

ORDINANCE NO.

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, APPROVING A MUNICIPAL CODE AMENDMENT (PA11-0030) AMENDING TITLE 9 OF THE CITY OF MORENO VALLEY MUNICIPAL CODE REGARDING THE CREATION OF THE MIXED USE OVERLAY DISTRICT (APPROXIMATELY 147.69 ACRES) AND AMENDING THE MUNICIPAL CODE TO INCLUDE STANDARDS RELATED TO THE MIXED USE OVERLAY DISTRICT.

The City Council of the City of Moreno Valley does ordain as follows:

SECTION 1:

1.1 Pursuant to the provisions of law, public hearings were held before the City of Moreno Valley Planning Commission and the City Council.

1.2 The matter was fully discussed and the public and other agencies presented testimony and documentation.

1.3 The City of Moreno Valley Official Zoning Atlas shall be modified to reflect the Mixed Use Districts Overlay.

1.3. An environmental assessment, including an initial study, has been prepared to address the environmental impacts associated with application PA11-0030 described above and environmental determinations have been adopted pursuant to the California Environmental Quality Act (CEQA).

SECTION 2: FINDINGS:

Based on substantial evidence presented to this City Council during its public hearing on April 23, 2013, including written and oral staff reports and the record from the public hearing, this City Council hereby finds as follows:

1. Conformance with General Plan Policies – The amendment is consistent with the General Plan, and its goals, objectives, policies and programs, and with any applicable specific plan.

FACT: All of the proposed changes are consistent with, and do not conflict with the goals, objectives, policies, and programs established within the General Plan or any specific plan. The amendment creates the Mixed-Use Overlay District to replace the current Mixed Use Zoning Districts 1 and 2 (MUD1 and MUD2). The amendment also includes development standards for the Mixed Use Overlay District.

The General Plan currently references and encourages the concept of mixed use development. At this time, only limited specific plan areas

within the City (Village at Sunnymead – Specific Plan 204 and the expired Moreno Highlands – Specific Plan 208) are zoned for mixed use development. The creation of the Mixed Use Overlay District will help promote the concept of mixed use in the City of Moreno Valley.

General Plan Objective 2.4 states that the City shall “Provide commercial areas within the City that are conveniently located, efficient, attractive, and have safe and easy pedestrian and vehicular circulation in order to serve the retail and service commercial needs of Moreno Valley residents and businesses.” The creation of the Mixed Use Overlay District will help meet this objective.

- 2. Health, Safety and Welfare – The proposed use will not be detrimental to the public health, safety or general welfare.

FACT: The proposed changes do not have the potential of adversely affecting the public health, safety or welfare of the residents of City of Moreno Valley or surrounding jurisdictions. The amendment deals with administrative matters that would not cause a physical effect on the environment.

- 3. Conformance with Zoning Regulations – The proposed amendment is consistent with the purposed and intent of Title 9.

FACT: The amendments to the Municipal Code provides for an internally consistent set of regulations that are compatible with the purpose and intent of Title 9. The proposed changes (creation of the Mixed Use Overlay District, deletion of the MUD1 & MUD2 and inclusion of the development standards for the Mixed Use Overlay District) eliminate conflicts or clarify the meaning of some sections of Title 9. As such, it furthers the specific purpose and intent of Title 9 to “implement the goals, objectives, policies and programs of the Moreno Valley General Plan and manage future growth and change in accordance with that plan.”

SECTION 3: MUNICIPAL CODE AMENDED:

- 3.1 Removal of MUD1 & MUD2 Information from Chapter 9.07 Special Districts. Both Section 9.07.090 Mixed Use Development 1 (MUD1) and Section 9.07.100 Mixed Use Development 2 (MUD2) will be deleted from Municipal Code as followed:
