new PCs being installed throughout the City just for this purpose; a list of timesheet entry PC locations will be covered during training.

This e-mail was sent to all employees with the permission of the City Manager's Office.

in 16 months!*

Ethical Leaders

While providing the intellectual tools you need to achieve your career goals, CBU's MPA program also imparts ethical values key to serving the public good. Integrating the university's faith-based education philosophy, the MPA program develops accountable leaders who understand the importance of maintaining legitimacy, improving the efficiency and effectiveness of organizations and what it means to equitably and fairly serve the public. Emphasizing ethical professional qualities such as integrity, accountability, honesty and faith, MPA courses encourage students to consider the ethical impact of their organizations' policies and their own actions.

Subject: Residential Structure Fire NOTIFICATION, Council District # 1
Attachments: 65 SIRF 14692.pdf

Good evening,

Please see the attached notification of a residential structure fire in the City of Moreno Valley.

Below is a short narrative for ease of reading on mobile devices:

Moreno Valley Firefighters were called to the 13000 block of Harewood Drive in the City of Moreno Valley for a reported Residential Structure Fire. Upon arrival firefighters found a 2-story single family residence with moderate smoke issuing from a gable vent on the "B" side of the residence. Firefighters deployed interior attack lines while coordinating ventilation operations and searching for any potential victims. After a quick knock down it was observed by firefighters that the home appeared to have been vandalized. Multiple windows had been broken throughout and damage was observed from within. The fire was contained to one room with smoke damage throughout. The home was vacant with no furnishings. CALFIRE Arson investigators were requested to investigate the cause of the fire. The cause at this time does appear to be intentional.

Any questions please call,

Subject: Mike Rios case #1

Good afternoon,

Mike Rios was convicted of several of the charges against him today. He was acquitted on one rape charge and there was a hung jury on the second rape charge. Mr. Rios' bail was revoked and he was booked into RPDC pending sentencing. As you may be aware, Mr. Rios faces an additional trial on charges of attempted manslaughter at a later date.

Mayor, Mayor Pro Tem, and Members of the City Council: we recently had a request from the Council office for a list of the vacant properties owned by the City. The Finance Department has provided the attached information. Please note that we will be providing information to you regarding this (specifically the processes and procedures that are required for the disposition of City properties) at an upcoming Study Session.

Hi Victoria,

Would you please provide me some dates and times you are available to meet with Ray Hicks?

Thank you.

Juliene

Subject: VdLHS Special Assembly Details - 02-12 & 02-13- 2013

Our plans for our “Vision Warrior” (Drug Free America) assemblies are being finalized today and I wanted to let you know that the *general assemblies* will occur in our gymnasium as follows:

- For **Juniors and Seniors**: Tuesday (Feb. 12, 2013) from 9:20 a.m. to 10:50 a.m. (Regular Day Bell Schedule – attached above) and
- For **Freshmen and Sophomores**: Wednesday (Feb. 13, 2013) from 9:12 a.m. to 10:42 a.m. (Flex Day Bell Schedule – attached above)

These general assemblies will be followed by smaller “break-out” sessions in our *theatre* (for students) with the presenter during periods 4, 5, & 6.

Additionally, our presenter will be hosting a meeting with our parents on Wednesday evening (Feb. 13, 2013), in our *theatre* from 6:30 p.m. until 8:00 p.m.

Hello Commissioners,

2/7/13 11:20 am

As many if not all of you know, Our own Commissioner Barnes daughter passed recently and of course we want to do something for her and the family. I have not spoken to Ms. Barnes yet, but we want to offer a token of love towards the family. Please contact me individually at jcbaker2@earthlink.net and give your thoughts and suggestions, and please pray for the family in this time of bereavement

Thank You

Commissioner James C. Baker II

Subject: Theft of RTA bus - Arrest

Good afternoon,

Today about 10:09 AM, MVPD officers responded to the area of Moreno Beach and Trail Ridge Way reference what can only be referred to as a "bus-jacking." On arrival, officers contacted a female RTA bus driver who explained a Hispanic male suspect caused a disturbance on her bus. The suspect yelled and complained about her driving and refused to take his seat. At one point, the suspect struck the driver on the shoulder. The driver was not injured.

The driver pulled the bus over and ordered everyone to exit the bus. All five passengers including the suspect exited the bus. When the driver exited the bus, the suspect jumped back into the bus and drove away. Officers spotted the bus driving on Moreno Beach and conducted a vehicle stop. The suspect was taken into custody without incident. The bus was returned to the driver. The suspect, 52 year-old Frank Avilez of Perris, was arrested and booked into RPDC on a charge of carjacking.

Subject: Narcotics search warrant

Good afternoon,

On 02-10-13, about 6:00 PM, the MVPD SET Team served a narcotics search warrant at a residence in the 11400 block of Count Fleet Court. Although the suspects were not present, officers located more than one pound of methamphetamine, an unregistered semi-auto handgun, and more than 100 rounds of ammunition. Arrest warrants will be requested for the suspects.

Resolution Information

Chief Ontiveros responded on 02/07/13.

We have checked all complaint records both at MVPD and at the Sheriff's Professional Standards Bureau. We have no record of any formal complaints filed by this individual. Lt. Ditton contacted Mr. Garner, and Mr. Garner promised to send us copies of the complaints he claims to have made. Everything he seems to be referring to (dates, names of MVPD personnel) are several years old. The Sergeant he claims to have the most knowledge of his complaints retired some time ago. We will continue to work with Mr. Garner to address his concerns, but I see no reason to keep this CRM open. Please advise Council Member Stewart and close this CRM.

Case Information

Issue Category: Police Administration

Issue: Arrests

Council District:

City of Moreno Valley

Council Summary

Issue Description: Please investigate Mr. Garner's concern on behalf of Council Member Stewart and advise Mr. Garner of the outcome.

Mr. Garner stated he was charged in 2001 and 2009 for Deadly Assault with a Weapon. He stated both charges were unfounded, but the police chose to believe the other people over him. He stated the case in 2001 was dropped to Disturbing the Peace, and he didn't want to plead guilty, but his lawyer told him to. He stated the charges in the 2009 case were dropped. Mr. Garner stated he has filled out several complaint forms against the PD, but he doesn't hear anything from PD regarding his issues. Mr. Garner stated he is a Viet Nam War vet, and he has lived in Moreno Valley for 24 years at the same residence. He stated he doesn't trust the police, and he is afraid if he is ever pulled over for anything, they will see the two charges that were made against him and consider him a dangerous person.

City of Moreno Valley

Council Summary

Chief Ontiveros responded on 02/17/13.

Lt. Ford spoke at length with Mrs. Sexton. Mrs. Sexton believed our policies, or absence of policy, for checking in community service workers was unfair to her daughter. On the day in question, her daughter, by her own admission to Cpl. Holbrook, arrived at the MVPD to complete some of her community service hours. She had already completed other days with us, so she knew our practices and what to expect. After waiting for 5 minutes, Mrs. Sexton's daughter made her own decision to leave without completing any service. Per Sheriff's policy, she was reported to the Smith Correctional Facility (SCF) as absent, which required her to return to SCF to be reinstated in the program.

Mrs. Sexton believed that we should have had a policy in place that essentially compensated for her daughter's poor judgment to leave without completing her court ordered service. I asked Cpl. Holbrook to evaluate our check in procedures and the see if we could and or needed to improve them. Cpl. Holbrook explained that we consistently check the community service workers in on time, and all workers receive verbal and written instructions from SCF that include the direction not to leave the appointed work location without checking in with a department employee. The SCF instructions include further explanation that leaving early or without being told to do so impacts their service credits and enrollment in the program.

In summary, after waiting 5 minutes, Mrs. Sexton's daughter made her own decision to leave the PD without completing her community service that day. She had received adequate instruction from SCF and she had already served time with us and was familiar with our practices. While Cpl. Holbrook is evaluating our check in procedures for areas that can be improved, those improvements should they exist, would not likely have compensated for this woman's poor judgment and decision to leave.

Case Information

Issue Category: Police Administration

Issue: Other

Council District:

Issue Description: Please check with Lt. Brandon Ford to see what came of his looking into this situation and advise Mayor Owings of the outcome.

Ms. Sexton resides at 28460 Forest Oaks Way. Ms. Sexton stated her daughter went to the police station on Saturday, January 26, to do her community service for a DUI she received. She stated her daughter stated no one was there to tell her where to go. She waited 10 to 20 minutes and left when no one came. Ms. Sexton stated when her daughter came today for community service, she was told to go to Riverside because she missed Saturday's community service. Ms. Sexton is very frustrated with all this and the fines and money she has paid for her daughter because her daughter is unemployed. I was able to speak to Lt. Brandon Ford, and he stated to give Ms. Sexton his phone number, and he would check into the situation.

Subject: FW: ROPS

A new City Council member asked for information about what ROPS is. Attached is a summary of what a Recognized Obligation Payment Schedule (ROPS) is. With a 4th round of ROPS coming up, staff thought it would be helpful to remind all City Council members what ROPS is.

Please let me know if you have any questions.

Barry Foster

ROPS.docx

RECOGNIZED OBLIGATION PAYMENT SCHEDULE (ROPS)

Assembly Bill 26 (AB 26) established new legislation to dissolve all California redevelopment agencies (RDA's) effective February 1, 2012. The City, as Successor Agency to the former Moreno Valley RDA, is responsible for winding down the affairs of the former RDA, including disposing of its assets; making payments and performing other legal commitments. This responsibility includes the preparation and approval of a Recognized Obligation Payment Schedule (ROPS). The ROPS is a document that looks forward and details in six month increments all tax revenue funding necessary to satisfy all legally binding and enforceable payment obligations (including bonds, loans, judgments, settlements, agreements or contracts) and administrative costs necessary to wind down the affairs of the former RDA within that six month period. Once approved by the Successor Agency, the ROPS is then submitted to the Oversight Board for review and approval prior to being transmitted to the County-Auditor Controller, the State Controller's Office, and the Department of Finance (DOF) for final review.

The next ROPS will be presented to the Successor Agency and the Oversight Board for consideration and approval on February 27, 2013 for submission to the DOF by March 1, 2013. It will include all payment obligations necessary to fulfill the former RDA's legally binding and enforceable obligations for the period of July 2013 through December 2013.

Subject: Re: Juanita Barnes

Good morning Commissioners, Here is the latest. Commissioner Barnes is doing as well as can be expected at this time. The only thing she is asking is that the Commissioners and whatever city officials who have worked with her to attend her daughters funeral service. It will be on Saturday at the Rubidoux Campus, Cathedral of Praise, located at 2591 Rubidoux St./Blvd., Riverside Ca. at 11:30 am. Of course, any financial gifts or cards you may want to send would be appreciated. Her address is 13411 Jo Ann St., Moreno Valley Ca., 92553.

Hello Commissioners,

2/7/13 11:20 am

As many if not all of you know, Our own Commissioner Barnes daughter passed recently and of course we want to do something for her and the family. I have not spoken to Ms. Barnes yet, but we want to offer a token of love towards the family. Please contact me individually at jcbaker2@earthlink.net and give your thoughts and suggestions, and please pray for the family in this time of bereavement

Thank You
Commissioner James

Mayor, Mayor Pro Tem, and Members of the City Council: Staff is following up on your items from the February 2 Council Workshop per the timeframes noted in the attached memo.

--Michelle

MEMORANDUM

To: Mayor, Mayor Pro Tem, and Members of the City Council
From: Michelle Dawson, Assistant City Manager
Date: February 12, 2013
Subject: Staff Follow Up on Consensus Items Identified at Council Workshop

Staff is following up on your items from the February 2 Council Workshop per the following timeframes:

Council item on future agenda to take action on Charter Subcommittee, with a Citizens Review Committee, 2014 election:

- **The City Manager's Office and City Attorney are preparing a staff report for the Feb. 26th regular Council meeting**

Directly-elected Mayor:

- **To be discussed as part of the Charter drafting process**

Efforts of city to focus on medical corridor:

- **This area is included in the 3-Year Economic Development Action Plan**

Highest/best use study for 60 acres on Nason owned by the City:

- **Initiating the RFP process in April to retain a planning consultant (note that we are already doing this for the SR 60 East overlay)**

Seek innovative measures to enhance Economic Development efforts:

- **Included in overall Economic Development effort**

Business incubators – higher priority:

- **Program idea will be presented at the April 11 Economic Development Subcommittee meeting**

Emphasize incentives for ecommerce fulfillment centers:

- **To be discussed at the June 13 Economic Development Subcommittee meeting**

Continue to emphasize residential development:

- **This is included in the 3-year Economic Development Action Plan**

Performing arts overlay:

- **To be discussed at the June 13 Economic Development Subcommittee meeting**

Mayor's council on education a priority:

- **The City Manager's Office is preparing a staff report for the Feb. 26th regular Council meeting**

Augment street maintenance budget in 1-2 yrs.:

- **Will be discussed as part of the budget development process**

More aggressive flood control enforcement:

- **First notifications to owners of privately-owned dirt channels were sent out in October; second notices pending.**

Develop neighborhood program:

- **To be discussed at the May 7 Economic Development Subcommittee meeting**

Balance General Fund budget in FY 13/14 (but also present a 2-yr option):

- **Options will be discussed with Council Members initially at their 1 on 1 meetings with the budget team April 22-29**

Discuss unfunded liabilities w/3 yr budget:

- **Scheduled for April 16 Study Session**

Study session: surplus properties:

- **Scheduled for March 19 Study Session**

Conduct Neighborhood budget meetings:

- **To be held in each Council District between May 6-30**

Include Sunnymead Blvd on Economic Development list:

- **This is included in the 3-year Economic Development Action Plan**

AGENDA

Economic Development Subcommittee
Developer Workshop

Regular Meeting

Thursday, February 14, 2013 - 2:00 p.m.

Moreno Valley City Hall, Council Chambers
14177 Frederick Street, Moreno Valley

1. Call to Order
2. Roll Call/Introductions
3. Public Comments

Those wishing to speak should complete and submit a BLUE speaker slip to the Secretary. There is a three-minute time limit per person. All remarks and questions shall be addressed to the presiding officer or to the Economic Development Subcommittee of the City and not to any individual subcommittee member, staff member or other person.

4. Approval of Minutes of December 10, 2012
5. Introduction of new City Council Members and new ED Subcommittee Members
6. NAIOP - Public Partner of the Year for 2012
7. New DIF Rates effective January 2013
8. Economic Development Action Plan
9. CEQA litigation
10. Developer Comments/Questions
11. Next Regular Economic Development Subcommittee Meeting – March 14, 2013
12. Next Developer Workshop – May 9, 2013
13. Adjournment

Upon request, this agenda will be made available in appropriate alternative formats to persons with disabilities, in compliance with the Americans with Disabilities Act of 1990. Any person with a disability who requires a modification or accommodation in order to participate in a meeting should direct such request to Mel Alonzo, ADA Coordinator, at [REDACTED] at least 48 hours before the meeting. The 48-hour notification will enable the City to make reasonable arrangements to ensure accessibility to this meeting.

Resources | U. S. Chamberwatch

Good evening Council member Baca,

As one of the Democrats on the City Council, I hope you will question the support our local Chamber gives to the US Chamber without denouncing them during your Tuesday's Study Session. If you look into the legislation the US Chamber has fought and backed during the past few years, I am sure most of it has been totally the opposite of yours -- except their recent conversion to some type of immigration reform. They almost never ever support a Democrat except maybe one from Utah.

I mentioned during the Saturday Study Session that we should talk. When and where would work for you?

Take care,

George Hague

Using the Agenda To Go for iPad Interface

Agenda To Go for the iPad has several features you can use to customize your version of the agenda. Any customization you do is saved only on your iPad, it does not affect the agenda in SIRE WebCenter.

Synchronizing the Agenda with the Server

Use the synchronize option if you have highlighted items of interest, or if you have added notes to your version of the agenda on your iPad, and you want to sync those items with Agenda To Go on your laptop. Synchronizing also allows you to see any notes or files in Voting Plus.

To synchronize items:

1. Open the meeting agenda you want to synchronize on your iPad.
2. Touch the **Synchronize** icon (). You see one of two messages:
 - **Synchronization Complete:** The synchronization with the server was successful. Touch **OK** to close the message.

- **Sync Failed:** The synchronization with the server failed. This typically occurs because you have not been given permission to perform a sync. Others reasons for a synchronization failure are that the meeting has been deleted from the server or there is a connection issue with the server. Touch **OK** to close the message.

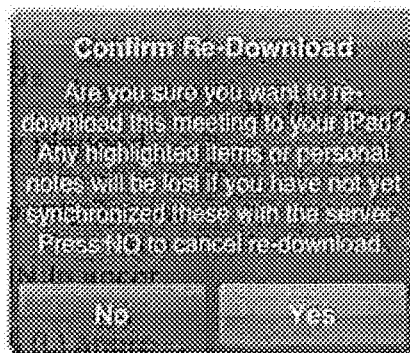

3. If the synchronization was successful, any updates made on your iPad are synchronized with the Agenda To Go server.

Re-downloading an Agenda

There may be times in which you have downloaded a meeting to your iPad, and then someone has gone into the agenda in SIRE WebCenter and has made modifications to it. The version you now have on your iPad does not match the version on the server. In this case, you will need to re-download the meeting to your iPad to ensure that you have the most recent information. If you have added any notes or highlighted any agenda items, you will need to synchronize the agenda with the server before re-downloading the meeting or those changes may be lost.

To re-download a meeting agenda:

1. Open the meeting agenda you want to re-download on your iPad.
2. Touch the **Re-Download** icon (). The Confirm Re-Download message appears indicating that you must first synchronize the meeting before downloading.

3. Touch one of two options:
 - Touch **Yes** if you have already performed a synchronization with the server and are ready to re-download the meeting.
 - Touch **No** if you have not yet synchronized the meeting with the server. Synchronize the meeting with the server, and then touch the Re-Download option again.

4. One of two things happens:

- If the re-download failed, you will see the following message:

Touch **OK** to confirm the message. The meeting is deleted from your iPad. To get the meeting back on to your iPad, you must search for the meeting and download it again.

- If the re-download is successful, the Downloaded Meetings page appears, and a download progress bar displays on top of the meeting you are re-downloading.

Deleting Meetings

You can delete meetings from your iPad if you no longer need to view them.

To delete meetings from your iPad:

1. Open the meeting agenda you want to delete on your iPad.

2. Touch the **Delete** icon (). The meeting is deleted from your iPad.

Subject: MVPD Volunteer Cadre

Good afternoon,

Mayor Owings recently asked about the status of Volunteer forces at MVPD. In addition to the following active volunteers, we are currently processing 37 new applicants for various volunteer positions at the PD.

Current active volunteers:

31 Explorer Scouts
10 Reserve Officers
47 Citizens on Patrol/Station Volunteers
07 Mounted Posse Volunteers

Total active volunteers: 95

MVPD has had a robust Volunteer Unit for more than a decade. MVPD Volunteers, Explorers, and Reserve Officers have provided thousands of hours of dedicated service through the years. MVPD administration clearly understands the critical importance of the Volunteer program and will continue to work hard to keep the program healthy.

Subject: Residential Structure Fire NOTIFICATION, Council District # 2
Attachments: 02 SIRF 17838.pdf

Good Morning,

Please see the attached notification of a residential structure fire in the City of Moreno Valley.

Below is a short narrative from the report for ease of reading on mobile devices:

At 00:02 on February 17, 2013 Moreno Valley Firefighters were called to the 24000 block of Camino De Oro in the City of Moreno Valley for a reported residential structure fire. Upon arrival firefighters found a single family residence with moderate smoke issuing from the attic and garage area of the home. A quick interior attack team was initiated and coordinated with a roof-top ventilation team. Firefighters were able to contain the fire to the garage and attic space above. A search for victims proved negative as firefighters worked to salvage all interior belongings of the residence. The cause of the fire was a gas clothes dryer in the garage.

Please call with questions,

Respectfully,

Silvio Lanzas
Battalion Chief - Moreno Valley Division

Incident Description

At 00:02 on February 17, 2013 Moreno Valley Firefighters were called to the 24000 block of Camino De Oro in the City of Moreno Valley for a reported residential structure fire. Upon arrival firefighters found a single family residence with moderate smoke issuing from the attic and garage area of the home. A quick interior attack team was initiated and coordinated with a roof-top ventilation team. Firefighters were able to contain the fire to the garage and attic space above. A search for victims proved negative as firefighters worked to salvage all interior belongings of the residence. The cause of the fire was a gas clothes dryer in the garage.

Subject: DUI crash with road blockage

Good evening,

Officers have just responded to a two-vehicle head-on collision on Old 215 between Cottonwood and Bay. The roadway is closed in both directions and will remain closed for several hours.

As of now, there are three people injured, including one driver who is believed to be under the influence. The DUI driver is trapped in his vehicle and the fire department is currently attempting to extricate him. He appears to be seriously injured, but is expected to survive. Of course, this is very preliminary information.

I will update you when more info becomes available.

Joel

Subject: Injury collision - update

Good evening,

The investigation into the collision I reported to you earlier has been completed. Initial reports from firefighters indicated that one of the drivers might be DUI. Further investigation revealed that alcohol was not involved in this crash.

The roadway was closed for 5 hours and has now been reopened. The injured victim is in serious condition, but is expected to survive. A press release will be issued.

Good night,

Joel

Resolution Information

Randall Metz, Fire Marshal, responded on 2/13/13.

The Fire Prevention Bureau, with assistance from Code & Neighborhood Services, has worked diligently over the past four months to meet with the owners of this parcel, as well as the Department of Fish & Wildlife and Army Corp of Engineers, to prepare a remediation plan to bring this process into compliance. After the property owners neglected to take action regarding obtaining the required permit from the Department of Fish & Wildlife, the Fire Prevention Bureau made application at the end of November to obtain the proper permits for a forced abatement by city contractors. We were informed there is a 90 day waiting period to obtain the permits once application is made to the State. This would put the city very close to the March 1 deadline to complete any vegetation management prior to the beginning of the next nesting season. The city requested the State attempt to expedite the permit issuance so we could complete this abatement. As of today, the city has been issued a draft Permit to perform the abatement and have received two bids from our city weed abatement contractors. The lowest bidder has been selected, and we are in the process of scheduling the onsite work to be completed prior to March 1, 2013.

Case Information

Issue Category: Prevention

City of Moreno Valley

Council Summary

Issue:	Other
Council District:	
Issue Description:	Two CRMs will be created: 1. Police Department: Mayor Stewart reported the homeless have set up camp again behind Chuck E. Cheese's on Sunnymead Blvd. 2. Fire: It's staff's understanding that Fire currently has an open case regarding the abatement of this property. Mayor Stewart requested that staff work with the appropriate agencies to keep the trees trimmed on an ongoing basis as the homeless are using the low tree branches for camouflage.

Subject: MVPD Volunteer Cadre

Good afternoon,

Mayor Owings recently asked about the status of Volunteer forces at MVPD. In addition to the following active volunteers, we are currently processing 37 new applicants for various volunteer positions at the PD.

Current active volunteers:

31 Explorer Scouts
10 Reserve Officers
47 Citizens on Patrol/Station Volunteers
07 Mounted Posse Volunteers

Total active volunteers: 95

MVPD has had a robust Volunteer Unit for more than a decade. MVPD Volunteers, Explorers, and Reserve Officers have provided thousands of hours of dedicated service through the years. MVPD administration clearly understands the critical importance of the Volunteer program and will continue to work hard to keep the program healthy.

Subject: Announcing the Promotion of Sandra Contreras to Management Analyst

Our wonderful co-workers:

It is my pleasure to announce the appointment of Sandra Contreras to the position of Management Analyst in the Financial & Management Services Department, effective 2/15/2013. Sandra was selected after successfully completing an open and competitive recruitment for the Management Analyst position. Sandra has been with the City since April 2000 and has been a member of the Payroll Team since May 2002.

Sandra has extensive experience working in payroll and has been a key component of the City's successful implementation of our new LOGOS payroll system. Her expertise will contribute greatly to the success of our Financial Operations Team and city wide centralized deposit system.

Please join me in congratulating Sandra on this promotion.

Subject: Announcing the appointment of Kirby Warner on special assignment to the Financial and Management Services Team

It is my pleasure and good fortune to announce the appointment of Kirby Warner to the Financial and Management Services Department management team on a temporary special assignment to the Director. The departure of Cynthia Fortune created a significant void at a peak time of activity in the FMS Department. The 3-Year Budget process is in full swing, the migration and implementation to the LOGOS system is midway through start-up (with the HR/Payroll modules to go live April 1), in addition to some very high visibility projects well underway. Kirby is perfect for the role of overseeing some of the key work and activity of the Finance Team and will be with us for about a 6 month period.

Kirby's most recent fulltime role was as Assistant City Manager for the City of Rialto, where he worked with City Manager Henry Garcia. In the mid-nineties, I had the pleasure of working with Kirby here in the City of Moreno Valley, where he served over two years as City Controller. From Moreno Valley, Kirby moved to Western Municipal Water District as Chief Financial Officer. Kirby has a long successful career in municipal government. I have great confidence in his ability to act in my stead on the many activities we have in motion currently. He will be actively working with Dena and Marshall on the mid-year budget update, on the 3-Year Budget and assisting Capital Projects on the Capital Improvement Plan update.

Please join me in welcoming Kirby back to the City!

Subject: Arrest made in 2006 Moreno Valley murder

Good evening,

The below listed news article contains a great deal of information. So much, in fact, that I simply copied and pasted so you would have all the details available. In a nutshell, a major drug dealer became a federal informant and was ultimately murdered by a fellow drug dealer named Edgar Alvarez. The murder took place in the Pearl Seafood Restaurant on Hemlock east of Heacock. (Formerly the Red Lobster restaurant)

Alvarez has hidden from authorities for the past 6+ years. His luck ran out on February 6th when he was taken into custody by agents from the FBI and investigators from the Riverside County Sheriff's Central Homicide Unit in the state of Florida. He was extradited to California and is currently being held at the Robert Presley Detention Center on a no bail hold. I am sure there will be additional news articles when this case finally gets to a courtroom.

Joel

MORENO VALLEY: Arrest in killing of cartel informant

Edgar Alvarez

STAFF WRITER

Published: February 18, 2013; 06:20 PM

The 2006 Moreno Valley killing could have been the opening scene of a Quentin Tarantino movie.

A man wearing a Santa hat walked into a seafood restaurant four days after Christmas, scanned the crowded room for his target, fired multiple rounds into a man setting a table, then left 38 seconds after he entered.

The shooter was a Mexican cartel member, homicide detectives say. His target: a former associate who owed a large debt and had turned federal informant about a looming cocaine deal.

The murder suspect would elude capture for more than six years, supposedly hiding out in Mexico, Las Vegas and Tennessee.

This month, FBI agents arrested Edgar Alvarez in Coral Gables, Fla. He's charged with killing 49-year-old Emeon "Pablo" Hernandez, who had lived in either Moreno Valley or Lake Elsinore, at the Pearl Seafood Restaurant and Bar.

Alvarez, 33, who lived in Moreno Valley before he became a fugitive, was extradited to California on Sunday, Feb. 17. Riverside County prosecutors have charged him with one count of murder committed to prevent a witness from testifying at trial.

DRUG DEALING

Alvarez was part of a Mexican cartel — which one was not identified — that has funneled thousands of pounds of marijuana and cocaine into the U.S., Riverside County sheriff's homicide detectives said in a sworn affidavit filed to obtain an arrest warrant. Authorities learned Alvarez specialized in 1,000-pound marijuana shipments and frequently traveled between Riverside County and Chicago.

Hernandez worked for Alvarez brokering large drug deals, the affidavit said. He had described Alvarez as "brutal." Alvarez, Hernandez and another man, Francisco Vasquez, were arrested together Oct. 3, 2006, by the DEA during a marijuana sale in Chicago, according to the affidavit. Hernandez was delivering \$91,100 in cash to Alvarez and Vasquez at a Chicago mall.

Hernandez and Vasquez were charged with money laundering. Alvarez was released without charge.

MV00255493

In order to get a lighter sentence, Hernandez agreed to tell DEA agents about future cocaine deals, according to the affidavit. He had been arranging sales to work off a \$700,000 debt from a marijuana deal that went bad. Hernandez told DEA agents that in July 2006, he had brokered a deal to sell 2,100 pounds of marijuana between Chicago and Philadelphia for \$550 a pound — \$1.15 million total. But the buyer came up \$700,000 short. When he returned to Chicago, Hernandez said, Alvarez kidnapped and threatened to kill him.

DELIBERATE SHOOTING

On Dec. 29, 2006, Hernandez was inside the Pearl Seafood Restaurant on Hemlock Avenue, where the killing unfolded in front of about 100 witnesses.

About 11:20 p.m., a man walked into the restaurant and fired seven to eight shots toward Hernandez, who was struck multiple times in the back and in the head and fell to the floor, according to the affidavit.

Witnesses said the shooter walked up to Hernandez's body and continued firing as he lay on the ground, then ran out of the restaurant.

Private security officers working in the restaurant chased the man into the parking lot, but he got into a waiting car that drove away.

One witness recognized Alvarez as the shooter, the affidavit said.

During the investigation, relatives told FBI informants that Alvarez was hiding in Mexico. Federal prosecutors issued a warrant in 2007 for unlawful flight to avoid prosecution.

Federal agents discovered Alvarez had returned to the U.S. sometime in 2009. He was believed to have lived in Las Vegas and Tennessee, the affidavit said.

The investigation eventually led the FBI's Inland Regional Apprehension Team to Florida, where on Feb. 6, FBI agents, working with Riverside County sheriff's homicide detectives and other agencies, located Alvarez.

Once Alvarez was extradited to California, he was booked into the Robert Presley Detention Center in Riverside, where he's being held without bail. No court date has been set for him to be arraigned.

Subject: FW: Sunnymead Blvd. Weed Abatement Project

Mayor, Mayor Pro Tem, and Members of the City Council: the homeless encampment on the north side of Sunnymead Blvd. by the Chuck E. Cheese has been a source of complaints from Council Members, business owners and residents for some time. A major part of the problem has been that the trees on the property in question have provided the homeless with shelter and coverage and the property owner hasn't been willing to clear it up. The City hasn't been able to abate the property due to issues with the CA Dept of Fish & Wildlife. After many months of determined effort, Fire Marshall Randy Metz and Code and Neighborhood Services Official Al Brady have finally secured the necessary permit to get the abatement done. Please see Randy's update below.

Subject: Sunnymead Blvd. Weed Abatement Project

All,

The time has finally arrived where we have a draft permit in hand to perform the abatement on the Sunnymead Blvd. lot next to Chuck E. Cheese. After a 90 submittal process with the California Department of Fish & Wildlife (DFW), they have issued the city a draft permit with the permanent 5 year maintenance permit to follow in March. This will allow our abatement contractor to perform the required work prior to the March 1, 2013 deadline for the nesting seasons outlined by the DFW. Both of our city abatement contractors provided bids for the work and the lowest bidder, Natures Image, was selected. Natures Image also specializes in environmental remediation projects and regularly works with DFW to achieve compliance within permit specifications. At this time we anticipate the total costs for the abatement contractor, permit fees to DFW, staff cost recovery time, and county filing fees with the assessor's office to be somewhere between \$24,000 and \$25,000.

The contractor is scheduled to begin the onsite work this Thursday, February 21, and work Thursday, Friday, Monday & Tuesday to complete the abatement and haul off of all vegetation and debris. Fire Prevention staff will be present onsite with the abatement contractor and the environmental engineer with the DFW may stop by the parcel, time permitting. We anticipate that this process will be completed by Wednesday at the latest, in advance of the March 1 deadline. Once we have completed the abatement work, we will advise you all of the outcome. A statement of costs will be provided to the parcel owner for payment. In the event that they do not respond to the SOC, we will be including this parcel on our Nuisance Abatement PAL log filing that is scheduled to go to the Council on April 23rd.

I will be notifying the Manager of the Chuck E. Cheese restaurant tomorrow of our abatement schedule and any impacts that may have on his operations.

I wanted to thank Al Brady for his assistance throughout this process as this truly has been a joint effort between he and I. I would also like to thank Juan Pablo Torres from the Department of Fish & Wildlife for all of his help throughout the permit application process. Once we have completed the initial abatement process, I think we should sit down and discuss the city's long term approach to dealing with this parcel and any options that could lead to future development of the land.

Attachments: Press Release for MADD awards.doc

Good evening,

Several current and former officers from the Moreno Valley Police Department were recognized today with awards issued by Mothers Against Drunk Drivers. Please see the below listed press release for further details.

Thanks,

Joel Ontiveros, Chief of Police
Moreno Valley Police Department

CITY OF MORENO VALLEY
Police Department
Press Release

Date/Time: February 20, 2013/ 3:00 P.M.
Type of Incident: 2013 Law Enforcement Recognition and DUI Training Seminar
Date/Time Incident: February 20, 2013/ 11:00A.M.
Location of Incident: City of Riverside – Riverside Auditorium & Event Center
Reporting Officer: Sgt. Jim Bengtson & Sgt. Lee Tainter
File Number: N/A

Mothers Against Drunk Driving (MADD) as part of the “AVOID the 30” campaign recognize Moreno Valley Police Officers for DUI arrests

On February 20, 2013, Mothers Against Drunk Driving (MADD) honored members of the Moreno Valley Traffic Team at their annual “AVOID the 30” award ceremony. This event is endorsed by the California Office of Traffic Safety (OTS). Over 300 people from several law enforcement agencies in Riverside County attended this prestigious event.

Several members of the Moreno Valley Traffic Team were individually recognized during this event. MVPD Motor Officer Eric Robinson was the top DUI arresting officer for all agencies in 2012 and received the Triple Century Award for arresting 306 motorists for impaired driving. MVPD Motor Officer Dennis Pleta was the second top DUI arresting officer in 2012 for all agencies and received the Double Century Award for arresting 220 motorists for impaired driving. Officer Jason Slover received a Century Award for arresting 104 motorists for impaired driving.

Other MVPD Officers who were recognized for their DUI arrests were as follows:

Officer Myling Bordeau- 76 arrests
Motor Officer Chris Loucks- 46 arrests
Officer Ralph Lopez- 40 arrests
Officer Chris Bayani- 27 arrests
Motor Officer Jason Edmondson- 25 arrests

The Moreno Valley Traffic team takes traffic safety very seriously and will continue to aggressively enforce DUI laws.

To learn more, contact your local MADD affiliate or visit www.maddcalifornia.org.
For additional information, the list of awardees, or pictures, please contact Silas Miers at

Please remember---DUI crashes are not "accidents."

Subject: Council Study Session broadcast

Hello All,

I want to provide an update about last night's City Council Study Session website live video feed failure. Apparently, though the Time Warner Channel 3 TV feed was working during the meeting, the SIRE website link did not.

Essentially, Council meetings are broadcast on the internet via software known as SIRE. Last night, the server that SIRE runs from had a problem after-hours. The SIRE server problem necessitated a reset of the MVTV-3 cable connection, which was completed this morning and the live feed is up and running now.

Regarding posting the recording of last night's meeting to the website, MVTV-3 has converted the video to the appropriate file type and loaded it to SIRE, but now SIRE is not recognizing that the file is there. We believe this is a separate SIRE problem from last night's issue and have reported it to Tech Svcs this evening for their assistance tomorrow.

Very sorry for the inconvenience!

Michele

Subject: Sunnymead Blvd pursuit and arrest

Good morning,

On 02-20-13, about 11:15 PM, Special Enforcement Team (SET) officers conducting an undercover operation spotted a suspect involved in drug activity in the Travel Inn parking lot. The suspect drove out of the parking lot and began driving recklessly, doing donuts on Sunnymead Blvd. A SET officer attempted to conduct a vehicle stop on the suspect vehicle, but the driver became even more erratic and drove his black Volvo over the center median. The suspect vehicle fled from the officers by driving eastbound in the westbound lanes of traffic. Officers gave chase for ½ mile, then the suspect abandoned his vehicle and attempted to flee on foot. Suspect Allen Edgeron (35 years old) of Moreno Valley was taken into custody in the Pep Boys parking lot without further incident. He was found to be in possession of cocaine base and was determined to be under the influence of prescription medication and alcohol. Edgeron has prior convictions for narcotics sales. He was booked into RPDC for possession for sales of cocaine base, possession of a controlled substance with sales priors, evading arrest, and possession of fictitious US currency.

Subject: Fw: Graffiti Removal on SCE Facilities

Ahmad,

Please consider including the following information if you create a Graffiti Removal Task Force, or to share with staff and the community.

Southern California Edison (SCE) has secured the services of a contractor, Allstate Environmental Services (AES), to remove graffiti from our facilities. For example:
Padmount equipment, Poles - wood, steel, composite, and concrete. SCE owned and maintained facilities(e.g. substation buildings, perimeter walls, fences, etc.)

Residents, or city staff can contact AES directly.

AES toll free hotline is [REDACTED]

The email address is graffitihotline_aes_sce@yahoo.com

AES will need the following information when the call is made:

1. Location of the graffiti: include the name of the city
2. A contact phone number and name
3. Type of equipment tagged e.g. Utility pole, Transformer box, etc.
4. Whether you would like a call back when it is completed or not.

If AES receives an order to remove graffiti before **9 AM**, they will respond and remove the graffiti within 24 hours. If the order comes in after 9 AM, AES is able to respond within 48 hours.

If a report is called into the SCE call center, SCE will make an order and forward it to AES.

If you have any questions, or want additional details about the program, please give me a call.

Thank you,

Ray Hicks
Region Manager

City of Moreno Valley

Council Summary

Code & Neighborhood Services Official Al Brady responded.

On August 17, 2012, Code Compliance staff initiated a business license case for a rental/investment property at 26393 Kalmia Avenue. Over the next 90 days, code personnel sent three separate notices and two administrative citations to Ms. Hoffman requesting she obtain a valid City business license for the rental of residential property per Municipal Code requirements.

On November 20, 2012, Ms. Hoffman responded approximately a week after the fifth notification was mailed to her. On that date, we received a \$58.00 check for the licensing fees, however; she did not include the required business license application. Therefore, the check was returned to her by staff along with a business license application form for completion. Subsequently, Ms. Hoffman submitted a complete application packet and paid the required fee on January 10, 2013. The code case was officially closed on January 14, 2013.

It should be noted that Ms. Hoffman did hand deliver a letter addressed to me titled "Request for Administrative Hearing" on January 23, 2013 (see letter attached). However, the thirty day appeal period had expired and her request was denied. However, I directed staff to dismiss the second Administrative Citation since the original check was received only eight days after issuance of the second ticket and to advise Ms. Hoffman she was only liable for the initial citation. The remaining citation has been paid and the matter resolved.

Case Information

Issue Category: Code & Neighborhood Services

Issue: Business License

Council District:

Issue Description: Please investigate Ms. Hoffman's concerns and advise Council Member Stewart of the outcome.

Ms. Hoffman stated Code informed her she needed a business license to rent her home. She stated she sent the check for the business license, but it was sent back to her because she didn't have the application included. She stated she sent a letter to Al Brady with the check, but he turned the matter over to someone else who wrote a letter and sent the check back because she didn't have an application. Ms. Hoffman stated she no longer lives in Moreno Valley, and she was trying to get the business license, but feels Code wasn't helping her. She stated she has received three citations, one was rescinded, and the other two citations were doubled. Ms. Hoffman stated this is a horrible way to treat people when they are trying to do the right thing. She declined to speak to Al Brady as she feels she already tried that avenue, and he turned the matter over to someone else.

HONORING MILITARY PERSONNEL

The City's Military Appreciation Banner Program is designed to recognize active duty military servicemen and women who are currently serving in the United States Military (Army, Navy, Air Force, Marines, and Coast Guard), including those in the National Guard and Reserves for their respective Military Branch. To be eligible for a banner, the nominated person must be a City resident, graduated from a local high school in Moreno Valley, or have an immediate family member who currently resides in Moreno Valley.

The military banner program is partially sponsored by the Moreno Valley Chamber of Commerce, Military Affairs Committee. The total cost for a banner to be created and installed on a City street light is \$100.

Engraved pavers are also available to all qualified veterans.

If you would like to honor an active duty military serviceman or woman with a Military Appreciation Banner or paver, please contact Parks and Community Services at 413-3701. Applications are due by April 29 for a Memorial Day installation.

Address: 24857 Heil Dr

Cross Street Info: Brodiaea Ave Perris Blvd

Parcel # (if available): 482612006

Resolution Information

Randall Metz, Fire Marshal, responded.

The property where we believe the tumbleweeds may have originated from has been noticed and will receive all due process notices until a forced abatement can be performed. This process can take as many as 45 days. If the parcel owner is non-compliant at the end of this noticing period, we will arrange abatement with a city contractor. Any tumbleweeds that are found on neighboring parcels due to wind are the responsibility of the home owner to remove. Burn permits can be issued at our local fire stations for the burning of tumbleweeds. The city can't tie tumbleweeds found on a developed parcel to a vacant parcel because there is no way to prove which parcel the tumbleweeds came from.

Case Information

Issue Category: Fire Operations

Issue: Other

Council District: 1

City of Moreno Valley

Council Summary

Issue Description: 1/10/13: Attached are three photos Council Member Molina submitted. He also stated there are concerns the tumbleweeds are clogging the drainage systems.

Please investigate Mr. Payne's concerns on behalf of Council Member Molina, and advise Mr. Payne of the outcome.

Mr. Payne stated he is having a tumbleweed problem, and he can't get into his driveway. He stated the tumbleweeds are coming from a vacant lot located at the corner of Brodiaea and Perris.

Cell Phone:

Email:

Case Location Information

Property Owner Name: Keenan

Address: 26201 Windemere Wy

Cross Street Info:

Parcel # (if available): 487494015

Resolution Information

Code & Neighborhood Services Official Al Brady responded.

Code Compliance staff investigated Mr. Keenan's concerns and discovered he has been issued two parking citations on separate occasions for storage of his recreational vehicle on the public street in violation of posted street sweeping requirements. Staff has reviewed both tickets and has confirmed they were issued correctly by parking enforcement personnel (see photos and citation information attached in the notes field below).

The act of street sweeping, and the enforcement of this activity, are performed by staff to comply with the requirements of our regional water quality permit by removing sediments and pollutants from the roadway as required by the City's urban run-off management program. Personnel attached a copy of the applicable sections of water quality permit and the drainage area management plan for council review.

Staff has contacted Mr. Keenan and explained the purpose of our street sweeping program and our enforcement efforts. He stated he understands our position but still does not agree with our enforcement activities. Mr. Keenan intends on appealing the citations as allowed by code provisions.

City of Moreno Valley

Council Summary

Case Information

Issue Category: Code & Neighborhood Services

Issue: Street Sweeping Citation

Council District: 3

Issue Description: Please investigate Mr. Keenan's concerns on behalf of Mayor Owings, and advise Mayor Owings of the outcome.

Mr. Keenan stated he is tired of receiving street sweeping citations. He stated he was packing up his RV to leave town, and he went into the house to get more items, and when he returned, he had received a street sweeping citation. He stated when he talks to the street sweeper, the street sweeper won't give him his name, and Mr. Keenan stated he is entitled to that information. He stated if he had money to pay the citations, he would use that money to put his RV in storage. He stated he tries to move the RV when he can, but he can't always get it moved in time. Mr. Keenan stated other cities don't have street sweeping; and if he doesn't stop receiving citations, he is going to sue the city for having street sweeping and citations.

Responsible for Follow-thru: Cathy Parada

STATE OF CALIFORNIA
CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
SANTA ANA REGION

ORDER NO. R8-2010-0033
NPDES NO. CAS 618033

NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT AND
WASTE DISCHARGE REQUIREMENTS FOR
THE RIVERSIDE COUNTY FLOOD CONTROL AND WATER CONSERVATION
DISTRICT, THE COUNTY OF RIVERSIDE, AND THE INCORPORATED CITIES OF
RIVERSIDE COUNTY WITHIN THE SANTA ANA REGION

AREA-WIDE URBAN RUNOFF MANAGEMENT PROGRAM

The following Discharger(s) are subject to waste discharge requirements as set forth in this Order:

Table 1. Municipal Permittees (Dischargers)

Principal Permittee	Riverside County Flood Control and Water Conservation District (RCFC&WCD)*	
Co-Permittees	1. Beaumont	9. Moreno Valley
	2. Calimesa	10. Murrieta
	3. Canyon Lake	11. Norco
	4. Corona	12. Perris
	5. County of Riverside (County)	13. Riverside
	6. Hemet	14. San Jacinto
	7. Lake Elsinore	15. Wildomar
	8. Meniffee	

The Principal Permittee and the Co-Permittees are collectively referred to as the Permittees or the Dischargers.

Table 2. - Administrative Information

This Order was adopted by the Regional Water Board on:	January 29, 2010
This Order will become effective on:	January 29, 2010
This Order will expire on:	January 29, 2015
The U.S. Environmental Protection Agency (USEPA) and the California Regional Water Quality Control Board have classified this discharge as a major discharge.	
The Discharger must file a Report of Waste Discharge in accordance with Title 23, California Code of Regulations, as application for issuance of new waste discharge requirements no later than 180 days in advance of the Order expiration date.	

continue to educate the public regarding the impact of human activities on the quality of Urban Runoff.

3. In addition to the Regional Board, a number of other stakeholders are involved in the management of the water resources of the Region. These include, but are not limited to, the incorporated cities in the Region, POTWs, the three counties, and the Santa Ana Watershed Project Authority and its member agencies. The entities listed in Appendix 2 are considered as potential dischargers of Urban Runoff in the Permit Area. It is expected that these entities will also work cooperatively with the Permittees to manage Urban Runoff. The Regional Board, pursuant to 40 CFR 122.26(a), has the discretion and authority to require non-cooperating entities to participate in this Order or to issue individual MS4 permits. The Permittees may request the Regional Board to issue a separate NPDES Permit to any discharger into MS4 facilities they own or operate.
4. Cooperation and coordination among the stakeholders (regulators, Permittees, the public, and other entities) are critical to optimize the use of finite public resources and ensure economical management of water quality in the Region. Recognizing this fact, this Order focuses on integrated watershed management and seeks to integrate the programs of the stakeholders, especially the holders of the three MS4 permits within the Regional Board's jurisdiction.
5. Education is an important aspect of every effective Urban Runoff management program and the basis for changes in behavior at a societal level. Education of municipal planning, inspection, and maintenance department staff is especially critical to ensure that in-house staff understand how their activities impact water quality, how to accomplish their jobs while protecting water quality, and their specific roles and responsibilities for compliance with this Order. Public education, designed to target various urban land users and other audiences, is also essential to inform the public of how individual actions affect Receiving Water quality and how adverse effects can be minimized.
6. Some Urban Runoff issues, such as public education and training, can be effectively addressed on a regional or statewide basis. Regional approaches to Urban Runoff management can improve program consistency and promote sharing of resources, which can result in implementation of more efficient programs. In particular the counties of San Bernardino and Riverside and their collective municipalities are encouraged to cooperatively work together and generate a unified education and training program.

S. PERMITTEE FACILITIES AND ACTIVITIES

1. The Permittees own/operate facilities where industrial or related activities take place that may have an impact on Urban Runoff quality. Some of the Permittees

enter into contracts with outside parties to carry out activities that may also have an impact on Urban Runoff quality. These facilities and related activities include, but are not limited to, street sweeping, catch basin cleaning, maintenance yards, vehicle and equipment maintenance areas, waste transfer stations, corporation and storage yards, parks and recreational facilities, landscape and swimming pool maintenance activities, MS4 maintenance activities and the application of herbicides, algaecides and pesticides.

2. This Order requires continued implementation of BMPs intended to reduce Pollutant discharges from those Permittee activities/facilities that are found to be significant sources of Pollutants in Urban Runoff. This Order prohibits non-storm water discharges from facilities owned or operated by the Permittees unless the discharges are exempt under Section VI of this Order or are permitted by the Regional Board under an individual NPDES permit.
3. Program evaluations conducted during the term of the 2002 MS4 Permit indicated varying degrees of compliance/noncompliance at Permittee facilities and activities. This Order requires each Permittee to review its inventory of fixed facilities, field operations and drainage facilities to ensure that Permittee facilities do not cause or contribute to a Pollution or Nuisance in Receiving Waters. Permittee fixed public facilities and field operations are to be inspected annually.

T. MUNICIPAL CONSTRUCTION PROJECTS

1. The 2002 MS4 Permit authorized the discharge of storm water from construction activities on an acre or more, that are under ownership or direct responsibility of the Permittees. Permittees were required to notify the Regional Board prior to commencement of construction activities, and to comply with the latest Statewide General Construction Permit. Permittees were also required to develop a SWPPP and monitoring program specific to the Construction Site. Program evaluations conducted during the term of the 2002 MS4 Permit indicated that some Permittees were not submitting or were not aware of the requirement to submit a NOI and subsequent Notice of Termination (NOT) for Permittee Construction Sites. This Order continues the notification requirement.
2. This Order builds upon the requirement of the 2002 MS4 Permit by requiring Permittees to include post-construction BMP information for Permittee Construction Sites meeting WQMP and General Construction Permit criteria along with the NOT submitted to the Executive Officer upon completion of the construction activity. The NOT must include photographs of the completed project, a site map including structural post-construction BMP locations, long term operation and maintenance responsibility information, field verification report and copies of the final field verification reports required under Section XII.I. Permittees are required to develop

10. Restaurant or food processing facility wastes such as grease, floor mat and trash bin wash water, food waste, etc.
- G. Within 24 months after Order adoption, each Co-Permittee shall submit a certification statement, signed by its legal counsel, that the Co-Permittee has obtained all necessary legal authority in accordance with 40 CFR 122.26(d)(2)(i) (A-F) and to comply with this Order through adoption of ordinances and/or municipal code modifications. A copy of the certification shall also be placed in the LIP.
- H. Annually thereafter, Permittees shall evaluate the effectiveness of implementation and enforcement response procedures with respect to the above items. The findings of these reviews, along with recommended corrective actions, where appropriate, and schedules shall be submitted as part of the Annual Report for the corresponding reporting period. The LIP shall be updated accordingly.

IX. ILLICIT CONNECTIONS/ILLEGAL DISCHARGES (IC/ID); LITTER, DEBRIS AND TRASH CONTROL

- A. Consistent with each Co-Permittees statutory authority, the Co-Permittees have adopted Storm Water Ordinances. The Co-Permittees must continue to prohibit IC/IDs to the MS4 through their Storm Water Ordinances and the Principal Permittee must do so through its statutory authority. In addition, the Permittees must continue to implement and improve routine inspection and monitoring and reporting programs for their MS4 facilities. If routine inspections or Dry Season monitoring indicate IC/IDs, they must be investigated and eliminated or permitted within sixty (60) calendar days of receipt of notice by its staff or from a third party.
- B. The Permittees upon being put on notice by staff or a third party must immediately (within 24 hours of receipt of notice by its staff or from a third Party) investigate all spills, leaks, and/or other illegal discharges to the MS4. Based upon their assessment and as specified below, the Permittees must provide notifications and reporting as described in Section 4 of the DAMP and Section XVI of this Order.
- C. The Permittees shall control Illegal Dumping that may result in a discharge of Pollutants to the MS4 to the MEP. The Permittees shall describe their procedures and authorities for managing Illegal Dumping in their LIP.
- D. Within 18 months of adoption of this Order, the Permittees shall review and revise their IC/ID program to include a pro-active IDDE using the Guidance Manual for Illicit

Discharge, Detection, and Elimination by the Center for Watershed Protection⁴⁰ or any other equivalent program consistent with Section IX.E below. The result of this review shall be reported in the Annual Report and include a description of the Permittees' revised pro-active program, procedures and schedules. The LIP shall be updated accordingly.

- E. The Permittees' revised IC/ID programs shall specify an IDDE program for each Co-Permittee to individually, or in combination:
 - a. Develop an inventory and map of Permittee MS4 facilities and Outfalls to Receiving Waters.
 - b. Develop a schedule to be submitted within 18 months to conduct and implement systematic investigations of MS4 open channels and Major Outfalls.
 - c. Use field indicators to identify potential Illegal Discharges, if applicable;
 - d. Track Illegal Discharges to their sources⁴¹ where feasible; and
 - e. Educate the public about Illegal Discharges and Pollution Prevention where problems are found.
- F. The Permittees shall continue to integrate IC/ID detection and elimination into their inspection programs, training of Permittee staff, and monitoring data collection and other indicator data.
- G. The Permittees shall annually review and evaluate their IC/ID program, including litter/trash BMPs, to determine if the program needs to be adjusted. Findings of the review and evaluation shall be submitted with the Annual Report.
- H. The Permittees shall maintain a database summarizing IC/ID incident response (including IC/IDs detected as part of field monitoring activities). This information shall be updated on an ongoing basis and submitted with the Annual Report.
- I. The Permittees shall control, consistent with the MEP standard, Illegal Discharges (including the discharge of spills, leaks, or dumping of any materials other than storm water and authorized non-storm water) into the MS4. All reports of Illegal Discharge shall be promptly investigated and reported as specified in Section XVI (Notification Requirements).

⇒ J. In the 2004-2005 Annual Report, the Permittees characterized trash, determined its main source(s) and developed and implemented appropriate BMPs to reduce and/or

⁴⁰ USEPA (Illicit Discharge Detection and Elimination - A Guidance Manual for Program Development and Technical Assessments) by the Center for Watershed Protection and Robert Pitt, University of Alabama, October 2004, updated 2005).

⁴¹ Table 2: Land uses, Generating Sites and Activities that Produce Indirect Discharges from IDDE, A Guidance Manual for Program Development and Technical Assessments, October 2004 CWP.

⇒ to eliminate the discharge of trash and debris to Waters of the US to the MEP. The BMPs should be continued and their effectiveness must be reported in the Annual Report.

K. Where non-jurisdictional IC/IDs within a Permittees jurisdiction are identified, the Permittees will notify the responsible party and the Executive Officer of the discharge.

X. SEWAGE SPILLS, INFILTRATION INTO THE MS4 SYSTEMS FROM LEAKING SANITARY SEWER LINES, SEPTIC SYSTEM FAILURES, AND PORTABLE TOILET DISCHARGES

A. The Permittees shall continue to provide local sanitation districts 24-hour access to the MS4 to address sewage spills. The Permittees shall continue to work cooperatively with the local sewer agencies to determine and control the impact of infiltration from leaking sanitary sewer systems on Urban Runoff quality. Each Permittee shall implement control measures necessary to minimize infiltration of seepage from sanitary sewers to the MS4 through routine preventative maintenance of the MS4.

B. Each Permittee shall continue to cooperate and coordinate with the sewage collection/treatment agencies as described in Appendix I of the DAMP to swiftly respond to and contain sewage spills that may discharge into its MS4. Management and/or preventive measures shall continue to be implemented for sources including portable toilets, failing septic systems, and failing private laterals that may cause or contribute to Urban Runoff Pollution problems in Permittee jurisdictions.

C. Permittees who are regulated under the SSO Order No. 2006-0003-DWQ, shall continue to comply with that Order to control sanitary system overflows.

D. Permittees with septic systems in their jurisdiction shall maintain the inventory of septic systems within its jurisdiction completed in 2008. Updates to the inventory will be maintained by County Environmental Health via a database of new septic systems approved since 2008.

XI. CO-PERMITTEE INSPECTION PROGRAMS

The Permittee inspection programs are outlined in Sections 7 and 8 of the DAMP and describe some of the minimum inspection and enforcement procedures utilizing existing inspection programs, provides criteria for characterizing the significance of violations, criteria for prioritizing violations, appropriate response actions corresponding to the priority of violations and identifies the hierarchy of enforcement/compliance responses. Section 3.4 of the DAMP provides a framework to standardize the implementation and enforcement by the Co-Permittees of their respective Storm Water Ordinances. The Co-Permittees shall continue to enforce their respective Storm Water Ordinances consistent with the DAMP and this Order.

Storm Water
Clean Water
PROTECTION PROGRAM

RIVERSIDE COUNTY
DRAINAGE AREA MANAGEMENT PLAN

SANTA ANA AND SANTA MARGARITA
REGIONS

APRIL 2007

Construction Site inspectors, Industrial and Commercial Facility inspectors, and other Permittee departments, including fire and wastewater inspectors, will report potential IC/IDs discovered during the course of existing routine inspections to the Regional Board if they are perceived to be in violation of the General Storm Water Permits. In addition, although Construction Site and Industrial and Commercial Facility violations may be enforced initially through Co-Permittee Storm Water Ordinances and erosion control ordinances, referrals are made to the Regional Board if compliance is not achieved. In all cases, the notification of potential non-compliance should be routed through the Permittee's storm water compliance coordinator before notifying Regional Board staff.

⇒ 4.9 LITTER CONTROL

The Permittees implement control measures to reduce and/or to eliminate the discharge of Pollutants, including trash and debris, to and from the MS4 to the Receiving Waters. These control measures are reported in the Annual Report. Typical litter control activities may include public education, street sweeping, code enforcement activities targeted at Illegal Discharges, watershed cleanup events and/or other activities implemented by the Permittees collectively or individually.

4.10 SANITARY WASTES

Sanitary Sewer Overflows and Private Laterals

The Executive Officer of the Santa Ana Regional Board requested the local sewerage agencies to take the lead in the development of a unified response to sewage spills that may have an impact on Receiving Water quality. This procedure includes notification of all sewage spills from private laterals and failing septic systems into the MS4 and coordination of sewage spill prevention, containment and response activities through appropriate departments, programs and agencies. The District collaborated with the local sewerage agencies in the development of this procedure, a copy of which is included as Appendix E. The Permittees provide local sanitation districts 24-hour access to the MS4s to address sewage spills. The Permittees work cooperatively with the local sewerage agencies to determine and control the impact of infiltration from leaking sanitary sewer systems on Urban Runoff quality.

Failing Septic Systems

The Department of Environmental Health (DEH) regulates septic tanks and portable toilets under Ordinance No. 712. This ordinance requires sanitary waste haulers to inform residential septic tank pumping customers in writing of:

- ◆ The number of compartments within the system to be pumped;
- ◆ An assessment of tank condition as to necessity for pumping chambers, in addition to the primary chamber. For routine maintenance, all compartments of a septic tank should be made available for pumping of liquid and solids;
- ◆ The number of compartments actually pumped;
- ◆ The number of gallons removed;
- ◆ The pH value of the load.

effectiveness of its litter/trash BMPs by assessing the volume and character of trash removed during annual catch basin and MS4 Facility maintenance described in Section 5.3.1 above. The findings of the reviews are reported in the Annual Report (IX.G & J).

5.3.2 Other Permittee Facilities and Activities

The 1996 SAR MS4 Permit required the Permittees to develop a Municipal Facilities Strategy to identify BMPs for activities conducted at Permittee facilities. The 1996 SAR MS4 Permit also identified the activities for which the Permittees were required to select BMPs to reduce the potential for storm water Pollution. These facilities and activities included street sweeping, catch basin cleaning, maintenance yards, vehicle and equipment maintenance areas, waste transfer stations, corporation and storage yards, parks and recreational facilities, landscape and swimming pool maintenance activities, MS4 maintenance activities, and the application of pesticides. The Municipal Facilities Strategy is incorporated into this section of the DAMP.

As part of the development of the Municipal Facilities Strategy, the Permittees identified the types of facilities they operate. During this process, the types of facilities and the activities conducted at those facilities were identified as having the potential to contribute Pollutants to Urban Runoff as shown in Table 5-2. Table 5-3 lists the types and numbers of facilities operated by the Permittees in the SAR. ABOP collection centers were not identified as facilities of concern in the SAR as they are otherwise regulated under the Resource Conservation and Recovery Act (RCRA). Permittee facilities such as wastewater treatment plants, airports, and landfills have coverage under the Industrial General Permit or under an individual NPDES permit.

No waste transfer stations were identified as being operated by the Permittees and facilities that consisted of only administrative buildings and parking areas were not identified to be of concern regarding Urban Runoff Pollution. Identification of the potential Pollutants at each Permittee's facilities was necessary in order to select appropriate candidate BMPs to reduce Pollutants in Urban Runoff to the MEP. In addition, the Permittees were surveyed to identify the potential Pollutants of Concern typically associated with the activities performed at or based from the identified facilities of concern. Table 5-4 identifies Pollutants of Concern that may be associated with activities conducted at or based from Permittees' facilities.

During the development of the facility specific strategies, the Permittees identified existing Non-storm Water discharges and characterized the discharges with respect to frequency, volume, flow, and duration. The Permittees eliminated or permitted such discharges. A template facility Pollution Prevention Plan for Permittee facilities, including an annual inspection form, was developed and is provided in Appendix F. Facility-specific Pollution Prevention Plans based on this template, or similar templates, have been prepared for each of the facilities and activities listed in Table 5-3. These Pollution Prevention Plans are maintained and updated by the Permittees annually. Re-inspections and corrective actions are taken where deficiencies are found. The inspection reports, and documentation of resulting corrective actions, are kept for five years and are incorporated into the Pollution Prevention Plans.

Based on the facilities, associated activities and the Pollutants of Concern identified, a list of potential Source Control BMPs was developed by the Permittees. This list utilizes the BMP designations used in

12.0 PROGRAM EVALUATION, REPORTING AND REVISION

12.1 ANNUAL REPORTING

Each year the Permittees prepare Annual Reports summarizing the implementation of the programs described in the DAMP for submittal to the Regional Board. To support preparation of the Annual Reports, the Permittees submit to the District documentation of their implementation of the DAMP compliance programs utilizing standardized reporting forms. Copies of these standardized reporting forms are included in Appendix K. The reporting forms will be amended by the Permittees as needed to facilitate changes in compliance programs or more accurate reporting of compliance programs.

12.2 PROGRAM EVALUATION

The Permittees regularly assess the component programs of the DAMP to identify improvements that will promote the reduction of Pollutants in Urban Runoff to the MEP while also supporting the responsible management and allocation of the public resources available to implement the DAMP.

The short-term strategy for assessing the effectiveness of the DAMP will focus on an overall program effectiveness using measurable goals, and direct and indirect assessment measurements. The Permittees will track and report the following data that are believed to have a positive influence on Urban Runoff and Receiving Water quality:

- ◆ The number of IC/ID reports received.
- ◆ Percentage/Number of IC/IDs that were sampled that exceeded criteria and required follow-up.
- ◆ Percent/Number of enforcement actions that reached each level of enforcement.
- ◆ Estimated volume of anthropogenic trash removed from Permittee MS4 facilities.
- ◆ Percent/Number of Permittee facilities with appropriate BMPs identified.
- ◆ Percent/Number of annual facility inspections that require follow-up actions.
- ◆ Average percent/number of follow-up actions identified in the previous year's Permittee facility inspections that were addressed.
- ◆ Number of Permittee facility and MS4 operators and maintenance staff that attended Municipal training.
- ◆ Estimated tons of Waste removed by Permittee street sweeping.
- ◆ Estimated tons of Waste removed from Permittee Open Channels.
- ◆ Estimated tons of Waste removed from Permittee storm drain inlets.
- ◆ Number of acres of Significant Redevelopment projects that incorporated LID-based BMPs that are built and completed.
- ◆ Number of applicable planning staff that attended WQMP training.
- ◆ Number of post construction BMPs properly maintained and operated.
- ◆ Number of illegal construction sites that are discovered (i.e., without building/grading permits).

SIP - Appendix 4 of the Policy for Implementation of Toxics Standards for Inland Surface Waters, Enclosed Bays, and Estuaries of California.

Site Design BMPs -- Any project design feature that reduces the creation or severity of potential pollutant sources or reduces the alteration of the project site's natural flow regime. Redevelopment projects that are undertaken to remove Pollutant sources (such as existing surface parking lots and other impervious surfaces) or to reduce the need for new roads and other impervious surfaces (as compared to conventional or low-density New Development) by incorporating higher densities and/or mixed land uses into the project design, are also considered site design BMPs

Smart Growth Principles -- Smart Growth refers to the use of creative strategies to develop ways that preserve natural lands and critical environmental areas, protect water and air quality, and reuse already-developed land.

SMC - Storm Water Monitoring Coalition

⇒ **Source Control BMPs** -- In general, activities or programs to educate the public or provide low cost non-physical solutions, as well as facility design or practices aimed to limit the contact between Pollutant sources and stormwater or authorized Non-Storm Water. Examples include: activity schedules, prohibitions of practices, street sweeping, facility maintenance, detection and elimination of Illicit Connections, and other non-structural measures. Facility design (structural) examples include providing attached lids to trash containers, canopies for fueling islands, secondary containment, or roof or awning over material and trash storage areas to prevent direct contact between water and Pollutants.

Southern California Monitoring Coalition (SMC) - A regional group working to improve monitoring program design, parameter test methods, calibrate labs, evaluate the effectiveness of BMPs, and/or advance the science and understanding of Urban Runoff impacts on Receiving Waters.

SSMP -- Sewer System Management Plan

SSO Order -- Statewide General Waste Discharge Requirements for Sanitary Sewer Systems, Water Quality Order No. 2006-0003-DWQ

State Board -- State Water Resources Control Board

Storm Water -- Stormwater runoff and snow melt runoff from urban, open space, and agricultural areas consisting only of those discharges that originate from precipitation events. Stormwater is that portion of precipitation that flows across a surface to the MS4 or receiving waters. Examples of this phenomenon include the water that flows off a building's roof when it rains (runoff from an impervious surface); the water that flows into streams when snow on the ground begins to melt (runoff from a semi-pervious surface); and the water that flows from a vegetated surface when rainfall is in excess of the rate at which it can infiltrate into the underlying soil (runoff from a pervious surface). When all other factors are equal, runoff increases as the perviousness of a surface decreases. During precipitation events in urban areas, rain water may pick up and transport Pollutants through stormwater conveyance systems, and ultimately to Waters of the U.S.

Storm Water Ordinance -- The Storm Water/Urban Runoff Management and Discharge Control Ordinances and ordinances addressing grading and erosion control adopted by each of the Co-Permittees

Subject: Fw: Graffiti Removal on SCE Facilities

Ahmad,

Please consider including the following information if you create a Graffiti Removal Task Force, or to share with staff and the community.

Southern California Edison (SCE) has secured the services of a contractor, Allstate Environmental Services (AES), to remove graffiti from our facilities. For example: Padmount equipment, Poles - wood, steel, composite, and concrete. SCE owned and maintained facilities(e.g. substation buildings, perimeter walls, fences, etc.)

Residents, or city staff can contact AES directly.

AES toll free hotline is [REDACTED].

The email address is graffitihotline_aes_sce@yahoo.com

AES will need the following information when the call is made:

1. Location of the graffiti: include the name of the city
2. A contact phone number and name
3. Type of equipment tagged e.g. Utility pole, Transformer box, etc.
4. Whether you would like a call back when it is completed or not.

If AES receives an order to remove graffiti before **9 AM**, they will respond and remove the graffiti within 24

hours. If the order comes in after 9 AM, AES is able to respond within 48 hours.
If a report is called into the SCE call center, SCE will make an order and forward it to AES.

If you have any questions, or want additional details about the program, please give me a call.

Thank you,

Ray Hicks
Region Manager

Subject: \$500,000 embezzlement arrest

Good evening,

Over the past ten months, MVPD Investigator R. Wood conducted an extensive investigation which included multiple search warrants and court orders. The investigation culminated today with the Detective Bureau serving three residential search warrants in the cities of Chula Vista, Banning, and San Bernardino. The MVPD Special Enforcement Team and the Robbery and Burglary Suppression Teams assisted in the service of the warrants.

Larissa Coria, 10/18/67, formerly held an executive level position with the McLane Trucking Company in Moreno Valley. Coria was arrested today for embezzling over \$500,000 from the McLane Trucking Company. Coria was booked into RPCD and is being held on \$502,000 bail. Her charges include:

12022.6 PC - Theft over \$200,000
186.10 PC - money laundering
186.11 (a)(2) PC - theft over \$500,000

Subject: Daytime Residential Burglary Arrests

Good evening,

This afternoon at 12:11 PM, officers responded to the 15600 block of Sage Court reference a residential burglary in progress. A witness saw several unknown suspects running from a residence and called 911. The witness followed the suspects as they fled the area in a vehicle. An MVPD officer in the area spotted the suspect vehicle traveling westbound on Brodiaea near Houston. As the officer got behind the suspect vehicle, it turned onto southbound Houston. The driver lost control of the vehicle and they collided into a fire hydrant, shearing it off. One suspect fled on foot but was arrested a short time later. The other three suspects remained at the scene and were taken into custody without incident. Moreno Valley Fire responded to shut off the hydrant and check the suspects for injuries from the collision. A search of the suspects and their vehicle revealed numerous valuable items believed to be stolen from the victim's residence. The items included jewelry, cameras, and laptop computers. An officer secured the residence after confirming it had been burglarized. The victim arrived a short time later and confirmed the property recovered belonged to her and that it had been stolen from her residence. The MVPD Gang Team responded to the scene and quickly identified all four suspects as members of the local Wild Flax Street Gang.

The suspects were identified as follows:

(Driver) Devonte Stevenson (18) of Moreno Valley
Eric Hunter (20) of Moreno Valley
Antonio Boatman (18) of Moreno Valley

The fourth suspect is a 16 year-old Black male juvenile who also resides in the City of Moreno Valley.

The three adult suspects were booked into RPDC on charges of first degree residential burglary and a gang enhancement. The juvenile suspect was booked into Juvenile Hall on the same charges. The MVPD SET Gang Unit will prepare the gang enhancement documentation on all four suspects.

Subject: School Resource Officer attacked, slightly injured

Good evening,

Today about 3:00 PM, as classes were about to conclude for the day at Moreno Valley High School, a 16 year-old male student rode a scooter onto campus. The student passed an Assistant Principal who yelled at the student telling him he was not allowed on campus. This exchange was witnessed by the SRO who was standing in the quad awaiting the release of students for the day.

The SRO instructed the student to get off his scooter and leave campus as the Assistant Principal had indicated. The student refused to comply with the officer and students began to exit the campus. A crowd of 50 to 60 students quickly surrounded the officer and the student and members of the crowd began yelling words of encouragement to the student. As the SRO looked toward the crowd, the student suddenly struck him in the face two or three times with his elbow and forearm. The student attempted to run away, but the officer struggled with him in an attempt to arrest him. The officer called for emergency backup and continued to struggle with the student as he resisted violently.

The officer deployed his TASER and temporarily incapacitated the suspect. The officer quickly handcuffed the suspect before he could recover from the stun. Other officers arrived to assist and the student was removed from campus. After obtaining medical clearance from RCRMC, the suspect was booked into Juvenile Hall on charges of battery on a Police Officer and felony resisting arrest. The officer was transported to a local medical facility where he was treated for swelling and bruising. He was later released to full duty.

Subject: Alleged child abduction

Good afternoon,

Officers are investigating an alleged child abduction at Serrano Elementary School. A first grade student (6 years old) allegedly witnessed the kidnapping of another child. The witness did not recognize the allegedly abducted child and could not provide a name to school officials or officers. The school was immediately placed into lockdown and a roll call of students initiated. Numerous officers and supervisors, as well as a law enforcement helicopter, responded to the school and surrounding area to secure the campus and search the area for the alleged suspect vehicle.

School administrators quickly and efficiently completed a roll call of all students in school today. All students were accounted for. Adult neighbors in the area have been contacted and we have been unable to find anyone else who witnessed the alleged kidnapping. Although we are continuing to investigate, it is beginning to look like our young witness may have been mistaken about what she saw.

Subject: Multiple Gang Search Warrants Served

Good afternoon,

As I'm sure you all recall, on January 12, 2013 officers responded to a large party and shooting at a residence in the 26500 block of Emerald Avenue. The party was attended by numerous members and associates of the local criminal street gang known as "Sex, Cash, Money." During the original incident, three victims were injured by gunfire, two were arrested by a K-9 officer and sustained dog bites in the process, and one was subdued using a baton strike as he was attempting to attack an officer. As you may also recall, this party had a direct nexus to the fatal Officer Involved Shooting (OIS) on Ninebark and the gang-related assault with a deadly weapon on Fir that preceded that specific OIS.

This morning, the MVPD Special Enforcement Team (SET) served a series of ten search warrants at residences targeting "Sex, Cash, Money" gang members and associates. All search warrants were conducted without injury or incident. A total of 10 suspects were arrested, including four confirmed members of the "Sex, Cash, Money" gang. Charges include probation violation, convicted felon in possession of ammunition, possession of high-capacity ammunition magazines, child endangerment, armed robbery, gang enhancements, and being a parolee at large. One infant was taken into protective custody and turned over to Child Protective Services.

Items seized include ammunition, high-capacity magazine(s), and gang indicia. MVPD will continue to pro-actively investigate this case and will seek maximum sentences for any suspect involved in criminal activity in and around the City of Moreno Valley.

Subject: Moreno Valley Ranch incident

Good afternoon,

Today about 1:40 PM, an adult male with personal problems attempted suicide (by his own admission) by driving his car through a wrought iron fence and into the lake near Los Cabos Drive. Once his vehicle began to sink, he changed his mind and swam to shore where he was detained.

The vehicle was towed from the lake and the association president indicated he will have a security guard stand by until the fence can be repaired.

The driver also admitted to using Phencyclidine (PCP) recently. Blood was drawn and when the results are available a decision will be made concerning the actual cause of this crash.

The driver did not sustain any serious injuries and noone else was involved.

Subject: Take-over Robbery

Good evening,

Officers are investigating a take-over robbery at the "El Barbershop" in the 13100 block of Perris Blvd. An armed Hispanic male suspect wearing a mask entered the business, brandished a handgun, and attempted to rob the victims.

When they did not respond quickly enough, he struck two victims with the handgun. After stealing cash and cell phones, the suspect ordered the employees and customers into the bathroom. The suspect then fled the area.

An employee called his supervisor to report the incident. For some reason, there was a delay in notifying law enforcement. Once we were notified, officers quickly arrived and surrounded the business. The victims were called out one at a time. The suspect was not located.

The investigation will be continued by the Robbery Suppression Team. None of the victims were injured.

Subject: 2012 Volunteer of the Year Recognition

Expires: Wednesday, June 05, 2013 12:00 AM

Hello Everyone,

It is time to give recognition to that special volunteer that has in some way made your job lighter, assignments completed before deadlines, a true team member or a volunteer that surpasses duties required of a volunteer.

The 2012 Volunteer of the Year Recognition criteria and form can be found on the intranet at <http://seattle/moval/office/fire/emergencymanagement.shtml>. Please take a moment to review the information and provide your nominee information by March 13, 2013. Volunteer Services looks forward to receiving your selections that will be submitted to the Volunteer of the Year Committee for review.

Volunteers are important to Moreno Valley.

Subject: Gang Intervention For Teens Operation

Good morning,

On February 20, 2013 the Region 5 Gang Task Force and the MVPD SET-Gangs Unit conducted a Gang Intervention for Teens (GIFT) program in the City of Moreno Valley. The operation targeted 12 specific individuals identified as being either recent initiates to the gang culture or kids affiliating with local gangs and in danger of becoming members of those gangs. These 12 young people are affiliated with up to 8 different criminal street gangs and are at a critical stage in their lives. The GIFT program, the brainchild of former Chief of Police Rick Hall, seeks to give these young people alternatives and educate parents about the signs of gang involvement.

Of the 12 youth selected for this effort, only 3 were not located. It appeared the addresses they listed were vacant or occupied by unrelated persons. Nine of the teens were present and officers met with them and their parent(s) to discuss the problem of gangs and gang affiliation. The sergeant in charge of the operation was pleasantly surprised to see that "more than half" of the contacts were very positive, with parents being receptive and showing concern.

Gang intervention at any level is a challenge. If we can get to a child before he or she falls too far into the abyss, there is a slim chance we can rescue them from the gang life. We will continue to try our best.

GOOD MORNING! I AM MARCELO CO, MAYOR PRO TEM AND CITY COUNCIL MEMBER FOR DISTRICT 4, HERE TO GIVE YOU A QUICK UPDATE ON THE LATEST HAPPENINGS AT CITY HALL.

JOB TRAINING

ANOTHER ROUND OF JOB TRAINING IS UNDER WAY! WE CONTINUE TO WORK WITH THE RIVERSIDE COMMUNITY COLLEGE DISTRICT AND THE SAN BERNARDINO COMMUNITY COLLEGE DISTRICT TO TRAIN MORENO VALLEY RESIDENTS FOR JOBS AT LOCAL LOGISTICS FACILITIES. TWO NEW CLASSES ARE UNDERWAY:

- 21 MORENO VALLEY STUDENTS ARE TAKING THE CERTIFIED LOGISTICS ASSOCIATE COURSE. GRADUATES WILL HAVE LEARNED SKILLS FOR EMPLOYMENT AS ENTRY-LEVEL LOGISTICS STAFF.

- PLUS, 13 STUDENTS STARTED THE PROGRAMMABLE LOGIC CONTROL SYSTEMS COURSE. WITH EMERGING LOGISTICS TECHNOLOGIES, MANY DISTRIBUTION CENTERS OFFER HIGH-PAYING POSITIONS THAT REQUIRE ADVANCED SKILLS IN PROGRAMMING AND MAINTENANCE OF ROBOTICS, CONVEYORS, COMPUTER NUMERICAL CONTROL, AND PROGRAMMABLE LOGIC CONTROL SYSTEMS.

I AM LOOKING FORWARD TO OUR RESIDENTS' GRADUATION AND FULL EMPLOYMENT IN THE LOGISTICS INDUSTRY!

UPDATE ON HARBOR FREIGHT TOOLS DISTRIBUTION CENTER

HARBOR FREIGHT TOOLS' LOGISTICS OPERATIONS CONTINUE TO EXPAND. THEY PROPOSED CONSTRUCTION OF A 507-THOUSAND SQUARE FOOT EXPANSION BUILDING AND THE CITY COUNCIL JUST APPROVED IT IN DECEMBER. HOWEVER, A CEQA LAWSUIT WAS FILED BY THE LAW FIRM THAT REPRESENTS THE SIERRA CLUB AND THE GROUP "RESIDENTS FOR A LIVABLE MORENO VALLEY."

I AM DISAPPOINTED BY NEWS OF THE LAWSUIT CONSIDERING THE NEED TO PRODUCE NEW JOBS IN THE COMMUNITY. THOUGH IT HAS DECREASED SOMEWHAT, MORENO VALLEY'S UNEMPLOYMENT RATE IS STILL HIGH AT 12.8%, WHICH REPRESENTS 11,600 OF OUR NEIGHBORS WHO WANT TO WORK BUT CAN'T FIND A JOB. THIS LAWSUIT OBVIOUSLY IMPACTS HOW QUICKLY HARBOR FREIGHT CAN MOVE FORWARD WITH CREATING THE JOBS THEY NEED TO FILL IN THEIR EXPANDING OPERATIONS. WE WILL KEEP YOU POSTED.

CEQA PROCESS FORUM

WHEN DEVELOPMENT PROJECTS ARE PROPOSED, CITIES FOLLOW THE CALIFORNIA ENVIRONMENTAL QUALITY ACT GUIDELINES TO EVALUATE AND MINIMIZE THE PROJECT'S IMPACT ON THE ENVIRONMENT. AS I JUST MENTIONED, THE CITY'S ENVIRONMENTAL IMPACT EVALUATIONS ARE SOMETIMES CHALLENGED IN COURT. WITH SEVERAL LARGE PROJECTS LINING UP TO COME TO MORENO VALLEY, THE CITY IS HOSTING A WORKSHOP TO EXPLAIN THE REVIEW PROCESS WE PUT PROJECTS THROUGH. WANT TO KNOW MORE? COME TO THE WORKSHOP ON MONDAY, FEBRUARY 25, AT 6 PM, AT THE CONFERENCE & REC CENTER.

KAISER PERMANENTE'S MEDICAL OFFICE BUILDING IS OPENING

KAISER PERMANENTE'S NEW 75,000 SQUARE FOOT MEDICAL OFFICE BUILDING NEAR THE MORENO VALLEY COMMUNITY HOSPITAL IS ALMOST COMPLETE. THE CITY ISSUED A TEMPORARY CERTIFICATE OF OCCUPANCY TO KAISER IN MID-DECEMBER SO THAT THEY COULD START MOVING IN EQUIPMENT. WE UNDERSTAND THAT KAISER HAS TARGETED THEIR GRAND OPENING CELEBRATION FOR THURSDAY, APRIL 25, AT 4 PM.

FINALLY, THE NEW LA FITNESS AT MORENO BEACH PLAZA HAS BEEN APPROVED.

THE CITY'S PLANNING OFFICE RECENTLY APPROVED AN AMENDED PLOT PLAN TO COMBINE TO VACANT ANCHOR TENANT SPACES AT MORENO BEACH PLAZA INTO A SINGLE LARGE BUILDING FOR A NEW LA FITNESS.

GOOD MORNING! I AM JESSE MOLINA, COUNCIL MEMBER FOR DISTRICT 1, HERE TO GIVE YOU A QUICK UPDATE ON THE LATEST HAPPENINGS AT CITY HALL.

JOB TRAINING

WE'RE EXCITED THAT ANOTHER ROUND OF JOB TRAINING IS UNDER WAY! LAST YEAR, WE WORKED WITH THE RIVERSIDE COMMUNITY COLLEGE DISTRICT (RCCD) AND THE SAN BERNARDINO COMMUNITY COLLEGE DISTRICT (SBCCD) TO CREATE A TRAINING PROGRAM THAT HELPS PREPARE MORENO VALLEY RESIDENTS FOR JOBS AT LOCAL LOGISTICS FACILITIES. TWO NEW CLASSES JUST STARTED:

- 21 MORENO VALLEY STUDENTS BEGAN THE CERTIFIED LOGISTICS ASSOCIATE COURSE. GRADUATES OF THIS COURSE WILL HAVE LEARNED SKILLS FOR EMPLOYMENT AS ENTRY-LEVEL LOGISTICS STAFF.

- PLUS, 13 STUDENTS STARTED THE PROGRAMMABLE LOGIC CONTROL SYSTEMS COURSE. WITH EMERGING LOGISTICS TECHNOLOGIES, MANY DISTRIBUTION CENTERS OFFER HIGH-PAYING POSITIONS THAT REQUIRE ADVANCED SKILLS IN PROGRAMMING AND MAINTENANCE OF ROBOTICS, CONVEYORS, COMPUTER NUMERICAL CONTROL, AND PROGRAMMABLE LOGIC CONTROL SYSTEMS.

WE ARE LOOKING FORWARD TO OUR RESIDENTS' GRADUATION AND FULL EMPLOYMENT IN THE LOGISTICS INDUSTRY!

UPDATE ON HARBOR FREIGHT TOOLS DISTRIBUTION CENTER

HARBOR FREIGHT TOOLS' LOGISTICS OPERATIONS CONTINUE TO EXPAND. THEIR 779-THOUSAND SQUARE FOOT DISTRIBUTION CENTER AT GRAHAM AND CACTUS IS NOW AT FULL OPERATING CAPACITY. IN ADDITION, THEIR PROPOSED 507-THOUSAND SQUARE FOOT EXPANSION WAS APPROVED BY THE CITY COUNCIL ON DECEMBER 11, 2012.

HOWEVER, A CEQA LAWSUIT HAS BEEN FILED BY THE LAW FIRM OF JOHNSON & SEDLACK - REPRESENTING THE SIERRA CLUB OF MORENO VALLEY AND RESIDENTS FOR A LIVABLE MORENO VALLEY. I AM DISAPPOINTED BY THIS NEWS CONSIDERING THE NEED TO PRODUCE NEW JOBS IN THE COMMUNITY. THOUGH IT DECREASED BY MORE THAN HALF A PERCENT IN NOVEMBER, MORENO VALLEY'S UNEMPLOYMENT RATE IS STILL HIGH AT 13.3%. THIS LAWSUIT OBVIOUSLY IMPACTS HOW QUICKLY HARBOR FREIGHT CAN MOVE FORWARD WITH CREATING THE JOBS THEY NEED TO FILL IN THEIR EXPANDING OPERATIONS. WE WILL KEEP YOU POSTED.

KAISER PERMANENTE'S MEDICAL OFFICE BUILDING EXPANSION

KAISER PERMANENTE IS NEARING COMPLETION OF THEIR NEW, 75,000 SQUARE FOOT MEDICAL OFFICE BUILDING AT THE MORENO VALLEY COMMUNITY HOSPITAL CAMPUS. THE CITY ISSUED A TEMPORARY CERTIFICATE OF OCCUPANCY TO KAISER IN MID-DECEMBER SO THAT KAISER COULD START MOVING IN FURNITURE AND EQUIPMENT. A 3-PHASE OCCUPANCY PLAN TARGETS FULL USE OF THE BUILDING BY LATE APRIL.

CITY RECEIVED AN AWARD FOR THE AUTO MALL IMPROVEMENTS
THE AMERICAN PUBLIC WORKS ASSOCIATION PRESENTED THE CITY WITH A 2012 PROJECT-OF-THE-YEAR AWARD FOR THE MORENO VALLEY AUTO MALL IMPROVEMENTS, INCLUDING BOTH THE FREEWAY PYLON SIGN AND THE STREET AND LANDSCAPE IMPROVEMENTS. THE COMPLETED PROJECT IS AN IMPORTANT ELEMENT OF THE FORMER REDEVELOPMENT AGENCY'S "SHOP MORENO VALLEY" PROGRAM, WHICH ENCOURAGES RESIDENTS AND BUSINESSES TO SPEND RETAIL DOLLARS IN TOWN.

FINALLY, THE NEW LA FITNESS AT MORENO BEACH PLAZA HAS BEEN APPROVED.

THE CITY'S PLANNING OFFICE APPROVED AN AMENDED PLOT PLAN TO COMBINE TO VACANT ANCHOR TENANT SPACES AT MORENO BEACH PLAZA INTO A SINGLE LARGE BUILDING FOR A NEW LA FITNESS.

Subject: Employee of the Quarter - 4th Quarter 2012

**Employee of the Quarter
4th Quarter 2012**

Henry Ngo
Senior Engineer

Please join in congratulating Henry Ngo of Public Works' Capital Employee of the Quarter, 4th Quarter 2012. The Review Committee received highly competitive nominations, and ultimately designated Henry as Employee of the Quarter.

Henry Ngo was nominated for his efforts while serving as project manager for several City wide projects. Demonstrating exceptional initiative, he completed the new Park Fire Station, dedicated in October 2012, within budget. Over the past year, Henry also completed the mile-long Ironwood Street widening project, installed a new traffic signal at Davis Street; the new Police Department Traffic Control Room; and the Police Division Citywide Camera Surveillance Monitor Room tena

Complimentary March 7th Lunch & Learn Wellness Seminar

Longevity, the firm which will offer Early Detection Health Screening in March, will host a **complimentary Lunch and Learn Wellness Seminar on Thursday, March 7th from 12 – 1 pm at City Hall in the Council Chamber. Please note that you must RSVP in advance to attend.**

Attendees will enjoy a complimentary healthy lunch while learning about important steps to prevent Heart Disease, Stroke, and Cancer. You'll also receive information about how Early Detection Screenings can help.

Please feel free to print the attached flyer or forward this email to a co-worker as well as any friends or family you would like to attend. Please see the enclosed flier to RSVP or to learn more about this Seminar.

The seminar will also provide information regarding the Early Detection Screening package pricing established last year...uniquely designed for City of Moreno Valley employees. You'll now be able to access *four* tiers of screening packages, with prices starting at \$90. More info will be available at the Luncheon Seminar.

RSVP at http://earlydetectionsaveslives.com/appointments_seminar.html via e-mail to: info@EDSL.com

Subject: SCE Survey

As your Region Manager for Southern California Edison, one of my on-going goals is to ensure our ability to understand your concerns and communicate with you about issues that are important to you and your constituents. To that end, we are always looking for feedback on what energy issues are of most concern to our partners. To facilitate capturing your views in a structured manner, we have recently engaged IPSOS, a leading public opinion research firm, to conduct a survey for us. They will be contacting you by telephone in the coming days to participate in the survey and I would be grateful if you would participate and share your views. Your feedback and reflections are very important to us.

With best regards,

Ray Hicks

Subject: Notice of Intent to Circulate Petition - Electing a Charter Commission

Mayor Owings & City Council:

The City Clerk's office received a Notice of Intent to Circulate Petition for the purpose of Electing a Charter Commission late this afternoon. The City Attorney will have 15 days to prepare a ballot title and summary which will then be forwarded to the proponents. The proponents are Craig Givens and Curtis Gardner.

Let me know if you have any questions.

Subject: Kids with Guns Protocol

Good evening,

Today about 4:00 PM, a School Resource Officer received information from school officials about a 13 year-old Landmark Middle School student making death threats via Facebook. Officers investigated and decided to enact the Riverside County Kids with Guns Protocol.

Contact was made with the student and his family. A consensual search of their residence determined there were no weapons or threatening notes other than those on Facebook.

The student was interviewed and admitted he was upset over personal problems and wanted to hurt or kill people. Officers determined he was a danger to others and transported him to a mental health facility for treatment.

There were no threats made against any specific person. Because of the age and mental state of the juvenile, it is unlikely charges will be filed in this case.

Subject: Unusual Kidnapping - Press Release

Good morning,

On 3-01-13, about 7:30 PM, officers responded to the area of Gernert Road and Box Springs Road in the unincorporated County area between Moreno Valley and Riverside. A 44 year-old woman reported that she had been kidnapped by a masked suspect and forced to drive to a secluded area near Two Trees Road and Galaxy Heights Road in the City of Riverside. At this time, I am being intentionally vague about the details of this crime because it is unique and disclosing specific details could compromise our investigation. Because of the various jurisdictions involved, the initial response came from the Riverside Police Department and the UC Riverside Police Department. Ultimately, it was determined the crime occurred in the Moreno County area and was our responsibility to investigate. MVPD Investigators were called to the scene and obtained a statement from the victim. Investigators believe this suspect could be very dangerous and that this crime could have ended with a much different result. We will be issuing a press release in an attempt to generate leads from the public.

The area where the victim was located was searched by officers from three different law enforcement agencies, including air units. The suspect was not located.

Local Government Officials in Support of CEQA Modernization

An open letter to the California Legislature.

Dear Governor Jerry Brown, Members, California State Senate and Assembly:

We, the undersigned local elected officials, urge you to adopt legislation that would modernize the California Environmental Quality Act (CEQA) to preserve the law's original intent – environmental protection and public disclosure and participation – while allowing environmentally responsible local decision-making, local economic development and jobs, and 21st century growth.

CEQA is an important law to ensure local governments have the information and tools to protect our local communities, and to allow for citizen involvement in local land-use decisions.

However, many important local projects are being held-up by CEQA challenges or even the threat of challenges- often times for reasons that have nothing to do with environmental protection or mitigation.

It's much easier to challenge a CEQA decision than any other type of local land-use decision. This means that local governments must spend a lot of time and a lot of money – which could be spent on actual environmental mitigation or for some other local purpose - taking excessive steps to protect against litigation and the threat of litigation.

CEQA challenges, and the threat of CEQA challenges, also undermine the ability of local governments to approve projects that carry out other important State policies such as infill development and affordable housing.

We appreciate the efforts of legislative leaders and the Governor to adopt meaningful CEQA reform. Local agencies play a critical role in CEQA and the protection of the environment. As such, we encourage you to take the interests of local decision-makers into account as you work to reform CEQA in a meaningful way.

We look forward to working with you to promote meaningful and responsible CEQA reform this year.

I agree to be publicly listed on this letter as an endorser of CEQA modernization.

Subject: Update from the League 2-28-13

Good Afternoon Riverside Division,

Last Friday, was the deadline to introduce legislation in Sacramento and almost 2,200 bills (813 in the Senate and 1,376 in the Assembly) have been introduced (related story [HERE](#)). Many of these are “spot bills,” i.e. placeholders without much substance, but I have a very preliminary list of some of the bills which have come to my attention below. Again, this is just a preview – the League’s lobbyists are preparing a more complete list of bills that will be coming out in the coming weeks.

Also in this email, there are a number of upcoming events, including the upcoming **Riverside Division meeting**, a link to the latest study from the RAND Corporation on Transportation and Mileage Based Fees, an article written by the League on neglecting annexations and incorporations, and lastly information on the NLC Conference in Washington DC.

Please let me know if you have questions or comments – and if your city is already watching a piece of legislation that is not on this list please let me know.

Erin

LEGISLATION

SB 1 (Steinberg) Sustainable Communities Investment Authority. This bill would authorize certain public entities of a Sustainable Communities Investment Area, to form a Sustainable Communities Investment Authority (authority) to carry out the Community Redevelopment Law in a specified manner.

SB 7 (Steinberg) Public Works: Charter Cities. Prohibits a charter city from receiving state funding for public works projects if the city has a charter provision/ordinance that does not require a contractor to pay prevailing wages on any public works project (including municipal projects). Excludes contracts of \$25,000 or less for construction work and \$15,000 or less for alteration, demolition, repair, or maintenance work. This bill has the potential to open up all aspects of state funding to this same type of eligibility constraints. (*Expect the League to strongly oppose this measure.*)

SB 33 (Wolk) Infrastructure Financing Districts. SB 33 makes it easier to establish IFDs throughout California by: Removing the two-thirds vote requirement associated with forming (and issuing bonds related to) an IFD; Establishing a public financing; Allowing IFDs to be located in (former) redevelopment areas; and Extending the life of an IFD from 30 to 40 years, increasing an IFD's bonding capacity. *(Nearly identical to a bill the League supported last year.)*

SB 684 (Hill) Advertising Displays: RDA Project Areas. Currently the Outdoor Advertising Act regulates the types and the locations of outdoor advertising displays but provides an exemption for signs within redevelopment areas so that they could be considered on-premise advertising. The extension of the authorization of these advertising displays requires approval of CalTRANS and the affected redevelopment agency. With the elimination of redevelopment agencies, CalTRANS cannot act solely to extend the authority of signs in redevelopment areas. This bill will give local agencies the flexibility to extend the authority of existing signs in former redevelopment areas. *(League sponsored)*

AB 22 (Blumenfield) Sidewalk Repairs. This law imposes a duty of repair on the abutting property owners for defects in sidewalks, regardless of who created the defects, but does not of itself create tort liability to injured pedestrians or a duty to indemnify municipalities, except where a property owner created the defect or exercised dominion or control over the abutting sidewalk. This bill would prohibit a city, county, or city and county that has an ordinance in operation that requires the city, county, or city and county to repair or reconstruct streets, sidewalks, or driveways that have been damaged as a result of tree growth from repealing the ordinance without the concurrence of the local electorate by majority vote. The bill would also declare that this is a matter of statewide concern. *(Nearly identical to the bill the League opposed last year.)*

AB 1080 (Alejo) Community Revitalization Investment Authority (CRIA). Allows certain "disadvantaged" areas to create a CRIA which would use property tax increment financing to fund improvements. Similar to RDA, each CRIA would be required to devote 20% of tax increment to affordable housing. *(Fact sheet from the author's office attached.)*

H.R. 456 (Schiff) Los Angeles Residential Helicopter Noise Relief Act of 2013. This Act would direct the FAA to exercise its legal authority to set guidelines on flight paths and minimum altitudes for helicopter operators in residential areas in Los Angeles County within 12 months of being signed into law. Exemptions would be provided for law enforcement, emergency responders and the U.S. military.

UPCOMING EVENTS

March 11: Riverside Division General Membership Meeting, 5:30pm Social, 6:00PM Dinner. Flyer attached – PLEASE GET YOUR RSVPs in

April 15: Legislative Action Day Preview Webinar, 11 AM – 12:30 PM. A preview of legislation the League of CA Cities is tracking in advance of our lobby day. RVSP deadline April 12. Full details available [HERE](#).

April 24: Legislative Action Day & Reception, 9AM – 7 PM in Sacramento. This year we have shortened our Capitol lobby day to just a single day for those city officials who would rather avoid an overnight stay. Full details available [HERE](#).

The Santa Monica based **RAND Corporation** has come out with a new report on the potential advantage of mileage fees for transportation funding. This primer presents some promising and innovative mileage fee system designs and transition strategies. Neglecting Annexation and Incorporation Will Not Serve the State's Growth Goals

BY KIRSTIN KOLPITCKE AND DAN CARRIGG

Kirstin Kolpitcke is a legislative representative for the League and can be reached at kkolpitcke@cacities.org. Dan Carrigg is the League's legislative director and can be reached at dcarrigg@cacities.org.

As California's Legislature emerges from a decade of severe budget deficits, many are celebrating the achievement of a balanced budget. Closing the state's massive deficit required severe spending cuts, a major boost from the taxpayers and a slowly recovering economy. But the desperate budget decisions made in recent years have policy impacts, whether it is the cost of attending public universities, potential increases in crime from realignment or the state's capacity to compete for jobs. Amid the budget wreckage, major questions also remain about the ability of cities to continue to grow and prosper.

Throughout history cities have served as centers of commerce and culture. This is certainly the case in California — the names of our major cities are known throughout the world. The Golden State's cities serve more than 83 percent of its residents and provide a range of municipal services including police, fire, libraries, parks and recreation, water, sewers and waste disposal. Cities also maintain a network of streets and roads.

State policies for achieving sustainability, greenhouse gas reduction, smart growth, infill and transit-oriented development and preserving farmland and open space have staked much on the role and success of cities. Yet the state's recent actions have signaled a lack of appreciation for the vital function cities serve as centers of commerce and providers of essential quality-of-life services for the vast majority of California's population.

The de facto state approach to cities appears to be one of neglect. When it comes to economic development, infrastructure and absorbing growth, cities are now on their own. The state discarded redevelopment — the most powerful municipal tool for upgrading urban cores, decontaminating brownfields, building affordable housing and transit-oriented development and countering urban sprawl. Revenues that supported new cities and cities that annexed inhabited areas were taken with no public process, leaving some cities on the verge of disincorporation. The message being sent is that while growth will occur, the state no longer will expend the effort to support how and where it happens.

SB 89 Leaves Incorporation and Annexation Policies Upended

As part of a push to close the budget gap in 2011, the Legislature passed SB 89 (Chapter 35, Statutes of 2011) without a public hearing. The measure swept allocations of the Vehicle License Fee (VLF) from cities and Orange County as part of a scheme to fund realignment programs, which included grants for local law enforcement previously paid from the state General Fund. These local VLF revenues included special allocations dedicated by all other cities to assist newly incorporated and annexed territories. The allocations were established by League-supported legislation to compensate new cities and annexations for provisions of the 2004 VLF-property tax swap, which failed to include the in-lieu property tax adjustments that other cities receive. In addition, these VLF allocations supported state Local Agency Formation Commission (LAFCO) policies that encourage service consolidation, including the annexation of islands of inhabited unincorporated territory. Incorporations also uphold state objectives to control sprawl, because LAFCO policies guide city growth but have less effect on unincorporated county growth.

The timing of SB 89 could not have been worse for Jurupa Valley, the state's newest city, incorporated on July 1, 2011. Before Jurupa Valley incorporated, the Riverside County LAFCO determined that county agencies could not provide services to the Jurupa Valley community "... in a more efficient and accountable manner. Incorporation will allow for increased local accountability."¹

As a result of SB 89, the city lost more than one-third of its General Fund. According to an Oct. 25, 2012, article in the *Press Enterprise*, "Over the past two fiscal years, Jurupa Valley has lost more than \$13 million in state revenue. The city expects to run out of money by June 30, [2013], the end of the current fiscal year."² Without some sort of reinstatement of the lost revenue or having the county contribute funding, Jurupa Valley faces possible disincorporation.

Three other newly incorporated cities have also lost funding because of SB 89. Fontana, San Jose and many other cities that made the state-supported policy decisions to annex and serve inhabited unincorporated areas were undercut and lost the revenue they relied upon when making those decisions. The policy signals and future impact of SB 89 are obvious: Cities no longer have any incentive to annex and serve inhabited unincorporated areas. Furthermore, without the prospect of future incorporations the state will be faced with more unincorporated county growth patterns, which historically have been less dense than city-centered development.

SB 244's Leverage Will Reduce Other Annexations

Another recent law with good intentions but unintended consequences is SB 244 (Chapter 513, Statutes of 2011). Inspired by advocates concerned about the poor services and infrastructure conditions for low-income people in county unincorporated areas, this bill was designed to promote annexation by adjacent cities. The advocates sponsoring the bill observed that the quality of infrastructure and services in cities were superior and sought leverage to increase the likelihood of future annexation. The law requires that any area of proposed annexation contiguous to a disadvantaged unincorporated community must include an application to annex the disadvantaged

unincorporated community as well. The bill essentially asks those who seek a financially viable annexation to annex an area that's less than financially viable in hopes that the monetary incentives of the first annexation are so beneficial that they can sustain the financial losses of annexing the disadvantaged unincorporated community.

However, while the intent is understandable, the additional financial burden of annexing a disadvantaged unincorporated community will stall other viable annexations. While the law is still relatively new and interest in annexation has slowed with the economy, one example illustrates its impact.

On Jan. 6, 2012, the Riverside County LAFCO denied a proposal to annex two unincorporated areas that included about 625 acres adjacent to the City of Desert Hot Springs. The LAFCO report states, "Most importantly, recently enacted legislation prohibits the approval of this annexation since it excludes an adjacent disadvantaged unincorporated community. As a result, staff recommends denial of Annexation 29 to the City of Desert Hot Springs."³ The annexation will not be pursued any further.

Revenue Neutrality Compounds Incorporation Challenges

Prior to the passage of SB 89, city incorporations were already significantly limited by the revenue neutrality law adopted in the early 1990s during yet another state budget crisis. As a result, jurisdictions fortunate enough to make incorporations pay their way, or "pencil out," were typically the exception rather than the rule.

"Revenue neutrality" essentially means that the incorporating city gets to keep only the amount of revenue that the county was spending in the area prior to incorporation, not the amount of revenue generated within the area. For example, the incorporation proponents for the City of Elk Grove agreed to give the county a percentage of property tax that would decline over 25 years while keeping other taxes, such as the sales tax and transient occupancy (hotel) tax. Under the revenue neutrality law, counties are in a position to drive hard bargains that limit the ability of new cities to pencil out. That is why in recent years the VLF allocations became so critical to helping cities like Jurupa Valley incorporate.

Some at the state level may view the incorporation question as making no real difference. That view has serious flaws.

California anticipates annual population growth of approximately 300,000 to 400,000 people in the coming years. These people will need essential community services and a place to live. What is the most appropriate land-use solution to meet the challenge of this growing population?

From a growth perspective, an area proposed for incorporation already has a level of development previously approved by the county; in many cases such growth was not subject to LAFCO review. Incorporation will ensure that future expansion complies with LAFCO policies, which reflect state priorities. City incorporation efforts are also one of the most fundamental expressions of democracy. Affected residents may be dissatisfied with growth patterns approved by the county, the remoteness of government offices, the quality of public services, emergency response times and the lack of parks or other desired amenities. Once a city is incorporated, public engagement often increases as more attention can be paid to local needs and desires. The thriving communities of Elk Grove, Rancho Cordova and Citrus Heights in Sacramento County provide examples of the community empowerment that incorporation can bring. Residents of East Los Angeles and Carmel Valley have long desired self-governance for the same reasons.

Going Forward

It serves little purpose to rehash the past, but the future offers opportunities for change and rectifying the problems described here. As California's economy recovers, the challenges of growth will return. Where should this growth be directed? How will infrastructure and services to support growth be provided? If strong cities are truly important to the state's economic future and growth goals, then the broken policies affecting California's cities must be repaired.

Key Legislation Articulates State's Vision for Sustainability

In recent years, the State of California has enacted key legislation that focuses on reducing greenhouse gas emissions in an effort to address the impacts of climate change:

- AB 32 (Chapter 488, Statutes of 2006) requires the California State Air Resources Board to adopt a statewide greenhouse gas emissions limit to be achieved by 2020 that is equivalent to 1990 statewide greenhouse gas emissions;
 - SB 375 (Chapter 728, Statutes of 2008) requires each metropolitan planning organization to prepare a sustainable communities strategy that, if implemented would achieve the greenhouse gas emissions reduction targets established by the California Air Resources Board; and
 - AB 857 (Chapter 1016, Statutes of 2002) established state planning priorities that promote infill development, protect environmental and agricultural resources and encourage efficient development patterns.
-

To: California City Officials

As the 113th Congress gets underway, there is no better place to support bipartisan action on economic recovery and job creation in our cities than the NLC Congressional City Conference, March 9 – 13, 2013, in Washington, D.C. If you have already registered, we look forward to seeing you. If not, please join us along with other California city officials and over 2,000 city leaders from across the country as we focus on federal policy issues that are important to cities. You'll have the opportunity to learn why these issues are important to your cities and constituents, and to lobby your Member of Congress, including in a meeting for all California city officials with Senator Barbara Boxer.

Key federal policy issues that will be addressed at the Congressional City Conference include:

- How federal budget deficit reduction plans could affect municipal bonds.
- Federal job creation and economic development strategies.
- Federal tax code reform and municipal finance, including legislation to simply allow state and local governments the flexibility to collect the taxes already owed to them on remote online purchases-not raising existing taxes.
- Immigration Reform.
- Water and transportation infrastructure investment.
- Public safety.
- Regulatory reform and streamlining.

As part of this premier legislative conference, NLC also offers professional development to help develop skills we need in our role as community leaders: effective governance, communications and managing change.

On behalf of the NLC and LCC Board of Directors and staff, we thank you for your continued support and look forward to seeing you in Washington next month.

Best Regards,

Mayor Marie Lopez Rogers, Avondale, AZ & President, National League of Cities
Mayor Bill Bogaard, Pasadena, President, League of California Cities

ASSEMBLY BILL 1080: Community Revitalization Investment Authority

Summary

AB 1080 allows certain “disadvantaged” areas of California to create a new entity called a Community Revitalization Investment Authority (CRIA). A CRIA would invest property tax increment of consenting local agencies (other than schools) and other available funding to improve conditions leading to increased employment opportunities, to reduce high crime rates, to repair deteriorating and inadequate infrastructure, to clean up brownfields and to promote affordable housing.

Background

Redevelopment was a multi-purpose tool that focused over \$6 billion per year toward repairing and redeveloping urban cores, and building affordable housing, especially those areas most economically and physically disadvantaged. Since the dissolution of redevelopment agencies, communities across California are seeking an economic development tool to use.

Multiple legislative measures were introduced in 2012 after the dissolution of redevelopment agencies in an effort to provide local governments options for sustainable community economic development. Four measures were approved by the Legislature. However, all four were vetoed by Governor Brown at the end of legislative session.

While the dissolution of former redevelopment agencies continues, the pervasive question is “what economic development tool can local governments use?” It is unrealistic to expect a single solution could work successfully in all California cities. This proposal provides a viable option targeting the state’s disadvantaged poorer areas and neighborhoods.

Details of the Proposal

- Creation of CRIA. A CRIA is a public entity created by a city; a county; or by agreement between a city, county and/or special district through a JPA. The governing board is comprised of three locally-elected officials and two public members. The

CRIA operates within a Community Revitalization Investment Area characterized by an annual median household income that is less than 80% of the statewide annual median plus other conditions relating to unemployment, crime rates, deteriorated infrastructure and deteriorated commercial or residential structures. The Area may qualify for funding as a “disadvantaged community” as determined by CalEPA and a “disadvantaged community” as defined in SB 244 (Wolk).

- Powers: The agency has limited powers as specifically listed in the legislation including rehabilitating and upgrading inadequate infrastructure; providing funding for affordable housing; Polanco Act powers; providing for seismic retrofits; acquiring property; and issuing bonds.
- Plan Adoption. An Authority must adopt a Community Revitalization and Investment Plan that in addition to other information, identifies its goals and objectives; describes programs for repair, upgrading or construction of infrastructure; for providing affordable housing; for facilitating the economic revitalization of the Area. Property owners and other interested parties will be full participants in the development of the Plan. The CRIA must hold two public hearings at least 30 days apart before adopting the Plan.
- Financing & Affordable Housing. A CRIA may use tax-increment financing based upon the property tax increment of local jurisdictions (other than schools) only with the consent of the local jurisdictions. Consistent with former Redevelopment Law, 20% of funds must be set aside for the development of affordable housing. An agency, or areas covered by an agency, may also benefit via Cap and Trade funds allocated to disadvantaged communities, or federal New Market’s Tax Credits.
- Reporting and Accountability Requirements. The legislation requires an agency to hold an annual public hearing to assess progress in Plan implementation and to consider necessary modifications. To ensure the agency remains accountable and committed to serving the community in the most effective way, property owners within the Plan Area are provided the opportunity to vote to terminate further activity of the Authority.

Subject: Environmental Youth Conference

Hi Cindy,

Attached is some information regarding our Environmental Youth Conference, per our phone conversation.

The Environmental Youth Conference is a yearly event hosted by Western Riverside Council of Governments, where we teach middle school students from around the county how to live a more sustainable lifestyle. The students participate in a number of activities, and this year's theme is "Design your Future; Pledge to the planet."

We have four schools attending this year, one of them being Badger Springs Middle School [DISTRICT 4], in Moreno Valley. We generally like to invite the Mayor, Mayor pro-tem, or council members from participating cities to give some short (5 min) remarks at the beginning of the day. The event will be held on March 21, 2013, at Diamond Valley Lake Visitors Center, in Hemet.

I have also attached the event flyer to this email. Please feel free to call or email me at any time if you have questions.

Thank You.

Taylor York
Staff Analyst
Western Riverside Council of Governments
4080 Lemon Street
3rd Floor, MS 1032

"Respect Local Control...Provide Regional Perspective"

6th Annual Environmental Youth Conference

“Design Your Future: Pledge to the Planet”

The 2013 Environmental Youth Conference will encourage students to design their own green future through an opportunity to craft a unique, personal pledge to live more sustainably.

Students will participate in interactive workshops designed to help them make responsible, healthy choices, and use natural resources efficiently.

Participating classrooms will each create and submit a ‘Pledge Poster.’ Posters will be judged at the end of the event, and prizes will be awarded to the best designs.

March 21, 2013

9:00 a.m. - 1:00 p.m.

Diamond Valley Lake
Visitors Center
2825 Searl Parkway
Hemet, CA 92545

Educational Sessions

6th Annual Environmental Youth Conference 2013 Agenda

The **Environmental Youth Conference** is designed to teach students how to live a more environmentally sustainable lifestyle.

Students will collaborate in groups to gain a better understanding of the relationship between the environment and our health, and the effect that our carbon footprint has on overall quality of life. In each educational track (air, water, green cities, and conservation), students will make real life decisions to help foster a sense of respect for their community and the environment.

2013 Conference Partners

- American Lung Association in CA
- Eastern Municipal Water District
- Metropolitan Water District
- Rancho California Water District
- Riverside County Department of Health
- Riverside County Waste Management Department
- Safe Routes to Schools
- South Coast Air Quality Management District
- Western Municipal Water District
- Safe Routes to School

March 21, 2013

9:00 a.m. - 1:00 p.m.

9:00 a.m.	Registration & Continental Breakfast
9:30 a.m.	Opening Remarks
9:40 a.m.	Session 1
10:25 a.m.	Session 2
11:10 a.m.	Session 3
11:55 p.m.	Session 4
12:40 p.m.	Breakout Session
1:00 p.m.	Lunch

The 2013 Environmental Youth Conference is brought to you by the Western Riverside Council of Governments and the Western Riverside County Clean Cities Coalition.

Subject: DUI collision and road closure

Good evening,

About 11:00 PM tonight, a two-vehicle major injury collision occurred on Heacock and Parkland. The vehicles were occupied by three people. All three were injured and one had to be cut out of the car. All three were transported to RCRMC for treatment. Although we are not certain, we believe all 3 will survive.

This collision is DUI related. The Traffic Team is on scene and handling the incident like they would if it was instantly fatal. Heacock and Parkland are closed in all directions and will remain closed until the investigation is completed.

A press release with additional details will be issued.

Subject: DUI collision - Update

Good morning,

On 3-02-13 about 10:28 PM, officers responded to the intersection of Heacock and Parkland reference a two-vehicle major injury collision. A 2000 Chevy Cavalier was turning west onto Parkland from northbound Heacock when a 2004 Toyota Camry driving southbound on Heacock ran a red light and collided with the Chevy. The Chevy was occupied by 21 year-old Candie Garcia (driver) and 19 year-old Joshua Garcia, both from Moreno Valley. Both sustained minor injuries and were transported to RCRMC for examination and treatment.

The Toyota was occupied by 23 year-old Eric Quarshie (driver) and 23 year-old Jovaughn Eddington, both from Moreno Valley. Both people in the Toyota had to be cut out of the damaged vehicle. Eddington sustained minor injuries and was transported to RCRMC for examination and treatment. Quarshie sustained major injuries and is currently in critical condition at RCRMC. Investigating officers found open alcohol bottles in the Toyota. The intersection of Heacock and Parkland remained closed for 6 hours while the investigation continued.

Note: As the officers were investigating this crash, another vehicle ignored all road closure indicators and sped through the crime scene, nearly colliding with officers on foot conducting the investigation. An officer gave chase, but lost sight of the vehicle. A search of the area did not turn up this vehicle. We were very lucky no additional injuries occurred.

The investigation is continuing. If the driver of the Toyota was under the influence of alcohol or drugs, he will be charged after he is released from the hospital.

Subject: Sunnymead Blvd enforcement action

Good morning,

On 3-02-13, MVPD SET Team officers conducted surveillance of the hotels on Sunnymead Blvd in an attempt to detect and discourage criminal behavior in and around those establishments. At 11:30 PM, officers saw a Toyota pick up truck driving on the wrong side of Sunnymead Blvd. The vehicle entered the parking lot of the Travel Inn and collided into a parked car. The pickup exited the parking lot and was promptly stopped by a SET officer. The driver, 25 year-old Robert Salcido of Lake Mathews, was found to be under the influence of alcohol. Salcido was arrested and booked into RPDC. An additional report was generated for the collision in the parking lot.

At 12:15 AM on 3-03-13, officers contacte two males as they left the Travel Inn. Both were found to be on active probation. A probation search of their room resulted in the seizure of several grams of methamphetamine. One of the suspects was under the influence of meth. 23 year-old Glenn Schaal and 28 year-old Daniel Vanhove, both of Moreno Valley, were arrested and booked into RPDC on charges of possession of methamphetamine, probation violation, and under the influence of meth.

Subject: DUI checkpoint results

Good morning,

The MVPD Traffic Team conducted a DUI/Driver's License checkpoint on Friday March 01, 2013 in the area of Sunnymeade Blvd and Frederick Street. The results were remarkable:

798 Vehicles passed through the checkpoint

10 DUI arrests (10 Alcohol, 0 Drug)

16 Field sobriety tests for DUI of alcohol

6 Field sobriety tests for DUI of drugs

21 Citations were issued for unlicensed drivers

10 Citations were issued for suspended driver's license

42 Citations for vehicle code violations

18 Vehicles towed

Subject: Update - DUI crash at Heacock and Parkland

Good evening,

As you may recall, during our investigation of the major injury DUI collision last night, another vehicle illegally and unsafely drove through our traffic control points. The vehicle accelerated rapidly and narrowly missed striking investigating officers in the roadway. Two officers actually had to run from the vehicle to get out of its path. Several Volunteers were also exposed to danger by the actions of the driver. Though officers gave chase, the suspect vehicle was able to elude them.

This morning about 1:20 AM, officers in the area heard the emergency broadcast from the officers at the crash scene. They began checking the area but were unable to locate it or the occupants. At 4:05 AM, an MVPD Community Services Officer observed a disabled vehicle at the intersection of Cactus and Veterans just south of the Public Safety Building. An officer responded to the location and saw two occupants attempting to run away from the disabled vehicle down an embankment. The officer apprehended both subjects. The vehicle and occupants matched the description of those involved in the assault with a deadly weapon (car) at the crash scene.

The Traffic officers who were assaulted responded to the scene and positively identified the vehicle as the suspect vehicle from earlier in the morning. One officer was able to positively identify the female suspect as the driver of the vehicle. The driver, 20 year-old Vanessa Gonzalez of Perris was arrested for assault with a deadly weapon on a peace officer and booked into RPDC. The passenger, 24 year-old Michael Ramirez was detained and charges may be filed at a later date.

Subject: RE: Adelante and Ribbon Cutting

Hi LaDonna:

May I make a few suggestions---

- When inviting the council members to an event (whether via email or personally) to also copy me cindym@moval.org
- There have been a few instances, especially for larger grand openings/ribbon cuttings, that the Chambers of Commerce contact our office to coordinate the event with a confirmation of the availability of the council member(s)
- Following the Alessandro Clinica Medica Familiar event, I also emailed you my personal cell phone number (951.255.1378), in the event you are trying to confirm attendance on a Friday or when City Hall is closed.

Office staff maintains an invitation binder. For the February 16, Alessandro Clinica Medica Familiar Ribbon Cutting, there is on file the MVHCC's e-blast and your email sent to me, both dated February 11. Council Member Stewart responded to the February 11 email. I'm sorry, but I cannot find an earlier record – but that doesn't mean it wasn't received and subsequently deleted. The council members' calendars fill up quickly; and unfortunately, the council members responded that they were not available on February 16 to attend the Alessandro Clinica Medica Familiar Ribbon Cutting.

Let me assure you that the mayor and council members do attempt to ensure there is representation at events to support our local businesses. I will follow-up with the council members regarding the VanGuard's Art Gallery re-opening on March 21.

Thanks,

Cindy

We appreciate Council member Baca squeezing us into her schedule. We will have her report promptly at 7:30am. I am copying this information to the President so he is aware.

I did want to ask one thing. Is there a reason why no City Council member was available for the Ribbon Cutting which was held on Saturday, Feb. 16th for the Alessandro Clinica Medica Familiar?

We sent notification weeks in advance. I even sent a personal reminder individually to each Council Member. Only Richard Stewart replied saying he was out of town. I thank him for that.

We would like all of our new businesses to receive the same appreciation and respect, big or small. It was embarrassing to the MVHCC not having any City representation.

Please SAVE THE DATE for the Ribbon Cutting for VanGuard's Art Gallery **new location** and the **opening of the MVHCC office** at the Moreno Valley Mall scheduled for Thursday, March 21, 2013 from 5:30-7:00pm.

Subject: Rancho Verde High School enforcement

Good morning,

We recently received complaints from Moreno Valley residents in the area of Rancho Verde High School that students were loitering in the neighborhoods before school. Residents indicated that the offending students often appeared to be using marijuana or other drugs. On February 26, 2013 in the early morning hours, officers conducted surveillance in the areas indicated by residents. At 7:00 AM, a car occupied by 5 male students pulled up in the area and the occupants began to pass a smoking pipe back and forth while seated in the vehicle. They were contacted by officers and were found to be smoking marijuana. 18 year-old Vincent Mendoza was found to be in possession of a small amount of marijuana and was cited for the violation. The other 4 students were minors and were cited for daytime curfew violations. The minors were released to school officials.

The surveillance continued and one additional minor was cited for daytime curfew violation.

Both Mayor Owings and Councilman Marcelo Co attended the mixer on January 17th where the fliers were passed out but I do understand that would not be considered as notification. The following day, I emailed the information. Then I do have notification being sent by Jesus Holguin on 2/8/13

When I emailed the Council directly, I knew you had already received the information so I did not feel it necessary to send to you again.

As of 2/15/13, the day before, with the exception of Richard Stewart, we were not aware that none of the Council members would be attending. I would hope for future events that we will be notified.

From this point on, I will email you directly and I will call if you do not acknowledge within 24 hours just to confirm you received the information.

We appreciate your efforts.

Subject: Press-Enterprise Editorial

The editorial (below) appeared in the Press-Enterprise on Saturday. The newspaper's editors, who are not renowned for praising the City organization, see that our City Council members are intently focused on the importance of saving the lives of pets in our community.

Because of our Council's leadership, and strong support from the City Manager's Office, we're at a truly unique point in our Shelter's history.

I know how hard everyone is working, particularly in the current budget climate. It's essential that you know how visible your efforts are...to the Council and to our community. You are achieving great things, and for a most noble cause.

Please take a moment to reflect on what you've accomplished, and the momentum our City is building to create a community where increasingly more pets are placed in lifelong, loving homes. We've just begun!

Respectfully,

Tom

OUR VIEWS

SPARE MORE ANIMALS

MV00255670

A Moreno Valley Animal Services volunteer helps at the city's shelter. City officials are right to explore ways to end the killing.

Moreno Valley officials deserve support in their quest to cut the euthanasia rate at the city's animal shelter. In January, the rate, which has hovered between 55 and 61 percent for several years, dropped to 40 percent. The cause of the sudden drop isn't clear, but it's welcome.

The national shelter average euthanasia rate is about 60 percent. Moreno Valley has been killing more than 7,000 animals annually. The figure stunned new City Council member Victoria Baca, who described herself as "livid and ashamed." New council member and Mayor Tom Owings says he hopes that officials can quickly cut the rate now that the council is aware of the issue.

Considering the poor economy and a shaky city budget, making fast improvements will prove challenging. But some options under discussion, such as trimming adoption fees and recruiting more shelter volunteers, should be helpful. Increasing awareness of low-cost spaying and neutering options in the county also could help.

To make progress, Moreno Valley needs a long-term commitment to minimize the killing. The city is off to a promising start.

OUR VIEWS

SPARE MORE ANIMALS

<image004.jpg>

A Moreno Valley Animal Services volunteer helps at the city's shelter. City officials are right to explore ways to end the killing.

Moreno Valley officials deserve support in their quest to cut the euthanasia rate at the city's animal shelter. In January, the rate, which has hovered

between 55 and 61 percent for several years, dropped to 40 percent. The cause of the sudden drop isn't clear, but it's welcome.

The national shelter average euthanasia rate is about 60 percent. Moreno Valley has been killing more than 7,000 animals annually. The figure stunned new City Council member Victoria Baca, who described herself as "livid and ashamed." New council member and Mayor Tom Owings says he hopes that officials can quickly cut the rate now that the council is aware of the issue.

Considering the poor economy and a shaky city budget, making fast improvements will prove challenging. But some options under discussion, such as trimming adoption fees and recruiting more shelter volunteers, should be helpful. Increasing awareness of low-cost spaying and neutering options in the county also could help.

To make progress, Moreno Valley needs a long-term commitment to minimize the killing. The city is off to a promising start.

Both Mayor Owings and Councilman Marcelo Co attended the mixer on January 17th where the fliers were passed out but I do understand that would not be considered as notification. The following day, I emailed the information. Then I do have notification being sent by Jesus Holguin on 2/8/13

When I emailed the Council directly, I knew you had already received the information so I did not feel it necessary to send to you again.

As of 2/15/13, the day before, with the exception of Richard Stewart, we were not aware that none of the Council members would be attending. I would hope for future events that we will be notified.

From this point on, I will email you directly and I will call if you do not acknowledge within 24 hours just to confirm you received the information.

We appreciate your efforts.

Hi LaDonna:

May I make a few suggestions---

MV00255674

- When inviting the council members to an event (whether via email or personally) to also copy me cindym@moval.org
- There have been a few instances, especially for larger grand openings/ribbon cuttings, that the Chambers of Commerce contact our office to coordinate the event with a confirmation of the availability of the council member(s)
- Following the Alessandro Clinica Medica Familiar event, I also emailed you my personal cell phone number [REDACTED], in the event you are trying to confirm attendance on a Friday or when City Hall is closed.

Office staff maintains an invitation binder. For the February 16, Alessandro Clinica Medica Familiar Ribbon Cutting, there is on file the MVHCC's e-blast and your email sent to me, both dated February 11. Council Member Stewart responded to the February 11 email. I'm sorry, but I cannot find an earlier record – but that doesn't mean it wasn't received and subsequently deleted. The council members' calendars fill up quickly; and unfortunately, the council members responded that they were not available on February 16 to attend the Alessandro Clinica Medica Familiar Ribbon Cutting.

Let me assure you that the mayor and council members do attempt to ensure there is representation at events to support our local businesses. I will follow-up with the council members regarding the VanGuard's Art Gallery re-opening on March 21.

Thanks,

Cindy

Subject: Adelante and Ribbon Cutting

We appreciate Council member Baca squeezing us into her schedule. We will have her report promptly at 7:30am. I am copying this information to the President so he is aware.

I did want to ask one thing. Is there a reason why no City Council member was available for the Ribbon Cutting which was held on Saturday, Feb. 16th for the Alessandro Clinica Medica Familiar?

We sent notification weeks in advance. I even sent a personal reminder individually to each Council Member. Only Richard Stewart replied saying he was out of town. I thank him for that.

We would like all of our new businesses to receive the same appreciation and respect, big or small. It was embarrassing to the MVHCC not having any City representation.

Please SAVE THE DATE for the Ribbon Cutting for VanGuard's Art Gallery **new location** and the **opening of the MVHCC office** at the Moreno Valley Malll scheduled for Thursday, March 21, 2013 from 5:30-7:00pm.

MV00255680

GOOD MORNING! I AM VICTORIA BACA CITY COUNCIL MEMBER FOR DISTRICT 5, HERE TO GIVE YOU A QUICK UPDATE ON THE LATEST HAPPENINGS AT CITY HALL.

COMMUNITY FORUM

THE CITY HOSTED A COMMUNITY FORUM ON THE CEQA PROCESS LAST MONDAY NIGHT TO EXPLAIN HOW WE REVIEW DEVELOPMENT PROJECTS. WHEN A DEVELOPMENT IS PROPOSED, MORENO VALLEY FOLLOWS THE CALIFORNIA ENVIRONMENTAL QUALITY ACT TO MINIMIZE THE IMPACT ON THE ENVIRONMENT. WANT TO KNOW MORE? THE ENTIRE EVENT WAS VIDEOTAPED AND IS AVAILABLE ON MVTV-3 AND ON OUR YOUTUBE CHANNEL.

NEW RESTAURANT COMING!

THE NEVER-OPENED JOHNNY CARINO'S RESTAURANT BUILDING IN TOWNGATE PROMENADE NEAR MIMI'S IS IN ESCROW. THE NEW RESTAURANT OWNER HAS TWO RESTAURANTS CALLED OMOKASE IN RANCHO CUCAMONGA AND FONTANA, THAT SERVE FRESH SUSHI, ROLLS, AND A VARIETY OF TEMPURA AND TERIYAKI DISHES FOR THE NON-SUSHI EATERS. THE NEW OWNER IS WORKING ON PLANS TO FINISH THE RESTAURANT'S CONSTRUCTION. ESCROW IS SCHEDULED TO CLOSE LATE MAY / EARLY JUNE.

ADJUSTED CITY COUNCIL MEETING PROCEDURES:

- SPECIAL PRESENTATIONS START A HALF-HOUR EARLIER AT 5:30 P.M.
- REGULAR MEETINGS START A HALF-HOUR EARLIER AT 6:00 P.M.
- PUBLIC COMMENTS ON MATTERS NOT ON THE AGENDA MOVED UP TO JUST AFTER INTRODUCTIONS.
- WE ADDED A SECOND STUDY SESSION – IT’S ON THE FIRST TUESDAY OF EACH MONTH.
- STUDY SESSIONS WILL BE TELEVISED, BUT WITH THE CITY COUNCIL AT DISCUSSION TABLES, WHICH ONLY ALLOWS FOR LIMITED CAMERA ANGLES FOR THE BROADCAST.

SKECHERS GETS LEED GOLD CERTIFICATION

MORENO VALLEY’S OWN 1.8 MILLION SQUARE FOOT SKECHERS USA BUILDING HAS BEEN CERTIFIED “LEED GOLD” BY THE U.S. GREEN BUILDING COUNCIL. IT IS THE LARGEST LEED GOLD DEVELOPMENT IN THE ENTIRE U.S. LEED STANDS FOR “LEADERSHIP IN ENERGY AND ENVIRONMENTAL DESIGN.” CONSTRUCTING MODERN BUILDINGS TO ADHERE TO LEED STANDARDS HELPS MITIGATE ENVIRONMENTAL IMPACTS FROM NEW DEVELOPMENT AND MAKES A HEALTHIER ENVIRONMENT FOR PEOPLE WHO WORK IN THE NEW BUILDINGS.

City of Moreno Valley

Council Summary

Reference # MV-14794-Q0B2

Incident Date/Time: 2/23/2013 9:40:00 AM

Resolution Date/Time: 3/4/2013 3:30:00 PM

Taken By: Cindy Miller

Reporting Party Information

Name: Miguel Jacabo

Address:

City/ST/Zip: Moreno Valley CA

Hm Phone:

Wk Phone:

Cell Phone: [REDACTED]

Email:

Case Location Information

Property Owner Name:

Address:

Cross Street Info:

Parcel # (if available):

Resolution Information

Chief Ontiveros responded on 2/27/13: Mr. Jacabo is correct in his assertion that he picked up the vehicle prior to the 5-day minimum agreed upon by our tow companies, and has received a refund of the \$70.00 fee directly from the tow company. Mr. Jacabo is very happy with our assistance.

Case Information

Issue Category: Traffic

Issue: Impounded Vehicles

Council District:

City of Moreno Valley

Council Summary

Issue Description: 2/27/13: Miguel Jacobo stopped by the council office regarding the vehicle tow charge.

Mr. Jacobo stated Mayor Owings advised him to first go to the tow yard because he thought the additional charge wouldn't be until day five and then to come back if the tow company didn't help. Mr. Jacobo stated Exclusive Tow advised the charge is within a 72 hour period.

Mr. Jacobo submitted a copy of Exclusive Towing Invoice # 4656 (attached).

Mr. Jacobo stated he left a voicemail message at MVPD telephone number [REDACTED] that Mayor Owings provided him.

Please investigate on behalf of Mayor Owings, contact Mr. Jacobo, and advise the outcome.

Mr. Jacobo stated his vehicle was impounded when it was discovered he had a suspended license. He stated he was not aware the driver's license had been suspended. He stated that due to the holiday on February 18, he was not able to get his vehicle released in a timely manner. Mr. Jacobo asked what law allows a tow truck company to put a lien on a vehicle.

Subject: Felony warrant arrest for murder

Good evening,

Today about 4:00 PM, SET officers assisted the US Marshal's Office and the Riverside Sheriff's Fugitive Warrant Team (FWET) in the area of Heacock and Manzanita. For the past 6 months, the FWET team has been actively pursuing a suspect wanted in a murder that occurred in Surprise, Arizona at a marijuana dispensary.

The suspect, 19 year-old Andree Smith, was tracked to Moreno Valley. Once his identity was confirmed through surveillance, MVPD SET officers conducted a traffic stop on the suspect and took him into custody without incident.

Smith was booked into RPDC to await extradition to Arizona.

Subject: You are so awesome!

It's 10:40 and the Study Session has just ended. Yes, I was actually one of those citizens who stayed up until the very end. Deanna Reader is the one who told me that if I want to know what's going on in the city, then I need to watch the City Council Study Sessions. She was so right.

As you know, I just love your straight-forward, a sort of in-your-face-style. Tonight was no exception. You call it like it is and for that I am so grateful. But I also have a couple of other quick things I want to share.

1. The "Depressed" Enterprise. What a great moniker! And so true. I was a News Assistant for the P-E in the early 90s when they had an office off of Alessandro. Even way back then, I couldn't believe how EVERY reporter assigned to the city-- and back then there were four or five of them--bashed Moreno Valley at every chance they got. They proudly boasted how much they hated the city. Obviously, things haven't changed. I love how you confronted Lora with the bias they have against the Moreno Valley. As a citizen, I thank you. But my personal highlight was when you brought up Bill Batey's quote and his "going to the DA." Yeah, he had told me that too, among other things that caused me to question his credibility. Don't ever let up on that until she answers you.

2. The Sheriff's Contract. Bravo for asking about why we continue to pay so much for their services in these tough economic times. We are their largest contract yet they can't even produce an annual report for us. Recently, I've been criticized for questioning how the SRO officers spend their time when working for MVUSD. I don't think SROs have to keep a daily activity log like a regular sheriff...but I might be mistaken about that. I do know that the school district doesn't require any kind of documentation on what they do all day. I'm not suggesting that they are wasting time; I'm just curious what do they do, especially when they are allowed to go on calls away from our campuses. We aren't supposed to be billed for the time away but is that the really happening? I don't know. Again, I'm not accusing them of any wrong doing. I just wanted to know the find out the facts. BTW, I'm not like Alicia Espinoza who thinks the city is joining forces with MVUSD just to get grant money.

3. MVU & the City Budget. Wow....fascinating information! I had no idea the city receives such little money from property taxes. I also loved the comparisons with the other four cities. And the MVU contract? Sad but you were very gracious about not pointing the fingers.

Finally,

4. The Citizen Initiative. That was really nice of you to applaud the people who are trying to get that initiative on the ballot. Shame on Richard Stewart! He made it sound like they were the same people who failed at the Mike Rios recall. They aren't! Thank you for putting him in his place. He's my Councilman and I've already emailed my complaint to him directly.

The two men who are pushing that initiative are my friends and they have worked REALLY hard at creating something that is realistic and viable. I will share with them your nice comments. I was really hoping they would want to jump on the Council's charter committee. But since your group will be meeting in the daytime, 1:30, and they are school teachers, that isn't going to happen. That's okay. They really want to do their own thing.

Hey, I'm keeping it short tonight! (Yes, this is short.) Oh, and I have to text Deanna and thank her for her suggestion about watching the city Study Session.

Honestly, it wouldn't bother me to find out if you really lived in Thousand Oaks. I'm glad you're bringing the leadership to a city that has sorely lacked it.

Most sincerely, again,

Debra Craig

Subject: Settlement Conference with State DOF

Mayor and City Council,

Suzanne Bryant and I met with department of Finance and State Attorney General representatives at 1:30 this afternoon. After an hour discussing relevant facts regarding the State's claim that the Successor Agency owed the State \$3.6 million, the State reps agreed that the SA owes them nothing. We were successful in our effort to explain and win our argument on this issue.

This resolves all Housing Asset due diligence report issues and paves the way to quickly prepare a Property Management Plan and pursue a Finding of Completion from the State DOF. This is exciting news for the Successor Agency and the City.

Subject: Settlement Conference with State DOF

Mayor and City Council,

Suzanne Bryant and I met with department of Finance and State Attorney General representatives at 1:30 this afternoon. After an hour discussing relevant facts regarding the State's claim that the Successor Agency owed the State \$3.6 million, the State reps agreed that the SA owes them nothing. We were successful in our effort to explain and win our argument on this issue.

This resolves all Housing Asset due diligence report issues and paves the way to quickly prepare a Property Management Plan and pursue a Finding of Completion from the State DOF. This is exciting news for the Successor Agency and the City.

Rick Teichert
Financial and Management Services Director

Subject: Wild Flax gang search warrants

Good evening,

The MVPD Burglary Suppression Team, in conjunction with the Special Enforcement Team, has worked for several weeks to identify members of a local gang known as "Wild Flax" and connect them to as many as twenty commercial burglaries in Riverside and Los Angeles Counties. The burglaries occurred at numerous Verizon stores in Woodland Hills, Moreno Valley, Temecula, and Beaumont. Suspects entered the stores and cut the security tethers on the demo phones displayed within. Thieves targeted high-end smart phones, tablets, and computers.

Today, about 7:00 AM, the teams served four search warrants in furtherance of this investigation. Search warrants were served at residences located in the following areas:

22800 block of Naranja
22700 block of Glendon
26300 block of Tasman
25900 block of Brodiaea

All four residences are occupied by one or more Wild Flax gang members. Searches resulted in the seizure of stolen property; a sawed-off shotgun; ammunition; gang paraphernalia; a 9mm handgun with an illegal high-capacity magazine; and illegal prescription medication (hydrocodone).

Five Wild Flax gang members were arrested today and will be charged with numerous felony counts plus gang enhancements. The investigation is continuing and additional proactive enforcement is anticipated. Additional arrests are also anticipated.

Joel

Joel Ontiveros, Chief of Police
Moreno Valley Police Department

Subject: CRMs

Hi Cindy,

Council Member Baca attended Monday night's Box Springs Mutual Water District Boardmeeting. At that meeting, a gentleman by the name of Rigoberto submitted 3 requests she hopes to resolve through the CRM process:

1. Trash & sofas dumped on Edgemont Street near Cottonwood Ave. have been there for months. He requests that they be removed.
2. He described traffic problems near Edgemont Elementary School when school is released in the afternoon. He requested traffic patrols after school.
3. He requested weed abatement on the lot next door to 21711 Dracaea.

Thanks so much for your help!

Michele

74	"Riverside County Sheriff's Department and it's contract agency (Moreno Valley) implemented a records management system mid-year 1999 and experienced technical problems with the system. Totals reported
75	for 1999 were not valid and should not be used to make comparisons. Therefore, to maintain comparability of 2000 data with 1999 data, counts are shown but not included in the subtotals or total selected
76	jurisdiction counts."
77	Note * 2: Shown above is the approximate % change for 1999 using 1998 v 2000 comparison. Per Lt. Hill at Riverside County Sheriff's Technical Services Bureau (TSB): "The Riverside County Sheriff's Department
78	implemented a new records management system in 1999 and experienced technical problems with the system. Totals reported for 1999 were not valid and should not be used to make comparisons."
79	What is shown is an average decrease in crime for 1999 by percentages using 1998 as base year and 2000 as the comparison year and then divide the year 2000 percentages by 2 to show an average
80	for each year, 1999 & 2000.

84	
85	
86	
87	
88	
89	
90	Note: From Eric/TSB: Much like the MV01217010, case MV01212091 (Yes another 2001 case) was investigated as an accidental overdose at the time it occurred. In January 2003 a person
91	(Ruben Chavira)turned himself in, confessing to drowning the victim. Because the case was then classified as a homicide, we had to report it for January 2003. The victim was Valerie Ladelphia.
92	This case is the incident that is reflected on the Return A, Item A, and should appear as a homicide on the State's first quarter report.
93	
94	04/15/2004 Note From Eric/TSB: MVPD final 2003 Aggravated Assault total will be 468. The numbers that are posted on the DOJ website are "preliminary" numbers only which will be corrected later in the year 2004.

Hi Victoria:

Key is the Executive Director of Silence Aloud, Inc. and also a city employee with the CDBG/HOME Program. Key requested to meet with you to discuss Silence Aloud in general and the HEART Center Transitional Housing Program for emancipated foster.

Silence Aloud Mission Statement: Silence Aloud, Inc. provides a voice for male youth victims of sexual abuse, reframes social constructs of masculinity, and increases public awareness.

Key is available to meet at the end of the work day at 5 p.m., during her lunch hour, and on Fridays. Please advise if you would like to meet, and if yes, the date/time that works best with your schedule.

Thanks,

Cindy

Subject: Timesheets for pay period ending 3/15/2013

Greetings All,

Per the Payroll Schedule on Wednesday, March 13th, timesheets for pay period ending 3/15/13 are due to Payroll by Noon. Payroll will be at their normal location in the Finance area to receive each department's timesheets.

Per your individual department/division manager's direction, please make sure to have your timesheet completed in a timely fashion so that it can be delivered to Payroll by Noon on Wednesday, March 13th.

On Thursday, March 14th, Payroll will be located in Annex 4.

Thank you all in advance for your consideration and cooperation during our transition to the temporary work location, and please feel free to share this news with your coworkers.

Best regards,

Your Payroll Team

To: Everyone
Subject: Friday afternoon: 3/15/13

Hi Everyone,

I've been asked to clarify time entry for Friday afternoon, 3/15/13.

The end of our pay period has been Friday at noon; so on 3/15/13 at **NOON** pay period 3/1/13 through 3/15/13 ends. On Saturday 3/16/13, we change the day our pay period **STARTS** to Saturday. So you can see that Friday after NOON would not be included in EITHER timesheet.

Since Payroll **MUST** have some indication of whether you worked on Friday (the 15th) **AFTER** noon, but **PRIOR TO** the start of the next pay period (Saturday, the 16th) we need for each and every employee to make a statement about Friday afternoons hours on the 3/15/13 timesheet.

If you did **NOT** work:

Friday AFTERNOON: 0 hours worked	
STANDBY DATES - 24#	###

If you **DID** work:

Friday AFTERNOON: 2 (or however many) hours worked	
STANDBY DATES - 24#	###
NEVER SIGN FOR SOMEONE ELSE Employee certifies that he/she took no unpaid	

Of course if you have any questions or concerns, please feel free to email, phone, or drop by the payroll workstation.

Best regards,
~Maggie

Subject: Human Trafficking rescue

Good evening,

This notification will be short on details as the investigation is ongoing and information is very limited at this time. The MVPD POP Team has been working a prostitution case involving a 13 year-old girl. The girl was believed to be a runaway from Moreno Valley.

Tonight, the POP Team was able to locate the teenager at a local motel and took her in to protective custody. The Sheriff's Human Trafficking Team was notified and responded to assist.

The investigation is continuing and I hope to have more to report at a later date.

Subject: Printer

Hi Victoria:

I had an afterthought and need clarification – are you requesting a printer for your council office or home?

If the printer is for your office, may I ask that it not be installed until after the renovation and we relocate back to the second floor. We'll be moving downstairs within the next couple of weeks. In the meantime, you still have the capability to print to the printer located in my work area.

Thanks,

Cindy

Incident Description

Engine companies responded to a single family residence with smoke showing from a second story window. A quick primary search and an aggressive fire attack limited the fire damage to the room of origin. The interior walls of the structure were not breached and the residents remained in the dwelling.

Subject: Settlement Conference with State DOF

Mayor and City Council,

Suzanne Bryant and I met with department of Finance and State Attorney General representatives at 1:30 this afternoon. After an hour discussing relevant facts regarding the State's claim that the Successor Agency owed the State \$3.6 million, the State reps agreed that the SA owes them nothing. We were successful in our effort to explain and win our argument on this issue.

This resolves all Housing Asset due diligence report issues and paves the way to quickly prepare a Property Management Plan and pursue a Finding of Completion from the State DOF. This is exciting news for the Successor Agency and the City.

Rick Teichert
Financial and Management Services Director

Subject: Where's PAYROLL???

In the SAME place we've always been (in the recent past, anyway):

- **CITY HALL, FINANCIAL OPS, SOUTHEAST CORNER OF 2ND FLOOR.**

As many of you know the 2nd floor staff is being temporarily relocated to various places, but we want YOU to know that Payroll will be in the usual location for **timesheet delivery this Wednesday, March 13th**.

Bring up those timesheets by Noon!!

Thanks,
Maggie

Incident Description

Engine companies responded to a single family residence with smoke showing from a window. A quick primary search and an aggressive fire attack limited the fire damage to the room of origin. The first arriving engine company declared rescue mode and removed one civilian with smoke inhalation and minor burn injuries to the right hand. Another civilian was treated for smoke inhalation and refused transport. The interior walls of the structure were not breached and the residents were not displaced.

On behalf of Henry Garcia, please see the attached Employee Budget Update.

Thank you very much.

Henry Garcia
City Manager

MEMORANDUM

To: City Employees
From: Henry Garcia, City Manager
Date: March 12, 2013
Subject: **Budget Update**

The Budget Review Team has met with each of department and is finishing up the two-year draft budget proposal for Fiscal Years 2012/13 and 2014/15. Each department and division has once again been mindful of our ongoing fiscal challenges and the proposed budgets have been conservative and sparing with any new requests. I appreciate the effort of each department head, division manager, and City staff member in continuing to hold the line in spending.

Unfortunately the City's budget outlook remains poor. Revenues are increasing, but too slowly to keep pace with the City's cost to deliver services. Despite significant expenditure reductions that have reduced our General Fund spending from nearly \$100 million in 2007 to \$76.8 million in the current fiscal year, *our structural deficit is still projected to be \$6.3 million for the fiscal year starting July 1*. Our revenue growth rate is approximately 2-2.5% overall but just isn't enough to cover significant cost increases which include the following:

- Public safety contract increases in FY 2012-13 and anticipated for FY 2013-14 which represent \$1.6 million and \$1.8 million respectively;
- \$1.2 million annual costs of operating the new Morrison Park Fire Station;
- Employee COLAs (in 2012) which impacted our General Fund by \$650,000;
- The loss of Redevelopment Funds and Vehicle License Fees eliminated by the State represent over \$1 million in costs transferred to the General Fund;
- Public Employee Retirement System costs are escalating and will cost the General Fund an additional \$300,000 next fiscal year.

We have been utilizing our reserves or "savings" to help balance our budgets each of the last 5 years. As a result, General Fund reserves have decreased from \$44 million in FY 2009/10 to \$22 million as of this June 30. While reserves act as a "rainy day" fund, *we simply cannot continue to burn through one-time cash while spending more than we take in*. The City Council has directed us to present them with a balanced budget for FY 2013/14 without using reserves.

Budget Update

March 12, 2013

Page 2

In light of the cuts made to the General Fund over the past four years, identifying another \$6.3 million in reductions will obviously be very difficult. I sincerely believe that we are operating the City with what amounts to a “skeleton crew” and yet our residents have felt minimal service level impacts as each of you continue to dedicate tremendous effort in performing your work.

We will use the \$2.8 million in cuts previously identified for Years 2 and 3 of the Council-approved Deficit Elimination Plan as the foundation for the budget plan, with some variations due to evolving circumstances and Council priorities. Some additional staff reductions will be necessary; specific proposals will affect management positions as well as line staff and are likely to be announced within the next week or two. We also anticipate that most of the reductions will need to come from public safety, where the City currently spends over 70% of its General Fund budget.

At a special study session workshop held last month, the City Council discussed the possibility of asking our residents to support a ballot measure to increase revenues through a sales tax or parcel tax increase. We cannot balance our budgets strictly through expenditure cuts; additional revenue is required. Staff recently presented information to the City Council regarding the slow growth in our major General Fund revenue sources. This presentation is posted on the intranet and I encourage you to review the data provided, including Moreno Valley’s per capita revenue as compared with similar-sized communities.

As I work with the City Council to develop the two-year budget, I will provide you with detailed information as timely as possible. The following are some important dates for the budget process:

<u>Scheduled date</u>	<u>Action/Information</u>
March 25-28	Two-Year Budget proposal available for viewing by departments in LOGOS
April 30	Special Study Session: 2-Year General Fund Budget Proposal
May 7	Study Session: 2-Year Non-General Fund Budget Proposal
May	Staff to conduct public budget meetings in each Council District
June 11	City Council meeting: Approve Two-Year Budget

I value your continued dedication to the City of Moreno Valley, and will keep you informed as the budget process moves forward.

Subject: Rose Moorhouse - 951.488.2436

Ms. Moorhouse resides at 12028 Bayless St., in District 5. Ms. Moorhouse stated she received a delinquent notice for Citation #10296, dated January 8, 2013, for trash cans in public view and an unimproved surface. She stated she previously spoke with Code staff to advise that the trash cans were out on the day of trash service. Ms. Moorhouse stated she thought the citation had been dropped based on this phone call to Code. Ms. Moorhouse stated she does not understand why she is being cited when the some of her neighbors' properties are in much worse condition, and they have not been cited.

Ms. Moorhouse stated she is 81 years old and very upset; it sounded like she may have been crying when speaking with her.

A CRM has been prepared and forwarded to Code.

Thanks,

Cindy

Subject: Finley Incident 03-11-2013
Attachments: Finley Inc Rescue Exception Report March 2013.xlsx

Mayor and Council,

As a follow up to the Finley Significant Incident Report emailed to each of you yesterday, I am forwarding the copy of our Department's Rescue Exception report. In reviewing the document, you will see the heroic efforts made by our Kennedy Park firefighters whom performed a rescue of a deaf citizen while in an atmosphere that was immediately dangerous to life and health and at great risk to the firefighting crew. Our quick response to this incident and declaration of Rescue Mode by the first arriving Company Officer, rapidly locating the victim with simultaneous fire attack undoubtedly contributed to a successful outcome for the victim, averting serious injury and or death.

I am proud of the work that our firefighters performed yesterday which serves to reiterate the professional abilities of the men and women of our Department that serve this community.

Respectfully,

Subject: Statement of Economic Interests (Form 700) is due Monday, April 1, 2013

Checklist for Annual Statement. pdf
Form700-12-13.LocalGiftFactShe et2013.pdf
Resolution No. 2012-104.pdf

Pursuant to Government Code §87200, as a City official, you are required to file an Annual Statement of Economic Interests.

An interactive Form 700 may now be found and utilized at www.fppc.ca.gov Web site – Form 700: <http://www.fppc.ca.gov/index.php?id=500> ; however, you will still need to print the form and submit it to this office. Also on the FPPC Web site, you may find Reference Pamphlet explaining reporting requirements and FAQ Gift Disclosure, which should be helpful to you in completing your statement.

For your convenience in completing the required statement, the following documents are attached:

1. Form 700 (includes instructions)
2. Copy of your disclosure category specifying the types of interests you must report;
3. Fact sheet for gifts, honoraria and travel; and
4. Checklist to assist you in completing your statement.

Your completed, signed and dated statement must be filed with the City Clerk's Office **no later than 5:30 p.m., Monday, April 1, 2013.** Failure to do so can lead to late filing penalties of \$10.00 for each day the statement is late.

If you have any questions or need any assistance in completing your statement, please do not hesitate to contact this office at 413.3001 or the Fair Political Practices Commission at [REDACTED]

Thank you,
Ewa Lopez, CMC
Deputy City Clerk
City Clerk's Office
City of Moreno Valley
P.O. Box 88005
14177 Frederick Street
Moreno Valley, CA 92552

December 2012

MV00255767

What's New

During 2011 and 2012, the gift limit was \$420 from a single source per calendar year. For calendar years 2013-2014, the limit increased to \$440 from a single source during a calendar year. This gift limit is effective until December 31, 2014.

Filing Deadlines for Filers Under Active Military Duty—

If a person is under active military duty as defined in the Servicemember's Civil Relief Act, the deadline for the annual Form 700 is 30 days following his or her return to office, provided the person or a representative notifies the filing officer in writing prior to the filing deadline that he or she is subject to that federal statute and is unable to meet the applicable deadline, and provides the filing officer verification of his or her military status.

Who must file:

- Elected and appointed officials and candidates listed in Government Code Section 87200
- Employees and appointed officials filing pursuant to a conflict-of-interest code ("code filers"). **Obtain your disclosure categories, which describe the interests you must report, from your agency;** they are not part of the Form 700
- Candidates running for local elective offices that are designated in a conflict-of-interest code (e.g., county sheriffs, city clerks, school board trustees, and water board members)
- Members of newly created boards and commissions not yet covered under a conflict-of-interest code
- Employees in newly created positions of existing agencies

See Reference Pamphlet, page 3, at www.fppc.ca.gov or obtain from your filing officer.

Where to file:

87200 Filers

State offices	➤ Your agency
Judicial offices	➤ The clerk of your court
Retired Judges	➤ Directly with FPPC
County offices	➤ Your county filing official
City offices	➤ Your city clerk
Multi-County offices	➤ Your agency

Code Filers — State and Local Officials and Employees Designated in a Conflict-of-Interest Code:

File with your agency, board, or commission unless otherwise specified in your agency's conflict-of-interest code (e.g., Legislative staff files directly with FPPC). In most cases, the agency, board, or commission will retain the statements.

Members of Boards and Commissions of Newly Created Agencies: File with your newly created agency or with your agency's code reviewing body.

Employees in Newly Created Positions of Existing Agencies: File with your agency or with your agency's code reviewing body. See Reference Pamphlet, page 3.

Candidates: File with your local elections office.

How to file:

The Form 700 is available at www.fppc.ca.gov. Form 700 schedules are also available in Excel format. All statements must have an original "wet" signature or be duly authorized by your filing officer to file electronically under Government Code Section 87500.2. Instructions, examples, FAQs, and a reference pamphlet are available to help answer your questions.

When to file:

Annual Statements

➤ March 1, 2013

- Elected State Officers
- Judges and Court Commissioners
- State Board and Commission Members listed in Government Code Section 87200

➤ April 2, 2013

- Most other filers

Individuals filing under conflict-of-interest codes in city and county jurisdictions should verify the annual filing date with their local filing officers.

Statements postmarked by the filing deadline are considered filed on time.

Assuming Office and Leaving Office Statements

Most filers file within 30 days of assuming or leaving office or within 30 days of the effective date of a newly adopted or amended conflict-of-interest code.

Exception:

If you assumed office between October 1, 2012, and December 31, 2012, and filed an assuming office statement, you are not required to file an annual statement until March 3, 2014, or April 1, 2014, whichever is applicable. The annual statement will cover the day after you assumed office through December 31, 2013. See Reference Pamphlet, pages 6 and 7, for additional exceptions.

Candidate Statements

File no later than the final filing date for the declaration of candidacy or nomination documents.

Amendments

Statements may be amended at any time. You are only required to amend the schedule that needs to be revised. It is not necessary to amend the entire filed form. Obtain amendment schedules at www.fppc.ca.gov.

There is no provision for filing deadline extensions unless the filer is under active military duty. (Regulation 18723)

Statements of 30 pages or less may be faxed by the deadline as long as the originally signed paper version is sent by first class mail to the filing official within 24 hours.

Introduction

The Political Reform Act (Gov. Code Sections 81000-91014) requires most state and local government officials and employees to publicly disclose their personal assets and income. They also must disqualify themselves from participating in decisions that may affect their personal economic interests. The Fair Political Practices Commission (FPPC) is the state agency responsible for issuing the attached Statement of Economic Interests, Form 700, and for interpreting the law's provisions.

Gift Prohibition

Gifts received by most state and local officials, employees, and candidates are subject to a limit. During 2011 and 2012, the gift limit was \$420 from a single source per calendar year. For calendar years 2013-2014, the limit increased to \$440 from a single source during a calendar year. This gift limit is effective until December 31, 2014.

In addition, state officials, state candidates, and certain state employees are subject to a \$10 limit per calendar month on gifts from lobbyists and lobbying firms registered with the Secretary of State. See Reference Pamphlet, page 10.

State and local officials and employees should check with their agency to determine if other restrictions apply.

Disqualification

Public officials are, under certain circumstances, required to disqualify themselves from making, participating in, or attempting to influence governmental decisions that will affect their economic interests. This may include interests they are not required to disclose (i.e., a personal residence is often not reportable, but may be disqualifying). Specific disqualification requirements apply to 87200 filers (e.g., city councilmembers, members of boards of supervisors, planning commissioners, etc.). These officials must identify orally the economic interest that creates a conflict of interest and leave the room before a discussion or vote takes place at a public meeting. For more information, consult Government Code Section 87105, Regulation 18702.5, and the Overview of the Conflict of Interest Laws at www.fppc.ca.gov.

Honorarium Ban

Most state and local officials, employees, and candidates are prohibited from accepting an honorarium for any speech given, article published, or attendance at a conference, convention, meeting, or like gathering. See Reference Pamphlet, page 10.

Loan Restrictions

Certain state and local officials are subject to restrictions on loans. See Reference Pamphlet, page 14.

Post-Governmental Employment

There are restrictions on representing clients or employers before former agencies. The provisions apply to elected state officials, most state employees, local elected officials, county chief administrative officers, city managers, including the chief administrator of a city, and general managers or chief administrators of local special districts and JPAs. The FPPC website has fact sheets explaining the provisions.

Late Filing

The filing officer who retains originally-signed statements of economic interests may impose on an individual a fine for any statement that is filed late. The fine is \$10 per day up to a maximum of \$100. Late filing penalties may be reduced or waived under certain circumstances.

Persons who fail to timely file their Form 700 may be referred to the FPPC's Enforcement Division (and, in some cases, to the Attorney General or district attorney) for investigation and possible prosecution. In addition to the late filing penalties, a fine of up to \$5,000 per violation may be imposed.

For assistance concerning reporting, prohibitions, and restrictions under the Act:

- Email questions to advice@fppc.ca.gov.
- Call the FPPC toll-free at (866) 275-3772.

Form 700 Public Access

Statements of Economic Interests are public documents. The filing officer must permit any member of the public to inspect and receive a copy of any statement.

- Statements must be available as soon as possible during the agency's regular business hours, but in any event not later than the second business day after the statement is received. Access to the Form 700 is not subject to the Public Records Act procedures.
- No conditions may be placed on persons seeking access to the forms.
- No information or identification may be required from persons seeking access.
- Reproduction fees of no more than 10 cents per page may be charged.

Types of Statements

Assuming Office Statement:

If you are a newly appointed official or are newly employed in a position designated, or that will be designated, in a state or local agency's conflict-of-interest code, your assuming office date is the date you were sworn in or otherwise authorized to serve in the position. If you are a newly elected official, your assuming office date is the date you were sworn in.

- Investments, interests in real property, and business positions held on the date you assumed the office or position must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date you assumed the office or position is reportable.

For positions subject to confirmation by the State Senate or the Commission on Judicial Performance, your assuming office date is the date you were appointed or nominated to the position.

Example:

Maria Lopez was nominated by the Governor to serve on a state agency board that is subject to state Senate confirmation. The assuming office date is the date Maria's nomination is submitted to the Senate. Maria must report investments, interests in real property, and business positions she holds on that date, and income (including loans, gifts, and travel payments) received during the 12 months prior to that date.

If your office or position has been added to a newly adopted or newly amended conflict-of-interest code, use the effective date of the code or amendment, whichever is applicable.

- Investments, interests in real property, and business positions held on the effective date of the code or amendment must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the effective date of the code or amendment is reportable.

Annual Statement:

Generally, the period covered is January 1, 2012, through December 31, 2012. If the period covered by the statement is different than January 1, 2012, through December 31, 2012, (for example, you assumed office between October 1, 2011, and December 31, 2011, or you are combining statements), you must specify the period covered.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered

by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2012.

- If your disclosure category changes during a reporting period, disclose under the old category until the effective date of the conflict-of-interest code amendment and disclose under the new disclosure category through the end of the reporting period.

Leaving Office Statement:

Generally, the period covered is January 1, 2012, through the date you stopped performing the duties of your position. If the period covered differs from January 1, 2012, through the date you stopped performing the duties of your position (for example, you assumed office between October 1, 2011, and December 31, 2011, or you are combining statements), the period covered must be specified.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2012.

Candidate Statement:

If you are filing a statement in connection with your candidacy for state or local office, investments, interests in real property, and business positions held on the date of filing your declaration of candidacy must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date of filing your declaration of candidacy is reportable. Do not change the preprinted dates on Schedules A-1, A-2, and B.

Candidates running for local elective offices (e.g., county sheriffs, city clerks, school board trustees, and water district board members) must file candidate statements, as required by the conflict-of-interest code for the elected position. The code may be obtained from the agency of the elected position.

Amendments:

If you discover errors or omissions on any statement, file an amendment as soon as possible. You are only required to amend the schedule that needs to be revised; it is not necessary to refile the entire form. To obtain amendment schedules, contact the FPPC, your filing official, or go to the FPPC website at www.fppc.ca.gov.

Instructions — Cover Page

Enter your name, mailing address, and daytime telephone number in the spaces provided. **Because the Form 700 is a public document**, you may list your business/office address instead of your home address.

Part 1. Office, Agency, or Court

- Enter the name of the office sought or held, or the agency or court. Consultants must enter the public agency name rather than their private firm's name. (Examples: State Assembly; Board of Supervisors; Office of the Mayor; Department of Finance; Hope County Superior Court)
- Indicate the name of your division, board, or district, if applicable. (Examples: Division of Waste Management; Board of Accountancy; District 45)
- Enter your position title. (Examples: Director; Chief Counsel; City Council Member; Staff Services Analyst)
- If you hold multiple positions (i.e., a city council member who also is a member of a county board or commission), you may be required to file statements with each agency. To simplify your filing obligations, you may complete an expanded statement.

To do this, enter the name of the other agency(ies) with which you are required to file and your position title(s) in the space provided. Attach an additional sheet if necessary. Complete one statement covering the disclosure requirements for all positions. Each copy must contain an original signature. Therefore, before signing the statement, make a copy for each agency. Sign each copy with an original signature and file with each agency.

Example:

Scott Baker is a city council member for the City of Lincoln and a board member for the Camp Far West Irrigation District – a multi-county agency that covers Placer and Yuba counties. Scott will complete one Form 700 using full disclosure (as required for the city position) and covering interests in both Placer and Yuba counties (as required for the multi-county position) and list both positions on the Cover Page. Before signing the statement, Scott will make a copy and sign both statements. One statement will be filed with City of Lincoln and the other will be filed with Camp Far West Irrigation District. Both will contain an original signature.

Remember that if you assume or leave a position after a filing deadline, you must complete a separate statement. For example, a city council member who assumes a position with a county special district after the April 2 annual filing deadline must file a separate assuming office statement. In subsequent years, the city council member may expand his or her annual filing to include both positions.

Part 2. Jurisdiction of Office

- Check the box indicating the jurisdiction of your agency and, if applicable, identify the jurisdiction. Judges, judicial candidates, and court commissioners have statewide jurisdiction. All other filers should review the Reference Pamphlet, page 13, to determine their jurisdiction.
- If your agency is a multi-county office, list each county in which your agency has jurisdiction.

- If your agency is not a state office, court, county office, city office, or multi-county office (e.g., school districts, special districts and JPAs), check the “other” box and enter the county or city in which the agency has jurisdiction.

Example:

This filer is a member of a water district board with jurisdiction in portions of Yuba and Sutter Counties.

1. Office, Agency, or Court	
Agency Name: South Sutter Water District	
Division, Board, Department, District, if applicable	Vote Position: Board Member
<input type="checkbox"/> If filing for multiple positions, list below or on an attachment.	
Agency:	Position:
2. Jurisdiction of Office (check at least one box)	
<input type="checkbox"/> State	<input type="checkbox"/> Judge or Court Commissioner (Statewide jurisdiction)
<input type="checkbox"/> Multi-County	<input type="checkbox"/> County of
<input type="checkbox"/> City of	<input checked="" type="checkbox"/> Other: Portions of Yuba & Sutter Counties

Part 3. Type of Statement

Check at least one box. The period covered by a statement is determined by the type of statement you are filing. If you are completing a 2012 annual statement, **do not** change the pre-printed dates to reflect 2013. Your annual statement is used for reporting the previous year's economic interests. Economic interests for your annual filing covering January 1, 2013, through December 31, 2013, will be disclosed on your statement filed in 2014. See Reference Pamphlet, page 4.

Combining Statements: Certain types of statements may be combined. For example, if you leave office after January 1, but before the deadline for filing your annual statement, you may combine your annual and leaving office statements. File by the earliest deadline. Consult your filing officer or the FPPC.

Part 4. Schedule Summary

- Enter the total number of completed pages including the cover page and either:

Check the box for each schedule you use to disclose interests;

- or -

if you have nothing to disclose on any schedule, check the “No reportable interests” box. Please **do not** attach any blank schedules.

Part 5. Verification

Complete the verification by signing the statement and entering the date signed. All statements must have an original “wet” signature or be duly authorized by your filing officer to file electronically under Government Code Section 87500.2. Instructions, examples, FAQs, and a reference pamphlet are available to help answer your questions. **When you sign your statement, you are stating, under penalty of perjury, that it is true and correct.** Only the filer has authority to sign the statement. An unsigned statement is not considered filed and you may be subject to late filing penalties.

Which Schedule Do I Use?

Common Reportable Interests

Schedule A-1:	Stocks, including those held in an IRA or a 401K
Schedule A-2:	Business entities (including certain independent contracting), sole proprietorships, partnerships, LLCs, corporations, and trusts
Schedule B:	Rental property in the jurisdiction
Schedule C:	Non-governmental salaries of public official and spouse/registered domestic partner
Schedule D:	Gifts from non-family members (such as tickets to sporting or entertainment events)
Schedule E:	Travel payments from third parties (not your employer)

Common Non-Reportable Interests

Schedule A-1/A-2:	Insurance policies, government bonds, diversified mutual funds, certain funds similar to diversified mutual funds (such as exchange traded funds) and investments held in certain retirement accounts. See Reference Pamphlet, page 12, for detailed information. (Regulation 18237)
Schedule A-1/A-2:	Savings and checking accounts and annuities
Schedule B:	A residence used exclusively as a personal residence (such as a home or vacation cabin)
Schedule C:	Governmental salary (such as a school district)
Schedule D:	Gifts from family members
Schedule E:	Travel paid by your government agency

Remember:

- ✓ Mark the “No reportable interests” box on Part 4 of the Schedule Summary on the Cover Page if you determine you have nothing to disclose and file the Cover Page only. **Make sure you carefully read all instructions to ensure proper reporting.**
- ✓ The Form 700 is a public document.
- ✓ **Most individuals must consult their agency’s conflict-of-interest code for reportable interests.**
- ✓ Most individuals file the Form 700 with their agencies.

Questions and Answers

General

- Q. What is the reporting period for disclosing interests on an assuming office statement or a candidate statement?
- A. On an assuming office statement, disclose all reportable investments, interests in real property, and business positions held on the date you assumed office. In addition, you must disclose income (including loans, gifts and travel payments) received during the 12 months prior to the date you assumed office.

On a candidate statement, disclose all reportable investments, interests in real property, and business positions held on the date you file your declaration of candidacy. You must also disclose income (including loans, gifts and travel payments) received during the 12 months prior to the date you file your declaration of candidacy.

- Q. I hold two other board positions in addition to my position with the county. Must I file three statements of economic interests?
- A. Yes, three are required. However, you may complete one statement listing the county and the two boards on the Cover Page or an attachment as the agencies for which you will be filing. Report your economic interests using the largest jurisdiction and highest disclosure requirements assigned to you by the three agencies. Make two copies of the entire statement **before signing it**, sign each copy with an original signature, and distribute one original to the county and to each of the two boards. **Remember to complete separate statements for positions that you leave or assume during the year.**
- Q. I am a department head who recently began acting as city manager. Should I file as the city manager?
- A. Yes. File an assuming office statement as city manager. Persons serving as “acting,” “interim,” or “alternate” must file as if they hold the position because they are or may be performing the duties of the position.
- Q. As a designated employee, I left one state agency to work for another state agency. Must I file a leaving office statement?
- A. Yes. You may also need to file an assuming office statement for the new agency.

Investment Disclosure

- Q. I have an investment interest in shares of stock in a company that does not have an office in my jurisdiction. Must I still disclose my investment interest in this company?
- A. Probably. The definition of “doing business in the jurisdiction” is not limited to whether the business has an office or physical location in your jurisdiction. See Reference Pamphlet, page 13.
- Q. My spouse and I have a living trust. The trust holds rental property in my jurisdiction, our primary residence, and investments in diversified mutual funds. I have full disclosure. How is this trust disclosed?
- A. Disclose the name of the trust, the rental property and its income on Schedule A-2. Your primary residence and investments in diversified mutual funds registered with the SEC are not reportable.
- Q. I am required to report all investments. I have an IRA that contains stocks through an account managed by a brokerage firm. Must I disclose these stocks even though they are held in an IRA and I did not decide which stocks to purchase?
- A. Yes. Disclose on Schedule A-1 or A-2 any stock worth \$2,000 or more in a business entity located in or doing business in your jurisdiction.
- Q. I own stock in IBM and must report this investment on Schedule A-1. I initially purchased this stock in the early 1990s; however, I am constantly buying and selling shares. Must I note these dates in the “Acquired” and “Disposed” fields?
- A. No. You must only report dates in the “Acquired” or “Disposed” fields when, during the reporting period, you initially purchase a reportable investment worth \$2,000 or more or when you dispose of the entire investment. You are not required to track the partial trading of an investment.
- Q. On last year’s filing I reported stock in Encoe valued at \$2,000 - \$10,000. Late last year the value of this stock fell below and remains at less than \$2,000. How should this be reported on this year’s statement?
- A. You are not required to report an investment if the value was less than \$2,000 during the **entire** reporting

Questions and Answers Continued

period. However, because a disposed date is not required for stocks that fall below \$2,000, you may want to report the stock and note in the “comments” section that the value fell below \$2,000. This would be for informational purposes only; it is not a requirement.

Income Disclosure

Q. I reported a business entity on Schedule A-2. Clients of my business are located in several states. Must I report all clients from whom my pro rata share of income is \$10,000 or more on Schedule A-2, Part 3?

A. No, only the clients doing business on a regular basis in your jurisdiction must be disclosed.

Q. I believe I am not required to disclose the names of clients from whom my pro rata share of income is \$10,000 or more on Schedule A-2 because of their right to privacy. Is there an exception for reporting clients' names?

A. Regulation 18740 provides a procedure for requesting an exemption to allow a client's name not to be disclosed if disclosure of the name would violate a legally recognized privilege under California law. This regulation may be obtained from our website at www.fppc.ca.gov. See Reference Pamphlet, page 14.

Q. I am sole owner of a private law practice that is not reportable based on my limited disclosure category. However, some of the sources of income to my law practice are from reportable sources. Do I have to disclose this income?

A. Yes, even though the law practice is not reportable, reportable sources of income to the law practice of \$10,000 or more must be disclosed. This information would be disclosed on Schedule C with a note in the “comments” section indicating that the business entity is not a reportable investment. The note would be for informational purposes only; it is not a requirement.

Q. I am the sole owner of my business. Where do I disclose my income - on Schedule A-2 or Schedule C?

A. Sources of income to a business in which you have an ownership interest of 10% or greater are disclosed on Schedule A-2. See Reference Pamphlet, page 8, for the definition of “business entity.”

Q. How do I disclose my spouse's or registered domestic partner's salary?

A. Report the name of the employer as a source of income on Schedule C.

Q. I am a doctor. For purposes of reporting \$10,000 sources of income on Schedule A-2, Part 3, are the patients or their insurance carriers considered sources of income?

A. If your patients exercise sufficient control by selecting you instead of other doctors, then your patients, rather than their insurance carriers, are sources of income to you. See Reference Pamphlet, page 14, for additional information.

Q. I received a loan from my grandfather to purchase my home. Is this loan reportable?

A. No. Loans received from family members are not reportable.

Q. I am running for re-election to city council and made a personal loan to my campaign committee. Is this reportable on my Form 700?

A. No, the loan is not reportable on Form 700; however, repayments are. Loan repayments from a campaign committee are reported on Schedule C as income.

Real Property Disclosure

Q. During this reporting period we switched our principal place of residence into a rental. I have full disclosure and the property is located in my agency's jurisdiction, so it is now reportable. Because I have not reported this property before, do I need to show an “acquired” date?

A. No, you are not required to show an “acquired” date because you previously owned the property. However, you may want to note in the “comments” section that the property was not previously reported because it was used exclusively as your residence. This would be for informational purposes only; it is not a requirement.

Q. My daughter is buying her first home and I am the co-signer on the loan. I won't occupy the home, but my daughter will. The home is located in my agency's jurisdiction. Must I report this property?

Questions and Answers Continued

A. No. Property occupied by a family member is not reportable as long as you are not receiving rental income or using the property for business purposes.

Gift Disclosure

Q. If I received a gift of two tickets to a concert valued at \$100 each, but gave the tickets to a friend because I could not attend the concert, do I have any reporting obligations?

A. Yes. Since you accepted the gift and exercised discretion and control of the use of the tickets, you must disclose the gift on Schedule D.

Q. Mary and Joe Benson, a married couple, want to give a piece of artwork to a close friend who is a county supervisor. Is each spouse considered a separate source for purposes of the gift limit and disclosure?

A. Yes, each spouse may make a gift valued at the gift limit during a calendar year. For example, during 2012 when the gift limit was \$420, the Bensons may have given the supervisor artwork valued at no more than \$840. The supervisor must identify Joe and Mary Benson as the sources of the gift.

Q. I am a Form 700 filer with full disclosure. Our agency holds a holiday raffle to raise funds for a local charity. I bought \$10 worth of raffle tickets and won a gift basket valued at \$120. The gift basket was donated by Doug Brewer, a citizen in our city. At the same event, I bought raffle tickets for, and won a quilt valued at \$70. The quilt was donated by a coworker. Are these reportable gifts?

A. Because the gift basket was donated by an outside source (not an agency employee), you have received a reportable gift valued at \$110 (the value of the basket less the consideration paid). The source of the gift is Doug Brewer and the agency is disclosed as the intermediary. Because the quilt was donated by an employee of your agency, it is not a reportable gift.

Q. My agency is responsible for disbursing grants. An applicant (501(c)(3) organization) met with agency employees to present its application. At this meeting, the applicant provided food and beverages. Would the food and beverages be considered gifts to the employees? These employees are designated in our agency's conflict-of-interest code and the applicant is a reportable source of income under the code.

A. Yes. If the value of the food and beverages consumed by any one filer, plus any other gifts received from the same source during the reporting period total \$50 or more, the food and beverages would be reported using the fair market value and would be subject to the gift limit.

Instructions – Schedules A-1 and A-2 Investments

“Investment” means a financial interest in any business entity that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency’s jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more at any time during the reporting period. See Reference Pamphlet, page 13.

Reportable investments include:

- Stocks, bonds, warrants, and options, including those held in margin or brokerage accounts and managed investment funds (See Reference Pamphlet, page 13.)
- Sole proprietorships
- Your own business or your spouse’s or registered domestic partner’s business (See Reference Pamphlet, page 8, for the definition of “business entity.”)
- Your spouse’s or registered domestic partner’s investments that are legally separate property
- Partnerships (e.g., a law firm or family farm)
- Investments in reportable business entities held in a retirement account (See Reference Pamphlet, page 15.)
- If you, your spouse or registered domestic partner, and dependent children together had a 10% or greater ownership interest in a business entity or trust (including a living trust), you must disclose investments held by the business entity or trust. See Reference Pamphlet, page 15, for more information on disclosing trusts.
- Business trusts

You are not required to disclose:

- Insurance policies, government bonds, diversified mutual funds, certain funds similar to diversified mutual funds (such as exchange traded funds) and investments held in certain retirement accounts. See Reference Pamphlet, page 12, for detailed information. (Regulation 18237)
- Bank accounts, savings accounts, money market accounts and certificates of deposits
- Insurance policies
- Annuities
- Commodities
- Shares in a credit union
- Government bonds (including municipal bonds)

Reminders

- Do you know your agency’s jurisdiction?
- Did you hold investments at any time during the period covered by this statement?
- Code filers – your disclosure categories may only require disclosure of specific investments.

- Retirement accounts invested in non-reportable interests (e.g., insurance policies, diversified mutual funds, or government bonds) (See Reference Pamphlet, page 15.)
- Government defined-benefit pension plans (such as CalPERS and CalSTRS plans)
- Interests held in a blind trust (See Reference Pamphlet, page 16.)

Use Schedule A-1 to report ownership of less than 10% (e.g., stock). Schedule C (Income) may also be required if the investment is not a stock or corporate bond. See second example below.

Use Schedule A-2 to report ownership of 10% or greater (e.g., a sole proprietorship).

To Complete Schedule A-1:

Do not attach brokerage or financial statements.

- Disclose the name of the business entity.
- Provide a general description of the business activity of the entity (e.g., pharmaceuticals, computers, automobile manufacturing, or communications).
- Check the box indicating the highest fair market value of your investment during the reporting period. If you are filing a candidate or an assuming office statement, indicate the fair market value on the filing date or the date you took office, respectively.
- Identify the nature of your investment (e.g., stocks, warrants, options, or bonds).
- An acquired or disposed of date is only required if you initially acquired or entirely disposed of the investment interest during the reporting period. The date of a stock dividend reinvestment or partial disposal is not required. Generally, these dates will not apply if you are filing a candidate or an assuming office statement.

Examples:

John Smith holds a state agency position. His conflict-of-interest code requires full disclosure of investments. John must disclose his stock holdings of \$2,000 or more in any company that does business in California, as well as those stocks held by his spouse or registered domestic partner and dependent children.

Susan Jones is a city council member. She has a 4% interest, worth \$5,000, in a limited partnership located in the city. Susan must disclose the partnership on Schedule A-1 and income of \$500 or more received from the partnership on Schedule C.

SCHEDULE A-1 Investments

Stocks, Bonds, and Other Interests
(Ownership Interest is Less Than 10%)
Do not attach brokerage or financial statements.

Instructions – Schedule A-2 Investments, Income, and Assets of Business Entities/Trusts

Use Schedule A-2 to report investments in a business entity or trust (including a living trust) in which you, your spouse or registered domestic partner, and your dependent children together had a 10% or greater interest, totaling \$2,000 or more, during the reporting period and which is located in, doing business in, planning to do business in, or which has done business during the previous two years in your agency's jurisdiction. See Reference Pamphlet, page 13. A trust located outside your agency's jurisdiction is reportable if it holds assets that are located in or doing business in the jurisdiction. Do not report a trust that contains non-reportable interests. For example, a trust containing only your personal residence not used in whole or in part as a business, your savings account, and some municipal bonds, is not reportable.

Also report on Schedule A-2 investments and real property held by that entity or trust if your pro rata share of the investment or real property interest was \$2,000 or more during the reporting period.

To Complete Schedule A-2:

Part 1. Disclose the name and address of the business entity or trust. If you are reporting an interest in a business entity, check "Business Entity" and complete the box as follows:

- Provide a general description of the business activity of the entity.
- Check the box indicating the highest fair market value of your investment during the reporting period.
- If you initially acquired or entirely disposed of this interest during the reporting period, enter the date acquired or disposed.
- Identify the nature of your investment.
- Disclose the job title or business position you held with the entity, if any (i.e., if you were a director, officer, partner, trustee, employee, or held any position of management). A business position held by your spouse is not reportable.

Part 2. Check the box indicating **your pro rata** share of the **gross** income received **by** the business entity or trust. This amount includes your pro rata share of the **gross** income **from** the business entity or trust, as well as your community property interest in your spouse's or registered domestic partner's share. Gross income is the total amount of income before deducting expenses, losses, or taxes.

Part 3. Disclose the name of each source of income that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency's jurisdiction, as follows:

- Disclose each source of income and outstanding loan **to the business entity or trust** identified in Part 1 if your pro rata share of the **gross** income (including your community property interest in your spouse's or registered

domestic partner's share) to the business entity or trust from that source was \$10,000 or more during the reporting period. See Reference Pamphlet, page 11, for examples. Income from governmental sources may be reportable if not considered salary. See Regulation 18232. Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.

- Disclose each individual or entity that was a source of commission income of \$10,000 or more during the reporting period through the business entity identified in Part 1. See Reference Pamphlet, page 8, for an explanation of commission income.

You may be required to disclose sources of income located outside your jurisdiction. For example, you may have a client who resides outside your jurisdiction who does business on a regular basis with you. Such a client, if a reportable source of \$10,000 or more, must be disclosed.

Mark "None" if you do not have any reportable \$10,000 sources of income to disclose. Adding phrases such as "various clients" or "not disclosing sources pursuant to attorney-client privilege" may trigger a request for an amendment to your statement. See Reference Pamphlet, page 14, for details about requesting an exemption from disclosing privileged information.

Part 4. Report any investments or interests in real property held or leased **by the entity or trust** identified in Part 1 if your pro rata share of the interest held was \$2,000 or more during the reporting period. Attach additional schedules or use FPPC's Form 700 Excel spreadsheet if needed.

- Check the applicable box identifying the interest held as real property or an investment.
- If investment, provide the name and description of the business entity.
- If real property, report the precise location (e.g., an assessor's parcel number or address).
- Check the box indicating the highest fair market value of your interest in the real property or investment during the reporting period. (Report the fair market value of the portion of your residence claimed as a tax deduction if you are utilizing your residence for business purposes.)
- Identify the nature of your interest.
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property or investment during the reporting period.

Instructions – Schedule B Interests in Real Property

Report interests in real property located in your agency's jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more any time during the reporting period. See Reference Pamphlet, page 13.

Interests in real property include:

- An ownership interest (including a beneficial ownership interest)
- A deed of trust, easement, or option to acquire property
- A leasehold interest (See Reference Pamphlet, page 14.)
- A mining lease
- An interest in real property held in a retirement account (See Reference Pamphlet, page 15.)
- An interest in real property held by a business entity or trust in which you, your spouse or registered domestic partner, and your dependent children together had a 10% or greater ownership interest (Report on Schedule A-2.)
- Your spouse's or registered domestic partner's interests in real property that are legally held separately by him or her

You are not required to report:

- A residence, such as a home or vacation cabin, used exclusively as a personal residence (However, a residence in which you rent out a room or for which you claim a business deduction may be reportable. If reportable, report the fair market value of the portion claimed as a tax deduction.)
- Please note: A non-reportable residence can still be grounds for a conflict of interest and may be disqualifying.
- Interests in real property held through a blind trust (See Reference Pamphlet, page 16, for exceptions.)

To Complete Schedule B:

- Report the precise location (e.g., an assessor's parcel number or address) of the real property.
- Check the box indicating the fair market value of your interest in the property (regardless of what you owe on the property).
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property during the reporting period.

Reminders

- Income and loans already reported on Schedule B are not also required to be reported on Schedule C.
- Real property already reported on Schedule A-2, Part 4 are not also required to be reported on Schedule B.
- Code filers – do your disclosure categories require disclosure of real property?

- Identify the nature of your interest. If it is a leasehold, disclose the number of years remaining on the lease.
- If you received rental income, check the box indicating the gross amount you received.
- If you had a 10% or greater interest in real property and received rental income, list the name of the source(s) if your pro rata share of the gross income from any single tenant was \$10,000 or more during the reporting period. If you received a total of \$10,000 or more from two or more tenants acting in concert (in most cases, this will apply to married couples), disclose the name of each tenant. Otherwise, mark "None."
- Loans from a private lender that total \$500 or more and are secured by real property may be reportable. **Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.**

When reporting a loan:

- Provide the name and address of the lender.
- Describe the lender's business activity.
- Disclose the interest rate and term of the loan. For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period. The term of a loan is the total number of months or years given for repayment of the loan at the time the loan was established.
- Check the box indicating the highest balance of the loan during the reporting period.
- Identify a guarantor, if applicable.

If you have more than one reportable loan on a single piece of real property, report the additional loan(s) on Schedule C.

Example:

Joe Nelson is a city planning commissioner. Joe received rental income of \$12,000 during the reporting period from a single tenant who rented property Joe owned in the city's jurisdiction. If Joe had received the \$12,000 from two or more tenants, the tenants' names would not be required as long as no single tenant paid \$10,000 or more. A married couple would be considered a single tenant.

Instructions – Schedule C

Income, Loans, & Business Positions

(Income Other Than Gifts and Travel Payments)

Report the source and amount of gross income of \$500 or more you received during the reporting period. Gross income is the total amount of income before deducting expenses, losses, or taxes and includes loans other than loans from a commercial lending institution. See Reference Pamphlet, page 11. Also report your job title with each reportable business entity, even if you received no income during the reporting period. You must also report the source of income to your spouse or registered domestic partner if your community property share was \$500 or more during the reporting period.

A source of income must be reported only if the source is located in, doing business in, planning to do business in, or has done business during the previous two years in your agency's jurisdiction. See Reference Pamphlet, page 13, for more information about doing business in the jurisdiction. Reportable sources of income may be further limited by your disclosure category located in your agency's conflict-of-interest code.

Commonly reportable income and loans include:

- Salary/wages, per diem, and reimbursement for expenses including travel payments provided by your employer
- Community property interest (50%) in your spouse's or registered domestic partner's income - **report the employer's name and all other required information**
- Income from investment interests, such as partnerships, reported on Schedule A-1
- Commission income not required to be reported on Schedule A-2 (See Reference Pamphlet, page 8.)
- Gross income from any sale, including the sale of a house or car (Report your pro rata share of the total sale price.)
- Rental income not required to be reported on Schedule B
- Prizes or awards not disclosed as gifts
- Payments received on loans you made to others, including loan repayments from a campaign committee (including a candidate's own campaign committee)
- An honorarium received prior to becoming a public official (See Reference Pamphlet, page 10, concerning your ability to receive future honoraria.)
- Incentive compensation (See Reference Pamphlet, page 12.)

Reminders

- Code filers – your disclosure categories may not require disclosure of all sources of income.
- If you or your spouse or registered domestic partner are self-employed, report the business entity on Schedule A-2.
- Do not disclose on Schedule C income, loans, or business positions already reported on Schedules A-2 or B.

You are **not** required to report:

- Salary, reimbursement for expenses or per diem, or social security, disability, or other similar benefit payments received by you or your spouse or registered domestic partner from a federal, state, or local government agency.

See Reference Pamphlet, page 11, for more exceptions to income reporting.

To Complete Schedule C:

Part 1. Income Received/Business Position Disclosure

- Disclose the name and address of each source of income or each business entity with which you held a business position.
- Provide a general description of the business activity if the source is a business entity.
- Check the box indicating the amount of gross income received.
- Identify the consideration for which the income was received.
- For income from commission sales, check the box indicating the gross income received and list the name of each source of commission income of \$10,000 or more. See Reference Pamphlet, page 8. **Note: If you receive commission income on a regular basis or have an ownership interest of 10% or more, you must disclose the business entity and the income on Schedule A-2.**
- Disclose the job title or business position, if any, that you held with the business entity, even if you did not receive income during the reporting period.

Part 2. Loans Received or Outstanding During the Reporting Period

- Provide the name and address of the lender.
- Provide a general description of the business activity if the lender is a business entity.
- Check the box indicating the highest balance of the loan during the reporting period.
- Disclose the interest rate and the term of the loan.
 - For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period.
 - The term of the loan is the total number of months or years given for repayment of the loan at the time the loan was entered into.
- Identify the security, if any, for the loan.

Instructions – Schedule D Income – Gifts

A gift is anything of value for which you have not provided equal or greater consideration to the donor. A gift is reportable if its fair market value is \$50 or more. In addition, multiple gifts totaling \$50 or more received during the reporting period from a single source must be reported.

It is the acceptance of a gift, not the ultimate use to which it is put, that imposes your reporting obligation. Except as noted below, you must report a gift even if you never used it or if you gave it away to another person.

If the exact amount of a gift is unknown, you must make a good faith estimate of the item's fair market value. Listing the value of a gift as "over \$50" or "value unknown" is not adequate disclosure. In addition, if you received a gift through an intermediary, you must disclose the name, address, and business activity of both the donor and the intermediary.

Commonly reportable gifts include:

- Tickets/passes to sporting or entertainment events
- Tickets/passes to amusement parks
- Parking passes
- Food, beverages, and accommodations, including those provided in direct connection with your attendance at a convention, conference, meeting, social event, meal, or like gathering
- Rebates/discounts not made in the regular course of business to members of the public without regard to official status
- Wedding gifts (See Reference Pamphlet, page 16)
- An honorarium received prior to assuming office (You may report an honorarium as income on Schedule C, rather than as a gift on Schedule D, if you provided services of equal or greater value than the payment received. See Reference Pamphlet, page 10, regarding your ability to receive future honoraria.)
- Transportation and lodging (See Schedule E.)
- Forgiveness of a loan received by you

You are not required to disclose:

- Gifts that were not used and that, within 30 days after receipt, were returned to the donor or delivered to a

Reminders

- Gifts from a single source are subject to a \$420 limit during 2012. See Reference Pamphlet, page 10.
- Code filers – you only need to report gifts from reportable sources.

charitable organization without being claimed by you as a charitable contribution for tax purposes

- Gifts from your spouse or registered domestic partner, child, parent, grandparent, grandchild, brother, sister, and certain other family members (See Regulation 18942 for a complete list.). The exception does not apply if the donor was acting as an agent or intermediary for a reportable source who was the true donor.
- Gifts of similar value exchanged between you and an individual, other than a lobbyist, on holidays, birthdays, or similar occasions
- Gifts of informational material provided to assist you in the performance of your official duties (e.g., books, pamphlets, reports, calendars, periodicals, or educational seminars)
- A monetary bequest or inheritance (However, inherited investments or real property may be reportable on other schedules.)
- Personalized plaques or trophies with an individual value of less than \$250
- Campaign contributions
- Gifts given to members of your immediate family if the source has an established relationship with the family member and there is no evidence to suggest the donor had a purpose to influence you. (See Regulation 18943.)
- The cost of food, beverages, and necessary accommodations provided directly in connection with an event at which you gave a speech, participated in a panel or seminar, or provided a similar service but only if the cost is paid for by a federal, state, or local government agency. **This exception does not apply to a state or local elected officer, as defined in Section 82020, or an official specified in Section 87200.**
- Any other payment not identified above, that would otherwise meet the definition of gift, where the payment is made by an individual who is not a lobbyist registered to lobby the official's agency, where it is clear that the gift was made because of an existing personal or business relationship unrelated to the official's position and there is no evidence whatsoever at the time the gift is made to suggest the donor had a purpose to influence you.

To Complete Schedule D:

- Disclose the full name (not an acronym), address, and, if a business entity, the business activity of the source.
- Provide the date (month, day, and year) of receipt, and disclose the fair market value and description of the gift.

Instructions – Schedule E Travel Payments, Advances, and Reimbursements

Travel payments reportable on Schedule E include advances and reimbursements for travel and related expenses, including lodging and meals.

Gifts of travel may be subject to the gift limit. In addition, certain travel payments are reportable gifts, but are not subject to the gift limit. To avoid possible misinterpretation or the perception that you have received a gift in excess of the gift limit, you may wish to provide a specific description of the purpose of your travel. See the FPPC fact sheet entitled "Limitations and Restrictions on Gifts, Honoraria, Travel, and Loans" at www.fppc.ca.gov.

You are not required to disclose:

- Travel payments received from any state, local, or federal government agency for which you provided services equal or greater in value than the payments received
- Travel payments received from your employer in the normal course of your employment that are included in the income reported on Schedule C
- Payments for admission to an event at which you make a speech, participate on a panel, or make a substantive formal presentation, transportation, and necessary lodging, food, or beverages, and nominal non-cash benefits provided to you in connection with the event so long as both the following apply:
 - The speech is for official agency business and you are representing your government agency in the course and scope of your official duties.
 - The payment is a lawful expenditure **made only by a federal, state, or local government agency** for purposes related to conducting that agency's official business.

Note: This exception does not apply to a state or local elected officer, as defined in Section 82020, or an official specified in Section 87200.

- A travel payment that was received from a non-profit entity exempt from taxation under Internal Revenue Code Section 501(c)(3) for which you provided equal or greater consideration

To Complete Schedule E:

- Disclose the full name (not an acronym) and address of the source of the travel payment.
- Identify the business activity if the source is a business entity.
- Check the box to identify the payment as a gift or income, report the amount, and disclose the date(s).

-- **Travel payments are gifts** if you did not provide services that were equal to or greater in value than the payments received. You must disclose gifts totaling \$50 or more from a single source during the period covered by the statement.

When reporting travel payments that are gifts, you must provide a description of the gift and the **date(s)** received.

-- **Travel payments are income** if you provided services that were equal to or greater in value than the payments received. You must disclose income totaling \$500 or more from a single source during the period covered by the statement. You have the burden of proving the payments are income rather than gifts.

When reporting travel payments as income, you must describe the services you provided in exchange for the payment. You are not required to disclose the date(s) for travel payments that are income.

Example:

City council member Rick Chandler is the chairman of a trade association and the association pays for Rick's travel to attend its meetings. Because Rick is deemed to be providing equal or greater consideration for the travel payment by virtue of serving on the board, this payment may be reported as income. Payments for Rick to attend other events for which Rick is not providing services are likely considered gifts.

Limitations and Restrictions on Gifts, Honoraria, Travel and Loans

A Fact Sheet For

- Local Elected Officers and Candidates for Local Elective Offices
- Local Officials Specified in Government Code Section 87200
- Judicial Candidates
- Designated Employees of Local Government Agencies

California Fair Political Practices Commission

Toll-free advice line: 1 (866) ASK-FPPC

Email advice: advice@fppc.ca.gov

Web site: www.fppc.ca.gov

January 2013

Introduction

The Political Reform Act¹ (the “Act”) imposes limits on gifts, prohibits honoraria payments, and imposes limits and other restrictions on the receipt of travel payments received by:

- Local elected officers and other local officials specified in Government Code Section 87200,² excluding judges;³
- Designated employees of local government agencies (i.e., individuals required to file statements of economic interests under a local agency’s conflict of interest code); and
- Candidates⁴ for any of these offices or positions and judicial candidates. (Sections 89502 and 89503.)

The Act also imposes limits and other restrictions on personal loans received by certain local officials.

This fact sheet summarizes the major provisions of the Act concerning gifts, honoraria, travel, and loans. You should not, however, rely on the fact sheet alone to ensure compliance with the Act. If you have any questions, contact the Fair Political Practices Commission at (866) 275-3772 or advice@fppc.ca.gov or visit our website at www.fppc.ca.gov. Commission advice letters are available on our website. You may also be subject to local restrictions on gifts, honoraria, or travel.

Ethics Training

Most local agency officials are required to complete an ethics training course. Contact your agency for course information. Also see the FPPC website for a link to local agency ethics training.

Enforcement

Failure to comply with the laws related to gifts, honoraria, loans, and travel payments may result in monetary penalties of up to \$5,000 per violation. (Section 83116.)

¹ The Political Reform Act is contained in Government Code Sections 81000 through 91014. All statutory references are to the Government Code, unless otherwise indicated. The regulations of the Fair Political Practices Commission are contained in Sections 18110 through 18997 of Title 2 of the California Code of Regulations. All regulatory references are to Title 2, Division 6 of the California Code of Regulations, unless otherwise indicated.

² Local officials specified in Government Code Section 87200 include: members of boards of supervisors and city councils, mayors, city/county planning commissioners, city/county chief administrative officers, city/county treasurers, district attorneys, county counsels, city managers, city attorneys, court commissioners and public officials who manage public investments.

³ The gift limits and honoraria ban in the Political Reform Act do not apply to a person in his or her capacity as judge. However, candidates for judicial offices are subject to the restrictions contained in the Political Reform Act. (Sections 89502 and 89503.)

⁴ For purposes of the gift limit and honoraria prohibition, you become a “candidate” when you file a statement of organization (Form 410) as a controlled committee for the purpose of seeking elective office, a candidate intention statement (Form 501), or a declaration of candidacy, whichever occurs first. If you are an unsuccessful candidate, you will no longer be subject to the gift limit and honoraria prohibition when you have terminated your campaign filing obligations, or after certification of election results, whichever is earlier. (Sections 89502(b) and 89503(b).)

Gifts

Limitations

If you are a local elected officer, a candidate for local elective office, a local official specified in Government Code Section 87200, or a judicial candidate, you may not accept gifts from any single source totaling more than \$440 in a calendar year. (Section 89503.)⁵

If you are an employee of a local government agency who is designated in the agency's conflict of interest code, you may not accept gifts from any single source totaling more than \$440 in a calendar year if you are required to report receiving income or gifts from that source on your statement of economic interests. (Section 89503(c).)

What is a "Gift"?

A "gift" is any payment or other benefit provided to you that confers a personal benefit for which you do not provide payment or services of equal or greater value. A gift includes a rebate or discount in the price of anything of value unless the rebate or discount is made in the regular course of business to members of the public. (Section 82028.) (See FPPC Regulation 18946 for valuation guidelines.)

Except as discussed below, you have "received" or "accepted" a gift when you know that you have actual possession of the gift or when you take any action exercising direction or control over the gift, including discarding the gift or turning it over to another person. This includes gifts that are accepted by someone else on the official's behalf and gifts made to others at the direction of the official. (Regulation 18941.)

Gifts to Family Members

Under certain circumstances, a gift to an official's family member* is considered a gift to the official. (Regulation 18943.) Anything given to a family member is presumed to be a gift to the official if: (1) there is no established relationship between the donor and the family member where it would generally be considered appropriate for the family member to receive the gift or; (2) the donor is someone who lobbies the official's agency, is involved in an action before the official's agency in which the official may foreseeably participate, or engages in business with the agency in which the official will foreseeably participate. (Wedding gifts are treated differently, see below.)

*For purposes of this rule, an official's "family member" includes the official's spouse; registered domestic partner; any minor child of the official who the official can claim as a dependent for federal tax purposes; and a child of the official who is aged 18 to 23 years old, attends school, resides with the official when not attending school, and provides less than one-half of his or her own support.

⁵ The gift limit is adjusted biennially to reflect changes in the Consumer Price Index. For 2013-2014, the gift limit is \$440. (Section 89503; Regulation 18940.2.) Gifts aggregating \$50 or more must be disclosed, and gifts aggregating \$440 or more may subject you to disqualification with respect to the source. (Section 87103(e).) Designated employees should consult the "disclosure category" portion of their agency's conflict of interest code to determine if a particular source of income or gift must be disclosed. Some conflict of interest codes require very limited disclosure of income and gifts. If your agency's conflict of interest code requires you to disclose income and gifts only from specified sources, gifts from sources that are not required to be disclosed on your Form 700 are not subject to the \$440 gift limit.

Gift Exceptions

The Act and Commission regulations provide exceptions for certain types of gifts. (Section 82028; Regulations 18940-18946.5.) **The following payments are not gifts:**

1. Items that are returned (unused) to the donor, or for which you reimburse the donor, within 30 days of receipt. (Section 82028(b)(2); Regulation 18941.)
2. Items that are donated (unused) to a non-profit, tax-exempt (501(c)(3)) organization in which the official, or a member of the official's immediate family, does not hold a position or a government agency within 30 days of receipt without claiming a deduction for tax purposes. (Section 82028(b)(2); Regulation 18941.)
3. Gifts from your spouse (or former spouse), child, parent, grandparent, grandchild, brother, sister, current or former parent-in-law, brother-in-law, sister-in-law, aunt, uncle, niece, nephew, or first cousin or the spouse of any such person, unless he or she is acting as an agent or intermediary for another person who is the true source of the gift. (Section 82028(b)(3); Regulation 18942(a)(3).) This exception includes great grandparents, great uncles and aunts, great nieces and nephews, and first-cousins once removed.
4. Gifts of hospitality including food, drink or occasional lodging that you receive in an individual's home when the individual or a member of his or her family is present and the individual is someone with whom the official has a relationship, connection, or association unrelated to the official's position and the hospitality is provided as part of that relationship. (Regulation 18942(a)(7); Regulation 18942.2.)
5. Gifts commonly exchanged between you and another individual (other than a lobbyist) on holidays, birthdays, or similar occasions to the extent that the gifts exchanged are not substantially disproportionate in value. (Regulation 18942(a)(8)(A).)
6. Reciprocal exchanges between you and another individual (other than a lobbyist) that occur on an ongoing basis so long as the total value of payments received by the official within the calendar year is not substantially disproportionate to the amount paid by the official and no single payment is \$440 or more. For example, if two people get together regularly for lunches and rotate picking up the lunch tab so that each pays approximately half the time over the course of the calendar year, no gift need be reported. (Regulation 18942(a)(8)(B).)
7. Informational material provided to assist you in the performance of your official duties, including books, reports, pamphlets, calendars, periodicals, videotapes, or free or discounted admission to informational conferences or seminars.

"Informational material" may also include scale models, pictorial representations, maps, and other such items, provided that if the item's fair market value is more than \$440. You have the burden of demonstrating that the item is informational. In addition, on-site demonstrations, tours, or inspections, including air flights over an area that is the subject of the information and designed specifically for public officials are considered informational material. However, this exception does not apply to meals or to transportation to the site unless the transportation is not commercially available. (Section 82028(b)(1); Regulations 18942(a)(1) and 18942.1.)
8. A devise or inheritance. (Section 82028(b)(5); Regulation 18942(a)(5).)
9. Campaign contributions, including rebates or discounts received in connection with campaign activities. (Section 82028(b)(4); Regulation 18942(a)(4).) However, campaign contributions must be reported in accordance with the campaign disclosure provisions of the Act and may be subject to other limitations imposed by the Act.

10. Personalized plaques and trophies with an individual value of less than \$250. (Section 82028(b)(6); Regulation 18942(a)(6).)

11. Admission for the official and one guest at an event where the official performs a ceremonial role, such as throwing out the first pitch at a Dodgers' game, so long as the official's agency complies with the posting provisions set forth in Regulation 18944.1(d). (Regulation 18942(a)(12).; Regulation 18942.3.)

12. A prize or award received in a bona fide contest or competition, or game of chance. This must be reported as income if over \$500 unless it is received in the California State Lottery. To qualify for this exception the contest or competition must have a broad base of contestants and the competition must be unrelated to the official's duties. (Regulation 18942(a)(13).)

13. Benefits received as a guest attending a wedding reception where the benefits are the same as those received by the other guests at the reception. (Regulation 18942(a)(14).)

14. Bereavement offerings, such as flowers at a funeral received in memory of a close family member. (Regulation 18942(a)(15).)

15. Benefits received as an act of neighborliness such as the loan of an item, an occasional ride, or help with a repair where the act is consistent with polite behavior in a civilized society and would not normally be part of an economic transaction between like participants under similar circumstances. (Regulation 18942(a)(16).)

16. Personal benefits commonly received from a dating partner. These gifts are not disclosable or limited but are subject to disqualification under the conflict of interest laws. (Regulation 18942(a)(17)(A).)

17. Acts of Human Compassion. Assistance, financial or otherwise, to offset family medical or living expenses that the official can no longer meet without private assistance because of an accident, illness, employment loss, death in the family, or other unexpected calamity; or to defray expenses associated with humanitarian efforts such as the adoption of an orphaned child, so long as the source of the donation is an individual who has a prior social relationship with the official of the type where it would be common to provide such assistance, or the payment is made without regard to official status under other circumstances in which it would be common to receive community outreach. (Regulation 18942 (a)(17)(B).)

Note: The exception does not apply if the individual providing the benefit to the official is involved in some manner with with business before the official. (See Regulation 18942(a)(17)(D)(i-iii).) For example, (i) a lobbyist, lobbying firm, lobbyist employer, or other person required to file reports under Chapter 6 of the Act and registered to lobby the official's agency; (ii) a person who has, or may reasonably foreseeably have, a contract, license, permit, or other entitlement for use pending before the official's agency, and for 12 months following the date a contract is signed or a final decision is rendered; (iii) a person, or an agent of a person, involved in a licensing or enforcement proceeding before a regulatory agency that employs the official and in which the official may reasonably foreseeably participate, or has participated, within 12 months of the time the gift is made.

18. Benefits received from a long-time personal friend where the gift is unrelated to the official's duties. The exception does not apply if the individual providing the benefit to the official is involved in some manner with with business before the official. (Regulation 18942(a)(17)(C), see note above about restrictions under Regulation 18942(a)(17)(D)(i-iii).)

19. Benefits received from an individual who is not a lobbyist registered to lobby the official's agency, where it is clear that the gift was made because of an existing personal or business relationship unrelated to the official's position and there is no evidence whatsoever at the time the gift is made that the official makes or participates in the type of governmental decisions that may have a reasonably foreseeable

material financial effect on the individual who would otherwise be the source of the gift. (Regulation 18942(a)(18).)

20. Two tickets for admission, for your own use, to attend a fundraiser for a campaign committee or candidate, or to a fundraiser for an organization exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. The ticket must be received from the organization or committee holding the fundraiser. (Regulation 18946.4.)

21. Passes or tickets that provide admission or access to facilities, goods, services, or other benefits (either on a one-time or repeated basis) that you do not use and do not give to another person. (Regulation 18946.1.)

22. Gifts provided to your government agency. This may include passes or tickets to facilities, goods, or services, travel payments, and other benefits. However, this exception does not apply to elected officials and officials specified in Government Code Section 87200 with regard to travel payments. In addition, certain conditions must be met before a gift received by an official through his or her agency would not be considered a gift to the official. An agency must disclose specified payments on its website. (Regulations 18944 –18944.3.) Contact the FPPC for detailed information.

23. Generally, payments made by a third party to co-sponsor an event, or that are principally legislative, governmental or charitable in nature. In some cases, these payments may be considered “behested payments” also requiring disclosure.

24. Leave credits (e.g., sick leave or vacation credits) received under a bona fide catastrophic or emergency leave program established by your employer and available to all employees in the same job classification or position. Donations of cash are gifts and are subject to limits and disclosure. (Regulation 18942(a)(9).)

25. Food, shelter, or similar assistance received in connection with a disaster relief program. The benefits must be received from a governmental agency or charity (501(c)(3)) and must be available to the general public. (Regulation 18942(a)(10).)

26. Items awarded in an employee raffle, received by the agency from an agency employee who is not acting as an intermediary for another donor. This exception applies when an agency holds an employee raffle and the item awarded in the raffle has been obtained with agency funds, or is otherwise an asset of the agency and not donated to the agency by a non-agency source. This exception does not apply to passes or tickets of the type described in Regulation 18944.1. (Regulation 18944.2(a) and (b).)

27. Items received by an employee during an employee gift exchange, so long as the item received is provided by another employee of the agency and the gifts are not substantially disproportionate in value. (Regulation 18944.2(c).)

Source of Gift

Under most circumstances, it is clear who is the source of a gift, but if the circumstances indicate that the gift is being provided by an intermediary, you must determine both the donor and the intermediary in reporting the gift. Regulation 18945 provides the rules for determining the source of the gift.

Gifts from Multiple Sources

In determining the cumulative value of any reportable gifts, separate gifts from an individual and an entity that the individual controls or where the individual directs the payment of the gift must be aggregated as one source in complying with the reporting and limit requirements. For example, separate gifts from J.R. Ewing and Ewing Oil Company would be treated as if from one source if J.R. owns more than a 50 percent interest in the company unless the making of the gift was determined by someone else

in the company. In that case, the gift from Ewing Oil would be aggregated with any gifts made by that individual. (Regulation 18945.1)

Group gifts, where you received a single gift from multiple donors (such as a retirement gift from coworkers) need not be reported unless any one individual contributes more than \$50 to the total cost of the gift. (Regulation 18945.2.)

Valuation of Gifts

The general rule for determining the value of a gift is to apply the fair market value at the time the gift is received. Fair market value can be determined by finding any local or Internet advertisement for the item. Special exceptions to the fair market value rule are contained in Regulations 18946.1 through 18946.5 covering admission to ticketed and invitation-only events, wedding gifts, attendance at nonprofit and political fundraisers, and air travel. (Regulation 18946.)

Gifts Reported by the Official's Agency

The following exceptions are also applicable to gifts, but the official's agency may be required to report these items on a Form 801 or Form 802 instead of the official reporting the items on a statement of economic interests (Form 700).

Form 801: For an item to be considered a gift to the official's agency instead of a gift to the official, the payment (or item) must provide a **personal benefit** to a public official, such as a travel payment; and, in order for an agency to convert the payment into an agency gift, the payment may only be used for **official agency business and the agency must control the payment**. If the payment meets these requirements, the agency must report it on a Form 801 and the item is not reported on the individual's statement of economic interests (Form 700). (Regulation 18944.)

Form 802: When an official's agency provides an entertainment or sporting ticket or pass to a public official in order for it not to be reported as a gift on the individual's statement of economic interests (Form 700), the agency must have a written policy stating the public purpose for distribution of the tickets. The ticket or pass cannot be earmarked by the original source for use by a particular agency official, the agency must determine, in its sole discretion, which official may use the ticket or pass. The Form 802 is also used to report tickets provided for officials who perform a ceremonial role on behalf of the agency. (Regulation 18944.1.)

Behested Payments

The following payments are not considered gifts, but the official may be required to report these items on a Form 803.

Form 803: Behested payments are payments made principally for legislative, governmental, or charitable purposes. These payments are not for personal or campaign purposes. For example, an elected official may ask a third party to contribute funds to a school in his or her district, or to a job fair or health fair. Generally, a donation will be made "at the behest" if it is requested, solicited, or suggested by the elected officer, or otherwise made to a person in cooperation, consultation, coordination with, or at the consent of, the elected officer. This includes payments behested on behalf of the official by his or her agent or employee. Behested payments totaling \$5,000 or more from a single source in a calendar year must be disclosed by the official on a Form 803, which is filed with the official's agency within 30 days of the date of the payment(s). (Section 82015; Regulation 18215.3.)

Reportable Gifts Not Subject to Limits

The following exceptions are also applicable to gifts, but you may be required to report these items on a statement of economic interests (Form 700) and they can subject you to disqualification:⁶

1. Certain payments for transportation, lodging, and subsistence are not subject to gift limits but may be reportable. Travel payments are discussed below. See Regulation 18946.5 to determine the value of gifts of air transportation.

2. Wedding gifts are not subject to the gift limit but are reportable. For purposes of valuing wedding gifts, one-half of the value of each gift is attributable to each spouse. (Regulation 18946.3.)

3. A prize or award received in a bona fide competition not related to your official status is not subject to the gift limit, but must be reported as income. Therefore, it is reportable if the value of the prize or award is \$500 or more. (Section 87207; Regulation 18942(a)(13).)

⁶ Designated employees should consult the "disclosure category" portion of their agency's conflict-of-interest code to determine if a particular source of income or gifts must be disclosed.

Honoraria

The Prohibition

If you are a local elected officer, a candidate for local elective office, a local official specified in Government Code Section 87200, or a judicial candidate, you may not accept honoraria payments. (Section 89502.)

If you are an employee of a local government agency who is designated in the agency's conflict of interest code, you may not accept honoraria payments from any source if you are required to report receiving income or gifts from that source on your statement of economic interests. (Section 89502(c).)

What is an "Honorarium"?

An "honorarium" is any payment made in consideration for any speech given, article published, or attendance at any public or private conference, convention, meeting, social event, meal, or like gathering. (Section 89501.)

A "speech given" means a public address, oration, or other form of oral presentation, including participation in a panel, seminar, or debate. (Regulation 18931.1.)

An "article published" means a nonfictional written work: 1) that is produced in connection with any activity other than the practice of a bona fide business, trade, or profession; and 2) that is published in a periodical, journal, newspaper, newsletter, magazine, pamphlet, or similar publication. (Regulation 18931.2.)

"Attendance" means being present during, making an appearance at, or serving as host or master of ceremonies for any public or private conference, convention, meeting, social event, meal, or like gathering. (Regulation 18931.3.)

Exceptions

The Act and Commission regulations provide certain exceptions to the prohibition on honoraria. (Section 89501; Regulations 18930-18933.) **The payments described below are not prohibited and are not required to be disclosed on a statement of economic interests (Form 700):**

1. An honorarium that you return (unused) to the donor or the donor's agent or intermediary within 30 days. (Section 89501(b); Regulation 18933.)
2. An honorarium that is delivered to your government agency within 30 days for donation to the agency's general fund or equivalent account for which you do not claim a deduction for income tax purposes. (Section 89501(b); Regulation 18933.)
3. A payment that is not delivered to you but is made directly to a bona fide charitable, educational, civic, religious, or similar tax-exempt, non-profit organization. However:
 - You may not make the donation a condition for your speech, article, or attendance;
 - You may not claim the donation as a deduction for income tax purposes;
 - You may not be identified to the non-profit organization in connection with the donation; and
 - The donation may have no reasonably foreseeable financial effect on you or on any member of your immediate family. (Regulation 18932.5.)

4. A payment received from your spouse, child, parent, grandparent, grandchild, brother, sister, parent-in-law, brother-in-law, sister-in-law, nephew, niece, aunt, uncle, or first cousin, or the spouse of any such person. However, a payment which would be considered an honorarium is prohibited if one of these persons is acting as an agent or intermediary for someone else. (Regulation 18932.4(b).)

5. Items 6, 8, and 9 under “Exceptions to the Definition of ‘Gift’” discussed earlier in this fact sheet. (Regulation 18932.4.)

Exceptions That May Be Reportable as Income or Gifts

The following payments are not considered “honoraria” but may be reportable and can subject you to disqualification:⁷

1. Payments received for a comedic, dramatic, musical, or other similar artistic performance, and payments received for the publication of books, plays, or screenplays. (Regulations 18931.1-18931.2.) However, such payments are reportable income.

2. Income earned for your personal services if the services are provided in connection with a bona fide business, trade, or profession – such as teaching, practicing law, medicine, insurance, real estate, banking, or building contracting – and the services are customarily provided in connection with the business, trade, or profession.

This exception does not apply if the sole or predominant activity of the business, trade, or profession is making speeches. In addition, you must meet certain criteria to establish that you are practicing a bona fide business, trade, or profession (such as maintenance of business records, licensure, proof of teaching position) before a payment received for personal services which may meet the definition of honorarium would be considered earned income and not an honorarium. (Section 89501(b); Regulations 18932-18932.3.) Earned income is required to be reported. Contact the FPPC for detailed information.

3. Certain payments for transportation, lodging, and subsistence are not considered honoraria but may be reportable and subject to the gift limit. (Sections 89501(c) and 89506.) Travel payments are discussed below.

⁷ Designated employees should consult the “disclosure category” portion of their agency’s conflict-of-interest code to determine if a particular source of income or gifts must be disclosed.

Travel Payments

The Act and Commission regulations provide exceptions to the gift limit and honoraria prohibition for certain types of travel payments. (Section 89506; Regulations 18950-18950.4.)

The term “travel payment” includes payments, advances, or reimbursements for travel, including actual transportation, parking and related lodging and subsistence. (Section 89506(a).)

Exceptions

The following types of travel payments are not subject to any limit and are not reportable on a statement of economic interests (Form 700):

1. Free admission to an event at which you make a speech, participate on a panel, or make a substantive formal presentation, transportation, and necessary lodging, food, or beverages⁸, and nominal non-cash benefits provided to you in connection with the event so long as:
 - a. The speech is for official agency business and the official is representing his or her government agency in the course and scope of his or her official duties; and
 - b. The payment is a lawful expenditure made only by a federal, state, or local government agency for purposes related to conducting that agency’s official business.

The exception does not apply to state or local elected officers and officials specified in Section 87200. (Regulation 18950.3(b).)

2. Travel payments provided to you by your government agency or by any state, local, or federal government agency which would be considered income and not a gift (i.e., payments for which you provide equal or greater consideration). (Section 89506(d)(2); Regulation 18950.1(d).)

3. Reimbursements for travel expenses provided to you by a bona fide non-profit, tax-exempt (501(c)(3)) entity for which you provide equal or greater consideration. (Section 82030(b)(2).)

4. Travel payments provided to you directly in connection with campaign activities. However, these payments must be reported in accordance with the campaign disclosure provisions of the Act. (Regulations 18950.1(c); 18950.4.)

5. Any payment for travel that is excluded from the definition of “gift” as described earlier in this fact sheet.

Reportable Payments Not Subject to Limit

The following travel payments are not subject to the gift limit but may be reportable on a statement of economic interests (Form 700):

1. Travel that is reasonably necessary in connection with a bona fide business, trade, or profession, and which satisfies the criteria for federal income tax deductions for business expenses specified in Sections 162 and 274 of the Internal Revenue Code. (Section 89506(d)(3); Regulation 18950.1(e).) For reporting purposes, these travel payments would be considered part of the salary, wages, and other income received from the business entity and would be reported on Schedule A-2 or C of Form 700.

⁸ Lodging, food, or beverages are “necessary” only when provided on the day immediately preceding, the day(s) of, and the day immediately following the speech, panel, seminar, or similar service.

2. Travel within the United States that is reasonably related to a legislative or governmental purpose – or to an issue of state, national, or international public policy – in connection with an event at which you give a speech, participate in a panel or seminar or provide a similar service. Lodging and subsistence expenses in this case are limited to the day immediately preceding, the day of, and the day immediately following the speech, panel, or other similar service. (Section 89506(a)(1); Regulation 18950.1(a)(2).

Note that this exception is different than travel payments described earlier. Under the circumstances described in this paragraph, transportation within the United States is not subject to the gift limit but is reportable and can subject a public official to disqualification.

As discussed earlier, most local government employees are not required to report travel payments paid by a governmental agency in the course of employment. (Regulation 18950.3.)

3. Travel **not** in connection with giving a speech, participating in a panel, or seminar or providing a similar service but which is reasonably related to a legislative or governmental purpose – or to an issue of state, national, or international public policy – and which is provided by:

- A government, governmental agency, foreign government, or government authority;
- A bona fide public or private educational institution defined in Section 203 of the California Revenue and Taxation Code;
- A non-profit organization that is exempt from taxation under Section 501(c)(3) of the Internal Revenue Code; or
- A foreign organization that substantially satisfies the requirements for tax-exempt status under Section 501(c)(3) of the Internal Revenue Code.

(Section 89506(a)(2); Regulation 18950.1(b).)

Loans

Personal loans received by elected and appointed officials are subject to limits and other restrictions and, in some circumstances, a personal loan that is not being repaid or is being repaid below certain amounts may become a gift to the official who received it.

Limitations on Loans from Agency Officials, Consultants, and Contractors

If you are an elected official or an official specified in Section 87200 (see footnote 2 on page 1), you may not receive a personal loan that exceeds \$250 at any given time from an officer, employee, member, or consultant of your government agency or an agency over which your agency exercises direction and control. (Section 87460(a) and (b).)

In addition, you may not receive a personal loan that exceeds \$250 at any given time from any individual or entity that has a contract with your government agency or an agency over which your agency exercises direction and control. This limitation does not apply to loans received from banks or other financial institutions, and retail or credit card transactions, made in the normal course of business on terms available to members of the public without regard to official status. (Section 87460(c) and (d).)

Loan Terms Applicable Only to Elected Officials

In addition to the limitations above, if you are an elected official, you may not receive a personal loan of \$500 or more unless the loan is made in writing and clearly states the terms of the loan. The loan document must include the names of the parties to the loan agreement, as well as the date, amount, interest rate, and term of the loan. The loan document must also include the date or dates when payments are due and the amount of the payments. (Section 87461.)

The following loans are not subject to these limits and documentation requirements:

1. Loans received by an elected officer's or candidate's campaign committee.
2. Loans received from your spouse, child, parent, grandparent, grandchild, brother, sister, parent-in-law, brother-in-law, sister-in-law, nephew, niece, aunt, uncle, or first cousin, or the spouse of any such person unless he or she is acting as an agent or intermediary for another person not covered by this exemption.
3. Loans made, or offered in writing, prior to January 1, 1998. (Sections 87460 and 87461.)

Loans as Gifts

Under the following circumstances, a personal loan received by **any** public official (elected and other officials specified in Section 87200, as well as any other local government official or employee required to file statements of economic interests) may become a gift and subject to gift reporting and limitations:

1. If the loan has a defined date or dates for repayment and has not been repaid, the loan will become a gift when the statute of limitations for filing an action for default has expired.
2. If the loan has no defined date or dates for repayment, the loan will become a gift if it remains unpaid when one year has elapsed from the later of:
 - The date the loan was made;
 - The date the last payment of \$100 or more was made on the loan; or
 - The date upon which the official has made payments aggregating to less than \$250 during the previous 12 months. (Section 87462.)

The following loans will not become gifts to an official:

1. A loan made to an elected officer's or candidate's campaign committee. This loan would, however, be a campaign contribution. Consult the FPPC campaign manual for local candidates (Manual 2) for more details.
2. A loan described above on which the creditor has taken reasonable action to collect the balance due.
3. A loan described above on which the creditor, based on reasonable business considerations, has not undertaken collection action. (However, except in a criminal action, the creditor has the burden of proving that the decision not to take collection action was based on reasonable business considerations.)
4. A loan made to an official who has filed for bankruptcy and the loan is ultimately discharged in bankruptcy.
5. A loan that would not be considered a gift as outlined earlier in this fact sheet (e.g., loans from certain family members). (Section 87462.)

RESOLUTION NO. 2012-104

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, READOPTING A CONFLICT OF INTEREST CODE BY REFERENCE TO THE FAIR POLITICAL PRACTICES COMMISSION'S STANDARD MODEL CONFLICT OF INTEREST CODE, AND REPEALING ALL PRIOR ENACTMENTS ON THE SAME SUBJECT

WHEREAS, the Political Reform Act, Government Code §81000, et seq., requires state and local government agencies to adopt and promulgate conflict of interest codes; and

WHEREAS, the Fair Political Practices Commission has adopted a regulation 2 California Code of Regulations, §18730, which contains the terms of a standard model Conflict of Interest Code, which can be incorporated by reference, and may be amended by the Fair Political Practices Commission after public notice and hearings to conform to amendments in the Political Reform Act; and

WHEREAS, the City Council has previously duly approved and adopted a Conflict of Interest Code by reference to the standard model Conflict of Interest Code; and

WHEREAS, said previously adopted Code should now be amended in respect to the designation of employees who are subject to the Code;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. All prior enactments of the City Council of the City of Moreno Valley in respect to adoption of a Conflict of Interest Code are hereby repealed, effective on the operative date of this Resolution.

2. The terms of 2 Cal. Code of Regs. §18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference and, along with the attached Appendices in which members and employees are designated and disclosure categories are set forth, are hereby incorporated by reference and constitute the Conflict of Interest Code of the City of Moreno Valley.

3. Members of the City Council, the City Manager, the City Attorney, the City Treasurer, members of the Planning Commission, and pursuant to §4(C) of the Model Conflict of Interest Code, other designated employees, including members of other boards/committees and commissions holding designated positions, (listed on Appendix A attached hereto and incorporated herein by this reference) and having a disclosure category which requires the filing of a Statement of Economic Interest (described on

1
Resolution No. 2012-104
Date Adopted: December 11, 2012

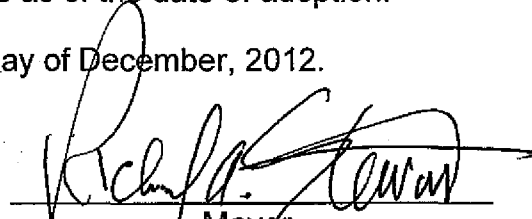

Appendix B attached hereto and incorporated herein by this reference), shall file their Statement of Economic Interest with the City Clerk, to whom the City Council hereby delegates the authority to carry out the duties of Filing Officer who will make the statements available for public inspection and reproduction. (Gov. Code §81008) The City Clerk will retain statements for all designated employees. The City Clerk shall forward to the Fair Political Practices Commission a copy of each Statement of Economic Interest filed by a member of the City Council, by the City Manager, by the City Attorney, by the City Treasurer, or by a member of the Planning Commission.

4. All employees not specifically designated as category 1 or 2 are hereby deemed to be exempt from the requirement to file a statement of economic interest.

5. Adoption of this Resolution shall not invalidate any action taken or proceedings undertaken pursuant to any prior enactments on the same subject.

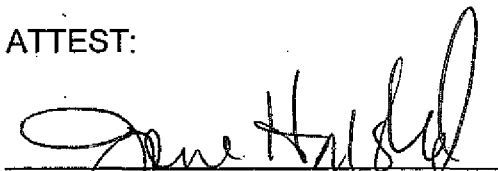

6. This Resolution shall be operative as of the date of adoption.

APPROVED AND ADOPTED this 11th day of December, 2012.

Mayor

APPENDIX B

DISCLOSURE CATEGORIES

General Provisions:

Designated officers and employees, including board and commission members, who are required to disclose financial interests pursuant to conflict of interest codes approved by the City Council, need not disclose any financial interest to which all of the following conditions attach at the time of filing a required financial disclosure statement and which were true during all of any period of time covered by such statement:

- (a) The interest is in the form of ownership of a security, which is registered with the Securities and Exchange Commission of the United States Government.
- (b) The interest constitutes one-half (1/2) of one percent (1%) or less of the total ownership interest in the business entity represented by the security.
- (c) There is no executory contract with a value greater than one thousand dollars (\$1,000) and which is within the purview of designated employee's board, commission, department or office, between the City and the business entity represented by the security.
- (d) The headquarters and the principal place of doing business of the business entity represented by the security are outside of the jurisdiction of the City.

Disclosure Categories:

- 1. Must report financial interests in all categories of the Statement of Economic Interest subject to the limitations listed above.
- 2. Persons in this category are already required to disclose and report investments, income, and interests in real property under §87200 and following of the Government Code or pursuant to requirements of another conflict of interest code requiring the same or more extensive reportable interests. Therefore, no other or additional disclosure requirements are imposed by this Code and such persons are included herein only for disqualification purposes.
- 3. All employees not specifically designated as category 1 or 2 are hereby deemed to be exempt from the requirement to file a statement of economic interest.

Subject: Kendra Doel, Ralphs [REDACTED]

Message forwarded on behalf of Barry Foster

Talked to Kendra (VP of PR) with Ralphs. She confirmed what we had been speculating for months--that Ralphs (Kroger) will be closing the Ralphs store in Sunnymead Ranch. This location has been significantly underperforming since it opened and has been losing over \$1 million annually. Slight uptick in sales with closing of Albertson's but not much towards becoming anywhere near profitable. Lease will expire in July 1. Owner of the center (family trust) had been discussing a rent reduction but not enough to make the store cash flow. Kroger (parent company of Ralphs) has made decision to not extend the lease and will close the store after close of business on Friday May 17. This decision by Kroger (Ralphs) is not subject to negotiation....Employees of the store will be informed of the closing tomorrow (Wednesday 3/13).

Kroger/Ralphs are pleased with the performance of their Food For Less stores in Moreno Valley, but has no plans for any new Ralphs stores anywhere in the Inland Region.

Staff will continue to market the closed Albertson's-along with the soon to be vacant Ralphs store. Options include Stater Bros. (maybe another run at Albertson's location if acquisition price is decreased), new WalMart grocery store concept being rolled out in SoCal, Cardenas, Aldi (coming to CA in summer 2014) or independent grocery store concepts.

I would speculate that the news of Ralphs closing will hit the press on Wednesday or Thursday.

Rix,

We're told that the City Council Dais is extremely dusty. Perhaps some work was being performed on the ceiling or lights, which created extra dust.

Please add a visual inspection (and touch up) of the Council dais to the standard process followed for set-up of all future City Council meetings.

Thanks very much.

Subject: Public Notice Publication Change - RETURN TO PE

Hello again,

I really regret to inform everyone that we must revert to posting our public / legal notices in the Press Enterprise.

Generally, in the absence of newspaper adjudication for a specific city, that city is free to use any adjudicated newspaper of general circulation in the county. However, the PE has implemented the business retention strategy of adjudicating the local editions of their paper specifically for the jurisdictions those editions target, in addition to adjudicating the entire publication throughout the County of Riverside. In other words, the PE adjudicated the Moreno Valley edition for the City. We understand that this strategy is found nowhere else in California.

As a result, until another newspaper of general circulation in Moreno Valley seeks local adjudication, the City is restricted to publishing legal notices in the Press Enterprise.

Please disregard the instructions to shift public notice publication to the Business Journal and revert to our previous process.

Thank you much and very sorry for the confusion!

Subject: Public Notice Publication Change

Hello All,

The City Manager's Office has evaluated the comparative rates for publishing Public Hearing Notices, Ordinances / Resolutions, and Bid Openings. It appears we can achieve savings by transitioning our notice publication to the Business Journal (a subsidiary of the Daily Journal of Los Angeles - a legal journal that is an adjudicated newspaper in Riverside County).

The attached Excel file documents 18 months of expenses paid to the Press Enterprise related to the City's publication of legal advertising. It provides a breakdown of amounts spent by department over the period of July 2011 through Dec 2012 (totaling \$58,424 or approximately \$40,000 per year). Unfortunately, we are not able to break down the expenses by notice category "Public Hearing Notices, Ordinances/Resolutions, and Bid Openings" because the nature of the notices published is not coded into the City's expense tracking management system.

Moving forward, the process for publishing public notices in the Business Journal:

1. City staff emails a .pdf of the file to be published and a description of the timeframe (date) for publication to the Business Journal at barbara_cortez@dailyjournal.com (The Business Journal can also be reached by phone at 951.784.0111).
2. Within 24 hours, the Business Journal will respond back with a price quote (calculated at \$12 per column inch) and a proof of the notice layout.
3. City staff reviews / OKs the proof layout and price quote and emails the OK back to the Business Journal.
4. The Business Journal publishes the notice within 3-4 business days (note: they publish Mon. thru Fri.).
5. The Business Journal will establish an account for *each Department* and will bill publication expenses to a Cal-Card.

This transition should begin as soon as reasonably possible. If you have any questions, please feel free to call or email me.

Thanks!

Michele

Subject: Burglary and shooting

Good evening,

Officers and investigators are on the scene of what appears to be a botched residential burglary. Details are very limited at this time, but it appears two Black males broke into a residence on Biloxi Street. They apparently believed the residents were not home.

They were wrong in that belief and one resident, armed with a handgun, opened fire on the intruders shortly after they broke through the sliding glass door at the rear of the residence. The suspects fled, leaving a blood trail behind.

Additional calls came in from the surrounding area concerning two wounded Black males knocking on doors asking for help. The suspects were taken into custody without incident.

Both suspects sustained what appear to be non-life threatening gunshot wounds. MVPD Detectives were summoned to assist in the investigation. I will provide an update in the morning once more information becomes available.

Subject: Burglary and shooting - update

Good morning,

The suspects in this case are both 17 year-old Black males. Both sustained gunshot wounds that are considered non-life threatening and are currently in the hospital recovering. Because of their ages, charges will be filed out of custody. Both suspects confessed to breaking into the residence to commit a burglary. Both suspects are believed to be associated with a local criminal street gang. That portion of the investigation is ongoing.

The suspects in this case used a very common practice to commit this crime. They first rang the doorbell to the residence. After receiving no response, they rang it a second time. Once they were convinced nobody was home, they jumped the fence and walked to the rear sliding glass door. The suspects used a tool to break the sliding glass door and entered the residence, planning to steal items of value. The victims, a 42 year-old Black male adult and a 50 year-old Black male adult, were in separate portions of the residence. They heard the doorbell ring both times, but chose not to answer the door. The victim in the downstairs portion of the residence heard the suspect jump the fence, then heard the sliding glass door being broken. He armed himself, stepped into the hallway and was immediately confronted by the suspects who were walking in his direction. Fearing for his life, he opened fire on the suspects, striking them both.

The victims immediately called 911 and officers responded to the residence and surrounding area. The suspects initially claimed they were shot in a drive-by shooting, but later confessed to being inside the victim's residence and being shot by the victim. At this point in the investigation, there is no reason to believe the victims committed any crime. It is legal to defend yourself in your own home when you believe you are in danger. The firearm used was legally possessed and registered to the victim.

Joel

Hi Victoria:

Key is the Executive Director of Silence Aloud, Inc. and also a city employee with the CDBG/HOME Program. Key requested to meet with you to discuss Silence Aloud in general and the HEART Center Transitional Housing Program for emancipated foster.

Silence Aloud Mission Statement: Silence Aloud, Inc. provides a voice for male youth victims of sexual abuse, reframes social constructs of masculinity, and increases public awareness.

Key is available to meet at the end of the work day at 5 p.m., during her lunch hour, and on Fridays. Please advise if you would like to meet, and if yes, the date/time that works best with your schedule.

Thanks,

Cindy

Subject: 2013 Relay for Life Campaign

The 2013 Relay for Life Campaign has started and the City is in the process of forming a team for the event at Valley View High School on May 18, 2013. We will be kicking off the campaign with Denim Days (more information to follow). Sign-ups to walk will be lobbied by Ewa from the City Clerk's Office. Please contact her with the time you would like to walk with-in the hours of 9:00am and midnight.

We will be holding a few other fundraisers: Candy Grams with the slogan "Cancer sucks", selling crocheted facial Wash Cloths with the slogan "Wash Out Cancer", Bunco, bake sales (including those delicious CAKE POPS), and of course selling the little purple feet. All the feet that are sold will be posted the day of the event at our booth.

Please join us to make this event very profitable for the Cancer Foundation.

If you have any questions you can contact one of the committee members:

Subject: Robbery arrest - Sunnymead Blvd.

Good morning,

On Tuesday 03-12-13, about 11:38 PM, officers responded to Tio's Tacos at 24195 Sunnymead Blvd. reference an armed robbery just occurred. Two suspects used a glass bottle to threaten an employee, then stole an unknown amount of currency from the business. MVPD SET officers were conducting high-visibility patrol on Sunnymead Blvd and began looking for the suspects described by the victim. Officers located both suspects at the FastTrip convenience store at the corner of Heacock and Sunnymead and detained them without incident. The suspects were later identified by the victim during an in-field line-up.

Suspect #1 was identified as Roosevelt Collins (50 years old), a transient living in the Moreno Valley area. Collins was on active parole at the time of his arrest. He was booked on charges of robbery and parole violation.

Suspect #2 was identified as Christopher Esquivel (38 years-old), a transient living in the Moreno Valley area. Esquivel is currently on Post Release Community Supervision (PRCS) thanks to AB 109. He was booked on charges of robbery, parole violation, and PRCS violation.

Subject: Sunnymead Blvd arrest - AB 109/PRCS related

Good morning,

On Tuesday 3-12-13, about 11:28 PM, officers working high visibility patrol on Sunnymead Blvd contacted a pedestrian at the Jack in the Box restaurant at the corner of Heacock and Sunnymead. The pedestrian, Nicholas Morales (27 years old) had a misdemeanor warrant for his arrest and was determined to be on Post Release Community Supervision (PRCS) for a past theft crime. The suspect was arrested and transported to the station for the warrant and for being under the influence of a controlled substance. While at the station, the suspect became irate and spit in the face of the SET officer attempting to interview him. The suspect was restrained and a spit mask was placed over his face. The suspect was later booked on charges of gassing (spitting in the officer's face), parole/PRCS violation, and being under the influence of a controlled substance. We will seek a court order to force blood from the suspect to check for communicable diseases. Worker's compensation paperwork was generated for the exposed officer.

City Celebrates LEED Gold Certification of Skechers Facility

The City of Moreno Valley proudly announces that Skechers USA's North American Distribution Center in Moreno Valley has been certified LEED Gold by the U.S. Green Building Council (USGBC). The 1,820,457 square foot building, developed by Highland Fairview, is the largest LEED Gold certified project of its kind in the U.S.

LEED designation in new building construction is highly prestigious. LEED stands for Leadership in Energy and Environmental Design and is administered by the USGBC. LEED is a comprehensive system to define, measure and designate "green buildings." Certification in the national recognition program is based on strict standards in five key

Join us for Memorial Day

Setting a new single-day adoption record for the Moreno Valley Animal Shelter, 41 dogs and 2 cats went to new homes during the Shelter's "Sweet Paw" Valentine's Day pet adoption event on Wednesday, February 13, 2013.

All pets were offered for adoption at deeply discounted adoption fees of \$50 for dogs and \$25 for cats. The adoption fees included spay or neuter surgery, vaccinations, a "HomeAgain"

Free collars and ID tags were made possible by a grant from the ASPCA. The event was a huge success made possible by the outstanding teamwork of city staff, volunteers, our animal rescue partners, and the many wonderful pets waiting for their new owners to provide a lifelong loving home.

Dr. Seuss Read-a-Thon

Civic group "Brothers and Sisters of Hope" provided an open story time on Saturday, March 2, at the Moreno Valley Public Library, in honor of Dr. Seuss's birthday. This Dr. Seuss Read-a-Thon will be offered from 12 noon-2 p.m. Kids of all ages enjoyed the popular books written by the renowned children's author.

In-n-Out Burger Sponsors Reading Program

In-n-Out Burger's "Cover to Cover" reading program run from March 2 through April 13 at Moreno Valley Public Library. Children ages 4-12 who read 5 books checked out on their own library card can earn a certificate for a free hamburger or cheese sandwich. This award can be earned up to three times during the program period. Many thanks to In-n-Out Burger for providing these reading incentives to the youngsters in our community.

Free Tax Help

The Library has prepared a handout showing where the public can go for free tax help and where to get tax forms. Local locations for free tax help include the Moreno Valley Senior Center, the Moreno Valley WIC office, and the Southwestern Veterans Business Center in Perris. IRS and Franchise Tax Board forms can be procured online; basic forms can also be picked up at the Perris Branch Library and the Riverside County Law Library. Addresses and hours of operation are included on the handout, along with a list of what to bring for those seeking free tax help.

West Coast Thunder Memorial Day Parade

Fire-Cooking Safety Tips

Many families gather in the kitchen to spend time together. However; it can be one of the most hazardous rooms in the house if you don't practice safe cooking behaviors.

Cooking equipment, such as stoves, ovens, deep fryers and open grills, are the leading cause of reported home fires and home fire injuries in the United States. A recent study from the United States Fire Administration (USFA) estimated an average of 164,500 home fires per year caused by cooking.

So whether you are cooking the family dinner or a snack for the kids, practicing these safety tips will help keep you and your family safe.

Watch What You Heat:

Stay in the kitchen when you are frying, grilling, or broiling food. If you leave the kitchen, for even a short period of time, turn off the stove.

- If you are simmering, baking, roasting, or boiling food, check it regularly, remain in the home while food is cooking, and use a timer to remind you that you're cooking.
- To prevent cooking fires, you have to be alert! Drinking alcohol and taking medication that causes drowsiness are a few things that can affect your ability to stay alert and attentive. Plan ahead by designating a meeting location away from the home, but not necessarily across the street in case a home fire occurs. For example, meet under a specific tree or at the end of the driveway or front sidewalk to make sure everyone has gotten out safely.

To learn more about protecting your family from smoke and fire, visit www.fire.ca.gov or www.usfa.dhs.gov.

For the full story and more tips, [click here](#).

Dear CityLink Subscriber,

You are receiving this monthly newsletter because you have either signed up via the City's Web site, www.moval.org, or you have previously submitted your e-mail address to the City of Moreno Valley. Should you wish to unsubscribe, please click on the 'Safe Unsubscribe' icon at the end of this e-mail.

HONORING MILITARY PERSONNEL

The City's Military Appreciation Banner Program is designed to recognize active duty military servicemen and women who are currently serving in the United States Military (Army, Navy, Air Force, Marines, and Coast Guard), including those in the National Guard and Reserves for their respective Military Branch. To be eligible for a banner, the nominated person must be a City resident, graduated from a local high school in Moreno Valley, or have an immediate family member who currently resides in Moreno Valley.

The military banner program is partially sponsored by the Moreno Valley Chamber of Commerce, Military Affairs Committee. The total cost for a banner to be created and installed on a City street light is \$100.

Engraved pavers are also available to all qualified veterans.

If you would like to honor an active duty military serviceman or woman with a Military Appreciation Banner or paver, please contact Parks and Community Services at 413-3701. Applications are due by April 29 for a Memorial Day installation.

Subject: Kids with Guns Protocol activation

Good afternoon,

On 3-13-13, about 1220 hours, officers responded to Bayside Community Day School at 24975 Bay Avenue in reference to a threat made by a student to a teacher. Officers learned that the victim, a 43 year-old female, approached a student who was in an area considered out of bounds to students. The teacher saw the student pass something to another person on the other side of the fence and asked what the item was. The student, a 15 year-old male, did not reply to the teacher, but told another student the teacher was "snitchin' and bitchin'." The teacher replied that she was just doing her job and the student stated, "You can get shot doing your job." This was reported to school administration, then to the SRO. The student was detained without incident and transported to the police department for further investigation. Based on the reference to firearms, the Riverside County Kids with Guns Protocol was followed. Officers responded to the student's residence, obtained consent to search from the student's mother, and searched the residence for weapons and/or threatening material. No evidence was located. The juvenile suspect was booked into Juvenile Hall for making terrorist threats against the teacher.

MVUSD administration was notified and will likely pursue administrative sanctions in addition to anything the juvenile justice system metes out. The Moreno Valley Police Department takes all such threatening statements very seriously. The Kids with Guns Protocol was developed for just such cases and will be applied to any situation involving a student who references the use of firearms against any other person.

Subject: Missing person located

Good evening,

We investigated a missing person earlier today in the area of Old Lake and Pigeon Pass. The young man (early 20's) made unusual comments to friends suggesting he might be suicidal.

We brought in a K-9 Bloodhound team to search for him. After an extended search, we were unable to locate him and the search was called off.

Tonight, the missing person turned on his cell phone and began texting. Using GPS location technology, we located him on Box Springs Mountain, injured but alive.

The Sheriff's helicopter was called in to airlift him off the mountain. The young man will be treated for his injuries and evaluated to determine his mental state.

Subject: Staff Reductions

Honorable Mayor & Council Members,

Over the course of the day, Department Heads are notifying staff members who will be affected by the staffing reductions included in the Proposed Budget plan.

Layoffs are occurring in the following categories:

- Line staff (represented by MVCEA): 1 full-time employee, 1 part-time employee
- Management staff: 3 Division Managers, 1 Manager

This morning, we also notified Library staff members that the City is again considering options to outsource Library Services, and that the City has requested a proposal from the company that operates the Riverside County Library System.

We will continue to keep you apprised of significant developments.

Respectfully,

Tom

Subject: Section 8 search warrant

Good afternoon,

This morning at 9:15 AM, the MVPD SET Team served a search warrant at a residence in the 15700 block of June Court. The resident, 45 year-old Angela Pruitt was detained for suspected Section 8 fraud. She will be charged out of custody (due to health problems) for fraudulently receiving over \$28,000 in Section 8 housing assistance over the past several years. A second suspect, 33 year-old Courtney Dillard, an ex-felon and suspected gang member, was found at the residence and was in possession of ammunition, an ammunition magazine, and body armor. Dillard was later booked into RPDC for being an ex-felon in possession of ammunition and body armor.

Subject: eSuite for timesheet entry available on Monday
Attachments: image001.jpg

Importance: High

Now that you have been trained on eSuite it will be **available for use on Monday, March 18!** Here are some key points to remember:

- You must first “Activate Your Account” and create your UserName; for your UserName enter your City e-mail address (Example: steveh@moval.org).
- You can access eSuite anywhere (work, home, play) where you have the Microsoft IE (Internet Explorer) browser (version 8.0 SP2 or higher) and an Internet connection; the URL is <https://orion.moval.org/eSuite.HR>
- You will have until 5:30pm on Tuesday, March 26 to enter and “submit” your timesheet for the pay period of March 16-29; a paper timesheet will also be required for only this pay period as a safety precaution when moving to a new system.
- For a copy of the training material [click here](#).
- **9am-3pm on Wednesday, March 20, the TS Project Room (in Annex 1)** is open for all employees to come and receive assistance in activating their eSuite account and entering their timesheets. Bring a co-worker and receive a “Payday” (limited to the first 50).

Other important items related to our new HR/PY system to remember are:

- HR will also enter personnel related transactions in Logos starting Monday, March 18.
- The first paycheck from the new system will be delivered April 4 and will be different due to efforts to even out the paycheck amount instead of having one paycheck larger than the other during the month.
- Physical paychecks will be mailed on April 3 so plan to receive them a day or two later than when they were hand distributed to you (or switch to Direct Deposit via [this form](#)).
- Paycheck stubs will be available online via eSuite (under the MY HR tab, then choose Paychecks).

TS (x3410) and Payroll (x3081) are always available to assist you so call if you have questions.

This e-mail was sent to all employees with the permission of the City Manager's Office.

Subject: Honor Your Loved Ones with a Military Banner or Paver

Having trouble viewing this email? [Click here](#)

HONORING MILITARY PERSONNEL

The City's Military Appreciation Banner Program is designed to recognize active duty military servicemen and women who are currently serving in the United States Military (Army, Navy, Air Force, Marines, and Coast Guard), including those in the National Guard and Reserves for their respective Military Branch. To be eligible for a banner, the nominated person must be a City resident, graduated from a local high school in Moreno Valley, or have an immediate family member who currently resides in Moreno Valley.

The military banner program is partially sponsored by the Moreno Valley Chamber of Commerce, Military Affairs Committee. The total cost for a banner to be created and installed on a City street light is \$100.

Engraved pavers are also available to all qualified veterans.

If you would like to honor an active duty military serviceman or woman with a Military Appreciation Banner or paver, please contact Parks and Community Services at 413-3701. Applications are due by April 29 for a Memorial Day installation.

Chief Ahmad -

Late this morning 2 Moreno Valley Engine Companies, 1 Truck Company and myself responded with Riverside City Fire Department to N/B I-215 N/O Eucalyptus for a multiple vehicle accident. Upon arrival units were met by Riv City E-14 who confirmed the incident was in their jurisdiction. The incident involved 5 vehicles and a total of 7 patients. 3 of the patients were trapped in one vehicle and the others were in two other vehicles, not trapped.

Moreno Valley Fire department members immediately engaged in life saving actions by assigning the truck company to extricate the trapped patients while assigning each of the two engines companies to patient care.

Riverside City also responded with 2 engines and a truck and together a total of 7 patients were transported to area hospitals. The incident was declared an MCI by the Riverside City Incident Commander.

1 Immediate Patient was transported to Riverside Community Hospital with a Moreno Valley Fire Paramedic. 6 other patients all minor with the exception of 1 who was also immediate were transported to Riverside County Regional Medical Center. 3 of the injured patients were children.

The cooperative efforts of both agencies made this a successful incident.

Respectfully,

Silvio

Subject: Sunnymead Blvd drug arrest

Good afternoon,

On Saturday 3-16-13, about 8:30 PM, officers conducting high-visibility patrol on Sunnymead Blvd. conducted a bicycle stop in front of Tio's Tacos, 24195 Sunnymead Blvd. The bicyclist was travelling after dark with no lighting equipment on his bike. The suspect, 22 year-old Moises Acosta, was found to be in possession of several baggies of methamphetamine. He also had a scale and additional empty baggies, indicating he was involved in the sale of methamphetamine. Acosta was arrested for transportation and possession of meth for sale and booked into RPDC.

Subject: Alicia Hornyak, MGR Commercial Real Estate [REDACTED]

Ms. Hornyak stated she has a client interested in purchasing the Cottonwood Golf Course. She previously met with former Council Member Batey, Mike McCarty, and others to discuss the same. I contacted Mike who advised the Cottonwood Golf Course isn't for sale; and if the golf course was sold, the Park Preservation Act would require it be replaced by a fully developed 16-acre park, which could cost millions. Mike stated Ms. Hornyak believes her client has a way to work around the Park Preservation Act.

Please advise if you would like to meet with Ms. Hornyak and her client. If yes, invite Mike McCarty?

Thanks,

Cindy

Subject: Productivity Stats - MVPD Special Enforcement Team

Good afternoon,

I thought you might find the following information educational and interesting. These bullet point statistics represent a portion of the work conducted by the Special Enforcement Team for the months of January and February, 2013.

- 28 search warrants written and served
- 51 parole checks conducted
- 94 probation checks conducted
- 11 Gang enhancements written
- 70 Gang Field Interviews conducted
- 198 felony arrests made
- 41 misdemeanor arrests made
- 39 felony arrest warrants served
- 21 misdemeanor arrest warrants served
- 32 parole violations issued
- 35 probation violations issued
- 867.2 grams of methamphetamine seized (1.91 pounds)
- 9,594 grams of marijuana seized (21.13 pounds)
- 474 marijuana plants seized
- 20 firearms seized
- 8 other weapons seized
- 12 stolen vehicles recovered
- 8 drug endangered children rescued
- 2 presentations conducted

These statistics represent just some of what this proactive team does throughout the year to keep the community safe.

Subject: Sunnymead Blvd fraud/burglary

Good afternoon,

This morning about 10:36 AM, a suspect entered the Americas Cash Express business at 23845 Sunnymead Blvd. The suspect, identified as Eric Pontious (38 years old) is on Post Release Community Supervision via AB 109. (PRCS) Pontious attempted to cash a fraudulent stolen check at the business. Employees obtained identification from the suspect and determined he was suspected in another burglary/fraud case at an another business branch in the city of Rancho Cucamonga. Employees reported this information to Sheriff's Dispatch and officers were sent to investigate. As officers responded, they were advised by Dispatch that the suspect was wanted on a felony arrest warrant in addition to the crime he was suspected of attempting at that moment.

Officers arrived on scene and attempted to take the suspect into custody. The suspect was inside his vehicle and refused to step out. Officers attempted to force their way into the car by breaking the passenger side window to gain access. The suspect fled the area in his vehicle, driving erratically over landscaping and a planter. Officers attempted to stop the vehicle, but the suspect failed to yield. Because officers knew the suspect's identity and the crime was against property, officers correctly decided not to initiate a pursuit of the suspect vehicle. The suspect fled the area on the 60 Freeway. Allied agencies in the area were notified. Criminal charges will be filed out of custody.

Subject: Kids with Guns Protocol activation

Good afternoon,

This morning about 9:40 AM, a male juvenile student at Moreno Valley High School approached another male juvenile student and attempted to steal a Samsung Galaxy Tablet/phone from his pocket. The victim asked the suspect what he was doing and the suspect immediately threatened the victim stating he was a member of a Riverside street gang and that he would have gang members "cap" (shoot) the victim. The victim, who is not a gang member, was frightened by the threat and believed the suspect might carry it out. School officials notified the SRO who detained the suspect without incident. The Riverside County Kids with Guns Protocol was implemented and contact was made at his residence. The suspect's parents provided officers with consent to search the residence. No weapons, threatening notes, or items associated with gangs were located. The parents indicated that their son had recently bragged about being a member of a gang and that they were very concerned. The suspect was arrested and booked into Juvenile Hall on charges of attempted robbery and making terrorist threats. The Gang unit will conduct follow up with the family to determine if the suspect and family are candidates for the G.I.F.T. Program. (Gang Intervention For Teens)

BLS UNITS: T2 T91

OTHER UNITS: B9A B9B OTHER B15B

REPORT FILED BY: FC Mike Ballinger

DATE FILED: 03/18/13

COMMENTS / DETAILS

Sunnymead Engine and Truck 2 along with Sunnymead Ranch Engine 48 were dispatched to Box Springs Elementary School for a reported rescue of child struck and trapped by a school bus. Engine 2 arrived to find a 5 y/o female unconscious suffering from numerous traumatic injuries and not requiring rescue.

FD paramedics initiated advance pediatric trauma life support to the critically injured patient. Remaining FD personnel quickly assessed the group of children present to ensure no other victims were present. Children that remained on the bus were also evaluated and removed. No other victims were found. The injured patient was treated for multi-systems trauma to the upper and lower torso, suffering from altered level of consciousness, an avulsion to the left side of her abdomen, a possible femur fracture to the left leg, a possible tib-fib to the right leg and possible brain injury. PTLS measures of airway management, intravenous therapy, wound care, fracture stabilization and spinal immobilization were rendered by fire department paramedics whom maintained care enroute to Riverside

County Regional Medical Center Hospital. Once at the Emergency Department, hospital staff intubated, started a central line, and prepped the patient for surgery. The patient remained in critical condition when our personnel turned over care.

Good evening,

I just received an update on the young girl injured in the accident. She is out of surgery, currently in a coma and on a ventilator. There is no further information available at this time.

I will update again when more information becomes available.

Easter Flyer
FINAL.PDF

Pet in the
Park.pdf

*Please join us on Saturday, March 23, for our Community Spring Events. We have an exciting, fun-filled day that begins with our annual **Egg Hunt**, then the fun continues with the yummy **Bunny Brunch**, and the day also features a seasonal **Pet in the Park Adoption** in conjunction with the Animal Shelter.*

All of the events are within walking distance at Sunnymead Park and the Senior Community Center.

Attached are the event's flyers. Please contact Parks and Community Services for more information at [REDACTED]

Thank you and we hope to see you on Saturday!

This message has been approved by the City Manager's Office.

HOP *into* Spring

Subject: Kids with Guns Protocol - Landmark Middle School

Good evening,

Today about 10:11 AM, an SRO received information from school officials concerning a 14 year-old male student who posted a photo of himself on Facebook. The photo depicted the student holding a handgun and contained a quote from the student indicating he might be suicidal. The student was quickly located and detained. He was not in possession of any firearms or other weapons. The Riverside County Kids with Guns Protocol was initiated and contact was made with his foster parent. The parent provided officers with consent to search their residence. No weapons or threatening information was located. The student indicated that the handgun in the Facebook post is actually a BB gun that looks like a real handgun. He told officers it had been thrown away by a cousin in a neighboring city. Officers are following up on that information. Based on the statement made on the Facebook post and other specific indicators, officers determined the student was a danger to himself and transported him to Riverside Emergency Treatment Services for a mental health evaluation. At this time, it does not appear any laws have been broken.

Subject: Attempted murder arrest

Good morning,

On March 11, 2013 officers responded to the 11000 block of Wild Flax reference a shooting and a large disturbance. Upon arrival, officers were unable to locate any victims or suspects related to the shooting. However, they did recover evidence confirming that shots were fired in that specific area. On 3-19-13, a series of events unfolded that led officers to a 17 year-old female Canyon Springs High School student. The student was interviewed and confessed to being involved in the attempted murder of a 20 year-old male who claims membership in the criminal street gang known as "Wild Flax Gang." The investigation led officers to the identity of the actual shooter, a 15 year-old male who is known to be a member of the rival criminal street gang known as "Sex, Cash, Money."

On 3-19-13, SET officers wrote a search warrant for the suspect's residence and, with the assistance of the POP Team, served the warrant in the 9700 block of Whitewater, Moreno Valley. The suspect was taken into custody without incident and items confirming his gang affiliation were seized. The firearm used in this attempted murder was not located. The suspect later confessed to shooting at the victim and also implicated the female student previously mentioned. The 15 year-old male suspect was booked into Juvenile Hall on a charge of attempted murder. The female suspect will be charged out of custody for her role in this crime. Gang enhancements will be sought where appropriate.

This case came to a successful conclusion through the outstanding efforts of the Patrol Division, the School Resource Unit, the POP Team, and the SET Team.

CITY OF MORENO VALLEY
Library Services Department

Memorandum

February 11, 2012

TO: Library Commissioners
Victoria Baca, City Council
Paula Smus, Library Services Division Manager

FROM: Evelyn Bell, Executive Assistant

SUBJECT: Minutes of Regular Library Commission Meeting of
October 18, 2012

1. Call to Order

Chairperson Sharon Clements called the meeting to order at 7:00 p.m.

- a) Chairperson Clements led the Pledge of Allegiance.

2. Roll Call

Present: Sharon Clements, Beverly Crockett, Peggy Hadaway, and Cathy Merkt.

Absent: Kristina Dixon (excused).

3. Approval of the Order of the Agenda

Vice-Chairperson Merkt made a motion, seconded by Commissioner Crockett, to approve the order of the agenda. Motion approved 4-0-1.

4. Introductions

None.

5. Public Comments for Items Not on the Agenda

Alvin Horn distributed flyers regarding senior center services and encouraged attendance and participation.

6. Approval of Minutes from September 20, 2012

Commissioner Hadaway made a motion, seconded by Vice-Chairperson Merkt, to approve the minutes as submitted. Motion carried 4-0-1.

7. New Business

- a) *Discussion and possible action on frequency of commission meetings*

Library Services Division Manager Paula Smus asked the commission if they felt it satisfactory to keep the commission meetings scheduled for once a month, or if they wanted to consider revising the schedule, due to several recent meeting cancellations. The City Clerk's office has already advised that the commission is free to make such a change.

Comments from the commissioners included:

- *Crockett*: Suggested scheduling quarterly meetings, and calling special meetings as needed.
- *Merkt*: Felt that quarterly meetings were too infrequent, and would further limit the exposure of the commission with the city.
- *Hadaway*: Monthly meetings are okay, but would prefer a different start time.
- *Crockett*: Even though we have had to cancel a lot lately, it's good when we get together and talk, and when decisions are made.
- *Hadaway*: Questioned the reason for the selection of the third Thursday as the meeting date. Board Secretary Evelyn Bell replied that it was to avoid conflicts with the existing schedules of other city boards and commissions.

Commissioner Crockett made a motion, seconded by Vice-Chairperson Merkt, to keep the commission meetings as currently scheduled, on the third Thursday of the month at 7:00 p.m. Motion carried 4-0-1.

8. **Library Director's Report**

The Fall Reading Program continues and will run until November 29. The program is open to children ages 2-13.

We are currently in the middle of Teen Read Week, which concludes on Saturday. This year's theme is "It Came from the Library," focusing on horror and paranormal titles.

The County Registrar's office has delivered the ballot collection box for vote-by-mail (absentee) ballots for the November 6 General Election. It is located next to the catalog computers. Registrar staff will come and pick it up prior to Election Day.

The Library is featured in the City's "Shop MoVal" scavenger hunt. We will focus on promoting Mango Languages. Participants who come to the library and pick up a Mango Languages bookmark can count that as one of their scavenger hunt activities.

November 1 is Family Literacy Day, and in observance of the day, the Library will hold a special story time.

9. **Board Comments**

Commissioner Hadaway: Is there any chance that the State will restore any funding to libraries? *Smus*: No, the budget is already set. Our library is the smallest library for the population we serve. Even Perris has a bigger library.

Commissioner Clements: Will Proposition 30 affect libraries? *Smus*: No, just schools. *Clements*: Regarding Alma's retirement, what is the status of replacing

her in the Friends of the Library's Book Nook? *Smus*: The Friends are talking to a couple. Not sure of the status yet, but will let you know.

Commissioner Merkt: Offered to help split the [Book Nook] workload with someone else. The Friends had a table at ArtoberFest and sold books. They took in \$75.

Chairperson Clements: Is there still a literacy program? *Smus*: Yes, it is volunteer-run and headed by Laura Betts. The VolunteerMatch website link sometimes results in a new tutor. *Merkt*: Are there tutors for children? ESL? *Smus*: No, the literacy program is for older teens and adults who are English speakers, and covers basic literacy. Tutors and learners generally use the library for meeting space and the literacy manuals in the library collection.

10. Upcoming Agenda Items

None.

11. Adjournment

Commissioner Hadaway moved that the meeting be adjourned. The meeting was adjourned at 7:32 p.m. The next Library Commission meeting is scheduled for Thursday, November 15, 2012, at 7:00 p.m.

Subject: Backflow Valve thefts - Search Warrants and arrests

Good evening,

Over the past several weeks, the City of Moreno Valley and businesses located within the city have experienced the theft of dozens of backflow valves, also known as backflow prevention assemblies. Backflow prevention assemblies are used to protect water supplies from contamination or pollution due to backflow. These pieces of equipment are primarily made from brass. Brass is a moderately valuable recyclable metal, yielding scrap value of between \$1.25 and \$2.00 per pound. Brass and other valuable metals can be recycled at any of the many metal recycling businesses found throughout the state. Criminals have discovered that they can recycle these devices and make \$30 to \$60 per assembly on average.

In contrast to the scrap value, the cost of backflow prevention assemblies can be as high as \$10,000 for one unit. The forcible removal of an assembly can, and often does, cause damage that adds to the total cost of replacement for the entity that has to replace one. The MVPD Burglary/Robbery Suppression Team (BST/RST) began looking into these thefts shortly after they were first detected. With the help of a Moreno Valley Public Works employee who reported a suspicious vehicle (including the license plate), they were able to identify a possible suspect in some of the thefts. Based on the ever increasing number of thefts, officers believed the crimes were being committed by more than one person.

BST/RST began an extensive investigation, obtaining a special court order for the use of a confidential investigative tool. This confidential tool proved to be extremely helpful in the final resolution of this case. Today, BST/RST officers and members of the MVPD Investigations Unit served search warrants at two locations in Moreno Valley. The search warrants resulted in the recovery of numerous backflow prevention assemblies, including several stolen from the City of Moreno Valley and the Riverside County Regional Medical Center. Several of the devices stolen from RCRMC were valued at \$10,000 each. Other items seized include one loaded handgun, dozens of parts from previously stolen/disassembled backflow devices, cutting/grinding tools, and tools used by the suspects to shut off water before they removed the backflow assemblies.

Although the final tally has not been made, we believe the suspects in this case stole more than \$150,000 worth of backflow devices from Moreno Valley and the surrounding area. At least one theft occurred in the City of Riverside. If we can prove that dollar amount, we will be able to add significant enhancements to the charges filed with the District Attorney.

The search warrants were served at 24157 Hemlock Avenue and 13045 Shirebourn Rd., both in Moreno Valley. The following ten (10) suspects were arrested and booked into RPDC:

Javier Ramirez (42)
Joe Ramirez (37)
Nora Gonzalez (37)
Jesse Diaz (27)
Ernest Diaz (47)
Christian Diaz (45)
Nichole Thomas (31)
Christina Barnes (30)
Humberto Martinez (64)

MV00255934

Mario Hernandez (37)

Charges include grand theft, possession of stolen property, probation violation, illegal firearms possession, under the influence of controlled substances, and conspiracy. The investigation is ongoing and may yield additional arrests. Several backflow devices will be photographed and documented, then returned to the City and RCRMC so they can be repaired and placed back in to service.

This kind of theft is very likely to be an ongoing problem in our community. I strongly recommend that measures be taken by city staff to secure and protect all such devices owned and operated by the City. If we can devise a reasonably priced method for protecting these devices, we should share that information with the Chambers of Commerce and generate a PSA to be shared with businesses in our city. My educated guess is that it will be less costly to protect them than to replace them.

I will update you as more information becomes available.

Subject: Attempted Murder - Gang related

Good morning,

On 3-21-13, about 9:25 PM, officers responded to a residence in the 25000 of Camino Bellagio reference a shooting. Upon arrival, they located a 19 year-old male victim suffering from multiple gunshot wounds. The victim, a known member of a local criminal street gang, was transported to RCRMC where he underwent emergency surgery. As of 4:00 AM, he was listed in stable condition.

The investigation is ongoing and there is very little information available at this time. I will update you when I can.

Subject: Section 8 Search Warrant

Good evening,

On 3-21-13, the MVPD SET Team served a search warrant at a residence in the 23000 block of Hemlock Avenue. Suspect Olga Lopez (47 years old) was arrested without incident and later confessed to fraudulently receiving more than \$22,000 in Section 8 housing assistance. Lopez was also found in possession of a small amount of methamphetamine. She was booked into RPDC on charges of possession of meth, perjury, filing false financial statements, and defrauding a government entity. As with all Section 8 cases, restitution will be requested and, if convicted, the suspect will lose the right to receive Section 8 assistance in the future.

Subject: Major injury traffic accident

Good morning,

This may be old news by now, but I want to give you an update on the investigation. On March 24, 2013 about 11:02 PM, officers responded to the area of Grenville and Elder reference an injury traffic accident. Officers found a 22 year-old male with a head injury. The victim was transported to RCRMC for treatment. Officers learned that the victim and a friend, also 22 years-old, decided it would be a good idea to try flying a kite in an unconventional way. The victim rode on the trunk of a Nissan sedan holding the kite string while his friend drove southbound on Grenville. Unfortunately, the victim fell off the slow moving vehicle and struck his head on the pavement. The victim is in critical condition with head injuries. Alcohol was not a factor in this incident.

Subject: Agenda Item A-10 - Comprehensive Annual Financial Report t (CAFR)

Jesse/Richard/Victoria:

Your copy of the CAFR is available at my desk. It will be put out at the dais if it hasn't been picked up before tomorrow evening's meeting.

Marcelo/Tom:

A copy of the CAFR was provided to you at the Finance Subcommittee. Please bring the report with you to the council meeting.

Thanks,

Cindy

Subject: Final paper timesheet & first eSuite timesheet

IMPORTANT REMINDER

Both your last paper timesheet and your first eSuite timesheet are due tomorrow! If you have not accessed eSuite, activated your account, and filled out your timesheet – your time is running out. **There are 79 of you!!** All employees (except Council Members, Planning Commission Members, & Crossing Guards) need to complete timesheets online. Instructions from the training classes are available by clicking [here](#).

Please follow the instructions and use your City email account as your eSuite user name.

Please record your time in eSuite and also prepare a paper timesheet using the template located [here](#). Paper timesheets are due Tuesday morning and eSuite submittals are due by 5:30pm on Tuesdays of timesheet weeks; the first of which is tomorrow 3/26/13.

Please remember that your paper timesheet has to match the eSuite entries you made. The four hour furloughs are now being recorded as a daily entry, reflected on the paper timesheet as “WSR”. Once you “Submit” to eSuite, you will no longer have access to make changes to your timesheet. Any changes after that point **must** be submitted **via email** to your timesheet approver (Supervisor or Division Manager). Approvers will handle making the changes in Logos.

If a colleague does not have computer access please point out the kiosks that have been made available for this purpose at the City Yard (2 locations) and in City Hall.

This e-mail was sent to all employees with the permission of the City Manager's Office.

Subject: FW: Fun Express Benefit Program Update, Your Employee Access Code (EAC) is 11-14116

Good Morning,

Just a reminder to continue using our Fun Express Employee Benefit Program to SAVE time and money for yourself and your family! Fun Express provides discount tickets to southern California theme parks, dinner theatres, water parks, movie theatres and many other fun attractions locally and throughout Southern CA. Many tickets are now available as InstaPrint eTickets, which can be ordered 24/7/365 and delivered instantly by email.... Just print them out at home.

If you haven't already tried using this service, it's very simple! Instructions are included below.

How do I shop on FunEx.com or how do I visit to see what is available?

Simply go to www.FunEx.com, Click "Shop", "Attractions A to Z"

How do I place my first order on Funex.com?

The below steps take only a few minutes to complete

- Go to www.FunEx.com
- Click "Register" at the top of the homepage
- Click "Employee Registration"
- Click "Click Here to Register as an Employee"
- Click "Yes" when it asks "Do you have a company provided EAC"
- Click "Continue"
- Enter your Employee Access Code (11-14116)
- Click "Submit"

Follow the prompts and enter your information which includes creating your own personal password. When your registration is complete, you are already logged in and may place your order immediately. For future orders, simply visit Funex.com, and login with the password you created during registration.

What other ways can I order tickets?

You may call Fun Express Monday-Friday (excluding holidays) 8:30-5:00 at (949)367-1900 or you may visit Express during the above days and time at the following address:

Fun Express
26141 Marguerite Pkwy, Suite B
Mission Viejo, CA 92692

Cross Street Info: Perris Blvd Between Indian St

Parcel # (if available):

Resolution Information

Chief Ontiveros responded on 03/18/13.

This CRM was referencing an RV which was parked on private property on Perris Blvd, south of Grove, without the owner's permission. On 02/20/13, Officer Chavez and Officer Hiers responded to the location and contacted the owner of the RV, Jimmie Ducks. Ducks advised the Officers he was on parole and currently homeless. He told us they had been at the location living out of his RV, with his parole agent's knowledge, for a couple of months. Officer Hiers advised Ducks the property he was on was privately owned, and the land owner requested he vacate the area. Ducks told the Officers he did not want his parole violated over trespassing and left the property immediately.

On 022113 and 022613, Officer Chavez and Officer Hiers conducted area checks of the property to make sure Ducks had not returned. During both area checks they were unable to locate Ducks on the property, and it appeared Ducks has cooperated with their request by not returning to the location. Due to the fact Ducks has not returned to the location, and he was the lone subject trespassing at the location, I am requesting this CRM be closed. Even though closure of this CRM is requested, continued area checks of the property will be conducted during our normal shift to ensure neither Ducks, nor any other subjects, return to the location without the property owner's permission.

Subject: Fw: Squatter

Pursuant to our conversation relating to the RV that seems to have found a permanent home on the Vogel Property see the email below and attachment from Vogel Properties, the Owners of this land. The property just recently was entitled for an Industrial Development. It is located in south Moreno Valley btw. Perris Blvd. and Indian immediately south of Grove View, and extends sly to the Perris Valley Channel. Besides the fact that someone is living on the property without permission it could become a sanitation issue. An RV parked for a period of time in an area where it must be self contained will likely dump their tanks from time to time. On behalf of the Owner we are requesting that the City look into the matter and help in removing this intruder from the property. I can be contacted at 909-225-0430.

Thank You, Gil

Hello Gil,

We have a squatter living in a motor home on our property along Perris Blvd. We have asked them to leave but they have refused. The property is posted, please see the attached photo. Can you please refer us to someone at the City or in the police department who can help? Perhaps an informal visit would motivate this person to move along.

Case Location Information

Property Owner Name:

Address: Teakwood Cir

Cross Street Info:

Parcel # (if available):

Resolution Information

Chief Ontiveros responded on 03/18/13.

I have corresponded several times with Mr. Becker and recently Sgt. Fellows made contact with him to address this issue. The offending driver has been contacted and warned about his driving habits, and he understands enforcement action will be taken if he does not self-correct his behavior. My last conversation with Mr. Becker via e-mail indicated he was satisfied with the outcome.

Case Information

Issue Category: Traffic

Issue: Traffic Control

Council District: 2

City of Moreno Valley

Council Summary

Issue Description: Please contact Mr. Becker on behalf of Council Member Molina and advise the outcome.

Mr. Becker stated that the driver of the speeding vehicle is a young male who lives on Teakwood. He stated he believes the address is 10817 Teakwood but isn't certain of the address. Mr. Becker stated the make of car being driven is a small gray Toyota.

2/3/13 Mr. Becker emailed Council Member Molina: Our neighborhood has a guy who speeds up and down the street several times a day. Myself and several neighbors have called the police department numerous times and have been told an officer would come out but no one has EVER responded. There are numerous children playing and people walking dogs in this otherwise quiet neighborhood and it is only a matter of time before someone gets hurt or killed by this idiot.

I called the police department last week and asked for a supervisor or senior officer to to contact me and was told that a traffic sergeant would call me. Of course that never happened. I don't understand why numerous calls for help are being ignored by the police. I can guarantee that if this was a councilman or officers neighborhood, this problem would have been addressed.

I would like someone to contact me about this issue. I can be reached during the weekday at [REDACTED] or my cell at [REDACTED]. It's too bad I have to contact a councilman for this issue but no one else seems to care.

Subject: Section 8 Search warrant

Good afternoon,

This morning about 9:15 AM, the MVPD SET Team served a search warrant at a residence in the 25900 block of Fir Avenue reference Section 8 housing assistance fraud. Investigation revealed that the suspect, Andreatta Bohannon (46 years old), currently lives in Las Vegas, Nevada but receives Section 8 housing assistance from Riverside County for the Fir Avenue residence. Bohannon allows several people with criminal records to live in the Fir Avenue residence while she lives in Las Vegas.

Bohannon is suspected of defrauding the county of more than \$80,000 over the past several years. During the search of the residence, a handgun and a small amount of marijuana was seized. Housing Authority representatives were present and will disallow all future Section 8 subsidy for this suspect. Bohannon was interviewed by phone and charges will be filed out of custody. In addition to criminal charges, we will ask for restitution in the full amount of the fraudulently obtained assistance.

Since February 05, 2013, the MVPD SET Team has served seven Section 8 search warrants in the city and uncovered approximately \$253,000 in fraudulent activity. Both HUD and the DA's office strongly support our efforts to stop the theft of taxpayer dollars and prevent future abuses of the system.

Good evening,

I am well aware of the lady you are referring to. We have approached her several times and offered to take her to the homeless shelter at March JPA. She is not interested in our help.

Originally, she set up camp, taking over the entire bus stop. We've politely moved her along but she keeps returning.

As you know, it's not a crime to be homeless, so our hands are somewhat tied.

Joel

Address: 12028 Bayless St

Cross Street Info:

Parcel # (if available): 292204002

Resolution Information

Christine Barajas, Sr. Administrative Assistant, responded on 3/19/13.

Case Officer Millie Moore contacted Ms. Moorhouse on 3/13/13 to discussed current violations for unmaintained landscaping and trash containers being stored in public view. Officer Moore reinspected Ms. Moorhouse's property at 12028 Bayless Street on 3/15/13 confirming all violations have been corrected and closed the case. Officer Moore returned a follow-up call to Ms. Moorhouse confirming all violations have been corrected and advised her that the Administrative Citation #C10296 has been dismissed.

Case Information

Issue Category: Code & Neighborhood Services

Issue: Landscaping

Council District: 5

City of Moreno Valley

Council Summary

Issue Description: Please contact Ms. Moorhouse on behalf of Council Member Baca and advise the outcome.

Ms. Moorhouse resides at 12028 Bayless St., in District 5. Ms. Moorhouse stated she received a delinquent notice for Citation #10296, dated January 8, 2013, for trash cans in public view and an unimproved surface. She stated she previously spoke with Code staff to advise that the trash cans were out on the day of trash service. Ms. Moorhouse stated she thought the citation had been dropped based on this phone call to Code.

Ms. Moorhouse stated she does not understand why she is being cited when the some of her neighbors' properties are in much worse condition, and they have not been cited.

Resolution Information

City of Moreno Valley

Council Summary

Response from M&O Solid Waste, Ariana Ayala, 3/5/2013:

The City currently has several programs and/or resources available to address tire disposal/recycling and cases of illegally dumped tires. All programs, with the exception of BAS Recycling which is a private enterprise, are operated by the City, County, and/or the City's franchise waste hauler, Waste Management. The programs and resources are as follows:

Residential/Business Options for Tire Disposal

1. Bulky Waste Pick-up Request – As a part of the bundled rate trash service provided by Waste Management, account holders (residential or business) are allowed curbside pick-up of bulky waste items (one item per week or up to four items per month). This program includes tires as an acceptable bulky waste item.
2. Badlands Landfill – The landfill accepts tires at a cost per tire.
3. Waste Management Transfer Station – The transfer station accepts tires beginning at \$7.44 per tire.
4. BAS Recycling – Moreno Valley has a local tire recycling facility in town. They accept tires starting at \$3.00 for a basic passenger tire.

Illegally Dumped Tires – Current Programs

1. Litter Abatement Program – Waste Management operated program that requires WM to pick-up illegally dumped items within the public right-of-way. The areas cleaned are identified by the City. The items picked-up include tires.
2. Roadside Bulky Waste Pick-up – Waste Management operated program that requires WM to pick-up illegally dumped items found in the public right-of-way within 48 hours of receiving notice from the City. The items picked-up include tires.
3. City's M&O Weekend Litter Abatement Program – City operated program utilizing City staff and community service workers to pick-up litter (including tires) in designated areas in the public right-of-way.

NOTE: All City/Waste Management operated programs to address illegally dumped tires are limited to addressing items dumped within the public right-of-way. If tires are dumped on private property (residential or business) it is the responsibility of the property owner to arrange for the removal and disposal of the tires. However, property owners may utilize the options listed in the "Residential/Business Options for Tire Disposal" section above.

Case Information

Issue Category: Solid Waste

Issue: Recycling

Council District:

Issue Description: Council Member Molina asked if there are tire recycling facilities that do not charge to accept the tires. He stated tires are being dumped at a business in his district and it is impacting the business. He stated a facility where tires could be recycled for free may reduce the number of tires being dumped citywide.

Resolution Information

Code & Neighborhood Services Official Al Brady responded.

On March 4, 2013, staff conducted an inspection of the commercial center located at 24490 Sunnymead Boulevard and observed only two of the four parking lot lights were operational. Code personnel initiated a code case (C13-00572) and issued a Notice to the property owner of record for violation of the City's lighting ordinance (Chapter 9.08.100).

In addition, staff observed a street light adjacent to the center on Sunnymead Boulevard was also not operating. A work order has been generated by Special Districts for its repair.

Case Information

Issue Category: Code & Neighborhood Services

Issue: Lighting

Council District:

City of Moreno Valley

Council Summary

Issue Description: Council Member Molina advised the lights at the shopping center on the northwest corner of Sunnymead/Indian are not always on. He stated often the shopping center is dark with only one light on.

On Mar 6, 2013, at 6:42 PM, "Michele Patterson" <michelep@moval.org> wrote:

Hi Cindy,

Council Member Baca attended Monday night's Box Springs Mutual Water District Boardmeeting. At that meeting, a gentleman by the name of Rigoberto submitted 3 requests she hopes to resolve through the CRM process:

1. Trash & sofas dumped on Edgemont Street near Cottonwood Ave. have been there for months. He requests that they be removed.
On Monday, 3/11/2013, Waste Management was contacted to have the sofas and trash removed. On Tuesday, 3/12/13, the sofas and trash were removed by Waste Management.
2. He described traffic problems near Edgemont Elementary School when school is released in the afternoon. He requested traffic patrols after school.

An officer spoke with me and advised that PD would do additional patrols at the school, but I have not received an official response from the Chief yet. I've sent an email that you were looking for a status update. As soon as it is received, I'll forward to you.

3. He requested weed abatement on the lot next door to 21711 Dracaea.

Randall Metz, Fire Marshal, 3/27/13 - Fire Prevention is in the process of mailing out Courtesy Notices to all of our vacant parcel owners informing them of the beginning of weed abatement season. Inspections will begin on April 15th of all parcels. Our city process allows for three rounds of inspections prior to referring the parcel to the city abatement contractor. The total process once a parcel has been inspected and notice sent can take up to 45 days. This is to allow for the parcel owner to obtain their own contractor and not be subject to city abatement fees. We anticipate that all parcels in the city will be abated by owner or city contractor by July 1.

Thanks so much for your help!

Michele

Councilwomen Baca,

John Terell in the Planning Department gave me your contact information. Our development company is under contract to acquire a 16.1 acre parcel of land at Elsworth Street and Business Center Drive, which I am told is in your counsel district.

Our acquisition of the land and development of the property is contingent upon our being granted a zone change from "BP" to "Light Industrial" so that we can build a single (yet divisible) 370,000 square foot (approx.) distribution/warehouse building. I would like to speak with you directly to get your general opinion and advise about the proposed zone change and development of the property. As I am sure you know, we will be spending a great deal of time and money in the application process and we are just looking for a comfort level of your support and any insight you can offer to make the proposed project a success for us and the City of Moreno Valley. Please call me any time, or if you prefer, let me know the best time and phone number to reach you. I look forward to meeting you very soon.

Subject: Robbery and arrests

Good morning,

On Wednesday 3-27-13, about 6:12 PM, officers were dispatched to the Easter Market located at 29010 Alessandro Blvd. reference a robbery just occurred. The store clerk advised that two male suspects had just entered the store and stolen merchandise. They then fled to the parking lot where a vehicle occupied by three other subjects was waiting. The store clerk and two patrons followed the suspects into the parking lot to get the license plate number of the suspect vehicle. One of the suspects, later identified as 26 year-old David Salas, exited the vehicle and brandished a semi-automatic handgun at the three witnesses and threatened to shoot them.

The clerk was able to obtain the license plate number as the suspects drove away. Moments later, Sheriff's Dispatch received reports of a traffic collision on the E/B 60 Freeway at Redlands Blvd. Reports indicated the vehicle crashed into the center divider and 5 subjects fled on foot. MVPD officers responded to the area and ultimately detained all 5 subjects. Three of the vehicle occupants were eventually transported to RCRMC for treatment of injuries received in the accident. Witnesses at Easter market positively identified Salas as the suspect who robbed the store and brandished the handgun.

CHP handled the crash on the Freeway. The driver of the vehicle, 23 year-old Joseph Welsh of Victorville, was arrested by CHP for DUI. Suspect Salas was arrested for robbery, brandishing a firearm, and making terrorist threats. He was later booked into RPDC. The other three occupants of the vehicle were not involved in the crime and were released. An extensive search was conducted, but the gun used by Salas could not be located. An additional search using Explorer Scouts is planned for today.

Subject: Massage parlor robberies

Good morning,

On 3-27-13, about 9:24 PM, officers responded to the Asian Body Care massage business at 22435 Alessandro Blvd reference an armed robbery just occurred. The victim, an employee at the business, was pepper sprayed and threatened with a handgun during the robbery. The suspect fled the business with a small amount of cash.

On Wednesday 3-27-13, about 11:30 PM, officers responded to the L&H Health Care Massage business at 24760 Sunnymead Blvd. reference an armed robbery just occurred. The victims, both employees at the business, were pepper sprayed and threatened with a handgun during the robbery. The suspect fled the business after stealing several hundred dollars in cash.

Descriptions of the suspect in both robberies matched very closely. His method of operation was nearly identical. None of the victims were seriously injured. The MVPD Robbery Suppression Team will continue the investigation.

Attachments: CM Baca BSMWC Q - A 030413.docx

Good evening Council Member Baca. I'm forwarding the summarized Q & A information in the attached table. One question remains – the one “What did the City do with the \$17.2 million received for Edgemont?” The answer has to do with the 2007 RDA tabs. I have two staff reports that spell out the answer and am working to summarize / simplify it. Other than that, I believe we have the answers, plus I also have maps and zoning information to bring as handouts, if you like.

Please feel free to call or email me if you have any questions!

Michele

Hi Cindy,

Council Member Baca attended Monday night's Box Springs Mutual Water District Boardmeeting. At that meeting, a gentleman by the name of Rigoberto submitted 3 requests she hopes to resolve through the CRM process:

1. Trash & sofas dumped on Edgemont Street near Cottonwood Ave. have been there for months. He requests that they be removed.
2. He described traffic problems near Edgemont Elementary School when school is released in the afternoon. He requested traffic patrols after school.

MV00256007

3. He requested weed abatement on the lot next door to 21711 Dracaea.

Thanks so much for your help!

Michele

**Box Springs Mutual Water Company
Board Meeting Questions – March 4, 2013**

RESIDENT	QUESTIONS & ANSWERS
Irene Kendall	<p>1: <u>What are the City's plans for Edgemont?</u></p> <p>The City adopted land use and zoning designations for the entire city, including the Edgemont area. I've brought maps that show the details for this area.</p> <p>2: <u>Has the moratorium been lifted?</u></p> <p>No moratorium on construction has been adopted for the Edgemont area. The City Council DID adopt a moratorium on development in the eastern area of Moreno Valley – in District 3 – until the results of an overlay study are established.</p> <p>However, developers have decided to cancel several projects because they could not demonstrate that they could comply with State Fire Codes, including minimum fire flow requirements. Some people have <u>incorrectly</u> interpreted this as a moratorium.</p> <p><u>Fire Flow:</u> According to the Fire Marshal, the State's fire flow requirements depend on several variables, including square footage and construction type. In general, the Fire Marshall uses the schedules found in the California Fire Code Appendix B & C. NOTE: in recent years, new Fire Codes allow the 50% reduction of fire flow gallons per minute (gpm) requirements with the installation of fire sprinklers. However, duration requirements are not affected by sprinkler installation.</p> <ul style="list-style-type: none"> ○ One to two-family residential: 1,000 gpm at 20 psi for two hours. ○ Multi-family / commercial: 1,500 gpm at 20 psi for two hours. ○ Industrial: 8,000 gpm. <p><u>Life Safety concerns</u> related to fire suppression response – for residents / Edgemont Elementary School (though there is proximity to EMWD hydrant), structures, and MV Fire personnel.</p> <p>3: <u>Is the condition that the City couldn't put in streets because of the waterlines still in effect?</u></p> <p>The City has deferred several street improvement projects because of the water lines. The entire list of capital improvement projects under consideration for funding can be found at the City's website, at the following link:</p> <p><u>http://seattle/moval/office/pub-works/documents/DRAFT_PROPOSED_CIP_FY_13-14.pdf</u></p>

**Box Springs Mutual Water Company
Board Meeting Questions – March 4, 2013**

	<p><u>4: Does the City have the funds to do the waterlines?</u></p> <p>Two Answers:</p> <ol style="list-style-type: none"> 1. No. The City does not fund system improvements for private utility companies, including EMWD and BSMWC. Water lines are the responsibility of Moreno Valley's water companies (EMWD and BSMWC), not the City. 2. Notwithstanding #1 above, because BSMWC predates City incorporation and has prior rights to much of the right of way in the area, when the City has installed or replaced street or storm drain improvements in the past and waterlines were damaged during the course of construction or in the path of improvements, the City has worked with BSMWC to replace those specific water lines. 3. <u>In 2007, the City TABS info</u>
Daniel	<p><u>Q: Need pavement and sidewalk on Grant. Have projects been approved?</u></p> <p>The improvement project on Grant from Sherman to Bay will provide street improvements that include sidewalk, curb, gutter, median, asphalt concrete pavement, and striping. The project was deferred because of water line conditions. When it was last considered, BSMWC facilities were so deteriorated and/or inadequate that water system improvements must precede project construction.</p>
Joe Heater	<p><u>Q: What did the City do with the \$17.2 million received for Edgemont? Referred to the 3/8/11 report by Frost whereby the money went to Nason</u></p> <p><u>pending I have the RDA 2007 TABs staff reports that answer this question, just need to find a way to summarize / simplify</u></p>
Manuel	<p><u>Q: Has the building moratorium been lifted?</u></p> <p>same as above</p>
Rebecca	<p><u>Q: Home on Farragut burned in 1998 and was rebuilt. She wants the street on the list for sidewalks. Someone told her to submit a petition, which she did and provided a photocopy. Are the water pipes still a problem?</u></p>

**Box Springs Mutual Water Company
Board Meeting Questions – March 4, 2013**

	<p>Though we don't know for sure, the request for a petition might have been related to the City's Street Improvement Program, which essentially provides financing for residents to have street improvements installed at their cost, to be repaid over time.</p> <p>We do know that the improvement project on Farragut Ave from Sherman Ave to Elsworth St will provide street improvements that include sidewalk, curb, gutter, median, asphalt concrete pavement, and striping. This project was deferred because of water line conditions. When it was last considered, BSMWC facilities were so deteriorated and/or inadequate that water system improvements must precede project construction.</p>
<p>Rigoberto SUBMITTED AS CRMs 030613</p>	<p>Q: concerned about Dracaea:</p> <ol style="list-style-type: none"> 1. Trash & sofas dumped on Edgemont near Cottonwood have been there for months. According to the City's Management Analyst for the Waste Management contract, the City's Maintenance and Operations office received the CRM on Thursday, 3/7/2013. On Monday, 3/11/2013, Waste Management was contacted to have the sofas and trash removed. On Tuesday, 3/12/13, the sofas and trash were removed by Waste Management. 2. Requested traffic patrols after school. <p>According to the Police Chief, this CRM is still active and being worked by the MVPD Traffic Division. Spring break for the school started on Monday, March 25. Students return to school on Monday, April 8. Since there are no children present at the moment, they are addressing other issues around the city. Once kids return to school, they will begin working on this CRM.</p> <p>Just as an aside, it is important for all to understand that MVPD currently has only 8 active motor officers to cover the entire city. Normally, we have 10, but two are off with serious injuries. There are almost 50 schools in the city, plus numerous shopping centers and other places and events which require targeted traffic enforcement. CRM's of this type take some time to address as they have to be added to the extensive list of other proactive enforcement programs we are running.</p> <p>As the City moves forward with budget reductions, we will likely lose 4 motor officer positions, dropping us to only 6 working in the city. This will further exacerbate the problem. These comments are not intended to be excuses, simply an explanation of the limited resources we have to bring to bear on any given problem.</p> <ol style="list-style-type: none"> 3. Requested weed abatement on the next door lot: 21711 Dracaea

**Box Springs Mutual Water Company
Board Meeting Questions – March 4, 2013**

	<p>According to Randall Metz, Fire Marshal – the City’s Fire Prevention office is in the process of mailing out Courtesy Notices to all of our vacant parcel owners informing them of the beginning of weed abatement season. Inspections will begin on April 15th of all parcels. Our City process allows for three rounds of inspections prior to referring the parcel to the City abatement contractor. The total process once a parcel has been inspected and notice sent can take up to 45 days. This is to allow for the parcel owner to obtain their own contractor and not be subject to City abatement fees. We anticipate that all parcels in the city will be abated by owner or a City contractor by July 1.</p>
<p>Joe Teague</p>	<p><u>Q: Regarding Day Street – the new section.</u> The engineers’ error required the redo of 700’ at a cost of \$350K. Now the street is a speed trap between Cottonwood and Alessandro. MVPD is writing tickets. The street is capable of handling speeds of 40 mph. <u>Why is the speed set at 25 mph?</u></p> <p>According to the City’s Traffic Engineer, when Day Street was upgraded, a decision was made during the design phase (before the construction / reconstruction) to limit a portion of the segment to a 25 mph design speed. The decision was based solely on reducing the construction costs of flattening the existing vertical curves. There certainly was no intent to intentionally design the roadway to create a speed trap and / or generate tickets. The PD diligently enforces the zone based upon feedback / requests from the adjacent residents and they are supportive of the speed zone as posted.</p> <p>The Court has upheld issued citations based upon the Engineering and Traffic Survey and the highly visible speed limit signing / markings. Additionally, there are advance warning signs both north and south of the zone indicating there is a reduced speed zone ahead. To further encourage motorists to drive closer to the posted limit, it is our intent to provide additional striping (perceived roadway narrowing) and install a radar speed feedback sign for southbound traffic as soon as the ordered equipment arrives. I hope this information is helpful.</p> <p><u>Q: He indicated he’d submitted photos of people dumping but was told they don’t live in town. Why no follow-up?</u></p> <p>According to the Code Compliance office, historically, a Code officer would issue a citation to someone that the Code officer witnessed illegally dumping. Any photos or letters received by Code from a reporting party would be attached to the Code case when it is initiated in order to address removal of the illegally dumped items by owner.</p> <p>If the property’s owner would like to prosecute the illegal dumpers, the</p>

**Box Springs Mutual Water Company
Board Meeting Questions – March 4, 2013**

	<p>owner can request a copy of the case file, at which time it would become a civil matter. If the reporting party calls to report someone trespassing onto private property to illegally dump, we would request a Code officer for a site inspection to the location. If the illegal dumping/trespassing take place after business hours Code advises the reporting party to contact MVPD.</p> <p>Q: <u>Has a problem with City Code Compliance – why can't he have an a/c unit in the window?</u></p> <p>This is actually administered by the City's Building & Safety office, not Code Compliance. Building & Safety indicate that bedroom windows are required to remain unobstructed for emergency egress. There are minimum light, ventilation, and "unsightly condition" issues too.</p>
<p style="text-align: center;">Raul Santana</p>	<p>Q: <u>Regarding streetlights on Dracaea. Wants streetlights elsewhere.</u></p> <p>Mr. Teague responded that he should submit a petition to the Board of Directors.</p> <p>Streetlights in the Edgemont area of Moreno Valley are administered by the Edgemont Community Services District, not by the City. Our most recent contact information for Edgemont CSD is:</p> <p style="text-align: center;">Edgemont Community Services District P.O. Box 5436 Riverside, CA 92517</p> <p>In the past, Albert A Webb & Associates has served as the engineer for Edgemont Community Services District. The firm's contact information is:</p> <p style="text-align: center;">Albert A Webb & Associates 3788 McCray St Riverside, CA 92506 [REDACTED]</p> <p>Q: <u>He remodeled his home. He was told he could make improvements beyond # of feet from the sidewalk but doesn't have sidewalk.</u></p> <p>According to the Public Works Director, if an approximate idea is what is being sought by the property owner, City staff can measure from the centerline of the street and let the resident know. However, if the intent is to build property fences, block walls or any permanent structure, the resident should hire a surveyor.</p>

Subject: DUI collision

Good morning,

This morning about 3:00 AM officers responded to 13200 block of Silver Lane reference a vehicle crashed into the back yard of a residence. Investigation revealed the driver was DUI and failed to negotiate a turn at the intersection of Kitching and Dracaea. There were no injuries and the residence was not damaged. The driver was booked into RPDC for driving under the influence.

Subject: Attempted murder- Arrests

Good morning,

On 3-20-13, officers responded to the 13300 block of Heacock Street reference an attempted murder. Investigation revealed that three suspects, known members or associates of the criminal street gang known as "Edgemont Criminals" fired a handgun at a car occupied by three people, including a 6 year-old boy. One bullet impacted with inches of the child's head. Fortunately, none of the victims were injured. The MVPD Special Enforcement Team assumed the investigation and soon identified the suspects as follows:

Suspect #1 – Craisean Evans (24 years old) Edgemont Criminals gang member

Suspect #2 – Jemarr Sessions (22 years old) Edgemont Criminals gang member

Suspect #3 – Catrina Gibson (37 years old)

The SET Team obtained \$1 million arrest warrants for the suspects and later enlisted the help of the United States Marshal's Service – Pacific Southwest Regional Task Force to track down the suspects. On 3-27-13, the SET Team and the US Marshals located and arrested suspects Craisean Evans and Catrina Gibson in the city of Colton. Both were booked into RPDC on their \$1 million arrest warrants. Suspect Sessions is still being sought. All three suspects will be charged with attempted murder (3 counts) and gang enhancements.

Subject: Burglary Arrests - Gang related

Good afternoon,

Today about 11:33 AM, officers responded to a residential burglary in the 14100 block Of St. Tropez. Witnesses reported seeing 3 suspects breaking into a neighbor's residence. The suspects attempted to flee the area in the vehicle they arrived in, but it would not start. They then fled on foot. Officers located and detained two suspects.

A search of the victim residence confirmed it had been burglarized. One of the suspects detained has an extensive history of burglary contacts. A search of the suspect's vehicle revealed more than \$1,500 in jewelry stolen from the victim residence. This was later identified by the victim. The suspects had also removed a flat screen TV and a safe from the residence, but left them just outside the house.

Suspect #1, 18 year old Roosevelt Williams, is a known "Edgemont Criminals" gang member. Suspect #2, 20 year-old Sydney Harper is a known associate of the "Edgemont Criminals" street gang. Both suspects were booked into RPDC on charges of 1st degree burglary, conspiracy, and possession of stolen property. Suspect #2 also had a warrant out for his arrest charging him with a sex crime. Officers will seek gang enhancements as well.

Quick action by neighbors and responding officers resulted in an excellent result for the victim and the entire community.

Subject: Directed enforcement - Sunnymead Blvd

Good afternoon,

On 3-29-13, MVPD SET and POP Team members conducted directed enforcement in the area of Sunnymead Liquor store at 24121 Sunnymead Blvd between the hours of 6:00 PM and 10:00 PM. Officers made the following arrests in that 4-hour window:

Felony arrests:

- Chad Mcclory (43) Federal arrest warrant for unlawful sexual intercourse with a minor
- Antonio Psahnoudis-Zepeda (23) Violation of probation and resisting, delaying, obstructing a peace officer
- Edmond Acosta (31) Warrant for possession of methamphetamine
- Gary Younger (42) Warrant for domestic violence; 3 misdemeanor traffic warrants
- Jimmy Esqueda (41) Parolee at Large warrant

Misdemeanor arrests:

- Raymond Gordon (18) Drunk in public
- Dwayne Brown (32) Warrant for failing to appear in court
- James McCombs (27) Two traffic warrants
- Kasa Hernandez (22) Three traffic warrants

In addition to the above listed arrests, officers located and recovered a missing at-risk 15 year-old boy who was in the company of his father, Chad Mcclory. The boy was reported missing from the state of Montana.

Finally, officers completed three field interviews with pedestrians claiming membership in criminal street gangs.

Subject: Leadership MV - Tour Natural Gas Compressor Station
Importance: High

All,
With the support of the Chamber's Leadership Moreno Valley, Denise Bagley & Dick Heil I have been able to host many tours of our Natural Gas Compressor Station located at the east end of the Valley.

We appreciate the opportunity to educate Moreno Valley & Riverside County elected officials, business leaders, law enforcement and others on our natural gas operations infrastructure.

The Moreno Valley Compressor Station supplies natural gas to Riverside County & 94% of all of San Diego County's supply.

Our next tour is set for **Thursday, April 11 at 9:30 – 10:45 am at 14601 Virginia Street.**

We consider this particular tour even more significant with public hearings scheduled in the near future on the "World Logistics Center" land use zoning on the property surrounding our facility.

If any of you have not been to our facility or have Staff members interested in joining us please feel free to contact me or Denise Bagley, Cindy Miller.

Southern California Gas Co & San Diego Gas & Electric have been delivering clean, safe and reliable natural gas to customers for more than 140 years. They are the nation's largest natural gas distribution utility, providing service to 23.9 million consumers in more than 500 communities. The company's service territory encompasses central and Southern California, from Visalia to the Mexican border. SoCalGas & San Diego Gas & Electric are regulated subsidiaries of Sempra Energy

I look forward to seeing you on April 11 and if you have any questions please feel free to contact me.

Lea Petersen, Public Affairs Manager
Southern California Gas Company
7000 Indiana Ave, Suite # 105

Subject: Massage Parlor Robberies - Suspect arrested

Good evening,

As you may have read in the paper, Riverside Police Department arrested a suspect believed to have committed at least 20 massage parlor robberies in the Inland Empire. We believe he is the same suspect who robbed two such establishments last week in Moreno Valley. We are doing follow-up investigation and will assist RPD any way we can. If this is our suspect, he will be charged in our robberies as well. As we understand it, the RPD officer who identified and detained the suspect was able to do so thanks in large part to a flier created and circulated by the MVPD Crime Analyst.

Lora,

I'm responding to the questions posed in your blog posting.

Our goal was to get you a swift response from the appropriate level of City government.

Q: If the city's library services director and her supervisor won't provide information about the services, which they oversee, is the process of getting information free from pretense or deceit?

A: Paula and I both responded quickly, directly providing you with a specific point of referral. It's honestly difficult to understand how "pretense" or "deceit" could be fairly applied to our responses.

Q: Is it easily seen through or detected?

A: We provided specific contact info, leaving nothing to be "seen through or detected."

Q: Is it readily understood?

A: It's apparent that you understood the referrals you were provided.

Q: Is it visible and accessible?

A: Absolutely

Q: What do you think?

A: I think you were given info that was:

- 1) Responsive;
- 2) Accurate; and
- 3) Timely (within only a couple hours after your call)

Our intent was to provide the best response possible. We appreciate your interest in public services provided to City residents, and will continue to do all we can to assist you.

Respectfully,

Tom

Resolution Information

Response by Chief Ontiveros on 4/1/12: Investigator Edmond contacted Mr. Nadziejko and provided him with the necessary paperwork for Bingo licensing. He also answered additional questions about the licensing process. We will continue to answer any questions he might have if he decides to pursue a license.

Case Information

Issue Category: Police Administration

Issue: Bingo

Council District: 2

City of Moreno Valley

Council Summary

Issue Description: Please contact Mr. Nadziejko on behalf of Council Member Stewart regarding hding bingo fundraisers at St. Patrick's Catholic Church, and advise the outcome. Staff has forwarded Mr. Nadziejko the M.C. Chapter 11.50 regarding Bingo.

3/19/13 Mr. Nadziejko emailed Council Member Stewart: My name is Jim Nadziejko and I am a fourth degree Knight in the Knights of Columbus in AF Chelbana Assembly 2306, and a member of the K of C council 10925 here a St. Patrick's. The Knights are considering holding multiple fundraisers this year to fund our new church construction here a St. Pats. We are considering holding a monthly bingo event at the Parrish hall but we have some major construction going on that we have to work around.

I know that St. Christophers had bingo but dropped it when the city advised them they here'd to perform costly upgrades in order to gain permission fro the city. I am arching out to you as a dependable ally in helping me keep my grand knight informed of what we would need to do to remain within the law and safety codes of the city and the state. Please advise as to how I should preece from here and who in city hall should I speak to?

Faithfully yours, Jim Nadziejko, 23435 Evening snow Moreno valley Ca. [REDACTED] home, [REDACTED] mobile. (serving a life sentence in Moreno Valley since October 1990).

Hello everyone,

Here's the flyer to our 3rd annual "I Love My City" Peace March. The march will begin at the corner of Heacock/SunnyMead Blvd and we will proceed to march down SunnyMead Blvd toward Perris Blvd. It will end at 12655 Perris Blvd (SunnyMead Park) with a rally, music, entertainment, etc.

We're asking you to please join us in our collaborative effort to unite together and make Moreno Valley a better place. You can be a part of this effort by joining us for the march and at the rally point. Bring out your business, agencies, organizations, churches, and come out as a concerned citizen. You are welcome to set up a booth or table to display your organization (no selling of food and merchandise). Please forward this information and flyer to your contacts and friends.

If you have further questions, feel free to contact us at (951) 653-0163 or email victoryoutreachMV@msn.com.

Thank you for your diligence in this matter,

In His Majesty's Service,

Pastor Mark Orellana

Subject: RE: For Berry Foster and all council members.

Mr. Foster:

I have the following questions for you. Regarding the Business Incubator Program draft plan that should be completed by June 2013, per your statement at the city council on March 26, 2013. Will you be considering the following.... On average, incubator clients spend 33 months in a program.^[6] Many incubation programs set graduation requirements by development benchmarks, such as company revenues or staffing levels, rather than time in the program.

[edit]

Most common incubator services:^[4]

- Help with business basics
- Networking activities
- Marketing assistance
- High-speed Internet access
- Help with accounting/financial management
- Access to bank loans, loan funds and guarantee programs
- Help with presentation skills
- Links to higher education resources
- Links to strategic partners
- Access to angel investors or venture capital
- Comprehensive business training programs
- Advisory boards and mentors
- Management team identification
- Help with business etiquette
- Technology commercialization assistance

- Help with regulatory compliance
- Intellectual property management

Unlike many business assistance programs, business incubators do not serve any and all companies. Entrepreneurs who wish to enter a business incubation program must apply for admission. Acceptance criteria vary from program to program, but in general only those with feasible business ideas and a workable business plan are admitted. It is this factor that makes it difficult to compare the success rates of incubated companies against general business survival statistics.^[5]

Although most incubators offer their clients office space and shared administrative services, the heart of a true business incubation program is the services it provides to startup companies.

More than half of incubation programs surveyed by the National Business Incubation Association in 2006 reported that they also served affiliate or virtual clients.^[6] These companies do not reside in the incubator facility. Affiliate clients may be home-based businesses or early-stage companies that have their own premises but can benefit from incubator services. Virtual clients may be too remote from an incubation facility to participate on site, and so receive counseling and other assistance electronically.

Thank you,

The amount of time a company spends in an incubation program can vary widely depending on a number of factors, including the type of business and the entrepreneur's level of business expertise. Life science and other firms with long research and development cycles require more time in an incubation program than manufacturing or service companies that can immediately produce and bring a product or service to market.

CALL TO ORDER

(Joint Meeting of the City Council, Community Services District, City as Successor Agency for the Community Redevelopment Agency, Housing Authority and the Board of Library Trustees - actions taken at the Joint Meeting are those of the Agency indicated on each Agenda item)

PLEDGE OF ALLEGIANCE

INVOCATION - Pastor Diane Gardner - Beautiful Women of God - Diane Gardner Ministries

ROLL CALL

INTRODUCTIONS

PUBLIC COMMENTS ON MATTERS ON THE AGENDA WILL BE TAKEN UP AS THE ITEM IS CALLED FOR BUSINESS, BETWEEN STAFF'S REPORT AND CITY COUNCIL DELIBERATION (SPEAKER SLIPS MAY BE TURNED IN UNTIL THE ITEM IS CALLED FOR BUSINESS.)

PUBLIC COMMENTS ON ANY SUBJECT NOT ON THE AGENDA UNDER THE JURISDICTION OF THE CITY COUNCIL

Those wishing to speak should complete and submit a BLUE speaker slip to the Bailiff. There is a three-minute time limit per person. All remarks and questions shall be addressed to the presiding officer or to the City Council and not to any individual Council member, staff member or other person.

JOINT CONSENT CALENDARS (SECTIONS A-D)

All items listed under the Consent Calendars, Sections A, B, C, and D are considered to be routine and non-controversial, and may be enacted by one motion unless a member of the City Council, Community Services District, City as Successor Agency for the Community Redevelopment Agency, Housing Authority or the Board of Library Trustees requests that an item be removed for separate action. The motion to adopt the Consent Calendars is deemed to be a separate motion by each Agency and shall be so recorded by the City Clerk. Items withdrawn for report or discussion will be heard after public hearing items.

A. CONSENT CALENDAR-CITY COUNCIL

Subject: Pedestrian vs Vehicle Injury traffic collision

Good evening all,

I just received notification of a major injury vehicle vs. pedestrian traffic collision on John F. Kennedy just east of Perris Blvd. We will have JFK closed for at least the next two hours while we conduct the investigation. The pedestrian has been taken to RCRMC, but I don't have a prognosis. At this point I also have no information about the existence of criminal liability or whether or not alcohol or drug influence was a factor for either the driver or the pedestrian.

Regards,

Brandon

Cross Street Info:

Parcel # (if available):

Resolution Information

Randall Metz, Fire Marshal, responded on 3/27/13.

Fire Prevention is in the process of mailing out Courtesy Notices to all of our vacant parcel owners informing them of the beginning of weed abatement season. Inspections will begin on April 15th of all parcels. Our city process allows for three rounds of inspections prior to referring the parcel to the city abatement contractor. The total process once a parcel has been inspected and notice sent can take up to 45 days. This is to allow for the parcel owner to obtain their own contractor and not be subject to city abatement fees. We anticipate that all parcels in the city will be abated by owner or city contractor by July 1.

Case Information

Issue Category: Prevention

Issue: Weed Abatement, Lot

Council District:

City of Moreno Valley

Council Summary

Issue Description: Please investigate on behalf of Council Member Baca and report back to her.

Weed abatement needs to be done on the lot next door to 21711 Dracaea.

Subject: SCE - 800.684.8123 (customer service)

Hi Victoria:

Raul asked about trimming trees located on private property that are growing into the power line.

SCE will trim the limbs if they are growing into the power line that goes from pole to pole.

If the limbs are growing into the lines from the pole to the house, then the property owner is responsible for trimming. SCE will coordinate with the property owners' tree trimmer to de-energize and drop the line. There is no cost.

Thanks,

Cindy

Cross Street Info:

Parcel # (if available): 487522002

Resolution Information

Code & Neighborhood Services Official Al Brady responded on January 22, 2013, at 1:45 P.M.

The vehicle Mr. Moscowitz was operating for employment was cited by Parking Control personnel for violation of the City's street sweeping provisions on January 11, 2013. The officer confirmed he was contacted by Mr. Moscowitz shortly after the ticket was entered electronically in the system and was advised by the customer the vehicle in question was government owned and being utilized in an official capacity.

The officer did not initially identify the vehicle as government owned due to the fact the car was not marked with agency decals or provided exempt plates (see attached photo). The SUV plate did contain numbers reserved for municipal vehicles, but the officer did not recognize that fact before issuing the ticket. Based upon the information provided by Mr. Moscowitz, the officer voided the citation on January 14, 2013 (see citation information verifying dismissal attached).

As stated in the description field of this CRM, the City Manager's Office will be investigating the allegations regarding the employees' demeanor.

Tom Owings:

I bring this to your attention for your action. Your financial director, Rick Teichert LIED on record by saying that one of the reasons for padding the Riverside Sheriff Depart budget was to due to reserving for Barricades, SWAT Team and Hostage Negotiations... Well, per the Riverside Sheriff none of have taken place from 2011 to April 3, 2013.

Thank you,

Alicia Espinoza

Dear Ms. Espinoza:

This letter is in response to your Public Records Request dated March 26, 2013. We will answer each of your requests individually.

1. *Call request Dispatch Log sheet for all barricade situations from 2011 to April 1, 2013.*

We are unable to identify a Sheriff's Department record matching the description provided.

2. *Call request Log sheet for all SWAT team assistance in the City of Moreno Valley.*

We are unable to identify a Sheriff's Department record matching the description provided.

3. *Call request Log sheet for all hostage incidents in the City of Moreno Valley.*

We are unable to identify a Sheriff's Department record matching the description provided.

If you believe we have misinterpreted your request please feel free to contact us; so that we might be able to better aid you in your search for an existing Department record. Thank you for your interest in our Department records.

Sincerely,

Susan Taylor

Globetrotters

Conductor: Stephen Razo

April 18, 2013

Moreno Valley Conference Center

We are off on a global jaunt with some well-traveled composers. Our trip includes a stop in Italy with Rossini's *L'Italiana In Algeri*, and then on to France for Dello Joio's *Scenes from "The Louvre"*. After several more memorable stops we close out in the good ol' USA with *Appalachian Dances*. Don't miss this one!

Thanks,

Cindy

Subject: Status of Staffing Reductions

Mayor, Mayor Pro Tem and Members of the City Council: We wanted to follow up on the status of the employees that have received layoff notification. Some of these employees were placed on paid administrative leave right away due to the nature of their work or extenuating circumstances. Last week we provided the remainder of the employees that are slated for layoff the opportunity to continue to work or go on administrative leave. This will afford them the ability to seek other opportunities full time. The following are the specific positions that are identified for defunding in the City Manager's proposed budget, followed by the status of the employee in each position:

City Attorney's Office

Sr. Admin Assistant: employee on administrative leave as of March 14

Deputy City Attorney: employee on administrative leave as of March 14

Community and Economic Development Department

Business Support & Neighborhood Programs Administrator: employee has indicated he will continue to work until April 30

Building Official: employee opted to begin administrative leave as of April 4*

Code & Neighborhood Services Official: employee on administrative leave as of March 14

Management Analyst: employee resigned

Management Analyst: Employee reassigned to vacancy created by resignation of the Division's other Management Analyst

(3) Housing Program Specialists: one employee retired, one was hired in Public Works into a position vacated by a temporary consultant, and one has indicated she will begin administrative leave as of April 18

Associate Planner: employee has indicated he wishes to continue to work through May 30

City Manager's Office

Customer Service Assistant: employee is considering the options to continue to work or go on administrative leave

*Note: with the approved FY 13/14 budget the Building & Safety and Code & Neighborhood Services Divisions will be combined under one Division Manager and the Building Official responsibility will be contracted out, or potentially performed as a part-time function. As of Monday, April 8, former City Building Official Gary Kyle, who retired from Moreno Valley a couple of years ago, will be performing these duties on a temporary, part-time basis.

Staff is finalizing the proposed budget which will be presented to the Council at a special Study Session on April 30. Per the direction you provided at your February Workshop, the budget information will also be presented at community meetings in each Council District during the month of May.

Subject: Status of Staffing Reductions

Mayor, Mayor Pro Tem and Members of the City Council: We wanted to follow up on the status of the employees that have received layoff notification. Some of these employees were placed on paid administrative leave right away due to the nature of their work or extenuating circumstances. Last week we provided the remainder of the employees that are slated for layoff the opportunity to continue to work or go on administrative leave. This will afford them the ability to seek other opportunities full time. The following are the specific positions that are identified for defunding in the City Manager's proposed budget, followed by the status of the employee in each position:

City Attorney's Office

Sr. Admin Assistant: employee on administrative leave as of March 14
Deputy City Attorney: employee on administrative leave as of March 14

Community and Economic Development Department

Business Support & Neighborhood Programs Administrator: employee has indicated he will continue to work until April 30
Building Official: employee opted to begin administrative leave as of April 4*
Code & Neighborhood Services Official: employee on administrative leave as of March 14
Management Analyst: employee resigned
Management Analyst: Employee reassigned to vacancy created by resignation of the Division's other Management Analyst
(3) Housing Program Specialists: one employee retired, one was hired in Public Works into a position vacated by a temporary consultant, and one has indicated she will begin administrative leave as of April 18
Associate Planner: employee has indicated he wishes to continue to work through May 30

City Manager's Office

Customer Service Assistant: employee is considering the options to continue to work or go on administrative leave

*Note: with the approved FY 13/14 budget the Building & Safety and Code & Neighborhood Services Divisions will be combined under one Division Manager and the Building Official responsibility will be contracted out, or potentially performed as a part-time function. As of Monday, April 8, former City Building Official Gary Kyle, who retired from Moreno Valley a couple of years ago, will be performing these duties on a temporary, part-time basis.

Staff is finalizing the proposed budget which will be presented to the Council at a special Study Session on April 30. Per the direction you provided at your February Workshop, the budget information will also be presented at community meetings in each Council District during the month of May.

Subject: MotiVate Wellness: WEDNESDAY Lunch & Learn with University of Redlands

There's no better time to evaluate your individual Career Plan:

- You've got solid experience.
- You're committed to providing outstanding customer service, as part of the City of Moreno Valley organization.
- You're watching for the next promotional opportunity, knowing that the City often promotes from within.

Might there be a missing link to your plan?

It's time to complete your education...and your **MotiVate Wellness** program has partnered with the University of Redlands to assist you.

Join University representatives for a complimentary Lunch and Learn seminar on Wednesday in the City Council Chamber. RSVPs are requested, so that enough lunches can be ordered. Please RSVP to: Heather_Teske@redlands.edu

The flier below provides additional details. And...don't forget... City Employees and their spouses/domestic partners receive a 10% discount on programs through the University's School of Business and School of Education...at all 8 regional locations.

Mr. Mitchell resides at 10399 Crossing Green (District 2). Mr. Mitchell stated it's very difficult for his neighborhood with Albertson's closing and now Ralph's. He stated there is nowhere close for his neighborhood to shop for groceries. He stated the store closings also affect the small businesses in the shopping centers where the grocery stores were the anchors. He stated he hopes you can get other grocery stores to come into the closed stores.

Subject: My lay-off notice

Hi Victoria,

I received my lay-off letter and didn't know if you were aware of that. I have spoken to Tom Owings hoping that there would be something part-time for me here at City Hall, but nothing so far. If you are available to talk anytime, my cell is [REDACTED] Thanks for being so nice to me and chit-chatting, I will miss seeing you! I finally replenished my "Angel" perfume LOL -- I love it!

Subject: Budget Meetings

Hi Victoria:

Please confirm your availability to meet with staff for one hour to discuss the budget during the period of May 1-8 (the sooner the better). This meeting should be held prior to the neighborhood meeting. Possible dates/times for consideration:

8:30-10 a.m., 11 a.m.-Noon, 4:30-5:30 p.m., Wed, May 1

3-5:30 p.m., Mon, May 6

2-4 p.m., Tues, May 7

11 a.m.-Noon, 4:30-5:30 p.m., Wed, May 8

Staff would like to conduct the neighborhood meeting on an evening or a Saturday during the period of May 9-17 (except the evenings of May 10 and May 14). Would you please provide a couple of dates/times during this period that would work with your schedule?

Thanks,

Cindy

Good Morning Jane,

The applicant for PM 36511 (map was previously continued to the April 9th City Council Meeting) would like to pull the map and have it continued to a future City Council date, not yet determined. The applicant has been trying to obtain the bank's signature as beneficiary on the map and has not been able to do so. The applicant has requested the map be scheduled for City Council approval once the necessary signatures are obtained. Please refer to applicant's e-mail below.

Thank you.

Clement-

It is Thursday evening and I still have not received the Mylars back from the lender. I have called our agent representative everyday and I was assured we would receive them back in time for me to obtain the remaining signatures and get them to you in time. However, that has not been the case. I cant apologize enough for this inconvenience as I know you have scheduled this item twice now on our behalf. With that being said, I would rather be safe then sorry so I think we should just pull the consent item for the April 9th meeting. At this point I think it may be best to wait until I receive the Mylars before rescheduling. Please advise me on how you would like for me to proceed. Again I am truly sorry for this, had I known this to be the end result I would not have had you reschedule for the meeting on the 9th.

Thank you for your time and effort in this matter.

Dear Moreno Valley City Council,

It is with great pleasure that I invite you to attend this year's 2013 Diversity Procurement/Spring Mixer Extravaganza hosted by the Greater Riverside Hispanic Chamber of Commerce. Last year we had over 300 attendees at our event and we are expecting an even better turn out this year! We work hand in hand with the Moreno Valley Hispanic Chamber of Commerce and we hope you will come and support our supporting organization as well as us.

As you may know, Riverside County has been gaining strength through the population and economic growth of its minority businesses and community with more than 60,000 Hispanic, Black & Asian business owners and 1.3 million Hispanic, Black & Asian residents. Showing your support for the importance of becoming certified as a minority, women-owned, or veteran-owned company and inspiring others to follow the proper steps will be most enlightening to the hundreds of minority businesses, community leaders, and local legislators expected to be in attendance.

We thank you in advance for your consideration, and appreciate receiving a response regarding your attendance at your earliest convenience. Please confirm by contacting Executive Director Lorraine Saint, Greater Riverside Hispanic Chamber of Commerce, at (951) 534-1856 or lorraine@grhcc.org.

Attached are the flyers for the event. We do hope you will join us for the mixer portion!

Sincerely,
Frank Montes
Chairman of the Board

Subject: Announcing Celeste Wiggins, Sr. Payroll Technician

It is my pleasure to announce the appointment of Celeste Wiggins to the position of Sr. Payroll Technician in the Financial & Management Services Department. Celeste was selected after successfully completing an open and competitive recruitment for the Sr. Payroll Technician position. Celeste has been with City since December 2012 and has been an invaluable asset with our Logos payroll implementation.

Celeste has extensive experience working in municipal accounting and finance and most recently was with the County of Riverside. You may have previously met Celeste as she conducted some of the recent eSuite training classes. Her expertise and steadfast perseverance will contribute greatly to the success of our Financial Operation's Payroll Team.

Please join me in congratulating Celeste to our Moreno Valley family.

Meeting Date: 4/10/2013

CONSENT CALENDAR

Item #	Comments
7A	Agreement with Brutoco Engineering for I-215 Widening – staff recommends supporting this action. Project is a regional improvement to enhance traffic flow along a very congested corridor. Construction of the additional lane will directly benefit Moreno Valley residents commuting through the area.
7B	Agreement with Fibertronics for CCTV Maintenance and Repair – staff recommends supporting this action. Well-functioning surveillance systems at Metrolink Stations / Transit Center will encourage / retain ridership and deter criminal activity. Provides direct benefit to Moreno Valley residents using the train / transit services.
7C	Citizens Advisory Committee Membership – staff recommends supporting this action. Maintaining current representation on the committee will ensure continuous review / distribution of LTF / STA funding of which Moreno Valley has received under the SB821 Grant Program. Commission has diverse mix of members providing good representation of potential users of the transit system.
7D	State Legislative Update - staff recommends supporting these actions. The positions on active Legislation are consistent with the RCTC recently adopted 2013 State Legislative Platform.

Notes: _____

DISCUSSION CALENDAR

Item #	Comments
8	State Route 91 Corridor Improvement Project Plan of Finance - staff recommends supporting this action. The widening of SR-91 is a regionally significant project that is crucial to maintaining efficient traffic flow on the corridor. Project will benefit all of Riverside County including Moreno Valley residents commuting through the area.

9	2013 Specialized Transit Call for Projects / Grant Awards – staff recommends supporting these actions. The grants will provide mobility opportunities for seniors, persons with disabilities, and low income residents of Moreno Valley.

Subject: Par 3 golf course on Frederick Street

Dear Mayor:

This is a note to thank you and the council members for providing a well maintained golf course open to all residents of nearby cities. I am a resident of the City of Riverside and have been playing golf as a senior in your golf course. I want to mention that the grounds keeper, Robie takes great pride in maintaining the greens and using innovating technics to keep the greens in top condition. For example, he used gravel and sand on the greens, which enhances airation and drainage.

Sincerely,

Raj Daniel

Hi Heidi,

Good to hear you are back. I will talk to Anthony and confirm the name of his group.

At the meeting we were surprised to hear JulieAnne say that you were very unhappy with us since we all felt our relationship was pleasant. Thank you for the clarification. We look forward to working with you soon.

Subject: Hi from Heidi Meadows

Dear Mel and Cecilia,

Something was brought to my attention that needs to be clarified please during the last meeting regarding the 4th of July... Although I did move from Moval, I am coming back. I have kept intouch with many and my program Souly for YOUth is actually starting up at a highschool presently. My issue is that Anthony Acosta who is doing the 4th of July stage is using that name for his corp. I emailed him personally but since I haven't been able to get intouch with him to hear his side to the story, I don't want to take the chance that this might go any further. I AM surprised because he never has gotten intouch with me since I left to even tell me he WANTED to use it... I have an EIN number and am creating a nonprofit presently. I left in November 2011 on a good note with everyone knowing I would be back at some point...I wanted to also clarify that there was some comment that I wasn't happy with Parks and Rec ... that isn't true...I did two events at the skatepark and have worked well with all the staff involved including you, Cecilia and Kevin Callister... It was a success both times... Mel, you and I have worked together for United Way and I have kept intouch with Virgil Chancey too, :)
So, I hope with this clarification from me you would please let Anthony Acosta know that I never gave permission to take the name of my program for his corp.... and even more so, I am not gone... Moreno Valley Youth are my mission and I have some good things rolling out again. My program deals with projects/ community service projects...

and not showcasing talent... I do not wish to share my name
so he will need to come up with his own. Would you let me know
that this has been taken care of please...Thank you... Heidi
If you need to talk to me please call me at
[REDACTED] Miss you all...

Hi Victoria,

Mrs. Velasco is confirmed for 9:00 a.m. tomorrow. She will bring five people with her. City Hall is closed on Fridays, but I gave her Cindy's work and cell phone number to call Cindy when she arrives. Cindy will let her in, and show her to Conference Room A. Conference Room B is being used tomorrow.

Please let me know if you need anything further.

is proud to present:

Community Stage Auditions

The City of Moreno Valley is searching for talented residents of all ages to sing, dance, and perform on the Community Stage at the 4th of July Family FunFest.

Open Auditions for performers will be held on
Tuesday, May 7th, and Wednesday, May 8th, 2013
from 3:00 p.m. to 9:00 p.m.
at the Conference and Recreation Center

Are you in a band? Then, be sure to audition for our
4th of July Battle of the Bands Competition
also to perform on the Community Stage.
Your band could be named Moreno Valley's
2013 Battle of the Bands Champion!

To audition for the Battle of the Bands Competition,
please submit an entry application complete with
a CD, mp3 file, or web link to the
Conference and Recreation Center.
The deadline for submissions is
May 8th, 2013.

**For more information and competition rules,
please contact Parks and Community Services at
951.413.3280**

City of Moreno Valley

2013 Battle of the Bands

Band Name:	
Number of Band Members:	Music Type:
Contact Person:	
Address:	
City/Zip Code:	
Phone Number:	
Email Address:	
Audition link (if not submitting a CD or mp3 file):	

- Entry application with CD, mp3 file, or web link *must be received by May 8, 2013* by email, mail, or personal delivery.
- A band consists of three or more members.
- All band members must complete a waiver and have on file with the City of Moreno Valley, prior to performing on the Community Stage on July 4, 2013

Don't have a band, then performers of all ages and talents can attend open auditions on May 7th & May 8th!

For more information, please contact

Subject: Hi from Heidi Meadows

Dear Mel and Cecilia,

Something was brought to my attention that needs to be clarified please during the last meeting regarding the 4th of July... Although I did move from

MV00256210

Moal ,I am coming back. I have kept intouch with many and my program Souly for YOUth is actually starting up at a highschool presently. My issue is that Anthony Acosta who is doing the 4th of July stage is using that name for his corp. I emailed him personally but since I haven't been able to get intouch with him to hear his side to the story, I don't want to take the chance that this might go any further. I AM surprised because he never has gotten intouch with me since I left to even tell me he WANTED to use it... I have an EIN number and am creating a nonprofit presently. I left in November 2011 on a good note with everyone knowing I would be back at some point...I wanted to also clarify that there was some comment that I wasn't happy with Parks and Rec ... that isn't true...I did two events at the skatepark and have worked well with all the staff involved including you, Cecilia and Kevin Callister... It was a success both times... Mel, you and I have worked together for United Way and I have kept intouch with Virgil Chancey too, :)

So, I hope with this clarification from me you would please let Anthony Acosta know that I never gave permission to take the name of my program for his corp.... and even more so, I am not gone... Moreno Valley Youth are my mission and I have some good things rolling out again. My program deals with projects/ community service projects... and not showcasing talent... I do not wish to share my name so he will need to come up with his own. Would you let me know that this has been taken care of please...Thank you... Heidi

If you need to talk to me please call me at

fyi – Council Member Molina requested the value of the meal for FPPC filing purposes – \$43.50

A gift is reportable if its fair market value is \$50 or more, including conferences, social events, meals or like gathering where recipient did not give a speech, participate in a panel or similar service.

Gifts from the same reportable source are aggregated, and the official must disclose the source when the total value of all meals exceeds \$50 or more.

For calendar years 2013-2014, the limit increased to \$440 from a single source during a calendar year. This gift limit is effective until December 31, 2014.

Subject: RE: Anthony

Hi Cecilia,

I called and spoke to Anthony, and he said the name of his group is Art and Soul.

In regards to Maurice, Anthony said that he ran a background check on him before the 4th of July last year. He had "verified" Maurice's identity through people that knew him and then ran Maurice's information (such as name and address) through an online website. According to Anthony the results came back clean, except for some speeding tickets. I asked Anthony for a copy of the results for our records, and he said that he never printed them and no longer had the website.

Also, during the conversation, Anthony asked me if Julie-Ann was going to be involved in the event. I said at this time nothing is definite and everything is in the discussion stages. He responded with, her involvement is a deal breaker and he and Maurice would not be involved if Julie-Ann is because the children and parents that Anthony and Maurice work with do not want to work with Julie-Ann. He went on for quite some time about her.

Thanks,
Sarah

CITY OF MORENO VALLEY
Library Services Division

Memorandum

April 10, 2013

TO: Library Commissioners
Victoria Baca, City Council
Paula Smus, Library Services Division Manager

FROM: Evelyn Bell, Executive Assistant

SUBJECT: Minutes of Regular and Special Library Commission Meetings of
March 21, 2013

REGULAR MEETING

1. Call to Order

Chairperson Sharon Clements called the meeting to order at 7:07 p.m.

- a) Chairperson Clements led the Pledge of Allegiance.

2. Roll Call

Present: Sharon Clements, Kristina Dixon, Peggy Hadaway, and Cathy Merkt.

Absent: Beverly Crockett (excused).

3. Approval of the Order of the Agenda

Commissioner Dixon made a motion, seconded by Vice-Chairperson Merkt, to delete Agenda Item 7.b., as she did not attend the workshop and did not have a report to present. Motion approved 4-0-1.

4. Introductions

Laura D'Arciprete, prospective Library Commissioner; Carolyn Bailey, Friends of the Library Book Nook Manager; Alvin Horn, resident.

5. Public Comments for Items Not on the Agenda

None.

6. Approval of Minutes from October 18, 2012

Vice-Chairperson Merkt made a motion, seconded by Commissioner Hadaway, to approve the minutes as submitted. Motion carried 4-0-1.

7. New Business

- a) *Introduction of Carolyn Bailey, new FOL Book Nook manager*
Library Services Division Manager Paula Smus prefaced her introduction of Ms. Bailey by reminding the commission that longtime Book Nook Manager

Alma Mittleider retired this past August, and that the Friends of the Library had been actively seeking a volunteer replacement since that time. We are all fortunate that Ms. Bailey recently stepped forward.

Carolyn Bailey addressed the commission and summarized her introduction to and involvement with the Friends of the Library. She met Friends board members Emily Paul and Brenda Jackson at the City's ArtoberFest event. Emily and Brenda talked to her about the Friends of the Library and mentioned their need for someone to manage the Book Nook. Carolyn was looking for an activity to do with her children. She has lived in Moreno Valley for eight years and has a background in Scouting. She agreed to take on the responsibilities of the Book Nook and reported to the commission her accomplishments to date:

- Visited local high schools to recruit volunteers. Since October 2012, the roster of regular volunteers has grown from 3 to 25. Her goal is to grow the volunteer group to 50;
- Placed book collection boxes in several classrooms in the district;
- Labeled the ends of bookstack shelving in the Friends area, showing the book genres allocated to that area of shelving;
- Re-positioned the books on lowest shelves to be spine-up, to ease browsing for seniors;
- Established accounts on Craigslist and Amazon to sell large book sets, such as encyclopedias.

Monthly proceeds from Book Nook sales are continuing in the \$800-\$1400 range.

The Friends will have a table display at the upcoming Easter event, "The Hunt," sponsored by a local church. Carolyn and her helpers will have books, magazines, and CDs to sell.

Chairperson Clements asked whether Carolyn worked at the library every day. Ms. Bailey replied that it depends on her schedule. Her goal is to work at the library 10-15 hours per week, from one to four hours per day.

Ms. Smus and the commission thanked Ms. Bailey for her efforts and for presenting her report to the commission.

- b) *Report on CPLA workshop*
This item was deleted, per Agenda Item 3.

8. **Library Director's Report**

To wrap up the Fall Reading Program in October, staff presented a puppet show at the library, which drew an audience of 248 people over two days. Staff repeated the puppet show at the Conference and Recreation Center, at the Time

for Tots Halloween event, for an audience of 265 parents and children. Children ages 2-12 read 1,000 books during the Fall Reading Program.

Staff also produced and performed a Christmas-themed puppet show in December, for an audience of nearly 200 parents and children.

A link for “Bilbary” has been added to the library website. For every e-book purchased through this website, half of the profit will come back to the library.

Mobile device users can now search the library catalog directly from the home page of the Library’s web page (powered by BookLetters). Users previously had to click through several steps to reach the catalog search feature. Now, the search box appears on the home page and the Library did not have to design or acquire an additional app to provide this convenient element.

Several library staff participated in the Inland Library System’s recent Summer Reading Program Preview. Our staff were instrumental in developing theme-based programs, activities, and crafts for children, teens and adults, which they then shared with surrounding libraries at the event. Thanks to their efforts, libraries throughout the region have resources that they can implement to help make this year’s summer reading programs successful.

Our Summer Reading Program this year runs from June 17-July 25. This year’s program will feature special weekly activities for teens.

Local civic group “Brothers and Sisters of Hope,” in a joint effort with Kohl’s Stores, presented a special story time at the library on March 2, as part of the “Read Across America” program, which commemorates Dr. Seuss’s birthday.

Over 300 children have already signed up for the “Cover to Cover” reading program, sponsored by In-N-Out Burger. Children who read 5 books, checked out on their own library card, can earn a gift certificate for a free hamburger, cheeseburger, or cheese sandwich. The program ends April 13.

The library will be receiving a \$15,000 Play and Learn (PAL) Island, through a state grant. The island that we borrowed last year from Rancho Cucamonga was very popular.

Commissioners received in their agenda packet a flyer about an upcoming library conference in Ontario. Some Friends of the Library have indicated that they are planning to attend. Ms. Smus will email the registration link to the commissioners. Commissioner Dixon indicated that she will try to go.

9. Board Comments

Commissioner Dixon thanked Carolyn Bailey for her efforts and offered the support of the commission if there were anything they could do to assist. Ms. Bailey distributed some FOL bookmarks to the commissioners, for them to pass out as they see fit.

Commissioner Hadaway echoed Commissioner Dixon's praise of Ms. Bailey and added that she was very impressed.

Chairperson Clements offered kudos to Ms. Bailey for the huge project she has taken on.

Vice-Chairperson Merkt added that Ms. Bailey is terrific.

10. Upcoming Agenda Items

None.

11. Adjournment

Commissioner Dixon moved that the meeting be adjourned. The meeting was adjourned at 7:32 p.m. to the Special Library Commission immediately following.

SPECIAL MEETING

1. Call to Order

Chairperson Sharon Clements called the meeting to order at 7:32 p.m.

2. Roll Call

Present: Sharon Clements, Kristina Dixon, Peggy Hadaway, and Cathy Merkt.

Absent: Beverly Crockett (excused).

3. Approval of the Order of the Agenda

Commissioner Dixon made a motion, seconded by Vice-Chairperson Merkt, to approve the order of the agenda. Motion carried 4-0-1.

4. Public Comments for Items on the Special Meeting Agenda

None.

5. New Business

a) Discussion and possible action on potential changes to library services

Library Services Division Manager Paula Smus shared with the commission that the City is facing hard financial times and is facing a \$6.3-million-dollar deficit in the coming fiscal year. The City Council wants to balance the budget in one year without using reserves. One of the measures being considered to address the deficit is the outsourcing of library services to a private company, Library Systems and Services, Inc. (LSSI). City management spoke with LSSI two years ago and received a proposal for operations. At that time, it was determined that the potential savings to the city were negligible and not worth pursuing. LSSI has been asked to review that proposal, revise where necessary, and re-submit for consideration.

A vice-president of the company will be coming next week to visit the library and to meet with City staff. LSSI has been given a target annual savings of \$200,000-\$250,000. The target date to assume operations, if the proposal is accepted, is July 1, 2013.

The City would retain ownership of the library building and all materials, and would provide general oversight of the library. LSSI would operate the library, and all staff at the library would be employees of LSSI and not the City, as they are now. Current staff would need to apply to LSSI for employment. We don't yet know what that would mean regarding hours of operation or organization of staff. Ms. Smus believes that the Library Commission would continue to function, but that has not yet been specifically mentioned.

Commissioner Dixon asked how effective LSSI's operations in other cities have been. Ms. Smus replied that LSSI has operated Riverside County Library System (RCLS) for approximately 12 years. They have recently acquired operations for Santa Clarita and Palmdale, and will soon be operating in Simi Valley.

Ms. Smus explained that LSSI is able to operate at a profit because they do not contribute to a pension plan the way the City does. Commissioner Hadaway asked whether LSSI provides health benefits. Ms. Smus replied that LSSI does provide benefits, but she has no details about that at this time.

Friends of the Library member Carolyn Bailey, who manages the FOL's Book Nook, asked whether the Friends would be able to donate funds directly to the City in the future. Ms. Smus responded that any donated funds would ultimately still come to the library, but she doesn't know right now exactly what the channels will be.

Commissioner Dixon asked what the percentage usually is of the staff who stay at a library after LSSI assumes operations. Ms. Smus replied that it depends on the contract that's negotiated. In Palmdale, there was one employee that was not re-hired.

Commissioner Dixon asked what the Library Commission could do. She said that it's important to save money, but it's also important to keep services. The numbers equate to people's lives. She is happy to advocate for the library. Ms. Smus replied that the City's Human Resources Director will be handling the negotiations. The Library Services Division is in his department. The targeted budget savings for Library Services is less than 4% of the total deficit that the Council is addressing.

Chairperson Clements stated that she has some experience with LSSI. She said that they seem to be efficient and well-managed, and that there seems to be a lot of programming.

Commissioner Dixon stated that hopefully LSSI will look for ways to expand services and not contract.

Commissioner Hadaway stated that it's pathetic that the City has mis-managed its money and can now provide less support to the library.

6. Upcoming Agenda Items

None.

7. Adjournment

Commissioner Hadaway moved that the meeting be adjourned. The meeting was adjourned at 7:56 p.m. The next Library Commission meeting is scheduled for Thursday, April 18, 2013, at 7:00 p.m.

Good Evening,

I hope this email finds you well!

I am reaching out to you because I was involved in a traffic accident on February 7, 2013 and have yet to receive a police report.

At the scene I was unable to be interviewed because I sustained severe and life threatening injuries, but was told at the hospital that the report (MV130380326) could be obtained in approximately four weeks.

As May quickly approaches, I have yet to receive the report and as my surgeries continue I desperately need it.

As leaders in the department, I am hoping you can assist me in getting the report before the week is out. I understand that someone may need to talk to me as well, as I was never interviewed.

Can you assist me in moving forward in this process or point me in the correct direction to do so?

I appreciate your time.

Thanks for all you do,

Micheal Penn

Subject: Illegal Auto Sales on Cottonwood Avenue

Good afternoon,

On April 10, 2013 between 10:00 AM and 12:30 PM, MVPD Traffic officers and California Department of Motor Vehicles Investigators conducted an operation on Cottonwood Avenue to address the ever increasing number of cars displayed for sale on that roadway. Officers suspected that many of the cars displayed for sale were actually being sold illegally by a dealer, rather than being sold by individual owners. Undercover DMV investigators noted that many of the vehicles displayed the same phone number for contact. They made arrangements by phone to meet with one of the dealers. Suspect Andres Ortega (28) of Moreno Valley arrived to make a sale of a vehicle parked on Cottonwood and Bion Drive. After a deal was struck, DMV Investigators attempted to detain Mr. Ortega, but he immediately fled on foot. He was taken into custody a short distance away by uniformed MVPD officers.

A short time later, DMV Investigators made arrangements to meet with another dealer on Gaye Street north of Alessandro. Suspect Wendy Lopez (19) of Palm Desert arrived and offered several vehicles for sale. Lopez was taken into custody without incident.

Suspect Ortega was booked into RPDC on the following charges: Unlicensed dealer; unlicensed driver; battery on a peace officer; selling a vehicle not registered to him

Suspect Lopez was booked into RPDC on the following charges: Unlicensed dealer; Selling a vehicle not registered to her

In all, eleven (11) vehicles were towed and stored because they were being illegally displayed for sale. Traffic will continue to work with DMV to prevent illegal vehicle sales from occurring in our city.

Subject: RE: Urgent Re: Case# MV130380326 moval PD

Good evening,

I have done some research into this and found the following. The investigation is being handled by Officer Bordeau, rather than Officer Lee. Officer Bordeau is a designated Traffic Accident Investigator and has the expertise and training to handle major injury traffic accidents. In fact, she is working on about a dozen such reports as we speak. She has made several attempts to contact Mr. Penn, but has not been successful as of yet. She will try again today to arrange for an interview with Mr. Penn. Once she completes the victim interview, she should be able to complete the report in fairly short order. Because of the complexity of injury traffic accident investigations, they generally take considerably longer to complete than criminal investigation reports. I spoke with Mr. Penn today and explained that Officer Bordeau would be contacting him for a statement very soon. He was pleased with this outcome.

Subject: Bomb threat and evacuation - Wal Mart

Good evening,

This afternoon about 4:45 PM, officers responded to the Wal Mart Super Center at 12721 Moreno Beach reference a bomb threat. Wal Mart staff independently decided to evacuate all customers and staff members from the building after a threatening phone call was received indicating the building would be bombed in 30 minutes. Officers conducted an extensive sweep of the building and nothing of concern was found. Wal Mart reopened for business at 5:30 PM. Two patrol units remained in the area for an extended period of time to provide a visible law enforcement presence.

Subject: Section 8 fraud arrest

Good evening,

This morning about 10:00 AM, the MVPD Section 8 Team and assisting MVPD Investigators served a search warrant at a residence in the 10300 block of Desert Star Street, Moreno Valley. Investigators obtained the warrant after information provided by HUD indicated the suspect had fraudulently obtained more than \$84,000 in Section 8 housing assistance. A Housing Authority Program Integrity Officer accompanied the team on the search warrant and will conduct necessary follow-up to ensure this suspect is denied assistance in the future. The suspect, Deana Rhinehardt (44), is suspected of filing false documents to fraudulently obtain Section 8 assistance. She was arrested without incident and booked into RPDC. In addition to criminal fraud charges, HUD Investigators will seek at least \$84,000 in restitution from the suspect.

Subject: delegate/alternate

Dear City Clerks:

The Southern California Association of Government (SCAG) General Assembly will be held May 2 – 3, 2013 at the JW Marriott Desert Springs Resort & Spa in Palm Desert, California. Each year, SCAG's member cities select a Delegate and/or Alternate to represent their city to participate at this Annual Meeting.

If you have not done so, please send a copy of your city's action in appointing a SCAG Delegate and/or Alternate as soon as possible. Delegates/Alternates are required to submit FPPC Form 700, Statement of Economic Interests, to our office. You may use the form filed within your city; however, please note "SCAG" in Box 1 of the form.

Please note: If your City currently has a Regional Council Member that serves on the SCAG Board, per SCAG Bylaws, that person is your City delegate so there is no need to appoint a delegate. However, please provide us with the name of the alternate.

Statement of Economic Interests forms are available on FPPC's website at <http://www.fppc.ca.gov/index.php?id=500> and must be filed with this agency no later than April 1, 2013.

Thank You,

Lillian Harris-Neal

Hi Heidi,

Good to hear you are back. I will talk to Anthony and confirm the name of his group.

At the meeting we were surprised to hear JulieAnne say that you were very unhappy with us since we all felt our relationship was pleasant. Thank you for the clarification. We look forward to working with you soon.

Subject: Hi from Heidi Meadows

Dear Mel and Cecilia,

Something was brought to my attention that needs to be clarified please during the last meeting regarding the 4th of July... Although I did move from Moval ,I am coming back. I have kept intouch with many and my program Souly for YOUth is actually starting up at a highscool presently. My issue is that Anthony Acosta who is doing the 4th of July stage is using that name for his corp. I emailed him personally but since I haven't been able to get intouch with him to hear his side to the story, I don't want to take the chance that this might go any further. I AM surprised because he never has gotten intouch with me since I left to even tell me he WANTED to use it... I have an EIN number and am creating a nonprofit presently. I left in November 2011 on a good note with everyone knowing I would be back at some point...I wanted to also clarify that there was some comment that I wasn't happy with Parks and Rec ... that isn't true...I did two events at the skatepark and have worked well with all the staff involved including you, Cecilia and Kevin Callister... It was a success both times... Mel, you and I have worked together for United Way and I have kept intouch with Virgil Chancey too, :)

So, I hope with this clarification from me you would please let Anthony Acosta know that I never gave permission to take the name of my program for his corp.... and even more so, I am not gone... Moreno Valley Youth are my mission and I have some good things rolling out again. My program deals with projects/ community service projects... and not showcasing talent... I do not wish to share my name so he will need to come up with his own. Would you let me know that this has been taken care of please...Thank you... Heidi

If you need to talk to me please call me at 909 730 0255... Miss you all...

Subject: delegate/alternate

Dear City Clerks:

The Southern California Association of Government (SCAG) General Assembly will be held May 2 – 3, 2013 at the JW Marriott Desert Springs Resort & Spa in Palm Desert, California. Each year, SCAG's member cities select a Delegate and/or Alternate to represent their city to participate at this Annual Meeting.

MV00256248

If you have not done so, please send a copy of your city's action in appointing a SCAG Delegate and/or Alternate as soon as possible. Delegates/Alternates are required to submit FPPC Form 700, Statement of Economic Interests, to our office. You may use the form filed within your city; however, please note "SCAG" in Box 1 of the form.

Please note: If your City currently has a Regional Council Member that serves on the SCAG Board, per SCAG Bylaws, that person is your City delegate so there is no need to appoint a delegate. However, please provide us with the name of the alternate.

Statement of Economic Interests forms are available on FPPC's website at <http://www.fppc.ca.gov/index.php?id=500> and must be filed with this agency no later than April 1, 2013.

Thank You,

Lillian Harris-Neal

Clerk of the Board

Good evening,

I have done some research into this and found the following. The investigation is being handled by Officer Bordeau, rather than Officer Lee. Officer Bordeau is a designated Traffic Accident Investigator and has the expertise and training to handle major injury traffic accidents. In fact, she is working on about a dozen such reports as we speak. She has made several attempts to contact Mr. Penn, but has not been successful as of yet. She will try again today to arrange for an interview with Mr. Penn. Once she completes the victim interview, she should be able to complete the report in fairly short order. Because of the complexity of injury traffic accident investigations, they generally take considerably longer to complete than criminal investigation reports. I spoke with Mr. Penn today and explained that Officer Bordeau would be contacting him for a statement very soon. He was pleased with this outcome.

Good Evening,

I hope this email finds you well!

I am reaching out to you because I was involved in a traffic accident on February 7, 2013 and have yet to receive a police report.

At the scene I was unable to be interviewed because I sustained severe and life threatening injuries, but was told at the hospital that the report (MV130380326) could be obtained in approximately four weeks.

As May quickly approaches, I have yet to receive the report and as my surgeries continue I desperately need it.

As leaders in the department, I am hoping you can assist me in getting the report before the week is out. I understand that someone may need to talk to me as well, as I was never interviewed.

Can you assist me in moving forward in this process or point me in the correct direction to do so?

I appreciate your time.

Thanks for all you do,

Micheal Penn

Subject: Robbery arrest

Good morning,

On 4-11-13, about 5:00 PM, officers responded to the area of Dracaea and Edgemont reference a reported robbery. The suspects physically attacked a street vendor and sprayed her with pepper spray. The suspects then stole her fanny pack containing about \$60 in cash and fled the area. Officers saturated the area and quickly found witnesses who pointed out the apartment the suspects fled to. Officers set up a perimeter and ultimately made entry into the apartment. Officers located and detained three subjects in the apartment. Two adult females, identified as Shaquera Battey (20) and Michelle Robertson (19) were positively identified by the victim and witnesses as the suspects in the robbery. Suspect Battey physically assaulted the victim during the robbery while suspect Robertson sprayed the victim with pepper spray and stole the fanny pack. The third person detained was a female juvenile. She was not involved in the robbery but was found to have an outstanding no bail felony arrest warrant. She was later booked into Juvenile Hall.

Suspects Battey and Robertson were interviewed and admitted to committing the robbery. Both suspects were booked into RPDC on charges of robbery and using pepper spray to commit a crime. The victim sustained minor injuries and was treated by Moreno Valley Fire Department. The stolen property was not recovered.

Subject: Pit Bull shooting

Good afternoon,

This morning about 9:15 AM, officers responded to the Comfort Inn at 23330 Sunnymead Blvd reference a trespassing and disturbance of the peace in the hotel office. On arrival, they contacted the manager who directed them to room #109. Officers obtained the identity of the guests and ran them through law enforcement computer systems to determine who they would be dealing with. That inquiry revealed that the male subject, Nathaniel Harms (35) was wanted on felony drug warrant. Officers contacted the couple in the parking lot and noted that Suspect Harms was holding two pit bull dogs on separate leashes. Officers directed Harms to pass the leashes to the female (Lauren Bains 33 years) and he complied. Harms was taken into custody without incident.

Both dogs became agitated so officers asked Bains to place them inside her car. One of the pit bulls escaped by backing out of its collar and charged the officers. Officer Acosta attempted to use his TASER to subdue the dog, but the TASER did not have the desired effect. The officer then drew his service weapon and fired one shot, striking the pit bull in the muzzle. The dog retreated to room 109 where it remained until it was captured by Moreno Valley Animal Control. Harms was booked into RPDC on his warrant and Bains was allowed to pack and leave the hotel.

Subject: Vehicle burglary arrest - PRCS suspect

Good afternoon,

Today about 1130 AM, officers responded to the Moreno Valley Mall reference a vehicle burglary in the parking lot. On arrival, officers learned that suspect Robert Brousseau (43) of Fullerton, CA had been detained by Mall security. Investigation revealed that Suspect Brousseau reached into the partially open window of a car belonging to victim Kim Nguyen of Garden Grove, CA and unlocked the vehicle to gain entry. Suspect Brousseau entered the vehicle and stole items belonging to victim Nguyen. The suspect placed the items he stole into a nearby vehicle that was later determined to be his own vehicle. The suspect then entered the mall and where his activities were monitored by mall security. He was taken into custody as he exited the mall. Further investigation revealed that suspect Brousseau has been released on PRCS (Post Release Community Supervision under AB 109) on four separate occasions from Los Angeles and Orange Counties. Victim Nguyen did not give Brousseau permission to enter his vehicle or take his property and definitely desired prosecution. The suspect was booked into RPDC on charges of burglary and violation of PRCS. LA and Orange County Probation departments will be notified.

Subject: Attempted kidnapping/Sexual battery

Good afternoon,

Today about noon we received a late report about an incident that occurred yesterday afternoon. The victim, an 18 year-old Hispanic female, reported that she was walking on Ironwood near the Monarch Terrace Apartments. A white Honda occupied by 3 male suspects was in the area when one of the suspects exited the vehicle and approached her. The suspect grabbed the victim's breasts and attempted to pull the victim toward the vehicle. The victim fought the suspect and screamed for help. The suspect released his grip and ran away, jumping over a fence into the El Dorado Apartment complex. The vehicle followed the suspect into the complex and the victim left the area. The suspect is described as a Black male adult between 18 and 20 years old. He is 5'06" tall and about 145 pounds with black hair. The MVPD Investigations Unit is involved in the investigation and a composite sketch of the suspect is being generated. A press release will be issued later today.

Subject: PRCS and Probation Sweep - 23 arrests

Good afternoon,

On 4-11-13, the MVPD Career Criminal Apprehension Team (CCAT) conducted a PRCS and probation sweep in the City of Moreno Valley. The sweep was conducted by officers from CCAT, POP (Problem Oriented Policing), SET (Special Enforcement Team), RST/BST (Robbery/Burglary Suppression Teams), GTF-Moreno Valley (Gang Task Force) and GTF-Banning (Gang Task Force). Participating officers were assembled into four separate teams organized to check 34 locations in the city.

Throughout the day, officers working this detail arrested 6 suspects for on-sight felony violations; 1 on-sight misdemeanor violation; 7 felony warrant arrests; and 15 misdemeanor felony warrant arrests. (Some suspects had multiple warrants) One team was in the immediate area when two suspects pepper sprayed and robbed a vendor in the Edgemont area. This team was directly responsible for the arrests of the robbery suspects and a juvenile wanted on a felony no bail warrant, bringing the total number of arrests for the day to 23.

All adults were booked into RPDC and all juveniles were booked into Juvenile Hall. There was no property damage done and no injuries were sustained by anyone during this very successful operation.

HONORING MILITARY PERSONNEL

The City's Military Appreciation Banner Program is designed to recognize active duty military servicemen and women who are currently serving in the United States Military (Army, Navy, Air Force, Marines, and Coast Guard), including those in the National Guard and Reserves for their respective Military Branch. To be eligible for a banner, the nominated person must be a City resident, graduated from a local high school in Moreno Valley, or have an immediate family member who currently resides in Moreno Valley.

The military banner program is partially sponsored by the Moreno Valley Chamber of Commerce, Military Affairs Committee. The total cost for a banner to be created and installed on a City street light is \$100.

Engraved pavers are also available to all qualified veterans.

If you would like to honor an active duty military serviceman or woman with a Military Appreciation Banner or paver, please contact Parks and Community Services at 413-3701. Applications are due by April 29 for a Memorial Day installation.

Subject: JFK x Perris Gang Saturation operation

Good afternoon,

On 4-11-13 about 9:00 PM, the MVPD SET Gang Team conducted a saturation patrol operation targeting gang members in the area of John F. Kennedy and Perris Blvd. This operation was conducted in response to increased gang activity in the area. The operation resulted in the arrest of eight suspects, including four confirmed members of local criminal street gangs. The team arrested two DUI drivers, one suspect for possession of burglary tools, one suspect for being under the influence of a controlled substance, one suspect for two felony drug warrants, and three suspects for possession of controlled substances/possession for sale of controlled substances. The team seized 9 grams of methamphetamine, burglary tools, and a small amount of marijuana during the operation. All 8 suspects were booked into RPDC.

Subject: Relay for Life - Bunco Event

bunco flyer
2013.pdf

The American Cancer Society's Relay For Life is a life-changing event that helps Moreno Valley celebrate the lives of people who have battled cancer, remember lost loved ones, and fight back against the disease. Moreno Valley's Relay is coming up on Saturday, May 18, at Valley View High School. So far, 46 teams and 211 participants have raised \$5,330.91.

Help us raise more! Sign-up for a Bunco Event that will take place next **Wednesday, April 24th, 2013** to help raise funds for this year's Relay for Life campaign. Please, support the City's team and enjoy some fun playing Bunco. If you haven't ever played feel free to sign-up. It is a very easy game to learn. Come join us for some fun! Details enclosed on the flyer.

To learn more about the event, visit
http://main.acsevents.org/site/TR/RelayForLife/RFLCY13CA?pg=entry&fr_id=48992.

Please distribute to those employees who do not have access to email. This email has been approved by the City Manager's Office.

Subject: will you support my swimming, please?

Dear Councilwoman Baca--

My name is Ching Sergeant. I am in 5th grade and I live here in Moreno Valley. My brother, Jia, is in 3rd grade. My sister, Mae, is in 1st grade. Nearly every weekday, we go to the Riverside Aquatics Association (RAA) swim team.

I am writing to you today to ask for your support of RAA. This non-profit organization gives hours and hours of exercise, fun, and training for the children of our area. Our coaches are great and train us in physical fitness, endurance, and swimming techniques. We have a blast at each practice.

But now we need to raise money. RAA will be holding the 7th *Annual Lap-a-thon* on April 19th at 5:00pm at the Bobby Bonds Sports Complex. This is our one major fundraiser of the year. The money we raise will help provide badly needed equipment for our swim team. But this year we are doing more. I am very excited to tell you that RAA will give part of the money raised

MV00256279

during the Lap-a thon to the *Southern California Special Olympics Aquatics Program*. Special Olympics offers year-round sports training and athletic competition in Olympic-type sports to children and adults with intellectual disabilities. The money you give will also go to *RAA's scholarship program*, so that families that don't have much money can still send their kids to this great program.

My goal is to raise \$600 for RAA this year. If you help with a \$100 donation, RAA will say "thank you" by displaying your name and position as a Moreno Valley Councilwoman on the Lap-thon T-shirts that are given to the swimmers and on the very large banner that is prominently displayed year-round outside of our practice pool. Parents of the swimmers (many of them live in Moreno Valley) would see your name all year long as a supporter of RAA. My dad says that this name recognition couldn't hurt when the next election comes. And you will be helping two great causes: the Special Olympics and my swim team.

So, will you help me reach my goal of \$600? If you cannot give \$100 then any amount would be helpful. Please help me reach my goal! If you will donate just go to www.raa-swim.org and click on the link called "2013 Lap-a-thon." Then click the "Find Participants" button and type in my name, Ching Sergeant. Be sure you spell it right. Then you can view my profile and donate to me. It will ask you if you want to donate just to me or to every swimmer in my family. Click the button to just donate to me. Every member in my family will get credit for it anyway. Thank you so much for considering helping me. If you have any questions, you can ask my dad at writetoderrick@hotmail.com or ask RAA at info@raa-swim.org.

Thanks again,

Ching Sergeant

Good morning JulieAnn,

Thank you for volunteering to help. Sara will be in touch with you about the auditions.

The flyers are in the hands of our Graphics folks as they are fine tuning the flyer. I will let you know as soon as we receive the approved flyer file. Sara will be making copies and getting them to both school districts so no need to duplicate those efforts. We would appreciate getting them out to the community. I am hopeful we will have the flyer early next week.

Thank you again!

Subject: Bank Robbery arrest

Good afternoon,

This morning about 11:48 AM, officers responded to a robbery alarm at the Bank of America located at 12350 Perris Blvd. Officers learned that a lone suspect entered the bank, approached a teller, and said "Empty your cash drawer." Since the teller was standing behind a wall of bullet resistant glass, she did not comply with the suspect's demand. The suspect exited the bank without getting any cash or other property. Officers searched the area for the suspect and about an hour later located a 19 year-old who resembled the suspect. An in-field line up was conducted by the teller and the suspect was identified as the robbery suspect. The suspect vehemently denies any involvement in the robbery and investigators are not convinced he is, in fact, the suspect. The suspect, Michael Love (19) was booked for being under the influence of a controlled substance and possession of drug paraphernalia. The robbery investigation is continuing.

Subject: Runaway Juvenile - located

Good afternoon,

This morning about 7:50 AM, officers responded to a residence in the 11700 block of Crane Court reference a runaway 14 year-old girl, possibly at risk. Investigation revealed that the child has been communicating with an adult male via the Internet. She contacted her family and indicated she did not want to return home. Officers were able to determine she was in the Las Vegas, Nevada area. Family members soon learned she was at a truck stop. Officers contacted Las Vegas Metropolitan Police Department and they responded to the truck stop. LVMPD located the child and took her into protective custody. The trucker she was with is not the subject she has been communicating with and is not suspected of any crimes at this time. The family is driving to Las Vegas to pick up the girl. The investigation is continuing.

Subject: Sunnymead Boulevard Business Meetings next week/ Upcoming Budget Meetings in each Council District
Attachments: Sunnymead Boulevard Meetings 0423_242013.pdf; Sunnymead Blvd Clean Up Initiative Meeting Agenda- District 1.pdf

Mayor, Mayor Pro Tem and Members of the City Council: The following community meetings have been scheduled and we wanted to make sure all of you are aware. The meetings that involve you have been included on your calendars by Cindy.

Sunnymead Boulevard Clean Up Initiative (Owings, Baca and Molina):

All of the businesses on Sunnymead Boulevard between Frederick and Perris have been invited to attend a meeting with Mayor Owings and Council Members Baca (for the Sunnymead Blvd businesses in District 5) and Molina (for those businesses in District 1) to receive information regarding an initiative to improve and enhance the business climate along Sunnymead Boulevard. Chief Ontiveros will discuss crime and provide an update on the camera program, Barry Foster will discuss Code issues and the City's intent to focus on helping businesses gain compliance, and a representative from Riverside County will share information with the businesses about resources for the homeless. These meetings are scheduled as follows; a sample agenda and the notification are attached for your information:

District 5	District 1
Tuesday, April 23	Wednesday, April 24
Miller Jones Mortuary	Holiday Inn Express
23618 Sunnymead Blvd	24630 Sunnymead Blvd.

Meetings will be held from 8:00 a.m. to 10:00 a.m.

Council District Neighborhood Budget Meetings:

Per the direction provided at the February Council Workshop, one neighborhood budget meeting has been scheduled in each Council District. Cindy has placed these meetings on your calendars and City staff will be in attendance to present budget information and answer residents' questions related to the City's financial situation. Finance staff is finalizing the locations for the following Council District budget meetings:

District 1	6:30 p.m., Mon, 5/13
District 2	6:30 p.m., Wed, 5/15
District 3	6:30 p.m., Thurs, 5/16
District 4	6:30 p.m., Fri, 5/17
District 5	9 a.m., Sat, 5/18

Moreno Valley to hold meetings with Sunnymead Boulevard Businesses

The City of Moreno Valley has embarked on an initiative to improve and enhance the business climate along Sunnymead Boulevard. Mayor Tom Owings, respective district Council Members Victoria Baca (District 5) and Jesse L. Molina (District 1), and key City staff invite business and property owners / managers to discuss plans to improve the Sunnymead Boulevard business corridor by addressing issues such as crime, code compliance, homelessness, and aesthetics.

Meetings will be held from 8:00 a.m. to 10:00 a.m. as follows:

District 5
Tuesday, April 23
Miller Jones Mortuary
23618 Sunnymead Blvd

District 1
Wednesday, April 24
Holiday Inn Express
24630 Sunnymead Blvd.

For more information, please contact the Shanna Palau in the City Manager's Office at [REDACTED] or by email at shannap@moval.org.

###

Subject: Prostitution sting

Good morning,

On 4-18-13, the POP Team conducted a prostitution operation at the Comfort Inn in the 23300 block of Sunnymead Blvd. The operation targeted individuals using social media to advertise for the purpose of prostitution. The operation resulted in the arrest of eight men and three women. All eleven suspects were charged with prostitution or solicitation. One male and one female were each charged with drug possession in addition to the prostitution charges.

Subject: 3 Year ED Action Plan

The 3 Year Economic Development Action Plan was placed on the Consent Calendar (A-16) for the April 23 City Council Meeting (there are four public hearings on the agenda). The 3 ED Action Plan has previously been reviewed and discussed by the City Council at the February 2 Workshop and the April 2 Study Session (which was televised). Additionally, the ED Action was reviewed and recommended for approval by the Economic Development Subcommittee. If any Council members wish to have an oral presentation or have questions, I'm more than willing to do that next Tuesday.

April 17, 2013

United Way of Inland Empire Community Review Team

To Whom It May Concern:

This letter is written in support of Prayer Warrior Enhancement Center (PWEC), an organization who is a recipient of the City of Moreno Valley's CDBG grant funding. PWEC is a community referral and resource agency who provides services throughout Riverside County. The Center has been a member of Riverside County's Continuum of Care (CoC) for the past 10 years.

Rochelle Lewis, PWEC's Executive Director, is a member of the CoC Governing Board and has been so for the past eight years. This resource is a multifaceted organization and is one of the only agencies that provide emergency housing through its motel voucher program. Additionally, their Homeless Prevention/Rental Assistance Program assists individuals in maintaining their current residence.

The Center reports their continued growth in the area of grant administration and program management has increased their ability to compete for and secure larger grants each year. As a result, PWEC is likely to continue to play an important role in the City of Moreno Valley's homelessness prevention efforts and work to reduce the number of chronic homeless families and individuals in the streets of Moreno Valley.

The Center collaborates with the City of Moreno Valley to ensure eligible persons are offered assistance. We look forward to a continued relationship with PW Enhancement Center.

Sincerely,

Victoria Baca
Council Member

Subject: Section 8 search warrant

Good afternoon,

Today, about 9:00 AM, the MVPD Special Enforcement Team (SET) served a search warrant at a residence in the 13600 block of Blue Spruce Avenue. The search warrant was granted in reference to multiple forms of suspected fraud, including welfare fraud and Section 8 fraud. The primary suspect, Bettina Ross (37) has been drawing various forms of government assistance since 2001. During that same time frame, she has worked and earned unreported income. Also, she has allowed suspect #2, Damon Ross (38) to live at the residence throughout that time, in violation of her Section 8 agreement. Suspect #2 is a career criminal, convicted felon, and was currently wanted on a \$1 million felony arrest warrant for child endangerment and theft.

During service of the warrant, officers found and arrested Damon Ross on his warrant. They also located several grams of methamphetamine and items indicating the suspects were involved in the sale of that illegal drug. Finally, officers encountered 3 children, ranging from 3 to 14 years old. The Sheriff's Drug Endangered Children Unit and Riverside County Child Protective Services responded to the residence and took the kids into protective custody. It appears that Bettina Ross has fraudulently obtained more than \$175,000 in state or county financial aid during the past 12 years. She confessed to multiple felonies, including fraud, defrauding a government entity, perjury, drug charges, and child endangerment and was booked into RPDC. Damon Ross was also booked on his warrant, drug charges, and child endangerment charges.

In addition to criminal charges, we will pursue restitution for the fraudulently obtained taxpayer dollars. HUD will revoke services permanently. All other involved governmental assistance agencies will be notified of the fraudulent activity.

Subject: Announcing the Appointment of Marshall Eyerman as Budget Officer

I am happy to announce the appointment of Marshall Eyerman as Budget Officer in the Financial & Management Services Department. Marshall was selected after successfully completing an open and competitive recruitment. Marshall started with the City in March 2008 as Special Districts Program Manager and most recently he has been serving as Acting Budget Officer. He has significant experience in the municipal finance field dealing with complex budget and cost issues. As Program Manager in Special Districts, Marshall has been responsible for managing the budgets, revenues and expenses of a complex structure of funds providing services to the citizens of Moreno Valley, including administering parcel fee assessments and handling debt service related to Special Districts. As interim budget officer, Marshall has taken the lead role in preparing the upcoming two-year budget as we completed extensive review of each Department's budget submissions and have undertaken the challenge to balance the General Fund budget in FY 2013-14. His analytical and computer skills have been instrumental in guiding us through this process accurately and expediently.

Marshall is well prepared to assume the role of Budget Officer for the City. Please join me in congratulating Marshall on this appointment.

Rick Teichert
Chief Financial Officer
City of Moreno Valley

This e-mail was sent to all employees with the permission of the City Manager's Office.
