Subject: RE: Edgemont concerns for code compliance

Hi Victoria:

Are the couch and fallen tree branch on a lot or in the right of way? The reason why I'm asking is if it's located on a lot then it's a Code issue, and if it's in the right of way, it's a PW issue.

Thanks,

Cindy

Subject: Tina Dickey - [REDACTED]

CRM has been initiated regarding Ms. Dickey's complaint.

Ms. Dickey called the City Council office requesting to file a complaint against the police department which she stated PD has not allowed. She stated when she attempted to contact the Police Chief's office, she was transferred to Personnel.

Impounded Vehicle

Ms. Dickey stated her vehicle was impounded on July 11, 2013. Ms. Dickey stated when she was asleep, the person visiting her home took her keys without her permission. Ms. Dickey stated the vehicle was impounded when the person was pulled over and it was discovered that her drivers license was suspended due to a DUI.

Ms. Dickey stated the officer would not allow her to report her vehicle as stolen because the driver told the officer that she was Ms. Dickey's girlfriend and she resided with Ms. Dickey. Ms. Dickey stated this is not true, she is married, and her husband is in jail. Ms. Dickey stated the officer told her it was her fault that her vehicle was stolen as the keys were easily accessible.

Ms. Dickey stated she should not have to pay the impound fees as her vehicle was stolen.

Breaking and Entering

Ms. Dickey stated this same person attempted to break into her home on July 28, 2013. She stated it took the police department 1-1/2 hours to respond to her 911 call, and the person who attempted to break into her home has not been arrested.

Threats

Ms. Dickey stated he she has saved threatening text messages from this person that she started receiving after July 11, 2013. She stated the police department has done nothing regarding the threats.

Ms. Dickey declined to provide the location of these incidents due to her profession.

Thanks,

Cindy

August 5, 2013

Mr. Scott J. Heveran
12109 Swegles Lane
Moreno Valley, 92557

Dear Mr. Heveran:

This is to inform you that the (corrected) petition format submitted on July 29, 2013 to recall *Victoria Baca as City Council Member in District 5* of the City of Moreno Valley meets the requirements of the Elections Code as to form and wording.

Pursuant to Elections Code Section 11220, the petition shall be filed with the City Clerk's office not later than 120 days from August 5, 2013.

Therefore, the petition shall be filed no later than the close of normal office hours on December 3, 2013.

Pursuant to Elections Code Section 11221, the petition shall be signed by not less than 20% of the registered voters in City Council District 5 of the City of Moreno Valley. The number of registered voters in City Council District 5 is 14,390, as of the last report of registration to the Secretary of State, which was submitted by the Riverside County elections official on February 10, 2013.

The number of required signatures for City Council District 5 is 2,878.

Please be advised Elections Code 104, 11046 and 18650 are attached for your review. The circulator must be a registered voter in the jurisdiction of the officer sought to be recalled.

Please contact the office of the City Clerk at [REDACTED], if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Jane Halstead".

Jane Halstead, CMC
City Clerk

Enclosures: E.C. 104, 11046 & 18650

CITY CLERK

103.

the petition is filed. A written request made under this section shall not constitute a petition or paper for purposes of Section 104.

(Amended by Stats. 2009, c. 510, §1.)

104. Declaration of circulator attached to petition; form.

(a) Wherever any petition or paper is submitted to the elections official, each section of the petition or paper shall have attached to it a declaration signed by the circulator of the petition or paper, setting forth, in the circulator's own hand, the following:

(1) The printed name of the circulator.

(2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.

(3) The dates between which all the signatures to the petition or paper were obtained.

(b) Each declaration submitted pursuant to this section shall also set forth the following:

(1) That the circulator circulated that section and witnessed the appended signatures being written.

(2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.

(c) The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of his or her name. The circulator shall state the date and the place of execution on the declaration immediately preceding his or her signature.

(Amended by Stats. 2012, c. 132, §1.)

105. Examination of petitions; residence address verification.

For purposes of verifying signatures on any initiative, referendum, recall, nomination, or other election petition or paper, the elections official shall determine that the residence address on the petition or paper is the same as the residence address on the affidavit of registration. If the addresses are different, or if the petition or paper does not specify the residence address, or, in the case of an initiative or referendum petition, if the information specified in Section 9020 is not contained in the petition, the affected signature shall not be counted as valid.

Any signature invalidated pursuant to this section shall not affect the validity of other valid signatures on the particular petition or paper.

(Added by Stats. 1994, c. 920, §2.)

106. Nomination papers' signatures.

Notwithstanding any other provision of law:

(a) Any registered voter who is a candidate for any office may obtain signatures to and sign his or her own nomination papers. The candidate's signature shall be given the same effect as that of any other qualified signer.

(b) Any person engaged in obtaining signatures to the nomination papers of a candidate for any office or to any recall, initiative or referendum petition, may, if otherwise qualified to sign the papers or petition, sign the papers or petition. The signature of the person shall be given the same effect as that of any other qualified signer.

(Added by Stats. 1994, c. 920, §2.)

11043.5. Secretary of state to provide recall petition format.

(a) The Secretary of State shall provide to county elections officials a recall petition format for distribution to proponents of a recall. The recall petition format shall be made available upon request by the county elections official and by the Secretary of State.

(b) The recall petition format made available pursuant to this section shall be utilized by proponents of a recall election.

(Added by Stats. 1996, c. 714, §5.)

11044. Separate petitions necessary.

Separate petitions are necessary to propose the recall of each officer.

(Added by Stats. 1994, c. 920, §2.)

11045. Only registered voters of jurisdiction qualified.

Only registered voters of the electoral jurisdiction of the officer sought to be recalled are qualified to circulate or sign a recall petition for that officer.

(Added by Stats. 1994, c. 920, §2.)

11046. Circulator's declaration.

To each section of a petition shall be attached a declaration, signed by the circulator thereof, that complies with Section 1044. The declaration shall include a statement that the circulator is a registered voter in the jurisdiction of the officer sought to be recalled.

(Added by Stats. 1996, c. 714, §7.)

11047. Petition circulated in more than one county.

When a petition is circulated in more than one county for the recall of an officer, each section of the petition shall bear the name of the county for which it is circulated, and only registered voters of that county may sign that section.

(Amended by Stats. 2004, c. 156, §1.)

Chapter 2. Recall of State Officers: Intermediate Steps in the Recall**11100. Application of chapter.**

(a) This chapter applies only to the recall of state officers.

(b) In addition to this chapter, Sections 13 to 18, inclusive, of Article II of the California Constitution and the applicable provisions of Chapter 1 (commencing with Section 11000) and Chapter 4 (commencing with Section 11300) shall govern the recall of state officers.

(Amended by Stats. 2010, c. 328, §62.)

11101. Presumption that the petition contains the required signatures.

Unless and until it is otherwise proven upon official investigation, it shall be presumed that the petition presented contains the signatures of the requisite number of registered voters.

(Amended by Stats. 1996, c. 714, §8.)

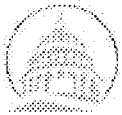

11102. Filing of petition sections.

Each section of a recall petition shall be filed with the elections official of the county for which it was circulated.

(Amended by Stats. 2004, c. 156, §2.)

11103. Filing of petition section; written authorization.

Each section of the petition shall be filed by the proponents or by any person or persons authorized, in writing, by a proponent. Each time an autho-

Subject: FW: 2013-08-01 Response to Request for Stormwater Inspection Invoices

Follow Up Flag: Flag for follow up
Flag Status: Flagged

Hi Victoria:

See the status below on the water quality inspections you asked about last week. If you talk with any of the businesses, please encourage them to call Land Development [REDACTED] to arrange for payment and/or discuss other available options so that they can avoid any penalties or other extra costs. If you have any other concerns or need more information, please let me know.

Thanks,

John

John C. Terell, AICP/Interim Community & Economic Development Director/City of Moreno Valley/PO Box 88005, Moreno Valley, CA 92552/T: 951.413.3238

John,

Per your request, I followed up with Jeramy Jackson of the Stormwater Management Program regarding the business inspection invoices for the specific entities you indicated. The following is a breakdown of the details for each:

Our Place Restaurant:

- Amount \$281
- Invoiced on 02/26/2013
- Remains unpaid to date
- Owner has not filed an appeal
- Not yet forwarded to the Franchise Tax Board
- No penalties assessed to date

Jay's Automotive Repair:

- Amount \$344
- Invoiced on 03/05/2013
- Remains unpaid to date
- Owner has not filed an appeal
- Not yet forwarded to the Franchise Tax Board
- No penalties assessed to date

Auto Plus Repair:

- Amount \$344
- Invoiced on 03/05/2013
- Remains unpaid to date

- Owner has not filed an appeal
- Not yet forwarded to the Franchise Tax Board
- No penalties assessed to date

If you need further information, feel free to contact me. Thank you.

Subject: Employment Offers to Library Staff Members

Honorable Mayor and City Council:

As the City Library operation transitions toward operation by LSSI, 20 of our current staff member applied for positions with LSSI.

This afternoon, I was informed that 18 have been offered positions in our Library and one has been offered a position in another LSSI-operated library in Riverside County.

We are delighted, though not at all surprised, that LSSI managers quickly recognized the skills and talents of our Library team. We are also pleased that LSSI moved swiftly into the hiring process, which also brings a sense of stability to our staff members and their families.

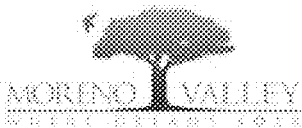

Looking ahead: We anticipate that the Library will close on August 31st, remaining closed over the Labor Day weekend and a few additional days required to reorganize the branch, shelve newly-ordered materials and prepare to re-open on September 9th under LSSI's management. We look forward to beginning a new chapter in serving Moreno Valley library patrons.

As always, please let me or Michelle know if we can provide additional information or assistance.

Respectfully,

Tom

Subject: Joint operation with ATF

Good evening,

For the past 4+ months, the MVPD SET Team (Narcotics) has been working with the Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF). Based on information developed by SET, the ATF provided an undercover agent to meet a known local drug dealer with the intent to purchase firearms from that dealer. The undercover (UC) agent met with the suspect on numerous occasions attempting to purchase one or more firearms. Each time, the suspect only offered illegal drugs for sale. The UC, using Federal funds, made several large purchases of cocaine and methamphetamine from this suspect. In early August, the MVPD SET Team, assisted by ATF, the West County Narcotics Task Force, and the Sheriff's Special Investigations Bureau concluded this phase of the investigation by taking the suspect into custody on his way to deliver another significant quantity of illegal drugs. This suspect, who has prior convictions for drug sales, is now facing Federal prosecution and a probable sentence of 20 years or more in Federal prison. I have been intentionally vague because the investigation is ongoing.

We appreciate the assistance of the ATF, WCNTF, and SIB in getting this dangerous criminal off the streets of Moreno Valley.

Subject: The Hole In Wall: Recovery Center Grand Opening

Please advise if you are interested in attending the grand opening

The Hole In Wall: Recovery Center Grand Opening
Noon-2 p.m., Thursday, August 8
24187 Postal Ave. (District 1)

The Hole In Wall Inc. (THIW), a not-for-profit organization of men and women joining forces for a common purpose, first open up its doors allowing for a drug-free, clean and safe 12-Step meeting facility in our community. We are proud to announce our official grand opening celebration event which will take place August 8th 2013 from 12:00pm to 2:00pm at 24187 Postal Avenue, Moreno Valley, CA 92553.

The Hole In Wall Inc. is opening as an expansion for two new meeting places, which previously included the Moreno Valley Alano club. This new location will provide a place where families and members of the community can participate in social events in a drug free and safe environment, seven days a week.

The Hole in Wall Inc. is looking to partner with the City of Moreno Valley in the next phase of development, including to add a drop-in center and day care facility for the homeless, those afflicted by drug abuse and formerly incarcerated individuals, by providing counseling and case management to help them overcome obstacles that prevent them from accessing resources.

PETITION FOR RECALL

13 AUG -6 AM 9:53

TO THE HONORABLE CITY COUNCIL of the CITY of MORENO VALLEY,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 3 of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Thomas Owings, holding the office of City Council Member in District 3 of the City of Moreno Valley, County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the Twentieth day of June, 2013 to Thomas Owings:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE THOMAS OWINGS: Pursuant to Section 11103, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Three, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Three, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents business or residence addresses are on file with the elections official are as follows:

Craig R. Gibbs, Joan Gibbs, Aida Espinoza, Jose Luis Espinoza, Jesus Ramos, Lisa Encinas, Robert A. Velasco, Lindsay J. Robinson, Byron R. Johnson, and Terri Hall

The answer of the officer sought to be recalled is as follows:

DON'T SIGN THIS PETITION. There are NO valid reasons for this recall. Nothing has happened since the November Election to justify the recall of Mayor Owings - a mere six months ago. It is the ANTI-JOB recall supporters' unfounded allegations which are embarrassing and shameful.

DON'T LET THEM STOP OUR MAYOR. The Mayor was candid with voters and did what he said he would do. He has delivered on his promises to create new jobs, balance the budget, increase graduation rates, and appoint new management with new vision at City Hall. The Mayor may be too blunt or too passionate for some but that's not a reason to remove him from office.

VOTERS NEED TO STOP THIS INSANITY! No elected official should ever be fearful of taking a firm stance or making an unpopular decision for fear of being removed from office by a frivolous and costly Recall.

VOTERS SHOULD REFUSE TO SIGN this Recall Petition and demand supporters stop this dishonest recall.

This is something we should all be able to agree on - because it is the right thing to do and because it is the fair thing to do!

Please advise if you are interested in attending the grand opening

The Hole In Wall: Recovery Center Grand Opening
Noon-2 p.m., Thursday, August 8
24187 Postal Ave. (District 1)

The Hole In Wall Inc. (THIW), a not-for-profit organization of men and women joining forces for a common purpose, first open up its doors allowing for a drug-free, clean and safe 12-Step meeting facility in our community. We are proud to announce our official

MV00257997

grand opening celebration event which will take place August 8th 2013 from 12:00pm to 2:00pm at 24187 Postal Avenue, Moreno Valley, CA 92553.

The Hole In Wall Inc. is opening as an expansion for two new meeting places, which previously included the Moreno Valley Alano club. This new location will provide a place where families and members of the community can participate in social events in a drug free and safe environment, seven days a week.

The Hole in Wall Inc. is looking to partner with the City of Moreno Valley in the next phase of development, including to add a drop-in center and day care facility for the homeless, those afflicted by drug abuse and formerly incarcerated individuals, by providing counseling and case management to help them overcome obstacles that prevent them from accessing resources.

Tom,

Cal Fire, Riverside County Fire Department and the USFS are currently fighting a wildland fire located in the area of Highway 243 and Poppet Flats. The Communities of Twin Pines and Poppet Flats are imminently threatened with evacuations currently occurring. The fire is estimated at 300 acres and moving at a rapid rate of spread with a potential of 2500 plus acres. Numerous fire department resources to include the DC-10 are being diverted to this incident for immediate need structure defense. It is anticipated that this fire will become a major incident within Riverside County. Units from Moreno Valley are either at scene or enroute.

Respectfully,

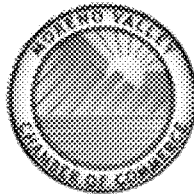

Abdul R. Ahmad
Division Chief
Moreno Valley Division

Subject: Alan Keith Louis - qualitative study educational reform
Attachments: letter_of_request.doc

Please advise if you would like to participate in the study

Thanks,

Cindy

To Whom It May Concern:

My name is Alan Keith Louis and I am a Walden University doctoral student. I am currently in my fourth year embarking on a dissertation journey. I am preparing to conduct a qualitative study on true educational reform regarding the California public school system. This approach to reform will incorporate the use of the public charter school as a catalyst for the reform process. I am seeking your input in the data collection process because the city council has a significant impact on the local school district. The research participation process will include completing a survey instrument and a face to face interview. The proposed date for the survey instrument is February 3 – 7, 2014. The follow up interview date will take place the week of February 24 – 28, 2014. I ask, for the express purpose of innovation and improvement of the public school system, that you give this opportunity your deepest consideration.

Thank you,

Alan Keith Louis

Attachments: 2013 press release.doc1A.doc; THIWmission2013revised(2) (1).docx1a.docx

Victoria:

Attached is information regarding The Hole In Wall: Recovery Center

The Hole In Wall: Recovery Center Grand Opening
Noon-2 p.m., Thursday, August 8
24187 Postal Ave. (District 1)

The Hole In Wall Inc. (THIW), a not-for-profit organization of men and women joining forces for a common purpose, first open up its doors allowing for a drug-free, clean and safe 12-Step meeting facility in our community. We are proud to announce our official grand opening celebration event which will take place August 8th 2013 from 12:00pm to 2:00pm at 24187 Postal Avenue, Moreno Valley, CA 92553.

The Hole In Wall Inc. is opening as an expansion for two new meeting places, which previously included the Moreno Valley Alano club. This new location will provide a place where families and members of the community can participate in social events in a drug free and safe environment, seven days a week.

The Hole in Wall Inc. is looking to partner with the City of Moreno Valley in the next phase of development, including to add a drop-in center and day care facility for the homeless, those afflicted by drug abuse and formerly incarcerated individuals, by providing counseling and case management to help them overcome obstacles that prevent them from accessing resources.

Subject: Gang Task Force activity

Good morning,

On August 7, 2013, the Regional Gang Task Force, assisted by the MVPD SET Team, served a search warrant in the 24000 block of Carman Lane. During the search, a small quantity of heroin was located along with evidence of fraud and child endangerment. Suspect Melissa Tarango (32) was arrested for defrauding a government entity, perjury, and child endangerment. Suspect Gilbert Paramo (37), a known gang member, was arrested for possessing heroin for sale and child endangerment. Both suspects were booked into RPDC.

Ms. Aja Smith
15705 Guajome Road
Moreno Valley, CA 92551

Dear Ms. Smith:

This is to inform you that the petition format submitted on July 30, 2013 to recall *Marcelo Co as City Council Member in District 4* of the City of Moreno Valley is hereby rejected for the following deficiency:

- 1) Third paragraph of the Petition Form, substantial error regarding date of service of the Notice of Intention... "9th Day of July, 2013"

Please change the date to the correct date of service and re-submit the Petition Form within 10 days. (The previously filed dated Petition Form listed the correct date: 25th Day of June, 2013.)

Pursuant to EC 11041, the proponents shall use the recall petition format provided by the Secretary of State. According to Procedure for Recalling State and Local Officials prepared by the Office of the Secretary of State, "the submitted blank copies of the petition will be carefully reviewed for uniformity and correctness and will be compared to the Notice of Intention and publication to assure accuracy in text, punctuation, capitalization, spelling, format, etc. If the comparison discloses discrepancies, the petition may be rejected."

Elections Code 11042 provides that the proponents must submit corrected petition formats to this office within ten days of receiving notification.

Please call the Office of the City Clerk at [REDACTED], if you have any questions.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jane Halstead".

Mrs. Debra Craig
24811 Freedom Ct.
Moreno Valley, CA 92557

Dear Mrs. Craig:

This is to inform you that the petition format submitted on July 30, 2013 to recall *Richard Stewart as Council Member in District 2* of the City of Moreno Valley is hereby rejected for the following deficiencies:

SIGNATURE TABLE:

1. Signature spaces must be consecutively numbered commencing with the number one (1.) for each petition section consistent with the Secretary of State guidelines. ...On Page 2 the numbering should follow...6, 7, 8, etc., E.C. 100(c).

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION:

Text of Notice of Intention must appear exactly as written on the original Notice.

1. First paragraph, first sentence: delete initial "A" before word "Stewart"
2. Correct misspelled names of proponents:
 - a) Debra D. Craig – D is missing
 - c) Michael R. Palmer – initial R is missing

INCUMBENT'S ANSWER:

1. Text of Answer to Grounds for Recall (it must appear exactly as written on the original Notice): Paragraph 8: word "office" should be lowercase.

DECLARATION OF CIRCULATOR (please see the Secretary of State Form):

1. The word "CIRCULATOR'S" is misspelled in the sentence: **MUST BE IN CIRCULATTOR'S OWN HANDWRITING.** It should have only one "T."

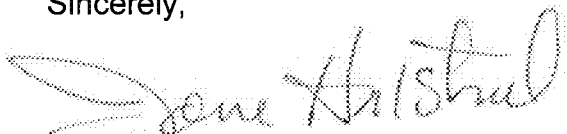

CITY CLERK

Pursuant to EC 11041, the proponents shall use the recall petition format provided by the Secretary of State. PETITION FOR RECALL

CITY CLERK
MORENO VALLEY
RECEIVED

13 AUG -8 PM 2:26

TO THE HONORABLE CITY COUNCIL of the CITY of MORENO VALLEY,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 4, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Marcelo Co, holding the office of Council Member for the City Council District 4, of the City Moreno Valley, in the County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the 25th Day of June, 2013 to Marcelo Co:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE Marcelo Co: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Four, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Four, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents are as follows: Aja Smith, Debra Smith, Deanna Reeder, Samantha Carbajal, Adam Carbajal, Kenneth Bell, Radene Ramos Hiers, Carri Ann Arrieta, John Arrieta, Nina Ramos Hiers.

The answer of the officer sought to be recalled is as follows:

DONT SIGN THE RECALL PETITION. This unethical lynch mob mentality has to stop. Recalls should not be used as a political tactic and are only appropriate for official misconduct. Although I've made tough and sometimes unpopular decisions that's not a reason to remove me from office.

Don't let the backers of this hate-driven bigoted assault on me get away with saying anything and do anything without any facts. They don't care that it will cost taxpayers hundreds of thousands!

Now that we finally have a working majority on the council things are getting done and I've been able to keep my promises to create new jobs, balance the budget, and bring common sense back to City Hall.

DONT LET THESE GADFLY'S HIJACK MORENO VALLEY. I stood up for you against the old boys club who ran our City into the ground. Now they are out of power and want back in and are being helped by a group of ANTI-JOB environmental zealots that will stop at nothing to stop job creation.

THIS CHAOS MUST STOP. If asked to sign the costly and dishonest recall petition - REFUSE TO SIGN!

Marcelo Co
City Councilmember District Four

Don't let the backers of this hate-driven bigoted assault on me get away with saying anything and do anything without any facts. They don't care that it will cost taxpayers hundreds of thousands!

Now that we finally have a working majority on the council things are getting done and I've been able to keep my promises to create new jobs, balance the budget, and bring common sense back to City Hall.

DON'T LET THESE GADFLY'S HIJACK MORENO VALLEY. I stood up for you against the old boys club who ran our City into the ground. Now they are out of power and want back in and are being helped by a group of ANTI-JOB environmental zealots that will stop at nothing to stop job creation.

THIS CHAOS MUST STOP. If asked to sign the costly and dishonest recall petition - REFUSE TO SIGN!

PETITION FOR RECALL

TO THE HONORABLE CITY COUNCIL of the CITY of MORENO VALLEY,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 4, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Marcelo Co, holding the office of Council Member for the City Council District 4, of the City Moreno Valley, in the County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the 25th Day of June, 2013 to Marcelo Co:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE Marcelo Co: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Four, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Four, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents are as follows: Aja Smith, Debra Smith, Deanna Reeder, Samantha Carbajal, Adam Carbajal, Kenneth Bell, Radene Ramos Hiers, Carri Ann Arrieta, John Arrieta, Nina Ramos Hiers.

The answer of the officer sought to be recalled is as follows:

DONT SIGN THE RECALL PETITION. This unethical lynch mob mentality has to stop. Recalls should not be used as a political tactic and are only appropriate for official misconduct. Although I've made tough and sometimes unpopular decisions that's not a reason to remove me from office.

Don't let the backers of this hate-driven bigoted assault on me get away with saying anything and do anything without any facts. They don't care that it will cost taxpayers hundreds of thousands!

Now that we finally have a working majority on the council things are getting done and I've been able to keep my promises to create new jobs, balance the budget, and bring common sense back to City Hall.

DONT LET THESE GADFLY'S HIJACK MORENO VALLEY. I stood up for you against the old boys club who ran our City into the ground. Now they are out of power and want back in and are being helped by a group of ANTI-JOB environmental zealots that will stop at nothing to stop job creation.

THIS CHAOS MUST STOP. If asked to sign the costly and dishonest recall petition – REFUSE TO SIGN!

Subject: Final Summer Movie in the Park

Good Afternoon,

This evening is the final Summer Movie in the Park! We welcome everyone to join us at the grass area of the Conference and Recreation Center at dusk for "***Here Comes the Boom***". Bring your sweaters, blankets, and families to enjoy a fun comedy as well as a visit from the Animal Shelter with local dogs available for adoption, and various pre-show activities for children. Hope to see everyone there!

Cecilia Gonzales

August 8, 2013

Mrs. Alicia Espinoza
15326 La Palma Way
Moreno Valley, CA 92555

Dear Mrs. Espinoza:

This is to inform you that the (corrected) petition format submitted on August 6, 2013 to recall *Tom Owings as City Council Member in District 3* of the City of Moreno Valley meets the requirements of the Elections Code as to form and wording.

Pursuant to Elections Code Section 11220, the petition shall be filed with the City Clerk's office not later than 120 days from August 8, 2013.

Therefore, the petition shall be filed no later than the close of normal office hours on December 5, 2013.

Pursuant to Elections Code Section 11221, the petition shall be signed by not less than 20% of the registered voters in City Council District 3 of the City of Moreno Valley. The number of registered voters in City Council District 3 is 17,717, as of the last report of registration to the Secretary of State, which was submitted by the Riverside County elections official on February 10, 2013.

The number of required signatures for City Council District 3 is 3,544.

Please be advised Elections Code 104, 11046 and 18650 are attached for your review. The circulator must be a registered voter in the jurisdiction of the officer sought to be recalled.

Please contact the office of the City Clerk at [REDACTED], if you have any questions.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jane Halstead".

Jane Halstead, CMC
City Clerk

103.

the petition is filed. A written request made under this section shall not constitute a petition or paper for purposes of Section 104.

(Amended by Stats. 2009, c. 510, §1.)

104. Declaration of circulator attached to petition; form.

(a) Whenever any petition or paper is submitted to the elections official, each section of the petition or paper shall have attached to it a declaration signed by the circulator of the petition or paper, setting forth, in the circulator's own hand, the following:

(1) The printed name of the circulator.

(2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.

(3) The dates between which all the signatures to the petition or paper were obtained.

(b) Each declaration submitted pursuant to this section shall also set forth the following:

(1) That the circulator circulated that section and witnessed the appended signatures being written.

(2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.

(c) The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of his or her name. The circulator shall state the date and the place of execution on the declaration immediately preceding his or her signature.

(Amended by Stats. 2012, c. 132, §1.)

105. Examination of petitions; residence address verification.

For purposes of verifying signatures on any initiative, referendum, recall, nomination, or other election petition or paper, the elections official shall determine that the residence address on the petition or paper is the same as the residence address on the affidavit of registration. If the addresses are different, or if the petition or paper does not specify the residence address, or, in the case of an initiative or referendum petition, if the information specified in Section 9020 is not contained in the petition, the affected signature shall not be counted as valid.

Any signature invalidated pursuant to this section shall not affect the validity of other valid signatures on the particular petition or paper.

(Added by Stats. 1994, c. 920, §2.)

106. Nomination papers' signatures.

Notwithstanding any other provision of law:

(a) Any registered voter who is a candidate for any office may obtain signatures to and sign his or her own nomination papers. The candidate's signature shall be given the same effect as that of any other qualified signer.

(b) Any person engaged in obtaining signatures to the nomination papers of a candidate for any office or to any recall, initiative or referendum petition, may, if otherwise qualified to sign the papers or petition, sign the papers or petition. The signature of the person shall be given the same effect as that of any other qualified signer.

(Added by Stats. 1994, c. 920, §2.)

11043.5. Secretary of state to provide recall petition format.

(a) The Secretary of State shall provide to county elections officials a recall petition format for distribution to proponents of a recall. The recall petition format shall be made available upon request by the county elections official and by the Secretary of State.

(b) The recall petition format made available pursuant to this section shall be utilized by proponents of a recall election.

(Added by Stats. 1996, c. 714, §5.)

11044. Separate petitions necessary.

Separate petitions are necessary to propose the recall of each officer.

(Added by Stats. 1994, c. 920, §2.)

11045. Only registered voters of jurisdiction qualified.

Only registered voters of the electoral jurisdiction of the officer sought to be recalled are qualified to circulate or sign a recall petition for that officer.

(Added by Stats. 1994, c. 920, §2.)

11046. Circulator's declaration.

To each section of a petition shall be attached a declaration, signed by the circulator thereof, that complies with Section 104. The declaration shall include a statement that the circulator is a registered voter in the jurisdiction of the officer sought to be recalled.

(Added by Stats. 1996, c. 714, §7.)

11047. Petition circulated in more than one county.

When a petition is circulated in more than one county for the recall of an officer, each section of the petition shall bear the name of the county for which it is circulated, and only registered voters of that county may sign that section.

(Amended by Stats. 2004, c. 156, §1.)

Chapter 2. Recall of State Officers: Intermediate Steps in the Recall**11100. Application of chapter.**

(a) This chapter applies only to the recall of state officers.

(b) In addition to this chapter, Sections 13 to 18, inclusive, of Article II of the California Constitution and the applicable provisions of Chapter 1 (commencing with Section 11000) and Chapter 4 (commencing with Section 11300) shall govern the recall of state officers.

(Amended by Stats. 2010, c. 328, §52.)

11101. Presumption that the petition contains the required signatures.

Unless and until it is otherwise proven upon official investigation, it shall be presumed that the petition presented contains the signatures of the requisite number of registered voters.

(Amended by Stats. 1996, c. 714, §8.)

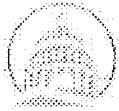

11102. Filing of petition sections.

Each section of a recall petition shall be filed with the elections official of the county for which it was circulated.

(Amended by Stats. 2004, c. 156, §2.)

11103. Filing of petition section; written authorization.

Each section of the petition shall be filed by the proponents or by any person or persons authorized, in writing, by a proponent. Each time an autho-

Subject: Moreno Valley Team Update

I'm pleased to update all of you on a number of items that affect the City organization:

Employee Appreciation Barbecue: Your Executive Team is pleased to treat you to lunch in appreciation of your commitment and hard work. All employees are invited to an Employee Appreciation Barbecue on Tuesday, August 20th at the CRC. In order to allow time for everyone to participate and to provide coverage for our customers we will have two shifts: please join us from 11:30 - 12:30 or from 12:30 - 1:30. Thank you to the Department Heads for paying for the lunch (with side dishes contributed from Moreno Valley's Costco), to the Parks & Community Services Department for planning and set up, and to Senior Center Supervisor Jay Jones for his barbecuing skills.

Friday Hours at City Hall: City Hall has now been open on two Fridays to provide development services to our customers. Business has been relatively steady: on our very first Friday with the new 7:30 – 1:30 service hours (July 11th) we served 36 customers. We assisted 31 on July 25th. The Animal Shelter is reporting steady business during their new weekend hours as well. Thank you to our team members in Planning, Building & Safety, Land Development, Fire Prevention, Treasury Operations, Technology Services, Code Compliance and Animal Services.

Dress Code Information: As you know, I modified the Workplace Image Policy to designate Fridays as casual dress days, rather than Thursdays. The Policy has historically included the following language: "In spite of the outside temperature or the latest fashion craze, our workplace image is paramount." In keeping with this longstanding, and appropriate philosophy, the Policy will no longer contain language which added a second dress code for summer months. Effective September 1st, the Workplace Image Policy will be consistent throughout the year: Business attire on Monday through Thursday, with casual dress permitted only on Fridays. I recognize that this represents a slight departure from the recent past, and appreciate your support of a Policy revision designed to convey our respect for the residents and businesses we serve.

Library Outsourcing: The City is outsourcing the operation of the Moreno Valley Public Library to Library Systems and Services, the private sector enterprise that also operates more than 30 library branches located in cities and unincorporated communities throughout Riverside County. As the City Library operation transitions toward operation by LSSI, 20 of our current staff members applied for positions with LSSI. Eighteen of these employees have been offered positions in our Library and one has been offered a position in another LSSI-operated library in Riverside County. Though we are not surprised that LSSI managers quickly recognized the skills and talents of our Library team, we are happy that so many employees will continue to serve our Library customers. We anticipate that the Library will close on August 31st, remaining closed over the Labor Day weekend and a few additional days required to reorganize the branch, shelve newly-ordered materials and prepare to re-open on September 9th under LSSI's management.

Crossing Guard Program: School Crossing Guards are hired as Temporary Employees, and the program is managed by the Public Works Department. At the July 9th Council meeting, the Council again considered the option of outsourcing the City's crossing guard program to a private contractor as another cost-savings

measure. The City Council did not take action on this item and directed that the program will remain in-house at least through the 2013/14 school year.

Submit Your Photos of “What I Did on my Summer Vacation”: We’d like to know how you have spent your much-deserved vacation time this summer. A full announcement will be forthcoming next week, but essentially we’d like you to forward a photo or two from your summer vacation (or staycation if that’s the case) to Rob Roseen in Media & Communications (robertr@moval.org) and he will post them on an intranet page he created for sharing vacation photos with other employees.

MVFD Assists in Area Fire Fights: For the last few weeks, the Moreno Valley Fire Department has been assisting CAL FIRE/ Riverside County Fire and the United States Forest Service with numerous wildfires in Riverside County. Several fire apparatus from Moreno Valley as well as our Chief Officers have assisted with these fires including:

- The Mountain Fire which was began on July 15 and was located near Mountain Center in the San Jacinto Mountains. This fire burned 27,531 acres prior to containment
- The Falls Fire which began on August 5 and was located off of the Ortega Highway near Lake Elsinore. This fire burned 1,416 acres
- The Silver Fire which began on August 7 and is still actively burning. This fire has already triggered the evacuation of Poppet Flats, Twin Pines, and Silent Valley

All three of these fires became major incidents in a short period of time due to low humidity, hot temperatures, and dry fuel conditions. The containment of the Mountain Fire was greatly aided by a change in weather conditions while the Falls Fire was contained due to rapid intervention by numerous fire agencies, including some amazing air tanker activity as noted in the photograph below (photograph courtesy of Jeremy Ulloa). Special thanks to all our fire personnel.

Economic Development Update: John Terell and the rest of the development services team are making great things happen in Moreno Valley. The major economic development activities that we can discuss include the following:

- Aldi: Aldi Foods has selected Moreno Valley for its new southwest regional headquarters and distribution center in an approved 835,000 square foot building on the south side of Route 60 west of Redlands Boulevard. Aldi, with over 1,200 stores in the east and mid-west, also plans to open two stores in Moreno Valley.

- Stater Bros.: Stater Bros. has purchased the former Albertson's store at the northwest corner of Ironwood Avenue and Pigeon Pass Road. Stater's plans to spend several million dollars in renovations to open one of their top line stores by the end of this year.
- Sares-Regis: A national "lifestyle brand" has selected Moreno Valley for a new 800,000 square foot distribution center, with the potential to expand to 1,600,000 square feet of an approved project in the South Moreno Valley Industrial Area. The name of the tenant has been requested to be kept confidential pending the completion of lease negotiations.
- Polly's Pies: Polly's Pies has purchased the former Red Robin restaurant on the north side of TownGate Boulevard west of Frederick Street. The renovated restaurant is planned for opening within the next few months.
- Miguel's Jr.: Miguel's Jr. is constructing a new restaurant on Day Street north of Eucalyptus Avenue. The new restaurant is planned for opening later this year.
- Crunch Gym, Planet Fitness and 24 Hour Fitness: Three new gyms are planned for the TownGate area. Crunch Gym has leased space on the east end of the first floor of the Moreno Valley Mall. Planet Fitness has leased space between Ross Stores and the new BevMo! In the TownGate Shopping Center. 24 Hour Fitness has approved plans to construct a new gym just north of Costco on Day Street.

As always, thank you for all of your hard work and dedication to the City of Moreno Valley.

Subject: West Nile Virus

Dear Council:

The City contracts with the Riverside County Vector Control program, which provides routine surveillance for West Nile Virus as part of their contract. Mosquitos collected at a location near John F. Kennedy Drive and Oliver Street tested positive for West Nile Virus. The County is increasing their efforts to locate the possible sources of any mosquito breeding and will treat those areas as needed to reduce the number of mosquitos on Thursday morning. The County will post signs around the area explaining their actions. Related to this finding, the City's Code Compliance staff will implement an enhanced protocol when dealing with violations in the area for stagnant pools and other similar standing water complaints.

This is the second location in the City with a positive test for West Nile Virus. The County continues to monitor the first location in Hidden Springs.

The County has provided the following tips on how individuals can reduce their risk of mosquito-borne diseases by taking these precautions:

- Avoid spending time outside when mosquitoes are most active, especially at dawn and dusk.
- When outdoors, wear long pants, long-sleeved shirts and other protective clothing.
- Apply insect repellent according to the label instructions.
- Make sure that the doors and windows have tight fitting screens. Repair or replace screens that have tears or holes.
- Eliminate all sources of standing water on your property that can support mosquito breeding.
- Contact this program if there is a significant mosquito problem where you live or work (for the location of local agency/district by using zip codes see the State's WNV Website).

Should you have any questions or concerns, please contact me.

Sincerely,

John

John C. Terell, AICP/Interim Community & Economic Development Director/City of Moreno Valley/PO Box 88005, Moreno Valley, [REDACTED]

For City Clerk's Use
Stamp: Time and Date Received

CLAIM AGAINST THE CITY OF MORENO VALLEY
(For Damage to Persons or Personal Property)

Received by Kathy Gross FOR OFFICE USE ONLY

CLAIM NO. 2013-39

via U.S. Mail
 Inter Office Memo
 Over the Counter

A claim must be filed with the City Clerk of the City of Moreno Valley within six (6) months after occurrence of the incident or event on which the claim is based. Be sure your claim is against the City of Moreno Valley, not another public entity. Where space is insufficient, please use additional paper and identify information by paragraph number.

Completed claims must be mailed or delivered to: the City Clerk, City of Moreno Valley, 14177 Frederick St., P.O. Box 88005, Moreno Valley, California 92552-0805.

TO THE HONORABLE MAYOR AND CITY COUNCIL, The City of Moreno Valley California,
The undersigned respectfully submits the following claim and information relative to damage to persons and/or personal property:

1. NAME OF CLAIMANT	<u>City of Perris</u>
a. ADDRESS OF CLAIMANT	<u>101 N. D Street, Perris, CA 92570</u>
b. PHONE NUMBER	<u>[REDACTED]</u>
c. DATE OF BIRTH	<u>Not applicable</u>
d. SOCIAL SECURITY NO.	<u>Not applicable</u>
e. DRIVER'S LICENSE NO.	<u>Not applicable</u>

2. Name, telephone, and mailing address to which claimant desires notices to be sent, if other than above:
June Ailin, Esq., Aleshire & Wynder, 2361 Rosecrans Avenue, El Segundo, CA 90245

3. Occurrence or event from which the claim arises:
a. DATE May 1, 2013 and May 13, 2013 at approximately 2:00 p.m.
b. TIME _____
c. PLACE (Exact & specific location) Sacramento County Superior Court, 720 9th Street, Sacramento, CA 95814 and Perris City Hall, 101 N. D. Street, Perris, CA 92570

d. How and under what circumstances did damage or injury occur? Specify the particular occurrence, event, act, or omission you claim caused the injury or damage (use additional paper if necessary).

See Attachment 1 – City of Moreno Valley breached the Twelfth Amended Joint Powers Agreement and breached the covenant of good faith and fair dealing implied in the Twelfth Amended Joint Powers Agreement.

e. What particular action by the City, or its employees, caused the alleged damage or injury?

See Attachment 1

4. A general description of the indebtedness, obligation, injury, damage or loss incurred so far as it may be known at the time of presentation of the claim. If there were no injuries, state "no injuries"

See Attachment 1

5. Give the name(s) of the City employee(s) causing the damage or injury. If unknown, provide whatever information is available which might identify the person responsible.

Council members, Jesse L. Molina, Richard A. Stewart, Tom Owings, Marcelo Co and Victoria Baca, and City Manager, Michelle Dawson

6. Name and address of any other person(s) injured:

City of Riverside, 3900 Main Street, Riverside, CA 92522, and County of Riverside, 4080 Lemon Street, Riverside, CA 92501

7. Name and address of the owner of any damaged property:

Not applicable

8. Damages claimed:

a. Amount claimed as of this date: \$ 10,000.00

b. Estimate amount of future costs: \$ 350,000.00

c. Total amount claimed: \$ 360,000.00

d. Basis for computation of amounts claimed (Include copies of all bills, invoices, estimates, etc.):

Attorney's fees and costs

9. Names and addresses of all witnesses, hospitals, doctors, etc:

a. Council members, Jesse L. Molina, Richard A. Stewart, Tom Owings, Marcelo Co and

b. Victoria Baca; City Manager, Michelle Dawson; and Iddo Benzeevi

c. _____

d. _____

10. Any additional information that might be helpful in considering this claim:

WARNING: IT IS A CRIMINAL OFFENSE TO FILE A FALSE CLAIM.

(Penal Code Section 72; Insurance Code Section 556)

I have read the matters and statement made in the above claim and I know the same to be true of my own knowledge, except as to those matters stated upon information or belief as to such matters I believe the same to be true. I certify under penalty of perjury that the foregoing is TRUE and CORRECT.

**ATTACHMENT 1
TO CITY OF PERRIS' CLAIM
AGAINST THE CITY OF MORENO VALLEY**

On May 1, 2013, the City of Moreno Valley ("Moreno Valley") filed a Petition for Writ of Mandate and Complaint for Declaratory and Injunctive Relief initiating the case of *City of Moreno Valley v. Matosantos, et al.*, Sacramento County Superior Court, Case No. 34-2013-80001478 (the "Lawsuit"). Moreno Valley identified the City of Perris ("Perris"), among others, as a real party in interest in the Lawsuit. Moreno Valley alleges in the Lawsuit that the March Joint Powers Authority ("March JPA") is not the proper successor agency to the former March Joint Powers Redevelopment Agency ("Former RDA"), that the March JPA members, City of Riverside, County of Riverside, Moreno Valley and Perris ("March JPA Members"), individually became the successor agencies of the Former RDA upon its dissolution. It further alleges that agreements, including but not limited to the First Amendment to the Disposition and Development Agreement with March Healthcare, LLC, signed by the March JPA as the successor agency to the Former RDA, are not valid.

The allegations in the Petition are contrary to the express terms of the executed Twelfth Amended Joint Powers Agreement ("Twelfth JPA") executed by the March JPA Members, whereby the March JPA Members designated the March JPA to serve as the successor agency to the Former RDA upon its dissolution, and the express terms of Resolution JPA 12-04 adopted by the March JPA, whereby the Commission of the March JPA ratified the March JPA's election, in accordance with the Twelfth JPA, that the March JPA should serve as the successor agency to the Former RDA upon its dissolution. At all times from the Former RDA's dissolution until the filing of the Lawsuit, Moreno Valley's representatives on the March JPA's governing board have participated in business decisions of the March JPA as the successor agency of the Former RDA. From the Former RDA's dissolution until the filing of the Lawsuit, these representatives did not contest the March JPA's authority to administer the Successor Agency. In fact, Moreno Valley's

representatives on the March JPA's governing board voted to approve the Twelfth JPA and the First Amendment to the Disposition and Development Agreement between the Former RDA and March Healthcare Development, LLC that is attached in the Lawsuit. Now, through the Lawsuit, Moreno Valley seeks to repudiate the Twelfth JPA and the First Amendment to the Disposition and Development Agreement between the Former RDA and March Healthcare Development, LLC, claiming the March JPA had no authority to act as or to administer the Successor Agency.

Moreno Valley has breached the Twelfth JPA and breached the covenant of good faith and fair dealing implied in the Twelfth JPA by, among other things, filing the Lawsuit and repudiating the Twelfth JPA and the First Amendment to the Disposition and Development Agreement between the Former RDA and March Healthcare Development, LLC. Perris is entitled to specific performance of the Twelfth JPA and money damages for the breach of the Twelfth JPA and the amendment to the Disposition and Development Agreement between the Former RDA and March Healthcare Development, LLC.

Further, Perris is entitled to indemnity from Moreno Valley for all damages and all costs and expenses Perris has incurred or will incur in connection with the Lawsuit. The pertinent parts of Section 7 of the Twelfth JPA provide that each party to the Twelfth JPA shall "defend, indemnify and hold harmless each other party from and against all claims, damages, losses, judgments, liabilities, expenses, and other costs including litigation costs and attorneys' fees arising out of, resulting from or in connection with the performance of this Agreement by any of its officers, employees, or agents."

Subject: Shooting and vehicle collision

Good evening,

Today about 2:10 PM, officers responded to a reported shooting in the area of Redlands and Cactus. On arrival, they located two damaged vehicles with nobody in the immediate area. A search of the area revealed a male adult suffering from a minor gunshot wound.

Further search of the area resulted in the arrest of one suspect believed to have been involved in the shooting. A handgun was located in the suspect vehicle.

Investigators are working the case as an attempted murder. It appears a third vehicle may have been involved, but that is still under investigation.

I will update you tomorrow once more information is available.

Subject: WESTPAC enforcement activity in Moreno Valley

Good morning,

The WESTPACT Team conducted numerous probation, PRCS and Parole compliance checks in the City of Moreno Valley on 07/26/13. All persons were found to be in compliance with the terms of their probation or parole.

The WESTPACT Team conducted numerous probation, PRCS and Parole compliance checks in the City of Moreno Valley on 08/09/13. The following is a list of all persons arrested:

Gary Churchill (081172)
25000 block of Sweetleaf St., Moreno Valley

Churchill is a registered sex offender living in the City of Moreno Valley. Churchill had a \$500,000 warrant for his arrest out of San Bernardino County for failing to properly register as a sex offender. Churchill was arrested for his warrant and booked into RPDC. (MV132210202)

Eric Gomez (070184)
22000 block of Bay Avenue, Moreno Valley

A probation compliance search of Gomez' residence revealed he was in possession of a glass meth pipe. Gomez was also determined to be under the influence of a controlled substance. Gomez' girlfriend, Marlen Lopez, was also contacted at the residence. Lopez is currently on Riverside County Probation. Both Gomez and Lopez were in violation of the terms and conditions of their probation. Gomez was later transported and booked into RPDC for violation of probation, under the influence of a controlled substance, and possession of drug paraphernalia. Lopez was later transported and booked into RPDC for violation of probation and being under the influence of a controlled substance. (MV132210231)

WESTPACT Team members contacted Ivan Santamarina in the area of Pepper Court and Clover Avenue. A computer records check of Santamarina revealed a misdemeanor warrant for possession of a concealed firearm. Santamarina was issued a citation for his warrant and released in the field. (MV132210328)

Team members contacted Gregory Jackson in the area of Edgemont Street and Cottonwood Avenue. A computer records check of Jackson revealed he had a felony warrant for assault with a deadly weapon. Jackson was arrested for his warrant and transported to RPDC. (MV132210352)

Subject: Attempted murder - update

Good morning,

The car-to-car shooting I reported to you last night appears to be drug related. A quantity of US Currency was found in the victim's vehicle and a quantity of methamphetamine was found in the suspect's vehicle. It appears something went wrong with the planned drug sale and gunfire ensued. The suspect we have in custody made several incriminating statements and was booked into RPDC on charges of attempted murder, sales of methamphetamine while armed, possession of methamphetamine, and transportation of methamphetamine. The victim's injuries were not serious and he was released after being treated. The investigation is ongoing. At least one suspect and one victim are still outstanding.

Mrs. Aja Smith
15705 Guajome Road
Moreno Valley, 92551

Dear Mrs. Smith:

This is to inform you that the (corrected) petition format submitted on August 8, 2013 to recall Marcelo Co as *City Council Member in District 4* of the City of Moreno Valley meets the requirements of the Elections Code as to form and wording.

Pursuant to Elections Code Section 11220, the petition shall be filed with the City Clerk's office not later than 120 days from August 12, 2013.

Therefore, the petition shall be filed no later than the close of normal office hours on December 10, 2013.

Pursuant to Elections Code Section 11221, the petition shall be signed by not less than 20% of the registered voters in City Council District 4 of the City of Moreno Valley. The number of registered voters in City Council District 4 is 16,219 as of the last report of registration to the Secretary of State, which was submitted by the Riverside County elections official on February 10, 2013.

The number of required signatures for City Council District 4 is 3,244.

Please be advised Elections Code 104, 11046 and 18650 are attached for your review. The circulator must be a registered voter in the jurisdiction of the officer sought to be recalled.

Please contact the office of the City Clerk at [REDACTED], if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jane Halstead", is written over a circular embossed seal. The seal contains the text "CITY OF MORENO VALLEY" and "OFFICE OF THE CITY CLERK".

Jane Halstead, CMC
City Clerk

Enclosures: E.C. 104, 11046 & 18650

CITY CLERK

103.

the petition is filed. A written request made under this section shall not constitute a petition or paper for purposes of Section 104.

(Amended by Stats. 2009, c. 510, §1.)

104. Declaration of circulator attached to petition; form.

(a) Wherever any petition or paper is submitted to the elections official, each section of the petition or paper shall have attached to it a declaration signed by the circulator of the petition or paper, setting forth, in the circulator's own hand, the following:

(1) The printed name of the circulator.

(2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.

(3) The dates between which all the signatures to the petition or paper were obtained.

(b) Each declaration submitted pursuant to this section shall also set forth the following:

(1) That the circulator circulated that section and witnessed the appended signatures being written.

(2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.

(c) The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of his or her name. The circulator shall state the date and the place of execution on the declaration immediately preceding his or her signature.

(Amended by Stats. 2012, c. 132, §1.)

105. Examination of petitions; residence address verification.

For purposes of verifying signatures on any initiative, referendum, recall, nomination, or other election petition or paper, the elections official shall determine that the residence address on the petition or paper is the same as the residence address on the affidavit of registration. If the addresses are different, or if the petition or paper does not specify the residence address, or, in the case of an initiative or referendum petition, if the information specified in Section 9020 is not contained in the petition, the affected signature shall not be counted as valid.

Any signature invalidated pursuant to this section shall not affect the validity of other valid signatures on the particular petition or paper.

(Added by Stats. 1994, c. 920, §2.)

106. Nomination papers' signatures.

Notwithstanding any other provision of law:

(a) Any registered voter who is a candidate for any office may obtain signatures to and sign his or her own nomination papers. The candidate's signature shall be given the same effect as that of any other qualified signer.

(b) Any person engaged in obtaining signatures to the nomination papers of a candidate for any office or to any recall, initiative or referendum petition, may, if otherwise qualified to sign the papers or petition, sign the papers or petition. The signature of the person shall be given the same effect as that of any other qualified signer.

(Added by Stats. 1994, c. 920, §2.)

11043.5. Secretary of state to provide recall petition format.

(a) The Secretary of State shall provide to county elections officials a recall petition format for distribution to proponents of a recall. The recall petition format shall be made available upon request by the county elections official and by the Secretary of State.

(b) The recall petition format made available pursuant to this section shall be utilized by proponents of a recall election.

(Added by Stats. 1996, c. 714, §5.)

11044. Separate petitions necessary.

Separate petitions are necessary to propose the recall of each officer.

(Added by Stats. 1994, c. 920, §2.)

11045. Only registered voters of jurisdiction qualified.

Only registered voters of the electoral jurisdiction of the officer sought to be recalled are qualified to circulate or sign a recall petition for that officer.

(Added by Stats. 1994, c. 920, §2.)

11046. Circulator's declaration.

To each section of a petition shall be attached a declaration, signed by the circulator thereof, that complies with Section 104. The declaration shall include a statement that the circulator is a registered voter in the jurisdiction of the officer sought to be recalled.

(Added by Stats. 1996, c. 714, §7.)

11047. Petition circulated in more than one county.

When a petition is circulated in more than one county for the recall of an officer, each section of the petition shall bear the name of the county for which it is circulated, and only registered voters of that county may sign that section.

(Amended by Stats. 2004, c. 156, §1.)

Chapter 2. Recall of State Officers: Intermediate Steps in the Recall**11100. Application of chapter.**

(a) This chapter applies only to the recall of state officers.

(b) In addition to this chapter, Sections 13 to 18, inclusive, of Article II of the California Constitution and the applicable provisions of Chapter 1 (commencing with Section 11000) and Chapter 4 (commencing with Section 11300) shall govern the recall of state officers.

(Amended by Stats. 2010, c. 328, §62.)

11101. Presumption that the petition contains the required signatures.

Unless and until it is otherwise proven upon official investigation, it shall be presumed that the petition presented contains the signatures of the requisite number of registered voters.

(Amended by Stats. 1996, c. 714, §8.)

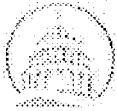

11102. Filing of petition sections.

Each section of a recall petition shall be filed with the elections official of the county for which it was circulated.

(Amended by Stats. 2004, c. 156, §2.)

11103. Filing of petition section; written authorization.

Each section of the petition shall be filed by the proponents or by any person or persons authorized, in writing, by a proponent. Each time an autho-

August 12, 2013

Mrs. Aja Smith
15705 Guajome Road
Moreno Valley, 92551

Dear Mrs. Smith:

This is to inform you that the (corrected) petition format submitted on August 8, 2013 to recall Marcelo Co as *City Council Member in District 4* of the City of Moreno Valley meets the requirements of the Elections Code as to form and wording.

Pursuant to Elections Code Section 11220, the petition shall be filed with the City Clerk's office not later than 120 days from August 12, 2013.

Therefore, the petition shall be filed no later than the close of normal office hours on December 10, 2013.

Pursuant to Elections Code Section 11221, the petition shall be signed by not less than 20% of the registered voters in City Council District 4 of the City of Moreno Valley. The number of registered voters in City Council District 4 is 16,219 as of the last report of registration to the Secretary of State, which was submitted by the Riverside County elections official on February 10, 2013.

The number of required signatures for City Council District 4 is 3,244.

Please be advised Elections Code 104, 11046 and 18650 are attached for your review. The circulator must be a registered voter in the jurisdiction of the officer sought to be recalled.

Please contact the office of the City Clerk at [REDACTED], if you have any questions.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jane Halstead", is written over a faint, dotted-line signature.

Jane Halstead, CMC
City Clerk

Enclosures: E.C. 104, 11046 & 18650

CITY CLERK

103.

the petition is filed. A written request made under this section shall not constitute a petition or paper for purposes of Section 104.

(Amended by Stats. 2009, c. 510, §1.)

104. Declaration of circulator attached to petition; form.

(a) Wherever any petition or paper is submitted to the elections official, each section of the petition or paper shall have attached to it a declaration signed by the circulator of the petition or paper, setting forth, in the circulator's own hand, the following:

(1) The printed name of the circulator.

(2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.

(3) The dates between which all the signatures to the petition or paper were obtained.

(b) Each declaration submitted pursuant to this section shall also set forth the following:

(1) That the circulator circulated that section and witnessed the appended signatures being written.

(2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.

(c) The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of his or her name. The circulator shall state the date and the place of execution on the declaration immediately preceding his or her signature.

(Amended by Stats. 2012, c. 132, §1.)

105. Examination of petitions; residence address verification.

For purposes of verifying signatures on any initiative, referendum, recall, nomination, or other election petition or paper, the elections official shall determine that the residence address on the petition or paper is the same as the residence address on the affidavit of registration. If the addresses are different, or if the petition or paper does not specify the residence address, or, in the case of an initiative or referendum petition, if the information specified in Section 9020 is not contained in the petition, the affected signature shall not be counted as valid.

Any signature invalidated pursuant to this section shall not affect the validity of other valid signatures on the particular petition or paper.

(Added by Stats. 1994, c. 920, §2.)

106. Nomination papers' signatures.

Notwithstanding any other provision of law:

(a) Any registered voter who is a candidate for any office may obtain signatures to and sign his or her own nomination papers. The candidate's signature shall be given the same effect as that of any other qualified signer.

(b) Any person engaged in obtaining signatures to the nomination papers of a candidate for any office or to any recall, initiative or referendum petition, may, if otherwise qualified to sign the papers or petition, sign the papers or petition. The signature of the person shall be given the same effect as that of any other qualified signer.

(Added by Stats. 1994, c. 920, §2.)

11043.5. Secretary of state to provide recall petition format.

(a) The Secretary of State shall provide to county elections officials a recall petition format for distribution to proponents of a recall. The recall petition format shall be made available upon request by the county elections official and by the Secretary of State.

(b) The recall petition format made available pursuant to this section shall be utilized by proponents of a recall election.

(Added by Stats. 1996, c. 714, §5.)

11044. Separate petitions necessary.

Separate petitions are necessary to propose the recall of each officer.

(Added by Stats. 1994, c. 920, §2.)

11045. Only registered voters of jurisdiction qualified.

Only registered voters of the electoral jurisdiction of the officer sought to be recalled are qualified to circulate or sign a recall petition for that officer.

(Added by Stats. 1994, c. 920, §2.)

11046. Circulator's declaration.

To each section of a petition shall be attached a declaration, signed by the circulator thereof, that complies with Section 104. The declaration shall include a statement that the circulator is a registered voter in the jurisdiction of the officer sought to be recalled.

(Added by Stats. 1996, c. 714, §7.)

11047. Petition circulated in more than one county.

When a petition is circulated in more than one county for the recall of an officer, each section of the petition shall bear the name of the county for which it is circulated, and only registered voters of that county may sign that section.

(Amended by Stats. 2004, c. 156, §1.)

Chapter 2. Recall of State Officers: Intermediate Steps in the Recall

11100. Application of chapter.

(a) This chapter applies only to the recall of state officers.

(b) In addition to this chapter, Sections 13 to 18, inclusive, of Article II of the California Constitution and the applicable provisions of Chapter 1 (commencing with Section 11000) and Chapter 4 (commencing with Section 11300) shall govern the recall of state officers.

Subject: West Nile Virus

Dear Council:

The City contracts with the Riverside County Vector Control program, which provides routine surveillance for West Nile Virus as part of their contract. Mosquitos collected at a location near John F. Kennedy Drive and Oliver Street tested positive for West Nile Virus. The County is increasing their efforts to locate the possible sources of any mosquito breeding and will treat those areas as needed to reduce the number of mosquitos on Thursday morning. The County will post signs around the area explaining their actions. Related to this finding, the City's Code Compliance staff will implement an enhanced protocol when dealing with violations in the area for stagnant pools and other similar standing water complaints.

This is the second location in the City with a positive test for West Nile Virus. The County continues to monitor the first location in Hidden Springs.

The County has provided the following tips on how individuals can reduce their risk of mosquito-borne diseases by taking these precautions:

- Avoid spending time outside when mosquitoes are most active, especially at dawn and dusk.
- When outdoors, wear long pants, long-sleeved shirts and other protective clothing.
- Apply insect repellent according to the label instructions.
- Make sure that the doors and windows have tight fitting screens. Repair or replace screens that have tears or holes.
- Eliminate all sources of standing water on your property that can support mosquito breeding.
- Contact this program if there is a significant mosquito problem where you live or work (for the location of local agency/district by using zip codes see the State's WNV Website).

Should you have any questions or concerns, please contact me.

Sincerely,

John

103.

the petition is filed. A written request made under this section shall not constitute a petition or paper for purposes of Section 104.

(Amended by Stats. 2009, c. 510, §1.)

104. Declaration of circulator attached to petition; form.

(a) Wherever any petition or paper is submitted to the elections official, each section of the petition or paper shall have attached to it a declaration signed by the circulator of the petition or paper, setting forth, in the circulator's own hand, the following:

(1) The printed name of the circulator.

(2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.

(3) The dates between which all the signatures to the petition or paper were obtained.

(b) Each declaration submitted pursuant to this section shall also set forth the following:

(1) That the circulator circulated that section and witnessed the appended signatures being written.

(2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.

(c) The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of his or her name. The circulator shall state the date and the place of execution on the declaration immediately preceding his or her signature.

(Amended by Stats. 2012, c. 132, §1.)

105. Examination of petitions; residence address verification.

For purposes of verifying signatures on any initiative, referendum, recall, nomination, or other election petition or paper, the elections official shall determine that the residence address on the petition or paper is the same as the residence address on the affidavit of registration. If the addresses are different, or if the petition or paper does not specify the residence address, or, in the case of an initiative or referendum petition, if the information specified in Section 9020 is not contained in the petition, the affected signature shall not be counted as valid.

Any signature invalidated pursuant to this section shall not affect the validity of other valid signatures on the particular petition or paper.

(Added by Stats. 1994, c. 920, §2.)

106. Nomination papers' signatures.

Notwithstanding any other provision of law:

(a) Any registered voter who is a candidate for any office may obtain signatures to and sign his or her own nomination papers. The candidate's signature shall be given the same effect as that of any other qualified signer.

(b) Any person engaged in obtaining signatures to the nomination papers of a candidate for any office or to any recall, initiative or referendum petition, may, if otherwise qualified to sign the papers or petition, sign the papers or petition. The signature of the person shall be given the same effect as that of any other qualified signer.

(Added by Stats. 1994, c. 920, §2.)

11043.5. Secretary of state to provide recall petition format.

(a) The Secretary of State shall provide to county elections officials a recall petition format for distribution to proponents of a recall. The recall petition format shall be made available upon request by the county elections official and by the Secretary of State.

(b) The recall petition format made available pursuant to this section shall be utilized by proponents of a recall election.

(Added by Stats. 1996, c. 714, §5.)

11044. Separate petitions necessary.

Separate petitions are necessary to propose the recall of each officer.

(Added by Stats. 1994, c. 920, §2.)

11045. Only registered voters of jurisdiction qualified.

Only registered voters of the electoral jurisdiction of the officer sought to be recalled are qualified to circulate or sign a recall petition for that officer.

(Added by Stats. 1994, c. 920, §2.)

11046. Circulator's declaration.

To each section of a petition shall be attached a declaration, signed by the circulator thereof, that complies with Section 104. The declaration shall include a statement that the circulator is a registered voter in the jurisdiction of the officer sought to be recalled.

(Added by Stats. 1996, c. 714, §7.)

11047. Petition circulated in more than one county.

When a petition is circulated in more than one county for the recall of an officer, each section of the petition shall bear the name of the county for which it is circulated, and only registered voters of that county may sign that section.

(Amended by Stats. 2004, c. 156, §1.)

Chapter 2. Recall of State Officers: Intermediate Steps in the Recall

11100. Application of chapter.

(a) This chapter applies only to the recall of state officers.

(b) In addition to this chapter, Sections 13 to 18, inclusive, of Article II of the California Constitution and the applicable provisions of Chapter 1 (commencing with Section 11000) and Chapter 4 (commencing with Section 11300) shall govern the recall of state officers.

Moreno Valley City Council Member Marcelo Co Resigns

Moreno Valley City Council Member Marcelo Co today notified the City Clerk that he has resigned from office effective today.

Co has represented the Moreno Valley's 4th District since his election in November 2010. District 4 comprises the City's southern end.

"The Council respects Mr. Co's decision, and we will work collectively to assist residents and businesses in that area of the City during this interim period," said Mayor Tom Owings.

A copy of Mr. Co's letter of resignation is provided with this news release.

The City Council will hold a public discussion regarding options to fill a brief vacancy in the 4th District seat at an upcoming meeting. Per Government Code Section 36512, the Council has up to 60 days to make an interim appointment or call a special election that would occur in 2014 (no earlier than 114 days after being called). The 4th District Council seat will be open for election in November 2014.

Subject: Vehicle into building

Good afternoon,

The incident at the Loma Linda medical clinic resulted in very minor injuries with no treatment needed. The elderly female driver apparently confused the brake and accelerator pedals causing the vehicle to strike the building.

The building sustained significant damage and will likely be closed by Building and Safety until repairs are made. Traffic officers will seek a reevaluation of her driving privilege via DMV. There is no indication that drugs or alcohol played any role in this incident.

Subject: Assault with a deadly weapon near Rancho Verde HS - Students involved

Good afternoon,

Today about 3:05 PM, officers were dispatched to the area of Lasselle and Via De Anza reference an assault with a deadly weapon. Officers arrived within seconds of the call and located a 15 year-old male victim suffering from a minor stab wound to the chest. He was transported to RCRMC by ambulance. Officers learned that the victim was walking southbound on Lasselle pushing his bicycle when he was approached by a Hispanic male juvenile 15-16 years old. The suspect grabbed the victim's bike and the victim pushed his hands away. The suspect became confrontational and pulled out an X-Acto knife. (Small razor blade knife used for crafts and other small projects) The victim and suspect became involved in a physical fight and the victim suffered a minor wound from the knife. Onlookers separated the combatants and the suspect fled the area on foot. The citywide camera system will be reviewed to see if the altercation was captured on video. The suspect has not been identified, but the investigation is ongoing.

Well, the victim is a student and it is possible the suspect was also a student. That and the proximity to RVHS is really the only nexus to the school that we know of at this time.

I'm fairly certain they don't allow those on campus, even in the classrooms for this very reason. I have a son in high school and I know he has never handled such a tool as part of his curriculum. It occurred off campus, so I don't believe the knife is related to the school.

Good afternoon,

Today about 3:05 PM, officers were dispatched to the area of Lasselle and Via De Anza reference an assault with a deadly weapon. Officers arrived within seconds of the call and located a 15 year-old male victim suffering from a minor stab wound to the chest. He was transported to RCRMC by ambulance. Officers learned that the victim was walking southbound on Lasselle pushing his bicycle when he was approached by a Hispanic male juvenile 15-16 years old. The suspect grabbed the victim's bike and the victim pushed his hands away. The suspect became confrontational and pulled out an X-Acto knife. (Small razor blade knife used for crafts and other small projects) The victim and suspect became involved in a physical fight and the victim suffered a minor wound from the knife. Onlookers separated the combatants and the suspect fled the area on foot. The citywide camera system will be reviewed to see if the altercation was captured on video. The suspect has not been identified, but the investigation is ongoing.

Councilwoman Victoria Baca,

A couple of months ago I wrote you the email (see below) where I basically had a complaint

MV00258141

about the response our family received from Animal Control concerning the wild cats that had invaded my Mother's property. As I had stated in my first email I too work for a public agency and have had to deal with public complaints and issues. For people that know me and work for me will tell you that I am very up front and out spoken for both good and bad performances, hence the reason for my first email.

Having said that, I am now compelled to tell you what an outstanding job the Animal Control Office did once they received my complaint. I would especially like to send out a special thank you to Chief Animal Control Officer Steven Lulli. There were several Animal Control Officers that went to my Mothers property and all were very courteous and very professional. They even went to her property on the 4th of July Holiday to make sure everything was okay. They were successful in capturing 4 of the wild cats and were very helpful in advising us on things that we could do around the property to deter animals from taking up residency.

Once we felt that we had done all that we could do to capture the animals the officers stopped setting the traps but they encouraged us to call in to Animal Control immediately if we had any problems again. Since that time we have received follow up phone calls to ensure that all is still good.

I want to thank you and all your staff for taking this seriously especially in this time of budget cuts and reduced budgets. Sometimes the little guy gets overlooked in these kinds of things but it apparent to me that the City of Moreno Valley treats all its residence equally. Thank you so much again and please pass the thanks along to Officer Lulli.

Sincerely,
Gary Morton

Councilwoman Victoria Baca,

I am writing you this email in hopes of getting a positive response and action.

My parents who are in their 80's live in your district. Their address is 13591 Boeing Street, Moreno Valley. They have lived in the City even before it was a City since 1971 and have supported the City.

They have a problem with wild cats that have taken up residency on their property. They have had several issues with these cats and I am afraid it has become a serious health issue. My mother called animal control to see if something could be done about the cats and was told that they do not respond or will not pick up feral cats.

Here is the problem as I stated my parents are in their 80's, my mother has had two eye surgeries and her eye sight is very poor, my father has Alzheimer disease and is confined to bed or wheelchair and needs constant care. They cannot possibly do anything to capture these cats.

My mother contacted Animal Control and the officer said they would not respond to cat problems and my mother could come in and rent a cage to trap the cats and bring into the shelter. However there are no traps available at this time. This same officer suggested that my 80 year old mother and I quote " throw a towel over them bundle them up and bring them into the shelter". ARE YOU KIDDING ME! These are wild creatures and she could fall and break a hip. That was very poor judgment on that advice from your officer.

The health issue is that my parents have a small dog and he has been attacked by these cats and has been injured to the point that he is bleeding. The other incident was their dog had something in its mouth one morning that it had picked up from laying on the backyard lawn. My mother noticed this and got it out of her dogs mouth only to realize it was a cats back leg that had been severed or bit off. These cats are turning on themselves or killing other cats. This is a real health issue for both my parents and their dog.

I work for the County of Riverside Transportation Dept. for over 30 years and I am well aware of budget constraints and cut backs. I know that the Animal Control Office is usually one of the Departments that are hardest hit in these lean times. I also realize some actions need to be taken to adjust for money short falls. But there are exceptions to every rule and commonsense rules. Public safety to your City constituents should be the Cities biggest concern. Especially the elderly that needs your support.

I want this valid concern addressed by you and/or Animal Control before someone gets sick or hurt. Please contacted me or your representative at your earliest convenience so we can get this hazard removed from their property.

My cell number is 951-318-8803

Subject: Important! Aug 20th Rally at City Hall
Attachments: image005.jpg; image006.jpg; image008.jpg; image010.jpg; image012.jpg

Hi,

On Tuesday, August 20 from 4-7 p.m. we are hosting a Community Rally at City Hall to show the Council that we are fed up with them and their plans for Moreno Valley. We are requesting that everyone plan to attend wearing red shirts so we can show how many residents in the community will stand up to be counted for the fight against the World Logistics Center and the other inappropriate dealings of our City Council which has prompted their recall. The Council meeting begins at 6 p.m. so be early and make your presents known. There will be signs and buttons for everyone (see below). We expect a great turnout and all the news agencies are being notified of this Rally.

As most of you know, recall petitions have been served on all of our Councilmembers and the signatures collection process has begun. In case you have not hear, Councilmen Co was arrested Monday and accused of fraudulently receiving nearly \$15,000 in government aid intended to care for his mother, and today he resigned from the Council. See the story at: <http://www.pe.com/local-news/reports/moreno-valley-investigation/moreno-valley-investigation-headlines/20130813-moreno-valley-councilman-co-resigns-a-day-after-arrest.ece>

We have momentum and we will make a difference in this community. Now is the time to stand up and be noticed. Please take the time to be involved and attend the Rally on Tuesday, August 20 from 4-7 p.m. Read the message below to see just how involves the youth of this community can be when they learn that their future is at stake. Let's Save Moreno Valley!

Yesterday 335 SIGNS for Aug. 20th were made and are in my den waiting for me to deliver to anyone who will support us at the RALLY. A former 5th, 6th grade student, now 18 and headed to NY with a full 4-yr scholarship, his younger sis, a Sr honor student at Ramona HS and their pre-med cuz made a 300+ at my house in 1 hr 40 min! ...and they tweeted and facebooked friends and will continue to enlist more support for the rally on AUG 20th. Youth means the cause will go viral. I don't have a clue what they were doing on their I-phones!!! Oh yes, Fernando, Melissa and cuz Jonathon want to help more and have committed themselves to helping on Mon-Wed Aug 12-14 to pass out info anywhere we need while holding some of the signs they made. Melissa will muster more support among college bound HS students at a retreat today. She told me that many of the students at the retreat are from MV so she took 35 flyers and began texting them yesterday. I bought enough sticks last night for 150 more signs and these three brilliant students will make them in less than an HR! S000000ooooo , soon I'll have about 500 SIGNS. Let me know who wants them, I'll deliver to anyone who can get 10 people or more to attend the rally!

Subject: Major injury accident w/ road closure

Good morning,

Officers are on the scene of a major injury traffic accident involving a passenger vehicle and a motorcyclist. Lasselle is closed in both directions between John F. Kennedy and Casa Encantador.

The motorcyclist sustained major injuries and his condition is not known at this time. The road closure will be problematic for Vista del Lago High School and we will get the roadway opened up as soon as possible.

I will keep you updated.

Parcel # (if available):

Resolution Information

Response from Robert Lemon, M&O Manager, 7/31/13.

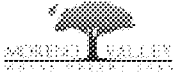

The area was inspected by Henry Ngo, Sr. Engineer, Capital Projects. Henry also left Mr. Lawton a voice mail, as well as talked to Mr. Lawton directly informing him that M&O would be repairing potholes at the location. Henry provided additional information that this section of Redlands was not programmed for pavement resurfacing in the near future, based on its pavement condition index (PCI) rating and the Citywide Pavement Management Program criteria for project selection. M&O responded to the location on 7/24/13 and cleaned up the broken asphalt along the shoulder of the roadway and patched all of the potholes at the location. M&O will continue to monitor this area and patch potholes as needed.

Case Information

Issue Category: Maintenance & Operations

Issue: Street Repair Other

Council District:

City of Moreno Valley

Council Summary

Issue Description: Please investigate Mr. Lawton's concerns on behalf of Mayor Owings and advise Mayor Owings of the outcome.

Mr. Lawton stated at Redlands Blvd. from Dracaea north to the 60, there was a piece of broken tar that was tarred over. He also stated Redlands Blvd. needs to be repaired, and he has already talked to Maintenance and Operations, and a Supervisor came out to look at it, and a couple of holes were patched.

Subject: Major injury collision - update

Good afternoon,

Some interesting issues have developed out of the vehicle vs motorcycle collision that occurred on Lasselle this morning. The motorcyclist, Eric Hernandez (18) was riding an off-road motorcycle on the roadway, was not wearing a helmet, and does not have a motorcycle endorsement on his driver's license. Additionally, witnesses reported that Hernandez was driving the motorcycle erratically, weaving in and out of traffic just prior to the collision. The accident occurred when driver #2, Shanet Dennis (34) made a U-turn on Lasselle and was broadsided by the motorcycle. Hernandez was ejected from the motorcycle and luckily landed in bushes on the side of the road. He sustained serious, but not life-threatening injuries. Hernandez was cited for multiple traffic violations and his blood will be evaluated for possible DUI.

Shanet Dennis was driving on a suspended driver's license at the time of the collision. She was cited for that violation and her car was impounded for 30 days.

As of today, we have experienced six traffic fatalities in calendar year 2013. In calendar year 2012, we experienced a total of 8 traffic fatalities. In many of those cases, alcohol, drugs, and or unlicensed/suspended drivers were involved.

Subject: Assault with a deadly weapon- update

Good morning,

On Tuesday 8-13-13 officers investigated a reported stabbing on Lasselle Street near Rancho Verde High School. You may recall, one teenage boy stabbed another teenage boy with an X-Acto knife causing a minor injury. The victim, a Rancho Verde HS student, was transported to a local hospital where he was treated and released. The suspect fled the area on foot and was not immediately identified.

The SRO at Rancho Verde HS, Officer Jeff Gordon, continued this investigation and positively identified the suspect as a 16 year-old Rancho Verde HS student. Officer Gordon detained the suspect, obtained a confession via an in-depth interview, and booked him into Juvenile Hall on charges of Assault with a deadly weapon and brandishing a weapon.

Subject: Press release issued

Good morning,

The following press release was issued today regarding a pedestrian decoy program conducted at Eucalyptus and Running Deer. One statistic of note is that half of the drivers cited for failing to yield to a pedestrian were also cited for either being unlicensed drivers or for having suspended/revoked driver's licenses.

Pedestrian Decoy Program

Moreno Valley, CA -- In response to complaints from the public, the Moreno Valley Traffic Team conducted a Pedestrian Decoy Program today. The Department has received numerous complaints regarding motorists not stopping for pedestrians in various crosswalks and intersections throughout the City. The California Vehicle Code requires motorists to yield to all pedestrians in a crosswalk.

Today's operation was conducted at Eucalyptus Ave X Running Deer Rd. This operation is just one aspect of the Department's Directed Enforcement Program. This program utilized an undercover police officer walking in the crosswalk. In previous operations many of the motorists stopped for these violations said they never saw the pedestrian in the crosswalk. In an effort to make our pedestrian more visible, he was dressed today in a large "Traffic Cone" outfit. Motorists who were stopped today said they never saw the "Traffic Cone" in the crosswalk. Our goal is to make motorists more aware of their surroundings and to be vigilant while driving, especially near schools and crosswalks.

During today's one hour decoy program, 8 motorists received citations for "failing to yield to a pedestrian in a crosswalk" and 6 motorists received citations for speed in a school zone. 4 vehicles were towed as the offenders had suspended drivers licenses.

This program is scheduled to run throughout the year at various locations throughout the city. For additional information the Moreno Valley Police Department Traffic Division may be reached at (951) 486-6900.

Subject: Gang/Fraud/burglary arrest

Good afternoon,

Today about 9:00 AM, Officers and Investigators from the MVPD SET Team and Burglary Suppression Team served a search warrant in the 27000 block of Callander Road. This is in the gated Via Del Lago community situated near the back entrance to Lake Perris. SET Gang investigators learned that Roosevelt Williams (18), a known member of the local criminal street gang known as "Dorner Blocc Crips" was living at the residence. Williams was being sought in connection with a gang-related attempted murder here in Moreno Valley. Investigators also learned that Williams' mother, Pearlene Russell (44) lied on her application for Section 8 housing assistance and fraudulently obtained over \$52,000 in state/county housing assistance over the past 4 years.

Upon service of the search warrant, Williams and Russell were detained without incident. Documents were seized that confirmed the housing assistance fraud and Russell confessed to lying on her application for section 8. Williams has previous contacts for residential burglary and several items of suspected and/or confirmed stolen property were found in the residence. Follow-up investigation is currently being conducted that may link Williams to additional burglaries in the city. Investigators are also conducting follow-up investigation concerning the previously mentioned attempted murder case.

I'll update you if more details become available.

PETITION FOR RECALL

13 AUG 15 PM 3:47

TO THE HONORABLE CITY COUNCIL, OF THE CITY OF MORENO VALLEY,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 1, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Jesse Molina, holding the office of Council Member in District 1 of the City Moreno Valley, County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the 25th day of June, 2013 to Jesse L. Molina:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE JESSE MOLINA: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of the City of Moreno Valley, Council District One, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District One, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents business or residence addresses are on file with the elections official are as follows:
 Curtis L. Gardner, Carolyn Gardner, Kenneth W. Sabel, Michelle Sabel, Pauline Rojas, Mattie Mc Henry, Angel Lirres, Richard Hano, Gregorio I. Yones, Charles E. Johnson.

The answer of the officer sought to be recalled is as follows:

Answer to grounds for Recall: by City Councilman Jesse Molina

DO NOT SIGN THIS PETITION. There are NO valid reasons for this recall. I was elected in November with over 56% of the vote in a three-way race. Nothing has happened since the November election to justify my recall!

The ANTI-JOB recall supporters' unfounded allegations are shameful and will harm our City's progress.

We've never been in a situation like this before where you can say anything do anything, have NO facts, No research, NO nothing, and you can launch a hate-driven bigoted assault on a duly elected City Councilmember.

I humbly ask that members of every community say "NO MORE" together. I love this city with every part of my being and I will continue to stay focused on building a better Moreno Valley.

JUST SAY NO TO SMEAR TACTICS!! No city council member should ever be afraid of making unpopular decisions due to threats of being recalled.

STAND BESIDE ME AND REFUSE TO SIGN this recall petition and demand it's crazy supporters to STOP THIS INSANE RECALL because it is the only fair thing to do.

PETITION FOR RECALL

TO THE HONORABLE CITY COUNCIL, OF THE CITY OF MORENO VALLEY,
 Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 1, of the City of Moreno Valley, County of Riverside, California, respectfully request that we seek the recall and removal of Jesse Medina, holding the office of Council Member in District 1 of the City of Moreno Valley, County of Riverside, California.
 The following notice of intention to Circulate Recall Petition was served on the 25th day of June, 2023 to Jesse L. Medina:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE JESSE MEDINA, Pursuant to Section 13202, California Elections Code, the undersigned registered qualified voters of the City of Moreno Valley, County of Riverside, California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District One, for the City of Moreno Valley, California, and to demand election of a successor in that office.
 The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.
 The printed names of the proponents business or residence addresses are on file with the elections officials are as follows:
 Curtis L. Gardner, Carolyn Chapman, Kenneth Mc. Lopez, Nicholas Lopez, Pauline Rojas, Maria Enc Henry, Angel Limon, Richard May, Sergio L. Tenas, Charles H. Adriano.

The answer of the official sought to be recalled is as follows:
 Answer to ground for recall by City Councilman Jesse Medina
 COURT AND THIS PETITION, there are NO valid reasons for the recall. I was elected in November with over 80% of the vote in a three-way race. Nothing has happened since the November election to justify my recall.

The anti-recall social supporters' unfounded allegations are harmful and will harm our City's progress.
 We've never been in a situation like this before where you can say anything do anything, have no facts, no research, NO nothing, and you can launch a hate-driven signed lawsuit on a duly elected City Councilmember.
 I humbly ask that members of every community say "NO MORE" together. I love this city with every part of my being and I will continue to stay focused on building a better Moreno Valley.

JUST SAY NO TO SUE! FACT: NO city council member should ever be afraid of making unpopular decisions due to threats of being recalled.
 STAYING RESIDE ME AND REFUSE TO SIGN THE recall petition and demand it's crazy supporters to STOP THIS INSANE RECALL, because it's the only fair thing to do.

Jesse L. Medina, Council Member, District One

 (City or County Seal Where Signed)

PETITION FOR RECALL

13 AUG 15 PM 3:48

TO THE HONORABLE CITY COUNCIL, OF THE CITY OF MORENO VALLEY,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City Council District 2, of the City of Moreno Valley, County of Riverside, California, respectfully state that we seek the recall and removal of Richard Stewart, holding the office of Council Member in District 2 of the City Moreno Valley, County of Riverside, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on the 25th day of June, 2013 to Richard Stewart:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE RICHARD STEWART: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of The City of Moreno Valley, Council District Two, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Council Member Council District Two, for the City of Moreno Valley, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

You have failed to meet the expectations of the electorate and have brought shame and embarrassment upon our City.

The printed names of the proponents business or residence addresses are on file with the elections official are as follows:

Debra D. Craig, Matthew Craig, April Helms, Mike Box, Rosemary Hall, Scott Hall, Ernest Lagrimas, Michael R. Palmer, Laura Stalling, and Patrick J. Walters

The answer of the officer sought to be recalled is as follows:

Answer to grounds for Recall: by City Councilman Richard Stewart

For 32 years I served our nation as an officer in the U.S. Air Force. For 20 years I served Moreno Valley as a reserve Deputy Sheriff, and have served 22 years as your city councilmember.

I have never been accused of or charged with any crime.

In recent months I have been cooperating with the FBI and District Attorney in a corruption investigation of Moreno Valley City Hall.

After search warrants were served on my fellow council members and developer Iddo Benzeevi, I was targeted for recall.

I believe this recall effort is a blatant attempt to harm my reputation and my credibility as a witness for the prosecution in any criminal case that may arise from this investigation.

I have always fought hard for public safety, more fire stations, a new police station, Fire paramedics, more POLICE officers, speed bumps, a successful ANTI GRAFFITI program, and anti-burglary and anti-gang teams.

I always listen to YOU, we've accomplished: Widening of Pigeon Pass, new traffic signals, new retail stores and restaurants, including Outback restaurant, BJ Brewhouse, Mimi's, Applebee's and the new TJ Maxx store, etc.

I will work hard for YOU in my final year in office!

RICHARD A. STEWART,
 City Council Member, District Two
 23236 Harland Dr.
 Moreno Valley, CA 92557

Subject: Homicide investigation

Good morning,

A jogger running near the landfill east of the intersection of Theodore and Ironwood discovered the remains of an adult male near the edge of the roadway. Officers responded and determined the victim was in fact deceased.

At this time, it appears the victim died at the hands of another. The Sheriff's Central Homicide Unit and MVPD Detectives are en route to investigate. The roadway to and from the landfill has been shut down and will remain closed for the duration of the investigation. Landfill operators have been notified and understand.

MVPD Volunteers are on scene and the Sheriff's Public Information Officer has been advised.

I'll keep you updated as the investigation progresses.

Subject: Successful sale of the TRIP Certificates of Participation on Thursday, August 15, 2013

Mayor, Mayor Pro Tem, and Members of the City Council: I am pleased to report that the California Communities Total Road Improvement Program (TRIP) Program financing through the sale of \$20 million Certificates of Participation (COPs) was successfully priced yesterday. The financing is secured by Measure A funds to repay the annual debt service of \$1,484,000. The financing was priced to yield a Total Interest Cost (TIC) of 5.40%, which is higher than what staff had planned due to dramatic changes in the bond market since May 2013. The negative market change has been driven by the expectation that the Federal Reserve Board will reduce and eventually cease their Quantitative Easing program that has kept the cost of borrowing low to energize the economy. The pricing of the TRIP COPs compares favorably to other similar financings in the market recently and staff approved the sale of the COPs. The COP sale will close on August 29, 2013 and COP proceeds will be available on this date.

The significant delay resulting from the legal challenge of the Court Validation action brought by residents Radene Heirs and Deanna Reeder caused the City to miss the lowest cost market in recent history, in addition to causing the City to miss the opportunity to share issuance cost through a pooled issue with the City of Menifee. Compared to the market pricing when Menifee closed their transaction, the TIC would have been 4.54%. Had Moreno Valley been able to close on schedule at that time, the debt service would have been \$109,500 less, reflecting an additional cost over the life of the debt of \$2.8 million. In addition, the City incurred direct costs of about \$100,000 defending the legality of the validation through higher bond counsel (\$60,000), underwriting costs (\$10,000) and City staff cost to defend the action.

Staff is pleased to bring this two-year effort to a successful completion and provide \$19.2 million in funds for City street improvements for Moreno Valley.

Please contact me if you have any questions regarding this issue.

Subject: hit and run collision into a residence

Good afternoon,

Today about 8:53 AM, officers responded to the 13000 block of Kiowa Drive reference hit & run traffic collision into a residence. A blue Nissan reportedly crashed into a tan Saturn, deflected and crashed into a residence. The blue Nissan backed away from the residence and fled the area. The Nissan had major front end damage, but was able to escape. There were no injuries reported and the residence sustained only minor damage. MV Fire Department determined the residence was safe to inhabit. The investigation is continuing.

Subject: Fire and road closure

Good afternoon,

Today at 1:17 PM, officers and firefighters responded to the 24000 block of Sunnymead Blvd reference a vehicle on fire near a business (Angela's Glass and Mirror). On arrival, they found a Ford van parked next to the building with flames coming from the engine compartment. By 1:21 PM, the van was fully engulfed and the fire department was working to put it out. Sunnymead Blvd. between Heacock and Back Way was closed to traffic for about one hour while the fire was knocked down and overhauled. By 2:21 PM, the roadway was reopened.

Subject: Commercial Structure Fire NOTIFICATION, Council District # 1 **2nd Alarm**
Attachments: IMG954303.jpg; 02 SIRF 82985.pdf

Good evening -

Please see the attached notification for a commercial structure fire at the Cardena's Grocery Store in the City of Moreno Valley.

Below is a brief narrative from the report for ease of viewing on mobile devices.

This evening at 18:42 hours Moreno Valley Firefighters were called to a reported Commercial Structure Fire at the Cardenas Grocery Store located at 26025 Sunnymead Blvd. Upon arrival I found a moderate to heavy smoke condition issuing from the roof of the occupied grocery store. Firefighters quickly went into an "evacuation" action while simultaneously we engaged the fire from the interior and the roof. Approximately 100 employees and customers were safely evacuated from the store while the fire was fought.

This action proved successful as the fire was contained to the attic area above the kitchen/cooking area of the store. The entire grocery store suffered moderate smoke damage. Environmental health was requested to the scene to evaluate the condition of the groceries within the store. After inspecting the product within the grocery store it was determined that all perishable goods within the store were lost due to smoke. The business was ordered to remain closed until a full inspection can be completed by the health agency, the building department and the fire department.

It is worth noting that this fire given the time of day, the number of civilians inside and the location of its origin could have been catastrophic. Firefighters performed aggressively, and methodically to control this fire and limit its wrath. The dollar loss is estimated at \$350,000 with a save of \$900,000.

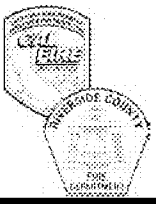

Please call with questions,

Silvio Lanzas

Had Moreno Valley been able to close on schedule at that time, the debt service would have been \$109,500 less, reflecting an additional cost over the life of the debt of \$2.8 million. In addition, the City incurred direct costs of about \$100,000 defending the legality of the validation through higher bond counsel (\$60,000), underwriting costs (\$10,000) and City staff cost to defend the action.

Staff is pleased to bring this two-year effort to a successful completion and provide \$19.2 million in funds for City street improvements for Moreno Valley.

Please contact me if you have any questions regarding this issue.

Subject: Kidnapping/attempted human trafficking arrest.

Good evening everybody,

I wanted to give you a quick brief on an interesting investigation and arrest that we made yesterday afternoon. Since our initial investigation, the Sheriff's Human Trafficking Unit has assumed the investigation and they will be issuing a press release in the near future.

Yesterday afternoon our officers were directed to the Best Western Hotel in Moreno Valley to investigate the possible abduction of an 18 year-old female. Our officers located the woman and learned she was a prostitute from Compton and had been kidnapped at gunpoint the previous day by four males and a female. Our officers ultimately located the suspects and arrested them.

The victim reported the suspects planned to force her into prostitution; but before they could do so she managed to slip away and call a friend. A total of five suspects were ultimately arrested and booked at the Robert Presley Detention Center. The suspects are identified as:

Ibrahim Binhajjyahyaabdulmalik, 25, a resident of San Jose.

Khalid Binhajjyahyaabdulmalik, 23, a resident of Gilroy.

Abubakr Horrington, 32, a resident of Gilroy.

Jerry Landers, 21, a resident of Gilroy.

Ana Ceja, 20, a resident of San Jose.

Charges for the suspects include human trafficking, abduction for prostitution, false imprisonment, kidnapping to commit oral copulation, as well as attempted pimping and pandering. It is possible one of the suspects has some ties to Moreno Valley; but I do not have details about why they left Central California to commit their crimes in LA and Moreno Valley.

Regards,

Brandon

Subject: Burglary and attempted murder MV132300127

Good morning.

I've just been advised we are working a burglary and attempted murder. At 9:54 am we were dispatched to a residence on Napels where an black male had entered a residence via a sunroom door. The home owner confronted the black male as he was leaving the house via the front door and the black male suspect turned and fired multiple rounds from a pistol. Then as the suspect left in a car he fire more shots at the house. We located and arrested the suspect on Pigeon Pass. We will have Pigeon Pass closed to process the car for about 2 hours. Nobody was injured by the gunfire. Detective Lenton is responding to assist with the scene investigation at the house and on the roadway, as well as with interviews. The motive for the burglary and shooting is unknown right now.

I'll update you as the inv develops.

Regards,

Brandon

Subject: Confidential/Next week's meetings/availability

Cindy, Raul has been hospitalized today. He's having an upper gastrointestinal scoping tomorrow morning.

Please do not schedule any additional meetings this upcoming week.

As of now, I'm not canceling any meetings that are on my calendar except (non-city council) work related. (I was scheduled to be in Burbank Monday at 9:00am.)

Warm Regards,
Victoria Baca, M.Ed.
Councilwoman, District 5

August 13, 2013

Tom Owings
Mayor
City of Moreno Valley
14177 Frederick Street
Moreno Valley, CA 92552

Dear Mayor Owings:

It is with great sadness I submit this letter of resignation to you. This letter will serve as formal notification that I am leaving my position with the City of Moreno Valley Planning Commission as of August 13, 2013.

I appreciate the opportunities this position has provided me. I am confident the City of Moreno Valley is in good hands and decisions will continue to be made with great thought, consideration, and benefit to the city. In my short time with the Planning Commission, I have had the opportunity to understand the inner workings of our city. I encourage the community to stay involved, work together, and make the city what we all want it to be. Even though I no longer live in Moreno Valley, this city will always be my home, where I grew up, where I graduated from high school, and where I purchased my first home.

I would like to say thank you to my fellow Planning Commissioners for their help, patience, and differing points of view. We may not have agreed on every project but we did a great job with expressing our opinions without discounting other opinions. I will miss all of you.

If I can be of any assistance during this transition, please let me know.

Sincerely,

A handwritten signature in black ink, appearing to be 'Amber Crothers', written in a cursive style.

Amber Crothers

Subject: Traffic Collision Last Night on Gilman Spring Road
Attachments: Gillman Springs DUI TC.PDF

Good afternoon,

There have been a couple inquiries regarding the fatal traffic collision on Gilman Springs Road last night; so I thought I would forward you the attached article. The collision occurred outside the city limits and was handled by the CHP. Sadly, two people were killed and a total of five others injured in the collision that reportedly involved a driver who was under the influence of alcohol and or drugs. Because it was a CHP investigation, I do not have information beyond what is provided in the press article. If you have questions, I will do my best to get you answers.

Best regards,

Brandon

MORENO VALLEY: Two killed, five hurt in DUI crash

AUGUST 19, 2013 BY JOHN ASBURY

John Asbury
 Reporter at Press-Enterprise/PE.com

John Asbury contributes to the PE Crime Blotter blog. He covers criminal justice and public safety. | [Email John](#)

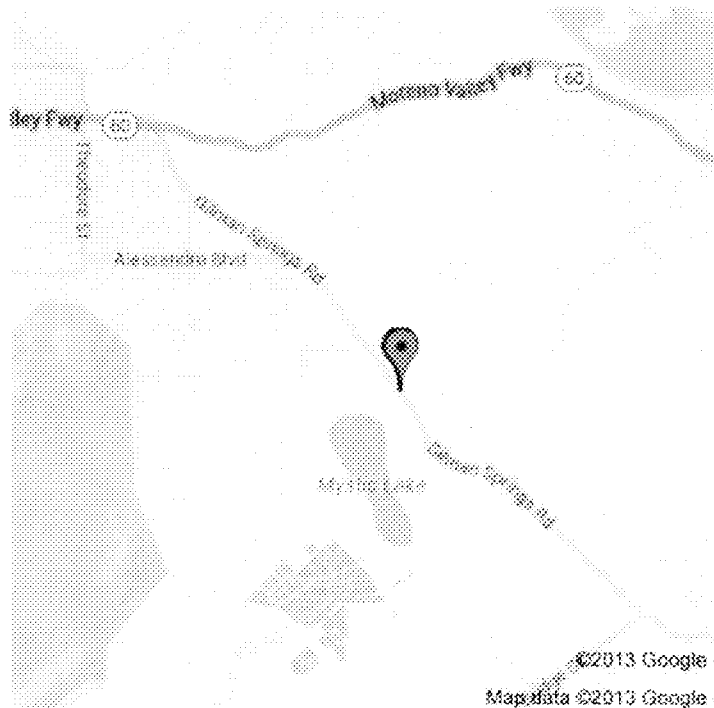

POLL QUESTION

Who is responsible for motorcycle safety?

Gilman Springs Road late Sunday, Aug. 18, in which authorities believe both drivers were drunk.

A 2003 Volkswagen Passat crossed into oncoming traffic about two miles east of Alessandro Road and collided head-on with a 2005 Chevy Trailblazer shortly after 11:35 p.m., California Highway Patrol Officer Darren Meyer said.

The

[View Fatal Gilman Springs Road crash in a larger map](#)

crash killed Marco Bautista, 24, of Hemet, who was driving the Passat; and his passenger, Makhara Op, 23, of Moreno Valley, according to the Riverside County coroner's office. Bautista was not wearing a seat belt, but Op was, the coroner said.

Both men were declared dead at the scene.

Investigators believe Bautista was under the influence of alcohol and/or drugs, but are awaiting blood tests, Meyer said.

- Motorcyclists. They need to learn to ride safely.
- Motorists. They need to be more aware of their surroundings.
- Everyone. We're all invested in this.
- I don't know.

The Trailblazer was driven by Arturo Larios, 31, Hemet. He and four passengers — a 30-year-old woman and three children, ages 10, 8 and 4 — all suffered major injuries and were hospitalized, Meyer said.

Larios was arrested on suspicion of driving under the influence, Meyer said.

Property Owner Name:

Address: 24935 Hemlock Ave

Cross Street Info:

Parcel # (if available): 481322044

Resolution Information

Response from Andy McDonel, M&O Street Maintenance Supervisor, 8/15/2013: M&O crew responded to the location on 7/31/13 and filled the pothole. There were no previous recent requests for this location in the CRM system

Case Information

Issue Category: Maintenance & Operations

Issue: Street Repair Pothole

Council District: 1

Issue Description: Please investigate on behalf of Council Member Baca, contact Mr. Chavez, and advise the outcome.

Mr. Chavez requested to speak with Council Member Baca regarding a pothole with a white circle around it, located in front of Fire Station No. 2, 24935 Hemlock. He stated nothing is being done, and drivers are having to go around the pothole to prevent damage to their vehicles.

Subject: Melissa Martinez [REDACTED]

Victoria,

Ms. Martinez resides at 22320 Bay Avenue. Ms. Martinez stated she has a concern about the sex offenders and child molesters near the Edgemont Elementary School. She stated there are several group homes in the area with violent offenders. Ms. Martinez stated there have been three attempted child kidnappings at the house next to hers. She stated, in addition, two men are camped out in two vehicles in a vacant lot across from the school. She stated the men can be seen washing their clothes with bottled water, and they have a cook stove. She stated the police ran them off the property once, but they came back. Ms. Martinez stated the police told her there is nothing they can do, and they need to find out who the home owner is. She stated a property management company answers the phone, and they won't do anything. Ms. Martinez stated no one wants to take responsibility to find out who the owner is. She stated small children walk by themselves to school, and she is afraid something will happen to them. Ms. Martinez stated she would like to know if there is something you can do to help them. Would you like to meet with Ms. Martinez; and if yes, would you like staff included in the meeting?

Subject: Steven Wang [REDACTED]

Victoria,

Mr. Wang's property is located at 13931 Ellsworth. Mr. Wang Stated he met you at the Box Springs Water District Board meeting this month. He stated there was a fire inspection on his property, and he was not notified of it. He stated there is an unpermitted room on the property that he wasn't aware of at the time he purchased the property. He stated he tried to get a permit to take care of it. He stated he talked to James Verdugo and Ron Espalin, and they promised to provide him with permit records, but now James is refusing to provide the information. Mr. Wang stated the correction date is coming close, and he wants to take care of it before they get a citation. He stated they have already paid one citation. Would you like to meet with Mr. Wang; and if so, would you like to include staff? I will place this in a CRM to get some back-up information.

Subject: Burglary & Traffic Collision

Good evening,

A short while ago our officers were dispatched to a burglary in progress on Yolanda. As our officers were arriving, the suspects were leaving in the opposite direction. Before we could catch up to them to initiate a vehicle pursuit, the suspects caused a collision at Perris and Gentian. The collision occurred when the suspects turned sharp onto eastbound Gentian from southbound Perris. The suspects turned too sharp and collided with a citizen who was westbound on Gentian. The citizen was uninjured, but both suspects suffered minor cuts and bruises. The burglary victim identified the suspects and they have been transported to RCRMC. Perris Blvd at Gentian is partially closed to process the collision scene and clean up an oil spill from the damaged vehicles. Traffic is flowing via detours. The investigation is ongoing.

Regards,

Brandon

Tom, Rick, Jane, Suzanne, Abdul, Ahmad, John, Joel, Mike, Mayor Owings, Councilman Molina and Councilman Stewart:
Thank you so much for supporting the Employee Appreciation Barbeque today. I really appreciate everyone coming through with donations of money to pay for the food and contributions of time and effort to help serve. We had a great turnout and everyone appeared to be having fun and more than enough delicious food. Special thanks to Mike for coordinating the event and getting up extra early to supervise the food prep this morning.

Thanks again

Subject: Announcing our new Sr. Payroll Technician - Jessica Guzman

The Financial Operations Division of Financial & Management Services would like to congratulate and welcome Jessica Guzman on her appointment to Senior Payroll Technician. Jessica joined the City at the beginning of August and is getting acclimated to our payroll process by diving right in and assisting in the process to provide paychecks this Thursday.

Jessica most recently was with the Menifee Union School District's payroll department for over 7 years and prior to that was with the Pechanga Resort and Casino. With her experience of working in a high-volume, full-scale payroll capacity along with her PERS knowledge, she is an excellent addition to our detail-oriented Payroll Team. Jessica and her family live in Menifee and enjoy spending their time together outdoors riding motorcycles and playing soccer.

Jessica looks forward to working with all her new co-workers and hopes she has a chance to meet you in an upcoming eSuite training session. Please join me in congratulating Jessica on her appointment.

August 21, 2013

Mrs. Debra Craig
24811 Freedom Ct.
Moreno Valley, CA 92557

Dear Mrs. Craig:

This is to inform you that the (corrected) petition format submitted on August 15, 2013 to recall *Richard Stewart as City Council Member in District 2* of the City of Moreno Valley meets the requirements of the Elections Code as to form and wording.

Pursuant to Elections Code Section 11220, the petition shall be filed with the City Clerk's office not later than 120 days from August 21, 2013.

Therefore, the petition shall be filed no later than the close of normal office hours on December 19, 2013.

Pursuant to Elections Code Section 11221, the petition shall be signed by not less than 20% of the registered voters in City Council District 2 of the City of Moreno Valley. The number of registered voters in City Council District 2 is 19,622, as of the last report of registration to the Secretary of State, which was submitted by the Riverside County elections official on February 10, 2013.

The number of required signatures for City Council District 2 is 3,925.

Please be advised Elections Code 104, 11046 and 18650 are attached for your review. The circulator must be a registered voter in the jurisdiction of the officer sought to be recalled.

Please contact the office of the City Clerk at [REDACTED], if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Jane Halstead".

Jane Halstead, CMC
City Clerk

103.

the petition is filed. A written request made under this section shall not constitute a petition or paper for purposes of Section 104.

(Amended by Stats. 2009, c. 510, §1.)

104. Declaration of circulator attached to petition; form.

(a) Wherever any petition or paper is submitted to the elections official, each section of the petition or paper shall have attached to it a declaration signed by the circulator of the petition or paper, setting forth, in the circulator's own hand, the following:

(1) The printed name of the circulator.

(2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.

(3) The dates between which all the signatures to the petition or paper were obtained.

(b) Each declaration submitted pursuant to this section shall also set forth the following:

(1) That the circulator circulated that section and witnessed the appended signatures being written.

(2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.

(c) The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of his or her name. The circulator shall state the date and the place of execution on the declaration immediately preceding his or her signature.

(Amended by Stats. 2012, c. 132, §1.)

105. Examination of petitions; residence address verification.

For purposes of verifying signatures on any initiative, referendum, recall, nomination, or other election petition or paper, the elections official shall determine that the residence address on the petition or paper is the same as the residence address on the affidavit of registration. If the addresses are different, or if the petition or paper does not specify the residence address, or, in the case of an initiative or referendum petition, if the information specified in Section 9020 is not contained in the petition, the affected signature shall not be counted as valid.

Any signature invalidated pursuant to this section shall not affect the validity of other valid signatures on the particular petition or paper.

(Added by Stats. 1994, c. 920, §2.)

106. Nomination papers' signatures.

Notwithstanding any other provision of law:

(a) Any registered voter who is a candidate for any office may obtain signatures to and sign his or her own nomination papers. The candidate's signature shall be given the same effect as that of any other qualified signer.

(b) Any person engaged in obtaining signatures to the nomination papers of a candidate for any office or to any recall, initiative or referendum petition, may, if otherwise qualified to sign the papers or petition, sign the papers or petition. The signature of the person shall be given the same effect as that of any other qualified signer.

(Added by Stats. 1994, c. 920, §2.)

11043.5. Secretary of state to provide recall petition format.

(a) The Secretary of State shall provide to county elections officials a recall petition format for distribution to proponents of a recall. The recall petition format shall be made available upon request by the county elections official and by the Secretary of State.

(b) The recall petition format made available pursuant to this section shall be utilized by proponents of a recall election.

(Added by Stats. 1996, c. 714, §5.)

11044. Separate petitions necessary.

Separate petitions are necessary to propose the recall of each officer.

(Added by Stats. 1994, c. 920, §2.)

11045. Only registered voters of jurisdiction qualified.

Only registered voters of the electoral jurisdiction of the officer sought to be recalled are qualified to circulate or sign a recall petition for that officer.

(Added by Stats. 1994, c. 920, §2.)

11046. Circulator's declaration.

To each section of a petition shall be attached a declaration, signed by the circulator thereof, that complies with Section 104. The declaration shall include a statement that the circulator is a registered voter in the jurisdiction of the officer sought to be recalled.

(Added by Stats. 1996, c. 714, §7.)

11047. Petition circulated in more than one county.

When a petition is circulated in more than one county for the recall of an officer, each section of the petition shall bear the name of the county for which it is circulated, and only registered voters of that county may sign that section.

(Amended by Stats. 2004, c. 156, §1.)

Chapter 2. Recall of State Officers: Intermediate Steps in the Recall

11100. Application of chapter.

(a) This chapter applies only to the recall of state officers.

(b) In addition to this chapter, Sections 13 to 18, inclusive, of Article II of the California Constitution and the applicable provisions of Chapter 1 (commencing with Section 11000) and Chapter 4 (commencing with Section 11300) shall govern the recall of state officers.

(Amended by Stats. 2010, c. 328, §62.)

11101. Presumption that the petition contains the required signatures.

Unless and until it is otherwise proven upon official investigation, it shall be presumed that the petition presented contains the signatures of the requisite number of registered voters.

(Amended by Stats. 1996, c. 714, §8.)

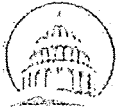

11102. Filing of petition sections.

Each section of a recall petition shall be filed with the elections official of the county for which it was circulated.

(Amended by Stats. 2004, c. 156, §2.)

11103. Filing of petition section; written authorization.

Each section of the petition shall be filed by the proponents or by any person or persons authorized, in writing, by a proponent. Each time an autho-

Mr. Curtis Gardner
25907 Flint Drive
Moreno Valley, CA 92553

Dear Mr. Gardner:

This is to inform you that the (corrected) petition format submitted on August 15, 2013 to recall *Jesse Molina as City Council Member in District 1* of the City of Moreno Valley meets the requirements of the Elections Code as to form and wording.

Pursuant to Elections Code Section 11220, the petition shall be filed with the City Clerk's office not later than 120 days from August 21, 2013.

Therefore, the petition shall be filed no later than the close of normal office hours on December 19, 2013.

Pursuant to Elections Code Section 11221, the petition shall be signed by not less than 20% of the registered voters in City Council District 1 of the City of Moreno Valley. The number of registered voters in City Council District 1 is 15,148, as of the last report of registration to the Secretary of State, which was submitted by the Riverside County elections official on February 10, 2013.

The number of required signatures for City Council District 1 is 3,030.

Please be advised Elections Code 104, 11046 and 18650 are attached for your review. The circulator must be a registered voter in the jurisdiction of the officer sought to be recalled.

Please contact the office of the City Clerk at [REDACTED] if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Jane Halstead", is written over a faint, dotted grid background.

the petition is filed. A written request made under this section shall not constitute a petition or paper for purposes of Section 104.

(Amended by Stats. 2009, c. 510, §1.)

104. Declaration of circulator attached to petition; form.

(a) Wherever any petition or paper is submitted to the elections official, each section of the petition or paper shall have attached to it a declaration signed by the circulator of the petition or paper, setting forth, in the circulator's own hand, the following:

(1) The printed name of the circulator.

(2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.

(3) The dates between which all the signatures to the petition or paper were obtained.

(b) Each declaration submitted pursuant to this section shall also set forth the following:

(1) That the circulator circulated that section and witnessed the appended signatures being written.

(2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.

(c) The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of his or her name. The circulator shall state the date and the place of execution on the declaration immediately preceding his or her signature.

(Amended by Stats. 2012, c. 132, §1.)

105. Examination of petitions; residence address verification.

For purposes of verifying signatures on any initiative, referendum, recall, nomination, or other election petition or paper, the elections official shall determine that the residence address on the petition or paper is the same as the residence address on the affidavit of registration. If the addresses are different, or if the petition or paper does not specify the residence address, or, in the case of an initiative or referendum petition, if the information specified in Section 9020 is not contained in the petition, the affected signature shall not be counted as valid.

Any signature invalidated pursuant to this section shall not affect the validity of other valid signatures on the particular petition or paper.

(Added by Stats. 1994, c. 920, §2.)

106. Nomination papers' signatures.

Notwithstanding any other provision of law:

(a) Any registered voter who is a candidate for any office may obtain signatures to and sign his or her own nomination papers. The candidate's signature shall be given the same effect as that of any other qualified signer.

(b) Any person engaged in obtaining signatures to the nomination papers of a candidate for any office or to any recall, initiative or referendum petition, may, if otherwise qualified to sign the papers or petition, sign the papers or petition. The signature of the person shall be given the same effect as that of any other qualified signer.

(Added by Stats. 1994, c. 920, §2.)

11043.5. Secretary of state to provide recall petition format.

(a) The Secretary of State shall provide to county elections officials a recall petition format for distribution to proponents of a recall. The recall petition format shall be made available upon request by the county elections official and by the Secretary of State.

(b) The recall petition format made available pursuant to this section shall be utilized by proponents of a recall election.

(Added by Stats. 1996, c. 714, §5.)

11044. Separate petitions necessary.

Separate petitions are necessary to propose the recall of each officer.

(Added by Stats. 1994, c. 920, §2.)

11045. Only registered voters of jurisdiction qualified.

Only registered voters of the electoral jurisdiction of the officer sought to be recalled are qualified to circulate or sign a recall petition for that officer.

(Added by Stats. 1994, c. 920, §2.)

11046. Circulator's declaration.

To each section of a petition shall be attached a declaration, signed by the circulator thereof, that complies with Section 104. The declaration shall include a statement that the circulator is a registered voter in the jurisdiction of the officer sought to be recalled.

(Added by Stats. 1996, c. 714, §7.)

11047. Petition circulated in more than one county.

When a petition is circulated in more than one county for the recall of an officer, each section of the petition shall bear the name of the county for which it is circulated, and only registered voters of that county may sign that section.

(Amended by Stats. 2004, c. 156, §1.)

Chapter 2. Recall of State Officers: Intermediate Steps in the Recall

11100. Application of chapter.

(a) This chapter applies only to the recall of state officers.

(b) In addition to this chapter, Sections 13 to 18, inclusive, of Article II of the California Constitution and the applicable provisions of Chapter 1 (commencing with Section 11000) and Chapter 4 (commencing with Section 11300) shall govern the recall of state officers.

Mayor and Members of the City Council: I am forwarding the following information that was shared with Council Member Stewart. Within the scope of the upstairs City Hall project, two Council offices were merged to create one larger office for the use of the rotating Mayor position.

--Michelle

From: Michelle Dawson
Sent: Wednesday, August 21, 2013 1:03 PM
To: Richard Stewart
Cc: Tom DeSantis

Council Member Stewart: my apologies for taking a while to respond, I'm in interviews today for an Administrative Services Director.

The floor rehabilitation project included a space planning effort, to maximize the efficiency of offices, cubicles and conference rooms throughout the 2nd Floor of City Hall.

This effort also allowed an opportunity to:

- Reconfigure space allocations which no longer reflected the level of staffing in the building; and
- Address a chronic shortage of meeting/conference spaces (which is inherent in office environments which consist primarily of cubicle work areas).

The space plan approved by the City Manager last Spring saw conversion of three rooms which were formally used as offices/work areas into meeting rooms (in Finance, HR and Public Works).

Reprogramming a long vacant office in the Clerk's area into a Council Office allowed the opportunity to provide a larger meeting area that would rotate with appointment of the Mayor, to better accommodate his/her more frequent need to meet with small groups, while making the City Council/City Attorney conference room more available for the Council's use. The recommendation for this reconfiguration came from staff to the City Manager in March or April; it was not done at the request of the Mayor. Your e-mail makes a very valid point with regard to consultation with the Council; neither the Mayor nor Council Members were asked if this would be acceptable, and quite frankly that communication should have occurred when the Manager was considering the recommendation.

I hope that this explanation is helpful. Suzanne Hurt from the P-E already called re: this project and Tom DeSantis has spoken with her.

Subject: Expanded office for Mayor position

Mayor and Members of the City Council: I am forwarding the following information that was shared with Council Member Stewart. Within the scope of the upstairs City Hall project, two Council offices were merged to create one larger office for the use of the rotating Mayor position.

Council Member Stewart: my apologies for taking a while to respond, I'm in interviews today for an Administrative Services Director.

The floor rehabilitation project included a space planning effort, to maximize the efficiency of offices, cubicles and conference rooms throughout the 2nd Floor of City Hall.

This effort also allowed an opportunity to:

- Reconfigure space allocations which no longer reflected the level of staffing in the building; and
- Address a chronic shortage of meeting/conference spaces (which is inherent in office environments which consist primarily of cubicle work areas).

The space plan approved by the City Manager last Spring saw conversion of three rooms which were formally used as offices/work areas into meeting rooms (in Finance, HR and Public Works).

Reprogramming a long vacant office in the Clerk's area into a Council Office allowed the opportunity to provide a larger meeting area that would rotate with appointment of the Mayor, to better accommodate his/her more frequent need to meet with small groups, while making the City Council/City Attorney conference room more available for the Council's use. The recommendation for this reconfiguration came from staff to the City Manager in March or April; it was not done at the request of the Mayor. Your e-mail makes a very valid point with regard to consultation with the Council; neither the Mayor nor Council Members were asked if this would be acceptable, and quite frankly that communication should have occurred when the Manager was considering the recommendation.

I hope that this explanation is helpful. Suzanne Hurt from the P-E already called re: this project and Tom DeSantis has spoken with her.

Subject: Re: Student Jaida Bailey City Council Meeting Cancellation

Hi Cindy Miller

This is the parent of student Jaida Bailey, per the conversation two days ago; attached are the questions of concern Jaida had wanted to present to the Moreno Valley Council man who is no longer with the City as of last week.

As stated, she would still like to have her voice heard and these concerns to be forwarded on.

Thanks

QUESTIONS FOR CITY OF MORENO VALLEY COUNCIL OFFICE / MAYOR'S OFFICE

MEETING WITH MR. MARCELO CO.
TUESDAY AUGUST 20, 2013

FROM THE VOICE OF STUDENT JAIDA BAILEY
(A CONCERNED FOUR YEAR HIGH SCHOOL STUDENT OF MORENO VALLEY)

MORENO VALLEY CAN'T GROW IF THERE'S NO CHANGES. "AN OLD THING WON'T WORK IF YOU WON'T AND DON'T CHANGE IT WITH THE PRESENT TIMES.

TAKE INTO CONSIDERATION, THE NEW GENERATIONS WANT TO MAKE A SUCCESS OUT OF THERE PARENTS LABOR.

PRESENT BY – MOTHER CANDACE Q. BUTLER, FOR JAIDA BAILEY

-
- 1) Who are the parties or party who does the deciding for the community best interest?
 - 2) Who decides on how the funds are allocated for community events, youth intervention and special projects?
 - 3) What was the past vision for the City? What's the overall vision after all the corruption that's occurred and been exposed?
 - 4) What immediate plans are in the making or already put in effect?
-
- 5) What are the plans to improve the crisis such as jobs for the community, youth and teen programs; resources?
 - 6) Is it true that funds were used to repair streets in Moreno Valley, that came from nonprofit organizations making substantial contributions?
 - 7) When were or are the monies going to be put back? If put back already can I get a copy or verify its documentation?
 - 8) What streets were repaired using the Art programs funds?
 - 9) View records to see the streets repaired (using the youth art programs donated funds).
 - 10) Ask to view previous funds for programs for the past seven years?
 - 11) Has it been ask in the past to change old out dated ordinances?
 - 12) Are there any unused funds available at the present time?
 - 13) Can other funds be used right now for overlooked dire need youth services and school projects, or organizations who are struggling to do the foot work throughout the community? (to reserve buses) field trips (special educational events).

Final comments for the City of Moreno Valley-

- 1) The city won't grow correct until what's old is out, until what's out is brought current to the new age.
- 2) There enough of everything to go around
- 3) There are enough righteous people to make a change, people of all backgrounds who could stretch the close minds beyond where one may wonder.
- 4) It's about principle.
- 5) The city lacks balance, open mind officials and leaders with souls, and vibrant energy.
- 6) What has occurred is criminal, and a form of slavery to keep
- 7) The city has not operated within its abilities.
- 8) It's time to apply greater like today
- 9) It's time for the City of Moreno Valley to move from nothing to more than something.
- 10) Why should anyone settle for being in the wilderness, when they could be in the land of milk and honey?
- 11) Information brings trans-formation.
- 12) What you feel determines what you pursue.
- 13) Someone died to get us where we are, and where we're to go.
- 14) Evil robs, steals, kills and destroy
- 15) Citizens of Moreno Valley have been robbed and left for dead until the wrong doing was exposed.

_____.

- 16) THE NEW GENERATIONS DO NOT WANT THEIR PARENTS AND GRANDPARENTS LABOR TO BEIN VAIN.
- 17) Too many families and lives have been destroyed by this epidemic of corruption and **wrong done by a group of selfish not caring "community leaders"**.
- 18) The City owes it citizens who are victims and in a crisis as a result of its poor political practices. Prevention is better than cure.

Respectfully Submitted,

Jaida C. Bailey

Subject: Stuff the Bus

To all Moreno Valley station personnel:

Operation SafeHouse with community support , provides emergency shelter, intervention and outreach services to runaway, homeless and other youth in crisis. SafeHouse offers at-risk youth, ages 12 to 18, positive alternatives to becoming victims of the streets, with shelters in Thousand Palms & Riverside as well as transitional living programs. Last year, the Community Services Unit raised over \$5929.78 in donations which purchased over 14065 items. MVPD has won three years in a row and this year our goal, "Just Win".

Chief Ontiveros has given the Community Services Unit permission to head a contest within the station, and collect monetary donations for "Stuff the Bus". We would like to issue a challenge to all to donate the items listed in the attached flyer. Event boxes will be placed throughout the station labeled with, "Stuff the Bus" flyers on them. Thank you in advance.

Community Services Unit

A Very Special Event To Help Teens In Crisis!

Members of the City Council: The P-E has indicated that they have accepted the attached Op Ed item submitted by Mayor Owings. It is a response to their editorial "Skip the Rosy Speech." They have not indicated which day this will run.

--Michelle

Tenaciously Optimistic
By Tom Owings

So the Press-Enterprise would prefer to have seen the City of Moreno Valley's annual State of the City event focus on controversy and contention (real or imagined) rather than on the many positives that continue to be happening in our community.

The editors ("*Skip the Rosy 'State of the City' Speech*", Aug. 19) call for explanations of political issues rather than "superficial optimism." Moreno Valley's residents, who during the recession endured unemployment as high as 18%, would not characterize the 2,043 jobs created in Moreno Valley in 2012-2013 as "superficial."

Putting the job creation number into perspective, we believe there are over 10,000 Moreno Valley residents without jobs. Thousands more have probably given up on looking for work. We have much yet to do, but our recent job creation successes are an excellent start on the road to economic recovery for our residents.

The editors stated that they didn't want to hear the "bland conventionality" of our balanced budget because, they asked, "what city does not want to balance its budget?" I answer "Yes, but how many cities have actually done it?" I will shout from the rooftops about having achieved the first balanced budget since 2008 that did not use reserves. This Council pulled the City back from its own fiscal cliff; Moreno Valley's residents would not characterize this as "bland conventionality."

The editors indicated that the Council and I "cannot simply shrug off" the corruption task force investigation. The investigation is a process that needs to run its course before anyone, residents or newspaper editors, jump to conclusions. The editors seem to forget that I appeared voluntarily and uninvited before the Grand Jury and willfully presented my testimony. I also sent a letter to the U.S. Attorney on June 10th pleading for a thorough investigation performed as expeditiously as possible so that our City can move forward without distraction. I don't characterize these actions as shrugging off; as usual, I am addressing issues head-on in my style which the P-E has branded as bullying. No "shrugging" here, just action.

The editors contend that the Council has taken sides regarding the proposed warehouse project on the east end “before weighing the facts.” That’s simply untrue. No formal review process has started at the City Council level related to the World Logistics Center. The concept of a World Logistics Center is still very early in the process; the deadline for comments on the Draft Environmental Impact Report was back on April 8th and we don’t yet know the developer’s intentions regarding the future of the project. If a project moves ahead, we will receive specific information and professional analysis. There will be numerous opportunities for public input and Council discourse regarding such a project. It would have been pointless to spend the very limited time I had in presenting the State of the City address to discuss something that at this point in time isn’t even a formal “project.”

The P-E wants me to focus on the negative and ignore the positive. That comes as no surprise to our residents, since that is exactly how the newspaper prefers to portray us. The editors are focused on reestablishing trust. Let the community’s trust be established and maintained by the City’s strong performance in delivering quality services and projects, many of which I highlighted in my address. Despite the editors’ suggestion to the contrary, the State of the City of Moreno Valley is frankly better than rosy; it is strong and I am tenaciously optimistic for our near and long-term future.

Owings is the Mayor of Moreno Valley

Subject: Found Explosive MV132350304 (inert)

Good evening all,

This evening about 6:17 p.m. our officers arrived at 25640 Palm Shadows Drive, Moreno Valley to investigate a found explosive. With the aid of the Sheriff's Hazardous Device Team and their x-ray equipment our officers eventually discovered the explosive was inert. During the investigation Palm Shadows and the nearest cross street, Tuscola, were closed to through traffic. All the streets are now open.

The reporting party, who lived at the residence, located the suspected explosive, a pineapple style grenade, while she was looking through her deceased husband's belongings. She found the grenade two days ago and put it in a ice chest that she put on her front porch. Tonight she decided she should report her find to the authorities.

Have a nice evening.

Brandon

Subject: Tuesday's meeting/council appointments

I am very disappointed with Mayor Owings' recommended council appointments that are on the agenda for Tuesday's meeting.

While I realize he and I radically disagree on the March Joint Powers and its continued operation, as far as I know we do not have any major parting of the ways on the rest of the regional organizations, so I am at a loss as to why he continues to exclude me from any participation whatsoever.

I can only conclude he is retaliating against me for my cooperation with the anti-corruption task force, for he has not given me any rational explanation to date.

This goes beyond merely hurting me, it is patently unfair to all the 30,00 plus residents of Council District 2 as they are being denied a voice.

Since I now represent 25% of the entire city council, I expect and demand my fair share of the assignments.

Richard Stewart
District 2 City Council member

Subject: Stuff the Bus

To all Moreno Valley station personnel:

Operation SafeHouse with community support , provides emergency shelter, intervention and outreach services to runaway, homeless and other youth in crisis. SafeHouse offers at-risk youth, ages 12 to 18, positive alternatives to becoming victims of the streets, with shelters in Thousand Palms & Riverside as well as transitional living programs. Last year, the Community Services Unit raised over \$5929.78 in donations which purchased over 14065 items. MVPD has won three years in a row and this year our goal, "Just Win".

Chief Ontiveros has given the Community Services Unit permission to head a contest within the station, and collect monetary donations for "Stuff the Bus". We would like to issue a challenge to all to donate the items listed in the attached flyer. Event boxes will be placed throughout the station labeled with, "Stuff the Bus" flyers on them. Thank you in advance.

Community Services Unit

A Very Special Event To Help Teens In Crisis!

November 7, 2013 1-7 pm

Riverside Transit Agency buses will make stops at:

1. Stop at UCR (TA stop on Canyon Crest) in front of Amy Harrison Social Hall

Subject: Anonymous Caller

An anonymous caller stated a person brought two pit bulls into a Wal-Mart store, and they were asked to leave; however, the owner stated they were service dogs even though they didn't have the vests on to indicate this. The manager let them into the store. The anonymous caller asked if City Council could pass an ordinance to prevent people from bringing dogs into stores that aren't service dogs. I told him it would be up to the individual store owners as to what they would allow, and the city had no control over this particular situation. He stated he would still like me to ask.

Subject: MV132390446 Traffic Collision

Good evening,

We are investigating a serious vehicle -vs- pedestrian injury traffic collision on Lasalle Street directly in front of Rancho Verde High School. The collision cause at this point is unknown. The injured pedestrian is breathing but suffering from apparent head trauma. Both the pedestrian and driver are juveniles but I don't have identifying information for them yet. We do not know what if any relationship the parties have to the high school, where they were going, or where they were coming from. Currently we have northbound Lasalle from Anira closed for the investigation. I will send out an update as soon as I have more details.

Subject: Re: MV132390446 Traffic Collision Update

Good evening,

The pedestrian has been identified as 14 year old Cory Petersen of Perris. Cory was standing at the curb line on Lasalle Street after football practice on his way to his friend's house, where he planned to meet his mother. While standing at the curb, Cory saw his mother parked on Lasalle St. and walked into the street in front of a northbound car. Cory's body hit the hood and windshield and he suffered a broken femur. A CAT scan at RCRMC revealed no head trauma. The car that hit Cory was driven by 17 year old Carlos Sadano of Perris. As Carlos was northbound on Lasalle, he attempted to avoid the collision by slamming on his brakes. After hitting Cory he collided with a brick wall in front of the school. Carlos suffered a contusion on his forehead and complained of back pain. Our Traffic reconstruction team is on scene investigating and will have northbound Lasalle closed for 4 to 6 hours. Neither alcohol or drugs appear to be a contributing factor. MVPD Volunteers are on scene w/ command post for traffic control. Sgt. Gyll has notified Val Verde School District personnel. The collision was captured on the Citywide Camera System and shows Cory walking into traffic. It also shows Carlos' car skidding, but unable to stop in time.

Subject: Meeting request with CM Baca

Cindy,

Can you please schedule a meeting w/CM Baca, Ahmad and Eric to discuss:

1. Parking at NW corner of Dracaea & Gina
2. Speed hump application for tract at Brentwood, N/O Dracaea
3. Request for crossing guard at Ironwood & Graham (District #5)

Of course, the aforementioned items are not a high priority and meeting can be scheduled at CM Baca's request.

Thanks,
Anna Chacon

Subject: Bomb Threat at Landmark Middle School 15261 Legendary Dr, MoVal. #MV13241063

Good morning,

We are investigating a bomb threat at Landmark Middle School. The school is currently locked down, but not evacuated. The threat was phoned in from a cellphone and we were able to locate the source of the call. We have a 13 year old male in custody; but we have not been able to confirm the threat was a hoax. The Sheriff's Hazardous Device Team (HDT) was monitoring Moreno Valley radio traffic and when they heard the call for service, and decided to stop and offer their assistance. Along with the HDT personnel and bomb sniffing dog, we are sweeping the campus for any suspicious devices. We will follow our "Kids with Guns" protocol and conduct follow up investigation at the juvenile suspect's home.

I will update you as soon as I have more details.

Subject: Congratulations to John Terell

CONGRATULATIONS JOHN TERELL

PLEASE CONGRATULATE JOHN TERELL UPON HIS APPOINTMENT AS THE CITY OF MORENO VALLEY'S COMMUNITY AND ECONOMIC DEVELOPMENT DIRECTOR.

JOHN HAS DISTINGUISHED HIMSELF WHILE SERVING IN AN INTERIM CAPACITY OVER THE PAST 3 MONTHS. HIS 23 YEARS OF EXPERIENCE WITH THE CITY CERTAINLY PREPARED JOHN WELL IN HIS TRANSITION TO EXECUTIVE MANAGEMENT LEADING THE PLANNING, BUILDING & SAFETY, CODE & NEIGHBORHOOD SERVICES, AND BUSINESS SUPPORT & NEIGHBORHOOD PROGRAMS DIVISIONS.

JOHN HAS BEEN PARTICULARLY EFFECTIVE LEADING OUR ECONOMIC DEVELOPMENT EFFORTS AND IN A VERY SHORT PERIOD OF TIME HAS HAD SEVERAL SUCCESSES THAT WILL BE EXTREMELY BENEFICIAL TO THE CITY AND OUR COMMUNITY. SOME OF THESE INCLUDE:

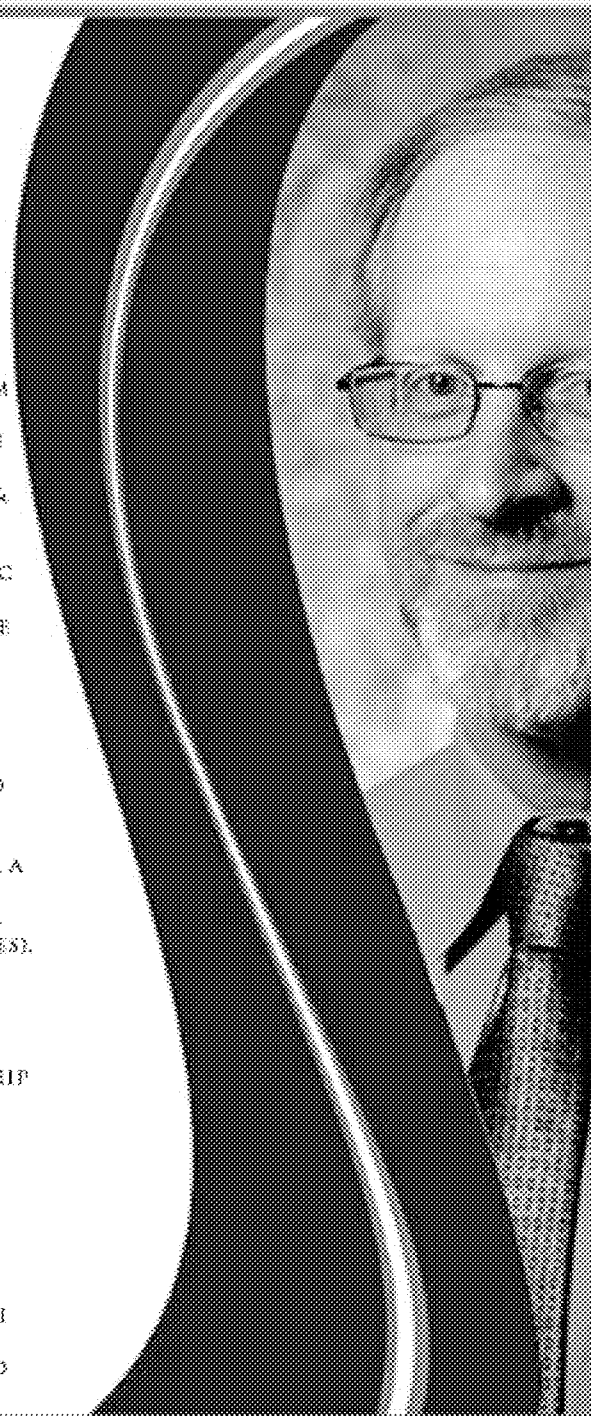

- ALDI FOODS IS COMING TO MORENO VALLEY. THIS CHICAGO-BASED GROCER PLANS TO INVEST \$55 MILLION TO CREATE ITS WEST COAST HEADQUARTERS AND DISTRIBUTION CENTER IN THE EAST END OF TOWN. ALDI IS EXPECTED TO PRODUCE NEARLY 300 NEW JOBS AND PLANS TO OPEN TWO RETAIL STORES AS WELL.

- TWO MORE FORTUNE 500 COMPANIES HAVE SIGNED LEASES FOR A COMBINED TOTAL OF 3 MILLION SQUARE FEET OF LOGISTICS SPACE COMING TO MORENO VALLEY (WE HAVEN'T YET BEEN CLEARED BY THE COMPANIES AND DEVELOPERS TO FORMALLY ANNOUNCE THOSE NAMES).

- A NEW WAL-MART SUPERCENTER IS PROPOSED JUST NORTH OF HOME DEPOT NEAR PERRIS BOULEVARD AND IRIS AVENUE.

- THE CLOSED ALBERTSON'S STORE IN THE NORTHWEST PART OF MORENO VALLEY WILL RE-OPEN VERY SOON AS A STATER BROS. FLAGSHIP STORE. THE NEW STORE WILL PRODUCE ROUGHLY 300 NEW JOBS AND GENERATE AN INVESTMENT OF APPROXIMATELY \$1.5 MILLION IN IMPROVEMENTS. THIS LOCATION WILL FEATURE SPECIAL AMENITIES, HAVING BEEN DESIGNATED AS A "BLUE RIBBON" STATER BROS. RETAIL CENTER.

- SEVERAL NEW RESTAURANTS WILL SOON OPEN IN MOVAL, INCLUDING OMOKASE, POLLY'S PIES, AND MIGUEL'S JR. (IT'S A GOOD THING THAT HE'S ALSO HELPING SEVERAL FITNESS CENTERS ESTABLISH THEIR PRESENCE IN OUR WELL-NOURISHED TOWN!) PLEASE CONGRATULATE JOHN AND THANK HIM FOR HIS LOYALTY AND CONTINUED DEDICATION TO MORENO VALLEY.

Good Afternoon Mr. Hernandez:

I am responding on behalf of Council Member Baca as she is currently out of the office due to the recent passing of her husband.

Please find attached information regarding the Speed Hump Program (See Attachment A1 for the Request for a Speed Hump Study). Edward Init, Senior Engineering Technician, can assist you with the process to request speed humps. He can be reached at [REDACTED]. I'd suggest contacting Edward prior to completing the request to discuss any questions you may have.

If I can be of any assistance, please contact me.

Thanks,

Cindy

Attachment 2 – Definitions	A-2
Attachment 3 – Speed Hump Process Flow Chart	A-3

INTRODUCTION TO SPEED HUMPS

WHAT IS THE PURPOSE OF A SPEED HUMP?

The purpose of the speed hump is to reduce the speed of vehicles on residential streets where excessive speeding occurs. Excessive speed is defined as the following:

1. The 85th percentile speed (the speed at which 85% of the drivers travel at or under) is 9 or more miles per hour above the posted speed limit.

Speed Humps are not designed to reduce the volume of traffic on residential streets; however, some drivers may divert to other streets to avoid the humps.

WHAT IS THE DIFFERENCE BETWEEN A SPEED HUMP AND SPEED BUMP?

Speed Humps are used on public street in residential areas to reduce traffic speeds. Speed Humps are typically 12 feet wide and between 3 to 4 inches high. Their parabolic shape is designed to permit vehicles to traverse them at reasonable speeds without significant discomfort to the passengers.

Speed Bumps are not used on public streets. They are typically found in shopping centers, apartment complexes, and other private properties. Speed Bumps are usually 2 feet to 3 feet wide and 4 inches to 6 inches high. They usually cannot traverse comfortably at speeds greater than 5-10 miles per hour.

WHERE ARE SPEED HUMPS USED?

Speed Humps are not intended for use on all streets. They are permitted on residential streets that have at least 1,000 feet of uninterrupted length between stop signs or other traffic control devices. They are not permitted on arterial streets or on streets that serve as Collectors or primary routes for emergency service vehicles.

HOW MANY SPEED HUMPS DO YOU INSTALL ON A STREET?

The number of humps will depend on the length of the street. For the humps to be effective, they should be installed in a series between 260 feet to 500 feet apart. Special circumstances may call for the humps to be placed closer.

ARE SPEED HUMPS EFFECTIVE?

Speed humps have been shown to significantly reduce the speed of vehicles on residential streets. Studies indicate the 85th percentile speed decreased by 6 to 7 miles per hour after speed humps were installed.

ARE THERE DISADVANTAGES TO HAVING SPEED HUMPS INSTALLED ON MY STREET OR MY NEIGHBOR'S STREET.

There is a potential for more vehicle noise and emergency response times are delayed.

Some drivers will drive closer to the curb so that only one side of the car goes over the speed hump. While this places the vehicle closer to the pedestrian areas, studies have shown these vehicles do not travel faster than other vehicles.

Some residents feel the additional traffic signs and street markings that accompany the installation of speed hump detract from the appearance of their neighborhood and could affect the property values.

Some drivers may speed up between humps to make up for time lost while slowing down to go over the humps.

There could be a diversion of traffic to adjoining parallel street from streets where speed humps are installed.

City of Moreno Valley
Policies and Procedures for Speed Hump Installation and Removal

I. Installation of Speed Humps

A. Request Process

1. The initial request for the installation of speed humps must originate from a resident, school, or other entity whose property is abutting the requested street segment. The requester must be willing to act as the primary contact and take responsibility for notification and the compilation of evidence of support for their requested street should it be determined eligible.
2. The request should identify the street and blocks where the applicant(s) desires speed humps, and the name, phone number and address for a contact person. Submitted segments may be divided or otherwise revised at the sole determination of Transportation Engineering staff. Use **Attachment 1-Form A Installation** of this policy as the application packet for requesting the installation of speed humps. Please sign and return the form to:

City of Moreno Valley
Transportation Engineering Division
Speed Hump Program
P.O. Box 88005
Moreno Valley, CA 92552-0805

B. Eligibility

1. Transportation Engineering staff will conduct the necessary traffic engineering studies and determine the street's eligibility for speed hump installation based on the following policy criteria:
 - a. The street may not be a private street and must be accepted into the city maintained street system.
 - b. The street must be designated as a local road or a "residence district" as defined in the California Vehicle Code and may not be designated as a Major Arterial, an Arterial, a Minor Arterial, an Industrial Collector or a Collector; *The road shall be either a residential road or local road defined as follows:*
 - i. *For the purposes of this policy a residential road, or "residence district," as defined in the California Vehicle Code section 515 is that portion of a highway and the property contiguous thereto, other than a business district, (a) upon one*

City of Moreno Valley
Policies and Procedures for Speed Hump Installation and Removal

side of which highway, within a distance of a quarter of a mile, the contiguous property fronting thereon is occupied by 13 or more separate dwelling houses or business structures, or (b) upon both sides of which highway, collectively, within a distance of a quarter of a mile, the contiguous property fronting thereon is occupied by 16 or more separate dwelling houses or business structures. A residence district may be longer than one-quarter of a mile in the above ratio of separate dwelling houses or business structures to the length of the highway exists. The "residence district" determination shall be consistent with California Vehicle Code Section 240.

- ii. *A local road is defined as a road intended primarily to provide direct access to abutting residential buildings. Residential buildings include separate dwelling houses, apartment buildings, or multiple dwelling houses.*
 - c. The street may not be designated an emergency service travel route. The street will be considered an emergency response route if the installation of speed humps will significantly increase response times to other local streets within the residential area.
 - d. The street may not be designated as a bus or commercial vehicle truck route.
 - e. The minimum length of the street or street segment under consideration for speed humps shall not be less than 1,000 feet which, is uninterrupted by stop signs or any other traffic control device. Speed humps will not be considered for installation on cul-de-sacs unless they have an uninterrupted street length of 1,000 feet or more.
 - f. The local street or residence district must have a paved width of 40 feet or less and have no more than two traffic lanes;
 - g. The sum of traffic volumes on the local street or residence district for both directions must be more than 500 but less than 2,000 vehicles per day;
 - h. The measured 85th percentile from the 24-hour speed profile must exceed the established posted speed limit by 9 miles per hour or more OR there must be five (5) or more reported speed-related traffic collisions within the subject street segment during the last 12 months of recorded data;
 - i. Speed humps should not be placed within 150 feet from any intersection or traffic control device such as stop signs, signals, etc.

City of Moreno Valley
Policies and Procedures for Speed Hump Installation and Removal

- j. Other factors such as, but not limited to, severe horizontal or vertical curves, excessive street downgrades or upgrades ($>+5\%$), and inadequate sight distance to the humps will affect consideration for eligibility.
2. On a case-by-case basis, staff may recommend speed hump installation on streets that have a paved street width greater than 40 feet not to exceed 44 feet wide. The following criteria is in addition to the preceding criteria above and is only recommended if the following conditions are met:
 - a. The street or street segment must be defined as of local residential density as described in the California Vehicle Code and;
 - b. The street must be designated a local street by the latest functional usage and federal-aid system maps. In the case that the street or street segment has not been submitted or is not shown on the latest functional usage maps, a local street or road” means a street or road that primarily provides access to abutting residential property and meets the following three conditions:
 1. Roadway width of not more than 44 feet.
 2. Not more than one-half of a mile of uninterrupted length by official traffic control devices.
 3. Not more than one traffic lane in each direction.
 - c. The street must have an established speed zone of either 25 or 30 MPH; any street with an established speed zone of 35 MPH or greater will not be considered. Established speed zones of 35 MPH or greater serve as a Collector designation and will not be considered.
 - d. The sum of traffic volumes for both traffic directions must not have an average daily traffic that exceeds 2,000 vehicles per day or the street will be considered of Collector designation and will not be considered for speed hump installation.
3. The Transportation Engineering Division, based on the criteria set forth in this policy and safety concerns, will have the sole determination whether it is feasible to install speed humps on streets with a paved width between 40-44 feet wide.

City of Moreno Valley
Policies and Procedures for Speed Hump Installation and Removal

4. If the street is determined not to be eligible for speed humps, the applicant(s) will be notified in writing of the reason for ineligibility and other traffic safety strategies will be considered.

C. Notification/Evidence of Support

1. If the street is determined to be eligible for consideration, Transportation Engineering staff will define the approximate speed hump location(s) on a map, which will be provided to the applicant(s) with a petition of notification on which to gather evidence of support. The petition area will be determined by Transportation Engineering staff and will include primarily those properties facing or abutting the street segment on which a speed hump is proposed to be located.
2. Notification/evidence of support must be submitted on forms produced by Transportation Engineering staff or exact duplicates of it. Documents with missing required information will not be accepted as valid under any circumstances.
3. Notification/evidence of support petitions must be completed and returned to Transportation Engineering staff by the established deadline for the segment to be considered in the ranking process. Requests without petitions will be considered incomplete and will be deferred for further consideration in the subsequent funding cycles until the subject requests are re-submitted with the required support petitions.
4. Each property identified by Transportation Engineering staff within the petition area must be represented on the petition by signature. Any property not properly identified with a petition signature will be considered as opposed to the installation of speed humps.
5. Resident property managers or landowner signatures may be considered as approval for all units of multi-family properties of four or more units. The manager or landowner must be properly identified on the petition form.
6. Any person who wishes to alter their indication of support on the petition form after its submittal must do so by individual letter of request to Transportation Engineering staff.

City of Moreno Valley
Policies and Procedures for Speed Hump Installation and Removal

7. A 67% (two-thirds majority) vote must be met to continue for speed hump installation.

D. Funding Criteria

1. Funds for speed hump installation will be determined by the Moreno Valley City Council.
2. A street segment's ranking score is determined by summing the following factors:

Ranking Criteria	Point Given	Per
<i>Speeding Factor</i>	+0.1 point	Vehicle exceeding the 25-mph speed limit by 5 miles per hour or more in a 24-hour period (Based on speed survey)
<i>Collision Factor</i>	+10 point	Reported speeding-related accident occurring within the segment during the most recent 12-month period
<i>Vehicular Access Factor</i>	+1 point	Single-family residential driveway along the segment. Vacant land will not be counted.
	+1 point	Multi-family residential driveway along the segment. Vacant land will not be counted
<i>Institution Factor</i>	+10	School or park within the segment or adjacent to the segment
<i>Pedestrian Access Factor</i>	+10	Absence of sidewalks within the segment or portions of the segment. A segment or portion of a segment with a sidewalk on at least one side of the street is considered to have sidewalks.
<i>Evidence of Support Factor</i>	+1 point	Every 5 percent over the required 60% of petitioners supporting the installation of speed humps.
<i>Undesirable Factors</i>	-10 point	Sharp horizontal or vertical curve exists within the segment (based on engineering judgment)
	-10 point	Poor sight distance exists within the segment (based on engineering judgment)
	-10 point	Inadequate lighting exists within the segment (based on engineering judgment)
	-10 point	Excessive street downgrade or upgrade exists within the segment (based on engineering judgment)

City of Moreno Valley
Policies and Procedures for Speed Hump Installation and Removal

3. *Traffic Diversion:* Prior to the construction of speed humps along a street segment, traffic studies will be conducted along adjacent alternate routes to provide base data to document any occurrence of traffic shifts. If the adjacent alternate route is requested to be considered for speed humps at a later date, the results of the “before” and “after” study will be compared. If the segment is eligible for speed hump consideration and any increases in either traffic speeds or volumes are shown, consideration for those increases will be given in the funding process as follow:
 - For every percent of increase of the “before” 85th percentile speed: +2 points;
 - For every percent of increase of the 24-hour volume: +2 points.
4. The street segment with the higher-ranking score will be considered to have the higher priority. The street with the earliest application date will have the higher priority among streets with the same ranking score.

E. Cost Responsibility

1. The City of Moreno Valley will be responsible for all costs associated with design and installation of the speed humps, unless the project is privately funded (See Section E-4).
2. A location that does not receive speed hump installation funding approval will automatically be considered in the following cycles, for a maximum of three (3) additional years (three funding cycles). After the three year time period, the request expires. Incomplete requests that later become complete within the three-year limit will not receive additional time for funding consideration. A new written request may be submitted subject to the policies and procedures in effect at the time of request. Each request requires a separate and independent evidence of support petition.
3. These procedures do not preclude Transportation Engineering staff from completing any eligible requests out of ranking order, should alternative funds become available.
4. Private Funding
 - a. Once a location is determined to be eligible for speed hump installation, but not funded under the designated annual budget, installation may be expedited by either voluntary payment of 100% of all costs or voluntary payment of 50% of all costs. A

City of Moreno Valley
Policies and Procedures for Speed Hump Installation and Removal

notification/evidence of support petition exhibiting a 60% or greater support factor must be presented.

- b. Requests for a private funding estimate of cost must be made in writing to Transportation Engineering staff.
- c. Voluntary payments must be submitted in one payment for the full cost of installation, according to the cost statement provided to the applicant(s). No partial payments will be accepted.
- d. Upon receipt of payment of 100% of the cost, the humps will be installed no later than the next fiscal year as scheduling permits.
- e. Upon receipt of payment of 50% of the cost, +30 extra ranking points will be given in the City funding process to location that is 50% privately funded.

City of Moreno Valley
Policies and Procedures for Speed Hump Installation and Removal

F. Design, Construction, and Maintenance of Speed Humps

1. Transportation Engineering staff shall prepare and maintain current design standards and installation and removal procedures for speed humps in accordance with this policy. The final location of all speed humps will be determined by staff in accordance with the City of Moreno Valley Standards and current engineering principles.
 - a. Speed humps will generally be placed approximately 260 to 500 feet apart. Other spacing may be used based upon engineering judgment.
 - b. A speed hump should not be located in front of a driveway or within an intersection.
 - c. Speed humps should not be located over, or contain manholes, water valves or other subsurface utilities access features.
 - d. Speed humps should not be located adjacent to fire hydrants.
 - e. For humps located near drainage inlets, the hump should be placed just downstream of the inlet. If this is not feasible, a special treatment may be considered for drainage.
 - f. To improve nighttime visibility, coordinating hump location with existing or planned street lighting should be considered.
 - g. Preferences of requesters or property owners adjacent to speed hump locations will not be considered unless unique or special circumstances exist that warrant relocation. Transportation Engineering staff will consider these circumstances on a case-by-case basis.
 - h. Traffic studies will be conducted along adjacent alternate routes to provide base data to document any occurrence of traffic diversions (See Section D-3).
2. Construction or removal of the speed humps and associated pavement markings and signs will be the responsibility of Transportation Engineering staff. Traffic control consisting of signs and markings shall be installed in accordance with the Manual on Uniform Traffic Control Devices (MUTCD) and the City of Moreno Valley Standard Plans to advise roadway users of the presence of speed humps.
3. Transportation Engineering staff will maintain the speed humps and all related features.

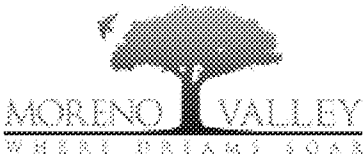

City of Moreno Valley
Policies and Procedures for Speed Hump Installation and Removal

4. Removal of Speed Humps by Maintenance or Construction Activities
 - a. Any speed hump that is removed or damaged during the course of publicly funded construction shall be reinstalled upon completion of that construction at the City expense.
 - b. Any speed hump that is removed or damaged during the course of privately funded maintenance or construction shall be reinstalled upon completion of those activities at the expense of the private constructor.
 - c. The replacement of speed humps completely removed through the above actions is not automatic, but contingent upon a review for conformance with current policies and procedures.

5. Relocation of constructed speed humps:

Any relocation of constructed speed humps at citizen's request must be approved by Transportation Engineering staff and relocated at the requesting citizen's cost. The requester must secure evidence of support by properties adjacent to both the existing location and the proposed location. Payments must be submitted in one payment for the full cost of relocation, according to the cost statement provided to the applicant(s). No partial payments will be accepted. Upon receipt of payment of the cost, the humps will be relocated as scheduling permits.

Request for Speed Hump Study

The following is a formal request for a speed hump study. Each request must contain the completed information as indicated in the Speed Hump Program Policies and Procedures.

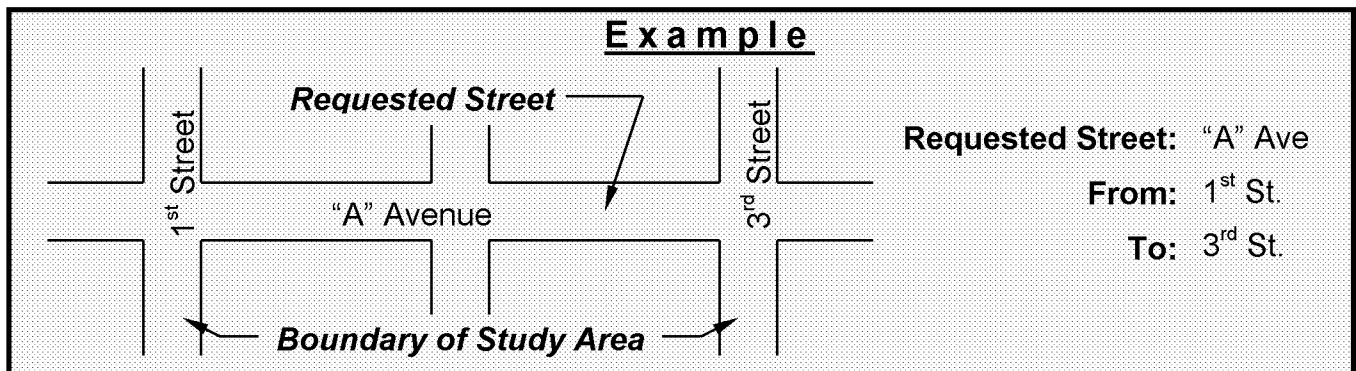

A. Street Study Information

Each request must provide the name of the street on which a study is requested, and the boundaries of the street segment. Traffic studies will be conducted only within the boundaries indicated. Please use streets for boundary limits, not block ranges.

Requested Street:

From:

To:

B. Contact Person Information

Each request must provide a contact person who lives on the requested street within the study area boundary. The contact person will receive all correspondence and be responsible for gathering evidence of support when requested.

Name:

Address:

City: ZIP Code: Ph. #: ()

I agree to be the contact person for the above request. I have read and accepted the conditions required in the City of Moreno Valley Policies and Procedures for Speed Hump Installation and Removal.

Signature of Applicant: Date:

DEFINITIONS

Speed Hump means a geometric design feature of a roadway, consisting of a raised area in the roadway pavement surface extending transversely across the travel way, whose primary purpose is to reduce the speed of vehicles traveling along that roadway. The base of the hump is approximately 10 to 12 feet wide and gradually slopes to a maximum height of approximately 3 to 4 inches.

Major Arterial, Arterial, Minor Arterial, Industrial Collector and **Collector** means street classification in City of Moreno Valley Standard No. 100.

Institution may be a park or school that could reasonably be anticipated to generate volumes of pedestrian traffic.

RTA Bus Route means any roadway segment designated by the Riverside Transit Authority (RTA) as a bus route.

Emergency Service Travel Route means any street segment designated by Moreno Valley Police Division or Moreno Valley Fire Division as an emergency access route.

Residential means any single family residence, townhouse, duplex, triplex, fourplex, condominium, or apartment complex or any other structures used as dwelling units.

85th percentile speed meaning the measured speed at or below which 85% of vehicles are traveling.

Proclamation
Recognizing
Comprehensive Immigration Reform Legislation

WHEREAS, the City Council of Moreno Valley recognizes the economic, social and cultural contributions immigrants bring to the community; and

WHEREAS, year after year the growing national appeal for comprehensive immigration reform has been ignored by Washington's failure to come to grips with the issue; and

WHEREAS, the national political debate on immigration reform has tended to polarize our communities; and

WHEREAS, local governments respect the rights of, and provide equal services to, all individuals regardless of national origin or immigration status; and

WHEREAS, municipal leaders protect the well-being and safety of all the people residing in their cities; and

WHEREAS, the well-being and safety of individuals also includes improved immigration enforcement and border security that is consistent with our nation's values; and

WHEREAS, the absence of a sensible, effective immigration policy in the U.S. has translated into enormous human and financial costs; and

WHEREAS, the City of Moreno Valley opposes the separation of families by the enforcement of current immigration laws and supports the reunification of families that have been separated, especially those "mixed status" families with U.S. citizen children;

NOW, THEREFORE, BE IT PROCLAIMED, that the City Council of the City of Moreno Valley, on behalf of its citizens and staff, hereby calls for quick passage of comprehensive immigration reform legislation which promotes the reunification of families, provides legal status with a path to earned citizenship to the estimated 12 million undocumented workers, and designs a plan for current and future immigrant workers.

Subject: Alerts re flooding in MoVal

Dear Mayor and Councilmembers-

Hope all is well.

With regards to several Google alerts we all may have received during recent hours on scattered flooding throughout desert areas as well as our city, and at the request of City Manager, we felt it would be appropriate to report to you as to the situation.

I am prepared to report that to this hour, there has not been any major flooding or circumstances where our crews had to perform any emergency work.

The only incident that we were informed of was a storm drain manhole on Perris Blvd in southern part of the city that had popped up due to significant gradient storm water flowing in the underground system, to which crews responded effectively.

Crews remain on standby in case of any situation that may arise, and I will personally stay in contact with them to report to you and the City Manager if need be.

Please feel free to contact me via phone, text or email at any time.

I wish you all a safe labor day holiday weekend.

AHMAD

Subject: BC Lanzas

Honorable Mayor and Council Members,

Chief Ahmad has informed us that Battalion Chief Silvio Lanzas will transfer to County Fire's Emergency Command Center effective September 14th.

While we will miss Silvio's outstanding service to the Moreno Valley community, it's wonderful to see yet another example of how service in our City opens doors to exciting career opportunities for public safety command officers.

Silvio has been assigned to Moreno Valley since February 2005 serving as a Fire Captain and promoting to Battalion Chief in June 2009. Chief Ahmad is particularly proud of "Silvio's dedication, commitment and accomplishments while working for the Moreno Valley Division." The Chief further states that "Silvio has served the citizens excellently and provided exemplary leadership to the firefighters he supervised. I am certain that the experiences gained from working in Moreno Valley and with professional city staff will assist him in his challenging new assignment."

Please join us in congratulating BC Lanzas on his new position.

Respectfully,

Tom

Subject: Sept. 7th Community Awareness Meeting

Community Awareness Meeting
Saturday, Sept. 7th 10 a.m. – noon
Canyon Springs High School
23100 Cougar Canyon Dr.

This coming Saturday the Residents for a Livable Moreno Valley and CCAEJ will host another excellent Community Awareness Meeting about the World Logistics Center (WLC) which will have a myriad of impacts on Moreno Valley and the surrounding communities. Its proposed 41.6 million sq. ft. of warehouses (likely 25-40 warehouses, equivalent in size to 35 Moreno Valley Malls) will bring thousands of trucks to this city. Think of it, more truck traffic, truck exhaust, poorer air quality, health impacts, lost land use opportunities, enormous 60-80 foot tall concrete boxes, and questionable economic and job creation calculations. We are told of all the high paying jobs but does anyone really know how well warehouse workers get paid or if they even get benefits.

We will be hosting our Community Awareness Meeting on Saturday, September 7th from 10 a.m. – noon at Canyon Springs High School, 23100 Cougar Canyon Dr. (SR-60 to Pigeon Pas/Fredrick north to Cougar Canyon Dr.). Speaker Dr. Karen Jakpor will make a presentation about some of the health and cost impacts of the WLC on not only Moreno Valley residents, but those throughout the Inland Empire. Mike McCoy will address Goods Movement, its costs, effective modes of transportation, and the effects of the Panama Canal. The San Bernardino Valley Audubon Society (which includes Riverside Co) will make a short presentation with pictures of some of the wonders of the San Jacinto Wildlife Area (SJWA), which shares a two-mile border with the WLC. In closing time will be given for your ideas about what should be built in place of the WLC that would not further impact our health, lifestyle, the SJWA and the region as a whole.

This will be our 5th Community Awareness Meeting and our outreach has been effective. So many people have been made aware of what the Moreno Valley City Council has planned for this community that they have started to rebel. So much so that efforts are now under way to recall all the seated Councilmembers. However, our effort to inform and engage the community comes with a cost for printing, postage, school rental, security, and insurance. Each meeting we host costs approximately \$1,000 and all efforts are carried out by volunteers. We could really use your support to see us through the end of the year and beyond. Donations of any amount are welcome and can be made to: Residents for a Livable Moreno Valley at P.O. Box 6195, Moreno Valley, CA 92554. We thank you for your support.

One more note. What we worry about for ourselves will also be the subject of upcoming news articles and a Forum hosted by The Press Enterprise as discussed in the linked article below. We look forward to seeing you Saturday and encourage you to attend the Forum on Thursday, September 12 hosted by the Press Enterprise.

Importance: High

Vince and Mark,

The summary vacation and emergency vehicle access easement mentioned in items 1 and 2 respectively were submitted this morning. The gate currently in place across Gifford mentioned in item 4 obviously is temporary to protect my retired parents' new home and will be removed once we're closer to occupancy.

Regarding the final cap of pavement on item 3, our intent has always been to lay the final cap after at least 50% of the homes are built primarily to avoid damage to the improvements during the ongoing construction. In conversations with Mr. Ramirez and the prior inspector, and based on my personal experience having lived in 2 newer tracts by large developers in the same area, laying the final cap after most of the construction is completed and most of the houses being occupied is a common practice.

DR Horton was allowed to build, sell, and occupy 77 homes on Tract Map 31326 prior to laying the final cap of pavement more than 6 months after most homes were occupied. Similarly, Richmond American was allowed to build, sell, and occupy 48 homes on Tract Map 27251 and many more homes in the adjacent tract prior to laying the final cap of pavement approximately 2 years after most homes were occupied. Over the 15+ years I've lived in the area, I've seen this approach used in Celebrations and many other developments. Understandably, having the homes sold and

occupied allowed those large developers the ability to gain financial leverage to make the final investment of finishing up the improvements. I completely believe this flexibility to do the final cap after construction and occupancy is something that most, if not all, developers need to keep projects moving along... we are no exception and need the same flexibility to continue the project and finally get my retired parents into their home.

As a developer so far we have met all your demands of the sub-division process, including but not limited to designing all pertinent improvements, constructing most of the improvements, obtaining all the necessary easements and dedications to fix a badly designed cul-de-sac that the city allowed prior to our project, posting security for the remaining improvements and putting in place a public improvement agreement (PIA) which expires in Feb 2014. Our goal is to finish the improvements by January 2014 timeframe.

Please consider this a formal request to the city engineer, Mr. Ahmad Ansari, requesting permission to lay the final cap of pavement on our project PM33275 after at least 50% of the homes are constructed and occupied so that we can minimize damage to the improvements during construction and so that we can gain the financial leverage we need from the first couple homes' occupancy to continue the project. We are still within our PIA timeframe and traffic in the involved streets, which is a dead-end cul-de-sac between mostly vacant land, will be minimal for the single house so unquestionably the final cap is not necessary prior to occupancy. Given the many disagreements and conflicts over the last 8 years with Land Development staff, I am requesting that you refrain from responding and provide a written response from the Mr. Ansari directly. If this request is denied, I ask that Mr. Ansari provide justification of why DR Horton and Richmond American were provided special treatment as I will need that information to pursue the next action in search of equal and fair treatment... we will absolutely not stand for this form of discrimination.

P.S. If it looks like discrimination, and it feels like discrimination, it absolutely is discrimination...

Subject: PA04-0216 (PM33275), PA06-0060 Custom Home at 13930 Curtis Street

Alfonso,

The Building and Safety Division has sent notified us that the above referenced custom home is nearing completion and will be requesting a certificate of occupancy/final inspection. There are several items that need to be satisfied prior to the Land Development Division signing off on the roster for occupancy release. They are as follows:

1. Summary Vacation must be submitted and approved. Please note that there are several property owners that must be included the vacation process according to the conditions of approval.
2. Emergency vehicle access easement must be submitted and approved. This was required during project construction due to the fact that additional right-of-way for a cul-de-sac could not be secured on the east side of Curtis Street.
3. Gifford Avenue and Curtis Street must have final cap. (Once public improvements are completed, we can begin the security release/exoneration process to accept the public improvements into the City maintained system. This can occur after occupancy. The current fee for this process is 1,760.00.)
4. Construction gate crossing Gifford Avenue must be removed.

For your reference, I have attached the conditions of approval for Parcel Map 33275 (PA04-0216) and the custom home application (PA06-0060). Please call or email me if you have any questions.

Subject: WEST PACT activity - July 2013

Good morning,

The AB 109 compliance team for this area (WEST PACT) conducted 19 probation/parole/PRCS checks in the City of Moreno Valley during the month of July. The majority of the subjects contacted were found to be in compliance with the terms of their supervised release. However, one suspect was found in possession of a handgun and another was found to be in violation of his parole. A third suspect not on supervised release was found to be in possession of methamphetamine. All three suspects were arrested and booked into RPDC on various felony counts.

Subject: 2013-09-04 Custom Home at 13930 Curtis Street - Occupancy Release

Mr. Guzman,

I discussed your request for roster sign-off for occupancy of the first custom home without being required to complete the cap paving as well as the signing and striping. In an effort to assist you, the Public Works Director felt that it would be fair to allow for the occupancy sign-off of this single residence, so long as you understood that you would be required to complete any punch list items and all applicable Conditions of Approval before the issuance of any further building permits or other discretionary approvals.

Vince Giron has already sent notification this morning to the Building Department indicating that the Land Development Division approves for the final inspection/occupancy of this one residence.

Subject: 2013-08-29 PA04-0216 (PM33275), PA06-0060 Custom Home at 13930 Curtis Street - DISCRIMINATION?

Importance: High

Vince and Mark,

The summary vacation and emergency vehicle access easement mentioned in items 1 and 2 respectively were submitted this morning. The gate currently in place across Gifford mentioned in item 4 obviously is temporary to protect my retired parents' new home and will be removed once we're closer to occupancy.

Regarding the final cap of pavement on item 3, our intent has always been to lay the final cap after at least 50% of the homes are built primarily to avoid damage to the improvements during the ongoing construction. In conversations with Mr. Ramirez and the prior inspector, and based on my personal experience having lived in 2 newer tracts by large developers in the same area, laying the final cap after most of the construction is completed and most of the houses being occupied is a common practice.

DR Horton was allowed to build, sell, and occupy 77 homes on Tract Map 31326 prior to laying the final cap of pavement more than 6 months after most homes were occupied. Similarly, Richmond American was allowed to build, sell, and occupy 48 homes on Tract Map 27251 and many more homes in the adjacent tract prior to laying the final cap of pavement approximately 2 years after most homes were occupied. Over the 15+ years I've lived in the area, I've seen this approach used in Celebrations and many other developments. Understandably, having the homes sold and occupied allowed those large developers the ability to gain financial leverage to make the final investment of finishing up the improvements. I completely believe this flexibility to do the final cap after construction and occupancy is something that most, if not all, developers need to keep projects moving along... we are no exception and need the same flexibility to continue the project and finally get my retired parents into their home.

As a developer so far we have met all your demands of the sub-division process, including but not limited to designing all pertinent improvements, constructing most of the improvements, obtaining all the necessary easements and dedications to fix a badly designed cul-de-sac that the city allowed prior to our project, posting security for the remaining improvements and putting in place a public improvement agreement (PIA) which expires in Feb 2014. Our goal is to finish the improvements by January 2014 timeframe.

Please consider this a formal request to the city engineer, Mr. Ahmad Ansari, requesting permission to lay the final cap of pavement on our project PM33275 after at least 50% of the homes are constructed and occupied so that we can minimize damage to the improvements during construction and so that we can gain the financial leverage we need from the first couple homes' occupancy to continue the project. We are still within our PIA timeframe and traffic in the involved streets, which is a dead-end cul-de-sac between mostly vacant land, will be minimal for the single house so unquestionably the final cap is not necessary prior to occupancy. Given the many disagreements and conflicts over the last 8 years with Land Development staff, I am requesting that you refrain from responding and provide a written response from the Mr. Ansari directly. If this request is denied, I ask that Mr. Ansari provide justification of why DR Horton and Richmond American were provided special treatment as I will need that information to pursue the next action in search of equal and fair treatment... we will absolutely not stand for this form of discrimination.

MV00258370

P.S. If it looks like discrimination, and it feels like discrimination, it absolutely is discrimination...

Subject: PA04-0216 (PM33275), PA06-0060 Custom Home at 13930 Curtis Street

Alfonso,

The Building and Safety Division has sent notified us that the above referenced custom home is nearing completion and will be requesting a certificate of occupancy/final inspection. There are several items that need to be satisfied prior to the Land Development Division signing off on the roster for occupancy release. They are as follows:

1. Summary Vacation must be submitted and approved. Please note that there are several property owners that must be included the vacation process according to the conditions of approval.
2. Emergency vehicle access easement must be submitted and approved. This was required during project construction due to the fact that additional right-of-way for a cul-de-sac could not be secured on the east side of Curtis Street.
3. Gifford Avenue and Curtis Street must have final cap. (Once public improvements are completed, we can begin the security release/exoneration process to accept the public improvements into the City maintained system. This can occur after occupancy. The current fee for this process is 1,760.00.)
4. Construction gate crossing Gifford Avenue must be removed.

For your reference, I have attached the conditions of approval for Parcel Map 33275 (PA04-0216) and the custom home application (PA06-0060). Please call or email me if you have any questions.

Thank you,

Subject: Clarification of August 29 PE Article re subpoena

An article in the Press Enterprise on August 29 apparently indicated that “a federal political corruption probe has widened to include Moreno Valley City Hall.” I felt the need to clarify that no search warrants have been served on City Hall as a result of the “federal corruption probe.” The City was served with a federal subpoena via the City Clerk’s Office. The City receives dozens of subpoenas per year and hundreds of public records requests. City staff aims to comply with the law when it comes to subpoenas and public records requests and provides the requested documents when it is legal to do so.

I hope this clarifies any misconceptions the article may have contained.

Hi John

I assumed James briefed the property unit 2 currently encountered a permit issue to you.

We met in the city council meeting for property change zoning a few months ago that you aware I just bought the property in middle of 2012.

I contacted previous owner Victor who confirmed he did not build additional second bed room for unit 2 that he bought the property in 2000 and the unit 2 built the second bedroom since 1980 during the period of time which city of Moreno Valley encouraged on building construction.

I schedule to come to pick up property records next Tuesday morning and would like to make an appointment with you to discuss this grandfather issues for seeking the possible solutions. Please let me know your schedule. Thank you and have a great day.

Hi James.

I have contacted with the license owner and confirmed that the contractor we hired was one of his employees. He fired the employee a year ago, however the contractor is still performing jobs with the license till this day. We had absolutely no awareness of this fraud that time until now. The contractor was still under the same training of his employer and we haven't received any complains regarding the leaks other than stain from previous leaks.

We presumed Eddie Guerrero was a licensed contract based on the information he provided, we did not have the proper tool and knowledge to verified the information. As you are acknowledging this situation, please take a proper procedure and bring this to the license board'a attention with plausible penalty to prevent any more fraudulence to innocent victims like we were. There's nothing we can do at this point.

Please let me know if you have any question regarding to this item on the notice.

Thank you

Steven

On Aug 28, 2013, at 10:02 AM, James Verdugo <jamesv@moval.org> wrote:

Ms. Wu

I would like to apologize for any misunderstanding and/or miscommunication on my part (regarding copies of records), and I would like to take a moment to simply make a clarification. In the meeting on August 6, it was indeed stated that the copies of the Assessors property record, and county permits could be provided for your review. However, as I explained to Stephen, in the email sent on 08/15/2013, the copies of the property records were misplaced and I was no longer in possession of the records discussed in the meeting. However, I did provide Stephen (also contained within the email) with a list of the permits on file with the city and also informed Stephen that county records would have to be obtained from the Riverside County Offices (City of Moreno Valley records only go back to the incorporation date of the city which is 1984). I did not mean for my response to be perceived as of denying you copies of such records, but rather it was due to simply, the city not having the copies that were requested which at one time were in our possession.

In response to your letter, and per the direction given by the Community Development Director, I have made the request to the county on your behalf and have obtained the following:

1. Property Characteristics Report – County of Riverside
2. Copies of all permit records from the County of the Riverside

I have compiled a packet and which also includes the copies of permits that are on file with the City of Moreno Valley. You are welcome to pick this up at the front building counter at your convenience (office hours are M-TH 7:30-6:00pm and every 2nd and 4th Friday, 7:30am -1:30pm). There will be a fee associated for the copies requested of \$50.20, which will be due at the time you pick up the packet of information. This fee the cost of making copies and includes fees assessed by the Riverside County Assessor.

In reference, to your request for the roofing contractor records I have re-attached the PDF file I sent Stephen, which contains the listing from the Contractor State Licensing Board (CSLB) website for license number #667746, which is the number listed on the roofing contractors invoice. The contractor information does not match the one in the CSLB website registry, and there is no contractor registered as Eddie Guerrero Roofing in CSLB records.

If you have further questions and/or concerns regarding the information in the packet, please feel free to call me.

Subject: 13931 Elsworth St.

James,

We met in the meeting on August 6 to discuss issues that you inspected twice on my property without acknowledging me or the management company. I purchased this property in mid-2012, registered the city business license, recorded the purchase transaction and follow every procedure according to the law. I have been through several inspections with the city and private parties, however, I was surprise informed unit 2 additional bedroom may not permit and you agreed to provide the county record, assessor record and permit record documents to me in the meeting so I will start from there to apply the permit. We got your replied last Thursday late afternoon to deny your promise to provide the document that made me deeply felt you not willing to assist but also racial discrimination. I explained the tenant lived in that unit 2 condition for more than 7 years that I would not purchase the property if city of Moreno did well managed and controlled property in area to fix the permit issue years ago then I would not involve into this issue to purchase this property.

I would like to formally request the county assessor record hold on your hand to prove the permit issue and the extension period to end of Oct for enough time to process the application of permit after I received your county assessor document. According the lease contract that I have to give the tenant 30 days for relocation due to construction work.

Moreover, I would like to request your full cooperation on assisting us to correct all the violation in a reasonable timely fashion. Currently, we plan to raise the ceiling height without

destroying the structure by moving the roof. We will raise the ceiling height by two inches to reach the requirement.

Lastly, I would like to obtain all the legal documents from the city and county that you failed to deliver. Additionally, provide a copy of the roofing contractor hired by previous owner, I would like to verify the license of the roof contractor and bring attention to the responsible department if any dispute.

I must say, I am very disappointed to Moreno Valley and not able to say I am a satisfied property owner in the city. I am appreciated for your attention and reply me promptly to provide with the requests.

copy to Victoria, I had left message to your assistant and request a meeting with you.

Sincerely,

Amy

Hi John

I assumed James briefed the property unit 2 currently encountered a permit issue to you.

We met in the city council meeting for property change zoning a few months ago that you aware I just bought the property in middle of 2012.

I contacted previous owner Victor who confirmed he did not build additional second bed room for unit 2 that he bought the property in 2000 and the unit 2 built the second bedroom since 1980 during the period of time which city of Moreno Valley encouraged on building construction.

I schedule to come to pick up property records next Tuesday morning and would like to make an appointment with you to discuss this grandfather issues for seeking the possible solutions. Please let me know your schedule. Thank you and have a great day.

Hi James.

I have contacted with the license owner and confirmed that the contractor we hired was one of his employees. He fired the employee a year ago, however the contractor is still performing jobs with the license till this day. We had absolutely no awareness of this fraud that time until now. The contractor was still under the same training of his employer and we haven't received any complains regarding the leaks other than stain from previous leaks.

We presumed Eddie Guerrero was a licensed contract based on the information he provided, we did not have the proper tool and knowledge to verified the information. As you are acknowledging this situation, please take a proper procedure and bring this to the license board'a attention with plausible penalty to prevent any more fraudulence to innocent victims like we were. There's nothing we can do at this point.

Please let me know if you have any question regarding to this item on the notice.

Thank you

Steven

Ms. Wu

I would like to apologize for any misunderstanding and/or miscommunication on my part (regarding copies of records), and I would like to take a moment to simply make a clarification. In the meeting on August 6, it was indeed stated that the copies of the Assessors property record, and county permits could be provided for your review. However, as I explained to Stephen, in the email sent on 08/15/2013, the copies of the property records were misplaced and I was no longer in possession of the records discussed in the meeting. However, I did provide Stephen (also contained within the email) with a list of the permits on file with the city and also informed Stephen that country records would have to be obtained from the Riverside County Offices (City of Moreno Valley records only go back to the incorporation date of the city which is 1984). I did not mean for my response to be perceived as of denying you copies of such records, but rather it was due to simply, the city not having the copies that were requested which at one time were in our possession.

In response to your letter, and per the direction given by the Community Development Director, I have made the request to the county on your behalf and have obtained the following:

1. Property Characteristics Report – County of Riverside
 2. Copies of all permit records from the County of the Riverside
- I have compiled a packet and which also includes the copies of permits that are on file with the City of Moreno Valley. You are welcome to pick this up at the front building counter at your convenience (office hours are M-TH 7:30-6:00pm and every 2nd and 4th Friday, 7:30am -

MV00258384

1:30pm). There will be a fee associated for the copies requested of \$50.20, which will be due at the time you pick up the packet of information. This fee the cost of making copies and includes fees assessed by the Riverside County Assessor.

In reference, to your request for the roofing contractor records I have re-attached the PDF file I sent Stephen, which contains the listing from the Contractor State Licensing Board (CSLB) website for license number #667746, which is the number listed on the roofing contractors invoice. The contractor information does not match the one in the CSLB website registry, and there is no contractor registered as Eddie Guerrero Roofing in CSLB records.

If you have further questions and/or concerns regarding the information in the packet, please feel free to call me.

Subject: 13931 Elsworth St.

James,
We met in the meeting on August 6 to discuss issues that you inspected twice on my property without acknowledging me or the management company. I purchased this property in mid-2012, registered the city business license, recorded the purchase transaction and follow every procedure according to the law. I have been through several inspections with the city and private parties, however, I was surprise informed unit 2 additional bedroom may not permit and you agreed to provide the county record, assessor record and permit record documents to me in the meeting so I will start from there to apply the permit. We got your replied last Thursday late afternoon to deny your promise to provide the document that made me deeply felt you not willing to assist but also racial discrimination. I explained the tenant lived in that unit 2 condition for more than 7 years that I would not purchase the property if city of Moreno did well managed and controlled property in area to fix the permit issue years ago then I would not involve into this issue to purchase this property.

I would like to formally request the county assessor record hold on your hand to prove the permit issue and the extension period to end of Oct for enough time to process the application of permit after I received your county assessor document. According the lease contract that I have to give the tenant 30 days for relocation due to construction work.

Moreover, I would like to request your full cooperation on assisting us to correct all the violation in a reasonable timely fashion. Currently, we plan to raise the ceiling height without destroying the structure by moving the roof. We will raise the ceiling height by two inches to reach the requirement.

Lastly, I would like to obtain all the legal documents from the city and county that you failed to deliver. Additionally, provide a copy of the roofing contractor hired by previous owner, I would like to verify the license of the roof contractor and bring attention to the responsible department if any dispute.

I must say, I am very disappointed to Moreno Valley and not able to say I am a satisfied property owner in the city. I am appreciated for your attention and reply me promptly to provide with the requests.

copy to Victoria, I had left message to your assistant and request a meeting with you.

Sincerely,

Amy

Dear Honorable Mayor Tom Owings,

I am writing to request that you write a letter to the Office of the Governor, and the State Senate, to oppose Assembly Bill 327 (AB327) unless amended to protect the investments that have been made in solar energy. The bill will allow the utilities to unfairly target solar producers. The proposed bill is going in front of the Senate this Friday, and time is of the essence. If passed as currently written, AB327 will flip the economics that solar generators signed up for, and change the rules of the game for all 150,000 California homeowners, schools, businesses, and municipalities that have invested in solar. If passed as currently written, this bill will forever create uncertainty in solar power and will kill the industry. I have attached a template letter that you can easily put onto your personal letterhead which addresses the issues of AB327, and request that existing protections for solar generators are to remain intact. Please protect the interests of all your constituents and local businesses by writing a letter to the Governor and Senate to oppose this bill unless amended to protect the investments that have been made in solar energy in the State of California. Thank you for your time and consideration, I look forward to hearing from you soon. Have a beautiful day!

For more information on the impacts of AB327, visit www.SaveOurSolar.com

Incident Description

Moreno Valley firefighters were called to a reported residential structure fire at 12015 Ponce De Leon Drive in the City of Moreno Valley. Upon arrival firefighters found moderate smoke issuing from the front entry door of the residence. Firefighters quickly contained the fire to the living area of the home with moderate smoke damage throughout the dwelling.

Subject: Toastmasters Awareness month - Communication and Leadership skills

Hello Cindy

As discussed over the telephone, my name is Esther Phahla. I am the Lieutenant Governor Marketing for Toastmasters International District 12 and a CPA in Temecula. In an effort to raise awareness about Toastmasters and it's benefits of teaching communication and leadership skills and ultimately help people with the fear of public speaking, I am asking for help and support from the Mayor of Moreno Valley to declare Toastmasters Awareness Month by issuing a proclamation to that effect in the month of September 2013. We currently have 6 Toastmasters Clubs that meet in the City of Moreno Valley.

Toastmasters International is a nonprofit educational organization that teaches public speaking and leadership skills through a worldwide network of clubs. Founded in October 1924, the organization currently has more than 280,000 members in 13,500-plus clubs in 122 countries. Each week, Toastmasters helps more than a quarter million people of every ethnicity, education level and profession build their competence in communication so they can gain the confidence to lead others.

District 12 serves approximately 100 clubs and 1700 members throughout Riverside and San Bernardino counties.

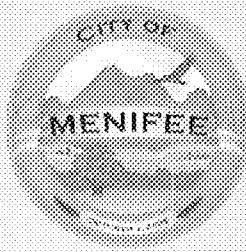

I have attached a sample proclamation as requested.

Thank you

Esther

CITY OF MENIFEE PROCLAMATION

WHEREAS, RALPH C. SMEDLEY FOUNDED THE TOASTMASTERS CLUB IN 1924 IN THE BASEMENT OF THE SANTA ANA, CALIFORNIA YMCA, AND AFTER GRADUATION FROM COLLEGE AS THE DIRECTOR OF EDUCATION FOR A YOUNG MEN'S CHRISTIAN ASSOCIATION (YMCA), OBSERVING THAT YOUNG PATRONS WERE IN NEED OF TRAINING IN THE ART OF PUBLIC SPEAKING AND IN PRESIDING OVER MEETINGS, AND

WHEREAS, RALPH C. SMEDLEY DEVELOPED A TRAINING FORMAT SIMILAR TO THAT OF A SOCIAL CLUB USING A POPULAR TERM IN THE EARLY 1900'S, "TOASTMASTER" REFERRED TO AN INDIVIDUAL WHO PROPOSED THE TOASTS AND INTRODUCED SPEAKERS AT A BANQUET, AND THE TOASTMASTERS CLUB WAS FOUNDED AS IT SUGGESTED A SOCIAL ATMOSPHERE APPEALING TO YOUNG MEN, WHERE MEMBERS PRACTICED SPEAKING SKILLS IN A SUPPORTIVE ENVIRONMENT, AND

WHEREAS, THE TOASTMASTERS CLUB GREW TO OTHER COMMUNITIES AND STATES THROUGHOUT THE COUNTRY, ESTABLISHING A FEDERATION IN 1930 TO ASSIST IN COORDINATING ACTIVITIES AND PROVING A STANDARD PROGRAM, AND THE EVOLUTION OF ITS EDUCATIONAL PROGRAMS AND RESOURCES ARE A BIG PART OF TOASTMASTERS INTERNATIONAL'S SUCCESS AND GROWTH, AND

WHEREAS, TODAY MORE THAN 13,500 CLUBS AND MORE THAN 280,000 MEMBERS IN 116 COUNTRIES HAVE EVOLVED FROM RALPH C. SMEDLEY'S "BASEMENT BRAINSTORM" AND CONTINUE TO THRIVE INTO THE 21ST CENTURY, AND

WHEREAS, TOASTMASTERS DISTRICT 12'S GEOGRAPHY SPANS EAST FROM HIGHWAY 57 IN LOS ANGELES COUNTY TO THE ARIZONA BORDER; NORTH TO BARSTOW AND SOUTH TO TEMECULA AND NEARLY 2,000 MEMBERS COMPRISE DISTRICT 12 ENCOMPASSING SAN BERNARDINO AND RIVERSIDE COUNTIES.

NOW, THEREFORE, THE CITY COUNCIL OF MENIFEE PROCLAIMS THE MONTH OF AUGUST, 2013 TO BE

TOASTMASTERS INTERNATIONAL AWARENESS MONTH.

APPROVED THIS 2ND DAY OF JULY, 2013.

Subject: Vehicle vs wild burro collision - Pigeon Pass

Good evening,

MVPD officers responded to a vehicle vs. a burro traffic collision in the County area of Pigeon Pass Road. A Ford Explorer coming southbound on Pigeon Pass struck a medium sized (350-450 pound) burro that was in the roadway. The occupants of the vehicle were not injured, but the vehicle is likely totaled based on the massive intrusion caused by the collision. The burro was very badly injured but managed to make it out of the roadway and into an arroyo about 75-100 yards west of the roadway edge. Several members of Donkeyland burro rescue arrived on scene in hopes of saving the animal. Unfortunately, the animal sustained major injuries, including obvious internal injuries and a compound fracture to one leg. The animal was suffering and County Animal Control was not available to respond quickly to euthanize the burro. Several community members demanded that officers shoot the animal to end its suffering. Permission was requested and granted for an MVPD officer to shoot the animal. This was done as efficiently as possible and without injury or property damage beyond compassionate destruction of the animal. Community members who remained on scene were very grateful for MVPD's actions and thanked us for our service. The collision will be handled by CHP.

Subject: Vehicle vs. motorcycle collision, road closure

Good evening,

Officers are on the scene of a collision between a passenger vehicle and a motorcycle in the area of Baltimore Avenue and Elder Avenue. The motorcyclist sustained unknown injuries and is being transported to RCRMC for treatment. Eastbound Elder is closed at Yuma while the investigation is conducted. Traffic is being diverted onto Yuma. I will update you when further information is available.

Dear Tom, thank you for taking my call last night and saving two of my canine neighbors. I was able to accompany Mr. and Mrs. Fernandez and their children to the animal shelter and get them into a fair agreement about keeping their dogs safe and secure.

I want to take this opportunity to inform you that I toured the kennels and found them very clean. Your staff was very professional and caring towards the public. I am pleased to report this to you!!

Of course, I'm sad that we have unclaimed animals....

I may be taking a dog home with me. Maybe a cat too!

Again, thank you for your time and attention!

Subject: POP Team activity

Good morning,

In response to concerns about illegal camping and trespassing in the undeveloped land just north of the Festival Center, the MVPD POP Team conducted a program there on Friday 9-06-13. MVPD received complaints about public intoxication, public urination, drug use, and other quality of life concerns. Four transients were found in the area. The following actions were taken:

Lizabeth Partida (29) and Vanessa Melendez (23) were each issued a City Admin citation for illegal camping.

Alejandro Maravilla (58) was issued a City Admin citation for drinking an intoxicating beverage on public property.

Cory Delong (33) was taken into custody for a felony violation of probation, possession of drug paraphernalia, and a misdemeanor arrest warrant. He was booked into RPDC.

All four subjects contacted were told it is illegal for them to be on that property and that they should not return. The POP Team will continue to monitor the area and liaise with Code Enforcement as they secure the property to deter future trespassing.

Subject: WCNTF activity in Moreno Valley

Good morning,

On Friday 9-06-13 about 3:30 PM, the West County Narcotics Task Force (WCNTF), assisted by the MVPD SET Team, served a search warrant in the 23000 block of Blooming Meadow. The search warrant resulted in the seizure of one pound of marijuana and approximately 200 prescription pain pills. (Oxycontin, Hydrocodone, Vicodin, etc...) The suspect, Grant Gregg (47) admitted to selling both marijuana and prescription pain medications. He was arrested and booked into RPDC on multiple drug felonies.

In case you were not aware, the illegal sale of prescription pain killers is epidemic across the nation. Narcotic analgesics such as Hydrocodone and Oxycontin can be very addictive. Often, patients suffering from serious pain are prescribed these drugs. After prolonged use, they can build a tolerance to the medication and begin to need ever increasing doses to ease their pain. At some point, they become addicted to the drug and it becomes less about the pain relief and more about the addiction. You may recall that in 2009 or 2010, the Autozone at Sunnymead and Graham was robbed by a masked gunman who was quickly taken into custody. That robbery was committed for the sole purpose of financing an addiction to prescription pain medications. These medications can sell on the street for as much as \$25 per pill. Addicts have been known to require as many as a dozen or more pills a day to feed their habits.

Subject: Library Re-Opening Today

Honorable Mayor and Members of the City Council,

Today, the Moreno Valley Library re-opened under management of LSSI.

Michelle, Rick and I visited the facility this morning and were quite pleased to see the changes which have already been made (e.g. creation of a Teen Area, re-design of areas within the Children's section). LSSI has also shelved an Opening Day collection which updated the Library's holdings by approximately 2500 items (~2200 books and 300 DVDs).

The program you directed is off to a strong start! We invite you to visit the Library today (or any day) to see how quickly services are being enhanced for Moreno Valley residents.

Respectfully,

Tom

Hi John

I assumed James briefed the property unit 2 currently encountered a permit issue to you.
We met in the city council meeting for property change zoning a few months ago that you aware I just bought the property in middle of 2012.
I contacted previous owner Victor who confirmed he did not build additional second bed room for unit 2 that he bought the property in 2000 and the unit 2 built the second bedroom since 1980 during

the period of time which city of Moreno Valley encouraged on building construction.

I schedule to come to pick up property records next Tuesday morning and would like to make an appointment with you to discuss this grandfather issues for seeking the possible solutions. Please let me know your schedule. Thank you and have a great day.

Subject: Re: 13931 Elsworth St.

Hi James.

I have contacted with the license owner and confirmed that the contractor we hired was one of his employees. He fired the employee a year ago, however the contractor is still performing jobs with the license till this day. We had absolutely no awareness of this fraud that time until now. The contractor was still under the same training of his employer and we haven't received any complains regarding the leaks other than stain from previous leaks.

We presumed Eddie Guerrero was a licensed contract based on the information he provided, we did not have the proper tool and knowledge to verified the information. As you are acknowledging this situation, please take a proper procedure and bring this to the license board'a attention with plausible penalty to prevent any more fraudulence to innocent victims like we were. There's nothing we can do at this point.

Please let me know if you have any question regarding to this item on the notice.

Thank you

Steven

On Aug 28, 2013, at 10:02 AM, James Verdugo <jamesv@moval.org> wrote:

Ms. Wu

I would like to apologize for any misunderstanding and/or miscommunication on my part (regarding copies of records), and I would like to take a moment to simply make a clarification. In the meeting on August 6, it was

indeed stated that the copies of the Assessors property record, and county permits could be provided for your review. However, as I explained to Stephen, in the email sent on 08/15/2013, the copies of the property records were misplaced and I was no longer in possession of the records discussed in the meeting. However, I did provide Stephen (also contained within the email) with a list of the permits on file with the city and also informed Stephen that county records would have to be obtained from the Riverside County Offices (City of Moreno Valley records only go back to the incorporation date of the city which is 1984). I did not mean for my response to be perceived as denying you copies of such records, but rather it was due to simply, the city not having the copies that were requested which at one time were in our possession.

In response to your letter, and per the direction given by the Community Development Director, I have made the request to the county on your behalf and have obtained the following:

1. Property Characteristics Report – County of Riverside
2. Copies of all permit records from the County of the Riverside

I have compiled a packet and which also includes the copies of permits that are on file with the City of Moreno Valley. You are welcome to pick this up at the front building counter at your convenience (office hours are M-TH 7:30-6:00pm and every 2nd and 4th Friday, 7:30am -1:30pm). There will be a fee associated for the copies requested of \$50.20, which will be due at the time you pick up the packet of information. This fee the cost of making copies and includes fees assessed by the Riverside County Assessor.

In reference, to your request for the roofing contractor records I have re-attached the PDF file I sent Stephen, which contains the listing from the Contractor State Licensing Board (CSLB) website for license number #667746, which is the number listed on the roofing contractors invoice. The contractor information does not match the one in the CSLB website registry, and there is no contractor registered as Eddie Guerrero Roofing in CSLB records.

If you have further questions and/or concerns regarding the information in the packet, please feel free to call me.

Subject: 13931 Elsworth St.

James,

We met in the meeting on August 6 to discuss issues that you inspected twice on my property without acknowledging me or the management company. I purchased this property in mid-2012, registered the city business license, recorded the purchase transaction and follow every procedure according to the law. I have been through several inspections with the city and private parties, however, I was surprise informed unit 2 additional bedroom may not permit and you agreed to provide the county record, assessor record and permit record documents to me in the meeting so I will start from there to apply the permit. We got your replied last Thursday late afternoon to deny your promise to provide the document that made me deeply felt you not willing to assist but also racial discrimination. I explained the tenant lived in that unit 2 condition for more than 7 years that I would not purchase the property if city of Moreno did well managed and controlled property in area to fix the permit issue years ago then I would not involve into this issue to purchase this property.

I would like to formally request the county assessor record hold on your hand to prove the permit issue and the extension period to end of Oct for enough time to process the application of permit after I received your county assessor document. According the lease contract that I have to give the tenant 30 days for relocation due to construction work.

Moreover, I would like to request your full cooperation on assisting us to correct all the violation in a reasonable timely fashion. Currently, we plan to raise the ceiling height without destroying the structure by moving the roof. We will raise the ceiling height by two inches to reach the requirement.

Lastly, I would like to obtain all the legal documents from the city and county that you failed

to deliver. Additionally, provide a copy of the roofing contractor hired by previous owner, I would like to verify the license of the roof contractor and bring attention to the responsible department if any dispute.

I must say, I am very disappointed to Moreno Valley and not able to say I am a satisfied property owner in the city. I am appreciated for your attention and reply me promptly to provide with the requests.

copy to Victoria, I had left message to your assistant and request a meeting with you.

Sincerely,

Amy

Subject: Homicide on Harker Lane

Good afternoon,

The tragic murder of 6 year-old Tiana Ricks is generating a good deal of media and public interest. The Sheriff's Media Information Bureau (MIB) has spoken with their many contacts in the media and provided them with everything available for release at this time. MIB has also given television news agencies two on-camera interviews to get the information out. Please understand that the integrity of the investigation must be protected. We do not have any suspects in custody and we are working side-by-side with Sheriff's Central Homicide Unit to bring the suspects to justice. If asked to comment about this or any active investigation, I would respectfully ask that you choose your words carefully and refer reporters to me or the Sheriff's Media Information Bureau.

Several members of the news media are or were in the immediate area of the residence on Harker Lane this morning. It is commonplace for news agencies to contact neighbors, videotape the neighborhood, and attempt to add detail to important news stories such as this. We understand they are simply doing their jobs and we give them as much information as we can without compromising the investigation.

Thank you in advance for your understanding and support.

Joel

Subject: FW: 2013-09-04 Custom Home at 13930 Curtis Street - Occupancy Release

Dear CM Molina-

Just to shed some light on this matter which is located in District 3, I feel confident that Land Development Division (LDD) and I have done what we could to help Mr. Guzman with his project. I feel that further expectations from him as noted in the email below are unreasonable.

In light of our position, out of courtesy and customer care, I have asked LDD to contact Mr. Guzman and explain the circumstances and city requirements to him. I will personally do what I can to make certain that Mr. Guzman is satisfied with our response and position.

Regards,

Ahmad R. Ansari, P.E.

Subject: RE: 2013-09-04 Custom Home at 13930 Curtis Street - Occupancy Release

Mr. Sambito,

We appreciate the Public Works Director understanding regarding occupancy of the just completed single home. However, the restriction mentioned below to not grant further building permits prior to punch list and all applicable COA is problematic with our construction schedule and would surely result in damage to the final cap... let me explain further.

Our construction plan is to begin building the 2nd home one month after occupancy of the 1st home and then suspend building of the 3rd and 4th larger homes for 18-24 months to get our finances in order after enduring the expenses of building the 2 homes and street improvements. Given this plan already in motion, it would not make sense to lay the final cap of pavement prior to the 2nd house building permit (per your restriction) to immediately afterwards begin construction again. The new pavement would be subject to very high pressure of 1) setting of a Waste Management (WM) multi-ton waste diversion program container for approximately three months and b) many extremely heavy 10-wheeler truck deliveries for the rough construction of the 2nd home which include sand, concrete, lumber, trusses, drywall, and tile roofing. All this pressure on the new pavement would almost certainly result in damage... unfortunately that is a risk we cannot take since we cannot afford unplanned expenses that could result from damage.

In the interest of protecting the final cap of pavement, we propose completing the punch list and applicable COA after construction of the 2nd home for the reasoning stated above. I am perfectly fine doing the final cap prior to final/occupancy of the 2nd home since by then the construction activity would be completed and our focus would be on turning over the improvements.

As a side note, I'm still very curious as to what process the larger developers (i.e. DR Horton, Richmond American, etc.) went through to build dozens/hundreds of homes prior to final cap. I would appreciate if you could share that information for my records.

Thank you,
Alfonso Guzman

Subject: 2013-09-04 Custom Home at 13930 Curtis Street - Occupancy Release

Mr. Guzman,

I discussed your request for roster sign-off for occupancy of the first custom home without being required to complete the cap paving as well as the signing and striping. In an effort to assist you, the Public Works Director felt that it would be fair to allow for the occupancy sign-off of this single

MV00258450

residence, so long as you understood that you would be required to complete any punch list items and all applicable Conditions of Approval before the issuance of any further building permits or other discretionary approvals.

Vince Giron has already sent notification this morning to the Building Department indicating that the Land Development Division approves for the final inspection/occupancy of this one residence.

Importance: High

Vince and Mark,

MV00258451

The summary vacation and emergency vehicle access easement mentioned in items 1 and 2 respectively were submitted this morning. The gate currently in place across Gifford mentioned in item 4 obviously is temporary to protect my retired parents' new home and will be removed once we're closer to occupancy.

Regarding the final cap of pavement on item 3, our intent has always been to lay the final cap after at least 50% of the homes are built primarily to avoid damage to the improvements during the ongoing construction. In conversations with Mr. Ramirez and the prior inspector, and based on my personal experience having lived in 2 newer tracts by large developers in the same area, laying the final cap after most of the construction is completed and most of the houses being occupied is a common practice.

DR Horton was allowed to build, sell, and occupy 77 homes on Tract Map 31326 prior to laying the final cap of pavement more than 6 months after most homes were occupied. Similarly, Richmond American was allowed to build, sell, and occupy 48 homes on Tract Map 27251 and many more homes in the adjacent tract prior to laying the final cap of pavement approximately 2 years after most homes were occupied. Over the 15+ years I've lived in the area, I've seen this approach used in Celebrations and many other developments. Understandably, having the homes sold and occupied allowed those large developers the ability to gain financial leverage to make the final investment of finishing up the improvements. I completely believe this flexibility to do the final cap after construction and occupancy is something that most, if not all, developers need to keep projects moving along... we are no exception and need the same flexibility to continue the project and finally get my retired parents into their home.

As a developer so far we have met all your demands of the sub-division process, including but not limited to designing all pertinent improvements, constructing most of the improvements, obtaining all the necessary easements and dedications to fix a badly designed cul-de-sac that the city allowed prior to our project, posting security for the remaining improvements and putting in place a public improvement agreement (PIA) which expires in Feb 2014. Our goal is to finish the improvements by January 2014 timeframe.

Please consider this a formal request to the city engineer, Mr. Ahmad Ansari, requesting permission to lay the final cap of pavement on our project PM33275 after at least 50% of the homes are constructed and occupied so that we can minimize damage to the improvements during construction and so that we can gain the financial leverage we need from the first couple homes' occupancy to continue the project. We are still within our PIA timeframe and traffic in the involved streets, which is a dead-end cul-de-sac between mostly vacant land, will be minimal for the single house so unquestionably the final cap is not necessary prior to occupancy. Given the many disagreements and conflicts over the last 8 years with Land Development staff, I am requesting that you refrain from responding and provide a written response from the Mr. Ansari directly. If this request is denied, I ask that Mr. Ansari provide justification of why DR Horton and Richmond American were provided special treatment as I will need that information to pursue the next action in search of equal and fair treatment... we will absolutely not stand for this form of discrimination.

P.S. If it looks like discrimination, and it feels like discrimination, it absolutely is discrimination...

Alfonso Guzman

Subject: PA04-0216 (PM33275), PA06-0060 Custom Home at 13930 Curtis Street

Alfonso,

MV00258452

The Building and Safety Division has sent notified us that the above referenced custom home is nearing completion and will be requesting a certificate of occupancy/final inspection. There are several items that need to be satisfied prior to the Land Development Division signing off on the roster for occupancy release. They are as follows:

1. Summary Vacation must be submitted and approved. Please note that there are several property owners that must be included the vacation process according to the conditions of approval.
2. Emergency vehicle access easement must be submitted and approved. This was required during project construction due to the fact that additional right-of-way for a cul-de-sac could not be secured on the east side of Curtis Street.
3. Gifford Avenue and Curtis Street must have final cap. (Once public improvements are completed, we can begin the security release/exoneration process to accept the public improvements into the City maintained system. This can occur after occupancy. The current fee for this process is 1,760.00.)
4. Construction gate crossing Gifford Avenue must be removed.

For your reference, I have attached the conditions of approval for Parcel Map 33275 (PA04-0216) and the custom home application (PA06-0060). Please call or email me if you have any questions.

Thank you,

Vicente Giron

Subject: FW: City Employee Meetings this Thursday

Mayor and Members of the City Council: I have scheduled meetings with the employees for tomorrow (Thursday). My last meeting with them was in early June and I want to communicate with City staff as a group at least once per quarter. Tom DeSantis, Rick Teichert and Ahmad Ansari will also be presenting information; the following is the agenda and the announcement of the meeting times/locations.

--Michelle

Agenda: Employee Meetings

Thursday, September 12

- City Manager comments – Michelle
 - o Highlights of State of the City
 - o Update on the City Council: vacancy, recall process, sign issue
 - o Staffing updates: Admin Services Dir.; CEDD Dir.; Bldg & Code Div Mgr
 - o Dress Code
 - o Development Services Fridays and Animal Shelter schedules: thanks
 - o Economic Development successes

- Customer service initiative – Rick
 - o Establishing a Citywide standard of expectations
 - o Assessment, training and coaching

- Recognition of major staff accomplishments -- Tom
 - o July 4th Festivities (Parks & CS)
 - o State of the City (Media, Council Office)
 - o Completion of Police Camera Project (PD, TS, PW)
 - o Rachael Ray \$100,000 Pet Adoption Challenge (Animal Services)
 - o City Yard Code Clean Up

- Project Updates -- Ahmad
 - o Major Improvement Projects (PW Capital Projects)
 - o City Hall sidewalk project (PW M&O)
 - o Chamber upgrade project (Media, PW, TS, Clerk)
 - o City Hall 2nd Floor Improvements and relocation (PW, Facilities, Tech Services, P&CS)

- Q & A/Rumor Control

Subject: Assault with a deadly weapon - Canyon Springs High School

Good evening,

Today about 2:00 PM, the Canyon Springs SRO was advised of a physical fight that occurred on campus between two students. The suspect, a 16 year-old female, waited between two school buildings until the victim, a 15 year-old female, walked by. The suspect attacked the victim by wrapping a metal wristwatch around her knuckles, then repeatedly punching the victim in the face and head. The victim was treated by Moreno Valley Fire paramedics and released to the school for contact with her parents. The suspect was arrested for assault with a deadly weapon and booked into Riverside Juvenile Hall. MVUSD officials were notified of the crime and the removal of the suspect.

Subject: Criminal Threats arrest - Sunnymead Middle School

Good evening,

Today about 12:00 PM, an SRO was called to Sunnymead Middle School reference a disturbance. The officer soon learned of an ongoing problem between a 13 year-old female victim and a 13 year-old female suspect. School officials indicated they brought the suspect to the office to inform her she was being removed from her class. The child became enraged and ran from the office yelling that she was going to kill the victim. She made it to the classroom and began banging on the door and window while threatening to kill the victim. Out of concern for the victim, school officials removed her from the classroom through another door while campus supervisors struggled to restrain the suspect. The suspect screamed at the supervisors and slashed at them with a pen attempting to stab them. The suspect was safely restrained and later booked into Juvenile Hall. MVUSD officials were notified of the incident and the removal of the suspect from campus.

Subject: RE: Council or city Considering Reward To find Tiana Ricks' Killers? / more BSMWC info

Hi Suzanne,

Great to meet you too, finally!

I checked with the Police Chief and he indicated he hadn't heard of a plan for a reward

You know, something we were talking about in the car today got me to thinking about additional information that you might find helpful... I think you were exploring the responsibility for the neglect and how it relates to environmental injustice and I realized that I hadn't given you the City's history of assisting BSMWC. So, here's a quick sampling of some of the assistance the City has provided:

- 1993 – 1997: The City's Redevelopment Agency loaned BSMWC \$ 328,244.98 to upgrade water infrastructure on Eucalyptus and Day while the City was constructing street improvements on the same streets (see attachment RDA loan for Eucalyptus Ave improvements.pdf).
- 1996 - 1999: The City's Redevelopment Agency loaned BSMWC \$ 106,842 to upgrade water infrastructure on Barbara and Hildegard while the City was constructing storm drain and street improvements on the same streets. The City also provided construction coordination and a grant to BSMWC for an additional \$72,158 for costs that the City's project created streets (see attachment RDA loan for Barbara and Hildegard improvements.pdf).
- During City / RDA construction of Day Street just north of Alessandro, the City's Redevelopment Agency coordinated with BSMWC to enable them to lay pipe while the trenches were open, at a substantial savings to BSMWC.
- Tax Allocation Bonds: in the beginning, some TAB funds were conditionally allocated to BSMWC infrastructure (see page 10 of the TABS Allocation staff rpt 102307 attachment) - conditional on the successful conclusion of litigation with the County of Riverside, which would have resulted in increased Moreno Valley RDA revenues that could have been used to pay the TAB debt service on the BSMWC infrastructure project. Unfortunately, the City did not prevail in court and so could not proceed with the project because there was no revenue stream to support the increased debt service (TAB refunding staff rpt 030811).

Thanks again! And if I hear any more on a reward, I'll let you know.

Michele

Subject: Administrative Services Director announcement

City Team: I am pleased to announce the appointment of Chris Paxton as the City's Administrative Services Director. Many of you had the pleasure of interacting with Chris during his tenure as Moreno Valley's Human Resources Director from 2008-2010.

Chris' public service experience spans more than three decades...from his early years as an Animal Control Officer in Orange County to extensive service as an HR professional. In addition to his work for MoVal, he has served as an HR Director in Banning and Rancho Cucamonga and as Deputy City Manager/HR Director for the City of Murrieta. His education includes a BA and MPA from Cal State Fullerton.

Chris was selected following a national recruitment which attracted a very strong field more than 90 applicants. His extremely solid HR background, coupled with his first-hand experience in Animal Services and Purchasing clearly set him apart; his knowledge of and deep appreciation for the City of Moreno Valley's talented workforce made Chris the clear choice for this important position in our organization.

We look forward to Chris re-joining Team MoVal on September 30th.

Subject: Meeting Today Regarding The Contract With Moreno Valley Chambers

Thank you Mr. Terell for sending this communication to me giving the opportunity to the Moreno Valley Black Chamber of Commerce about the meeting today regarding funding contracts with the Moreno Valley Chambers. Unfortunately I left town to go back home on Wednesday for my aunt's funeral in Little Rock, Arkansas and will be returning until next Thursday. Please accept my apology for not be present. One of our Board of Directors, William will attend for the Moreno Valley Black Chamber this evening at 3:00 PM.

We have desired to have a meeting with whomever would meet with us ever since this chamber made decision to not have contract with the city. This was decided because of what was discussed in a city council meeting in 2009 of 2010, if we do not agreed with city council members that stated what we should do or they would agree to continue to give us a contract for those various reasons that they want us to do. We did not for the record say that we was not going to work with the city because we have never stop, we are constantly doing things that the city gets credit for doing and in fact you shook my hand welcoming me to the business round table last month, which I had not gotten from previous director ever. I asked Mayor Tom Owens for a meeting several months ago regarding this after I pasted a note on my business card for meeting and I am still waiting for call for that meeting.

We have been mistreated and negatively talked to and about throughout within the City Hall, city council and community; for other to turn their face toward us as not being a viable organizations. We have willingly gave so much that the city could or would not do to and helped to keep peace and build a city. Not only do we represent the chamber that was founded 02/14/2004 but a foundation that has worked within the city doing working sometimes with several past mayors, since 1986 and the foundation will be 27 years old and now another sister, Moreno Valley Black Chamber Toastmasters Club with former council member and mayor William Batey being one of the charter member that is going 7 years.

MV00258482

Please know that organization starts out of a need that not being met, they have missions, visions and goals to make it happen and they usually are 501(c) 3's or 501 (c) 6's such as the chambers. These organization has gone through IRS to get the nonprofit status that has to abide according to that status that they were granted; not the outside influences that take them off their missions that may cause them to lose their nonprofit status, their funding for grants and sponsors according their giving missions. So please take everything I said above in consideration and know that we will always try to make sure that we are abiding according to the reason why we became an organization in the first place to meet needs that were not met and to make sure we do not jeopardized our nonprofit status(s).

Sincerely,

Linda D. Wright

My name is Scott Otis, I am a teacher at Alta Vista Public Charter, a tuition-free Independent Studies High School. Currently, one of our sites is temporarily located in the Best Western Hotel (conference room) on Elder Ave. We're making an effort to contact business leaders and influential members of city government to not only create a relationship with each, but also to extend an invitation to come and guest speak at different events that we hold. Our upcoming event of interest is an Awards Assembly and Graduate Recognition on Oct 17th. We're attempting to involve parents/guardians as well as influential people that can help not only expand awareness of our school, but also create relationships and opportunities for our students to be able to expand their goals beyond their High School Diploma.

If you are able to attend, or have contact information that you feel would benefit us and our students, please contact me. We'd love to have you speak to our students and parents about a variety of topics, specifically (in this case) in the areas of the importance of higher education, opportunities in the local area for employment, and motivating students to pursue their dreams and parents to becoming much more connected with the school and community. If you are available, or have any questions, please feel free to contact me either via e-mail or call me at [REDACTED] or contact my Vice Principal, Shellie Dansby, at [REDACTED]. Thank you!

Subject: Major injury traffic collision - update

Good afternoon,

The collision I reported to you about an hour ago is still under investigation. Officers learned that the person struck by the car was actually a 63 year-old male bicyclist, not a pedestrian. The bicyclist was traveling across Moreno Beach, but not anywhere near a crosswalk or controlled intersection. As he emerged from the center median into the southbound lanes of traffic, a vehicle driven by a 64 year-old woman collided with him. The bicyclist was transported to RCRMC and is currently listed in critical condition. The roadway remains closed as described earlier. The Traffic Team is investigating the collision as if it was a confirmed fatal accident because the victim's status is in question.

Subject: DUI/CDL Checkpoint statistics

Good afternoon,

The checkpoint conducted last night was the final checkpoint for this grant period. The MVPD Traffic Unit conducted a total of 18 DUI/CDL checkpoints between October 2012 and September 2013. Total results are as follows:

- Total vehicles through the checkpoints: 18,950
- DUI drivers arrested: 108 (63 alcohol, 45 drugs)
- Field Sobriety Tests conducted: 285 (166 alcohol, 119 drugs)
- Unlicensed drivers cited: 191
- Suspended drivers cited: 116
- Vehicles towed: 236
- Other arrests made: 10
- Other vehicle code citations issued: 261

To put things in perspective, these numbers tell us the following about those drivers who came through the checkpoints; on average-

- 1 driver out of every 175 drivers was driving under the influence of alcohol and/or drugs
- 1 driver out of every 62 drivers was driving without a license or on a suspended/revoked license
- 1 driver out of every 46 drivers was either DUI, driving without a license, or driving with a suspended/revoked license
- 1 out of every 80 vehicles was towed

The new grant period begins in October 2013. The Moreno Valley Police Department will continue working hard to keep the motoring public safe from suspended, unlicensed, reckless, and DUI drivers.

Subject: RE: MoVal Letter of Support for MCSA

Councilwoman Baca:

This week, the Parks & Community Services Director informed my office of a request for a letter of support for the Markham Collegiate Sports Academy, a proposed charter school that would operate in the City of Moreno Valley. We were also provided with a brief document which summarized what the Academy would offer to students.

In light of the extremely short deadline (Sept. 14) and limited information, I didn't believe it would be appropriate for staff to take a position on this policy matter without Council deliberation. The Council may wish to consider establishing a City position on this educational alternative as additional information is provided for formal consideration.

I understand that Mr. Giba met with Mayor Owings today and that the Mayor is sending a letter of support under his name.

As to Mr. Giba's concern that he has been trying to meet with Council Members for months, Council Office staff was unaware of that effort other than meeting requests with Mayor Pro Tem Molina and Mayor Owings which they handled.

Subject: MoVal Letter of Support for MCSA

Dear Council Woman Baca and Mayor PT Molina,

I have been trying for several months, unsuccessfully, to meet with the council and Mayor on the topic of support or even sponsorship of the New Charter I have been working on with Coach Don Markham, Leland Daniels, Jeffrey Clayton & Chuck Moore. This Charter application and Grant must be in Sacramento and presented to MVUSD by NLT Sept. 16th. I do understand the challenges that have perhaps hindered this contact but unfortunately, we have a deadline.

It has been my intention on several occasions to speak directly with the Mayor and in particular, Ms Baca to share the application, our vision and how we believe the city support and even exploration of a sponsorship could be approached. Thank you Ms Baca for taking the time to meet with some of the members previously. I have personally been to the city and asked for an appointment but for some reason that has not been responded to. We are running out of time.

The parks department, Mr Mel Alonzo, has met with us and is very supportive of some land use issues and the city also has a potential school site we might be able to use. He has sent the lease for our people to review. They have been very supportive, and have taken time to discuss and review our vision and goals for an Online, high bred, Collegiate Sports Academy and eventually fully equipped school site at the North end of MV on Coach Don Markham's property. Mr Alonzo has a copy of the abstract and has made some approaches on our behalf.

If it is possible for any of you to make some time to meet with us and perhaps consider a letter of support for this unique opportunity to improve the educational opportunities of our Moreno Valley students, please contact me by cell at 951-334-6623, or by e-mail to any of the other Executive Council Members in the CC for this e-mail.

I hope to hear from you soon.

Best Regards,

Jeffrey Giba
Executive Council, MCSA

Hi John

I assumed James briefed the property unit 2 currently encountered a permit issue to you.

We met in the city council meeting for property change zoning a few months ago that you aware I just bought the property in middle of 2012.

I contacted previous owner Victor who confirmed he did not build additional second bed room for unit 2 that he bought the property in 2000 and the unit 2 built the second bedroom since 1980 during the period of time which city of Moreno Valley encouraged on building construction.

I schedule to come to pick up property records next Tuesday morning and would like to make an appointment with you to discuss this grandfather issues for seeking the possible solutions. Please let me know your schedule. Thank you and have a great day.

Subject: Re: 13931 Elsworth St.

Hi James.

I have contacted with the license owner and confirmed that the contractor we hired was one of his employees. He fired the employee a year ago, however the contractor is still performing jobs with the license till this day. We had absolutely no awareness of this fraud that time

until now. The contractor was still under the same training of his employer and we haven't received any complains regarding the leaks other than stain from previous leaks.

We presumed Eddie Guerrero was a licensed contractor based on the information he provided, we did not have the proper tool and knowledge to verify the information. As you are acknowledging this situation, please take a proper procedure and bring this to the license board's attention with plausible penalty to prevent any more fraudulence to innocent victims like we were. There's nothing we can do at this point.

Please let me know if you have any question regarding to this item on the notice.

Thank you

Steven

Ms. Wu

I would like to apologize for any misunderstanding and/or miscommunication on my part (regarding copies of records), and I would like to take a moment to simply make a clarification. In the meeting on August 6, it was indeed stated that the copies of the Assessors property record, and county permits could be provided for your review. However, as I explained to Stephen, in the email sent on

08/15/2013, the copies of the property records were misplaced and I was no longer in possession of the records discussed in the meeting. However, I did provide Stephen (also contained within the email) with a list of the permits on file with the city and also informed Stephen that country records would have to be obtained from the Riverside County Offices (City of Moreno Valley records only go back to the incorporation date of the city which is 1984). I did not mean for my response to be perceived as denying you copies of such records, but rather it was due to simply, the city not having the copies that were requested which at one time were in our possession.

In response to your letter, and per the direction given by the Community Development Director, I have made the request to the county on your behalf and have obtained the following:

1. Property Characteristics Report – County of Riverside
2. Copies of all permit records from the County of the Riverside

I have compiled a packet and which also includes the copies of permits that are on file with the City of Moreno Valley. You are welcome to pick this up at the front building

counter at your convenience (office hours are M-TH 7:30-6:00pm and every 2nd and 4th Friday, 7:30am - 1:30pm). There will be a fee associated for the copies requested of \$50.20, which will be due at the time you pick up the packet of information. This fee the cost of making copies and includes fees assessed by the Riverside County Assessor.

In reference, to your request for the roofing contractor records I have re-attached the PDF file I sent Stephen, which contains the listing from the Contractor State Licensing Board (CSLB) website for license number #667746, which is the number listed on the roofing contractors invoice. The contractor information does not match the one in the CSLB website registry, and there is no contractor registered as Eddie Guerrero Roofing in CSLB records.

If you have further questions and/or concerns regarding the information in the packet, please feel free to call me.

Subject: 13931 Elsworth St.

James,
We met in the meeting on August 6 to discuss issues that you inspected twice on my property without acknowledging me or the management company. I purchased this property in mid-2012, registered the city business license, recorded the purchase transaction and follow every procedure according to the law. I have been through several inspections with the city and private parties, however, I was surprise informed unit 2 additional bedroom may not permit and you agreed to provide the county record, assessor record and permit record documents to me in the meeting so I will start from there to apply the permit. We got your replied last Thursday late afternoon to deny your promise to

provide the document that made me deeply felt you not willing to assist but also racial discrimination. I explained the tenant lived in that unit 2 condition for more than 7 years that I would not purchase the property if city of Moreno did well managed and controlled property in area to fix the permit issue years ago then I would not involve into this issue to purchase this property.

I would like to formally request the county assessor record hold on your hand to prove the permit issue and the extension period to end of Oct for enough time to process the application of permit after I received your county assessor document. According the lease contract that I have to give the tenant 30 days for relocation due to construction work.

Moreover, I would like to request your full cooperation on assisting us to correct all the violation in a reasonable timely fashion. Currently, we plan to raise the ceiling height without destroying the structure by moving the roof. We will raise

the ceiling height by two inches to reach the requirement.

Lastly, I would like to obtain all the legal documents from the city and county that you failed to deliver. Additionally, provide a copy of the roofing contractor hired by previous owner, I would like to verify the license of the roof contractor and bring attention to the responsible department if any dispute.

I must say, I am very disappointed to Moreno Valley and not able to say I am a satisfied property owner in the city. I am appreciated for your attention and reply me promptly to provide with the requests.

copy to Victoria, I had left message to your assistant and request a meeting with you.

Sincerely,

Amy

Subject: LaSonja Nelson joins Team MoVal

I am pleased to announce the hiring of LaSonja Nelson as the Transportation Division's Administrative Assistant. LaSonja began working as an agency temporary within the division in February 2010 and became a temporary City employee in July, 2010. LaSonja brings a wealth of background experience from working as an Administrative Assistant for more than 10 years in the private sector.

LaSonja was selected following a highly competitive open recruitment which attracted over 800 applicants. Possessing outstanding customer service skills and the ability to adapt to an often fast paced work environment makes her a valuable addition to the City staff.

Please join me in welcoming LaSonja as a full time member of Team MoVal.

Subject: Robbery and false imprisonment

Not for public release at this time

Good evening,

Tonight about 8:15 PM, officers responded to a business in the 24000 block of Alessandro Blvd reference a robbery just occurred.

Officers contacted the 50 year-old female victim and learned that she was seated in her car waiting for her son to complete his shift when she was approached by a black male adult with a handgun. The suspect stole property from the victim, then forced her to lay down in the trunk of her car.

The suspect closed the trunk lid and fled the area. The victim's son arrived at the car and heard his mother pounding on the inside of the trunk lid. The victim indicated the emergency release handle did not work and estimated she was in the trunk for about 15 minutes. She was not injured.

The investigation is continuing.

Tom,

Please see the brief information below about BC Vince O'Neal's fire service career.

Battalion Chief Vince O'Neal has over 27 years in the fire service. He brings a diverse background in municipal and wildland fire department operations, CAL Fire Resource Management and Conservation Camp Programs.

Chief O'Neal is very familiar with the City of Moreno Valley having previously worked in the city's fire service for twelve years. He was an Fire Apparatus Engineer at Sunnymead Station 2 from June 1987 to December 1994 before promoting to Fire Captain in the San Deigo Unit. He returned to Moreno Valley Fire Services in 2003 as a Fire Captain assigned to Kennedy Park Station# 65 before promoting to Battalion Chief at CAL Fire Southern Operations Center in August of 2007. While at South OPS, Chief O'Neal performed the duties of Southern Region Hazard Fuel Reduction Grant Program Manager. He has been responsible for managing and implementing several Federal Fuel Reduction grants totaling approximately \$23.4 million within the Department. Additionally, his experience includes duties performing as the Southern Region Intel Duty Officer during Major Emergency Incidents and periods of high wildland fire activities.

Please join me in welcoming Battalion Chief Vincent O'Neal back to the Moreno Valley Division.

MV00258515

Vince's duty week will be Thursday thru Saturday.

Abdul

Follow Up Flag: Follow up
Flag Status: Flagged

Hello All,

Following up on the Mayor's request in preparation for the meeting with Lori Stone on Monday... I've located the:

- MJPA adoption of bylaws forming the JPA
- MJPA CAFRs for 2012

Also, Mayor Owings requested information about the square feet developed at the Meridian project at Monday's Public Safety Subcommittee. We received that info as part of a job creation update this recent May... the developments along Meridian Pkwy total 3,255,521 sq. ft. – see the attached spreadsheet.

Have a nice weekend!

2 BYLAWS
3 OF THE
4 MARCH JOINT POWERS REDEVELOPMENT AGENCY

5 ARTICLE I - THE AGENCY

6 Section 1. Establishment of Agency. The Agency was
7 established by Ordinance No. 96-1, adopted by the March Joint Powers
8 Commission, January 17, 1996.

9
10 Section 1. Name of Agency. The name of the Agency shall be
11 the "March Joint Powers Redevelopment Agency."

12
13 Section 2. Seal of Agency. The Agency may have a Seal. The
14 Seal of the Agency shall be in the form of a circle and, at a minimum,
15 shall bear the name of the Agency and the year of its organization
16 (1996).

17
18 Section 3. Office of Agency. The office of the Agency shall
19 be located at 3430 Bundy Drive, Suite 107, March Air Force Base,
20 California 92578-1504.

21
22 Section 4. Governing Board of the Agency. The Governing
23 Board of the Agency shall be the March Joint Powers Commission.

24
25 Section 5. Agency Membership. Agency membership shall be
26 the same as membership on the March Joint Powers Commission and is
27

1 | Joint Powers Commission March Joint Powers Redevelopment Agency
2 | prescribed in Section 5. (b) of the Amended Joint powers Agreement
3 | between the Cities of Moreno Valley, Perris and Riverside and the
4 | County of Riverside for the Formation of a Joint Powers Authority to
5 | Formulate and Implement plans for the Use and Reuse of March Air Force
6 | Base, dated November 14, 1994 (the "Agreement") incorporated herein by
7 | reference, and a copy included herewith.

8 |
9 |

10 | ARTICLE II - OFFICERS

11 | Section 1. Officers. The officers of the Agency shall be
12 | the Chairperson and Vice Chairperson, a Secretary, a Finance Director
13 | or Controller, a Treasurer, and an Executive Director. The
14 | Chairperson or Vice Chairperson of the Agency shall sign all
15 | contracts, deeds and other instruments made by the Agency.

16 |

17 | Section 2. Chairperson. The Chairperson shall be the member
18 | of the governing board of the Agency who is the current Chairperson of
19 | the March Joint Powers Commission. The Chairperson shall preside at
20 | all meetings of the Agency.

21 |

22 | Section 3. Vice Chairperson. The Vice Chairperson shall be
23 | the member of the governing board of the Agency who is the current
24 | Vice-Chairperson of the March Joint Powers Commission. The Vice
25 | Chairperson shall perform the duties of the Chairperson in the absence
26 | or incapacity of the Chairperson.

27 |

2 Section 4. Election of Chairperson or Vice Chairperson.

3 Notwithstanding the provisions of Sections 2 and 3 of this Article II,
4 the members of the governing board of the Agency may elect any member
5 to serve as either Chairperson or Vice Chairperson, as prescribed in
6 Section 5. of the Agreement.

7
8 Section 5. Secretary. The Secretary shall be the current

9 Secretary of the March Joint Powers Authority. The Secretary shall
10 keep the records of the Agency, shall act as Secretary of the meetings
11 of the governing board of the Agency and record all votes, and shall
12 keep a record of the proceedings of the Agency in the form of minutes
13 to be kept for such purpose, and shall perform all duties incident to
14 the office of Secretary. The Secretary shall keep in safe custody the
15 seal of the Agency and shall affix such seal to all contracts and
16 instruments authorized to be executed by the governing board of the
17 Agency. The Secretary shall attest to signatures of the other
18 officers of the Agency.

19
20 Section 6. Finance Director or Controller. The Finance

21 Director or Controller shall be the current Controller of the March
22 Joint Powers Authority. The Finance Director shall perform his/her
23 duties as prescribed in Section 5.(n) of the Agreement.

24
25 Section 7. Treasurer. The Treasurer shall be the current

26 Treasurer of the March Joint Powers Authority. The Treasurer, or in
27 the absence of the Treasurer, a person appointed by the Treasurer,

2 shall have the care and custody of all funds of the Agency. The
3 Treasurer shall perform his/her duties as prescribed in Section 5.(m)
4 of the Agreement.

5
6 Section 8. Executive Director. The Executive Director shall
7 be the current Executive Director of the March Joint Powers Authority.
8 The Executive Director shall conduct day-to-day administration of the
9 Agency's business and affairs, subject to the direction of the
10 governing Board of the Agency.

11
12 Section 9. Additional Duties. The officers of the Agency
13 shall perform such other duties and functions as may from time to time
14 be required by the Agency or these Bylaws or by resolution, rules and
15 regulations or by motion of the Agency. Any officer of the Agency may
16 sign, with the countersignature of one other officer, deputy officer
17 or member of the Agency, all orders and checks for the payment of
18 money under the direction of the Agency.

19
20 Section 10. Additional Personnel. The Agency may from time
21 to time appoint deputy officers to perform the duties of officers and
22 employ such other personnel as it deems necessary to exercise its
23 powers, duties and functions. The selection and compensation of such
24 officers and other personnel shall be determined by the governing
25 board of the Agency.

2 ARTICLE III - MEETINGS

3
4 Section 1. Meetings. Regular meetings may be held on the
5 same date and at the same place as are held the regular meetings of
6 the March Joint Powers Commission. The Agency may also hold other
7 meetings as may be necessary to conduct its business in a manner
8 consistent with applicable provisions of California Community
9 Redevelopment Law and/or the California Government Code.

10
11 Section 2. Applicability of Ralph M. Brown Act. Meetings of
12 the Agency shall be held, notice given and the business of the Agency
13 conducted, as provided for in the Ralph M. Brown Act, California
14 Government Code Section 54950, et. seq.

15
16 Section 3. Quorum. The powers of the Agency shall be vested
17 in the members of the governing board thereof. The presence of six
18 (6) members of the Agency shall constitute a quorum for the purpose of
19 conducting its business and exercising its powers and for all other
20 purposes, but a smaller number may adjourn from time to time until a
21 quorum is obtained. Action may be taken by the governing board of
22 the Agency upon a vote of a majority of a quorum, unless a higher vote
23 is required by law.

24
25 Section 4. Manner of Voting. The manner of voting on
26 resolutions, and on such other matters as may be requested by a
27 majority of the members of the governing board of the Agency, shall be

2 as prescribed by the Chairman.

3

4

ARTICLE IV - AMENDMENTS

5

6 Section 1. Amendments to Bylaws. The Bylaws of the Agency
7 may be amended by resolution of the Agency.

INDEPENDENT AUDITORS' REPORT

Board of Commissioners
March Joint Powers Utility Authority
Riverside, California

We have audited the accompanying financial statements of the business-type activities of the March Joint Powers Utility Authority (the "Authority"), a component unit of the March Joint Powers Authority, as of and for the year ended June 30, 2012, which comprise the Authority's basic component unit financial statements, as listed in the table of contents. These basic component unit financial statements are the responsibility of the Authority's management. Our responsibility is to express an opinion on these basic component unit financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic component unit financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the basic component unit financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall basic component unit financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described more fully in Note 1.G, the basic component unit financial statements present only the Authority and are not intended to present fairly the financial position and results of operations of the March Joint Powers Authority in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the basic component unit financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Authority as of June 30, 2012, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated December 21, 2012 on our consideration of the March Joint Powers Authority internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Management has not presented *Management's Discussion and Analysis* that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

March Joint Powers Utility Authority
Notes to Financial Statements
Year Ended June 30, 2012

1) REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A) Reporting Entity

The March Joint Powers Utilities Authority was formed on August 8, 2002 by the City of Moreno Valley, a general law city of the State of California, the City of Perris, a general law city of the State of California and the City of Riverside, a charter city and municipal corporation of the State of California. The purpose of the Authority is to provide construction, completion, reconstruction, extension, change, enlargement, acquisition, leasing, operation, maintenance, repair and control of facilities for the generation, transmission, distribution and sale of utilities and utilities service. The sale and service of utilities will be to municipalities, public utility districts, corporations, businesses or persons located at the property formerly known as March Air Force Base.

The Authority's office and records are located at 23555 Meyer Drive, Riverside, California 92518.

The Authority Commissioners are as follows:

<u>Name</u>	<u>Title</u>	<u>Representing</u>
Mike Gardner	Chair	City of Riverside
Daryl R. Busch	Vice Chair	City of Perris
William Batey	Commissioner	City of Moreno Valley
Andy Melendrez	Commissioner	City of Riverside
Richard Stewart	Commissioner	City of Moreno Valley
Mark Yarbrough	Commissioner	City of Perris

The Joint Powers Commission meets on the first and third Wednesday of each month.

B) Measurement Focus, Basis of Accounting and Financial Statement Presentation

The Authority's basic financial statements are prepared in conformity with accounting principles generally accepted in the United States of America as they are applicable to governmental units. The Government Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

The Authority reports its activities as an enterprise fund, which is used to account for operations that are financed and operated in a manner similar to a private business enterprise, where the intent of the Authority is that the costs (including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges and space rentals. The Authority financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recognized in the accounting period in which are earned and expenses are recognized in the period incurred, regardless of the timing of related cash flows.

Proprietary funds distinguishes operating revenues and expenses from those revenues and expenses that are non-operating. Operating revenues are those revenues that are generated by utility services while operating expenses pertain directly to the furnishing of those services. Non-operating revenues and expenses are those revenues and expenses generated that are not directly associated with the normal business of utility services.

March Joint Powers Utility Authority
Notes to Financial Statements
Year Ended June 30, 2012

1) REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

B) Measurement Focus, Basis of Accounting and Financial Statement Presentation - Continued

When both restricted and unrestricted resources are available for use, it is the Authority's policy to use restricted resources first, then unrestricted resources as they are needed.

The accounting policies of the Authority conform to generally accepted accounting principles as applicable to governmental enterprise funds. In accordance with GASB Statement 20, the Authority has elected to apply all Financial Accounting Standards Board Statements and Interpretations issued after November 30, 1989, with the exception of those that conflict with or contradict GASB Pronouncements.

C) Cash and Cash Equivalents

In accordance with GASB Statement 9, for purposes of the Statement of Cash Flows, all cash and investments with original maturities of 90 days or less are considered cash or cash equivalents.

D) Investments

As a governmental entity other than an external investment pool in accordance with GASB 31, the Authority's investments are stated at fair value except for interest-earning investment contracts. At June 30, 2012, the Authority held no investments, therefore, no adjustment is reflected in these financial statements.

E) Uncollectible Accounts Receivable

The Authority uses the direct write-off method for uncollectible accounts receivable.

F) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets, liabilities, revenues, and expenses/expenditures, as appropriate, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

G) Relationship to the March Joint Powers Authority

The Authority is an integral part of the reporting entity of the March Joint Powers Authority. The funds of the Authority have been blended within the financial statements of the March Joint Powers Authority because the Board of Commissioners is the governing board of the Authority and exercises control over the operations of the Authority. Only the funds of the Authority are included herein, therefore, these financial statements do not purport to represent the financial position or results of operations of the March Joint Powers Authority.

March Joint Powers Utility Authority
Notes to Financial Statements
Year Ended June 30, 2012

2) CASH AND INVESTMENTS

Cash and Investments are classified in the accompanying financial statements as follows:

Statement of Net Assets:	
Cash	<u>\$ 405,294</u>

Cash and investments consist of the following:

Deposits with Financial Institutions	<u>\$ 405,294</u>
--------------------------------------	-------------------

Investments Authorized by the California Government Code and the Authority's Investment Policy

The table below identifies the investment types that are authorized by the Authority's investment policy. The table also identifies certain provisions of the California Government Code (or the Authority's investment policy, where more restrictive) that address interest rate risk, credit risk, and concentration of credit risk.

Authorized Investment Type	Maximum Maturity	Maximum Percentage Of Portfolio ⁽¹⁾	Maximum Investment In One Issuer
Local Agency Bonds	5 years	None	None
U.S. Treasury Obligations	5 years	None	None
U.S. Agency Securities	5 years	None	None
Banker's Acceptances	180 days	40%	30%
Prime Commercial Paper ⁽²⁾	270 days	25%	10%
Negotiable Certificates of Deposit	5 years	30%	None
Repurchase Agreements	1 year	None	None
Reverse Repurchase Agreements	92 days	20% of Base Value	None
Medium - Term Notes ⁽³⁾	5 years	30%	None
Mutual Funds	N/A	20%	10%
Money Market Mutual Funds	N/A	20%	10%
Mortgage Pass-through Securities	5 years	20%	None
County Pooled Investment Funds	N/A	None	None
Local Agency Investment Fund (LAIF)	N/A	None	None
JPA Pools (Other Investment Pools)	N/A	None	None

⁽¹⁾ Excluding amounts held by bond trustee that are not subject to California Government Code Restrictions.

⁽²⁾ U.S. Corporations with assets greater than \$500 million.

⁽³⁾ Rated "A" or better by Moody's or S&P.

Investments Authorized by Debt Agreements

Investment of debt proceeds held by bond trustee are governed by provisions of the debt agreements, rather than the general provisions of the California Government Code or the Authority's investment policy.

March Joint Powers Utility Authority
Notes to Financial Statements
Year Ended June 30, 2012

2) CASH AND INVESTMENTS - Continued

Disclosures Relating to Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. One of the ways that the Authority manages its exposure to interest rates risk is by purchasing a combination of shorter term and longer term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity evenly over time as necessary to provide the cash flow and liquidity needed for operations.

Disclosures Relating to Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization.

Concentration of Credit Risk

The investment policy of the Authority contains no limitations on the amount that can be invested in any one issuer beyond that stipulated by the Government Code.

Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty (e.g., broker-dealer) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The California Government Code and the Authority's investment policy do not contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits or investments, other than the following provision for deposits: The California Government Code requires that a financial institution secure deposits made by state or local government units by pledging securities in an undivided collateral pool held by a depository regulated under state law (unless so waived by the governmental unit). The market value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by the public agencies. California law also allows financial institutions to secure Authority deposits by pledging first trust deed mortgage notes having a value of 150% of the secured public deposits.

As of June 30, 2012, no deposits of the Authority with financial institutions in excess of federal depository insurance limits were held in uncollateralized accounts. As of June 30, 2012, the Authority held no investments.

March Joint Powers Utility Authority
Notes to Financial Statements
Year Ended June 30, 2012

3) ADVANCES PAYABLE

The Authority received temporary cash advances from the primary government (March Joint Powers Authority) to fund administrative costs until development of the March Joint Powers Utility reaches a point that it is self sustaining. There is no stipulated due date on the \$500,000 advance amount. The \$500,000 advance is made up of several advances from previous years. No additional advances were made in the current year. The advance carries an interest rate of 5%. On June 15, 2011, the March Joint Powers Authority forgave the interest accrued of \$154,573 and the future interest on the advances.

4) DEFICIT NET ASSETS

The March Joint Powers Utility Authority Enterprise Fund has deficit net assets of \$93,440 for the year ending June 30, 2012. This deficit is expected to be eliminated by revenue in future periods.

INDEPENDENT AUDITORS' REPORT

Board of Commissioners
March Inland Port Airport Authority
Riverside, California

We have audited the accompanying financial statements of the business-type activities of the March Inland Port Airport Authority (the "Authority"), a component unit of the March Joint Powers Authority, as of and for the year ended June 30, 2012, which comprise the Authority's basic component unit financial statements, as listed in the table of contents. These basic component unit financial statements are the responsibility of the Authority's management. Our responsibility is to express an opinion on these basic component unit financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic component unit financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the basic component unit financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall basic component unit financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described more fully in Note 1.H, the basic component unit financial statements present only the Authority and are not intended to present fairly the financial position and results of operations of the March Joint Powers Authority in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the basic component unit financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Authority as of June 30, 2012, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated December 21, 2012 on our consideration of the March Joint Powers Authority internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Management has not presented *Management's Discussion and Analysis* that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

March Inland Port Airport Authority
Notes to Financial Statements
Year Ended June 30, 2012

1) REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A) Reporting Entity

The March Inland Port Airport Authority (the “Authority”) was formed on June 18, 1997 under a joint exercise of powers agreement between the cities of Perris, Moreno Valley and Riverside and the County of Riverside for the purpose of formulating and implementing plans for the use and reuse of the property formerly known as March Air Force Base.

The Authority's office and records are located at 23555 Meyer Drive, Riverside, California 92518.

The Authority Commissioners are as follows:

<u>Name</u>	<u>Title</u>	<u>Representing</u>
Mike Gardner	Chair	City of Riverside
Daryl R. Busch	Vice Chair	City of Perris
Marion Ashley	Commissioner	County of Perris
William Batey	Commissioner	City of Moreno Valley
Bob Buster	Commissioner	County of Riverside
Andy Melendrez	Commissioner	City of Riverside
Richard Stewart	Commissioner	City of Moreno Valley
Mark Yarbrough	Commissioner	City of Perris

The Joint Powers Commission meets on the first and third Wednesday of each month.

B) Measurement Focus, Basis of Accounting and Financial Statement Presentation

The Authority’s basic financial statements are prepared in conformity with accounting principles generally accepted in the United States of America as they are applicable to governmental units. The Government Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

The Authority reports its activities as an enterprise fund, which is used to account for operations that are financed and operated in a manner similar to a private business enterprise, where the intent of the Authority is that the costs (including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges and space rentals. The Authority financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recognized in the accounting period in which are earned and expenses are recognized in the period incurred regardless of the timing of related cash flows.

Proprietary funds distinguishes operating revenues and expenses from those revenues and expenses that are non-operating. Operating revenues are those revenues that are generated by airport services, rents and leases while operating expenses pertain directly to the furnishing of those services. Non-operating revenues and expenses are those revenues and expenses generated that are not directly associated with the normal business of airport services, rents and leases.

When both restricted and unrestricted resources are available for use, it is the Authority’s policy to use restricted resources first, then unrestricted resources as they are needed.

March Inland Port Airport Authority
Notes to Financial Statements
Year Ended June 30, 2012

1) REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

B) Measurement Focus, Basis of Accounting and Financial Statement Presentation - Continued

The accounting policies of the Authority conform to generally accepted accounting principles as applicable to governmental enterprise funds. In accordance with GASB Statement 20, the Authority has elected to apply all Financial Accounting Standards Board Statements and Interpretations issued after November 30, 1989, with the exception of those that conflict with or contradict GASB Pronouncements.

C) Cash and Cash Equivalents

In accordance with GASB Statement 9, for purposes of the Statement of Cash Flows, all cash and investments with original maturities of 90 days or less are considered cash or cash equivalents.

D) Investments

As a governmental entity other than an external investment pool in accordance with GASB 31, the Authority's investments are stated at fair value except for interest-earning investment contracts.

E) Uncollectible Accounts Receivable

The Authority uses the allowance method for uncollectible accounts receivable.

F) Capital Assets

Capital assets, which include land, buildings, building improvements, machinery, vehicles, and infrastructure assets, are reported in the statement of net assets. Capital assets are recorded at cost where historical records are available and at an estimated historical cost where no historical records exist. The cost of normal maintenance and repairs that do not add to the value of the asset's lives are not capitalized.

Major capital outlay for capital assets and improvements are capitalized as projects are constructed. For debt-financed capital assets, interest incurred during the construction phase is reflected in the capitalization value of the asset constructed, net of interest earned on the invested proceeds over the same period. Capital assets acquired through lease obligations are valued at the present value of future lease payments at the date acquired. Donated capital assets are valued at their estimated fair market value at the date of donation.

Capital assets used in operations are depreciated over their estimated useful lives using the straight-line method. Depreciation is charged as an expense against operations and accumulated depreciation is reported on the statement of net assets. The range of lives used for depreciation purposes for each capital asset class is as follows:

Buildings and Improvements	7 - 50 Years
Vehicles	5 Years
Office Equipment and Furniture	5 Years
Infrastructure	30 - 100 Years

March Inland Port Airport Authority
Notes to Financial Statements
Year Ended June 30, 2012

1) REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

G) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets, liabilities, revenues, and expenses/expenditures, as appropriate, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

H) Relationship to the March Joint Powers Authority

The Authority is an integral part of the reporting entity of the March Joint Powers Authority. The funds of the Authority have been blended within the financial statements of the March Joint Powers Authority because the Board of Commissioners is the governing board of the Authority and exercises control over the operations of the Authority. Only the funds of the Authority are included herein, therefore, these financial statements do not purport to represent the financial position or results of operations of the March Joint Powers Authority, California.

2) CASH AND INVESTMENTS

Cash and Investments are classified in the accompanying financial statements as follows:

Statement of Net Assets:	
Cash and Investments	\$ <u>1,557,108</u>

Cash and investments consist of the following:

Deposits with Financial Institutions	\$ 550,130
Investments	<u>1,006,978</u>
Total	<u>\$ 1,557,108</u>

Investments Authorized by the California Government Code and the Authority's Investment Policy

The table below identifies the investment types that are authorized by the Authority's investment policy. The table also identifies certain provisions of the California Government Code (or the Authority's investment policy, where more restrictive) that address interest rate risk, credit risk, and concentration of credit risk.

March Inland Port Airport Authority
Notes to Financial Statements
Year Ended June 30, 2012

2) CASH AND INVESTMENTS - Continued

<u>Authorized Investment Type</u>	<u>Maximum Maturity</u>	<u>Maximum Percentage Of Portfolio⁽¹⁾</u>	<u>Maximum Investment In One Issuer</u>
Local Agency Bonds	5 years	None	None
U.S. Treasury Obligations	5 years	None	None
U.S. Agency Securities	5 years	None	None
Banker's Acceptances	180 days	40%	30%
Prime Commercial Paper ⁽²⁾	270 days	25%	10%

County Pooled Investment Funds	N/A	None	None
Local Agency Investment Fund (LAIF)	N/A	None	None
JPA Pools (Other Investment Pools)	N/A	None	None

⁽¹⁾ Excluding amounts held by bond trustee that are not subject to California Government Code Restrictions.

⁽²⁾ U.S. Corporations with assets greater than \$500 million.

⁽³⁾ Rated "A" or better by Moody's or S&P.

Investments Authorized by Debt Agreements

Investment of debt proceeds held by bond trustee are governed by provisions of the debt agreements, rather than the general provisions of the California Government Code or the Authority's investment policy.

Disclosures Relating to Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. One of the ways that the Authority manages its exposure to interest rates risk is by purchasing a combination of shorter term and longer term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity evenly over time as necessary to provide the cash flow and liquidity needed for operations.

The Authority had the following investments:

		<u>Remaining Maturity (in Months)</u>			
		<u>12 Months or Less</u>	<u>13 to 24 Months</u>	<u>25 to 60 Months</u>	<u>More than 60 Months</u>
Money Market Mutual Funds	\$ 1,006,978	\$ 1,006,978	\$	\$	\$

March Inland Port Airport Authority
Notes to Financial Statements
Year Ended June 30, 2012

2) CASH AND INVESTMENTS - Continued

Disclosures Relating to Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization.

Presented below is the minimum rating required by (where applicable) the California Government Code of the Authority's investment policy, or debt agreements, and the actual rating as of year end for each investment type.

Investment Type	Minimum Legal Rating	Exempt From Disclosure	Rating as of Year End		
			AAA	Aa	Not Rated
Money Market Mutual Funds	\$ 1,006,978	N/A	\$	\$	\$ 1,006,978

Concentration of Credit Risk

The investment policy of the Authority contains no limitations on the amount that can be invested in any one issuer beyond that stipulated by the Government Code. The Authority does not have any investments in any one issuer (other than U.S. Treasury securities, mutual funds, and external investment pools) that represent 5% or more of total Authority's investments as of June 30, 2012.

Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty (e.g., broker-dealer) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The California Government Code and the Authority's investment policy do not contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits or investments, other than the following provision for deposits: The California Government Code requires that a financial institution secure deposits made by state or local government units by pledging securities in an undivided collateral pool held by a depository regulated under state law (unless so waived by the governmental unit). The market value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by the public agencies. California law also allows financial institutions to secure Authority deposits by pledging first trust deed mortgage notes having a value of 150% of the secured public deposits.

As of June 30, 2012, no deposits of the Authority with financial institutions in excess of federal depository insurance limits were held in uncollateralized accounts.

March Inland Port Airport Authority

Total Capital Assets Being Depreciated, Net	11,899,310	(230,028)		11,669,282
Capital Assets, Net of Depreciation	\$ 50,796,240	\$ (130,326)	\$ 0	\$ 50,665,914

⁽¹⁾Includes a prior period adjustment of \$198,032 for building and improvements and \$73,272 of accumulated depreciation. (See Note 7)

4) OPERATING LEASES

March Philmar Project - In July 1999, the March Joint Powers Redevelopment Agency entered into a 55-year lease with March Inland Cargoport Development, LLC for the lease term beginning July, 1999 through June, 2054 with two ten year options to renew. The rent commencement date is June 1, 2000. The rent is abated for the first 84 months, or in the amount of \$255,400 in consideration of expenditures to bring utilities and other public services to the Land. In August 1999, March Inland Cargoport Development, LLC assigned the March Philmar Project Lease to March Philmar, LLC. Rent payments began in 2007 in the amount of \$36,486. On September 20, 2006, this lease was reassigned to the March Inland Port Airport Authority. In 2011, CT Realty purchased March Philmar from March Philmar, LLC. On March 16, 2011 an Assignment, Assumption and Landlord Consent to Assignment and Assumption of Lease was executed between MJPA, March Philmar LLC. and CT Realty. Effective April 1, 2011, CT Realty began paying property lease payments of \$48,648; an increase from \$0.06 under Philmar Ground Lease to \$0.08 per sf. The CT Realty lease is subject to annual Consumer Price Index (CPI) increases not greater than 2.5% annually.

Global Port Ramp Services, LLC - In October 2004, the March Joint Powers Redevelopment Agency entered into a 48 year ground lease agreement with Global Port Ramp Services, LLC. The term of the lease is for a 48 year period with three five year options to renew. Consideration for the lease will be based on six cents per foot of the premises. The consideration for the lease will be subject to a yearly adjustment based on the Consumer Price Index (CPI) increases not greater than 4% annually. On September 20, 2006, this lease was reassigned to the March Inland Port Airport Authority.

March Inland Port Airport Authority
Notes to Financial Statements
Year Ended June 30, 2012

4) OPERATING LEASES - Continued

Marhub, LLC - In October 2004, the March Joint Powers Redevelopment Agency entered into a 48 year ground lease agreement with Marhub, LLC. The term of the lease is for a 48 year period with three five year options to renew. Consideration for the lease will be based on six cents per foot of the premises. The consideration for the lease will be subject to a yearly adjustment based on the Consumer Price Index (CPI) increases not greater than 4% annually. On September 20, 2006, this lease was reassigned to the March Inland Port Airport Authority.

5) ADVANCES PAYABLE

The Authority received temporary cash advances from the primary government (March Joint Powers Authority) to fund administrative costs until development of the March Inland Port reaches a point that it is self sustaining. There is no stipulated due date on the \$2,687,896 advance amount. The \$2,687,896 advance is made up of several advances from previous years. A \$300,000 advance was made in the current year. Of this amount, \$597,896 is non-interest bearing and the amount of \$2,090,000 carries an interest rate of 5%.

6) CONTINGENCIES

On June 18, 2003 the Authority entered into a Matching Funds Agreement with the March Joint Powers Redevelopment Agency, the "Agency", for assistance in fulfilling its obligations under the Grant Program related to the construction of the airport improvements. The Matching Funds Agreement provides for financial assistance from the Agency within 30 days of a written request from the Authority that shall not exceed 10% of the Authority's total project cost pursuant to the Grant Program on any given date. The Agency's obligations under this agreement will be discharged on the date that is the earlier of the aggregate payments, by the Agency, or equals the total amount of grant funds allocated to the Authority under the Grant Program or equals \$362,800. On February 1, 2012, the Agency was dissolved and its remaining activities are being overseen by a Successor Agency, the March Joint Powers Authority. The effect on this agreement has not been determined.

7) PRIOR PERIOD ADJUSTMENT

The \$124,760 relates to a building that was transferred to the Authority in a prior year.

INDEPENDENT AUDITORS' REPORT

March Joint Powers Commission
Riverside, California

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the March Joint Powers Authority (the "Authority"), as of and for the year ended June 30, 2012, which collectively comprise the Authority's basic financial statements as listed in the table of contents. These basic financial statements are the responsibility of the Authority's management. Our responsibility is to express opinions on these basic financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the March Joint Powers Authority, as of June 30, 2012, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 21, 2012 on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

As explained in Note 15, the Redevelopment Agency previously reported as a blended component unit was dissolved by legislation from the California State Legislature and a decision by the California Supreme Court.

Management has not presented *Management's Discussion and Analysis* that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Accounting principles generally accepted in the United States of America require that the required supplementary information on pages 44 through 48 be presented to supplement the basic financial statement. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We

have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquires of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquires, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Authority's financial statements as a whole. The supplementary schedule is presented for purposes of additional analysis and is not a required part of the financial statements. The supplementary schedule is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Teaman Ramirez & Smith, L.L.C.

Riverside, CA

March Joint Powers Authority
Reconciliation of the Statement of Revenues, Expenditures and Changes in Fund Balances
of Governmental Funds to the Statement of Activities
Year Ended June 30, 2012

Net Change in Fund Balances-Total Governmental Funds \$ (32,530,093)

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlay as an expenditure in the full amount as current financial resources are used. However, in the Statement of Activities the cost of these assets is allocated over the estimated useful life as depreciation expense.

Depreciation Expense (896,693)

Some expenses reported in the Statement of Activities do not require the use of current financial resources and are not reported as governmental fund expenditures.

Interest on Long-term Debt 832,169
Net OPEB Obligation (11,402)
Net Change in Compensated Absences (48,485)

Assets and liabilities that are not due and payable in the current period are not reported in the funds. These amounts represent the difference in the extraordinary loss in the governmental funds and the extraordinary loss in the Statement of Activities, due to the dissolution of the Redevelopment Agency.

Long-term Liabilities 32,700,000
Unamortized Issuance Costs (1,371,034)

Change in Net Assets of Governmental Activities \$ (1,325,538)

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

1) REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A) Description of the Reporting Entity

The March Joint Powers Authority (the "Authority") was formed on November 14, 1993, under a joint exercise of powers agreement among the Cities of Perris, Moreno Valley and Riverside and the County of Riverside for the purpose of formulating and implementing plans for the use and reuse of the property formerly known as March Air Force Base.

The Authority's office and records are located at 23555 Meyer Drive, Riverside, California 92518.

The Authority Commissioners are as follows:

<u>Name</u>	<u>Title</u>	<u>Representing</u>
Mike Gardner	Chair	City of Riverside
Daryl R. Busch	Vice Chair	City of Perris
Marion Ashley	Commissioner	County of Riverside
William Batey	Commissioner	City of Moreno Valley
Bob Buster	Commissioner	County of Riverside
Andy Melendrez	Commissioner	City of Riverside
Richard Stewart	Commissioner	City of Moreno Valley
Mark Yarbrough	Commissioner	City of Perris

The Joint Powers Commission meets on the first and third Wednesday of each month.

The accounting policies of the Authority conform to accounting principles generally accepted in the United States of America as they are applicable to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant policies reflected in the financial statements are summarized as follows:

The financial statements of the March Joint Powers Authority include the financial activities of the Authority, the Redevelopment Agency of the March Joint Powers Authority, the March Inland Port Airport Authority and the March Joint Powers Utilities Authority. In accordance with GASB Statement No. 14, the basic criteria for including an agency, institution, authority or other organization in a governmental unit's financial reporting entity is financial accountability. Financial accountability includes, but is not limited to: 1) selection of the governing body, 2) imposition of will, 3) ability to provide a financial benefit to or impose a financial burden on and 4) fiscal dependency.

There may, however, be factors other than financial accountability that are so significant that exclusion of a particular agency from a reporting entity's financial statements would be misleading. These other factors include scope of public service and special financing relationships.

Based upon the application of these criteria, an agency, institution or authority may be included as a component unit in the primary government's financial statements. Blended component units, although legally separate entities are, in substance, part of the government's operations and so data from these units are combined with data of the primary government. A discretely presented component unit, on the other hand, is reported in a separate column in the combined financial statements to emphasize it is legally separate from the government. There are no discretely presented component units in these financial statements. Each blended component unit presented has a June 30, 2012

1) REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

A) Description of the Reporting Entity - Continued

year end, with the exception of the Redevelopment Agency of the March Joint Powers Authority which is presented as of January 31, 2012.

The following is a brief review of each component unit included in the primary government's reporting entity.

Redevelopment Agency of the March Joint Powers Authority

The Redevelopment Agency of the March Joint Powers Authority (the "Agency"), California was formed on March 6, 1996, under Section 33,000 et.seq. of the Health and Safety Code. The March Joint Powers Authority declared by Ordinance that the Authority's Board will serve as the Board of Directors of the Redevelopment Agency. The primary purpose of the Agency is to eliminate blighted areas by encouraging development of residential, commercial, industrial, recreational and public facilities. The Agency's Board members designate management and have a full accountability of the Agency's fiscal matters. The Agency's activities are blended with those of the March Joint Powers Authority in these financial statements and are reported as an enterprise fund, a debt service fund, a capital projects fund and a special revenue fund. On February 1, 2012, the Agency was dissolved by legislation from the California State Legislature and a decision by the California Supreme Court. The March Joint Powers Authority is the Successor Agency of the March Joint Powers Redevelopment Agency which oversees the remaining activities of the former redevelopment agency. These activities are reflected as a special private-purpose trust fund in the fiduciary statements (see Note 15).

March Inland Port Airport Authority

The March Inland Port Airport Authority (the "Airport Authority") was formed on June 18, 1997 under a joint exercise of powers agreement between the Cities of Perris, Moreno Valley and Riverside and the County of Riverside for the purpose of formulating and implementing plans for the use and reuse of March Air Force Base. The March Inland Port Airport Authority will be used to market and promote the economic development opportunity associated with the creation of the joint use airport and for the associated development or redevelopment of adjacent and nearby vacant properties. The March Inland Port Airport Authority's activities are blended with those of the Authority in these financial statements and are reported as an enterprise fund. Separate component financial statements can be obtained from the Authority's office.

March Joint Powers Utilities Authority

The March Joint Powers Utilities Authority was formed on August 8, 2002 by the City of Moreno Valley, a general law city of the State of California, the City of Perris, a general law city of the State of California and the City of Riverside, a charter city and municipal corporation of the State of California. The purpose of the Authority is to provide construction, completion, reconstruction, extension, change, enlargement, acquisition, leasing, operation, maintenance, repair and control of facilities for the generation, transmission, distribution and sale of Utilities and Utilities service. The sale and service of Utilities will be to municipalities, public utility districts, corporations, businesses or persons located at the property formerly known as March Air Force Base. Separate component financial statements can be obtained from the Authority's office.

March Joint Powers Authority

1) REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

B) Basis of Presentation

The basic financial statements of the March Joint Powers Authority have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP"). The Governmental Accounting Standards Board ("GASB") is the accepted standard setting body for governmental accounting and financial reporting purposes.

These statements require that the financial statements described below be presented:

Government-wide Statements: The Government-wide financial statements (i.e., the Statement of Net Assets and the Statement of Activities) report information on all of the nonfiduciary activities of the primary government and its component units. For the most part, the effect of inter-fund activity has been removed from these statements.

Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

The Statement of Activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. Direct expenses are expenses that are clearly identifiable with a specific program, project, function or segment. Program revenues of the Authority include: 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment.

Taxes and other items that are properly not included among program revenues are reported instead as general revenues.

Fund Financial Statements: Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements. All remaining governmental funds are aggregated and reported as non-major funds.

C) Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary and private-purpose trust fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the providers have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collected within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Authority considers revenues to be available if they are collected within 60 days of the end of the current fiscal period, except for property taxes. Property taxes are recognized

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

1) REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

C) Measurement Focus, Basis of Accounting, and Financial Statement Presentation - Continued

in the year for which they are levied. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Taxes, intergovernmental revenues, licenses, and interest associated with the current fiscal period are all considered to be susceptible to accrual, and are therefore recognized as revenues of the current fiscal period. Only the portion of special assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered to be measurable and available only when cash is received by the Authority.

The Authority reports the following major governmental funds:

The *General Fund* is used to account for all financial resources of the Authority, except those required to be accounted for in another fund.

The *Redevelopment Low/Moderate Housing Reserve Special Revenue Fund* is used to account for the receipt of 20% set-a-side bond proceeds and tax increment revenue, housing subsidy grants, utility assistance grants, housing renovation projects, property acquisition for low/mod housing projects.

The *Meridian LLMD No. 1 Special Revenue Fund* is used to account for special assessments through property tax collections and the expenditures for the maintenance and landscaping of the Meridian Business Park.

The *Debt Service Fund* is used to account for the accumulation of resources for, and the payment of, long-term debt principle, interest and related costs within the Agency's project areas.

The *Capital Project Fund* is used to account for financial statements to be used for the acquisition or construction of redevelopment projects and administrative expenses.

The Authority reports the following major proprietary funds:

The *March Inland Port Airport Authority Fund* accounts for the activities of the Airport Authority, a blended component unit of the Authority. The Authority operates the joint use of the airport as well as development of the airport and adjacent properties.

The *Green Acres Fund* accounts for the activities of the Green Acres Housing Area.

The *Golf Course Fund* accounts for the activities of the Authority's golf course operations.

The *Utility Authority Fund* accounts for the activities of the Authority's utility operations.

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

1) REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

C) Measurement Focus, Basis of Accounting, and Financial Statement Presentation - Continued

Additionally, the Authority reports the following fund types:

The *Enterprise Funds* are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises - where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges, or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes. Revenues are fully accrued to include unbilled services at year end.

The *Fiduciary Funds* are used to account for resources held in the benefit of parties outside of the government. Fiduciary funds are not reported in the government-wide financial statements because the resources of those funds are not available to support the Authority's own programs. The accounting used the fiduciary funds is much like that used for proprietary funds.

The Authority reports the following activities:

The *Private-purpose trust fund* is used to report resources held in trust for the Successor Agency of the former Redevelopment Agency.

The Authority applies all applicable GASB pronouncements in accounting and reporting for its proprietary operations as well as the following pronouncements issued on or before November 30, 1989, unless these pronouncements conflict with or contradict GASB pronouncements: Financial Accounting Standards Board (FASB) Statements and Interpretations, Accounting Principles Board (APB) Opinions, and Accounting Research Bulletins (ARBs) of the Committee on Accounting Procedure.

As a general rule, the effect of inter-fund activity has been eliminated from the government-wide financial statements. Direct expenses have not been eliminated from the functional categories; indirect expenses and internal payments have been eliminated.

Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grant and contributions, and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

1) REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

C) Measurement Focus, Basis of Accounting, and Financial Statement Presentation - Continued

When both restricted and unrestricted resources are available for use, it is the March Joint Powers Authority to use restricted resources first, and then use unrestricted resources as they are needed.

D) Encumbrances

Encumbrances are recorded as an appropriation of fund balance. Encumbrances outstanding at year end are reported as reservations of fund balance for subsequent year expenditures inasmuch as they do not constitute expenditures or liabilities.

E) Cash and Cash Equivalents

In accordance with GASB Statement 9, for purposes of the Statement of Cash Flows, all cash and investments with original maturities of 90 days or less are considered cash or cash equivalents. For financial statement presentation purposes cash and cash equivalents are shown as cash in the Proprietary Funds.

F) Investments

As a governmental entity other than an external investment pool in accordance with GASB 31, the Authority's investments are stated at fair value except for interest-earning investment contracts.

G) Uncollectible Accounts

The Authority uses the allowance method of recording uncollectible accounts.

H) Inventories

Inventories are valued at cost, using the first-in, and first-out basis.

D) Capital Assets

Capital assets, which include land, buildings, building improvements, machinery, vehicles, and infrastructure assets, are reported in the government-wide financial statements. Capital assets are recorded at cost where historical records are available and at an estimated historical cost where no historical records exist. The cost of normal maintenance and repairs that do not add to the value of the asset's lives are not capitalized.

Major capital outlay for capital assets and improvements are capitalized as projects are constructed. For debt-financed capital assets, interest incurred during the construction phase is reflected in the capitalization value of the asset constructed, net of interest earned on the invested proceeds over the same period. Capital assets acquired through lease obligations are valued at the present value of future lease payments at the date acquired. Donated or transferred capital assets are valued at their estimated fair market value at the date of donation or transfer.

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

1) REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

D) Capital Assets - Continued

Capital assets used in operations are depreciated over their estimated useful lives using the straight-line method in the government-wide financial statements and in the fund financial statements of the proprietary funds. Depreciation is charged as an expense against operations and accumulated depreciation is reported on the respective balance sheet. The range of lives used for depreciation purposes for each capital asset class is as follows:

Buildings and Improvements	7 - 50 Years
Vehicles	5 Years
Office Equipment and Furniture	5 Years
Infrastructure	30 - 100 Years

J) Compensated Absences

In accordance with GASB Statement No. 16, a liability is recorded for unused vacation and similar compensatory leave balances since the employees' entitlement to these balances are attributable to services already rendered and it is probable that virtually all of these balances will be liquidated by either paid time off or payment upon termination or retirement.

All leave benefits are accrued when incurred in the government-wide and proprietary fund financial statements. A liability for these amounts is reported in governmental funds only if they have matured, for example, as result of employee resignations and retirements. Leave benefits are generally liquidated by the general fund.

K) Fund Equity

Fund balance in governmental funds are reported in classifications that comprise a hierarchy based primarily on the extent to which the Authority is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. The Authority considers restricted fund balance to have been spent first when an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available. Similarly, when an expenditure is incurred for purposes for which amounts in any of the unrestricted classifications of fund balance could be used. The following classifications describe the relative strength of the spending constraints placed on the purposes for which resources can be used:

Nonspendable Fund Balance - Includes amounts that cannot be spent because they are either not in spendable form, or, for legal or contractual reasons, must be kept intact.

Restricted Fund Balance - Constraints placed on the use of these resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors or other governments; or are imposed by law (though constitutional provisions or enabling legislation).

Committed Fund Balance - Amounts that can only be used for specific purposes because of a formal action (resolution or ordinance) by the government's highest level of decision-making authority. The Joint Powers Commission is the highest level of decision-making authority for the Authority that can, by adoption of an ordinance or resolution prior to the end of the fiscal year, commit fund balance. Once adopted, the limitation imposed by the ordinance or resolution remains in place until a similar action is taken to remove or revise the limitation.

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

1) REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

K) Fund Equity - Continued

Assigned Fund Balance - Amounts that are constrained by the Authority's intent to be used for specific purposes, but that do not meet the criteria to be classified as restricted or committed. Intent can be stipulated by the governing body, another body, or by an official to whom the authority has been given.

Unassigned Fund Balance - These are either residual positive net resources of the General Fund in excess of what can properly be classified in one of the other categories, or negative balances in all other funds.

L) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets, liabilities, revenues, and expenses/expenditures, as appropriate, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

M) Property Tax

Property taxes are assessed and collected each fiscal year according to the following property tax calendar:

Lien Date	January 1	
Levy Date	July 1 to June 30	
Due Date	November 1	- 1 st Installment
	February 1	- 2 nd Installment
Delinquent Date	December 10	- 1 st Installment
	April 10	- 2 nd Installment

Under California law, property taxes are assessed and collected by the counties up to 1%, of assessed value, plus other increases approved by the voters. The property taxes go into a pool, and are then allocated to the agencies based on complex formulas prescribed by the state statutes.

N) Prior Period Adjustments

Included in the Governmental Fund's Statements and Statement of Activities are prior period adjustments for the following:

1. \$243,437 in the Statement of Activities (Governmental Activities) relates to interest payable that was not recognized in the prior period.
2. \$124,760 in the Redevelopment Agency (Governmental Activities) and March Inland Port Airport Authority (Business-Type Activities) relates to a building that was transferred to the Authority several years ago.

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

1) REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

O) Extraordinary Item

The extraordinary item included in the fund financial statements and the government-wide financials are due to the dissolution of the March Joint Powers Redevelopment Agency as of February 1, 2012. On December 29, 2011, the California Supreme Court upheld Assembly Bill 1X 26 that provides for the dissolution of all redevelopment agencies in the State of California. The remaining assets and liabilities of the former redevelopment agency were transferred to a Successor Agency, March Joint Powers Authority, which are reported in a private-purpose trust fund in the fiduciary statements (see Note 15).

2) CASH AND INVESTMENTS

Cash and Investments are classified in the accompanying financial statements as follows:

Statement of Net Assets:	
Cash and Investments	\$ 13,313,803
Restricted Cash and Investments	1,375,767
Statement of Fiduciary Net Assets	
Cash and Investments	14,049,237
Cash and Investments with Fiscal Agent	<u>2,766,612</u>
Total Cash and Investments	<u>\$ 31,505,419</u>

Cash and Investments consist of the following:

Petty Cash	\$ 1,250
Deposits with Financial Institutions	10,705,045
Investments	<u>20,799,124</u>
Total Cash and Investments	<u>\$ 31,505,419</u>

Investments Authorized by the California Government Code and the Entity's Investment Policy

The table below identifies the investment types that are authorized by the Authority's investment policy. The table also identifies certain provisions of the California Government Code (or the Authority's investment policy, where more restrictive) that address interest rate risk, credit risk, and concentration of credit risk.

Authorized Investment Type	Maximum Maturity	Maximum Percentage Of Portfolio ⁽¹⁾	Maximum Investment In One Issuer
Local Agency Bonds	5 years	None	None
U.S. Treasury Obligations	5 years	None	None
U.S. Agency Securities	5 years	None	None
Banker's Acceptances	180 days	40%	30%
Prime Commercial Paper ⁽²⁾	270 days	25%	10%

County Pooled Investment Funds	N/A	None	None
Local Agency Investment Fund (LAIF)	N/A	None	None
JPA Pools (Other Investment Pools)	N/A	None	None
Negotiable Certificates of Deposit	5 years	30%	None

⁽¹⁾ Excluding amounts held by bond trustee that are not subject to California Government Code Restrictions.

⁽²⁾ U.S. Corporations with assets greater than \$500 million.

⁽³⁾ Rated "A" or better by Moody's or S&P.

Investments Authorized by Debt Agreements

Investment of debt proceeds held by bond trustee is governed by provisions of the debt agreements, rather than the general provisions of the California Government Code or the Authority's investment policy.

Disclosures Relating to Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. One of the ways that the Authority manages its exposure to interest rates risk is by purchasing only money market funds.

Information about the sensitivity of the fair values of the Authority's investments to market interest rate fluctuations is provided by the following table that shows the distribution of the Authority's investments by maturity:

Investment Type	Remaining Maturity (in Months)			
	12 Months Or Less	13 to 24 Months	25 to 60 Months	More Than 60 Months
Money Market Fund	\$ 50,304	\$ 50,304	\$	\$
Money Market Mutual Funds	17,982,208	17,982,208		
Held By Bond Trustee:				
Money Market Fund	51,193	51,193		
Investment Agreement	2,715,419			2,715,419
Total	\$ 20,799,124	\$ 18,083,705	\$ 0	\$ 2,715,419

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

2) CASH AND INVESTMENTS - Continued

Disclosures Relating to Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Presented below is the minimum rating required by (where applicable) the California Government Code or the Authority's investment policy and the actual rating as of year end for each investment type.

Investment Type	Minimum Legal Rating	Exempt from Disclosure	Rating as of Year End		
			AAA	AA	Not Rated
Money Market Fund	\$ 50,304		\$	\$	\$ 50,304
Money Market Mutual Funds Held By Bond Trustee:	17,982,208	N/A			17,982,208
Money Market Fund	51,193		51,193		
Investment Agreement	<u>2,715,419</u>				<u>2,715,419</u>
Total	<u>\$ 20,799,124</u>		<u>\$ 0</u>	<u>\$ 51,193</u>	<u>\$ 20,747,931</u>

Concentration of Credit Risk

The investment policy of the Authority contains no limitations on the amount that can be invested in any one issuer beyond that stipulated by the Government Code. Investments in any one issue (other than U.S. Treasury securities, mutual funds, and external investment pools) that represent 5% or more of the total Authority's investments are as follows:

Issuer	Investment Type	Reported Amount
Natixis	Investment Agreement	\$ 2,715,419

Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty (e.g., broker-dealer) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The California Government Code and the Authority's investment policy do not contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits or investments, other than the following provision for deposits: The California Government Code requires that a financial institution secure deposits made by state or local government units by pledging securities in an undivided collateral pool held by a depository regulated under state law (unless so waived by the governmental unit). The market value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by the public agencies. California law also allows financial institutions to secure Authority deposits by pledging first trust deed mortgage notes having a value of 150% of the secured public deposits.

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

2) CASH AND INVESTMENTS - Continued

Custodial Credit Risk - Continued

As of June 30, 2012, no deposits of the Authority's with financial institutions in excess of federal depository insurance limits were held in uncollateralized accounts, and none of the Authority's investments were held by the broker-dealer (counterparty) that was used by the Authority to buy the securities.

Cash and Investments with Fiscal Agent

Included in cash and investments with fiscal agent are the debt securities issued by the Successor Agency. These are revenue bond obligations and, therefore, are not obligations of the Authority.

3) LOANS RECEIVABLE

The aforementioned loans were made by the Authority to provide operating funds to the March Joint Powers Redevelopment Agency. The loans will be repaid from tax increment at such time as excess funds exist. On February 1, 2012, the redevelopment agency was dissolved (see Note 1) and the Successor Agency to the March Joint Powers Redevelopment Agency oversees the remaining activities of the former redevelopment agency. The balance outstanding as of June 30, 2012 for all loans is \$3,350,000. Accrued interest of \$291,327 on the notes payable is reflected in the accompanying financial statements as interest receivable.

4) INTERFUND RECEIVABLES, PAYABLES AND TRANSFERS

Interfund receivables and payables are as follows:

		DUE FROM		
		March Inland Port Airport Authority	Golf Course	Total
DUE TO	General	\$ 520,367	\$ 67,060	\$ 587,427
	Total	\$ 520,367	\$ 67,060	\$ 587,427

The interfund payable balances represent routine and temporary cash flow assistance from the General Fund which includes interest on advances to other funds.

Advances to/from other funds are as follows:

		ADVANCES FROM
		General Fund
ADVANCES TO	March Inland Port Airport Utility Authority	\$ 2,687,896 500,000
	Total	\$ 3,187,896

March Joint Powers Authority

Notes to Financial Statements
Year Ended June 30, 2012

6) LONG-TERM OBLIGATIONS - Continued

Loan Payable

Business-type Activities:

On February 1, 2012, the March Joint Powers Authority entered into an agreement for \$1,500,000 with Municipal Finance Corporation. The loan is being used to provide funding for the remodel of the golf course clubhouse building. Interest on the loan is payable on a quarterly basis. Interest on the loan accrues 5.125% per annum. Principal on the loan is payable in quarterly installments ranging from \$28,942 to \$47,552 commencing September 30, 2012 through June 30, 2022. The outstanding balance is \$1,500,000.

Total future debt requirements of the loan payable are as follows:

Year Ending <u>June 30,</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2013	\$ 118,014	\$ 74,631	\$ 192,645
2014	124,179	68,466	192,645
2015	130,667	61,978	192,645
2016	137,493	55,151	192,644
2017	144,676	47,968	192,644
2018-2022	<u>844,971</u>	<u>118,253</u>	<u>963,224</u>
Total	<u>\$ 1,500,000</u>	<u>\$ 426,447</u>	<u>\$ 1,926,447</u>

7) DEFICIT FUND BALANCES/NET ASSETS

The Authority reported the following fund balance/net assets deficit for the year ended June 30, 2012:

<u>Fund</u>	<u>Amount</u>
Major Fund Utility Authority	\$ (93,440)

Management is very much aware of the seriousness of the above deficit and is currently taking steps to eliminate it. This deficit is expected to be eliminated by future revenues.

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

8) OTHER REVENUES

Included in other revenues is \$400,000 from the March Healthcare Development, LLC. This amount was the result from negotiations between the Authority and developer due to a loss of lease income from the development of the March Healthcare project.

9) OPERATING LEASES

During the year the Authority had the following lease activity:

<u>Leasee</u>	<u>Building(s)</u>	<u>Lease Date</u>	<u>Term</u>	<u>Amount Due</u>	<u>Renewal Options</u>
USVI	California Inn	10/2003	5 years	\$4,300 per month	(2) Five Year Periods
USVI	Homeless Shelter	10/2003	10 years	\$6,400 per month	
CrossWord Christian Fellowship Church	Chapel #1	1/2005	30 years	\$9,272 per month	(2) Five Year Periods
March Field Museum Foundation	March Field Museum	4/2000	30 years	\$1 per year	(2) Ten Year Periods
Lutheran Social Services	Temporary Lodging Facility	7/2002	10 years	\$1 per year	(2) Ten Year Periods
Path of Life Ministries	King Hall	11/2006	10 years	\$1 per year	(2) Ten Year Periods
Pyro Spectaculars	Weapons Storage Area	1/2011	5 years	\$16,666 per month	
Freeman Holdings of Riverside, LLC	Fuel Farm Facility	11/2010	10 years	\$4,000 per month	(2) Ten Year Periods
Verizon Wireless	Cell Tower Lease	5/2010	5 years	\$2,060 per month	(3) Five Year Periods

*Under the sublease agreements the leasee will maintain the property.

March Philmar Project - In July 1999, the March Joint Powers Redevelopment Agency entered into a 55-year lease with March Inland Cargoport Development, LLC for the lease term beginning July, 1999 through June, 2054 with two ten year options to renew. The rent commencement date is June 1, 2000. The rent is abated for the first 84 months, or in the amount of \$255,400 in consideration of expenditures to bring utilities and other public services to the Land. In August 1999, March Inland Cargoport Development, LLC assigned the March Philmar Project Lease to March Philmar, LLC. Rent payments began in 2007 in the amount of \$36,486. On September 20, 2006, this lease was reassigned to the March Inland Port Airport Authority. In 2011, CT Realty purchased March Philmar from March Philmar, LLC. On March 16, 2011 an Assignment, Assumption and Landlord Consent to Assignment and Assumption of Lease was executed between MJPA, March Philmar LLC. and CT Realty. Effective April 1, 2011, CT Realty began paying property lease payments of \$48,648; an increase from \$0.06 under Philmar Ground Lease to \$0.08 per sf. The CT Realty lease is subject to annual Consumer Price Index (CPI) increases not greater than 2.5% annually.

Global Port Ramp Services, LLC - In October 2004, the March Joint Powers Redevelopment Agency entered into a 48 year ground lease agreement with Global Port Ramp Services, LLC. The term of the lease is for a 48 year period with three five year options to renew. Consideration for the lease will be based on six cents per foot of the premises. The consideration for the lease will be subject to a yearly adjustment based on the Consumer Price Index (CPI) increases not greater than 4% annually. On September 20, 2006, this lease was reassigned to the March Inland Port Airport Authority.

Marhub, LLC - In October 2004, the March Joint Powers Redevelopment Agency entered into a 48 year ground lease agreement with Marhub, LLC. The term of the lease is for a 48 year period with three five year options to renew. Consideration for the lease will be based on six cents per foot of the premises. The consideration for the lease will be subject to a yearly adjustment based on the Consumer Price Index (CPI) increases not greater than 4% annually. On September 20, 2006, this lease was reassigned to the March Inland Port Airport Authority.

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

10) RISK MANAGEMENT

General Liability Insurance

The Authority is a member of the Public Entity Risk Management Authority (PERMA) a joint powers Authority formed under Section 990 of the California Government Code for the purpose of jointly funding programs of insurance coverage for its members. The governing Board of Directors consists of one member from each participating agency.

The Authority has liability coverage as follows:

- A. \$1,000,000 inclusive of the Member's self-insured retention of \$0.
- B. \$24,000,000 in excess of Coverage A in accordance with the excess of Coverage A in accordance with the terms of the Memorandum of Liability Coverage for the California Joint Powers Risk Management Authority.

Workers Compensation Insurance

The Authority is insured up to \$1,000,000 per occurrence.

11) EMPLOYEES' RETIREMENT PLAN

The March Joint Powers Authority contributes to the California Public Employees Retirement System (PERS), a cost-sharing multiple-employer public employee defined benefit pension plan. PERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. PERS acts as a common investment and administrative agent for participating public entities within the State of California. Benefit provisions and all other requirements are established by state statute and district ordinance. As of fiscal year 2006, entities participating in the California Public Employees Retirement System (PERS) with less than one hundred members, are mandated by the State to be in a risk pool. The March Joint powers Authority has less than one hundred members participating in PERS and has presented information based on the requirements of cost-sharing multiple-employer defined benefits plans since certain information for an agent multiple-employer defined benefit plan are unavailable. Copies of PERS' annual financial report may be obtained from their executive office at 400 P Street, Sacramento, California 95814.

Participants are required to contribute 8% of their annual covered salary. The March Joint Powers Authority made the contributions required of Authority employees on their behalf and for their account before March 6, 2012. Effective on that date, employees were required to contribute their portion of PERS. The Authority is required to contribute at an actuarially determined rate; the required employer contribution rate for fiscal year 2011/2012 is 16.517% of annual covered payroll. The contribution requirements of plan members and the Authority are established and may be amended by PERS.

For 2012, the Authority's annual pension cost of \$202,773 for PERS was equal to the Authority's required and actual contributions. The required contribution was determined as part of the June 30, 2009, actuarial valuation using the entry age normal actuarial cost method. The actuarial value of PERS assets was determined using techniques that smooth the effects of short-term volatility in the market value of investments over a four-year period (smoothed market value).

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

11) EMPLOYEES' RETIREMENT PLAN - Continued

PERS unfunded actuarial accrued liability is being amortized as a level percentage of projected payroll on a closed basis. Beginning on July 1, 1997, all changes in liability due to plan amendments, changes in actuarial assumptions, or changes in actuarial methodology will be amortized separately over a 20-year period. In additions, all gains or losses will be tracked and 10% of the net unamortized gain or loss will be amortized each year. Finally, if a plan's accrued liability exceeds the actuarial value of assets, the annual contribution with respect to the total unfunded liability may not be less than the amount produced by a 30 year amortization of the unfunded liability.

THREE YEAR TREND INFORMATION FOR PERS				
Fiscal Year	Annual Pension Cost (APC)	Percentage of APC Contributed	Net Pension Obligation	
6/30/10	\$ 152,479	100%	\$	0
6/30/11	\$ 155,515	100%	\$	0
6/30/12	\$ 202,773	100%	\$	0

12) DEFERRED COMPENSATION PLAN

On August 20, 1996, the provisions of Internal Revenue Code (IRC) Section 457 were amended to require new plans to place all assets and income of the Plan in trust for the exclusive benefit of participants and their beneficiaries. Plans in existence as of the date of this change must place the Plan assets and income in trust by January 1, 1999. Once the assets and income are placed in trust the Authority no longer owns the amounts deferred by employees and related income. Prior to this

IRC Section 457 Amendment, the deferred amounts and related income remained as property of the Authority until withdrawn by the employee.

During the 1997-98 fiscal years, March Joint Powers Authority created its Deferred Compensation Plan with assets and related income in trust as allowed by IRC Section 457 and as a result the asset and corresponding liability are not presented in these financial statements.

13) OTHER POST EMPLOYMENT BENEFITS

Plan Description

The Authority's defined benefit postemployment healthcare plan, (JPA Retiree Healthcare Plan "JRHP"), provides medical benefits to eligible retired employees and qualified dependents. JRHP is part of the Public Agency portion of the California Employers' Retiree Benefit Trust Fund (CERBT), an agent multiple-employer plan administered by California Public Employees' Retirement System (CalPERS), which acts as a common investment and administrative agent for participating public employers within the State of California. A menu of benefit provisions as well as other requirements is established by State statute within the Public Employees' Retirement Law. JRHP selects optional benefit provisions from the benefit menu by contract with CalPERS. CalPERS issues a Comprehensive Annual Financial Report (CAFR). The CAFR is issued in aggregate and includes the sum of all CalPERS plans. Copies of the CalPERS CAFR may be obtained from the CalPERS Executive Office, 400 P Street, Sacramento, California 95814.

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

13) OTHER POST EMPLOYMENT BENEFITS - Continued

Funding Policy

The contribution requirements of plan members and the Authority are established and may be amended by the Joint Powers Commission. The Authority contributes the CalPERS minimum monthly contribution for the retiree or surviving dependent.

The Authority is required to contribute the *annual required contribution of the employer (ARC)*, an amount actuarially determined in accordance with the parameters of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed twenty years. ARC rate is 2.2% of the annual covered payroll. The plan is financed on a pay-as-you-go basis.

Annual OPEB Cost and Net OPEB Obligation

The following table shows the components of the Authority's annual OPEB cost for the year, the amount actually contributed to the plan, and changes in the Authority's Net OPEB obligation to the Retiree Health Plan:

Annual Required Contribution	\$	28,502
Interest on Net OPEB Obligation		3,156
Adjustments to Annual Required Contribution		-
 Annual OPEB Cost (Expense)		 31,658
Contributions Made		(20,256)
 Increase (Decrease) in Net OPEB Obligation		 11,402
Net OPEB Obligation - Beginning of Year		42,082
 Net OPEB Obligation - End of Year	\$	53,484

For 2012, the Authority's annual OPEB cost (expense) of \$23,517 for the Authority was equal to the ARC. The Authority's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for 2012 and the two preceding years were as follows:

THREE YEAR TREND INFORMATION FOR JRHP				
Fiscal Year	Annual OPEB Cost (AOC)	Percentage of AOC Contributed	Net OPEB Obligation	
6/30/10	\$ 20,256	0.0%	\$ 20,256	
6/30/11	\$ 21,826	0.0%	\$ 42,082	
6/30/12	\$ 31,658	64.0%	\$ 53,484	

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

13) OTHER POST EMPLOYMENT BENEFITS - Continued

Funded Status and Funding Progress

The funded status of the plan as of July 1, 2011, was as follows:

Actuarial Accrued Liability (AAL)	\$	145,377
Actuarial Value of Plan Assets	\$	0
Unfunded Actuarial Accrued Liability (UAAL)	\$	145,377
Funded Ratio (Actuarial Value of Plan Assets/AAL)		0%
Covered Payroll (Active Plan Members)	\$	1,281,440
UAAL as a Percentage of Covered Payroll		11.34%

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information that shows whether the actuarial value of the plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

Actuarial Methods and Assumptions

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

The following is a summary of the actuarial assumptions and methods:

Valuation Date	July 1, 2011
Funding Method	Entry Age Normal
Discount Rate	7.50% per annum
Health Care Cost Trend	5% contribution and 5% administration
Retirement Rates	CalPERS Rates (vary by attained age and years of service)
Mortality Rates	Male 0.120% to 3.080%; Female 0.093% to 2.071%
Rate of Withdrawal	4.04% to 12.85%

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

14) COMMITMENTS AND CONTINGENCIES

Amounts received or receivable from grant agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the Authority expects such amounts, if any, to be immaterial.

The Authority and the Redevelopment Agency has entered into developer agreements to attract new business to the areas formerly known as March Air Force Base. The following represents the Agency's significant commitments with certain developers.

LNR Riverside, LLC

On December 28, 2001, the West March Disposition and Development Agreement were entered into between the March Joint Powers Redevelopment Agency, LNR Riverside, LLC and the March Joint Powers Authority. The agreement is to develop 1,000 acres of property as West March Business Park. In consideration for the Agency transferring the property to LNR, in accordance with the agreement, LNR agrees to incur substantial costs in developing the property, including but not limited to installation of infrastructure to service the property. The expected cost of such infrastructure will exceed \$100 million during the term of the agreement. The Agency will benefit from LNR's development of the property, as a result of sales and other tax revenues generated by the property and project. No provision has been made for this commitment on the combined financial statements, as the project is not complete.

March International Logistics Center, LLC

On July 18, 2001, the March Joint Powers Commission adopted a Resolution approving the Disposition and Development Agreement (DDA) with March International Logistics Center, LLC, for approximately 175 acres at the March Inland Port. On May 21, 2012, a lawsuit was filed by the developer in the Superior Court of California, County of Riverside. This litigation is still in progress and no established liability is known at this time.

Western Municipal Water District

The Authority entered into an Agreement with the Western Municipal Water District for transfer of water and sewer utility systems. Under the Agreement, the Authority conveyed to the District property comprised of both real and personal property, including various pipelines, pumps, treatments systems, and other utility facilities for the distribution of potable and non-potable water, and the collection, treatment, and disposal of wastewater, both within and outside the March Air Force Boundaries. This Agreement became effective October 2002.

March Healthcare Development, LLC

On April 7, 2010, the March Lifecare Campus Disposition and Development Agreement was entered into between the March Joint Powers Redevelopment Agency and March Healthcare Development, LLC (MHD). In consideration for the Agency transferring the property to MHD, MHD will pay fair market value for the property as defined in the Disposition and Development Agreement. The Agency will benefit from March Healthcare's development of the property, as a result of sales and other tax revenues generated by the property and project. Currently, no provision has been made for this commitment on the financial statements, as the project is not complete.

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

15) SUCCESSOR AGENCY FOR ASSETS OF FORMER REDEVELOPMENT AGENCY

On December 29, 2011, the California Supreme Court upheld Assembly Bill 1X 26 ("the Bill") that provides for the dissolution of all redevelopment agencies in the State of California. This action impacted the reporting entity of March Joint Powers Authority that previously had reported a redevelopment agency within the reporting entity of the Authority as a blended component unit.

The Bill provides that upon dissolution of a redevelopment agency, either the Authority or another unit of local government will agree to serve as the "successor agency" to hold the assets until they are distributed to other units of state and local government. On January 18, 2012, the Joint Powers Commission elected to become the Successor Agency for the former redevelopment agency in accordance with the Bill as part of Authority Resolution Number JPA 12-04.

After enactment of the law, which occurred on June 28, 2011, redevelopment agencies in the State of California cannot enter into new projects, obligations or commitments. Subject to the control of a newly established oversight board, remaining assets can only be used to pay enforceable obligations in existence at the date of dissolution (including the completion of any unfinished projects that were subject to legally enforceable contractual commitments).

In future fiscal years, successor agencies will only be allocated revenue in the amount that is necessary to pay the estimated annual installment payments on enforceable obligations of the former redevelopment agency until all enforceable obligations of the prior redevelopment agency have been paid in full and all assets have been liquidated.

The Bill directs the State Controller of the State of California to review the propriety of any transfers of assets between redevelopment agencies and other public bodies that occurred after January 1, 2011. If the public body that received such transfers is not contractually committed to a third party for the expenditure or encumbrance of those assets, the State Controller is required to order the available assets to be transferred to the public body designated as the successor agency by the Bill.

Management believes, in consultation with legal counsel, that the obligations of the former redevelopment agency due to the Authority are valid enforceable obligations payable by the successor agency trust under the requirements of the Bill. The Authority's position on this issue is not a position of settled law and there is considerable legal uncertainty regarding this issue. It is reasonably possible that a legal determination may be made at a later date by an appropriate judicial authority that would resolve this issue unfavorably to the Authority.

In accordance with the timeline set forth in the Bill (as modified by the California Supreme Court on December 29, 2011) all redevelopment agencies in the State of California were dissolved and ceased to operate as a legal entity as of February 1, 2012.

Prior to that date, the final several months of the activity of the redevelopment agency continued to be reported in the governmental funds of the Authority. After the date of dissolution, the assets and activities of the dissolved redevelopment agency are reported in a fiduciary fund (private-purpose trust fund) in the financial statements of the Authority.

The transfer of the assets and liabilities of the former redevelopment agency as of February 1, 2012 (effectively the same date as January 31, 2012) from governmental funds of the Authority to fiduciary funds was reported in the governmental funds as an extraordinary loss (or gain) in the governmental fund financial statements. The receipt of these assets and liabilities as of January 31, 2012 was reported in the private-purpose trust fund as an extraordinary gain (or loss).

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

15) SUCCESSOR AGENCY FOR ASSETS OF FORMER REDEVELOPMENT AGENCY - Continued

Because of the different measurement focus of the governmental funds (*current financial resources measurement focus*) and the measurement focus of the trust funds (*economic resources measurement focus*), the extraordinary loss (gain) recognized in the governmental funds was not the same amount as the extraordinary gain (loss) that was recognized in the fiduciary fund financial statements.

The difference between the extraordinary gain recognized in the fund financial statements and the extraordinary gain recognized in the fiduciary fund financial statements is reconciled as follows:

Total extraordinary gain reported in governmental funds - increase to net assets of the Successor Agency Trust Fund.	\$ 32,678,914
Unamortized bond issuance cost reported in the government-wide financial statements - increase to net assets of the Successor Agency Trust Fund.	1,371,034
Long-term debt reported in the government-wide financial statements - decrease to net assets of the Successor Agency Trust Fund.	<u>(32,700,000)</u>
Net decrease to net assets of the Successor Agency Trust Fund as a result of initial transfers (equal to amount of extraordinary gain reported in the government-wide financial statements of the Authority).	<u>\$ 1,349,948</u>

Successor Agency Long-term Obligations

The following is a summary of the changes in the Successor Agency long-term obligations for the year:

Description	Beginning Balance	Obligations Incurred ⁽¹⁾	Obligations Satisfied	Ending Balance
Loans Payable	\$	\$ 3,350,000	\$	\$ 3,350,000
2011 Series A Tax Allocation Bond		23,135,000		23,135,000
2011 Series B Tax Allocation Bond		<u>9,565,000</u>		<u>9,565,000</u>
Total Governmental Activities	<u>\$ 0</u>	<u>\$ 36,050,000</u>	<u>\$ 0</u>	<u>\$ 36,050,000</u>

⁽¹⁾ Included in obligations incurred, is the \$36,050,000 of debt transferred from the former March Joint Powers Redevelopment Agency .

Loans Payable

The aforementioned loans were made by the March Joint Powers Authority (the “Authority”) to provide operating funds to the former March Joint Powers Redevelopment Agency. The loans will be repaid from tax increment at such time as excess funds exist. The balance outstanding as of June 30, 2012 for all loans is \$3,350,000.

March Joint Powers Authority
Notes to Financial Statements
Year Ended June 30, 2012

15) SUCCESSOR AGENCY FOR ASSETS OF FORMER REDEVELOPMENT AGENCY - Continued

Accrued interest of \$291,327 on the notes payable is reflected in the accompanying financial statements as interest payable.

<u>Date</u>	<u>Interest Rate</u>	<u>Amount of Issue</u>	<u>Outstanding at End of Year</u>
June 20, 2007	5%	\$ 700,000	\$ 700,000

2011 Tax Allocation Bonds - Series A

On February 22, 2011, the Redevelopment Agency issued \$23,135,000 2011 Tax Allocation Bonds, Series A. The proceeds of these bonds will be used to finance redevelopment projects and debt related costs. Interest on the bond is payable August 1st and February 1st of each year. Interest on the bond accrues at rates varying from 2.375% to 6.750% per annum. Principal on the serial bonds is payable in annual installments ranging from \$285,000 to \$1,785,000, commencing August 1, 2011 through August 1, 2041. At June 30, 2012 the Authority has a cash reserve balance for debt service of \$1,919,919 which is sufficient to cover the Bond Indenture Requirement. The outstanding balance is \$23,135,000.

2011 Tax Allocation Bonds - Series B

On February 22, 2011, the Redevelopment Agency issued \$9,565,000 2011 Tax Allocation Bonds, Series B. The proceeds of these loans will be used to finance redevelopment projects and debt related costs. Interest on the bond is payable August 1st and February 1st of each year. Interest on the bond accrues at rates varying from 2.375% to 6.750% per annum. Principal on the serial bonds is payable in annual installments ranging from \$120,000 to \$740,000, commencing August 1, 2011 through August 1, 2041. At June 30, 2012 the Authority has a cash reserve balance for debt service of \$795,500 which is sufficient to cover the Bond Indenture Requirement. The outstanding balance is \$9,565,000.

REQUIRED SUPPLEMENTARY INFORMATION

March Joint Powers Authority
Notes to Required Supplementary Information
June 30, 2012

1. BUDGETARY DATA

The Agency uses the following procedures in establishing the budgetary data reflected in the financial statements:

1. Before the beginning of the fiscal year the Executive Director submits to the Finance Committee a proposed budget for the year commencing the following July 1.
2. The committee reviews the proposed budget and approves submittal to the Board of Commission.
3. The budget is subsequently adopted through passage of a resolution by the Commission.
4. All appropriated amounts are as originally adopted or as amended by the Board of Commissioners and lapse at year-end.
5. Original appropriations are modified by supplementary appropriations and transfers among budget categories. The Board of Commission approves all significant changes.
6. Formal budgetary integration is employed as a management control device during the year for the General, Special Revenue and Capital Project Funds.
7. Budgets for the General, Special Revenue and Capital Project Funds are adopted on a basis consistent with accounting principles generally accepted in the United States of America.
8. Budget information is presented for the General, Special Revenue and Capital Project Fund Types. Formal budgeting polices are not required for the Debt Service Fund.

INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Lori Stone, Executive Director
March Joint Powers Authority
Riverside, California

We have applied the procedures enumerated below, which were agreed to by the March Joint Powers Authority (the "Authority") to assist the Authority's senior management in evaluating the revenues of the General Old Golf Course (the "Golf Course") as reported to the Authority for the year ended June 30, 2012.

This engagement to apply agreed-upon procedures was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the specified users of the report, the Authority's senior management. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures performed and our findings were as follows:

1. Obtain an understanding of the types of revenues generated by the General Old Golf Course (the "Golf Course") managed by Donovan Brothers Golf Inc.

Findings: No exceptions were noted as a result of our procedures.

2. Obtain starter records for the year and determine the number of rounds played each month and for the year:

Findings: *See Exhibit 1.*

3. Prepare a trend analysis for (5) years on the number of rounds of golf played each year.

Findings: *See Exhibit 1.*

4. Compare starter records to green fee revenue for a sample of 7 days.

Findings: No exceptions were noted as a result of our procedures within a 10 round/player variance from the starter records to green fee revenue.

5. Using starter records, calculate the average green fee by dividing the number of patrons into the green fee revenue for each month for the fiscal year ending June 30, 2012.

Findings: *See Exhibit 1.*

6. Compare the average calculated in step 5 to the range of fees collected for green fees.

Findings: No exceptions were noted as a result of our procedures.

7. Compare the green fees collected each month to the Course expenses each month for the fiscal year ending June 30, 2012.

Findings: *See Exhibit 2.*

8. Using the June 30 reports from Donovan Brothers Golf Inc., prepare a five year trend analysis for each revenue.

Findings: *See Exhibit 3.*

9. Calculate the gross profit margin at June 30 for merchandise, food and beverage sales and prepare a five (5) year trend analysis.

Findings: *See Exhibits 4 and 5.*

We were not engaged to, and did not, perform an audit, the objective of which would be the expression of an opinion on the accounting records relating to the revenues of the Golf Course. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of the senior management of the March Joint Powers Authority and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes.

Truman Ramirez & Smith, L.L.C.

FIVE YEAR TREND OF GOLF COURSE FOOD AND BEVERAGES

December 21, 2012

March Joint Powers Commission
March Joint Powers Authority
Riverside, CA

We have audited the financial statements of the governmental activities, business-type activities, each major fund and the aggregate remaining fund information of the March Joint Powers Authority (the "Authority") for the year ended June 30, 2012. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 25, 2012. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Authority are described in Note 1 to the financial statements. As described in Note 1 to the financial statements, the Authority changed accounting policies related to other post-employment benefits measurements, financial reporting and derivatives by adopting Statements of Governmental Accounting Standards (GASB Statement) No. 57, *OPEB Measurements by Agent Employers and Agency Multiple-Employer Plans*, No. 61, *The Financial Reporting Entity: Omnibus an Amendment of GASB Statements No. 14 and No. 34*, and No. 64, *Derivative Instruments: Application of Hedge Accounting Termination Provisions, an amendment of GASB Statement No. 53*. Currently, these GASB Statements have no impact on the Authority's financial statements. We noted no transactions entered into by the governmental unit during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

Management's estimate of the fair value of investments is based on information provided by financial institutions. We evaluated the key factors and assumptions used to develop the fair value of investments in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's estimate of capital assets depreciation is based on historical estimates of each capitalized item's useful life. We evaluated the key factors and assumptions used to develop the property and equipment depreciation in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's estimate of net other postemployment benefits (OPEB) obligation is based on an actuarial valuation. We evaluated the key factors and assumptions used to develop the net OPEB obligation in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

The disclosure of the fair value of investments in Note 2 to the financial statements represents amounts susceptible to market fluctuation.

The disclosure of capital assets in Note 5 to the financial statements is based on historical information which could differ from actual useful lives of each capitalized item.

The disclosure of other postemployment benefits and the net OPEB obligation in Note 12 to the financial statements represents management's estimate based on an actuarial valuation. Actual results could differ depending on the key factors and assumptions used for the actuarial valuation.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. The following material misstatements detected as a result of audit procedures were corrected by management: Capital assets transactions, long-term debt transactions, receivables and accrued liabilities.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated December 20, 2012.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Authority's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Authority's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Information in Documents Containing Audited Financial Statements

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the March Joint Powers Commission and management of the Authority and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Teaman Ramirez & Smith, L.L.C.

Subject: RE: Upcoming March Joint Powers Commission Meeting

Hi Victoria:

I started yesterday and finished this morning adding all the new committee assignments to the calendars. The JPC meetings are now on your calendar. Please confirm if you plan to attend the Sept 18, MJPC meeting . The meeting convenes at 8:30 a.m. Your flight for the LCC Conference departs at 12:15 p.m. Need to allow time for travel to the airport and check-in.

Thanks,

Cindy

Subject: Major injury and fatal accident updates

Good afternoon,

As you are aware, we experienced two separate major injury accidents yesterday. The victim in the first collision, a 63 year-old man, is still in critical condition at a local hospital. His prognosis is unclear. The second victim, a man believed to be in his 40's or 50's, did not survive his injuries. Both drivers involved in these collisions were found to be driving on suspended or revoked driver's licenses. Although alcohol and/or illegal drugs are not believed to be a factor in either case, prescription medications may have played a role in one or both collisions. The drivers will be charged with the appropriate criminal violations based on toxicology results. Neither driver should have been operating a motor vehicle because their driving privileges were suspended/revoked. Both drivers will minimally be charged with that vehicle code violation.

Subject: FW: Council Member Victoria Baca - Meeting Request

Victoria:

Assembly Member Medina will not be available for 3-4 weeks. Amber advised she has your meeting request for when the Assemblyman becomes available. In the meantime, she asked if you would like to meet with District Director Juan Lopez. I explained to Amber that you requested to meet with the Assemblyman, not a representative. Please advise how you would like to proceed.

Thanks,

Cindy

Subject: Council Member Victoria Baca - Meeting Request

Hi Amber:

Council Member Victoria Baca requested to meet with Assembly Member Medina to discuss the Box Springs Mutual Water Company (BSMWC) service area located in the Edgemont neighborhood of Moreno Valley. The BSMWC water distribution system is in need of repair. System inadequacies are impacting fire flow protection and the ability to obtain building permits for new construction. Council Member Baca is diligently working with the BSMWC Board of Directors and its shareholders exploring grant opportunities, with the goal of seeking significant funding to improve the water infrastructure in the Edgemont neighborhood.

Please contact me to coordinate the meeting.

Thanks,

MV00258646

Subject: Meeting request with CM Baca

Cindy,

Can you please schedule a meeting w/CM Baca, Ahmad and Eric to discuss:

1. Parking at NW corner of Dracaea & Gina
2. Speed hump application for tract at Brentwood, N/O Dracaea
3. Request for crossing guard at Ironwood & Graham (District #5)

Of course, the aforementioned items are not a high priority and meeting can be scheduled at CM Baca's request.

Thanks,
Anna Chacon

Hi Victoria:

I started yesterday and finished this morning adding all the new committee assignments to the calendars. The JPC meetings are now on your calendar. Please confirm if you plan to attend the Sept 18, MJPC meeting. The meeting convenes at 8:30 a.m. Your flight for the LCC Conference departs at 12:15 p.m. Need to allow time for travel to the airport and check-in.

Thanks,

Cindy

Subject: Update- major injury accident

Good evening,

Last Thursday, 9-12-13, a 63 year-old bicyclist was hit by a car on Moreno Beach near JFK. He survived the crash and was transported to the hospital for treatment of major injuries.

This evening I received the unfortunate information that the victim's condition took a serious turn for the worse. Ultimately, he succumbed to his injuries at 5:00 PM.

The driver was driving on a suspended or revoked license and may have been under the influence of prescription drugs. The victim's death will affect the charges the driver will face.

Joel

Subject: Homicide

Good morning,

I was just advised that officers were dispatched to a shooting in the 26000 block of Le Mans Drive. On arrival, they found a deceased male adult. Witnesses indicated two men got into an argument; one produced a gun and shot the other man, fatally wounding him. The suspect fled before officers arrived.

MVPD detectives, Volunteers, the Sheriff's Central Homicide Bureau, the Coroner's Bureau, and the DA's office are all en route to the scene. Le Mans Drive is located south of Fir Avenue and east of Lasselle Street.

Because details are limited and the lateness of the hour, I elected to notify you by e-mail rather than by phone. I will send an update later this morning.

Joel

Subject: In and Out of the office

This may be too much info....but thought I should make you aware that I will be in and out of the office over the next couple of weeks. My brother, Randy, who resides with us, was hospitalized for the past week with a severe infection in his lower leg. He was released on Saturday with a pic line and will need IVs every 6 hours. I'll be in and out of the office to address his care. Tentatively, I'm looking to be out of the office during the following hours.

7:30-8:30 a.m.

11:30 a.m. – 2 p.m.

5-6 p.m.

Thanks,

Cindy

Subject: Renovation of 2 Landscaped Medians on Frederick

Honorable Mayor, Mayor Pro Tem and Members of the City Council

Beginning Wednesday, September 18th, two of the landscaped medians on Frederick, between Towngate and Eucalyptus will undergo landscape renovation. To prepare the soil for the new plants, we need to kill off and pull out most of what's in these planters, which will make them look unsightly for 6-8 weeks. During this time, there will be 20"X24" signs (see sample below) posted in the medians to alert the community of the renovation work. The new plants will be installed in November, weather permitting. The renovation is an attempt to better manage the excessive weeds that have overtaken the medians since the area transition to a reduced maintenance service level in October of 2011. Please let me know should you have any questions.

Subject: Robbery arrest - again

Good morning,

On Tuesday 9-10-13, officers responded to the CVS pharmacy at 25070 Alessandro Blvd reference a strong arm robbery just occurred. Witnesses provided an excellent description of the suspect and MVPD SET Team officers were in the area. Officers spotted the suspect, later identified as Traytwion Fuery (20) of Moreno Valley, and gave chase on foot. After a short foot pursuit, Fuery was taken into custody without incident. Officers discovered that Fuery was out of custody on bail for a robbery at a Moreno Valley Rite-Aid pharmacy. Officers requested and were granted a bail enhancement to keep Fuery in custody. He was booked into RPDC on the new charge of robbery and for committing a felony while on bail. He is being held in lieu of \$250,000 bail.

Subject: City Credit Card

Hi Victoria,

Just a reminder to look for the City credit card you took to Las Vegas. The hotel will more than likely ask you for a credit card for incidentals. If you do have incidentals on you hotel bill, please use your personal funds when you check out. This will alleviate the possibility of someone interpreting the use of the City credit card for personal purchases. Please return the card to me when you return from your trip. I have already paid for your hotel bill with my City credit card.

Enjoy your stay.

Subject: Homicide on Le Mans - update

Good evening,

Early this morning I reported on a homicide that occurred on Le Mans in the area of Fir x Lasselle. MVPD and Sheriff's Central Homicide Unit investigators worked hard on this case throughout the day. About noon, investigators conducting surveillance on a residence in the 13000 block of Wilmot spotted the suspect. A felony vehicle stop was conducted and the suspect was taken in to custody without incident.

Further investigation included search warrants at two residences and for two vehicles. Ultimately, the suspect was interviewed and later booked into RPDC on a charge of murder. Adding to this tragedy is the fact that the suspect and victim are brothers.

A press release will be issued by CHU. This homicide is the 7th incident this year inside Moreno Valley city limits. These seven incidents include a total of eight victims. All but one of these crimes has been solved with suspects in custody. I hope to report good news on the single open homicide case in the near future.

Subject: Tiana Ricks homicide - update

Good morning,

I am happy to announce that we have arrested a suspect in the murder of 6 year-old Tiana Ricks and the attempted murder of her father, Tyrell Ricks. The suspect, 21 year-old Keandre Johnson, is a self-admitted gang member and a parolee-at-large. Through an exhaustive investigation and the combined efforts of the Sheriff's Central Homicide Unit, the MVPD SET Team and Investigations Unit, the Sheriff's Computer and High-Technology Response Team (CATCH), and the FBI's Inland Regional Apprehension Team, the suspect was identified, located and arrested for this heinous crime. The suspect is currently in custody at the Robert Presley Detention Center in Riverside. A press release will be issued today. We anticipate high media interest in this arrest. The Sheriff's Media Information Bureau will coordinate a press conference here at MVPD once the requests start coming in.

I don't believe they played any significant role in this case. The case was solved through hundreds of hours of conventional police work by 20 or more individuals all working toward the same goal.

Good evening members of the League of California Cities!

It is with great pleasure, that the Education and Conferences Department has developed a mobile application for Apple and Android mobile operating systems to enhance your experience while attending League conferences.

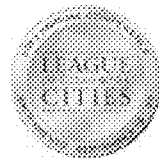

The application is now currently available for both Apple and Android powered devices, and can be obtained by clicking the appropriate selection below based on your device. You can also find the application in the Google Play Store of Apple's iTunes by searching "League of California Cities."

Subject: Invitation - City of Moreno Valley Mural and Peace Garden Dedication

A dedication ceremony to celebrate Moreno Valley's rich heritage is scheduled for Tuesday, September 24 at 4:30 p.m., at the Conference and Recreation Center, 14075 Frederick St.

The murals were designed in 2012 in collaboration with the Moreno Valley Arts Commission and the Moreno Valley Historical Society and were completed in January of 2013.

The Peace Garden was originally dedicated in 2009 in recognition of the day of Daisaku and Kaneko Ikeda's brilliant victory of disciples, partners, and leaders for the construction of a global culture of peace, and in recognition of their timeless gift of flowering Cherry trees to the citizens of Moreno Valley. This project was completed with assistance from the Environmental and Historical Preservation Board and the Parks and Recreation Commission.

Michelle,

This problem was brought to my attention. Please inform me of the status.

Mr. Magued Noureldin applied for a business license approximately in Nov. 2011, and paid fees.

Was a certificate of occupancy issued?

Was a business license issued?

No inspector?

Magued Noureldin may be reached at:

Subject: Lunch with Superintendent Lopez and Moreno Valley School Visits Within the Val Verde School District

Tom and Victoria,

I scheduled your lunch with Superintendent Lopez for Monday, September 30 from 11:30 a.m. to 1:00 p.m. at BJ's. If this date and time don't work for you, please let me know, and I will look for another date.

Regarding the school visits, there are seven schools in Moreno Valley within the Val Verde School District (4 Elementary Schools, 2 Middle Schools and 1 High School). Do you want to visit all the schools or a few schools? Because there is so much walking involved, it is recommended you do two half days if you would like to visit all the schools. If you prefer to visit just a few schools, please let me know which schools you would like to visit:

Lasselle Elementary
Bethune Elementary
Rainbow Ridge
Victoriano Elementary
March Middle School
Vista Verde Middle School
Rancho Verde High School

Would you please provide me days and times you both will be available for the school visits.

Thank you.

Hello Cindy,

Here is the flyer you asked for. Dr. James Baylark and Good Hope Missionary Baptist Church is hosting an award ceremony and scholarship fundraiser. The event will be held from 4:00pm to 7:00pm on Saturday, September 28; and tickets are \$35 per person. We are extending an invitation to you in hopes that you will join us in honoring these individuals for their work in the community; which include Dana Scott for Human Rights Activist and Sharron Lewis for Lifetime Achievement. There is going to be entertainment throughout the ceremony and a raffle at the end. Please feel free to contact us for further details, or to purchase your tickets ahead of time (as ticket sales will be limited at the door). Thank you very much, we look forward to seeing you there!

Incident Description

At approximately 5:35 PM fire department units were dispatched to 22573 Adrienne Ave, Apt A for fire in the first floor apartment. The location is a four unit apartment building totaling approximately 4000 sq ft. E6 arrived at the scene with smoke coming from apartment A. The fire was extinguished with resources dispatched and confined to the kitchen of the apartment. The fire cause was cooking. There was one minor injury to a civilian who tried to break a window to use a fire extinguisher. They were treated at the scene and not transported. The single apartment was red tagged due to the damage and occupants were allowed into the remaining 3 units.

Hello Suzanne,

Thank you for the opportunity to talk some more about the Box Springs Mutual Water Company and the history of the City's assistance in seeking grant funding for the infrastructure improvement project.

I want to respond to your email from yesterday, requesting "a document on the city's website that lays out the background, such as a city staff report?" Though I understand from this evening's phone conversation that you're no longer seeking the City Council staff reports, I am compelled to provide transparent customer service. So, I've located and am re-sending my email from last Wednesday, which includes the staff reports that describe the substantial tax allocation bond funding that the City Council conditionally directed towards BSMWC infrastructure improvements (see attachments: page 10 of the "TABS Allocation staff rpt 102307" and page 1 of the "TAB refunding staff rpt 030811"). I hope you find the information helpful!

If you have any questions, please feel free to call or email me.

Michele

Subject: RE: Council or city Considering Reward To find Tiana Ricks' Killers? / more BSMWC info

Hi Suzanne,

Great to meet you too, finally!

I checked with the Police Chief and he indicated he hadn't heard of a plan for a reward

You know, something we were talking about in the car today got me to thinking about additional information that you might find helpful... I think you were exploring the responsibility for the neglect and how it relates to environmental injustice and I realized that I hadn't given you the City's history of assisting BSMWC. So, here's a quick sampling of some of the assistance the City has provided:

MV00258712

- 1993 – 1997: The City’s Redevelopment Agency loaned BSMWC \$ 328,244.98 to upgrade water infrastructure on Eucalyptus and Day while the City was constructing street improvements on the same streets (see attachment RDA loan for Eucalyptus Ave improvements.pdf).
- 1996 - 1999: The City’s Redevelopment Agency loaned BSMWC \$ 106,842 to upgrade water infrastructure on Barbara and Hildegard while the City was constructing storm drain and street improvements on the same streets. The City also provided construction coordination and a grant to BSMWC for an additional \$72,158 for costs that the City’s project created streets (see attachment RDA loan for Barbara and Hildegard improvements.pdf).
- During City / RDA construction of Day Street just north of Alessandro, the City’s Redevelopment Agency coordinated with BSMWC to enable them to lay pipe while the trenches were open, at a substantial savings to BSMWC.
- Tax Allocation Bonds: in the beginning, some TAB funds were conditionally allocated to BSMWC infrastructure (see page 10 of the TABS Allocation staff rpt 102307 attachment) - conditional on the successful conclusion of litigation with the County of Riverside, which would have resulted in increased Moreno Valley RDA revenues that could have been used to pay the TAB debt service on the BSMWC infrastructure project. Unfortunately, the City did not prevail in court and so could not proceed with the project because there was no revenue stream to support the increased debt service (TAB refunding staff rpt 030811).

Thanks again! And if I hear any more on a reward, I’ll let you know.

Subject: Council or city Considering Reward To find Tiana Ricks' Killers?

Hi Michelle,

Really great to meet you today.

Can you call or email -- I'm wondering if the city or the council is considering offering a reward, and if so, how much and when it's expected to be on agenda?

CITY MANAGER	<i>ms</i>

Report to City Council

TO: Mayor and City Council and Chairman and Members of the Board of Directors of the Community Redevelopment Agency of the City of Moreno Valley

FROM: Richard Teichert, Financial and Administrative Services Director

AGENDA DATE: March 8, 2011

TITLE: ADOPTION OF RESOLUTIONS APPROVING THE REDEMPTION OF 2007 TAXABLE TAX ALLOCATION BONDS, SERIES B

RECOMMENDED ACTION

Staff recommends that:

1. The City Council adopt Resolution No. 2011-20 approving the redemption of Moreno Valley Redevelopment Agency 2007 taxable tax allocation bonds in the amount of \$22,500,000; and
2. The City Council acting in the capacity as Chairman and Members of the Board of Directors of the Community Redevelopment Agency of the City of Moreno Valley adopt Resolution No. RDA 2011- 01 approving the redemption of Moreno Valley Redevelopment Agency 2007 taxable tax allocation bonds in the amount of \$22,500,000.

BACKGROUND

The City of Moreno Valley Redevelopment Agency (Agency) issued tax exempt tax allocation bonds as Series A in 2007 in the amount of \$43,495,000 to fund a number of infrastructure and capital projects in the City's redevelopment area. In addition, the Agency structured taxable tax allocation bonds as Series B in the amount of \$22,500,000. The City of Moreno Valley (City) General Fund purchased 100% of the Series B bond issue with the funds invested in the City's investment pool pending public sale of the bonds in the future. The bonds were intended to be sold publicly when tax increment was available through growth in property tax increment revenue or pending a

lawsuit with the County over a tax increment pass through agreement. The General Fund was to be reimbursed when the bonds were sold to the public.

DISCUSSION

Unfortunately, the lawsuit has been resolved in the County's favor. The economy also turned negative causing property tax increment to decrease for several years. At this time, the City's General Fund requires the funds for cash flow purposes to maintain adequate liquidity in the General Fund. In light of these factors, it is now appropriate for the Agency to redeem the bonds and return the amount of \$22,500,000 to the City's General Fund. The proposed draft of the three year Deficit Elimination Plan relies on this funding being returned to the General Fund to maintain required fund balances for the duration of the plan.

ALTERNATIVES

1. Adopt the proposed resolution approving the redemption of Moreno Valley Redevelopment Agency 2007 taxable tax exempt bonds in the amount of \$22,500,000.
2. Do not adopt the proposed resolution and provide staff with further direction. This option risks that the funds may not be returned within a reasonable timeframe when needed for cash flow. The delays could be caused by the Governor's proposed plan to eliminate redevelopment agencies.

FISCAL IMPACT

Redemption of the RDA Series B bonds is integral in the City's Deficit Elimination Plan to balance the City's General Fund. The \$22,500,000 in funding shall be used to support City services during the three year plan period and provides the necessary \$14,000,000 in minimum fund balance at the end of the three year period. The City will be forced to make dramatic cuts much sooner than it is prepared to and sooner than is prudent for providing a managed reduction in City services.

CITY COUNCIL GOALS

Revenue diversification and preservation and Public Safety.

SUMMARY

The intent that was present when the 2007 taxable tax allocation bonds were issued is no longer economically viable. The tax increment revenue from the Agency does not exist to support a public sale of these bonds. It is in the best interest of the City and the Agency to redeem the \$22,500,000 in bonds and reimburse the City General Fund as quickly as possible.

RESOLUTION NO. 2011-20

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY REQUESTING, AUTHORIZING AND APPROVING THE REDEMPTION OF COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF MORENO VALLEY, MORENO VALLEY REDEVELOPMENT PROJECT, SUBORDINATE 2007 TAXABLE TAX ALLOCATION BONDS AND MAKING CERTAIN DETERMINATIONS AND APPROVALS IN CONNECTION THEREWITH

WHEREAS, the Community Redevelopment Agency of the City of Moreno Valley (the "Agency") is a redevelopment agency duly created, established and authorized to transact business and exercise its powers, all under and pursuant to the Community Redevelopment Law (Part 1 of Division 24 (commencing with Section 33000) of the Health and Safety Code of the State of California) and the powers of the Agency include the power to issue bonds for any of its corporate purposes;

WHEREAS, a Redevelopment Plan known as the "Moreno Valley Redevelopment Project" has been adopted and approved by ordinance of the City of Moreno Valley (the "City"), and all requirements of law for and precedent to the adoption and approval of said Redevelopment Plan have been duly complied with;

WHEREAS, the Agency authorized and issued its \$43,495,000 Community Redevelopment Agency of the City of Moreno Valley, 2007 Tax Allocation Refunding Bonds, Series A (Moreno Valley Redevelopment Project)(the "2007A Bonds") by its Resolution No. RDA 2007-11 dated October 23, 2007. No change or action with respect to the 2007A Bonds is intended or effected by this Resolution;

WHEREAS, the Agency, in addition, authorized and issued its \$22,500,000 Community Redevelopment Agency of the City of Moreno Valley, Subordinate 2007 Taxable Tax Allocation Bonds (the "2007B Bonds") by its Resolution No. RDA 2007-12 dated October 23, 2007 and pursuant to an Indenture of Trust by and between the Agency and the City dated as of October 1, 2007 relating to the 2007B Bonds (the "2007B Indenture");

WHEREAS, the City, which purchased and has owned the 2007B Bonds continuously since the 2007B Bonds were issued by Agency, desires that the 2007B Bonds be redeemed at this time and has requested that the Agency redeem the 2007B Bonds immediately upon approval of this Resolution;

WHEREAS, the City has a substantial, immediate need for funds that will be addressed, in part, by redemption of the 2007B Bonds at this time;

WHEREAS, the Agency is amenable to the redemption of the 2007B Bonds by repayment by Agency to City of all amounts outstanding under the 2007B Bonds (namely, the sum of \$22,500,000)(the "Redemption Amount");

WHEREAS, the 2007B Indenture provides, in part, in Section 2.3(a), that the 2007B Bonds are subject to redemption at the option of the Agency from any available source of funds on any date prior to maturity at a price equal to the principal amount thereof, plus accrued interest to the redemption date, without premium;

Resolution No. 2011-20
Date Adopted: March 8, 2011

MV00258717

WHEREAS, under Section 2.3(a) of the 2007B Indenture, the Agency is to give the trustee, as designated therein (the "City" or the "Trustee") written notice of its intention to redeem 2007B Bonds at least 60 days prior to the date fixed for such redemption. Such notice requirement can be waived by the City, as trustee, and the City hereby waives such requirement;

WHEREAS, under Section 2.3(b) of the 2007B Indenture, the Trustee shall mail notice of redemption at least 30 days prior to the redemption date to (i) Owners of any 2007B Bonds, and (ii) the Securities Depositories and to one or more Information Services designated in a Request of the Agency (as such capitalized terms are defined in the 2007B Indenture). Section 2.3(b) also provides that "that such mailing shall not be a condition precedent to such redemption and neither failure to receive any such notice nor any defect therein shall affect the validity of the proceedings for the redemption of such 2007B Bonds or the cessation of the accrual of interest thereon." The 2007B Indenture further provides that the Agency and the City, as owner of 100% of the 2007B Bonds, may amend the 2007B Indenture.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY RESOLVES:

1. The foregoing recitals are true and correct.
2. The City, as Owner of 100% of the 2007B Bonds and as Trustee under the 2007B Indenture, hereby requests, authorizes and directs the redemption of the 2007B Bonds, effective as of the date hereof, provided that the Agency, as issuer, consents thereto. By this Resolution, the City, both as Owner of 100% of the 2007B Bonds and as Trustee under the 2007B Indenture, acknowledges receipt of notice of redemption from the Agency, and approves and authorizes the waivers and amendments as described herein.
3. Effective as of the approval hereof, subject to approval by the Agency, Section 2.3 of the 2007B Indenture is amended to provide that notice of redemption may be given on the day fixed for redemption, and that, so long as the City is the Owner of 100% of the 2007B Bonds, notice of redemption need not be mailed but shall be deemed to have been given so long as the City has requested that the redemption of the 2007B Bonds take place. This Resolution acknowledges receipt of notice of redemption under the 2007B Indenture as to the 2007B Bonds.
4. Effective immediately as of the approval hereof, the 2007B Bonds shall be redeemed on March 8, 2011, or such other date approved by an Authorized Officer (as defined below), subject to the terms of the 2007B Indenture and this Resolution, at the Redemption Amount, to be credited by Trustee for the account of the City. The City Council, acting through its Mayor, the City Manager and the Finance Director of the City or their authorized designee ("Authorized Officers") are hereby authorized and directed to execute a receipt for proceeds upon redemption of the 2007B Bonds, to deliver the 2007B Bonds to the Agency for cancellation (or to instruct the Trustee to cancel the 2007B Bonds upon transferring to City the Redemption Amount), and to undertake such actions as are necessary or convenient to effect such redemption and payment or release of moneys to the City, including without limitation the execution and delivery of any and all documents and instruments relating to the redemption of the 2007B Bonds.

APPROVED and ADOPTED this 8th day of March, 2011.

RESOLUTION NO. RDA 2011-01

A RESOLUTION OF THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF MORENO VALLEY AUTHORIZING AND APPROVING THE REDEMPTION OF ITS MORENO VALLEY REDEVELOPMENT PROJECT, SUBORDINATE 2007 TAXABLE TAX ALLOCATION BONDS AND MAKING CERTAIN DETERMINATIONS AND APPROVALS IN CONNECTION THEREWITH.

WHEREAS, the Community Redevelopment Agency of the City of Moreno Valley (the "Agency") is a redevelopment agency duly created, established and authorized to transact business and exercise its powers, all under and pursuant to the Community Redevelopment Law (Part 1 of Division 24 (commencing with Section 33000) of the Health and Safety Code of the State of California) and the powers of the Agency include the power to issue bonds for any of its corporate purposes;

WHEREAS, a Redevelopment Plan known as the "Moreno Valley Redevelopment Project" has been adopted and approved by ordinance of the City of Moreno Valley (the "City"), and all requirements of law for and precedent to the adoption and approval of said Redevelopment Plan have been duly complied with;

WHEREAS, the Agency authorized and issued its \$43,495,000 Community Redevelopment Agency of the City of Moreno Valley, 2007 Tax Allocation Refunding Bonds, Series A (Moreno Valley Redevelopment Project)(the "2007A Bonds") by its Resolution No. RDA 2007-11 dated October 23, 2007. No change or action with respect to the 2007A Bonds is intended or effected by this Resolution;

WHEREAS, the Agency, in addition, authorized and issued its \$22,500,000 Community Redevelopment Agency of the City of Moreno Valley, Subordinate 2007 Taxable Tax Allocation Bonds (the "2007B Bonds") by its Resolution No. RDA 2007-12 dated October 23, 2007 and pursuant to an Indenture of Trust by and between the Agency and the City dated as of October 1, 2007 relating to the 2007B Bonds (the "2007B Indenture");

WHEREAS, the City, which purchased and has owned the 2007B Bonds continuously since the 2007B Bonds were issued by Agency, desires that the 2007B Bonds be redeemed at this time and has requested that the Agency redeem the 2007B Bonds immediately upon approval of this Resolution;

WHEREAS, the City has a substantial, immediate need for funds that will be addressed, in part, by redemption of the 2007B Bonds at this time;

WHEREAS, the Agency is amenable to the redemption of the 2007B Bonds by repayment by Agency to City of all amounts outstanding under the 2007B Bonds (namely, the sum of \$22,500,000) (the "Redemption Amount");

WHEREAS, the 2007B Indenture provides, in part, in Section 2.3(a), that the 2007B Bonds are subject to redemption at the option of the Agency from any available source of funds on any date prior to maturity at a price equal to the principal amount thereof, plus accrued interest to the redemption date, without premium;

WHEREAS, under Section 2.3(a) of the 2007B Indenture, the Agency is to give the trustee, as designated therein (the "City" or the "Trustee") written notice of its intention to redeem 2007B Bonds at least 60 days prior to the date fixed for such redemption. Such notice requirement can be waived by the City, as trustee;

WHEREAS, under Section 2.3(b) of the 2007B Indenture, the Trustee shall mail notice of redemption at least 30 days prior to the redemption date to (i) Owners of any 2007B Bonds, and (ii) the Securities Depositories and to one or more Information Services designated in a Request of the Agency (as such capitalized terms are defined in the 2007B Indenture). Section 2.3(b) also provides that "that such mailing shall not be a condition precedent to such redemption and neither failure to receive any such notice nor any defect therein shall affect the validity of the proceedings for the redemption of such 2007B Bonds or the cessation of the accrual of interest thereon." The 2007B Indenture further provides that the Agency and the City, as owner of 100% of the 2007B Bonds, may amend the 2007B Indenture.

NOW THEREFORE, THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF MORENO VALLEY RESOLVES:

1. The foregoing recitals are true and correct.
2. The Agency hereby authorizes and directs the redemption of the 2007B Bonds, effective as of the date hereof, provided that the City (as trustee under the 2007B Indenture and as Owner of 100% of the 2007B Bonds under the 2007B Indenture) consents thereto. By this Resolution, the Agency gives notice to each of the City (as Trustee under the 2007B Bonds) and the City (as Owner of 100% of the 2007B Bonds), and approves and authorizes the waivers and amendments as described herein.
3. Effective as of the approval hereof, subject to approval by the City, Section 2.3 of the 2007B Indenture is amended to provide that notice of redemption may be given on the day fixed for redemption, and that, so long as the City is the Owner of 100% of the 2007B Bonds, notice of redemption need not be mailed but shall be deemed to have been given so long as the City has requested that the redemption of the 2007B Bonds take place. This Resolution shall serve as the notice of redemption under the 2007B Indenture as to the 2007B Bonds.

4. Effective immediately as of the approval hereof, the 2007B Bonds shall be redeemed on March 8, 2011, or such other date approved by an Authorized Officer (as defined herein) subject to the terms of the 2007B Indenture and this Resolution, at the Redemption Amount, to be credited by Trustee for the account of the City. The Agency, acting through its Chairman, the Executive Director and the Finance Director of the Agency or their authorized designee ("Authorized Officers") are hereby authorized and directed to execute a receipt for the 2007B Bonds or an acknowledgment that the Trustee has informed Agency that the Trustee has cancelled, upon payment to City of the Redemption Amount, the 2007B Bonds, and to undertake such actions as are necessary or convenient to effect such redemption and payment or release of moneys to the City, including without limitation the execution and delivery of any and all documents and instruments relating to the redemption of the 2007B Bonds.

Report to City Council

TO: Mayor and City Council, Chairman and Members of the Community Redevelopment Agency, Chairman and Members of the Moreno Valley Public Finance Authority, City Council acting as the Legislative Body of the Community Facilities District

FROM: Barry Foster, Economic Development Director

AGENDA DATE: October 23, 2007

TITLE: A Public Hearing in connection with the issuance of: 1. By the Community Redevelopment Agency of: a) Tax Allocation Bonds, Series A; b) Tax Allocation Bonds, Series B); and 2. By the City, acting on behalf of Community Facilities District No. 87-1 of: a) Community Facilities District 87-1 (Towngate) Special Tax Refunding Bonds (the "Towngate Refunding Bonds"), and b) Community Facilities District 87-1 (Towngate) Improvement Area No. 1 Special Tax Refunding Bonds (the "Improvement Area Refunding Bonds").

RECOMMENDED ACTION

Staff recommends that the City Council ("Council"), Community Redevelopment Agency ("Agency"), Public Financing Authority ("Authority") and the City Council acting as the Legislative Body of the Community Facilities District, upon conducting a public hearing in compliance with Section 33679 of the Health and Safety Code of the State of California requiring the making of certain findings with respect to capital facilities to be acquired, constructed or financed with the proceeds of bonds, take action as follows:

1. That the Council, acting as the Legislative Body of Community Facilities District No. 87-1 (Towngate) of the City of Moreno Valley adopt Resolution No. 2007-119, authorizing the issuance of its 2007 Towngate Special Tax Refunding Bonds and approving certain documents and taking certain actions in connection therewith; and

COUNCIL AGENDA ITEM NO. E1.

MV00258725

2. That the Council, acting as the Legislative Body of Improvement Area No. 1 of Community Facilities District No. 87-1 (Towngate) adopt Resolution No. 2007-120, authorizing the issuance of its Improvement Area No. 1 Special Tax Refunding Bonds and approving certain documents and taking certain actions in connection therewith; and
3. That the Agency adopt Resolution No. RDA 2007-08, approving and authorizing execution of the Agency Towngate Agreement.
4. That the Council adopt Resolution No. 2007-121, approving and authorizing execution of the Agency Towngate Agreement.
5. That the Agency adopt Resolution No. RDA 2007-09, approving and authorizing execution of the Agency Improvement Area Agreement.
6. That the Council adopt Resolution No. 2007 -122, approving and authorizing execution of the Agency Improvement Area Agreement.
7. That the Agency adopt Resolution No. RDA 2007-10, finding benefit to the Project Area and making certain additional findings with respect to certain public improvements to be located within the boundaries of the Redevelopment Project Area.
8. That the Council adopt Resolution No. 2007-123, finding benefit to the Project Area and making certain additional findings with respect to certain public improvements to be located within the boundaries of the Redevelopment Project Area.
9. That the Agency adopt Resolution No. RDA 2007-11, authorizing the issuance and sale of Tax Allocation Bonds for the Moreno Valley Redevelopment Project, and approving the Form of Indenture of Trust, Official Statement, Bond Purchase Agreement, Continuing Disclosure Certificate, Escrow Agreement and Related Documents and Authorizing Certain Other Actions.
10. That the Council adopt Resolution No. 2007-124, approving the issuance by the Community Redevelopment Agency of the City of Moreno Valley of Bonds, approving certain documents in connection therewith and making certain determinations relating thereto.
11. That the Authority adopt Resolution No. MVPFA 2007-02, authorizing the purchase and sale of Tax Allocation Bonds for the Moreno Valley Redevelopment Project and Approving certain related documents and authorizing certain other actions.
12. That the Agency adopt Resolution No. RDA 2007-12, authorizing the issuance of its Moreno Valley Redevelopment Project, Subordinate 2007 Taxable Tax Allocation Bonds and making certain determinations in connection therewith; and

13. That the Council adopt Resolution No. 2007-125, approving the issuance by the Community Redevelopment Agency of the City of Moreno Valley of its Moreno Valley Redevelopment Project, Subordinate 2007 Taxable Tax Allocation Bonds, Authorizing the purchase of such bonds and making certain determinations in connection therewith; and
14. That the Council approve the accounting treatment recommended by the Finance Director/City Treasurer in the Fiscal Impact Section with respect to the General Fund equity, including the reassignment of unreserved designated fund balance to reserved balance.

BACKGROUND

The Agency approved a redevelopment plan in December 1987. The plan identifies several objectives to eliminate blighting conditions in the redevelopment project area. Among these are the construction of public facilities and the upgrading of infrastructure (e.g. streets, storm drains, etc.) in the project area. Staff is proposing that the Agency issue tax allocation bonds as a mechanism to fund several public facilities and street improvement projects. Tax allocation bonds are repaid from a pledge of redevelopment tax increment revenue.

California redevelopment law allows redevelopment agencies to borrow funds to finance projects that will assist in the elimination of blight. Agencies may borrow funds during the first 20 years of their redevelopment plans. The Agency's deadline to incur debt is December 29, 2007. Due to strong increases in past year revenues, the Agency has the financial capacity to borrow funds to finance needed projects prior to the December 29th deadline and still meet its other financial obligations.

DISCUSSION

The proposed financing plan includes the borrowing of new funds to finance projects and the refunding of existing debt obligations to achieve savings on annual debt service payments. A total of four separate transactions are proposed and a summary of each borrowing structure is summarized below.

Tax Allocation Bonds (Series A):

Staff is proposing that the Agency issue the Series A tax allocation bonds (the "Series A Bonds") in an amount not to exceed \$55 million to finance projects summarized below. These bonds will be sold to investors as publicly offered securities. The term for repayment of the Series A bonds will be approximately 30 years and Agency tax increment will be pledged for repayment. The Series A bonds will be tax-exempt requiring that the projects funded with the proceeds be spent on public facilities and infrastructure projects within five years of issuance. The proposed projects are listed in TABLE 1 on page 7 of this report.

Subordinate Taxable Tax Allocation Bonds (2007B):

In addition to the Series A bonds, staff is proposing that the Agency sell a second tax allocation bond issue, Subordinate Taxable Tax Allocation Bonds (2007B), in the amount of \$22.5 million to the City of Moreno Valley. The City will purchase the 2007B bonds with \$22.5 million from its cash reserves. Staff has reviewed the proposed investment and believes it is consistent with the City's Investment Policy. Furthermore, and consistent with Section I.B of the City's Investment Policy, the investment is being recommended by the City Manager and City Treasurer, and Council is being asked to take specific action to approve the investment.

The proceeds of the 2007B bonds will remain unspent pending the outcome of litigation between the Agency and the County of Riverside concerning the interpretation of a pass-through agreement between the Agency and the County. If the Agency is successful in its litigation, it would begin receiving additional tax increment revenue to pay all or part of the debt service on the bonds. At that point, it is anticipated that the 2007B bonds will be remarketed as publicly sold taxable or tax-exempt securities within five years and the proceeds used for the projects identified in TABLE 2 on page 10 of this report. The City would receive the full value of its original investment at such time.

The Agency will pay semi-annual (interest only) debt service payments to the City. The interest rate will be variable and is expected to approximate a rate of return the Agency achieves from investing the 2007B bond proceeds.

It is important to note that at any time the City may redeem all or part of the 2007B bonds. This provides flexibility to the City should it need to liquidate this investment in favor of another use of its funds.

Community Facilities District Tax 87-1 (Towngate) Special Tax Refunding Bonds:

Refunding of the existing Community Facilities District 87-1 Special Tax bonds is proposed in order to obtain annual debt service savings through a reduced interest rate. The Agency, through prior agreements, is obligated to make annual debt service payments on these bonds using project area wide tax increment revenue. The proposed refunding of these bonds requires the Agency to pledge project area tax increment to make debt service payments. This pledge of tax increment will be a senior lien to all other Agency obligations (including the proposed Tax Allocation Bonds) except the Housing Set-aside fund and pass-through payments to other taxing agencies and State ordered subventions (e.g. Education Revenue Augmentation Fund).

The City has adopted goals and policies in connection with the authorization of bonds for assessment districts and community facilities districts (the "Goals and Policies"). The Goals and Policies provide, among other matters, for: a) property to bear an appropriate share of special taxes (the "Appropriate Share Rule"); b) an appraisal be obtained in connection with the issuance of community facilities district bonds (the

"Appraisal Rule"); and c) each parcel of undeveloped property within a community facilities district is to have a minimum value to lien ratio of 2:1 (the "Undeveloped Property Ratio Rule"). In connection with the proposed issuance of 2007 Towngate Special Tax Refunding Bonds, waivers of these policies are being sought; for such waivers, a 4/5 vote is required.

The rationale in support of such waivers, as set forth in part in the accompanying Resolution, is that: (i) as to item a) and the Appropriate Share Rule: the Agency earlier entered into certain arrangements under which the Agency would make payments to defray the cost of Special Tax. The issuance of the 2007 Towngate Special Tax Refunding Bonds will not increase the burden of Special Tax on property owners within the District, will reduce the amount of bonded debt affecting properties within the District, will reduce the cost to the Agency of making payments (due to the reduction in interest rate and principal amount of Towngate Community Facilities District bonds outstanding for which the Agency makes payments) and will facilitate the ability of the Agency to issue its tax allocation bonds; (ii) as to each of items b) and the Appraisal Rule and c) and the Undeveloped Property Ratio Rule, properties within the District, on the average, exhibit very high values with reference to assessed value and, as to those undeveloped properties within the District, City staff is of the view that assessed values substantially understate market value (as illustrated by recent sales within the District, in respect to which the assessed values prior to sale were less than 10% of values upon reassessment following sale, without regard to improvements). Staff is of the view that these reasons support the waivers of the Goals and Policies as described above.

Improvement Area 1 of Community Facilities District Tax 87-1 (Towngate) Special Tax Refunding Bonds:

Refunding of the existing Improvement Area 1 of Community Facilities District 87-1 Special Tax bonds is proposed to achieve annual debt service savings. The Agency, through prior agreements, is obligated to make annual debt service payments on these bonds using tax increment revenue after Community Facilities District 87-1 Special Tax bonds and the department store notes (Moreno Valley Mall notes) have been paid. The proposed refunding of these bonds requires the Agency to pledge project area tax increment to make debt service payments in the event they are owed. This pledge of tax increment will be a senior lien to all other Agency obligations (including the proposed Tax Allocation Bonds) except the Housing Set-aside fund and pass-through payments to other taxing agencies and State ordered subventions (e.g. Education Revenue Augmentation Fund).

The City's adopted Goals and Policies for community facilities districts provide, among other matters, for: a) property to bear an appropriate share of special taxes (the "Appropriate Share Rule"); b) an appraisal be obtained in connection with the issuance of community facilities district bonds (the "Appraisal Rule"); and c) each parcel of undeveloped property within a community facilities district is to have a minimum value to lien ratio of 2:1 (the "Undeveloped Property Ratio Rule"). In connection with the

proposed issuance of 2007 Improvement Area Special Tax Refunding Bonds, waivers of these policies are being sought; for such waivers, a 4/5 vote is required.

The rationale in support of such waivers, as set forth in part in the accompanying Resolution, is that: (i) as to item a) and the Appropriate Share Rule: the Agency earlier entered into certain arrangements under which the Agency would make payments to defray the cost of Special Tax. The issuance of the 2007 Improvement Area Special Tax Refunding Bonds will not increase the burden of Special Tax on property owners within the Improvement Area, will reduce the amount of bonded debt affecting properties within the Improvement Area, and will, to the extent the Agency is required under existing agreements to make payments to the District to be applied for the benefit of the Improvement Area, reduce the cost to the Agency of making payments (due to the reduction in interest rate and principal amount of Improvement Area No. 1 Community Facilities District bonds outstanding) and will facilitate the ability of the Agency to issue its tax allocation bonds; (ii) as to each of items b) and the Appraisal Rule and c) and the Undeveloped Property Ratio Rule, properties within the Improvement Area, on the average, exhibit high values with reference to assessed value and, as to those undeveloped properties within the Improvement Area, City staff is of the view that assessed values substantially understate market value (as illustrated by recent sales within Improvement Area, in respect to which the assessed values prior to sale were less than 10% of values upon reassessment following sale, without regard to improvements). Staff is of the view that these reasons support the waivers of the Goals and Policies as described above.

PROPOSED PROJECTS

The City Council and Community Redevelopment Agency Board have expressed their respective desires to fund public facilities improvements in a timely manner to accommodate the significant growth in the City. With these Council/Agency priorities in mind, staff has identified several key projects (listed below) to include in the financing with total bond proceeds of approximately \$42.5 million for Series A and \$20.5 million for the 2007B bonds. These were selected due to their relative importance, their project readiness, or their ability to promote economic development opportunities in the redevelopment project area. The total cost of the projects exceeds the estimated amount of proceeds. As a result, the projects are listed in a recommended order of priority. Should project priorities change or other sources of revenue become available, the additional projects provide flexibility to reprogram bond proceeds. The proposed projects and descriptions are listed below.

No.	Description	Estimated Cost	Bond Proceeds	Additional Funds Required
1	Main Library	\$22.0 million	\$22.0 million	\$0.00
2	Fire Station 110	\$6.5 million	\$6.5 million	\$0.00
3	Neighborhood Park	\$5.0 million	\$5.0 million	\$0.00
4	Day Street - Alessandro Boulevard to Cottonwood Street	\$4.4 million	\$3.0 million	\$1.4*
5	Auto Mall Street Upgrades	\$2.0 million	\$2.0 million	\$0.00
6	Indian Basin, Appurtenant Storm Drain and Miscellaneous Street Improvements	\$6.67 million	\$4.0 million	\$2.67 million
7	Sidewalk Infill and ADA Curb Ramp Replacement	\$2.0 million	\$0.00	\$2.0 million
8	Pavement Rehabilitation	\$2.0 million	\$0.00	\$2.0 million
9	Street Infill Widening	\$2.0 million	\$0.00	\$2.0 million
	Total Project Costs	\$52.57 million	\$42.5 million	\$10.07 million

* Additional funds are included in the 2007-08 Budget

Project Descriptions – Tax Allocation Bonds (Series A)

Listed below are summaries of the projects recommended to be funded with Tax Allocation Bond (Series A) proceeds. Costs reflect current estimates and are subject to adjustment based upon such factors as the cost of labor and materials.

Main Library Phase 1. Phase 1 of the Main Library consists of a building of 38,000 square feet of space that will be located at the City's Civic Center. The estimated cost of improvements is \$22,000,000, which includes final design, construction, construction management, materials and labor, surrounding landscaping, parking lot, and fixtures, furniture and equipment. Final design is expected to start in January 2008 and will be completed in June 2009. Construction is expected to begin in October 2009 and be completed in February 2012.

Fire Station 110. Fire Station 110 is planned to be located on approximately 1.5 acres of Agency-owned property located at the northeast corner of Indian and Cottonwood Streets. Fire Station 110 is planned to be a three-bay facility with staff quarters as well as a detached storage building. Additionally, the Fire Station will have

block fencing with security gates, security lighting, and landscaping. The Fire Station will be approximately 9,000 square feet in size with the detached storage building being approximately 600 square feet in size. Construction of Fire Station 110 will include design, grading, drainage, material and laboratory testing, survey, and parking lot layout. The estimated cost of the project is \$6,500,000. Design of the project is expected to begin in April 2008 and completed in October of 2009. Construction is expected to begin in November 2009 and be completed October 2012.

Neighborhood Park. A neighborhood park to be located on approximately 7.1 acres of Agency-owned property located at the northeast corner of Indian and Cottonwood Streets is to be developed. The park is planned to have passive recreational facilities including picnic shelters and furniture, landscaped areas and a tot lot. The estimated cost of the project is \$5,000,000. Design of the project is expected to begin in April 2008 and completed in October of 2009. Construction is expected to begin in January 2010 and be completed by October 2012.

Day Street (Alessandro Boulevard to Cottonwood Avenue). The Day Street Improvements, between Alessandro Boulevard and Cottonwood Avenue, include street widening, construction of curb, gutter and sidewalk, waterline replacement, and construction of certain floodwater drainage improvements. The cost of the Day Street Improvements is estimated to be \$4,400,000. Design and right of way acquisition is expected to be completed in July 2008. Construction is expected to begin in October 2008 and be completed April 2009.

Auto Mall Street Upgrades. Auto Mall street upgrades would consist of certain roadway improvements at the Moreno Valley Auto Mall located at the southeast corner of the Route 60 freeway and Moreno Beach Drive. The project will include the partial realignment of Motor Way, replacement and construction of monument signage at the intersections of Moreno Beach Drive and Eucalyptus Avenue, Eucalyptus Avenue and Auto Mall Drive, and Auto Mall Drive and Moreno Beach Drive. The estimated cost of this project is \$2,000,000. Design of the project is expected to begin in April 2008 and completed in April of 2009. Construction is expected to begin in July 2009 and be completed by January 2010.

Indian Basin, Appurtenant Storm Drain and Miscellaneous Street Improvements. The Indian Basin project located on City owned land bounded by Davis Street and the Festival Shopping Center will include the construction of a detention basin that will collect and slow the flow of floodwaters thereby protecting the surrounding area and neighborhoods located to the southeast. Improvements will include construction of the detention basin and installation of inlet and outlet storm drain facilities and street improvements on the south side of Ironwood Avenue between Heacock Street and Nita Drive. The estimated cost of this project is \$6,667,000. Design of the project is expected to begin in June 2008 and completed in June of 2010. Construction is expected to begin in September 2010 and be completed by January 2012.

Sidewalk Infill and ADA Curb Ramp Replacement (Various Locations in the Project Area). The project consists of identification and prioritization of missing sidewalk segments that are primarily in close proximity to schools and in the path of school children. In addition, the project includes identification of missing or non-compliant ADA curb ramps. Locations will focus primarily on pathways to schools; secondarily, locations will focus on pathways to retail and commercial establishments. Upon identification of needed improvements, the project will design and construct improvements to current standards, with the goal of providing missing segments to improve pathways Citywide. The cost of the project is estimated to be \$2,000,000. Design of logical groupings of locations is expected to begin in December 2007, with construction to follow. All improvements that can be completed within the budget will be constructed no later than November 2012.

Pavement Rehabilitation (Various Locations in the Project Area). The project consists of identifying streets at various locations throughout the City to be rehabilitated. Staff will use the City pavement management program to aid in evaluating candidate streets. Strategies for rehabilitation include pavement fabric with asphalt concrete overlays, reconstruction with removals and pavement replacement, and other various cost-effective techniques. The cost of the project is estimated to be \$2,000,000. Identification and design of logical groupings of locations is expected to begin in December 2007, with construction to follow. All improvements that can be completed within the budget will be constructed no later than November 2012.

Street Infill Widening (Various Locations in the Project Area). The City has identified and ranked a series of "infill" projects, which consist of arterial street cross-section widening at locations that are missing improvements, primarily adjacent to developed areas, where future development and/or other funding sources are unlikely to construct needed improvements in a timely manner. This project consists of using and evaluating the pre-existing priority list and the available budget to obtain ultimate street improvements for these locations, which may include right-of-way, utilities, asphalt concrete pavement, curb, gutter, drainage facilities, striping, and sidewalks. The cost of the project is estimated to be \$2,000,000. Design of logical groupings of locations is expected to begin in January 2008, with construction to follow. All improvements that can be completed within the budget will be constructed no later than November 2012.

No.	Description	Estimated Cost	Bond Proceeds	Additional Funds Required
1	Box Springs Water Improvements	\$15.0 million	\$12.5 million	\$2.5 million
2	Sunnymead Property Acquisition and Redevelopment	\$10.0 million	\$8.0 million	\$2.0 million
	Total Project Costs	\$25.0 million	\$20.5 million	\$4.5 million

Project Descriptions – 2007 Subordinate Taxable Tax Allocation Bonds (2007B)

Listed below are summaries of the projects recommended to be funded with 2007B Bond proceeds. The total estimated cost of the projects exceeds the estimated amount of proceeds. Staff is also exploring additional funding programs offered by the State of California, which could provide the additional funds needed to complete the projects.

Box Springs Water Improvements. The project involves the financing of improvements and upgrades to the water distribution system currently owned and operated by the Box Springs Mutual Water Company (BSMWC), a private shareholder-owned company. BSMWC provides domestic water service to property owners in the Edgemont area of Moreno Valley. The company has been in existence since the 1920s and parts of its distribution system have been in use for almost forty years. Due to the aging infrastructure, BSMWC is unable to deliver fire flow rates to meet local and state standards. This condition prevents new development from occurring in the 430-acre service area. The company's problem is circular. Without the ability to serve new customers, BSMWC does not have the financial capacity to upgrade its system. Without an upgraded system, it cannot serve new customers.

The City and Agency, in cooperation with BSMWC, has hired an engineering consulting firm to analyze the current conditions and provide recommendations to upgrade the system in addition to providing cost estimates and financing scenarios. The study with recommendations is expected to be completed in April 2008.

The Agency is proposing to use a portion of the 2007B Bond proceeds to finance The Box Springs Water Improvement Project, which could include replacement of main water distribution lines and lateral lines to service meters, upgrading of pumping equipment and storage facilities, and installation of water quality monitoring and filtering equipment. The Agency's contribution to these improvement costs would be

recovered by charging a connection fee to new customers. The project is estimated to cost \$15,000,000. Design of the system upgrades is expected to begin January 2009 and be completed in January 2010. Construction is expected to begin in March 2010 and be completed by March 2012.

Sunnymead Property Acquisition and Redevelopment. The project involves the financing of costs associated with property assembly and the development of underutilized and blighted properties located on or near Sunnymead Boulevard. The Agency expects to work and partner with property owners and developers to acquire and develop property for commercial and residential uses. The Agency's cost to participate in this project is estimated at \$10,000,000.

ALTERNATIVES

1. Approving staff's recommendations will provide a mechanism to fund needed public facilities and improvements and to meet a number of goals identified in the Redevelopment Agency's Redevelopment Plan.
2. Not approving staff's recommendations will result in the delay of the construction of needed public facilities and improvements, as well as postponing the Redevelopment Agency's pursuing of goals identified in its Redevelopment Plan.

FISCAL IMPACT

Tax Allocation Bonds (Series A):

The "par" or total amount of the 2007 Tax Allocation Bond (Series A) issue is not to exceed \$55,000,000 and is currently estimated at \$49,585,000. The proceeds, net of Original Issue Discount of \$912,994, totals \$48,672,006 comprised of the following:

Deposit to Redevelopment Fund for Projects	\$42,525,941
Deposit to Debt Service Reserve Fund	4,122,625
Gross Bond Insurance Premium	1,031,740
Costs of Issuance	<u>991,700</u>
Total	\$48,672,006

The annual debt service on the \$49,585,000 Tax Allocation Bonds (Series A) is estimated to range from approximately \$2.5 million to \$4.2 million, which will be paid with tax increment revenue.

Projected annual investment earnings of the debt service reserve fund, estimated at \$210,000, will reduce annual debt service by the same amount.

Tax Allocation Bonds (2007B):

The "par" or total amount of the 2007 Subordinate Taxable Tax Allocation Bond (2007B) issue is not to exceed \$25,000,000 and is currently estimated at \$22,500,000.

With the subsequent publicly-offered remarketing or refunding of the 2007B bonds, the proceeds, net of Original Issue Discount of \$283,119, totals \$22,783,119 comprised of the following:

Deposit to Redevelopment Fund for Projects	\$20,505,519
Deposit to Debt Service Reserve Fund	1,464,982
Gross Bond Insurance Premium	362,618
Costs of Issuance	<u>450,000</u>
Total	\$22,783,119

Initially, the annual debt service on the \$22,500,000 Tax Allocation Bonds (Series B) is estimated at \$1,130,000 (interest only), which will be paid with investment earnings of the bond proceeds. With the subsequent publicly-offered remarketing or refunding of the 2007B bonds, the annual debt service is estimated at \$1,500,000.

In acquiring the 2007B bonds, the Finance Director/City Treasurer is recommending that the General Fund temporarily reassign \$22.5 million of its fund equity from the "Unreserved Designated" fund balance to "Reserved" fund balance. Specifically, the recommendation is to reassign all or a portion of three (3) unreserved fund balance designations for a combined total of \$22.5 million, to reserved fund designations as follows:

Reassign from:

Designated for Contingencies - \$14,482,720
 Designated for Development Services - \$5,300,000
 Designated for Capital Projects - \$2,717,280

Reassign to:

Reserved for Long-Term Receivables - \$22,500,000

The amount recommended to be reassigned from the Designation for Contingencies and Development Services represents the total unaudited balance of each designation at June 30, 2007. The amount from the Designation for Capital Projects is the balance necessary to achieve the required equity reassignment of \$22.5 million.

The recommended General Fund investment in the 2007B bonds and the accompanying accounting entry will have no effect on the General Fund cash position. Furthermore, the \$22.5 million being re-designated will have no impact

on the General Fund operating budget for the next two or three years, which is the expected duration of the General Fund's investment in the 2007B bonds. With the subsequent publicly-offered remarketing or refunding of the 2007B bonds the \$22.5 million of reserved General Fund equity will revert back to unreserved equity, with the original unreserved designations.

Community Facilities District Tax 87-1 Special Tax Refunding Bonds:

The "par" or total amount of the Community Facilities District 87-1 (Towngate) 2007 Special Tax Refunding Bond issue is not to exceed \$14,000,000 and is currently estimated at \$10,755,000. With the current Debt Service Payment and Debt Service Reserve Funds on hand of \$3,428,020, proceeds total \$14,183,020 to be comprised of the following:

Deposit to Refunding Escrow	\$12,891,225
Deposit to Debt Service Reserve Fund	1,075,500
Costs of Issuance	<u>216,295</u>
Total	\$14,183,020

The annual debt service on the \$10,755,000 Community Facilities District 87-1 (Towngate) 2007 Special Tax Refunding Bonds is estimated at \$1,098,983 which will be paid with tax increment revenue. Payment of the bonds is also secured by Special Taxes payable from the real property located within Community Facilities District 87-1 (Towngate). Based on current market conditions, the net present value savings achieved with the refunding are approximately \$358,000. If bond insurance for the refunding bond issue can be secured, the net present value saving is expected to improve.

Projected annual investment earnings of the debt service reserve fund, estimated at \$53,750, will reduce annual debt service by the same amount.

Improvement Area 1 of Community Facilities District Tax 87-1 Special Tax Refunding Bonds:

The "par" or total amount of the Improvement Area 1 of Community Facilities District 87-1 (Towngate) 2007 Special Tax Refunding Bond issue is not to exceed \$5,000,000 and is currently estimated at \$3,875,000. With the current Debt Service Reserve Funds on hand of \$417,007, proceeds total \$4,292,007 to be comprised of the following:

Deposit to Escrow	\$3,843,179
Deposit to Debt Service Reserve Fund	368,082
Costs of Issuance	<u>80,746</u>
Total	\$4,292,007

The annual debt service on the \$3,875,000 Improvement Area 1 of Community Facilities District 87-1 (Towngate) 2007 Special Tax Refunding Bonds is estimated at \$368,082 which will be paid with Special Taxes from the real property located within Improvement Area 1 of Community Facilities District 87-1 (Towngate). In addition, if certain conditions occur, debt service on the Improvement Area Refunding Bonds may also be payable from tax increment from the Agency's Project Area.

Based on current market conditions, the annual debt service on the Improvement Area Refunding Bonds will be approximately \$44,600 lower than the bonds being refunded – generating net present value savings of approximately \$435,568.

Projected annual investment earnings of the debt service reserve fund, estimated at \$17,483, will reduce annual debt service by the same amount.

The figures listed above describing bond proceeds, deposits to debt service reserve funds, gross bond insurance premiums and cost of issuance are preliminary and subject to market conditions and final commitments from the bond insurer. The scheduled closing date for the tax allocation bonds and the refunding bonds issues is November 21, 2007. Minor fluctuations in interest rates and/or changes to bond insurance premiums could affect the amount of net proceeds and overall cost of the issuances.

Impact to General Fund

The actions proposed by staff will have no or minimal impact to the City's General Fund. The debt service obligations for all four bond Issues will be the responsibility of the Agency or in the case of Improvement Area 1 of Community Facilities District Tax 87-1 Special Tax Refunding Bonds, the affected property owners and the Agency. As part of the actions currently before the City Council, one is approval of a subordination agreement with the Agency. Under the subordination agreement, the claims of the City for payment from the Agency in connection with various obligations of the Agency to the City would have a priority lower than the claims of bondholders of the proposed series a tax allocation bonds, the Towngate refunding bonds, the subordinate taxable tax allocation bonds, and claims, to the extent applicable, in connection with the Towngate refunding bonds. Such subordination is normal and customary in connection with the issuance of debt instruments by redevelopment agencies. While the priority in right to receive payment may be affected, staff has reviewed the proposed borrowings and believes that the Agency will be in a position to make full and timely payment to the City under obligations notwithstanding the issuance of the various community facilities district refunding bonds and the issuance of tax allocation bonds; subordination is a practical requirement in order for such bond issues to proceed.

CITY COUNCIL GOALS

- A. Revenue Diversification and Preservation. Since the funding for the proposed projects is coming from the Redevelopment Agency, the City's General Fund will now have the flexibility to fund other needed projects in the community.
- B. Public Safety. The proposed Fire Station #110 will provide increased protection and shorter response time to project area residents and would support operations throughout the city.
- C. Public Facilities and Capital Projects. All the proposed projects are either providing needed facilities or improving infrastructure in the redevelopment project area.
- D. Positive Environment. The proposed projects will continue to foster a positive environment for the development of Moreno Valley's future.

NOTIFICATION

State law requires that notice be published for the public hearing to consider the action recommended above. A Notice of Public Hearing was published in the Press Enterprise on Oct 9 and 16, 2007, thus meeting the noticing requirements prescribed by State law.

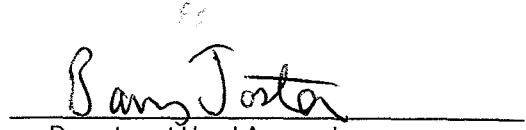

Notice of the proposed tax allocation bond issuances and the refunding of the Community Facilities 87-1 and Improvement Area 1 refunding bonds was delivered to the offices of RIR Associates (The Fritz Duda Company) in accordance with Section 305 of the Cooperation and Reimbursement Agreement dated as of April 13, 1993 (the "1993 Agreement") by and among the Community Redevelopment Agency of the City of Moreno Valley, California (the "Agency"), Community Facilities District No. 87-1 of the City of Moreno Valley, California (the "District") and the City of Moreno Valley, California, acting on behalf of the District (the "City") and Notice by the Agency under the First Amendment to Cooperation and Reimbursement Agreement dated as of June 1, 1994 (the "1994 Agreement") by and among the City, the Agency and the District of the intention of the Agency and the City to issue bonds or similar debt instruments which are secured in part by tax allocation revenues (within the meaning of Health and Safety Code Section 33670(b), also referred to herein as "Tax Increment Revenues") from the Project Area of the Moreno Valley Redevelopment Plan (the "Project Area" and the "Redevelopment Plan", respectively).

REDEVELOPMENT AGENCY OF THE CITY OF MORENO VALLEY
WATER FACILITIES LOAN AGREEMENT
BOX SPRINGS MUTUAL WATER COMPANY

Ø

This Agreement is made and entered into this 26th day of November 1996, and between the BOX SPRINGS MUTUAL WATER COMPANY, hereinafter referred to as the "Company", and THE MORENO VALLEY COMMUNITY REDEVELOPMENT AGENCY, hereinafter referred to as the "Agency".

Whereas the Company provides water service along Barbara and Hildegard streets through transmission lines which are in need of replacement; and

Whereas the installation of upgraded water lines prior to the installation of street improvements is both cost-effective and will result in the least disruption of the affected area; and

Whereas the Company has insufficient capital to undertake the improvements at this time and the Agency has a revolving fund which could provide loan assistance.

NOW, THEREFORE, in consideration of the above recitals, together with the mutual covenants in this Agreement, it is agreed as follows:

- 1) The Agency agrees to loan \$60,000 to the Company to cover construction costs associated with the Subject Water Facilities, to be funded upon the satisfactory

Water Facilities Agreement
Moreno Valley Mutual Water Company
Page 2

completion of the project.

Prior to the Agency entering into a construction agreement, the Company shall deposit with Western Municipal Water District (WMWD), who will act as an administrative agent, the total amount of projected waterlines construction costs, including ten percent (10%) contingency.

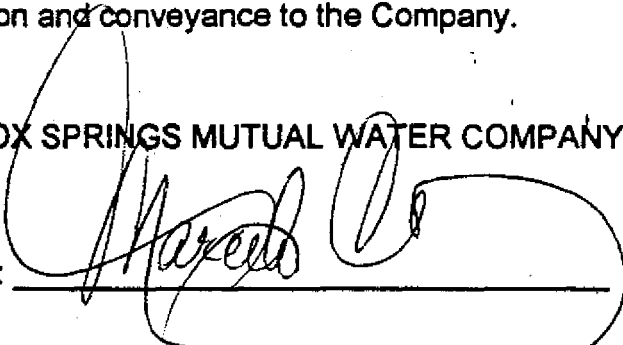

The loan shall be repaid based on simple interest at the annual rate of six percent (6%) from the completion date. The principal and interest repayments shall be made on an annual basis with a total of four (4) repayments. The payment schedule is attached (Exhibit "B"). The first payment is due on December 1, 1997

- 2) Subject to the conditions included in this Agreement, the Agency agrees to include the replacement of waterlines in Barbara and Hildegard streets, hereinafter known as the Subject Water Facilities which are specifically identified in Exhibit "A", as part of the Community Development Block Grant contract for the Barbara, Hildegard curb, gutter and sidewalk construction project. The Agency agrees to include the costs of waterline replacements as part of the City contract construction costs and will make payments directly to the contractor. The Agency will forward the bills to WMWD for reimbursements. WMWD shall reimburse said bills within ten (10) days of receipt. Any issues with said bills shall be identified within the same timeframe.
- 3) The Company agrees to provide, at its sole cost, all plans for the Subject Water Facilities, which shall meet the standards of WMWD. The Company shall also provide, at its sole cost, all necessary inspection services for the Subject Water Facilities. The Company further agrees to provide for, at its sole cost, the reconnection and meter relocation of all existing services onto the new line.

Water Facilities Agreement
Moreno Valley Mutual Water Company
Page 3

- 4) The Company agrees to accept and maintain in good condition the Subject Water Facilities upon satisfactory completion and conveyance to the Company.

Attention: Redevelopment Manager

**COMMUNITY REDEVELOPMENT AGENCY
OF THE CITY OF MORENO VALLEY
WATER FACILITIES LOAN AGREEMENT
BOX SPRINGS MUTUAL WATER COMPANY
Amendment No. 2**

This agreement is made and entered into this 13th day of July 1999, by and between the BOX SPRINGS MUTUAL WATER COMPANY, hereinafter referred to as the "Company" and the MORENO VALLEY COMMUNITY REDEVELOPMENT AGENCY, hereinafter referred to as the "Agency."

Whereas, the Company and Agency entered into a Water Facilities Agreement on November 26, 1996, relative to the replacement of waterlines on Barbara and Hildegard Streets;

Whereas, Amendment No. 1 to the Agreement was entered into on July 8, 1997, increased the loan amount from \$60,000 to \$81,000 and the loan repayment schedule changed from four annual payments to five annual payments commencing on December 1, 1997;

Whereas, the City of Moreno Valley desires to complete storm drain and street improvements, as part of Line H-H on Sherman Avenue, south Grant Street, and the intersection of Sherman Avenue and Farragut Avenue;

Whereas, the installation of upgraded waterlines and related connections in conjunction with the installation of storm drain and street improvements is both cost-effective and will result in the least disruption of the affected areas; and

Whereas, the Company has insufficient capital to undertake the improvements at this time and the Agency has a revolving fund which could provide loan assistance.

1999-375426
08/28/1999 08:00A
2 of 5

NOW, THEREFORE, in consideration of the above recitals, together with the mutual covenants in this Agreement, it is agreed as follows:

Section (1) of the Agreement is hereby amended in its entirety to read as follows:

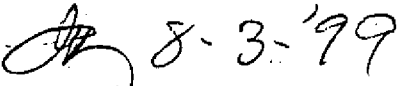

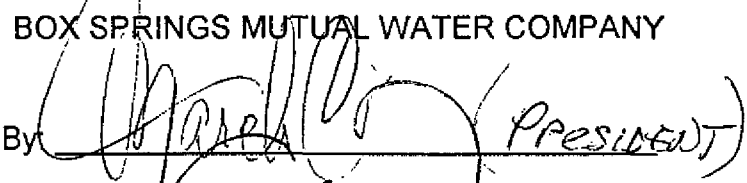

- 1) The Agency agrees to loan an additional \$25,842 for a total of \$106,842 to the Company to cover construction costs associated with the subject water facilities, to be funded upon the satisfactory completion of the project and following the reimbursement by the Company for its share of the waterlines construction costs.

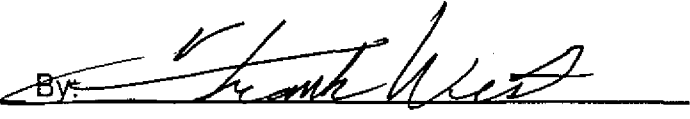

Beginning December 1, 1999, the loan, shall be repaid based on simple interest at the annual rate of five and three-quarters percent (5¾%) from the completion date of the waterline improvements constructed as part of Line H-H. The principal and interest repayment shall be made on an annual basis with a total of (6) repayments beginning December 1, 1999. The payment schedule is attached (Exhibit "A").

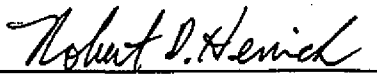

A grant award in the amount of \$72,158 will be provided to cover waterline and connection construction costs that are required by the City of Moreno Valley to complete the project, as a result of the storm drain pipe location and related street improvements.

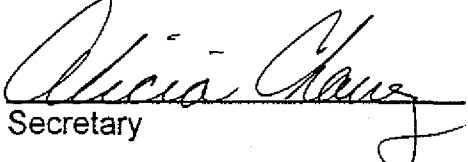

The City of Moreno Valley will coordinate construction and oversight of the waterline construction.

- 2) All other provisions of the Agreement shall remain in full force and effect unless specifically changed in this Agreement.

WATER FACILITIES AGREEMENT
BOX SPRINGS MUTUAL WATER COMPANY
EUCALYPTUS AVENUE TRANSMISSION LINE

This Agreement is made and entered into this 25th day of May 1993, and between the BOX SPRINGS MUTUAL WATER COMPANY, hereinafter referred to as the "Company", and THE MORENO VALLEY COMMUNITY REDEVELOPMENT AGENCY, hereinafter referred to as the "Agency".

Whereas the Agency has plans to widen Eucalyptus Avenue between Valley Springs Parkway and Day Street during 1993; and

Whereas the Company provides water service along the south side of Eucalyptus Avenue through transmission lines which are insufficient in size to meet current standards for fire flow; and

Whereas the installation of upgraded water lines prior to the installation of new street improvements is both cost-effective and will result in the least disruption of the affected area; and

Whereas the Company has insufficient capital to undertake the improvements at this time and the Agency has previously set aside funding in its Water Line Assistance Program to improve fire flow in portions of Edgemont and Central Sunnymead;

NOW, THEREFORE, in consideration of the above recitals, together with the mutual covenants in this Agreement, it is agreed as follows:

- 1) Subject to the conditions included in this Agreement, the Agency agrees to include the replacement of waterlines on the

south side of Eucalyptus Avenue between Valley Springs Parkway and Day Street, hereinafter known as the Subject Water Facilities which are specifically identified in Exhibit "A", as part of construction contract for the widening of Eucalyptus Avenue.

- 2) The Company agrees to provide, at its sole cost, all plans for the Subject Water Facilities, which shall meet the standards of the Western Municipal Water District (WMWD). The Company shall also provide, at its sole cost, the necessary inspection services for the Subject Water Facilities.
- 3) The Company further agrees to provide for, at its sole cost, the reconnection and meter relocation of all existing services onto the new line.
- 4) The Company agrees to accept and maintain in good condition the Subject Water Facilities upon satisfactory completion and conveyance to the Company.
- 5) The Company shall reimburse The Agency's investment in The Subject Water Facilities as new development occurs according to the pro rata share of such new development's site area to the total area potentially benefitting from the Subject Water Facilities. The potentially benefitting area encompasses 26 acres (see attached Exhibit B). The estimated total Agency investment for the Subject Water Facilities is approximately \$110,000.00. The per acre share is estimated at approximately \$4,250.00. The Company and Agency agree to amend this agreement after the completion of the Subject Water Facilities to reflect the Agency actual total investment. On January 1, 1995, and annually thereafter, the front footage share shall be increased by the change in the Engineering News Record Index. No other charges shall be levied on new development for capital costs associated with the Subject Water Facilities.

- 6) At such time as the Company may consummate a sale of assets, including the Subject Water Facilities, to WMWD, the Company agrees to include its obligations under this Agreement as part of such sale.

WATER FACILITIES AGREEMENT
BOX SPRINGS MUTUAL WATER COMPANY
EUCALYPTUS AVENUE TRANSMISSION LINE
Amendment # 1

This Amendment is made and entered into this 12th day of April 1994, and between the BOX SPRINGS MUTUAL WATER COMPANY, hereinafter referred to as the "Company", and THE MORENO VALLEY COMMUNITY REDEVELOPMENT AGENCY, hereinafter referred to as the "Agency".

Whereas the Company and Agency entered into a Water Facilities Agreement on May 25, 1993, relative to the replacement of the water transmission line on Eucalyptus Avenue between Valley Springs Parkway and Day Street; and

Whereas said Agreement provided for an amendment upon the completion of the Subject Water Facilities described therein to reflect the Agency's actual total investment; and

Whereas the completion of the project including the Subject Water Facilities required the installation of additional water transmission lines along Day Street south of Eucalyptus Avenue;

NOW, THEREFORE, in consideration of the above recitals, together with the mutual covenants in this Amendment, it is agreed as follows:

- 1) The Subject Water Facilities are amended to addition of five hundred (500) feet of water line along Day Street. The

Water Facilities Agreement Amendment # 1

Box Springs Mutual Water Company

Page 2

revised Subject Water Facilities are specifically identified in the attached Exhibit "A".

- 2) The Company agrees to reimburse the Agency for the cost to install four (4) waterline tie-ins, which under the Agreement were the responsibility of the Company. The Company requested the inclusion of said tie-ins in the Agency's contract rather than involve a separate contractor on the project. The said tie-ins cost \$14,000. The Agency shall send an invoice to the Company, which the Company agrees to pay on or before June 1, 1994.
- 3) The Company shall reimburse The Agency's investment in The Subject Water Facilities as new development occurs according to the pro rata share of such new development's site area to the total area potentially benefitting from the Subject Water Facilities. The potentially benefitting area encompasses 26 acres (shown in Exhibit B to the Agreement). The total Agency investment for the Subject Water Facilities is \$141,349.26. The per acre share is \$5,436.51. On January 1, 1995, and annually thereafter, the front footage share shall be increased by the change in the Engineering News Record Index. No other charges shall be levied on new development for capital costs associated with the Subject Water Facilities.
- 4) All other provisions of the Agreement shall remain in full force and effect unless specifically changed in this Amendment.

Amendment # 2**

This Amendment is made and entered into this 10th day of June 1997, and between the BOX SPRINGS MUTUAL WATER COMPANY, hereinafter referred to as the "Company", and THE MORENO VALLEY COMMUNITY REDEVELOPMENT AGENCY, hereinafter referred to as the "Agency".

Whereas the Company and Agency entered into a Water Facilities Agreement on May 25, 1993, relative to the replacement of the water transmission line on Eucalyptus Avenue between Valley Springs Parkway and Day Street; and

Whereas an amendment to the Agreement was entered on April 12, 1994, relative to install additional five hundred (500) feet of water line along Day Street; and

Whereas the existing transmission lines on the west side of Day Street between Cottonwood Avenue and Eucalyptus Avenue are insufficient in size to meet new standards for fire flow; and

Whereas the installation of water lines prior to the installation of street improvements is both cost-effective and will result in the least disruption of the affected area; and

NOW, THEREFORE, in consideration of the above recitals, together with the mutual covenants in this Amendment, it is agreed as follows:

- 1) The Subject Water Facilities are amended to include an addition of twenty-two hundred (2,200) feet of water line along Day Street. The revised Subject Water Facilities are specifically identified in the attached Exhibit "A".

Hi Tom,

Just an fyi – I talked to Suzanne Hurt AGAIN about BSMWC and the City’s attempts to assist. She has spoken with former Council Member Batey, who gave her a statement something like the City’s \$12 million in tax allocation bonds was not used for BSMWC upgrades because the BSMWC wasn’t cooperating...

I tried to direct her to the staff reports I sent her last week, but she said she’s deleted them and that she didn’t want them again. She tried a couple times to get me to say that former Council Member Batey was wrong and then she implied that the staff reports lie because they don’t reflect the politics involved.

Of course, I had to send the staff reports again anyway – below. We’ll see what happens next, but it sounds like she might be taking an award-winning story about water availability in a disadvantaged California community and marginally-sensationalizing it into “people-had-different-opinions” – gasp!

Michele

Hello Suzanne,

Thank you for the opportunity to talk some more about the Box Springs Mutual Water Company and the history of the City’s assistance in seeking grant funding for the infrastructure improvement project.

I want to respond to your email from yesterday, requesting “a document on the city's website that lays out the background, such as a city staff report?” Though I understand from this evening’s phone conversation that you’re no longer seeking the City Council staff reports, I am compelled to provide transparent customer service. So, I’ve located and am re-sending my email from last Wednesday, which includes the staff reports that describe the substantial tax allocation bond funding that the City Council conditionally directed towards BSMWC infrastructure improvements (see attachments: page 10 of the “TABS Allocation staff rpt 102307” and page 1 of the “TAB refunding staff rpt 030811”). I hope you find the information helpful!

If you have any questions, please feel free to call or email me.

Subject: RE: Council or city Considering Reward To find Tiana Ricks' Killers? / more BSMWC info

Hi Suzanne,

Great to meet you too, finally!

I checked with the Police Chief and he indicated he hadn't heard of a plan for a reward

You know, something we were talking about in the car today got me to thinking about additional information that you might find helpful... I think you were exploring the responsibility for the neglect and how it relates to environmental injustice and I realized that I hadn't given you the City's history of assisting BSMWC. So, here's a quick sampling of some of the assistance the City has provided:

- 1993 – 1997: The City's Redevelopment Agency loaned BSMWC \$ 328,244.98 to upgrade water infrastructure on Eucalyptus and Day while the City was constructing street improvements on the same streets (see attachment RDA loan for Eucalyptus Ave improvements.pdf).
- 1996 - 1999: The City's Redevelopment Agency loaned BSMWC \$ 106,842 to upgrade water infrastructure on Barbara and Hildegard while the City was constructing storm drain and street improvements on the same streets. The City also provided construction coordination and a grant to BSMWC for an additional \$72,158 for costs that the City's project created streets (see attachment RDA loan for Barbara and Hildegard improvements.pdf).
- During City / RDA construction of Day Street just north of Alessandro, the City's Redevelopment Agency coordinated with BSMWC to enable them to lay pipe while the trenches were open, at a substantial savings to BSMWC.
- Tax Allocation Bonds: in the beginning, some TAB funds were conditionally allocated to BSMWC infrastructure (see page 10 of the TABS Allocation staff rpt 102307 attachment) - conditional on the successful conclusion of litigation with the County of Riverside, which would have resulted in increased Moreno Valley RDA revenues that could have been used to pay the TAB debt service on the BSMWC infrastructure project. Unfortunately, the City did not prevail in court and so could not proceed with the project because there was no revenue stream to support the increased debt service (TAB refunding staff rpt 030811).

Thanks again! And if I hear any more on a reward, I'll let you know.

Subject: Council or city Considering Reward To find Tiana Ricks' Killers?

Hi Michelle,

Really great to meet you today.

Can you call or email -- I'm wondering if the city or the council is considering offering a reward, and if so, how much and when it's expected to be on agenda?

BUDGET OFFICER	<i>caf</i>
CITY ATTORNEY	<i>fw</i>
CITY MANAGER	<i>ms</i>

Report to City Council

TO: Mayor and City Council and Chairman and Members of the Board of Directors of the Community Redevelopment Agency of the City of Moreno Valley

FROM: Richard Teichert, Financial and Administrative Services Director

AGENDA DATE: March 8, 2011

TITLE: ADOPTION OF RESOLUTIONS APPROVING THE REDEMPTION OF 2007 TAXABLE TAX ALLOCATION BONDS, SERIES B

RECOMMENDED ACTION

Staff recommends that:

1. The City Council adopt Resolution No. 2011-20 approving the redemption of Moreno Valley Redevelopment Agency 2007 taxable tax allocation bonds in the amount of \$22,500,000; and
2. The City Council acting in the capacity as Chairman and Members of the Board of Directors of the Community Redevelopment Agency of the City of Moreno Valley adopt Resolution No. RDA 2011- 01 approving the redemption of Moreno Valley Redevelopment Agency 2007 taxable tax allocation bonds in the amount of \$22,500,000.

BACKGROUND

The City of Moreno Valley Redevelopment Agency (Agency) issued tax exempt tax allocation bonds as Series A in 2007 in the amount of \$43,495,000 to fund a number of infrastructure and capital projects in the City's redevelopment area. In addition, the Agency structured taxable tax allocation bonds as Series B in the amount of \$22,500,000. The City of Moreno Valley (City) General Fund purchased 100% of the Series B bond issue with the funds invested in the City's investment pool pending public sale of the bonds in the future. The bonds were intended to be sold publicly when tax increment was available through growth in property tax increment revenue or pending a

lawsuit with the County over a tax increment pass through agreement. The General Fund was to be reimbursed when the bonds were sold to the public.

DISCUSSION

Unfortunately, the lawsuit has been resolved in the County's favor. The economy also turned negative causing property tax increment to decrease for several years. At this time, the City's General Fund requires the funds for cash flow purposes to maintain adequate liquidity in the General Fund. In light of these factors, it is now appropriate for the Agency to redeem the bonds and return the amount of \$22,500,000 to the City's General Fund. The proposed draft of the three year Deficit Elimination Plan relies on this funding being returned to the General Fund to maintain required fund balances for the duration of the plan.

ALTERNATIVES

1. Adopt the proposed resolution approving the redemption of Moreno Valley Redevelopment Agency 2007 taxable tax exempt bonds in the amount of \$22,500,000.
2. Do not adopt the proposed resolution and provide staff with further direction. This option risks that the funds may not be returned within a reasonable timeframe when needed for cash flow. The delays could be caused by the Governor's proposed plan to eliminate redevelopment agencies.

FISCAL IMPACT

Redemption of the RDA Series B bonds is integral in the City's Deficit Elimination Plan to balance the City's General Fund. The \$22,500,000 in funding shall be used to support City services during the three year plan period and provides the necessary \$14,000,000 in minimum fund balance at the end of the three year period. The City will be forced to make dramatic cuts much sooner than it is prepared to and sooner than is prudent for providing a managed reduction in City services.

CITY COUNCIL GOALS

Revenue diversification and preservation and Public Safety.

SUMMARY

The intent that was present when the 2007 taxable tax allocation bonds were issued is no longer economically viable. The tax increment revenue from the Agency does not exist to support a public sale of these bonds. It is in the best interest of the City and the Agency to redeem the \$22,500,000 in bonds and reimburse the City General Fund as quickly as possible.

RESOLUTION NO. 2011-20

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY REQUESTING, AUTHORIZING AND APPROVING THE REDEMPTION OF COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF MORENO VALLEY, MORENO VALLEY REDEVELOPMENT PROJECT, SUBORDINATE 2007 TAXABLE TAX ALLOCATION BONDS AND MAKING CERTAIN DETERMINATIONS AND APPROVALS IN CONNECTION THEREWITH

WHEREAS, the Community Redevelopment Agency of the City of Moreno Valley (the "Agency") is a redevelopment agency duly created, established and authorized to transact business and exercise its powers, all under and pursuant to the Community Redevelopment Law (Part 1 of Division 24 (commencing with Section 33000) of the Health and Safety Code of the State of California) and the powers of the Agency include the power to issue bonds for any of its corporate purposes;

WHEREAS, a Redevelopment Plan known as the "Moreno Valley Redevelopment Project" has been adopted and approved by ordinance of the City of Moreno Valley (the "City"), and all requirements of law for and precedent to the adoption and approval of said Redevelopment Plan have been duly complied with;

WHEREAS, the Agency authorized and issued its \$43,495,000 Community Redevelopment Agency of the City of Moreno Valley, 2007 Tax Allocation Refunding Bonds, Series A (Moreno Valley Redevelopment Project)(the "2007A Bonds") by its Resolution No. RDA 2007-11 dated October 23, 2007. No change or action with respect to the 2007A Bonds is intended or effected by this Resolution;

WHEREAS, the Agency, in addition, authorized and issued its \$22,500,000 Community Redevelopment Agency of the City of Moreno Valley, Subordinate 2007 Taxable Tax Allocation Bonds (the "2007B Bonds") by its Resolution No. RDA 2007-12 dated October 23, 2007 and pursuant to an Indenture of Trust by and between the Agency and the City dated as of October 1, 2007 relating to the 2007B Bonds (the "2007B Indenture");

WHEREAS, the City, which purchased and has owned the 2007B Bonds continuously since the 2007B Bonds were issued by Agency, desires that the 2007B Bonds be redeemed at this time and has requested that the Agency redeem the 2007B Bonds immediately upon approval of this Resolution;

WHEREAS, the City has a substantial, immediate need for funds that will be addressed, in part, by redemption of the 2007B Bonds at this time;

WHEREAS, the Agency is amenable to the redemption of the 2007B Bonds by repayment by Agency to City of all amounts outstanding under the 2007B Bonds (namely, the sum of \$22,500,000)(the "Redemption Amount");

WHEREAS, the 2007B Indenture provides, in part, in Section 2.3(a), that the 2007B Bonds are subject to redemption at the option of the Agency from any available source of funds on any date prior to maturity at a price equal to the principal amount thereof, plus accrued interest to the redemption date, without premium;

Resolution No. 2011-20
Date Adopted: March 8, 2011

MV00258775

WHEREAS, under Section 2.3(a) of the 2007B Indenture, the Agency is to give the trustee, as designated therein (the "City" or the "Trustee") written notice of its intention to redeem 2007B Bonds at least 60 days prior to the date fixed for such redemption. Such notice requirement can be waived by the City, as trustee, and the City hereby waives such requirement;

WHEREAS, under Section 2.3(b) of the 2007B Indenture, the Trustee shall mail notice of redemption at least 30 days prior to the redemption date to (i) Owners of any 2007B Bonds, and (ii) the Securities Depositories and to one or more Information Services designated in a Request of the Agency (as such capitalized terms are defined in the 2007B Indenture). Section 2.3(b) also provides that "that such mailing shall not be a condition precedent to such redemption and neither failure to receive any such notice nor any defect therein shall affect the validity of the proceedings for the redemption of such 2007B Bonds or the cessation of the accrual of interest thereon." The 2007B Indenture further provides that the Agency and the City, as owner of 100% of the 2007B Bonds, may amend the 2007B Indenture.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY RESOLVES:

1. The foregoing recitals are true and correct.
2. The City, as Owner of 100% of the 2007B Bonds and as Trustee under the 2007B Indenture, hereby requests, authorizes and directs the redemption of the 2007B Bonds, effective as of the date hereof, provided that the Agency, as issuer, consents thereto. By this Resolution, the City, both as Owner of 100% of the 2007B Bonds and as Trustee under the 2007B Indenture, acknowledges receipt of notice of redemption from the Agency, and approves and authorizes the waivers and amendments as described herein.
3. Effective as of the approval hereof, subject to approval by the Agency, Section 2.3 of the 2007B Indenture is amended to provide that notice of redemption may be given on the day fixed for redemption, and that, so long as the City is the Owner of 100% of the 2007B Bonds, notice of redemption need not be mailed but shall be deemed to have been given so long as the City has requested that the redemption of the 2007B Bonds take place. This Resolution acknowledges receipt of notice of redemption under the 2007B Indenture as to the 2007B Bonds.
4. Effective immediately as of the approval hereof, the 2007B Bonds shall be redeemed on March 8, 2011, or such other date approved by an Authorized Officer (as defined below), subject to the terms of the 2007B Indenture and this Resolution, at the Redemption Amount, to be credited by Trustee for the account of the City. The City Council, acting through its Mayor, the City Manager and the Finance Director of the City or their authorized designee ("Authorized Officers") are hereby authorized and directed to execute a receipt for proceeds upon redemption of the 2007B Bonds, to deliver the 2007B Bonds to the Agency for cancellation (or to instruct the Trustee to cancel the 2007B Bonds upon transferring to City the Redemption Amount), and to undertake such actions as are necessary or convenient to effect such redemption and payment or release of moneys to the City, including without limitation the execution and delivery of any and all documents and instruments relating to the redemption of the 2007B Bonds.

RESOLUTION NO. RDA 2011-01

A RESOLUTION OF THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF MORENO VALLEY AUTHORIZING AND APPROVING THE REDEMPTION OF ITS MORENO VALLEY REDEVELOPMENT PROJECT, SUBORDINATE 2007 TAXABLE TAX ALLOCATION BONDS AND MAKING CERTAIN DETERMINATIONS AND APPROVALS IN CONNECTION THEREWITH.

WHEREAS, the Community Redevelopment Agency of the City of Moreno Valley (the "Agency") is a redevelopment agency duly created, established and authorized to transact business and exercise its powers, all under and pursuant to the Community Redevelopment Law (Part 1 of Division 24 (commencing with Section 33000) of the Health and Safety Code of the State of California) and the powers of the Agency include the power to issue bonds for any of its corporate purposes;

WHEREAS, a Redevelopment Plan known as the "Moreno Valley Redevelopment Project" has been adopted and approved by ordinance of the City of Moreno Valley (the "City"), and all requirements of law for and precedent to the adoption and approval of said Redevelopment Plan have been duly complied with;

WHEREAS, the Agency authorized and issued its \$43,495,000 Community Redevelopment Agency of the City of Moreno Valley, 2007 Tax Allocation Refunding Bonds, Series A (Moreno Valley Redevelopment Project)(the "2007A Bonds") by its Resolution No. RDA 2007-11 dated October 23, 2007. No change or action with respect to the 2007A Bonds is intended or effected by this Resolution;

WHEREAS, the Agency, in addition, authorized and issued its \$22,500,000 Community Redevelopment Agency of the City of Moreno Valley, Subordinate 2007 Taxable Tax Allocation Bonds (the "2007B Bonds") by its Resolution No. RDA 2007-12 dated October 23, 2007 and pursuant to an Indenture of Trust by and between the Agency and the City dated as of October 1, 2007 relating to the 2007B Bonds (the "2007B Indenture");

WHEREAS, the City, which purchased and has owned the 2007B Bonds continuously since the 2007B Bonds were issued by Agency, desires that the 2007B Bonds be redeemed at this time and has requested that the Agency redeem the 2007B Bonds immediately upon approval of this Resolution;

WHEREAS, the City has a substantial, immediate need for funds that will be addressed, in part, by redemption of the 2007B Bonds at this time;

WHEREAS, the Agency is amenable to the redemption of the 2007B Bonds by repayment by Agency to City of all amounts outstanding under the 2007B Bonds (namely, the sum of \$22,500,000) (the "Redemption Amount");

WHEREAS, the 2007B Indenture provides, in part, in Section 2.3(a), that the 2007B Bonds are subject to redemption at the option of the Agency from any available source of funds on any date prior to maturity at a price equal to the principal amount thereof, plus accrued interest to the redemption date, without premium;

WHEREAS, under Section 2.3(a) of the 2007B Indenture, the Agency is to give the trustee, as designated therein (the "City" or the "Trustee") written notice of its intention to redeem 2007B Bonds at least 60 days prior to the date fixed for such redemption. Such notice requirement can be waived by the City, as trustee;

WHEREAS, under Section 2.3(b) of the 2007B Indenture, the Trustee shall mail notice of redemption at least 30 days prior to the redemption date to (i) Owners of any 2007B Bonds, and (ii) the Securities Depositories and to one or more Information Services designated in a Request of the Agency (as such capitalized terms are defined in the 2007B Indenture). Section 2.3(b) also provides that "that such mailing shall not be a condition precedent to such redemption and neither failure to receive any such notice nor any defect therein shall affect the validity of the proceedings for the redemption of such 2007B Bonds or the cessation of the accrual of interest thereon." The 2007B Indenture further provides that the Agency and the City, as owner of 100% of the 2007B Bonds, may amend the 2007B Indenture.

NOW THEREFORE, THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF MORENO VALLEY RESOLVES:

1. The foregoing recitals are true and correct.
2. The Agency hereby authorizes and directs the redemption of the 2007B Bonds, effective as of the date hereof, provided that the City (as trustee under the 2007B Indenture and as Owner of 100% of the 2007B Bonds under the 2007B Indenture) consents thereto. By this Resolution, the Agency gives notice to each of the City (as Trustee under the 2007B Bonds) and the City (as Owner of 100% of the 2007B Bonds), and approves and authorizes the waivers and amendments as described herein.
3. Effective as of the approval hereof, subject to approval by the City, Section 2.3 of the 2007B Indenture is amended to provide that notice of redemption may be given on the day fixed for redemption, and that, so long as the City is the Owner of 100% of the 2007B Bonds, notice of redemption need not be mailed but shall be deemed to have been given so long as the City has requested that the redemption of the 2007B Bonds take place. This Resolution shall serve as the notice of redemption under the 2007B Indenture as to the 2007B Bonds.

4. Effective immediately as of the approval hereof, the 2007B Bonds shall be redeemed on March 8, 2011, or such other date approved by an Authorized Officer (as defined herein) subject to the terms of the 2007B Indenture and this Resolution, at the Redemption Amount, to be credited by Trustee for the account of the City. The Agency, acting through its Chairman, the Executive Director and the Finance Director of the Agency or their authorized designee ("Authorized Officers") are hereby authorized and directed to execute a receipt for the 2007B Bonds or an acknowledgment that the Trustee has informed Agency that the Trustee has cancelled, upon payment to City of the Redemption Amount, the 2007B Bonds, and to undertake such actions as are necessary or convenient to effect such redemption and payment or release of moneys to the City, including without limitation the execution and delivery of any and all documents and instruments relating to the redemption of the 2007B Bonds.

Report to City Council

TO: Mayor and City Council, Chairman and Members of the Community Redevelopment Agency, Chairman and Members of the Moreno Valley Public Finance Authority, City Council acting as the Legislative Body of the Community Facilities District

FROM: Barry Foster, Economic Development Director

AGENDA DATE: October 23, 2007

TITLE: A Public Hearing in connection with the issuance of: 1. By the Community Redevelopment Agency of: a) Tax Allocation Bonds, Series A; b) Tax Allocation Bonds, Series B); and 2. By the City, acting on behalf of Community Facilities District No. 87-1 of: a) Community Facilities District 87-1 (Towngate) Special Tax Refunding Bonds (the "Towngate Refunding Bonds"), and b) Community Facilities District 87-1 (Towngate) Improvement Area No. 1 Special Tax Refunding Bonds (the "Improvement Area Refunding Bonds").

RECOMMENDED ACTION

Staff recommends that the City Council ("Council"), Community Redevelopment Agency ("Agency"), Public Financing Authority ("Authority") and the City Council acting as the Legislative Body of the Community Facilities District, upon conducting a public hearing in compliance with Section 33679 of the Health and Safety Code of the State of California requiring the making of certain findings with respect to capital facilities to be acquired, constructed or financed with the proceeds of bonds, take action as follows:

1. That the Council, acting as the Legislative Body of Community Facilities District No. 87-1 (Towngate) of the City of Moreno Valley adopt Resolution No. 2007-119, authorizing the issuance of its 2007 Towngate Special Tax Refunding Bonds and approving certain documents and taking certain actions in connection therewith; and

COUNCIL AGENDA ITEM NO. E1.

MV00258783

2. That the Council, acting as the Legislative Body of Improvement Area No. 1 of Community Facilities District No. 87-1 (Towngate) adopt Resolution No. 2007-120, authorizing the issuance of its Improvement Area No. 1 Special Tax Refunding Bonds and approving certain documents and taking certain actions in connection therewith; and
3. That the Agency adopt Resolution No. RDA 2007-08, approving and authorizing execution of the Agency Towngate Agreement.
4. That the Council adopt Resolution No. 2007-121, approving and authorizing execution of the Agency Towngate Agreement.
5. That the Agency adopt Resolution No. RDA 2007-09, approving and authorizing execution of the Agency Improvement Area Agreement.
6. That the Council adopt Resolution No. 2007 -122, approving and authorizing execution of the Agency Improvement Area Agreement.
7. That the Agency adopt Resolution No. RDA 2007-10, finding benefit to the Project Area and making certain additional findings with respect to certain public improvements to be located within the boundaries of the Redevelopment Project Area.
8. That the Council adopt Resolution No. 2007-123, finding benefit to the Project Area and making certain additional findings with respect to certain public improvements to be located within the boundaries of the Redevelopment Project Area.
9. That the Agency adopt Resolution No. RDA 2007-11, authorizing the issuance and sale of Tax Allocation Bonds for the Moreno Valley Redevelopment Project, and approving the Form of Indenture of Trust, Official Statement, Bond Purchase Agreement, Continuing Disclosure Certificate, Escrow Agreement and Related Documents and Authorizing Certain Other Actions.
10. That the Council adopt Resolution No. 2007-124, approving the issuance by the Community Redevelopment Agency of the City of Moreno Valley of Bonds, approving certain documents in connection therewith and making certain determinations relating thereto.
11. That the Authority adopt Resolution No. MVPFA 2007-02, authorizing the purchase and sale of Tax Allocation Bonds for the Moreno Valley Redevelopment Project and Approving certain related documents and authorizing certain other actions.
12. That the Agency adopt Resolution No. RDA 2007-12, authorizing the issuance of its Moreno Valley Redevelopment Project, Subordinate 2007 Taxable Tax Allocation Bonds and making certain determinations in connection therewith; and

13. That the Council adopt Resolution No. 2007-125, approving the issuance by the Community Redevelopment Agency of the City of Moreno Valley of its Moreno Valley Redevelopment Project, Subordinate 2007 Taxable Tax Allocation Bonds, Authorizing the purchase of such bonds and making certain determinations in connection therewith; and
14. That the Council approve the accounting treatment recommended by the Finance Director/City Treasurer in the Fiscal Impact Section with respect to the General Fund equity, including the reassignment of unreserved designated fund balance to reserved balance.

BACKGROUND

The Agency approved a redevelopment plan in December 1987. The plan identifies several objectives to eliminate blighting conditions in the redevelopment project area. Among these are the construction of public facilities and the upgrading of infrastructure (e.g. streets, storm drains, etc.) in the project area. Staff is proposing that the Agency issue tax allocation bonds as a mechanism to fund several public facilities and street improvement projects. Tax allocation bonds are repaid from a pledge of redevelopment tax increment revenue.

California redevelopment law allows redevelopment agencies to borrow funds to finance projects that will assist in the elimination of blight. Agencies may borrow funds during the first 20 years of their redevelopment plans. The Agency's deadline to incur debt is December 29, 2007. Due to strong increases in past year revenues, the Agency has the financial capacity to borrow funds to finance needed projects prior to the December 29th deadline and still meet its other financial obligations.

DISCUSSION

The proposed financing plan includes the borrowing of new funds to finance projects and the refunding of existing debt obligations to achieve savings on annual debt service payments. A total of four separate transactions are proposed and a summary of each borrowing structure is summarized below.

Tax Allocation Bonds (Series A):

Staff is proposing that the Agency issue the Series A tax allocation bonds (the "Series A Bonds") in an amount not to exceed \$55 million to finance projects summarized below. These bonds will be sold to investors as publicly offered securities. The term for repayment of the Series A bonds will be approximately 30 years and Agency tax increment will be pledged for repayment. The Series A bonds will be tax-exempt requiring that the projects funded with the proceeds be spent on public facilities and infrastructure projects within five years of issuance. The proposed projects are listed in TABLE 1 on page 7 of this report.

Subordinate Taxable Tax Allocation Bonds (2007B):

In addition to the Series A bonds, staff is proposing that the Agency sell a second tax allocation bond issue, Subordinate Taxable Tax Allocation Bonds (2007B), in the amount of \$22.5 million to the City of Moreno Valley. The City will purchase the 2007B bonds with \$22.5 million from its cash reserves. Staff has reviewed the proposed investment and believes it is consistent with the City's Investment Policy. Furthermore, and consistent with Section I.B of the City's Investment Policy, the investment is being recommended by the City Manager and City Treasurer, and Council is being asked to take specific action to approve the investment.

The proceeds of the 2007B bonds will remain unspent pending the outcome of litigation between the Agency and the County of Riverside concerning the interpretation of a pass-through agreement between the Agency and the County. If the Agency is successful in its litigation, it would begin receiving additional tax increment revenue to pay all or part of the debt service on the bonds. At that point, it is anticipated that the 2007B bonds will be remarketed as publicly sold taxable or tax-exempt securities within five years and the proceeds used for the projects identified in TABLE 2 on page 10 of this report. The City would receive the full value of its original investment at such time.

The Agency will pay semi-annual (interest only) debt service payments to the City. The interest rate will be variable and is expected to approximate a rate of return the Agency achieves from investing the 2007B bond proceeds.

It is important to note that at any time the City may redeem all or part of the 2007B bonds. This provides flexibility to the City should it need to liquidate this investment in favor of another use of its funds.

Community Facilities District Tax 87-1 (Towngate) Special Tax Refunding Bonds:

Refunding of the existing Community Facilities District 87-1 Special Tax bonds is proposed in order to obtain annual debt service savings through a reduced interest rate. The Agency, through prior agreements, is obligated to make annual debt service payments on these bonds using project area wide tax increment revenue. The proposed refunding of these bonds requires the Agency to pledge project area tax increment to make debt service payments. This pledge of tax increment will be a senior lien to all other Agency obligations (including the proposed Tax Allocation Bonds) except the Housing Set-aside fund and pass-through payments to other taxing agencies and State ordered subventions (e.g. Education Revenue Augmentation Fund).

The City has adopted goals and policies in connection with the authorization of bonds for assessment districts and community facilities districts (the "Goals and Policies"). The Goals and Policies provide, among other matters, for: a) property to bear an appropriate share of special taxes (the "Appropriate Share Rule"); b) an appraisal be obtained in connection with the issuance of community facilities district bonds (the

"Appraisal Rule"); and c) each parcel of undeveloped property within a community facilities district is to have a minimum value to lien ratio of 2:1 (the "Undeveloped Property Ratio Rule"). In connection with the proposed issuance of 2007 Towngate Special Tax Refunding Bonds, waivers of these policies are being sought; for such waivers, a 4/5 vote is required.

The rationale in support of such waivers, as set forth in part in the accompanying Resolution, is that: (i) as to item a) and the Appropriate Share Rule: the Agency earlier entered into certain arrangements under which the Agency would make payments to defray the cost of Special Tax. The issuance of the 2007 Towngate Special Tax Refunding Bonds will not increase the burden of Special Tax on property owners within the District, will reduce the amount of bonded debt affecting properties within the District, will reduce the cost to the Agency of making payments (due to the reduction in interest rate and principal amount of Towngate Community Facilities District bonds outstanding for which the Agency makes payments) and will facilitate the ability of the Agency to issue its tax allocation bonds; (ii) as to each of items b) and the Appraisal Rule and c) and the Undeveloped Property Ratio Rule, properties within the District, on the average, exhibit very high values with reference to assessed value and, as to those undeveloped properties within the District, City staff is of the view that assessed values substantially understate market value (as illustrated by recent sales within the District, in respect to which the assessed values prior to sale were less than 10% of values upon reassessment following sale, without regard to improvements). Staff is of the view that these reasons support the waivers of the Goals and Policies as described above.

Improvement Area 1 of Community Facilities District Tax 87-1 (Towngate) Special Tax Refunding Bonds:

Refunding of the existing Improvement Area 1 of Community Facilities District 87-1 Special Tax bonds is proposed to achieve annual debt service savings. The Agency, through prior agreements, is obligated to make annual debt service payments on these bonds using tax increment revenue after Community Facilities District 87-1 Special Tax bonds and the department store notes (Moreno Valley Mall notes) have been paid. The proposed refunding of these bonds requires the Agency to pledge project area tax increment to make debt service payments in the event they are owed. This pledge of tax increment will be a senior lien to all other Agency obligations (including the proposed Tax Allocation Bonds) except the Housing Set-aside fund and pass-through payments to other taxing agencies and State ordered subventions (e.g. Education Revenue Augmentation Fund).

The City's adopted Goals and Policies for community facilities districts provide, among other matters, for: a) property to bear an appropriate share of special taxes (the "Appropriate Share Rule"); b) an appraisal be obtained in connection with the issuance of community facilities district bonds (the "Appraisal Rule"); and c) each parcel of undeveloped property within a community facilities district is to have a minimum value to lien ratio of 2:1 (the "Undeveloped Property Ratio Rule"). In connection with the

proposed issuance of 2007 Improvement Area Special Tax Refunding Bonds, waivers of these policies are being sought; for such waivers, a 4/5 vote is required.

The rationale in support of such waivers, as set forth in part in the accompanying Resolution, is that: (i) as to item a) and the Appropriate Share Rule: the Agency earlier entered into certain arrangements under which the Agency would make payments to defray the cost of Special Tax. The issuance of the 2007 Improvement Area Special Tax Refunding Bonds will not increase the burden of Special Tax on property owners within the Improvement Area, will reduce the amount of bonded debt affecting properties within the Improvement Area, and will, to the extent the Agency is required under existing agreements to make payments to the District to be applied for the benefit of the Improvement Area, reduce the cost to the Agency of making payments (due to the reduction in interest rate and principal amount of Improvement Area No. 1 Community Facilities District bonds outstanding) and will facilitate the ability of the Agency to issue its tax allocation bonds; (ii) as to each of items b) and the Appraisal Rule and c) and the Undeveloped Property Ratio Rule, properties within the Improvement Area, on the average, exhibit high values with reference to assessed value and, as to those undeveloped properties within the Improvement Area, City staff is of the view that assessed values substantially understate market value (as illustrated by recent sales within Improvement Area, in respect to which the assessed values prior to sale were less than 10% of values upon reassessment following sale, without regard to improvements). Staff is of the view that these reasons support the waivers of the Goals and Policies as described above.

PROPOSED PROJECTS

The City Council and Community Redevelopment Agency Board have expressed their respective desires to fund public facilities improvements in a timely manner to accommodate the significant growth in the City. With these Council/Agency priorities in mind, staff has identified several key projects (listed below) to include in the financing with total bond proceeds of approximately \$42.5 million for Series A and \$20.5 million for the 2007B bonds. These were selected due to their relative importance, their project readiness, or their ability to promote economic development opportunities in the redevelopment project area. The total cost of the projects exceeds the estimated amount of proceeds. As a result, the projects are listed in a recommended order of priority. Should project priorities change or other sources of revenue become available, the additional projects provide flexibility to reprogram bond proceeds. The proposed projects and descriptions are listed below.

No.	Description	Estimated Cost	Bond Proceeds	Additional Funds Required
1	Main Library	\$22.0 million	\$22.0 million	\$0.00
2	Fire Station 110	\$6.5 million	\$6.5 million	\$0.00
3	Neighborhood Park	\$5.0 million	\$5.0 million	\$0.00
4	Day Street - Alessandro Boulevard to Cottonwood Street	\$4.4 million	\$3.0 million	\$1.4*
5	Auto Mall Street Upgrades	\$2.0 million	\$2.0 million	\$0.00
6	Indian Basin, Appurtenant Storm Drain and Miscellaneous Street Improvements	\$6.67 million	\$4.0 million	\$2.67 million
7	Sidewalk Infill and ADA Curb Ramp Replacement	\$2.0 million	\$0.00	\$2.0 million
8	Pavement Rehabilitation	\$2.0 million	\$0.00	\$2.0 million
9	Street Infill Widening	\$2.0 million	\$0.00	\$2.0 million
	Total Project Costs	\$52.57 million	\$42.5 million	\$10.07 million

* Additional funds are included in the 2007-08 Budget

Project Descriptions – Tax Allocation Bonds (Series A)

Listed below are summaries of the projects recommended to be funded with Tax Allocation Bond (Series A) proceeds. Costs reflect current estimates and are subject to adjustment based upon such factors as the cost of labor and materials.

Main Library Phase 1. Phase 1 of the Main Library consists of a building of 38,000 square feet of space that will be located at the City's Civic Center. The estimated cost of improvements is \$22,000,000, which includes final design, construction, construction management, materials and labor, surrounding landscaping, parking lot, and fixtures, furniture and equipment. Final design is expected to start in January 2008 and will be completed in June 2009. Construction is expected to begin in October 2009 and be completed in February 2012.

Fire Station 110. Fire Station 110 is planned to be located on approximately 1.5 acres of Agency-owned property located at the northeast corner of Indian and Cottonwood Streets. Fire Station 110 is planned to be a three-bay facility with staff quarters as well as a detached storage building. Additionally, the Fire Station will have

block fencing with security gates, security lighting, and landscaping. The Fire Station will be approximately 9,000 square feet in size with the detached storage building being approximately 600 square feet in size. Construction of Fire Station 110 will include design, grading, drainage, material and laboratory testing, survey, and parking lot layout. The estimated cost of the project is \$6,500,000. Design of the project is expected to begin in April 2008 and completed in October of 2009. Construction is expected to begin in November 2009 and be completed October 2012.

Neighborhood Park. A neighborhood park to be located on approximately 7.1 acres of Agency-owned property located at the northeast corner of Indian and Cottonwood Streets is to be developed. The park is planned to have passive recreational facilities including picnic shelters and furniture, landscaped areas and a tot lot. The estimated cost of the project is \$5,000,000. Design of the project is expected to begin in April 2008 and completed in October of 2009. Construction is expected to begin in January 2010 and be completed by October 2012.

Day Street (Alessandro Boulevard to Cottonwood Avenue). The Day Street Improvements, between Alessandro Boulevard and Cottonwood Avenue, include street widening, construction of curb, gutter and sidewalk, waterline replacement, and construction of certain floodwater drainage improvements. The cost of the Day Street Improvements is estimated to be \$4,400,000. Design and right of way acquisition is expected to be completed in July 2008. Construction is expected to begin in October 2008 and be completed April 2009.

Auto Mall Street Upgrades. Auto Mall street upgrades would consist of certain roadway improvements at the Moreno Valley Auto Mall located at the southeast corner of the Route 60 freeway and Moreno Beach Drive. The project will include the partial realignment of Motor Way, replacement and construction of monument signage at the intersections of Moreno Beach Drive and Eucalyptus Avenue, Eucalyptus Avenue and Auto Mall Drive, and Auto Mall Drive and Moreno Beach Drive. The estimated cost of this project is \$2,000,000. Design of the project is expected to begin in April 2008 and completed in April of 2009. Construction is expected to begin in July 2009 and be completed by January 2010.

Indian Basin, Appurtenant Storm Drain and Miscellaneous Street Improvements. The Indian Basin project located on City owned land bounded by Davis Street and the Festival Shopping Center will include the construction of a detention basin that will collect and slow the flow of floodwaters thereby protecting the surrounding area and neighborhoods located to the southeast. Improvements will include construction of the detention basin and installation of inlet and outlet storm drain facilities and street improvements on the south side of Ironwood Avenue between Heacock Street and Nita Drive. The estimated cost of this project is \$6,667,000. Design of the project is expected to begin in June 2008 and completed in June of 2010. Construction is expected to begin in September 2010 and be completed by January 2012.

Sidewalk Infill and ADA Curb Ramp Replacement (Various Locations in the Project Area). The project consists of identification and prioritization of missing sidewalk segments that are primarily in close proximity to schools and in the path of school children. In addition, the project includes identification of missing or non-compliant ADA curb ramps. Locations will focus primarily on pathways to schools; secondarily, locations will focus on pathways to retail and commercial establishments. Upon identification of needed improvements, the project will design and construct improvements to current standards, with the goal of providing missing segments to improve pathways Citywide. The cost of the project is estimated to be \$2,000,000. Design of logical groupings of locations is expected to begin in December 2007, with construction to follow. All improvements that can be completed within the budget will be constructed no later than November 2012.

Pavement Rehabilitation (Various Locations in the Project Area). The project consists of identifying streets at various locations throughout the City to be rehabilitated. Staff will use the City pavement management program to aid in evaluating candidate streets. Strategies for rehabilitation include pavement fabric with asphalt concrete overlays, reconstruction with removals and pavement replacement, and other various cost-effective techniques. The cost of the project is estimated to be \$2,000,000. Identification and design of logical groupings of locations is expected to begin in December 2007, with construction to follow. All improvements that can be completed within the budget will be constructed no later than November 2012.

Street Infill Widening (Various Locations in the Project Area). The City has identified and ranked a series of "infill" projects, which consist of arterial street cross-section widening at locations that are missing improvements, primarily adjacent to developed areas, where future development and/or other funding sources are unlikely to construct needed improvements in a timely manner. This project consists of using and evaluating the pre-existing priority list and the available budget to obtain ultimate street improvements for these locations, which may include right-of-way, utilities, asphalt concrete pavement, curb, gutter, drainage facilities, striping, and sidewalks. The cost of the project is estimated to be \$2,000,000. Design of logical groupings of locations is expected to begin in January 2008, with construction to follow. All improvements that can be completed within the budget will be constructed no later than November 2012.

No.	Description	Estimated Cost	Bond Proceeds	Additional Funds Required
1	Box Springs Water Improvements	\$15.0 million	\$12.5 million	\$2.5 million
2	Sunnymead Property Acquisition and Redevelopment	\$10.0 million	\$8.0 million	\$2.0 million
	Total Project Costs	\$25.0 million	\$20.5 million	\$4.5 million

Project Descriptions – 2007 Subordinate Taxable Tax Allocation Bonds (2007B)

Listed below are summaries of the projects recommended to be funded with 2007B Bond proceeds. The total estimated cost of the projects exceeds the estimated amount of proceeds. Staff is also exploring additional funding programs offered by the State of California, which could provide the additional funds needed to complete the projects.

Box Springs Water Improvements. The project involves the financing of improvements and upgrades to the water distribution system currently owned and operated by the Box Springs Mutual Water Company (BSMWC), a private shareholder-owned company. BSMWC provides domestic water service to property owners in the Edgemont area of Moreno Valley. The company has been in existence since the 1920s and parts of its distribution system have been in use for almost forty years. Due to the aging infrastructure, BSMWC is unable to deliver fire flow rates to meet local and state standards. This condition prevents new development from occurring in the 430-acre service area. The company's problem is circular. Without the ability to serve new customers, BSMWC does not have the financial capacity to upgrade its system. Without an upgraded system, it cannot serve new customers.

The City and Agency, in cooperation with BSMWC, has hired an engineering consulting firm to analyze the current conditions and provide recommendations to upgrade the system in addition to providing cost estimates and financing scenarios. The study with recommendations is expected to be completed in April 2008.

The Agency is proposing to use a portion of the 2007B Bond proceeds to finance The Box Springs Water Improvement Project, which could include replacement of main water distribution lines and lateral lines to service meters, upgrading of pumping equipment and storage facilities, and installation of water quality monitoring and filtering equipment. The Agency's contribution to these improvement costs would be

recovered by charging a connection fee to new customers. The project is estimated to cost \$15,000,000. Design of the system upgrades is expected to begin January 2009 and be completed in January 2010. Construction is expected to begin in March 2010 and be completed by March 2012.

Sunnymead Property Acquisition and Redevelopment. The project involves the financing of costs associated with property assembly and the development of underutilized and blighted properties located on or near Sunnymead Boulevard. The Agency expects to work and partner with property owners and developers to acquire and develop property for commercial and residential uses. The Agency's cost to participate in this project is estimated at \$10,000,000.

ALTERNATIVES

1. Approving staff's recommendations will provide a mechanism to fund needed public facilities and improvements and to meet a number of goals identified in the Redevelopment Agency's Redevelopment Plan.
2. Not approving staff's recommendations will result in the delay of the construction of needed public facilities and improvements, as well as postponing the Redevelopment Agency's pursuing of goals identified in its Redevelopment Plan.

FISCAL IMPACT

Tax Allocation Bonds (Series A):

The "par" or total amount of the 2007 Tax Allocation Bond (Series A) issue is not to exceed \$55,000,000 and is currently estimated at \$49,585,000. The proceeds, net of Original Issue Discount of \$912,994, totals \$48,672,006 comprised of the following:

Deposit to Redevelopment Fund for Projects	\$42,525,941
Deposit to Debt Service Reserve Fund	4,122,625
Gross Bond Insurance Premium	1,031,740
Costs of Issuance	<u>991,700</u>
Total	\$48,672,006

The annual debt service on the \$49,585,000 Tax Allocation Bonds (Series A) is estimated to range from approximately \$2.5 million to \$4.2 million, which will be paid with tax increment revenue.

Projected annual investment earnings of the debt service reserve fund, estimated at \$210,000, will reduce annual debt service by the same amount.

Tax Allocation Bonds (2007B):

The "par" or total amount of the 2007 Subordinate Taxable Tax Allocation Bond (2007B) issue is not to exceed \$25,000,000 and is currently estimated at \$22,500,000.

With the subsequent publicly-offered remarketing or refunding of the 2007B bonds, the proceeds, net of Original Issue Discount of \$283,119, totals \$22,783,119 comprised of the following:

Deposit to Redevelopment Fund for Projects	\$20,505,519
Deposit to Debt Service Reserve Fund	1,464,982
Gross Bond Insurance Premium	362,618
Costs of Issuance	<u>450,000</u>
Total	\$22,783,119

Initially, the annual debt service on the \$22,500,000 Tax Allocation Bonds (Series B) is estimated at \$1,130,000 (interest only), which will be paid with investment earnings of the bond proceeds. With the subsequent publicly-offered remarketing or refunding of the 2007B bonds, the annual debt service is estimated at \$1,500,000.

In acquiring the 2007B bonds, the Finance Director/City Treasurer is recommending that the General Fund temporarily reassign \$22.5 million of its fund equity from the "Unreserved Designated" fund balance to "Reserved" fund balance. Specifically, the recommendation is to reassign all or a portion of three (3) unreserved fund balance designations for a combined total of \$22.5 million, to reserved fund designations as follows:

Reassign from:

Designated for Contingencies - \$14,482,720
 Designated for Development Services - \$5,300,000
 Designated for Capital Projects - \$2,717,280

Reassign to:

Reserved for Long-Term Receivables - \$22,500,000

The amount recommended to be reassigned from the Designation for Contingencies and Development Services represents the total unaudited balance of each designation at June 30, 2007. The amount from the Designation for Capital Projects is the balance necessary to achieve the required equity reassignment of \$22.5 million.

The recommended General Fund investment in the 2007B bonds and the accompanying accounting entry will have no effect on the General Fund cash position. Furthermore, the \$22.5 million being re-designated will have no impact

on the General Fund operating budget for the next two or three years, which is the expected duration of the General Fund's investment in the 2007B bonds. With the subsequent publicly-offered remarketing or refunding of the 2007B bonds the \$22.5 million of reserved General Fund equity will revert back to unreserved equity, with the original unreserved designations.

Community Facilities District Tax 87-1 Special Tax Refunding Bonds:

The "par" or total amount of the Community Facilities District 87-1 (Towngate) 2007 Special Tax Refunding Bond issue is not to exceed \$14,000,000 and is currently estimated at \$10,755,000. With the current Debt Service Payment and Debt Service Reserve Funds on hand of \$3,428,020, proceeds total \$14,183,020 to be comprised of the following:

Deposit to Refunding Escrow	\$12,891,225
Deposit to Debt Service Reserve Fund	1,075,500
Costs of Issuance	<u>216,295</u>
Total	\$14,183,020

The annual debt service on the \$10,755,000 Community Facilities District 87-1 (Towngate) 2007 Special Tax Refunding Bonds is estimated at \$1,098,983 which will be paid with tax increment revenue. Payment of the bonds is also secured by Special Taxes payable from the real property located within Community Facilities District 87-1 (Towngate). Based on current market conditions, the net present value savings achieved with the refunding are approximately \$358,000. If bond insurance for the refunding bond issue can be secured, the net present value saving is expected to improve.

Projected annual investment earnings of the debt service reserve fund, estimated at \$53,750, will reduce annual debt service by the same amount.

Improvement Area 1 of Community Facilities District Tax 87-1 Special Tax Refunding Bonds:

The "par" or total amount of the Improvement Area 1 of Community Facilities District 87-1 (Towngate) 2007 Special Tax Refunding Bond issue is not to exceed \$5,000,000 and is currently estimated at \$3,875,000. With the current Debt Service Reserve Funds on hand of \$417,007, proceeds total \$4,292,007 to be comprised of the following:

Deposit to Escrow	\$3,843,179
Deposit to Debt Service Reserve Fund	368,082
Costs of Issuance	<u>80,746</u>
Total	\$4,292,007

The annual debt service on the \$3,875,000 Improvement Area 1 of Community Facilities District 87-1 (Towngate) 2007 Special Tax Refunding Bonds is estimated at \$368,082 which will be paid with Special Taxes from the real property located within Improvement Area 1 of Community Facilities District 87-1 (Towngate). In addition, if certain conditions occur, debt service on the Improvement Area Refunding Bonds may also be payable from tax increment from the Agency's Project Area.

Based on current market conditions, the annual debt service on the Improvement Area Refunding Bonds will be approximately \$44,600 lower than the bonds being refunded – generating net present value savings of approximately \$435,568.

Projected annual investment earnings of the debt service reserve fund, estimated at \$17,483, will reduce annual debt service by the same amount.

The figures listed above describing bond proceeds, deposits to debt service reserve funds, gross bond insurance premiums and cost of issuance are preliminary and subject to market conditions and final commitments from the bond insurer. The scheduled closing date for the tax allocation bonds and the refunding bonds issues is November 21, 2007. Minor fluctuations in interest rates and/or changes to bond insurance premiums could affect the amount of net proceeds and overall cost of the issuances.

Impact to General Fund

The actions proposed by staff will have no or minimal impact to the City's General Fund. The debt service obligations for all four bond Issues will be the responsibility of the Agency or in the case of Improvement Area 1 of Community Facilities District Tax 87-1 Special Tax Refunding Bonds, the affected property owners and the Agency. As part of the actions currently before the City Council, one is approval of a subordination agreement with the Agency. Under the subordination agreement, the claims of the City for payment from the Agency in connection with various obligations of the Agency to the City would have a priority lower than the claims of bondholders of the proposed series a tax allocation bonds, the Towngate refunding bonds, the subordinate taxable tax allocation bonds, and claims, to the extent applicable, in connection with the Towngate refunding bonds. Such subordination is normal and customary in connection with the issuance of debt instruments by redevelopment agencies. While the priority in right to receive payment may be affected, staff has reviewed the proposed borrowings and believes that the Agency will be in a position to make full and timely payment to the City under obligations notwithstanding the issuance of the various community facilities district refunding bonds and the issuance of tax allocation bonds; subordination is a practical requirement in order for such bond issues to proceed.

CITY COUNCIL GOALS

- A. Revenue Diversification and Preservation. Since the funding for the proposed projects is coming from the Redevelopment Agency, the City's General Fund will now have the flexibility to fund other needed projects in the community.
- B. Public Safety. The proposed Fire Station #110 will provide increased protection and shorter response time to project area residents and would support operations throughout the city.
- C. Public Facilities and Capital Projects. All the proposed projects are either providing needed facilities or improving infrastructure in the redevelopment project area.
- D. Positive Environment. The proposed projects will continue to foster a positive environment for the development of Moreno Valley's future.

NOTIFICATION

State law requires that notice be published for the public hearing to consider the action recommended above. A Notice of Public Hearing was published in the Press Enterprise on Oct 9 and 16, 2007, thus meeting the noticing requirements prescribed by State law.

Notice of the proposed tax allocation bond issuances and the refunding of the Community Facilities 87-1 and Improvement Area 1 refunding bonds was delivered to the offices of RIR Associates (The Fritz Duda Company) in accordance with Section 305 of the Cooperation and Reimbursement Agreement dated as of April 13, 1993 (the "1993 Agreement") by and among the Community Redevelopment Agency of the City of Moreno Valley, California (the "Agency"), Community Facilities District No. 87-1 of the City of Moreno Valley, California (the "District") and the City of Moreno Valley, California, acting on behalf of the District (the "City") and Notice by the Agency under the First Amendment to Cooperation and Reimbursement Agreement dated as of June 1, 1994 (the "1994 Agreement") by and among the City, the Agency and the District of the intention of the Agency and the City to issue bonds or similar debt instruments which are secured in part by tax allocation revenues (within the meaning of Health and Safety Code Section 33670(b), also referred to herein as "Tax Increment Revenues") from the Project Area of the Moreno Valley Redevelopment Plan (the "Project Area" and the "Redevelopment Plan", respectively).

REDEVELOPMENT AGENCY OF THE CITY OF MORENO VALLEY
WATER FACILITIES LOAN AGREEMENT
BOX SPRINGS MUTUAL WATER COMPANY

Ø

This Agreement is made and entered into this 26th day of November 1996, and between the BOX SPRINGS MUTUAL WATER COMPANY, hereinafter referred to as the "Company", and THE MORENO VALLEY COMMUNITY REDEVELOPMENT AGENCY, hereinafter referred to as the "Agency".

Whereas the Company provides water service along Barbara and Hildegard streets through transmission lines which are in need of replacement; and

Whereas the installation of upgraded water lines prior to the installation of street improvements is both cost-effective and will result in the least disruption of the affected area; and

Whereas the Company has insufficient capital to undertake the improvements at this time and the Agency has a revolving fund which could provide loan assistance.

NOW, THEREFORE, in consideration of the above recitals, together with the mutual covenants in this Agreement, it is agreed as follows:

- 1) The Agency agrees to loan \$60,000 to the Company to cover construction costs associated with the Subject Water Facilities, to be funded upon the satisfactory

Water Facilities Agreement
Moreno Valley Mutual Water Company
Page 2

completion of the project.

Prior to the Agency entering into a construction agreement, the Company shall deposit with Western Municipal Water District (WMWD), who will act as an administrative agent, the total amount of projected waterlines construction costs, including ten percent (10%) contingency.

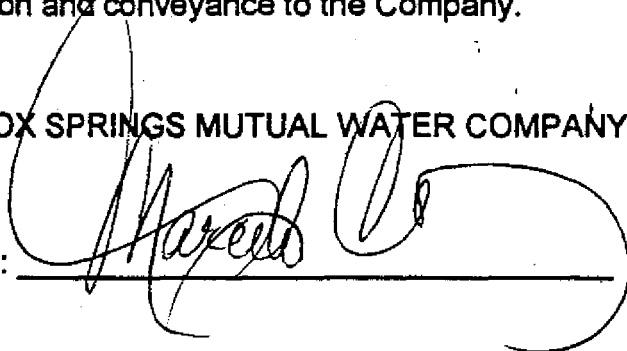

The loan shall be repaid based on simple interest at the annual rate of six percent (6%) from the completion date. The principal and interest repayments shall be made on an annual basis with a total of four (4) repayments. The payment schedule is attached (Exhibit "B"). The first payment is due on December 1, 1997

- 2) Subject to the conditions included in this Agreement, the Agency agrees to include the replacement of waterlines in Barbara and Hildegard streets, hereinafter known as the Subject Water Facilities which are specifically identified in Exhibit "A", as part of the Community Development Block Grant contract for the Barbara, Hildegard curb, gutter and sidewalk construction project. The Agency agrees to include the costs of waterline replacements as part of the City contract construction costs and will make payments directly to the contractor. The Agency will forward the bills to WMWD for reimbursements. WMWD shall reimburse said bills within ten (10) days of receipt. Any issues with said bills shall be identified within the same timeframe.
- 3) The Company agrees to provide, at its sole cost, all plans for the Subject Water Facilities, which shall meet the standards of WMWD. The Company shall also provide, at its sole cost, all necessary inspection services for the Subject Water Facilities. The Company further agrees to provide for, at its sole cost, the reconnection and meter relocation of all existing services onto the new line.

Water Facilities Agreement
Moreno Valley Mutual Water Company
Page 3

- 4) The Company agrees to accept and maintain in good condition the Subject Water Facilities upon satisfactory completion and conveyance to the Company.

**COMMUNITY REDEVELOPMENT AGENCY
OF THE CITY OF MORENO VALLEY
WATER FACILITIES LOAN AGREEMENT
BOX SPRINGS MUTUAL WATER COMPANY
Amendment No. 2**

This agreement is made and entered into this 13th day of July 1999, by and between the BOX SPRINGS MUTUAL WATER COMPANY, hereinafter referred to as the "Company" and the MORENO VALLEY COMMUNITY REDEVELOPMENT AGENCY, hereinafter referred to as the "Agency."

Whereas, the Company and Agency entered into a Water Facilities Agreement on November 26, 1996, relative to the replacement of waterlines on Barbara and Hildegard Streets;

Whereas, Amendment No. 1 to the Agreement was entered into on July 8, 1997, increased the loan amount from \$60,000 to \$81,000 and the loan repayment schedule changed from four annual payments to five annual payments commencing on December 1, 1997;

Whereas, the City of Moreno Valley desires to complete storm drain and street improvements, as part of Line H-H on Sherman Avenue, south Grant Street, and the intersection of Sherman Avenue and Farragut Avenue;

Whereas, the installation of upgraded waterlines and related connections in conjunction with the installation of storm drain and street improvements is both cost-effective and will result in the least disruption of the affected areas; and

Whereas, the Company has insufficient capital to undertake the improvements at this time and the Agency has a revolving fund which could provide loan assistance.

NOW, THEREFORE, in consideration of the above recitals, together with the mutual covenants in this Agreement, it is agreed as follows:

Section (1) of the Agreement is hereby amended in its entirety to read as follows:

- 1) The Agency agrees to loan an additional \$25,842 for a total of \$106,842 to the Company to cover construction costs associated with the subject water facilities, to be funded upon the satisfactory completion of the project and following the reimbursement by the Company for its share of the waterlines construction costs.

Beginning December 1, 1999, the loan, shall be repaid based on simple interest at the annual rate of five and three-quarters percent (5¾%) from the completion date of the waterline improvements constructed as part of Line H-H. The principal and interest repayment shall be made on an annual basis with a total of (6) repayments beginning December 1, 1999. The payment schedule is attached (Exhibit "A").

A grant award in the amount of \$72,158 will be provided to cover waterline and connection construction costs that are required by the City of Moreno Valley to complete the project, as a result of the storm drain pipe location and related street improvements.

The City of Moreno Valley will coordinate construction and oversight of the waterline construction.

- 2) All other provisions of the Agreement shall remain in full force and effect unless specifically changed in this Agreement.

WATER FACILITIES AGREEMENT
BOX SPRINGS MUTUAL WATER COMPANY
EUCALYPTUS AVENUE TRANSMISSION LINE

This Agreement is made and entered into this 25th day of May 1993, and between the BOX SPRINGS MUTUAL WATER COMPANY, hereinafter referred to as the "Company", and THE MORENO VALLEY COMMUNITY REDEVELOPMENT AGENCY, hereinafter referred to as the "Agency".

Whereas the Agency has plans to widen Eucalyptus Avenue between Valley Springs Parkway and Day Street during 1993; and

Whereas the Company provides water service along the south side of Eucalyptus Avenue through transmission lines which are insufficient in size to meet current standards for fire flow; and

Whereas the installation of upgraded water lines prior to the installation of new street improvements is both cost-effective and will result in the least disruption of the affected area; and

Whereas the Company has insufficient capital to undertake the improvements at this time and the Agency has previously set aside funding in its Water Line Assistance Program to improve fire flow in portions of Edgemont and Central Sunnymead;

NOW, THEREFORE, in consideration of the above recitals, together with the mutual covenants in this Agreement, it is agreed as follows:

- 1) Subject to the conditions included in this Agreement, the Agency agrees to include the replacement of waterlines on the

south side of Eucalyptus Avenue between Valley Springs Parkway and Day Street, hereinafter known as the Subject Water Facilities which are specifically identified in Exhibit "A", as part of construction contract for the widening of Eucalyptus Avenue.

- 2) The Company agrees to provide, at its sole cost, all plans for the Subject Water Facilities, which shall meet the standards of the Western Municipal Water District (WMWD). The Company shall also provide, at its sole cost, the necessary inspection services for the Subject Water Facilities.
- 3) The Company further agrees to provide for, at its sole cost, the reconnection and meter relocation of all existing services onto the new line.
- 4) The Company agrees to accept and maintain in good condition the Subject Water Facilities upon satisfactory completion and conveyance to the Company.
- 5) The Company shall reimburse The Agency's investment in The Subject Water Facilities as new development occurs according to the pro rata share of such new development's site area to the total area potentially benefitting from the Subject Water Facilities. The potentially benefitting area encompasses 26 acres (see attached Exhibit B). The estimated total Agency investment for the Subject Water Facilities is approximately \$110,000.00. The per acre share is estimated at approximately \$4,250.00. The Company and Agency agree to amend this agreement after the completion of the Subject Water Facilities to reflect the Agency actual total investment. On January 1, 1995, and annually thereafter, the front footage share shall be increased by the change in the Engineering News Record Index. No other charges shall be levied on new development for capital costs associated with the Subject Water Facilities.

- 6) At such time as the Company may consummate a sale of assets, including the Subject Water Facilities, to WMWD, the Company agrees to include its obligations under this Agreement as part of such sale.

WATER FACILITIES AGREEMENT
BOX SPRINGS MUTUAL WATER COMPANY
EUCALYPTUS AVENUE TRANSMISSION LINE
Amendment # 1

This Amendment is made and entered into this 12th day of April 1994, and between the BOX SPRINGS MUTUAL WATER COMPANY, hereinafter referred to as the "Company", and THE MORENO VALLEY COMMUNITY REDEVELOPMENT AGENCY, hereinafter referred to as the "Agency".

Whereas the Company and Agency entered into a Water Facilities Agreement on May 25, 1993, relative to the replacement of the water transmission line on Eucalyptus Avenue between Valley Springs Parkway and Day Street; and

Whereas said Agreement provided for an amendment upon the completion of the Subject Water Facilities described therein to reflect the Agency's actual total investment; and

Whereas the completion of the project including the Subject Water Facilities required the installation of additional water transmission lines along Day Street south of Eucalyptus Avenue;

NOW, THEREFORE, in consideration of the above recitals, together with the mutual covenants in this Amendment, it is agreed as follows:

- 1) The Subject Water Facilities are amended to addition of five hundred (500) feet of water line along Day Street. The

Water Facilities Agreement Amendment # 1

Box Springs Mutual Water Company

Page 2

revised Subject Water Facilities are specifically identified in the attached Exhibit "A".

- 2) The Company agrees to reimburse the Agency for the cost to install four (4) waterline tie-ins, which under the Agreement were the responsibility of the Company. The Company requested the inclusion of said tie-ins in the Agency's contract rather than involve a separate contractor on the project. The said tie-ins cost \$14,000. The Agency shall send an invoice to the Company, which the Company agrees to pay on or before June 1, 1994.

- 3) The Company shall reimburse The Agency's investment in The Subject Water Facilities as new development occurs according to the pro rata share of such new development's site area to the total area potentially benefitting from the Subject Water Facilities. The potentially benefitting area encompasses 26 acres (shown in Exhibit B to the Agreement). The total Agency investment for the Subject Water Facilities is \$141,349.26. The per acre share is \$5,436.51. On January 1, 1995, and annually thereafter, the front footage share shall be increased by the change in the Engineering News Record Index. No other charges shall be levied on new development for capital costs associated with the Subject Water Facilities.

- 4) All other provisions of the Agreement shall remain in full force and effect unless specifically changed in this Amendment.

**WATER FACILITIES AGREEMENT
BOX SPRINGS MUTUAL WATER COMPANY
EUCALYPTUS AVENUE TRANSMISSION LINE
Amendment # 2**

This Amendment is made and entered into this 10th day of June 1997, and between the BOX SPRINGS MUTUAL WATER COMPANY, hereinafter referred to as the "Company", and THE MORENO VALLEY COMMUNITY REDEVELOPMENT AGENCY, hereinafter referred to as the "Agency".

Whereas the Company and Agency entered into a Water Facilities Agreement on May 25, 1993, relative to the replacement of the water transmission line on Eucalyptus Avenue between Valley Springs Parkway and Day Street; and

Whereas an amendment to the Agreement was entered on April 12, 1994, relative to install additional five hundred (500) feet of water line along Day Street; and

Whereas the existing transmission lines on the west side of Day Street between Cottonwood Avenue and Eucalyptus Avenue are insufficient in size to meet new standards for fire flow; and

Whereas the installation of water lines prior to the installation of street improvements is both cost-effective and will result in the least disruption of the affected area; and

NOW, THEREFORE, in consideration of the above recitals, together with the mutual covenants in this Amendment, it is agreed as follows:

- 1) The Subject Water Facilities are amended to include an addition of twenty-two hundred (2,200) feet of water line along Day Street. The revised Subject Water Facilities are specifically identified in the attached Exhibit "A".

Water Facilities Agreement Amendment # 2

Box Springs Mutual Water Company

Page 2

- 2) The Company shall reimburse The Agency's investment in The Subject Water Facilities as new development occurs according to the pro rata share of such new development's site area to the total area potentially benefitting from the Subject Water Facilities. The potentially benefitting area encompasses 33 acres (shown in Exhibit B to the Agreement). The estimated total Agency investment for the Subject Water Facilities is \$328,244.98. The estimated per acre share is \$9,946.82. On July 1, 1997, and annually thereafter, the per acre share shall be increased by the change in the Engineering News Record Index. No other charges shall be levied on new development for capital costs associated with the Subject Water Facilities.

- 3) All other provisions of the Agreement shall remain in full force and effect unless specifically changed in this Amendment.

Subject: Invitation - City of Moreno Valley Ribbon Cutting - SR-60 Moreno Beach Drive Interchange and Eucalyptus Avenue Punch-Through

In November 2012, the City of Moreno Valley, with Caltrans cooperation, started construction on Phase 1 of the State Route 60/Moreno Beach Drive interchange project. The goal of Phase 1 was to realign the eastbound ramps to and from Moreno Beach Drive, and once realigned, to extend Eucalyptus Avenue to Moreno Beach Drive.

The City of Moreno Valley is excited to invite you to attend the ribbon cutting ceremony recognizing that the project has “punched through” Eucalyptus Avenue, thereby eliminating the long-standing gap closure and greatly enhancing traffic circulation for the residents to access the retail businesses and restaurants located at the Stoneridge Towne Centre.

Michele,

Thanks for the update. You are definitely on the right track in pointing the reporter back to the documents which show what the City has done in the past...while emphasizing all that is being done right now under CM Baca's leadership.

While it's entirely possible that the reporter may be interested in pitting individuals/agencies against one another, we will continue to do our best to focus her on the real story: **The families who rely upon BSMWC deserve a safe/clean/reliable water supply, and the City is taking every possible step to partner with the Water Company and seek funding to meet the needs of these residents.**

Keep fighting the good fight!!!

Tom

Hi Tom,

Just an fyi – I talked to Suzanne Hurt AGAIN about BSMWC and the City's attempts to assist. She has spoken with former Council Member Batey, who gave her a statement something like the City's \$12 million in tax allocation bonds was not used for BSMWC upgrades because the BSMWC wasn't cooperating...

I tried to direct her to the staff reports I sent her last week, but she said she's deleted them and that she didn't want them again. She tried a couple times to get me to say that former Council Member Batey was wrong and then she implied that the staff reports lie because they don't reflect the politics involved.

MV00258840

Of course, I had to send the staff reports again anyway – below. We'll see what happens next, but it sounds like she might be taking an award-winning story about water availability in a disadvantaged California community and marginally-sensationalizing it into “people-had-different-opinions” – gasp!

Michele

Subject: BSMWC: Re-sending Sept 11 email: "Council or city Considering Reward To find Tiana Ricks' Killers? / more BSMWC info"

Hello Suzanne,

Thank you for the opportunity to talk some more about the Box Springs Mutual Water Company and the history of the City's assistance in seeking grant funding for the infrastructure improvement project.

I want to respond to your email from yesterday, requesting “a document on the city's website that lays out the background, such as a city staff report?” Though I understand from this evening's phone conversation that you're no longer seeking the City Council staff reports, I am compelled to provide transparent customer service. So, I've located and am re-sending my email from last Wednesday, which includes the staff reports that describe the substantial tax allocation bond funding that the City Council conditionally directed towards BSMWC infrastructure improvements (see attachments: page 10 of the “TABS Allocation staff rpt 102307” and page 1 of the “TAB refunding staff rpt 030811”). I hope you find the information helpful!

If you have any questions, please feel free to call or email me.

Michele

Subject: RE: Council or city Considering Reward To find Tiana Ricks' Killers? / more BSMWC info

Hi Suzanne,

Great to meet you too, finally!

I checked with the Police Chief and he indicated he hadn't heard of a plan for a reward

You know, something we were talking about in the car today got me to thinking about additional information that you might find helpful... I think you were exploring the responsibility for the neglect and how it relates to

MV00258841

environmental injustice and I realized that I hadn't given you the City's history of assisting BSMWC. So, here's a quick sampling of some of the assistance the City has provided:

- 1993 – 1997: The City's Redevelopment Agency loaned BSMWC \$ 328,244.98 to upgrade water infrastructure on Eucalyptus and Day while the City was constructing street improvements on the same streets (see attachment RDA loan for Eucalyptus Ave improvements.pdf).
- 1996 - 1999: The City's Redevelopment Agency loaned BSMWC \$ 106,842 to upgrade water infrastructure on Barbara and Hildegard while the City was constructing storm drain and street improvements on the same streets. The City also provided construction coordination and a grant to BSMWC for an additional \$72,158 for costs that the City's project created streets (see attachment RDA loan for Barbara and Hildegard improvements.pdf).
- During City / RDA construction of Day Street just north of Alessandro, the City's Redevelopment Agency coordinated with BSMWC to enable them to lay pipe while the trenches were open, at a substantial savings to BSMWC.
- Tax Allocation Bonds: in the beginning, some TAB funds were conditionally allocated to BSMWC infrastructure (see page 10 of the TABS Allocation staff rpt 102307 attachment) - conditional on the successful conclusion of litigation with the County of Riverside, which would have resulted in increased Moreno Valley RDA revenues that could have been used to pay the TAB debt service on the BSMWC infrastructure project. Unfortunately, the City did not prevail in court and so could not proceed with the project because there was no revenue stream to support the increased debt service (TAB refunding staff rpt 030811).

Thanks again! And if I hear any more on a reward, I'll let you know.

Hi Michelle,

Really great to meet you today.

Can you call or email -- I'm wondering if the city or the council is considering offering a reward, and if so, how much and when it's expected to be on agenda?

Hi

I would love to invite the City Council to our event this Sunday!
(I apologize for the late notice!)

Our ballet dancers will present a short demo at 1pm in the Grand Ballroom at Park and Rec!
We would love to share our talented students from Moreno Valley with you!!

Subject: RE: Edgemont Water Info
Attachments: demo snapshot 031113.pdf; med hhld income map 031113.pdf; BSMWC Demographic Snapshot 073012.pdf

Hi Suzanne,

I received the information from our Public Works staff and I'm following up as promised:

Regarding when and why the City re-initiated efforts to upgrade the Edgemont water system: As I was describing on the phone last night, City leadership is aware of the inability to provide meaningful public infrastructure improvements in the Edgemont area. The City's efforts outlined below demonstrate the long-lasting conviction that the families who rely upon BSMWC deserve a safe/clean/reliable water supply and the subsequent infrastructure investment in street and storm drain improvements. You can see that City leaders and staff have been seeking funding opportunities for more than 10 years. As grant programs are introduced and / or revised, the City works with consultant experts to explore the possibility of finding a solution the private company can qualify for.

As you requested, following is a summary of the agreement history related to BSMWC that the City has executed with the civil engineering firm Albert A. Webb Associates:

- The City contracted with Webb Associates for preparation of a master water plan for the Edgemont area. We don't have the contract date information, but we do have a copy of the report. The title is "Box Springs Mutual Water Company History and Master Plan" and it is dated 2001.
- On 07/05/07, Mayor Charles White executed an agreement with Webb to complete the Edgemont Water Master Plan Update.
- On 10/20/08, Betsy Adams executed a new agreement with Webb to continue the update.
- On 09/02/09, Betsy executed a first amendment with Webb to extend the contract date to 06/30/10.
- On 06/08/10, William Bopf executed a second amendment with Webb to address additional scope of work items. Our engineer recalls that the above was at least partially, if not fully, funded by a grant from the Environmental Protection Agency. I believe I've given you a staff report that describes the EPA grant-funded activities...in short, Mike Myers shepherded another consulting firm through environmental analysis that resulted in the master plan achieving CEQA and NEPA clearances.
- The agreement for current update was executed on 07/09/12 by Ahmad Ansari.
- On 11/01/12, Rick Teichert executed a first amendment, to include the system valuation, operation, and maintenance cost analysis.
- In the last week or so, Public Works staff executed a second amendment for Webb to re-evaluate a section of the valuation, operation, and maintenance cost analysis to include some new data that BSMWC recently provided.

The City is taking every possible step to partner with the Water Company and seek funding to meet the needs of the Edgemont area residents. As described above, the City has pursued engineering studies to determine what needs to be done and the potential cost of the improvements. However, armed with this information, the company still has been blocked from grant eligibility because their corporate structure does not match the grant requirements. Now, the granting agencies' are emphasizing environmental justice assistance for

disadvantaged communities (in all the information I've sent over, I think I may have forgotten to email you the area demographics info... I'm attaching it here, just in case you don't already have it). Council Member Baca introduced Maria Elena Kennedy to the City this last spring. With Maria's expertise in public outreach to disadvantaged communities, this compelling project seems to be gaining community support and substantial agency interest.

City Hall is closed tomorrow with the 5% furlough schedule, but please feel free to call or email me tomorrow or this weekend if you have any questions.

Subject: Edgemont Water Info

Hi Suzanne,

wanted to send you a quick note that I received your voicemail with questions about the Edgemont water system upgrades. I just talked to the engineer who's managing the Webb contract work about the status of his response back to me and he's finalizing his notes in an email I should be getting pretty soon. I think I'll be able to call you with the information you're looking for shortly.

Subject: Fwd: 430 versus 480 acres

Hi Janice, do you already have the boundaries of the Box Springs Mutual Water District? If so, could you determine the area the boundary contains?

Thanks!
Michele

Interesting. I don't know but I think our GIS people could figure it out pretty easily. Unfortunately, they're off today. Assuming I'm right about that, can I get you the info on Monday?

Subject: 430 versus 480 acres

Webb Associates' 2009 study mentions more than once that Box Springs' coverage area is 430 acres.

"Executive Summary

Ecological Sciences, Inc. conducted a general biological resource evaluation within

MV00258873

the subject 430-acre Edgemont Water Master Plan area (site) in November and December 2008. "

I don't see 480 acres mentioned in the study, although that is a number in the city four-age city pamphlet I was given at our meeting last week, and it's a number I've seen used elsewhere.

I asked Ray Fisher but he didn't sound sure.

Does anyone know if 430 is the correct figure for the coverage area, and if not, where the 480 figure comes from? Or is it used by Webb in a study?

Subject: Burglary with extensive damage

Good afternoon,

About 7:38 AM, Officers responded to Acapulco's Restaurant at 12625 Frederick Street reference a past burglary and vandalism. The manager advised that sometime between 2:00 AM when the cleaning crew left and 7:00 AM when employees arrived to open the business, unknown suspects broke into the business and caused serious damage. It appears the burglary alarm was not set when the cleaning crew left.

Suspects smashed a window on the front of the business, gained entry, and proceeded to ransack the restaurant. The manager could not provide a specific dollar amount of damage without further examination, but estimated the damage to be several thousand dollars. The business does not currently have any surveillance cameras. The MVPD Forensic Technician responded and processed the scene, gathering several items of evidence. The Robbery/Burglary Suppression Team will conduct follow-up investigation. The manager will provide us with a more accurate estimate of loss and damage as soon as possible.

Subject: Burglary/drug/gang arrest

Good evening,

Today about 12:22 PM, officers responded to a residence in the 15000 block of Zhana Drive reference a burglary in progress. The victim advised Dispatch she arrived home and heard noise inside. She then saw a suspect inside her home as he fled out the back of residence. An officer was in the immediate area and quickly spotted the suspect. He detained the suspect without incident. The victim participated in an in-field show-up and positively identified the suspect as the person who was inside her home without her permission. During a search incident to arrest, the suspect was found in possession of several baggies of methamphetamine and burglary tools. The suspect, Chad Mathes (19) of Moreno Valley, is a known member of the criminal street gang known as "Southside Mafia." This is one of the gangs involved in the recent series of events that led to the death of 6 year-old Tiana Ricks.

The suspect admitted to burglarizing the residence on Zhana Drive. He was booked into RPDC on charges of 1st degree residential burglary, possession of methamphetamine, and possession of burglary tools. Gang enhancements will also be sought for this suspect.

Subject: Homicide on Le Mans - update

Good morning,

On 9-21-13, Central Homicide Investigators, supported by MVPD Volunteers and 12 MVPD Explorer Scouts searched a field near the intersection of Cottonwood and Moreno Beach in hopes of finding the murder weapon allegedly discarded by the suspect. After only 15 minutes of searching, the handgun was located and collected as evidence.

The recovery of the handgun will be important to the case when it comes to trial. Good work by MVPD Volunteers and Explorers.

Subject: Homicide on Brodiaea - update

Good morning,

The incident I reported to you earlier this morning has been confirmed to be a homicide. The victim appears to have sustained gunshot wounds. He was transported to the hospital, but did not survive his injuries.

The victim's identity has not yet been confirmed, but he is believed to be a 22 year-old resident of Moreno Valley. We are awaiting confirmation of his identity from the Coroner's Office.

The Sheriff's Central Homicide Unit is the primary investigating agency. MVPD Investigations and the SET Gang Unit are providing assistance.

Brodiaea is closed to all traffic between Kings Way and Indian while the investigation is being conducted.

Subject: WEST PACT activity - August

Good morning,

The MVPD representative on the WEST PACT AB 109 compliance team brought the team to Moreno Valley on 4 separate occasions during the month of August 2013. The team conducted 28 parole/probation/PRCS compliance checks and made 8 felony arrests. Arrests included drug sales, violation of probation, violation of parole, felony arrest warrants, and one registered sex offender out of compliance with the terms of his registration.

Subject: Employee Giving Campaign 2013
Attachments: FLYER 2013.pdf

It's hard to believe, but the Employee Giving Campaign begins next week, October 1! We look forward to another amazing campaign with Breakfast Burritos, Denim Days, Earrings with Margaret Williams, Bunco, Department Feud, Silent Auction, Executive Lunch, Snack Basket, and...Chili Cook off! All events give us a chance to share fun times with co-workers in support of a worthy cause.

Our kick-off event is BREAKFAST BURRITOS on Thursday, October 3, 2013, from 8:00 a.m. to 9:00 a.m. in the **City Hall Break Room**.

We need your generous donations to make this event a success. Please contact GINA HENDERSON or LIZ PLAZOLA if you can donate any of the items below:

- Tortillas (GRANDE size only please, smaller sizes too hard to roll)
- Eggs
- Cheese
- Salsa
- Potatoes
- Bacon
- Sausage
- Beans
- Juice in cans or plastic bottles
- Fruit

Thank you for supporting the 2013 Employee Giving Campaign.

This message has been approved by the City Manager.

Tom,

Here is the info regarding the Shred Event:

- The event will involve on-site shredding of documents during the event.
 - Participants will be able to witness their documents being shredded to ensure privacy and proper handling of the documents.
 - Participants will be offered a certificate of destruction confirming that their sensitive documents are properly destroyed.
- Relative to vetting of the vendor that will be performing the on-site shredding, Document Security Solutions-DSS provides shred services for the City of Murrieta and small to medium businesses in Temecula, Menifee and Murrieta.
 - They have provided similar Shedding Event services to the City of Murrieta; Murrieta has provided positive feedback regarding such services.
 - They are National Association for Information Destruction (NAID) certified, a certification available to shredding companies.

Please let me know if you have any other questions regarding this item.

Subject: Community shred Event...

Good afternoon Councilwoman Baca;

When I dropped off my household waste on Friday, I was given a flier advertising a Free Shredding Event on October 12th.

I have a full box of sensitive documents that need to be destroyed, but I'm cautious as to how that's done.

Who is doing the shredding? ... and how has the City vetted them regarding the safekeeping of documents prior to shredding? Will the documents be shredded "on the spot" when I deliver them?? ... or will they be trucked off for shredding elsewhere? (the flier states the importance of getting there early because once the "truck is filled", the event will end)

I would like you to look into this to see how it will be done. I need to know my sensitive information will be kept safe and secure from prying eyes.

I'll await your reply.

Thank you for your service to our community;

CRC MURAL AND PEACE GARDEN MONUMENT
Talking Points for Council Member Victoria Baca
SEPTEMBER 24, 2013

THANK YOU MIKE.

HELLO EVERYONE. I AM VERY EXCITED TO BE HERE TODAY. THIS IS A SPECIAL DAY FOR MORENO VALLEY CITIZENS - FOR THOSE WITH ROOTS IN AND NEAR MORENO VALLEY AND FOR THOSE THAT APPRECIATE THE VALUE OF OUR PAST AS IT PROVIDES THE LAUNCH PAD FOR OUR FUTURE.

ADDITIONALLY, THIS DAY IS SPECIAL FOR THOSE THAT RECOGNIZE THE FUNDAMENTAL NECESSITY OF ART IN OUR LIVES. THE MURALS WE SEE HERE PROVIDE US ALL WITH AN ARTFUL PRESENTATION OF THOSE WHO CAME BEFORE US AND THE FOUNDATION WE WILL GROW ON.

THE CONFERENCE AND RECREATION CENTER MURALS WERE COMMISSIONED IN JANUARY 2012 AFTER A THOROUGH SEARCH FOR DESIGNERS WHO COULD DEVELOP A MURAL THAT WOULD ENCOMPASS THE VARIED ASPECTS OF MORENO VALLEY'S HISTORY. WE WANTED A DEPICTION OF OUR HISTORY FROM THE EARLY SETTLERS OF THE SHOSHONE NATIVE AMERICANS TO TODAY'S NEWEST AMENITIES AND CHARACTERISTICS THAT CONTRIBUTE TO WHO WE ARE AS A COMMUNITY.

CRC MURAL AND PEACE GARDEN MONUMENT
Talking Points for Council Member Victoria Baca
SEPTEMBER 24, 2013

TAKING JUST ONE YEAR FROM COMMISSION TO COMPLETION, THE MURALS WERE FINISHED IN JANUARY 2013. THE FIRST MURAL DEPICTS MARCH FIELD AND THE ALESSANDRO TRAIN STATION, AND OLD MORENO VALLEY SCHOOL.

THE SECOND MURAL REPRESENTS THE EARLY AGRICULTURAL PERIOD, WHICH PRODUCED THOUSANDS OF ACRES OF CHOICE GRAIN AND FRUIT.

THE FINAL MURAL SHOWS THE VARIED CHANGES TO THE LANDSCAPE THAT CAME TO MORENO VALLEY DURING THE 21ST CENTURY, INCLUDING THE REGIONALLY SIGNIFICANT RIVERSIDE INTERNATIONAL RACEWAY - A FOND MEMORY FOR MANY MORENO VALLEY RACE FANS;

THE MORENO VALLEY MALL - A WELL FOUGHT FOR DEVELOPMENT THAT IS OF GREAT IMPORTANCE TO OUR QUALITY OF LIFE AS A CENTER FOR COMMERCE AND RECREATION;

THE C17 AIRCRAFT BASED AT MARCH AIR RESERVE BASE- ANOTHER FEATHER IN THE CAPS OF LOCALS THAT FOUGHT HARD TO INCREASE THE VITALITY OF THE AREA; AND

A DEPICTION OF A FEW OF THE VARIOUS SPORTS AVAILABLE TO CHILDREN AND ADULTS IN MORENO VALLEY. PROUDLY, MORENO VALLEY IS WELL KNOWN FOR STRONG SPORTS PROGRAMS.

CRC MURAL AND PEACE GARDEN MONUMENT
Talking Points for Council Member Victoria Baca
SEPTEMBER 24, 2013

WHILE THE CITY OF MORENO VALLEY INCORPORATED JUST 29 YEARS AGO, YOU CAN SEE THAT THE SHAPING OF OUR GREAT CITY HAS BEEN HAPPENING FOR MORE THAN 125 YEARS, BEGINNING IN THE LATE 1880s AS BURLINGTON NORTHERN SANTA FE LAID THE FIRST RAILWAY LINES AT THE WESTERN EDGE OF THE CITY.

THE HISTORY OF MORENO VALLEY CAN BE FOUND IN MANY PLACES, BUT I WOULD LIKE TO THANK THE MORENO VALLEY HISTORICAL SOCIETY AS THEY ARE THE CITY'S LEADING SOURCE FOR HISTORICAL INFORMATION AND IMAGES. IT'S COMFORTING TO KNOW THAT THERE IS A GROUP OF MORENO VALLEY RESIDENTS SO DEDICATED TO RECORDING AND PRESERVING OUR HISTORY. PLEASE VISIT THEIR WEBSITE TO LEARN MORE ABOUT THE PEOPLE, EVENTS, AND POLITICS THAT HAVE HELPED TO SHAPE WHO WE ARE TODAY.

MORENO VALLEY HAS A STRONG HERITAGE OF COURAGE AND INGENUITY, OF HARDWORK, AND OF COMMITMENT AMONG ITS PEOPLE. YOU CAN SEE THAT HERE IN THE EYES OF THE FARM WORKERS OF YESTERDAY AS WELL AS IN THE EYES OF THOSE WE MEET EVERYDAY HERE IN MORENO VALLEY. WE CAN NOW REFLECT ON THE RESILIENCE OF OUR COMMUNITY EVERYTIME WE COME TO THE CONFERENCE AND RECREATION CENTER - OUR FLAGSHIP PUBLIC FACILITY WHERE RESIDENTS COME TO ENGAGE AND TO GROW.

CRC MURAL AND PEACE GARDEN MONUMENT
Talking Points for Council Member Victoria Baca
SEPTEMBER 24, 2013

I AM SO PLEASED TO BE PART OF THE DEDICATION OF THESE BEAUTIFUL MURALS AND AS A CITY COUNCIL, WE TAKE THIS TIME TO RECOGNIZE THAT THE APPRECIATION OF MORENO VALLEY'S HISTORY IS ESSENTIAL TO MORENO VALLEY'S FUTURE.

I WANT TO EXPRESS MY SINCERE THANKS TO THE PARKS & COMMUNITY SERVICES DEPARTMENT, ESPECIALLY TO YOU, MIKE. THIS DEPARTMENT DELIVERS THE QUALITY OF LIFE ACTIVITIES AND AMENITIES THAT RESIDENTS RELATE TO AND EXPERIENCE. WE ARE PROUD OF SO MANY THINGS WE ACCOMPLISH FOR OUR CITY, AND THIS PROJECT SERVES AS A GREAT EXAMPLE OF CREATIVITY AND COMMITMENT TO COMMUNITY BUILDING AND IMPROVING QUALITY OF LIFE.

FINALLY, I WANT TO THANK MY FELLOW CITY COUNCIL MEMBERS AND THE MORENO VALLEY ARTS COMMISSION FOR YOUR DEDICATION TO THE ARTS AND TO DEVELOPING THE ARTS IN MORENO VALLEY TO ENHANCE OUR QUALITY OF LIFE. MANY THANKS TO EACH OF YOU WHO CONTRIBUTED TO THIS PROJECT AND CONGRATULATIONS TO THE COMMUNITY AS WE DEDICATE THESE MURALS TO EACH AND EVERY CITIZEN OF MORENO VALLEY!

Talking Points for Council Member Victoria Baca
September 24, 2013

WHILE THE CITY OF MORENO VALLEY INCORPORATED JUST 29 YEARS AGO, YOU CAN SEE THAT THE SHAPING OF OUR GREAT CITY HAS BEEN HAPPENING FOR MORE THAN 125 YEARS, BEGINNING IN THE LATE 1880s AS BURLINGTON NORTHERN SANTA FE LAID THE FIRST RAILWAY LINES AT THE WESTERN EDGE OF THE CITY.

THE HISTORY OF MORENO VALLEY CAN BE FOUND IN MANY PLACES, BUT I WOULD LIKE TO THANK THE MORENO VALLEY HISTORICAL SOCIETY AS THEY ARE THE CITY'S LEADING SOURCE FOR HISTORICAL INFORMATION AND IMAGES. IT'S COMFORTING TO KNOW THAT THERE IS A GROUP OF MORENO VALLEY RESIDENTS SO DEDICATED TO RECORDING AND PRESERVING OUR HISTORY. PLEASE VISIT THEIR WEBSITE TO LEARN MORE ABOUT THE PEOPLE, EVENTS, AND POLITICS THAT HAVE HELPED TO SHAPE WHO WE ARE TODAY.

MORENO VALLEY HAS A STRONG HERTIAGE OF COURAGE AND INGENUITY, OF HARDWORK, AND OF COMMITMENT AMONG ITS PEOPLE. YOU CAN SEE THAT HERE IN THE EYES OF THE FARM WORKERS OF YESTERDAY AS WELL AS IN THE EYES OF THOSE WE MEET EVERYDAY HERE IN MORENO VALLEY. WE CAN NOW REFLECT ON THE RESILIENCE OF OUR COMMUNITY EVERYTIME WE COME TO THE CONFERENCE AND RECREATION CENTER - OUR FLAGSHIP PUBLIC FACILITY WHERE RESIDENTS COME TO ENGAGE AND TO GROW.

CRC MURALS DEDICATION
Talking Points for Council Member Victoria Baca
September 24, 2013

I AM SO PLEASED TO BE PART OF THE DEDICATION OF THESE BEAUTIFUL MURALS AND AS A CITY COUNCIL, WE TAKE THIS TIME TO RECOGNIZE THAT THE APPRECIATION OF MORENO VALLEY'S HISTORY IS ESSENTIAL TO MORENO VALLEY'S FUTURE.

I WANT TO EXPRESS MY SINCERE THANKS TO THE PARKS & COMMUNITY SERVICES DEPARTMENT, ESPECIALLY TO YOU, MIKE. THIS DEPARTMENT DELIVERS THE QUALITY OF LIFE ACTIVITIES AND AMENITIES THAT RESIDENTS RELATE TO AND EXPERIENCE. WE ARE PROUD OF SO MANY THINGS WE ACCOMPLISH FOR OUR CITY, AND THIS PROJECT SERVES AS A GREAT EXAMPLE OF CREATIVITY AND COMMITMENT TO COMMUNITY BUILDING AND IMPROVING QUALITY OF LIFE.

FINALLY, I WANT TO THANK MY FELLOW CITY COUNCIL MEMBERS AND THE MORENO VALLEY ARTS COMMISSION FOR YOUR DEDICATION TO THE ARTS AND TO DEVELOPING THE ARTS IN MORENO VALLEY TO ENHANCE OUR QUALITY OF LIFE. MANY THANKS TO EACH OF YOU WHO CONTRIBUTED TO THIS PROJECT AND CONGRATULATIONS TO THE COMMUNITY AS WE DEDICATE THESE MURALS TO EACH AND EVERY CITIZEN OF MORENO VALLEY!

Subject: Employee Giving Campaign 2013

It's hard to believe, but the Employee Giving Campaign begins next week, October 1! We look forward to another amazing campaign with Breakfast Burritos, Denim Days, Earrings with Margaret Williams, Bunco, Department Feud, Silent Auction, Executive Lunch, Snack Basket, and...Chili Cook off! All events give us a chance to share fun times with co-workers in support of a worthy cause.

Our kick-off event is BREAKFAST BURRITOS on Thursday, October 3, 2013, from 8:00 a.m. to 9:00 a.m. in the **City Hall Break Room**.

We need your generous donations to make this event a success. Please contact GINA HENDERSON or LIZ PLAZOLA if you can donate any of the items below:

- Tortillas (GRANDE size only please, smaller sizes too hard to roll)
- Eggs
- Cheese
- Salsa
- Potatoes
- Bacon
- Sausage
- Beans
- Juice in cans or plastic bottles
- Fruit

Thank you for supporting the 2013 Employee Giving Campaign.

CONSENT CALENDAR

Item #	Comments
6B	Ridership Report – 5.7% increase from July 2012. 3.9% increase from August 2012. Worthwhile to note that most of the routes that serve Moreno Valley showed increased ridership. Moreno Valley residents continue to be served well.
6C	On Time Performance – Improved from 91% to 93% comparing July 2012 to July 2013 and 88% to 90% comparing August 2012 to August 2013. Moreno Valley residents continue to be served well.
6G	Productivity Improvement Program - Hit 6/8 PIP targets @ systems-wide level in July and all 8 PIP targets in August. Moreno Valley residents continue to be served well.

Notes: _____

DISCUSSION CALENDAR

Item #	Comments
7	Free Bus Rides on New Year's Eve - Staff recommends to support. Encourages transit ridership by potentially impaired drivers, thereby reducing DUI related traffic collisions. Provides direct benefit to Moreno Valley residents that utilize the transit system.
8	Authorization to Submit the 2013 Title VI of the Civil Rights Act of 1964 Program Report to the FTA - Staff recommends to support. Required as a component of FTA Circular 4702.1b and ensures all Moreno Valley residents are given the same level of service for transit usage.
9	Ratify the 2013 Multi-Funding Call for Projects Grant Applications Submitted to the RCTC under the CMAQ Funding Program - Staff recommends to support. If successful, grants would provide direct benefit to Moreno Valley residents that utilize transit services. The benefits would be derived through a BRT option in Riverside and ITS that will enhance transit service through improved on-time performance, smart phone applications, on-board Wi-Fi, and real-time traveler information dissemination.

Resolution Information

Kathy Savala, Senior Administrative Assistant - Parks Maintenance Division, responded on September 3, 2013:

Dean Ristow, Parks Maintenance Supervisor, contacted Mr. Pinkston on August 27, 2013. He spoke with Mrs. Pinkston and told her that he was going to get the parts needed to fix the backstop on the field on the north side of the park. On 8/30/13 staff repaired the backstop. Mr. Pinkston left a message for Dean Ristow thanking him for his quick response.

Case Information

Issue Category: Parks Maintenance

Issue: Park Maintenance

Council District:

City of Moreno Valley

Council Summary

Issue Description: Please investigate on behalf of Council Member Stewart, contact Mr. Pinkston, and advise the outcome.

8/28/13: Mr. Pinkston emailed Council Member Stewart:

My name is Stanley Pinkston. I live at 10482 Valley Crest Circle. I am a Canyon Springs Little League coach. I have been practicing at the park by Hidden Springs elementary school for the past few seasons. I am requesting Parks & Rec to PLEASE fix the back stop on the field on the north side of the park. The back stop had a very large hole in it. There is also a peice of metal sticking out at the bottom of the structure. The metal is used to tie the bottom of the screen to the frame. These are safety hazzards to all of the kids that play at the park at any time.

I have mentioned this to other coaches that have practiced at the park in the past. This condition has been this way for 7 years based on these discussions. So please, for the safety of the kids, repair this screen as soon as possible.

Thank You,
Stanley Pinkston

Subject: new City Council Member

City staff: tonight the City Council took action to fill the vacancy in Council District 4. They appointed Dr. Yxstian Gutierrez to serve the remainder of the unexpired term (through Dec. 9, 2014.) Dr. Gutierrez is a teacher in the Moreno Valley Unified School District and many City Hall staff may know him as the former owner of Berrybean Café.

I know you join me in welcoming Dr. Gutierrez and wishing him all the best.

Revised 04/23/13

CITY OF MORENO VALLEY NOTICE OF OPENING PLANNING COMMISSION

NOTICE IS HEREBY GIVEN that the City of Moreno Valley is now accepting applications for the Planning Commission. The appointee shall be a bona fide resident of the City of Moreno Valley at the time of appointment and throughout his/her incumbency. Planning Commissioners are compensated \$100 per meeting.

There is one position that needs to be filled:

1 term – March 31, 2015

The appointment to the Planning Commission will be made by the City Council following interviews with selected applicants.

The Planning Commission considers matters pertaining to development and zoning within the City and has decision-making authority pursuant to the Government Code of the State of California. Meetings are scheduled the second and/or fourth Thursday of each month at 7 p.m., City Hall - Council Chamber.

The City Council encourages residents to apply for these positions. Applications are available at the City Clerk's Department, located at 14177 Frederick St., Moreno Valley, California, during regular business hours (7:30 a.m. to 6:00 p.m., Monday through Thursday; closed on Fridays). For further information, please call 951.413.3001.

Applications must be received in the City Clerk's Department no later than 6:00 p.m., Thursday, September 26, 2013.

Development Services Team:

Thanks for all your hard work and commitment to providing great customer service.

Jake LeBlanc, project manager for the 1.5 million square foot Panattoni logistics project at the SWC of Indian Street and Iris Avenue, is providing a pizza lunch this Friday to thank everyone involved in processing his project which pulled building permits this week.

From project submittal to issuance of a certificate of occupancy, I suspect that all of you will have touched this project in some way.

Congratulations! Keep up the good work.

Sincerely,

John

Development Services Team:

Thanks for all your hard work and commitment to providing great customer service.

Jake LeBlanc, project manager for the 1.5 million square foot Panattoni logistics project at the SWC of Indian Street and Iris Avenue, is providing a pizza lunch this Friday to thank everyone involved in processing his project which pulled building permits this week.

From project submittal to issuance of a certificate of occupancy, I suspect that all of you will have touched this project in some way.

Congratulations! Keep up the good work.

Sincerely,

John

Good afternoon,

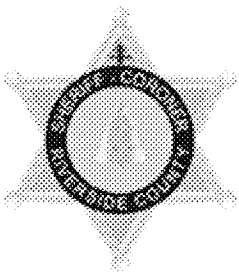

Please see attached photos and press release. This is just one of many programs designed to increase driver awareness and decrease injury and fatal accidents in the city. The operation only lasted one hour, but more than a dozen motorists failed to see the giant Gingerbread Man using the cross walk.

RIVERSIDE COUNTY SHERIFF'S DEPARTMENT
Sheriff Stanley Sniff
Station
Moreno Valley
Agency
Moreno Valley Police

Press Release:

Type of Incident:	Pedestrian Decoy Program		
Date Written:	September 26, 2013	Time Written:	11:15 AM

Date of Incident:	September 26, 2013	Time of Incident:	8:00 AM – 9:00 AM
Location of Incident:	Eucalyptus Avenue x Running Deer Road		
Reporting Officer:	Sergeant Bill Guimont		
File Number:	Various		

Details:

In response to complaints from the public and local crossing guards, the Moreno Valley Traffic Team conducted a Pedestrian Decoy Program today. The Department has received numerous complaints regarding motorists not stopping for pedestrians in various crosswalks and intersections throughout the City. These intersections are utilized for students walking to and from local schools in the area. The California Vehicle Code requires motorists to yield to all pedestrians in a crosswalk.

Today’s operation was conducted at Eucalyptus Avenue X Running Deer Road. This operation is just one aspect of the Department’s Directed Enforcement Program. This program utilized an undercover police officer walking in the crosswalk. In previous operations many of the motorists stopped for these violations said they never saw the pedestrian in the crosswalk. In an effort to make our pedestrian more visible, he was dressed today in a large “Gingerbread Man” outfit. Many motorists who were stopped today said they never saw the “Gingerbread Man” in the crosswalk. Our goal is to make motorists more aware of their surroundings and to be vigilant while driving, especially near schools and crosswalks.

Today during our decoy program, 13 motorists received citations for “failing to yield to a pedestrian in a crosswalk”, and 7 motorists received citations for other traffic related violations.

This program is scheduled to run throughout the year at various locations throughout the city. For additional information the Moreno Valley Police Department Traffic Division may be reached at ()

The Riverside County Sheriff's Department is seeking applicants for Deputy Sheriff, Deputy Sheriff Trainee, Correctional Deputy, Sheriff's 911 Communications Officer, and other employment opportunities such as clerical and support positions. If you are interested in a career with us, please apply at www.joinrsd.org or call 1-888-Join-RSD

Subject: Robbery/Assault with injuries - Arrests

Good evening,

On Wednesday 9-25-13, about 4:24 PM, officers responded to a reported robbery and assault at the Warehouse Shoe Store at 14070 Perris Blvd. The victims reported that two black male adults entered the business with two black male juveniles between the ages of 8 and 10. The suspects separated as soon as they entered the store with the children going to the shoe section and the adults going to the clothing section. The children selected new shoes and put them on while the adults selected several items of clothing. All four subjects met up at the front of the store and attempted to exit the store without paying for the merchandise. The store security officer attempted to prevent them from stealing the merchandise, but the children ran to a vehicle parked just outside the store. One of the adult suspects attacked the security officer, punching him repeatedly and causing him to fall to the ground unconscious.

With suspect and vehicle descriptions provided by witnesses, an officer at the station began checking the Citywide Camera System. The officer was able to locate recorded footage of the suspect vehicle leaving the area westbound. The store manager notified other Warehouse Shoe Stores in the surrounding area of the incident and provided them with descriptions of the suspects and vehicle. About 6:30 PM, the store manager of the Warehouse Shoe Store located at Van Buren and Jackson in the City of Riverside called the Moreno Valley store and indicated the suspects were now at his store and the vehicle was parked outside. MVPD officers investigating the robbery contacted Riverside PD officers and asked for their assistance. RPD officers arrived at the Riverside store and detained the suspects without incident.

Both suspects were positively identified by witnesses and the property stolen from the Moreno Valley store was recovered. Additional apparent stolen property was recovered from the suspect vehicle. The suspects, identified as Bertrell Washington (34) of Riverside and Deontay Anderson (34) of Perris were arrested and booked on charges of robbery, assault with a deadly weapon (hands), and possession of stolen property. The juveniles were released to their mother. The security officer is in stable condition at a local hospital. The Robbery Suppression Team will conduct follow-up investigation to determine if these suspects are responsible for additional crimes in or out of the area.

Solar panels can add more than just value to a home. They help reduce air pollution and greenhouse gases by lowering the use of coal and natural gas for power generation. Home solar power can also lead to long-term energy savings by cutting down on electricity costs.

Resolution Information

City of Moreno Valley

Council Summary

Randall Metz, Fire Marshal, 08/28/13.

The property at 13931 Elsworth is part of the city's State Mandated Multi-Family Residential Housing Inspection Program. Since the fire department did not have adequate owner contact information, an inspection of this four building complex was performed on 7/11/2012. Property manager information was received from an on-site tenant and a message was left on his voice mail to contact the fire department.

On 7/16/2012 the property manager Steve was again contacted with no answer and voice message left to contact the fire department.

On 7/19/2012 the Inspector again contacted Steve and was able to speak with him. He provided the correct owner address for the property, and the inspector advised that he would mail the correction notice to him. Reinspection was set up for 8/23/2012 at 3:15 p.m. with Steve.

On 7/23/2012 a reinspection letter and correction notice was mailed to Steve.

On 8/02/2012 Steve contacted the inspector asking if they could meet on site to discuss violations related to electric meters and security bars. The inspector arranged a site meeting for 8/6/2012 at 9:00 a.m. with Steve.

On 8/6/12 Inspectors met with Steve on site and went over violations. Steve was unaware of the electrical issues at that time. He was advised that reinspection will occur on 8/23/2012.

On 8/23/2012 there was a reinspection with Steve. Corrections are still pending. Reinspection scheduled for 9/27/2012.

On 9/27/2012 it was reinspected as scheduled with no property owner present. All violations cleared. Fire Prevention has not had any scheduled or unscheduled inspections at this location since 9/27/2012.

Case Information

Issue Category: Fire Prevention

Issue: Inspection

Council District: 5

Issue Description: Please investigate Mr. Wang's concerns on behalf of Council Member Baca. Council Member Baca will meet with Mr. Wang once she has the CRM response. There will be two CRMs with this case.

Mr. Wang stated there was a fire inspection on his property, and he was not notified of it.

Incident Description

On September 29, 2013 at 0708, Moreno Valley firefighters responded to a reported gas explosion at 13373 Perris Blvd. The first engine to arrive at scene discovered broken glass and a front door blown out of the bakery. All four occupants of the bakery whom were inside the business at the time of the explosion, were found to have safely evacuated prior to the arrival of the fire department. Fire department personnel assessed the scene, secured the utilities, both gas and electrical. One other adjacent suite was found to have minor damage and unoccupied at the time of the explosion, All occupants were evaluated for injuries and only one had any complaints. After being evaluated by Fire Department Firefighter/Paramedics, all potentially injured occupants denied further treatment or transport to a hospital. Moreno Valley Building and

Incident Description

On September 29th 2013, at approximately 11:31A.M. Units from the Moreno Valley Fire Department were dispatched to the listed address for a reported structure fire. When units arrived at the scene, the report given was light smoke coming from the front of a single story, single family structure. Prior to our arrival, civilians had broken the glass out of the front of the structure where the main body of the fire was and attempted to extinguish the with a garden hose but were unsuccessful. Moreno Valley Fire Department units arrived and after establishing interior operations of search, ventilation and extinguishment, the fire was quickly contained to the front living room area of the structure. There was no extension to any other rooms of the residence. The owners/tenants of the residence were not home at the time of the incident. The Gas and electricity

Subject: 9_23_13 Community Meeting press release

Hi Michele:

Attached is the press release for tonight's meeting. Please review it and if it is okay, then put it on the city's press release format and send to the editor of the PE along with the photos I sent you of this evening's meeting. I would not send to the reporter but to the editor.

Mr. Teague is not a good photographer so you may have better shots. I will be in Sacramento tomorrow but will be available via cell phone if you need me. Thanks for all of your help! We will control the message of this project!

Maria

MV00259094

For Immediate Release:

On September 23, the City of Moreno Valley hosted a community meeting for shareholders in the Box Springs Mutual Water Company's service area. Working in tandem with the private water company, the City of Moreno Valley is seeking funding from the California Department of Public Health to upgrade the ageing water delivery system, parts of which have been there since the 1920s. The residents turned out in force, eager to learn what the city was proposing to do to improve their water distribution system. At the meeting, many residents expressed appreciation for the city's willingness to take the lead in finding grant monies to improve the water distribution of the small water company. "We need to find a solution to the water distribution system now" said Victor Corona who is on the city's Edgemont Water Quality Improvement Task Force. "We can no longer wait" Corona said in an interview. Corona has been instrumental in making sure that the Spanish speaking residents of Edgemont attend monthly community meetings.

Councilmember Victoria Baca, who represents the area, welcomed the large number of residents who attended the meeting at the Edgemont Women's' Club. "We need community buy in for this grant application" she told the audience. Councilmember Baca has taken the lead in finding a solution to this long standing problem. "When I ran for office, it was apparent to me that the community of Edgemont was forgotten and desperately needed help. I felt that this community's lack of an adequate water delivery system was a priority issue which I want to address."

After Councilmember Victoria Baca's welcome, the city staff and consultants outlined the process which they are undergoing to apply for the funding to upgrade the water delivery system.

Earlier this year, the City of Moreno Valley began discussions with stakeholders on how to find ways of upgrading the ageing water delivery system which serves this disadvantaged community.

In order to update the shareholders on what the city is doing in partnership with Box Springs Mutual Water Company, the city recently sent a letter to all shareholders who own property in Edgemont announcing the September 23 community meeting. Monday night's meeting was a significant step in getting the community to become partners with the city's efforts.

Because the majority of the residents are Spanish speaking, the city hired Maria Elena Kennedy, a bilingual outreach consultant who specializes in working with disadvantaged communities. "The residents of Edgemont are very eager to become involved in helping to find a solution to their long standing problems with the water delivery system. They are very appreciative of the city's efforts to engage them in a manner they can understand. The language barrier they have is no longer a problem thanks to Councilmember Baca's recognition that there needed to be a bilingual public outreach program," Kennedy said. Kennedy also praised the Box Springs Mutual Water Company Board of Directors for their willingness to partner with the city to seek grant funding.

During the past months, Councilmember Baca has hosted several small community meetings in Spanish as many of the residents initially complained of the lack of Spanish language communications. Kennedy has been out in the community during the summer talking to the residents with the councilmember. "We learned a lot about the issues the community was concerned about" Baca said. "I want to make sure the Edgemont gets the resources it needs to thrive.

Mayor Tom Owings echoed the sentiment. "_____"

The city's staff will be attending a funding fair in Coachella Valley later this week to discuss the project first hand with the California Department of Public Health.

Business Name: SoCal Physician's Financial Title: Owner/Financial Advisor
Address: 901 Via Piemonte, Suite 210
Ontario, CA 91764

What other areas of interest do you have in our City government?

I would eventually like to run for city council and possibly mayor should the city move to an elected mayor system. Also, I am interested in committees that would deal with the safety of the residents of Moreno Valley.

List any education, training, or special skills, you have which may be relevant or of particular use to this Commission:

I have an MBA, BS in Finance. I complete a program offered by The Pick Group called Board Development Training.

I am a financial advisor and have a strong grasp of financial issues.

List any employment, volunteer work, or membership in a service/community organization that you have served on, or are now a member of. Please provide the name(s) of the agency(ies) and dates served:

I am a financial advisor and have a strong grasp of financial issues. I was president of PIHRA District 11 for one year. I was on the board as a member at large for The Pick Group for two years.

How long have you resided in Moreno Valley? 4 years

Would you be available for meetings during the day or evening?

Why do you wish to serve on this Commission?

Since deciding that Moreno Valley will be my long-term home and having my first child I have become extremely interested in helping shape the future of our city. My mom has lived in Moreno Valley for nearly 10 years and in that time I have seen many ups and downs for the city. I want to part of the solution that helps make Moreno Valley a leader within Riverside County and all of California.

Explain briefly your understanding of what this Commission does, including its powers and limitations.

The commission reviews and makes decision on the future development and zoning for the city of Moreno Valley. It is my understanding that the commission can only make minor decision itself, but the main objective is to advise the city council on decisions that need to be made and how they will impact the city. Decisions would be related to future development projects, streets, and other areas of the city that are impacted by new construction and renovation of old buildings.

Have you attended any meetings of this Commission? If so, how many?

No

What do you hope to accomplish by your participation?

I hope to bring a new perspective to the commission. I want to be the voice of the younger generation that lives within Moreno Valley. I am hoping that through my participation I can help Moreno Valley be a better city for my child to grow up in. Additionally, I hope to gain valuable experience that will help prepare me to run for city council in the future.

Have you ever been convicted of a felony? Yes No

If yes, please explain briefly:

I hereby give my consent that the City may obtain and review, on a confidential basis, such information regarding me as may be contained in the California State Summary Criminal History and in records of the California Department of Motor Vehicles. Yes No

I hereby agree to attend all Commission meetings, unless excused, and understand I may be removed for lack of attendance, pursuant to Municipal Code, Subsection 2.06.010(C) which states, "If a member is absent without advance permission of the board or commission or the appointing authority, from three consecutive regular or from 25 percent of the duly scheduled meetings of the board or commission within any fiscal year, the membership shall thereupon become vacant and shall be filled as any other vacancy."

The Planning Commission considers matters pertaining to development and zoning within the City and has decision-making authority pursuant to the Government Code of the State of California. Meetings Schedule: Second and/or Fourth Thursday of each month at 7 p.m., City Hall - Council Chamber, 14177 Frederick St.

Name: Thomas Thomsley

Home Address: 29177 Stevens Ave., Moreno Valley, 92555

CONFIDENTIAL INFORMATION

Home Phone No. [REDACTED] Driver's License No. [REDACTED]
Work Phone No. [REDACTED] Cell Phone No. [REDACTED]
E-mail Address: [REDACTED]

Business Name: _____ Title: _____

Address: _____

What other areas of interest do you have in our City government?

My primary interests are with the design and development of the built environment to assure the community has diverse opportunities for growth yet sustainability as expected through the General Plan and the development code. This also extends to park planning, trails, roadways, and open space.
As a student of public administration I have concerns about management and budget principles that make for a balanced and fiscally responsible community.

List any education, training, or special skills, you have which may be relevant or of particular use to this Commission:

I have a B.A. in public administration and 18 years experience as a city planner and three year in the private sector preparing environmental documents and specific plans. These jobs required the thorough review of development requested and decision making on their consistency with codes.

List any employment, volunteer work, or membership in a service/community organization that you have served on, or are now a member of. Please provide the name(s) of the agency(ies) and dates served:

City of Fontana 6/89 - 1/93
City of Sierra Vista 9/94 - 11/96
City of Loma Linda 11/96 - 6/97
City of Temecula 5/98 - 11/03 Webb Associates 5/05 - 10/08

How long have you resided in Moreno Valley? Fourteen years.

Would you be available for meetings during the day or evening?

Why do you wish to serve on this Commission?

There is a great need to have commissioners that have an understanding of planning regulations, state law, and developer expectations. Having worked in the field for almost 22 years I have full understanding of these principles and a desire to serve and represent the citizen of the city to assure that they get the best of they can in the built environment we call home.

Explain briefly your understanding of what this Commission does, including its powers and limitations.

Planning commissioner are responsible for reviewing development proposal and planning regulations of their community. With development proposal they are to consider the merits of a project in relation to the planning regulations, CEQA law, and city standards. They have the power to approve, deny, or condition project proposals within the scope of planning law. They also have the ability to request consideration of improved or modified regulations but can not impose these items until they are adopted as city regulations or standards.

Have you attended any meetings of this Commission? If so, how many?

Yes, many times as a citizen and a staff member. Community resident 20+ times.

What do you hope to accomplish by your participation?

I would hope to bring my experience and a broader view to the commission. At time it seems that commissioner don't grasp the planning concepts at play with certain development proposal and they make comments causing one to wonder if they truly know how to apply the standards or what relevant questions they should be asking. It seems that the make up of the current commission is of the same mind set and I would like to engage them to think out of the box or at least view it differently.

Have you ever been convicted of a felony? Yes No

If yes, please explain briefly: _____

I hereby give my consent that the City may obtain and review, on a confidential basis, such information regarding me as may be contained in the California State Summary Criminal History and in records of the California Department of Motor Vehicles. Yes No

I hereby agree to attend all Commission meetings, unless excused, and understand I may be removed for lack of attendance, pursuant to Municipal Code, Subsection 2.06.010(C) which states, "If a member is absent without advance permission of the board or commission or the appointing authority, from three consecutive regular or from 25 percent of the duly scheduled meetings of the board or commission within any fiscal year, the membership shall thereupon become vacant and shall be filled as any other vacancy."

CERTIFICATE OF APPLICANT: I certify that all statements in this application are true and complete to the best of my knowledge. I understand that any false statements of material fact will subject me to disqualification or dismissal if appointed. I release the City of Moreno Valley from any liability for the use of aforesaid information.

PLANNING COMMISSION

Membership Application Form

CITY CLERK
MORENO VALLEY
RECEIVED

13 SEP 17 AM 7:57

For City Clerk's Use
Stamp Date and Time Received

The Planning Commission considers matters pertaining to development and zoning within the City and has decision-making authority pursuant to the Government Code of the State of California. Meetings Schedule: Second and/or Fourth Thursday of each month at 7 p.m., City Hall - Council Chamber, 14177 Frederick St.

Name: Carla Thornton

Home Address: 24826 Sundial Way, Moreno Valley, CA, 92557

CONFIDENTIAL INFORMATION

Home Phone No.: [REDACTED] Driver's License No.: [REDACTED]

Work Phone No.: [REDACTED] Cell Phone No.: [REDACTED]

E-mail Address: [REDACTED]

Business Name: United States Air Force Reserve Title: Sexual Assault Victim Advocate

Address: March Air Reserve Base

What other areas of interest do you have in our City government?

I have many interest in our cities government . These interest include, identifying important community issues, the enviornment and establishing goals and policies for directing and managing future development.

List any education, training, or special skills, you have which may be relevant or of particular use to this Commission:

EDUCATION- Masters of Social Work, University of Southern California, Masters in Management, University of Redlands, Bachelors in Social Science, University of Maryland University College, Associates in Logistics, Community College of the Air Force

SKILLS- Legislative & Policy Analyst, Grant Writing, Research, Program Management, Conflict Management and Diversity Trainer

List any employment, volunteer work, or membership in a service/community organization that you have served on, or are now a member of. Please provide the name(s) of the agency(ies) and dates served:

Community Involvement- Enviornmental and Historical Preservation Board Member, City of Moreno Valley, 2011-PRESENT

Sexual Assault Victim Advocate, United States Air Force Reserves. 2009-Present

Employment- United States Air Force Reserves 2009- PRESENT, United States Air Force (ACTIVE DUTY) 1997-2008

How long have you resided in Moreno Valley? 19 Years

Would you be available for meetings during the day or evening?

Why do you wish to serve on this Commission?

I have interest in joining the commission to assist Moreno Valley in planning for the future, and assist in setting our cities development direction. I would be honored to assist the commission in identifying community issues, direction of growth and project future demands and promoting our interest to the general public.

Explain briefly your understanding of what this Commission does, including its powers and limitations.

The Planning Commission oversees development and makes recommendations on matters concerning city zoning. From my understanding the commission votes and makes recommendations to the City Council. The council may choose to follow the recommendations of the commission or not. They may also reverse or modify commission actions or send proposals back to the commission for further review.

Have you attended any meetings of this Commission? If so, how many?

no

What do you hope to accomplish by your participation?

If I were selected to join the commission, I hope to contribute by providing a perspective on decisions made from a Social Work perspective on how decisions impact individuals and communities. From economic issues, residential to business. Community "buy-in" is essential in continuing to make Moreno Valley a great place to live. I would be honored to be a part of that and would gather, analyze and recommend options to the City Council from a social perspective.

Have you ever been convicted of a felony? Yes No

If yes, please explain briefly:

I hereby give my consent that the City may obtain and review, on a confidential basis, such information regarding me as may be contained in the California State Summary Criminal History and in records of the California Department of Motor Vehicles. Yes No

I hereby agree to attend all Commission meetings, unless excused, and understand I may be removed for lack of attendance, pursuant to Municipal Code, Subsection 2.06.010(C) which states, "If a member is absent without advance permission of the board or commission or the appointing authority, from three consecutive regular or from 25 percent of the duly scheduled meetings of the board or commission within any fiscal year, the membership shall thereupon become vacant and shall be filled as any other vacancy."

CERTIFICATE OF APPLICANT: I certify that all statements in this application are true and complete to the best of my knowledge. I understand that any false statements of material fact will subject me to disqualification or dismissal if appointed. I release the City of Moreno Valley from any liability for the use of aforesaid information.

How long have you resided in Moreno Valley? Since 1985, 27 yrs

Would you be available for meetings during the day or evening?

Why do you wish to serve on this Commission?

To accomplish and maintain high standards level of city development of industry, housing and all related projects for future generations.

Explain briefly your understanding of what this Commission does, including its powers and limitations.

Planning is a strategy in directing a proper solution in Land Use & Development, by working with the community in drafting a comprehensive plan for the purpose of a future vision, in submitting to the local legislative body. The Planning Commission is limited by the conditions allowed by the City Council.

Have you attended any meetings of this Commission? If so, how many?

No.

What do you hope to accomplish by your participation?

In enhancing the planning towards the right direction and with maintaining an aesthetical cosmetic attraction in the contribution in growth of the city.

Have you ever been convicted of a felony? Yes No

If yes, please explain briefly:

Solar panels can add more than just value to a home. They help reduce air pollution and greenhouse gases by lowering the use of coal and natural gas for power generation. Home solar power can also lead to long-term energy savings by cutting down on electricity costs.

Subject: Employee Giving Campaign 2013
Attachments: FLYER 2013.pdf; flyer.pdf; flyer.pdf

Today is the official kick off of the Employee Giving Campaign. We are very excited about the events we have planned for the month.

Our first event will be **BREAKFAST BURRITOS** Thursday, October 3, in the City Hall Employee Break Room. The cost is \$5.00 for a burrito, juice and fruit. We'll begin serving at 8:00 a.m. If you'd like to donate an item, please contact Gina Henderson.

Our second event will be **DENIM DAYS** the week of October 7 – 10, 2013. Tickets are on sale now. **Something new this year is a "no tie" provision.** You can wear a business casual shirt and denim for \$7.50 per day, or \$20.00 for the week (what a deal!!!). If you prefer to wear your tie, tickets are \$5.00 per day, or \$15.00 for the week.

On October 10, 2013, **Margaret Williams** will be holding a class on how to make a beautiful pair of earrings. Please contact Margaret if you're interested.

Visit our website to view a calendar of all events <http://seattle/moval/EmployeeGiving2013.shtml>.

Please let me know if you have any questions.

Thank you for supporting the 2013 Employee Giving Campaign.

This message has been approved by the City Manager.

The Honorable Tom Owings
Mayor
City of Moreno Valley
14177 Frederick Street,
Moreno Valley, California 92553
tomo@moval.org

Dear Mayor Owings:

I am pleased to invite you to the Grand Re-opening of our Moreno Valley Food 4 Less store on Wednesday, October 2, 2013. This beautifully remodeled store, located at 24440 Alessandro Boulevard, offers enhanced product selection, services, and jobs to residents of this community.

Food 4 Less is the nation's largest price-impact supermarket chain. Our shopper-friendly stores offer consumers quality, selection and one-stop-shopping convenience at prices well below conventional supermarkets.

As a community leader, you are invited to take part in the following:

**Food 4 Less Moreno Valley
Grand Re-Opening Celebration & Ribbon Cutting
Wednesday, October 2 -- 8:00 a.m.
Arrival time -- 7:45 a.m.**

We hope you will be able to attend this grand re-opening celebration for our remodeled Moreno Valley Food 4 Less. Please confirm your attendance to Barbara Janeway at [REDACTED] by Monday, September 30.

Sincerely,

Bryan Kaltenbach

President

Food 4 Less

Food 4 Less Announces Grand Reopening of its Moreno Valley/Alessandro Blvd. Supermarket

*Remodeled Food 4 Less brings new services,
fresh food, low prices and jobs to the community*

- Supermarket is located at 24440 Alessandro Boulevard
- Remodeled Food 4 Less to employ more than 95, including 36 newly-hired Associates from the community
- One-stop shopping convenience with new and expanded departments including bakery, deli, fresh meat & seafood
- Store to present a \$2,500 donation to Moreno Valley High School

MORENO VALLEY, CA – (October 1, 2013) – Continuing its extensive and ongoing reinvestment in its supermarkets, Food 4 Less will unveil its latest remodeled store in Moreno Valley on Wednesday, October 2 following a brief ribbon-cutting ceremony at 7:45 a.m. The remodeled store is conveniently located at 2440 Alessandro Boulevard and is open daily from 6 a.m. to midnight. It will provide Moreno Valley residents with one-stop shopping convenience, quality products and services at Food 4 Less' everyday low prices.

The remodel will allow for a larger selection of merchandise for customers. New departments include fresh produce, bakery, deli, meat and seafood.

"I'm excited to greet customers and show them around our newly remodeled Alessandro Boulevard store," said Store Manager Rick Moshier. "Our goal is to be the best supermarket in the area by offering our customers great service, selection and quality foods at exceptional value."

A \$2 million investment in Moreno Valley

Food 4 Less invested more than \$2 million in upgrades and enhancements to its Alessandro Boulevard supermarket. Based on shopper requests and input, the remodeled store now offers an expanded selection of products and services, including an abundance of fresh produce; a fully staffed meat department featuring the high quality meats; a fresh seafood department; a bakery featuring fresh breads, rolls and desserts; and a service delicatessen with items for shoppers on the go.

Bringing Jobs to the Community

The Moreno Valley/Alessandro Boulevard Food 4 Less employs approximately 95 full- and part-time associates, including 36 new positions created by the remodel.

Like many Food 4 Less associates, Store Manager Moshier began his career as a part-time Customer 1st Clerk in 1978. He joined Food 4 Less in 1995 and was promoted to Store Manager in 1996. He has been managing the Alessandro Boulevard store since 2007.

"We would like to welcome the community to come out see our remodeled store which includes many fresh food options and services to save money," said Moshier. "This store hasn't had an update in many years. With this remodel, we've considered everything local residents want and created a store for the entire community."

Grand Reopening Events

The remodeled Moreno Valley/Alessandro Boulevard Food 4 Less will host a grand re-opening celebration at 7:45 a.m. on

- more -

Wednesday, October 2. Food 4 Less officials, store associates and local dignitaries will participate in a ribbon-cutting ceremony. The Moreno Valley High School Pep Squad will also perform at the grand re-opening ceremony. Other special events include product giveaways and samplings through the weekend.

Community Organizations to Benefit from Grand Reopening Grants

The store's grand re-opening celebration will include the presentation of a \$2,500 grant from Food 4 Less to Moreno Valley High School.

About Food 4 Less

Headquartered in Los Angeles, Food 4 Less operates 146 price-impact, warehouse-format supermarkets under the banners Food 4 Less in Southern California, Nevada, Illinois and Indiana, and Foods Co in Central and Northern California. Last year, Food 4 Less and Foods Co combined to contribute more than \$4 million to support education, hunger relief, women's health and local nonprofit organizations. Food 4 Less is a subsidiary of The Kroger Co., (NYSE:KR), one of the nation's largest grocery retailers, headquartered in Cincinnati, Ohio. For more information about Food 4 Less, please visit our website at www.food4less.com.

It will provide Moreno Valley residents with one-stop shopping convenience, quality products and services at Food 4 Less' everyday low prices.

The remodel will allow for a larger selection of merchandise for customers. New departments include fresh produce, bakery, deli, meat and seafood.

"I'm excited to greet customers and show them around our newly remodeled Alessandro Boulevard store," said Store Manager Rick Moshier. "Our goal is to be the best supermarket in the area by offering our customers great service, selection and quality foods at exceptional value."

A \$2 million investment in Moreno Valley

Food 4 Less invested more than \$2 million in upgrades and enhancements to its Alessandro Boulevard supermarket. Based on shopper requests and input, the remodeled store now offers an expanded selection of products and services, including an abundance of fresh produce; a fully staffed meat department featuring the high quality meats; a fresh seafood department; a bakery featuring fresh breads, rolls and desserts; and a service deli with items for shoppers on the go.

Bringing Jobs to the Community

The Moreno Valley/Alessandro Boulevard Food 4 Less employs approximately 95 full- and part-time associates, including 36 new positions created by the remodel.

Like many Food 4 Less associates, Store Manager Moshier began his career as a part-time Customer 1st Clerk in 1978. He joined Food 4 Less in 1995 and was promoted to Store Manager in 1996. He has been managing the Alessandro Boulevard store since 2007.

"We would like to welcome the community to come out see our remodeled store which includes many fresh food options and services to save money," said Moshier. "This store hasn't had an update in many years. With this remodel, we've considered everything local residents want and created a store for the entire community."

Grand Reopening Events

The remodeled Moreno Valley/Alessandro Boulevard Food 4 Less will host a grand re-opening celebration at 7:45 a.m. on

Wednesday, October 2. Food 4 Less officials, store associates and local dignitaries will participate in a ribbon-cutting ceremony. The Moreno Valley High School Pep Squad will also perform at the grand re-opening ceremony. Other special events include product giveaways and samplings through the weekend.

Community Organizations to Benefit from Grand Reopening Grants

The store's grand re-opening celebration will include the presentation of a \$2,500 grant from Food 4 Less to Moreno Valley High School.

About Food 4 Less

Headquartered in Los Angeles, Food 4 Less operates 146 price-impact, warehouse-format supermarkets under the banners Food 4 Less in Southern California, Nevada, Illinois and Indiana, and Foods Co in Central and Northern California. Last year, Food 4 Less and Foods Co combined to contribute more than \$4 million to support education, hunger relief, women's health and local nonprofit organizations. Food 4 Less is a subsidiary of The Kroger Co., (NYSE:KR), one of the nation's largest grocery retailers, headquartered in Cincinnati, Ohio. For more information about Food 4 Less, please visit our website at www.food4less.com.

EMPLOYEE OF THE QUARTER, 2ND QUARTER 2013

The Facilities Division (Rix Skonberg, Alice Rod, Jasmin Rivera, Adam Patino, Daphne McKinney, Frank Kim, Hector Gomez and Javier Ponce) and the Technology Services & Networking Division (David Ebarra, Joe Lara, Nick Thouas, Robert Silva and Mark Kirks) have done an exceptional job with the move from City Hall to Annex 4 and back again for the renovation of the City Hall's 2nd floor. They have shown patience in dealing with everyone's requests for their individual work areas. All of those involved have responded with positive attitudes. They've met every circumstance with a smile and easy-going approach which helped decrease the stress and frustration of those moving. The Technology Services and Networking Division also did an outstanding job moving computers and running cable when staff was moved back and forth during the process. Again the team from TS was accommodating and extremely helpful.

Please join us in congratulating the Facilities and Technology Services & Networking Divisions in their successful collaboration as our Employees of the 2nd Quarter of 2013.

Thank you,

Subject: Home Invasion Robbery - Arrests

Good afternoon,

On 10-01-13 about 9:27 PM, officers were dispatched to a residence in the 22000 block of Scotia reference an attempted home invasion robbery. The victim, a 70 year old female, was home alone when she observed four males attempting to break into her residence. One was carrying a handgun. The victim yelled at the suspects and warned them she was armed and had called the police. Patrol officers arrived very quickly and encountered the suspects as they attempted to flee on foot. Officers established a perimeter around the area and took all four suspects into custody. The handgun used by the suspects, a loaded 9mm semi-auto pistol, was located and recovered close to where the suspects were taken into custody.

The suspects arrested are as follows:

Stevie Crumb (22) of San Bernardino
Alfonso Butler (21) of San Bernardino
Lavonte Crumb (20) of San Bernardino
Marian Parker (20) of Victorville

The victim was not injured and the suspects did not gain entry to the residence. The victim is a medical marijuana patient who grows her own medicinal marijuana. This may be why the victim was targeted by the suspects. All four suspects were booked into RPDC on charges of attempted home invasion robbery, conspiracy to commit robbery, being armed in the commission of a felony, elder abuse, and possessing a firearm with the serial number removed. Because of the violent nature of the crime, bail enhancements to \$500,000 were requested for all four suspects.

Subject: School Burglary and Strong Arm Robberies - Multiple Arrests

Good afternoon,

On 9-29-13 about 7:13 PM, officers responded to Palm Middle School reference a burglar alarm. On arrival, they discovered a legitimate burglary with significant damage. Suspects stole two golf carts and used them to smash through a glass and metal door, causing extensive damage. One of the stolen golf carts was recovered a short while later, but the other remained missing.

On 9-30-13, officers responded to the area of Parkland X Heacock reference several juvenile males riding on a golf cart. On arrival, officers spotted the vehicle and suspects. The suspects abandoned the golf cart and fled on foot. After a foot pursuit and a search of the area, two juvenile male suspects were taken into custody. Further investigation by the Burglary/Robbery Suppression Team identified a third juvenile suspect. Additionally, the 17 year-old suspect confessed to three unsolved strong-arm robberies in the area of Hemlock x Perris. The 13 year-old suspect confessed to one strong-arm robbery in the area of Sunnymead Ranch x Old Lake Drive. All four robberies were committed against other juveniles and involved the theft of cellular telephones. BST/RST officers located one of the stolen cell phones at a local indoor swap meet and returned it to the victim. Both suspects were booked into Riverside Juvenile Hall on multiple felony counts.

On 10-01-13, RST/BST served a search warrant at an apartment in the 12200 block of Lamos Place reference the school burglary and theft of the golf carts. Nothing of evidentiary value was located and the third suspect was not home. Officers spotted the third suspect, a 17 year-old male, in the area of Hemlock and Perris. He fled on foot but was quickly apprehended. Under Miranda, he confessed to his part in the burglary and theft of the gold carts and implicated two of his co-conspirators. The suspect was booked into Riverside Juvenile Hall on charges of burglary, conspiracy, auto theft, and violation of probation.

RST/BST officers responded to a residence in the 12000 block of Orchid and contacted the two co-conspirators. The 14 and 16 year-old brothers confessed to their stealing and riding in the gold carts with the other suspects. Charges will be sought against these two suspects via the Juvenile Court. All suspects involved in the burglary of Palm Middle School and theft of the golf carts have now been identified, arrested, and/or charged for this crime.

Subject: Stolen Vehicle Recovered - Chop Shop Discovered

Good afternoon,

Today about 12:00 PM, officers homed in on a Lojak hit in the area of Iris and Perris Blvd. The vehicle in question had been reported stolen to Riverside Police Department 20 minutes earlier from the Walmart parking lot on the west side of Day Street. The Sheriff's helicopter and MVPD ground units searched the area using Lojak tracking equipment and soon spotted the stolen vehicle leaving a residence in the 24000 block of Iris Avenue. The stolen vehicle was stopped and one suspect was taken into custody after a brief foot pursuit. A second suspect was contacted at the residence and detained for further investigation. Officers discovered two additional stolen vehicles inside a barn/garage on the property. Both vehicles were in the process of being stripped. The Riverside Auto Theft Interdiction Detail (RAID) assumed the investigation. Both suspects will ultimately be booked into RPDC on multiple charges including vehicle theft, possession of stolen property, and possession of methamphetamine. The investigation is continuing and may lead to additional arrests and seizures.

Box Springs Mutual Water Company Report from Community Meeting

The City of Moreno Valley is leading the charge to upgrade waterlines in the disadvantaged community of Edgemont, within the City's boundaries. The City hosted a community meeting on September 23 with shareholders in the Box Springs Mutual Water Company (the Company) to provide an update on the City's partnership with the Company. Residents turned out in force, eager to hear about the City's plan to help the Company improve their aged water distribution system, parts of which have been there since the 1920s.

At the meeting, many residents expressed appreciation for the City's willingness to take the lead in searching for grant monies to improve the water distribution of the small water company. "We need to find a solution to the water distribution system now" said Victor Corona who is on the Edgemont Water Quality Improvement Task Force. "We can no longer wait" Corona said in an interview. Corona has been instrumental in making sure that the Spanish speaking residents of Edgemont attend the community meetings.

City Council Member Victoria Baca, who represents the area, welcomed the large number of residents who attended the meeting at the Edgemont Women's Club. "We need community buy-in for this grant application" she told the audience. Council Member Baca has taken the lead in finding a solution to this long-standing problem. "When I ran for office, it was apparent to me that the community of Edgemont was forgotten and desperately needed help. I felt that this community's lack of an adequate water delivery system was a priority issue which I want to address." Since winning her Council seat, Councilmember Baca has hosted small Edgemont community meetings in both English and Spanish to expand the outreach to all residents, especially those who initially complained of the lack of Spanish language communications.

Because many of the residents are Spanish speaking, the City hired Maria Elena Kennedy of Kennedy Communications, a bilingual outreach consulting firm that specializes in working with disadvantaged communities. "The residents of Edgemont are very eager to become involved in helping to find a solution to their long standing problems with the water delivery system. They are very appreciative of the City's efforts to engage them in a manner they can understand. The language barrier some have is no longer a problem

News Release

thanks to Councilmember Baca's recognition that there needed to be a bilingual public outreach program," Kennedy said. Kennedy also praised the Box Springs Mutual Water Company Board of Directors for their willingness to partner with the City to seek grant funding.

Kennedy and the Council Member have been out in the community during the summer talking to the residents. "We learned a lot about the issues the community was concerned about" Baca said. "I want to make sure the Edgemont area gets the resources it needs to thrive." Mayor Tom Owings echoed the sentiment. "We are determined to find a solution to Moreno Valley's infrastructure challenges in the Edgemont area. Upgrading the water distribution system paves the way for the City to begin prioritizing street improvements." The City has long postponed street improvements in the area served by Box Springs Water because the Company's waterlines were too deteriorated and/or undersized to survive construction.

For more information about the Edgemont waterline improvement project, contact Michele Patterson, Assistant to the City Manager, at 951-413-3030.

Subject: Home Invasion Robbery

Good afternoon,

Today about 12:43 PM, officers were dispatched to a residence in the 14000 block of Morningside Drive reference a home invasion robbery just occurred. On arrival, they contacted the victim, a 61 year-old Hispanic female. She reported that after returning home from the grocery store today, she heard a knock on her front door. She opened the door and was confronted by two Hispanic male suspects brandishing a handgun. They forced the victim into the residence, took her purse and other as yet unidentified property, and fled the area in a white 4 door sedan. The victim was not injured during the incident.

The Robbery/Burglary Suppression Team responded along with a Forensic Technician to process the scene and continue the investigation. The Citywide Camera System is being reviewed for possible leads on the suspects and their direction of travel after the robbery. I'll update you if more information becomes available.

Subject: Open Enrollment is going on now.....

Good morning,

The annual Open Enrollment period for Calendar Year 2014 is going on now through October 10, 2013. During this period, you can take the following actions (with an effective date of January 1, 2014):

- Enroll or change medical coverage
- Waive medical coverage (with proof of other medical coverage)
- Enroll, change or cancel dental coverage
- Update dependent enrollment in vision coverage
- Add or drop coverage for:
 - Spouse or registered domestic partner
 - Children (up to age 26 for medical, dental and vision)
- Select, change or cancel supplemental insurance coverage
- Enroll or re-enroll into the Flexible Spending Account (for qualifying health or dependent care expenses)
- Purchase additional Annual Leave (per terms of the City's Personnel Rules and Regulations)

Here is some additional key information to assist you with this year's process:

- **All open enrollment changes must be completed by Thursday, October 10, 2013.**
- You must re-designate Flex spending accounts and purchase of annual leave each year; any prior election for these benefits in 2013 cannot be carried into 2014.
- **To make the Open Enrollment process automated and streamlined this year, Benefit elections will be made online through the City's E-Suite application. All employees will login to E-Suite, to make their benefit changes.**

- Once the open enrollment period ends, Human Resources will generate a Benefit Confirmation Statement for each employee to review, sign and return to Human Resources.
- All open enrollment changes will be effective January 1, 2014.
- **The 2014 medical, dental and vision rates are attached to this email**

We remain committed to providing you with the assistance you need as you make important choices regarding Benefits for you and your family members. HR Staff members, along with a representative from Colonial Supplemental Insurance will be on-site the following days and times:

Thursday, September 26 th	10:00 AM – 1:00 PM	City Hall
	2:00 PM – 4:30 PM	City Yard
Thursday, October 3 rd	10:00 AM – 1:00 PM	City Hall
	2:00 PM – 4:30 PM	City Yard

If you have any questions regarding your benefits or need any assistance making your open enrollment changes, please contact a member of your Human Resources team:

Bridgette Montgomery - [REDACTED] bridgettem@moval.org Kim Schmitz
- 413-3048 kims@moval.org

We look forward to assisting you in accessing the full range of benefits provided to you as a City of Moreno Valley employee.

Victoria:

Please advise if you would like to schedule a meeting.

I contacted John Terrell – He advised there was a contact from the VFW regarding this issue that Denise Bagley is following up on. John also stated there are no existing City programs that would assist this type of project. The VA may be a possible source of program funding, but City staff is not versed in those programs.

Thanks,

Cindy

Subject: Frank Contreras - [REDACTED] / Rick Martinez - [REDACTED]

Frank Contreras and Rick Martinez stopped by to see if they could speak to Council Member Baca to discuss their VFW Post 547, currently located at 22616 Alessandro, and the possible relocation of their Post to the old PH Woods on Alessandro.

The two gentlemen would like to sit down and discuss the options of how to receive assistance financially from the City or organize a way to receive donations to help with the costs associated with the relocation of the Post.

They stated they are a 501(c)(9) and have many programs like the Children's Essay and the Voice of Democracy to mention a couple. For your information the two gentlemen were advised by Neighborhood Services staff that the assistance programs are no longer being funded by the State or Grants.

Mr. Contreras resides at 23306 Dewdrop Circle in District 5; Mr. Martinez resides at 11361 Mar El Street in District 3.

What other areas of interest do you have in our City government?
MVTV 3

List any education, training, or special skills, you have which may be relevant or of particular use to this Board:

Public Speaking: Have hosted & co-produced Midday Magic a children's TV show. Hosted, wrote & produced several radio shows. Wrote, directed & was talent for 3 TV commercials. Have done stage work across the county. My wife and I have written a published a book.

List any employment, volunteer work, or membership in a service/community organization that you have served on, or are now a member of. Please provide the name(s) of the agency(ies) and dates served:
For ten years (2000-2010) Pastored 12th Rock Christian Ministries which was a food ministry and feed up to 600 people a week. Currently (2012-current) the Vice President of The California Writers Club.

Was the cooking support for the Moreno Valley Breakfast with Santa for over 5 years now.

How long have you resided in Moreno Valley? 10 years

Would you be available for meetings during the day or evening? Some day.

Why do you wish to serve on this Board?
As I understand, the board is to help bring beauty to Moreno Valley through projects and events.

Beauty can come from a combination of infinite diversity in Infinite combinations and because I am a very creative and talented person I believe I can serve the community through what I can do on the board. I have always enjoyed creating art through many different forms and I believe I would be of great benefit to the board and the community by being on the board.

Explain briefly your understanding of what this Board does, including its powers and limitations. To bolster city pride through many paths such as creating events to promote art, through education of the citizens in art, through projects that promote art in the city.

The Arts Commission must go through city channels such as the city council, the cities lawyer and other departments to ensure safe and smooth ventures from the commission.

Attendance of at least one (1) meeting is required prior to the appointment.
Date(s) of the meeting(s) attended: Feb 28th 2013

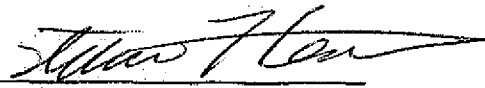

What do you hope to accomplish by your participation?
I believe that I can bring new and creative ways to help the current events and bring new events and education to the city.

Have you ever been convicted of a felony? Yes No
If yes, please explain briefly: _____

I hereby give my consent that the City may obtain and review, on a confidential basis, such information regarding me as may be contained in the California State Summary Criminal History and in records of the California Department of Motor Vehicles. Yes No

I hereby agree to attend all Board meetings, unless excused, and understand I may be removed for lack of attendance, pursuant to Municipal Code, Subsection 2.06.010(C) which states, "If a member is absent without advance permission of the board or commission or the appointing authority, from three consecutive regular or from 25 percent of the duly scheduled meetings of the board or commission within any fiscal year, the membership shall thereupon become vacant and shall be filled as any other vacancy."

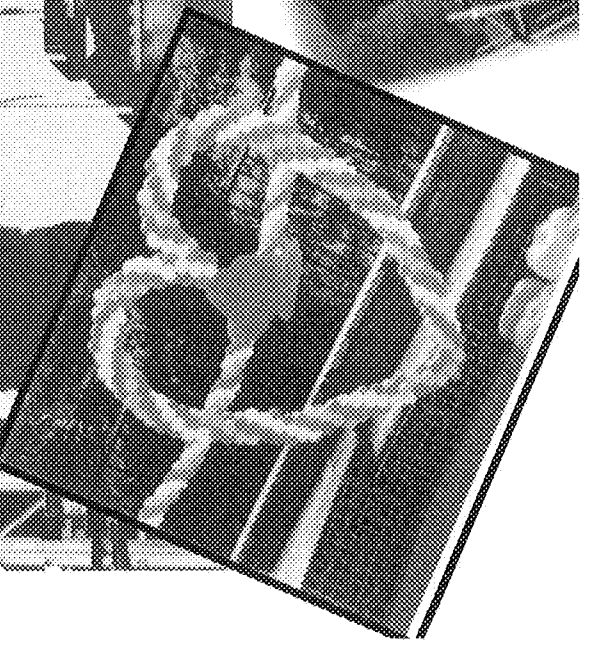

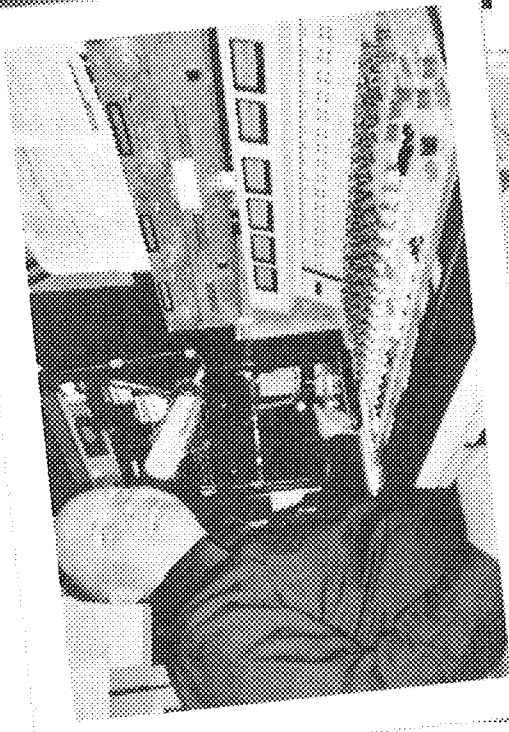

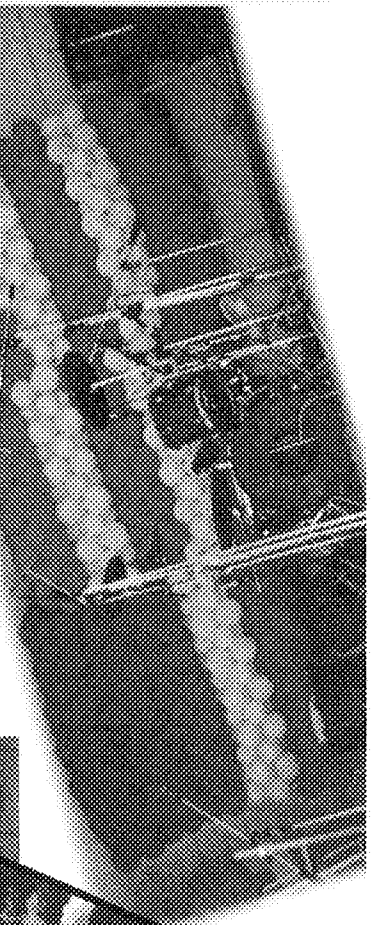

CERTIFICATE OF APPLICANT: I certify that all statements in this application are true and complete to the best of my knowledge. I understand that any false statements of material fact will subject me to disqualification or dismissal if appointed. I release the City of Moreno Valley from any liability for the use of aforesaid information.

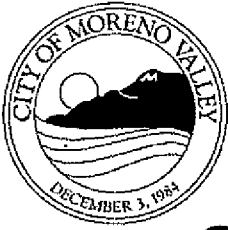

Signature

Address: 701 S. DUPONT ST, ONTARIO CA 91761

What other areas of interest do you have in our City government?
PLANNING COMMISSION, PARKS AND RECREATIONS AND ENVIRONMENTAL AND HISTORIC PRESERVATION

List any education, training, or special skills, you have which may be relevant or of particular use to this Board:

MASTERS BUSINESS ADMIN, AVIATION MANAGEMENT; RETIRED U.S. AIR FORCE (E-6), INFORMATION MGMT;
25 YEARS EXPERIENCE IN PHOTOGRAPHY, WITH 13 YEARS WORKING FOR PARAMOUNT STUDIOS IN HOLLYWOOD, CA.

List any employment, volunteer work, or membership in a service/community organization that you have served on, or are now a member of. Please provide the name(s) of the agency(ies) and dates served:

CURRENT: CORRECTIONAL COUNSELOR/OFFICER FOR CDCR (8 YEARS),
U.S. AIR FORCE RETIRED (22 YEARS) IN INFORMATION MANAGEMENT/RECRUITING SERVICE
PHOTOGRAPHY AND ART APPRECIATION EXPERIENCE.

How long have you resided in Moreno Valley? SINCE 2003.

Would you be available for meetings during the day or evening?

Why do you wish to serve on this Board?

I'm currently enrolled in a Community Relations class, what I am learning is that in order to effect change within my community, I have to be apart of it. My ambition has always been to contribute to my community in some small part, this class has motivated me to put my thoughts into action and truly contribute my time to the community of Moreno Valley and my experience in Photography makes me a good match for the Arts Commission.

Explain briefly your understanding of what this Board does, including its powers and limitations.

It considers matters pertaining to the city in terms of Art and the appreciation of Art. To arrange opportunities for our local artist to show their talents, as well as, enlightning the community through education and art activities for both young kids and adults. The Commission reviews and considers proposed gifts, research and provide recommendatons of possible sources of funding. Powers are limited to review and recommendations to the City Council.

Attendance of at least one (1) meeting is required prior to the appointment.

Date(s) of the meeting(s) attended: 4/25/2013

What do you hope to accomplish by your participation?

I hope to contribute my experience and knowledge that I have acquired from working in the Air Force, as well as, the experience I had from working in Hollywood and interacting with both executives and celebrities. Finally, I just truly love art and the creativity that goes into the concept of art from both young and old.

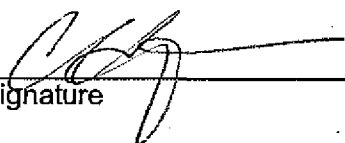

Have you ever been convicted of a felony? Yes No

If yes, please explain briefly: _____

I hereby give my consent that the City may obtain and review, on a confidential basis, such information regarding me as may be contained in the California State Summary Criminal History and in records of the California Department of Motor Vehicles. Yes No

Objective

~Help make the city of Moreno Valley a better place to live and raise a family! ~

Profile

I am a Financial Services Professional and a Special Care Planner. As a follower of Christ and service disabled veteran, I believe that God has called me to help others in their journey to realize financial independence for themselves and their family. For believers, the pursuit of financial independence involves being a good steward of what God has given us—for example, following Biblical stewardship principles. This requires us to take deliberate steps carefully designed both to protect our loved ones and to advance our personal and family goals.

Do you need confidential, professional assistance to help you in achieving financial independence for your family and yourself? If you do then I would like to meet with you and your family to get to know you personally and discuss how I might be able to help. As a Financial Services Professional can suggest financial strategies, products and services that are carefully tailored to your individual and family dreams and needs.

RE: City Council Appointment of Yxstian Gutierrez on September 24, 2013 in violation of the Brown Act

Greetings:

This letter is to call your attention to what I believe was a substantial violation of several central provisions of the Ralph M. Brown Act which jeopardize the finality of the action taken by the Moreno Valley City Council on September 24, 2013. I hereby submit this letter on behalf of concerned area residents and Residents for a Livable Moreno Valley.

At that meeting, the agenda item read: "G.1 Consider the Procedural Option to Fill the Vacancy on the Council in District 4 and Take Possible Action to Fill the Vacancy (Report of: City Attorney Department)." The agenda recommendations stated the same. The Staff Report for this item cited the options of the City Council to fill the council vacancy: 1) appoint a successor for the unexpired term; or 2) call a special election to fill the vacancy. Gov. Code § 36512. There was zero discussion of potential candidates to fill the vacancy.

Yet, when this agenda item came up, it became apparent that an individual, Mr. Gutierrez, had already been considered and selected to fill this vacancy. Mayor Owings called for someone to make a motion to fill the City Council vacancy caused by the resignation of Councilman Co. Councilwoman Baca nominated Gutierrez, and Mayor Owings immediately called for a vote. Mayor Owings, Councilman Molina, and Councilwoman Baca voted to appoint Gutierrez, who was in the audience and who was immediately sworn in. Gutierrez was also there with a typed speech regarding the appointment.

MV00259199

Councilman Stewart rightly questioned how Gutierrez was selected, appointed, and came prepared with a typed speech given the allegedly impromptu nomination. It is clear that the nomination and appointment of Gutierrez was coordinated in private by the Mayor and two council members, without notice to or the knowledge of the public.

The action taken was not in compliance with the Brown Act for several reasons. First, there was no notice to the public on the posted agenda for the meeting that Gutierrez in particular would be discussed for appointment and/or appointed. Additionally, it appears that the action taken to appoint Gutierrez occurred prior to the September 24th hearing via secret meeting by a majority of the council including Mayor Owings, Councilman Molina, and Councilwoman Baca. There was no notice of this meeting and it quite obviously occurred outside of the public hearing, contrary to the Brown Act's presumption in favor of public access.

As you are aware, the Brown Act creates specific agenda obligations for notifying the public with a "brief description" of each item to be discussed or acted upon, and also creates a legal remedy for illegally taken actions—namely, the judicial invalidation of them upon proper findings of fact and conclusions of law.

Government Code Section 54952.2 defines a "meeting" as any congregation of a majority of members of a legislative body, and prohibits such a meeting from occurring outside of a public hearing where the matter discussed is within the subject matter jurisdiction of the legislative body. Such a wrongful meeting may occur through communications of any kind to discuss, deliberate or take action on any item of business that is within the subject matter jurisdiction of the legislative body. It appears that a meeting by Mayor Owings, Councilman Molina, and Councilwoman Baca occurred outside of a public meeting authorized by the Brown Act in which the Council discussed appointing Gutierrez to the vacant Council seat.

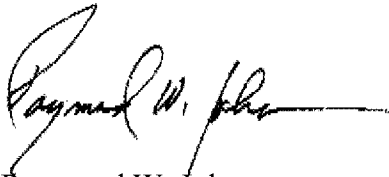

Government Code Section 54952.6, also defines "action taken" as "a collective decision made by a majority of the members of a legislative body, a collective commitment or promise by a majority of the members of a legislative body to make a positive or negative decision, or an actual vote by a majority of the members of a legislative body when sitting as a body or entity, upon a motion, proposal, resolution, order or ordinance." Again, it appears there was "action taken" here by a majority of the Council, Councilman Stewart excluded, in violation of the Brown Act.

Pursuant to Government Code Section 54960.1, I demand that the City Council of Moreno Valley cure and correct the illegal appointment of Yxstian Gutierrez.

Corrective action should include the formal and explicit overturning of any appointment made. The public should then be provided a full opportunity for a vote to fill the vacant council position. At a minimum, notice and a full opportunity for public comment regarding any such appoint to fill Co's vacant council seat must be provided. Moreover, any and all documents in possession of the City of Moreno Valley, the Mayor, and council members concerning any appointment must be made available to the public prior to any meeting concerning such appointment.

As provided by Gov. Code Section 54960.1, you have 30 days from the receipt of this demand to either cure or correct the challenged action or inform our office of your decision not to do so. If you fail to cure or correct as demanded, such inaction may leave no recourse but to seek a judicial invalidation of the challenged action pursuant to Section 54960.1, in which case I would seek court costs and reasonable attorney fees in this matter, pursuant to Section 54960.5.

Sincerely,

Raymond W. Johnson

Moreno Valley City Council
c/o Moreno Valley City Clerk Jane Halstead
Moreno Valley City Hall
14177 Frederick Street
PO Box 88005
Moreno Valley, California 92552

Re: Demand to Cure Violations of the Ralph M. Brown Act and
Government Code Section 34882

Dear City Councilmembers Owings, Molina, Baca, and Stewart:

On behalf of Basil Kimbrew, Radine Ramos Hiers, Deanna Reader, and numerous other Moreno Valley voters represented by our office, we write to demand that the City Council of Moreno Valley (the "Council") take immediate action to cure and correct the violations of the Ralph M. Brown Act, Government Code section 54950 et seq. (the "Brown Act"), and the California Elections and Government Code committed by members of the Council on and around September 24, 2013. The Council's abrupt and evidently predetermined appointment of Yxstian Gutierrez to complete the unexpired term of office of former councilmember Marcelo Co was accomplished without adequate public notice and without any meaningful opportunity for public comment; indeed, there was not even any opportunity provided for the Council itself to deliberate on Dr. Gutierrez's unexpected appointment. By its conduct, the Council majority demonstrated a disturbing contempt for democratic participation in a community already plagued by distrust of its public officials.

The Council's action in appointing Dr. Gutierrez to the city council violated both the spirit and the letter of the Brown Act, California's open meetings law. The Brown Act is intended "to facilitate public participation in local government decisions and to curb misuse of democratic process by secret legislation by public bodies." (*Cohan v. City of Thousand Oaks* (1994) 30 Cal.App.4th 547, 555.) These protections are founded on the precept that "[t]he people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created." (Gov. Code, § 54950.) The Council majority's handling of the appointment of Dr. Gutierrez to fill the vacancy in the District 4 seat made a mockery of these fundamental principles of democracy.

MV00259204

Moreover, it has come to light that Dr. Gutierrez does not live in the council district from which Mr. Co was elected and whose unexpired term he was appointed to fill. Accordingly, under established California law, Dr. Gutierrez was ineligible to be appointed to that office or to continue to hold the position of Council representative for District 4. If his appointment is not rescinded, every action that the Council takes with his participation will be of questionable legality, and judicial action will be necessary to compel his removal from office.

We therefore request, pursuant to Government Code sections 54960.1 and 34882, that the City Council immediately take action to remedy its illegal conduct. Specifically, the Council must rescind its unlawful appointment of Dr. Gutierrez and address the vacancy on the Council through a properly noticed, open public meeting that permits full public discussion and council deliberation of this important issue and that results in a decision that conforms with all applicable provisions of law.

Violations of the Brown Act

(1) *A majority of the Council engaged in an unlawful secret meeting to discuss appointing a replacement for Mr. Co.* The cornerstone of the Brown Act is its requirement that meetings of legislative bodies to discuss public business must be properly noticed and, with narrow exceptions not relevant here, open to the public. It is therefore illegal for a majority of the members of the Council, outside of a properly noticed public meeting, to “use a series of communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item of business that is within the subject matter jurisdiction of the legislative body.” (Gov. Code, § 54952.2, subd. (b)(1).) Our clients are aware of at least two nonpublic communications that occurred between councilmembers concerning whether to appoint someone to fill the District 4 seat left vacant by Mr. Co’s resignation. Together, these conversations constituted an unlawful secret meeting by a majority of the members of the City Council in violation of the Brown Act.

The issue of whether to appoint someone or, alternatively, to hold a special election to fill former Councilmember Co’s 4th District seat is indisputably an item of public business within the Council’s jurisdiction. Indeed, this precise issue was agendaized for discussion at the September 24, 2013, Council meeting. Prior to the council meeting, however, Mayor Owings contacted Councilmember Stewart to express his preference for appointing someone to fill the unexpired portion of Mr. Co’s term. During the Council’s abbreviated discussion of this issue, Councilmember Stewart explicitly referred to this communication with Mr. Owings, and he subsequently elaborated on the contents of his conversation with Mr. Owings in a newspaper article later that week. (See S. Hurt, “Moreno Valley: Naming of Councilman May Have Violated Law, Expert Says,” *Riverside Press-Enterprise* (Sept. 27, 2013).)

Mr. Owings also evidently engaged in pre-meeting deliberations with Councilmember

Baca regarding the same issue. The two discussed not only the proposal to fill Mr. Co's seat by appointment rather than to hold an election, but apparently went so far as to agree on the appointment of Dr. Gutierrez. The September 24th Council meeting includes the following exchange between Mr. Owings and Ms. Baca, which makes their pre-meeting collusion unmistakable:

- Mr. Owings: “. . . This council should exercise its . . . State of California constitutional authority and make the decision to fill this vacancy. So I would entertain a motion.”
- Ms. Baca: “I would like to use the first option, which is to appoint someone to serve out the remainder of the unexpired term until December 8th – I'm sorry, 9th – 2014. . . . So moved.”
- Mr. Owings: “Let's just do one motion. Do you have someone in mind?”
- Ms. Baca: “I do.”
- Mr. Owings: “All right, let's read the motion and let's get – let's just put it out.”

As the *Riverside Press-Enterprise* observed in its editorial lambasting the City Council the next day, “unless council members have suddenly developed telepathic powers, the majority had to have conferred on the issue and settled on a choice in private before the meeting.” For example, Mr. Owings could not possibly have known that Ms. Baca had “someone in mind” for the appointment to fill Mr. Co's unexpired term had they not previously discussed the matter.¹ Mr. Owings's previous comments had related only to whether the Council should exercise its authority to fill the seat by appointment rather than election, and Ms. Baca's initial motion responded only to that narrow issue. As Mr. Stewart observed, the Council's past practice had been to invite applicants and to publicly interview them before making appointments to city positions. Particularly in light of that history, nothing in Ms. Baca's suggestion to “use the first option, which is to appoint someone,” implied that she also had a specific candidate in mind for the appointment that evening. Yet Mr. Owings not only was somehow aware that Councilmember Baca was ready to appoint a particular person at that time, but he expressed no surprise, made no comment, and displayed no visible reaction when she announced who that person was. Instead, Mayor Owings — somehow knowing that Dr. Gutierrez just happened to be present at the council meeting that night — asked Ms. Baca to amend her motion to have him sworn in immediately, even somehow divining that Dr. Gutierrez had prepared and wanted to

¹Indeed, Ms. Baca acknowledged to the press that she had introduced Dr. Gutierrez to Mayor Owings in a meeting between the three of them the weekend before the City Council's vote on September 24th, but claimed — incredibly — that they did not discuss his possible appointment. (S. Hurt, “Moreno Valley: Naming of Councilman May Have Violated Law, Expert Says,” *Riverside Press-Enterprise* (Sept. 27, 2013).)

deliver a written “acceptance speech” following his swearing-in ceremony.²

The conversation between Mr. Owing and Mr. Stewart, together with the communications between Mr. Owing and Ms. Baca, comprise serial meetings involving three members of the Council – a majority – to discuss whether the Council would exercise its statutory authority to fill the vacant District 4 Council seat by appointment or would instead call a special election to let the voters of the District decide who their representative should be. It is immaterial whether or not Mr. Stewart actually reached a consensus with Mr. Owing and Ms. Baca to proceed with the appointment of Dr. Gutierrez: the Brown Act prohibits *secret deliberation and discussion*, regardless of whether such communications result in an agreement to take specified action. (*Frazer v. Dixon Unified School Dist.* (1993) 18 Cal.App.4th 781, 796; see also 84 Cal. Ops. Atty. Gen. 30, at *2.) It was unlawful under the Brown Act to discuss this matter *at all* outside of a noticed public meeting, and the secret serial discussions, spearheaded by Mr. Owings and including a majority of council members, renders the resulting action taken by the Council unlawful.

(2) *The council’s action to appoint Dr. Gutierrez was not adequately noticed on the meeting agenda.* The Brown Act requires every legislative body, at least 72 hours in advance of its regular meeting, to “post an agenda containing a brief general description of each item of business to be transacted or discussed at the meeting.” (Gov. Code § 54954.2, subd. (a).) “No action or discussion shall be undertaken on any item not appearing on the posted agenda.” (*Id.*, subd. (b).) The agenda for the Council’s September 24, 2013, meeting stated only that the council would “consider the procedural options to fill the vacancy on the council in District 4 and take possible action to fill the vacancy.” This statement was legally insufficient to notify members of the public that the Council actually planned to appoint someone to fill the unexpired portion of Mr. Co’s term at the September 24th meeting.

While the description provided by the agenda is permitted by the Brown Act to be “brief” and “general,” it must nevertheless give interested members of the public functional notice of the action the Council will take at the meeting. A description that is “inadequate to show the whole scope of the [Council’s] intended plans” is unlawful. (*Carlson v. Paradise Unified Sch. Dist.*

²We are confident that discovery will reveal the full extent of the pre-meeting secret collaboration among members of the council regarding this issue. For example, Councilmember Stewart indicated at the meeting that he had seen Ms. Baca give Mr. Owings a document prior to the meeting (but which the Mayor refused to show Mr. Stewart), which was quite likely a copy of what she read from in proposing to appoint Dr. Gutierrez to the Council and which undoubtedly was what led Mr. Owings to invite Ms. Baca to “read the motion.” The failure of Councilmembers Baca and Owings to make that document publicly available may well have constituted a violation of the Brown Act, in and of itself. (See Gov. Code, § 54957.5, subds. (b) & (c).)

(1971) 18 Cal.App.3d 196, 200 [applying analogous provision of Education Code].) In particular, when multiple decisions relate to the same topic, each item involving a “separate action or determination” by the Council must “be expressly disclosed on the agenda.” (*San Joaquin Raptor Rescue Center v. County of Merced* (2013) 216 Cal.App.4th 1167, 1176.) Whether the Council should fill the vacancy in the 4th District seat by appointment or by special election is an entirely distinct decision from the issue of what particular person should be appointed to the position, and both topics must be separately noticed on the agenda.

The term “take possible action to fill the vacancy” in no way satisfied Government Code section 54954.2’s disclosure requirement. The agenda’s phrasing was entirely too vague to give the public meaningful notice that the Council might actually vote to appoint a specific individual to the City Council on September 24, much less to notify residents that Dr. Gutierrez was a candidate for such appointment. The agenda suggests, at most, an intent to discuss and vote on the *procedures* for making a “potential” appointment if the Council were to decide to go that route rather than to hold an election. This inference is strengthened by the placement of this item in the “Reports” section of the agenda, rather than under “Legislative Actions” — thereby suggesting that no actual *action* would be taken at the meeting — and by the Council’s past practice, as described by Mr. Stewart, of inviting applicants and publicly debating their qualifications before voting on an appointment. In view of these facts and giving the agenda a common sense reading, “the agenda was not an adequate specification or description of the business that was transacted at the [September 24th] meeting.” (*Moreno v. City of King* (2005) 127 Cal.App.4th 17, 26 [holding that agenda item stating “public employee (employment contract)” was inadequate to notify public of discussion of dismissal of a public employee].)³

(3) *The Council failed to allow any opportunity for public comment on Dr. Gutierrez’s appointment.* Although the Council purported to permit the public to comment on the agenda item relating to filling the vacancy in Council District 4, the only meaningful public comment that was actually allowed related solely to the question of whether the seat should be filled by an appointment or by an election. Due to the way in which the agenda combined the two separate issues into a single agenda item, there was *absolutely no opportunity for public comment* on the critical issue of whether the Council should appoint *Dr. Gutierrez* or someone else to fill the

³It is no surprise, then, that given the inadequate notice of this issue in the agenda, not a single member of the public spoke to the qualifications of any particular individual for appointment to fill Mr. Co’s unexpired term. Rather, *all of the public comment* addressed the predicate issue of whether the Council should fill the 4th District vacancy by appointment or by an election. Indeed, as noted in the following paragraphs, the agenda and handling of this item by the Council was structured in a manner that *rendered it impossible* for any member of the public to provide — and for any Council member to receive — *any input whatsoever* regarding the qualifications of Dr. Gutierrez for appointment to the Council — an independent violation of the Brown Act pursuant to Government Code section 54954.3.

vacant seat representing District 4. By failing to permit any meaningful public comment on Dr. Gutierrez's appointment, the Council violated Government Code section 54954.3, which requires "an opportunity for members of the public to directly address the legislative body on any item of interest to the public, *before or during the legislative body's consideration of the item*, that is within the subject matter jurisdiction of the legislative body." (Emphasis added.)

The only opportunity that the Council provided for the public to comment on the District 4 vacancy issue occurred before the meeting attendees had any reason to believe that the Council would act on an appointment that evening, much less that it would appoint Dr. Gutierrez to the seat. The only material included with the agenda for this item was the City Attorney's report, which focused entirely on the procedural options available to the Council — that is, whether to fill the vacancy by appointment or by calling a special election. Before this item was called and opened up for public comment, neither the Mayor nor any of the other council members (including those who clearly intended to move for and to vote for Dr. Gutierrez's appointment at this meeting) gave any indication that the ensuing Council deliberations or action might encompass the appointment of a particular individual to the District 4 seat. And the agenda, as discussed above, likewise failed to refer to any specific candidates or even to disclose that the Council might proceed to make an appointment that night without first at least inviting applicants to express their interest in being considered to fill the vacancy created by Mr. Co's resignation.

It was only after the public comment session on this agenda item had been closed that Councilmember Baca made her motion to appoint Dr. Gutierrez to fill the vacancy, the first inkling that any member of the public could possibly have had that the Council was considering taking such an action. And rather than re-opening the public comment session at that point so that the citizens of Moreno Valley could express their views, opinions, and questions regarding this sudden turn of events, Mayor Owings instead immediately "called for the question" on Ms. Baca's motion, squelching any opportunity for public discussion and only grudgingly allowing *even Councilmember Stewart* to speak on the matter. Thus, none of the citizens who attended the Council meeting had any occasion to address Dr. Gutierrez's qualifications for office *before or during* the Council's consideration of his appointment, because at the time they were permitted to speak, they could not have had any knowledge of his existence as a candidate for appointment to the District 4 Council seat.

Government Code section 54954.3 requires "an opportunity for public comment on *each specific agenda item* as it is taken up by the body." (*Galbiso v. Orosi Public Utility Dist.* (2008) 167 Cal.App.4th 1063, 1079 [emphasis added].) As discussed above, the procedural issue of whether to proceed by appointment or special election is distinct from the question of whom should actually be appointed to fill the vacant District 4 seat. An opportunity for public comment was required to be provided *after* the identity of Dr. Gutierrez as a candidate for appointment was revealed by the Council. Only by providing such an opportunity could the citizens of Moreno Valley exercise their right under section 54954.3 "to directly address the legislative body on any

item of interest to the public, *before or during the legislative body's consideration of the item,*" and only after providing such an opportunity for public comment could the Council legally vote on Ms. Baca's motion to appoint Dr. Gutierrez to fill the District 4 seat on the Council.

Violation of Government Code Section 34882

The City Council's action in appointing Dr. Gutierrez to fill the unexpired term of Mr. Co for the District 4 seat on the Council must be rescinded for an independent substantive reason: Dr. Gutierrez does not reside within the boundaries of District 4 as the District was constituted when Mr. Co was elected and as it exists for purposes of filling the vacancy in his unexpired term of office. Consequently, Dr. Gutierrez was not eligible to be appointed to fill the vacancy in that office and he continues to be ineligible to serve as a member of the City Council representing District 4 pursuant to Government Code section 34882.

As you are undoubtedly aware, the dispute regarding Dr. Gutierrez's eligibility to hold office stems from the circumstance that in 2011, subsequent to Mr. Co's election in 2010 for a four-year term of office representing District 4, the city council boundary lines were redrawn. Dr. Gutierrez resides in and is registered to vote at an address that was *not* within District 4 at the time Mr. Co was elected to office (the "old" boundary lines), but which *is* within District 4 under the redistricted boundaries (the "new" boundary lines). The critical issue is whether, for the purpose of filling a vacancy in the unexpired term to which Mr. Co was elected, the "old" or the "new" boundary lines apply in determining who resides in District 4.

Not surprisingly, this is not the first time that this issue has arisen in California. Indeed, the issue arises with some regularity following every decennial redistricting for Congressional and state legislative offices, when inevitably — as a result of the resignation, death, or recall of the incumbent officer — an election must be held to fill the vacancy in an office whose boundary lines were redistricted subsequent to the previous incumbent's election but prior to the expiration of the office's term. Earlier this year, for example, special elections were held to fill vacancies created by the resignations of the incumbent officeholders in State Senate Districts 26 and 32, for terms that began in December 2010 and were not due to expire until December 2014, but whose boundary lines had been changed as a result of the 2011 statewide redistricting statute.

The established law in California is that under these circumstances, *the old district boundary lines* are to be used to fill the vacancy in the unexpired term of office, and thus *only those individuals who reside in the district as it was constituted at the time of the former incumbent's election are eligible to vote in an election to fill the vacancy or to be appointed to hold the office for the remainder of the unexpired term.* The leading case is the California Supreme Court's decision in *Sloan v. Donoghue* (1942) 20 Cal.2d 607. In that case, Lee Geyer had been elected to Congress to represent the 17th Congressional District in November 1940. Geyer died in October 1941, creating a vacancy in the office for the remainder of his unexpired term, through December 1942. Between Geyer's election and death, however, the Legislature

redistricted the boundaries of the 17th Congressional District. The Governor called for a special election to fill the vacancy using the boundary lines of the 17th Congressional District *as it existed when Geyer was elected* in 1940. The Supreme Court unanimously held that this was the proper district to use for the special election.

The question considered by the Court in *Sloan v. Donoghue* is identical to that presented by the current circumstances in Moreno Valley: “The issue presented by this proceeding is whether the election was properly proclaimed to be held in the 17th Congressional District as it existed when Geyer was elected [o]r, conversely, should the election have been proclaimed to be held in the enlarged district as it existed when the governor issued his proclamation.” (20 Cal.2d at p. 609.) The Court’s unequivocal answer is equally applicable here: “We are satisfied that under the circumstances of this case the proclamation of the governor properly called for the election to be held in the old district.” (*Ibid.*)

The Court in *Sloan* noted that “it is not the first time the problem has arisen in this state,” that “similar problems have arisen with the adoption of each Apportionment Act by the Legislature,” and that the Attorney General’s office “uniformly has advised that the special election should be held in the old district,” citing five such prior opinions so holding. (*Id.*, p. 611.) The Supreme Court also observed that its ruling was consistent with established law elsewhere, citing both *McCrary on Elections* [“The true rule, therefore, must be that a district once created, and having elected a Representative in Congress, should be allowed to continue *intact* for the purpose of filling any vacancy which may occur, until the end of the Congress in which it is represented.”] and *Corpus Juris* [“If after a congressional election the state is redistricted and a vacancy then occurs, such vacancy should be filled by the suffrage of the electors of the old district and not by that of the electors of the new district.”]. (20 Cal.2d at pp. 609-610.)⁴

The Supreme Court applied the same ruling to vacancies that occur in state legislative offices in *Legislature v. Reinecke* (1973) 10 Cal.3d 396. In that case, the Court considered whether elections for State Senate had to be held in all Senate districts after a decennial census and delayed reapportionment, or only in the 20 new even-numbered districts that were normally scheduled for that year. Citing *Sloan v. Donoghue* (among other cases), the Court held that “those senators elected from odd-numbered districts in 1972 are entitled to serve four-year terms

⁴Significantly, the Court held that the old district boundaries should be used for the purpose of filling the vacancy in office even while acknowledging that those boundaries had expressly been repealed and replaced by new boundary lines under the intervening 2011 Apportionment Act. (*Id.*, p. 608.) The Court nevertheless ruled that “the only practical and sound conclusion is that regardless of the repeal of the act creating and delineating the old district, the special election to fill the vacancy now existing should be held in the old district.” (*Id.*, p. 612 [citation omitted].)

or until after the 1976 general election, and *if vacancies occur in their offices they will be filled by elections in the districts in effect in 1972.*” (10 Cal.3d at p. 404 [emphasis added].) The Court in *Reinecke* fully recognized that “to give continuing effect to the old odd-numbered districts for the purpose of allowing the incumbents therein to serve their full terms and for the purpose of filling any vacancies in such districts” would result in some voters having to wait six years between senatorial elections and “be[ing] represented by no senator in whose election they could participate for two years following reapportionment” (*id.*, p. 405) — the same circumstance that Dr. Gutierrez apparently finds himself in with respect to Moreno Valley City Council elections following the 2011 redistricting. But the Supreme Court found that this result was merely “the inevitable byproduct of reapportioning a legislative body whose members are elected for staggered four-year terms.” (*Ibid.*)

In conformance with the Supreme Court’s decisions in *Sloan v. Donoghue* and *Legislature v. Reinecke*, the California Secretary of State — the state’s chief elections official — issued a directive to all county clerks and registrars of voters on August 15, 2011, instructing them that although the newly drawn boundaries adopted by the Citizens Redistricting Commission in August 2011 are effective and should be used beginning with the June 2012 Presidential Primary election, “it is critical that you preserve the current maps and other data necessary to hold an election using the current district lines” because for “any recall election involving a member of the Legislature or Board of Equalization, *or a special vacancy election to fill a legislative vacancy*, the existing (in this case, the 2001) — not the proposed — district lines would be used for that election.” (Memorandum from Jana M. Lean, Chief, Elections Division, California Secretary of State’s Office to All County Clerks/Registrars of Voters, dated Aug. 15, 2011 [emphasis in original] [citations omitted].)⁵

In sum, *it is beyond dispute* that California law requires that elections to fill vacancies in unexpired terms be held in the “old” electoral districts, not the new districts that would be applicable in the next general election following redistricting. (See, e.g., *Gaona v. Anderson* (9th Cir. 1993) 989 F.2d 299, 301 [Secretary of State’s and county registrars’ decision to hold special election to fill vacancy using the boundaries of the “old” state senate district instead of the newly configured district following reapportionment “was based on established California law”].) Indeed, just as the special elections held earlier this year to fill the vacancies in State Senate Districts 26 and 32 were conducted using the old, pre-2011-redistricting boundaries for those districts, if the Riverside County Registrar of Voters were to conduct a special election to fill the vacancy in the District 4 Council seat for Mr. Co’s unexpired term, the Registrar would be compelled under California law to use the city council district boundaries for District 4 as they existed when Mr. Co was elected, prior to the 2011 redrawing of those district lines. And because Dr. Gutierrez would not be eligible to *vote* in that election, he is likewise ineligible to be *appointed* to fill the vacancy for that office under Government Code section 34882.

⁵A copy of the Secretary of State’s August 15, 2011, directive is attached hereto.

Moreno Valley City Council
October 4, 2013
Page 10

For the reasons set forth above, the City Council's action in appointing Dr. Gutierrez to fill the unexpired term of office for the District 4 Council seat resulting from Mr. Co's resignation was manifestly illegal. We thereby demand that the Council immediately rescind its unlawful action and instead call for a special election to be held as soon as legally possible to fill the vacancy in the office of City Councilmember for Council District 4.

Sincerely,

Fredric D. Woocher

County Clerk/Registrar of Voters (CC/ROV) Memorandum # 11062

TO: All County Clerks/Registrars of Voters

FROM:

Jana M. Lean
Chief, Elections Division

RE: Redistricting Maps: 2011 Congressional, Legislative, and BOE Districts

Today, August 15, 2011, the Citizens Redistricting Commission (CRC) certified the final maps for the Congressional, Legislative, and Board of Equalization districts to the Secretary of State.

We will be placing the certified final maps in equivalency and shape file formats (CDF, DBF, and SHP) in your county's CalVoter in-box. For your convenience, we have also provided a statewide jurisdiction table outlining the districts within each county.

Please promptly begin preparing your precincts with the new lines for the upcoming June 5, 2012, Presidential Primary Election. However, it is critical that you preserve the current maps and other data necessary to hold an election using the current district lines, should those lines be required for use in the event of a special election, a recall election, a court order, or should a referendum challenging one or more of the CRC maps qualify for the ballot.

Pursuant to previous court decisions, any recall election involving a member of the Legislature or Board of Equalization, or a special vacancy election to fill a legislative vacancy, the existing (in this case, the 2001) – not the proposed – district lines would be used for that election. (*See Gaona v. Anderson (9th Cir. 1993) 989 F.2d 299; and Sloan v. Donoghue (1942) 20 Cal.2d 607.*)

Under California Constitution article XXI, section (3)(b), a registered voter is permitted to file a challenge in the California Supreme Court to the CRC maps within 45 days after they have been certified by the CRC. The 45-day period ends on September 29, 2011.

Each certified map is also subject to referendum. Pursuant to California Constitution article XXI, section 2(i), any voter may file a referendum petition on any map or portion

CCROV # 11062
August 15, 2011
Page 2

of a map within 90 days of the final certification of the maps. The 90-day period to request a title and summary from the California Attorney General and collect the requisite signatures for filing with county elections officials ends on November 13, 2011.

If you have any questions regarding the CalVoter transmission of the final certified maps, please contact the CalVoter Help Desk at (888) 868-3225. For other non-CalVoter related questions, please contact Diane Hinkle at (916) 651-1365.

Subject: Collision with road closure

Good morning,

Officers are investigating a 4 vehicle collision in the intersection of Krameria and Lasselle. The intersection is closed in all directions and is expected to remain closed for about 45 minutes more while the collision is investigated.

An electrical box was damaged in the collision but no interruption of power was reported. Two people were transported to local hospitals with complaints of pain, but it does not appear there are any major injuries at this time.

Subject: Assault with a deadly weapon

Good morning,

Shortly after 12:00 AM today, officers responded to the 24000 block of Webster Avenue reference multiple gunshots fired at a residence. On arrival, officers detained a subject standing in the street armed with a handgun.

Initial investigation indicates a suspect who lives in Perris drove to the residence and fired multiple gunshots at the residence on Webster. The victim armed himself and returned fire at the suspect's vehicle.

Officers contacted Perris PD who ultimately found the suspect vehicle at a residence. The suspect attempted to flee, but realized he was surrounded. After a brief standoff, the suspect was detained.

MVPD investigators are now in the process of determining what actually happened and who was involved. Search warrants are being prepared for several locations and vehicles.

At this time, it appears nobody was injured by the gunfire. I will update you later.

Subject: Dollar Tree robberies- arrests

Good morning,

During the past two weeks, we have investigated at least three robberies or attempted robberies involving the Dollar Tree store at Perris x Cottonwood. On Saturday 10-05-13, about 5:15 PM, an officer made a vehicle stop in the area of Perris X Cottonwood.

The officer soon learned the occupants of the vehicle were brothers involved in a local criminal street gang. The driver did not have a valid driver's license. Both subjects were detained and the vehicle was searched. A loaded handgun was found inside the vehicle.

Ultimately, the suspects confessed to committing three armed robberies involving the Dollar Tree store, including the robbery early Saturday morning. Both suspects were booked into RPDC on multiple counts of armed robbery and gang enhancements. Multiple search warrants will be served to further this investigation.

Subject: Notification of SFD Structure Fire
Attachments: SIRF 99 101427.pdf

Mayor and City Council,

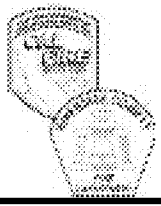

Please see the attached Significant Incident Report Form for a fire at 13595 Black Elm Court in Moreno Valley. I have include a brief narrative in the body of this email for easier viewing on personal devices.

On October 6, 2013 at 19:58 hours, firefighters from the City of Moreno Valley responded to a working structure fire at 13545 Black Elm Court. First arriving engine found a two story, single family dwelling with fire visible from a side, second story window. First engine established its own water supply and initiated a rescue mode due the reports of victims being trapped and a report of one person jumping from the second story. A rapid search of the structure determined that all residents safely evacuated prior to the arrival of the Fire Department. A total of five engines, one truck, a breathing support unit and chief officer contained the fire within thirty minutes of the first arriving engine. Over the next three hours, fire resources controlled the fire, checked for fire extension, conducted salvage, ventilation and overhaul of the dwelling. The two story home had approximately \$100,000 of damage and \$100,000 save to the home. Southern California Edison responded to the scene and disconnected the power at the street. Red Cross responded and provide assistance to the tenants who were renting the home. The fire displaced four adults and three children. The fire started when a candle was knocked over into a pile of clothes. The house had smoke detectors but never activated. The property owners were contacted by phone and advised of the fire.

Incident Description

At 06:46 units from the Moreno Valley Fire Department responded to 25180 Kalmia for a reported residential structure fire. The first arriving engine company found heavy smoke and fire issuing from the front windows of the single-story residence. Responding companies confined and contained the fire to a single bedroom in under 20 minutes. Confinement and extinguishment of the fire, a search for trapped occupants, the ventilation of heat and smoke, and the salvage of property were performed simultaneously. The residence's only occupant escaped from the home unharmed before firefighters arrived. Extensive overhaul was performed to ensure that no smoldering material was left behind and that the home was left in the cleanest and safest condition possible. The fire destroyed one room and it's contents and smoke damage existed throughout the

Cindy: please pass on to all of council and city manager:

I am concerned that we may be piling on the work onto our City Attorney. I believe she could use an assistant and I hope the Mayor could discuss this with her and if appropriate bring this to council for budgeting.

I know how much time and work she has to put into the many issues we are facing right now and I want her to not be in over her head with so many work items and so I hope we can give her what she needs.

Meeting Date: 10/09/2013

CONSENT CALENDAR

Item #	Comments
8A	Commission Officer Rotation Policy – staff recommends supporting this action. Will provide for active participation, equity, and flexibility for appointments for city representatives.
8B	Amendment to Agreement for On-Call Strategic Partnership Advisor Services with Parsons Brinkerhoff – staff recommends supporting this action. The action supports the widening of the SR91 corridor in Corona which will provide a regional benefit for Riverside County including Moreno Valley residents that commute / travel through the area.
8C	City of Moreno Valley Reprogramming Request – staff recommends supporting this action. Action will support on-going efforts to fully fund this needed infrastructure project. Will provide direct benefit to Moreno Valley residents travelling on Perris Boulevard.
8D	Awards for Construction Freeway Service Patrol Tow Truck Service During the Construction of the SR 91 Corridor Improvement Project - staff recommends supporting these actions. Contract was competitively bid in accordance with procurement procedures. Actions will benefit all motorists travelling in the area of the project, including Moreno Valley residents, by clearing vehicles from minor collisions and breakdowns quickly and efficiently improving overall safety and traffic flow.
8E	FY 2013/2014 Agreements for Regional Rideshare Services - staff recommends supporting these actions. Will maintain highly successful IE511 system and will help to gain mode shift from single occupant vehicles thereby reducing overall congestion and improving traffic flow and air quality.
8F	Agreement with the South Coast Air Quality Management District to Fund Rideshare Thursday Campaign - staff recommends supporting this action. Will lead to reduced single occupant trips providing direct benefit to Moreno Valley residents through reducing overall congestion and improved traffic flow / air quality.
8G	Amendment to Commission’s Rail Program Short Range Transit Plans - staff recommends supporting these actions. Using redirected unspent funding, needed upgrades can be made to existing Metrolink stations. Will encourage train travel

	with enhanced infrastructure and will provide direct benefit to Moreno Valley residents that utilize the service to commute.
9	Transportation Uniform Mitigation Fee Program – City of Corona Developer Credit Reimbursement - staff recommends supporting this action. Improvements have been built and public benefit has been realized since 2007. New policy allows for larger set aside funding for developer reimbursement agreements thereby encouraging developers to move forward with projects. This may provide a direct benefit to Moreno Valley by developers moving forward with needed infrastructure projects and the opportunity to be reimbursed sooner.
10	Rail Service Through the Pass Area to the Coachella Valley - staff recommends supporting this action. Will further the opportunity for future passenger rail service to the Coachella Valley, bringing reduced congestion and improved air quality through the area including within the City of Moreno Valley.

Notes: _____

DISCUSSION CALENDAR

Item #	Comments
6	Public Hearing – Adoption of Resolutions of Necessity for SR91 Corridor Improvement Project - staff recommends supporting these actions. The actions support the widening of the SR91 corridor in Corona which will provide a regional benefit for Riverside County including Moreno Valley residents that commute / travel through the area.

Good Evening Mr. Lucas:

Thank you very much for acknowledging staff's efforts to resolve the issues on Jennings. I am pleased that we were able to address the problem and find a solution.

I'll forward your email to the City Council members, City Manager, and Public Works staff.

Again, thank you.

Cindy

Subject: Street Maintenance

Cindy Miller,

I want to take this opportunity to thank Mayor Stewart, the Street Maintenance Department, and you in resolving my street issue in a timely manner. Over the course of five years, dirt and debris had accumulated at the end of my street, and Street Maintenance couldn't clean it up because my street was never "Accepted" by the City. After speaking with the Public Works Director Ahmad Ansari, and Mayor Stewart I was able to get the ball rolling and your office became

MV00259247

involved in finding a solution. In fact Mayor Stewart called me directly and insured me that he cares about my concerns and would look into the matter. I want to personally thank the Mayor for taking time to speak with me. I'm sure he's a busy man and for him to take time to speak with me, surely impressed me. I also want to thank you for keeping me informed during this process, and as of recent my street has been cleaned and now properly represents the homes that are on the street. My neighbors are also ecstatic from the city's immediate response.

Sincerely:

Melvin Lucas

Subject: Welcome Allen Brock, Building & Code Division Manager

Sent on behalf of John Terell, CEDD Director

Congratulations

ALLEN BROCK

Please join me in welcoming Allen Brock as the City's new Building & Code Division Manager. Allen has twenty four years of experience in Building and Safety, including ten years as a Building Official in the communities of Norco, Murrieta and San Marcos. As a Building Official, Allen has managed plan review, permit issuance, inspections and code compliance. Allen earned his Bachelor's in Business Administration from the University of Redlands and holds several professional certifications as Building Official, building plans examiner and building inspector.

Allen lives in Riverside with his wife and two sons.

Subject: Vehicle vs Residence collision

Good morning,

On 10-07-13, about 9:50 PM, a 35 year-old male driver lost control of his 2006 Chevy Monte Carlo and collided with an occupied residence in the 14000 block of Philo Street. Three adults were inside the residence at the time of the collision, but nobody was injured. Initial investigation indicates that the suspect vehicle was traveling on Heil Drive at about 55 miles per hour. The driver attempted to turn southbound onto Philo Street and lost control of the vehicle. The vehicle left the roadway and drove straight into the attached garage, striking two vehicles parked inside. The collision pushed one of the parked vehicles into the residence, causing major damage to the structure. Moreno Valley Fire Department determined the residence to be unsafe and red tagged it. The residents relocated to a local hotel. Building and Safety has been notified.

Neither alcohol nor drugs appear to be a factor in this collision. However, the driver, Ricardo Soto (35) of Moreno Valley, was cited for driving on a suspended license and may be cited for additional traffic violations once the investigation is completed.

Subject: Delores Hernandez

Mayor and Council Members,

Ms. Hernandez stated Louise Palomarez is offensive at Council meetings, and last week she told people to go to hell, but Mayor Owings didn't stop her. She stated Ms. Palomarez was talking about getting flipped off by people at the recall booth at WalMart on Nason, and Ms. Palomarez held up her middle finger in front of the camera. She stated Ms. Palomarez has no education, is ignorant and insulting to watch at Council meetings. She stated Mayor Owings allowed her to speak last on purpose at last evening's meeting so no one could respond to her remarks. She stated it's ridiculous and wrong. Ms. Hernandez stated if Mayor Owings is going to insult and berate Council Member Stewart, he needs to let Council Member Stewart defend himself. She stated Mayor Owings demanded a female speaker apologize for calling Moreno Valley Moron Valley, yet he doesn't apologize for his own nastiness. She stated Chris Baca feels he can throw his weight around because his sister is a Council Member. Ms. Hernandez stated she is Mexican, and she is embarrassed and insulted by Louise Palomarez. She stated there needs to be order, respect and dignity at the Council meetings. Ms. Hernandez declined to give her phone number as she stated she doesn't want Mayor Owings to call her and bully her.

Cindy,

Yes, we are participating, the Animal Shelter will donate an adoptable pet to the Boy Scouts for their live auction and we will also bring over several other pets available for adoption.

The pets we bring over will be made available for adoption at the discounted adoption fee of \$50.00 (an all-inclusive fee meaning the pet will be altered, vaccinated and micro chipped).

Hi Victoria,

You have Assembly Member Anthony Renden on your calendar for October 29. I see there isn't a time set. Do you know what time the meeting will be? Will you need a conference room, and do you know how many attendees will be attending? Please advise, and I will work on this for you.

Subject: Press-Enterprise Has New Owner

Honorable Mayor and Council Members:

Below is an article announcing the sale of the Press-Enterprise newspaper.

Tom

Thomas M. DeSantis
Assistant City Manager
City of Moreno Valley
[REDACTED]

Press-Enterprise sold to Register's parent Company

Aaron Kushner, the CEO of Freedom and publisher of The Register speaks to Press-Enterprise employees about the purchase of The Press-Enterprise for \$27.25 million in Riverside, October, 10, 2013.

BY RICHARD K. DeATLEY The Press Enterprise
BY RICHARD K. DeATLEY
STAFF WRITER
Published: October 10, 2013; 05:41 AM

The Press-Enterprise newspaper and most of its operations will be sold for \$27.25 million to the corporation that controls the Orange County Register, the parent companies of both announced Thursday, Oct. 10.

The transaction between A.H. Belo Corp., which owns The Press-Enterprise, and Freedom Communications Holdings, Inc., which owns the Register, is expected to close in mid-October.

“We are pleased to have found a partner in Freedom Communications to purchase The Press-Enterprise assets and who we know will continue to support journalism as we have in the critical Inland Southern California Region,” said Jim Moroney, chairman, president and chief executive officer of A.H. Belo, which has owned The Press-Enterprise for the past 16 years.

Aaron Kushner, the CEO of Freedom and publisher of The Register, said in a statement, “The Press-Enterprise is a Pulitzer Prize-winning institution with a rich history in serving and connecting the community.”

He said the new owners planned to “expand the ways The Press-Enterprise helps its subscribers, advertisers and community grow and thrive.”

Kushner was expected to meet with Press-Enterprise employees on Thursday.

Kushner purchased The Register in July 2012 through a trust he heads. By then, the Register’s subscriptions had fallen 40 percent over the previous decade and its reporting staff had been halved.

Since then he and Freedom co-owner and president Eric Spitz have gone against virtually all current American newspaper trends – hiring instead of laying off reporters, increasing sections of the daily newspaper, bringing back color comics and improving the quality of stock the newspaper is printed on.

They also put up a solid pay wall for the newspaper’s digital content -- a move most newspapers have approached gingerly by allowing an online viewer to read a monthly quota of stories before asking them to pay.

By late summer, Spitz said the Register had hired 350 people for its operation over the 12 months since he and Kushner bought the newspaper. They also built 25 new sections, launched a weekly magazine and revamped 24 of the company’s weekly community newspapers, turning two of them into dailies.

The Register owners also pledged \$12.4 million worth of free advertising to local nonprofits to be chosen by the paper’s readers.

Neither Kushner nor Spitz has had previous involvement in the newspaper industry, and both have said they believe it was headed in the wrong direction in recent years by pursuing what Spitz calls “the digital ghost” to save itself.

“When we sit down and look at what’s possible, our view of the world is different,” Kushner said in an interview with The Associated Press published in January.

Readers pay the same for the Register’s online content as the print edition. Most newspapers ask less for the online subscriptions.

“The value of the journalism isn’t any less. The reporter isn’t paid any less. The photographer isn’t paid any less,” Kushner said in the same interview.

“I don’t know many industries that can survive pricing their core product at free,” Spitz wrote in August, when the Register expanded into Long Beach with the introduction of the Long Beach Register, a daily section for the paper that focuses on the coastal city.

He said digital advertising remains far less effective than newspaper ads with its revenue at about 10 percent of the industry total, yet the newspapers have heavily invested in digital advertising.

“Why has this industry ceded so much ground?” Spitz wrote. He has claimed advertising revenue is up for the paper, but has not disclosed specific figures. The privately held companies that control the Register are not required to disclose revenues or profits.

For the past year, the Alliance for Audited Media reported the Register's average weekday print circulation has fallen 2%, to 159,411.

Kushner has said the newspaper is profitable.

Kushner’s direction for the paper is not without controversy.

In April, the Media Matters website reported the Register made a financial arrangement with three Orange County colleges -- Cal State Fullerton, Chapman University and UC Irvine -- in which each institution paid the paper \$275,000 for a year’s worth of advertising to appear in a new weekly section dedicated to local colleges.

Critics said the arrangement was a conflict of interest and hurt the credibility of the paper’s coverage of the campuses.

Kushner said the section and others like it were “created for the benefit of our subscribers.”

And there have been other indicators of belt-tightening. The Los Angeles Times recently reported that the Register in January stopped matching its employees’ 401k retirement contributions. And, according to the OC Weekly, a plan to provide housing for \$10-an-hour trainees turned into a \$750-a-month housing stipend, an amount most observers say won’t go far in Orange County.

The sale announced Thursday includes the printing plant for The Press-Enterprise and related land. A.H. Belo will retain and market for sale the land and building associated with a discontinued commercial printing operation.

The Press-Enterprise is the descendent of a series of newspapers that began publication in 1878.

In 1928, Howard H Hays bought stock in what was then the Daily Press, beginning a long involvement with the Hays family, including son Howard H “Tim” Hays who served as editor, co-publisher and publisher, until 1997 when A.H. Belo Corp. finalized the purchase of the newspaper from the family. It had bought in 1996 the 20 percent of The Press-Enterprise that was owned by Dow Jones & Co.

In July, sale was completed on the five-story building housing The Press-Enterprise on 14th Street south of downtown Riverside to Riverside County for approximately \$30 million. The building, named the Howard H "Tim" Hays Media Center, was opened in 2007.

Designed to hold 700 people, six years of recession had left it half empty.

The Press-Enterprise plans to move its editorial, business and advertising operations before the end of the year to leased offices on the 1800 block of Chicago Avenue, north of downtown.

Subject: Illegal Dumping in Edgemont

Ahmad,

Last weekend, CM Baca reported the following illegal dumping issues in Edgemont:

Sofas dumped:
13456 & 13269 Edgemont St.

Sofas & mattresses dumped:
21770 & 21840 & 21743 Dracaea Ave.

A CRM was created. The items are still there today. Would you please look into this and advise?

Thanks very much.

Tom

Subject: Re: Illegal Dumping in Edgemont

Tom,

M&O will make this item a priority for Monday morning. We will also investigate the reason for the delay in these items being picked up.

Subject: Protest at Burger King

Good evening,

Tonight about 8:00 PM, officers responded to the Burger King restaurant on Hemlock X Pigeon Pass, the site of the in-custody death that occurred last night. Burger King employees called for assistance when about 40 protesters/mourners gathered at the location and blocked the drive-through and pedestrian access to the facility.

Officers spoke to the apparent organizer of the event and explained the violations that were occurring. The mourners understood and decided to leave the area and carry on their vigil at a nearby apartment complex where many of them apparently reside. Officers will monitor the area for the remainder of the evening.

No arrests, no injuries, no incidents to report at this time related to this call for service

Subject: DUI collision with road closure

Good morning,

We are investigating a DUI collision on Perris Blvd between JFK and Delphinium. Both northbound lanes of Perris will remain closed between those two cross streets for at least two hours while officers investigate.

Injuries appear to be non life-threatening. I'll update you when more information is available later this morning.

Subject: Hate crime

Good afternoon,

This morning about 7:00 AM, officers responded to a residence in the 13000 block of Pocono Court to investigate a reported vandalism. On arrival, officers determined the crime was actually a hate crime.

Investigation revealed that the 27 year-old female victim parked her car in front of the residence last night. When she returned to her vehicle this morning, she found significant damage done to the car. Unknown suspect(s) scratched racial epithets into the paint of her car and a white granular substance, possibly sugar, was found around the gas tank fill spout. The victim estimated the damage at \$5,000. The victim is African American and based on the nature of the epithets, we believe the suspect(s) specifically targeted her car.

At this time, there are no witnesses to the crime and we do not have any suspects to contact. The vehicle was dusted for fingerprints.

I will update you if additional information becomes available. The victim had her car towed to an auto repair shop.

Subject: DUI collision - update

Good afternoon,

The DUI collision I reported to you early this morning was cleared up and the roadway was reopened about 7:30 AM.

Investigation revealed that both vehicles were traveling northbound on Perris Blvd when the Black Honda Accord swerved suddenly and struck the bed of the Chevy pick-up truck. This caused the pick-up truck to spin out like we often see when CHP does a PIT maneuver to end a pursuit.

The driver of the Honda, Josephat Espinosa (30) of Moreno Valley, sustained a moderate injury to his leg and was transported to RCRMC. It appeared he had a passenger at the time of the crash, but no passenger could be located. We later learned that he did not have a passenger at the time of the crash. In fact, he informed us that his wife was not with him because she had been arrested earlier in the evening for DUI by an MVPD Motor Officer.

The driver of the pick-up truck, Gladys Campos (31) of Moreno Valley, was not injured and declined medical attention. Her passenger was not injured.

It appears both drivers involved in this collision were driving under the influence of alcohol and/or drugs. Blood was drawn and analysis will be conducted. Campos was driving on an expired driver's license and Espinosa's license status is still unclear.

Charges will be filed out of custody on both drivers.

Tomorrow is the last day to RSVP to Department Feud. It promises to be a fun event that you don't want to miss. Please let me know if you'd like to attend.

Our next event is the **Silent Auction** on October 24, 2013 in the City Hall Training Room. **The success of the Silent Auction is dependent on what items we receive from staff for the auction.** Your "trash" is someone else's treasure! Please take this opportunity to go through your closets and garages to come up with fun items for the auction. Attached is a flyer showing contacts for contributions.

And, please don't forget to check our intranet page for upcoming events. A calendar and flyers are located on our website. <http://seattle/moval/EmployeeGiving2013.shtml>

Thank you for supporting the 2013 Employee Giving Campaign.

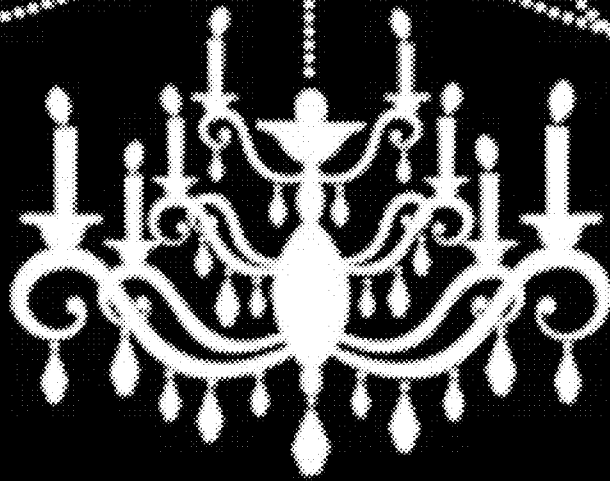

This message has been approved by the City Manager.

Subject: FW: Illegal Dumping in Edgemont

Tom,

Yesterday, Waste Management responded to the prior reported locations and cleared one location of a couch within the right-of-way and reported that all other locations were free of illegally dumped items. This morning, M&O field checked all locations and found what appear to be new items at four locations. These additional items have been reported to Waste Management and should be retrieved within 48 hours. (As today is the normal trash pick-up day for this area, these new items may have been placed for pick-up this morning and be associated with bulky item pick-up requests properly initiated by residents. However, in the event that the items were illegally dumped and to ensure that the items are picked up, M&O has submitted a request to Waste Management for pick-up as an illegally dumped item.)

In researching the reason for the apparent delay, the following information was obtained:

- The original locations were reported to Waste Management on 9/17/13
- Waste Management reported that the items at the original locations were picked up on 9/18/13 (see attached email string)
- It is unclear whether the items that were recently observed were new items or items that were missed and not initially retrieved by Waste Management

M&O is working with Waste Management to improve the retrieval verification process for future illegally dumped items. Please let me know if you require any additional information on this item.

Robert,
Dennis reported 1 sofa at 13456 Edgemont St. I have submitted a new CRM for this item to be picked up. All other locations are cleared.

He also saw three new locations with items and I have inputted them into the system as new CRMs requests.

Thank you,

Subject: Re: Illegal Dumping in Edgemont

Tom,

M&O will make this item a priority for Monday morning. We will also investigate the reason for the delay in these items being picked up.

Ahmad,

Last weekend, CM Baca reported the following illegal dumping issues in Edgemont:

Sofas dumped:
13456 & 13269 Edgemont St.

Sofas & mattresses dumped:
21770 & 21840 & 21743 Dracaea Ave.

A CRM was created. The items are still there today. Would you please look into this and advise?

Thanks very much.

ED Stone indicated that the K-rat conservation easement is the same as the park site recommended by the Committee. SAME ▪ <u>Heacock Flood Control Channel</u>: CIRCULATION OF THE NOTICE OF PREPARATION FOR CEQA WORK HAS BEEN CHANGED FROM 9/30 TO 11/7/13. EIR TECHNICAL STUDIES ARE UNDER WAY. THE HEACOCK CHANNEL TEAM IS DISCUSSING THE 35% DESIGN PLANS AND WILL REVIEW THE DRAFT EIR IN NOVEMBER. ▪ <u>Fire Safety Needs Assessment and Funding Study</u>: THIS RELATES TO MJPA ADOPTION OF THE COUNTY’S DIF’S AND THE QUESTION OF HOW MORENO VALLEY’S DIFs WILL COMPARE. STATUS IS PENDING RIVERSIDE COUNTY ADOPTION OF NEW DIF FEES. COUNTY STAFF WILL RELEASE THE NEW STUDY ON THURSDAY / FRIDAY. <p>4. Report: Receive and file the Special Technical Advisory Committee Meeting (page 92): THE TAC MEETING ON SEPTEMBER 30 PROVIDED INFORMATION ABOUT THE AGREEMENTS ON THE 10/16 AGENDA.</p> <p>5. Approve the Endowment Management Agreement between March JPA and Riverside Land Conservancy, establishing funding and management responsibilities for a 185-acre Lease Bell’s Vireo Conservation Easement – approximately Van Buren and Plummer roads (page 59).</p> <ul style="list-style-type: none"> ▪ JPA will pay to start the baseline study, legal costs to establish a non-wasting fund. JPA will maintain the drop structures and perform graffiti control. ▪ RLC will comply with the streambed alteration agreement, manage the conservancy, maintain fences, and file annual reports on the non-wasting fund and the status of the species. <p>6. Approve the Memorandum of Contingent Abandonment of Utility Easements by and between LNR, WMWD, and March JPA.</p>	<p>Yes</p> <p>Yes</p> <p>Yes</p> <p>Yes</p>
--	--	---

	<p>This is a Tri-Party Agreement between LNR, March JPA, and WMWD regarding existing easements for facilities in the conservancy / habitat. LNR will install new upgraded water facilities serving future Meridian development, located outside the conservation area. Once accepted, WMWD will quitclaim their access easement for maintaining the obsolete facilities and will remove the old tank.</p> <p>JUST AN FYI – A THIRD AGREEMENT WAS DISCUSSED AT THE TAC MEETING THAT I DO NOT FIND IN THE PACKET – IT MAY ALREADY EXIST. BELOW IS A SCREEN SHOT OF THE TAC MINUTES RELATED TO THAT AGREEMENT:</p> <div style="border: 1px solid black; padding: 10px; margin: 10px 0;"> <p>Second is the maintenance and funding agreement between LNR Properties, LLC (LNR) and March JPA. LNR is responsible for the establishment of the initial conservation easement costs including initial biological surveys and legal fees, as well as the long-term non-wasting fund. To assist in funding, LNR can use proceeds from the SKR habitat settlement. However the settlement funds are well below the level of the endowment, which leaves a funding gap that LNR will fill. Moving the streambed to the north will cause LNR to install a re-aligned channel and drop structures to the streambed to slow water flow to avoid erosion of riparian habitat. LNR will also provide fencing to enclose the area to keep the public out. The JPA will maintain the drop structures and perform graffiti control within the fenced area which is adjacent to commercial and industrial projects.</p> </div> <p>b. MIPAA – Operations:</p> <ol style="list-style-type: none"> 1. Report on Case No. RIC1207681, March International Logistics Center LLC v March JPA (page 250 - 701). 7 attachments are the settlement documents provided to the JPC consistent with direction given to ED Stone in the September 4 closed session to: <ul style="list-style-type: none"> ▪ Settle the pending litigation and resolve claims from the DDA, ERN, and amendments. Dismissing pending Action and Cross-Action with prejudice; ▪ Release both parties of all claims against one another arising out of the DDA, ERN, and amendments, MILC’s lease, etc. ▪ Terminate the DDA and ERN and amendments. ▪ Identify that each party is responsible for their respective suit and attorney fees / costs. 	<p>???</p> <p>Yes</p>

Tom and Victoria,

Mr. Chavez stated he would like to meet with you and Chief Ontiveros regarding a citation he received a couple of weeks ago for blocking the sidewalk with his wheelchair at a DUI checkpoint. He stated there were two PD signs blocking the sidewalk, and a car that had been pulled over was blocking the sidewalk. He stated he couldn't maneuver his wheelchair around because of the blockages, but yet he received a citation for blocking the sidewalk. Please advise if you would like to meet with Mr. Chavez and if you would like Chief Ontiveros included in the meeting.

The City of Moreno Valley to host a Spanish Language Community Meeting to address challenges in the water delivery service in the community of Edgemont

The City of Moreno Valley wants to ensure that all residents of Edgemont are given an opportunity to participate in finding a solution to the continuing challenges with the water delivery infrastructure. The City hosted an English language community meeting about the water system infrastructure in the Edgemont area on September 23. The meeting was very well attended and now a similar meeting is planned for Spanish speakers.

Date: Monday, October 21st
Time: 6:00 p.m.
Location: Edgemont Women's Club
21640 Cottonwood Ave, Moreno Valley

The City is collaborating with Box Springs Mutual Water Company in finding funding to improve the water delivery system in the community of Edgemont. Last month, City staff and consultant Maria Elena Kennedy attended a funding fair to discuss funding options for the disadvantaged community of Edgemont. The City is seeking funding from the California Department of Public Health as well as other funding agencies.

“We realize that it will take a concerted effort to address the water delivery system challenges in the community of Edgemont. The City is partnering with Box Springs Mutual Water Company to seek the necessary funding to improve the quality of life for the residents. I am personally committed to doing everything necessary to find a solution to this long-standing problem. I want to ensure that the residents of Edgemont are partners in this effort” said Council Member Victoria Baca who represents District 5, which includes the Edgemont area.

For more information about the Edgemont waterline improvement project, contact Michele Patterson, Assistant to the City Manager, at [REDACTED] or by email at michelep@moval.org.

HONORING MILITARY PERSONNEL

The City's Military Appreciation Banner Program is designed to recognize active duty military servicemen and women who are currently serving in the United States Military (Army, Navy, Air Force, Marines, and Coast Guard), including those in the National Guard and Reserves for their respective Military Branch. To be eligible for a banner, the nominated person must be a City resident, graduated from a local high school in Moreno Valley, or have an immediate family member who currently resides in Moreno Valley.

The military banner program is partially sponsored by the Moreno Valley Chamber of Commerce, Military Affairs Committee. The total cost for a banner to be created and installed on a City street light is \$100.

Engraved pavers are also available to all qualified veterans.

If you would like to honor an active duty military serviceman or woman with a Military Appreciation Banner or paver, please contact Parks and Community Services at 413-3701. Applications are due by October 11 for a Veterans Day installation.

Subject: The Great ShakeOut
Attachments: ShakeOut 2013.pdf

The Great ShakeOut earthquake drill is an opportunity to practice how to be safer during earthquakes through the "Drop, Cover and Hold On" campaign. The ShakeOut has also been organized to encourage you, your family, your community and your place of business to update emergency plans, kits and supplies.

Now held annually on the third Thursday of October, the 2013 Shakeout is set for Thursday, October 17, 2013 at 10:17 a.m. During the self-led drill, participants practice how to "Drop, Cover, and Hold On."

Endorsed by emergency officials and first responders, the proper response to an earthquake is to:

- Drop to the ground
- Take Cover under a sturdy table or desk if possible, protecting your head and neck
- Hold On until the shaking stops

Following National Preparedness Month in September, Great ShakeOut Earthquake Drills are occurring nationwide in more than 40 states and territories. More than 12 million people are expected to participate in drills on October 17. In addition to the safety drills, many participant take extra steps to become more prepared for earthquakes.

For any additional information or questions regarding the Great ShakeOut Earthquake Drill, Emergency Preparedness or Emergency Planning, please contact the Office of Emergency Management at [REDACTED].

This email has received City Manager approval.

Thank you,

Alia Rodriguez

The Great California ShakeOut

The Great California ShakeOut is an annual opportunity to practice how to be safer during earthquakes. You could be anywhere when an earthquake strikes: at home, at work, at school, or even on vacation. Are you prepared to respond, survive and recover quickly?

Drop, Cover and Hold On: Protocol to protect lives during earthquakes:

When: Thursday, October 17, 2013

Time: 10:17 AM

Why is it important to do a “Drop, Cover and Hold On” drill?

You may only have seconds to protect yourself in an earthquake, before strong shaking knocks you down--or drops something on you. You must react quickly and practice often. Practicing helps you be ready to respond.

How can you participate?

If you are inside a building, move no more than a few steps, then Drop, Cover and Hold On:

- **DROP** to the ground (before the earthquake drops you!),
 - Take **COVER** by getting under a sturdy desk or table,
 - and **HOLD ON** to it until the shaking stops.
-
- ❖ If there isn't a table or desk near you, drop to the ground at an inside corner of the building and cover your head and neck with your hands and arms. Do not try to run to another room just to get under a table.
 - ❖ Remain indoors until the shaking stops and you are sure it is safe to exit. Most buildings in California are safer if you stay where you are until the shaking stops.
 - ❖ The main point is to immediately protect yourself where you are and try not to move.

Preparedness at work:

Keep a small backpack, duffle bag or survival kit of your own personal supplies in a desk drawer. This pack could include the following:

- ✓ Flashlight with extra batteries
- ✓ Emergency blanket (very compact and made of a special material that reflects up to 90% of your body heat)
- ✓ Food (high calorie food bars, MREs, granola bars, fruit bars, candy bars, crackers, fruit leather, raisins, nuts, prepackaged foods, etc.)
- ✓ Water pouches or juice boxes
- ✓ Pair of walking shoes
- ✓ Mini first aid kit (adhesive bandages, rolled bandages for sprains, pain reliever, any medication you need, gauze, antiseptic wipes, antibiotic first aid cream, etc.)

In addition to packing a small survival kit, here are some other important things you can do:

- ✓ Read Moreno Valley's evacuation plan. If your building or facility doesn't have a copy, contact Alia Rodriguez at 951.413.3809. Make sure you are familiar with your departments meeting location.
- ✓ Make sure you are aware of the exit routes in your building.
- ✓ Know where the fire extinguishers and first aid kits are located.
- ✓ Note the locations of stairways as you walk from room to room.
- ✓ Carry a card in your wallet or purse that has important phone numbers including the number of your out-of-state phone contact.

Earthquakes occur without any warning and may be so violent that you cannot run or crawl; you will most likely be knocked to the ground. You will never know if the initial jolt will turn out to be the start of the big one. You should Drop, Cover, and Hold On immediately!

To register or learn more about the Great ShakeOut, visit www.shakeout.org

Subject: Backflow Theft case - Results

Good afternoon,

As you may recall, the Burglary and Robbery Suppression Teams handled a series of backflow device thefts earlier in the year. Their investigation led to numerous arrests and the recovery of several stolen backflow devices, including four stolen from RCRMC valued at \$40,000. On 10-15-13, the preliminary hearing in this matter was held in Superior Court. The following pleas/convictions/penalties have been handed down so far:

Javier Ramirez, 43 (primary suspect)

- 6 years state prison
- One felony strike
- Full restitution ordered

Jesse Andrew Diaz, 28

- 4 years prison
- Full restitution

Ernest V. Diaz, 47

- 180 days jail
- 4 years formal probation
- Partial restitution (\$1,500)

Joe Ramirez, 38

- 180 days jail
- Gun recovered to be destroyed
- Prohibited from possessing firearms for term of probation
- 3 years summary probation with search terms
- Partial restitution (\$1,500)

Humberto I. Martinez, 64

- 180 days jail
- 3 years summary probation with search terms
- Partial restitution (\$1,500)

Two other suspects are still awaiting final disposition. Both will likely accept plea agreements soon. Overall, a very successful investigation and prosecution.

Subject: Fraud and Theft prevention training - Moreno Valley Mall

Good afternoon,

Today Investigator Drexler and Deputy Honore of BST conducted a presentation for vendors in the Moreno Valley Mall about fraud awareness for the upcoming holidays. During the presentation, they provided posters and flyers showing how to detect fictitious currency and procedures to help in identifying potential suspects. They also demonstrated the benefits of using UV machines to detect fraudulent currency, fraudulent credit cards, and fraudulent identification cards. Hopefully these tips will help reduce the frequency of these issues in the coming months.

Victoria,

I scheduled Mr. Marshall to meet with you on Tuesday, November 5 at 3:00 p.m. Mr. Marshall wants to talk to you about when his cul-de-sac, Rena Court, will be repaved. I called Capital Projects, and Rena Court is not on the schedule to be repaved. As a heads up, Mr. Marshall has repeatedly asked about getting Rena Court repaved. Mr. Marshall also stated he wants to talk to you about the recall. Mr. Marshall is one of our regular callers.

Subject: Assault with a deadly weapon

Good evening,

Today about 1:53 PM, officers responded to the area of Adeline X Dracaea reference several subjects fighting. On arrival, officers detained three teenage boys and two 18-year old men. Investigation revealed they were the victims and that the suspects had fled the area.

Investigation revealed that several unknown males attacked the victims with knives, screwdrivers, and some sort of blunt object. Three of the victims were transported to RCRMC for treatment of what appeared to be minor injuries. The other two were released at the scene to their parents.

The investigation is continuing. At this time, the suspects are unidentified and the motive is unknown. I will update you if additional information is discovered. MVUSD was notified as some of the victims are students.

Subject: Robbery on Sunnymead Blvd- arrest

Good evening,

Tonight about 7:30 PM, Officers responded to an armed robbery on Sunnymead Blvd near the Comfort Inn. A 55 year-old long-haul truck driver from Michigan was walking on Sunnymead Blvd when a hispanic male adult walked up behind him and poked something in his back, simulating a knife. The suspect ordered the victim not to move and reached into his pocket, taking property from the victim.

The suspect fled and the victim called police. The victim provided a detailed description of the suspect to two POP officers. They recognized the suspect as a man they spoke to earlier in the evening.

The officers located the possible suspect and conducted an in-field line-up. The victim positively identified the suspect as the person who robbed him.

Suspect Genaro Trejo Jr., 20, is a transient known to live in Moreno Valley. The suspect was booked into RPDC on a charge of armed robbery.

Victoria,

I talked to Ms. Martinez today regarding scheduling a meeting with you. Ms. Martinez stated she doesn't necessarily want to meet with you so much as she wants you to be aware of what is going on in the Edgemont area. She stated she feels the Edgemont area is being ignored and neglected. She stated the registered sex offender that was living in his truck across from Edgemont Elementary School was run off several times by the police, and he hasn't come back again that she is aware of. I told Ms. Martinez I will call Shor Denny with Safe Routes to School and ask Ms. Denny to contact her. I told Ms. Martinez if she wanted to meet with you in the future, to please call us back, and I would schedule a meeting. Ms. Martinez was very appreciative I called her and of the information I gave her.

Victoria,

Ms. Martinez resides at 22320 Bay Avenue. Ms. Martinez stated she has a concern about the sex offenders and child molesters near the Edgemont Elementary School. She stated there are several group homes in the area with violent offenders. Ms. Martinez stated there have been three attempted child kidnappings at the house next to hers. She stated, in addition, two men are camped out in two vehicles in a vacant lot across from the school. She stated the men can be seen washing their clothes with bottled water, and they have a cook stove. She stated the police ran them off the property once, but they came back. Ms. Martinez stated the police told her there is nothing they can do, and they need to find out who the home owner is. She stated a property management company answers the phone, and they won't do anything. Ms. Martinez stated no one wants to take responsibility to find out who the owner is. She stated small children walk by themselves to school, and she is afraid something will happen to them. Ms. Martinez stated she would like to know if there is something you can do to help them. Would you like to meet with Ms. Martinez; and if yes, would you like staff included in the meeting?

Subject: Wanda Hurst Maloid Cell - [REDACTED] / Business - [REDACTED]

Victoria,

Ms. Hurst Maloid (with no hyphen) resides in Louisiana, but owns a home located at 22620 Berkshire Lane. Ms. Hurst Maloid stated her property bill shows she has to pay \$87.50 a year for parks and \$331.00 a year for waste management. She stated she doesn't use the parks as she lives in Louisiana, and she wouldn't use them if she did live here, and she shouldn't have to pay that on her property tax. She stated six of the ten years she has had to pay for waste management, no one lived in the house. She stated she shouldn't have to pay that either. I transferred her to Ariana Ayala in Maintenance and Operations who deals with waste management issues, and she was to be transferred to Mike McCarty to deal with her Parks issue. I told Ms. Hurst Maloid I would let you know of her concerns.

Subject: Trash/Waste Management Issue Appeal for Help

Dear. Mr. Mayor,

I am in the middle of a HUGE problem with Moreno Valley Waste Management and I am literally writing to everyone I can think of in order to try and fix this dilemma. I know you and your office are busy, so I apologize for the length of this email, but I want to make sure I include all the pertinent facts so that you have all the information you need to see if there is anything you can do.

My family and I purchased and moved into our property at 11849 Graham St Moreno Valley, CA 92557 in February of 2010. As all of our income is and was tied up in the mortgage we were unable to pay for trash service so we did not call and set up service. My father and husband both work at locations where we are able to dispose of our trash, so service was not even needed.

The reason this is an issue now is that we received our property tax bill yesterday and while going over it I noticed there was a \$311 assessment from Moreno Valley trash Disposal Services and a number to call. When I called customer service they asked my name and address and said the service was under some other name that I've never heard and she informed me that I am going to be forced to sign up for trash service, a service I would NEVER use. However, I am fine with that. I understand the reasons behind it and I am more than willing to sign up for service going forward. However, I was also informed that I will be required to back-pay for service for the past three years! WE DID NOT AND COULD NOT USE THE SERVICE and should not be liable for it. We don't even have trash cans! At almost \$22.00 a month we are going to be liable for over \$700 for a fault that was not ours. In the current economy that is money that we just don't have.

I was never made aware of the fact that service was required. I see the Waste Management Trucks and workers on a weekly basis and have never been warned by them or anyone else that we have to partake in this service. I have never received a bill or a flyer, a door tag or a phone call from anyone at Waste Management and this is the first year that it has been on my taxes. I literally had no clue and was given no information on the matter. I do not believe it is our fault or our responsibility that we were never informed of this. I could not simply go wash windows at a company without their approval and then say they owe me for the windows.

MV00259371

Nor would I require that service, not actually provide it and then charge the company for 3 years of unpaid service!

For those reasons, as well as the others I mentioned I do not believe that I should have to pay for back service.

I went to the following websites :

<http://www.rivcowm.org> and

http://www.moreno-valley.ca.us/resident_services/waste/index-waste.shtml

NEITHER of these sites say that Trash Service is required in Moreno Valley. If you want electric you call Edison, or they send you a mailer, or they knock on the door, same with water. Nothing was ever provided to me to make me aware of this issue.

Having spoken to a Waste Management rep today I will be setting up the service by the end of the week, but I find it ludicrous that I am being charged for a services that I did not and COULD not use. As I mentioned earlier in this e-mail we do not even have trash cans.

I hope that someone in the city can see how to help my family out of this situation. I will be forwarding this letter to the tax board, my mortgage company, my city counsel man and anyone else I can in hopes that someone will be able to rectify this issue and help us.

As I mentioned, I was not aware of the requirement for service and now that I am I will be setting it up by the end of the week.

If you have any questions or can provide me with any assistance in this matter (perhaps there is a form to appeal this type of thing and I just can't find it) please e-mail or call me at your convenience.

Thank you for you time in reading this e-mail and your help with this matter.

Sincerely,

Samantha Chauvin

Hi Cindy,

I contacted Verizon to find out if this type of problem has been reported on the iPhones. Per Verizon Support, that problem is not common and sounds like a mechanical problem with the device. One option is to order a new phone and Council member Baca's line is eligible for an upgrade; let me know? Thank you.

Victoria,

I called the Teagues back, and I talked to Mrs. Teague to see what the lien is for. Mrs. Teague stated she doesn't know what the lien is for. She stated she was aware \$26,000 was placed against them on their taxes for abatement for unpermitted structures, but stated that would be cleared in escrow. I talked to Jennifer in the City Attorney's office to get more information. Jennifer stated the lien is for the \$26,000. She stated the Teague's didn't file or pay their taxes. Jennifer stated she will have all the paperwork available if you would like to meet with them. If you do meet with them, would you like to have the City Attorney included in the meeting?

Subject: Fight involving Canyon Springs HS students

Good evening,

Today about 12:44 PM, the SRO at Canyon Springs HS received a radio call from campus supervisors about a fight in the lunch area. The SRO responded and saw a 14 year-old male student flailing his arms as campus supervisors attempted to detain him. The SRO detained the suspect without incident and began walking him to the Admin building. He noticed campus supervisors attempting to detain another 15 year-old male student in the quad area. This student was very agitated and displayed hostility toward the campus supervisors. The SRO handcuffed this student as well and began walking both suspects to the Admin building.

Once the SRO arrived at the office with the two detained students, he received another radio call from campus supervisors asking for help with additional fights occurring in the lunch area. The SRO requested emergency assistance via radio and two units were dispatched. Officers arrived quickly and secured the school. All uninvolved students were directed to return to their classrooms.

Investigation revealed that 6 male students (14-17 years old) were involved in one large mutual fight. This fight was the result of another fight that occurred earlier in the day between two of the subjects in the larger fight. In all, six CSHS students were detained and later released to their parents. Two of them sustained minor injuries during the fight but declined medical attention. All involved parties desire prosecution against each other. The case will be filed with the Juvenile Court. MVUSD Administration was made aware of the incident and will handle any administrative discipline deemed necessary.

Order was restored and the school day continued without further disruption.

Tom,

The four new locations were field checked today and two locations have been cleared; two locations still have items within the right-of-way. The remaining two locations will be field checked again tomorrow as Waste Management is required to retrieve items within 48 hours of notification, per our franchise agreement, and the 48-hour window on these most recent requests will not have transpired until tomorrow.

I will provide an update based on the field check that will be conducted tomorrow. Thank you.

Subject: FW: Illegal Dumping in Edgemont

Tom,

Yesterday, Waste Management responded to the prior reported locations and cleared one location of a couch within the right-of-way and reported that all other locations were free of illegally dumped items. This morning, M&O field checked all locations and found what appear to be new items at four locations. These additional items have been reported to Waste Management and should be retrieved within 48 hours. (As today is the normal trash pick-up day for this area, these new items may have been placed for pick-up this morning and be associated with bulky item pick-up requests properly initiated by residents. However, in the event that the items were illegally dumped and to ensure that the items are picked up, M&O has submitted a request to Waste Management for pick-up as an illegally dumped item.)

In researching the reason for the apparent delay, the following information was obtained:

- The original locations were reported to Waste Management on 9/17/13
- Waste Management reported that the items at the original locations were picked up on 9/18/13 (see attached email string)
- It is unclear whether the items that were recently observed were new items or items that were missed and not initially retrieved by Waste Management

M&O is working with Waste Management to improve the retrieval verification process for future illegally dumped items. Please let me know if you require any additional information on this item.

Subject: **Planning Commission Appointments**

Hi,

I have applied for an appointment to the Planning Commission and have been asked to come in for an interview with the Council members towards the end of the month. Being asked to interview is a great honor and I appreciate the opportunity. If at all possible I'd like to come and to introduce myself prior to the Council interview to get some insights on what your expectations are of the Planning Commission, and to share with you some of my thoughts and experiences. I realize you are very busy, but if you have 30 minutes to spare, I'd really appreciate the time. I have copied my application for your review.

Thanks,

Jeff

ATTACHMENT TO PLANNING COMMISSION

MEMBERSHIP APPLICATION FORM

Jeffrey D. Sims

What other areas of interest do you have in our City government?

In past years when I was a resident of the City of Riverside, I was appointed by City Council as a commissioner on its Parking, Traffic and Streets Commission. Upon moving to Moreno Valley I became involved with youth associations, mainly Pop Warner Football and the Moreno Valley Youth Federation. The involvement with these sports-based organizations was to be able to participate in my son's activities. After he got older, I applied for Moreno Valley's Traffic Safety Commission and was appointed to complete a commissioner's term and was reappointed for a second term, which I completed in 2010.

I have interest in the growth of the City of Moreno Valley specifically in its continued land use development, job creation, and enhancement of having a "sense of place." A sense of place I believe is part and parcel of strategic planning decisions with land development and job creation. Where appropriate and feasible, portals into the city should be inviting and designed so people living here, those considering to live here, or wanting to invest here get a sense of arriving at a place.

List any education, training, or special skills, you may have which may be relevant or of particular use to this Commission.

Education:

High School Diploma – Arlington High School, Riverside, CA

Associates of Science – Riverside City College, Riverside, CA

Bachelor of Science, Civil Engineering – California Polytechnic University, Pomona

Master of Public Administration – California State University, San Bernardino

Coursework in Law – Southern California Law School, Riverside, CA

License:

Professional Engineer, State of California – Civil Engineering; Registration No. 46212 (active)

Training:

Leadership Riverside Graduate – Class of 2012. I was accepted into this program sponsored by the City of Riverside Greater Chamber of Commerce and spent ten months learning about the many issues facing the City of Riverside and surrounding areas, including Moreno Valley. Although the focus of the program was on the City of Riverside, much of the learning was directly transferable to issue solving for the City of Moreno Valley. Essentially the program helped me better understand that city leadership faces many issues, but the problems are much more manageable with strategic thinking, planning, and collaboration with the community.

Professional/Employment:

1994 to Present – Western Municipal Water District, Riverside, CA

Current Position: Deputy General Manager

In my current role of Deputy General Manager I report directly to the General Manager and responsible for internal operations of the District. My duties include maintaining relationships with leadership and elected of other agencies; providing leadership for the day to day operation of the District; interact with Western's Board of Directors; and set tone for Western's culture. I am involved with preparing District budgets, development review, CIP engineering, planning, community affairs, human resources, and development of agreements with developers and other agencies. Originally in 1994 I started as a Civil Engineer and over the years promoted to my current position.

1984 to 1994 – J. F. Davidson Associates, Inc., Riverside, CA

Last Position: Director of Land Development Services

I started while in college working as a draftsman and progressed to becoming an engineer, then into leadership, and eventually leading J. F. Davidson Associates, Inc.'s land development team. During this period I learned aspects of land development working with many developers on projects from large residential master planned developments such as the Orangecrest and Mission Grove areas in Riverside, to commercial projects such as the Galleria at Tyler. I was involved in client relations, planning, plan production, entitlement activities such as presentations to planning commissions and councils, and construction management. This was a great job and learning experience, but I desired to work in the public sector so I resigned and took a pay cut to take a Civil Engineer position at Western Municipal Water District.

1979 to 1984 – Various jobs

I worked for the City of Riverside as an Engineering Aide; Boyle Engineering in San Bernardino as a draftsman; and Riverside Blueprint as a blueprinter.

List any employment, volunteer work, or membership in a service/community organization that you have served on, or are now a member of. Please provide the names of the agency(ies) and dates served.

Employment: see above in prior answer.

Community service:

Riverside East Rotary – member since 2011

Volunteer – as part of Leadership Riverside Class of 2012, our group of 24 raised over \$75,000 for Path of Life Ministries that provides services for the homeless trying to restore themselves to self-sufficiency.

Moreno Valley Youth Federation – Active as a manager of teams from 1996 to 2004.

Pop Warner Youth Football – Active as a coach from 1996 to 1999.

Toastmasters – H2Orators Club

Traffic Safety Commissioner – City of Moreno Valley, 2007 – 2010

Traffic, Parking and Streets Commissioner – City of Riverside, 1990-1994

Why do you wish to serve on this Commission?

As an 18 year resident of Moreno Valley with time to commit to community involvement, I think I can be useful. I live just off Redlands Blvd. and like many others have concerns about the focus placed on the logistics project. I support economic growth and job creation for the city and welcome the opportunity to be a meaningful participant in that. It would be my goal as a commissioner to seek balance in development activity so proposals are well thought out, compatible with strategic city goals and general plans, and most importantly something all of us can be proud of for years to come.

My background gives me a good understanding of issues a Planning Commissioner will face as I have worked on both sides; public and private. At the end it is my firm belief that public agencies and the development community are dependent on each other. In the absence of the development community likely much of the amenities citizens enjoy would not be present. In the absence of city and governmental oversight, balanced/appropriate development activity may not happen. So it is important for commissions such as the Planning Commission to weigh projects for consistency with the overall general plan, zoning guidelines, combined with strategic economic and social needs of the community. I have a significant amount of practical experience and believe I can help with recommendations to help our city.

Unlike the City of Riverside which I use as a touchstone due to being born there and lived for 33 years, the City of Moreno has fewer identifiable assets to create a sense of place. Riverside has a legitimate downtown, the greenbelt, Victoria Avenue, historical areas and rich in educational facilities. These give

that city a head start in establishing themes and plans for a sense of place. Moreno Valley being newer still has a maturation process to build on, but does have some strong assets to build from. For instance, it would seem great emphasis should be placed on promoting synergy between Kaiser and Riverside Regional Medical. There could be economic drivers associated with promoting a medical corridor and partnering with both RCC Moreno Valley and UCR for nursing programs, assisted living facilities, and medical field jobs. We have March Air Reserve Base and proposed activity within the MJPA controlled redevelopment areas. We have decisions about our eastern entry portal with the proposed Logistics project. If that project is deemed compatible and the right commitment by the city for the land, the project needs to buffer itself from existing residential and to provide appropriate mitigation for development impacts. The city has a large amount of parks and recreational areas for baseball and soccer; are there opportunities to create more along with ancillary support businesses? Finally, it would seem the westerly entrance of the city at Alessandro should be scrutinized for improvement.....that entrance is blighted and not a welcoming entry to our city. There are constraints with a poor water utility system and issues with the clear zone to March ARB runway, however, the city should not be deterred from making efforts to enhance that portal.

I have no aspirations of elected political office in the future and only seek this appointment for the purpose of using my knowledge, education and work experience as a Planning Commissioner. I have not joined in with any citizen group that has a stance on projects in the city, and only wish to contribute in helping the city grow, become more prosperous, create jobs and help our community work locally rather than commute.

Explain briefly your understanding of what this commission does, including its powers and limitations.

Review staff reports and recommendations on projects, planning documents and development policies for consistency with current adopted policies and procedures. The commission will make approval or denial recommendations to City Council regarding projects. Projects not approved by the Planning Commission can be appealed to City Council. The Planning Commission is limited to following City Codes and rules and bound to make decisions within those parameters as guided by legal counsel.

Have you attended any meetings of this Commission? If so, how many?

Yes. I have attended approximately 10 or so meetings over the years and have addressed the Commission in the past regarding a proposed residential project next to the tract I live. My concern was the zoning in the area called for half acre lots and I supported a downsizing of lot size to one third acre. My home is in a tract with half acre lots and it is very apparent that 1) nobody has horses, and 2) 70% or more of the people in my tract with half acre lots do not take the effort to fully maintain the lot. I spoke in favor of allowing the developer to net more lots allowing for more funds for street improvements and a park amenity on Cottonwood. I have attended meetings on behalf of Western Municipal Water District supporting City of Moreno Valley efforts related to upgrade of Box Springs Mutual Water District

as an upgraded water system is vital to enhancing the blight in that area. Last I was on the City's Traffic Safety Commission and participated with staff and fellow commissioners.

What do you hope to accomplish by your participation?

As I have gotten older I realize that the way a community is does not happen by accident. It takes effort and commitment by people to help shape and influence how a community will be. Those of us in Moreno Valley enjoy the efforts of those folks before us that took the time to incorporate the City, make sure the County Regional located here, worked with RCC, and have as many parks and amenities as we do (to name a few). I feel an obligation as this is my home to offer my time and experience to help shape and influence the continuing maturation of Moreno Valley. Through my educational and professional experiences, as well as past participation with a city commission, I believe I can be an asset to the city as it moves forward.

Wanted to invite you to an event on Friday February 22 that will announce that the Skechers USA-Highland Fairview Corporate Park project has been certified as a LEED Gold development project. We all knew that this would happen (despite what the PE and others said). Please join Mr. Iddo Benzeevi and the Highland Fairview team in the event signaling the largest LEED certified building. The event will be 9 am on Friday February 22 in front of the Skechers USA office entrance area. Please RSVP to me whether you plan to attend.

Hope to see you there.

Lora,

I'm responding to the questions posed in your blog posting.

Our goal was to get you a swift response from the appropriate level of City government.

Q: If the city's library services director and her supervisor won't provide information about the services, which they oversee, is the process of getting information free from pretense or deceit?

A: Paula and I both responded quickly, directly providing you with a specific point of referral. It's honestly difficult to understand how "pretense" or "deceit" could be fairly applied to our responses.

Q: Is it easily seen through or detected?

A: We provided specific contact info, leaving nothing to be "seen through or detected."

Q: Is it readily understood?

A: It's apparent that you understood the referrals you were provided.

Q: Is it visible and accessible?

A: Absolutely

Q: What do you think?

A: I think you were given info that was:

- 1) Responsive;
- 2) Accurate; and
- 3) Timely (within only a couple hours after your call)

Our intent was to provide the best response possible. We appreciate your interest in public services provided to City residents, and will continue to do all we can to assist you.

Respectfully,

Tom

Subject: RE: For Berry Foster and all council members.

Mr. Foster:

I have the following questions for you. Regarding the Business Incubator Program draft plan that should be completed by June 2013, per your statement at the city council on March 26, 2013. Will you be considering the following... On average, incubator clients spend 33 months in a program.^[6] Many incubation programs set graduation requirements by development benchmarks, such as company revenues or staffing levels, rather than time in the program.

[edit]

Most common incubator services:^[4]

- Help with business basics
- Networking activities
- Marketing assistance
- High-speed Internet access
- Help with accounting/financial management
- Access to bank loans, loan funds and guarantee programs
- Help with presentation skills
- Links to higher education resources
- Links to strategic partners
- Access to angel investors or venture capital
- Comprehensive business training programs
- Advisory boards and mentors
- Management team identification
- Help with business etiquette
- Technology commercialization assistance
- Help with regulatory compliance
- Intellectual property management

Unlike many business assistance programs, business incubators do not serve any and all companies. Entrepreneurs who wish to enter a business incubation program must apply for admission. Acceptance criteria vary from program to program, but in general only those with feasible business ideas and a workable business plan are admitted. It is this factor that makes it difficult to compare the success rates of incubated companies against general business survival statistics.^[5]

Although most incubators offer their clients office space and shared administrative services, the heart of a true business incubation program is the services it provides to startup companies.

More than half of incubation programs surveyed by the National Business Incubation Association in 2006 reported that they also served affiliate or virtual clients.^[6] These companies do not reside in the incubator facility. Affiliate clients may be home-based businesses or early-stage companies that have their own premises but can benefit from incubator services. Virtual clients may be too remote from an incubation facility to participate on site, and so receive counseling and other assistance electronically.

Thank you,

The amount of time a company spends in an incubation program can vary widely depending on a number of factors, including the type of business and the entrepreneur's level of business

expertise. Life science and other firms with long research and development cycles require more time in an incubation program than manufacturing or service companies that can immediately produce and bring a product or service to market.

Hi Victoria,

Thank you for taking the time to meet with myself, Rod and Bud. We appreciate your time and look forward to a strong line of communication regarding the City, Chamber and local businesses. It is the Chambers role to promote the City, businesses and members so that we may all have a positive and impacting role on our community. Please feel free to contact the Chamber if you are aware of any business or organization that might need services or resources that we may have to offer.

Again thank you for your time.

Subject: Leadership MV - Tour Natural Gas Compressor Station
Importance: High

All,
With the support of the Chamber's Leadership Moreno Valley, Denise Bagley & Dick Heil I have been able to host many tours of our Natural Gas Compressor Station located at the east end of the Valley.

We appreciate the opportunity to educate Moreno Valley & Riverside County elected officials, business leaders, law enforcement and others on our natural gas operations infrastructure.

The Moreno Valley Compressor Station supplies natural gas to Riverside County & 94% of all of San Diego County's supply.

Our next tour is set for **Thursday, April 11 at 9:30 – 10:45 am at 14601 Virginia Street.**

We consider this particular tour even more significant with public hearings scheduled in the near future on the "World Logistics Center" land use zoning on the property surrounding our facility.

If any of you have not been to our facility or have Staff members interested in joining us please feel free to contact me or Denise Bagley, Cindy Miller.

Southern California Gas Co & San Diego Gas & Electric have been delivering clean, safe and reliable natural gas to customers for more than 140 years. They are the nation's largest natural gas distribution utility, providing service to 23.9 million consumers in more than 500 communities. The company's service territory encompasses central and Southern California, from Visalia to the Mexican border. SoCalGas & San Diego Gas & Electric are regulated subsidiaries of Sempra Energy

I look forward to seeing you on April 11 and if you have any questions please feel free to contact me.

Good Evening,

I hope this email finds you well!

I am reaching out to you because I was involved in a traffic accident on February 7, 2013 and have yet to receive a police report.

At the scene I was unable to be interviewed because I sustained severe and life threatening injuries, but was told at the hospital that the report (MV130380326) could be obtained in approximately four weeks.

As May quickly approaches, I have yet to receive the report and as my surgeries continue I desperately need it.

As leaders in the department, I am hoping you can assist me in getting the report before the week is out. I understand that someone may need to talk to me as well, as I was never interviewed.

Can you assist me in moving forward in this process or point me in the correct direction to do so?

I appreciate your time.

Thanks for all you do,

Micheal Penn

Hi Victoria,

Mrs. Velasco is confirmed for 9:00 a.m. tomorrow. She will bring five people with her. City Hall is closed on Fridays, but I gave her Cindy's work and cell phone number to call Cindy when she arrives. Cindy will let her in, and show her to Conference Room A. Conference Room B is being used tomorrow.

Please let me know if you need anything further.

Subject: delegate/alternate

Dear City Clerks:

The Southern California Association of Government (SCAG) General Assembly will be held May 2 – 3, 2013 at the JW Marriott Desert Springs Resort & Spa in Palm Desert, California. Each year, SCAG's member cities select a Delegate and/or Alternate to represent their city to participate at this Annual Meeting.

If you have not done so, please send a copy of your city's action in appointing a SCAG Delegate and/or Alternate as soon as possible. Delegates/Alternates are required to submit FPPC Form 700, Statement of Economic Interests, to our office. You may use the form filed within your city; however, please note "SCAG" in Box 1 of the form.

MV00259449

Please note: If your City currently has a Regional Council Member that serves on the SCAG Board, per SCAG Bylaws, that person is your City delegate so there is no need to appoint a delegate. However, please provide us with the name of the alternate.

Statement of Economic Interests forms are available on FPPC's website at <http://www.fppc.ca.gov/index.php?id=500> and must be filed with this agency no later than April 1, 2013.

Thank You,

Lillian Harris-Neal

Good evening,

I have done some research into this and found the following. The investigation is being handled by Officer Bordeau, rather than Officer Lee. Officer Bordeau is a designated Traffic Accident Investigator and has the expertise and training to handle major injury traffic accidents. In fact, she is working on about a dozen such reports as we speak. She has made several attempts to contact Mr. Penn, but has not been successful as of yet. She will try again today to arrange for an interview with Mr. Penn. Once she completes the victim interview, she should be able to complete the report in fairly short order. Because of the complexity of injury traffic accident investigations, they generally take considerably longer to complete than criminal investigation reports. I spoke with Mr. Penn today and explained that Officer Bordeau would be contacting him for a statement very soon. He was pleased with this outcome.

Good Evening,

I hope this email finds you well!

I am reaching out to you because I was involved in a traffic accident on February 7, 2013 and have yet to receive a police report.

At the scene I was unable to be interviewed because I sustained severe and life threatening injuries, but was told at the hospital that the report (MV130380326) could be obtained in approximately four weeks.

As May quickly approaches, I have yet to receive the report and as my surgeries continue I desperately need it.

As leaders in the department, I am hoping you can assist me in getting the report before the week is out. I understand that someone may need to talk to me as well, as I was never interviewed.

Can you assist me in moving forward in this process or point me in the correct direction to do so?

I appreciate your time.

Thanks for all you do,

Micheal Penn

Subject: will you support my swimming, please?

Dear Councilwoman Baca--

My name is Ching Sergeant. I am in 5th grade and I live here in Moreno Valley. My brother, Jia, is in 3rd grade. My sister, Mae, is in 1st grade. Nearly every weekday, we go to the Riverside Aquatics Association (RAA) swim team.

I am writing to you today to ask for your support of RAA. This non-profit organization gives hours and hours of exercise, fun, and training for the children of our area. Our coaches are great and train us in physical fitness, endurance, and swimming techniques. We have a blast at each practice.

But now we need to raise money. RAA will be holding the 7th *Annual Lap-a-thon* on April 19th at 5:00pm at the Bobby Bonds Sports Complex. This is our one major fundraiser of the year. The money we raise will help provide badly needed equipment for our swim team. But this year we are doing more. I am very excited to tell you that RAA will give part of the money raised during the Lap-a-thon to the *Southern California Special Olympics Aquatics Program*. Special Olympics offers year-round sports training and athletic competition in Olympic-type sports to children and adults with intellectual disabilities. The money you give will also go to *RAA's scholarship program*, so that families that don't have much money can still send their kids to this great program.

My goal is to raise \$600 for RAA this year. If you help with a \$100 donation, RAA will say "thank you" by displaying your name and position as a Moreno Valley Councilwoman on the Lap-thon T-shirts that are given to the swimmers and on the very large banner that is prominently displayed year-round outside of our practice pool. Parents of the swimmers (many of them live in Moreno Valley) would see your name all year long as a supporter of RAA. My

dad says that this name recognition couldn't hurt when the next election comes. And you will be helping two great causes: the Special Olympics and my swim team.

So, will you help me reach my goal of \$600? If you cannot give \$100 then any amount would be helpful. Please help me reach my goal! If you will donate just go to www.raa-swim.org and click on the link called "2013 Lap-a-thon." Then click the "Find Participants" button and type in my name, Ching Sergeant. Be sure you spell it right. Then you can view my profile and donate to me. It will ask you if you want to donate just to me or to every swimmer in my family. Click the button to just donate to me. Every member in my family will get credit for it anyway. Thank you so much for considering helping me. If you have any questions, you can ask my dad at writetoderrick@hotmail.com or ask RAA at info@raa-swim.org.

Thanks again,

Ching Sergeant

So, will you help me reach my goal of \$600? If you cannot give \$100 then any amount would be helpful. Please help me reach my goal! If you will donate just go to www.raa-swim.org and click on the link called "2013 Lap-a-thon." Then click the "Find Participants" button and type in my name, Ching Sergeant. Be sure you spell it right. Then you can view my profile and donate to me. It will ask you if you want to donate just to me or to every swimmer in my family. Click the button to just donate to me. Every member in my family will get credit for it anyway. Thank you so much for considering helping me. If you have any questions, you can ask my dad at writetoderrick@hotmail.com or ask RAA at info@raa-swim.org.

Thanks again,

Ching Sergeant

Good morning JulieAnn,

Thank you for volunteering to help. Sara will be in touch with you about the auditions.

The flyers are in the hands of our Graphics folks as they are fine tuning the flyer. I will let you know as soon as we receive the approved flyer file. Sara will be making copies and getting them to both school districts so no need to duplicate those efforts. We would appreciate getting them out to the community. I am hopeful we will have the flyer early next week.

Thank you again!

April 17, 2013

United Way of Inland Empire Community Review Team

To Whom It May Concern,

This letter is written in support of PW Enhancement Center (PWEC), an organization who is a recipient of the City of Moreno Valley's CDBG grant funding. PWEC is a community referral and resource agency who provides services throughout Riverside County. The Center has been a member of Riverside County's Continuum of Care (CoC) for the past 10 years.

Rochelle Lewis, PWEC's executive director, is a member of the CoC Governing Board and has been so for the past 8 years. This resource is a multifaceted organization and is one of the only agencies that provide emergency housing through its motel voucher program... Additionally, their Homeless Prevention / Rental Assistance Program assists individuals in maintaining their current residence.

The Center reports that their continued growth in the area of grant administration and program management has increased their ability to compete for and secure larger grants each year. As a result, PWEC is likely to continue to play an important role in the City of Moreno Valley's homelessness prevention efforts and work to reduce the number of chronic homeless families and individuals in the streets of Moreno Valley...

The Center collaborates with the City of Moreno Valley to ensure that eligible persons are offered assistance. We look forward to a continued relationship with PW Enhancement Center.

Sincerely,

Victoria Baca
Council Member

Subject: Chino Hills Undergrounding Issue

Victoria,

I have attached a fact sheet that identifies the issue. In a nutshell, the city of Chino Hills wants us to underground in their city a 3.5 mile part of a 173 mile line that goes through 20 cities and three counties. This would be paid by all SCE ratepayers going forward.

I'm asking you to review the fact sheet, there are embedded links on the website. Chino Hills is in Segment 8A: www.sce.com/trtp

If you decide to write a letter of support, please put on your letterhead and send it to:

Tehachapi Renewable Transmission Project (TRTP)

Overview of TRTP Segments 4-11 and the CPUC Order to Analyze Underground Options in Chino Hills

Project Overview

- TRTP Segments 4-11 consist of new and upgraded electrical transmission facilities spanning approximately 173 miles and are being constructed to deliver up to 4,500 megawatts of renewable energy, **enough capacity to power three million homes** (TRTP Segments 1-3 were approved by the California Public Utilities Commission (CPUC) in March 2007 and construction is now complete).
- The project traverses over 20 communities and three counties.
- It is the first major transmission project in California being constructed specifically to access multiple renewable generators in a remote, renewable-rich resource area.
- TRTP 4-11 was approved in December 2009, after two years of review and analysis by the CPUC and its team of environmental consultants.

Project Timeline

Fall 2009	CPUC approves TRTP 4-11 after a two-year licensing phase
Spring 2010	Construction of TRTP 4-11 begins
Winter 2012-13	Segments 4, 5 and 10 completed
Fall 2013	Segment 6 expected to be completed
Winter 2015	Expected project completion

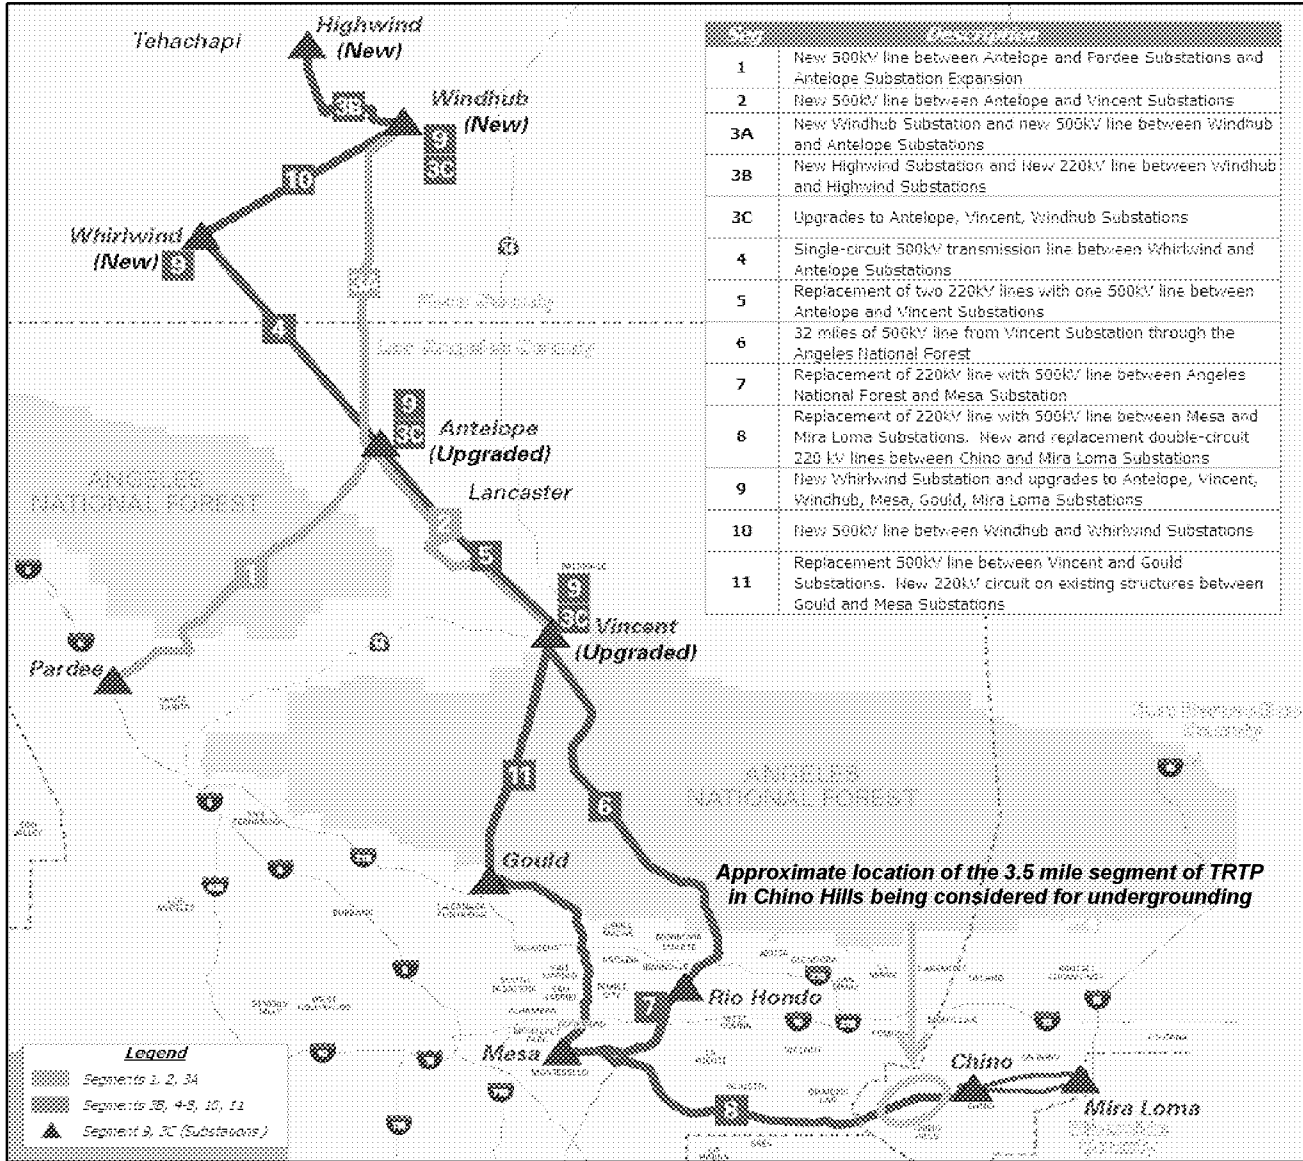

CPUC Order to Analyze Underground Options in Chino Hills

- Currently the CPUC is considering whether or not the portion of TRTP within Chino Hills should be placed underground instead of the already-approved overhead configuration.
- The underground options being considered would cost approximately **\$540-\$893 million*** for the 3.5 mile area in Chino Hills, which is up to **\$723 million more** than the approved overhead portion in Chino Hills. These additional costs would likely impact ratepayers throughout California.
- In the area considered for an underground option, 12 of 16 transmission structures have already been completed as part of the approved overhead position in the existing utility right-of-way corridor (the completed and partially-completed structures would need to be demolished and removed if the CPUC orders an underground option).
- SCE's cost and schedule estimates are based on optimistic scenarios. If SCE is ordered by the CPUC to underground TRTP in Chino Hills and delays are encountered, the operational date of TRTP could be pushed beyond the goal of 2015 and increase the total cost beyond estimates.
- The CPUC issued a decision allowing SCE to recover as much as \$33 million in pre-construction costs it would incur before the CPUC makes a final decision on whether to proceed with an underground option in Chino Hills.

*Based upon SCE underground testimony served on 12/3/2012

**Based upon SCE rate recovery testimony served on 1/17/2013

Re: In the Matter of the Application of Southern California Edison Company (U338-E) for a Certificate of Public Convenience and Necessity Concerning the Tehachapi Renewable Transmission Project (Segments 4 through 11), Application No. 07-06-031

Dear CPUC Public Advisors Office,

In 2009 the CPUC approved this project after two years of a licensing phase. This 175 mile project was completely reviewed by cities, counties, businesses, and residents. All public notification was followed; public hearings and open houses were held. Supporters and opponents all had their chance to be heard. Now, because of complaints from the residents, and the spending of more than \$3 million dollars by the city council of the fifth richest city in California, you have had the construction stopped on segment 8, the 3.5 mile stretch through Chino Hills.

Does this mean the public comment period is re-opened? If not, isn't this unfair to the other residents, businesses, cities and counties? How can you justify this?

Why should all SCE customers pay for the increased costs of roughly \$500 million dollars?

Please allow this project to move forward as designed and approved back in 2009.

Thank you,

Victoria Baca

It is my pleasure to announce the promotion of Dena Heald to the position of Financial Operations Division Manager. Dena was selected after successfully completing an open and competitive recruitment. Dena started with the City in August 2011 as the Principal Accountant and most recently has been serving as Acting Financial Operations Division Manager. Dena has extensive private and municipal accounting experience. Before coming to the City, she was Senior Accountant for the City of Lake Havasu.

Dena played a critical role in implementing the financial modules of the LOGOS enterprise resource system. Immediately after Go-Live of the financial system last July, Dena led the accounting staff through the successful annual audit process, completing the Comprehensive Annual Financial Report (CAFR) during a very challenging period. Dena has demonstrated that she not only has a solid understanding of internal controls, but has the experience and energy to lead a very capable accounting staff to provide excellent accounting services and customer support to the City's varied divisions and departments.

Please join me in congratulating Dena on this promotion.

I am happy to announce the appointment of Marshall Eyerman as Budget Officer in the Financial & Management Services Department. Marshall was selected after successfully completing an open and competitive recruitment. Marshall started with the City in March 2008 as Special Districts Program Manager and most recently he has been serving as Acting Budget Officer. He has significant experience in the municipal finance field dealing with complex budget and cost issues. As Program Manager in Special Districts, Marshall has been responsible for managing the budgets, revenues and expenses of a complex structure of funds providing services to the citizens of Moreno Valley, including administering parcel fee assessments and handling debt service related to Special Districts. As interim budget officer, Marshall has taken the lead role in preparing the upcoming two-year budget as we completed extensive review of each Department's budget submissions and have undertaken the challenge to balance the General Fund budget in FY 2013-14. His analytical and computer skills have been instrumental in guiding us through this process accurately and expediently.

Marshall is well prepared to assume the role of Budget Officer for the City. Please join me in congratulating Marshall on this appointment.

Subject: Chino Hills Undergrounding Issue

Victoria,

I have attached a fact sheet that identifies the issue. In a nutshell, the city of Chino Hills wants us to underground in their city a 3.5 mile part of a 173 mile line that goes through 20 cities and three counties. This would be paid by all SCE ratepayers going forward.

I'm asking you to review the fact sheet, there are embedded links on the website. Chino Hills is in Segment 8A: www.sce.com/trtp

If you decide to write a letter of support, please put on your letterhead and send it to:

President Michael R. Peevey

Tehachapi Renewable Transmission Project (TRTP)

Overview of TRTP Segments 4-11 and the CPUC Order to Analyze Underground Options in Chino Hills

Project Overview

- TRTP Segments 4-11 consist of new and upgraded electrical transmission facilities spanning approximately 173 miles and are being constructed to deliver up to 4,500 megawatts of renewable energy, **enough capacity to power three million homes** (TRTP Segments 1-3 were approved by the California Public Utilities Commission (CPUC) in March 2007 and construction is now complete).
- The project traverses over 20 communities and three counties.
- It is the first major transmission project in California being constructed specifically to access multiple renewable generators in a remote, renewable-rich resource area.
- TRTP 4-11 was approved in December 2009, after two years of review and analysis by the CPUC and its team of environmental consultants.

Project Timeline

Fall 2009	CPUC approves TRTP 4-11 after a two-year licensing phase
Spring 2010	Construction of TRTP 4-11 begins
Winter 2012-13	Segments 4, 5 and 10 completed
Fall 2013	Segment 6 expected to be completed
Winter 2015	Expected project completion

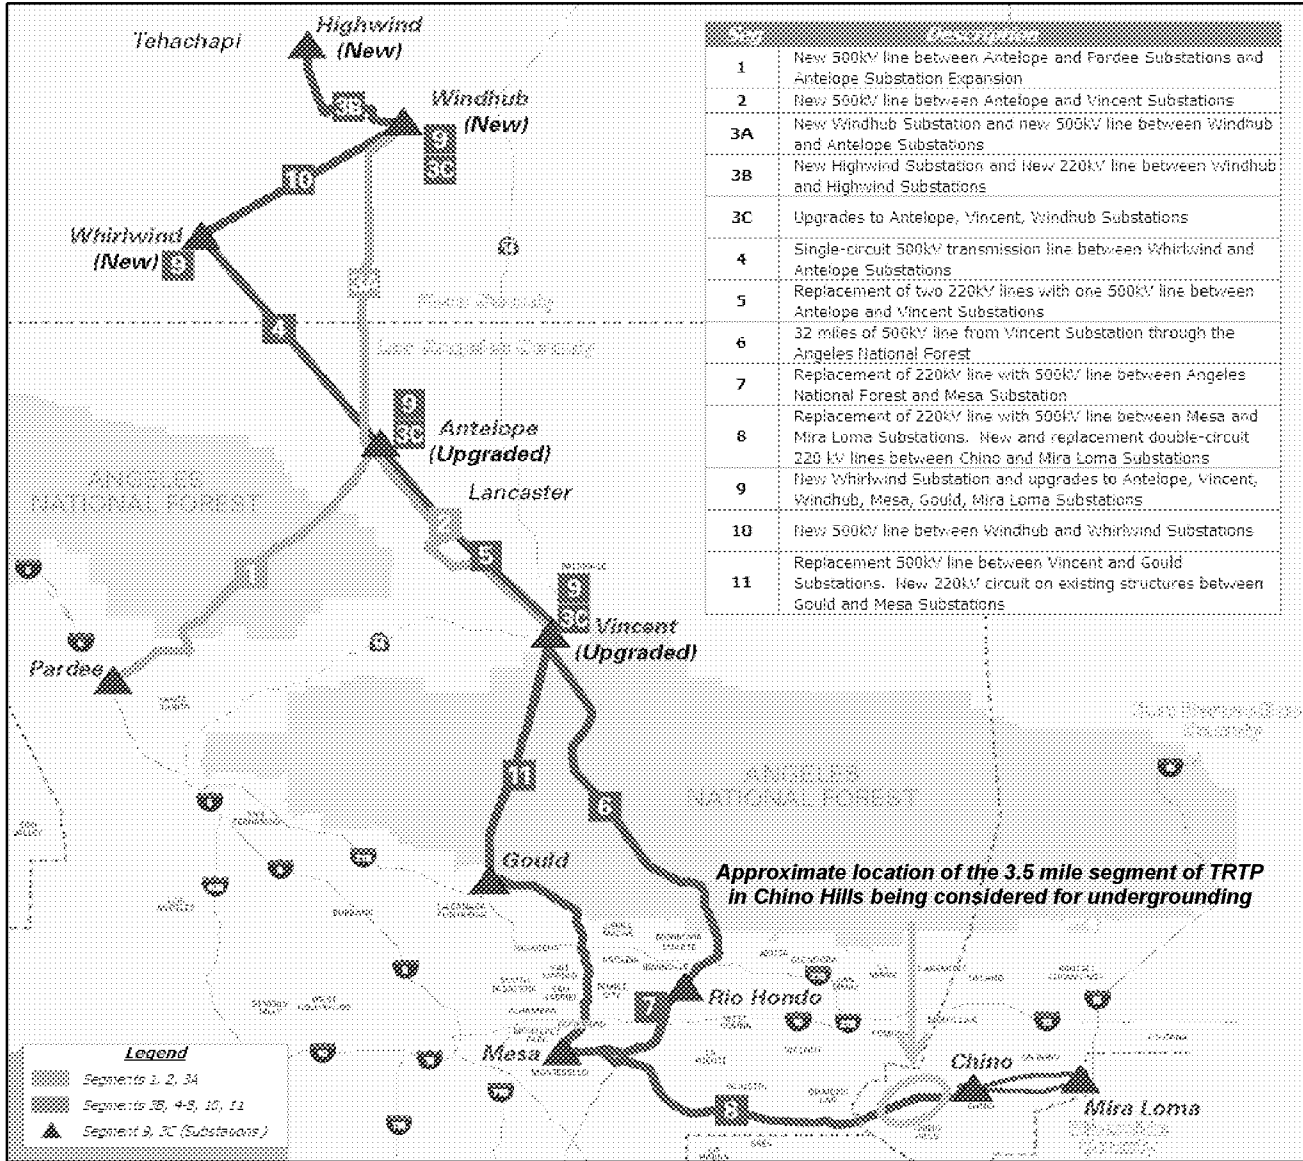

CPUC Order to Analyze Underground Options in Chino Hills

- Currently the CPUC is considering whether or not the portion of TRTP within Chino Hills should be placed underground instead of the already-approved overhead configuration.
- The underground options being considered would cost approximately **\$540-\$893 million*** for the 3.5 mile area in Chino Hills, which is up to **\$723 million more** than the approved overhead portion in Chino Hills. These additional costs would likely impact ratepayers throughout California.
- In the area considered for an underground option, 12 of 16 transmission structures have already been completed as part of the approved overhead position in the existing utility right-of-way corridor (the completed and partially-completed structures would need to be demolished and removed if the CPUC orders an underground option).
- SCE's cost and schedule estimates are based on optimistic scenarios. If SCE is ordered by the CPUC to underground TRTP in Chino Hills and delays are encountered, the operational date of TRTP could be pushed beyond the goal of 2015 and increase the total cost beyond estimates.
- The CPUC issued a decision allowing SCE to recover as much as \$33 million in pre-construction costs it would incur before the CPUC makes a final decision on whether to proceed with an underground option in Chino Hills.

*Based upon SCE underground testimony served on 12/3/2012

**Based upon SCE rate recovery testimony served on 1/17/2013

Re: In the Matter of the Application of Southern California Edison Company (U338-E) for a Certificate of Public Convenience and Necessity Concerning the Tehachapi Renewable Transmission Project (Segments 4 through 11), Application No. 07-06-031

Dear CPUC Public Advisors Office,

In 2009 the CPUC approved this project after two years of a licensing phase. This 175 mile project was completely reviewed by cities, counties, businesses, and residents. All public notification was followed; public hearings and open houses were held. Supporters and opponents all had their chance to be heard. Now, because of complaints from the residents, and the spending of more than \$3 million dollars by the city council of the fifth richest city in California, you have had the construction stopped on segment 8, the 3.5 mile stretch through Chino Hills.

Does this mean the public comment period is re-opened? If not, isn't this unfair to the other residents, businesses, cities and counties? How can you justify this?

Why should all SCE customers pay for the increased costs of roughly \$500 million dollars?

Please allow this project to move forward as designed and approved back in 2009.

Thank you,

Victoria Baca

Mrs. Victoria Baca and Mr. Joel Ontiveros,
I am emailing you to ask for your help. My son attends Creekside Elementary School on the corner of Cottonwood and Heacock in Moreno Valley. The parking lot is a huge hazard area. Every day, parents park in fire lanes, travel against the flow of other traffic at speeds exceeding 15 mph, and park where ever they feel like blocking other cars in and walking away from their vehicles. I know that this is probably an issue for Dr. Judy White, the Superintendent of Schools for MVUSD (She is receiving a copy of this email as well), but it goes beyond this. The principal stands outside, surveying the potential disaster that is her parking lot and does nothing. My biggest fear is that there will be some minor emergency that will escalate into a major disaster as the mess of vehicles in this lot will not be able to get out to allow emergency vehicles in. From 1:30p to 2:25p this parking lot is a disaster waiting to happen. On Thursdays, it's even worse because of the flex schedule and there are even more parents picking up kids. Come down unannounced and see for yourself. I'm begging you to take care of this before something happens, and everyone is standing around trying to figure out what happened. Please serve your community and protect our children.

Sincerely,
James Frees

On Apr 11, 2013, at 6:56 PM, "Joel Ontiveros" <jontiver@riversidesheriff.org> wrote:

Good evening,

I have done some research into this and found the following. The investigation is being handled by Officer Bordeau, rather than Officer Lee. Officer Bordeau is a designated Traffic Accident Investigator and has the expertise and training to handle major injury traffic accidents. In fact, she is working on about a dozen such reports as we speak. She has made several attempts to contact Mr. Penn, but has not been successful as of yet. She will try again today to arrange for an interview with Mr. Penn. Once she completes the victim interview, she should be able to complete the report in fairly short order. Because of the complexity of injury traffic accident investigations, they generally take considerably longer to complete than criminal investigation reports. I spoke with Mr. Penn today and explained that Officer Bordeau would be contacting him for a statement very soon. He was pleased with this outcome.

Good Evening,

I hope this email finds you well!

I am reaching out to you because I was involved in a traffic accident on February 7, 2013 and have yet to receive a police report.

At the scene I was unable to be interviewed because I sustained severe and life threatening injuries, but was told at the hospital that the report (MV130380326) could be obtained in approximately four weeks.

As May quickly approaches, I have yet to receive the report and as my surgeries continue I desperately need it.

As leaders in the department, I am hoping you can assist me in getting the report before the week is out. I understand that someone may need to talk to me as well, as I was never interviewed.

Can you assist me in moving forward in this process or point me in the correct direction to do so?

I appreciate your time.

Thanks for all you do,

Micheal Penn

Cindy, I received a call about and I visited Gina Street - a cul-de-sac in Edgemont.

Mr. Zamora inquired about the fence at the end of the street. The fence is dilapidated and no longer serves its purpose of keeping people, especially children from a busy street. He also claims that a high level of drug sales take place in and around this area.

Secondly, Mr. Zamora claims that the street cleaner leaves the trash from the street at the end and does not sweep on a regular basis, yet cars are ticketed.

Subject: will you support my swimming, please?

Dear Councilwoman Baca--

My name is Ching Sergeant. I am in 5th grade and I live here in Moreno Valley. My brother, Jia, is in

3rd grade. My sister, Mae, is in 1st grade. Nearly every weekday, we go to the Riverside Aquatics Association (RAA) swim team.

I am writing to you today to ask for your support of RAA. This non-profit organization gives hours and hours of exercise, fun, and training for the children of our area. Our coaches are great and train us in physical fitness, endurance, and swimming techniques. We have a blast at each practice.

But now we need to raise money. RAA will be holding the 7th ***Annual Lap-a-thon*** on April 19th at 5:00pm at the Bobby Bonds Sports Complex. This is our one major fundraiser of the year. The money we raise will help provide badly needed equipment for our swim team. But this year we are doing more. I am very excited to tell you that RAA will give part of the money raised during the Lap-a-thon to the ***Southern California Special Olympics Aquatics Program***. Special Olympics offers year-round sports training and athletic competition in Olympic-type sports to children and adults with intellectual disabilities. The money you give will also go to ***RAA's scholarship program***, so that families that don't have much money can still send their kids to this great program.

My goal is to raise \$600 for RAA this year. If you help with a \$100 donation, RAA will say "thank you" by displaying your name and position as a Moreno Valley Councilwoman on the Lap-thon T-shirts that are given to the swimmers and on the very large banner that is prominently displayed year-round outside of our practice pool. Parents of the swimmers (many of them live in Moreno Valley) would see your name all year long as a supporter of RAA. My dad says that this name recognition couldn't hurt when the next election comes. And you will be helping two great causes: the Special Olympics and my swim team.

So, will you help me reach my goal of \$600? If you cannot give \$100 then any amount would be helpful. Please help me reach my goal! If you will donate just go to www.raa-swim.org and click on the link called "2013 Lap-a-thon." Then click the "Find Participants" button and type in my name, Ching Sergeant. Be sure you spell it right. Then you can view my profile and donate to me. It will ask you if you want to donate just to me or to every swimmer in my family. Click the button to just

donate to me. Every member in my family will get credit for it anyway. Thank you so much for considering helping me. If you have any questions, you can ask my dad at writetoderrick@hotmail.com or ask RAA at info@raa-swim.org.

Thanks again,

Ching Sergeant

Mr. Penn emailed each of the council members individually with his concern. Michelle Dawson forwarded me the Chief's response as an FYI. When I was clearing my emails on April 26, I noticed that the Chief had not responded to all of the council members, so I forwarded his response. I don't believe the Chief was aware that Mr. Penn had contacted everyone.

Part of the delay was I was out of the office the week of April 15. I hope this answers your question. If not, please contact me.

Thanks,

Cindy

<jontiver@riversidesheriff.org> wrote:

Good evening,

I have done some research into this and found the following. The investigation is being handled by Officer Bordeau, rather than Officer Lee. Officer Bordeau is a designated Traffic Accident Investigator and has the expertise and training to handle major injury traffic accidents. In fact, she is working on about a dozen such reports as we speak. She has made several attempts to contact Mr. Penn, but has not been successful as of yet. She will try again today to arrange for an interview with Mr. Penn. Once she completes the victim interview, she should be able to complete the report in fairly short order. Because of the complexity of injury traffic accident investigations, they generally take considerably longer to complete than criminal investigation reports. I spoke with Mr. Penn today and explained that Officer Bordeau would be contacting him for a statement very soon. He was pleased with this outcome.

Good Evening,

I hope this email finds you well!

I am reaching out to you because I was involved in a traffic accident on February 7, 2013 and have yet to receive a police report.

At the scene I was unable to be interviewed because I sustained severe and life threatening injuries, but was told at the hospital that the report (MV130380326) could be obtained in approximately four weeks.

MV00259528

As May quickly approaches, I have yet to receive the report and as my surgeries continue I desperately need it.

As leaders in the department, I am hoping you can assist me in getting the report before the week is out. I understand that someone may need to talk to me as well, as I was never interviewed.

Can you assist me in moving forward in this process or point me in the correct direction to do so?

I appreciate your time.

Thanks for all you do,

Micheal Penn

COUNCILWOMAN BACA

Please accept this invitation to be our guest for the 34th observance of

Memorial Day at Riverside National Cemetery.

*The program will begin at 11 a.m., May 27th, following the arrival of the
West Coast Thunder motorcycle parade.*

Riverside Mayor Rusty Bailey will deliver the Keynote Address.

*The program will include military honors performed by units of the
California National Guard and the U.S. Air Force Reserve.*

The Riverside Concert Band will kick off the day with a medley of patriotic music at 10:30 a.m.

RSVP: By email reply or by calling Jim Ruester at (951)214-4353.

We look forward to seeing you here.

Subject: Meeting Request

Dear Councilmember Baca,

My name is Ted Gover and I am Director of Public Affairs of Pacific Research & Strategies, Inc., a Long Beach-based public relations and government affairs firm. I read the articles (below this e-mail) and heard about the recent controversy. My colleagues and I would be grateful for the opportunity to meet you (at a time and venue of your convenience) to discuss ways in which we can be of assistance to the City of Moreno Valley with communications strategies to the community, constituent groups, the media as well as the wider public. We have many years of experience with these issues and we would be delighted for the opportunity to meet you to discuss how we can help.

FYI: Some years back, we did quite a bit of work with the City Council on the Moreno Highlands project. We were based in Claremont for a number of years and we know Moreno Valley and the Inland Empire well.

You may find information about our company at: www.pacificresearch.net

I would be most grateful for your kind reply.

Thank you, Councilmember Baca.

Respectfully Yours,

Ted Gover

Director of Public Affairs

Pacific Research & Strategies, Inc.

The Press-Enterprise

by Mark Muckenfuss, Staff Writer

Shock. Surprise. Embarrassment. Relief.

These were among the reactions Moreno Valley residents said they had when they discovered their city council members' homes had been searched as part of a corruption investigation.

No charges have been filed, but the searches carried out at homes and businesses on Tuesday morning, April 30, left the city under a cloud.

"If it does come out to be true," said Aaron Sims, 45, "it's just another slap in the face for Moreno Valley."

On Tuesday, agents from the FBI, IRS and the Riverside County district attorney's office served search warrants at the homes of all five Moreno Valley City Council members, including Mayor Tom Owings. They also searched the offices of Skechers warehouse developer Highland Fairview — a company headed by Iddo Benzeevi — and the home of real estate broker Jerome Paul Stephens II.

Highland Fairview has been promoting a controversial massive warehouse project on the east side of Moreno Valley and appears to have the backing of all the council members. The city has produced a video promoting the benefits of the project.

Sims was having lunch at Burgertown on Sunnymead Boulevard on Wednesday with two friends. He, like most in town, had heard about the investigation..

"It really doesn't amaze me," said the Navy veteran, who was stationed at March Air Reserve Base.

Sims said he hasn't been happy with the way the city is going.

"If it happened in Bell (a city whose council members ended up being tried for corruption) it was going to happen in Moreno Valley next. It had to happen. I knew it was going to happen."

Mary Wheat, 85, has lived in Moreno Valley all her life.

"We all said they're all crooks one way or another," Wheat said in a phone interview. "I'd like to have a nice clean-living town."

Others were not ready to jump conclusions, saying it was important to let the legal process play out.

Cleve "C.J." Johnson, who said he is about 70, is president of the Moreno Valley School Board, which recently had its own legal problems. One of its board members, Mike Rios, was sentenced to 14 years in prison last month for felony pimping, pandering and insurance fraud charges. Rios had refused to step down from the school board and was removed after his convictions.

Johnson said he has spoken to quite a number of people since the raids Tuesday morning.

“I would like to think the majority of the folks I talked to want to wait and see what happens,” Johnson said. “I hope there’s nothing going on. If there is, we can’t allow this type of action in our city government.”

He said people had been contacting him from well beyond the city’s boundaries.

“I received an email from a guy who lives in Orange County,” Johnson said. “He’s a friend. He said, ‘What the heck are you guys doing?’”

That kind of reaction, he said, is playing on the mood of people who live in the city.

“If I had to put it into one word, it would be embarrassment,” he said. “First it was the Mike Rios case, and now this.”

Tom Ketcham, 40, president of the Moreno Valley Hispanic Chamber of Commerce, also was worried that news of the investigation will hurt the city’s reputation and, in turn, its businesses.

“It’s hard to say, ‘Come out to Moreno Valley and shop,’ when people say, ‘Why should I come out there? You’re corrupt, you have high crime,’” Ketcham said.

He’s hoping the investigation will at least serve as a wakeup call to the city leaders and that the business environment will improve in the long run. Ketcham said many business owners are frustrated by what they’ve seen as a double standard in Moreno Valley, where regulations are streamlined for large companies while smaller businesses have to struggle.

For smaller businesses, he said, “there’s more red tape, more hurdles for them to start a new business or a new restaurant. We were hoping this new election would (improve the disparity) and we’re still hoping.”

Ketcham said many of the members of his chamber have expressed a sense of relief at the investigation, particularly those, like himself, who are opposed to Benzeevi’s plans for the World Logistics Center, a proposed complex of warehouses that would cover an area equal to 700 football fields.

The investigation, he said, is “really going to be a shot in the arm for the businesses who are against the project.”

Rod Ballance is the chairman-elect of the Moreno Valley Chamber of Commerce. He said he doesn’t foresee the investigation affecting the World Logistics Center development.

“If Mr. Benzeevi, who owns the property, gets through the EIR (environmental impact report), it will go through,” Ballance said of the project.

He said he has spent a substantial amount of time in recent weeks with Owings and Barry Foster, the city’s community and economic development director, and also has met with Councilwoman Victoria Baca. There was never any hint that an investigation was underway, he said

“All through this,” he said, “I didn’t hear anything.”

When he picked up the newspaper Wednesday morning and saw the story about Tuesday’s raids, he said, he reacted with “curiosity.”

Ballance, 70, said it is important not to judge those being investigated. No one has been charged yet with a crime. But he also thinks law enforcement isn’t on a wild chase.

“I’m sure the people in place that conducted everything didn’t do it from a knee-jerk reaction,” Ballance said. “Generally the feds and those types of agencies don’t go on witch hunts. They did it because there was probable cause.”

Alejandra Chavoya, 31, is a secretary at the Moreno Valley School District. She is against the warehouse development. The Skechers project had promised to bring in local jobs that failed to materialize, she said.

“You look at (the searches), and something’s not right,” Chavoya said. “Something fishy is going on.”

Tracy Hodge, 42, who has advocated against the Benzeevi development, said she hoped this would be the start of a positive chapter for the city.

“I have felt for over a year now that our community is not being

protected by our city council," Hodge said.

"To feel as though we don't have a voice has been very frustrating. They're trying to stick this elephant in a canary cage. They are not doing a service to our community."

Of the people she has spoken with, she said, "the overwhelming comment I have received is, 'Finally. Finally somebody is paying attention to what's' going on in our city.'"

Federal agents search homes of Moreno Valley City Council members

The homes of Mayor Tom Owings and the four other council members are targeted, as well as the corporate offices of a firm that has proposed a warehouse center.

April 30, 2013 | By Phil Willon, Los Angeles Times

Federal agents searched the homes of Moreno Valley's mayor and City Council members and the offices of a major warehouse developer Tuesday as part of a broad public corruption investigation in a Riverside County town already singed by scandal.

Agents with the FBI, Internal Revenue Service and local prosecutors served search warrants at the homes of Mayor Tom Owings and the four other council members and at the corporate offices of Highland Fairview, the company that has proposed a 41-million-square-foot warehouse center on the city's eastside.

"Today, the FBI along with the Riverside district attorney's office and the IRS criminal investigative division executed several search warrants in and around Moreno Valley," said Colin Schmitt, supervisory special agent with the FBI's public corruption division. "At this time we're not able to comment further on the details of the warrants because they are sealed."

The mayor — a former car dealership owner and Planning Commission member — denied any wrongdoing. Owings was first elected to the council in November and voted in as mayor by his fellow council members in January.

"On the advice of my attorney, I'm not going to speak about this at this time," Owings said. "I'm confident that I've done nothing wrong."

Highland Fairview's proposed warehouse center, known as the World Logistics Center, has been embroiled in controversy and faces opposition from nearby residents who fear that it will cause traffic jams and harm air quality.

Iddo Benzeevi, chief executive of Highland Fairview, could not be reached for comment Tuesday.

The Moreno Valley investigation is being conducted by a joint corruption task force established in 2010 amid widespread allegations of government corruption in Riverside and San Bernardino counties.

In March, Moreno Valley school board member Mike Rios was sentenced to 14 years in prison for pimping and running a prostitution ring.

Subject: Update on deadly citrus pest found in Moreno Valley

Hello Councilmember Baca,

A deadly citrus pest is spreading throughout backyard citrus in Moreno Valley.

The spread of this pest is concerning because it can carry a deadly citrus disease called HLB. Once a citrus tree is infected with HLB it will die. There is no cure. HLB is a death sentence for Moreno Valley's backyard citrus trees.

I would like the opportunity to brief you on the latest developments about our fight to save California citrus. It should only take 20 minutes. With so much backyard citrus in Moreno Valley, this pest could negatively impact the quality of life for many of your constituents and they may come to you with questions.

I represent the non-profit Citrus Pest & Disease Prevention Program (CaliforniaCitrusThreat.org<<applewebdata://D63ED434-8EC7-4C80-B094-65A3A5637AAB/californiacitrusthreat.org>>). This is a program created by the state legislature in 2009 to help stop the spread of invasive pests throughout California citrus. It's funded by California citrus growers.

We want to update you with important information about our fight against this pest and disease, discuss ways we've worked with your city in the past and how we can work together in the future about keeping your constituents informed about action they can take to protect their trees.

Based on the damage this pest and disease have done in Florida, China and Brazil, we are taking these recent detections very seriously and reaching out to city leaders is a key step.

MV00259565

For reference, here is a recent article in the Press-Enterprise about this issue:
<http://www.pe.com/local-news/riverside-county/riverside/riverside-headlines-index/20111111-riverside-discovery-of-citrus-pest-prompts-spraying.ece>

Additionally, I have attached a briefing paper on the issue.

Please don't hesitate to contact me with any questions. I look forward to working with you on this issue.

Citrus Pest & Disease Prevention Program

Asian Citrus Psyllid: A Death Sentence for Your Community's Citrus

Overview

The Asian citrus psyllid, which has been found throughout Southern California since 2008, can carry one of the most devastating citrus diseases in the world – Huanglongbing (HLB), also known as citrus greening disease. The citrus industry is waging a war to save California's citrus after HLB was discovered in a residential area of Los Angeles in 2012.

While not harmful to human health, HLB is fatal to citrus trees and threatens the state's \$2 billion industry. Trees infected with HLB will produce bitter, hard and misshapen fruit, and ultimately die.

The economic consequences of the Asian citrus psyllid and HLB in California could be staggering. For example, a January 2012 study by the University of Florida indicated the Florida economy has suffered an estimated \$3.63 billion in lost revenues and 6,611 jobs due to this devastating pest and the disease it can spread. Based on the lessons learned in Florida, one of the best ways to protect against HLB is to control the spread of the pest.

The Citrus Pest & Disease Prevention Program is determined to prevent Florida's citrus epidemic from happening in California. As such, the Citrus Pest & Disease Prevention Program wants to ensure government officials are informed about the issue and are prepared to answer questions from residents and/or direct them to accurate sources of information. The best source for immediate information is CaliforniaCitrusThreat.org.

Citrus Industry and Government Action

California's citrus industry has been working closely with federal, state and local officials to detect and suppress the spread of the Asian citrus psyllid and HLB.

- In 2009, AB 281 (De Leon) established the Citrus Pest & Disease Prevention Committee (CPDPC), an industry-funded program to assist in combating citrus-specific diseases, vectors and pests, when found in California.
- At the December 2011 CPDPC meeting, members of the body adopted a plan that establishes an aggressive buffer detection and treatment program around the Asian citrus psyllid population in the greater Los Angeles metropolitan area. The goal of this plan is to prevent HLB and the psyllid from spreading into commercial citrus producing regions in our state.

- A major public outreach campaign involving state and federal entities and the citrus industry is taking place throughout California. Citizens are being asked to inspect their citrus trees monthly and if the Asian citrus psyllid is found, contact the California Department of Food and Agriculture (CDFA) hotline at **1-800-491-1899**.
- Mitigation steps, such as quarantine or restricted area designations and treatment programs, are being employed in high-priority areas where the Asian citrus psyllid is detected.
- CDFA is placing traps around California in residential areas to detect and react to the spread of the Asian citrus psyllid and HLB. Should a psyllid be found in a residential tree within high-priority areas, CDFA will treat the tree and surrounding trees in the area. If HLB is detected, the tree must be removed so psyllids cannot transmit the disease to nearby trees.
- The citrus industry, the United States Department of Agriculture and CDFA are working together to suppress the spread of the psyllid and will continue efforts to save California's \$2 billion citrus industry and 14,000 jobs.

What Elected Officials can do About the Spread of the Asian Citrus Psyllid and HLB: Keep Constituents Informed

- Add the Citrus Pest & Disease Prevention Program link to your website:
 - English – CaliforniaCitrusThreat.org
 - Spanish – PeligranCitricosEnCalifornia.com
- Provide Citrus Pest & Disease Prevention Program education materials at city hall and other locations where residents can access information, such as farmer's markets.
- Send out Citrus Pest & Disease Prevention Program Asian citrus psyllid and HLB information to email distribution lists and include it in newsletters.
- Stay informed – Follow the Citrus Pest & Disease Prevention Program on Facebook and Twitter, and share important updates with constituents.
 - [Twitter.com/CitrusThreat](https://twitter.com/CitrusThreat)
 - [Facebook.com/CaliforniaCitrusThreat](https://facebook.com/CaliforniaCitrusThreat)

- Run the Asian citrus psyllid awareness Public Service Announcement (PSA) on your city or county television network, or upload to your YouTube account. Please contact Katie Rowland at (619) 296-0605 or kr@nstpr.com to obtain the PSA.

What can Residents do to Protect Their Citrus Trees?

Residents can help save backyard citrus in California by following these important tips:

- **Don't move citrus** — Do not move citrus plants, plant material or fruit in or out of quarantine areas, or across state or international borders.
- **Inspect your trees** — Inspect your citrus trees monthly, and whenever watering, spraying, pruning or tending trees, for signs of HLB and the psyllid.
- **Plant responsibly** — Plant trees from reputable, licensed California nurseries.
- **Talk to your local nursery** — Ask about products that are available to help stop the Asian citrus psyllid.
- **Graft with care** — Use only registered budwood that comes with source documentation.
- **Be mindful of clippings** — Dry or double bag plant clippings prior to disposal to avoid moving psyllids and HLB-infected plant materials.
- **Cooperate** — Cooperate with agriculture officials on detection and suppression efforts of the Asian citrus psyllid and HLB.

City Team Members: Tonight in closed session the City Council accepted Henry Garcia's notice of retirement. As you will see in the attached press release, the Mayor and Council were complimentary in thanking Henry for his leadership and contributions to our community. As of today he is on vacation for a couple of weeks, followed by administrative leave through December 1 when he will officially retire.

Tonight the Council also took action appointing me as your City Manager. I am humbled and extremely excited to accept the position and appreciate any thoughts and prayers you may care to send my way. Appointing a City Manager without the benefit of a full outside recruitment really is a vote of confidence from the Council to the entire City team. I consider it to be acknowledgement of our collective hard work and continued dedication to the City of Moreno Valley.

I believe most of us know each other. I have been working for Moreno Valley for a total of 13 years including 7 years in Public Works in the 1990s and the past 6 years in the City Manager's Office. Ron, my husband of 23 years, and I live in Riverside with our sons Ronnie (21, a student at Cal State San Bernardino) and Danny (19, a student at Cal Baptist) and our Clumber Spaniel Molly (5, not too bright but a sweet dog). I am blessed with wonderful families at home and at the City and I look forward to continuing our good work together. Please don't hesitate to stop in and say "Hello" the next time you are in the vicinity of the City Manager's Office.

Dear Councilmember Baca,

My name is Ted Gover and I am Director of Public Affairs of Pacific Research & Strategies, Inc., a Long Beach-based public relations and government affairs firm. I read the articles (below this e-mail) and heard about the recent controversy. My colleagues and I would be grateful for the opportunity to meet you (at a time and venue of your convenience) to discuss ways in which we can be of assistance to the City of Moreno Valley with communications strategies to the community, constituent groups, the media as well as the wider public. We have many years of experience with these issues and we would be delighted for the opportunity to meet you to discuss how we can help.

FYI: Some years back, we did quite a bit of work with the City Council on the Moreno Highlands project. We were based in Claremont for a number of years and we know Moreno Valley and the Inland Empire well.

You may find information about our company at: www.pacificresearch.net

I would be most grateful for your kind reply.

Thank you, Councilmember Baca.

Respectfully Yours,

Ted Gover

Director of Public Affairs

Pacific Research & Strategies, Inc.

The Press-Enterprise

by Mark Muckenfuss, Staff Writer

Shock. Surprise. Embarrassment. Relief.

These were among the reactions Moreno Valley residents said they had when they discovered their city council members' homes had been searched as part of a corruption investigation.

No charges have been filed, but the searches carried out at homes and businesses on Tuesday morning, April 30, left the city under a cloud.

"If it does come out to be true," said Aaron Sims, 45, "it's just another slap in the face for Moreno Valley."

On Tuesday, agents from the FBI, IRS and the Riverside County district attorney's office served search warrants at the homes of all five Moreno Valley City Council members, including Mayor Tom Owings. They also searched the offices of Skechers warehouse developer Highland Fairview — a company headed by Iddo Benzeevi — and the home of real estate broker Jerome Paul Stephens II.

Highland Fairview has been promoting a controversial massive warehouse project on the east side of Moreno Valley and appears to have the backing of all the council members. The city

has produced a video promoting the benefits of the project.

Sims was having lunch at Burgertown on Sunnymead Boulevard on Wednesday with two friends. He, like most in town, had heard about the investigation..

“It really doesn’t amaze me,” said the Navy veteran, who was stationed at March Air Reserve Base.

Sims said he hasn’t been happy with the way the city is going.

“If it happened in Bell (a city whose council members ended up being tried for corruption) it was going to happen in Moreno Valley next. It had to happen. I knew it was going to happen.”

Mary Wheat, 85, has lived in Moreno Valley all her life.

“We all said they’re all crooks one way or another,” Wheat said in a phone interview. “I’d like to have a nice clean-living town.”

Others were not ready to jump conclusions, saying it was important to let the legal process play out.

Cleve “C.J.” Johnson, who said he is about 70, is president of the Moreno Valley School Board, which recently had its own legal problems. One of its board members, Mike Rios, was sentenced to 14 years in prison last month for felony pimping, pandering and insurance fraud charges. Rios had refused to step down from the school board and was removed after his convictions.

Johnson said he has spoken to quite a number of people since the raids Tuesday morning.

“I would like to think the majority of the folks I talked to want to wait and see what happens,” Johnson said. “I hope there’s nothing going on. If

there is, we can't allow this type of action in our city government."

He said people had been contacting him from well beyond the city's boundaries.

"I received an email from a guy who lives in Orange County," Johnson said. "He's a friend. He said, 'What the heck are you guys doing?'"

That kind of reaction, he said, is playing on the mood of people who live in the city.

"If I had to put it into one word, it would be embarrassment," he said. "First it was the Mike Rios case, and now this."

Tom Ketcham, 40, president of the Moreno Valley Hispanic Chamber of Commerce, also was worried that news of the investigation will hurt the city's reputation and, in turn, its businesses.

"It's hard to say, 'Come out to Moreno Valley and shop,' when people say, 'Why should I come out there? You're corrupt, you have high crime,'" Ketcham said.

He's hoping the investigation will at least serve as a wakeup call to the city leaders and that the business environment will improve in the long run. Ketcham said many business owners are frustrated by what they've seen as a double standard in Moreno Valley, where regulations are streamlined for large companies while smaller businesses have to struggle.

For smaller businesses, he said, "there's more red tape, more hurdles for them to start a new business or a new restaurant. We were hoping this new election would (improve the disparity) and we're still hoping."

Ketcham said many of the members of his chamber have expressed a sense of relief at the investigation, particularly those, like himself, who are opposed to Benzeevi's plans for the World Logistics Center, a proposed complex of warehouses that would cover an area equal to 700 football fields.

The investigation, he said, is "really going to be a shot in the arm for the businesses who are against the project."

Rod Ballance is the chairman-elect of the Moreno Valley Chamber of Commerce. He said he doesn't foresee the investigation affecting the World Logistics Center development.

"If Mr. Benzeevi, who owns the property, gets through the EIR (environmental impact report), it will go through," Ballance said of the project.

He said he has spent a substantial amount of time in recent weeks with Owings and Barry Foster, the city's community and economic development director, and also has met with Councilwoman Victoria Baca. There was never any hint that an investigation was underway, he said

"All through this," he said, "I didn't hear anything."

When he picked up the newspaper Wednesday morning and saw the story about Tuesday's raids, he said, he reacted with "curiosity."

Ballance, 70, said it is important not to judge those being investigated. No one has been charged yet with a crime. But he also thinks law enforcement isn't on a wild chase.

"I'm sure the people in place that conducted everything didn't do it from a knee-jerk reaction," Ballance said. "Generally the feds and those types of agencies don't go on witch hunts. They did it because there was probable cause."

Alejandra Chavoya, 31, is a secretary at the Moreno Valley School District. She is against the warehouse development. The Skechers project had promised to bring in local jobs that failed to materialize, she said.

"You look at (the searches), and something's not right," Chavoya said. "Something fishy is going on."

Tracy Hodge, 42, who has advocated against the Benzeevi development, said she hoped this would be the start of a positive chapter for the city.

"I have felt for over a year now that our community is not being protected by our city council," Hodge said.

"To feel as though we don't have a voice has been very frustrating. They're trying to stick this elephant in a canary cage. They are not doing a service to our community."

Of the people she has spoken with, she said, "the overwhelming comment I have received is, 'Finally. Finally somebody is paying attention to what's going on in our city.'"

<http://articles.latimes.com/print/2013/apr/30/local/la-me-moreno-valley-20130501>

Federal agents search homes of Moreno Valley City Council members

The homes of Mayor Tom Owings and the four other council members are targeted, as well as the corporate offices of a firm that has proposed a warehouse center.

April 30, 2013 | By Phil Willon, Los Angeles Times

Federal agents searched the homes of Moreno Valley's mayor and City Council members and the offices of a major warehouse developer Tuesday as part of a broad public corruption investigation in a Riverside County town already singed by scandal.

Agents with the FBI, Internal Revenue Service and local prosecutors served search warrants at the homes of Mayor Tom Owings and the four other council members and at the corporate offices of Highland Fairview, the company that has proposed a 41-million-square-foot warehouse center on the city's eastside.

"Today, the FBI along with the Riverside district attorney's office and the IRS criminal investigative division executed several search warrants in and around Moreno Valley," said Colin Schmitt, supervisory special agent with the FBI's public corruption division. "At this time we're not able to comment further on the details of the warrants because they are sealed."

The mayor — a former car dealership owner and Planning Commission member — denied any wrongdoing. Owings was first elected to the council in November and voted in as mayor by his fellow council members in January.

"On the advice of my attorney, I'm not going to speak about this at this time," Owings said. "I'm confident that I've done nothing wrong."

Highland Fairview's proposed warehouse center, known as the World Logistics Center, has been embroiled in controversy and faces opposition from nearby residents who fear that it will cause traffic jams and harm air quality.

Iddo Benzeevi, chief executive of Highland Fairview, could not be reached for comment Tuesday.

The Moreno Valley investigation is being conducted by a joint corruption task force established in 2010 amid widespread allegations of government corruption in Riverside and San Bernardino counties.

In March, Moreno Valley school board member Mike Rios was sentenced to 14 years in prison for pimping and running a prostitution ring.

Good morning,

As you know, we experienced an officer involved shooting late Saturday night. All officers present are safe and uninjured. The suspect is injured, but doctors do not believe his injuries are life-threatening. He is currently in surgery.

Fir Avenue is closed for about 150 yards, from Bell east to the middle of the block. It will remain closed for several hours as the investigation is conducted.

I am on scene and will send a more detailed update sometime on Sunday as more information becomes available.

Tom and Victoria,

I talked to Mr. Chavez, and he stated it is regarding the Police Department and Yucaipa Towing. He stated he is bringing one other person who is a victim of the situation.

Mr. Chavez has met with Chief Ontiveros and past Council Members regarding these same issues. Mr. Chavez has stated the police have tried to kill him three times. Mr. Chavez' vehicle was towed and impounded, and he stated his lift gate was stolen by Yucaipa Towing.

Chief Ontiveros stated Mr. Chavez is rarely satisfied with his answers, but he would be happy to attend the meeting if you would like him to.

=====
The City of Moreno Valley's Annual Independence Day Parade will take place on Thursday, July 4, 2013, and this year's theme is *A Tribute to Stars and Stripes*. A VIP continental breakfast will be provided at 8:30 a.m. The Honor Guard, which will lead the parade procession, will step off promptly at 9:30 a.m.

In order to ensure there is appropriate signage for your vehicle, please RSVP as soon as possible. When you respond, please provide information regarding the vehicle and the name of your driver for the parade. Final details and a parade route map will be provided to you if you are able to join us.

Thanks,

Cindy

Hello Cindy,

My name is Anilu Carrillo and I am from St. Christopher Catholic Church. Our ministry is the Sports Committee and we bring teens closer to God through sports. This Saturday June 15, 2013 I will be hosting a Goodwill Fundraiser and I will be honored to see our Mayor Tom Owings and Council member Victoria Baca attend to this event. We will provide food and drinks around lunch time. St. Christopher Church is very excited for this event and we would love to see the support of everyone. We will take pictures and show our community who came out to support!

MV00259667

Hope to see you all soon and thanks for your time! God Bless

Sincerely,
Anilu Carrillo

Importance: High

Cindy,

As the City Manager is recommending that the Council contract with LSSI to provide library services in Moreno Valley, we would appreciate your assistance in scheduling meetings between LSSI and our Mayor and Council members.

LSSI VP Bob Windrow is your point of contact for scheduling. Bob and his team will be here next week.

If it would make scheduling easier for the Mayor and Council, it would be fine to schedule any of the sessions with two members.

Thank you so very much.

Tom

Hello Mayor,

I realize you have been very busy and we don't connect very well by Cell that is why I was hoping to meet face to face on the project I am working on and other issues. The Executive Team wanted to have a meeting with you and any interested Council Members but I wanted to sit down with you and share the vision prior to a "formal" format. Kind of a "personal" discussion about the future and this project.

If you have a free evening, morning, weekend that we could coordinate that would be great. Hey, I can take you (and Ms Baca if she wishes) to the base for breakfast at the grill or every Wednesday from 4-8 PM they have a barbeque at Sally's Alley you might enjoy.

Let me know what is best. I will be in Anaheim this coming M-W with a team of my students working on an Animate Your Learning project Festival with CA Office of Problem Gambling and Royer Studios but will be home Wednesday afternoon. Part of my future Education Goals in retirement. But I will be available by my cell and computer.

Best Regards Always,

Jeff Giba

CITY OF MORENO VALLEY
TRAFFIC SAFETY COMMISSION

TRAFFIC INVESTIGATION REPORT

DATE:

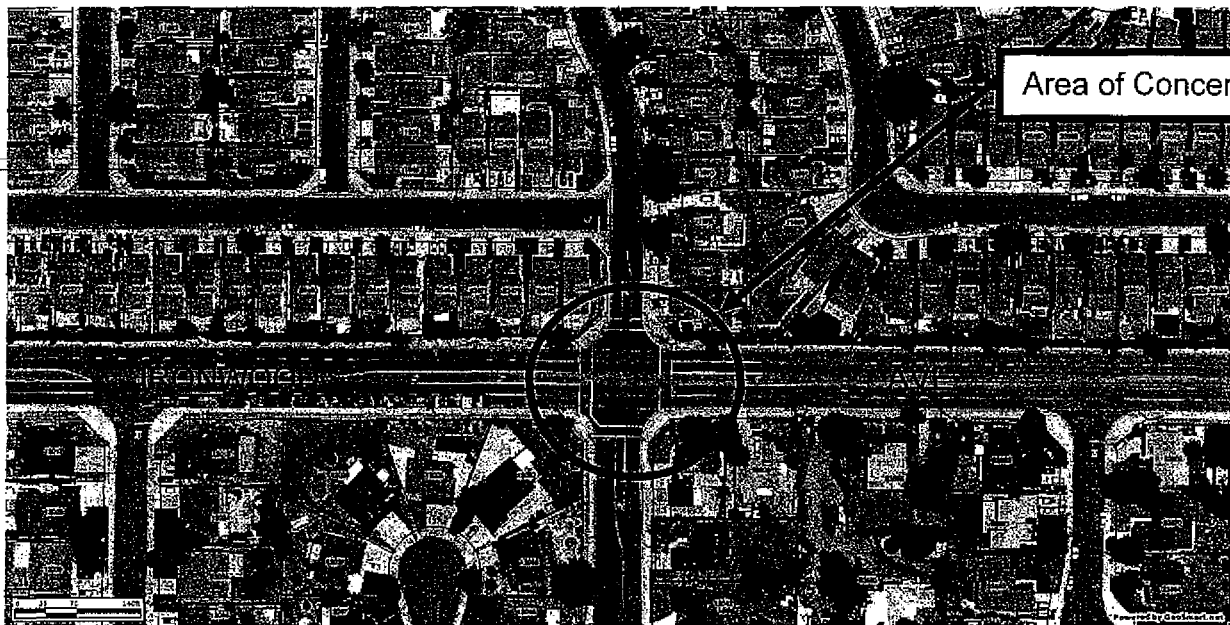

March 6, 2013

REQUESTED BY:

Sergio San Martin, MVUSD

LOCATION:

Ironwood Avenue and Graham Street

GRAHAM ST

REQUEST:

The MVUSD has requested a crossing guard at the intersection of Ironwood Avenue and Graham Street.

BACKGROUND:

Ironwood Avenue is a 64-foot wide east/west arterial that has four lanes in each direction. Graham Street at the subject location is a north/south residential collector and has two lanes of traffic in each direction. The intersection has a traffic signal and has crosswalks installed at all legs of the intersection.

DISCUSSION:

Staff evaluated the existing traffic conditions at the subject intersection during the peak school hours when children are going to and from school. Staff observed the number of vehicles and pedestrians entering the intersection of Ironwood Avenue and Graham Street. During the morning hours of 7:30 AM – 8:30 AM, **147** vehicular turning movements occurred and a total of **23** pedestrians crossed at the subject intersection. During the afternoon hours of 3:00 PM – 4:00 PM, **167** vehicular turning movements occurred and a total of **66** pedestrians crossed the subject intersection.

Based on the recent data that was collected, staff evaluated the warrants for placement of a permanent crossing guard at the subject intersection. Under MUTCD Chapter 7E Crossing Supervision and certain City criteria the following criteria must be met:

Crossing Guard Warrants	Satisfied
PART A On-Suggested Route to School	Yes
PART B Crossing Guard Warrants (Pedestrian & Vehicular volumes)	No
PART C Nearest controlled crossing more than 600 feet	Yes
PART D Special Conditions	No
Warrants A, B and C or A, B, and D must be satisfied to warrant assignment of Crossing Guards	No

RECOMMENDATION:

Based upon all the above, staff does not recommend placement of a crossing guard at the intersection of Ironwood Avenue and Graham Street at this time.

Prepared by:

Edward I. Init
Senior Engineering Technician

Approved by:

Eric Lewis, P.E., T.E.
City Traffic Engineer

Subject: Certified Access Specialist in Moreno Valley

Good Day,

My name is Jason James, I am a Certified Access Specialist (CASp) serving The City of Moreno Valley. Beginning in 2014, every city agency will be required to retain a CASp for compliance with construction related accessibility standards.

I have attached some information on the new laws in California and the CASp program. I would be happy to answer any questions you may have either by e-mail or telephone.

My cell # is (951) 526-7960

My e-mail is Jason@buildingprinciples.com<<mailto:Jason@buildingprinciples.com>>

My website is www.buildingprinciples.com<<http://www.buildingprinciples.com/>>

Thank you for your time,

Jason James, CASp

CALIFORNIA CIVIL CODE

SECTION 55.53

(d) (1) Commencing July 1, 2010, a local agency shall employ or retain at least one building inspector who is a certified access specialist. The certified access specialist shall provide consultation to the local agency, permit applicants, and members of the public on compliance with state construction-related accessibility standards with respect to inspections of a place of public accommodation that relate to permitting, plan checks, or new construction, including, but not limited to, inspections relating to tenant improvements that may impact access. If a local agency employs or retains two or more certified access specialists to comply with this subdivision, at least one-half of the certified access specialists shall be building inspectors who are certified access specialists.

(2) Commencing January 1, 2014, a local agency shall employ or retain a sufficient number of building inspectors who are certified access specialists to conduct permitting and plan check services to review for compliance with state construction-related accessibility standards by a place of public accommodation with respect to new construction, including, but not limited to, projects relating to tenant improvements that may impact access. If a local agency employs or retains two or more certified access specialists to comply with this subdivision, at least one-half of the certified access specialists shall be building inspectors who are certified access specialists.

SUMMARY OF PROVISIONS OF SB 1186

1. *Reduced statutory damages and litigation protections for defendants who correct violations*

- A defendant who had hired a certified access specialist (CAsp) and had met applicable compliance standards, or a person who had new construction or an improvement approved by the local building department on or after January 1, 2008, would be liable for minimum statutory damages of \$1,000 per offense, instead of \$4,000, when the defendant corrects the alleged construction related accessibility violation within 60 days of being served the complaint.
- A small business defendant (defined as having 25 or fewer employees and no more than \$3.5 million in gross receipts) could have minimum statutory damages liability reduced to \$2,000 for each offense, instead of \$4,000, when defendant corrects an alleged physical accessibility violation within 30 days of being served the complaint.
- These provisions would not apply to reduce statutory damages where the violation was intentional or where the defendant had made or knew of modifications made to the property that was the basis of the plaintiff's claim.
- Does not affect the awarding of actual damages or treble actual damages.
- Defendants who promise to correct a violation within the specified time period also have the option to request an early evaluation conference (EEC) and an immediate mandatory stay of the proceedings, similar to the litigation protections now given to a qualified defendant who had hired a CAsp to inspect the property and issue a report on its compliance status.
- Intent is to incentivize defendants to correct violations rather than to settle and fix nothing.

2. *New provisions to prevent stacking of multiple claims to increase statutory damages*

- Requires that in assessing statutory damages in a deterrence claim, the reasonableness of the plaintiff's conduct in light of the plaintiff's obligation (if any) to mitigate damages must be considered by the court in any action alleging multiple claims for the same construction-related accessibility violation on different particular occasions.
- Uncodified intent language states that this new provision reiterates that where multiple claims are asserted for the same conduct on different occasions, a plaintiff must have a reasonable explanation for the asserted need for multiple visits to a site where a known barrier violation would deny full and equal access, in light of the obligation to mitigate damages. The uncodified intent language recognizes also that a case involving multiple claims for the same violation may be appropriate where there is a reasonable explanation, and there are clear instances where the needs of a person with a disability and circumstances may make any mitigation futile or impossible.

3. *Ban on demands for money and new rules for demand letters*

- Bans prelitigation demands for money, where the plaintiff alleges a construction-related accessibility violation and makes a request or demand for money or an offer or agreement to accept money.
- Provides that a demand letter alleging a construction-related violation or asserting a claim may offer prelitigation settlement negotiations, but may not include a specific request or demand for money. A demand letter may not state any specific potential monetary liability

for any asserted claim or claims, and may only state: “The property owner or tenant, or both, may be civilly liable for actual and statutory damages for a violation of a construction-related accessibility requirement.”

- Uncodified legislative intent language states the Legislature’s policy that the abusive use of the right to petition under Section 52 and Section 54.3, does not promote compliance with the accessibility requirements and erodes public support for and confidence in our laws.

4. **New pleading with specificity requirement for demand letters and complaints**

- Requires any demand letter or complaint asserting a construction-related accessibility claim to state facts sufficient to allow the defendant to identify the basis for the claim, including an explanation of the specific access barrier or barriers the claimant encountered or by which the claimant is allegedly deterred, the date or dates of the alleged violations, and the manner in which the barrier was encountered or in which the claimant was deterred.

5. **State Bar review of demand letters; violation of demand letter and demand for money provisions would be grounds for attorney discipline**

- For a three-year period, requires any demand letter alleging a construction-related accessibility violation to be sent to the State Bar. Requires the demand letter to include the attorney’s State Bar license number.
- Provides that a violation of the ban on making a demand for money in a construction-related accessibility claim, or for sending a demand letter that makes a request or demand for money or an offer or agreement to accept money would be cause for attorney discipline.

6. **Mandatory evaluation conference at option of either defendant or plaintiff**

- Allows either party to request a mandatory evaluation conference (MEC) conducted by the court within 90 to 120 days of the request. Similar to the EEC under existing law.
- These defendants would not be eligible for a court stay of the proceedings.

7. **Mandatory notice to property tenant of CASp status of the property**

- Requires property owner and lessor to notify the tenant in the lease form or rental agreement executed on or after July 1, 2013, whether the property being leased or rented has undergone inspection by a CASp, and if so, whether the property has been or has not been determined to meet all applicable construction-related accessibility standards.

8. **California Commission on Disability Access (CCDA) to receive copies of complaints and demand letters and tabulate data on top ten types of violations alleged**

- Requires a copy of any demand letter and any complaint filed in state or federal court that alleges a construction-related accessibility violation to be sent to CCDA. CCDA tabulates the types and frequency of violations alleged and compiles a list of the top ten frequently alleged violations which would be posted on its website. CCDA would also be directed to report the tabulated data to the Legislature.

9. **CCDA to promote and facilitate accessibility compliance**

- Makes it a priority of the commission to develop and disseminate educational materials and information to promote and facilitate disability access compliance.
- Requires CCDA to work with other government agencies to gather, develop, and post education materials on its website.
- Requires CCDA to develop and post on its website, or work with other agencies to develop, toolkits or educational modules to assist businesses to understand its obligations under the law and to facilitate compliance with the top 10 alleged construction-related violations by type.

10. **Required information regarding disability access compliance to businesses upon renewal of business license**

- Requires a city, county, or city and county, to inform the licensee that under federal and state law, compliance with disability access laws is a serious and significant responsibility that applies to all California building owners and tenants with buildings open to the public.
- Requires the local entity to inform the licensee that information about the compliance requirements and how to comply is available at various state agencies, and to list the website addresses of those agencies.

11. **New add-on fee of \$1 to business license fee to strengthen CASp program and develop educational and training resources at state and local level to promote compliance**

- Requires cities and counties to collect a \$1 fee upon issuance or renewal of a business license or similar instrument to pay for more CASp in local building departments, to reduce costs of CASp testing and certification to encourage more private CASp, to strengthen the CASp program by enabling the Division of State Architect (DSA) to develop audit procedures for the CASp program to maintain quality control, develop “best practices” guidelines, and pay for development of more educational and training resources at state and local level to promote compliance.
- Monies collected split 70% to locals, 30% to DSA.
- Local public entities could use 5% of monies for administration costs and the rest would go to pay for hiring and training of more CASp for local building departments. The other 30% would go to newly created Disability Access and Education revolving fund in DSA for the purposes noted above.
- Requires the State Architect to periodically review the CASp certification and examination fees to ensure they are not excessive, while still covering the cost to administer the program.
- Reduces the application fee for a licensed architect, landscape architect, civil engineer, or structural engineer to a maximum of \$250.

Peace of Mind in Accessible Building

BUILDING PRINCIPLES

What is CASp – Certified Access Specialist Program

State - SB 1608

In California, SB 1608 has established the Certified Access Specialist Program (CASp). The benefits of CASp apply to properties that have been inspected by an individual who is CASp-certified before a construction-related accessibility claim occurs.

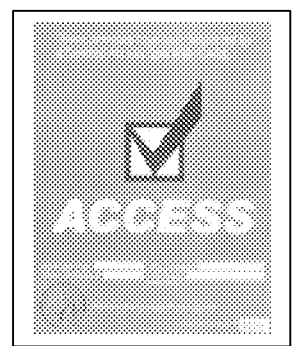

Among other things, the bill requires the court to grant a 90 stay of the proceedings with respect to the claim and schedule an early-evaluation conference between the plaintiff and defendant.

The bill provides that damages may be recovered in a construction related accessibility claim against a place of public accommodation only if a violation of construction related accessibility standards denied the plaintiff full and equal access to the place of public accommodation on a particular occasion

The reform legislation, SB 1608 (Corbett; D-San Leandro, Chapter 549, Statutes of 2008), is designed to promote and increase compliance with laws providing equal public access in places of business to individuals with disabilities, while reducing unwarranted litigation that does not advance that goal.

Improved expertise in new construction and building inspections. For the first time, there will be minimum continuing education requirements for building inspectors and architects on disability access laws, to help reduce the problem of new construction failing to comply. Moreover, by January 2014, local building inspection offices will be required to have at least one CASp on staff, available to provide consultation. Eventually all permitting and plan checks must be CASp-inspected.

Parties will be encouraged to consider reasonable settlement offers. SB 1608 clarifies that a court can consider, among other relevant factors, reasonable written settlement offers made and rejected by either party in determining the amount of an attorneys' fees award at the conclusion of a case.

BUILDING PRINCIPLES

Benefits of CASp

60-day stay

A 'stay' is a temporary halting of all litigation. A major benefit of halting litigation temporarily is that attorneys will not be able to engage in motions or discovery and other activities that incur expensive attorneys' fees.

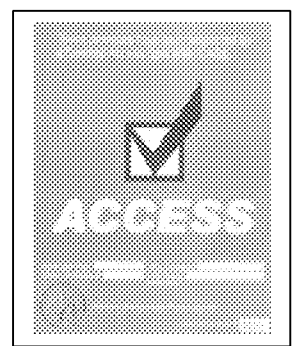

Early evaluation conference (EEC)

The EEC is a court-run conference between the parties, at which the parties will have the opportunity to explore whether the lawsuit can be settled. For example, if the lawsuit is based on an alleged violation that would be easy for the business to fix, and the business is willing to resolve the issue quickly, the parties will be able to discuss whether further litigation is necessary.

How to request the stay and EEC; A defendant must file a request form with the court within 30 days of being sued. The appropriate form is required to be delivered with the lawsuit, but all necessary forms and instructions also will be made available on the state's court self-help website later this year.

Defendant must provide the CASp inspection report. No later than 15 days before the EEC, the defendant absolutely must file with the court and provide the plaintiff with a copy of the CASp inspection report. If the defendant does not do so, the court may lift the stay absent a showing of good cause. The confidentiality of the report must be maintained until the conclusion of the lawsuit.

The plaintiff, in turn, must provide the court and defendant with a statement that includes the basis for the claimed violations, amount of damages claimed, amount of attorney's fees and costs incurred to date, and any settlement demands.

Peace of Mind in Accessible Building

BUILDING PRINCIPLES

Qualified Defendant

The owner/tenant must be a qualified defendant in order to receive the benefits of the 60 day stay and an early evaluation conference (EEC). To become a qualified defendant a CASp must be employed, conduct a site survey and submit a completed report. The place of public accommodation that was inspected does not have to be fully accessible. It can be "determination is pending" which means that access barriers have been identified and a plan to eliminate the barriers has been written. *The owner/client needs to have the completed report prior to the date of being served with a summons and complaint in an action.*

CASp Qualifications

A certified access specialist (CASp) is a person business owners can be assured has been tested and certified by the state as an expert in disability access laws. SB 1608 sets up a process whereby business owners can voluntarily hire a CASp to inspect their buildings to ensure compliance with disability access standards and obtain an inspection report as proof they did so.

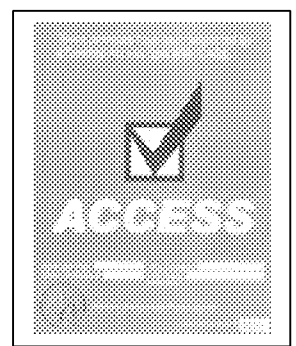

CASp Evaluation Process

- 1) Owner, tenant or their representative requests a survey and report of their facility. This can be requested as a proactive measure or as the result of a legal summons.
- 2) Jason James is contracted to inspect the facility and provide a written report.
- 3) The owner / tenant will be asked to provide some contact and property information. This will assist in the survey and asks such questions as the age of property (year built), history of improvements and a description of the area to be surveyed.
- 4) A CASp from Building Principles will conduct a thorough inspection of the site. This includes;
 - Evaluate access to site (identify nearby transit stops) from the public way
 - Take photos of the facility from site entry to inspection area(s)
 - Identify access barriers
 - Evaluate individual site components required for access (measurements and notations)

Phone (951) 526-7960
Fax (951) 346-5554
www.buildingprinciples.com
CASp Inspections
Access Compliance Plan Review

Peace of Mind in Accessible Building

BUILDING PRINCIPLES

5) A report is written that gives a detailed description of the survey. The facility will either be "CASp Inspected", which means the site has met all applicable construction-related accessibility standards or "CASp Determination Pending" which means the site is pending a determination by the CASp of the site's accessible elements.

6) A summary of non-compliant elements is included in the report. The owner / tenant should provide a schedule for completion of corrections of non-compliant items to attach to the report. An attached plan is necessary to take advantage of the SB 1608 benefits (benefits are only available if the report is completed prior to a summons).

7) The owner / tenant can then request a "Certificate of Inspection" window sticker.

Dear Victoria :

It's with great excitement that the time has finally come for the Grand Openings for Moss Bros. Volkswagen, Moss Bros. Buick GMC and Moss Bros. Chevrolet. I would like to invite you join us for these celebrations.

We are kicking it off with the official Grand Opening ceremonies on Wednesday, July 3rd. In attendance will be the Chambers of Commerce, corporate management from Chevrolet, Buick, GMC, and Volkswagen and employees. The ribbon cutting ceremonies will begin at Moss Bros. Volkswagen at 11:15am, followed by Moss Bros. Buick GMC and Moss Bros. Chevrolet. In celebration of the openings, we will be having a catered BBQ for all those attending.

We will continue the celebration throughout the 4th of July weekend with a carnival themed atmosphere including DJ, catered BBQ, appreciation gifts for current and previous customers, activities for the kids including a bounce house and face painting- a great time for everyone in attendance.

I know how busy your schedule is and I'm hoping that you will be able to attend this great event. I have attached some fun videos of the construction process for your viewing.

Please let me know if you will be attending. Hope to see you there.

Sincerely,

Glenn

Please advise if you will be participating in the 4th of July Parade.

=====

The City of Moreno Valley's Annual Independence Day Parade will take place on Thursday, July 4, 2013, and this year's theme is *A Tribute to Stars and Stripes*. A VIP continental breakfast will be provided at 8:30 a.m. The Honor Guard, which will lead the parade procession, will step off promptly at 9:30 a.m.

In order to ensure there is appropriate signage for your vehicle, please RSVP as soon as possible. When you respond, please provide information regarding the vehicle and the name of your driver for the parade. Final details and a parade route map will be provided to you if you are able to join us.

Thanks,

Subject: HS E-2 Contract

Hi Candace,

We have some concerns about this contract. Please contact Steven if he did not forward you his e-mail. You left us very little time to review prior to a meeting. Even I get the feeling this is being "shoved down our ... ". I have been reviewing this past weekend and I too have a collection of concerns for the vague nature. Didn't we specifically suggest the need for "specifics" and details for maintenance. We need some clarity, to relieve some anxiety, so we need to talk before the meeting. We could use some clarification. Tuesday is coming quickly and I don't think you have a clear consensus for approval. I don't like doing things this way. I am free Monday.

Ohh, why was the parkway landscape across from the elementary school cut to the dirt. Were we not clear that this is what ruined our landscape before. Also, comments about loss of plants do to reduced service was not quite true but in fact the plant cut backs NOT properly monitored by the CSD as pointed out by Jan Bower was a big factor in our die back up here.

We want this new contract to truly benefit the residents of HS and the City of Moreno Valley. A good working relationship does much to repair the trust issues developed over the past months by many.

So here are some of my preliminary observations: I still have a lot to read.

1. General Provisions - Scope of Work

C. What criteria is being used to reject or approve of work, BY whom is the designated "Director", methods & materials ect. As I went through this document so far, there are very little clear specifics by which to judge this criteria. This was a concern expressed in many of our meetings. I for one would like to know who that "Inspector" will be as well.

2. General Provision - Schedule of Work

G. Why are they not working a full week. M-Friday. I realize the city has been on a temporary no Friday work day but a contractor should be working a normal work week and not enjoying a short week specific to our city requirements. They do not need your inspector on site Friday to do work. If the city goes back to a 5 day week, they don't.

3. 17 Technical Provisions

A. Turf Care

6 & 7 - are these in reverse? In my practice, you keep the turf longer in the summer and shorter in the cooler weather.

4. B. Tree Care (pg 41)

You mentioned that we can not cut down any trees until August. According to section 4, "Trees can be pruned at ANY TIME in order to" - Remove dead, diseased or damaged trees (8-12 minimum) like the 47 tree photos I sent you. If this contract is approved, will the removal process start ASAP?

5. C Shrub Care (Pg 43)

Remember our discussion about very specific criteria for holding the contractor to very specific measurement criteria so we can truly hold them to a criteria. I don't see that here, just "remove unwanted encroachment..." with NO specific criteria to measure this encroachment. **e.g 18" from sidewalks and held straight when applied a vertical plumb line and not to exceed 60" in height.** Without this type of inspection criteria we get what we have been getting which generally looks, let us say, less than professional.

6. D Ground Cover (Pg 44)

3 & 4 - I see a reference to Frequency and "accepted practices" (what are these and do we have that information to refer to?) but I do not see where we hold them accountable to OUR practice or in other words a specific criteria so we do not have happen what happened before and what has appeared to have happened in front of the elementary school (**unless you are doing something specific we were not aware of like a drip system or new planting**). Our collective suggestions made it very clear even when Mr Stewart was there that there must be "controls" built into the contract. Criteria we can hold them to when INSPECTED.

Also, I do not see information about the types of replants, plant pallet, etc. Where is our input in this document? e.g. refer to HSRC plant pallet selections, etc. This is suppose to be a partnership?

I'm sorry Candace, this contract seems to leave a lot of open decision making. In the past, that leads to concerns and trust issues. Steven had some honest concerns that I left for him to respond to. I am not done digging into this but unless you can help me feel better about Steven's concerns and the few things I expressed, I will not feel comfortable supporting this contract. In the past, we have had the opportunity to review a new contract in a timely fashion and discuss among residents giving the CSD thoughtful feedback. We are not getting that opportunity this time.

Just a few thoughts for you and Mr. Teichert to consider.

Best Regards,

Jeff Giba

League of California Cities Latino Caucus

FYI: Our national League of Cities Latino Caucus, HELO, will be conducting a Leadership Retreat scheduled for Las Vegas, Nevada, August 15-17. Details below. We encourage you to attend this important event.

- President Diane Martinez

Save the Date for HELO's August Leadership Retreat

A Message from the HELO President Karen Avilla, City Treasurer, Carson, California

"As President of HELO, I invite you to participate in this year's HELO Leadership Retreat scheduled for Las Vegas, Nevada, August 15-17. I welcome your participation in this very important meeting designed to help HELO grow and strengthen its strategic planning with topics to explore such as: policy/advocacy development; water conservation issues; broadband communications; financial literacy programs; the importance of ethical practices for local officials (learning the do's and don'ts of ethics) and membership and leadership development, among others."

Hotel Reservation Information

Accommodations are provided at the New Tropicana Las Vegas, a DoubleTree by Hilton Hotel. Located in the heart of the Las Vegas strip, the New Tropicana is just three miles from McCarran International Airport and equipped with a 60,000 ft. conference center and other amenities. It also has a variety of award-winning dining options. Guest room space is limited, so make your reservations as soon as possible.

You may make your reservations in a variety of ways. Please call the hotel directly at 800-634-4000 and ask to be connected with reservations stating you are with the NLC HELO Board of Directors Leadership Retreat room block or mention the special code SNLC14. The guest rooms are \$80.00 with a 12% tax and \$9.99 resort fee per room, per night. The hotel reservation deadline is July 25, 2013.

Group rates will be honored three (3) days prior to the official start of the conference and three (3) days after the conference ends, based on hotel availability. Rates listed above exclude state and local taxes. Check-in is at 3:00 pm and check-out is at 11:00 a.m. All reservations must be guaranteed for arrival with a major credit card. Hotel information: The New Tropicana Las Vegas, 3801 Las Vegas Boulevard South, Las Vegas, NV 89109; phone: 1.800.GO2.TROP | 702.739.2222; <http://www.troplv.com>.

HELO Leadership Retreat Program Schedule (subject to change)

Thursday, August 15

Mayor, Mayor Pro Tem and Members of the City Council: The Sheriff distributed a press release regarding our City budget and the related cuts to our police department. I was not provided with a copy of this in advance nor given a "heads up" that it was being drafted. The statement is posted on the Sheriff's web site:

<http://www.riversidesheriff.org/press/admin13-0628.asp>

Tom DeSantis and I have spoken with a reporter from the P-E and I understand that Council Members have been contacted. As you know public safety is still the City's top priority and we look forward to a time when our community is fully recovered from the recession. I know that the Sheriff's department will seek innovative ways to continue to keep our community safe regardless of budgetary issues.

Mayor Owings & Council Members:

Please be advised that the Notices of Intention to Circulate Recall Petitions for Mayor Pro Tem Marcelo Co, Council Members Richard A. Stewart and Jesse Molina are valid. A second NOI for Council Member Stewart was filed in my office on June 26, 2013 and is also valid. Signature verification by the County has identified the proponents as registered voters in the City. The **original** NOI, Proof of Service and a copy of E.C. 11023 were filed. The NOI complies with E.C. 11020.

The incumbents may file an Answer/response to the recall notice. Answers/responses to the recall notices need to be served by personal delivery or certified mail to the proponent.

The deadlines to file/serve answers are as follows:

For Mayor Pro Tem Co – by July 2

For Council Member Stewart – to the first recall notice by July 2; to second notice by July 3 – (received both responses today, 7/1/13)

For Council Member Molina – by July 3

Let me know if you have any questions.

Thank you.

Hi you two,

You both seem to be more ready to do everything you can for this city and school district for as long as you can. How the others might consider involvement, I can not assess. Please allow them an open invitation to participate if they want. We could use the whole council support and it would be a great diversion from the normal city business.

I have been involved with a team of semi & retired academic professionals who are assembling a charter school to be known as The Collegiate Sports Academy (TCSA). We even have a potential site selection at the north end of the city (that to worked on). I have attached a brief abstract for you and I understand they have approached Victoria already.

The team wants to be as inclusive of as much of Riverside County as possible, not only Moreno Valley. However, Moreno Valley will be its home office, so to speak. There are inherent problems with MVUSD as a sponsor and they (or the union) have resisted such opportunities in the past. We have considered RCOE as the sponsor for greater reach. I have suggested the City of MV itself be the sponsor. This intrigued the team and I have been tasked with the research.

If this team educational opportunity, sponsored by the city to show how education can be done right for our community, is of interest to one or all of you, would you consider a meeting with the Executive Council during your break? I can make the arrangements.

Best Regards,

Jeff Giba
Treasurer / Academic Development

Thank you everyone for your efforts on the budget this year.

Following the City Council's adoption of the FY 2013/14 – 2014/15 Budget, the adopted budget is now active in Logos. Subsequent budget amendments (e.g. Employee MOUs) are also currently being processed. When viewing any reports or inquiries in Logos, the system will now default to the new FY 13/14.

If you have not already submitted your Personnel Action Forms (PAF) to adjust staffing distribution to match the adopted budget, this information must be submitted to Human Resources by Monday July 8 with an effective date of July 6.

The final Adopted Budget Book will be made available for distribution (PDF and hard copy) by August 15.

If you have any questions, please feel free to contact me.

On Jul 8, 2013, at 3:12 PM, "Richard Teichert" <richardt@moval.org> wrote:

Mayor, Mayor Pro Tem, and Members of the City Council: In January the City Council approved the sale of not more than \$20 million in Certificates of Participation (COPs). The COPs, issued through California Communities Total Road Improvement Program (TRIP) Gas Tax Revenue financing, are the funding mechanism for the Nason Street widening project between Fir and Cactus. You may recall that the Council initially approved the City's participation in the TRIP financing program in July, 2012. However, based upon the threat of a legal challenge from resident Radene Heirs and the probability that Moreno Valley's participation in the TRIP process would hold up funding for other cities in the program, we withdrew from that action and have been defending and responding to Ms. Heirs' attempts to stop the TRIP financing program since that time.

The State Appellate Court has finalized the decision in the City's favor regarding resident Radene Heirs' challenge to the validation action as a step in the process to completing the Total Road Improvement Program (TRIP) financing. The opportunity to appeal to the State Supreme Court has passed and no appeal was made. The challenge has delayed the completion of the financing which is the funding mechanism for the widening of Nason Street between Cactus and Fir Streets. The widening project has continued, and the City will be reimbursed from the proceeds from the sale of Certificates of Participation for funds that the City advanced to keep this project moving forward.

The cost of defending the legal challenge to the validation action was about \$60,000, not including staff time to prepare for and appear at several court hearings. This cost will be paid to legal counsel from the proceeds of the financing.

The financing team is now active. The TRIP financing will be based on Measure A revenues for lease payments on the COPs. Documents previously approved by City Council are sufficient to proceed with and complete the financing, there will be no

further action planned by the City Council. Staff anticipates that the financing will be complete by the end of August 2013.

Please contact me if you have any questions regarding this issue.

Honorable Mayor, MPT and Members of City Council-

Regarding the action taken on Item G.2 yesterday evening, and as a point of clarification to "maintaining the current level of crossing guard service", as you are aware, effective, Val Verde Unified School District had previously made an independent decision to manage their crossing guard program at their four Moreno Valley school locations by their internal staff. This will be effective the beginning of new school year in latter part of August. As such, the four guards we currently have assigned to these locations may be transferred to the pool of alternate guards we have for MVUSD locations. Alternate guards perform work only when they are needed at a location due to absence of regular guards. VVUSD indicated that the four guards may apply for crossing guard positions with the district should they choose so.

If you have any questions, please feel free to contact me.

Dear City Councilmember Baca:

My name is Micki Poole Clowney. I am the Director for the Moreno Valley College Upward Bound Math and Science (UBMS) Program. UBMS is funded through US Department of Education to work with low income, first generation high school students to strengthen students' skills in science, technology, engineering, and math (STEM).

On June 17, 2013, the Moreno Valley College Upward Bound Math and Science (UBMS) Program launched its inaugural Summer Institute. Over the past few weeks, approximately sixty students from Vista Del Lago High School have participated in this interactive summer program designed to engage students in a variety of interactive hands-on STEM activities. The Summer Institute ends on July 31, 2013.

During the summer experience, UBMS Scholars have the opportunity to work closely with faculty, industry professionals, and other community partners to learn about common core principles in math, science, and literature. Scholars also participate in student development workshops on topics such as financial literacy, college preparation, career planning, and test preparation. Each Friday, scholars participate in unique field experiences visiting the Ocean Institute, the Columbia Memorial Space Museum, and more. So far, we have taken trips to the Palm Springs Aerial Tramway and Mount San Jacinto State Park where students learned about botany, life sciences, plant pathology, and ecosystems. We also visited Lake Perris State Recreation area where students raced boats they designed and made out of cardboard.

On July 31, 2013, we are hosting a dinner and symposium to honor the UBMS Scholars and to allow them to showcase their work to families, local educators, community members, and elected officials. As one of our area's esteemed public service officials, given your passion for educating the next generation and understanding the critical need for preparing students for careers in science, technology, engineering, and math (STEM), we would be honored to have you join us that evening during the awards ceremony. The theme of the program is: ENGAGE

AND EMPOWER...STEM "U" LATE YOUR MIND. The UBMS Summer Institute Symposium and Awards Program is scheduled from 6:30pm to 8:30pm in the Theater at Vista Del Lago High School. Dinner will be served in the Commons/Multipurpose Room from 5:30pm to 6:30pm.

If you have any questions or need additional information, please feel free to contact me at (951) 571-6382 or via e-mail at micki.clowney@mvc.edu<<mailto:micki.clowney@mvc.edu>>.

Subject: Sunnymead Blvd. Meetings

Before invitations are sent out to the Sunnymead Blvd. businesses, please re-confirm your availability on the following dates. Due to unknown vacation plans during council recess, these dates were only tentatively placed on your calendars.

- Tuesday, July 30, 8-10 a.m.; District 1, Holiday Inn Express with Molina/Owings
- Wednesday, July 31, 8-10 a.m.; District 5, Miller Jones with Baca/Owings

Thanks,

Cindy

Subject: Re: Business site inspections

John, thank you for responding. I hope that these (3) accounts do not go into delinquency.

My questions are:

1.) the business owners are complaining that the fee is too high and they cannot afford to pay. How are the fees determined?

Is there another option, such as a payment plan?

2.) what are the business owners actually paying for? Is there a protocol for the inspection?

Thank you for your attention to this matter!

Victoria Baca, M.Ed.
Councilwoman, District 5

On Jul 12, 2013, at 12:10 PM, "John Terell" <JohnT@moval.org> wrote:

Victoria:

The notices you provided to Michelle related to the City's Storm Water Business Inspection Program. The Program was established in 2004 with extensive outreach at the time, including mailings to and workshops for affected businesses.

The Program is required by the regional National Pollutant Discharge Elimination System (NPDES) Permit which includes the City of Moreno Valley, and affects a variety of specified types of businesses, including restaurants and auto repair. Both restaurants and auto repair are considered high priority businesses by the Permit and require annual inspections. Fees are charged to the affected businesses to recover the cost of the mandated inspections.

Annual business inspections have been performed since 2004. To improve the efficiency of the Program, billing was contracted out last year to an outside contractor Data Ticket, which has performed similar services effectively for the Code Compliance and Parking programs for several years. Otherwise, the Program is unchanged since 2004.

Please let me know if you need any additional information to address your inquiry. Also, please accept my apologies on the delay in providing a response. My staff had provided information prior to my recent vacation and I wanted to thoroughly review that information prior to responding.

Sincerely,

MV00259766

John

Good evening,

Redlands Blvd has been closed between Locust and San Timoteo Canyon Road due to the fire. MVPD Volunteers are staffing the Locust traffic control point and we are attempting to get assistance from CHP and/or Cabazon Sheriff's Station to hold the traffic control point at San Timoteo Canyon Road. The fire has grown and may crest the hill into Moreno Valley very soon. The Fire Department has not requested evacuations at this time. In addition to the volunteers, a sworn officer is monitoring and communicating with the Fire Department. I will keep you updated as more information becomes available.

Hi Victoria:

Please advise your preference for a filming location to reflect the "capitol" of Moreno Valley

City Hall: frequently used as a backdrop and photos - may be boring, but is appropriate

Sunnymead Blvd. Archway: great backdrop for videotaping (Tim indicated he likes the archway), denotes historic significance, coincides with the Sunnymead Blvd cleanup initiative – but not a building

Any other suggestions?

Thanks,

Cindy

Dear Ms. Victoria Baca,

Hope you're enjoying a lovely summer!

I'm reaching out to extend a personal invitation to the Grand Opening of BevMo!'s newest California store in Moreno Valley at 12625 Frederick St. Suite G-2 on Friday, September 6 at 9 a.m. BevMo!'s Grand Opening celebrations are wonderful community events and usually have more than 500 people waiting in line for the doors to open. Festivities continue throughout opening day and weekend, and we're really exciting for what's in store!

We would be honored if you would consider attending the grand opening the morning of 9/6 for BevMo!'s traditional ribbon cutting ceremony to kick-off opening weekend. Please let us know if you are able to join us, or if you have any questions about the event or company.

Hope to hear from you soon.

Kind regards,
Christina

Tom,

I have a copy of the vet notes for you below. The dog will always have problems walking. There is no pain. The dog needs to have X rays to determine any treatment needed.

07/22/13

DH brought dog over to evaluate left rear limb. The dog is BAR. H/L wnl. The dog is ambulating abnormally. Brief ortho exam: No pain on palpation of the left stifle or swelling. The dog is reluctant to extend or flex the left stifle. Rec pelvic x-rays. R/O high grade patella luxation or old injury. Adopt with medical waiver....jdd

Subject: Press Enterprise

Every day the Press Enterprise has surveys in the corner of online articles. The topics range from "Where do you buy garden supplies?" to "How often do you attend professional sports events?" to "Do you own a cat or dog?" Today's reader poll was about warehouses and distribution centers.

I have always been taught that when one writes, it is important to 'know your audience' but this is obviously not practiced by the Press Enterprise.

For months, if not years, the Press Enterprise has been slanting their stories about Moreno Valley by saying that these warehouses are bad for us and our community. Yet, the reader poll shows that 60% of readers believe we need the jobs! Shame on the Press Enterprise & shame on us for buying this garbage!

If the Press Enterprise were a real newspaper that understood its power to educate its readers, they would write articles that would show the 34% of readers how building warehouses in the east side of Moreno Valley would actually decrease traffic & how pollution levels have not been impacted by warehouse projects in the last 10 years. They would write articles that would help build our community into informed consumers. They would help the community understand the shift in warehouses from low-paying highly laborious work to higher-paid, technology driven jobs.

Today's Poll

What's this?

Should local governments in the Inland Empire foster development of warehouses and distribution centers?

- 60% Yes, we need the warehouse, trucking and logistics jobs.
- 34% No, the freeways can't handle it, and we don't need the diesel pollution.
- 6% I don't know.

Subject: Hythe St.

Ms. Baca,

I have filled out several online code violation forms concerning a rental home next door to my residence. Everything from inoperable vehicles, discarded furniture & appliances, and trash (including broken beer bottles) litters the yard. Today, there are several broken beer bottles littering the yard and sidewalk. I have never dealt with mice and rats until this house was rented to the current occupants (the backyard is filled with debris). Not once has the Code of Enforcement department even acknowledged the requests to investigate, despite my request to do so. To this day, I have no idea if they have even read the 5 requests that I have put in.

I have also left messages with the POP division of the police department asking for help dealing with other issues that have left me afraid to go outside to wash my car in my own driveway. I was informed, after going to the station in person only to be told they are not there on Mondays, that they would return my calls. Not so.

I have lived in Moreno Valley since 1987. I no longer believe it is a city that cares about its residents. I urged my children to buy homes in other cities (which they did) knowing Moreno Valley is not interested in the average citizen. I realize the police and Code Enforcement departments are probably very busy and understaffed, but I do not think it excuses simply disregarding requests for help. I also realize the police have a lot on their plate given the state of this city, and I still believe they will arrive in a timely manner if I dial 911, but the state of Moreno Valley will not improve if the council and each department do not take the concerns of the average citizen seriously. Housing values will not be helped with city neglect, nor will the appeal of living in Moreno Valley to those seeking homes.

In truth, I do not know if the City Council will care enough to become involved, but I did not want to be a part of the neglect by failing to write a letter of complaint.

Thank you for your time,
Julie Frey

Hello Mr. Owens, just writing you to let you know we need to work together on getting information to the community that normally does not get involved in politics but will sign that petition to recall the City Council of ignorance! Most of the people I talk to don't know the facts and are going on propaganda that they heard. As one gentleman said at the last City Council meeting this will set Moreno Valley back 25 years! My 2 year old granddaughter won't be able

to get a job that pays over 50 thousand dollars a year if that happens!

Please

contact me, I have a plan!

Subject: **From Cal State San Bernardino Reentry Initiative**

Hello Councilmember Baca:

My name is Andrea Mitchel and I am a staff member of the California State University San Bernardino Reentry Initiative. Under contract from the California Department of Corrections and Rehabilitation (CDCR), California State University San Bernardino, and partnering agencies have been providing comprehensive programming to parolees returning to the Inland Empire from California prisons thus reducing recidivism, increasing community safety and breaking the cycle of generational incarceration.

We opened our doors in San Bernardino approximately thirty months ago and have had outstanding results. Approximately 750 parolees returning to San Bernardino have received comprehensive, evidence-based, research-driven service resulting in eighty four percent of them staying out of prison and jail. Our recidivism rate is approximately sixteen percent as compared to California's rate of sixty five percent.

Understanding that Riverside County has over 2,500 parolees, and approximately forty one percent of the county's parolees reside in Moreno Valley, we would like to meet with you to discuss how our program can benefit your community. I understand that the Moreno Valley Parole Office is in your district. We would like to help you to keep your community safe and help the parolees living in Moreno Valley to become contributing members of your community. I have attached a document which describes our program. Might we be able to schedule a time to chat?

Thank you so much for all you do for Moreno Valley.
Andrea Mitchel

A Non-Profit, Community-Based Approach to Parolee Reentry

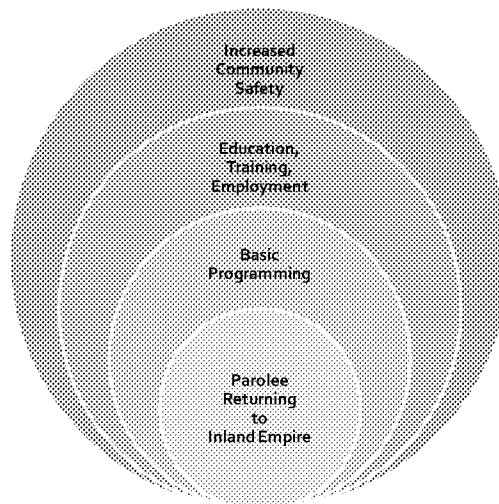

California Department of Corrections and Rehabilitation

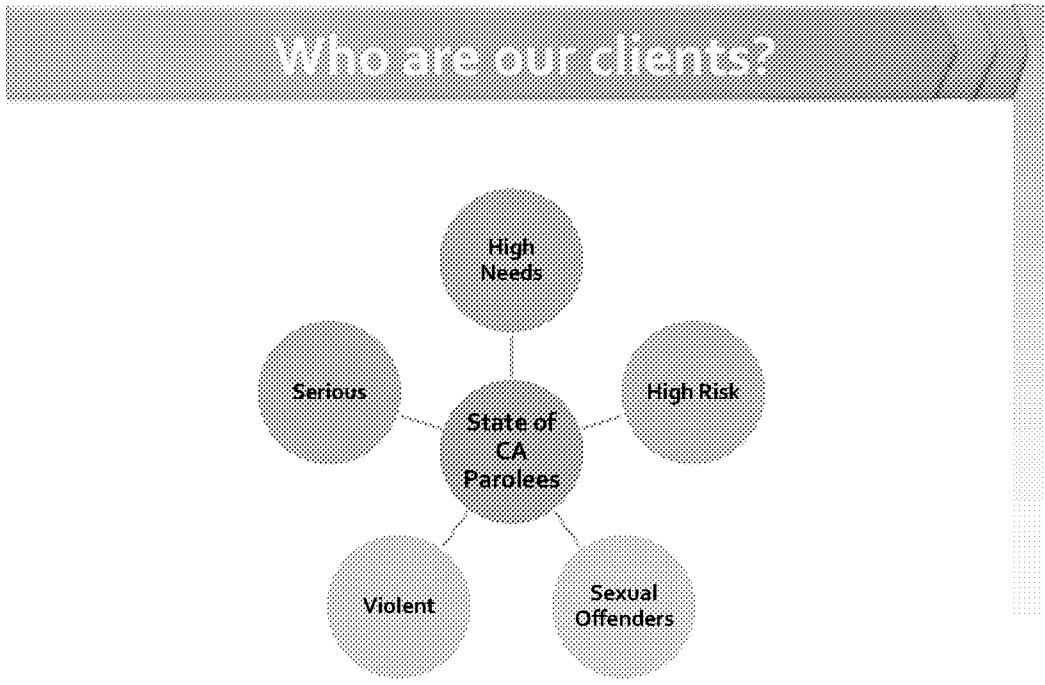

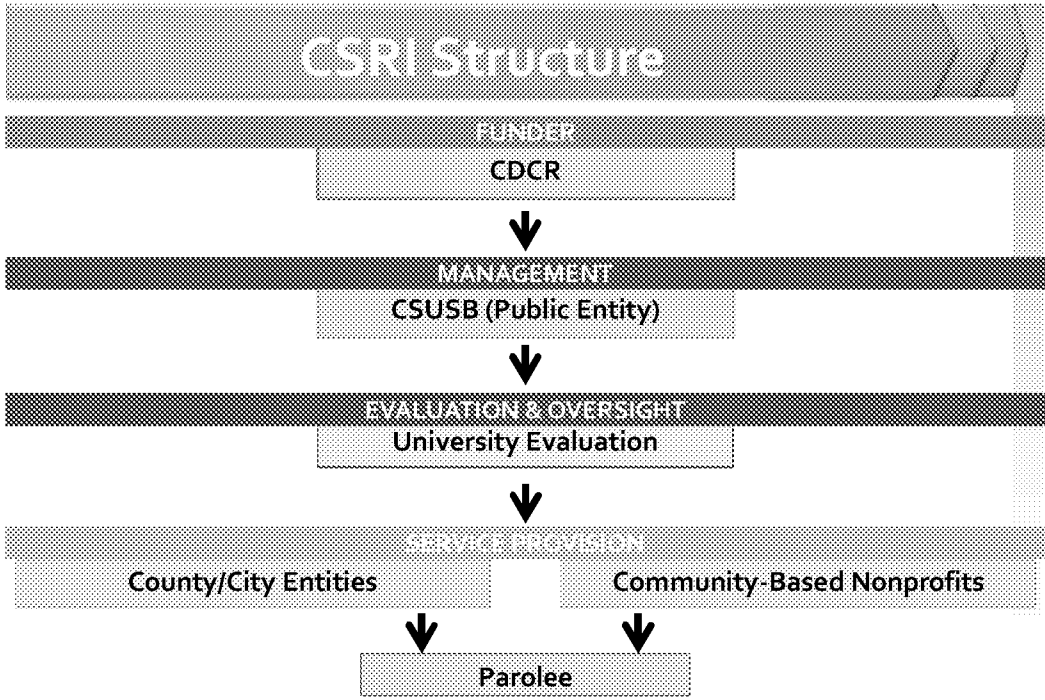

Cal State San Bernardino Reentry Initiative (CSRI)
*Helping people come home. For good.
Students welcome.*

Increasing Community Safety Through Partnerships

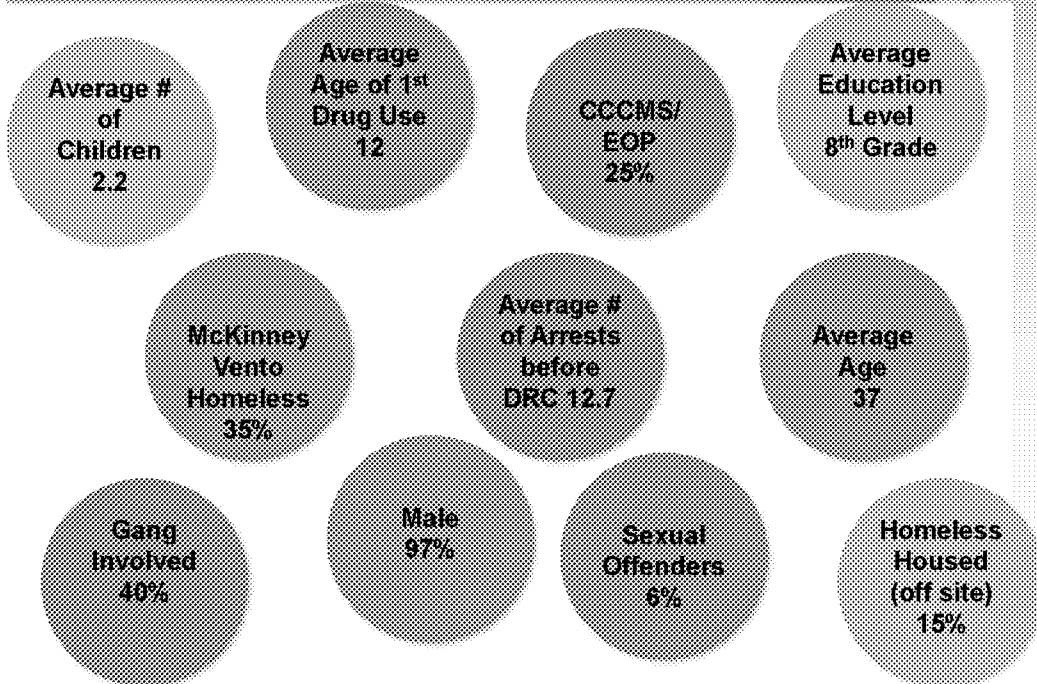

Cal State Reentry Initiative

Under contract from the CDCR, the University Enterprises Corporation at California State University San Bernardino, and partnering agencies provide basic programming to parolees returning to the Inland Empire from California prisons thus reducing recidivism, increasing community safety and breaking the cycle of generational incarceration.

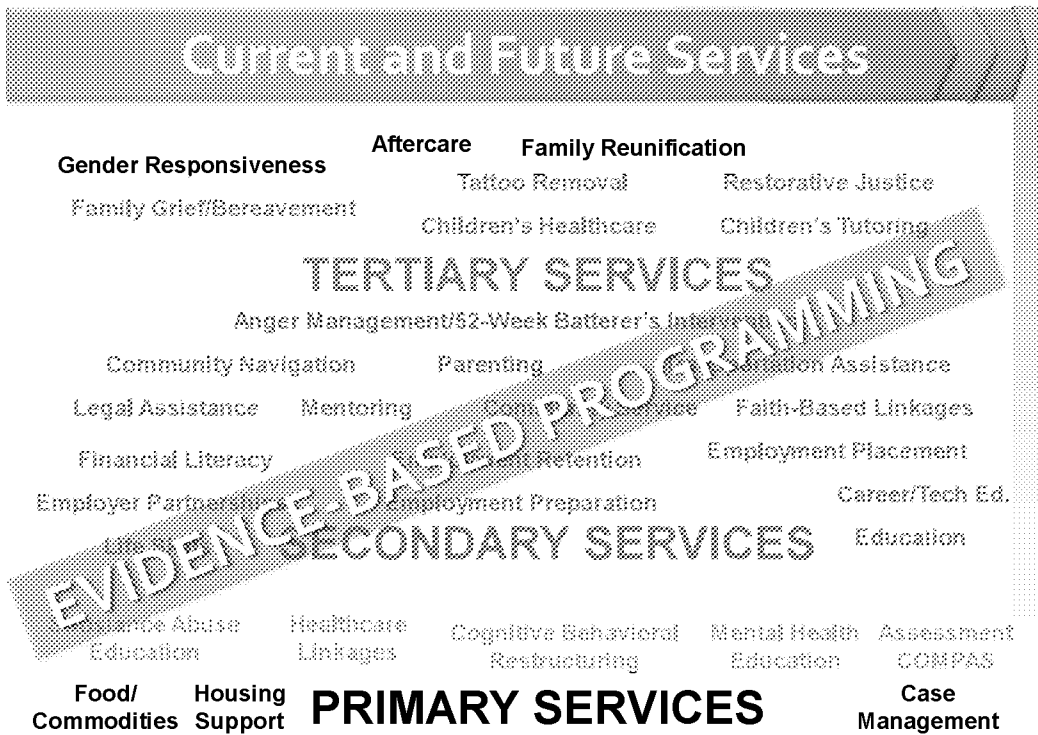

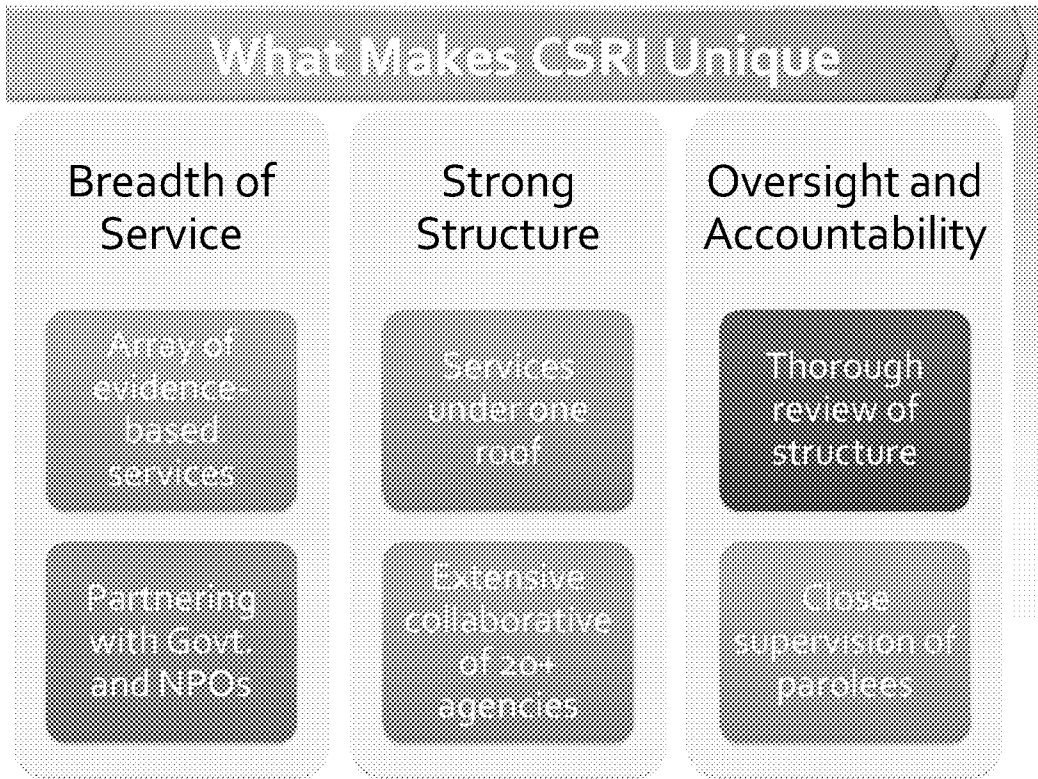

CSRI Client Characteristic

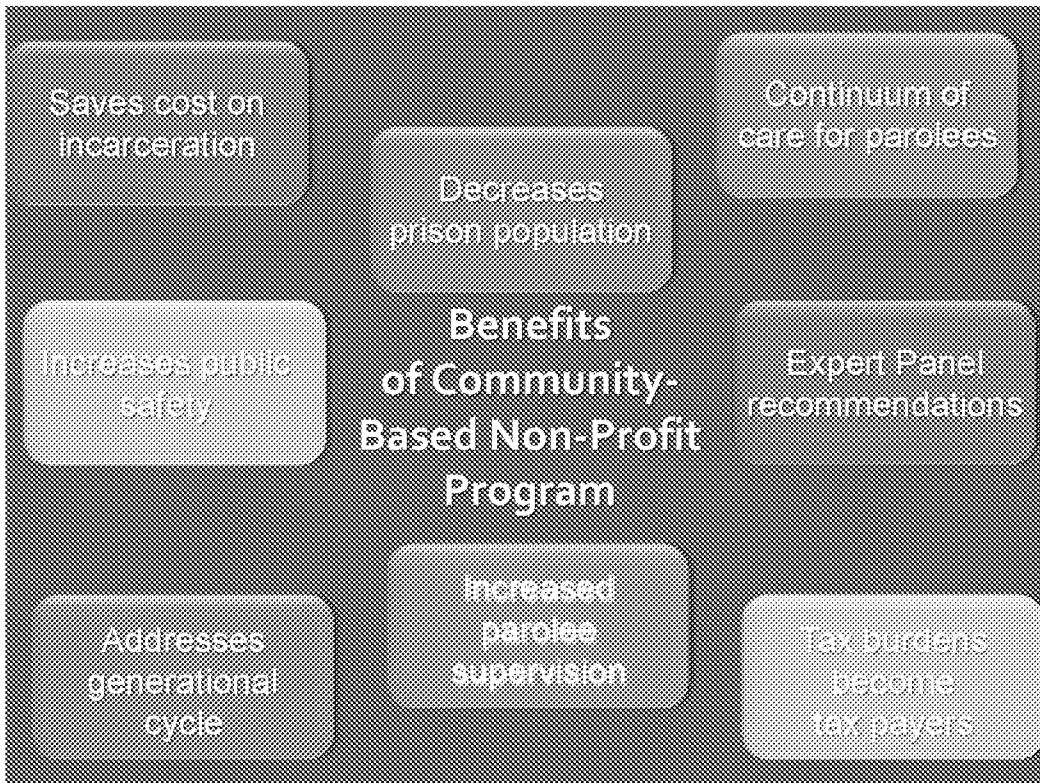

CSRI

- Community-based collaborative
- Community engagement
- 20+ wrap-around services day services under one roof providing increased supervision
- Increase in community safety
Decrease in recidivism

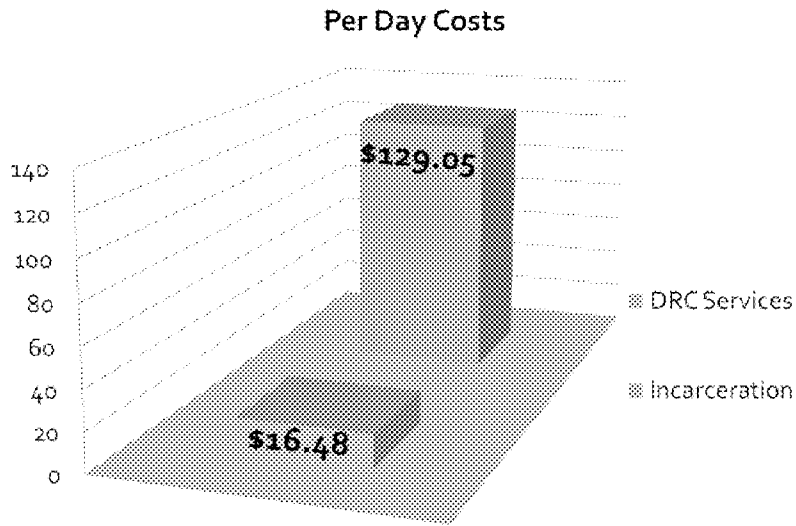

What works?

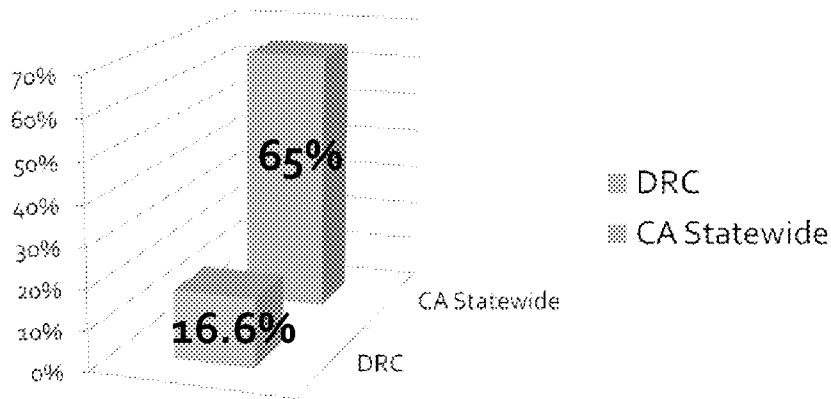

- 1 • Positive culture creates safe environment
- 2 • Environment of learning and success
- 3 • Strong relationship with Parole
- 4 • Extensive community partnerships/leverages
- 5 • Thorough evaluation component

CSRI Costs as Compared to Incarceration

"Recidivism" Rates Compared

CA Statewide: Return to prison within 3 years of release.

DRC: Abscond, return to custody (prison or jail) for violations, new offenses, or any other reason for 24 months of operations.

28 Month Outcomes (6/2013)

- ◆ Total Number of Referrals-1,737
- ◆ Total Number of Clients Served-748
- ◆ Released From Parole-90
- ◆ Successful Program Completions-138
- ◆ Abscond-33
- ◆ Unsuccessful Program Completion, Less than 30 Days-155
- ◆ Unsuccessful, Program Completion, More than 30 Days (Drop-Outs)-155
- ◆ Unsuccessful, Prison or Jail-84
- ◆ Percentage of Individuals Abscond, or Return to Custody: 15.6%

Good Evening,

Thank you for your prompt reply. I was encouraged to see that someone at the City of Moreno Valley still responds to complaints. I submitted another online form to the Code of Enforcement dept. regarding another vehicle added to the inoperable vehicle parked (and other problems) at the Hythe St. address. I am yet to hear anything from that department to let me know they have even seen the complaints.

The police department did contact me; however, we have been playing phone tag. I am hoping once I get to speak with someone they can advise me on what I can do about safety issues.

I will continue to keep you updated. Thank you again for your help. It is very much appreciated!

<juliefrey@aol.com<mailto:juliefrey@aol.com>> wrote:

Ms. Baca,

I have filled out several online code violation forms concerning a rental home next door to my residence. Everything from inoperable vehicles, discarded furniture & appliances, and trash (including broken beer bottles) litters the yard. Today, there are several broken beer bottles littering the yard and sidewalk. I have never dealt with mice and rats until this house was rented to the current occupants (the backyard is filled with debris). Not once has the Code of Enforcement department even acknowledged the requests to investigate, despite my request to do so. To this day, I have no idea if they have even read the 5 requests that I have put in.

I have also left messages with the POP division of the police department asking for help dealing with other issues that have left me afraid to go outside to wash my car in my own driveway. I was informed, after going to the station in person only to be told they are not there on Mondays, that they would return my calls. Not so.

I have lived in Moreno Valley since 1987. I no longer believe it is a city that cares about its residents. I urged my children to buy homes in other cities (which they did) knowing Moreno Valley is not interested in the average citizen. I realize the police and Code Enforcement departments are probably very busy and understaffed, but I do not think it excuses simply disregarding requests for help. I also realize the police have a lot on their plate given the state of this city, and I still believe they will arrive in a timely manner if I dial 911, but the state of Moreno Valley will not improve if the council and each department do not take the concerns of the average citizen seriously. Housing values will not be helped with city neglect, nor will the appeal of living in Moreno Valley to those seeking homes.

In truth, I do not know if the City Council will care enough to become involved, but I did not want to be a part of the neglect by failing to write a letter of complaint.

Thank you for your time,
Julie Frey

Subject: The Hole In Wall: Recovery Center Grand Opening

Please advise if you are interested in attending the grand opening

The Hole In Wall: Recovery Center Grand Opening
Noon-2 p.m., Thursday, August 8
24187 Postal Ave. (District 1)

The Hole In Wall Inc. (THIW), a not-for-profit organization of men and women joining forces for a common purpose, first open up its doors allowing for a drug-free, clean and safe 12-Step meeting facility in our community. We are proud to announce our official grand opening celebration event which will take place August 8th 2013 from 12:00pm to 2:00pm at 24187 Postal Avenue, Moreno Valley, CA 92553.

The Hole In Wall Inc. is opening as an expansion for two new meeting places, which previously included the Moreno Valley Alano club. This new location will provide a place

where families and members of the community can participate in social events in a drug free and safe environment, seven days a week.

The Hole in Wall Inc. is looking to partner with the City of Moreno Valley in the next phase of development, including to add a drop-in center and day care facility for the homeless, those afflicted by drug abuse and formerly incarcerated individuals, by providing counseling and case management to help them overcome obstacles that prevent them from accessing resources.

For more information, please contact Benjamin Shuler at [REDACTED].

Subject: RE: 13591 Boeing Street

Councilwoman Victoria Baca,

A couple of months ago I wrote you the email (see below) where I basically had a complaint about the response our family received from Animal Control concerning the wild cats that had invaded my Mother's property. As I had stated in my first email I too work for a public agency and have had to deal with public complaints and issues. For people that know me and work for me will tell you that I am very up front and out spoken for both good and bad performances, hence the reason for my first email.

Having said that, I am now compelled to tell you what an outstanding job the Animal Control Office did once they received my complaint. I would especially like to send out a special thank you to Chief Animal Control Officer Steven Lulli. There were several Animal Control Officers that went to my Mothers property and all were very courteous and very professional. They even went to her property on the 4th of July Holiday to make sure everything was okay. They were successful in capturing 4 of the wild cats and were very helpful in advising us on things that we could do around the property to deter animals from taking up residency.

Once we felt that we had done all that we could do to capture the animals the officers stopped setting the traps but they encouraged us to call in to Animal Control immediately if we had any problems again. Since that time we have received follow up phone calls to ensure that all is still good.

I want to thank you and all your staff for taking this seriously especially in this time of budget

MV00259847

cuts and reduced budgets. Sometimes the little guy gets overlooked in these kinds of things but it apparent to me that the City of Moreno Valley treats all its residence equally. Thank you so much again and please pass the thanks along to Officer Lulli.

Sincerely,
Gary Morton

<image001.gif>

Councilwoman Victoria Baca,

I am writing you this email in hopes of getting a positive response and action.

My parents who are in their 80's live in your district. Their address is 13591 Boeing Street, Moreno Valley. They have lived in the City even before it was a City since 1971 and have supported the City.

They have a problem with wild cats that have taken up residency on their property. They have had several issues with these cats and I am afraid it has become a serious health issue. My mother called animal control to see if something could be done about the cats and was told that they do not respond or will not pick up feral cats.

Here is the problem as I stated my parents are in their 80's, my mother has had two eye surgeries and her eye sight is very poor, my father has Alzheimer disease and is confined to bed or wheelchair and needs constant care. They cannot possibly do anything to capture these cats.

My mother contacted Animal Control and the officer said they would not respond to cat problems and my mother could come in and rent a cage to trap the cats and bring into the shelter.

MV00259848

However there are no traps available at this time. This same officer suggested that my 80 year old mother and I quote “ throw a towel over them bundle them up and bring them into the shelter”. ARE YOU KIDDING ME! These are wild creatures and she could fall and break a hip. That was very poor judgment on that advice from your officer.

The health issue is that my parents have a small dog and he has been attacked by these cats and has been injured to the point that he is bleeding. The other incident was their dog had something in its mouth one morning that it had picked up from laying on the backyard lawn. My mother noticed this and got it out of her dogs mouth only to realize it was a cats back leg that had been severed or bit off. These cats are turning on themselves or killing other cats. This is a real health issue for both my parents and their dog.

I work for the County of Riverside Transportation Dept. for over 30 years and I am well aware of budget constraints and cut backs. I know that the Animal Control Office is usually one of the Departments that are hardest hit in these lean times. I also realize some actions need to be taken to adjust for money short falls. But there are exceptions to every rule and commonsense rules. Public safety to your City constituents should be the Cities biggest concern. Especially the elderly that needs your support.

I want this valid concern addressed by you and/or Animal Control before someone gets sick or hurt. Please contacted me or your representative at your earliest convenience so we can get this hazard removed from their property.

My cell number is 951-318-8803

Dear Council Woman Baca,

Thank you so much for taking time from your very busy schedule to meet with Dr. Carolyn Eggleston, Eric Goddard and myself this afternoon. We are very excited to be bringing new services to some of your residents, and are so appreciative of the support you expressed during our meeting. At your suggestion, Eric will be following up with Cindy to obtain information about the nonprofit organizations serving the Moreno Valley and Riverside areas. As we mentioned during our visit, the support of local organizations and individuals is critical to the long term success of programs like CSRI.

We will keep you posted as things move forward in the upcoming weeks and months regarding our physical location, as well as the launch of programs to assist our parolees. Thank you again for your time and support, and we look forward to interacting with you again soon!

Richard

Cindy, Raul has been hospitalized today. He's having an upper gastrointestinal scoping tomorrow morning.

Please do not schedule any additional meetings this upcoming week.

As of now, I'm not canceling any meetings that are on my calendar except (non-city council) work related. (I was scheduled to be in Burbank Monday at 9:00am.)

Warm Regards,
Victoria Baca, M.Ed.

Reply-To: Amy Wu <amy888wu@yahoo.com>

James,

We met in the meeting on August 6 to discuss issues that you inspected twice on my property without acknowledging me or the management company. I purchased this property in mid-2012, registered the city business license, recorded the purchase transaction and follow every procedure according to the law. I have been through several inspections with the city and private parties, however, I was surprise informed unit 2 additional bedroom may not permit and you agreed to provide the county record, assessor record and permit record documents to me in the meeting so I will start from there to apply the permit. We got your replied last Thursday late afternoon to deny your promise to provide the document that made me deeply felt you not willing to assist but also racial discrimination. I explained the tenant lived in that unit 2 condition for more than 7 years that I would not purchase the property if city of Moreno did well managed and controlled property in area to fix the permit issue years ago then I would not involve into this issue to purchase this property.

I would like to formally request the county assessor record hold on your hand to prove the permit issue and the extension period to end of Oct for enough time to process the application of permit after I received your county assessor document. According the lease contract that I have to give the tenant 30 days for relocation due to construction work.

Moreover, I would like to request your full cooperation on assisting us to correct all the violation in a reasonable timely fashion. Currently, we plan to raise the ceiling height without

destroying the structure by moving the roof. We will raise the ceiling height by two inches to reach the requirement.

Lastly, I would like to obtain all the legal documents from the city and county that you failed to deliver. Additionally, provide a copy of the roofing contractor hired by previous owner, I would like to verify the license of the roof contractor and bring attention to the responsible department if any dispute.

I must say, I am very disappointed to Moreno Valley and not able to say I am a satisfied property owner in the city. I am appreciated for your attention and reply me promptly to provide with the requests.

copy to Victoria, I had left message to your assistant and request a meeting with you.

Sincerely,

Amy

Hi John

I assumed James briefed the property unit 2 currently encountered a permit issue to you.

We met in the city council meeting for property change zoning a few months ago that you aware I just bought the property in middle of 2012.

I contacted previous owner Victor who confirmed he did not build additional second bed room for unit 2 that he bought the property in 2000 and the unit 2 built the second bedroom since 1980 during the period of time which city of Moreno Valley encouraged on building construction.

I schedule to come to pick up property records next Tuesday morning and would like to make an appointment with you to discuss this grandfather issues for seeking the possible solutions.

Please let me know your schedule. Thank you and have a great day.

Hi James.

I have contacted with the license owner and confirmed that the contractor we hired was one of his employees. He fired the employee a year ago, however the contractor is still performing jobs with the license till this day. We had absolutely no awareness of this fraud that time until now. The contractor was still under the same training of his employer and we haven't received any complains regarding the leaks other than stain from previous leaks.

We presumed Eddie Guerrero was a licensed contract based on the information he provided, we did not have the proper tool and knowledge to verified the information. As you are acknowledging this situation, please take a proper procedure and bring this to the license board'a attention with plausible penalty to prevent any more fraudulence to innocent victims like we were. There's nothing we can do at this point.

Please let me know if you have any question regarding to this item on the notice.

Thank you

Steven

On Aug 28, 2013, at 10:02 AM, James Verdugo <jamesv@moval.org> wrote:

Ms. Wu

I would like to apologize for any misunderstanding and/or miscommunication on my part (regarding copies of records), and I would like to take a moment to simply make a clarification. In the meeting on August 6, it was indeed stated that the copies of the Assessors property record, and county permits could be provided for your review. However, as I explained to Stephen, in the email sent on 08/15/2013, the copies of the property records were misplaced and I was no longer in possession of the records discussed in the meeting.

However, I did provide Stephen (also contained within the email) with a list of the permits on file with the city and also informed Stephen that country records would have to be obtained from the Riverside County Offices (City of Moreno Valley records only go back to the incorporation date of the city which is 1984). I did not mean for my response to be perceived as of denying you copies of such records, but rather it was due to simply, the city not having the copies that were requested which at one time were in our possession.

In response to your letter, and per the direction given by the Community Development Director, I have made the request to the county on your behalf and have obtained the following:

1. Property Characteristics Report – County of Riverside
2. Copies of all permit records from the County of the Riverside

I have compiled a packet and which also includes the copies of permits that are on file with the City of Moreno Valley. You are welcome to pick this up at the front building counter at your convenience (office hours are M-TH 7:30-6:00pm and every 2nd and 4th Friday, 7:30am -1:30pm). There will be a fee associated for the copies requested of \$50.20, which will be due at the time you pick up the packet of information. This fee the cost of making copies and includes fees assessed by the Riverside County Assessor.

In reference, to your request for the roofing contractor records I have re-attached the PDF file I sent Stephen, which contains the listing from the Contractor State Licensing Board (CSLB) website for license number #667746, which is the number listed on the roofing contractors invoice. The contractor information does not match the one in the CSLB website registry, and there is no contractor registered as Eddie Guerrero Roofing in CSLB records.

If you have further questions and/or concerns regarding the information in the packet, please feel free to call me.

Dear Tom, thank you for taking my call last night and saving two of my canine neighbors. I was able to accompany Mr. and Mrs. Fernandez and their children to the animal shelter and get them into a fair agreement about keeping their dogs safe and secure.

I want to take this opportunity to inform you that I toured the kennels and found them very clean. Your staff was very professional and caring towards the public. I am pleased to report this to you!!

Of course, I'm sad that we have unclaimed animals....

I may be taking a dog home with me. Maybe a cat too!

Again, thank you for your time and attention!

Subject: MoVal Letter of Support for MCSA

Dear Council Woman Baca and Mayor PT Molina,

I have been trying for several months, unsuccessfully, to meet with the council and Mayor on the topic of support or even sponsorship of the New Charter I have been working on with Coach Don Markham, Leland Daniels, Jeffrey Clayton & Chuck Moore. This Charter application and Grant must be in Sacramento and presented to MVUSD by NLT Sept. 16th. I do understand the challenges that have perhaps hindered this contact but unfortunately, we have a deadline.

It has been my intention on several occasions to speak directly with the Mayor and in particular, Ms Baca to share the application, our vision and how we believe the city support and even exploration of a sponsorship could be approached. Thank you Ms Baca for taking the time to meet with some of the members previously. I have personally been to the city and asked for an appointment but for some reason that has not been responded to. We are running out of time.

The parks department, Mr Mel Alonzo, has met with us and is very supportive of some land use issues and the city also has a potential school site we might be able to use. He has sent the lease for our people to review. They have been very supportive, and have taken time to discuss and review our vision and goals for an Online, high bred, Collegiate

Sports Academy and eventually fully equipped school site at the North end of MV on Coach Don Markham's property. Mr Alonzo has a copy of the abstract and has made some approaches on our behalf.

If it is possible for any of you to make some time to meet with us and perhaps consider a letter of support for this unique opportunity to improve the educational opportunities of our Moreno Valley students, please contact me by cell at [REDACTED], or by e-mail to any of the other Executive Council Members in the CC for this e-mail.

I hope to hear from you soon.

Best Regards,

Jeffrey Giba

My name is Scott Otis, I am a teacher at Alta Vista Public Charter, a tuition-free Independent Studies High School. Currently, one of our sites is temporarily located in the Best Western Hotel (conference room) on Elder Ave. We're making an effort to contact business leaders and influential members of city government to not only create a relationship with each, but also to extend an invitation to come and guest speak at different events that we hold. Our upcoming event of interest is an Awards Assembly and Graduate Recognition on Oct 17th. We're attempting to involve parents/guardians as well as influential people that can help not only expand awareness of our school, but also create relationships and opportunities for our students to be able to expand their goals beyond their High School Diploma.

If you are able to attend, or have contact information that you feel would benefit us and our students, please contact me. We'd love to have you speak to our students and parents about a variety of topics, specifically (in this case) in the areas of the importance of higher education, opportunities in the local area for employment, and motivating students to pursue their dreams and parents to becoming much more connected with the school and community. If you are available, or have any questions,

please feel free to contact me either via e-mail or call me at 9 [REDACTED] or contact my Vice Principal, Shellie Dansby, at [REDACTED]. Thank you!

Hi John

I assumed James briefed the property unit 2 currently encountered a permit issue to you.

We met in the city council meeting for property change zoning a few months ago that you aware I just bought the property in middle of 2012.

I contacted previous owner Victor who confirmed he did not build additional second bed room for unit 2 that he bought the property in 2000 and the unit 2 built the second

bedroom since 1980 during the period of time which city of Moreno Valley encouraged on building construction.

I schedule to come to pick up property records next Tuesday morning and would like to make an appointment with you to discuss this grandfather issues for seeking the possible solutions. Please let me know your schedule. Thank you and have a great day.

Hi James.

I have contacted with the license owner and confirmed that the contractor we hired was one of his employees. He fired the employee a year ago, however the contractor is still performing jobs with the license till this day. We had absolutely no awareness of this fraud that time until now. The contractor was still under the same training of his employer and we haven't received any complains regarding the leaks other than stain from previous leaks.

We presumed Eddie Guerrero was a licensed contract based on the information he provided, we did not have the proper tool and knowledge to verified the information. As you are acknowledging this situation, please take a proper procedure and bring this to the license board'a attention with plausible penalty to

prevent any more fraudulence to innocent victims like we were. There's nothing we can do at this point.

Please let me know if you have any question regarding to this item on the notice.

Thank you

Steven

<jamesv@moval.org> wrote:

Ms. Wu

I would like to apologize for any misunderstanding and/or miscommunication on my part (regarding copies of records), and I would like to take a moment to simply make a clarification. In the meeting on August 6, it was indeed stated that the copies of the Assessors property record, and county permits could be provided for your review. However, as I explained to Stephen, in the email sent on 08/15/2013, the copies of the property records were misplaced and I was no longer in possession of the records discussed in the meeting. However, I did provide Stephen (also contained within the email) with a list of the permits on file with the city and also informed Stephen that county records would have to be obtained from the Riverside

County Offices (City of Moreno Valley records only go back to the incorporation date of the city which is 1984). I did not mean for my response to be perceived as of denying you copies of such records, but rather it was due to simply, the city not having the copies that were requested which at one time were in our possession.

In response to your letter, and per the direction given by the Community Development Director, I have made the request to the county on your behalf and have obtained the following:

1. Property Characteristics Report – County of Riverside
2. Copies of all permit records from the County of the Riverside

I have compiled a packet and which also includes the copies of permits that are on file with the City of Moreno Valley. You are welcome to pick this up at the front building counter at your convenience (office hours are M-TH 7:30-6:00pm and every 2nd and 4th Friday, 7:30am - 1:30pm). There will be a fee associated for the copies requested of \$50.20, which will be due at the time you pick up the packet of information. This fee the cost of making copies and includes fees assessed by the

Riverside County
Assessor.

In reference, to your request for the roofing contractor records I have re-attached the PDF file I sent Stephen, which contains the listing from the Contractor State Licensing Board (CSLB) website for license number #667746, which is the number listed on the roofing contractors invoice.

Hi John

I assumed James briefed the property unit 2 currently encountered a permit issue to you.

We met in the city council meeting for property change zoning a few months ago that you aware I just bought the property in middle of 2012.

I contacted previous owner Victor who confirmed he did not build additional second bed room for unit 2 that he bought the property in 2000 and the unit 2 built the second

bedroom since 1980 during the period of time which city of Moreno Valley encouraged on building construction.

I schedule to come to pick up property records next Tuesday morning and would like to make an appointment with you to discuss this grandfather issues for seeking the possible solutions. Please let me know your schedule. Thank you and have a great day.

Hi James.

I have contacted with the license owner and confirmed that the contractor we hired was one of his employees. He fired the employee a year ago, however the contractor is still performing jobs with the license till this day. We had absolutely no awareness of this fraud that time until now. The contractor was still under the same training of his employer and we haven't received any complains regarding the leaks other than stain from previous leaks.

We presumed Eddie Guerrero was a licensed contract based on the information he provided, we did not have the proper tool and knowledge to verified the information. As you are acknowledging this situation, please take a proper procedure and bring this to the license board'a attention with plausible penalty to

prevent any more fraudulence to innocent victims like we were. There's nothing we can do at this point.

Please let me know if you have any question regarding to this item on the notice.

Thank you

Steven

Ms. Wu

I would like to apologize for any misunderstanding and/or miscommunication on my part (regarding copies of records), and I would like to take a moment to simply make a clarification. In the meeting on August 6, it was indeed stated that the copies of the Assessors property record, and county permits could be provided for your review. However, as I explained to Stephen, in the email sent on 08/15/2013, the copies of the property records were misplaced and I was no longer in possession of the records discussed in the meeting. However, I did provide Stephen (also contained within the email) with a list of the permits on file with the city and also informed Stephen that county records would have to be obtained from the Riverside

County Offices (City of Moreno Valley records only go back to the incorporation date of the city which is 1984). I did not mean for my response to be perceived as of denying you copies of such records, but rather it was due to simply, the city not having the copies that were requested which at one time were in our possession.

In response to your letter, and per the direction given by the Community Development Director, I have made the request to the county on your behalf and have obtained the following:

1. Property Characteristics Report – County of Riverside
2. Copies of all permit records from the County of the Riverside

I have compiled a packet and which also includes the copies of permits that are on file with the City of Moreno Valley. You are welcome to pick this up at the front building counter at your convenience (office hours are M-TH 7:30-6:00pm and every 2nd and 4th Friday, 7:30am - 1:30pm). There will be a fee associated for the copies requested of \$50.20, which will be due at the time you pick up the packet of information. This fee the cost of making copies and includes fees assessed by the

Riverside County
Assessor.

In reference, to your request for the roofing contractor records I have re-attached the PDF file I sent Stephen, which contains the listing from the Contractor State Licensing Board (CSLB) website for license number #667746, which is the number listed on the roofing contractors invoice. The contractor information does not match the one in the CSLB website registry, and there is no contractor registered as Eddie Guerrero Roofing in CSLB records.

If you have further questions and/or concerns regarding the information in the packet, please feel free to call me.

Subject: 13931 Elsworth St.

James,
We met in the meeting on August 6 to discuss issues that you inspected twice on my property without acknowledging me or the management company. I purchased this property in mid-2012, registered the city business license, recorded the purchase transaction and follow every procedure according to the law. I have been through several inspections with the city and private parties, however, I was surprise informed unit 2 additional bedroom may not permit and you agreed to provide the county record, assessor record and permit record documents to me in the meeting so I will start from there to apply the permit. We got your replied last Thursday late afternoon to deny your promise to provide the document that made me deeply felt you not willing to assist but also racial discrimination. I explained the tenant lived in that unit 2 condition for more than 7 years that I would not purchase the property if city of Moreno did well managed and controlled property in

area to fix the permit issue years ago then I would not involve into this issue to purchase this property.

I would like to formally request the county assessor record hold on your hand to prove the permit issue and the extension period to end of Oct for enough time to process the application of permit after I received your county assessor document. According the lease contract that I have to give the tenant 30 days for relocation due to construction work.

Moreover, I would like to request your full cooperation on assisting us to correct all the violation in a reasonable timely fashion. Currently, we plan to raise the ceiling height without destroying the structure by moving the roof. We will raise the ceiling height by two inches to reach the requirement.

Lastly, I would like to obtain all the legal documents from the city and county that you failed to deliver. Additionally, provide a copy of the roofing contractor hired by previous owner, I would like to verify the license of the roof

contractor and bring
attention to the
responsible
department if any
dispute.

I must say, I am very
disappointed to
Moreno Valley and
not able to say I am a
satisfied property
owner in the city. I
am appreciated for
your attention and
reply me promptly to
provide with the
requests.

copy to Victoria, I
had left message to
your assistant and
request a meeting
with you.

Sincerely,

Amy

Hi Victoria:

I started yesterday and finished this morning adding all the new committee assignments to the calendars. The JPC meetings are now on your calendar. Please confirm if you plan to attend the Sept 18, MJPC meeting . The meeting convenes at 8:30 a.m. Your flight for the LCC Conference departs at 12:15 p.m. Need to allow time for travel to the airport and check-in.

Thanks,

Cindy

Hi Victoria:

I started yesterday and finished this morning adding all the new committee assignments to the calendars. The JPC meetings are now on your calendar. Please confirm if you plan to attend the Sept 18, MJPC meeting. The meeting convenes at 8:30 a.m. Your flight for the LCC Conference departs at 12:15 p.m. Need to allow time for travel to the airport and check-in.

Thanks,

Cindy

Michelle,

This problem was brought to my attention. Please inform me of the status.

Mr. Magued Noureldin applied for a business license approximately in Nov. 2011, and paid fees.

Was a certificate of occupancy issued?

Was a business license issued?

No inspector?

Magued Noureldin may be reached at:

Tom and Victoria,

I scheduled your lunch with Superintendent Lopez for Monday, September 30 from 11:30 a.m. to 1:00 p.m. at BJ's. If this date and time don't work for you, please let me know, and I will look for another date.

Regarding the school visits, there are seven schools in Moreno Valley within the Val Verde School District (4 Elementary Schools, 2 Middle Schools and 1 High School). Do you want to visit all the schools or a few schools? Because there is so much walking involved, it is recommended you do two half days if you would like to visit all the schools. If you prefer to visit just a few schools, please let me know which schools you would like to visit:

Lasselle Elementary
Bethune Elementary
Rainbow Ridge
Victoriano Elementary
March Middle School
Vista Verde Middle School
Rancho Verde High School

Would you please provide me days and times you both will be available for the school visits.

Thank you.

Tom,

M&O will remove the graffiti as soon as possible.

Brian/Dennis: Please contact Ty and have him remove this graffiti on Friday morning. Please have him give you a confirmation call and send me a confirmation email once it has been removed.
Thank you.

Subject: Community shred Event...

Good afternoon Councilwoman Baca;

When I dropped off my household waste on Friday, I was given a flier advertising a Free Shredding Event on October 12th.

I have a full box of sensitive documents that need to be destroyed, but I'm cautious as to how that's done.

Who is doing the shredding? ... and how has the City vetted them regarding the safekeeping of documents prior to shredding?

Will the documents be shredded "on the spot" when I deliver them?? ... or will they be trucked off for shredding elsewhere? (the flier states the importance of getting there early because once the "truck is filled", the event will end)

I would like you to look into this to see how it will be done. I need to know my sensitive information will be kept safe and secure from prying eyes.

I'll await your reply.

Thank you for your service to our community;

Subject: FW: Community shred Event...

Tom,

Here is the info regarding the Shred Event:

- The event will involve on-site shredding of documents during the event.
 - Participants will be able to witness their documents being shredded to ensure privacy and proper handling of the documents.
 - Participants will be offered a certificate of destruction confirming that their sensitive documents are properly destroyed.
- Relative to vetting of the vendor that will be performing the on-site shredding, Document Security Solutions-DSS provides shred services for the City of Murrieta and small to medium businesses in Temecula, Menifee and Murrieta.
 - They have provided similar Shredding Event services to the City of Murrieta; Murrieta has provided positive feedback regarding such services.

- They are National Association for Information Destruction (NAID) certified, a certification available to shredding companies.

Please let me know if you have any other questions regarding this item.

Michelle, Maria Elena Kennedy is a relentless advocate for disadvantaged communities. Last night's meeting was successful in that the community welcomes the city's effort of obtaining grant monies in order to improve BSMWC's infrastructure. There was no controversy nor agitators at the meeting following the PE story!

U r very welcome.

- Red curbing at Dracaea/Gina is ordered & will be done soon.
- We are evaluating the safety at Graham & Ironwood.
- As a first step, we will be implementing a vehicle speed feedback device in the Brentwood tract.
(will have more details for u shortly)

Michelle:

I've asked Leticia to follow up on this inquiry, since there is no record of an application under the names given and the use (assembly) would likely require a planning approval prior to business license or C of O.

Michelle,

This problem was brought to my attention. Please inform me of the status.

Mr. Magued Noureldin applied for a business license approximately in Nov. 2011, and paid fees.

Was a certificate of occupancy issued?

Was a business license issued?

No inspector?

Magued Noureldin may be reached at:

Subject: Chili Cook off and Halloween Costume Contest

The Chili Cook off and Halloween Costume Contest is THIS Thursday, October 24, 2013. We have a couple Departments working on their team, but this is what we have so far:

- Fire
- Parks
- Finance
- City Clerk
- Media

If you haven't had an opportunity to sign up and want a space, please contact me at your earliest convenience. It promises to be a fun event and having all the departments participate really makes it special.

Thank you for supporting the 2013 Employee Giving Campaign.

> Mr. Martin is with Black Ridge Real Estate Group. Mr. Martin stated he would like to meet with you next Monday, Tuesday or Wednesday regarding the New Hope Business Center in your district. He stated it is 16 acres, and it borders New Hope, to the west is Elsworth, and to the east is Veterans Way. Please advise if you would like me to schedule a meeting for you; and if so what dates work for you. I explained to Mr. Martin your work schedule might not work for next Monday through Wednesday.

Alicia Hornyak, MGR Commercial Real Estate [REDACTED]

Ms. Hornyak stated she has a client interested in purchasing the Cottonwood Golf Course. She previously met with former Council Member Batey, Mike McCarty, and others to discuss the golf course. I contacted Mike who advised the Cottonwood Golf Course isn't for sale; and if the golf course was sold, the Park Preservation Act would require it be replaced by a fully developed 16-acre park, which could cost millions. Mike stated Ms. Hornyak believes her client has a way to work around the Park Preservation Act.

Councilwomen Baca,

John Terell in the Planning Department gave me your contact information. Our development company is under contract to acquire a 16.1 acre parcel of land at Elsworth Street and Business Center Drive, which I am told is in your counsel district.

Our acquisition of the land and development of the property is contingent upon our being granted a zone change from "BP" to "Light Industrial" so that we can build a single (yet divisible) 370,000 square foot (approx.) distribution/warehouse building. I would like to speak with you directly to get your general opinion and advise about the proposed zone change and development of the property. As I am sure you know, we will be spending a great deal of time and money in the application process and we are just looking for a comfort level of your support and any insight you can offer to make the proposed project a success for us and the City of Moreno Valley. Please call me any time, or if you prefer, let me know the best time and phone number to reach you. I look forward to meeting you very soon.

Russell

Subject: Executive Customer Breakfast in Moreno Valley

Subject: Invitation to SCE's Executive Customer Briefing

Southern California Edison's President, Ron Litzinger, cordially invites you to meet with him and other SCE Executives for a company update. The program will include networking, breakfast, remarks from Mr. Litzinger and a question and answer session. We look forward to connecting with you and discussing SCE's current business environment and the electric utility industry.

Several SCE Executives and Senior Managers will be present to discuss issues such as Rates and San Onofre and to answer your questions.

Date: Thursday, April 4

Time: 7:00am - 9:00am

Location: Moreno Valley Recreation & Community Center (Grand Valley Ballroom) 14075 Frederick Street, Moreno Valley, CA 92553

RSVP Required by March 29: <http://bit.ly/ZcKLCW>

Subject: Leadership MV - Tour Natural Gas Compressor Station
Importance: High

All,
With the support of the Chamber's Leadership Moreno Valley, Denise Bagley & Dick Heil I have been able to host many tours of our Natural Gas Compressor Station located at the east end of the Valley.

We appreciate the opportunity to educate Moreno Valley & Riverside County elected officials, business leaders, law enforcement and others on our natural gas operations infrastructure.

The Moreno Valley Compressor Station supplies natural gas to Riverside County & 94% of all of San Diego County's supply.

Our next tour is set for **Thursday, April 11 at 9:30 – 10:45 am at 14601 Virginia Street.**

We consider this particular tour even more significant with public hearings scheduled in the near future on the "World Logistics Center" land use zoning on the property surrounding our facility.

If any of you have not been to our facility or have Staff members interested in joining us please feel free to contact me or Denise Bagley, Cindy Miller.

Southern California Gas Co & San Diego Gas & Electric have been delivering clean, safe and reliable natural gas to customers for more than 140 years. They as the nation's largest natural gas distribution utility, providing service to 23.9 million consumers in more than 500 communities. The company's service territory encompasses central and Southern California, from Visalia to the Mexican border. SoCalGas & San Diego Gas & Electric are regulated subsidiaries of Sempra Energy

I look forward to seeing you on April 11 and if you have any questions please feel free to contact me.

Subject: Request

Dear Ms. Bacca:

My wife and I recently had a chance to review the DEIR for the WLC in detail. As a way of introduction, we are both long time residents of Moreno Valley and are now retired. We were both trained as physicists and have spent our careers in industry. We feel that our background allowed us to make an objective and unbiased review of the document.

To our way of thinking, the DEIR is a good document, very well organized and written. The traffic analysis was very detailed. We were especially impressed by the fact that the trip generation rate was peer reviewed in appendix T.

However, we felt that the various discussions in the DEIR make some very big conclusions on very small data samples, and that sometimes contradictory data or even a wrong data source seems to have been used. For example, the trip generation rate of 1.68 was used in the DEIR. This number is based on the recent 2012 ITE study. However, I believe that the 2011 NAIOP study made a good case for the use of the smaller number 0.99 for traffic analysis. The use of the 0.99 number would greatly reduce the estimate of truck trips which would help reduce the estimate for the impact of the WLC on traffic density. A reduced estimate for the number of truck trips should also help with the estimate of probable WLC truck trips. However, the WLC uses heavy trucks. So, which trip number should be used for air quality analysis?

We also reviewed the fiscal and economic analysis in the DEIR. We had some problems with the source data used to calculate the sales tax information. (the sourced document was a study of the behavior of office employees, not warehouse personnel). The major problem we had with this section pertained to the estimate of the number of WLC employees and the estimate of the average wage of the WLC employees. I believe that our findings in some of these areas are of definite interest to you.

We would appreciate the chance to meet with you to discuss some of these findings. I have a couple of suggestions that I feel you may be interested in.

Thank you for considering my request.

Sincerely , Hans and Barbara Wolterbeek

Subject: Requested Meetings w/Council Member(s)

Cindy,

Ahmad would like to schedule individual meetings with each Council Member to discuss Crossing Guards. Each meeting should include: one council member, Michelle Dawson, Ahmad Ansari, Rick Teichert, and Eric Lewis.

Please let me know how you would like me to proceed with the scheduling.

Thank you,
Stephanie Cuff

Hi Cindy,

I just spoke with Councilwoman Baca to set up a meeting this week. She checked her calendar thought she had Thursday at 5:30 open. Can you confirm this and if open, please book me with her at that time at City Hall?

Thanks,

Jim

Good afternoon WRCOG elected officials,

Once a year, WRCOG hosts a General Assembly meeting of all its elected officials within the WRCOG subregion. This year's Business Session will be held at 1:00 p.m. on Thursday, June 13, 2013, at the Morongo Casino Resort & Spa on the 2nd Floor Ballroom, prior to the General Assembly and Leadership Address scheduled to begin at 4:00 p.m.

We are requesting your attendance at the 1:00 p.m. Business Session, even if you are not planning to stay for the evening event, in order to approve the agency's budget, appoint Executive Committee leadership positions, and approve agency Bylaws amendments. This portion of the event requires a quorum, so we kindly ask that you RSVP at your earliest convenience by simply responding to this email.

Please feel free to contact us should you have any questions.

Respectfully,

Victoria,

Mr. Teague stated he would like to talk to you about the Box Springs Mutual Water District meeting on Monday night. He stated it was announced there weren't any items on the agenda; but after everyone left, the Board opened up another meeting and stated they would hold a meeting the next day, Tuesday, June 4, at 2:00 p.m. He stated they voted on a tax on vacant property.

Mr. Teague stated he owns two pieces of property on the corner of Alessandro and May. He stated on the corner lot, the City is denying allowing a second driveway being put in.

Dear Victoria :

It's with great excitement that the time has finally come for the Grand Openings for Moss Bros. Volkswagen, Moss Bros. Buick GMC and Moss Bros. Chevrolet. I would like to invite you join us for these celebrations.

We are kicking it off with the official Grand Opening ceremonies on Wednesday, July 3rd. In attendance will be the Chambers of Commerce, corporate management from Chevrolet, Buick, GMC, and Volkswagen and employees. The ribbon cutting ceremonies will begin at Moss Bros. Volkswagen at 11:15am, followed by Moss Bros. Buick GMC and Moss Bros. Chevrolet. In celebration of the openings, we will be having a catered BBQ for all those attending.

We will continue the celebration throughout the 4th of July weekend with a carnival themed atmosphere including DJ, catered BBQ, appreciation gifts for current and previous customers, activities for the kids including a bounce house and face painting- a great time for everyone in attendance.

I know how busy your schedule is and I'm hoping that you will be able to attend this great event. I have attached some fun videos of the construction process for your viewing.

Please let me know if you will be attending. Hope to see you there.

Sincerely,

Glenn

Subject: From Irma Flores RE: Request for Meeting from Maria Urena

Good Morning Ms. Juliene,
I spoke with Maria Urena this morning regarding a meeting being scheduled with Councilwoman Victora Baca. I understand it is tentatively scheduled for tomorrow at 3pm?

I will be attending the meeting with Ms. Urena for several reasons:
She is a board member of the Greater Riverside Hispanic Chamber (a strategic partner of our organization) and she is a minority business who has requested our assistance. We work to assist MBE's with access to capital, to market, entry into global markets and business consulting. We are assisting her business consulting.

I am also interested in sharing with Councilwoman Baca about our interest in making a brief presentation before the City Council about our services. Our office is interested in reaching out to Moreno Valley minority owned businesses to share information about our program and services.

mbda.gov/businesscenters/riverside our website on our services and criteria.

Would you be so kind as to please confirm the appointment. Yours in Service, Irma

Dear City Councilmember Baca:

My name is Micki Poole Clowney. I am the Director for the Moreno Valley College Upward Bound Math and Science (UBMS) Program. UBMS is funded through US Department of Education to work with low income, first generation high school students to strengthen students' skills in science, technology, engineering, and math (STEM).

On June 17, 2013, the Moreno Valley College Upward Bound Math and Science (UBMS) Program launched its inaugural Summer Institute. Over the past few weeks, approximately sixty students from Vista Del Lago High School have participated in this interactive summer program designed to engage students in a variety of interactive hands-on STEM activities. The Summer Institute ends on July 31, 2013.

During the summer experience, UBMS Scholars have the opportunity to work closely with faculty, industry professionals, and other community partners to learn about common core principles in math, science, and literature. Scholars also participate in student development workshops on topics such as financial literacy, college preparation, career planning, and test preparation. Each Friday, scholars participate in unique field experiences visiting the Ocean Institute, the Columbia Memorial Space Museum, and more. So far, we have taken trips to the Palm Springs Aerial Tramway and Mount San Jacinto State Park where students learned about botany, life sciences, plant pathology, and ecosystems. We also visited Lake Perris State Recreation area where students raced boats they designed and made out of cardboard.

On July 31, 2013, we are hosting a dinner and symposium to honor the UBMS Scholars and to allow them to showcase their work to families, local educators, community members, and elected officials. As one of our area's esteemed public service officials, given your passion for educating the next generation and understanding the critical need for preparing students for careers in science, technology, engineering, and math (STEM), we would be honored to have you join us that evening during the awards ceremony. The theme of the program is: ENGAGE AND EMPOWER...STEM "U" LATE YOUR MIND. The UBMS Summer Institute Symposium and Awards Program is scheduled from 6:30pm to 8:30pm in the Theater at Vista Del Lago High School.

Dinner will be served in the Commons/Multipurpose Room from 5:30pm to 6:30pm.

Dear Ms. Victoria Baca,

Hope you're enjoying a lovely summer!

I'm reaching out to extend a personal invitation to the Grand Opening of BevMo!'s newest California store in Moreno Valley at 12625 Frederick St. Suite G-2 on Friday, September 6 at 9 a.m. BevMo!'s Grand Opening celebrations are wonderful community events and usually have more than 500 people waiting in line for the doors to open. Festivities continue throughout opening day and weekend, and we're really excited for what's in store!

We would be honored if you would consider attending the grand opening the morning of 9/6 for BevMo!'s traditional ribbon cutting ceremony to kick-off opening weekend. Please let us know if you are able to join us, or if you have any questions about the event or company.

Hope to hear from you soon.

Kind regards,
Christina

Hello Mr. Owens, just writing you to let you know we need to work together on getting information to the community that normally does not get involved in politics but will sign that petition to recall the City Council of ignorance! Most of the people I talk to don't know the facts and are going on propaganda that they heard. As one gentleman said at the last City Council meeting this will set Moreno Valley back 25 years! My 2 year old granddaughter won't be able to get a job that pays over 50 thousand dollars a year if that happens! Please contact me, I have a plan!

Hello Councilmember Baca:

My name is Andrea Mitchel and I am a staff member of the California State University San Bernardino Reentry Initiative. Under contract from the California Department of Corrections and Rehabilitation (CDCR), California State University San Bernardino, and partnering agencies have been providing comprehensive programming to parolees returning to the Inland Empire from California prisons thus reducing recidivism, increasing community safety and breaking the cycle of generational incarceration.

We opened our doors in San Bernardino approximately thirty months ago and have had outstanding results. Approximately 750 parolees returning to San Bernardino have received comprehensive, evidence-based, research-driven service resulting in eighty four percent of them staying out of prison and jail. Our recidivism rate is approximately sixteen percent as compared to California's rate of sixty five percent.

Understanding that Riverside County has over 2,500 parolees, and approximately forty one percent of the county's parolees reside in Moreno Valley, we would like to meet with you to discuss how our program can benefit your community. I understand that the Moreno Valley Parole Office is in your district. We would like to help you to keep your community safe and help the parolees living in Moreno Valley to become contributing members of your community.

I have attached a document which describes our program. Might we be able to schedule a time to chat?

Thank you so much for all you do for Moreno Valley.

Subject: Frank Contreras - [REDACTED] / Rick Martinez - [REDACTED]

Frank Contreras and Rick Martinez stopped by to see if they could speak to Council Member Baca to discuss their VFW Post 547, currently located at 22616 Alessandro, and the possible relocation of their Post to the old PH Woods on Alessandro.

The two gentlemen would like to sit down and discuss the options of how to receive assistance financially from the City or organize a way to receive donations to help with the costs associated with the relocation of the Post.

They stated they are a 501(c)(9) and have many programs like the Children's Essay and the Voice of Democracy to mention a couple. For your information the two gentlemen were advised by Neighborhood Services staff that the assistance programs are no longer being funded by the State or Grants.

Mr. Contreras resides at 23306 Dewdrop Circle in District 5; Mr. Martinez resides at 11361 Mar El Street in District 3.

Chairman Busch, Vice Chairman Ashley, Commission Members,

It's that time of year again! We are starting to fund raise for our 9th annual Holiday Harvest. The way this year is flying by it will be here before you know it. Last year we served 259 residents from our shelters here at March!

Please help us raise the funds for this event that is so appreciated by our shelter residents. Also, please mark your calendars for **Sunday, November 24th** to help serve the food. We always appreciate the tremendous turn out we get from most of you on this very special day.

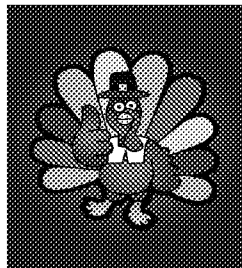

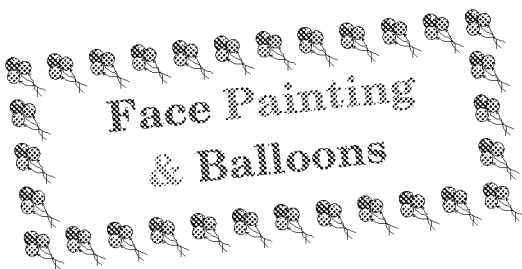

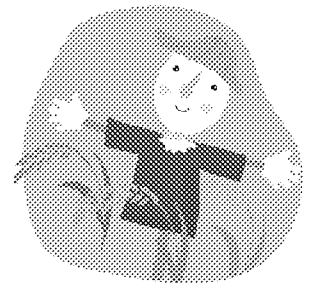

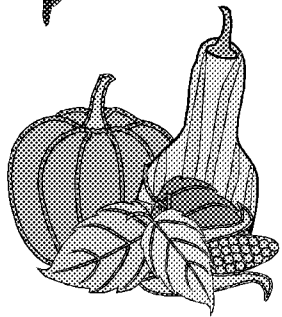

Thank you!

Lori

P.S. We need \$\$\$\$\$\$\$\$\$\$!!!!!!!

California State University San Bernardino Reentry Initiative. Under contract from the California Department of Corrections and Rehabilitation (CDCR), California State University San Bernardino, and partnering agencies have been providing comprehensive programming to parolees returning to the Inland Empire from California prisons thus reducing recidivism, increasing community safety and breaking the cycle of generational incarceration. We opened our doors in San Bernardino approximately thirty months ago and have had outstanding results. Approximately 750 parolees returning to San Bernardino have received comprehensive, evidence-based, research-driven service resulting in eighty four percent of them staying out of prison and jail. Our recidivism rate is approximately sixteen percent as compared to California's rate of sixty five percent. Understanding that Riverside County has over 2,500 parolees, and approximately forty one percent of the county's parolees reside in Moreno Valley, we would like to meet with you to discuss how our program can benefit your community. I understand that the Moreno Valley Parole Office is in your district. We would like to help you to keep your community safe and help the parolees living in Moreno Valley to become contributing members of your community.

Councilwoman Baca

Please accept this invitation to be our guest for the 35th observance of Veterans Day at Riverside National Cemetery.

The program will begin at 11 a.m., November 11, in keeping with the tradition begun when the Armistice was signed at the eleventh hour of the eleventh day of the eleventh month,

ending conflict in WWI.

The Riverside Concert Band will kick off the day with a patriotic music medley at 10:30 a.m.

Riverside National Cemetery Director Dean Moline will deliver the welcome address on behalf of Department of Veterans Affairs Secretary Eric Shinseki.

Perris resident and Veterans advocate Joanne Evens will deliver the keynote address.

The program will include military honors performed by members of the Riverside National Cemetery Memorial Honor Detail, which is again presenting this year's program.

RSVP: By response or by calling Jim Ruester at [REDACTED]

We look forward to seeing you here.

Good Afternoon Denise,

It was a pleasure speaking with you the other day. We had several employees come by for some of our pre-open events.

Thank you for helping us get the word out. We are extremely excited to finally be open to the public and next week will be our official Ribbon Cutting Ceremony.

I have attached an invitation and would like to implore your help in extending the invitation to the City Council Members, the Chief of Police and Fire Chief and City Hall employees. We would love to see you all there.

Please let me know if you have any questions or need any additional information.

Thanks again,

Tom Owings
Mayor, City of Moreno Valley
14177 Frederick Street
PO Box 88005
Moreno Valley, CA 92552

Dear Mayor Owings:

As the Assemblymember who proudly represents the 61st Assembly District and Chair of the Assembly Committee on Jobs, Economic Development, and the Economy (JEDE), I would like to invite you to attend an upcoming hearing on *The Role of Trade and Foreign Investment on the Inland Empire's Regional Economy*.

The hearing is scheduled for **Wednesday, November 6, 2013**, at the **Riverside City Council Chambers, 3900 Main Street, Riverside, California** from **10:00 a.m. to 1:00 p.m.**

Trade and foreign investment play an integral part in the Inland Empire's economy. Among other advantages, trade and foreign investment bring new capital to the region, support job creation and business expansion, provide new technologies and skills to workers, generate local and state revenues, and generally strengthen the region's economic base.

Trade experts, international business executives, and regional civic and business leaders have been invited to make presentations at the hearing. Key issues discussed will include the region's biotech sector and foreign trade and investment, the region's strategic location in attracting foreign investment and supporting manufacturing and global distribution networks, the important role small businesses can play within global markets, and workforce challenges facing the region's global competitiveness.

JEDE is the policy committee within the California State Assembly responsible for reviewing policies and legislation related to small business development, international trade, and other economic development related issues. The committee regularly publishes reports on these areas of interest. Copies of these reports are available online at www.assembly.ca.gov under the policy committee heading.

Please join us before the start of the hearing at 9:30 a.m. for an opportunity to network with other local players who help contribute the success of our region.

To RSVP to the hearing and the pre-hearing reception, please contact Chris Manning at my Riverside Office at [REDACTED]

Attached is a preliminary agenda for your review.

Sincerely,

JOSE MEDINA
Assemblymember, 61st Assembly District
Chair, Assembly Committee on Jobs, Economic Development and the Economy

The Role of Trade and Foreign Investment on the Inland Empire's Regional Economy

Wednesday, November 6, 2013 from 10:00 a.m. to 1:00 p.m.
City Council Chambers, Riverside City Hall in Riverside, California

Preliminary Agenda (subject to change)

International trade and foreign investment serve as critical components of California's \$1.9 trillion economy. If California were a country, it would be the 17th largest exporter and the 14th largest importer in the world. Exports from California (\$162 billion) accounted for over 10.5% of total U.S. exports in goods, shipping to over 220 foreign destinations in 2012. California's land, sea, and air ports of entry serve as key international commercial gateways for the \$537 billion in products entering and exiting the country. Over 562,700 California workers benefit from jobs with foreign-owned firms, which accounts for 5.1% of all private sector jobs in the state. Trade and foreign investment support new job creation, bring new technologies and skills to California workers, generate local and state revenues, and generally strengthen the state's economic base.

In today's hearing, Chair Jose Medina and Members of the Assembly Committee on Jobs, Economic Development, and the Economy (JEDE Committee) will take a closer look at how foreign trade and investment support the regional economy of the Inland Empire. The JEDE Committee will hear from senior trade experts, international business leaders, and regional civic and business leaders about the role that trade and foreign investment play within the regional economy of the Inland Empire.

I. Welcome, Introductions and Opening Statements

Assemblymember Jose Medina, Chair, and other members of the JEDE Committee will provide opening statements and frame key discussion items.

II. International Trade and Foreign Investment: Profile of the Inland Empire

- *Dr. John Husing, Chief Economist with the Inland Empire Economic Partnership*
- *Commissioner Tom Freeman, Foreign Trade Commission, Riverside County*

Economic forecasts anticipate 2013 to be a good year for trade and investment for Southern California with the Port of Long Beach/Los Angeles regaining pre-recession activity levels, cargo activity at Ontario International Airport remaining strong, and BNSF/UP planning upgrades to the rail system. Inland Empire manufacturing, warehousing and logistical networks continue to grow with the attraction and expansion of foreign companies and investors. Among the region's other trade and investment strengths, are its strategic location for both foreign and domestic trade, foreign trade zones, and having a proactive county-level Foreign Trade Commission. Dr. John Husing, Chief Economist with the Inland Empire Economic Partnership, and Commissioner Tom Freeman with the Riverside County Trade Commission will discuss the importance of trade and foreign investment within the region and highlight key actions the region could be taking to more fully leverage the region's strategic location and economic advantages within the global marketplace.

III. Creating Competitive Advantages within the Inland Empire

- *Dr. Imran Farooq - Chief Advisor for Inland Southern California iHUB*
- *Dr. Michael Pazzani, Vice Chancellor for Research and Economic Development, U.C. Riverside*
- *Mr. Paul Cramer, Director of Sales with Star Milling Co.*
- *Mr. John Walburg, Manager of Marketing and Sales, California Steel Industries, Inc.*

In this second panel, the presentations will focus on distinct, yet economically linked, resources within the Inland Empire. Dr. Farooq from the Inland SoCal iHUB will be discussing the region's globally significant logistics network. Mr. Cramer and Mr. Walburg will provide insights on how the global economy affects the day-to-day operations of their companies including recommendations on how the region can become more globally competitive and supportive of companies that utilize foreign trade and investment in their business activities.

II. Public Comment

Those interested in speaking during the public comment period should sign-up at the registration table.

IV. Summary of Key Findings and Closing Remarks

Participants will be invited to share final comments and provide recommendations on further actions.

Filling a City Council Vacancy: Representation for Everyone Now
By Victoria Baca

The editors of the Press-Enterprise have opined that voters, and not council members, should have selected the individual to fill the vacant 4th District seat on the Moreno Valley City Council (*“Let City Voters Fill Vacant Council Seat”*, Aug. 26). But that course of action would have required far too much sacrifice by residents, and would have hindered the City’s ability to tackle pressing issues facing the 4th District.

To fill this Council vacancy, the City had the following 4 options:

- 1) Appoint someone to serve out the remainder of the unexpired term, until December 9, 2014. The Council’s decision to do so provided immediate and consistent representation for the residents of District 4 for the next 15 months.
- 2) Call a special election to fill the vacancy, leaving the seat open for 8 months. The earliest date to hold a special election would have been April 8, 2014. The individual elected would serve only the remaining 7 months of the unexpired term, while subjecting voters to two Council elections within a period of just 6 months and an additional cost of \$50,000.
- 3) A hybrid of the above options: appoint someone to fill the vacancy for the 7 months until a special election next April, with the individual elected serving only 7 months of the unexpired term. This could result in District 4 being represented by as many as 4 different Council Members in less than a year and a half, with added election costs.
- 4) Take no action. In this case, the vacancy would be filled by election on April 8, 2014 and the individual elected to office would serve the remaining 7 months of the term. Like option 2, this would have cost taxpayers \$50,000 while leaving District 4 residents without representation for a total of 8 months.

I am a fierce advocate for voters’ rights. As noted by the P-E, I supported the recent successful campaign to have the school district board vacancy filled by election and not appointment.

So why would I vote to fill a Council vacancy by appointment in lieu of an election?

The answer is representation. The residents of City Council District 4 deserve consistent representation now and should not have to wait until April of 2014.

How is a decision to appoint to fill a City Council vacancy different than doing so for a school board seat?

Council Members represent Districts; more than 39,000 of our residents currently have no Council representative. School board members are elected at-large, serving all residents. A vacancy on the school board does not leave anyone unrepresented.

District 4 has interests and issues that are different than other areas, including the recent siting of large, job-producing businesses within the area. These residents deserve to have a Council representative now...someone who lives in their neighborhood and is familiar with the qualities that make the southern part of our City unique.

Lastly, while I applaud the P-E advocating for “a credible unbiased selection process,” the paper doesn’t have a strong track record for understanding our voters. The paper consistently endorses candidates who are subsequently rejected by Moreno Valley residents....in the last two elections alone the P-E’s endorsed candidates were 0 for 5. They couldn’t be more out of touch with our community.

It’s time to get on with business in MoVal, and I stand by my vote to fill the vacant 4th District seat.

Subject: Media Inquiry: 10/22 Agenda Report

Honorable Mayor and Council Members,

PE Reporter Suzanne Hurt contacted our Office just before 5 p.m. this afternoon regarding Item A-10 on the Council's 10-22 meeting agenda. While the item is a routine update to the City's Records Retention Policy (agendized by the City Clerk), Ms. Hurt's line of questioning implied that the City was intentionally destroying records in an attempt to conceal them or preclude release.

Specifically, Ms. Hurt referred by name to the attorney representing several laid-off employees (Paul Early, Anne Schneider and Albert Brady) and asked if records were being destroyed in association with pending litigation...so they would not be available. I responded clearly and directly that this had nothing to do with litigation and would not affect records associated with matters of litigation. I also stated that such an allegation is "preposterous."

Although this is the first time I've seen a newspaper reporter inquire about a routine update to an organization's Records Retention schedule, we wanted to make you aware of the pointed line of questions being directed toward this item. Ms. Hurt indicated that she will contact Jane on Monday to discuss in greater detail.

Respectfully,

Tom

Report to City Council

TO: Mayor and City Council

FROM: Joel Ontiveros, Chief of Police

AGENDA DATE: January 8, 2013

TITLE: CALIFORNIA OFFICE OF TRAFFIC SAFETY (OTS) - SOBRIETY CHECKPOINT GRANT

RECOMMENDED ACTION

Recommendations:

1. Approve the grant application and authorize acceptance (if granted) of the California Office of Traffic Safety (OTS) - Sobriety Checkpoint Grant in the amount of \$218,467 for the period beginning October 1, 2013 and ending September 30, 2014.
2. Authorize the revenue and expense budgets in the Office of Traffic Safety – Police Fund (Fund 2705) for the Sobriety Checkpoint Grant in the amounts of \$218,467, respectively, upon approval and acceptance of the grant from OTS.

ADVISORY BOARD/COMMISSION RECOMMENDATION

On December 17, 2012, the Public Safety Sub-Committee granted the Chief of Police permission to apply for this grant and recommended the acceptance of this OTS – Sobriety Checkpoint Grant opportunity.

BACKGROUND

The City of Moreno Valley is committed to providing for the public safety. The City Council has consistently made sufficient financial support of the Moreno Valley Police Department (MVPD) Traffic Division a top priority. In doing so, the City Council has ensured the MVPD Traffic Division is equipped to ensure and improve Moreno Valley roadway safety.

The OTS Sobriety Checkpoint Grant program is administered by the University of California Berkeley, Safe Transportation Research and Education Center (Safe TREC) and targets the following enforcement periods:

- December 13, 2013 through January 1, 2014
- August 15, 2014 through September 1, 2014

DISCUSSION

The California OTS recently announced they were accepting grant applications for the Federal Fiscal Year 2013-2014, Sobriety Checkpoint Grant. The MVPD currently operates Driving Under the Influence (DUI) Sobriety Checkpoints on a regular basis, and the City Council has historically permitted the acceptance of this grant to fund the operations. These operations require a great number of resources. The specific resources required vary based on the time of day, day of week and location of the sobriety checkpoint. On average however, a single operation will last 6 hours and consist of 2 sergeants, 18 officers, 4 community service officers, 1 dispatcher, 4 reserve officers, 10 volunteers and 10 explorers. A majority of these personnel are paid for with overtime funding.

Because the grant provides specific funding for overtime, the MVPD can conduct the DUI Sobriety Checkpoint Operations and still provide their normal duties at maximum efficiency. In an effort to improve roadway safety, the grant specifies that some of the deployment must take place during specific time frames throughout the year. The designated enforcement periods coincide with major holiday enforcement periods, where we could see increased instances of impaired driving. The grant also specifies personnel assigned to work these operations must be dedicated to DUI Sobriety Checkpoints.

The funding requested from the Sobriety Checkpoint Grant will cover all overtime costs associated with 18 DUI Sobriety Checkpoint Operations conducted during the year-long campaign. This includes overtime funding for sergeants, officers, community service officers, and dispatchers. Also included in the grant application is the request for funds to purchase required DUI Sobriety Checkpoint related equipment such as: reflective cones, reflective safety vests and hand tally counters. As a requirement of the grant, the MVPD will be required to conduct detailed statistical analysis regarding the enforcement campaign and claim forms will be completed and submitted to the UC Berkeley, Safe TREC.

ALTERNATIVES

The Council has the following alternatives:

- 1) Approve the application for the OTS Grant titled - Sobriety Checkpoint Grant, in the amount of \$218,467 and subsequently accept the grant award from OTS. **Staff recommends this alternative.**

- 2) Decline the application for the OTS Grant titled - Sobriety Checkpoint Grant in the amount of \$218,467. **Staff does not recommend this alternative.**

FISCAL IMPACT

There is no requirement to match funds associated with this grant. All expenses are reimbursed by the grant. Therefore, the grant is cost neutral as there is no impact to the City General Fund. Budget appropriations are as follows upon approval and acceptance of the grant:

<u>FUND</u>	<u>BUSINESS UNIT</u>	<u>TYPE</u>	<u>AMOUNT</u>
OTS - POLICE FUND (2705)	60-67-XXXXX-485000 (Fed Grant Oper. Rev.)	REV	\$218,467
OTS - POLICE FUND (2705)	60-67-XXXXX-620320 (Agency Services - County)	EXP	\$218,467

CITY COUNCIL GOALS

To provide a safe and secure environment for people and property in the community, and provide protection for citizens who live, work and visit the City of Moreno Valley.

SUMMARY

The City Council is requested to approve the grant application and authorize acceptance (if granted) of the California Office of Traffic Safety (OTS) - Sobriety Checkpoint Grant in the amount of \$218,467 for the period beginning October 1, 2013 and ending September 30, 2014 and authorize the revenue and expense budgets in the Office of Traffic Safety – Police Fund (2705) for the Sobriety Checkpoint Grant in the amounts of \$218,467, respectively, upon approval and acceptance of the grant from OTS.

Subject: Chili Cook Off and Halloween Costume Contest
Attachments: flyer.pdf

Our last event of the year, the Chili Cook off and Halloween Costume Contest will be held on Thursday, October 31, 2013, in the CRC Ballroom!

During the Cook off, we will hold a Cake Walk. It will be similar to "musical chairs." Chairs will be removed during each round. In the final rounds, there will be numbers on the chairs corresponding to the yummy donated cakes. Whoever is left "sitting" will win a cake. We will have as many winners as we have cakes. ***If you would like to donate a cake to the Cake Walk, please contact me.***

Please let me know if your department would like to participate. May the best chili win!

Thank you for supporting the 2013 Employee Giving Campaign.

Subject: Email virus warning

There is a serious virus circulating the Internet that everyone should be aware of. The CryptoLocker virus infects computers by enticing you to open attachments to phony emails that look like they are from well-respected organizations like the Better Business Bureau, FedEx, or UPS. If you click on the attachment, a message will pop up telling you that your files are being encrypted and if you don't pay \$300 within 96 hours you will not be able to unencrypt the files. The message is true. The only way to get your files back is to restore them from a previously saved copy.

Technology Services email security has been very effective in blocking these types of attachments but this virus warrants an extra warning to be vigilant about email attachments. If you receive an email with an attachment from FedEx, UPS, the Better Business Bureau or any other company that you are not expecting, be very aware of how you treat the email. Do not click on the attachment. Usually, FedEx and UPS send shipping notifications in the body of the email; they do not send attachments.

The best defense against this virus at home is to make sure you have up to date antivirus software, don't open emails or attachments from someone you don't know or aren't expecting, and regularly backup your data. Thank you for your increased vigilance with email attachments.

This e-mail was sent to all employees with the permission of the City Manager's Office.

Subject: Cassie McDuff/Press Enterprise

Mayor Owings, Mayor Pro Tem Molina & Council:

I spoke to Cassie McDuff this afternoon and covered the items below. I made it clear that Council meeting videos would not be destroyed, "videos are too valuable to our public as well as staff." I also discussed the Code Compliance Case retention, reiterating that if there is an investigation or involved in litigation it would be placed on hold. Records destruction was also discussed and I informed her how the process works. Employees do not shred documents without authorization.

Topics covered:

- Retention on: emails, code violations, videos, (videos will not be destroyed), audios (gave her an example of recordings for Closed Session before and after meeting)
- Code Compliance Case Files retention – 5 year retention, but if there is an investigation or involved in litigation it would be placed on hold
 - o Who advises? City Attorney
- Emails may be destroyed right away if they are transitory; emails with informational content are printed for future reference
- Investigations – only FBI
- Active Records Requests – City Clerk's Department estimated 11 active at this time
- Revisions of Retention Schedule
 - o She asked why now, I informed her this was in the works for over 1 year
- Process on shredding documents, process and approval from Dept. Head, CA, & Clerk
 - o Sometimes departments will shred their own documents, other times more cost effective for off-site storage to perform this function
- Will send her copy of Email policy
- Attorney General Opinion Consultant references
- Media Options Legend (these are on the retention schedule under Media Options)

Let me know if you have any questions.

Thank you.

Subject: Department Feud

What a fun time the Department Feud was AND what a great crowd! It was wonderful to have so many people there supporting our teams and the campaign.

Thank you to the teams: Finance, CEDD, Fire and Parks for your spirit and enthusiasm. Your answers were very entertaining. LOVED the Finance Department wigs! Congratulations to the Parks Department for winning the Feud.

Special thanks to:

Jose's Restaurant for providing a discounted price on the Catering (YUM-O)
Tim Carroll, Bob Lorch, Rob Roseen for being amazing and talented
Mel Alonzo for emceeing the Feud and keeping the energy level high
Employee Giving Campaign Team for making the event special

Thank you for supporting the 2013 Employee Giving Campaign.

PAUL E. ZELLERBACH
DISTRICT ATTORNEY

RIVERSIDE COUNTY
DISTRICT ATTORNEY

3960 ORANGE STREET
RIVERSIDE, CALIFORNIA 92501-3643
951-955-5520

October 22, 2013

Ms. Jane Halstead
Moreno Valley City Clerk
14177 Frederick St.
Moreno Valley, CA 92552

Subject: **Preservation of Evidence Demand**

Dear Ms. Halstead:

The Riverside County District Attorney's Office has learned that the Moreno Valley City Council will consider adopting Resolution No. 2013-82, a "Resolution Adopting Updated Records Retention Schedules and Authorizing Destruction of Certain City Records" at its regular meeting on October 22, 2013.

The District Attorney's Office has reason to believe that litigation may result from matters currently under investigation with regard to the City of Moreno Valley and that relevant evidence potentially may be destroyed if Resolution No. 2013-82 is passed and implemented. This information may be in the City of Moreno Valley's possession or control and the City has a duty to preserve that information.

Therefore, the District Attorney's Office demands that the City of Moreno Valley immediately take action to protect and preserve until further notice any of that information that is in its possession or under its control until further notice.

Specifically, the District Attorney's Office demands that the City of Moreno Valley immediately suspend deletion, overwriting and/or any other destruction of records and electronic stored information (hereinafter "ESI") connected, either directly or indirectly, to the following:

- All records and ESI associated with or concerning Highland Fairview, Iddo Benzeevi, Jerry Stephens, Tom Owings, Marcelo Co, Jesse Molina, Victoria Baca, Richard Stewart, Yxstian Gutierrez and Michael Geller.
- All records and ESI associated with or concerning all City of Moreno Valley elected and appointed public officials and Department Heads.

MV00260381

- All records and ESI associated with or concerning pending or approved development construction projects, infrastructure and/or new infrastructure projects located in the City of Moreno Valley.
- All records and ESI associated with or concerning communications to and from City of Moreno Valley employees, elected and/or appointed public officials regarding the hiring, employment and discharge of former City Manager Henry Garcia.
- All records and ESI associated with or concerning the following development projects: Skechers, World Logistic Center, Prologis, Aquabella Development, Ridge Property Development and Nason Street infrastructure improvements.

The District Attorney's Office is specifically demanding that you preserve all documents, tangible things and ESI potentially associated with or concerning the matters identified above for the time frame of January 1, 2008 to present.

ESI, as used in this demand, should be afforded the broadest possible definition and includes (by way of example and not as an exclusive list) any and all information electronically, magnetically or optically stored as:

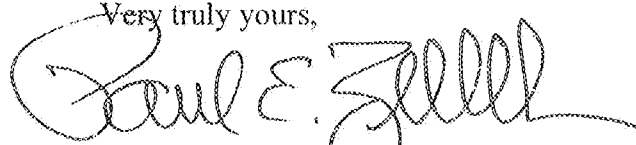

- Digital communications (e.g., e-mail, voice mail, instant messaging);
- Word processed documents (e.g., Word or WordPerfect documents and drafts);
- Spreadsheets and tables (e.g., Excel or Lotus 123 worksheets);
- Accounting Application Data (e.g., QuickBooks, Money, Peachtree data files);
- Image and Facsimile Files (e.g., .PDF, .TIFF, .JPG, .GIF images);
- Sound Recordings (e.g., .WAV and .MP3 files);
- Video and Animation (e.g., .AVI and .MOV files);
- Databases (e.g., Access, Oracle, SQL Server data, SAP);
- Contact and Relationship Management Data (e.g., Outlook, ACT!);
- Calendar and Diary Application Data (e.g., Outlook PST, Yahoo, blog tools);
- Online Access Data (e.g., Temporary Internet Files, History, Cookies);
- Presentations (e.g., PowerPoint, Corel Presentations)
- Network Access and Server Activity Logs;
- Project Management Application Data;
- Computer Aided Design/Drawing Files; and,
- Back Up and Archival Files (e.g., Zip, .GHO)

All ESI must be preserved so that it can be retrieved at a later time. The information must be preserved in its original electronic form so that all information contained within it,

whether visible or not, is also available for inspection. It is not sufficient to make a hard copy of electronic communication.

Thank you for your anticipated cooperation.

Very truly yours,

PAUL E. ZELLERBACH
Riverside County District Attorney

Filling a City Council Vacancy: Representation for Everyone Now
By Victoria Baca

The editors of the Press-Enterprise have opined that voters, and not council members, should have selected the individual to fill the vacant 4th District seat on the Moreno Valley City Council (*“Let City Voters Fill Vacant Council Seat”*, Aug. 26). But that course of action would have required far too much sacrifice by residents, and would have hindered the City’s ability to tackle pressing issues facing the 4th District.

To fill this Council vacancy, the City had the following 4 options:

- 1) Appoint someone to serve out the remainder of the unexpired term, until December 9, 2014. The Council’s decision to do so provided immediate and consistent representation for the residents of District 4 for the next 15 months.
- 2) Call a special election to fill the vacancy, leaving the seat open for 8 months. The earliest date to hold a special election would have been April 8, 2014. The individual elected would serve only the remaining 7 months of the unexpired term, while subjecting voters to two Council elections within a period of just 6 months and an additional cost of \$50,000.
- 3) A hybrid of the above options: appoint someone to fill the vacancy for the 7 months until a special election next April, with the individual elected serving only 7 months of the unexpired term. This could result in District 4 being represented by as many as 4 different Council Members in less than a year and a half, with added election costs.
- 4) Take no action. In this case, the vacancy would be filled by election on April 8, 2014 and the individual elected to office would serve the remaining 7 months of the term. Like option 2, this would have cost taxpayers \$50,000 while leaving District 4 residents without representation for a total of 8 months.

I am a fierce advocate for voters’ rights. As noted by the P-E, I supported the recent successful campaign to have the school district board vacancy filled by election and not appointment.

So why would I vote to fill a Council vacancy by appointment in lieu of an election?

The answer is representation. The residents of City Council District 4 deserve consistent representation now and should not have to wait until April of 2014.

How is a decision to appoint to fill a City Council vacancy different than doing so for a school board seat?

Council Members represent Districts; more than 39,000 of our residents had no Council representative during the vacancy. School board members are elected at-large, serving all residents. A vacancy on the school board does not leave anyone unrepresented.

District 4 has interests and issues that are different than other areas, including the recent siting of large, job-producing businesses within the area. These residents deserve to have a Council representative now...someone who lives in their neighborhood and is familiar with the qualities that make the southern part of our City unique.

Lastly, while I applaud the P-E advocating for “a credible unbiased selection process,” the paper doesn’t have a strong track record for understanding our voters. The paper consistently endorses candidates who are subsequently rejected by Moreno Valley residents....in the last two elections alone the P-E’s endorsed candidates were 0 for 5. They couldn’t be more out of touch with our community.

It’s time to get on with business in MoVal, and I stand by my vote to fill the vacant 4th District seat.

Baca is the Moreno Valley City Councilwoman Representing District 5

Subject: Update on investigation, subpoenas, etc.

City staff: I want to continue updating you on what little I do know about the investigation that began last May with the search warrants served at the residences of our Council Members (the ones in office at that time) and others. Subpoenas were delivered to the Clerk's Office today for documents related to the items listed below (most of which, the Clerk indicates, have already been provided to them). In addition, I was served with a subpoena to appear before a grand jury next Wednesday, as was Tom DeSantis. Our testimony is being requested just as witnesses.

Also, some in the media have tried to make an issue of an item on tonight's Council agenda; it is a routine update by the City Clerk of the City's record retention policy. This is done every few years to keep current with technological advancements and to comply with State law. Other cities do this as a routine update as well. Prior year updates were approved by the Council in 2003 and again in 2007. An outside consultant has been working on this update for over one year, obviously well before any investigation began. Tonight's item is on the consent calendar, as was the previous update. The City Clerk will be pulling this item from the agenda and preparing a comprehensive report to present to the City Council at a later date when the consultant can attend and provide information regarding this routine update. I don't know if the record retention update prompted today's influx of subpoenas, but as always the Clerk's Office and City staff will comply fully in providing copies of these items.

I apologize for any distraction and thank you for your continued hard work serving the City of Moreno Valley.
--Michelle

Items subpoenaed today included the following:

1. All documents relating to the following development projects in Moreno Valley: Any development by Ridge Property; Project Numbers P08-133; PA08-0098; PA10-0017, PA08-0097; and PA09-0022.

Incident Description

Moreno Valley firefighters were called to the scene of a reported residential structure fire at 25201 Sugar Hill Road. Upon arrival firefighters found a single story, single family dwelling with light smoke showing from the attic area. Firefighters quickly initiated an interior fire attack. Firefighters quickly contained the fire to the attic area above the kitchen with no extension to the living space of the dwelling.

Subject: Planning Commission - 10/24/13

Dear City Council:

Tomorrow night's Planning Commission meeting includes two items related a master plan for Saint Christopher's Catholic Church, located at the southeast corner of Perris Boulevard and Cottonwood Avenue. The master plan includes several phases, including new and expanded buildings.

The project is potentially controversial due to neighbor concerns related to parking, traffic, drainage and past activities on portions of the site. Neighbors to the south on Saint Christopher's Lane have concerns regarding existing traffic and parking issues on Sundays and holidays. They are also concerned about past grading that may have blocked drainage and resulted in flooding in and adjacent to the street. The proposed project would include a drainage basin at the end of Saint Christopher's Lane in its first phase, which should address the drainage issue. Additional parking and access to Cottonwood Avenue, also in the first phase, will address, but not eliminate parking and traffic issues. Parking and traffic issues on the street are also being addressed by the Police Department and Public Works Department, as follow up to a previous neighborhood meeting.

The neighbor to the east (Pete Bleckert) has concerns related to drainage issues that may have been caused by prior grading activities. The drainage basin should address this issue. He has also expressed concerns with parking near his property and light trespass from vehicles. The additional parking areas to the east will be required to provide a shrub row to screen vehicle lights from the adjacent property.

Staff anticipates that several neighbors will attend the meeting to express their concerns to the Planning Commission.

This e-mail is provided as a notification should you receive any contacts in advance of the meeting. Please let me know if you have any questions.

Sincerely,

John

Johnson was murdered at the Burger King on Hemlock east of Pigeon Pass Rd. in my opinion, having a candle light vigil from the murder site to the police department and having a rally at the police department would be more effective. reconsider the date as well: the city council meets on tuesdays 6pm. make sure you notify the press.

Attachments: Dixon- TIP Heroes with Heart Nomination Form 2013.doc

Good afternoon,

Attached you will find the award nomination for MVPD Deputy Richard Dixon. The annual Trauma Intervention Program "Heroes with Heart, Top Cop" award was created in memory of fallen Riverside County Deputy Sheriff Kent Hintergardt. Deputy Hintergardt was murdered in the line of duty while handling a domestic dispute in May 1993. The award is given to a law enforcement officer who has gone beyond the call of duty and shown extraordinary care and compassion for citizens in crisis. I am extremely proud to inform you that Moreno Valley SET Gang Deputy Richard Dixon has been selected as the 11th annual recipient of this prestigious award. I will work with Kandace to get this on the special presentation calendar for an upcoming council meeting.

MVPD has the honor of displaying the perpetual trophy for the next year. Please take a moment to read the compelling award nomination attached.

Thanks,

Joel

"Heroes With Heart"

NOMINATION FORM

Your Nominee should have shown extraordinary caring & compassion for citizen(s) in crisis.

Your Nominee's Name: Richard Dixon

Nominee's Title & Agency: Deputy / Moreno Valley Police (Riverside Sheriff)

(Example: Firefighter, Nurse, Deputy, Officer)

Date of Event: Various times throughout 2013

Your Name & Title: Aaron Kent / Sergeant

Your Phone Number: [REDACTED]

Please describe in detail the event for which your Nominee is being nominated:

Deputy Dixon is currently assigned to the gang unit after being a school resource officer in the city of Moreno Valley. As a school resource officer Deputy Dixon observed children come to school with tattered clothes. Deputy Dixon knew this affected the child's self-esteem and increased their susceptibility for recruitment by local gangs for money and support. In an effort to keep children from seeking financial assistance and emotional support through gang membership, Deputy Dixon would help the child get clothes from lost and found or buy the child clothes with his own money.

When Deputy Dixon was assigned to the gang unit he saw children of gang members growing up in poverty and not having food or clothes. The parents or older siblings would tell the child the police were at the residence to arrest the family and not to help them. Deputy Dixon would arrest a member of the family a majority of the times as they were gang households. However, prior to leaving the residence Dixon would show the children that he was there to help them as well as arrest a family member who violated the law.

Over the last eighteen months, Deputy Dixon located a Catholic church that was willing to provide food donations and local stores (Stater Brothers and Food for Less) who would donate gift cards. Deputy Dixon would go to a home to investigate a crime and notice there was no food at the home containing small children. He would retrieve some food and a gift card then provide it to the family without being directed or asked. Some families were too proud to take the food or distrusted the police, so they did not want to accept the donations. Deputy Dixon explained it was not for the adults but for the children and would leave the food on the porch. Deputy Dixon uses the gift card in addition to the food because it helps save some of the adult's pride. The adults can go purchase the food instead of just taking the free food.

Deputy Dixon's sole purpose in providing the food and clothes is to help members of the community. His unselfishness helps build trust between law enforcement and the community. He has assisted over twelve families in the last nine months. He could not remember any others because he does not keep records of those he assisted. Deputy Dixon goes above and beyond his duties by providing not only safety for the community but by raising the quality of life and self-esteem of children in the area.

Deadline for Nominations to be considered is October 5, 2013

Use the enclosed envelope to submit your nomination.

Subject: Major seizure of US Currency

Good afternoon,

On 10-17-13, about 6:30 PM, the MVPD SET K-9 officer and his new Police Service K-9 partner conducted a vehicle stop on a big rig truck for a traffic violation in the area of Cactus and I215. The driver consented to an exterior sniff search of the truck by the K-9. The K-9 alerted to several areas on the exterior of the truck, indicating the presence of controlled substances. The driver and passenger were detained and a search of the vehicle was conducted. The officer located more than two ounces of methamphetamine inside the truck.

The suspects were arrested for possession and transportation of methamphetamine and their truck was towed to a local tow yard for further inspection. Closer inspection of the vehicle revealed a large amount of US currency strapped to the underside of the flatbed trailer. Further investigation revealed hidden compartments in the vehicle containing a much larger cache of US currency. Based on the amount of currency found, the Sheriff's Special Investigation Bureau was called to the scene to assist. The suspects denied any knowledge of the currency. They were booked into RPDC on multiple felony counts.

SIB Asset Forfeiture Investigators took possession of the currency and transported it to a banking facility to be counted. At this time, I can report the total amount of US currency seized is approximately \$2,930,000. Asset forfeiture proceedings will be pursued by the Special Investigation Bureau. MVPD will be entitled to a significant portion of this forfeiture once all legal processes are completed. It could be several months before we receive the final amount we can expect to receive.

Subject: Robbery update - Arrest

Good afternoon,

On 10-13-13, the Pizza Hut restaurant located at 11875 Pigeon Pass was robbed by two unknown suspects using a handgun. The suspects entered the business, brandished a firearm, and ordered everyone to the ground. One suspect emptied the cash registers, then took cell phones and wallets from the employees. The suspects fled the area on foot. Nobody was injured during the robbery and the case was referred to the Robbery Suppression Team for investigation.

Follow-up investigation by RST, coupled with additional information obtained by Patrol, resulted in the identification of one of the suspects. On 10-19-13, surveillance was established by SET-Gang officers on a residence in the 28000 block of Campbell Street in Moreno Valley. The suspect left the residence and was detained during a traffic stop. A search warrant was served on the residence and stolen property belonging to MVUSD (I-pad) was recovered. The I-Pad was reported stolen on September 22, 2013. The suspect, Ronald Lane (34) of Moreno Valley, was interviewed and confessed to committing the Pizza Hut robbery on 10-13-13. He also confessed to committing a robbery on September 22, 2013 at the Mobil gas station at Alessandro x Heacock and a third robbery on September 30, 2013 at the Pizza Hut on Alessandro x Heacock. Lane, who is on parole, was booked into RPDC on three counts of robbery and a parole violation. This will be a third violent strike for this criminal.

This was outstanding work by Patrol, RST, and the Gang Team.

Subject: Residential marijuana cultivation

Good evening,

Today about 12:30 PM, officers responded to a residence in the 28000 block of Alessandro Blvd reference a strong odor of marijuana. Officers found three subjects who claimed to be growing marijuana for personal medicinal use. Officers obtained consent to search and found a significant marijuana cultivation, packaging, and sales operation in the residence and back yard.

Patrol officers called in SET officers to assist. Ultimately, officers seized 56 large live marijuana plants and an estimated 2,000 pounds of marijuana processed and ready for sale.

2,000 pounds of marijuana equates to more than 1.8 million individual dosage units capable of producing more than 3.6 million hours of intoxication. If you are doing the math, that equates to more than 414 continuous years of intoxication.

Put simply, if each of the 3 suspects smoked a joint every two hours of every day, they would have enough marijuana for 138 years of continuous intoxication. Of course, marijuana loses all of its intoxicating chemical within 2 years, no matter how you store it. Clearly, the marijuana was possessed for the purpose of illicit sales in and/or outside our community.

The suspects, Kevin Syhavong (24), Bobby Bouriboun (29), and Somsamai Kanyavmohn (26) were all booked into RPDC for cultivation and sales of marijuana.

City of Moreno Valley

Council Summary

Michele Patterson, ATCM, 10/23/13 - from email by Chief Ontiveros:

Deputy Chico is handling this case and is working with the detective bureau in trying to track down the ex-tenants, who are the alleged suspects. Mr. Wang does not have a forwarding address for the ex-tenants, so it is going to take a little work. On another note, the Burglary Suppression Team is currently investigating a previous burglary that Mr. Wang reported, so he should be reassured that we are fully investigating all of his calls for service. I would encourage Mr. Wang to contact the police department directly in the future if he has concerns about the progress of any investigations he is involved in. If he does not feel he is getting satisfaction from the deputy, he should ask to speak to a sergeant. We are very accommodating and have no problem answering questions about anything we can legally discuss. In any event, contacting us directly is the most expedient way for him to get answers to his questions.

Sgt. Bright spoke with Mr. Wang and advised him we are still conducting follow-up on the MV132810119 case. He also explained that we referred MV121420129 to BST and are taking another look at the case. Sgt. Bright told him he would contact him on Monday when he returned to work to provide an update to the investigations. Mr. Wang was very appreciative and said he looked forward to speaking to Sgt. Bright in the future.

We will continue to work with Mr. Wang to resolve his cases.

Case Information

Issue Category: Police Administration

Issue: Other

Council District: 4

Issue Description: Please investigate Mr. Wang's complaint on behalf of Mayor Owings and Council Member Guterrez, contact Mr. Wang, and advise the outcome.

Mr. Wang stated he owns several rental properties in Moreno Valley. He requested to meet with the Mayor to discuss his concerns regarding the Police Department's responses to past and recent complaints.

Mr. Wang recently evicted a tenant from one of his properties located at 24512 Beal Ave. (District 4). He stated the tenant stole \$3,000 of fencing material and a stove. He stated a neighbor witnessed the former tenant breaking into the property. He stated the former tenant resides with two blocks of the Beal property. He stated he has filed a police report – MV132810119. He stated in the past he felt that PD did not pursue his complaints, and he is concerned they are not addressing his most recent complaint.

Subject: MVPD - Operation SafeHouse "Stuff the Bus"
Attachments: Stuff The Bus.pdf

The Moreno Valley Police Department supports the annual fundraiser Operation SafeHouse "Stuff the Bus." SafeHouse is a private, non-profit organization that operates emergency shelters in Riverside and Thousand Palms, and provides intervention and outreach services to runaway, homeless and other troubled youth between the ages 12 to 18. Thanks to the generous support from our community, Operation SafeHouse has made a positive difference in the lives of many of our children.

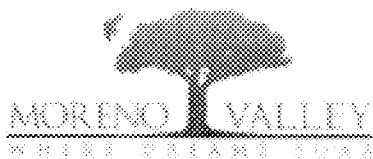

If you would like to share in this rewarding opportunity, the Moreno Valley Police Department - Community Services Unit is accepting and coordinating the delivery of SafeHouse donations. SafeHouse is seeking monetary support, and/or new and unopened household cleaners, personal hygiene articles, school supplies, non-perishable foods, bedding. Please see the attached flyer for further information on the needed items.

If you wish to support this worthy cause, collection boxes have placed in the break room of City Hall, Conference and Recreation Center, Senior Center, and City Yard.

Thank you in advance for your support of the 2013 Operation SafeHouse "Stuff the Bus" campaign.

Dear Community Partner,

The Moreno Valley Police Department supports an annual fundraiser known as Operation SafeHouse "Stuff the Bus." SafeHouse is a private, non-profit organization that operates emergency shelters in Riverside and Thousand Palms, and provides intervention and outreach services to runaway, homeless and other troubled youth between the ages 12 to 18. Thanks to the generous support from our community, Operation SafeHouse has made a positive difference in the lives of many of our children.

At the Moreno Valley Police Department we believe public safety is directly related to the health and welfare of our youth. We also believe partnerships with organizations like SafeHouse offer us all the rewarding opportunity to make a positive difference in the life of a child. As a community, we can take great pride in the fact that Moreno Valley Police Department and its community partners have been the biggest contributors to the SafeHouse campaign for the last three years running.

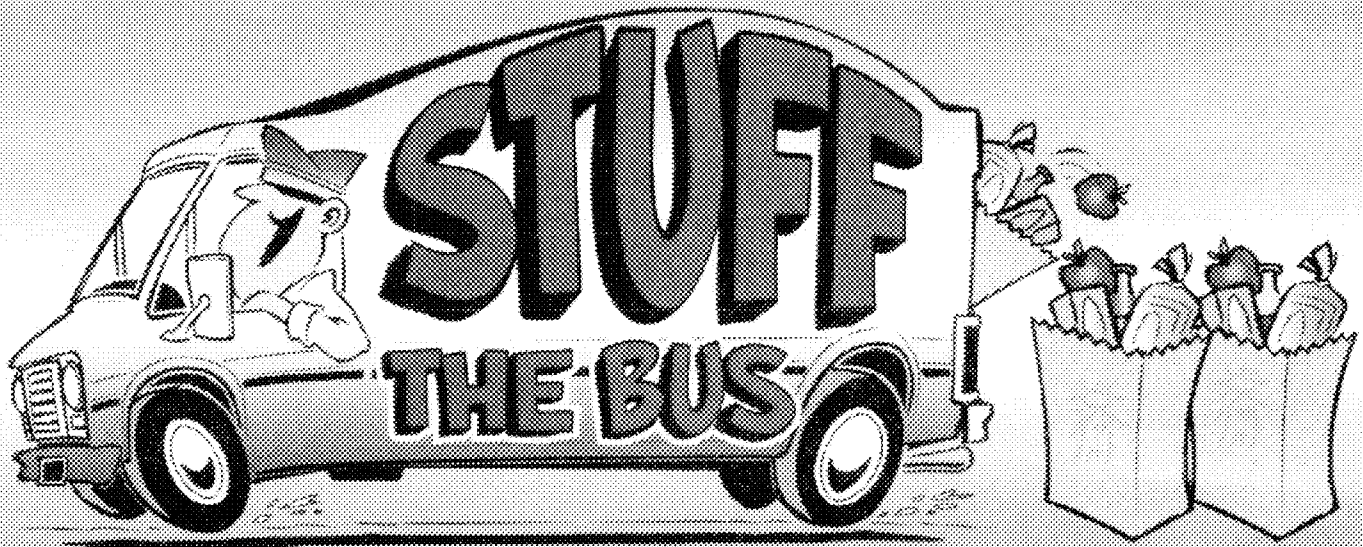

If you or your organization would like to share in this rewarding opportunity, the Moreno Valley Police Department – Community Services Unit is accepting and coordinating the delivery of SafeHouse donations. SafeHouse is seeking monetary support, and/or new and unopened household cleaners, personal hygiene articles, school supplies, non-perishable foods, bedding. Please see the attached flyer for further information on the needed items.

If you can support this worthy cause, please drop-off your donation at the Moreno Valley Police Department Monday – Friday from 7:30 a.m. to 5:30 p.m. We will be accepting donations through November 7, 2013. If you would like to offer this opportunity to others, we can provide you with "Stuff the Bus" collection boxes that you can display and use to support the giving effort. On November 7, 2013, the Community Services Unit will deliver all the donations to the "Stuff the Bus" event at the Riverside County Administrative Center in Riverside.

Without the support of our community partners this program could not be a success. **Please contact the Moreno Valley Police Department – Community Services Unit at [REDACTED] to coordinate your donation.** Thank you in advance for your generous donation in support of the 2013 Operation SafeHouse "Stuff the Bus" campaign.

Sincerely,

Chief Joel Ontiveros
Moreno Valley Police Department

Subject: 2013 Traffic Commissioners Workshop Registration

Hi CTE Members,

I am excited to announce CTE's upcoming **Traffic Commissioners Workshop**. The purpose of the Workshop is to provide participants with information relevant to traffic issues in their communities. One or two professionals with traffic engineering, public service, or enforcement experience will present each session. It will be interactive, fast-paced, and loaded with practical knowledge.

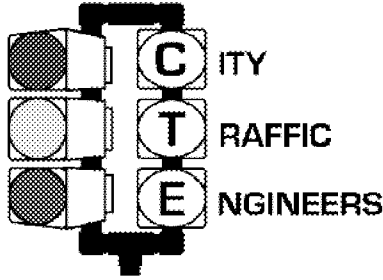

The workshop is scheduled for **Saturday, October 26th** from **8:00 am to 3:30 pm**. The City of Buena Park has graciously offered to host the workshop in Heritage Hall at the Ehlers Community Recreation Center (8150 Knott Avenue, Buena Park, CA 90620).

The registration fee for the workshop is \$80 which includes a continental breakfast, lunch, refreshments, and a reference binder (\$40 for students). The deadline to register is October 17th.

A registration form and instructions for payment are attached to this e-mail. Should you have any questions about the workshop, you can reply to Scott (sma@hartzog-crabill.com) or me (edunlap@dpw.lacounty.gov).

Please pass on my e-mail including attachments to anyone you feel might be interested in the workshop.

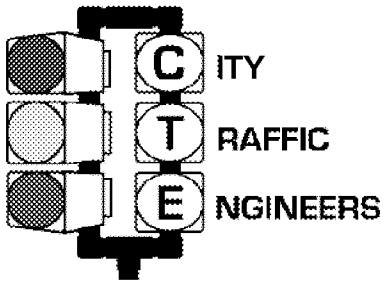

Eric Dunlap
2013 CTE Secretary/Treasurer

Agenda

- 8:00 – 8:30** **Registration and Continental Breakfast**
- 8:30 – 8:40** **Welcome and Opening Remarks**
Scott Ma – City of South Gate, Hartzog & Crabill, Inc.
- 8:40 – 9:20** **Session 1: Fundamentals of Traffic Engineering, Part 1**
CA MUTCD – Signs, Markings, Signals, California Vehicle Code (CVC), Speed Limits
Mark Miller – City of Fullerton, Albert Grover & Associates
Monica Suter – City of Santa Ana
- 8:20 – 10:00** **Session 2: Fundamentals of Traffic Engineering, Part 2**
Warrants for Signals, Stop Signs, Crosswalks, Crossing Guards
Chad Veinot – City of La Habra, Albert Grover & Associates
- 10:00 – 10:15** **Break**
- 10:15 – 11:00** **Session 3: Neighborhood Traffic Calming**
Ed Norris – City of Downey
- 11:00 – 11:40** **Session 4: Complete Streets – Pedestrian Facilities, Bicycle Facilities and Legislation**
Rock Miller – Stantec
- 11:40 – 12:40** **Lunch**
- 12:40 – 1:20** **Session 5: School Area Traffic Safety**
Monica Suter – City of Santa Ana
- 1:20 – 1:50** **Session 6: Transportation Planning**
Walter Okitsu – KOA Corporation
- 1:50 – 2:05** **Break**
- 2:05 – 2:45** **Session 7: Brown Act, Robert’s Rules and Legal Issues**
TBD
- 2:45 – 3:15** **Session 8: Final Question and Answer**
Presenter Panel
- 3:15 – 3:30** **Acknowledgements and Closing Remarks**
Scott Ma – City of South Gate, Hartzog & Crabill, Inc.

CITY TRAFFIC ENGINEERS (CTE) ASSOCIATION

CHAIRMAN: Scott Ma

SECRETARY/TREASURER: Eric Dunlap

October 1, 2013

Subject: **2013 Traffic Commissioners Workshop**

Dear Sir or Madam:

The City Traffic Engineers Association invites you to attend its 2013 Traffic Commissioners Workshop for elected and appointed officials. The Workshop is intended for commissioners and committee members, as well as other city officials, traffic engineering technicians and planners.

The purpose of the Workshop is to provide participants with information relevant to traffic issues in their communities. One or two professionals with traffic engineering, public service or enforcement experience will present each session. It will be interactive, fast-paced, and loaded with practical knowledge.

The Workshop will be held on **SATURDAY, OCTOBER 26, 2013**, at the City of Buena Park, at the Heritage Hall Facility. We have included a map indicating directions to the Heritage Hall facility for your use. The registration fee is **\$80.00**, which includes continental breakfast, lunch, refreshments, and a reference binder packed with useful materials. We would like to receive the registration form and check by **Thursday, October 17, 2013** because space is limited. However, we understand that processing checks can take some time. Therefore, if you cannot process the check to meet the deadline, please send in the registration form with a date as to when the check will follow. We will accept checks at the door if the applicant is pre-registered.

The reference binder can also be purchased separately for \$45.00. If purchased separately, they will not be sent until after the date of the Workshop. Also, students who wish to attend the conference will be charged a discounted rate of \$40.00.

We hope you will take advantage of this Workshop. We believe this is one of the best opportunities for those in public service to learn about traffic related issues. If you have any questions regarding the Workshop, please contact Mr. Scott Ma at (714) 731-9455 or Mr. Eric Dunlap at [REDACTED]

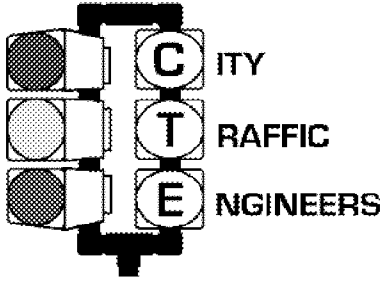

Sincerely,

Eric Dunlap
CTE Secretary/Treasurer

Hi Cindy,

I contacted Verizon to find out if this type of problem has been reported on the iPhones. Per Verizon Support, that problem is not common and sounds like a mechanical problem with the device. One option is to order a new phone and Council member Baca's line is eligible for an upgrade; let me know? Thank you.

Planning Division

To : City of Moreno Valley , Planning Commission

Date 10-23-2013

From: Roy Bleckert

Subject: PA 13-0002 PM 36522

P12-051 Master Plan

Dear Planning Commissioners

I would appreciate your consideration of my concerns of the above titled project

Background

I own the property directly east of the Church @ 25183 Cottonwood Ave Moreno Valley Ca. & have been on the property since 1979 & this Property has been used since the 40's to present as a Material, Construction , Research & Development & other Commercial /Industrial uses

Concerns

I have many concerns with the above project including but not limited to Parking issues , Flooding Problems , Environmental Impact , Land Merger , Easterly Block Wall ,Stock piling of dirt, Community Safety, Good & Sensible Planning

Parking

For the past 20 years as The Church Parish has grown the parking issue on Sundays has been increasing at a great amount every year, to the point of almost doubling the parking that was required when the latest sanctuary building was built 30 years ago

321 parking spaces were adequate when the sanctuary was built with a capacity of 964 assembly as was used for the specs for determining parking spaces using the old standard as submitted in the plans

This is very inadequate for what is being used today (pics A-F)

It would appear the sanctuary has been modified from when it was built because my observation on site @ 10-20-13 (att AA) that there were approx. 2,045 parishioners @ the 12 p.m. service 1845 in sanctuary with all the pews filled salon 13 & 15 plus people standing in the halls & doorways (pics G) 150 parishioners in the parish hall pics G, H (which is not to be in use when the sanctuary is in use per City Planner Julia)

Using good planning per www.frugalmom.com you should average 3 weeks' worth of cars to determine parking spaces required , doing this the last 3 weeks I came up with 679 cars average & this squares

MV00260449

with the 2,045 people in attendance if you use the city standard of 1 parking spot for every 3 in attendance per current City Standard .

It is my understanding that if you modify, expand, alter the Sanctuary Building it will be required to the new code, it would appear that the Sanctuary building was modified as the old specs were 964 capacity to holding 1,845 parishioners now , also the existing Sanctuary is 18,577 s.f (att CC) In Phase 1 the Sanctuary is expanding to 18,920 s.f , these are two potential actions that would cause the Sanctuary building to be required to meet the new code

If you use Moreno Valley Municipal Code based just off of current usage of the Sanctuary @ 1,845 parishioners (att AA) 614 Parking spaces would be required just for the Sanctuary building which would still be short of the average Sunday usage & considering they are using the parking from 6 a.m to 7p.m. with 6 services a day there is a high demand for parking

This does not factor in the parish building which is being used currently by closed circuit T.V. broadcasting the Sanctuary Building services to handle the over flow crowd.

Per current usage the Parish building is not to be used currently but is and they are going to build a new parish building twice as big and not use it per special condition p.10 ? (att EE)

In my view this does not pass the logic or common sense test

Parking Impact

Per this plan there is a Big potential adverse impact per development plans submitted, as soon as phase 1 is started to completion of the project, it throws approx. 200 cars to offsite parking as shown in (attFF)

Per Resolution 2012-95 St Christopher parking permit vandalism, trash among other things were caused by offsite parking of approx 40 cars , this plan would put approx. 200 cars to offsite parking would this not cause a 5 times greater problem?

Also not withstanding the legality of parking (to my understanding is illegal) in the dirt lot across the street it raises safety concerns people crossing in the middle of Cottonwood Ave all day (pic I)

Environmental Impact

How the removal of the tanks is at issue especially since this is a proposed school site & schools nearby (pic J,K,L)

Holes shown in the grading plan and what might have been dumped in them could pose a hazard

Easterly Block Wall

The 400 feet of Required Block wall to be built in phase 4 . should be moved to phase 1

The Church from about the time they bought the most easterly property in 2008 until about 4 months ago used that property as a Construction/Contractor yard (pics M,N) that provided a screening off church usage which is not compatible with Current usage of my property , plus it will shift cars further eastward more likely to cause conflict's

My reading of the plans the retention basin design with the way it is @ free board line water could flow into my property which per JMS existing drainage pattern it does not do presently (att HH)

To minimize conflicts and keep established drainage it would be in the best interest to put all of the required block wall in phase 1

Lot Merger

Since the easterly church parcel was used up until approx 4 months ago as a construction/contractor yard merging the parcels as a church use does not make sense as being a church usage

My reading of MV , Municipal code 9.14.080 b talks about divisions & phasing & how this qualifies for phasing as this is a merger per M.C. 9.14.170 & Ca subdivision act 66423, 66424 defines subdivision & subdivider as division of lots not merger as I read it

Stock Piling of Dirt

If the project is done in phases a substantial portion of the approximately 7,000 c,y of dirt in the retention will have to be stock piled or hauled offsite , a special condition needs to be put in that only allows stock piling of dirt for 30 days

Conclusion

This project fails on all the above accounts in my view to the Letter or Intent of the Law, Good planning practices, being good neighbors & having a cohesive community & if we do not correct things such as parking issues etc, at this time & allow expansion on top that , are we not compounding the adverse impact on the community ?

Respectfully submitted
Roy Bleckert

Report to City Council

TO: Mayor and City Council

FROM: Ahmad R. Ansari, Public Works Director/City Engineer

AGENDA DATE: November 27, 2012

TITLE: ADOPT RESOLUTION NO. 2012-95 IMPLEMENTING PERMIT PARKING FOR THE RESIDENTS OF ST. CHRISTOPHER LANE ON SATURDAYS AND SUNDAYS.

RECOMMENDED ACTION

Approve and adopt Resolution No. 2012-95 direct staff to implement permit parking on St. Christopher Lane.

ADVISORY BOARD/COMMISSION RECOMMENDATION

A public hearing was conducted at the Traffic Safety Commission (TSC) meeting on November 7, 2012. The Commissioners unanimously approved staff's recommendation to implement permit parking on St. Christopher Lane (6-0-0 approval).

BACKGROUND

The City's permit parking program was established by ordinance in 2007. Typically, permit parking requests come from residents that are impacted by high schools, colleges, parks, and other uses that generate a large amount of off-site parking. The residents along St. Christopher Lane are being impacted by St. Christopher Church parishioners.

Residents have complained about their driveways being blocked, mailboxes being damaged, and trash being left behind. In response to this, the residents submitted a petition to the Public Works Department requesting implementation of permit parking in front of their residences. Implementing permit parking will allow residents to maintain parking for guests, have uninterrupted access to their homes, and have parking space available for contractors/maintenance vehicles when service is needed.

**PUBLIC WORKS DEPARTMENT

Moreno Valley Municipal Code

[Up](#) [Previous](#) [Next](#) [Main](#) [Search](#) [Print](#) [No Frames](#)

[Title 9 PLANNING AND ZONING](#)
[Chapter 9.14 LAND DIVISIONS](#)

9.14.080 General regulations.**A. Revised Tentative Maps.**

1. Any revised tentative map shall comply with all of the provisions of the Subdivision Map Act and this chapter in effect at the time the revised map is approved.

2. Proceedings on a revised tentative map shall be conducted in the same manner as for the original approval of a tentative map, except those procedures that are not applicable. The approval or conditional approval of a revised tentative map shall annul approval of the previous tentative map, but the approval thereof shall not extend the time within which the final map may be filed.

B. Division into Phases.

1. Multiple final maps relating to an approved or conditionally approved tentative map may be filed prior to the expiration of the tentative map provided:

a. The subdivider, at the time the tentative map is filed, informs the city of his intent to file multiple final maps on such tentative map; or

b. After filing of the tentative map, the city and subdivider concur in the filing of multiple final maps.

2. No phased map shall be approved unless it is complete and in compliance with all of the provisions of this title, including fire protection, flood control, traffic circulation, access and environmental considerations, and with all conditions of approval of the tentative tract, and specifically approved by the planning commission.

3. The phase will be identified by the approved tentative map number with a dash number designating such unit. The unit number shall be obtained from the city engineer upon payment of the fee specified by the city council. Units shall be recorded in the order as indicated by the unit number. The last unit within a tentative map to be recorded will not bear a unit number.

4. No more than three unrecorded phase numbers may be issued or be effective on a tentative map at any time, unless otherwise approved by the planning commission during a public hearing.

5. The right of the subdivider to file multiple final maps shall not limit the authority of the city to impose reasonable conditions relating to the filing of multiple final maps.

C. Expiration of Approved Tentative Maps and Vesting Tentative Maps: Extension of Time.

1. **Tentative Subdivision Maps.** An approved or conditionally approved tentative subdivision map shall expire thirty-six (36) months after such approval unless within that period of time a completed final map meeting all applicable conditions of approval shall have been filed with the city engineer for completion of processing, approving and recording. Prior to the expiration date, the land divider may apply in writing for an extension of time. Each application shall be made to the community development director no more than sixty (60) days prior to the expiration date of the tentative map and shall be accompanied by the fee set by the city council.

2. **Tentative Parcel Maps.** Expiration of approved or conditionally approved tentative parcel maps shall be subject to the same provisions specified for tentative subdivision maps under subsection (C)(1) of this section.

3. An extension of time shall not be granted unless: all incurred city fees have been paid; the land division conforms to the general plan; the land division is consistent with existing zoning and with applicable improvement standards; and the land division will not be detrimental to the public health, safety and welfare.

This provision shall not necessarily be construed to prohibit approval of an extension of time for a land division that is nonconforming with respect to the design of lots or cul-de-sac streets.

4. Vesting Tentative Maps. A vesting tentative map shall be subject to the same expiration and extension of time provisions as a tentative map; provided, however, that on recordation of a final map, the rights conferred on a vesting tentative map shall be as specified under Section 9.14.060(B)(6)(a) of this chapter.

5. If the subdivider is required to construct, improve or finance the construction or improvement of public improvements outside the boundaries of the tentative map, and the cost of improvements is equal to or exceeds the dollar amount, as specified in the current edition of the state Subdivision Map Act, each filing of a final map, as specified in Section 9.14.090 of this chapter, shall extend the expiration of the approved or conditionally approved tentative map by thirty-six (36) months from the date of its expiration or the date of the previously filed final map, whichever is later. The extension shall not extend the tentative map more than ten (10) years from its approval or conditional approval. For the purposes of this section, the number of phased final maps which may be filed shall be determined by the advisory agency at the time of the approval or conditional approval of the tentative map.

6. Extensions of Time for Maps Affected by Moratoriums and Lawsuits. The period of time specified in subsections (C)(4) and (C)(5) of this section shall not include any period of time during which a development moratorium, imposed after approval of the tentative map, is in existence; provided, however, that the length of the moratorium does not exceed five years. Once a moratorium is terminated, the map shall be valid for the same period of time as was left to run on the map at the time that the moratorium was imposed. However, if the remaining time is less than one hundred twenty (120) days, the map shall be valid for one hundred twenty (120) days following the termination of such moratorium. A development moratorium shall include a water and/or sewer moratorium as well as other actions of public agencies which regulate land use, development, or the provisions of services to the land, other than the city which thereafter prevents, prohibits or delays the approval of a final or a parcel map. A development moratorium shall also be deemed to exist for those reasons set forth in the Subdivision Map Act.

7. a. The period of time specified in subsections (C)(1) and (C)(2) of this section shall not include the period of time during which a lawsuit involving the approval or conditional approval of the tentative map is or was pending in a court of competent jurisdiction if the stay of the time period is approved by the planning commission pursuant to this subsection. After service of the initial petition or complaint in the lawsuit upon the city, the subdivider may apply to the community development department for a stay pursuant to this section.

b. Applications for a stay shall be made to the community development director on the forms provided by the community development department and shall be accompanied by the filing fee set by the city council and shall include such information and documents as may be required by the community development director.

c. The community development director shall forward to the planning commission a recommendation for approval or denial of the request for a stay. The planning commission shall act on the requested stay within forty (40) days after the application is received by the community development director. The decision of the planning commission shall be forwarded to the city clerk. The decision of the planning commission shall be final unless the decision is appealed to the city council or the city council or any councilmember elects to hear the matter after the notice of decision appears on the agenda. Any appeal must be filed with the city clerk accompanied by the fee set by the city council within ten (10) days of the date the notice of decision appears on the city council agenda. (Ord. 694 § 1.1 (part), 2005; Ord. 488 § 1.3, 1996; Ord. 475 § 1.4 (part), 1995; Ord. 402 § 1.7, 1993; Ord. 386 § 1.30, 1993; Ord. 359, 1992)

66419.

- (a) "Improvement" refers to any street work and utilities to be installed, or agreed to be installed, by the subdivider on the land to be used for public or private streets, highways, ways, and easements, as are necessary for the general use of the lot owners in the subdivision and local neighborhood traffic and drainage needs as a condition precedent to the approval and acceptance of the final map thereof.
- (b) "Improvement" also refers to any other specific improvements or types of improvements, the installation of which, either by the subdivider, by public agencies, by private utilities, by any other entity approved by the local agency, or by a combination thereof, is necessary to ensure consistency with, or implementation of, the general plan or any applicable specific plan.

66420. "Local agency" means a city, county or city and county.

66421. "Local ordinance" refers to a local ordinance regulating the design and improvement of subdivisions, enacted by the legislative body of any local agency under the provisions of this division or any prior statute, regulating the design and improvements of subdivisions, insofar as the provisions of the ordinance are consistent with and not in conflict with the provisions of this division.

66422. "Certificate of exception" means a valid authorization to subdivide land, issued by the County of Los Angeles pursuant to an ordinance thereof, adopted between September 22, 1967, and March 4, 1972, and which at the time of issuance did not conflict with this division or any statutory predecessor thereof.

66423. "Subdivider" means a person, firm, corporation, partnership or association who proposes to divide, divides or causes to be divided real property into a subdivision for himself or for others except that employees and consultants of such persons or entities, acting in such capacity, are not "subdividers."

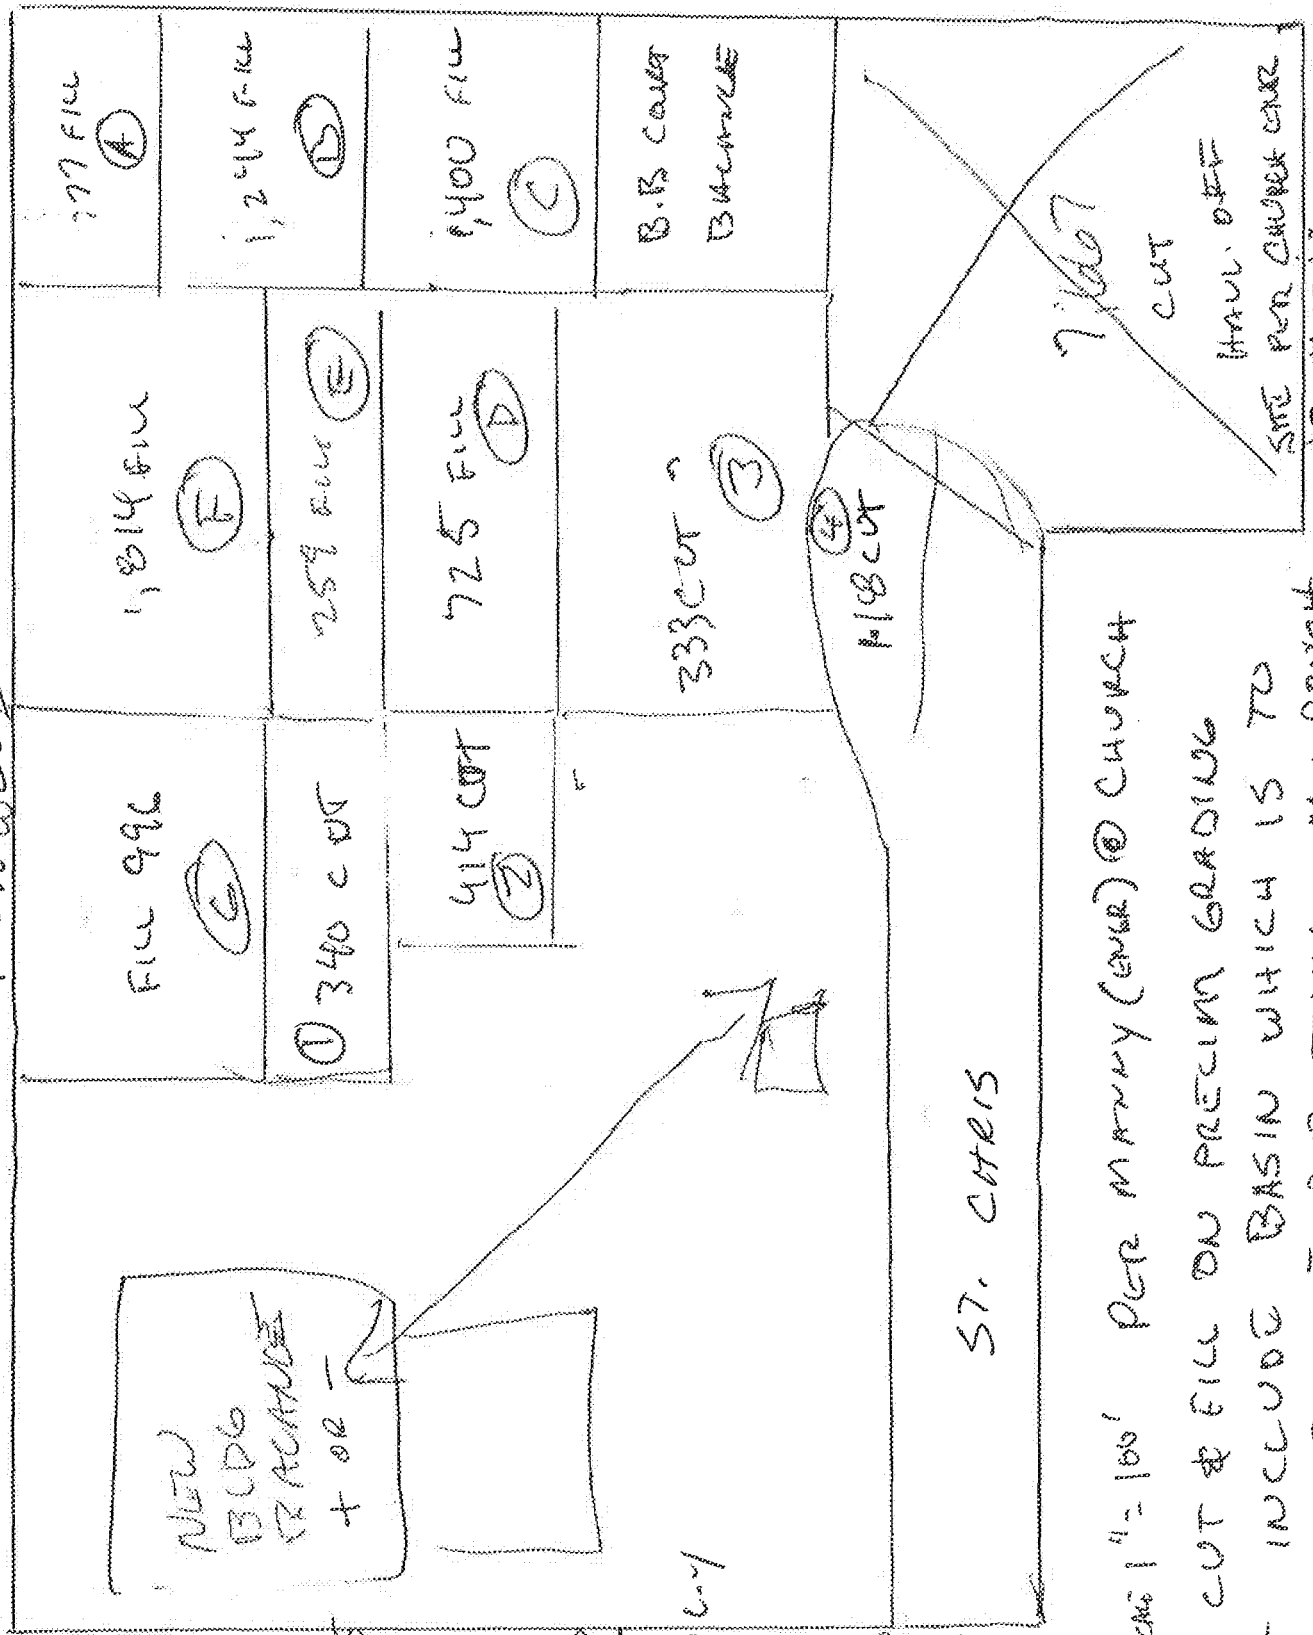

66424. "Subdivision" means the division, by any subdivider, of any unit or units of improved or unimproved land, or any portion thereof, shown on the latest equalized county assessment roll as a unit or as contiguous units, for the purpose of sale, lease or financing, whether immediate or future. Property shall be considered as contiguous units, even if it is separated by roads, streets, utility easement or railroad rights-of-way. "Subdivision" includes a condominium project, as defined in subdivision (f) of Section 1351 of the Civil Code, a community apartment project, as defined in subdivision (d) of Section 1351 of the Civil Code, or the conversion of five or more existing dwelling units to a stock cooperative, as defined in subdivision (m) of Section 1351 of the Civil Code.

APARTMENTS
CONDOS

66424.1. Nothing in Section 66424 shall prevent a purchaser of a unit of land created under the provisions of this division or a local ordinance enacted pursuant thereto, from subdividing the land one or more times, pursuant to the provisions of this division prior to the time that an equalized county assessment roll has been completed reflecting the creation of the unit proposed to be subdivided. Nothing contained in this chapter shall prevent the same subdivider of a unit of land created under the provisions of this division, or a local ordinance enacted pursuant thereto, from making consecutive subdivisions of the same parcel or any portion thereof. Further, local agencies shall not, by ordinance or policy, prohibit consecutive subdivision of the

Moreno Valley, CA 92553

RE: Case Number: C13-02887

The Code and Neighborhood Services Division is concerned for the health, safety, and general welfare of the residents, businesses and properties in the city. Recently, this office received information that the condition of your property located at 25141 COTTONWOOD AVE may constitute a violation of the Moreno Valley Municipal Code regarding property containing ENCROACHMENT OF PUBLIC RIGHT-OF-WAY .

If the alleged condition does exist, we ask that you take corrective action as quickly as possible to remove or eliminate the above referenced violation(s). Please note that according to Moreno Valley Municipal Code Section 6.04, every property owner within the City is required to maintain their property in a safe and nuisance free manner. Please contact this office when appropriate corrective measures have been taken so that we may close our case on this matter.

Please notify this office if you feel this complaint has been filed in error, or if the alleged conditions do not exist. Kindly refer to the case number listed above for proper handling. ***If we do not receive a response from you within 14 days, a site inspection will be scheduled to determine if further enforcement action may be necessary.***

Thank you for your prompt attention to this matter. Your anticipated cooperation and community spirit is appreciated to help protect property values and to preserve neighborhood integrity. If you have any questions regarding this letter, please contact our office at [REDACTED]

Sincerely,

Code and Neighborhood Services

Code and Neighborhood Services Division Mission Statement

The Code and Neighborhood Services Division is responsible for the enforcement of Code, related to neighborhood nuisances, health and safety, sub-standard housing, vehicle abatement, zoning/land use, illegal signs, parking control, weed abatement, business licenses and graffiti restitution.

Report to City Council

TO: Mayor and City Council

FROM: Ahmad R. Ansari, Public Works Director/City Engineer

AGENDA DATE: November 27, 2012

TITLE: ADOPT RESOLUTION NO. 2012-95 IMPLEMENTING PERMIT PARKING FOR THE RESIDENTS OF ST. CHRISTOPHER LANE ON SATURDAYS AND SUNDAYS.

RECOMMENDED ACTION

Approve and adopt Resolution No. 2012-95 direct staff to implement permit parking on St. Christopher Lane.

ADVISORY BOARD/COMMISSION RECOMMENDATION

A public hearing was conducted at the Traffic Safety Commission (TSC) meeting on November 7, 2012. The Commissioners unanimously approved staff's recommendation to implement permit parking on St. Christopher Lane (6-0-0 approval).

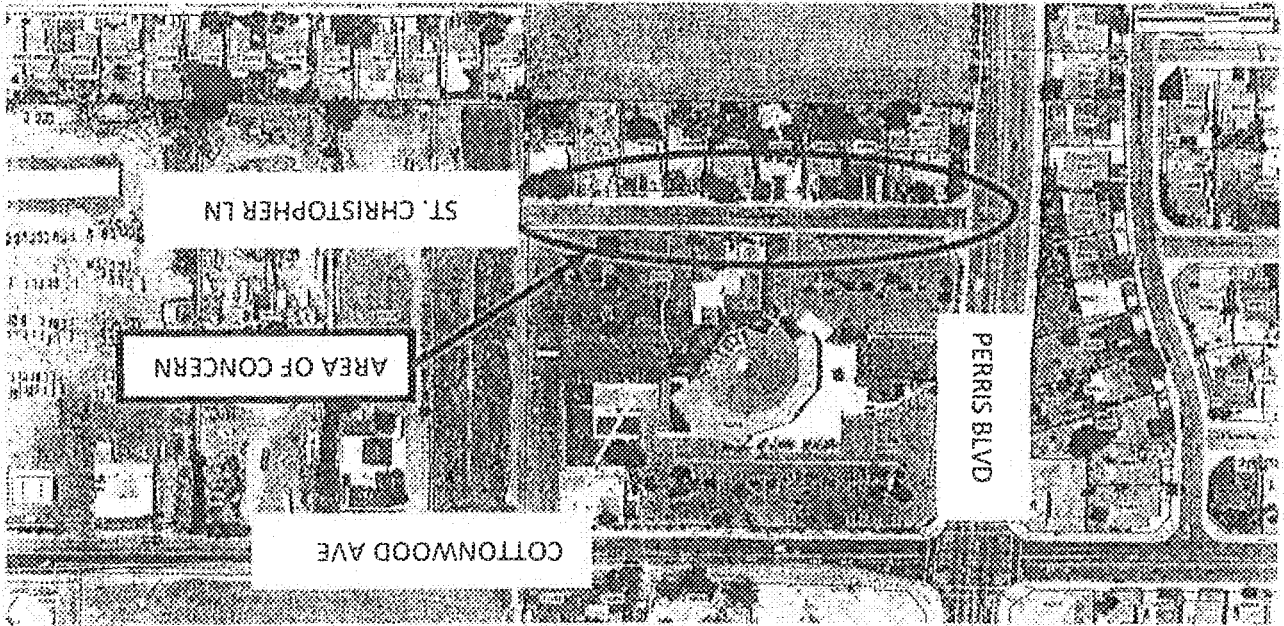

BACKGROUND

The City's permit parking program was established by ordinance in 2007. Typically, permit parking requests come from residents that are impacted by high schools, colleges, parks, and other uses that generate a large amount of off-site parking. The residents along St. Christopher Lane are being impacted by St. Christopher Church parishioners.

Residents have complained about their driveways being blocked, mailboxes being damaged, and trash being left behind. In response to this, the residents submitted a petition to the Public Works Department requesting implementation of permit parking in front of their residences. Implementing permit parking will allow residents to maintain parking for guests, have uninterrupted access to their homes, and have parking space available for contractors/maintenance vehicles when service is needed.

② BUCKING COMMONWOOD PROPERTY PATE, BOY (MAYOR)
(CITY OFF.)

- 1) DISCUSSED GRADING, FLOOD & HOW THINGS WERE & HOW THEY ARE TODAY
- 2) DISCUSSED WALL & NEEDED TO HAVE COMPLETE WALL ON EAST PROPERTY LINE COMMON TO CHURCH & BUCKING FOR SCREENING, TO MINIMIZE IMPACT OR - 2 USES THAT ARE NOT COMPATIBLE
- 3) ASKED HOW THEY DETERMINED THE 321 PARKING SPACES REQUIRED IN PLANS
- 4) DISCUSSED POSSIBLE ENVIRONMENTAL CONCERNS
- 5) DISCUSSED POSSIBLE CONTINUANCE ON PROJECT
- 6) ASKED HOW PHASING IS ALLOWED ON LAND CONSOLIDATION
- 7) ASKED WHERE THEY PLANNED TO STOCKPILE DIRT OUT OF RETENTION BASIN, AS VIEWED IT WOULD BE ABOUT ② FROM THE PROPERTY LINE DIVIDING CHURCH & BUCKING PROP.

THIS IS APPROXIMATELY WHERE THE DIRT WOULD BE STOCKPILED TO TAKE PLACE
②

NOTES FROM 10-11-13 MTG MAY, LINUS, MANNY
① McBIVNEY ON CHURCH PROP REC PRELIM 600 PLAN FROM MANNY PETE, ROY, DAVE 30

1) DISCUSSED FLOOD CONTROL, GRADING, WALL & NEED TO WORK TO FIND SOLUTIONS TO MINIMIZE IMPACTS

2) ASKED MANNY & DAVE HOW CHURCH/ENGR DETERMINED THE NEED FOR 321 PARKING SPACES REQUIRED PER THEIR PLANS, MANNY SAID THAT IT WAS DONE PER CITY CODE THAT ONLY 1 BUILDG WAS TO BE USED FOR SPECIAL COND.

3) DISCUSSED THE NEED FOR THE WALL TO BE 6' HIGHER THAN CHURCH GRADE OR BLDS ADJACENT TO OUR PROP TO MINIMIZE IMPACTS

TO MINIMIZE IMPACTS, SO NO FURTHER COMPLAINTS
4) ASKED WHY THE APPROX 400 FT OF WALL IS NOT PUT IN ON PHASE 1, MANNY/DAVE SAID THEY WILL ONLY DO WHAT THE CITY REQUIRES

5) ADDRESS POSSIBLE ENVIRONMENTAL CONCERNS

6) ASKED ON 10-6-13 ^{WHEN SURVIV} THERE WERE APPROX 750 CARS (600 ON SITE 150 OFF SITE) WHERE WERE THE OVER 2,250 PEOPLE AT THEY WERE NOT STANDING OUTSIDE (NO RESPONSE)

7) ASKED ABOUT STOCKPILING OF DIRT OUT OF RETENTION BASIN MANNY/DAVE STATED THAT ALL DIRT IN RETENTION BASIN IS TO BE HAULED OFF SITE, WITHOUT BASIN DIRT SITE WILL BALANCE PER THEM THE 7,200 CY OF CUT DOES NOT INCLUDE THE BASIN

THIS IS MY UNDESIRABLE INFO OF REVENUE THAT TOOL FWD 63

- 1) DISCUSSED FLOOD CONTROL, HOW ^{PREVIOUSLY} OBSERVED & POSSIBLE SCENARIOS THAT COULD IMPACT PROJECT & SURROUNDING AREA & HOW CURRENT DESIGN COULD BE A PROBLEM
- 2) DISCUSSED NEED FOR ^(CONCRETE) WALL ON COMMON CHURCH BLEND PROPERTY LINE, TO MINIMIZE COM PLANTS & COMPLY WITH MUNICIPAL CODE FOR SCREENING & TO MINIMIZE IMPACTS & CONFLICT
- 3) PHASING & LAND CONSOLIDATION PER MY READING OF M.C., I DO NOT SEE PHASING IN L.C., ONLY IN SUBDIVISION, AMMAN ASKED CLEMENT ABOUT IT & HE SAID PLANNING SAID IT WAS O.K.
- 4) DISCUSSED POSSIBLE ENVIRONMENTAL CONCERNS
- 5) DISCUSSED WALL SHOULD BE 6' FROM HIGHEST POINT ON CHURCH SIDE (AMMAN MADE ~~SE~~ DRAWING ON GRADING PLAN)
- 6) DISCUSSING AVG PARKING ALL DAY SUN 2 IN THE 700 RANGE & HOW DOES IT ONLY REQUIRE 321 ON THE PLANS AMMAN SAID THAT IS A VERY LEGIT CONCERN

NOTES FROM 10-17-13 (CONT.)

7) BRUGHT UP GRADING PLAN & PERMITS. SHE WAS TO BALANCE, GRADING PLAN DOES NOT REFLECT THIS BY MY DIAGRAM SUBMITTED & THERE IS NO SPECIFIC CONDITION REQUIRING RETENTION BASIN DIST TO BE MADE OFF SITE

507

8) DISCUSSED ST CHARIS PARKING ORDINANCE & HOW IMPACT OF SHIFTING 4 TO 5 TIMES MORE PARKING OFF SITE WILL CAUSE A SIGNIFICANT IMPACT ON THE COMMUNITY

9) DISCUSSED MULTIPLE THREATS FROM PARISHONERS SAID THEY WOULD FILE COMPLAINTS AGAINST PROJECT PROP DOC INCLUDED OF COMPLAINT FILED WITH CODE ENFORCEMENT OCT 9-13 CASE C13-02887

10) GAVE ANTHONY, MARK & (UNIDENTIFIED) COPIES OF 12 PAGES OF LOG DISCUSSED INCLUDING PARKING VOLS 3 PAGES, PROP CONSIDING, FUTURE USE, BUILDING USAGE, GRADING CUTS/FILLS, RETENTION BASIN CASES, ST CHARIS ORD RES # 2012-952 PLAN & CODE VIOLATION/ENFORCEMENT CASE

PC: [unclear]

THIS IS NOT THE CORRECT ADDRESS FOR THE PROJECT

- 1) DISCUSSED CHURCH PARKING; PER MY UNDERSTANDING JULIA/DOV ARE BASING PARKING REQ OFF OF THE OLD STD. FOR SANCTUARY; PER OLD NON COMPREHENSIVE USE STD.
- 2) SAID PARKING WOULD NOT BE NEEDED TO BE BROUGHT TO CURRENT STD AS SANCTUARY BLDG IS TO BE UNALTERED OR EXPANDED 5 RES 2013-21
- 3) DISCUSSED LOT MERGING & PHASING HOW WOULD THIS PROJECT QUALIFY UNDER M.V. MUNICIPAL CODE CA SUBDIVISIONS ACT # 9,14,000, 9,14,170 66423, 66424 & HOW IT AFFECTS THIS PROJECT
- 4) DISCUSSED WALL ON EAST PROP LINE & THE IMPACT IT WOULD HAVE AS TO CONFLICTING USES & SCREENING & UNIFORMITY & THE NEED FOR WALL TO ALLEVIATE CONFLICTS IN USE BETWEEN A CHURCH & A CONST, YARD MATERIALS PROCESSING, RESEARCH & DEVELOPMENT & THAT THE WALL IN PHASE 4 BE CONDITIONED INTO PH 1, IT IS MY UNDERSTANDING THAT JULIA'S POSITION IS MOVING PAVED PARKING 132' FURTHER EAST & A GRASS PARKING RIGHT UP TO EAST FENCE LINE WOULD NOT POSE ANY PROBLEM FALTA RES 2013-26
- 5) DISCUSSED CHILDREN CHANGE IN P.10, JULIA SAID SHE WAS GOING TO CHANGE THAT BACK TO THE ORG.
- 6) JULIA SAID IT WAS ILLEGAL TO PARK IN ~~THE~~ OFFSITE LOT ACROSS THE STREET
- 7) JULIA SAID ~~IT WAS~~ THAT USED OF PARISH LAW & SANCTUARY AT THE SAME TIME WAS PROHIBITED
- 8) IF BUILDING IS MODIFIED WOULD TRIGGER NEW STD. THIS IS MY UNDERSTANDING FROM EVENTS THAT TOOK PLACE JLB

NOTES PH CONV. 10-22-13 ROY, MANNY SMS

Subject: Update

Good afternoon,

Here is a recap/update of all the cases we have in progress related to the recall effort:

- MV132040186 – Allegation that an adult male vandalized a car belonging to an adult female. The case has been submitted to the DA. As of 10-23-13, the case is still under review and charges have not yet been filed.
- MV132040209 – Allegation that an adult female was involved in the theft of anti-recall signs – same incident that spawned the alleged vandalism listed above. Elements of the alleged crime do not exist, DDA agrees the allegation is unfounded and no charges will be filed.
- MV132490077- Allegation that unknown suspect(s) stole or vandalized more than 100 signs around the city. Citywide camera system did capture footage of 3 incidents, but the video was not sufficient to make an identification of the suspect. This case is currently suspended for lack of suspect information.
- MV132490171 – Allegation that an adult male and an adult female stole three anti-recall signs. Photos were taken of the suspects and their vehicle by witnesses. Case submitted to the DA who filed 3 counts of theft against the suspects; arraignment is scheduled for 11-08-13.
- MV132850106 – Allegation that an adult male battered an adult female and stole her purse during a public meeting at a local school site. This investigation is continuing. There were numerous people present and interviews are still being conducted to obtain all available witness statements.

Subject: WCNTF activity

Good afternoon,

On 10-23-13, the West County Narcotics Task Force (WCNTF) served a search warrant at a residence in the 23000 block of Hemlock reference the sale of methamphetamine. During service of the warrant, officers seized several grams of methamphetamine and evidence indicating that sales of meth were occurring from the residence. The suspect, probationer Eddie Thompson (37) was arrested and booked into RPDC on charges of possessing methamphetamine for sale and probation violation.

Subject: Fire Alarm Testing Schedule Notice - Monday 10/28

Facilities has scheduled Stanley Security for Monday, 10/28, to perform the required quarterly testing of our Fire Alarm Systems. Please be aware that there will be a short testing period of the strobes & horns in each building listed below. The schedule is as follows:

<u>Time</u>	<u>Building</u>
1:00p-2:00p	Conference & Recreation Center (<i>PA system announcement will be made</i>)
2:00p-3:00p	Annex #1
3:00p-4:00p	Emergency Operation Center
5:00p-6:00p	Animal Shelter (<i>silent mode</i>)
6:00p-7:00p	City Hall

Please distribute this message to those without City email. Thank you for your patience as we perform this important test of our fire alarm systems.

Thank you,

Rix

Subject: SWAT search warrant

Good afternoon,

On September 5, 2013, MVPD Patrol and SET deputies investigated a gang-related attempted murder in the area of Gentian and Lasselle. This shooting was later determined to be one of the catalysts that ultimately led to the murder of 6 year-old Tiana Ricks. SET deputies continued the investigation into this case and ultimately identified two suspects. Through extensive investigation, they tracked one of the suspects to an apartment in the city of Riverside. The SET Team conducted extensive surveillance on the apartment to determine if the second suspect was also hiding out in the apartment. Eventually, they confirmed that both suspects in the attempted murder were holed up in the apartment. Because of their obvious propensity for violence and the belief that they were armed, the decision was made to have the Sheriff's SWAT Team serve a search warrant on the apartment.

This morning about 4:30 AM, the Special Enforcement Bureau- SWAT Team served the warrant on the apartment in the 6500 block of Doolittle Avenue in Riverside. After a brief standoff and the use of two flash-bang devices, the suspects surrendered to deputies and were taken into custody without incident. A search of the apartment by SET Team members revealed several grams of methamphetamine and more than 100 prescription pain pills.

The suspects are identified as follows:

Monte Walker (20) - Booked for attempted murder, possession of methamphetamine for sales, and gang enhancements

Jeron Hall (18) - Booked for conspiracy/attempted murder, possession of methamphetamine for sales, and gang enhancements

Leonard Harbor – (19) Booked for possession of prescription pain meds without a prescription, conspiracy, and gang enhancements

The investigation is ongoing, but today's events help bring the case much closer to conclusion.

Subject: FW: Town Hall meeting

Mayor, Mayor Pro Tem, and Members of the City Council: Please see the following information from Chief Ontiveros regarding a Town Hall meeting he and Chief Knutson will be participating in on Monday evening. Joel indicated that the scheduling of this comes as an outcome of a meeting that Sheriffs Administration had requested with the parties mentioned below. He also indicated that the subject of the community meeting will be Sheriffs' policies and practices and not specific to any particular incident; the goal is to focus on police-community relations. Joel said that the Council is welcome to attend and, if this format works well, they will do more of these in the community (perhaps we can schedule one in each Council District, for example). I plan to attend on Monday.

(Note that Joel said the P-E posted something re: this event online and got it wrong by calling it a press conference; that has since been corrected.)

Subject: Town Hall meeting

Good morning Michelle,

During our meeting with Dr. Fleming and Woodie Rucker-Hughes, the idea of conducting a town hall meeting was discussed. The concept is to give concerned community members the opportunity to pose questions about Sheriff's Department policies, responses to calls for service, etc... in the wake of the recent in-custody death on Hemlock. Chief Knudson and I readily agreed to participate in such a town hall meeting if Dr. Fleming would be willing to set one or more up. Dr. Fleming is directly involved with the Johnson family and agreed to serve as a go-between for us.

In light of the press release by the family's attorney yesterday and the pending litigation, the idea of a town hall meeting was in question. After discussions with our legal advisors, we decided to go forward with the planned meeting if Dr. Fleming could arrange it. Dr. Fleming called this morning and advised the meeting is set for Monday October 28, 2013 at 6:00 PM. It will be held at Cross Word Christian Church with the assistance of Bishop Lacy Sykes.

Woodie Rucker-Hughes, president of the Riverside chapter of the NAACP, Dr. Fleming, and Pastor Ted Collins of the Cops and Clergy Network will also be present for the meeting. Woodie is adamant that this meeting will not devolve into chaos. The current plan is to have a professor from UCR moderate the meeting. Dr. Fleming could not provide her full name, but indicated her first name is Carol and she is affiliated with UC Riverside.

Attendees will be given 3 x 5 cards on which they will write questions that will be posed to us. Dr. Fleming indicated that the questions will likely center around department policies, how we respond to calls for service, and DUI driving. Chief Knudson and I will respond to all the questions we can answer, but we will not be providing any information directly related to the in-custody death beyond what has already been released to the news media.

As I mentioned on Monday, Chief Knudson and I also offered to meet with the Johnson family if they were interested in speaking to us privately. As of this morning, Dr. Fleming indicated the family does not appear to be interested in such a meeting, but she will check again. I will keep you updated on the progress of that proposed meeting as well.

MV00260507

See you at E-Team!

Subject: Gang related shooting

Good evening,

Officers are working on a gang-related shooting in the 28000 block of Calle Agua. Information is very preliminary at this time and subject to change. I will send an update in the morning when more details are available.

At this time, we have one 20 year-old male victim suffering from serious but non-life threatening gunshot wounds. Two teenage girls were in the line of fire, but thankfully were not injured. The victims were inside the open garage of a single family residence when a car stopped in the street in front of the house. Suspects inside the vehicle fired several shots into the open garage, striking the victim.

The victim is being treated at a local hospital and is expected to survive. Gang officers are processing the scene and will coordinate with the MVPD Investigations Bureau as the investigation progresses.

Subject: Complying with the request to not delete emails

Employees:

On Friday, Oct. 25, we were all asked to not delete any records. In anticipation of questions about how that will work with emails I want you to be aware of several changes that TS has made to the email system.

1. The auto-delete functions have been turned off;
2. The retention period for email folders has been extended way out (~68 years);
3. Mailbox quotas have been suspended; and
4. Existing backup tapes have been set aside, new tapes have been ordered for backups going forward, and the new tapes will not be reused (to preserve the data on them).

Therefore, you can use the X on emails to “delete” emails (which actually only moves the email to your Deleted Items folder). But do not “empty” or permanently delete mails from your Deleted Items folder until notified that it is OK to do.

Thanks for your cooperation; feel free to contact TS at x3410 if you have questions.

This e-mail was sent to all employees with the permission of the City Manager's Office.

Subject: WEST PACT (AB 109) Task Force activity

Good morning,

During the month of September 2013, the AB 109 WEST PACT Task Force conducted operations in Moreno Valley on six separate occasions. During those operations, task force members conducted 27 checks on parolees/probationers living in Moreno Valley and one pedestrian check for a total of 28 contacts in September.

- On September 6th, they arrested/booked a probationer on Dream Street for being under the influence of a controlled substance and for possessing ammunition.
- On September 12th, they arrested/booked a probationer/gang member for interfering with their probation search at his residence on Running Deer Rd.
- On September 17th, they discovered evidence of drug possession and probation violation at a residence on Bello Way. The suspect was not present, but an arrest warrant has been requested.
- On September 19th, they conducted a pedestrian check at Atwood x Perris and arrested/booked the subject for 5 felony arrest warrants.
- On September 27th, they arrested/booked a probationer for possession of ammunition at a residence on Hawthorne.
- On September 27th, they arrested a parolee wanted by MVPD for identity theft at a residence on Victor.

Subject: RE: Interview

Hi Maria,

We want to be careful to include our legislative representatives. Perhaps a response like the following:

The City is finalizing the select list of regional, state, and federal leaders to be interviewed on a documentary about the disadvantaged community of Edgemont (located in Moreno Valley) and the water distribution system operated by the Box Springs Mutual Water Company. The documentary will be used as part of a grant application to emphasize the need for funding. The final video product is anticipated to be similar to videos produced for the Enchanted Heights (in the City of Perris – INSERT INTERNET LINK) and Maywood projects (in the City of XX – INSERT LINK).

The City wants to ensure that XX (Assemblyman Medina or other reps) is offered the opportunity to participate. Could you advise me if the assembly man is interested and if so, if additional project information / potential on-camera questions are desired prior to the interview?

Thanks for your consideration!

Hi Juan:

The city of Moreno Valley is pursuing grant funding to upgrade the water distribution system in the community of Edgemont. We are conducting an extensive bi-lingual community relations program in the community and as part of this we are also working on producing a documentary to show the conditions of the community. I did a similar project in Perris and you can see the video at www.cityofperris.org/Enchantedheights

It would be great if we could get the Assemblyman on camera to talk about the need to remedy the water quality issues in Edgemont. Please call me if you have any questions.

Best,

Maria Elena Kennedy

Mayor Tom Owings
The City of Moreno Valley
14177 Frederick Street
Moreno Valley, CA 92553

Dear Mayor Owings:

Congratulations! The The City of Moreno Valley has been chosen to receive a **2013 Project of the Year** award from the Southern California Chapter of the American Public Works Association (APWA). This award is for the following City project:

1. Cactus Avenue/Nason Street Improvement Project

APWA is the professional association of Public Works leaders throughout the United States and Canada. The Southern California Chapter covers Los Angeles, Orange, Riverside and San Bernardino Counties and there are over 1,400 members in the Chapter. The purposes of the Chapter's awards program are to recognize public agencies for their outstanding projects and programs, and to share the wealth of good ideas.

The 2013 awards ceremony and presentation will be held at the APWA Southern California Chapter's 14th Annual Awards Luncheon on:

Tuesday, December 10, 2013
11:30 a.m. – 1:30 p.m.

The Centre at Sycamore Plaza, Lakewood Civic Center.

We hope that you and your staff, including any consultants or contractors, will attend this important event to receive your plaque personally. Attached is a reservation form with additional instructions. You may also wish to reserve a display table for showcasing information or photos of your worthy project.

Congratulations again and we look forward to recognizing your City.

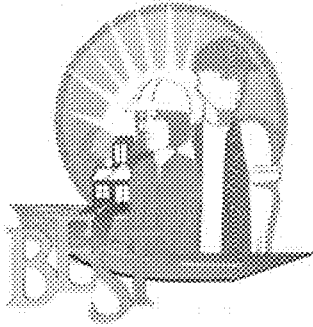

Sincerely,

A handwritten signature in cursive script that reads 'B. Teaford'.

Subject: Robbery - update/arrest

Good evening,

On December 17, 2012 a lone suspect entered the Moreno Valley Mall wearing a ski mask and carrying an axe. He entered Kay Jewelers and used the axe to smash a display case. He grabbed more than \$12,000 worth of jewelry and fled on foot to a vehicle waiting on the 60 freeway. The suspect escaped, but left the axe and ski mask behind.

On October 17, 2013 the Robbery Suppression Team (RST) received DNA results from evidence gathered at the scene of the crime. Those results identified a suspect who lives in Moreno Valley.

RST set up surveillance on the suspect's residence in the 13000 block of Persimmon Road. Today, RST officers saw the suspect, Kevin Williams (25), leave his residence with an adult female. A vehicle stop was conducted and the suspect was detained. The female, the suspect's girlfriend, was found to be wearing one of the three rings stolen during the Kay Jeweler's robbery.

Investigation revealed the female was not involved in the robbery and she was later released. Search warrants were served on the suspect's car and residence.

The suspect was booked into RPDC on a charge of robbery and a bail enhancement was requested, raising his bail to \$100,000. We are very encouraged by this rapid turnaround on DNA evidence.

Subject: LCC - Waste Mgmt Dinner

FYI – for FPPC reporting purposes

A gift is reportable if its fair market value is \$50 or more, including conferences, social events, meals or like gathering where recipient did not give a speech, participate in a panel or similar service.

Gifts from the same reportable source are aggregated, and the official must disclose the source when the total value of all meals exceeds \$50 or more.

For calendar years 2013-2014, the limit increased to \$440 from a single source during a calendar year. This gift limit is effective until December 31, 2014.

Subject: SET Division activity - September 2013

Good morning,

During the month of September 2013, the Special Teams Division (SET Gangs and Narcotics, POP Team, CCAT, and BST/RST) posted the following proactive statistics:

BST/RST – Made 19 felony arrests and 2 misdemeanor arrests; authored and served 6 search warrants; closed 38 criminal cases and recovered stolen property valued at \$32,150.

SET-Gangs – Made 24 felony arrests and 4 misdemeanor arrests; prepared 4 gang enhancements; conducted one gang presentation and seized 2 firearms.

SET-Narcotics – Made 10 felony arrests; authored and served 2 search warrants; seized 34 grams of methamphetamine and 2 firearms; recovered 1 stolen vehicle.

CCAT – Made 9 felony arrests; authored and served 2 search warrants; prepared 7 gang enhancements.

POP – Made 19 felony arrests and 62 misdemeanor arrests; conducted a prostitution sting on Sunnymead Blvd.; conducted proactive patrol on Sunnymead Blvd; initiated 16 POP Tracks; issued 40 citations for City Ordinance violations and handled 106 noise disturbance calls.

Totals for September 2013 –

- 81 felony arrests
- 68 misdemeanor arrests
- 10 search warrants authored and served
- 4 firearms taken off the street
- 1 stolen vehicle recovered
- 11 gang enhancements prepared
- 01 prostitution sting conducted

Other activity included extensive assistance over nine days to the Central Homicide Unit on the Tiana Ricks murder. SET Gang officers were instrumental in identifying, locating, and arresting suspect Keandre Johnson for this murder. They were also instrumental in gathering crucial evidence that we believe will ultimately lead to a conviction in this matter.

RST/BST conducted a lengthy investigation into a series of armed robberies, including the take-over style robbery at a Pizza Hut restaurant. Their efforts resulted in the arrest of suspect Ronald Lane and his confession to three armed robberies in Moreno Valley.

The POP Team worked cooperatively with Moreno Valley Code Enforcement in the area south of Ironwood and Davis to address complaints about illegal camping/trespassing by transients behind The Festival center on Hemlock. 4 transients were arrested and removed from the area.

August 29

Well, this does explain why Tom Owings is so intent on keeping Richard Stewart out of the loop. Seems fishy to me. Isn't this how Law Enforcement works? Take somebody you have something on and get them to turn on the others in exchange for immunity. I don't know, but I'm just saying.....

Error! Filename not specified.

MORENO VALLEY: Investigation spreads to City Hall documents; Stewart says he is 'not a target'

www.pe.com

Councilman Richard Stewart says he is no longer a target of the federal corruption investigation, while agents have subpoenaed some

<http://www.pe.com/opinion/editorials-headlines/20130925-editorial-explain-hubristic-appointment-to-moreno-valley-council.ece>

Meli Van Natta · Top Commenter · Owner/Broker at Rancho Belago Realty

I have been taking a "wait and see" position regarding the actions of this Council, urging restraint until the investigations were completed, but this action really strains my resolve. To deny one Council Member's right to participate in the process is unconscionable, and will do more to further the recall effort than anything the petitioners could have done themselves.

Meli Van Natta commented on a link.

October 7

Having written on this subject before, I remain convinced that there MUST have been some prior discussion or agreement on the appointment of Mr. Gutierrez. It would strain credibility for it to have happened any other way. Mayor Owings is not the type of person to blindly agree with Mrs. Baca's choice of a candidate absent any prior knowledge. However, it is very likely that, knowing the rules of the Brown Act, those were the only two people who discussed the appointment of Mr. Gutierrez in advance of the meeting, feeling that it was not likely that Mr. Molina would vote against them. As I have said before, the APPEARANCE of impropriety is to be avoided when one's integrity is already being questioned.

<https://www.facebook.com/askmeli>

Meli Van Natta @askmeli 10 Oct

@SuzanneHurt I hope Jesse Molina starts using his own mind instead of going along with Owings and Baca on everything.

<https://twitter.com/askmeli>

Meli Van Natta But if only Baca and Owings are recalled? Molina and Gutierrez were both supported by Baca, would they choose another of her friends? And two against one, would they outvote Stewart? Or would they, out of an abundance of caution, choose someone less controversial? Tune in next week for the next installment of "As the Council Churns."

Subject: Chili Cook off, Costume Contest and Cake Walk
Attachments: flyer.pdf

Please join us tomorrow for our final event of the campaign, the ***Chili Cook off, Costume Contest and Cake Walk*** at the CRC Ballroom beginning at 11:30 a.m. Teams competing this year are: City Manager/Media, City Clerk, Finance, Fire, Public Works and Parks. It promises to be a memorable day with loads of food, fun and laughs.

New this year is a Cake Walk which will begin at approximately noon. Cost to participate is \$3.00 per person, or six tickets. It will be similar to a "musical chairs" event. We have six homemade cakes donated for the walk.

Thank you for supporting the 2013 Employee Giving Campaign.

This message has been approved by the City Manager's office.

Subject: Residential burglary - arrest

Good afternoon,

Today about 10:10 AM, officers responded to the report of a residential burglary in progress in the 24000 block of Wild Calla Drive. The victim reported that someone rang her doorbell. She looked through the peep hole and saw a person she did not know wearing a backpack and pacing nervously on her front door step. She elected not to answer the door. A few minutes later, the suspect broke into the residence through a back door. Officers arrived on scene just as the suspect fled from the residence on foot. Officers established a perimeter and called in the Sheriff's helicopter and an MVPD K-9 unit. A Motor officer assisting with the perimeter found the suspect's backpack and secured it as evidence. The backpack was later found to contain identification belonging to the suspect. Another Motor officer spotted the suspect in the greenbelt area near Hyacinth and Sunnymead Ranch Pkwy and detained him without incident. An in-field show-up was conducted and the suspect was positively identified by the victim and a witness who lives next door to the victim.

The suspect, a 17 year-old male resident of Moreno Valley, was found to be in possession of burglary tools. He is currently being interviewed by the Burglary Suppression Team and so far has admitted to committing three residential burglaries in Moreno Valley. By interesting coincidence, the suspect's father came to the police department yesterday with several pieces of property he found in his son's room. He advised officers he had no idea where the items came from and turned them over to police. BST is following up on that and will make every effort to return all stolen property to its rightful owners.

Subject: Halloween

Importance: High

With Halloween festivities scheduled for tomorrow, I wanted to reiterate a few things in order to help insure everyone has a good time while maintaining reasonable workplace decorum.

Of course costumes are appropriate but please make sure that they do not interfere with your ability to work and move about safely in the work environment. Masks that fully cover your face and conceal your identity are not allowed. Also, costumes should not be distasteful (e.g. revealing, offensive). Please use common sense in this regard. If in doubt, please ask your supervisor. Jeans are permitted if they are clean, in good repair and part of a costume.

Remember this is first and foremost a workplace and we should all take that into consideration when choosing a costume.

Subject: Explosion with injury- short term evacuation

Good morning,

Today about 1:00 AM, officers responded to the 13000 block of Heacock Street to the report of an explosion. Officers arrived at the apartment complex and found the windows blown out of one apartment and remnants of a small fire. One white male adult was seriously injured, was transported to RCRMC, and ultimately LifeFlighted to the Arrowhead Burn Center for treatment. Seven apartments immediately adjoining the damaged apartment were evacuated for about 30 minutes while Fire officials confirmed it was safe for them to return.

Investigation revealed that the injured man, Michael Miranda (30) was inside a bathroom at the apartment attempting to create "Honey Oil" from marijuana. Honey Oil is a highly concentrated form of cannabis and can be created with the use of Butane. Several cans of butane were found in the damaged bathroom, along with other items used to create Honey Oil.

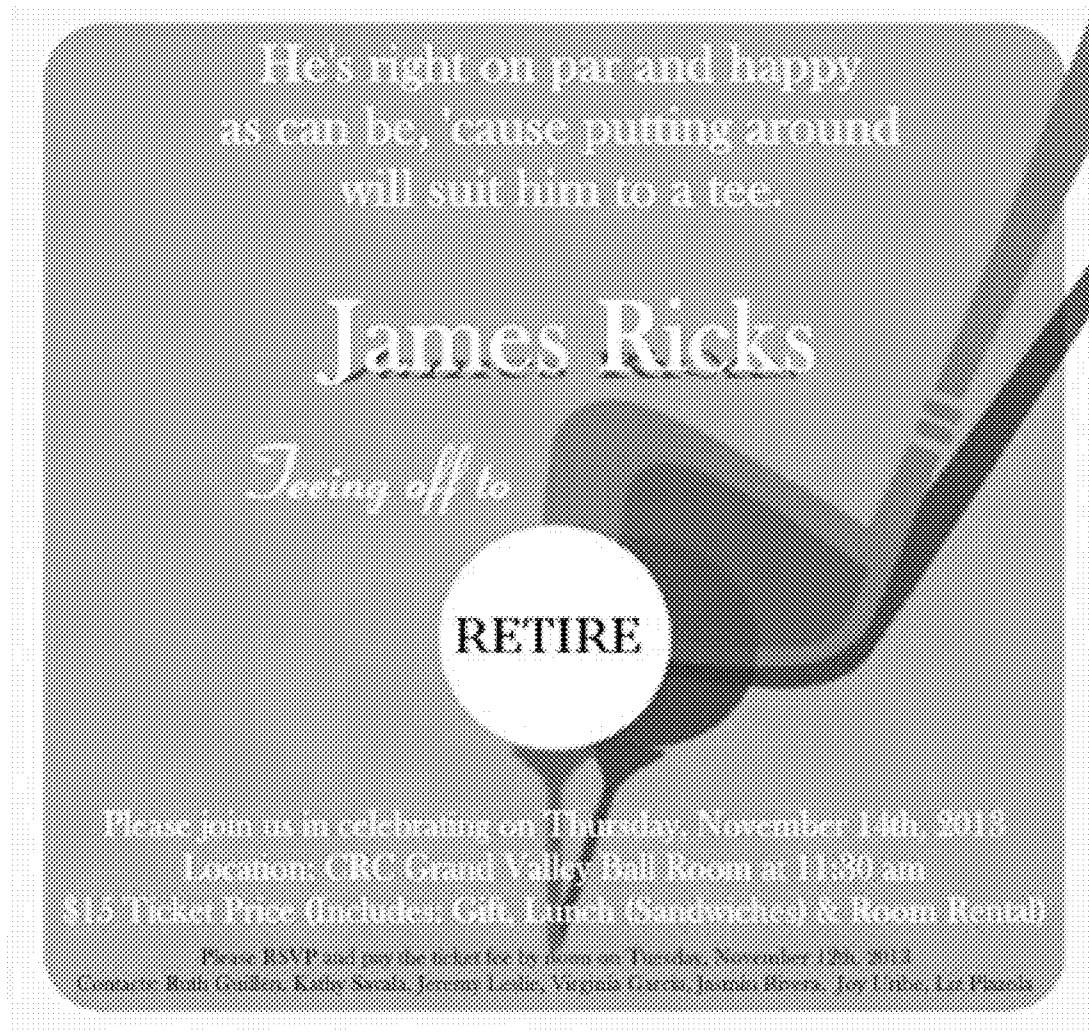

The suspect sustained serious burns over about 45% of his body. Although his injuries are not considered life-threatening, he faces many months of painful recovery. SET narcotics officers will continue the investigation this morning with a search warrant to determine if a crime was committed. Most likely, charges will be filed out of custody and could include drug manufacturing, child endangerment, and other serious crimes.

Incident Description

Dispatched to a Commercial Structure Fire Multi Family Dwelling with explosion and burn victims at 13270 Heacock St. in the City of Moreno Valley at 0055 AM. First arriving engine company E-65 found no evidence of a fire, but multiple people evacuating the 12 unit 2 story Apartment Complex. We were notified of 1 burn patient who was located in the laundry building of the complex and started ALS personnel to that location. We found 1 Male Adult 30 years of age with 2nd & 3rd degree burns estimated to cover about 65% of his upper body. FF/PM for E-65 & AMR started immediate treatment of the burn victim and he was transported Code 3 to Riverside County Region Medical Center. He was later transported to Arrowhead Regional Burn Center in San Bernardino County and is expected to survive the incident with major burns. Moreno Valley PD was on

Subject: FW: P-E coverage of Amazon site selection for Moreno Valley

Mayor, Mayor Pro Tem, and Members of the City Council: I wanted you to know that I sent the following to Nels Jensen, editor at the P-E, regarding Suzanne Hurt's article on the Amazon announcement (and in particular her referencing the FBI raids in what should only have been a very positive news item). I included a cc: to Aaron Kushner, owner of the OC Register and reported new owner of the P-E.

Subject: P-E coverage of Amazon site selection for Moreno Valley

Good afternoon Nels:

We're increasingly frustrated with the mixed signals we seem to be receiving from the P-E. I hope that sharing a very recent example will illustrate what we're experiencing and solicit your assistance in reconciling what appear to be contradictory editorial perspectives.

When you, Deb Gruszecki and I spoke briefly on Tuesday morning at the Beacon Economics forum, I indicated that we hoped to announce some wonderfully positive news very soon. I was delighted by your reply, indicating that "we want to print good news about Moreno Valley." Within the hour, I forwarded to Deb the announcement about Amazon selecting Moreno Valley as the site for just its 4th fulfillment center in California. The announcement was replete with positive news for Moreno Valley and its residents, in particular the creation of ****1,000**** jobs.

Imagine my surprise and disappointment when Ms. Hurt's article on Amazon's decision included an oft-repeated account of the FBI's April 30th "raid" on the homes of Council Members and developers.

I'm confident that you'll agree that Amazon's announcement is perhaps the best news that our community has had in months, if not years. The prospect of 1,000 NEW jobs is huge, particularly for a community that has suffered unemployment as high as 15%. Yet, your reporter inserted canned copy regarding the FBI raid into a story which had absolutely no connection to the ongoing investigation. None, whatsoever.

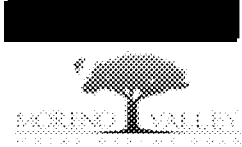

Does your reporter's treatment of Moreno Valley news reflect your editorial philosophy? We're incredibly disappointed as it appears to directly contradict your comments to me

on Tuesday. Furthermore, I specifically forwarded that announcement to Ms. Gruszecki because 1) it is a business news item and 2) our relations with Deb were cordial and fair in the limited time she covered Moreno Valley. I can't say that we have a consistently cooperative relationship with the current reporter and her article on Amazon is a perfect example. City staff tries to be responsive to your reporter (keeping in mind that we are operating a City and we have our own deadlines); her irresponsible "reporting" makes me even less inclined to direct City staff to take any steps to assist her beyond what is required by law.

I would very much appreciate your insight.

Tom Owings
Mayor, City of Moreno Valley
14177 Frederick Street
PO Box 88005
Moreno Valley, CA 92552

Dear Mayor Owings:

As the Assemblymember who proudly represents the 61st Assembly District and Chair of the Assembly Committee on Jobs, Economic Development, and the Economy (JEDE), I would like to invite you to attend an upcoming hearing on *The Role of Trade and Foreign Investment on the Inland Empire's Regional Economy*.

The hearing is scheduled for **Wednesday, November 6, 2013**, at the **Riverside City Council Chambers, 3900 Main Street, Riverside, California** from **10:00 a.m. to 1:00 p.m.**

Trade and foreign investment play an integral part in the Inland Empire's economy. Among other advantages, trade and foreign investment bring new capital to the region, support job creation and business expansion, provide new technologies and skills to workers, generate local and state revenues, and generally strengthen the region's economic base.

Trade experts, international business executives, and regional civic and business leaders have been invited to make presentations at the hearing. Key issues discussed will include the region's biotech sector and foreign trade and investment, the region's strategic location in attracting foreign investment and supporting manufacturing and global distribution networks, the important role small businesses can play within global markets, and workforce challenges facing the region's global competitiveness.

JEDE is the policy committee within the California State Assembly responsible for reviewing policies and legislation related to small business development, international trade, and other economic development related issues. The committee regularly publishes reports on these areas of interest. Copies of these reports are available online at www.assembly.ca.gov under the policy committee heading.

Please join us before the start of the hearing at 9:30 a.m. for an opportunity to network with other local players who help contribute the success of our region.

To RSVP to the hearing and the pre-hearing reception, please contact Chris Manning at my Riverside Office at [REDACTED]

Attached is a preliminary agenda for your review.

Sincerely,

JOSE MEDINA
Assemblymember, 61st Assembly District
Chair, Assembly Committee on Jobs, Economic Development and the Economy

The Role of Trade and Foreign Investment on the Inland Empire's Regional Economy

Wednesday, November 6, 2013 from 10:00 a.m. to 1:00 p.m.
City Council Chambers, Riverside City Hall in Riverside, California

Preliminary Agenda (subject to change)

International trade and foreign investment serve as critical components of California's \$1.9 trillion economy. If California were a country, it would be the 17th largest exporter and the 14th largest importer in the world. Exports from California (\$162 billion) accounted for over 10.5% of total U.S. exports in goods, shipping to over 220 foreign destinations in 2012. California's land, sea, and air ports of entry serve as key international commercial gateways for the \$537 billion in products entering and exiting the country. Over 562,700 California workers benefit from jobs with foreign-owned firms, which accounts for 5.1% of all private sector jobs in the state. Trade and foreign investment support new job creation, bring new technologies and skills to California workers, generate local and state revenues, and generally strengthen the state's economic base.

In today's hearing, Chair Jose Medina and Members of the Assembly Committee on Jobs, Economic Development, and the Economy (JEDE Committee) will take a closer look at how foreign trade and investment support the regional economy of the Inland Empire. The JEDE Committee will hear from senior trade experts, international business leaders, and regional civic and business leaders about the role that trade and foreign investment play within the regional economy of the Inland Empire.

I. Welcome, Introductions and Opening Statements

Assemblymember Jose Medina, Chair, and other members of the JEDE Committee will provide opening statements and frame key discussion items.

II. International Trade and Foreign Investment: Profile of the Inland Empire

- *Dr. John Husing, Chief Economist with the Inland Empire Economic Partnership*
- *Commissioner Tom Freeman, Foreign Trade Commission, Riverside County*

Economic forecasts anticipate 2013 to be a good year for trade and investment for Southern California with the Port of Long Beach/Los Angeles regaining pre-recession activity levels, cargo activity at Ontario International Airport remaining strong, and BNSF/UP planning upgrades to the rail system. Inland Empire manufacturing, warehousing and logistical networks continue to grow with the attraction and expansion of foreign companies and investors. Among the region's other trade and investment strengths, are its strategic location for both foreign and domestic trade, foreign trade zones, and having a proactive county-level Foreign Trade Commission. Dr. John Husing, Chief Economist with the Inland Empire Economic Partnership, and Commissioner Tom Freeman with the Riverside County Trade Commission will discuss the importance of trade and foreign investment within the region and highlight key actions the region could be taking to more fully leverage the region's strategic location and economic advantages within the global marketplace.

III. Creating Competitive Advantages within the Inland Empire

- *Dr. Imran Farooq - Chief Advisor for Inland Southern California iHUB*
- *Dr. Michael Pazzani, Vice Chancellor for Research and Economic Development, U.C. Riverside*
- *Mr. Paul Cramer, Director of Sales with Star Milling Co.*
- *Mr. John Walburg, Manager of Marketing and Sales, California Steel Industries, Inc.*

In this second panel, the presentations will focus on distinct, yet economically linked, resources within the Inland Empire. Dr. Farooq from the Inland SoCal iHUB will be discussing the region's globally significant logistics network. Mr. Cramer and Mr. Walburg will provide insights on how the global economy affects the day-to-day operations of their companies including recommendations on how the region can become more globally competitive and supportive of companies that utilize foreign trade and investment in their business activities.

II. Public Comment

Those interested in speaking during the public comment period should sign-up at the registration table.

IV. Summary of Key Findings and Closing Remarks

Participants will be invited to share final comments and provide recommendations on further actions.

Subject: Pit Bull attack with injuries

Good morning,

Today about 7:34 AM, officers were flagged down in the area of Kitching and Cottonwood reference a Pit Bull attack on a child. An 8 year-old girl was walking alone to Moreno Elementary School at 24700 Cottonwood when she was attacked by 4 loose pit bull dogs. She suffered multiple injuries that do not appear to be life-threatening. She was transported to RCRMC for treatment. Moreno Valley Animal Control responded to a call from officials at Moreno Elementary School concerning 4 loose pit bulls on campus. The Animal Control officer was able to capture 3 of the 4 dogs. Investigation revealed the dogs are owned by a family who lives in the 27000 block of Cottonwood. ACO and the investigating officer will attempt to locate/detain the 4th dog and contact the owner. The dogs will be quarantined. The investigation is ongoing and I will keep you updated.

Tom and Victoria,

Since you are meeting with Supt. Lopez for lunch tomorrow, would you like to compare calendars for the school visits? Because these tours involve so much walking, would you like to visit an elementary and middle school one day and the high school another day? If you don't check calendars with Supt. Lopez tomorrow, would you please provide me with several dates and times that work for both of you.

Thank you.

Subject: Possible halloween candy tampering

Good afternoon,

This morning, officers responded to Kaiser hospital reference a 2-year old boy suffering from methamphetamine intoxication. An extensive investigation was conducted by MVPD officers and the Sheriff's Drug Endangered Children Unit. At this time, it appears the child may have ingested the drug when he ate halloween candy. His candy has been sent to the California Department of Justice laboratory for testing in an effort to identify the source.

A press release is being sent to encourage parents to check their kids candy before it is eaten.

The child is expected to make a full recovery.

Subject: Food Tampering Incident

Food Tampering Incident

RIVERSIDE COUNTY SHERIFF'S DEPARTMENT

Sheriff Stanley Sniff

Moreno Valley Station

Moreno Valley Police Department

Press Release:

Type of Incident:	Food Tampering	
Date Written:	November 3, 2013	Time Written: 3:00 PM
Date of Incident:	November 3, 2013	Time of Incident: 2:00 AM
Location of Incident:	25000 Block of Calabria Way, Moreno Valley	
Reporting Officer:	Sergeant Curt Bright	
File Number:	MV133070048	

Details:

MV00260581

On November, 2, 2013, at 9:00 P.M. a child was taken to a local hospital after exhibiting symptoms of someone who had ingested an illegal drug. Earlier in the evening the child had been playing with other kids at a neighbor's house. The child's mother took the child home after about thirty minutes. Within minutes of arriving home, the child began exhibiting symptoms of being under the influence. The child's mother immediately took the child to a local hospital.

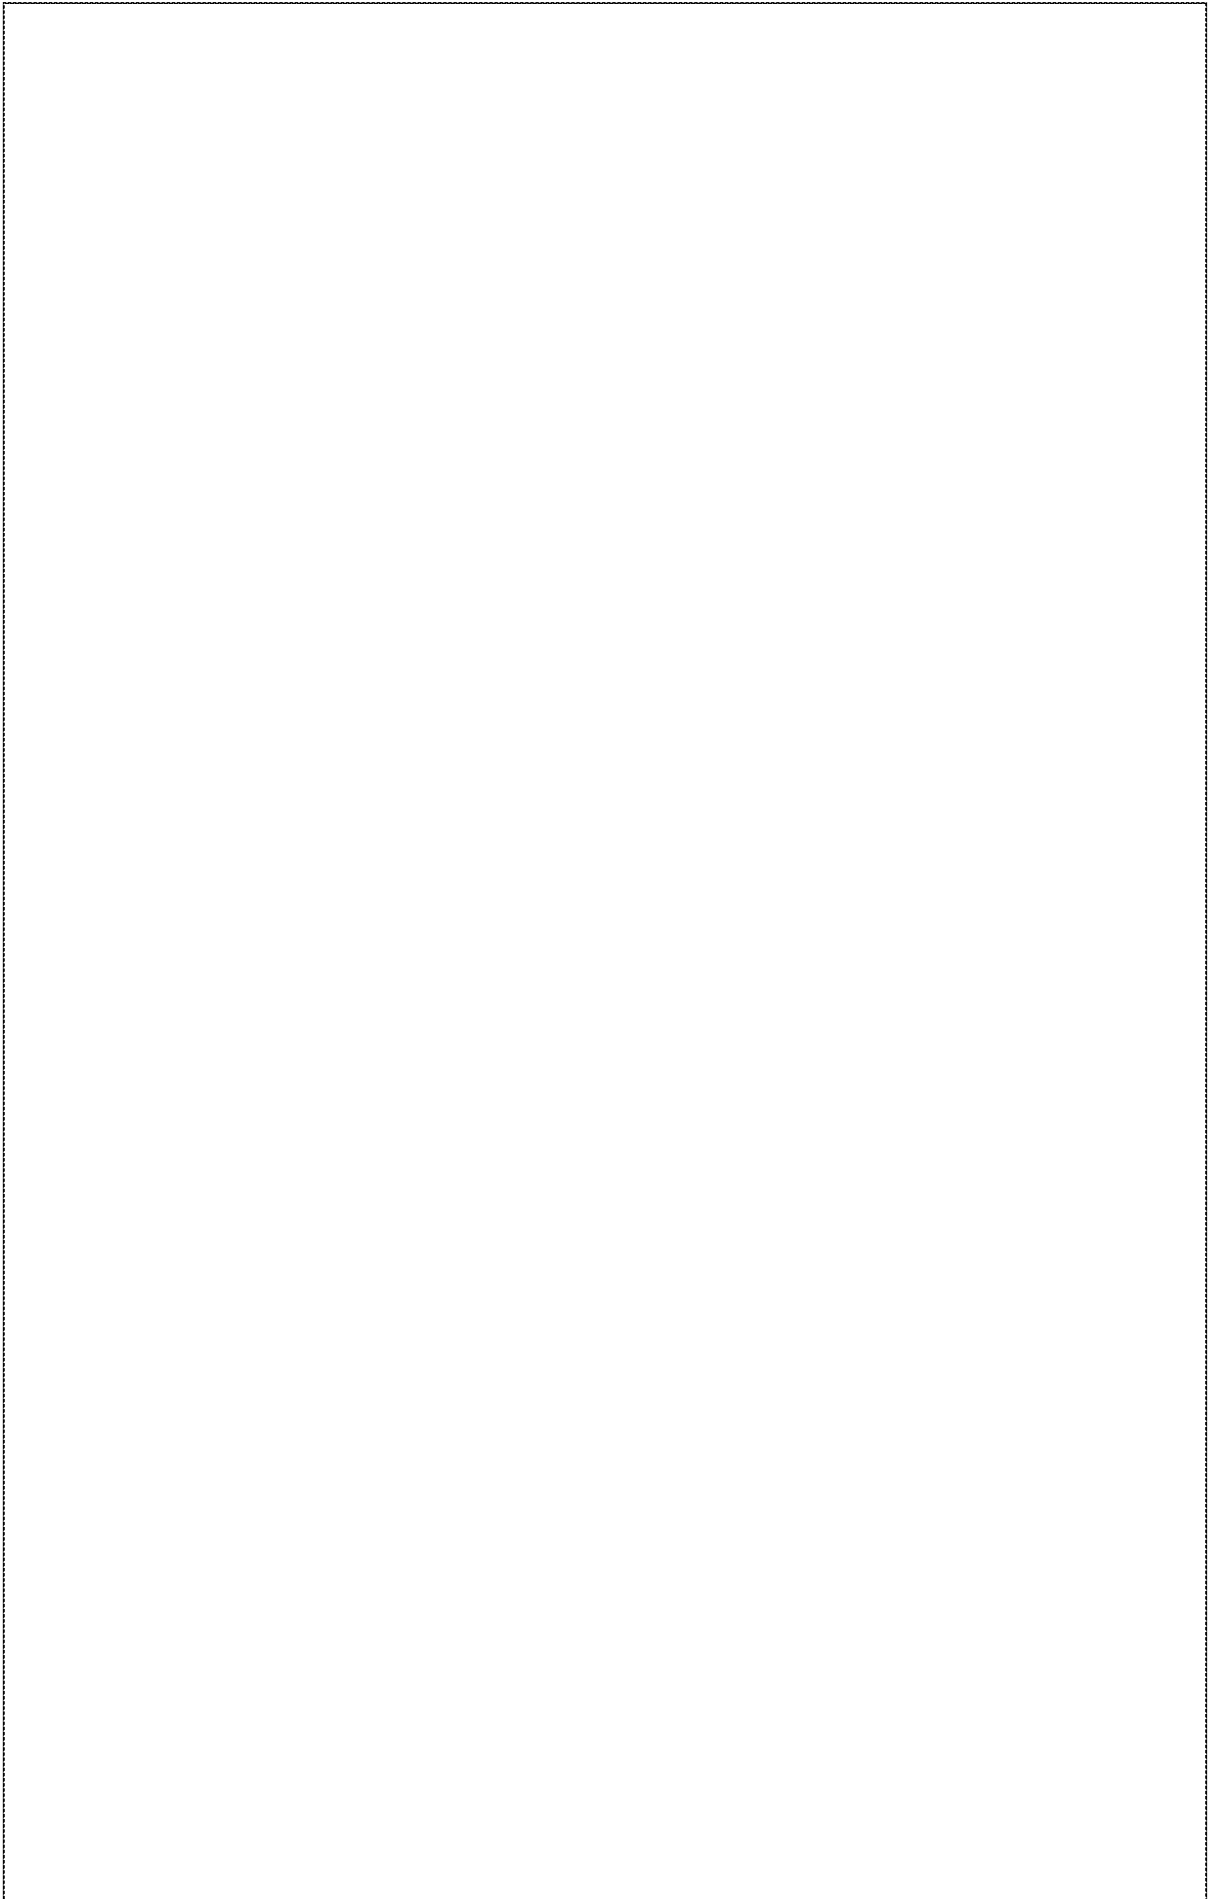

During the investigation, officers discovered the child may have consumed candy that was tampered with. The ingested candy was believed to have been collected while trick-or-treating on Halloween in the 25000 block of Calabria Way, Moreno Valley. At this time, there have been no other reports of anyone in the community becoming ill from ingesting tampered candies.

The department would like to remind parents to tell their children not to eat treats until parents have inspected them. Do not give homemade or unwrapped treats to children and discard any items which may appeared to be tampered with.

Note: Due to the urgent nature of this alert, this press release is being sent to all City e-subscribers. Some people may receive duplicate emails if they have subscribed to multiple lists. We apologize for any inconvenience this may cause and thank you for your understanding.

The Riverside County Sheriff's Department is seeking applicants for Deputy Sheriff, Deputy Sheriff Trainee, Correctional Deputy, Sheriff's 911 Communications Officer, and other employment opportunities such as clerical and support positions. Subject: State Controller's Office Audit of Redevelopment Agency asset transfer

Mayor, Mayor Pro Tem and Members of the City Council:

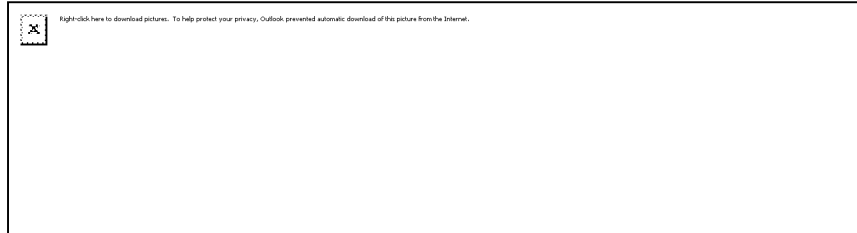

Last week, the City was notified by the State Controller's Office that their auditors will begin a comprehensive Asset Transfer Review of the former RDA and the Successor Agency on Monday November 4th. This is a routine review of all RDAs throughout the state that City staff has been expecting. The review will take about two weeks to complete. The purpose of the audit is to determine whether the disposition of the former redevelopment agency's assets were in compliance with Assembly Bill X1 26. Based on news reports of reviews of other Cities/former RDAs, the review will be thorough and in-depth to ensure all assets transferred, accounting and payments have been performed within the context of the law and subsequent interpretations of the law. Please know that the outcome of these audits at other cities has oftentimes resulted in the State Controller's Office issuing information to the media regarding RDA/CITY fund transfers, etc. As an example, the P-E printed the following story based upon information from the audit done at the City of Riverside:

<http://www.pe.com/local-news/politics/jim-miller-headlines/20130516-redevelopment-state-audit-faults-riverside-on-asset-transfers.ece>

I will update you on the progress of the review and any significant issues that may occur during the course of the audit work.

Subject: Employee Giving Campaign

The Chili Cook off, Costume Contest and Cake Walk were a huge success! Thank you everyone for your participation and enthusiasm. Without a doubt, the Cake Walk provided us lots of laughs; thank you City Clerk's Department for your wonderful suggestion.

Congratulations to our winners:

Best Chili (voted by Judges)	Bob Linton (Public Works)
People's Choice (most tickets sold)	Dori Lienhard (Finance)
Most Unique Ingredient	Bob Linton, Steak and Chorizo (Public Works)
Most Creative Group	Exotic Vegas (Fire)
Most Spirited Group	Chili Story (City Manager/Media)
Best Decorated Table	Evil Doctors and Nurses (Parks & Community Services)
Best Group	Chili Story (City Manager/Media)
Best Costume	Alia Rodriguez, Pirate (Fire)

Special thanks to...

- Judges: Mayor Owings, Chief Ontiveros, Chief Curley, Loretta Moody and Norma Sanchez
- City Manager's office for their generosity in providing the room
- Dave Flowers and Kassandra Leyva for setting up the ballroom and accommodating the special requests
- Jose Guzman (*Jose's Restaurant*) and Sue Yeoman (*Your Villa Magazine*) for their generous donations to this year's campaign
- And, last but not least, the 2013 Employee Giving Campaign Team for their tireless efforts in making each event a success: ***Ariana Ayala, Kandace Baptiste, Tina Gallegos, Jeremy Hamilton, Gina Henderson, Ewa Lopez, Cathy Parada, Liz Plazola, Joy Uribe, and Margaret Williams.***

Thank you all for your generous support of the 2013 Employee Giving Campaign.

Victoria,

Ms. Dominique resides at 13199 Tierra Canyon Drive. Ms. Dominique stated she runs a daycare for mentally disabled. She stated the dogs on both sides of her bark constantly, and the Chihuahua is not kept on a leash, and the dog ran at a five year old girl she sits for and kept jumping up, but did not bite. She stated her concern is the dog will bite. She stated she has called the police in the past, and they say there is nothing they can do, and she should call Animal Services. Ms. Dominique stated her neighbors throw trash in her lawn, apples at her house, and put nails in her driveway. She stated she is coming in today to talk to Animal Services. I told Ms. Dominique I would let you know about her concerns.

Subject: Search warrant and arrests

Good afternoon,

On 11-02-13, SET Gang officers, assisted by patrol officers, served a search warrant at a residence in the 26000 block of Nublado. Officers detained two subjects and located a laptop stolen from a victim in the city of Perris. Suspect Bryan Gholson (24) was arrested and booked for possession of stolen property. The second person detained was identified as Kenneth Boone (19), a documented member of the criminal street gang known as "South Side Mafia." Boone is wanted in connection with two separate gang-related shootings in the city of Perris. He was booked on two counts of assault with a deadly weapon.

Subject: Robbery Series - conviction and sentence

Good afternoon,

On May 25, 2013, Patrol officers responded to the Popeye's Chicken restaurant at 26510 Iris Avenue reference an armed robbery just occurred. Another Patrol officer spotted the suspect speeding away from the area and gave chase. The suspect abandoned his vehicle in the parking lot at RCRMC and attempted to evade capture by blending in with patients at the hospital. That did not work and he was quickly taken into custody. A search of his vehicle revealed a loaded firearm. The Robbery Suppression Team picked up the investigation and began preparing a search warrant for his residence. While doing so, they learned the suspect matched the description of a suspect in 4 additional robberies in the city of Perris, as well as an additional robbery in Moreno Valley. The Robbery and Burglary Suppression Teams served the warrant on the suspect's residence and located several items used in these previous robberies. They also located the suspect's cell phone. Officers obtained a second search warrant to check phone records. Those records proved the suspect was in the immediate area of each robbery when the robberies occurred.

On September 18, 2013, defendant David Benitez (34) of Perris, pled guilty to all of the above listed robberies and was sentenced to 15 years in state prison. This suspect was a one-man crime wave seriously impacting businesses and patrons in both Moreno Valley and Perris. Between January 30, 2013 and May 25, 2013, he committed no fewer than 6 armed robberies. Based on normal sentencing guidelines, he should serve at least 12.75 years before becoming eligible for parole. Congratulations and thanks to Patrol and RST/BST for putting this case together and making Moreno Valley and Perris safer communities for all.

Subject: Town Hall Meeting

Greetings Mayor & City Council Members,

As part of the City of Moreno Valley, Rising Stars Business Academy YouthBuild Charter School wants to thank you for serving as our Mayor and Councilmembers. Rising Stars Business Academy (RSBA) is a 501(c)3 non-profit organization in the city of Moreno Valley, CA. In order for the students to get their WASC accredited High School Diploma, RSBA partnered with YouthBuild Charter School of California (YCSC).

Since the beginning of the year, September 3rd, the students projects all revolved around the essential question which is "What are the needs of our community?" At the end of every trimester the students are required to participate in the culminating project in order to receive full credit. This trimester the students want to coordinate a Town Hall Meeting.

We are scheduled to have a Town Hall Meeting at our school on Thursday, November 14th at 11:00AM. It is essential to have our City, County, District & State officials present. We would love to have you present at the meeting. The students have been studying the importance of the Mayor and Councilmembers. All next week the students will formulate questions that will be directed toward the symposium guests.

We understand that you must be really busy, but it would be of great honor to have you present at the meeting. We want this to be a great educational experience for our students and allow you to hear from firsthand what the youth in your city feel is a concern and need more attention. In appreciation, there will be a catered lunch for all of our honorary guests.

Thank you for taking the time out to read this message and if you can please notify me by November 6th if you or a representative can attend to address the youth.

Respectfully,
Benedito Orduno

Subject: Sheriff's Academy Graduation - Invitation

Good afternoon,

The graduation ceremony for the Sheriff's Basic Academy Class 191 will be held on November 21, 2013 at 6:00 PM. The ceremony will be held at The Grove Community Church located at 19900 Grove Community Dr., Riverside, CA 92508.

I'd like to invite you to attend this special event and watch as newly minted peace officers are sworn in. The ceremonies are impressive and reflective of the sacrifices made by both the academy recruits and their families during six months of arduous training. Recruits from several agencies will receive their badge of office during the ceremony. Hundreds of family members and supporters will be present, but don't worry, there is plenty of seating available. I look forward to seeing you there!

CITY UPDATE FORADELANTE: NOVEMBER 5, 2013

COUNCIL MEMBER BACA

Good morning! I am Victoria Baca, Council Member for District 5, here to give you an update on the latest happenings at City Hall.

*** * * SCAG Sustainability Planning Grant**

The City has been awarded a grant of approximately \$150,000 in planning services for the Nason Street Corridor Plan. The Plan will create a transportation corridor that improves mobility for pedestrians, bicyclists and public transit while maintaining traffic flows and reducing traffic conflicts on Nason.

*** * * Veterans Day Recognition**

Please plan to join us on Veterans Day when we recognize our community's service men and women! We'll be holding the City's event at the Veterans Memorial on Monday, November 11 at 3:30 p.m. The keynote speaker is Retired Brigadier General James Melin, who led the 452nd Air Mobility Wing at March from 2006 to 2010. The program includes a wreath-laying ceremony and a proclamation naming Moreno Valley as a Purple Heart City. The Valley View High School Band and Moreno Valley Master Chorale are scheduled perform. We're also hosting a small reception to encourage attendees to meet and share their stories.

* * * **Amazon**

Did you see the BIG ANNOUNCEMENT? Get ready to welcome Amazon! Amazon will open a 1.2 million square foot fulfillment center at the northeast corner of Heacock St and San Michele Rd. The project will create more than 1,000 full-time jobs!

* * * **CDBG Public Needs Assessment Meetings**

The City of Moreno Valley anticipates receiving about \$1.9 million in Federal Community Development Block Grant (CDBG) funding and a \$493 thousand in HOME Investment Partnership Grant funding for the FY 2014/15. CDBG funds must be used for programs and projects that benefit low- and moderate-income residents. The City is hosting two community meetings to get input from the public on how grant spending should be prioritized. You are invited to attend one of the following meetings:

Tues Nov. 5, 4:30 - 6 p.m.
CRC
14075 Frederick St.

Wed, Nov. 6, 6 - 7:30 p.m.
Moreno Valley Library
25480 Alessandro Blvd.

* * * **SR 60 East Corridor Study Public Meetings**

The SR60 East Corridor Study will identify land use alternatives along the freeway from Nason Street to the City limits. Two public meetings will review the information:

November 14: the Planning Commission will conduct a public meeting at 7:00 pm in the Council Chambers

December 10 (Tentative): City Council will likely consider the study results and public comments, also in the Council Chambers.

* * * **Moreno Valley Commits to Transparency**

The City of Moreno Valley received a series of federal grand jury subpoenas seeking information related to various City departments and operations. The City will be sharing investigation-related information with the public on a continuing basis, through our website. We are developing a webpage on the City's website – www.moval.org - to provide links to the investigation-related public information that the City will be allowed to share. Updates regarding availability of related information and documents will be provided as frequently as possible. We'll be announcing the release of the webpage shortly.

* * * **Craft Faire**

We're looking forward to the Arts Commission's first Craft Faire on November 16 at the Senior Center.

* * * ***Thanks to the "M" Improvement Volunteers!**

Last Saturday, the City's "M" received a much-needed repainting. City Parks & Recreation Commissioner James Baker lead a community project to upgrade the condition of the famous landmark with the generous assistance of Lowe's Home Improvement and Visterra Credit Union.

At approximately 150 feet long and set at a 45-degree angle on the side of Box Springs Mountain, repainting the "M" was a big challenge and it looks great! So, thanks to James Baker, Lowe's Home Improvement, the Moreno Valley branches of Visterra Credit Union and all the volunteers for their commitment to enhancing the community's landmark "M"!

Employees:

On Friday, Oct. 25, we were all asked to not delete any records. In anticipation of questions about how that will work with emails I want you to be aware of several changes that TS has made to the email system.

1. The auto-delete functions have been turned off;
2. The retention period for email folders has been extended way out (~68 years);
3. Mailbox quotas have been suspended; and
4. Existing backup tapes have been set aside, new tapes have been ordered for backups going forward, and the new tapes will not be reused (to preserve the data on them).

Therefore, you can use the X on emails to "delete" emails (which actually only moves the email to your Deleted Items folder). But do not "empty" or permanently delete mails from your Deleted Items folder until notified that it is OK to do.

Thanks for your cooperation; feel free to contact TS at [REDACTED] if you have questions.

This e-mail was sent to all employees with the permission of the City Manager's Office.

Subject: Town Hall Meeting

Greetings Mayor & City Council Members,

As part of the City of Moreno Valley, Rising Stars Business Academy YouthBuild Charter School wants to thank you for serving as our Mayor and Councilmembers. Rising Stars Business Academy (RSBA) is a 501(c)3 non-profit organization in the city of Moreno Valley, CA. In order for the students to get their WASC accredited High School Diploma, RSBA partnered with YouthBuild Charter School of California (YCSC).

Since the beginning of the year, September 3rd, the students projects all revolved around the essential question which is "What are the needs of our community?" At the end of every trimester the students are required to participate in the culminating project in order to receive full credit. This trimester the students want to coordinate a Town Hall Meeting.

We are scheduled to have a Town Hall Meeting at our school on Thursday, November 14th at 11:00AM. It is essential to have our City, County, District & State officials present. We would love to have you present at the meeting. The students have been studying the importance of the Mayor and

Councilmembers. All next week the students will formulate questions that will be directed toward the symposium guests.

We understand that you must be really busy, but it would be of great honor to have you present at the meeting. We want this to be a great educational experience for our students and allow you to hear from firsthand what the youth in your city feel is a concern and need more attention. In appreciation, there will be a catered lunch for all of our honorary guests.

Thank you for taking the time out to read this message and if you can please notify me by November 6th if you or a representative can attend to address the youth.

Respectfully,
Benedito Orduno

RIVERSIDE COUNTY SHERIFF'S DEPARTMENT
Sheriff Stanley Sniff
Station
Moreno Valley
Agency
Moreno Valley Police
Press Release:

Type of Incident:	Pedestrian Decoy Program		
Date Written:	September 26, 2013	Time Written:	11:15 AM

Date of Incident:	September 26, 2013	Time of Incident:	8:00 AM – 9:00 AM
Location of Incident:	Eucalyptus Avenue x Running Deer Road		
Reporting Officer:	Sergeant Bill Guimont		
File Number:	Various		

Details:

In response to complaints from the public and local crossing guards, the Moreno Valley Traffic Team conducted a Pedestrian Decoy Program today. The Department has received numerous complaints regarding motorists not stopping for pedestrians in various crosswalks and intersections throughout the City. These intersections are utilized for students walking to and from local schools in the area. The California Vehicle Code requires motorists to yield to all pedestrians in a crosswalk.

Today’s operation was conducted at Eucalyptus Avenue X Running Deer Road. This operation is just one aspect of the Department’s Directed Enforcement Program. This program utilized an undercover police officer walking in the crosswalk. In previous operations many of the motorists stopped for these violations said they never saw the pedestrian in the crosswalk. In an effort to make our pedestrian more visible, he was dressed today in a large “Gingerbread Man” outfit. Many motorists who were stopped today said they never saw the “Gingerbread Man” in the crosswalk. Our goal is to make motorists more aware of their surroundings and to be vigilant while driving, especially near schools and crosswalks.

Today during our decoy program, 13 motorists received citations for “failing to yield to a pedestrian in a crosswalk”, and 7 motorists received citations for other traffic related violations.

This program is scheduled to run throughout the year at various locations throughout the city. For additional information the Moreno Valley Police Department Traffic Division may be reached at [REDACTED].

The Riverside County Sheriff's Department is seeking applicants for Deputy Sheriff, Deputy Sheriff Trainee, Correctional Deputy, Sheriff's 911 Communications Officer, and other employment opportunities such as clerical and support positions. Subject: School Burglary and Strong Arm Robberies - Multiple Arrests

Good afternoon,

On 9-29-13 about 7:13 PM, officers responded to Palm Middle School reference a burglar alarm. On arrival, they discovered a legitimate burglary with significant damage. Suspects stole two golf carts and used them to smash through a glass and metal door, causing extensive damage. One of the stolen golf carts was recovered a short while later, but the other remained missing.

On 9-30-13, officers responded to the area of Parkland X Heacock reference several juvenile males riding on a golf cart. On arrival, officers spotted the vehicle and suspects. The suspects abandoned the golf cart and fled on foot. After a foot pursuit and a search of the area, two juvenile male suspects were taken into custody. Further investigation by the Burglary/Robbery Suppression Team identified a third juvenile suspect. Additionally, the 17 year-old suspect confessed to three unsolved strong-arm robberies in the area of Hemlock x Perris. The 13 year-old suspect confessed to one strong-arm robbery in the area of Sunnymead Ranch x Old Lake Drive. All four robberies were committed against other juveniles and involved the theft of cellular telephones. BST/RST officers located one of the stolen cell phones at a local indoor swap meet and returned it to the victim. Both suspects were booked into Riverside Juvenile Hall on multiple felony counts.

On 10-01-13, RST/BST served a search warrant at an apartment in the 12200 block of Lamos Place reference the school burglary and theft of the golf carts. Nothing of evidentiary value was located and the third suspect was not home. Officers spotted the third suspect, a 17 year-old male, in the area of Hemlock and Perris. He fled on foot but was quickly apprehended. Under Miranda, he confessed to his part in the burglary and theft of the gold carts and implicated two of his co-conspirators. The suspect was booked into Riverside Juvenile Hall on charges of burglary, conspiracy, auto theft, and violation of probation.

RST/BST officers responded to a residence in the 12000 block of Orchid and contacted the two co-conspirators. The 14 and 16 year-old brothers confessed to their stealing and riding in the gold carts with the other suspects. Charges will be sought against these two suspects via the Juvenile Court. All suspects involved in the burglary of Palm Middle School and theft of the golf carts have now been identified, arrested, and/or charged for this crime.

Moreno Valley City Hall
14177 Frederick Street
PO Box 88005
Moreno Valley, California 92552

Re: Demand to Cure Violations of the Ralph M. Brown Act and
Government Code Section 34882

Dear City Councilmembers Owings, Molina, Baca, and Stewart:

On behalf of Basil Kimbrew, Radine Ramos Hiers, Deanna Reader, and numerous other Moreno Valley voters represented by our office, we write to demand that the City Council of Moreno Valley (the "Council") take immediate action to cure and correct the violations of the Ralph M. Brown Act, Government Code section 54950 et seq. (the "Brown Act"), and the California Elections and Government Code committed by members of the Council on and around September 24, 2013. The Council's abrupt and evidently predetermined appointment of Yxstian Gutierrez to complete the unexpired term of office of former councilmember Marcelo Co was accomplished without adequate public notice and without any meaningful opportunity for public comment; indeed, there was not even any opportunity provided for the Council itself to deliberate on Dr. Gutierrez's unexpected appointment. By its conduct, the Council majority demonstrated a disturbing contempt for democratic participation in a community already plagued by distrust of its public officials.

The Council's action in appointing Dr. Gutierrez to the city council violated both the spirit and the letter of the Brown Act, California's open meetings law. The Brown Act is intended "to facilitate public participation in local government decisions and to curb misuse of democratic process by secret legislation by public bodies." (*Cohan v. City of Thousand Oaks* (1994) 30 Cal.App.4th 547, 555.) These protections are founded on the precept that "[t]he people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created." (Gov. Code, § 54950.) The Council majority's handling of the appointment of Dr. Gutierrez to fill the vacancy in the District 4 seat made a mockery of these fundamental principles of democracy.

MV00260802

Moreover, it has come to light that Dr. Gutierrez does not live in the council district from which Mr. Co was elected and whose unexpired term he was appointed to fill. Accordingly, under established California law, Dr. Gutierrez was ineligible to be appointed to that office or to continue to hold the position of Council representative for District 4. If his appointment is not rescinded, every action that the Council takes with his participation will be of questionable legality, and judicial action will be necessary to compel his removal from office.

We therefore request, pursuant to Government Code sections 54960.1 and 34882, that the City Council immediately take action to remedy its illegal conduct. Specifically, the Council must rescind its unlawful appointment of Dr. Gutierrez and address the vacancy on the Council through a properly noticed, open public meeting that permits full public discussion and council deliberation of this important issue and that results in a decision that conforms with all applicable provisions of law.

Violations of the Brown Act

(1) *A majority of the Council engaged in an unlawful secret meeting to discuss appointing a replacement for Mr. Co.* The cornerstone of the Brown Act is its requirement that meetings of legislative bodies to discuss public business must be properly noticed and, with narrow exceptions not relevant here, open to the public. It is therefore illegal for a majority of the members of the Council, outside of a properly noticed public meeting, to “use a series of communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item of business that is within the subject matter jurisdiction of the legislative body.” (Gov. Code, § 54952.2, subd. (b)(1).) Our clients are aware of at least two nonpublic communications that occurred between councilmembers concerning whether to appoint someone to fill the District 4 seat left vacant by Mr. Co’s resignation. Together, these conversations constituted an unlawful secret meeting by a majority of the members of the City Council in violation of the Brown Act.

The issue of whether to appoint someone or, alternatively, to hold a special election to fill former Councilmember Co’s 4th District seat is indisputably an item of public business within the Council’s jurisdiction. Indeed, this precise issue was agendized for discussion at the September 24, 2013, Council meeting. Prior to the council meeting, however, Mayor Owings contacted Councilmember Stewart to express his preference for appointing someone to fill the unexpired portion of Mr. Co’s term. During the Council’s abbreviated discussion of this issue, Councilmember Stewart explicitly referred to this communication with Mr. Owings, and he subsequently elaborated on the contents of his conversation with Mr. Owings in a newspaper article later that week. (See S. Hurt, “Moreno Valley: Naming of Councilman May Have Violated Law, Expert Says,” *Riverside Press-Enterprise* (Sept. 27, 2013).)

Mr. Owings also evidently engaged in pre-meeting deliberations with Councilmember

Baca regarding the same issue. The two discussed not only the proposal to fill Mr. Co's seat by appointment rather than to hold an election, but apparently went so far as to agree on the appointment of Dr. Gutierrez. The September 24th Council meeting includes the following exchange between Mr. Owings and Ms. Baca, which makes their pre-meeting collusion unmistakable:

- Mr. Owings: “. . . This council should exercise its . . . State of California constitutional authority and make the decision to fill this vacancy. So I would entertain a motion.”
- Ms. Baca: “I would like to use the first option, which is to appoint someone to serve out the remainder of the unexpired term until December 8th – I'm sorry, 9th – 2014. . . . So moved.”
- Mr. Owings: “Let's just do one motion. Do you have someone in mind?”
- Ms. Baca: “I do.”
- Mr. Owings: “All right, let's read the motion and let's get – let's just put it out.”

As the *Riverside Press-Enterprise* observed in its editorial lambasting the City Council the next day, “unless council members have suddenly developed telepathic powers, the majority had to have conferred on the issue and settled on a choice in private before the meeting.” For example, Mr. Owings could not possibly have known that Ms. Baca had “someone in mind” for the appointment to fill Mr. Co's unexpired term had they not previously discussed the matter.¹ Mr. Owings's previous comments had related only to whether the Council should exercise its authority to fill the seat by appointment rather than election, and Ms. Baca's initial motion responded only to that narrow issue. As Mr. Stewart observed, the Council's past practice had been to invite applicants and to publicly interview them before making appointments to city positions. Particularly in light of that history, nothing in Ms. Baca's suggestion to “use the first option, which is to appoint someone,” implied that she also had a specific candidate in mind for the appointment that evening. Yet Mr. Owings not only was somehow aware that Councilmember Baca was ready to appoint a particular person at that time, but he expressed no surprise, made no comment, and displayed no visible reaction when she announced who that person was. Instead, Mayor Owings — somehow knowing that Dr. Gutierrez just happened to be present at the council meeting that night — asked Ms. Baca to amend her motion to have him sworn in immediately, even somehow divining that Dr. Gutierrez had prepared and wanted to

¹Indeed, Ms. Baca acknowledged to the press that she had introduced Dr. Gutierrez to Mayor Owings in a meeting between the three of them the weekend before the City Council's vote on September 24th, but claimed — incredibly — that they did not discuss his possible appointment. (S. Hurt, “Moreno Valley: Naming of Councilman May Have Violated Law, Expert Says,” *Riverside Press-Enterprise* (Sept. 27, 2013).)

deliver a written “acceptance speech” following his swearing-in ceremony.²

The conversation between Mr. Owing and Mr. Stewart, together with the communications between Mr. Owing and Ms. Baca, comprise serial meetings involving three members of the Council – a majority – to discuss whether the Council would exercise its statutory authority to fill the vacant District 4 Council seat by appointment or would instead call a special election to let the voters of the District decide who their representative should be. It is immaterial whether or not Mr. Stewart actually reached a consensus with Mr. Owing and Ms. Baca to proceed with the appointment of Dr. Gutierrez: the Brown Act prohibits *secret deliberation and discussion*, regardless of whether such communications result in an agreement to take specified action. (*Frazer v. Dixon Unified School Dist.* (1993) 18 Cal.App.4th 781, 796; see also 84 Cal. Ops. Atty. Gen. 30, at *2.) It was unlawful under the Brown Act to discuss this matter *at all* outside of a noticed public meeting, and the secret serial discussions, spearheaded by Mr. Owings and including a majority of council members, renders the resulting action taken by the Council unlawful.

(2) *The council’s action to appoint Dr. Gutierrez was not adequately noticed on the meeting agenda.* The Brown Act requires every legislative body, at least 72 hours in advance of its regular meeting, to “post an agenda containing a brief general description of each item of business to be transacted or discussed at the meeting.” (Gov. Code § 54954.2, subd. (a).) “No action or discussion shall be undertaken on any item not appearing on the posted agenda.” (*Id.*, subd. (b).) The agenda for the Council’s September 24, 2013, meeting stated only that the council would “consider the procedural options to fill the vacancy on the council in District 4 and take possible action to fill the vacancy.” This statement was legally insufficient to notify members of the public that the Council actually planned to appoint someone to fill the unexpired portion of Mr. Co’s term at the September 24th meeting.

While the description provided by the agenda is permitted by the Brown Act to be “brief” and “general,” it must nevertheless give interested members of the public functional notice of the action the Council will take at the meeting. A description that is “inadequate to show the whole scope of the [Council’s] intended plans” is unlawful. (*Carlson v. Paradise Unified Sch. Dist.*

²We are confident that discovery will reveal the full extent of the pre-meeting secret collaboration among members of the council regarding this issue. For example, Councilmember Stewart indicated at the meeting that he had seen Ms. Baca give Mr. Owings a document prior to the meeting (but which the Mayor refused to show Mr. Stewart), which was quite likely a copy of what she read from in proposing to appoint Dr. Gutierrez to the Council and which undoubtedly was what led Mr. Owings to invite Ms. Baca to “read the motion.” The failure of Councilmembers Baca and Owings to make that document publicly available may well have constituted a violation of the Brown Act, in and of itself. (See Gov. Code, § 54957.5, subds. (b) & (c).)

(1971) 18 Cal.App.3d 196, 200 [applying analogous provision of Education Code].) In particular, when multiple decisions relate to the same topic, each item involving a “separate action or determination” by the Council must “be expressly disclosed on the agenda.” (*San Joaquin Raptor Rescue Center v. County of Merced* (2013) 216 Cal.App.4th 1167, 1176.) Whether the Council should fill the vacancy in the 4th District seat by appointment or by special election is an entirely distinct decision from the issue of what particular person should be appointed to the position, and both topics must be separately noticed on the agenda.

The term “take possible action to fill the vacancy” in no way satisfied Government Code section 54954.2’s disclosure requirement. The agenda’s phrasing was entirely too vague to give the public meaningful notice that the Council might actually vote to appoint a specific individual to the City Council on September 24, much less to notify residents that Dr. Gutierrez was a candidate for such appointment. The agenda suggests, at most, an intent to discuss and vote on the *procedures* for making a “potential” appointment if the Council were to decide to go that route rather than to hold an election. This inference is strengthened by the placement of this item in the “Reports” section of the agenda, rather than under “Legislative Actions” — thereby suggesting that no actual *action* would be taken at the meeting — and by the Council’s past practice, as described by Mr. Stewart, of inviting applicants and publicly debating their qualifications before voting on an appointment. In view of these facts and giving the agenda a common sense reading, “the agenda was not an adequate specification or description of the business that was transacted at the [September 24th] meeting.” (*Moreno v. City of King* (2005) 127 Cal.App.4th 17, 26 [holding that agenda item stating “public employee (employment contract)” was inadequate to notify public of discussion of dismissal of a public employee].)³

(3) *The Council failed to allow any opportunity for public comment on Dr. Gutierrez’s appointment.* Although the Council purported to permit the public to comment on the agenda item relating to filling the vacancy in Council District 4, the only meaningful public comment that was actually allowed related solely to the question of whether the seat should be filled by an appointment or by an election. Due to the way in which the agenda combined the two separate issues into a single agenda item, there was *absolutely no opportunity for public comment* on the critical issue of whether the Council should appoint *Dr. Gutierrez* or someone else to fill the

³It is no surprise, then, that given the inadequate notice of this issue in the agenda, not a single member of the public spoke to the qualifications of any particular individual for appointment to fill Mr. Co’s unexpired term. Rather, *all of the public comment* addressed the predicate issue of whether the Council should fill the 4th District vacancy by appointment or by an election. Indeed, as noted in the following paragraphs, the agenda and handling of this item by the Council was structured in a manner that *rendered it impossible* for any member of the public to provide — and for any Council member to receive — *any input whatsoever* regarding the qualifications of Dr. Gutierrez for appointment to the Council — an independent violation of the Brown Act pursuant to Government Code section 54954.3.

vacant seat representing District 4. By failing to permit any meaningful public comment on Dr. Gutierrez's appointment, the Council violated Government Code section 54954.3, which requires "an opportunity for members of the public to directly address the legislative body on any item of interest to the public, *before or during the legislative body's consideration of the item*, that is within the subject matter jurisdiction of the legislative body." (Emphasis added.)

The only opportunity that the Council provided for the public to comment on the District 4 vacancy issue occurred before the meeting attendees had any reason to believe that the Council would act on an appointment that evening, much less that it would appoint Dr. Gutierrez to the seat. The only material included with the agenda for this item was the City Attorney's report, which focused entirely on the procedural options available to the Council — that is, whether to fill the vacancy by appointment or by calling a special election. Before this item was called and opened up for public comment, neither the Mayor nor any of the other council members (including those who clearly intended to move for and to vote for Dr. Gutierrez's appointment at this meeting) gave any indication that the ensuing Council deliberations or action might encompass the appointment of a particular individual to the District 4 seat. And the agenda, as discussed above, likewise failed to refer to any specific candidates or even to disclose that the Council might proceed to make an appointment that night without first at least inviting applicants to express their interest in being considered to fill the vacancy created by Mr. Co's resignation.

It was only after the public comment session on this agenda item had been closed that Councilmember Baca made her motion to appoint Dr. Gutierrez to fill the vacancy, the first inkling that any member of the public could possibly have had that the Council was considering taking such an action. And rather than re-opening the public comment session at that point so that the citizens of Moreno Valley could express their views, opinions, and questions regarding this sudden turn of events, Mayor Owings instead immediately "called for the question" on Ms. Baca's motion, squelching any opportunity for public discussion and only grudgingly allowing *even Councilmember Stewart* to speak on the matter. Thus, none of the citizens who attended the Council meeting had any occasion to address Dr. Gutierrez's qualifications for office *before or during* the Council's consideration of his appointment, because at the time they were permitted to speak, they could not have had any knowledge of his existence as a candidate for appointment to the District 4 Council seat.

Government Code section 54954.3 requires "an opportunity for public comment on *each specific agenda item* as it is taken up by the body." (*Galbiso v. Orosi Public Utility Dist.* (2008) 167 Cal.App.4th 1063, 1079 [emphasis added].) As discussed above, the procedural issue of whether to proceed by appointment or special election is distinct from the question of whom should actually be appointed to fill the vacant District 4 seat. An opportunity for public comment was required to be provided *after* the identity of Dr. Gutierrez as a candidate for appointment was revealed by the Council. Only by providing such an opportunity could the citizens of Moreno Valley exercise their right under section 54954.3 "to directly address the legislative body on any

item of interest to the public, *before or during the legislative body's consideration of the item,*" and only after providing such an opportunity for public comment could the Council legally vote on Ms. Baca's motion to appoint Dr. Gutierrez to fill the District 4 seat on the Council.

Violation of Government Code Section 34882

The City Council's action in appointing Dr. Gutierrez to fill the unexpired term of Mr. Co for the District 4 seat on the Council must be rescinded for an independent substantive reason: Dr. Gutierrez does not reside within the boundaries of District 4 as the District was constituted when Mr. Co was elected and as it exists for purposes of filling the vacancy in his unexpired term of office. Consequently, Dr. Gutierrez was not eligible to be appointed to fill the vacancy in that office and he continues to be ineligible to serve as a member of the City Council representing District 4 pursuant to Government Code section 34882.

As you are undoubtedly aware, the dispute regarding Dr. Gutierrez's eligibility to hold office stems from the circumstance that in 2011, subsequent to Mr. Co's election in 2010 for a four-year term of office representing District 4, the city council boundary lines were redrawn. Dr. Gutierrez resides in and is registered to vote at an address that was *not* within District 4 at the time Mr. Co was elected to office (the "old" boundary lines), but which *is* within District 4 under the redistricted boundaries (the "new" boundary lines). The critical issue is whether, for the purpose of filling a vacancy in the unexpired term to which Mr. Co was elected, the "old" or the "new" boundary lines apply in determining who resides in District 4.

Not surprisingly, this is not the first time that this issue has arisen in California. Indeed, the issue arises with some regularity following every decennial redistricting for Congressional and state legislative offices, when inevitably — as a result of the resignation, death, or recall of the incumbent officer — an election must be held to fill the vacancy in an office whose boundary lines were redistricted subsequent to the previous incumbent's election but prior to the expiration of the office's term. Earlier this year, for example, special elections were held to fill vacancies created by the resignations of the incumbent officeholders in State Senate Districts 26 and 32, for terms that began in December 2010 and were not due to expire until December 2014, but whose boundary lines had been changed as a result of the 2011 statewide redistricting statute.

The established law in California is that under these circumstances, *the old district boundary lines* are to be used to fill the vacancy in the unexpired term of office, and thus *only those individuals who reside in the district as it was constituted at the time of the former incumbent's election are eligible to vote in an election to fill the vacancy or to be appointed to hold the office for the remainder of the unexpired term.* The leading case is the California Supreme Court's decision in *Sloan v. Donoghue* (1942) 20 Cal.2d 607. In that case, Lee Geyer had been elected to Congress to represent the 17th Congressional District in November 1940. Geyer died in October 1941, creating a vacancy in the office for the remainder of his unexpired term, through December 1942. Between Geyer's election and death, however, the Legislature

redistricted the boundaries of the 17th Congressional District. The Governor called for a special election to fill the vacancy using the boundary lines of the 17th Congressional District *as it existed when Geyer was elected* in 1940. The Supreme Court unanimously held that this was the proper district to use for the special election.

The question considered by the Court in *Sloan v. Donoghue* is identical to that presented by the current circumstances in Moreno Valley: “The issue presented by this proceeding is whether the election was properly proclaimed to be held in the 17th Congressional District as it existed when Geyer was elected [o]r, conversely, should the election have been proclaimed to be held in the enlarged district as it existed when the governor issued his proclamation.” (20 Cal.2d at p. 609.) The Court’s unequivocal answer is equally applicable here: “We are satisfied that under the circumstances of this case the proclamation of the governor properly called for the election to be held in the old district.” (*Ibid.*)

The Court in *Sloan* noted that “it is not the first time the problem has arisen in this state,” that “similar problems have arisen with the adoption of each Apportionment Act by the Legislature,” and that the Attorney General’s office “uniformly has advised that the special election should be held in the old district,” citing five such prior opinions so holding. (*Id.*, p. 611.) The Supreme Court also observed that its ruling was consistent with established law elsewhere, citing both *McCrary on Elections* [“The true rule, therefore, must be that a district once created, and having elected a Representative in Congress, should be allowed to continue *intact* for the purpose of filling any vacancy which may occur, until the end of the Congress in which it is represented.”] and *Corpus Juris* [“If after a congressional election the state is redistricted and a vacancy then occurs, such vacancy should be filled by the suffrage of the electors of the old district and not by that of the electors of the new district.”]. (20 Cal.2d at pp. 609-610.)⁴

The Supreme Court applied the same ruling to vacancies that occur in state legislative offices in *Legislature v. Reinecke* (1973) 10 Cal.3d 396. In that case, the Court considered whether elections for State Senate had to be held in all Senate districts after a decennial census and delayed reapportionment, or only in the 20 new even-numbered districts that were normally scheduled for that year. Citing *Sloan v. Donoghue* (among other cases), the Court held that “those senators elected from odd-numbered districts in 1972 are entitled to serve four-year terms

⁴Significantly, the Court held that the old district boundaries should be used for the purpose of filling the vacancy in office even while acknowledging that those boundaries had expressly been repealed and replaced by new boundary lines under the intervening 2011 Apportionment Act. (*Id.*, p. 608.) The Court nevertheless ruled that “the only practical and sound conclusion is that regardless of the repeal of the act creating and delineating the old district, the special election to fill the vacancy now existing should be held in the old district.” (*Id.*, p. 612 [citation omitted].)

or until after the 1976 general election, and *if vacancies occur in their offices they will be filled by elections in the districts in effect in 1972.*” (10 Cal.3d at p. 404 [emphasis added].) The Court in *Reinecke* fully recognized that “to give continuing effect to the old odd-numbered districts for the purpose of allowing the incumbents therein to serve their full terms and for the purpose of filling any vacancies in such districts” would result in some voters having to wait six years between senatorial elections and “be[ing] represented by no senator in whose election they could participate for two years following reapportionment” (*id.*, p. 405) — the same circumstance that Dr. Gutierrez apparently finds himself in with respect to Moreno Valley City Council elections following the 2011 redistricting. But the Supreme Court found that this result was merely “the inevitable byproduct of reapportioning a legislative body whose members are elected for staggered four-year terms.” (*Ibid.*)

In conformance with the Supreme Court’s decisions in *Sloan v. Donoghue* and *Legislature v. Reinecke*, the California Secretary of State — the state’s chief elections official — issued a directive to all county clerks and registrars of voters on August 15, 2011, instructing them that although the newly drawn boundaries adopted by the Citizens Redistricting Commission in August 2011 are effective and should be used beginning with the June 2012 Presidential Primary election, “it is critical that you preserve the current maps and other data necessary to hold an election using the current district lines” because for “any recall election involving a member of the Legislature or Board of Equalization, or a special vacancy election to fill a legislative vacancy, the existing (in this case, the 2001) — not the proposed — district lines would be used for that election.” (Memorandum from Jana M. Lean, Chief, Elections Division, California Secretary of State’s Office to All County Clerks/Registrars of Voters, dated Aug. 15, 2011 [emphasis in original] [citations omitted].)⁵

In sum, *it is beyond dispute* that California law requires that elections to fill vacancies in unexpired terms be held in the “old” electoral districts, not the new districts that would be applicable in the next general election following redistricting. (See, e.g., *Gaona v. Anderson* (9th Cir. 1993) 989 F.2d 299, 301 [Secretary of State’s and county registrars’ decision to hold special election to fill vacancy using the boundaries of the “old” state senate district instead of the newly configured district following reapportionment “was based on established California law”].) Indeed, just as the special elections held earlier this year to fill the vacancies in State Senate Districts 26 and 32 were conducted using the old, pre-2011-redistricting boundaries for those districts, if the Riverside County Registrar of Voters were to conduct a special election to fill the vacancy in the District 4 Council seat for Mr. Co’s unexpired term, the Registrar would be compelled under California law to use the city council district boundaries for District 4 as they existed when Mr. Co was elected, prior to the 2011 redrawing of those district lines. And because Dr. Gutierrez would not be eligible to *vote* in that election, he is likewise ineligible to be *appointed* to fill the vacancy for that office under Government Code section 34882.

⁵A copy of the Secretary of State’s August 15, 2011, directive is attached hereto.

Moreno Valley City Council
October 4, 2013
Page 10

For the reasons set forth above, the City Council's action in appointing Dr. Gutierrez to fill the unexpired term of office for the District 4 Council seat resulting from Mr. Co's resignation was manifestly illegal. We thereby demand that the Council immediately rescind its unlawful action and instead call for a special election to be held as soon as legally possible to fill the vacancy in the office of City Councilmember for Council District 4.

Sincerely,

Fredric D. Woocher

County Clerk/Registrar of Voters (CC/ROV) Memorandum # 11062

TO: All County Clerks/Registrars of Voters

FROM:

Jana M. Lean
Chief, Elections Division

RE: Redistricting Maps: 2011 Congressional, Legislative, and BOE Districts

Today, August 15, 2011, the Citizens Redistricting Commission (CRC) certified the final maps for the Congressional, Legislative, and Board of Equalization districts to the Secretary of State.

We will be placing the certified final maps in equivalency and shape file formats (CDF, DBF, and SHP) in your county's CalVoter in-box. For your convenience, we have also provided a statewide jurisdiction table outlining the districts within each county.

Please promptly begin preparing your precincts with the new lines for the upcoming June 5, 2012, Presidential Primary Election. However, it is critical that you preserve the current maps and other data necessary to hold an election using the current district lines, should those lines be required for use in the event of a special election, a recall election, a court order, or should a referendum challenging one or more of the CRC maps qualify for the ballot.

Pursuant to previous court decisions, any recall election involving a member of the Legislature or Board of Equalization, or a special vacancy election to fill a legislative vacancy, the existing (in this case, the 2001) – not the proposed – district lines would be used for that election. (*See Gaona v. Anderson (9th Cir. 1993) 989 F.2d 299; and Sloan v. Donoghue (1942) 20 Cal.2d 607.*)

Under California Constitution article XXI, section (3)(b), a registered voter is permitted to file a challenge in the California Supreme Court to the CRC maps within 45 days after they have been certified by the CRC. The 45-day period ends on September 29, 2011.

Each certified map is also subject to referendum. Pursuant to California Constitution article XXI, section 2(i), any voter may file a referendum petition on any map or portion

CCROV # 11062
August 15, 2011
Page 2

of a map within 90 days of the final certification of the maps. The 90-day period to request a title and summary from the California Attorney General and collect the requisite signatures for filing with county elections officials ends on November 13, 2011.

If you have any questions regarding the CalVoter transmission of the final certified maps, please contact the CalVoter Help Desk at [REDACTED]. For other non-CalVoter related questions, please contact Diane Hinkle at [REDACTED].

Subject: Assault with a deadly weapon

Good morning,

Shortly after 12:00 AM today, officers responded to the 24000 block of Webster Avenue reference multiple gunshots fired at a residence. On arrival, officers detained a subject standing in the street armed with a handgun.

Initial investigation indicates a suspect who lives in Perris drove to the residence and fired multiple gunshots at the residence on Webster. The victim armed himself and returned fire at the suspect's vehicle.

Officers contacted Perris PD who ultimately found the suspect vehicle at a residence. The suspect attempted to flee, but realized he was surrounded. After a brief standoff, the suspect was detained.

MVPD investigators are now in the process of determining what actually happened and who was involved. Search warrants are being prepared for several locations and vehicles.

At this time, it appears nobody was injured by the gunfire. I will update you later.

Good Evening Mr. Lucas:

Thank you very much for acknowledging staff's efforts to resolve the issues on Jennings. I am pleased that we were able to address the problem and find a solution.

I'll forward your email to the City Council members, City Manager, and Public Works staff.

Again, thank you.

Cindy Miller,

I want to take this opportunity to thank Mayor Stewart, the Street Maintenance Department, and you in resolving my street issue in a timely manner. Over the course of five years, dirt and debris had accumulated at the end of my street, and Street Maintenance couldn't clean it up because my street was never "Accepted" by the City. After speaking with the Public Works Director Ahmad Ansari, and Mayor Stewart I was able to get the ball rolling and your office became

involved in finding a solution. In fact Mayor Stewart called me directly and insured me that he cares about my concerns and would look into the matter. I want to personally thank the Mayor for taking time to speak with me. I'm sure he's a busy man and for him to take time to speak with me, surely impressed me. I also want to thank you for keeping me informed during this process, and as of recent my street has been cleaned and now properly represents the homes that are on the street. My neighbors are also ecstatic from the city's immediate response.

Sincerely:

Melvin Lucas

Mayor and Council Members,

Ms. Hernandez stated Louise Palomarez is offensive at Council meetings, and last week she told people to go to hell, but Mayor Owings didn't stop her. She stated Ms. Palomarez was talking about getting flipped off by people at the recall booth at WalMart on Nason, and Ms. Palomarez held up her middle finger in front of the camera. She stated Ms. Palomarez has no education, is ignorant and insulting to watch at Council meetings. She stated Mayor Owings allowed her to speak last on purpose at last evening's meeting so no one could respond to her remarks. She stated it's ridiculous and wrong. Ms. Hernandez stated if Mayor Owings is going to insult and berate Council Member Stewart, he needs to let Council Member Stewart defend himself. She stated Mayor Owings demanded a female speaker apologize for calling Moreno Valley Moron Valley, yet he doesn't apologize for his own nastiness. She stated Chris Baca feels he can throw his weight around because his sister is a Council Member. Ms. Hernandez stated she is Mexican, and she is embarrassed and insulted by Louise Palomarez. She stated there needs to be order, respect and dignity at the Council meetings. Ms. Hernandez declined to give her phone number as she stated she doesn't want Mayor Owings to call her and bully her.

Subject: Prostitution Operation - Sunnymead Blvd.

Good afternoon,

The MVPD POP Team, supported by the other units in the Special Teams Division, conducted a prostitution operation on 10-10-13 between the hours of 12:00 noon and 10:00 PM. Using hotel rooms donated by the Comfort Inn (23330 Sunnymead Blvd) undercover officers arrested 19 men who solicited an undercover female officer for prostitution. Two women were also arrested when they solicited an undercover male officer. Of the 21 people arrested, four attempted to barter using marijuana instead of cash as payment. They each were charged with possession with intent to furnish marijuana, a felony. A total of 5 ounces of high quality marijuana was seized. Suspects arrested reside in communities throughout Southern California, including Menifee, Perris, Riverside, Moreno Valley, Eastvale, Lake Elsinore, Tustin, Ontario, Burbank, Victorville, and Alta Loma.

The four suspects arrested for furnishing marijuana were booked into RPDC. The remaining suspects were released with a citation for solicitation of prostitution.

Subject: Protest at Burger King

Good evening,

Tonight about 8:00 PM, officers responded to the Burger King restaurant on Hemlock X Pigeon Pass, the site of the in-custody death that occurred last night. Burger King employees called for assistance when about 40 protesters/mourners gathered at the location and blocked the drive-through and pedestrian access to the facility.

Officers spoke to the apparent organizer of the event and explained the violations that were occurring. The mourners understood and decided to leave the area and carry on their vigil at a nearby apartment complex where many of them apparently reside. Officers will monitor the area for the remainder of the evening.

No arrests, no injuries, no incidents to report at this time related to this call for service

Joel

The Great California ShakeOut

The Great California ShakeOut is an annual opportunity to practice how to be safer during earthquakes. You could be anywhere when an earthquake strikes: at home, at work, at school, or even on vacation. Are you prepared to respond, survive and recover quickly?

Drop, Cover and Hold On: Protocol to protect lives during earthquakes:

When: Thursday, October 17, 2013

Time: 10:17 AM

Why is it important to do a “Drop, Cover and Hold On” drill?

You may only have seconds to protect yourself in an earthquake, before strong shaking knocks you down--or drops something on you. You must react quickly and practice often. Practicing helps you be ready to respond.

How can you participate?

If you are inside a building, move no more than a few steps, then Drop, Cover and Hold On:

- **DROP** to the ground (before the earthquake drops you!),
 - Take **COVER** by getting under a sturdy desk or table,
 - and **HOLD ON** to it until the shaking stops.
-
- ❖ If there isn't a table or desk near you, drop to the ground at an inside corner of the building and cover your head and neck with your hands and arms. Do not try to run to another room just to get under a table.
 - ❖ Remain indoors until the shaking stops and you are sure it is safe to exit. Most buildings in California are safer if you stay where you are until the shaking stops.
 - ❖ The main point is to immediately protect yourself where you are and try not to move.

Preparedness at work:

Keep a small backpack, duffle bag or survival kit of your own personal supplies in a desk drawer. This pack could include the following:

- ✓ Flashlight with extra batteries
- ✓ Emergency blanket (very compact and made of a special material that reflects up to 90% of your body heat)
- ✓ Food (high calorie food bars, MREs, granola bars, fruit bars, candy bars, crackers, fruit leather, raisins, nuts, prepackaged foods, etc.)
- ✓ Water pouches or juice boxes
- ✓ Pair of walking shoes
- ✓ Mini first aid kit (adhesive bandages, rolled bandages for sprains, pain reliever, any medication you need, gauze, antiseptic wipes, antibiotic first aid cream, etc.)

In addition to packing a small survival kit, here are some other important things you can do:

- ✓ Read Moreno Valley's evacuation plan. If your building or facility doesn't have a copy, contact Alia Rodriguez at [REDACTED] Make sure you are familiar with your departments meeting location.
- ✓ Make sure you are aware of the exit routes in your building.
- ✓ Know where the fire extinguishers and first aid kits are located.
- ✓ Note the locations of stairways as you walk from room to room.
- ✓ Carry a card in your wallet or purse that has important phone numbers including the number of your out-of-state phone contact.

Earthquakes occur without any warning and may be so violent that you cannot run or crawl; you will most likely be knocked to the ground. You will never know if the initial jolt will turn out to be the start of the big one. You should Drop, Cover, and Hold On immediately!

Filling a City Council Vacancy: Representation for Everyone Now
By Victoria Baca

The editors of the Press-Enterprise have opined that voters, and not council members, should have selected the individual to fill the vacant 4th District seat on the Moreno Valley City Council (*“Let City Voters Fill Vacant Council Seat”*, Aug. 26). But that course of action would have required far too much sacrifice by residents, and would have hindered the City’s ability to tackle pressing issues facing the 4th District.

To fill this Council vacancy, the City had the following 4 options:

- 1) Appoint someone to serve out the remainder of the unexpired term, until December 9, 2014. The Council’s decision to do so provided immediate and consistent representation for the residents of District 4 for the next 15 months.
- 2) Call a special election to fill the vacancy, leaving the seat open for 8 months. The earliest date to hold a special election would have been April 8, 2014. The individual elected would serve only the remaining 7 months of the unexpired term, while subjecting voters to two Council elections within a period of just 6 months and an additional cost of \$50,000.
- 3) A hybrid of the above options: appoint someone to fill the vacancy for the 7 months until a special election next April, with the individual elected serving only 7 months of the unexpired term. This could result in District 4 being represented by as many as 4 different Council Members in less than a year and a half, with added election costs.
- 4) Take no action. In this case, the vacancy would be filled by election on April 8, 2014 and the individual elected to office would serve the remaining 7 months of the term. Like option 2, this would have cost taxpayers \$50,000 while leaving District 4 residents without representation for a total of 8 months.

I am a fierce advocate for voters’ rights. As noted by the P-E, I supported the recent successful campaign to have the school district board vacancy filled by election and not appointment.

So why would I vote to fill a Council vacancy by appointment in lieu of an election?

The answer is representation. The residents of City Council District 4 deserve consistent representation now and should not have to wait until April of 2014.

How is a decision to appoint to fill a City Council vacancy different than doing so for a school board seat?

Council Members represent Districts; more than 39,000 of our residents had no Council representative during the vacancy. School board members are elected at-large, serving all residents. A vacancy on the school board does not leave anyone unrepresented.

District 4 has interests and issues that are different than other areas, including the recent siting of large, job-producing businesses within the area. These residents deserve to have a Council representative now...someone who lives in their neighborhood and is familiar with the qualities that make the southern part of our City unique.

Lastly, while I applaud the P-E advocating for “a credible unbiased selection process,” the paper doesn’t have a strong track record for understanding our voters. The paper consistently endorses candidates who are subsequently rejected by Moreno Valley residents....in the last two elections alone the P-E’s endorsed candidates were 0 for 5. They couldn’t be more out of touch with our community.

It’s time to get on with business in MoVal, and I stand by my vote to fill the vacant 4th District seat.

Subject: Media Inquiry: 10/22 Agenda Report

Honorable Mayor and Council Members,

PE Reporter Suzanne Hurt contacted our Office just before 5 p.m. this afternoon regarding Item A-10 on the Council's 10-22 meeting agenda. While the item is a routine update to the City's Records Retention Policy (agendized by the City Clerk), Ms. Hurt's line of questioning implied that the City was intentionally destroying records in an attempt to conceal them or preclude release.

Specifically, Ms. Hurt referred by name to the attorney representing several laid-off employees (Paul Early, Anne Schneider and Albert Brady) and asked if records were being destroyed in association with pending litigation...so they would not be available. I responded clearly and directly that this had nothing to do with litigation and would not affect records associated with matters of litigation. I also stated that such an allegation is "preposterous."

Although this is the first time I've seen a newspaper reporter inquire about a routine update to an organization's Records Retention schedule, we wanted to make you aware of the pointed line of questions being directed toward this item. Ms. Hurt indicated that she will contact Jane on Monday to discuss in greater detail.

Respectfully,

Tom

Subject: Cassie McDuff/Press Enterprise

Mayor Owings, Mayor Pro Tem Molina & Council:

I spoke to Cassie McDuff this afternoon and covered the items below. I made it clear that Council meeting videos would not be destroyed, "videos are too valuable to our public as well as staff." I also discussed the Code Compliance Case retention, reiterating that if there is an investigation or involved in litigation it would be placed on hold. Records destruction was also discussed and I informed her how the process works. Employees do not shred documents without authorization.

Topics covered:

- Retention on: emails, code violations, videos, (videos will not be destroyed), audios (gave her an example of recordings for Closed Session before and after meeting)
- Code Compliance Case Files retention – 5 year retention, but if there is an investigation or involved in litigation it would be placed on hold
 - o Who advises? City Attorney
- Emails may be destroyed right away if they are transitory; emails with informational content are printed for future reference
- Investigations – only FBI
- Active Records Requests – City Clerk's Department estimated 11 active at this time
- Revisions of Retention Schedule
 - o She asked why now, I informed her this was in the works for over 1 year
- Process on shredding documents, process and approval from Dept. Head, CA, & Clerk
 - o Sometimes departments will shred their own documents, other times more cost effective for off-site storage to perform this function
- Will send her copy of Email policy
- Attorney General Opinion Consultant references
- Media Options Legend (these are on the retention schedule under Media Options)

Let me know if you have any questions.

Thank you.

Filling a City Council Vacancy: Representation for Everyone Now
By Victoria Baca

The editors of the Press-Enterprise have opined that voters, and not council members, should have selected the individual to fill the vacant 4th District seat on the Moreno Valley City Council (*“Let City Voters Fill Vacant Council Seat”*, Aug. 26). But that course of action would have required far too much sacrifice by residents, and would have hindered the City’s ability to tackle pressing issues facing the 4th District.

To fill this Council vacancy, the City had the following 4 options:

- 1) Appoint someone to serve out the remainder of the unexpired term, until December 9, 2014. The Council’s decision to do so provided immediate and consistent representation for the residents of District 4 for the next 15 months.
- 2) Call a special election to fill the vacancy, leaving the seat open for 8 months. The earliest date to hold a special election would have been April 8, 2014. The individual elected would serve only the remaining 7 months of the unexpired term, while subjecting voters to two Council elections within a period of just 6 months and an additional cost of \$50,000.
- 3) A hybrid of the above options: appoint someone to fill the vacancy for the 7 months until a special election next April, with the individual elected serving only 7 months of the unexpired term. This could result in District 4 being represented by as many as 4 different Council Members in less than a year and a half, with added election costs.
- 4) Take no action. In this case, the vacancy would be filled by election on April 8, 2014 and the individual elected to office would serve the remaining 7 months of the term. Like option 2, this would have cost taxpayers \$50,000 while leaving District 4 residents without representation for a total of 8 months.

I am a fierce advocate for voters’ rights. As noted by the P-E, I supported the recent successful campaign to have the school district board vacancy filled by election and not appointment.

So why would I vote to fill a Council vacancy by appointment in lieu of an election?

The answer is representation. The residents of City Council District 4 deserve consistent representation now and should not have to wait until April of 2014.

How is a decision to appoint to fill a City Council vacancy different than doing so for a school board seat?

Council Members represent Districts; more than 39,000 of our residents had no Council representative during the vacancy. School board members are elected at-large, serving all residents. A vacancy on the school board does not leave anyone unrepresented.

District 4 has interests and issues that are different than other areas, including the recent siting of large, job-producing businesses within the area. These residents deserve to have a Council representative now...someone who lives in their neighborhood and is familiar with the qualities that make the southern part of our City unique.

Lastly, while I applaud the P-E advocating for “a credible unbiased selection process,” the paper doesn’t have a strong track record for understanding our voters. The paper consistently endorses candidates who are subsequently rejected by Moreno Valley residents....in the last two elections alone the P-E’s endorsed candidates were 0 for 5. They couldn’t be more out of touch with our community.

It’s time to get on with business in MoVal, and I stand by my vote to fill the vacant 4th District seat.

Subject: Residential marijuana cultivation

Good evening,

Today about 12:30 PM, officers responded to a residence in the 28000 block of Alessandro Blvd reference a strong odor of marijuana. Officers found three subjects who claimed to be growing marijuana for personal medicinal use. Officers obtained consent to search and found a significant marijuana cultivation, packaging, and sales operation in the residence and back yard.

Patrol officers called in SET officers to assist. Ultimately, officers seized 56 large live marijuana plants and an estimated 2,000 pounds of marijuana processed and ready for sale.

2,000 pounds of marijuana equates to more than 1.8 million individual dosage units capable of producing more than 3.6 million hours of intoxication. If you are doing the math, that equates to more than 414 continuous years of intoxication.

Put simply, if each of the 3 suspects smoked a joint every two hours of every day, they would have enough marijuana for 138 years of continuous intoxication. Of course, marijuana loses all of its intoxicating chemical within 2 years, no matter how you store it. Clearly, the marijuana was possessed for the purpose of illicit sales in and/or outside our community.

The suspects, Kevin Syhavong (24), Bobby Bouriboun (29), and Somsamai Kanyavmohn (26) were all booked into RPDC for cultivation and sales of marijuana.

Hi Cindy,

There has been one cancelation for the upcoming Traffic Commissioners Workshop and I wanted to extend the opportunity to City Council. The workshop is on 10/26/13 (Saturday) from 8:00 am – 4:00 pm in Buena Park. Please see the attachments for additional information. If one of the council members would like to attend, please, if possible let me know by 4:00 pm today.

Thank you,

LaSonja

Subject: 2013 Traffic Commissioners Workshop Registration

Hi CTE Members,

I am excited to announce CTE's upcoming **Traffic Commissioners Workshop**. The purpose of the Workshop is to provide participants with information relevant to traffic issues in their communities. One or two professionals with traffic engineering, public service, or enforcement experience will present each session. It will be interactive, fast-paced, and loaded with practical knowledge.

The workshop is scheduled for **Saturday, October 26th** from **8:00 am to 3:30 pm**. The City of Buena Park has graciously offered to host the workshop in Heritage Hall at the Ehlers Community Recreation Center (8150 Knott Avenue, Buena Park, CA 90620).

The registration fee for the workshop is \$80 which includes a continental breakfast, lunch, refreshments, and a reference binder (\$40 for students). The deadline to register is October 17th.

A registration form and instructions for payment are attached to this e-mail. Should you have any questions about the workshop, you can reply to Scott (sma@hartzog-crabill.com) or me (edunlap@dpw.lacounty.gov).

Please pass on my e-mail including attachments to anyone you feel might be interested in the workshop.

Eric Dunlap
2013 CTE Secretary/Treasurer

Subject: FW: Town Hall meeting

Mayor, Mayor Pro Tem, and Members of the City Council: Please see the following information from Chief Ontiveros regarding a Town Hall meeting he and Chief Knutson will be participating in on Monday evening. Joel indicated that the scheduling of this comes as an outcome of a meeting that Sheriffs Administration had requested with the parties mentioned below. He also indicated that the subject of the community meeting will be Sheriffs' policies and practices and not specific to any particular incident; the goal is to focus on police-community relations. Joel said that the Council is welcome to attend and, if this format works well, they will do more of these in the community (perhaps we can schedule one in each Council District, for example). I plan to attend on Monday.

(Note that Joel said the P-E posted something re: this event online and got it wrong by calling it a press conference; that has since been corrected.)

Subject: Town Hall meeting

Good morning Michelle,

During our meeting with Dr. Fleming and Woodie Rucker-Hughes, the idea of conducting a town hall meeting was discussed. The concept is to give concerned community members the opportunity to pose questions about Sheriff's Department policies, responses to calls for service, etc... in the wake of the recent in-custody death on Hemlock. Chief Knudson and I readily agreed to participate in such a town hall meeting if Dr. Fleming would be willing to set one or more up. Dr. Fleming is directly involved with the Johnson family and agreed to serve as a go-between for us.

In light of the press release by the family's attorney yesterday and the pending litigation, the idea of a town hall meeting was in question. After discussions with our legal advisors, we decided to go forward with the planned meeting if Dr. Fleming could arrange it. Dr. Fleming called this morning and advised the meeting is set for Monday October 28, 2013 at 6:00 PM. It will be held at Cross Word Christian Church with the assistance of Bishop Lacy Sykes.

Woodie Rucker-Hughes, president of the Riverside chapter of the NAACP, Dr. Fleming, and Pastor Ted Collins of the Cops and Clergy Network will also be present for the meeting. Woodie is adamant that this meeting will not devolve into chaos. The current plan is to have a professor from UCR moderate the meeting. Dr. Fleming could not provide her full name, but indicated her first name is Carol and she is affiliated with UC Riverside.

Attendees will be given 3 x 5 cards on which they will write questions that will be posed to us. Dr. Fleming indicated that the questions will likely center around department policies, how we respond to calls for service, and DUI driving. Chief Knudson and I will respond to all the questions we can answer, but we will not be providing any information directly related to the in-custody death beyond what has already been released to the news media.

As I mentioned on Monday, Chief Knudson and I also offered to meet with the Johnson family if they were interested in speaking to us privately. As of this morning, Dr. Fleming indicated the family does not appear to be interested in such a meeting, but she will check again. I will keep you updated on the progress of that proposed meeting as well.

Subject: Gang related shooting

Good evening,

Officers are working on a gang-related shooting in the 28000 block of Calle Agua. Information is very preliminary at this time and subject to change. I will send an update in the morning when more details are available.

At this time, we have one 20 year-old male victim suffering from serious but non-life threatening gunshot wounds. Two teenage girls were in the line of fire, but thankfully were not injured. The victims were inside the open garage of a single family residence when a car stopped in the street in front of the house. Suspects inside the vehicle fired several shots into the open garage, striking the victim.

The victim is being treated at a local hospital and is expected to survive. Gang officers are processing the scene and will coordinate with the MVPD Investigations Bureau as the investigation progresses.

August 29

Well, this does explain why Tom Owings is so intent on keeping Richard Stewart out of the loop. Seems fishy to me. Isn't this how Law Enforcement works? Take somebody you have something on and get them to turn on the others in exchange for immunity. I don't know, but I'm just saying.....

MORENO VALLEY: Investigation spreads to City Hall documents; Stewart says he is 'not a target'

www.pe.com

Councilman Richard Stewart says he is no longer a target of the federal corruption investigation, while agents have subpoenaed some

<http://www.pe.com/opinion/editorials-headlines/20130925-editorial-explain-hubristic-appointment-to-moreno-valley-council.ece>

Meli Van Natta · Top Commenter · Owner/Broker at Rancho Belago Realty

I have been taking a "wait and see" position regarding the actions of this Council, urging restraint until the investigations were completed, but this action really strains my resolve. To deny one Council Member's right to participate in the process is unconscionable, and will do more to further the recall effort than anything the petitioners could have done themselves.

Having written on this subject before, I remain convinced that there MUST have been some prior discussion or agreement on the appointment of Mr. Gutierrez. It would strain credibility for it to have happened any other way. Mayor Owings is not the type of person to blindly agree with Mrs. Baca's choice of a candidate absent any prior knowledge. However, it is very likely that, knowing the rules of the Brown Act, those were the only two people who discussed the appointment of Mr. Gutierrez in advance of the meeting, feeling that it was not likely that Mr. Molina would vote against them. As I have said before, the APPEARANCE of impropriety is to be avoided when one's integrity is already being questioned.

<https://www.facebook.com/askmeli>

Meli Van Natta @askmeli 10 Oct

@SuzanneHurt I hope Jesse Molina starts using his own mind instead of going along with Owings and Baca on everything.

<https://twitter.com/askmeli>

Meli Van Natta But if only Baca and Owings are recalled? Molina and Gutierrez were both supported by Baca, would they choose another of her friends? And two against one, would they outvote Stewart? Or would they, out of an abundance of caution, choose someone less controversial? Tune in next week for the next installment of "As the Council Churns."

Subject: FW: P-E coverage of Amazon site selection for Moreno Valley

Mayor, Mayor Pro Tem, and Members of the City Council: I wanted you to know that I sent the following to Nels Jensen, editor at the P-E, regarding Suzanne Hurt's article on the Amazon announcement (and in particular her referencing the FBI raids in what should only have been a very positive news item). I included a cc: to Aaron Kushner, owner of the OC Register and reported new owner of the P-E.

Cc: 'nfoltz@ocregister.com'
Subject: P-E coverage of Amazon site selection for Moreno Valley

Good afternoon Nels:

We're increasingly frustrated with the mixed signals we seem to be receiving from the P-E. I hope that sharing a very recent example will illustrate what we're experiencing and solicit your assistance in reconciling what appear to be contradictory editorial perspectives.

When you, Deb Gruszecki and I spoke briefly on Tuesday morning at the Beacon Economics forum, I indicated that we hoped to announce some wonderfully positive news very soon. I was delighted by your reply, indicating that "we want to print good news about Moreno Valley." Within the hour, I forwarded to Deb the announcement about Amazon selecting Moreno Valley as the site for just its 4th fulfillment center in California. The announcement was replete with positive news for Moreno Valley and its residents, in particular the creation of ****1,000**** jobs.

Imagine my surprise and disappointment when Ms. Hurt's article on Amazon's decision included an oft-repeated account of the FBI's April 30th "raid" on the homes of Council Members and developers.

I'm confident that you'll agree that Amazon's announcement is perhaps the best news that our community has had in months, if not years. The prospect of 1,000 NEW jobs is huge, particularly for a community that has suffered unemployment as high as 15%. Yet, your reporter inserted canned copy regarding the FBI raid into a story which had absolutely no connection to the ongoing investigation. None, whatsoever.

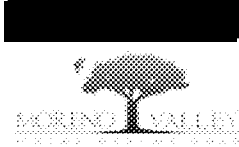

Does your reporter's treatment of Moreno Valley news reflect your editorial philosophy? We're incredibly disappointed as it appears to directly contradict your comments to me

on Tuesday. Furthermore, I specifically forwarded that announcement to Ms. Gruszecki because 1) it is a business news item and 2) our relations with Deb were cordial and fair in the limited time she covered Moreno Valley. I can't say that we have a consistently cooperative relationship with the current reporter and her article on Amazon is a perfect example. City staff tries to be responsive to your reporter (keeping in mind that we are operating a City and we have our own deadlines); her irresponsible "reporting" makes me even less inclined to direct City staff to take any steps to assist her beyond what is required by law.

I would very much appreciate your insight.

Good afternoon,

The graduation ceremony for the will be held on November 21, 2013 at 6:00 PM. The ceremony will be held at The Grove Community Church located at 19900 Grove Community Dr., Riverside, CA 92508.

I'd like to invite you to attend this special event and watch as newly minted peace officers are sworn in. The ceremonies are impressive and reflective of the sacrifices made by both the academy recruits and their families during six months of arduous training. Recruits from several agencies will receive their badge of office during the ceremony. Hundreds of family members and supporters will be present, but don't worry, there is plenty of seating available. I look forward to seeing you there!
